Scouts have presence in community

Now in its 84th year, Wayne Boy Scout Troop 174 is believed to be tied for the oldest consecutive chartered troop in the State of Nebraska.

The troop was started in 1923 and continues to be active throughout the community in various ways.

As a number of boys in the troop prepare to leave for a high adventure trip to Seabase in the Florida Keys, the following information has been compiled regarding some of the troop's activities and accomplishments.

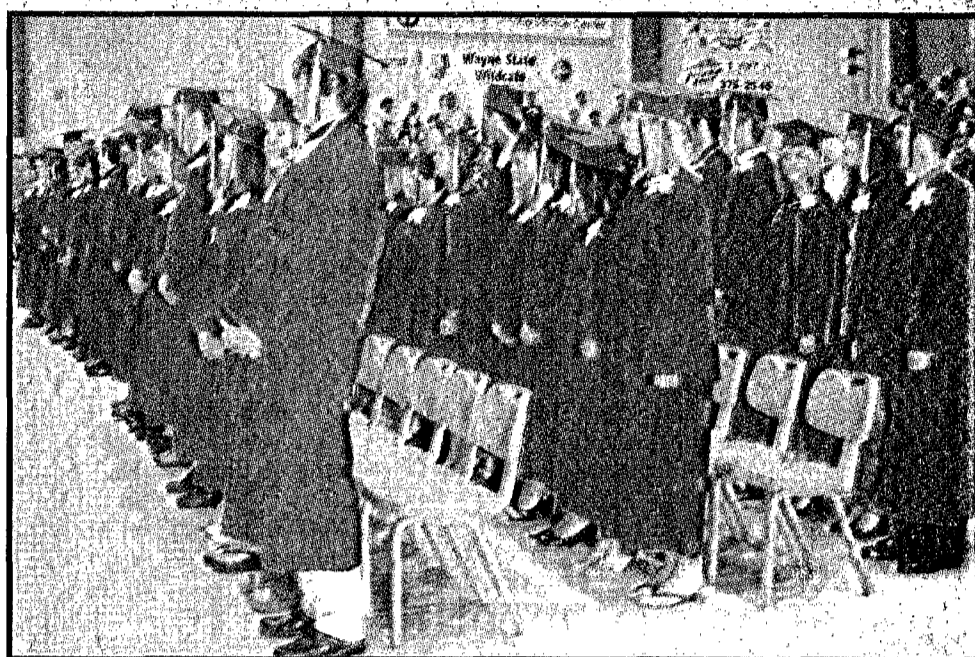

Scout Leaders Mark Klassen and Jeff Carstens have put together the following facts about the troop.

"In the past 84 years, we have had 44 scoutmasters and 131 Eagle Scouts. We have had six boys earn the honor of Eagle Scout this year alone," Klassen said.

Major camps the scouts have attended in recent years include Philmont in New Mexico in 2004, 2006 and plans are to attend again in 2008; Ben Delatour in Colorado in 2004 and 2006; Seabase in the Florida Keys in 2007; Jubilee at Mahoney State Park in 2005 and 2007 and Camp Cedars in Fremont on an annual basis.

"Wayne Boy Scout Troop 174 has been accepting recyclable items for many years. In the beginning, newspapers were collected and stored in garages and church property. Because of generous support from the City of Wayne and the Wayne community, the local troop's recycling program has expanded to include four semi-trailers and a wagon for aluminum beverage cans,"

Graduation memories

Graduation ceremonies were held at three area high schools over the weekend. Above, Wayne High School seniors prepare to receive diplomas. Center, Allen High School seniors Corissa Moore and Sierra Williams make final preparations before the ceremony. Below, Laurel-Concord seniors make final preparations before the ceremony. More graduations will take place this weekend and additional photos will be included in next week's Herald.

Tearful goodbye

Students at Wayne Elementary wait in line to give Principal Daryl Schrunk a hug as they left school on Tuesday. Classes have been dismissed for the summer at Wayne and most area schools. A number of activities were held to celebrate the end of the year.

Bids are approved for new mower and for air conditioning project at high school

By Lynn Sievers
Of the Herald

Wayne Community Schools Board of Education met on Monday night at the high school in Wayne. Two bids were approved: one from Midland Equipment for a new John Deere mower (\$20,535 plus \$1,390 for a removable blade for snow removal) and from Zach Propane, \$15,858 for air conditioning in the following rooms: band, choir, IPS, science and art and part of the amount is for a sump pump that's needed for the project. Four teachers gave presentations to the board: Amy Jackson on her trip to New York, N.Y. for the National Art Teachers Conference; Dwaine Spieker on his upcoming medieval studies at Yale University; Lee Brogie on the Tall Grass Prairie Project (an environmental project using audio and video technology to call attention to the fact that very little native prairie is left) and Lori Ruskamp and several of her fourth grade students on technology in the classroom and what the children can accomplish but that more computers are needed.

Jill Belt, representing WEB, noted their group and ambitious parents are ready to help with fundraisers (\$52,000 is needed for new computers, software and maintenance) for the elementary building. Their group just needs to know if they should go ahead.

Dr. Joe Reinert, superintendent, commented that as much as they would love to get new computers, there is only a finite amount of money and if there are more computers, then maintenance and replacement costs have to be considered. Kaye Morris, board president, reminded there is still a bond to pay off on the Middle School.

Jodi Pulfer, board member, noted the school has to keep growing and if WEB is

willing to help, then the issue should be looked into.

Administration reports include: Peg Lutt, Curriculum director, commending Diana Davis for putting the curriculum on the school website, as well as noting how well grades 4, 8 and 11 did in the statewide writing tests. One hundred percent of the fourth graders scored at proficient or above, 91 percent of the eighth graders scored proficient or above and 97 percent of the 11th graders scored proficient or above.

Kelly Ballinger, SPED director, noted the statewide writing test is exactly the same for each school and what an accomplishment the great scores were.

Tim Krupicka, middle school principal, said they have been busy in his building registering children for classes and also that report cards will be sent out on May 21.

Mark Hanson, high school principal, discussed the letter of congratulations from Sen. Pat Engel to the students involved in the annual inter-high school scholastic contest, who took first place honors in the Class C contest.

Rocky Ruhl, athletic director, stated the Booster Club has given them wireless technology in the gym and in the press box at the track, as well as bought their department digital cameras. He added the club is also working on getting a heating and an AC unit for the weight room which will help keep the humidity out.

The board approved Brad Hoskins, Tanya Heikes and Lee Brogie to be WEA negotiations representatives. Also approved was policy #1303. Approval was given to the lease agreement with Dennis Preston of \$400 for the property west of Wayne (formerly Dist. #51).

The board agreed on changing the June, July and August meeting times to 5 p.m. A board retreat is planned for Wednesday, June 13 from 12:30 to 4:30 p.m. at Wayne High School in room 209.

Future agenda items include discussion on several policies and also on WEB and their offer to help get new computers at the middle school.

The next regular meeting of the Wayne Community Schools Board of Education is set for Monday, June 11 at 5 p.m. at the high school in Wayne.

Exchange student adapts to life in Wayne

By Clara Osten
Of the Herald

After spending nearly nine months in the United States, Miki Katayama has

developed a love for s'mores and macaroni and cheese.

The 17-year old exchange student from Tokyo, Japan has spent the school year

with Terry and Joyce Wert and their daughter, Andrea.

Miki's family includes her father, who works for the Kleenex Company, her mother, who works at a college and a 21-year old brother who is attending college.

Miki decided to become an exchange student in the summer of 2005 and began the process through E.F. Foundation for Foreign Studies.

The Werts worked with E.F. several years ago when they hosted an exchange student after learning of the program through their church.

"Early in 2006 we decided that we wanted to host another student. Our son, Adam, was leaving for college and we chose to host a girl. We looked through the applicants and chose Miki, because we wanted someone who would be part of our family, including our activities in our church. Miki has become active in the youth group with Andrea," Terry said.

"Miki has meshed with our family very well," Terry said.

The families emailed and exchanged pictures before Miki arrived in Wayne on Aug. 12. Prior to that, she had had a three-week

orientation session in Seattle, Wash.

Even though Miki said she had had English classes in Japan, "they were more grammar-type classes and not conversation. I had problems with slang words," she said.

Coming from a large city to a town the size of Wayne took some adjustment.

"There are no buses or trains in Wayne. I miss being able to go anywhere by myself. I do like Sam's Club and Wal-Mart here. We do not have them where I live in Tokyo," Miki said.

At Wayne High School, Miki took Government, sophomore English, Algebra II, choir, art, study hall, keyboarding and strength and fitness training.

"Choir was easy, but my favorite class was Art. In my school choir, band and sports are not part of school. They are part of clubs," Miki said.

Schools in Japan are divided into two tracks based on what a student would like to do after graduation.

Miki said she has one more year of school left and after she returns to Japan

Airport receives grant funding

The Wayne Municipal Airport has received word from Congressman Jeff Fortenberry's office that the airport has been awarded a grant in the amount of \$131,453.

This money will be used for rehabilitating lights on Runway 4/22.

The rehabilitation project will begin in July, after the Wayne Chicken Show.

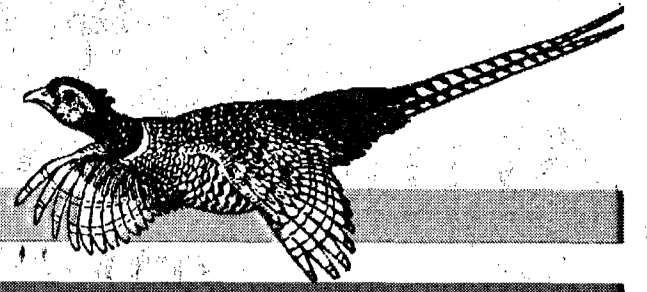

The grant is a 95 percent federal, five percent local match award with funds coming from aviation gas taxes.

The Wert family includes, left to right, Joyce, Miki, Andrea and Terry.

Etta Kinney

Etta L. Kinney, 99, of Wakefield died on Wednesday, May 9, 2007 at the Wakefield Health Care Center in Wakefield.

Services were held on Monday, May 14 at the Wakefield Presbyterian Church in Wakefield with Pastor Cindi Prather officiating.

Etta was born on Nov. 10, 1907 in St. John's, New Brunswick, Canada, the daughter of Ralph E.L. and Jennie (Davidson) Strange. She moved with her family at the age of seven to Waterloo, Iowa. They later moved to Concord and later settled in Wakefield. She graduated from Wakefield High School in 1926. On July 20, 1931, she married Charles "Busty" Kinney Jr. In Sioux City, Iowa. The couple farmed southeast of Wakefield until 1947, when they moved to Wakefield. Etta became a United States Citizen in February of 1951. She moved into the Wakefield Health Care Center in 1994, where she resided until the time of her passing. She was a member of the Wakefield Presbyterian Church and a 50-year member of the Eastern Star.

Survivors include her nieces and nephews. She was preceded in death by her parents, her husband, Busty, one brother, Fred Strange, and a sister, Leola Nimrod. Burial was in the Wakefield Cemetery. The Bressler - Munderloh Funeral Home in Wakefield was in charge of arrangements.

Bruce Meyer

Bruce Meyer, 36, of Honolulu, Hawaii, formerly of Norfolk, died Saturday, April 21, 2007 in Honolulu.

Services were held Saturday, April 29 at Mount Olive Lutheran Church in Norfolk.

Bruce Lee Meyer was born on November 17, 1970, in Norfolk, the son of Steve and Gini (Echtenkamp) Meyer. He was baptized at Our

Special council meeting held to discuss possible land purchase

The Wayne City Council met in special session on Tuesday to discuss the possible purchase of real estate.

The one-item agenda dealt with a piece of land located northwest of Wayne. The city's Well No. 10 is located on the property.

The 80 acre parcel includes 62 acres which are currently enrolled in the CRP program, with contract expiring in 2007.

Council members discussed the possible uses for the land and the benefits of owning the property to protect the city's water supply.

Council member Doug Sturm

said he was not in favor of purchasing the land because "every time we turn around, we are spending more money. Where are we going to come up with this money?"

City Administrator Lowell Johnson said that at the present time the city has a deed to the water rights on the property, but if someone else purchases it, there could be ongoing issues on what farming practices could take place on it.

After going into executive session to discuss the matter, the council agreed to make an offer to purchase the property.

Redeemer Lutheran Church in Wahoo and confirmed at Mount Olive Lutheran Church in Norfolk. He attended Washington Elementary and graduated from Norfolk Senior High School in 1989. He continued his education at Kearney State and UNL. In 1993, he moved to Seattle, Wash., where he studied horticulture and worked for a landscaping company and a plant nursery. He moved to Portland, Ore. in 2001, and then moved to Honolulu, Hawaii, in 2004, where he continued to work in landscaping. He was an avid sports fan. While in high school, he was ranked number one on the tennis team, and after moving to Seattle became an avid snowboarder. He was passionate about the Cornhuskers and the Boston Red Sox and loved to play competitive table tennis.

Survivors include his parents, Gini and Don Shearer of Stuart and Steve and Bonnie Meyer, of Beemer; one brother, Corby and his special friend, Kirsten, of Omaha; one nephew, his grandmother, Marjorie Meyer of Wahoo; stepbrothers and stepsisters, Sara and Ken Wickey, of Sioux City, Iowa, Toby and Jennifer Wibbels of Fremont, James Shearer of

Norfolk, Lena Shearer, US Coast Guard, CN; an uncle, Larry Meyer, of Ashland; an aunt, Diane and Keith Maly, of Lincoln; a special friend, Debbie O'Brien, of Honolulu; cousins and friends.

He was preceded in death by his maternal grandparents, Amos and Clara Echtenkamp and paternal grandfather, Harlow Meyer.

Burial was in the New Lutheran Cemetery in Norfolk. Home For Funerals in Norfolk was in charge of arrangements.

Arthur Pollard

Arthur Pollard of Wayne died Nov. 27, 2006 in Texas. Memorial services will be held Friday, May 25 at 11 a.m. at Greenwood Cemetery in Wayne.

Lunch will follow at Our Savior Lutheran Church in Wayne. Hasemann-Schumacher Funeral Home in Wayne is in charge of arrangements.

Wayne High band to be part of Memorial Day program

On Monday, May 28 the Wayne High School Bands will participate in the Memorial Day Program held at the cemetery (weather permitting) or in the Middle School Gym if the weather is bad.

The students need to meet at the High School Band Room by 9:10 a.m. Varsity Band members are to wear their CONCERT UNIFORMS and Cadet Band members are to wear DRESS clothes. At 9:40 a.m. the students will then walk to the cemetery or be bused to the Middle School Gym, depending on the weather.

"We need as many Varsity Band and Cadet Band members as possible to take part in this event honoring our service men and women. We realize school is out for the summer and many people leave town during this extended weekend, but on the other hand we do not want to display a band that does not sound or look acceptable. If at all possible, we are asking your assistance and cooperation in order to make this "Special" event successful. Your time, effort and support would greatly be appreciated," said Band Director Brad Weber.

After the Memorial Day Program, several Music Booster parents will be checking-in the band uniforms at the high school. "Band students, please bring all your Marching Band and Concert Band uniform parts with you on Monday. Again, your cooperation in this matter is "truly appreciated". Thank you for giving up your time in order to take part in this Memorial Day Program," Weber said.

Several others who attended the event were not present for the picture.

Leather and Lace celebrates anniversary

Leather and Lace Square Dance Club recently celebrated its 25th anniversary on May 11 at the Wayne City Auditorium with Lanny Weekend calling to 85 dancers and guests.

Connie Kirkpatrick introduced and thanked the planning committee, which consisted of Peggy Krueger, Phyllis Rahn, Donna Tietsort, Barb Stout and Connie Kirkpatrick.

The stage display was of vintage dance clothes of Julis and Darlene Eckert of Winside and their daughter, Peggy Krueger. Phyllis Rahn explained the display of pictures and information about the club.

Club President Vernon Bauermeister welcomed the guests and introduced the caller for the evening.

The guests were registered by Donna Tietsort and hostesses were Darrel and Phyllis Rahn. Punch

was made and served by Connie Kirkpatrick and Vernon Bauermeister. The decorated cake was made by Peggy Krueger. Peggy and Bob Krueger and Roger Willers and Karyn Bijlsma served the cake. Peggy Krueger also decorated and made the table decorations, which in turn were given as door prizes. Darrel and Nancy Fuelberth assisted with the snack table. The rest of the club members brought snacks for the dancers to enjoy throughout the evening.

Past members present were Mae Kidwell, Deanna Krueger, DeLana Marotz, Gertrude Vahlkamp, Jim Jacobsen, Faye Peck, Skip and Bea Kinslow, Margaret Turner, Vi Johnson, John Addison, Don Baker and Keith and Imogene Brasch. Faye Peck, a former member, donated a belt buckle as one of the door prizes.

John Addison and Don Baker, members of the original class in 1982, were present.

