Foods from around the world

The Wayne State College campus community had the opportunity to try different foods from various regions of the globe. WSC International Club advisor Ron Vick, left, served samples of food from other cultures to Lois Nuernberger, instructional resource coordinator, and others in the student center atrium, March 14. Samples included Murgh Kebab (chicken kebab), Noni Afghani (Afghan Bread), and Gosh I Fil ("Elephant's Ears" - a type of fried bread dessert) from the Islamic Republic of Afghan and Beijinhos (Little Coconut Kisses) from the Federative Republic of Brazil. The International Food Tasting Event was sponsored, in association with Chartwells Food Service, by the Wayne State College International Club.

Wayne State to Host Just Juniors' Day March 25

Area high school juniors and their parents are invited to attend the "Just Juniors Day" at Wayne State College on Saturday, March 25. Activities include an optional, free A.C.T. preparation workshop (pre-registration is required) for the students, as well as informational sessions for both parents and students. During the day, campus tours will be offered, and an academic fair, sessions on student services, financial aid and scholarships will be presented.

"Just Juniors" is one of the best ways for high school juniors to get a first-hand look at Wayne State College and the programs

and services we provide," said Line Morris, dean of admissions and recruitment.

The day will begin with check-in at the student center at 8:30 a.m., and will conclude with a tour of the campus in the early afternoon.

Because space in the A.C.T. workshop is limited, pre-registration is required.

To register, call the admissions office, toll-free, at 866-972-2287, or 402-375-7234; E-mail address is: campus_visitation@wsc.edu.

More information can be found on the Wayne State Web site at wsc.edu.

Four out of five Americans are unaware home fires are the greatest and most common disaster threat

Eighty percent of Americans do not know that home fires are the most common disaster in the United States. Moreover, half of families with children are using high-risk methods to heat their homes this winter.

Those are some of the findings of a poll just released by the American Red Cross, whose local chapters helped families affected by nearly 67,000 home fires last year - 92 percent of all Red Cross disaster responses. Despite the reality of this threat in Wayne, Northeast Nebraska and across the country, two-thirds of those surveyed cited floods, hurricanes, tornadoes and mudslides as greater threats to their family than home fires.

With heating costs rising as much as 25 percent this winter, the Red Cross poll found that four in 10 families (42 percent) say they are using alternatives such as a space heater, fireplace or wood/coal stove to stay warm. The figure is even higher - 49 percent - among families with children under 18. The National Fire Protection Association reports that children are twice as likely as adults to die in a home fire.

Alternative heating sources are involved in 74 percent of fire-related deaths, according to the U.S. Fire Administration, yet only 27 percent of those surveyed identified them as leading causes of home fires. In fact, only 10 percent of those who use fireplaces and 17 percent of those who use space heaters realize that both are leading

causes of home fires.

"Every year throughout Northeast Nebraska, home fires are the single most common disaster threat," said Lori Carollo, Executive Director of the Northeast Nebraska Chapter, "and for a family that has lost everything, a home fire is just as devastating as a major tornado or hurricane."

The Northeast Nebraska Chapter provides fire victims with assistance for food, clothing, temporary shelter and other special needs an affected family may have. This relief is made possible by generous donations from people throughout Northeast Nebraska. This assistance is available 24 hours a day, 7 days a week, 365 days a year - and there is never a cost to the clients we serve.

"The Northeast Nebraska Chapter of the American Red Cross would greatly appreciate donations from people in Wayne and throughout Northeast Nebraska to support our ongoing disaster relief efforts in our communities," said Lori Carollo. "And I encourage residents to contact our chapter at 402-375-5209 for vital information on how to make a family emergency plan and to keep your families safe from fire this winter and throughout the year. Parking is topic of discussion

By Clara Osten
Of the Herald

Parking issues highlighted discussion at Tuesday's meeting of the Wayne City Council.

Ordinance 2006-02 received first reading approval.

It would amend the city code to require property owners to have a hard surface for vehicles to park on in front of residential properties. The effective date for this ordinance is Oct. 1, 2007, allowing two construction seasons for property owners to comply with the changes.

Paul Lindner spoke to the council on this topic and noted that requiring hard surfacing for parking areas would be a financial hardship on some property owners. He also asked whether brick could be used instead of asphalt or concrete.

Paul Campbell also spoke against this ordinance and encouraged council members to take the cost of these changes into consideration.

Another parking issue debated was the creation of an ordinance allowing for two hour parking on side streets during the Main Street Improvement project.

Mayor Lois Shelton read a letter from the TEAM 15 committee in support of implementing parking restrictions that said the ordinance would offer extra encouragement for employees to park elsewhere during the construction period.

Eric Smith, who lives on West Fourth Street in an area that would be affected by the ordinance, asked the council where he should park his vehicles during this time.

"Where should I park? We have four drivers and four vehicles and there is no place else for us to park," Smith said.

After considerable discussion on options,

the council voted on the ordinance. However, due to the fact that council members Darrell Fuelberth, Brian Frevert and Verdel Lutt were absent and council member Kaki Ley abstained on the vote, no action was taken.

The council did vote to establish seven handicap parking stalls on Second, Third and Fourth Streets during the Main Street Improvement Project. These would be located in the first parking stall west of the alley from Main to Pearl Streets and the first parking stall east of the alley from Main Street to Logan.

The council rejected the two bids that were received to re-roof the Library/Senior Center.

City Administrator Lowell Johnson told the council that the bids were considerably higher than expected and he felt the city should reject the bids and look at other options.

In other action, the council approved the Senior Center Budget for the Northeast Nebraska Area Agency on Aging.

Due to increased participation in the meal program, the Agency will revise the amount distributed to the Senior Center from \$54,483 to \$69,969 for the coming fiscal year.

Also approved was a bid of \$2,430 for carpet installation in the Clerk-Treasurer/Billing Office at City Hall.

Mayor Shelton also appointed Kaki Ley to the Wayne Community Housing Development Corporation and Will Wiseman to the Wayne Industries Spec Building Committee. Will Wiseman, Doug Sturm, Lowell Johnson, Nancy Braden and Betty McGuire were appointed to a committee to review city bidding procedures.

The council's next meeting will be

Tuesday, March 28 at 7:30 p.m. in the council chambers.

Three accidents are reported

The weather played a factor in two out of the last three vehicle accidents that have been investigated by the Wayne County Sheriff's Office.

On Monday morning at about 7:50 an eastbound vehicle driven by 32-year-old Ann Milliken of rural Wayne was struck by a westbound vehicle driven by 29-year old Jesse Mick of Emerson, after he lost control on the ice and crossed the centerline just west of the 35 & 16 junction south of Wakefield.

Milliken, Mick and a passenger in the Milliken vehicle, Teresa Salmons of rural Wayne were injured and taken to Providence Medical Center by the Wakefield Rescue Unit. Those parties were treated and released for their injuries. All the occupants were wearing restraints.

At about 10:30 on the same morning a three vehicle accident occurred near the Winside Spur on Highway 35. A westbound vehicle driven by 37-year-old John Chol of Norfolk lost control on the ice, slid across the centerline and struck an eastbound vehicle driven by 42-year-old Troy Hartman of Laurel. The Hartman vehicle then spun out of control and into the path of a third vehicle being driven by Jennifer Judt, 31, of Laurel.

All three drivers were alone in their vehicles and were taken to Providence Medical Center in Wayne by the responding Winside Rescue Units where they were treated and released for their injuries. The drivers all reported that they were in their restraints at the time of the accident.

TeamMates to hold One Hour Walk

The Wayne TeamMates Mentoring Program will be hosting the annual One Hour Walk on Sunday, April 23.

The walk is designed to celebrate the power of mentoring and the difference mentoring makes in the lives of youth.

Over 5,000 people in 53 communities across Nebraska and Iowa will be participating in the One Hour Walk.

In Wayne, the walk will take place at 1 p.m. at the Wayne Community Activity Center. Registration will begin at 12:45. All students walk free. Registration fee for others is \$15. Anyone wishing to sponsor a walker or make a contribution is asked to contact Darrell Miller, 375-9419, daytime, or 375-4698, evening or TeamMates Coordinator Jill Walling at 375-4282.

The One Hour Walk is the major fundraiser for the TeamMates program each year. The money is used for scholarships given to graduating seniors who have remained with the program and who are planning to continue his or her education at a two or four-year institution.

The TeamMates Mentoring Program matches volunteers from the community

with youth who would like an additional caring adult in their lives. The One Hour Walk symbolizes the one hour mentors spend with their youth each week. Mentors provide guidance and encouragement so youth can reach their full potential and graduate from high school. This year, over 100 TeamMates students will be graduating across the state.

At the present time, there are nearly 40 TeamMates matches in the Wayne Community Schools.

At about noon on March 14 a two vehicle accident occurred four miles west and one and one half miles north of Wayne that was not weather related. A northbound vehicle driven by Terry Karel of Wayne met over the top of a hill crest with a southbound pickup driven by 35-year-old Dan Spahr of Laurel. Both of those drivers were transported to Providence Medical Center by the PMC ambulance crew. They were treated and released, as well, for their injuries sustained in the accident.

Packing the cookies to be sent to Iraq are, left to right, Trisha Brown, Maren Mosley, Brittany Brown and Scott Brown. Partially hidden behind the boxes is the Brown's son, Jesse, who also helped with the packing project.

Friendship leads to cookie donation

By Clara Osten
Of the Herald

Brownie Troop #3337 in Omaha was looking for a community service project.

That, and the fact that Trisha Brown, troop leader for the group, is a personal friend of Leif Olson of Wayne, led to the troop sending approximately 150 boxes of Girl Scout cookies to members of the 189th Transportation Company stationed in Iraq and other troops serving overseas.

Trisha's husband, Scott, is originally from Wayne and was a member of the Wayne National Guard Unit at one time. Scott's parents, Richard and Carol Brown, live in Wayne.

The Brown's daughter, Brittany, 8, is a member of the troop as is Maren Mosley, daughter of Joel Mosley, also a Wayne native. His mother, Carol, still resides in Wayne.

After discussing several ideas for a community-service type project, the members of the Brownie troop decided sending cookies to the troops was a good idea.

"The girls gave their customers the opportunity to buy cookies for themselves or for the troops. Some people donated one or two boxes, but one person donated 16 boxes, two of each kind we offer," Mrs. Brown said.

In addition to the cookies, several of the girls and their classmates wrote letters to the troops and these will also be included in the packages when the cookies are sent.

Mrs. Brown said that Olson was a member of the wedding party when the Browns were married and the families have stayed in contact. She said her family was unable to be in Wayne last August when the troops left, but still felt the need to do something for them.

Rev. Kenneth Edmonds

The Rev. Kenneth Edmonds, 76, died Monday, March 13, 2006 Scottsdale, Ariz.

A celebration of his life will be held in Kansas City in the month of May. Details will follow.

Kenneth Edmonds, son of Kenneth Sr. and Dorothy Edmonds, was born in North Kansas City, Mo. on Jan. 18, 1930. His childhood was defined by his relationship with his parents and siblings, and by his penchant for being involved in a variety of activities. He was an athlete, and his devotion to scouting led him to the honor of Eagle Scout. After graduating from North Kansas City High School in 1948, he served in the military and later completed studies at Central Methodist College in 1958. He was a graduate of the first class of Saint Paul's School of Theology in Kansas City, Mo. As an ordained Methodist minister, he served at First United Methodist Church in Wayne from 1974 to 1983.

Survivors include a sister, Martha and John Benschoter; two brothers, Richard and Carolyn Edmonds and Robert and Naomi Edmonds; one daughter, Melanie; two sons, Jeremy and Jennifer Edmonds and Jeffrey Edmonds and five grandchildren.

Donations may be made in his name to Americare Hospice & Palliative Care 1103 S. Mesa Drive Suite 2, Mesa, Ariz. 85210.

He was preceded in death by his parents and his wife, Bobbie Edmonds.

Shirlene Sue Boeckenhauer, daughter of Oscar and Luella (Larson) Kardell, was born on April 24, 1955 in Sioux City, Iowa. She graduated from Laurel High School. On March 10, 1979 she married Tim Boeckenhauer and helped him on the farm. Among the things that she loved were gardening, attending the Fair (Dixon County) and she avidly followed all of the school activities. Most of all, she enjoyed spending time with family and friends.

Survivors include her husband Tim; one son, Daniel of Wakefield; two daughters Mindy of Wakefield and Leslie and Brian Johnson of Wayne; one grandson; four brothers, one sister and many nieces,

nephews and cousins.

She was preceded in death by her parents, a father-in-law, infant son, Dana and one brother-in-law.

Pallbearers were Mick Kemp, Gerald Haglund, Curt Rewinkel, Burt Heithold, Mike Dunklau and Mike Victor.

Burial was in the Wakefield City Cemetery. Bressler-Munderloh Funeral Home in Wakefield was in charge of arrangements.

Leora Austin

Leora Austin, 85, of Wayne, died Thursday, March 9, 2006 at Providence Medical Center in Wayne.

Services were held Monday, March 13 at Grace Lutheran Church in Wayne. The Rev. Carl Lilienkamp and the Rev. John Pasche officiated.

Leora Alice Hanna Austin, daughter of Andrew and Clara (Lilje) Johnson, was born July 15, 1920 on a farm near Wayne. She was baptized at her parents' home and confirmed at Immanuel Lutheran Church at Wakefield. She attended rural school in Wayne County and graduated from Wakefield High School in 1939. On July 2, 1943 she married Warren Austin at Immanuel Lutheran Church at Wakefield. The couple farmed northwest of Wayne until moving into Wayne in 1988. She was a member of Grace Lutheran Church, Grace Lutheran Ladies Aid, Concerned Bible Study Group since 1967 and the church sewing group. She enjoyed crafts, sewing, ceramics, collecting angels, baking and being with her family.

Survivors include one son, Kenneth and Marla Austin of Wayne; two daughters, Carol and James Sjovald of Sioux City, Iowa and Jane and Rob Wimmer of Kansas City, Mo.; eight grandchildren; one great-granddaughter; two brothers, Willis and Donna Johnson of Norfolk and Derold and Irene Johnson of Omaha; sisters-in-law, Marjorie Bennett and Dorothy Johnson, both of Wayne and Freda Austin of Norfolk; nieces and nephews.

She was preceded in death by her parents; husband, Warren on Sept. 19, 2005; two brothers, Robert and Melvin Johnson.

Pallbearers were her grandchildren.

Burial was in Greenwood Cemetery in Wayne. Schumacher-Hasemann Funeral Home in Wayne was in charge of arrangements.

Cigarette lighters are not toys

The Wayne Volunteer Department has released the following information in regard to the use of cigarette lighters.

Recently, there have been newspaper stories about fires with the loss of life caused by children playing with cigarette lighters.

Many hours are spent by Fire Prevention committees attempting to teach children that lighters and matches are tools and not toys.

One of the problems is that the

lighter manufacturers keep making the lighters in the form of toys. Recently, lighters have been seen in stores in the form of shotgun shells, golf clubs, matches and other shapes.

To children, these things are toys. Imagine a golf club that makes fire. Children enjoy trying out things of this nature.

So, if you smoke, only buy lighters that look like lighters and keep them out of children's reach.

Supports Buffet

Dear Editor,
Mr. Warren Buffet's decision - a vital one - to throw his support behind Coach Tom Osborne for Nebraska governor surprised me, and impresses me. Buffet's support is beyond merely 'substantial.'
Over the years, Mr. Buffet has impressed me almost as much as Tom Osborne has. The Coach has given himself to Nebraska in so many ways: coach, professor, leader of men, congressman - and he has never shirked a job, nor has he ever backed away from a challenge.
Yes, that's quite a duo: Buffet and Osborne - a fine team for Nebraska in these times of challenge. Following Warren Buffet's lead, I may consider changing my "D" to an "R" in sport of Tom Osborne, too.

Thanks for award

Dear Editor,
I have many people to thank for the Jr. Citizen of the Year Award. I was surprised when it was given to me; everyone kept a good secret.
First, I would like to thank Jill Belt, the Wayne Kiwanis Club, and Dr. Reinert. I am truly grateful for the nomination, selection, and presentation of such a high honor.
I owe this award to many people. My numerous music teachers give me so many opportunities to be an active member of the community. My family, friends, teachers, and peers have also supported me and deserve thanks. You all mean a lot to me.

Main Street Focus

All of us involved in Wayne Street Wayne send condolences to the wife and family of Jimmie Thomas. Jimmie, a Wayne native, through his leadership and business made many contributions to the betterment of his home town - we will miss him. Many of us have special memories of Jimmie varying from his horses to his cars to his golfing and those special chocolate malts at PoPo's.

Excitement rears in downtown Wayne as we prepare to kick-off the Main Street street renovation. The kick-off dance with Cactus Hill is Thursday and we invite the entire community to join us at the City Auditorium for a night of great music and dancing. On Friday, March 31, Senator Engel will help us with the ground-breaking and take a final look at how the downtown looks before it is torn up. Many of the stores and restaurants are planning special activities for our visitors.

One of the key things during construction will be parking. It is our understanding that the city will be implementing a parking time limit on our number cross streets during the construction. We are hoping that all business people and their employees will find other places to park and let the cross street parking in downtown Wayne. The city has made the city parking lot behind City Hall available to business people and their employees and with nicer weather coming, the walk to any business place should be enjoyable and healthy. Loads of information on parking will be made available to the media on a regular basis so that all people can keep up with progress in Wayne's construction period.

On Wednesday, March 22 there will be a meeting with the contractors at 7 p.m. in the North Meeting Room of the City Auditorium. The public is invited and should bring all their questions so that they can get answers from the contractors. Weekly meetings will be held with the contractors during the construction period each Thursday from 7 to 8 p.m., also at the City Auditorium. Our city administration is doing a great job of providing opportunities for all of us to communicate and help the project progress.

On Friday, March 17, Lt. Governor Rick Sheehy will be visiting Wayne on the last stop of his

tour of Nebraska Lied Main Street communities. He will be touring and viewing some of the apartments above Main Street Wayne businesses. At 11:30 a.m., the public is invited to join the Main Street Wayne members in the back room of Uncle Dave's. Everyone will be able to order off the regular menu and will be responsible for their own meals.

The main purpose of this meeting is for Lt. Gov. Sheehy to get community input in a listening session. He would like to know what we think are the challenges and problems in downtown Wayne; what the strengths and assets are in downtown Wayne; and if money were no object, what would you like to see happen in downtown Wayne in the next two, five or 10 years. Put your notes together and join us.

At next Tuesday's All-Hands meeting, Dr. Chuck Parker will have a number of Wayne State College students report on the College Student Customer Survey. Dr. Parker co-chairs the Main Street Wayne's Economic Restructuring Committee and this customer survey has been on-going for the past two semesters. If college students are a market you reach or want to reach, you might be interested in attending this meeting. Otherwise, we feel certain that the final report will be made available to all who may wish to have a copy.

Please mark these activities on your calendar and make every effort to join us as we attempt to move Wayne forward.

Government shouldn't regulate 'gift' cards

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association
There are some specific things government can't do for you.
It might be able to do those same specific things for other people, but not for you.

Or, at least, not for me.
Example: Did you hear the one about the soon-to-be-new law on gift cards and gift certificates?

It encourages businesses to forego putting expiration dates or fees on the things.

It's a good idea, no doubt about it. People misplace gift cards. It's understandable, since they receive them on birthdays and anniversaries and Christmas and whatever. There can be a lot going on at those times. Besides, a gift card in an envelope can easily be put aside with other cards in other envelopes. Might not be discovered for who knows how long. Might be left in a purse or a jacket pocket, a desk drawer, a kitchen drawer, a nightstand drawer, a car's glove compartment.

For some of us, however, none of the above possibilities apply.

Never, ever, have I "misplaced" a gift card.

I just plain lose them, right away. They're gone. Forever.

Cards providing for a massage, a bunch of gourmet groceries and a chance to have a pickup "detailed" have come and gone, but they've never gone to the appropriate retailers. Not once.

My guess is that the same international ring of thieves that steals socks (one at a time) also targets gift cards. If you are on the "hit list," there's nothing to be done. If

government can make your life a tad better with a law that gives longer life to a gift card, that's great.

Extending the shelf-life of a gift card for me, however, would be like giving a brick an extra day to learn the backstroke.

The view from here: Gift cards originated as a kind of social fraud, anyway; they ought to be done away with! They were first called

"gift certificates." The idea was to let the recipient pick out something at a particular store. The assumption was, and remains, that the recipient would want something from that particular store.

Handing someone a gift card became more acceptable than handing them cash. The gift card was/is viewed as more genteel.

Now, come on. That's just dumb! What is a \$100 bill? It's a gift

card that is redeemable anywhere. What's wrong with that?

Is a gift card suggestive of some greater personal interest in the recipient? No. It only suggests that the giver went to a store and picked it up, or had someone pick it up.

Think about the time it takes. And then think about what Benjamin Franklin said: "Time is money." It's no wonder that his photograph decorates the \$100 bill.

Two important bills advance in legislature

As the Legislature ended committee hearings and began full days of debate last week, we advanced two very divisive issues dealing with assault of an unborn child and concealed weapons. I have been a strong supporter of both bills and was pleased to see both survive a filibuster and advance to the final stage of debate.

Sen. Mike Foley's LB 57 creates the crime of assault of an unborn child when an unborn child suffers serious bodily injury from an assault on a pregnant woman. The bill establishes three degrees of assault, including intentional, reckless, and reckless with a dangerous instrument. Causing injury while driving under the influence is also included.

Some of the debate during the week centered on whether the mother should be exempt from prosecution for causing harm to her own child. The bill as intro-

Capital Happenings

By: State Senator Pat Engel, District #17

duced contains this exception, including an exception for abortion. An amendment was introduced to allow a mother to be charged when

she caused injury by taking illegal drugs, but it was voted down. Ultimately, Sen. Foley successfully invoked cloture and the bill advanced on a 28-6 vote.

LB 57 is an important addition to our current laws. The bill will add to a law enacted in 2002 making it a crime to cause the death of an unborn child. A child should be protected at all stages of life, and I believe a mother deserves to have someone charged with a crime when her unborn child does not die, but is still injured, by an assault. I have never talked to a pregnant woman who did not feel that the child within her should have this protection.

Concealed weapons is an idea that has been debated for years in the Legislature, and we took this issue up again last week. Sen. Combs introduced LB 454 last year, but agreed to hold it over for debate until this year. In January, the bill survived a cloture vote and advanced to the second round of

debate, where we took it up on Thursday. There was a great amount of discussion on the policy and details behind this bill, but eventually the bill survived another filibuster and successfully advanced.

I know many of my constituents have asked for concealed carry legislation in Nebraska. I believe those we are afraid of will carry guns regardless of the law, so we should allow law-abiding citizens who wish to carry a gun for protection to do so. The bill requires training and background checks before a permit is granted. The initial permit will cost \$100 and each renewal permit is \$50. Renewals are required every five years.

If there is anything I can do for you, please do not hesitate to contact me at my Lincoln office: Sen. Pat Engel, District 17, State Capitol, P.O. Box 94604, Lincoln, Neb. 68509; (402) 471-2716; or lengel@unicam.state.ne.us.

Mike Jaixen said announcing at the Nebraska State Girls' Basketball Tournament was somewhat scary at first, but praised all those he worked with during the tournament.

Mike Jaixen is state tournament announcer

After last year's boys' state basketball tournament, Mike Jaixen of Wayne contacted the NSAA about possibly being a public address announcer for either of this year's tournaments.

"I wasn't sure if they took volunteers or if they had a set group of announcers," Jaixen said.

At the end of January, Rocky Ruhl, Athletic Director at Wayne High School, was contacted as a reference of Jaixen's announcing for Wayne games. The next week Jaixen was notified that they would try to find a slot for him in the tournament. The week after that he got in the mail his assignment and other information.

"I was scheduled to work the second day (semifinals) of the girls' tournament downtown at Pershing. My first game was #2 Sutton vs. #3 Ravenna at 9:30 a.m. My second game was #1 West Point Central Catholic vs. #4 Exeter-Milligan. My last game was #2 Newcastle vs. #6 Chambers. Ravenna went on to become C2 state champs and Newcastle became D2 state champs," Jaixen said.

"I was a little nervous for the first game. Not because of announcing of the game itself, but keeping straight all of the extra announcements that we don't have to do at home games in Wayne. It was a little stressful at first trying to get them all in at the right times. The NSAA staff was great to work with and they helped with anything I needed. Since there are no scoreboards to look at at the ends of the court at Pershing, just the one directly overhead, the lady keeping the official scorebook became my lifeline. She did a good job relaying to me personal and team fouls," Jaixen said.

He also noted that being right on the floor, it was also sometimes difficult to see who made the basket. All those involved had to help each other.

After making it through the first game, the second and third games were "a lot of fun after getting a better feel for the system."

"It was really exciting to be a part of the state tournament and follow "my" teams into the championship games," Jaixen said.

WSC Wind Ensemble and Symphonic Band to perform

The Wayne State College wind ensemble and symphonic band will perform on Tuesday, March 21 at 7:30 p.m. in Ramsey Theater, located in the Peterson Fine Arts Building on campus. There is no admission charge. The public is welcome to attend.

The symphonic band, under the direction of Dr. Frank Gazda, will perform "Festivo," by Vaclav Nelhybel; "Ave Maria" composed by Franz Biebl and arranged by Robert Cameron; and "The Gathering of the Ranks at Hebron"

by David Holsinger.

The wind ensemble, conducted by Dr. David Bohnert, will follow with five works that represent different elements of the wind repertoire. They will include "Gandalf," the first movement from Johann De Meij's Symphony No. 1 inspired by "The Lord of the Rings," a new work by Eric Whitacre entitled, "Lux Aurumque" (Light and Gold); "Trail of Tears" by James Barnes; "Second Suite in F" by Gustav Holst; and "Japanese Tune" by the Soichi Konagaya.

Presentation given to board members on web page

By Lynn Sievers
Of the Herald

Wayne Community Schools Board of Education met in regular session on Monday night. High school teachers Diana Davis and Amy Jackson gave a presentation on web page design and the contributions their students have made. Davis is the teacher of that class and Jackson is the art teacher.