The Leather and Lace banner used at each dance was designed by the first club members and was sewn by Karen Zach and Deanna Krueger.

Leather and Lace was started by Jerry Junck of Wayne. He was the first club caller for lessons when the club was formed. Since then, Junck has become a national caller and spends his winters in Mesa, Ariz. as a winter dance caller and instructor at a resort.

Junck also started the Laurel Town Twirlers and the Norfolk Single Wheelers. He was unable to be present at the anniversary celebration.

During the first nine years of the club's existence Dean Dederman of Norfolk was the lesson caller and during the past years the club has alternated with the Laurel Town Twirlers in giving lessons, which has been under the direction of Dale Muehlmeier of Norfolk. Vernon Miller of Norfolk and Bruce Hallman of Coleridge also gave

lessons for the club. Muehlmeier and Miller were in attendance for the celebration.

The club has always been active with the Northeast Nebraska Federation. In the early years, Dick and Becky Keidel of Wayne, Al and Norma Ehlers of Wayne, Bruce and Kathy Fiscus of Bloomfield (formerly of Wayne) and Dave and Connie Kirkpatrick of Wayne held offices.

Today Vernon Bauermeister is vice president and Cinda Brudigam is secretary of the Foundation.

Early dances were held in the Wayne State College Student Center and on Jan. 1, 1992 Leather and Lace dancers joined the Wayne Recreation and Leisure Services Commission and now have regularly scheduled dances each second and fourth Friday of the month in the Wayne City Auditorium from September through May.

At the present time Leather and Lace has 29 active members who are from Wayne, Wakefield, Thurston, Tekamah, Hoskins, Winside, Laurel, Bloomfield and Randolph.

Newly elected officers for the 2007-08 year are President Vernon Bauermeister of Wayne; Secretaries Darrel and Phyllis Rahn of Wayne and Treasurers Jim and Barb Stout of Wakefield.

The club is honored to have Jerry Junck call for the annual Memorial Day Trails in Dance, which usually attract people from many states. On Friday, May 25 Leather and Lace will host the kick-off dance for the weekend at the Wayne City Auditorium at 8 p.m. (Note that this is a time change).

Jerry Junck will call for the evening and then on Saturday, May 26 the rest of the Memorial Day activities will move to Norfolk. Junck and Mike Hogan will be the caller for the rest of the weekend.

Club members are reminded to bring snacks for the evening. Spectators are always welcome.

Road and bridge business is discussed

By Lynn Sievers
Of the Herald

Wayne County Board of Commissioners held their regular meeting on Tuesday. On the agenda was road and bridge business that included discussion on an interlocal agreement with Cedar County for federal aid project STPE-3215 (10), Sholes Northwest Highway. Superintendent Elizabeth Carlson told commissioners that the asphalt for that project will extend around 50 - 100 feet into Cedar County so that is why

an interlocal agreement is needed. She noted she would call the Cedar County office to discuss the situation and bring the issue back to the commissioners.

Also discussed were the recommendations from the committee review of engineering proposals received for various projects in Wayne County for 2007-'09. Commissioners approved the engineering proposals from: Calhoun & Burns Co., Mainelli Wagner, JEO and Speece Lewis.

Discussion was held on a Muhs

Acres resident's request for a sign to be put up on the intersection of 21st Street and Highview Drive. Commissioners agreed that no action would be taken at this time.

Carlson ended by saying that two requests were received for permission to bury utility lines in county road right of way. The requests were for tiling projects in District 2. Commissioners approved both requests.

The next regular meeting will be on Tuesday, June 5 at 9 a.m. at the courthouse in Wayne.

The following items can be recycled: white and colored paper, magazines, newspaper and slick paper (i.e., ads, coupons) and aluminum beverage cans. Envelopes, postcards, bulk mail or junk mail cannot be recycled and should not be included. Recyclables must be sorted and placed in separate containers. Paper grocery bags work well for paper. Plastic garbage bags work well for cans.

On the third Saturday of each month, Wayne residents are able to place recyclables at the curb for pick up by the Scouts. Recyclables should be placed at the curb by 8 a.m. Recyclables may also be brought directly to the scout trailer located at the City of Wayne Transfer Station and Recycling Center, 110 South Windom Street in Wayne. Hours of operation are Mondays and Fridays from 9 a.m. until 1:30 p.m. and Saturdays from 8 a.m. until noon.

In 2006, the Wayne Boy Scouts

collected over 185 tons of paper and 3,000 pounds of aluminum beverage cans. Recycling just one ton of paper saves: 17 trees; 7,000 gallons of water; 475 gallons of oil; 600 pounds of air pollution; 3 cubic yards of landfill space; and 4,000 Kilowatt hours of energy.

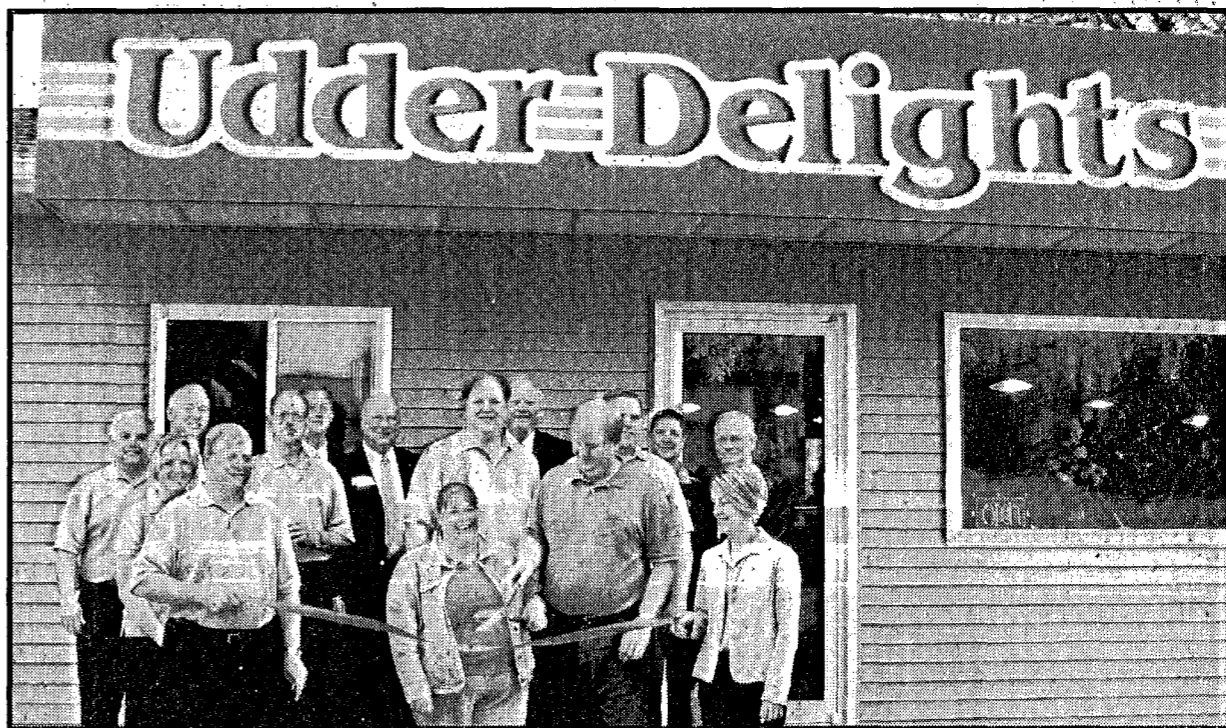

"The Wayne community recycling program is a true win-win situation. In addition to the obvious benefit to the environment, the community saves money by placing less waste in the landfill, and the troop generates funds used to supplement the cost of summer camps," Carstens said.

"The Wayne Boy Scouts sincerely thank the Wayne residents and businesses who faithfully recycle each month. The troop also encourages all Wayne residents to begin recycling to benefit the scouts, the community, and our environment," he added. For more information about the Wayne Boy Scout recycling program, contact Jeff Carstens at 375-3840.

Troop 174 has been planning for the past two years to go to a high adventure camp that they have

never gone to before. This camp is called Seabase and is located in the Florida Keys. Scouts will be participating in the Keys Adventure where they will swim with sharks and other marine life, deep sea fish and kayak to Big Munson Island which is owned by the Boy Scouts of America. They will camp overnight and experience a pristine island environment. They will sail on the ocean and have lots of snorkeling time. They will get to go to Key West and see the historic sites and attend a luau. The scouts will leave on May 25 for this adventure.

"The scouts wish to thank the many individuals, organizations and businesses that have supported Troop 174, volunteered their services and made donations in goods or cash to their fundraising campaign. Troop 174 would not have been able to go to Seabase without this fantastic community support. For most of these scouts, going to Seabase is a once in a lifetime opportunity that they will remember all of their life. Thanks for making it possible!" Klassen said.

Property Exchange Partners continues long-time tradition of meeting customer needs

Property Exchange Partners is a long-standing business in the community of Wayne. It is a thriving real estate agency that began with Darrel Fuelberth taking over his father's business of ERA/Property Exchange more than 30 years ago. In June of 2002, Darrel purchased Stoltenberg Partners from Dale Stoltenberg and the merger of the two companies, Property Exchange Partners was formed.

Darrel has had many agents work with him over the years and he continues to share his expertise in the office with Amy Schweers. Amy is the primary sales agent in the office with the assistance of Darrel Fuelberth and Dale Stoltenberg, all of whom hold real estate broker licenses in the State of Nebraska. All three agents are real estate appraisers, as well. Real estate listings and sales, property management, appraisal and notary closings are all services provided by the agents at Property Exchange Partners. Utilizing their more than 60 years of combined experience in the real estate field, our agents strive to find good housing solutions for all of their clients.

The primary goal of Property Exchange Partners is to maintain positive client relationships, by finding a good fit for each prospective purchaser and the best possible financial outcome for potential seller. They continue to provide monthly property management services for area property owners, as well as those out of town or out of state. This service includes collection of rents, maintenance of the property including facilitation of repairs, filling any associated vacancies and generation of owner's draws and monthly reports. They also assist many clients in finding tenants through referrals for their rental vacancies as an additional service after the sale.

To complete their full service real estate agency, Amy, Dale and Darrel provide appraisals to all of

the local lending institutions, as well as mortgage lenders and mortgage brokers out of town, or out of state. The agency provides a full range of residential, commercial and agricultural appraisals on property in the surrounding area for any client, including attorneys for an estate or an individual for personal use.

The latest event in the lineage of Property Exchange Partners, is the purchase of the business by Amy and Corby Schweers. Amy will be taking over the Broker position in the very near future. Darrel and Nancy Fuelberth will remain active with the business and will continue to enjoy their second home in Arizona for a portion of the year. Darrel's expertise and relationships are a valuable asset to the business and its future success and he looks forward to returning to the sales aspect of his position.

Amy is looking forward to making Property Exchange Partners her own. She has begun the process of doing some updating in the office and thoroughly enjoys her client relationships. Although ownership has changed hands, our professional, courteous service and reliable, knowledgeable staff will remain the same. They will continue to strive to provide for all of your real estate needs with prompt, friendly service with the personal touch.

on May 29, she will return to school.

"Our school year starts April 1 and goes until July 20. Then we have summer vacation until early September. Then we go until Dec. 25 when we have a break through New Year's Day, which is very important. Then we go until mid-March when we have another break. My school has about 2,000 students in grades 10-12," Miki said.

She said that in Japan she will be taking three kinds of English, Math, History, Japanese, Old Japanese and Strength and Fitness.