The website is at <http://schools.wayne.org/district> and much of the new work that has been done is in the "schools" portion, under "classes." Many of the students' projects are shown under "visual arts." The teachers noted that one of their students, Miranda Kietzmann, has been helpful in this project.

Board action included the hiring of Ken Owens as part time custodian.

Financial claims were reviewed and the board approved them with the request of a better breakdown of one of the ESU #1 bills which is \$34,062.50 and higher than usual. Rocky Ruhl, athletic director,

noted a gift of 40 Wayne High Blue Devil chairs from the booster club. The chairs will be used for sideline seating at games.

The Board approved the bid of Harder & Ankeny for the audit for the year ending Aug. 31, 2006.

Tim Krupicka, Middle School principal, gave a report on free enterprise. WSC business students came to the Middle School to help students become entrepreneurs and start up a new business. Wells Blue Bunny donated ice cream to the project and the students sold it at 50 cents a scoop. After advertising and expenses, the children made a profit of \$130 the first week and \$90 the next. Krupicka noted they will try again and buy their own ice cream to sell.

Krupicka also noted an upcoming event, the carnival, which is set for Friday, March 31 at the elementary school from 6:30-8:30 p.m.

Kelly Ballinger, SPED director, gave some updates in her department. She also recognized the professionalism of the Crisis Team that helped out with counseling at

the Pender school recently after the death of a student.

Ruhl noted athletic forms (medical, etc.) can also be found on the school website.

Peg Lutt, curriculum director, told board members that information on the process of curriculum standards and assessments and how it has been going will be on the Altona system.

The school calendar was approved.

The board approved a foreign exchange student from Japan. Miki Katayama will start at Wayne High School this fall.

Future agenda items include the hiring of a full time SPED teacher, and also committee reports.

No executive session was needed.

The next Wayne Community Schools Board of Education meeting will be held on Monday, April 10 at 7 p.m. at the Wayne High School.

Facts are given on bird flu and possibility of a pandemic

With the possibility of a bird flu pandemic spreading worldwide, people need to understand what the bird flu is as well as what a pandemic is and then prepare in case it arrives.

The bird flu is an illness caused by influenza virus. The symptoms are a sudden onset respiratory illness that can be accompanied by a fever, cough, sore throat, headache, muscle aches, and runny nose. It is NOT the nausea/vomiting/diarrhea that people call the stomach flu. Viruses are much smaller than bacteria and have to enter cells so they can live and cause cells to become virus factories. Influenza virus kills cells in the breathing passages.

The bird flu is a type A strain which is the worst type of flu. The flu is mainly spread by large droplets in the air through coughing, sneezing, talking, etc. Also contact with contaminated hands and surfaces.

Every year there are epidemics due to minor changes in influenza A viruses that circulate but pandemics only happen occasionally when a completely new influenza A virus circulates (in 1918 there was the Spanish flu, in 1957 there was the Asian flu and in 1968 there was the Hong Kong flu).

With yearly epidemics, around 36,000 die and 200,000 are hospitalized, 5-20 percent of the general population is infected, there are nursing home attack rates of up to 60 percent and there are 85 percent of flu-related deaths in ages 65 and older.

With a pandemic, 67 million in the United States could be infected (400,000 in Nebraska), 2.3 of those in the U.S. could be hospitalized (14,000 in Nebraska). There could be 541,000 deaths in the U.S. (3,000 in Nebraska).

Putting those numbers in perspective: close to 500,000 lives were lost in the Civil War, around 100,000 died in WWI, around 400,000 died in WWII, around 50,000 died in the Korean Conflict, around 70,000 in Vietnam and 500,000 died of the Spanish flu.

There were 70,000 deaths in the U.S. (1.2 million worldwide) from the 1957 flu and about 34,000 deaths in the U.S. (70,000 deaths worldwide) from the 1968 flu.

There are six phases to label a flu outbreak a pandemic. We are in phase three.

Wild birds carry all known influenza A subtypes. The bird flu was first recognized in Hong Kong in 1997. Some of the countries the bird flu has spread to are Cambodia, China, Indonesia, Japan, Laos, Malaysia, South Korea, Thailand, Vietnam, Russia, Kazakhstan, Mongolia, Turkey and Romania. Other animals have caught it (cats, leopards, tigers) and others can catch it (pigs, horses, sea mammals), the hosts are expanding. As of Feb. 27, 2006, there were 93 deaths out of a total of 173 bird flu cases worldwide.

There is no immunity to the bird flu influenza A strain virus. The closest type of the virus was the Spanish flu in 1918. A vaccine cannot be made for the bird virus until it mutates and passes from human to human. So far, it is still passing from bird or animal to human.

The World Health Organization (WHO) is in surveillance of the situation as well as the Influenza Sentinel Provider Surveillance System in Nebraska. But if a pandemic does occur, the best defense for everyone is to be prepared.

People can prepare by covering your mouth when you cough or sneeze, wash your hands often or use alcohol based hand gel, stay healthy by having a well balanced diet and by getting annual flu vaccine to prevent seasonal flu, get a pneumonia shot if in the high risk group, avoid others if you are sick, do not stockpile tamiflu or relexna and stay informed of the situation.

More information can be found at www.ready.gov; www.pandemicflu.gov; www.hhs.state.ne.us or www.who.org

Date has been set for groundbreaking for Main Street renovation project

Senator Pat Engel and other invited dignitaries will participate in a Highway 15 groundbreaking ceremony on Friday March 31.

The event will take place at the intersection of Second and Main Streets in downtown Wayne. It will herald the start of the reconstruction of Highway 15 from Fairgrounds Avenue to Seventh Street.

Construction will entail the removal of the original brick roadbed which was laid in the early part of the 20th century, replacement of sidewalks, curbs, storm sewers and water mains throughout the length of Highway 15 in the business district.

The public is invited to attend the ceremony, which begins at 2:30 p.m.

Hundreds of high school students to compete in Business Day

Nearly 400 students from 35 area Nebraska high schools will compete in the annual Business Competition Day at Wayne State College on Thursday, March 23 from 8:30 a.m. to 3 p.m. in Gardner Business Building and the student center. Many of the events are open to the public. There is no admission charge.

According to event coordinator, Dr. Patricia Arneson, this event is the largest academic competition held on the Wayne State College campus. Business Competition Day sponsors include the School of Business and Technology, Pi Omega Pi business education honorary, Phi Beta Lambda and Delta Sigma Pi business organizations,

Association of Computer Machinery, Students in Free Enterprise and Advertising Club.

Students will compete in 19 areas: accounting I and II, advertising, business communications, business comprehensive knowledge, business law, business math, computer literacy, "Consumer Smarts," filing, international business, keyboarding I and II timings, marketing, sales presentations, business plan, "Web Wizardry," "Datamania Trivia" and "College Bowl."

Fires

continued from page 1A

- Consider installing an automatic fire sprinkler system in your home.

- Determine at least two ways to escape from every room of your home. Consider escape ladders for sleeping areas on the second or third floor. Learn how to use them and store them near the window.

- Select a location outside your home where everyone would meet after escaping. Practice your escape plan, especially with children, at least twice a year and revise as necessary.

Safety Tips in the Event that Fire Strikes Your Home

- Once you are out, stay out! Call the fire department from a neighbor's home.

- If you see smoke or fire in your first escape route, use your second way out. If you must exit through smoke, crawl low under the smoke to your exit. If you are escaping through a closed door, feel the door before opening it. If it is warm, use your second way out.

- If smoke, heat, or flames block your exit routes, stay in the room with the door closed. Signal for help using a bright-colored cloth at the window. If there is a telephone in the room, call the fire department and tell them where you are.

Informational meeting planned

A public informational meeting will be held Wednesday, March 22 at 7 p.m. in the North Meeting Room of the Wayne City Auditorium. The purpose will be to discuss the Wayne Highway 15 project. It is open to the general public. The contractor and representatives of the Nebraska Department of Roads will be on hand to discuss schedules and answer questions.

For more information, call 369-0618.

Second highway project to begin soon

While much has been made about the downtown High 15 construction project, another portion of Highway 15 will be under construction beginning in May.

Highway 15 from 14th Street in Wayne to approximately 500 feet north of Discount Furniture will also be improved this summer, beginning in May.

Traffic will continue to flow during construction, from Country Club Road north on Highway 15. Detour routes will be published in the Morning Shopper and Wayne Herald as well as on KTCB.com

Presentation given in observance of Women's History Month

In observance of Women's History Month, YaMika O'Neal of Omaha presented "Women Leadership: A Continuing Effort" at the Wayne State College Brown Bag Series, March 14, in the student center on campus.

O'Neal presented her view on women and the impact their emerging leadership has on the world. She emphasized how women should continue to step up and accept the roles that were once unavailable to them.

A 2003 Wayne State graduate

with a bachelor of science degree in sociology, O'Neal is pursuing a master of science degree in education in communication with an emphasis in leadership. She is an advisor to Minorities in Accordance Coming Together (M.A.C.T.), a campus organization that emphasizes increasing cultural awareness.

Customers get quality lawn care with Hytrek Lawn Service

By Lynn Sievers
Of the Herald

Toni Hytrek of Hytrek Lawn Service started her business in 1997 after seeing a need for good lawn care in Wayne. She has been providing quality lawn care since then. Hytrek and her crew work in Wayne and the vicinity as well as travel as far as Emerson, Allen, Carroll, and Winside.

Spring clean-up can include flower beds, power raking, cleaning up leaves/sticks, trimming hedges and bushes.

Hytrek's crew does long term mowing on a weekly basis or short term mowing when people are on vacation, get sick or when their mower breaks.

As for spraying, she offers a four step spray program including insecticide programs. She offers a slow release fertilizer and has a pre emergence that she breaks up into two steps which helps control crabgrass and spurge better.

Hytrek notes one mistake people make in lawn care is overwatering their yards, which can be a big mistake as that causes other problems. Less frequent watering with more at a time is much better. As for mowing in the summer, she recommends raising the lawn mower three to three and a half inches so mowing is not so stressful to grass.

"We take pride in the way the lawns we work on look," Hytrek said. "My employees are proud

Staff at Hytrek Lawn Service includes, front row, left to right, Brent Newland, Ben Kurpgeweit, Herbie (Hytrek's dog), Toni Hytrek and her other dog, Haley. Back row, Kristen Humphries, Trevin Riley, Marcus Berns, and Curtis Pilger.

Hytrek usually starts the season around March 20-25 (depending on the weather) with spring lawn clean up, ending each year around November with fall clean-up of leaves. This year they were able to work until the first part of December.

Services offered by Hytrek Lawn Service include mowing, power raking, aerating, lawn spraying, laying sod, hedge trimming and landscaping.

of their work. I couldn't have my business without good workers."

Anyone with lawn care questions or problems can call Hytrek at 402-375-5180. For those with problems, she offers to check lawns for free. Hytrek can also help people with ideas for their yards, as well as recommend plants and trees, and draw up landscaping plans.

Early departure

Feelings of dismay and disbelief on the faces of the Wayne State bench signaled the end of what's been the best-ever season in WSC women's basketball. The Wildcats finished 27-4 on the campaign that ended at the NCAA Division II North Central Regional tournament in Grand Forks, N.D.

Wildcats fall in NCAA tourney

Dream season ends for Wildcat basketball team

By David W. Carstens
Of the Herald

Wayne State made an early exit from its first-ever appearance in the NCAA Div. II North Central Regional women's basketball tournament.

The Wildcats (27-4), who were still riding high after capturing the Northern Sun conference title at home on March 5, were derailed by the conference foe Concordia-St. Paul in a 74-59 loss at the Engelstad Sioux Center in Grand Forks, North Dakota last Friday night.

No. 19 WSC hit a shooting drought with a season-low 29.4 percent from the field in the loss to the seventh-seed Golden Bears, a team which the Wildcats had defeated twice this past season.

"Concordia played really well, I thought they came out with a ton of intensity and they brought the fight to us and we didn't respond very well," WSC coach Ryan Williams said. "This was the first time in 30 games that we showed up like that."

Wayne State was only able to seize a lead three times early in the contest.

CSP broke open a 6-6 tie with a six-point run to grab a 12-6 lead early in the game.

The Wildcats were able to pull within a point at 24-23 with 2:51 left before intermission after a layup by Amanda Covington gave WSC some life.

The window of opportunity was soon closed after halftime as a series of three-pointers by Nakiya Carlisle and Katie LaViolette allowed the Golden Bears to jump up to a 36-28 advantage.

Carlisle added two more layups for Concordia to up the score to 40-28 and set the Golden Bears up for a comfortable double-digit lead for the remainder of the half en route to the 74-59 win.

"We were all excited to be here," Erin McCormick, who led the Wildcats with 22 points. "I didn't think we were nervous, we just didn't come out with enough intensity and enough will to get it done."

McCormick was one of several Wildcat players who had battled through illness last week. She and Nicole Gruntorad were briefly taken to the hospital the morning of the game with a flu-like virus.

Gruntorad, one of three senior players who played their last game on Friday, finished with 12 points for the Wildcats in the loss.

Ashley Arndorfer and Kristen Humphries also closed out their collegiate careers at the tournament.

"We just had a great year, and we just got to look at the last five months and the journey that we've been on," Williams said. "We've played great basketball and this group has done a lot for our institution and our basketball program. We are very proud of what we've accomplished."

Wilson places fifth at NCAA national meet

It was history in the making for one member of the Wayne State indoor track team last Friday.

WSC sophomore Katie Wilson picked up NCAA Division II All-American honors with a fifth place finish at the NCAA Division II National Indoor Track and Field Championships held in Boston, Mass.

Wilson recorded a top throw of 47 feet, 3/4 inches to finish fifth to become the first Wayne State female athlete to earn NCAA All-American honors in indoor track.

She had entered the finals in ninth place but put together a strong throw in her last attempt to bring home a fifth place plaque, Wayne State coach Marlon Brink said.

"Katie competed extremely well to earn fifth place," Brink said. "She really came through with her final throw which was her second best throw in her life. A lot of athletes might have crumbled under that kind of pressure, but I think that shows what kind of a competitor she is."

The Wildcats had two other representatives at nationals including Tanna Walford who took 11th place in the high jump and Lindsey Stockwell who placed 12th in the 20-pound weight throw.

Walford's best finish was 5 feet, 1/4 inch, while Stockwell's top throw was 50 feet, 8 inches.

"Tanna was incredibly close to earning All-American honors," Brink said. If she had cleared 5-5 1/4" on her second attempt, rather than her third attempt she would have been All-American, also."

Brink also commented on a great season by Lindsey Stockwell.

"Lindsey had a foul on her first throw and then it seemed like she was pressing a little too much on

Lindsey Stockwell

Tanna Walford

her second and third throws," he said. "She still had a great season and made huge improvements to qualify for nationals in the weight throw this year."

The event marked the first time that Wayne State has sent three qualifiers to the national indoor meet.

The Wildcats open the outdoor season on March 25 at the Hornet Invitational in Sacramento, Calif.

Of the Herald

Wakefield's rematch with the team they faced in their last state basketball tournament appearance was a case of deja-vu.

The Trojans (19-8) fell to eventual Class C2 runnerup Ravenna 74-39 in the first round of the tournament at Lincoln Northeast last Thursday afternoon.

The matchup was a replay of last year's state championship game that saw Ravenna take a 66-28 win to claim the C2 crown.

The Bluejays came out on fire from behind the arc as Ravenna nailed 7-of-11 treys to take a 51-20 lead at the half against a Trojan squad that had limited foes to 37 points per game this season.

"Ravenna just screened the back side of our defense," Wakefield coach Mike Clay said. "We didn't give up a lot of points in the paint, they

just shot over us and made shots."

Ravenna made its presence known from the opening tip as the Bluejays jumped to an early 7-4 lead before going on a 10-0 run that ended when Andy Hampl hit a three pointer with 2:50 left in the opening frame to close the gap at 17-7. Hampl was Wakefield's leading scorer with 15 points.

The Bluejay three-pointer parade closed out the first quarter when Tyler Cyboron nailed a shot to give Ravenna a 27-10 advantage heading into the second period.

The Trojans encountered a similar fate in the second frame as Ravenna held a 31-point, 51-20 advantage at intermission.

Cory Gustafson and Max Greve each added a basket early in the third quarter to get Wakefield to 55-24 and the Trojan defense kept things closer in the second half as the Bluejays only outscored Wakefield 23-19 en route to the

74-39 final.

"We knew heading into the game and from watching film that Ravenna could shoot the ball extremely well," Clay said. "We also knew that the reasons we lost this game were due to some of those same things we let slip during the regular season."

Six Wakefield seniors closed out their seasons at the state tournament: Andy Hampl, Matt Henderson, Cory Gustafson, Tanner Soderberg, Luke Henderson and Brent Roerber.

"It was a great year with another nice run at the end," Clay said. "We beat some very good teams to get to the state tournament."

WSC baseball wraps up tourney

The Wayne State baseball team finished its spring break road trip in the Savannah Invitational at 4-4 following the last game on March 11 at Savannah, Ga.

The Wildcats are now 9-7 on the season and are scheduled (weather permitting) to host Northwest Missouri State in a home debut doubleheader on Saturday, March 18 at the WSC baseball complex starting at 1 p.m.

Senior right-hander B.J. Wierzbicki pitched eight innings of shutout ball to help 24th ranked Wayne State blank 22nd-ranked Tusculum 11-0 on March 8.

Wierzbicki (2-0) pitched eight innings and gave up no runs on four hits with 10 strikeouts to pick up his second win of the season.

He pitched to three hitters in the ninth inning with all of them reaching base before being relieved by junior right-hander Connor Bramlet. Bramlet was able to get out of the bases loaded jam with no runs scoring to end the game.

True freshman Alex Koch stayed hot at the plate and went 3-for-5 with three singles and two RBIs to lead WSCs.

Dustin Jones, Vicente Cafaro, Ben Albury and Chris Pedroza all added three hits with Pedroza driving in four runs in the win.

The Wildcats out-hit the Pioneers 13-4 and took advantage of four errors by Tusculum.

Also on March 8, the No. 9-ranked Armstrong Atlantic State Pirates (17-0-1) remained undefeated as they rallied for two runs in the bottom of the eighth inning to defeat the 24th ranked WSC 8-6.

WSC got an outstanding pitching performance from junior left-hander Travis Mortimore as he pitched six innings, giving up two runs on five hits with five strikeouts.

Bramlet pitched a scoreless seventh inning to keep the Wildcat lead at 3-2.

Junior right-hander and Wayne native Adam McGuire pitched the eighth inning and gave up three

hits and two runs to pick up his first loss of the season.

The Pirates scored first after three consecutive hits with two outs in the bottom of the first inning to take an early 1-0 lead.

The Wildcats answered in the top of the fifth inning when freshman Cafaro hit an infield single to score senior infielder Dan Bengo to tie the game at one.

In the top of the sixth inning, Jordan Deglan hit a two-run home run into a stiff wind over the left field fence to give WSC a 3-1 advantage.

AASU got one of their runs back in their half of the inning on an infield single to make the score 3-2.

The Pirates rallied in the bottom of the eighth inning, scoring two runs on three hits to take a 4-3 lead. In the top of the ninth inning, WSC was able to get their leadoff hitter on base as Bengo reached first on a walk.

Jones tried to bunt for WSC, but first baseman Miguel Donate made a great play, and threw out Bengo at second base. Cafaro grounded into a double play to end the game. Cafaro was 3-for-5 at the plate with three singles and one RBI.

Pedroza was 2-for-4 with one run scored in the contest. Jones and sophomore outfielder Marc Manganaro each had two hits in the loss.

Wildcat pitching left 13 AASU runners on base. WSC out-hit the Pirates 11-10 on the afternoon.

WSC was too much for Fairmont State of West Virginia as WSC scored in all but two innings in a 13-4 win on March 10.

Steve Walsh (1-0), a senior right-hander from Mylo, N.D., pitched six innings and gave up five hits, one earned run and five strikeouts to earn his first win of the season.

Pedroza had a big day at the plate. He was 4-for-4 with four singles, one run scored and four RBIs in the win.

Scott Bidroski, a junior infielder from Omaha, was 3-for-5 at the plate with two runs scored and one RBI.

Jones chipped in with two hits and two runs scored on the afternoon.

The Wildcats notched 15 hits in the game, which was the sixth time on this road trip they had double digit hits.

WSC pitchers struck out eight Fairmont State hitters, while the Wayne State hitters struck out only three times.

Wisconsin-Parkside took advantage of four Wildcat errors which led to six unearned runs to defeat the WSC 6-5 on March 11.

Both teams recorded four errors and nine of the 11 runs scored were unearned.

The WSC bats were alive early in the game, which led to four runs on seven hits in the first three innings to take an early 4-0 lead.

The Rangers fought back by putting the ball in play and forced two Wildcat errors in the top of the fourth inning to score two unearned runs to cut the lead in half.

UWP was able to get their first two runners on base in the top of the sixth inning and took advantage of a throwing error by Nick Schumacher on a sacrifice bunt, which put a run across for the Rangers.

Junior left-hander Josh Andersen relieved Schumacher

and was able to get a ground ball in the infield, but it was misplayed and went into the outfield letting two more runs to score to make the score 5-4 Rangers.

UWP added one more run in the inning and took a 6-4 lead.

The Wildcats threatened in the final two innings and were able to put one more run across in the bottom of the eighth inning.

WSC had runners on second and third with two outs in the bottom of the eighth inning when Cafaro struck out for only the second time this season to end the threat.

In the bottom of the ninth inning, Bidroski led off the inning with a single.

Albury moved Bidroski to second base on a sacrifice bunt. However, the next two hitters could not hit him in as the Rangers held on to a 6-5 victory.

Schumacher (1-2) suffered the loss after pitching five innings and giving up five hits, five runs and zero earned runs. Andersen pitched the final four innings and gave up one unearned run and one hit.

Deglan and Bengo each had two hits and one RBI to lead WSC at the plate. Deglan also added his first double of the season in the loss.

WSC softball opens season

The Wayne State College softball team went 1-9 on their spring break trip last week in Orlando, Fla., at the Rebel Spring Games.

The Wildcats faced one of their toughest early season schedules ever, including two games against Northern Kentucky, an Elite Eight team from 2005, and games against N. SIU-Edwardsville and No. 24 Long Island Univ.-C.W. Post.

WSC opened the season with a 6-5 loss in 8 innings to Northern Kentucky, on Mar. 6.

NKU scored twice in the bottom of the eighth inning to rally for the win.

Stacy Shonka, Kristina Walker and Lisa Stewart each recorded two hits for the Wildcats, who finished with nine hits in the game.

The second game of the day for WSC saw the Wildcats fall to Rollins College (15-2) of Florida 3-1. The Wildcats were held to just four hits in the game.

Ashland University of Ohio blanked WSC 5-0 in the first game on March 7.

Jamie Williams held WSC to just two hits and struck out 13 batters in the win. Haley Thorpe and Breann Parks had the lone hits for WSC.

WSC fell to No. 24 LIU-C.W. Post 2-0 in the second game on Tuesday

as Karen Hain allowed just seven hits and two runs in the loss.

No. 6-ranked SIU-Edwardsville edged Wayne State 2-0 on March 9. Hain allowed just two runs on eight hits in the loss. Parks and Hain had the only hits for Wayne State in the game.

Ferris State of Michigan outscored Wayne State 8-4 in the other game of the day. Six errors by the 'Cats contributed to the eight runs scored by Ferris.

Northern Kentucky blanked Wayne State 7-0 in a March 10 opener as WSC was limited to five hits in the game.

Bellarmino of Kentucky (10-7) held off a late WSC rally to down the Wildcats 6-4 later in the day.

Hain tossed a complete-game four hitter as WSC edged Findlay of Ohio 2-1 to win their first game of the season.

The Wildcats closed out the trip with an 11-1 loss to West Virginia Wesleyan. Stewart doubled for WSC, while Voshall and Parks each added singles at the plate.

Wayne State will play at the South Dakota Dome Tournament this Saturday and Sunday at the Dakota Dome in Vermillion, S.D.

Wayne FRIENDS to offer 'Pizza and Personality'

The Wayne FRIENDS Drug Free Youth Group is offering "Pizza and Personality: a Family Communication Workshop" on Tuesday April 4, from 6 - 8 p.m. at the Wayne Middle School Commons.

The workshop is open to seventh and eighth grade students, their parents and older siblings.

Discover your personality style using the Real Colors program. Learn about how you interact with friends and family members based on what "color" your personality is.

"This is a fun way to explore your personality style and improve family communication," said Amy Topp, UNL Extension Educator.

There will be pizza provided by the University of Nebraska-Lincoln, along with an informational video. Cost for the Real Colors program is \$4 for youth and \$5 for adults. FRIENDS members will receive a \$2 discount for themselves, and for each family member they bring to the workshop (Jr./Sr. High-Adult).

Pre-register to Ms. Sudmann in the middle school office by Tuesday, March 28. Cash or check made out to Wayne FRIENDS. Workshop presenters will be Joan Sudmann, K-8 Counselor, Wayne Community Schools and Amy Topp, UNL Extension Educator.

Carroll is speaker at Rotary

Doug Carroll of the Summer Sports Complex Committee spoke at a recent Wayne Rotary Club meeting. He informed Rotarians of the proposed new look at the softball complex in Wayne. He noted with improvements to the ball fields through the years, the present concessions/restrooms building is sitting lower than the rest of the area and has suffered water damage. Carroll said the facility is being used much more now than in the past and there is a great need for the proposed changes. Anyone who has questions or would like to donate to the project can call Carroll at 375-2019.

Black and Gold Series to host U.S. Poet Laureate Ted Kooser

The 2005-06 Wayne State College Black and Gold performing arts series will present Nebraska poet and U.S. Poet Laureate Ted Kooser Wednesday, March 29. Kooser's reading in Ramsey Theatre in Peterson Fine Arts building will begin at 7:30 p.m. It will be followed by a book signing and a special reception for audi-

ence members sponsored by the WSC Foundation. Books by Kooser will be available for purchase before and after the event.