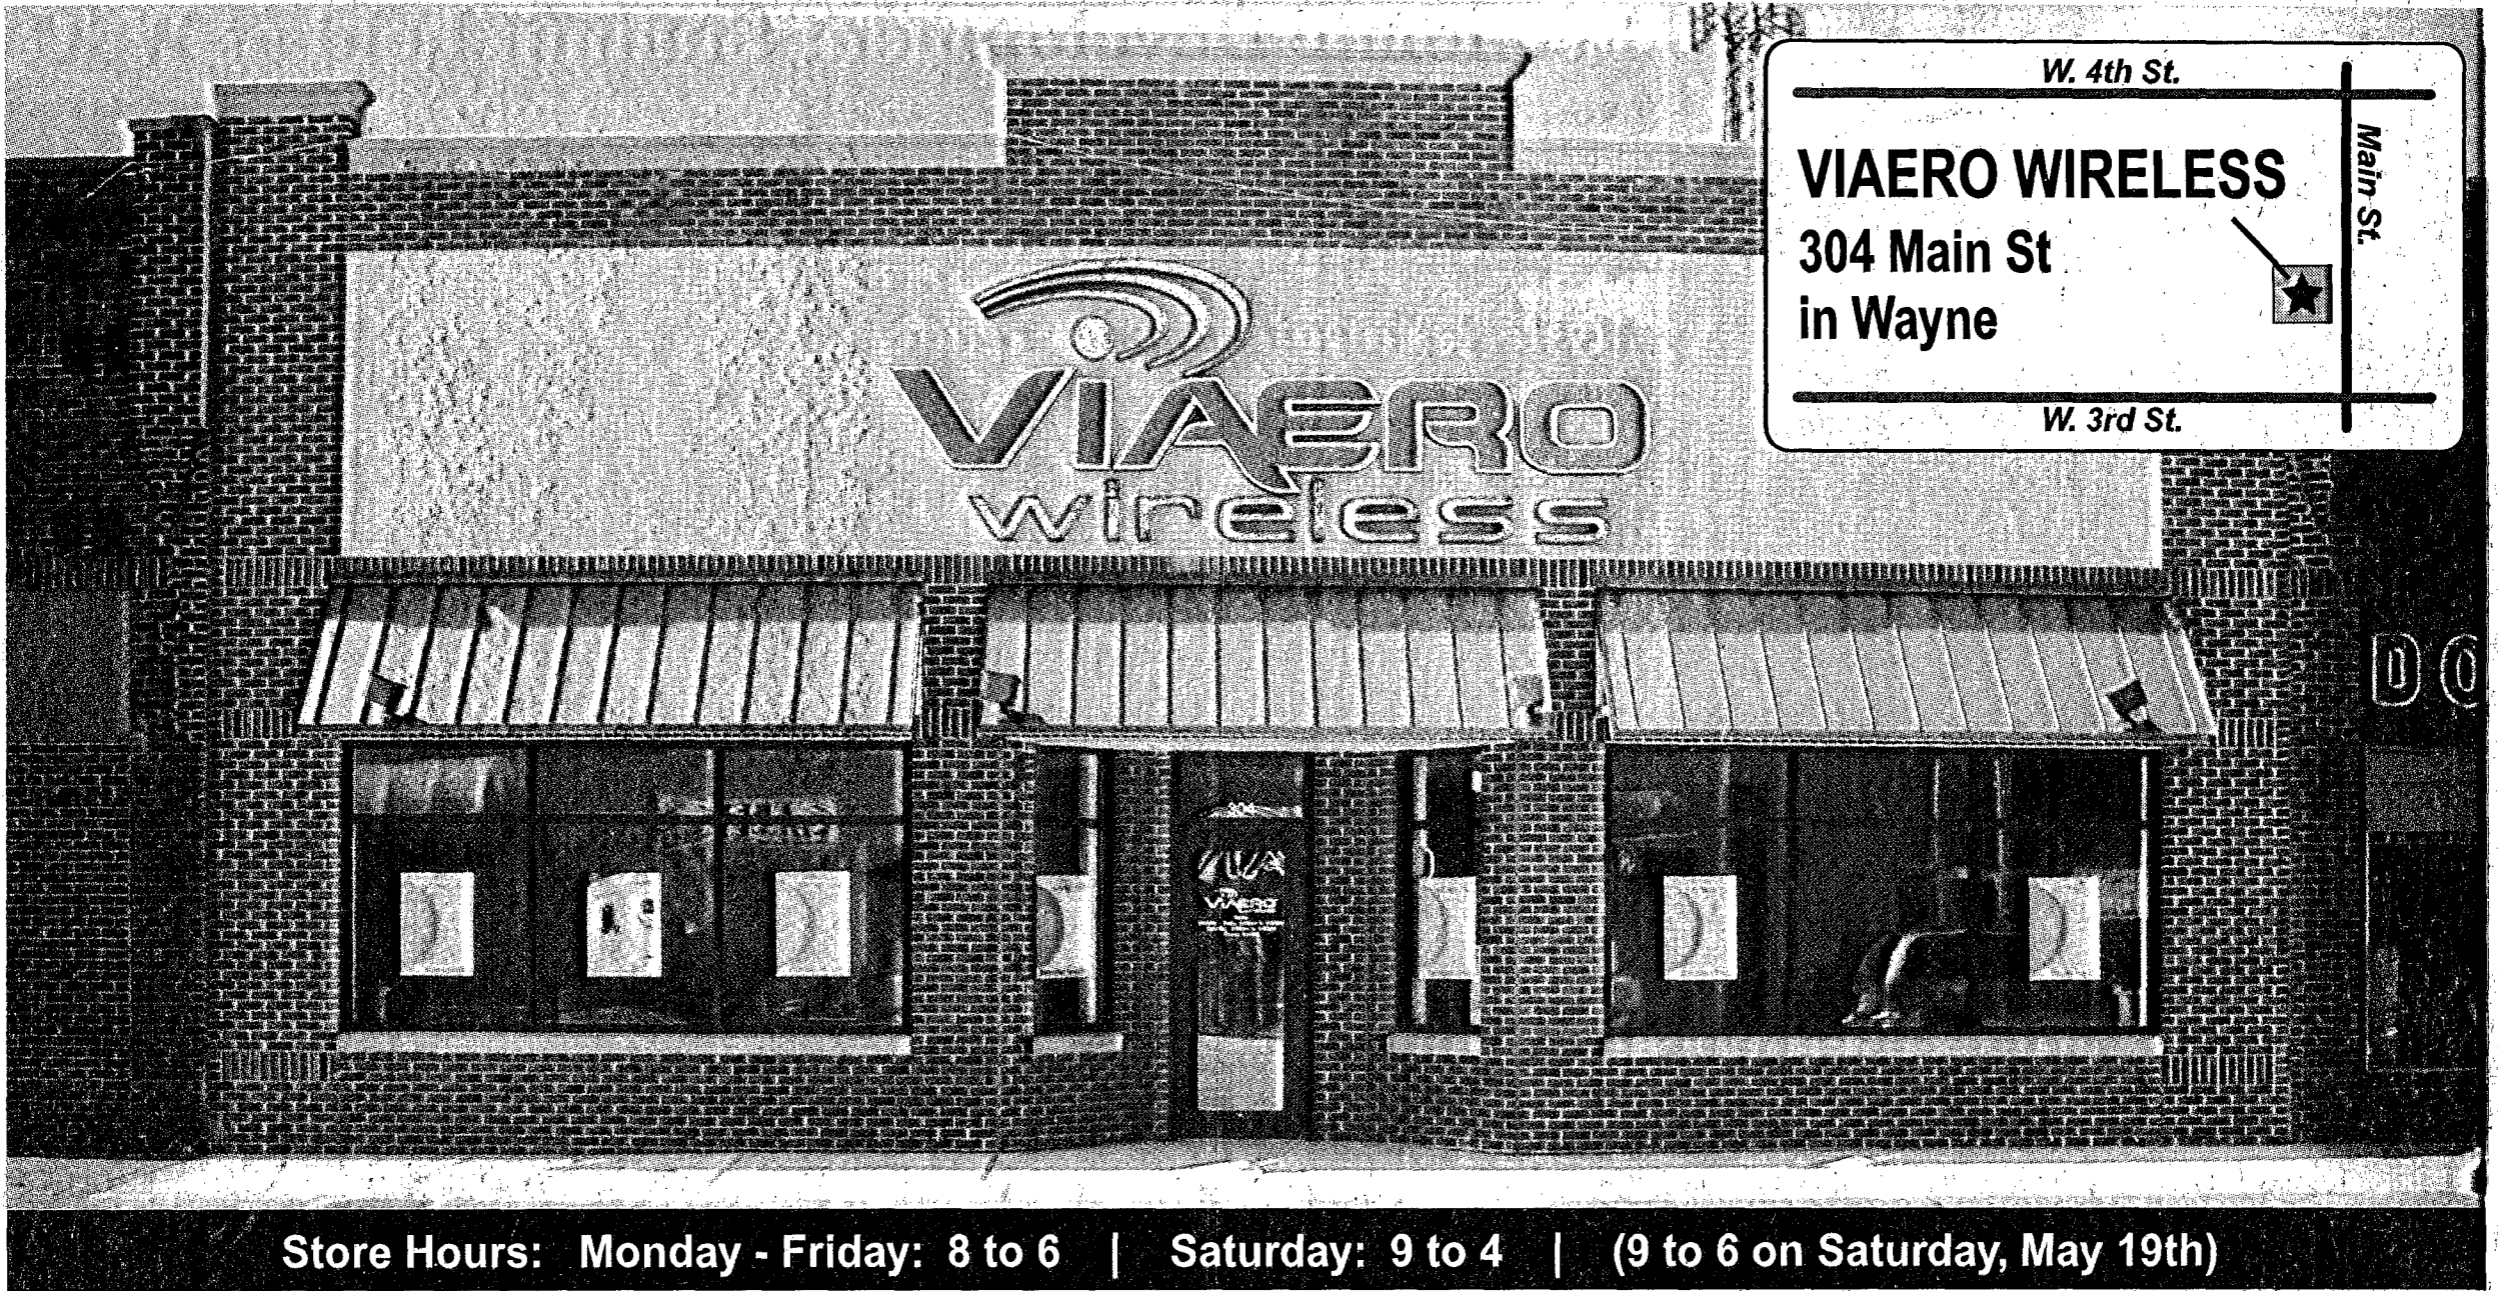

During her stay in the United States, Miki has had the opportunity to visit the Mall of America, Pennsylvania, Ashfall Fossil beds, Omaha and Lincoln and took a trip to visit Adam at Grennell College in Grennell, Iowa.

She also was a part of an E.F. tour to California.

Andrea noted that she was

"scared to talk to Miki at the beginning and language was a little issue." However, the two girls have grown close through the year and Andrea is looking forward to visiting Miki and her family in Japan later this summer.

In summarizing her stay in Wayne, Miki said, "the clothes and everything is much cheaper. I like Pizza Hut and Dairy Queen and Diet Coke. I will miss being able to speak English, the lawns and nature and being able to look at the sky and stars at night."

Wayne High golfers qualify for state

By David W. Carstens
Of the Herald

Wayne golf coach Terry Munson knew Monday's B-3 district golf meet was going to be a close one.

In fact, he told his players that the meet, and a chance to advance to the state tournament, would hinge upon just one stroke.

His prediction came true as Wayne edged Pierce by a single stroke to finish in third place to earn a team berth in next week's state meet at Lincoln.

Led by freshman Collin Jeffries who carded an 83 to finish in a four-way tie for seventh place, Wayne denied the Bluejays a trip to state with a 342 to 343 advantage.

Windy conditions due to an approaching cold front created challenges for 12-team field at the Wayne Country Club.

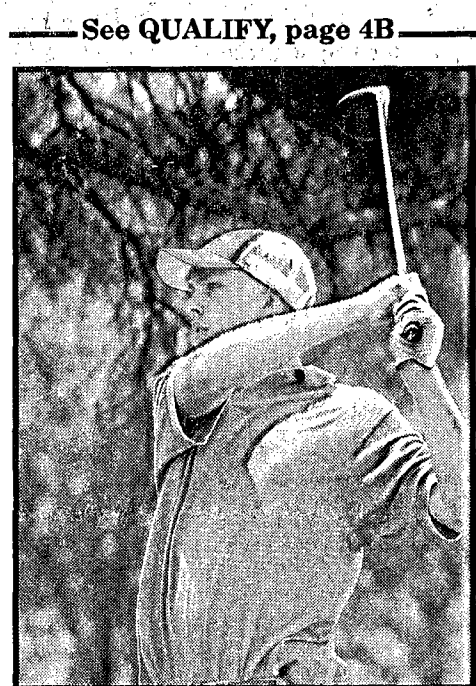

Blair won the meet with a 337, while O'Neill was two strokes behind at 339.

The opportunity to return to the two-day state meet, which starts at Mahoney Golf Course in Lincoln on Tuesday, May 22, was a proud moment for Munson, who will retire as Blue Devil coach after this season.

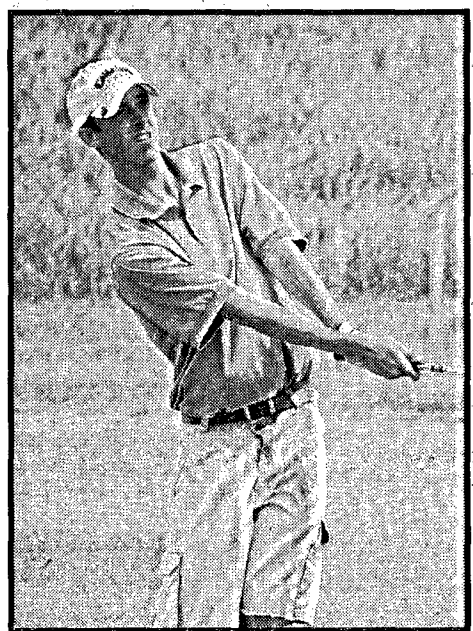

Munson has been at the Wayne helm since 1986 and qualified a team in his first season here.

Fifth-straight attempt denied

WSC finishes 2-2 in Northern Sun tournament

A fifth straight conference crown wasn't in the cards, but a fourth consecutive trip to the NCAA Division II Central Regional Tournament was certainly a welcome reward for what's been a successful season for the Wayne State College baseball team.

The Wildcats learned earlier this week that they were selected as the third seed for the tournament that begins Thursday (today) in Warrensburg, Mo.

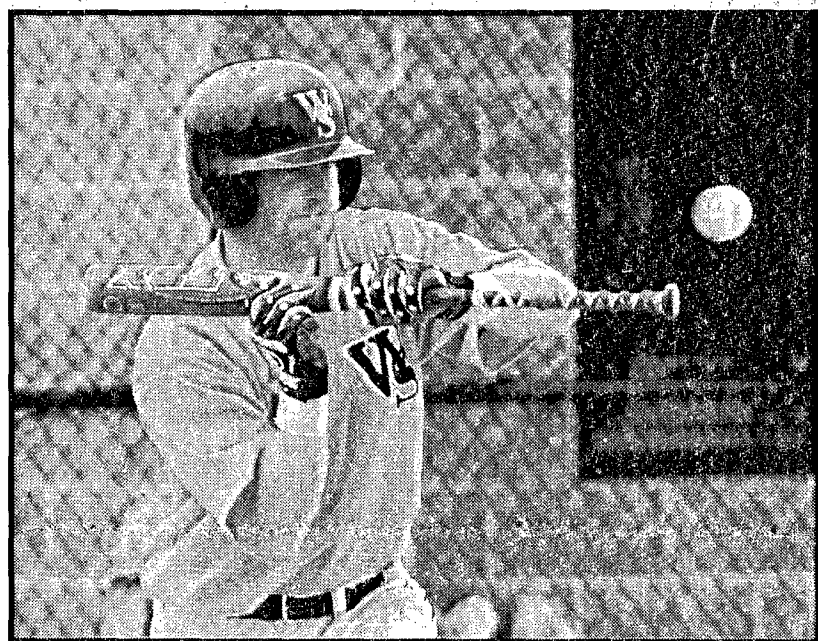

The 37-14 Wildcats earned an at-large bid to the six-team, double-elimination tournament after falling to Winona State 9-7 in last Saturday's championship game of the Northern Sun tournament in Wayne.

WSC will face defending Central Region champion Emporia State in today's first-round game, scheduled for 3:30 p.m.

The 39-22 Hornets won the Mid America Intercollegiate Athletics Association tournament title with two wins over Central Missouri last Sunday.

Other teams in the tournament include Central Missouri, Nebraska-Omaha, Minnesota State and Northern Sun conference champion Winona State.

WSC men defend NSIC title

Make it two in a row.

The Wayne State College track and field mens' team captured their second straight Northern Sun Conference team championship last Saturday in Moorhead, Minnesota, while the women placed fourth.

WSC head coach Marlon Brink was named the NSIC Mens' Track Coach of the Year, while sophomore runner Megan Zavorka earned the Newcomer of the Year Award in womens' track and field.

It marked the second straight season that Wayne State College has swept the indoor and outdoor mens' track and field championships in the Northern Sun Conference.

Last weekend, each team had three conference champions with the womens' squad setting three new school records

and reaching two NCAA national provisional qualifying marks.

The mens' team had one new school record set during the two-day meet.

Depth and balance scoring carried the WSC men to their second straight title by scoring 166 points to top second place Northern State's 134.

Sophomore Ben Jansen won the 800 meter run in a time of 1:54.57 minutes, Tim Pilakowski took first in the long jump with a top mark of 22 feet, 9 inches and the 4 x 800 meter relay team of Nate McIntire, Nathaniel Bergen, Ryan Williams and Ben Jansen crossed the line first in a time of 7:52.42 minutes.

The lone mens' school record was set by John Sloup in the mens' hammer throw, placing second at 165 feet, four inches top-

ping his previous mark of 164 feet, 4 inches set on April 16 at the Wildcat Classic in Wayne.

Sophomore Megan Zavorka notched two of the three wins for the WSC womens' team, taking first in the 10,000-meter run on Friday night with a time of 40:08.99 and setting a new school record while winning the 3,000-meter steeplechase on Saturday in a clocking of 11:40.51, bettering the previous school mark of 11:42.24 set by Erin Norenberg on April 22, 2006.

Zavorka also placed second in the 5,000 meter run (19:16.79).

Junior Rachel Roebke won the 100 meter hurdles in a time of 14.28 seconds, setting a new NSIC meet record and also establishing an NCAA national provisional qualifying mark.

Many to compete at state track and field meet

A large contingent of track and field athletes will represent the Wayne Herald coverage area at this week's Nebraska State Track and Field Championships in Omaha.

The two-day meet starts on Friday, May 18, at Omaha Burke High School.

All schools competed in district qualifier meets last week.

Wayne traveled to the Class B-4 meet at West Point on May 10, while Laurel-Concord and Wakefield participated in the Class C-4 qualifier at Hartington.

Allen and Winside both were in action on May 9 at the Class D-4 district at Pierce.

Wayne High will have two individuals and one relay team at the state meet.

Blue Devil freshman Jordan Alexander qualified in the girls' 800-meter run, while Sheldon Onderstal will run in the 800 at state.

The Wayne High 3,200-meter relay team of Alexander, Alesha Finkey, Maddie Jager and Regan Ruhl rounded out Wayne's qualifiers.

Laurel-Concord's boys' team won its district meet at Hartington and Wakefield took second. Both teams will have a number of athletes at the state meet this season.

The L-C boys' squad tallied 156 points as a team and qualified eight individuals and several relay teams for state.

Tony Jacobsen and Brian Saunders will represent the Bears in four events each at state.

Jacobsen finished first in the 800 and 1,600, while Saunders won three events by taking gold in the long jump, 100 and 400.

Saunders and Jacobsen will also run on L-C's undefeated 1,600-relay squad and Jacobsen will run a leg on the 3,200-relay team.

Other L-C relay team members for the qualifying Bear groups include the 400-meter relay squad of Justin Hart, Tyler Petersen, Colten DeLong and Michael Patefield; the 1,600 team that includes Saunders, Jacobsen, Petersen and Nathan Burns and the 3,200 group consisting of Andrew Gohier, Burns, Pat Harrington and Jacobsen.

Other Laurel-Concord boys' team members who advanced to the state meet include Arik Diediker in the 110-meter high hurdles, Pat Harrington in the 3,200-meter run and Justin Hart in the 100-meter dash.

Wakefield's boys' team was the runner-up at the district meet and will also have a number of individuals and relay

groups at state this season.

Brothers Eric and Tyler Bodlak each qualified in two individual events — the 800 and 1,600 — and will run respective legs in the 3,200-meter relay team along with Joel Nixon and Ben Henderson.

Henderson and Nixon will compete in two other events as they qualified in 3,200 and 400, respectively.

Evan Bartels (high jump) and Ryan Klein (300-intermediate hurdles) round out Wakefield's boys' team state qualifiers. Laurel-Concord's girls' team was runner-up at Hartington behind defending district champion Crofton.

The team was led by freshman Bethany DeLong who qualified in the 100, 200 and 400.

She also ran a leg with the state qualifying 400-relay team that included Kim Lubberstedt, Heather Bearnes and Jenni Schroeder.

Bearnes also will represent LCHS in the long jump, while other qualifying teammates include Kacie Gould in the 100-high hurdles, Amanda Troyer in the 300-low hurdles and Megan Haahr in the 1,600-meter run.

Wakefield's girls' team has three state qualifiers this season as Des Driskell will advance in the 800-meter run and Shay Tullberg and Kelsey Bard will throw in the

discus and shot put, respectively as each set new school records at the district meet.

The Allen and Winside boys' teams captured the top two team spots in the Class D-4 meet at Pierce on May 9.

Winside's girls' team placed second overall at the meet and Allen took fourth.

Allen's individual state qualifiers include: Michael Bock (1,600, 3,200), Jacob Woodward (1,600), Chris Blohm (400), Luke Sachau (300-hurdles, 800), Scott Wilmes (800), Drew Diediker (triple jump) and William Gnat (110-hurdles, 300-hurdles).

Two Eagle relay teams also will run in Omaha as the 1,600 (Sachau, Blohm, Wilmes and Charley Green) and 3,200 relay (Sachau, Blohm, Wilmes and Bock) squads qualified at Pierce.

Winside's boys' team qualifiers were led by Marcus Messersmith who will compete in four events.