Tickets for general admission went on sale at the WSC business office March 14. The cost for general admission is \$10. Seating capacity is limited; purchasing tickets in advance is recommended.

Tickets will also be available at the door beginning at 6:30 p.m. the evening of the reading. For ticket information please call the WSC business office at 402-375-7517.

Appointed the United States poet laureate by the Library of Congress, Kooser is the first poet from the Great Plains to hold the position. He is the winner of the 2005 Pulitzer Prize for his book, "Delights & Shadows."

A professor of English at the University of Nebraska-Lincoln, he is the author of 11 full-length collections of poetry, including "Delights and Shadows" (Copper Canyon Press, 2004) and "Weather Central" (University of Pittsburgh Press, 1994). His newest book, "The Poetry Home Repair Manual," providing beginning poets with tips for their writing, was published by University of Nebraska Press in January 2005.

Over the years Kooser's works have appeared in many periodicals including The Atlantic Monthly, The New Yorker, Poetry, The Hudson Review, The Nation, The American Poetry Review, The Kenyon Review, Prairie Schooner, and Antioch Review. He has received two National Endowment for the Arts fellowships in poetry, the Pushcart Prize, the Stanley Kunitz Prize, the James Boatwright Prize, and a Merit Award from the Nebraska Arts Council.

His first book of prose, "Local Wonders: Seasons in the Bohemian Alps" (University of Nebraska Press, 2002), won the Nebraska Book Award for Nonfiction in 2003 and third place in the Barnes & Noble Discover Great New Writers Award in Nonfiction for 2002. The book was chosen as the Best Book Written by a Midwestern Writer for 2002 by Friends of American Writers and won the Gold Award for Autobiography in ForeWord Magazine's Book of the Year Awards.

Born in Ames, Iowa, in 1939, Kooser holds a bachelor's degree from Iowa State University and a master's degree from the University of Nebraska. He is a former vice-president of Lincoln Benefit Life, where he worked as an insurance representative for many years. He lives on an acreage near the town of Garland, Neb., with his wife, Kathleen Rutledge, and dogs, Alice and Howard.

Members of Wayne Boy Scout Troop 174 pose following a recent Eagle Scout ceremony.

Wayne's Boy Scout Troop gearing up for Sea Base

Boy Scout Troop 174 of Wayne will be starting a fund raising program this weekend, in conjunction with their monthly paper drive, to raise money to send several boys to the Sea Base high adventure camp in the Florida Keys.

The Scouts need to raise over \$20,000 and plan to do so over the next two years. The Sea Base trip is scheduled for the summer of 2007.

Revenue made from the recycling of newspapers, magazines, office paper, and aluminum cans at the City of Wayne Transfer Station provides Troop 174 with almost 90 percent of its funding. The Boy Scouts collect newspapers, magazines and aluminum cans at the curbside all over Wayne on the third Saturday of each month. The funds raised through the recycling efforts help pay for scouts to attend local camps and some out-of-state camps. These funds alone won't cover the expenses for Sea Base.

Recycling is an important part of Troop 174's fund raising in Wayne but the effort of the Boy Scouts also save the city money. For every ton of newspaper that doesn't go to the land fill, the City of Wayne saves \$30.

Wayne's Boy Scout Troop has long been a part of the Wayne Community. The troop is tied for the oldest chartered Boy Scout troop in Nebraska, and has a reputation for turning young boys into Eagle Scouts. Wayne currently has 124 Eagle Scouts, and there are more coming.

In addition to the Eagle Scout service projects, Troop 174 helps in the community in ways not everyone knows about. They set up and help with the Kiwanis Club omelet feed every year at Chicken Show. Scouts bus tables for the Kiwanis Club pancake feed every year, place

flats in Greenwood Cemetery during Memorial Day weekend, set up the luminaries for the Relay for Life, ring bells for the Salvation Army, and help with the barbeque at the Wayne County Fair.

These are just the troop's regular projects. The boys and leaders can be seen in volunteer roles across Wayne, from planting trees at NorthStar Services or working in local churches.

"Troop 174 gives a lot to our community. Now we need Wayne to give some back to us. We need your help to send Scouts to Sea Base. This is an adventure these boys will never have a chance to enjoy

without your help. For donations of up to \$99 you can join the Dolphins Club, for \$99 to \$249 you can join the Sharks Club, for \$250-\$499 you can join the Mates Club, for \$500-\$999 you can join the Captains Club. We already have one new Admiral, which is \$1,000 or more donation!" said Mark Klassen, Scout Master for Troop 174.

Clip & Save - Clip & Save PARK IT IN WAYNE!

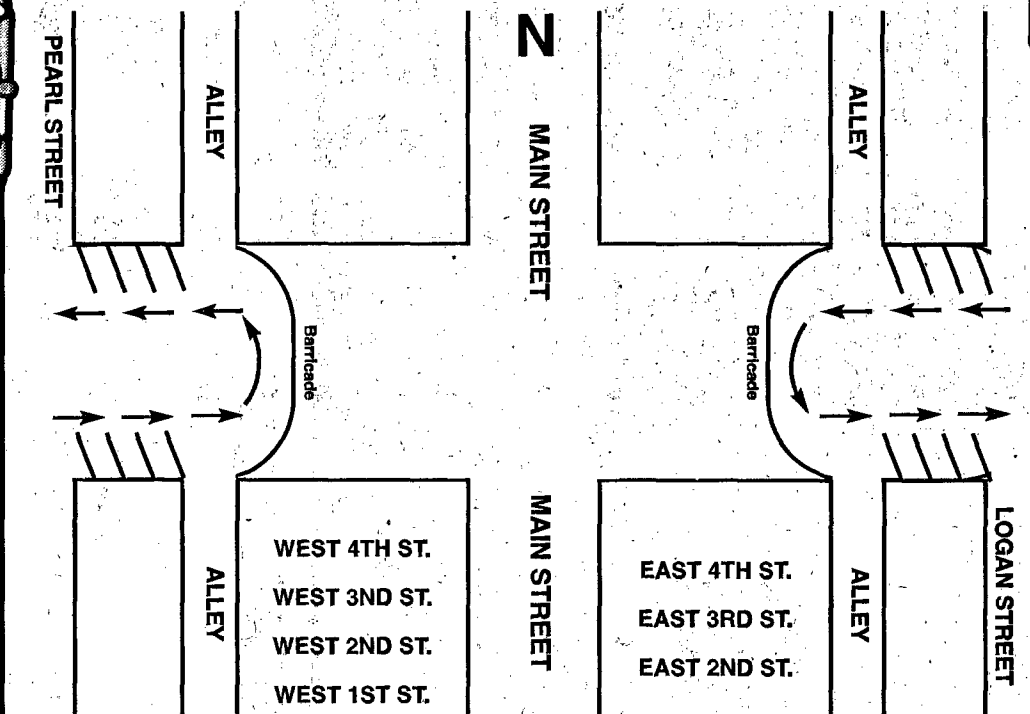

With the coming road construction on Main Street in downtown Wayne, the City and Wayne merchants are designating "Customer/Guest" parking spaces as close as possible to shops and businesses. parking will be designated on the side streets adjacent to Main Street on First, Second, Third, and Fourth Streets as illustrated.

Please keep this map for future reference in the coming days ahead when construction begins April 3rd.

Employee parking for businesses and shops is now welcome beginning March 1st in the City Hall parking Lot. City employees will park on Lincoln and other side streets to accommodate the anticipated use by shop owners and their employees.

Shop owners are encouraged to use this parking and direct their employees to use remote parking for the benefit of shoppers. The eighteen spaces at City Hall in addition to parking along Pearl and Logan are designated for employee and proprietor parking throughout the duration of the construction program.

Campaign signs don't belong on state's right-of-way

The Nebraska Department of Roads wishes to remind people it is against the law to place political campaign signs on state right-of-way.

Multi-colored, multi-shaped signs usually appear near election time and are promptly removed.

Maintenance crews of the Nebraska Department of Roads will remove any signs that are improperly placed within the state highway right-of-way. These signs will be stored for a brief period of time in State Roads Department maintenance yards across the state, where they can be reclaimed by the owners.

Those needing further information concerning the boundaries of right-of-way corridors, should contact their Nebraska Department of Roads' district office. NDOR district offices are located in Lincoln, Omaha, Norfolk, Grand Island, Bridgeport, North Platte, McCook and Ainsworth.

Friends of Library to host 'The Bible in Popular Culture'

The Friends of Wayne Public Library invite the public to attend the presentation "The Bible in Popular Culture," given by Dr. Leonard Greenspoon on Sunday, April 9 at 2:30 p.m.

This free program will be held in the Library/Senior Center.

Dr. Leonard Greenspoon

A native of Richmond, Va., Dr. Leonard Greenspoon holds the Klutznick Chair in Jewish Civilization at Creighton University. On the Creighton faculty since 1995, Greenspoon is also Professor of Classical & Near Eastern Studies and of Theology.

From his days at a graduate student at Harvard University (from which he received his Ph.D. in Near Eastern Languages and Civilizations), Greenspoon has

been interested in translations of the Bible. Many of his publications—he has edited or authored 14 books, written more than a hundred articles and book chapters, and penned almost 500 book reviews—deal with aspects of this fascinating subject. He has written on topics ranging from the earliest translation of the Bible, the Septuagint, to versions of the Bible composed as recently as last year. He is recognized internationally as an expert on the history of Jewish Bible translations, and he has been involved in two Bible translation projects as editor or consultant.

In his research and writing, Greenspoon is especially interested in the way Bible translators—acting as individuals or more often as members of a committee—reflect the historical, social, cultural, political, as well as religious environments in which they work. He also focuses on how specific Bible translations influence the communities for which they were intended, and how later translators and commentators make use of earlier versions.

While translation has been a prime focus of Greenspoon's scholarly work, he has a wide array of other interests, as reflected in articles he has written on the Jews of South Carolina, fairy tales, the ethical dimensions of being a parks or recreational professional, and effective ways to grade student essays. In recent years, he has become increasingly interested in religion and popular culture and has published articles on the Bible

NEBRASKA HUMANITIES COUNCIL

in comic strips as well as on the often-humorous use of the Bible in the daily press.

A popular speaker to both general and academic audiences, Greenspoon has made presentations throughout the United States as well as in Great Britain, France, Germany, Spain, Romania, the Czech Republic, Norway, Finland and Israel.

This event is free and open to the public, and is made possible by a grant from the Nebraska Humanities Council. A reception will follow Dr. Greenspoon's program.

For more information, contact Wayne Public Library at 375-3135.

Mardi Gras celebration

The Oaks Retirement Community residents celebrated Mardi Gras on Feb. 28 with a Carnival of games. The event was a fund raiser for the American Red Cross. Residents bought chances to throw a cream pie at Susan Wells, Executive Director of the Oaks Retirement Community. Homemade ice cream was served to all afterwards.

Northeast to offer nurse aide course in Wayne

Northeast Community College has scheduled a three-credit-hour Basic Nurse Aide course to begin soon at Providence Medical Center, 1200 Providence Road in Wayne.

Basic Nurse Aide, with course number HLTH1110-40/06S, begins Monday, April 3 and meets Monday and Thursday evenings from 6-10 through May 25, and Saturdays, April 29 and May 13, from 8 a.m. until 2:30 p.m. Danette Frahm is the instructor.

Students in this three-credit-hour/76-contact-hour class will learn the skills necessary to administer responsible health care to the ill and elderly in nursing homes and long-term care facilities under qualified supervision. Basic patient care and introduction to aging and disability, personal hygiene, body activity skills, fire prevention and safety, basic communication and charting, planning patient care, and vital signs will be reviewed. Nutrition, elimination needs, death, dying, anatomy, and physiology will also be studied.

Cost of this three-credit-hour Basic Nurse Aide class is \$196.50 for Nebraska residents or \$239.25 for non-residents. Books are not included, and may be ordered by calling the NECC Bookstore at (402) 371-2020, Ext. 7140, or purchased at the NECC Education

Center in West Point. For more information or to register, call the Northeast Community College East Region Office at 888-794-6322.

Jazz Festival is planned

Northeast Community College in Norfolk will be the site of the 24th Annual Jazz Festival on Tuesday, March 28 in the Cox Activities Center.

Performances by approximately 3,000 high school and junior high school musicians will begin at 7:40 a.m. and run through approximately 9 p.m. The public is invited.

About 85 different performing groups from throughout the Midwest will compete. Trophies will be awarded to the top four jazz bands and swing/jazz choirs in each of the four levels of competition.

Outstanding instrumental soloist and vocal soloist awards will also be presented. A sweepstakes trophy will be awarded to the top jazz band and swing choir.

For more information, contact Linda Boullion, department chair and director of vocal music activities, at (402)844-7354.

The Boxers, a team made up of youth from the First United Methodist Church in Wayne will be participating in the American Cancer Society's Relay For Life event in June. Among their fundraisers are a "beautiful" pair of purple boxers that will be appearing on lawns around Wayne in the coming weeks. Anyone wishing to make a donation is asked to contact Terry Wert and the boxers will be removed from your property. The boxers are currently gracing the front lawn of Curt and Colleen Jeffries' home. "Where will the boxers appear next, maybe your front yard?" Wert asked.

Wayne State to host Language Arts Festival March 31-April 2

The first annual Language Arts Festival will be held at Wayne State College March 31-April 2. Competitions in various categories for grades 7-12 will be held during the weekend event. A writing contest for students was held prior to the Language Arts Festival, with entries judged and the winning entries published in an anthology which will be available for purchase throughout the festival.

Students will also be invited to submit entries in various categories during the festival, including exhibits, performances of original dramas and videos. These will be presented and evaluated at Wayne State College March 31. Complete guidelines for competitions may be found on the Language Arts Festival Website: http://academic.wsc.edu/conn_library or at <http://languagefestival.wsc.edu>

A Young Authors' Conference for grades two through six will be held Saturday, April 1, with activities for students in those grades.

Award-winning author Kate Klise will be the guest author for the 2006 Language Arts Festival, replacing Jane Yolan, who had to withdraw because of family illness. Klise will present awards to secondary students after the banquet on March 31, and will give a luncheon presentation on April 1, after which she will present awards to the young authors. Other guests will include authors Robert Reed and Randa Garden, and artists John and Denise Garner.

Klise lives and writes in a little valley north of Norwood, Mo. She grew up in Peoria, Ill., not far from Normal, the setting for her coming-of-age novel, "Deliver Us from Normal" (Scholastic). The sequel, "Far From Normal," will be released in November.

Klise is also the author of the best-selling "Regarding" series of novels for young readers as well as "Letters from Camp," "Trial by Journal," which won the American Library Association Best Young Adult Book Pick in 2003, and the picture books, "Shall I Knit You a Hat?" and "Why Do You Cry?" She has been a correspondent for PEOPLE magazine since 1993.

Throughout the weekend, activities and programs will be available for all ages who attend the conference. Parents and teachers are invited to participate in the conference, which is being made possible through a grant from the Nebraska Humanities Council. There is no workshop registration or entry fee for participating students, parents or teachers who pre-register.

Tickets for the Friday evening and Saturday banquets are \$12.50 for each event. For more information, contact Dr. Stan Gardner, Conn Library, Wayne State College, 1111 Main, Wayne, NE 68787. His telephone number is 402-375-7257, and his e-mail address is stgardn1@wsc.edu.

Carmen is a show winner at exhibit

A Wings Over the Platte Artists Reception will be held on Sunday, March 19 from 2 to 4 pm in the Main Gallery of the Stuhr Building at Stuhr Museum. Complimentary refreshments will be served. DID YOU SAY "TAX SAVINGS"?

GIVE CREDIT WHERE CREDIT IS DUE
It's hard to believe, but the U.S. government is about to pay you!!! That's because thanks to the Energy Policy Act of 2005, homeowners who purchase furnaces with an AFUE of 95% or higher in 2006 and 2007 may qualify for a tax credit of \$150. And if the furnace has a variable-speed blower motor in it, the homeowner may qualify for an additional \$50 tax credit.

ONLY GOODMAN HAS A COMPLETE FAMILY OF 95% AFUE PRODUCTS THAT QUALIFY FOR TAX CREDITS.

So, before you purchase another brand, ask the manufacturer why their units don't offer tax savings.

SAFE WINTER DRIVING TIPS
 Clear snow and ice from windows, lights, windshield wipers, the hood, and the roof of your vehicle, before driving. The windshield-washer reservoir should be filled with a freeze-resistant cleaning solution.
 When you see plows, stay at least 200 feet behind them.
 Leave room for stopping. Brake early and carefully.
 Don't use cruise control. The short touch of your brakes to deactivate the cruise control can cause you to lose control of your vehicle.
 Pay attention. Look ahead to see what other vehicles are doing. That way you will know about any impending road or weather conditions.
 Watch your speed. Even if your car handles well in snow and ice, other drivers' cars may not. Drive according to the conditions. Don't exceed the speed limit and drive slowly in harsh conditions. Don't try to out-drive bad weather.

Wayne State College to host cheerleading, dance camps

Wayne State College will host cheerleading and dance camps, June 13-16, for approximately 130 high school and junior high students.
 Instructors for camps will be provided by the Universal Dance Association (UDA) and the Universal Cheerleaders Association (UCA). Individuals have the option to attend and stay on campus or commute to the camp.
 "Campers who attend learn routines that are presented all over the country. Nebraska is right up there with schools everywhere using the most up-to-date, in, presentations," said Frank Teach, WSC director of student activities. UDA creates the majority of camp dance material at regional choreography sessions.
 Some routines originate from professional studios in New York and California. All the choreography is evaluated on originality, variety and complexity. Camp instructors have completed an intense training course and have been selected from select colleges, pro dance teams and studios.
 UCA provides performance demonstrations and hands-on instruction. The UCA staff guides squad members through the learning process, adapting material to each squad's strengths and helping squads leave camp with their own routines.

Members of St. Mary's Health Ministries Committee include, left to right, Fr. Mark Tomasiewicz, Ann Witkowski, Karen Kwapnioski, Joan West, Nicole Bigley and Pat Gross.

Health care ministry formed at St. Mary's

A new ministry has recently been formed at St. Mary's Catholic Church.
 The St. Mary's Health Ministry's mission statement indicates, "St. Mary's Health Ministry, a part of St. Mary's Stewardship Committee, is an organization of volunteers whose mission is to promote physical, mental and spiritual health for the people of St. Mary's Catholic Church and the community it serves, as well as the Community of Wayne. The focus of the Health Ministry Committee is to love and serve each other and our neighbors by assisting members in their pursuit of holistic health by recognizing the relationship which exists between their health and the Christian faith."
 Those involved stress that "St. Mary's Health Ministry is not a substitute for any other health service, such as Home Health Care, Hospice, etc. The Health Ministry's goal is to function in a collaborative manner with these other service agencies.
 At the present time, six members make up the committee, Fr. Mark Tomasiewicz, Pastor at St. Mary's; Pat Gross, Deacon; Ann Witkowski, RN; Karen Kwapnioski, RN; Joan West, LPN and Nicole Bigley, RN. Sister Hilda Choi, RN, was also instrumental in getting the group formed.
 "Since the beginning of church history, health care has been part of the services offered. It is the goal of this group to return to some of the fundamental caring concepts of the church," said Ann Witkowski.
 "Our ministry is holistic. We believe that the physical, spiritual, psychological and social aspects of health are inherently intertwined," Witkowski added.
 The group plans to visit those in their homes who have need of the health ministry services, educate the members of the church community and meet the needs of those who may not otherwise be served.
 Eventually, the group hopes that there will be other church-based ministries throughout the community.

Event designed to end world hunger

On Thursday, March 30 during Wayne State College Christian Emphasis Week March 27-30, WSC Cooperative Campus Ministry members will host their fifth creative food collection.
 The event culminates in creative noon constructions in the Student Center Atrium. All campus organizations or groups can participate.
 The food and cash will be given to the Wayne Food Bank and Haven House. Anyone wishing to make a donation toward this effort is asked to contact a favorite WSC student organization or the student coordinators Marisa Rose 369-1309 or Adrienne Svitak 402-615-2732.

Leadership involves motivation of workers

No longer can leaders hire workers and expect to get motivated individuals. Learning how to motivate is now one of the most relevant and essential skills leaders can possess in today's ever-changing workplace.

Before the 1980s, good leadership was usually synonymous with assertive decision-making. Leaders were celebrated for their courage and risk-taking when shaping corporate strategies. Those times have changed.

Kim Bearnese
Extension Educator

Today, leaders must go beyond the day-to-day operations and "tough decisions." Leaders in today's society are expected to be social scientists, and the great leaders of today and tomorrow are those gifted individuals who have mastered the art of motivation. The ability to understand people and to be able to tap into their respective motives are the skills that make the difference in today's society.

What about making good decisions and tough choices? These are still central to what leaders must do, but today the leader's job doesn't stop there. Once the decisions have been made, today's leaders must be able to motivate their workers to accept and embrace organizational decisions.

What separates exceptional leaders from ordinary leaders is the ability to inspire and motivate employees. There are five unique sources of motivation:

- Fun
- Rewards
- Reputation
- Challenge
- Purpose

Each of the five sources requires different organizational and leadership characteristics to tap into them. Exceptional leaders will find ways to tap into each source. Those who tap into just one or two will motivate only a small percentage of their workers and be less effective. However, leaders who understand the different ways that individuals are motivated will be able to effectively

motivate their workers. Here are 10 ideas for leaders to consider when motivating leaders.

1. Find out which tasks are each of your employee's favorites.
2. Find ways to assign more of the tasks they enjoy and fewer of the ones they don't like to do.
3. Create incentive-laden pay scales (less output = less pay, more output = more pay).
4. Create a sales contest (if applicable) with several prizes to go to the top performers.
5. Give workers lots of feedback about the way they are performing.
6. Give praise in front of other people (the more people that know they did well the better!).
7. Stay out of their way and let them do the work if they know how to do it.
8. Assign tasks that require their skills and talents.
9. Communicate the purpose of tasks that are being assigned.
10. Make sure the company has a vision and mission that it is pursuing.

Engagements

Nelson - Davis

Cassie Nelson of Wayne and Justin Davis of Carroll have announced their plans to exchange vows in an April 22, 2006 wedding at the Carroll park in Carroll.

Parents of the couple are Randy Nelson of Scandia, Kan., Jeff and Peg Schaffer of Wayne and Will and Sue Davis of Springview.

The bride-to-be is a 2002 graduate of Wayne High School and 2005 graduate of Wayne State College. She has a degree in Business Management and Human Resources Management. She is employed by Wal-Mart in Norfolk as a Customer Service Manager.

Her fiancé is a 1998 graduate of Wayne High School and will complete certification as a Fire Fighter II from Texas Training Division in June. He is employed by Claussen and Son's Irrigation in Wayne.

Hedrick - Lienemann

Anthony and Cynthia Hedrick of Pretty Prairie, Kan., Dwight and Jackie Lienemann of Hoskins and Steve and Penny Einsphar of Arcadia have announced the engagement of their children, Christina Gail Hedrick and Benjamin Bradley Lienemann.

The couple is planning a May 27, 2006 wedding at Sacred Heart Church in Emporia, Kan.

The bride-to-be is a graduate of Pretty Prairie High School and is now a student at Emporia State University, studying elementary education with a concentration in Middle School Mathematics.

Her fiancé is a graduate of Winside High School and graduated from Flint Hills Technical with an EMT-B certificate. He is currently employed by the Emporia Fire Department.

Carroll Women's Club conducts March meeting

The Carroll Women's Club met March 9 at the Carroll Fire Hall.

President Joyce Sandahl opened the meeting with a reading, "What Good Snow Can do for Us." The flag salute was recited by all.

The group sang several Irish songs. Sixteen members answered roll call by remembering a special car.

The minutes and treasurer's reports were read and approved.

Beverly Hansen reported on the repairs of the chairs. She, Ruth Paulsen and Mary Davis will meet to get an estimate.

The yearly donation to the Cancer Fund was tabled until the next meeting.

Election of officers will take place in April. The nominating committee will be made up of Sharon Olson, Betty Morris and Beverly Hansen.

The group voted to donate \$10 for a premium for the Wayne County Fair.

President Sandahl appointed Sharon Olson, Dorrine Liedman and Beverly Hansen to plan the meal for the workers when they

work on the auditorium.

The next meeting for the group will be an Easter Breakfast on Thursday, April 13 at 9 a.m.

Sharon Olson presented the program on Will Rogers.

Ruth Paulsen and Viola Junk served lunch.

Joel Finnesgard to present two concerts

Joel Finnesgard and the "Sound of the Trumpet" will be part of the morning worship at St. Paul Lutheran Church, located two miles east of Concord and also Immanuel Lutheran Church, located four miles north of Wayne and three miles east on Sunday, March 19.

The St. Paul service begins at 9 a.m. and the Immanuel service at 10:30 a.m.

The worship will include a blend of traditional hymns and contemporary praise and worship songs. The instrumental music leans toward easy listening, uplifting and inspirational.

Finnesgard was born in northwestern North Dakota. He was involved in the family farm and graduated from Divide County High School in 1983. He studies music at Eastern Montana College in Billings, Mont. and farmed with his father and brother in North Dakota for three years before moving to California in 1987.

In California he helped with a home mission church, Victoria Community Church, in Rancho Cucamonga as a volunteer.

In 1989 he married June, the daughter of missionaries Lu and Addie Mathison. He worked in commercial construction until 1999.

Since then he has devoted full-time attention to Sound of the Trumpet. That has included recording four albums, "Sound of the Trumpet," "Silver Christmas," "Trumpet of Praise" and most recently, "Sound of Freedom" and over 600 performances throughout the United States and Canada.

He is currently studying trumpet under Uan Rasey, originally from Glasgow, Mont.

Joel's wife, June, resigned from her work as a CPA in October of 2001 and now works full-time in this ministry.

More information and additional concert dates can be found at www.joelfinnesgard.com

Howard Voss

Howard Voss to note birthday

Howard Voss will observe his 80th birthday on Thursday, March 23.