Messersmith, who set a new school mark in the long jump at the Pierce meet will compete in the long jump, triple jump and the 200-meter dash.

He was also on the state qualifying 1,600-meter relay team along with Jordan Brummels, Tucker Bowers and Tobias Grunert.

Brummels will compete in two other events at Omaha as he will run in the 100 and the anchor leg in the Wildcat's 400-meter relay that also includes Grunert, Kalin Koch and Zach Jaeger.

Chase Langenberg rounds out Winside's boys qualifiers as he will advance to state in the shot put.

A quintet of Winside girls' team members also will compete in Omaha this weekend.

Jordyn Roberts will run in the 100-meter high hurdles, while Amanda Pfeifer qualified in the 300-meter low hurdles.

Michaela Staub will represent the Wildcats in the 800, with Caitlyn Prince (100) and Sally Schwedhelm (discus) rounding out the state qualifiers for Winside.

Allen's girls' team will compete in four events at state as Sarah Sullivan qualified in both the 200 and 400.

Codi Hingst advanced to run in the 3,200 and Kayla Greve will reach the state meet in the 300-meter low hurdles.

A listing of district results/picture can be found on Page 3B in this week's Wayne Herald.

Tournament played in Wayne on May 10-12.

Recaps from Wayne State's games at the tournament include:

Day One:

Concordia-St. Paul knocked off top-seed Wayne State 9-6 in the first round of the tournament on May 10.

The red-hot Golden Bears had won 12 of their last 13 games after getting swept by Wayne State in a four-game series on April 20 and 21.

With the game tied at 4-4 entering the seventh inning, Concordia-St. Paul took control of the game scoring five runs on five hits and two Wayne State errors to take a 9-4 lead.

Andy Judkins' two-run double and an RBI singles from Mason Reinhart and Derek Mason were big hits in the inning for Concordia-St. Paul.

WSC plated single runs in the seventh and eighth innings to cut the gap to 9-6, but that's as close as the Wildcats would get.

Wayne State's top hitters were Sean Soderberg and Brian Sulzman, each going 2 for 3 at the plate with a double.

Marc Manganaro and Alex Koch each finished 2 for 5 at the plate scoring two runs with Koch also driving in two runs.

Travis Mortimore (3-5) was tagged with the loss for Wayne State, giving up eight runs (six earned) on nine hits in 6 1/3 innings.

Connor Bramlet pitched 1 2/3 innings of relief, allowing one run on two hits with Ryan Kolo pitching the ninth inning, retiring all three batters with one strikeout.

Day Two

The team stayed alive in the tournament on May 11 with a pair of elimination bracket wins as they topped Southwest Minnesota State 20-7 in the morning and Concordia-St. Paul in a 10-7 win that evening.

The Wildcats used a nine-run fourth inning to take down Southwest Minnesota State 20-7 in Friday morning's elimination game.

WSC had eight straight batters reach base with two outs in the big fourth inning with eight of the nine runs scored being unearned.

Adam Hoffman's two-run homer and a two-run double by Dustin

A foul ball flies off the bat Winside senior Adam Hoffman during WSC's Northern Sun conference championship game against Winona State on Saturday.

Jones were key hits in the inning for Wayne State.

Marc Manganaro had a huge game for WSC at the plate, going 5 for 7 with two home runs and five RBI to lead Wayne State's 17-hit attack.

Jones finished 3 for 5 with three RBI and three runs scored, while Joe Wendte went 3 for 4 with two runs scored.

Scott Bidroski and Alex Koch also had two hits for WSC.

Nick Schumacher (2-0) pitched four innings of relief to get the win for WSC, allowing just one run on three hits with three strikeouts. Starter Michael Donohoe worked four innings, giving up four runs on six hits.

Jim Sake pitched the ninth inning for the Wildcats, yielding two unearned runs on one hit.

The second game saw Wayne State overcome six errors to advance to Saturday's championship game.

WSC held an 8-3 lead entering the seventh inning, but three Wildcats errors, along with three Concordia-St. Paul hits, allowed the Golden Bears to score four runs and cut the WSC lead to 8-7.

The Wildcats took advantage of two CSP errors in the eighth inning and got a key two-run single from Marc Manganaro for insurance runs in the 10-7 win

over the Golden Bears.

Dustin Jones scored five runs for the Wildcats, going 2 for 3 at the plate. Scott Bidroski was 3 for 5 with three RBIs, while Marc Manganaro, Alex Koch and Joe Wendte each accounted for two hits in the Wildcat win.

Starter Mitch Herrick (6-3) earned the pitching win, working 5 2/3 innings. He allowed three runs (one earned) on eight hits with three strikeouts.

Day Three

Winona State's Ben Barrone snapped a 6-6 tie in the bottom of the eighth inning with a three-run homer to give the Warriors a 9-7 win over Wayne State in the championship game of the tournament.

The win by Winona State ended Wayne State's four-year run as tournament champions and gave the Warriors the automatic berth into this week's NCAA Division II Central Regional.

The game looked to be a slugfest early as Winona State held a 4-3 lead after one inning of play.

WSC scored three runs, thanks to an RBI single by Manganaro, a run-scoring double by Koch and a RBI single from Wendte.

But Winona State countered with four runs in the bottom of the first on Ben Barrone's two-run homer and a two-run single by Ronnie Olson.

WSC took a 5-4 lead with two runs in the top of the fourth inning as Adam Hoffman produced a sacrifice fly followed by an RBI single by Scott Bidroski.

The Cats scored again in the fifth inning to go up 6-4 when Jordan Webb's run-scoring double drove home Joe Wendte.

Winona State answered with a single run in the bottom of the fifth on Ronnie Olson's sacrifice fly that scored Mike Wendland.

The score remained 6-5 until the bottom of the eighth inning when Winona State took the lead for good by scoring four runs.

Ronnie Olson started the inning with a walk and advanced to second on a wild pitch.

Brett Maxwell singled to right field to score Olson, knotting the game at 6-6.

Dru Mickelson reached on a fielders' choice with Maxwell advancing to second on a throwing error by WSC first baseman Marc Manganaro.

Winona catcher Ben Barrone then belted a three-run homer to left field off WSC reliever Adam McGuire, his second homer of the game and 26th of the season, to give Winona State a 9-6 lead.

WSC mounted a rally in the ninth inning as Joe Wendte singled followed by a walk to Sean Soderberg.

Pinch-hitter Jordan Deglan then singled to right field scoring Wendte to make the score 9-7.

With runners at first and third with two outs, Winona State's Ben Barrone struck out Brian Sulzman to end the game giving Winona State the 9-7 win.

Wendte was 4 for 4 with two runs scored to lead the Wildcats, 15-hit attack.

Jordan Webb, Manganaro, Koch and Bidroski each added two hits for Wayne State.

Bramlet (6-1) suffered the pitching loss, allowing two runs in one-third of an inning.

Wayne State players honored

WSC had six players named to the 2007 NSIC All-Tournament Team.

They included pitcher Mitch Herrick, designated hitter Alex Koch, first baseman Marc Manganaro, shortstop Scott Bidroski, third baseman Joe Wendte and outfielder Dustin Jones.

The team had 12 players and head coach John Manganaro receive honors from the Northern Sun Conference on May 11.

WSC had five players receive First Team honors to go with six Second Team selections while freshman Joe Wendte garnered NSIC Freshman of the Year and John Manganaro received the NSIC Coach of the Year Award for the second straight season.

Manganaro earned the NSIC Coach of the Year honor after leading the Wildcats to a 25-5 league mark and 37-14 overall.

First Team selections from Wayne State included Bramlet, Bidroski, Jones, Marc Manganaro and Koch.

Second Team honorees included pitchers Mitch Herrick, Travis Mortimore, Mike Donohoe and Adam McGuire along with outfielders Sean Soderberg and Adam Hoffman.

Bidroski and Jones were also selected to the ESPN The Magazine/CoSIDA Academic All-District VII College Division Baseball Team as voted on by members of the College Sports Information Directors of America.

They were both named to the First Team and are now eligible for Academic All-American consideration.

ASK THE TRAINER

This week I have received a question regarding osteoporosis and what can be done having been diagnosed with it. Osteoporosis is a disease of the bone in which bone mineral density is reduced to 2.5 standard deviations below peak bone mass. When bone reaches this point it can be brittle, leaving it susceptible to fracture. Osteoporosis is a major cause of disability in older women, but can also be seen in men. The best way to stay ahead of osteoporosis is to begin performing weight bearing exercises in adolescence, but starting them at any point is beneficial. The key to training with osteoporosis is to stress the bones by bearing your weight or by performing strength training exercises. These types of exercises will reduce the rate of bone loss and conserve existing bone lowering the risk of fracture. There are some exercises people with osteoporosis should avoid. These exercises include high-impact aerobics, jumping, sit-ups, twisting, and any exercises that include sudden forceful movements. Do not let the fear of fracture keep you from exercising and being active. Check with your doctor if you have concerns. If you have more questions or would like to start getting healthy give me a call at the Providence Wellness Center.

Make 2007 the year you take the time to improve your overall health!

Throwers sign with WSC
 WSC track and field coach Marlon Brink announced last week that Casey Buskirk of Springfield Platteview High School and Shay Tullberg of Wakefield have signed letters of intent to attend Wayne State College and compete in track and field for the Wildcats in the 2007-08 school year.

Buskirk and Tullberg become the sixth and seventh athletes from Nebraska to sign with Wayne State during the NCAA late signing period, joining Jenna McCoy of Lincoln Pius; Melissa McIntosh of Ainsworth, Paige Pollard of Newcastle, Danae Stuhr of York and Meghan Jacob of Fremont as WSC's 2007 recruits.

Buskirk is a four-year letter winner in track and field at Platteview High School and holds the school records in the shot put and the discus.

She currently ranks fourth in

Class B in the shot put and was a state qualifier in the event last season as a junior.

Tullberg is a three-sport standout for Wakefield High School, starting two years in basketball and volleyball along with being a four-year letter winner in track and field.

She established a new school record in the discus last week at the district meet in Hartington with her second-place throw of 124 feet, 2 1/2 inches.

She has earned All-Conference honors in track and field as a sophomore and junior. Tullberg also excels in the classroom, earning Academic All-State honors in volleyball and basketball this season.

Doggett earns weekly award

Matt Doggett was selected the Northern Sun Conference Mens' Field Athlete of the Week following his performance at the recent Howard Wood Dakota Relays in Sioux Falls, South Dakota.

"I told the kids when we started that it was going to be a tough day out there with the conditions," Munson said. "We had to keep grinding on the back side and I think we had the wind from just about every direction today."

Columbus Lakeview junior Greg Pohlmann recorded a 74 to take medalist honors and was two strokes better than Richard Schneiders, a freshman from West Point-Beemer who finished with a 76.

Other scores for the Blue Devils included Shaun Kardell with 84, Sam Kurggeweit at 86, Andi Diediker with 89 and senior first-year varsity golfer Nathan Summerfield who finished with 98.

"Overall, we are just ecstatic as we have a very young team," Munson added. They have responded well all season.

State tournament play begins at Mahoney at 9:30 a.m., Tuesday,

May 22, and will include 18-holes of competition each day.

Osten is Achievement Academy award winner

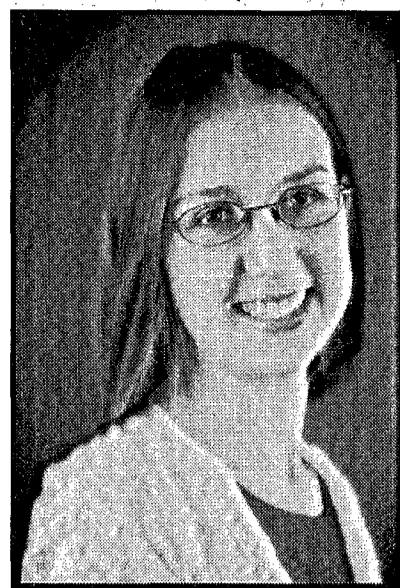

The United States Achievement Academy has announced that Emilie Osten of Carroll has been named a United States National Leadership and Service Award winner.

Her name will appear in the United States Achievement Academy's Official Yearbook which is published nationally. She graduated from Wayne High School in May of 2007.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10 percent of all American high school students.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Founder of the United States Achievement Academy.

The Academy selects USAA winners based on the Standards of

Emilie Osten

Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit and dependabil-

ity. Emilie is the daughter of Mitch and Clara Osten of Carroll. Her grandparents are Arlyn and Nadine Osten of Leigh and Agnes and the late Rudy Buresh of North Bend.

Sheree Kathol earns scholarship

Sheree Kathol of Wayne has been awarded a First National Bank Scholarship to continue her education at Wayne State College in Wayne.

Sheree is the daughter of Max and Essie Kathol of Wayne and graduated from Wayne High School in 2007.

While in high school she was active in girls golf, band, mock trial, Spanish Club, FBLA and W-Club. She is also active in the WINGS program at St. Mary's Catholic Church.

Wayne brothers participate in hockey

Two Wayne brothers recently wrapped up their respective hockey seasons.

Jackson and Will Roberson, sons of Kevin and Mary Jean Roberson of Wayne have logged numerous road miles this winter and spring learning skills and competing in hockey in Sioux City.

Jackson, a sixth grade at Wayne Middle School, recently completed his second year of playing hockey in the Siouxland Youth Hockey Association.

He was a goaltender for the Sioux City Junior Musketeers Pee Wee Green travel team and the Siouxland House League team.

The travel squad played in tournaments in South Dakota, Minnesota, Iowa and Nebraska.

A season highlight for Jackson was when he won the Spirit of the Cougar Award in Aberdeen, S.D., for outstanding performance and sportsmanship in a contest against Pierre, S.D., in which he recorded a shutout at the net.

He also recorded two more shutouts during the season and was awarded the Zero Club Award from USA Hockey at the end of the

Jackson Roberson

season which is awarded to goaltenders who do not allow a goal in a travel team game.

Jackson's younger brother, Will, who is five, and a student at Creative Wonders Preschool, finished his first year of hockey instruction with the league. He played in the Tykes development program and learned skating and

Will Roberson

puck-handling skills and advanced to the intermediate group.

He also to participate in the scrimmage game during Tykes Night at a Sioux City Musketeers hockey game.

The brothers began practice in October and wrapped up their season in March with tournaments at the IBP Ice Arena in Sioux City.

Rihanek named semifinalist in Presidential Scholars Program

Meghan Rihanek, a graduating senior at Lincoln East, has been named one of approximately 550 semifinalists in the 2007

Presidential Scholars Program. The semifinalists were selected from more than 2,700 candidates on the basis of superior achieve-

ments, leadership qualities, personal character and involvement in community and school activities.

Meghan is the granddaughter of Jeannette Giese of Wayne.

Final selection of the scholars will be made by the Commission on Presidential Scholars. The Commission will select one young man and one young woman from each state, the District of Columbia, Puerto Rico and U.S. students living abroad; up to 20 students representing the visual, literary and performing arts and 15 students-at-large.

Scholars will be invited to Washington, D.C. for several days in the second half of June to receive the Presidential Scholars medalion at a recognition ceremony and to participate in various activities and events held in their honor.

Brudigan attends early childhood conference

Joan Brudigan of Hoskins was one of 71 individuals who attended an early childhood conference April 28 at Central Community College-Columbus recently.

Sponsors of the conference were the University of Nebraska Cooperative Extension, Nebraska Department of Health and Human Services, Platte Valley Early Childhood Professional Development Partnerships,

Columbus Area Association for Education for Young Children and Planning Region #7, and CCC.

Participants were able to attend sessions on activities for small groups, autism, basic ukulele, behavior guidance, calming fussy babies, early language and literacy experience, food allergies and safety, the importance of play, nature activities, and using 4-H curriculum to enhance child care.

DORCAS SOCIETY

Peace United Church of Christ Dorcas Society met in the church on May 3. Eight members and Pastor Olin Belt answered roll call. President Lorraine Wesely presided and read an article entitled "Mother." Pastor Belt gave the opening prayer.

Hostess for the day was Geraldine Benton. The group sang her favorite hymn "Have Thine Own Way, Lord."

Thank you notes were received from Ione Kleensang and the family of Evelyn Langenberg. Cards were sent during the month.

The birthday song was sung for Lolamaye Langenberg, Lorraine Wesely and Marlene Broomer.

The women of Peace Dorcas have been invited to attend Guest Day at Tilden U.C.C. on Wednesday, June 6 at 1:30 p.m.

The June hostess will be Mary Jochens and Adeline Anderson will be the lesson leader.

Lorraine Wesely led the lesson on Eve.

Blood drive held

Siouxland Community Blood Bank held a drive in Winside on May 4 at Winside State Bank. There were 16 donors registered and 15 units collected. Awards went to Jennifer Kesting, one gallon and Dean Jensen, four gallons. The event was sponsored by Winside High School.