An open house will be held at Porky's Bar & Grill in Winside, beginning at 1 p.m.

Howard has lived in the Winside-Hoskins area all of his life and graduated from Winside High School. He and his brother, George, ran a grain elevator in Winside for many years.

Webster attends first churchwide meeting

Lance Webster, a member of Our Savior Lutheran Church in Wayne, recently attended the first meeting of the Evangelical Outreach and Congregational Ministries (EOCM) Program Unit at the Lutheran Center in Chicago, IL. Webster was elected to this new program unit at the Evangelical Lutheran Church in America's (ELCA) bi-annual Church Wide Assembly held last year. Webster had previously served four years on the ELCA's Division for Outreach Board, serving the past two years on the executive committee. Webster is the newly elected Secretary of the EOCM Program Unit.

At the Church Wide Assembly last year the ELCA approved a major re-organization and the new EOCM Program Unit was developed by merging the Division for Outreach and the Division for Congregational Ministries. During the weekend in Chicago Webster said the new EOCM also met jointly with the Multi-Cultural Ministry Program Unit. The highlight of the weekend was the ELCA's Presiding Bishop, Mark Hansen, spending a significant amount of his time with both groups. Bishop Hansen told the groups that it is important that all ELCA congregations know and understand that they are part of a larger church, made up of congregations, area synods and the church wide body. These three expressions of the church are what make up the ELCA.

Webster said the primary goal of the EOCM is to move ELCA congregations to a prayer first mind set, followed by aggressively reaching out to people who do not know the Good News of Jesus Christ. The EOCM is also in charge of new ministry starts and transformational ministry of existing congregations.

Soup supper and concert planned at Wakefield Covenant Church

The Evangelical Covenant Church in Wakefield is preparing to host an evening soup supper and concert on Sunday, March 19.

Featured will be the Wissmann Family of Seward.

The soup supper will begin at 5:30 p.m. and the concert is set for 7 p.m. Chili, chicken noodle and potato soup will be served.

The Wissmanns, mother, father and 12 children, spread the word of the Lord through their music. Their Christian based music comes through gospel, bluegrass, traditional and contemporary hymns, along with patriotic songs.

"We firmly believe that music was made to glorify and praise the Lord Jesus Christ," said Loren Wissmann, head of the family. All members of the community are invited to both the soup supper and concert.

A free-will offering will be taken.

For the Master to be part of concert

Evangelical Covenant Church in Wausa will present a concert on Sunday, March 19 at 6:30 p.m.

Featured during the concert will be For the Master, a familiar southern gospel quartet from Wayne; Steve Swanson (Stephanos), a piano soloist from Thurston and John McCall, a tenor soloist from Wakefield.

The evening will be filled with old time gospel, spiritual and light hearted music, both, vocal and piano.

The concert is open to the public. A free will offering will be taken during the intermission.

For more information, Ken Dahl at (402) 375-4299; Joy Nelson at (402) 586-2728 or the church at (402) 586-2582.

Nebraska State College System implements new Davis-Chambers Scholarship

The Nebraska State College System recently implemented a new Davis-Chambers Scholarship to recognize the most academically talented, under-represented students in Nebraska.

The first full-tuition scholarship, which will also include room, board, fees and other expenses, will be awarded this spring to one Nebraska Community College graduate who plans to attend Chadron State College to further his or her education in the fall of 2006.

"This scholarship will provide the opportunity to earn a bachelor's degree after attending community college. The award offers full-financial assistance in order to make this possible for the recipient," Larry Schultz, NSCS Vice Chancellor for Academic Affairs and General Counsel, said.

The 2006-07 Davis Chambers Scholarship will be awarded for one academic year and is renewable for subsequent years upon academic success not to exceed four consecutive semesters. The selected degree must be completed within two years.

Those interested must meet eight qualifications and send information to the System Office by April 1. They must be a graduate of an accredited Nebraska high school, a transfer student of junior standing from a Nebraska Community College with a 3.0 cumulative grade point average, and a resident of Nebraska.

Applicants need to complete the Davis-Chambers Scholarship application, an application for recommendation should also be included from a community college professor or official.

For more information on the Davis-Chambers Scholarship, contact Sheri Irwin, NSCS Director of Public Relations, at (402) 471-2505 or sirwin@nscs.edu.

Women of the ELCA meet at Our Savior

Twenty-one members of the Women of the ELCA met in the Social Room of Our Savior Lutheran Church on March 8.

Hostesses for the day were Elaine Menke and Laverne Smith. The meeting was conducted by Erna Karel and Dorothy Aurich.

This type of meeting is held once each year. The purpose of the meeting was to make cards for those 90 and over - the church's special people, those in the Care Center, The Oaks, home-bound, hospitalized, sympathy cards and baby cards as well as Christmas cards for those ages 85-90.

The average number of cards sent per month during the past year was 77.

Thinking about the WSO and wishing we could have been there

I really wish we could have been at the WSO show in Wayne a couple of weeks ago; it sounded like great fun. Seeing Lowell Johnson as Bob Hope and hearing Connie Webber as Kate Smith would be a hoot, and the girl in the white dress and blonde wig certainly looked like Marilyn! I can only imagine her rendition of Happy Birthday, Mr. President.

I saw a little notice in the paper today that said the Norfolk Livestock Sale Barn had been sold. That is the end of the Emrich era; the only people I've known associated with it. "Cees" Emrich was an institution, and his wife Midge was a pink lady at the hospital.

I didn't visit the sale barn often, but was always fascinated when I did. I tried to identify the buyers for the big plants, and held my breath as the bidding went on for whichever pen of cattle was in the ring. It smelled of straw, and cigar smoke, and livestock. I loved it. There was a café that was always making good stuff; and a shop that featured western style clothing. I never had the body for that style, but always admired it anyway. Growing up, I had coveted a pair of cowboy boots. My brother had some, and he also had a horse. The Big Farmer finally told me to pick out a pair as a birthday pre-

sent. I went to the western store that was on Riverside Boulevard. They were half a size smaller than I usually wore, and they fit like gloves. I was so proud of those boots. I have to admit they were in the attic the last several years, and

The Farmer's Wife
By: Pat Meierhenry

went to the Good Will with the rest of that stuff.

Actually, I'm surprised the livestock barn is still open. And the new buyers plan to have it open six days a week. I can't remember the last load we sold there. The buyers came to us. It was a big change. Now, they can view a video or

internet pictures. I had a home health patient a few years ago who was selling his critters by way of the videos. He didn't have a computer then, but I bet he does now. Isn't that amazing?

It's kind of taken the fun out of the whole process. But I guess technology is a wonderful thing. Mike doesn't think he could farm anymore, because he doesn't have all the IT tools that are being used now. I think all farmers must have palm pilots. And computers in their combines.

Their records are on their hard drives, along with their calving information and weaning weights. They pay their bills using Quicken. And they can check their account balances without calling the friendly cashier lady. And that takes the personal aspect away from it all. We don't know the people behind the counters at our bank now. Bigger is not necessarily better.

Oh, well, they still allow us to make our deposits at the drive in window, and we still balance the check book the old-fashioned way. I don't even use a calculator, figuring it's good practice for the old brain. But I am sad to see the sale barn change hands. It will probably get very modern, also. Change is inevitable, but the older I get, the harder it is.

CRP land can be used as pasture

During the next couple of years, many CRP acre contracts will be ending and continued use of the land as pasture or hay is a good option. The grass is already established, so one just needs to know how to handle some of the weed problems or how to revitalize the stand.

Many CRP acres containing warm-season grasses need thicker stands for good production and weed control. The fastest and most effective way to stimulate warm-season grass stands to thicken and to control cedar trees is with prescribed burning in the spring. Obviously, only use fire where it can be handled safely and legally, and where it won't cause other potential problems like wind erosion. Contact your local NRCS and local fire department for assistance and more information.

Another way to improve conditions is to remove old growth by haying. This can be challenging, especially if the terrain is rough or the amount of dead material is great or if pocket gophers have built many mounds that can plug equipment. However, the hay removed will need both protein and energy supplements to feed it to livestock.

Another technique that breaks down old growth and opens stands up to induce thickening is winter grazing with high animal density. Feeding hay or grazing 100 cows on just a couple acres for a week will trample dead litter into the ground and open up the soil for new seedlings and tillers. Using the CRP as a calving pasture will give a similar result, getting the trampling, the nutrient recycling, and excellent bedding all at the same time.

Del Hemsath
Extension Educator

One must also consider weed and brush control before returning to production. Cedar trees can be controlled with controlled burns if the tree is under two foot tall.

COMBINATION KIDS 4-H CLUB

The Combination Kids 4-H Club met March 5 at the Our Savior Lutheran Church in Wayne.

There were 10 members present at the meeting. The minutes were read and approved.

The members all agreed to attend the Kiwanis Pancake Feed on Thursday, March 23. They will be setting up a table to display their projects.

Mary Temme gave a speech on public speaking to the club.

The next meeting will be held Sunday, April 2 at 1 p.m. at the Our Savior Lutheran Church in Wayne. **Dacia Gansbom,** News reporter

Thistles need to be controlled with sprays applied in the fall or spring or both depending upon the problem.

Taking care of the three worst problems of excessive dead litter, thistles, and cedar trees, one can return the CRP lands into profitable grass production for livestock.

Private pesticide applicator training has been scheduled

Private pesticide applicators whose licenses expire in 2006 and those seeking first-time certification can find information on pesticide safety education programs at their local University of Nebraska Extension offices.

Licensing as a private applicator allows farmers to purchase and use pesticide classified for restricted use by the U.S. Environmental Protection Agency in their own farming operations.

Extension provides the education program, while the agriculture department is responsible for licensing. The training is \$15. An applicator may also certify by self-study for a \$30 training fee. In 2001 the Nebraska Legislature created a state pesticide license fee of \$25 for private applicators. The fee covers a three-year license period.

This year's training program includes information on the emerging new disease, soybean rust, which is a great concern for Nebraska producers. Soybean aphids and their identification and management will also be covered. Other topics include drift reduction nozzles, pesticide residue in tractor cabs, protective pesticide clothing

and equipment, corn soil insect management and special emphasis on pesticide laws and regulations and pesticide storage security.

A session will be held Tuesday, March 21 at 1 p.m. in the Community Activity Center, 901 West Seventh Street in Wayne.

For additional sites, contact the UNL Extension Office-Wayne County, at (402) 375-3310 or check online at <http://pested.unl.edu/pat> where the training sites are listed by county.

Pete Ricketts
Vision for Strengthening Agriculture

I am a conservative Republican committed to making agriculture stronger - for the benefit of both our state and our nation. If we let our producers do their job, our farmers and ranchers can compete with anyone in the world.

In the Senate, I will work to level the playing field for our producers. I will work to reduce the capital gains tax, end the death tax, protect private property rights, and expand the use of ethanol.

Family farms and ranches are the legacy of our great state, and I want to make sure they are growing for centuries to come.

Facts presented on mulch

As you get ready to replenish mulch in your landscape beds this spring, you might have heard or received an e-mail that you should not purchase your mulch from some large commercial outlets because it may be chipped wood from hurricane areas in Louisiana and Mississippi, and may contain Formosan termites.

This is an e-mail that seems to be creating some hysteria, but is essentially untrue and should not prevent people from purchasing and replenishing landscape mulch, which is an excellent tool for con-

serving water and promoting plant health.

On mulch from hurricane areas, be aware that Louisiana has placed strict quarantines on wood leaving these areas. Second, the Nebraska Department of Agriculture has protocols in place to check mulch being sold in the marketplace to make sure it isn't coming from hurricane ravaged areas.

And finally, if any Formosan termites made their way to Nebraska, they would be unlikely to survive our winters.

Sharp Shooters host match

The Sharp Shooters 4-H Club hosted the Wayne County Air Gun Invite on Feb. 26 at the Carroll Auditorium.

A total of 45 shooters from five counties competed in BB Gun, Sporter Air Rifle and Precision Air Rifle.

In the BB Gun competition, the shooters shot 10 shots each in prone, standing, sitting and kneeling positions.

In the Junior Division (ages eight and nine), Charles Krueger of Pierce was first; Garret Heikes, son of Dan and Tanya Heikes of Wayne was second and Lucas Kolterman of Pierce County was third. Also competing from Wayne County was David Greunke, son of Darin and Staci Greunke, who placed sixth.

In the Intermediate Division, Dustin Heikes, son of Dan and Tanya Heikes of Wayne, captured the gold medal. Taking silver was Nate Krueger of Pierce County. The bronze medal went to Mica Wamstad, daughter of Ken and Carrie Wamstad of Carroll.

In the Senior Division (ages 12-14), Alex Niedfeldt of Gage County won the gold medal. Silver went to Andrew Mohr, son of Gordon and Sue Mohr. Clayton Wamstad, son of

Ken and Carrie Wamstad, took third place. Also competing from Wayne County were Zach Fuoss, son of Roger and Carol Fuoss, who placed fourth and Lathan Kraft, son of Roger and Donna Kraft, placed fifth.

In Sporter Air Rifle competition, shooters take 10 shots each in three positions - prone, standing and kneeling.

In the Junior Division (ages eight to 14) earning gold was Alex Niedfeldt of Gage County. Silver went to Mica Wamstad of Wayne County and bronze to Nate Krueger of Pierce County. Also competing from Wayne County was Lathan Kraft, seventh place.

In the Senior Division of Sporter Air Rifle (ages 15-18), Kristi Thomsen of Pierce County took first place; Andrew Mohr of Wayne County placed second and Clayton Wamstad of Wayne County earned third. Zach Fuoss of Wayne County placed fourth.

In Precision Air Rifle competition, competitors shot 40 shots in the standing position only. Taking first was David Thomsen of Pierce County. Second went to Alex Niedfeldt of Gage County and third went to Darin Greunke of Wayne

County.

Wildlife Society Chapter organized at Wayne State

The Wayne State College student chapter of The Wildlife Society has recently been formed and has been officially recognized by the national Wildlife Society organization.

The Wildlife Society seeks to advance wildlife conservation using science-based practices, and provides a continuing education and connection to other wildlife professionals. Activities for this semester include attending a burn workshop and presentations on wetland conservation at Offutt Air Force Base in Bellevue.

The WSC student chapter of The Wildlife Society is a part of the Biology Club. Buffany DeBoer is faculty advisor; officers are Rachelle Jordan, Omaha; Erin Kucera, Lawrence; Tami Kietzmann, Carroll; and Kristin Rice, Fullerton.

Faculty coordinator for the WSC chapter of The Wildlife Society is Dr. Patricia Szczyz. Student coordinators are Brian Franzone, Bellevue; Bekah Jessen, Bloomfield; Melissa Slaymaker, Atkinson; and Melody Saltzgeber, Sloan, Iowa.

Date set for Speech Contest

Nebraska 4-H Public Speaking Contests help teach youth life skills that are beneficial for a lifetime in their personal and professional lives.

Developing self-confidence and effective public speaking skills are two goals of the Nebraska 4-H Public Speaking Program for 4-Hers ages 8 to 18. Participants are encouraged to give speeches to their 4-H clubs and to participate in county, regional, and state contests.

The Wayne County 4-H Public Speaking Contest will be held on Tuesday, March 28 at the Wayne County Courthouse. To register for the contest, contact the Extension office at WAYNE-COUNTY@unl.edu or phone 375-3310 by 5 p.m., March 24. The winners of the county contest advance to the

Regional Contest to compete for the opportunity to participate in the State 4-H Public Speaking Contest.

The Nebraska 4-H Public Speaking program is sponsored by the Nebraska Rural Radio Network, which includes KRVN, KNEB, and KTIC radio stations. They provide ribbons for County and Regional Contests, radios to the winners at the Regional Contests, \$50 Savings Bonds to the participants in senior speech and PSA divisions in the State Contest, two \$500 scholarships to the speech winners and \$250 to the PSA winners.

The College of Agriculture and Natural Resources, University of Nebraska-Lincoln, will provide a \$200 scholarship to the participants in the speech division at the State 4-H Public Speaking Contest.

FIDDLER ON THE ROOF

The Allen Music Department is beginning to practice their upcoming musical "Fiddler on the Roof". The Allen Chorus will have four performances of this musical - dates are: Tuesday, March 28 at 7:30 pm; Wednesday, March 29 at 1:00 pm; Friday, March 31 at 7:30 pm; and Saturday, April 1 at 7:30 pm. The 47 member Allen Chorus will be led by Luke Logue (Tevye) and Alissa Koester (Golde).

If you'd like to help with the immense amount of work that goes into a full musical, (it takes around 400 hours to put up the set alone) your time would be greatly appreciated. Please contact Mr. Lacy at the school.

BOOK CLUB

If you are interested in forming a book club with "To Kill A Mockingbird" as the first selection, please talk with Kathy Boswell. The 1961 Pulitzer Prize winner by Harper Lee is the first selection chosen by "One Book One Siouland." The book is being discussed during the month of March and April at various libraries and coffee shops in the area. A date and time will be set for their own book discussion in Allen.

PANCAKE BREAKFAST

The Floyd Gleason Post 131 American Legion is sponsoring a Pancake Breakfast on Sunday, March 19 at the Allen Fire Hall. The event will begin at 8 a.m. and they will serve until 1 p.m. They will be serving pancake, scrambled eggs, French toast, sausage, orange juice and coffee.

The Legion Auxiliary will be raffling off food baskets. They will be charging a free will donation and will all proceeds raised will go to Allen Summer Youth Programs and other American Legion Sponsored Events.

UPCOMING EVENTS

The Allen Community Club organizes several community events through out the year. On April 15, the group will sponsor a Easter

party along with a visit from the Easter Bunny for area children.

On May 10, the group will help organize the Community Clean up along with donating their time, effort and equipment to help "clean up" when community members place the items they need disposed at the curbside.

The group also has plans to serve a post prom breakfast in May and will sponsor the Community Garage Sales in June.

If you'd like to be a part of this community group that helps to sponsor and organize community events, meeting are held the third Monday of each Month at the Village Inn with a supper at 6:30 p.m. (not required) followed by a meeting at 7 p.m.

ANNUAL MEETING

The Annual meeting of Eastview Cemetery Association will be at the Allen Fire Hall on Tuesday, April 4 at 3 p.m. Anyone interested in the cemetery is welcome to attend this meeting. Agenda: 1. Treasurer's Report; 2. Board of Trustees members elected; 3. Officers of the Board of Trustees elected; 4. Any business pertaining will be considered.

ALLEN UPDATE

The winter 2006 "Allen Update" alumni newsletter was mailed recently to 1180 alumni residences. The newsletter went to 157 Allen addresses, 339 to those residences with 687 as the first three digits of their zip code, 273 with other Nebraska or nearby Iowa zip codes sorted through the Omaha area post office, and the remaining 410 to addresses further away. A few additional letters were hand delivered during the folding and sorting process.

If you have sons or daughters who still receive their newsletters at "home" but would prefer to have newsletters sent to them, please send address changes to Kathy Boswell.

Art Month celebrated with high school show

March is National Youth Art Month and an occasion to highlight the role of art and creativity in K-12 education. It is also a chance to recognize the outstanding work being done by art teachers in local communities.

The University of South Dakota Department of Art has a century long tradition of preparing art educators and promoting their work. During March, the University Art Galleries is pleased to offer the public the Sixth Annual Area High School Art show.

This year, 22 area schools are participating in the exhibition with over two hundred works of art in a wide variety of media including drawings, prints, photography, paintings, sculpture, ceramics, and mixed media. The subjects, styles and content are equally diverse, demonstrating wide ranging experimentation and a great deal of individuality.

The art department takes the lead in organizing the annual high school art show. "Knowing that the arts are important goes without saying, but making art important is up to us all, so this exhibition is one of many contributions the U makes to encourage the visual arts in education."

As the designated center for the study of the visual arts within the South Dakota system of higher education, it is the honor of the department to promote and encour-

age the arts at every level. So each year, we take the month of March to say thank you to the students and teachers who make this show possible," said Cory Knedler, art department chair.

The exhibit is on display in the Main Gallery of the Warren M. Lee Center for the Fine Arts at The U. The gallery is open to the public free of charge from 8 a.m. to 5 p.m. weekdays and from 1 to 5 p.m. on weekends. The show will culminate with a reception honoring participating student artists, their teachers, and their schools on April 2 in the Main Gallery between 3 and 5 p.m.

Participating Nebraska schools are Wayne, South Sioux City, and Winnebago.

Participating schools from South Dakota are Beresford, Mitchell, Elk Point-Jefferson, Bon Homme, Vermillion, Sioux Falls O'Gorman, Tri-Valley, Rapid City Stevens, Aberdeen, Cheyenne Eagle Butte, Dakota Valley, Harrisburg, Chamberlain, Alcester/Hudson, Freeman, Sioux Falls Lincoln and Flandreau.

Participating Iowa schools are Odebolt-Arthur, Sioux City North, Sibley-Ocheyedan and Newell-Fonda.

For more information about the exhibit please contact John A. Day, director of the University Art Galleries at 605-677-3177 or by e-mail jday@usd.edu.

WAYNE COUNTY BOARD PROCEEDINGS

Abbreviations for this legal: PS - Personal Services, OE - Operating Expenses, SU - Supplies, MA - Materials, ER - Equipment Rental, CO - Capital Outlays, RP - Repairs, RE - Reimbursement.

Wayne, Nebraska
March 7, 2006

The Wayne County Board of Commissioners met in regular session at 9:00 a.m. on Tuesday, March 7, 2006 in the upstairs conference room of the Courthouse.
Roll call was answered by Chairman Nissen, Members Miller and Wurdeman, and Clerk Finn. Advance notice of this meeting was published in the Wayne Herald, a legal newspaper, on February 23, 2006.
The agenda was approved.
The minutes of the February 21, 2006, meeting were approved as printed in the Commissioner's Record.

Road/Bridge Business:
Engineering service proposals for a Federal Aid Project to resurface part of 864th Road, also known as the "Sholes Diagonal", from Sholes northwest to the Wayne - Cedar County line - Motion by Nissen, second by Miller to accept the proposal of \$8,900 submitted by JEO Consulting. Roll call vote: all ayes, no nays.
Culvert materials for replacement of a short bridge on 572nd Avenue, Mile 646, 4.0 miles east and 5.5 miles south of Winsida - The solicitation of informal bids was authorized on motion by Miller, second by Wurdeman. Bids will be opened on Thursday March 16th.
Right of way acquisition on federal aid bridge projects - Motion by Wurdeman, second by Miller to prepare and mail deeds with both owner's and spouse's names for Federal Aid Project BRO-7090 (16).

Continuing Business:
Court Services Building - Change Estimate Proposal 5 revising roof drain piping, and Proposal 6 providing additional alarm devices were reviewed and approved.
Emergency Management update - Sheriff Janssen reported that the Local Emergency Operations Plan must be updated before any additional funds will be received from Homeland Security. Janssen estimated the update would take two - three months.

New Business:
Jury Expenses - Clerk of District Court Allemann-Dannelly requested the jury draw expenses be paid out of the miscellaneous court budget, or split between the district court and county court office budgets; the last draw was paid for out the district court office budget. The board had made the change to more accurately reflect the cost of district court operations, but agreed to go back to paying the expense out of the miscellaneous court budget.
Nebraska Livestock Friendly County Program - Richard Sanne, NE Department of Agriculture, and Farm Bureau representatives Jay Ferris, Clark Kinnison, and Don Liedmann presented information on the Livestock Friendly County program. This is a voluntary program recognizing counties that actively support the livestock industry. When evaluating applications the Nebraska Department of Agriculture looks at things county government and groups in the county are doing to support livestock. The Livestock Friendly designation is to help non-ag residents understand more about the importance of livestock to the county. No action was taken.
Lodging Tax Grant Applications - Motion by Miller, second by Wurdeman to approve action taken by the Wayne County Convention & Visitors Bureau on the following grant applications: Wayne County Fair, \$1500 for the publication of the 2006 Wayne County Fair books; March Madness Rugby, \$1500 for advertising; and the Team 15 Promotional Dance, \$1500, to be held on March 16th. Roll call vote: all ayes, no nays.
Substitution of Securities - Motion by Wurdeman, second by Nissen to approve the security substitution submitted by First National Bank of Wayne. Roll call vote: all ayes, no nays.
Lawn Service Bids - Bids for spraying and mowing the courthouse and social service grounds were opened. Motion by Miller, second by Wurdeman to accept the bid of Y&Y Lawn Service to spray the courthouse grounds for \$315 per application and the social service grounds for \$65 per application. Roll call vote: all ayes, no nays. Motion by Miller, second by Nissen to accept the bid of Joyce Wurdeman for the courthouse grounds for \$90 per mowing and Hytek Lawn Service for the social service grounds for \$20 per mowing. If Hytek Lawn Service does not accept the mowing of the social service grounds the bid will go to Joyce Wurdeman for \$25. Roll call vote: Miller-aye, Nissen-aye, Wurdeman-abstain. Motion carried.
Sprinkler Contract - A contract with Claussen & Sons for spring and fall service of the courthouse grounds sprinklers for \$255 was approved on motion by Miller, second by Wurdeman. Roll call vote: all ayes, no nays.
Noxious Weed building water tap - Brent Pick would like to use the water tap at the Noxious Weed building. He would pay for the tap of the water line if and when the county is ready to hook-up. Motion by Wurdeman, second by Miller to approve pending receipt of a signed agreement. Roll call vote: all ayes, no nays.

RC&D letter of support - The President's budget proposal for FY 2007 includes cutting the RC&D program funding in half. Motion by Wurdeman, second by Miller to sign a RC&D letter of support to be sent to members of congress. Roll call vote: all ayes, no nays.
Cellular One contracts - Account payment discrepancies were discussed. Attempts to work with the payment department have not been successful, a company representative from Norfolk was contacted.
Board of Equalization: Did not convene
Resolutions: None
Fee Reports: Debra K. Allemann, Clerk of District Court, \$1,561.84 (Feb Fees); LeRoy W. Janssen, County Sheriff, \$939.12 (Dec Fees); Debra Finn, County Clerk, \$8,541.75 (Jan Fees).