The FRIENDS Drug Free Youth Group presented seniors Megan Kardell and Adam Reinert each with a \$250 scholarship in an awards presentation at Wayne Middle School on May 9.

Each year the FRIENDS group presents scholarships to seniors who demonstrate the kind of good character qualities that the FRIENDS group stands for.

Lindi Frahm, FRIENDS officer, told the two honorees and all the middle school students, "Since we are 8th graders, we are seniors, too. We look up to you and you are our role models. FRIENDS stands for Facts Raising Interest Ending Needless Drugs. We have had a very active year promoting the drug free message. In the FRIEND Teaching Program, we were the role models for the elementary students, and we worked in teams to teach the drug free message in every home room at Wayne Elementary School."

FRIENDS scholarship recipients Adam Reinert, left, and Megan Kardell pose with Advisor Joan Sudmann.

Two other FRIENDS officers, Kendra Dunker and Drew Hix talked about other FRIENDS activities.

"We sponsored many activities for Red Ribbon Week and we had two junior high dances, a roller skating and bowling party and we went to a hockey game. We also sponsored many educational programs to motivate all of us in the middle school to respect ourselves and each other, and make good choices. We sponsored theater performances by RESPECT2, we worked with Rotary Club on their methamphetamine programs and we brought in R5. We recently worked with Haven House to sponsor an educational event for drug free youth groups from Wakefield and Wayne that also included a dance. We also put on a puppet show called "Safety Kids" for Wayne Head Start. These are just a few highlights of the many things we have done this year."

Zach Rasmussen, Treasurer, told the gathering, "We raised money by selling FRIENDLY Holiday Greetings and other activities, and we also receive funding from Wayne United Way. We use the money we raise to buy curriculum materials for FRIEND Teaching, to

first honoree is Megan Kardell. Megan is a young woman who was active in FRIENDS and was a FRIEND Teacher for two years when she was in junior high. She continues to be active in school, community and church activities, and also works part time at Pac'N'Save. Descriptions of Megan from her teachers include that she has a solid work ethic, is dependable and a perfectionist and that she is not afraid to stand up for what she believes. Her future plans include attending The Art Institute of Colorado, in Denver, Colo.

"Our second honoree is Adam Reinert. Adam was also active in FRIENDS when he was in junior high, and was a FRIEND Teacher. He has continued to be a great role model. He works part time at Pamida and is active in church and community activities, especially the Boy Scouts, in which he has attained the rank of Eagle Scout. He is a responsible and amiable young man. His future plans include the Air Force."

Simonsen is a recipient of scholarship

The Knights of Ak-Sar-Ben Foundation in conjunction with the Women's Ball Committee has announced the names of the 2007 Horatio Alger Foundation scholarship recipients. The 100 Nebraska and western Iowa students will each receive a \$2,500 scholarship. Locally, the recipient of a Horatio Alger Scholarship is Autumn Simonsen of Wayne.

The prestigious Knights of Ak-Sar-Ben Horatio Alger scholarship is awarded annually to 100 high school seniors who have demonstrated integrity and perseverance in adversity, strength of character, financial need, academic record, commitment to pursue a college education, and a desire to contribute to society.

This year's recipients represent

81 communities in Nebraska and six in western Iowa. The scholarship is available as a result of the dedicated efforts of the Women's Ball Committee who have awarded more than \$2 million to graduating youth. If you would like to make a donation to the Women's Ball Committee Scholarship Fund, please contact the Knights of Ak-Sar-Ben at (402) 554-9600 ext. 106. The 2007 Coronation Ball will take place at the Qwest Center Omaha on October 13, 2007.

This award is just one of the Knights of Ak-Sar-Ben recognition programs which compliment the mission "to build a more prosperous Heartland, where communities can flourish and every child can succeed."

Winside music trip

More than 55 students and 10 adults from Winside High School band and Choir took a trip to Bloomington Minn. on May 4-5. They left on Friday morning from the school and arrived later that day in Bloomington. After a brief rest or swimming break, the students went out to eat and then went to watch "Guys and Dolls" at a local school. The next day the students and sponsors went to the Mall of America where they could go to the Aquarium, ride the rides or shop. Band Director Kathy Hansen and Choir Director Lenelle Quinn organized the trip for the students.

NSCS student trustees appointed by Governor

Gov. Dave Heineman appointed Tyler Thompson of Scottsbluff, Cori Harmon of Dawson, and Jennifer Myers of Wahoo as student representatives on the Nebraska State College System Board of Trustees. The students attended their first board meeting in April and will continue to serve during the 2007-08 academic year.

Myers is majoring in business administration and finance at Wayne State. She is also earning a minor in mathematics and will be a senior in the fall. The Wahoo native is currently a member of the Habit for Humanity. Previously, she served as a member of Students in Free Enterprise, a global non-profit organization that challenges students to develop community out-

reach projects. Myers plans to "bring a new and different perspective" to the NSCS Board of Trustees. She is the daughter of Ken and Kathy Myers of Wahoo.

Thompson is a secondary education major with an endorsement in English. He will be a senior at Chadron State College this fall. He is a member of Blue Key Honorary Society and Sigma Tau Delta, the international English Honor Society, where he serves as secretary. He is also an Edna Work Hall judicial representative, and in 2005-06, he served on the Campus Crusade Leadership Committee. Thompson is also an Admissions Talon, which is a tour guide, for the college. He is the son of Michael and Roxann Thompson of

Scottsbluff. In his application, Thompson said he would like to be a student trustee "in order to be able to protect the legacy and future of my college and to represent my student body."

Harmon is majoring in psychology at Peru State College. She is also pursuing a minor in criminal justice and will be a senior this fall. A student ambassador in the Admissions Office, she is also vice president of the Student Senate. While on the Senate, she has also served as chair of the Political Committee and student representative for the Executive Board. As a freshman, Harmon was featured in the Peru State College admissions video. The video was part of a series of four videos for the

Nebraska State College System. She also serves as a resident life assistant in the drug, tobacco and alcohol free hall and is a student representative to the Drug Task Force. She is the daughter of Lyle Harmon of Dawson.

The NSCS Board of Trustees includes Board Chair Willa Kosman of Scottsbluff, Vice Chair and Enrollment and Marketing Chair Bill Roskens of Omaha, Fiscal and Facilities Chair Larry Teahon of Chadron, Carter "Cap" Peterson of Wayne, Floyd Vrtiska of Table Rock, Gary Bieganski of Chadron and Chair of the Academic, Personnel and Student Affairs Committee Doug Christensen of Lincoln, who is also the State Commissioner of Education.

Wayne High students earning recognition were, left to right, Kourtney Schmale, Aubrey Workman and Erin Zink.

Students take part in contests

Students from Wayne High School's Family and Consumer Science Department recently competed in various contests.

At the Wayne State College Business Day Aubrey Workman, daughter of Ritch and Christina Workman placed fifth in Sales Presentation. She combined business and fashion apparel knowledge to convince a customer to purchase a business suit.

At the Northeast Community College Scholastic Contest written exams are given to test curriculum knowledge.

Kourtney Schmale, daughter of Ed Schmale and Sherri Schmale,

was the first place winner in the Food and Nutrition category.

Placing first in Child Development and Parenting was Erin Zink. She is the daughter of Drs. Mark and Lauri Zink.

Bruning announces \$1 million agreement

Attorney General Jon Bruning recently announced that his office has reached a voluntary agreement with Lincoln-based student loan provider Nelnet. The agreement stems from investigations by several Attorneys General across the country into arrangements between student loan providers and educational institutions. Under the agreement, Nelnet has agreed to abide by a Student Loan Code of Conduct and commit \$1 million to educate students across the country about college planning and student loan financing.

"We have worked with Nelnet to develop a national code of conduct that will ensure transparency and disclosure to students," said Bruning. "We are grateful for Nelnet's self-disclosure and their leadership in promoting integrity, choice and competition in this industry."

"We appreciate the attention Attorney General Bruning and others are focusing on education lending practices and, importantly, on efforts to ensure transparency in the relationships between lenders and institutions of higher education," said Mike Dunlap, Nelnet chairman and co-chief executive officer.

Nelnet first approached the Nebraska Attorney General's office in February and made information available regarding Nelnet's existing business practices and relationships with schools.

"This agreement is a result of a cooperative effort over the last two months. The \$1 million that Nelnet is willing to spend on education is a sign of their dedication to helping students," said Bruning.

Noffke to speak on world hunger at Taco's & More

On Wednesday, May 30, 7 a.m. at Taco's & More in Wayne, Edie Noffke will speak on how "Kids Against Hunger" is helping to stop starvation in the world. A division of "Kids Against World Hunger" has opened in Norfolk and recently, volunteers packaged enough food to feed thousands of people at the low cost of 23 cents a meal. Anyone interested in listening to Noffke's presentation is welcome to attend.

Earlier this year, the group sent about a million meals to Niger, India, Haiti, Philippines and food banks in Minnesota. The meals have also gone to Iraq to feed children in Baghdad.

Noffke, who works at Faith Regional Health Services in Norfolk, was searching for what God had intended for her life and remembered hearing about "Kids Against World Hunger." She brought the idea to Andrews who provided a warehouse and helps with shipping the product.

"Kids Against World Hunger" was started in New Hope, Minn. by Richard Proudfit over 30 years ago when he traveled to Honduras and saw a mother carrying her child around who died of starvation. He heard a voice say, "feed my children."

Proudfit started sending granola bars but that wasn't enough so he talked to staff at major food companies who helped create the food products that are fortified with 21 vitamins and minerals and are made of rice, soy, dehydrated vegetables and have chicken flavoring. Thousands of people can be fed by adding water to the mixture.

Today, the food product is sent from 30 sites in the U.S. In 2005, 20 million people around the world died of starvation and diseases associated with it. Eventually, Proudfit would like to see people in Haiti be fed (about 500,000 people a day).

Volunteers and funds are needed to keep the center open and to buy food. Anyone interested in helping or donating to "Kids Against World Hunger," can call 371-3195 or attend Noffke's presentation in Wayne at Taco's & More on May 30.

Bruning applauds Supreme Court ruling

Attorney General Jon Bruning applauded a Nebraska Supreme Court ruling in a school funding lawsuit brought by a coalition of Nebraska schools.

"The bottom line is that the elected legislators are in a better position to make these decisions than the courts," Bruning said. "I'm anxious for the day we stop spending money on lawsuits and start spending it on educating our kids."

Spring Fling

Students at St. Mary's Elementary School held their annual Spring Fling last week and recognized the importance of saving the rain forests of the world. Above, the preschool and pre-kindergartners sing "Take Me Into the Rainforest." Below, the kindergartners through fourth grade students present their rendition of "Protect the Rainforest." The students are under the direction of Ms. Melissa Wortmann.

'Buckle Up in Your Truck' enforcement results

From May 6 to 12, the Nebraska State Patrol issued 233 seat belt violations and warnings along with 30 child restraint violations and warnings as part of the "Buckle Up in Your Truck" enforcement effort. The national effort was designed to emphasize seat belt usage among drivers of pickup trucks.

Along with the seat belt violations and warnings, troopers issued a total of 803 speeding citations and 23 citations for Driving While Intoxicated.

Troopers utilized approximately 300 overtime hours throughout the seven-day "Buckle Up in Your

Truck" enforcement effort, thanks in part to a nearly \$17,000 grant from the Nebraska Office of Highway Safety (NOHS).

The "Buckle Up in Your Truck" is the first of two special enforcement plans for the month of May. Troopers will also participate

in the "Click It or Ticket" mobilization May 21 through June 3, 2007.

Nebraska's seat belt law is a secondary law. Drivers can be cited for this violation only if stopped for a separate violation. Violating Nebraska's seat belt law carries a fine of \$25 for each offense.

Dalton Dunklau

Dunklau is award winner

The United States Achievement Academy has announced that Dalton Dunklau of Carroll has been named a United States National Award Winner in Mathematics.

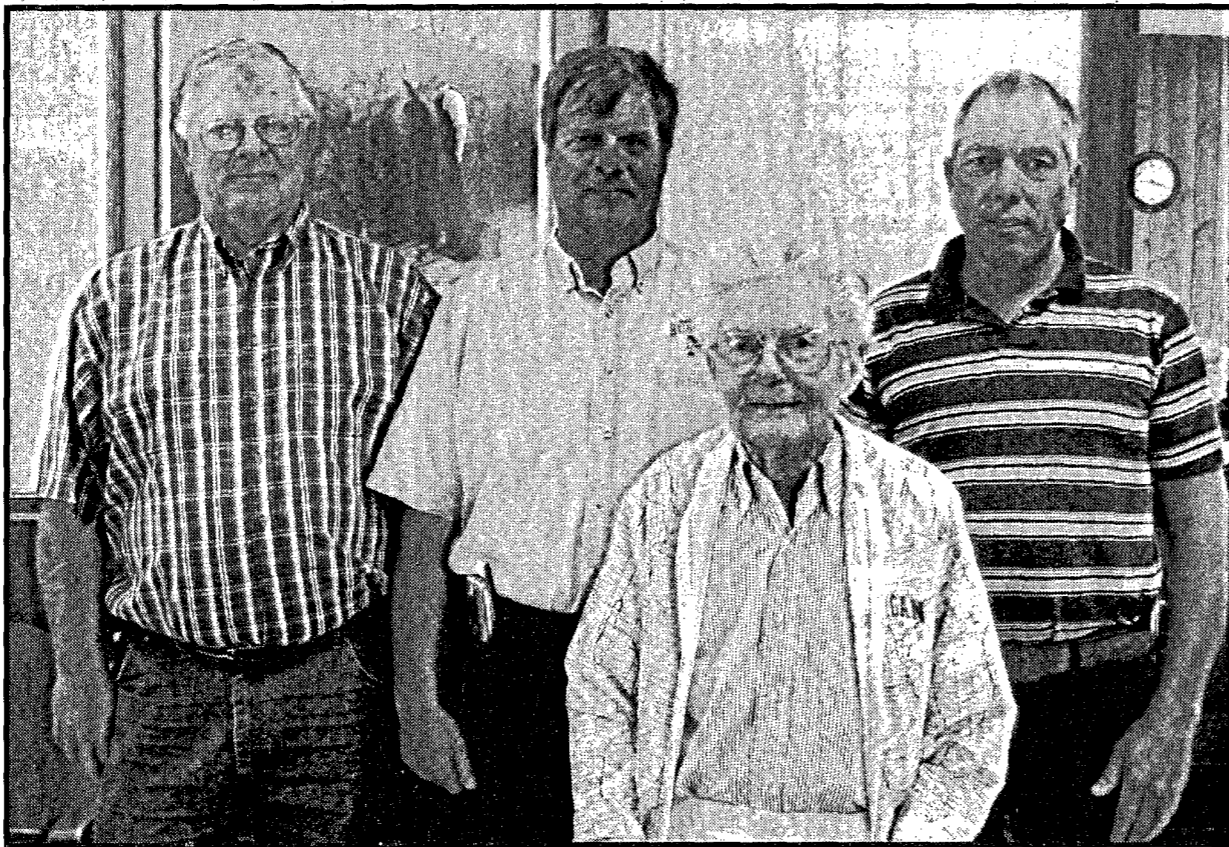

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10 percent of all American high school students.

Dalton, who attends Wayne Middle School, was nominated for this national award by Mrs. Joyce Hoskins, a teacher at the school. His name will appear in the United States Achievement Academy's Official Yearbook which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Founder of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a qualified sponsor.

Dalton is the son of John and Diann Dunklau of Carroll. His grandparents are Harris and Clara Heinemann of Wayne, Lorene Dunklau of Carroll and Irene Dunklau of Corsicana, Texas.

Visits Wayne County

Margaret Gates of Manhattan, Kan. stopped at the Wayne County Courthouse during her trip to finish visiting all of the counties in the U.S. Stopping in every county has been her life-long ambition and she has only a few counties left to visit. After Wayne, she headed to Dixon, Cedar and Knox counties in Nebraska and five counties in South Dakota to finish her endeavor. Above, Gates is standing with Wayne County Commissioners, left to right, Robert Nissen, Kelvin Wurdeman and James Rabe.

Members of the response team with the Norfolk Fire Department Division were in Wayne at Providence Medical Center recently with their regional HAZMAT trailer to answer questions and

give demonstrations to staff and community members.

Some of the features included in the trailer include chemical suit kits, mini laboratory, weather station, cameras, computers, research

books and other items to contain hazardous materials. The unit can go anywhere in the state to respond to a disaster. This HAZMAT unit was started in 2002.

Marotz admitted into RHOP at Wayne State College

Brittini Marotz of Winside has been accepted into the Rural Health Opportunities Program (RHOP) at Wayne State College. She will begin studies in the fall.

Marotz will attend WSC to begin work on a degree in clinical lab sciences studies to be completed after

transferring to the University of Nebraska Medical Center (UNMC).

Under the RHOP program, she receives a full tuition scholarship at Wayne State and guaranteed pre-admission to UNMC upon successful completion of the prescribed course work at Wayne State. RHOP, a cooperative effort between Wayne State and the University of Nebraska Medical Center (UNMC), encourages students from rural areas of Nebraska to return to rural settings after graduation to pursue their career.

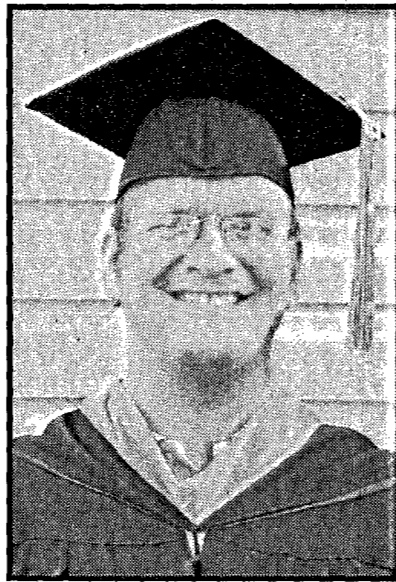

Students from communities of populations less than 10,000 are granted special consideration for admission to the RHOP program. Areas of study under the program include medicine; pharmacy; dentistry; dental hygiene and medical technology.

A shortage of rural health practitioners in Nebraska prompted the educational institutions to implement the RHOP program in 1989.

Marotz is the daughter of VerNeal and Carmie Marotz of Winside. She has been involved in dance team, yearbook and band.

Best box top collectors

Students in Matt Schaub's homeroom, above, and Phylis Trenhaile's homeroom, below, were treated to a pizza party last week at Wayne Middle School. The two classes were the top collectors in the recent Box Tops For Education campaign. Mr. Schaub's class collected 720 box tops and Mrs. Trenhaile's class collected 327 box tops. More than \$500 was raised through the event. Those involved with collecting and counting the box tops want to thank the local grocery stores for their support in promoting the project.

Columbus host to girl scout annual meeting; local clubs and individuals receive awards

Columbus was the site of the annual meeting of the Girl Scouts, Prairie Hills Council of Nebraska, Inc. held at Wunderlich's Catering on April 28. The day included a business meeting, election of board members and a special awards luncheon.

Winside royalty

The 2007 Prom Royalty was chosen recently at Winside High School. Attendants were, left to right, Lauren Oestreich and Tobias Grunert. This year's queen was Kristy Doffin and crowned king was Sam Barg. The prom was held at the Winside Public School. The theme was "Tonight's Dream . . . Tomorrow's Memories." The junior class entertained the senior class with a banquet and dance. The students were then invited to a post prom party in the high school gymnasium, sponsored by the parents and numerous businesses and individuals in the surrounding communities.

Northeast nursing students pinned in combined ceremony

For only the third time in nursing education history at Northeast Community College in Norfolk, both associate degree nursing and practical nursing students received their nursing pins in a special pinning ceremony last week.

The ceremony marks the end of the third year of the integrated nursing program at Northeast. Both the associate degree nursing and practical nursing programs now have the same entrance criteria, require many of the same general education courses, and share the first two semesters.

The nursing program also includes a preprofessional nursing degree option. This expanded major provides a curriculum of courses to earn either an associate of arts or associate of science degree in preprofessional nursing. Current and prospective students not yet enrolled in the nursing program at Northeast can earn that degree. Students with a preprofessional nursing degree can transfer to a four-year college to continue with their bachelor's degree in nursing.

Local students who were pinned with the associate degree nursing pin include: Norfolk, Heidi (Mrs. Scott) Bonsall. The daughter of Cyril and Bev Hansen of Wayne is a graduate of Wayne High School; Wakefield, Kodi Nelson. A graduate of Wakefield Community Schools, she is the daughter of Albert and Janelle Nelson of Wakefield; Winside, Wendy (Mrs. Juan) Escalante. The daughter of Mary Paustian of Hoskins and James Rabe of Winside, she is a graduate of Winside High School; Wisner: Eleanor (Mrs. Gus) Heller. The Wayne High School graduate is the daughter of Tom and Vicky Jones of Wayne.

In addition to the pinning ceremony, three associate degree nursing and three practical nursing students were presented the Essence of Nursing Award for their consistent academic effort, caring actions, positive motivation toward classroom learning and clinical experience, and professional behaviors.

Students who were pinned with the practical nursing pin include: Wakefield, Traci Lueth. The daughter of Roger and Lori Lueth of Wakefield is a graduate Wakefield High School; Jennifer Torzon. A graduate of Wakefield Community Schools, she is the daughter of Greg and Denise Simpson of Wakefield; Winside Cammy (Mrs. Michael) Janke. The daughter of Drex and Trudy Cushing of Hoskins is a graduate of Winside High School; Katie Lage. The graduate of Winside High School is the daughter of Doug and Tess Lage.

Rhonda Lammers, Fordyce, Alicia Parker, Norfolk, and Carmen Schmoltd, Wisner, were the associate degree nursing students honored with the Essence of Nursing Award while Jeff Binder, Spencer, Tracy Dennis, Osmond, and Nancy Nockels, Norfolk, were the practical nursing students honored with the same award. Lammers was honored last year with the Essence of Nursing Award as a practical nursing student.

Upon completion of the first two semesters of nursing studies at Northeast, students are eligible to take the National Council of Licensure Examination (NCLEX-RN) to become a licensed practical nurse. Students who hold a 2.7 grade point average in their nursing courses are eligible to complete the last two semesters of the program and take the National Council of Licensure Exam (NCLEX-RN) to practice as a licensed registered nurse.

Each nursing school, at every level of education, has its own unique pin which is worn on the nursing uniform. The nursing school pin that graduates of the NECC associate degree Nursing and licensed practical nursing program receive is symbolic of nursing's heritage and tradition.

Some practical nursing students have chosen to continue in the associate degree nursing program at Northeast.

Nebraska eighth graders selected for 'Breakfast for Champions'

More than 300 eighth-grade student leaders from across Nebraska were invited to the ninth annual Breakfast for Champions May 11 at the University of Nebraska-Lincoln's Bob Devaney Sports Center.

UNL offers more than \$22 million in scholarships to Nebraska seniors

The University of Nebraska-Lincoln has announced the awarding this spring of 2,499 scholarships to Nebraska high school seniors.

The awards were made to 2,209 individuals from 264 high schools, plus 12 who are home-schooled. These awards are in addition to 815 scholarships announced in the fall. The spring awards include 538 Regents Scholarships (including 150 Nebraska Top Scholars), 146 Nebraska Achievement Scholarships, 160 David Distinguished Scholarships, 1,347 James H. Canfield Scholarships, 94 Chancellor's Leadership Class awards and 63 Pepsi Scholarships for Outstanding Volunteer Service and Leadership.

The total potential value of the scholarships awarded this year is more than \$22 million.

Regents Scholarships are among the most prestigious awards granted by the university. They pay tuition for full-time students (equivalent to a cash value of more than \$22,000 over four years) and are renewable for up to 135 credit hours or completion of a bachelor's degree provided eligibility requirements are met. The scholarships are awarded based on the student's sixth-semester high school class rank and ACT or SAT composite score.

The students who were selected as Nebraska Top Scholars will receive at least \$1,500 per year in additional scholarship awards from the university or the University of Nebraska Foundation, provided they meet renewal criteria each year.

Nebraska Achievement Scholarships are based on academic achievement, admission test scores, information in the student's Free Application for Federal

Student Aid and the university's commitment to enroll a diverse student body. Six of the scholarships were for tuition with the other 10 offering \$1,000 per year. The scholarships are renewable for up to four years provided continuing eligibility conditions are met.

David Distinguished Scholar Awards offer full-time students \$1,000 annually for up to four years if they meet the same renewal requirements as with Regents Scholarships. David Distinguished Scholarships are funded from a trust established in 1973 by the late Adrian H. David, a former Minneapolis attorney, in honor of his parents. Adrian David was a 1908 graduate of the NU College of Law. The trust also funds faculty research projects, placing a special emphasis on cancer research.

Members of the Chancellor's Leadership Class are awarded one-year scholarships of \$1,000. The award was created to recognize and reward students who have excelled both academically and in leadership roles in school and community activities. Members must be full-time students and participate in scheduled Chancellor's Leadership Class activities.

Pepsi Scholarships are one-year, \$1,000 scholarships to full-time students who participate in scheduled weekly leadership development seminars that focus on volunteer service. The award recognizes students who understand the importance of volunteerism and have demonstrated leadership and dedication in working to improve their communities.

An individual student can qualify for one Regents, Nebraska Achievement, David Distinguished or Canfield scholarship. Honors Program Textbook, Pepsi and Chancellor's Leadership Class scholarships may be combined with other awards.

Following is a list by high school of students who have been awarded scholarships. Information includes the student's intended academic major and type of scholarship(s) awarded. The student's town or city of residence is included in parentheses where appropriate.

Don't let travel scams ruin your vacation

The school year is winding down, and Nebraskans are beginning to plan their summer vacations. We all want to save a few dollars on travel, but don't let that leave you the victim of a costly scam.

By: Attorney General Jon Bruning

You may be receiving letters, calls, e-mails or faxes indicating that you are the winner of a free vacation or that you are eligible for a discounted vacation package. Be very careful responding to these offers. Many consumers eventually end up discovering the "vacation of their dreams" is their worst nightmare.

In some cases, consumers arrive at the hotel and either find substandard accommodations or find that their hotel is unavailable. They are then offered the chance to "upgrade" for an additional fee.

Looking Ahead in Wayne

By Lowell Johnson, Wayne City Administrator

Council meeting

The next meeting of the Wayne City Council will be Tuesday, May 29 at 5:30 p.m. in the city council room at 306 Pearl Street.

"Help Is Not On The Way"

Keep this phrase in mind when you are grocery shopping for your family. When an extended, long term disaster or pandemic strikes a large area - there is no one ready to bring food or fuel to a large geographic area. The city, county and emergency agencies will be busy taking care of people in trouble, keeping the water, sewer and power systems running and keeping civil order. The rest of us must take care of ourselves so the emergency workers can do their job.

Do I think it will happen here? Are we willing to bet our children

and grandchildren's well being on every bureaucrat running the electrical grid system making the right decision or some angry men not blowing up two oil refineries?

The city's job as provider of essential services is to be ready whether it happens or not. We will do that. For the rest of us, the job is to be able to take care of ourselves till things are fixed.

Buy more canned goods and less frozen goods. Your family might be glad you did. We are telling you now that help is not on the way, because that is what we will hear later if a wide area, long term problem or pandemic occurs.

Quote
"Those who dare to fail miserably can achieve greatly" JFK

Nebraskans to pay more gasoline taxes

By Ed Howard

Statehouse Correspondent
The Nebraska Press Association
Would you notice if the state took another \$14 from you each year in taxes?

It is interesting to think about how people react to higher taxes, and when and why.

Property taxes are paid in big chunks every year. While most of us regard them as too high in general, we are particularly inclined to flinch when we get that bill for thousands and thousands of dollars.

Think of what would happen if the feds and state government only collected income taxes twice each year.

More accurately, think of what would happen if they tried to collect the income tax just twice a year.

How many among the citizenry would be inclined toward a reply reflecting maximum discontent.

"You gotta be kidding! You better be kidding! I ain't got that much money, and if I did I wouldn't give it to you!"

The key to that response is the assertion that the taxpayer "ain't got that much money," because it would almost certainly be true for most of us.

Can you imagine personally setting aside enough money, whether weekly or monthly, to write the government a check every year for the sum they now take out of your earnings a little at a time?

When the feds gave birth to the income tax, they knew it would have to be a trust-fund baby. A comparatively small amount of money would have to be drawn from its various sources (that would be you) regularly. People would gripe about how much came out of their paychecks every week - but they would turn into berserkers if they had to save it, then see it all taken away

by the government at one fell swoop.

Try to imagine millions of people screaming "I'm mad as hell, as I'm not gonna pay it any more!"

Taxes on gasoline, however, seem to work the other way.

If the state tax on gasoline will cost most of us \$14 more next year than this year, it might not sound so bad.

It does bring a frown to a lot of faces, however, when the people are at the pump and they see that the cost of fuel is up another penny.

"When is it gonna stop?" or a variation thereof is not an uncommon utterance at gas stations

around the state. Around the country, for that matter.

The old "out of sight, out of mind" wheeze applies just a little to collecting taxes.

People know they are getting hit for what many of them regard, rightly or not, as too much income tax. They might complain when they look at a paycheck. They almost certainly complain if they owe more at the end of the tax year. But imagine the ruckus if folks saw, and had to pay the bill, all at once.

A higher gasoline tax is not only visible, it is paid every few days at the pump - and that's another

thing. Higher taxes on gasoline are guaranteed to annoy, for several reasons.

First, we all know what kind of profit the oil companies are making, and we know about those executive salaries. Second, we are reminded of the higher tax when we have to climb out of our vehicles, in blazing heat or freezing cold, and pump the gasoline. It adds inconvenience, if not insult, to fiscal injury.

When John and Joan Public pay whatever additional income taxes they might owe at the end of the tax year, they are usually at home - where they can mourn in private.

Budget package ready for final reading

Although the first round of debate on the budget bills went fairly quickly, senators spent many hours discussing the budget during the second stage of debate. In the end, there weren't many changes to the proposal that was recommended by the Appropriations Committee. The budget package is now ready for final reading.

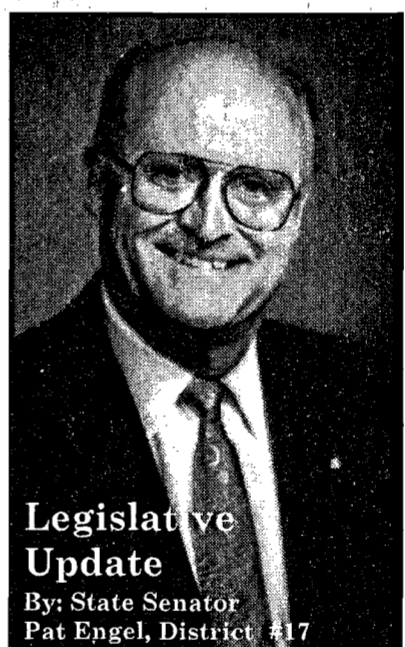

As a member of the Appropriations Committee, it is very important that we stay unified in our opposition to efforts to increase spending beyond our rec-

ommendations. Even though I personally support some of the programs that were the subject of amendments for additional funding, the Appropriations Committee could not support them or it would have opened up the door for additional attempts to increase spending. We had to make sure that there was enough revenue available to fund the tax relief package.

Only two amendments were passed over the objections of the Appropriations Committee. The first amendment adds \$290,000 in each of the next two years for the Eastern Nebraska Office on Aging. This funding would allow the Agency to continue to offer Meals on Wheels, care management, and other programs. The second amendment added a total of \$750,000 in the biennium for Area Health Education Centers (AHEC). This program exposes students to health careers in an attempt to increase the number of health care workers in our state. In both situations, the state funding was sought due to the loss of federal support.

Although I support both of these programs, I believe this is dangerous precedent to start, as there are many programs that are currently funded by federal resources that may not be sustainable in the future.

My priority bill for this year is LB 342 which is a bill introduced by Senator Ron Raikes, the chairman of the Education Committee, to revamp the funding formula for the community colleges. The current system was developed in 1997.

Legislative Update

By: State Senator Pat Engel, District #17

The previous year, Northeast Community College had experienced a substantial increase in enrollment but had not yet adjusted its local property taxes to compensate, thereby resulting in an artificially low base rate. This arbitrary base has been grown over the years, creating disparities among the community colleges.

In 2005, on our third attempt, legislation was passed to allow Northeast Community College to raise local property taxes, with the revenue generated by the additional levy authority added to the base year revenue for purposes of the state aid formula. Legislation was previously passed to help Western Community College.

I believe that it is time to adopt a new sustainable formula rather than continuing to adjust the current formula every time a problem occurs. Under the current system, only with full funding does it achieve equalization. If not fully

funded, a levy exception is authorized. But since the levy is not equalized, it has created a levy rate disparity among the community colleges ranging from 5.56 cents per \$100 of valuation in the Omaha area to 10.70 cents in the western portion of the state.

LB 342 restructures the state aid formula for community colleges, by equalizing the responsibility placed on taxpayers throughout the state to support their community college. This equalization formula is similar to the state aid concept for K-12 school districts, in that it is based on the concept of Needs minus Resources equal State aid. LB 342 received first round approval this past week. To fully fund the new formula, it will require \$12 million in additional funding, which will result in property tax relief across the state. Projections show that this formula, proposed under LB 342, is beneficial to Northeast Community College.

LB 641, the bill dealing with the Omaha area schools issue, was given first-round approval this past week. The portion of the law passed last year that split OPS into three districts would be repealed. A compromise amendment was offered that changed the governance structure for the Omaha learning community and the finance method. This is a very controversial issue and I predict many more hours of debate.

As always, I urge you to contact me with your opinions on the various issues before the Legislature. I can be reached at District #17, P.O. Box 94604, State Capitol, Lincoln, Neb., my telephone number is (402) 471-2716, my fax number is (402) 479-0917 and my e-mail address is lengel@leg.ne.gov.

Eighth grade students receive awards

Twenty-eight eighth grade students received the President's Award for Educational Excellence at the Wayne Middle School Band Concert on April 30.

The purpose of this award is to recognize academic success in the classroom. Wayne Middle School Counselor, Joan Sudmann, and Principal Tim Krupicka presented each honoree with a certificate, a pin and a letter from President George W. Bush.

Eligibility for the prestigious award is based on earning a cumulative grade point average of 90 or above for seventh grade and the first semester of eighth grade. The President's Award for Educational

Excellence is a national award which can be given only in "exit" grades. In Wayne Community Schools, the award is presented in eighth and twelfth grades.

FINANCIAL FOCUS

Saving for college at every age and stage

As graduation season approaches, many parents start thinking about college costs and wondering how they will afford it. According to The College Board's "Annual Survey of Colleges," the average total charge for 2006-07, including tuition, fees, room and board, range from \$30,367 per year for a four-year private college to \$12,796 for a four-year public college to \$2,272 for a two-year public institution (includes tuition and fees only).

But how much will it cost when your child heads to campus? Tuition rates generally increase at about twice the general inflation rate, about eight percent per year. For a baby born today, college costs will be more than three times the current rate.

While the value of a college education is clear, the issue of how to pay for it is more ambiguous. Here are tips for saving at every age and stage of your children's lives.

The preschool years
Fact: You need to save \$5.32 per week for 17 years at eight percent interest to save \$10,000 for college.*

During this stage, parents have unique financial struggles: adjusting to new expenses for a baby, paying high child care costs or learning to live on a reduced income. It may be difficult to put money aside but even small amounts saved at this stage are valuable with compounded interest over time. As a starting point, put any financial gifts your child receives into an account then work some savings into your own budget.

The grade school years
Fact: To save \$10,000 for college, you need to save \$9.54 per week for 12 years or \$17.16 per week for 8 years at 8 percent interest.*

During this stage, living costs and child care expenses may decrease and income may increase as a parent returns to full-time employment. As the money supply increases, designate a portion to the college savings fund before it

gets eaten up by discretionary expenses such as sports activities or music lessons. If you've already started saving for college, now is the time to increase the amount you are saving each year. Similarly, invest any financial windfalls such as inheritances or bonus awards into the college fund.

At this stage consider meeting with a financial advisor to discuss college savings vehicles such as a 529 plan or a Coverdell Savings Account. Both offer tax benefits that can positively impact your overall savings goal. Besides investing yourself, encourage grandparents to make financial gifts or contributions directly to a 529 plan. The gift of a college education will last a lifetime.

The high school years
Fact: You will need to save \$40.76 per week for 4 years or \$184.58 per week for 1 year at 8 percent interest to save \$10,000 for college.*

The moment your child heads to high school, college fees become reality. If you already have a college savings account, accelerate the amount you are saving. In addition, talk to your child about the

importance of putting money away for college. This idea may be more attractive to your high school student if you offer to match the amount they save.

At this stage consider rebalancing your investments earmarked for college savings. As your child gets closer to college, it is wise to invest the assets in less risky investments with more principal protection. A financial advisor can help with these decisions.

The college years
Once your child heads to campus, there are many opportunities to wisely save and spend. If possible, hold off spending a small-balance college savings account until the final year of school to give the assets the most time possible to compound and grow. Similarly, if you can afford it, continue saving during the first years of college to fund the later years. Consult with your tax advisor about making full use of all tuition-related tax breaks. Renegotiate your financial aid package each year; your package may change as your financial situation evolves and as more of your children attend college.

Address the possibility that your student may need more than four years to graduate. A fifth year of college can increase costs by more than 25 percent. Whenever possible, encourage your student to take summer school classes to make up the needed credits. Check into the option of making more manageable, monthly tuition payments.

A financial advisor can help
Saving for college can seem overwhelming and complicated. A financial advisor can help you clarify how much to save, how to invest your savings and how to prioritize your savings goals and develop a financial plan to attain them.

Entrepreneurship, education and economic development dicussed

Entrepreneurship was center stage at the Northeast Nebraska Economic Development Summit held in Wayne this week. Governor Dave Heineman opened the event with an update on Nebraska's economic development progress.

He reminded us that Nebraska is at a crossroads, stating that we need to find ways to encourage young people to work here in Nebraska and also focus on helping innovative small businesses be successful. Entrepreneurship continued to be an important topic throughout the daylong conference. Dr. Doug Christensen,

Commissioner of the Nebraska Department of Education, also referred to the importance of entrepreneurship. He noted that 21st Century School must teach students the skills needed to become successful global entrepreneurs.

Entrepreneurship Education is important to us here in Northeast Nebraska. It provides a way for youth and adults to take an innovative idea and turn it into a successful business. Many people think it is the large manufacturing businesses that will keep our communities viable but there are more new jobs created from small busi-

nesses while they are still in school. Many youth across the state have created their own business ventures and have continued them as they go on to college. The new entrepreneurship project will provide information and a framework for students who are interested in creating their own businesses.

The statewide training for the new project will be held in Ord on May 22. Extension staff will attend the training along with business and school representatives from their communities.

Whether helping youth or adults, let's work together to keep northeast Nebraska thriving with new business opportunities. You can contact your local UNL Extension

Office for more information on the youth entrepreneurship project or for contact information for other Extension programs as well as for other agencies available to help. Governor Heineman and Dr. Christensen have stressed the importance of growing our own entrepreneurs. Let's accept the challenge.

Engagements

nesses than from increased industry. In smaller communities, the impact from a few new businesses may be all that is needed to keep our communities growing rather than declining.

That is where entrepreneurship comes in. When someone has an idea for a new product or service that would meet the needs of others, and they find a way to deliver that product or service, entrepreneurship has taken place.

Sometimes getting from idea to delivery is a daunting task, but there is an abundance of help available. The University of Nebraska and UNL Extension provide a variety of programs to assist aspiring entrepreneurs and to help them connect with all the other agencies where assistance can be found. One program which has been successful in northeast Nebraska is the EDGE program.

Other programs include "Rural Retailing", "eBusiness 1 & 2", "eBusiness the eBay Way", and "Electronic Retailing". Many more programs which can help individuals with business plans or with leadership and other community development programs are available through UNL Extension. In addition to Extension resources, the Nebraska Business Development Center housed at Wayne State College, provides assistance with all aspects of business planning. USDA Rural Development also can help.

Since I am especially interested in youth development, I am excited about the new entrepreneurship project being launched this summer for youth. It pairs youth and

Barkers to note 50th anniversary

Art and Erma Barker of Wayne will be celebrating their 50th wedding anniversary with an open house on Sunday, May 27.

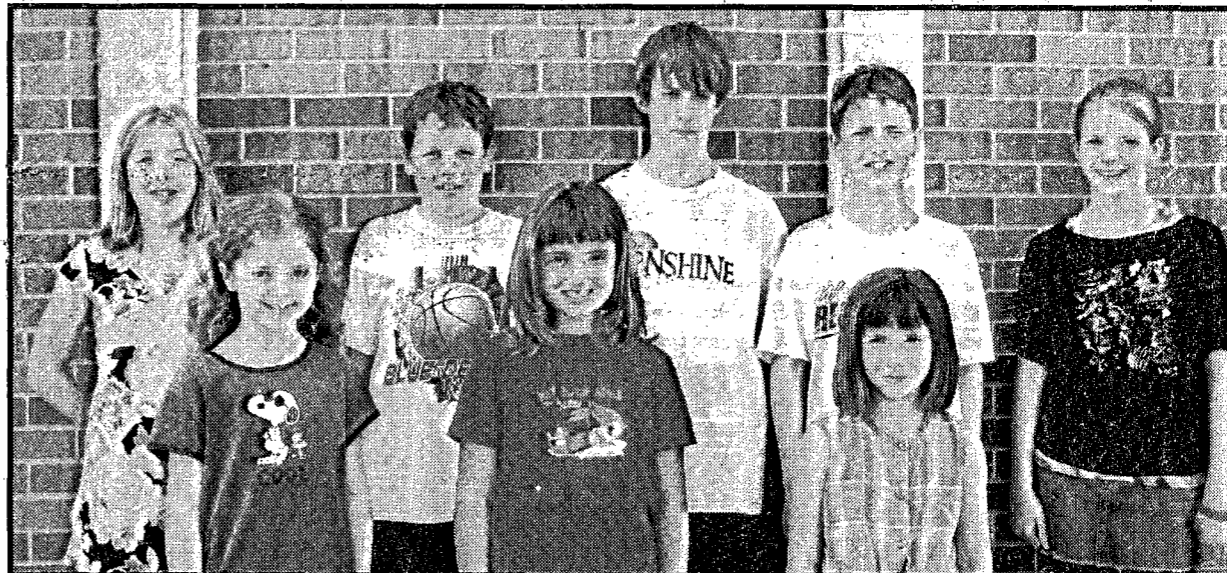

The event will be held from 2 to 4 p.m. at the Wayne Fire Hall at 510 Tomar Drive in Wayne.

Art Barker and Erma Young were married May 26, 1957 at the United Methodist Church in Wayne.

The open house is being hosted by the couple's children, grandchildren and great-grandchildren. They include Erma and Craig Johnson of Bridgeport, Pat and Rod Bamrick of Elm Creek, Ardie and Kirk Sommerfeld of Wayne, Roy and Tammy Barker of Fremont and Kelly and Duane Witt of Wayne.

Cards and well wishes can be sent to the couple at 100 Cityside Drive, Wayne, Neb. 68787.

The honorees request no gifts.

Piano students taking part in the Festival included, front row, left to right, Sylvia Jager, Elisebeth Torres and Andrea Torres. Back row, Kendra Liska, Joe Burrows, Ben Bruflat, Sawyer Jager and Dacia Dickey.

Piano students take part in festival

Ben Bruflat, Joe Burrows, Dacia Dickey, Sawyer Jager, Sylvia Jager, Kendra Liska, Andrea Torres and Elisabeth Torres, students of Mrs. Marcile Uken took part in the Nebraska Music Teachers District Festival held in Omaha.

The event was held May 5. At the festival students are required to play two memorized pieces from different periods of music, play scales and take a written and aural theory test.

Students playing in Division 1A were Sylvia Jager with a rating of 2+ and Andrea Torres with a rating

of I. Playing in Division 1B was Joe Burrows with a rating of I.

Playing in Division 2A were Dacia Dickey with a rating of 2+ and Kendra Liska with a rating of 2.

Playing in Division 2B was Sawyer Jager with a rating of 2.

Playing in Division 3A was Ben Bruflat with a rating of 2+.

Joe Burrows and Andrea Torres were awarded medals for their I ratings.

All students passed their writing and aural theory test.

Sylvia Jager and Sawyer Jager were awarded certificates in recognition of an outstanding theory score.

All students qualified for State Festival held in October.

A rating of I indicates an outstanding performance in nearly every detail. A rating of II indicates a few minor technical defects. A rating of III indicates a performance with technical and musical defects. A rating of IV indicates a lack of preparation of musical performance.

ALLEN GRADUATES 15

Graduation commencement exercises were held at Allen Consolidated School on May 12 for the 15 members of the Class of 2007. The class motto this year was "The journey of a thousand miles begins with one step" - Lao Tzu. Class colors were Black and White, and the Class flower was the Red Rose.

Those graduating were Christopher Blohm, Jennifer Fahrenholz, Zeena Fahrenholz, Alicia Gregerson, Raquel Grimaldo, Derek Hingst, Brittney Isom, Kathryn Ketelsen, Amanda Marshall, Corissa Moore, Amber Rastede, Ross Rastede, Lukas Sachau, Brooke Stewart, and Sierra Williams.

The Allen Band, directed by Richard Lacy, played the Processional as Junior Escorts - Luke Woodward and Courtney Sturges - escorted in the Graduates. Opening remarks were given by Brooke Stewart followed by David Uldrich announcing the

Allen Consolidated Schools Foundation Award to Mary Lou Koester. Special Awards were then given by Monty Miller, Principal. The Salutatorian Address was read by Alicia Gregerson followed by Lukas Sachau with his Valedictory Address.

After a Special Memory slide show by the Office Procedures Class, Susan Von Minden announced scholarships. Special Music "It's Your Life" was provided by Jacob Malcom, accompanied on guitar by Luke Woodward. With the presentation of the Class of 2007 by Don Schmidt, Superintendent, Kevin Connot, Chairman of the Board of Education, handed out diplomas. Closing Remarks were given by Amber Rastede.

The Graduates walked out to the Recessional played by the Allen Band and lined up in the Commons Area to be congratulated by family and friends.

STATE TRACK QUALIFIERS

The Allen boys and girls track squad had several members who qualified to compete at the State Track meet on Friday and Saturday. Along with qualifying for State, the Boys team won their District Trackmeet, something Allen hasn't done in at least 25 years.

The Boys team, coached by Dave Uldrich and Casey McGhee, will be taking eight boys to Omaha next weekend: Drew Diediker - triple jump; Lucas Sachau - 3200 m relay, 800 m run, 300 m int. hurdles, and 1600 m relay; Michael Bock - 3200 m relay, 3200 m run, 1600 m run; Scott Wilmes - 3200 m relay, 800 m run, 1600 m relay; Chris Blohm - 3200 m relay, 400 m dash, 1600 m relay; William Gnat - 110 m high hurdles and 300 m int. hurdles; Jacob Woodward - 1600 m run; Charley Green 1600 m relay.

The girl's squad, coached by Denise Hingst and Desiree Kneiff, had three girls to qualify for the State meet, Codi Hingst - 3200 m run; Sarah Sullivan - 400 m dash and 200 m dash; and Kayla Greve - 300 m low hurdles.

The State Trackmeet takes place Friday, May 18 and Saturday, May 19 at Burke Track in Omaha.

STUDENT AMBASSADOR

Brandyn Stewart will be traveling to Australia in June as a Student Ambassador for the People to People Program. There will be a Fundraising event - Spaghetti Feed - on Sunday, May 27 at the Allen Firehall from 10 a.m. - 3 p.m. The Feed is a free will donation and there will be also items up for auction.

Brandyn is the son of Troy and Amy Stewart and is currently a Sophomore at Allen High School.

The People to People Program was founded by Dwight D. Eisenhower in 1956. He believed that if people from different cultures could come together in peace and friendship in the hopes that the same would happen for countries eventually. Since its founding, People to People has launched

many international programs, including Sister Cities and Project HOPE. People to People Student Ambassadors are carefully interviewed and evaluated before their acceptance.

Some Allen Alumni who have been Student Ambassadors in the past include Carla Rastede, Jessica Warner, Jenny Warner and Diana Diediker.

VACATION BIBLE SCHOOL

Community Vacation Bible School will be held June 10 - June 14 from 5:30 - 9 p.m. at the Commons Area at the Allen school. "Welcome to Avalanche Ranch" - is this year's theme. Kids are being rounded up for a "wild ride through God's Word". Get ready for an exciting celebration of God's love filled with amazing Bible adventures, unforgettable songs, memory-making crafts and life changing missions.

The event is open to all children preschool through sixth grade. A light supper will be served at 5:30 p.m. each evening for those wishing to join (cost for the meal is \$1 per night). Sessions begin at 5:45 pm. Pre-registration is requested. Students are asked to pay a registration fee of \$10 to help cover the cost of lesson materials/craft supplies (multi student discounts are available - talk to Pastor Karen Tjarks or Sara Simmons). Cash donations and adult volunteers are needed - please talk to Pastor Karen.

DRIVER'S ED

Mr. Wiseman from the Emerson Public Schools will be Allen's Summer Driver's Education Instructor. The 24 hours of classroom instruction will be the week of May 21 and should be completed by June 1. The six hour driving labs for each student will begin in the month of June.

ALLEN ALUMNI WEEKEND

The July 7 Alumni Weekend is coming up quickly. The weekend will start on Friday afternoon and join the Poker Run or meet Friday at 5 p.m. at the Fire & Rescue Building for a social hour. Starting at 6 p.m., the Fire & Rescue squad will offer a barbeque pork sandwich meal.

The school will be open Saturday at 4 p.m. for touring. The banquet starts at 6 p.m. Come casual and looking through the memorabilia on display in the Commons Area. Banquet tickets are for sale for \$15 per person.

CLASSIC CLUB EVENT

Did you know that some alumni returning to Allen this summer will see the caboose, Historic Tree Grove, gazebo area, Nature Grove, park equipment, flowers about town, etc. for the first time? These have all been projects undertaken by the Allen Community Club. Be a member and help continue to make our town a welcome place for everyone. The next meeting is May 21.

Talking is communicating

(Note from 'The Farmer's Wife' - Number one (and only) son was here for Mother's day and decided he wanted to "communicate" via his mom's column).

Remember back when there were no cell phones, no emails, and no internet? Remember that a night out or a weekend excursion or even a trip to town required planning and organizing and communication between those parties involved? And when the plans changed, or events were altered, you still needed to meet at the original assigned rendezvous point in order to proceed to the next one?

Well, thank goodness, we don't have to do that anymore. Now, all we need to do is phone on the fly, text the change, or email the directions. Easier, right? Much easier! But here is the result. Nobody has to talk to each other anymore. You can actually go thru a day or a week or even longer and not have to physically speak, or more importantly, communicate at all!!!

I started noticing the effects of the lack of communicating a few years ago. Being in the mortgage business for close to 20 years, relationships are very important to me. I believe that personal service, trust and follow up are still important today. However, you can now shop for a home, shop for a mortgage, shop for insurance, shop for stock purchases and even shop for a date online!!! I have a couple of friends that do nothing but date online. Some go well, others are complete nightmares. But the good

news is that if either party isn't interested in a follow up date they can just text them or email them that it's over before it even started. Best thing about it, no emotion.

This brings me to my largest problem with our new found auto-

The Farmer's Wife

mated communication; no emotion. You cannot read emotion into a text message or an email. You can't feel the demeanor of the writer and therefore often times messages are misread and mislead. There is even a whole new language associated with messaging to save time and less communication. LOL, TTYL, ;, and my favorite Mwah! These have replaced laugh out loud, "talk" (yeah right) to ya later, smiley face to reflect happiness or humor and of course Mwah! Self explanatory.

I have a friend that communi-

cates only via text or email. We have never been better friends than right now! Weird, huh? My best friend, Brian, and I still call each other whenever we want to chat. Could be that neither of us know how to do the other, yet I like to believe that we've lost enough living five hours away from each other for the last 15 years to waste it on text or email.

My sisters and I text and email more and more frequently which in a large group is more like a conference call and very informational. It usually results in what I like to call an email war with humor and banter and an occasional movie quote to go along with it. Yes, even The Farmer's Wife is quite an accomplished email technician.

I can now work from home thru internet based mortgage software, email and industry specific technology. I can work at Starbucks, The Peanut restaurant in Shawnee, Kan. or even sitting in my neighborhood street pirating off the neighbor's wireless connection.

The future will continue to become more and more paperless, wireless, emotionless. My advice is this. Do not lose your ability to talk, speak, communicate. Trust me, to be successful you still need to be able to talk, express yourself and earn your associate's trust. Go to whitepages.com, look me up (or any old friend), give them a call, update them on your life, your family, your career. Then exchange email addresses, cell phone numbers and tell them, TTYL.

Yellowing plants need attention

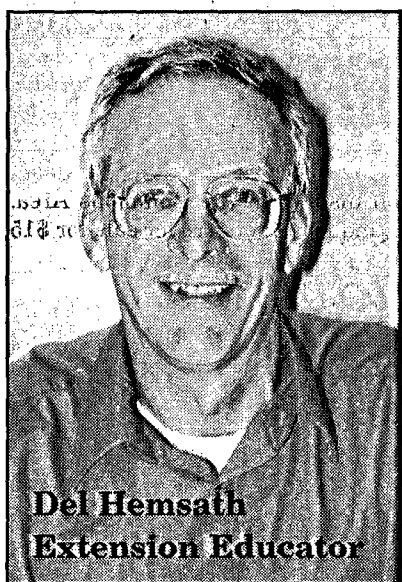

Plants with unhealthy looking yellow leaves that have dark green veins is most likely chlorosis. Chlorosis is a yellowing of leaves due to a lack of chlorophyll. In extreme cases, leaves turn completely yellow or white and develop brown on their leaf edges.

Besides making the plant unsightly, chlorosis limits the plant's ability to photosynthesize and produce food (carbohydrates and sugars) needed for plant growth. If not corrected, the plant will slowly die, often branch by branch. Plant sensitivity can vary for iron chlorosis based on the plant type. Common trees that tend to show iron chlorosis are Maple trees and Pin Oaks. Roses and other plants that use or require fertilization tend to show iron shortages first.

There are many causes of chlorosis. They include a nutrient deficiency or lack of iron being available to the plant. Plants need iron for the formation of chlorophyll. In the Great Plains area, iron chlorosis is often caused by high pH or alkaline soils. The higher the pH, the more unavailable iron becomes to the plant.

Poor growing conditions such as incorrect watering, poor soil drainage, over-fertilization, compacted roots, or damaged plant roots can create yellowing of the plant leaves.

If you have a chlorotic plant, first make sure it is not being caused by a poor rooting environment. Check the soil around the plant. If it is very dry or too wet, change your watering practices. If you use a weed mat, consider removing it as

these can reduce oxygen levels in the soil.

Improve soils by topdressing with compost or using organic mulch in place of rocks. Never use black plastic mulch in a landscape bed. To reduce soil compaction and improve soil drainage, core aeration, tiling, or some other care practice may be needed.

Nutrient deficiencies can be treated with foliar application of nutrients in a water soluble or chelate form. These affect leaves present during application and will only correct the problem for awhile. Therefore, several treatments per growing season may be needed to keep the foliage green.

Another method for treating chlorosis is through the soil. Soil tests should be taken to determine soil pH as well availability of nutrients that can cause chlorosis.

Based on a soil test, the nutrients

are applied by drilling holes in the ground at a forty-five degree angle to a depth of twelve inches starting three to five feet from the trunk and going as far out as the tree is tall or as far as the property lines, foundation, streets, and driveways allow. Dry materials can be applied to the soil to add some nutrients directly and to also reduce the alkalinity of the soil and create more acid. Materials that can be used are iron sulfate, aluminum sulfate, or sulfur. These are dry products available at the garden centers sometimes by special order. Consult your local University of Nebraska extension office for additional information.

PERGOLIDE (PERMAX®) PATIENTS

An article in the January 4th issue of the *New England Journal of Medicine* revealed that Pergolide and Permax® significantly increases the risk of developing valvular heart problems in users with Parkinson's disease. The heart damage ranges from moderate valve damage and leaky valves to heart failure and death.

If you or a loved one took Pergolide or Permax® and have suffered a serious injury to your heart, you may have a claim against the manufacturer.

Contact Shasteen & Scholz, P.C. today for a free consultation where we will evaluate your claim and recommend appropriate action.

Special luncheon part of Mother's Day celebration at the Wayne Senior Center

Mother's Day was celebrated at the Wayne Senior Center on May 11 with a special luncheon. The ladies were served lunch by the men who wore colorful aprons. The tables were set with white linen table clothes and rose colored napkins. The table center pieces were

antique china place settings provided by the coordinator Connie Christensen.

Over 60 people were in attendance for lunch. The meal included turkey, sweet potatoes, mixed vegetables, fruit and Jello salad. The seniors also were treated to a

p.m. coffee that included sandwiches, cookies and cream puffs.

If you would like to join in for lunch at the Senior Center or would like to be on their mailing list for a monthly newsletter, please call 375-1460.

Community grant program continues

The Ak-Sar-Ben Friends announced the continuation of their community grant program. The matching-fund grants are to be used for support by any non-profit organization which strives to improve their community.

The Ak-Sar-Ben Friends will award \$5,000 in grant money based on demonstration of emerg-

ing community need, the goals and objectives addressed in the community's need, the capacity to implement the proposed project, and the proposed results of the project.

Submit proposals to the Knights of Ak-Sar-Ben Foundation office at 302 South 36th Street, Suite 800, Omaha, NE 68131, by June 30. They must be accompanied by a

letter of support from an Ak-Sar-Ben Friends Ambassador. Forms can be obtained from the Knights of Ak-Sar-Ben website at www.aksarben.org.

Last year, Ak-Sar-Ben Friends awarded thirteen grants to communities across Nebraska and Western Iowa.

Northeast ABE/GED program hosts recognition night

Some 52 students out of a total of 177 graduates were honored at Northeast Community College in Norfolk Monday during the 31st annual Adult Basic Education Recognition Night.

The students were honored for completing the requirements to receive a Nebraska High School diploma through the GED (General Educational Development) test administered by Northeast's Adult Basic Education (ABE) Program.

The Program included a welcome by NECC President Dr. Bill Path. Sarah J. Dempsey, vice president of educational services at Northeast, also extended a welcome and encouraged the graduates to continue their educations. "The more education, the greater your income," she said. Angela Krause, accompanied by David Shipley, sang, "I Hope You Dance" and "God Bless America."

Nancy Schultz, director of adult basic education at Northeast, recognized the group and presented the Class of 2007 and the Northeast Board of Governors' Scholarships at the ceremony. Scholarship winners were Matthew Carr of Oakland and Sarah Endorf, Norma Christiansen, and Crystal Strong, all of Norfolk. Scholarship alternates were Tavyn Dye of Neligh,

Joyce Claytor and Chelsea Kaufman, both of Norfolk and Jenny Mundahl of Wayne. The scholarships will pay half the students' Northeast tuition for four semesters.

Schultz also said that the 177 graduates in the class made this graduating class the third largest high school graduating class in Northeast's 20-county service area.

Two individuals were given special recognition for their contributions to the success of the ABE/GED program. Karen Loper of Norfolk was honored as Instructor of the Year while Carolyn Walker of Norfolk was recognized as Volunteer Tutor of the Year.

Norfolk businessman J. Paul McIntosh, former member of the Northeast Community College Board of Governors, gave the Recognition Night address entitled, "Choices...Scary Good or Scary Bad." "A good choice, followed by consistent action, can make the difference," he said. "Even if you have made bad choices in the past, your life does not have to be defined by those bad choices."

He challenged the graduates to continue their educations. "Education is the great equalizer. In the days of the Wild West, people said the Colt .45 revolver made every man equal," he noted. "But

today, educations can make all of us equal, regardless of our background or parents. But remember, in the final analysis, it is your choices that make the difference," he said.

McIntosh received a standing ovation in appreciation of the McIntosh Legacy Scholarship, established with his wife, Eleanor, and their five children, Jan Einspahr, Jonathon McIntosh, David McIntosh, Heather McIntosh, and the late LaRyne Horn, in March 1999. With an original donation of \$500,000, of which \$250,000 was used as matching funds as an incentive to other donors, the McIntosh Legacy Scholarship has now grown to over \$1,348,000 due to additional contributions and phases of this program.

Those locally receiving their diplomas are listed: **Allen:** Charles Gross, Jesse Mahon; **Carroll:** Perry Schaller; **Laurel:** Alisha Jorgensen; **Wakefield:** Nancy Cacaras, Elizabeth Castro, Bobby Lamprecht, Silvia Perez, Thor Svenson Jr.; **Wayne:** Maria-Yasmin Casillas, Viridiana Casillas.

For more information about Northeast's Adult Basic Education program, contact Director Nancy Schultz, (402)844-7254.

Fifth grade students from Wayne Middle School traveled to the Joel Hansen property northwest of Wayne last week. The group planted 50 Bur Oak seedlings and 25 Ponderosa Pines. The event was sponsored by the Natural Resource Conservation Service, Nebraska Forest Service and Pheasants Forever.

Wonder of bread making classes planned by NECC

Jane Jessen will share her bread-baking secrets at the first "Wonders of Bread Making" classes at the Norfolk Catholic High School, Room 109.

The Northeast Community College class will meet Wednesday, May 23 from 1-3 p.m. Participants registering for this class should sign up for class number HOEC

0600-41/07S. Another session of the same class, with course number HOEC 0600-42/07S, meets the same day in the same location from 6:30-8:30 p.m.

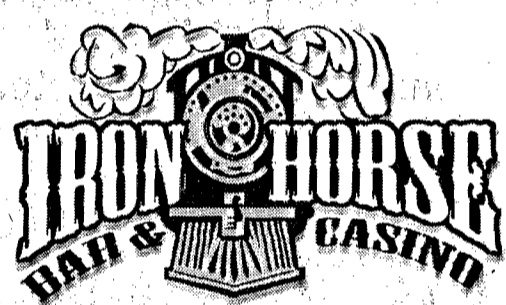

Jessen will give demonstrations and step-by-step instructions on the many ways to use bread machines. She will also share basic dough recipes to create deli-

cious, attractive breads. Participants will also explore the art of making cinnamon bread, baby loaves, bread sticks, bear breads, Easter bunnies, hot cross buns, dinner rolls, and even soup bowls!

Edible door prizes made by Jane will be given away. Cost of this non-credit class is \$10. To register, call (402) 844-7000.

Joshua Bargstad and his family would like to express our sincere appreciation to all of you who have helped us in any way. We wish we could thank each of you personally. We are again overwhelmed with our community, friends and family. You keep us strong, just knowing so many people care. A special thanks to Josh's school friends and their generosity with "Coins for Josh"; the kids and parents of the Sewers and Growers 4-H group and Porky's who sold, made and delivered all those pizzas; and to all our friends and church family who worked so hard and donated your hearts and more to make the benefit pancake and omelet feed a really big success and a very humbling experience. A big thanks to AAL/Thrivent, all the businesses and individuals for the donations and to so many of you who came to show your support. Josh truly enjoyed visiting with everyone!
Your Friends, Darrin, Dana, Josh, Alex, Andl and Jake

THANK YOU
 I would like to thank my friends and neighbors especially my family for all they have done during the past six months while I have been fighting cancer. All the rides to Sioux City, cards, phone calls, food, etc. have really been great. I also want to thank anyone that bought raffle tickets, donated or helped out with my benefit in any way. It was a great day and a huge success. It has been a long six months of chemo, surgeries, and weeks in the hospital but with all the support and my wife at my side I have made it to remission.
Dustin Soden

Thanks! We are overwhelmed and appreciative with the many anniversary congratulations honoring our 60th wedding anniversary. The cards, flowers, gifts, calls and the surprises our daughter and family had for us will long be remembered. We will be forever grateful to all. Indeed a blessing!
Ray & Verdelle Reeg

Thank you to the Wayne Public Schools' administration team and the area businesses who contributed to the Teacher Appreciation night. We had a great time and appreciate all you have done!
The Wayne Elementary Faculty and Staff

THE FAMILY of Erwin Baker expresses our sincere thanks to everyone for the memorials, flowers, cards and expressions of sympathy at the death of our brother and uncle. Thank you to Pastor Terry Buehe for his message and comforting words, and the St. John's Ladies Aid for preparing and serving refreshments. Your kindness is deeply appreciated. We wish to extend a special thank you to the Wakefield Health Care Center staff for their excellent care given to him, to Dr. James Lindau, Wayne, to Mercy Medical Center and Siouxland Dialysis, Sioux City, Memorials given to St. John's Lutheran Church and Wakefield Health Care Center. May God Bless each of you, Clifford and Leoma Baker, Edna Hansen, Nieces and Nephews.

THANKS TO everyone that sent me cards and flowers for my 99th birthday.

PUBLIC HEARING NOTICE

LOWER ELKHORN NATURAL RESOURCES DISTRICT
THURSDAY, MAY 24, 2007
8:00 P.M. AT THE LIFELONG LEARNING CENTER IN NORFOLK, NEBRASKA

Notice is hereby given that the Lower Elkhorn Natural Resources District (NRD) will hold a public hearing on Thursday, May 24th at its monthly Board meeting, which begins at 8:00 p.m., at Suite 101 of the Lifelong Learning Center, 601 East Benjamin Avenue, Norfolk, Nebraska. The purpose of the hearing is to receive public comment on the amendment to the NRD Groundwater Management Area Rules and Regulations to: 1) update the Rules and Regulations to better define the rules and programs of the NRD; 2) make water well permits non-transferable; 3) require the proper installation and maintenance of flow meters on wells permitted on or after August 1, 2007, except under certain conditions described at the end of this Hearing Notice; 4) require reports from the owners of flow meters installed to comply with the NRD Rules and Regulations; and 5) authorize NRD staff and their representatives to perform inspections of flow meters installed to comply with the NRD Groundwater Management Area Rules and Regulations.

Both oral and written testimony will be accepted at the hearing on May 24, 2007. Written testimony may also be mailed to the NRD at the Lower Elkhorn NRD, P.O. Box 1204, Norfolk, NE 68702, or delivered to the Lower Elkhorn Natural Resources NRD office, Suite 101 in the Lifelong Learning Center, on the Northeast Community College Campus, at 601 East Benjamin Avenue, in Norfolk, Nebraska, prior to the hearing. The Groundwater Management Area Rules and Regulations enforce policies established in the NRD's Groundwater Management Plan, which was adopted by the NRD Board of Directors and approved by the Nebraska Department of Natural Resources in 1996. The contents of the Groundwater Management Plan include the NRD reservoir life goal, which is to "provide an adequate supply of acceptable quality groundwater to forever fulfill the reasonable groundwater demands within the NRD for domestic, municipal, agricultural, industrial, wildlife and other uses deemed beneficial by the NRD Board" as well as information about groundwater and its use in the NRD, and the goals, policies, objectives and programs of the NRD Board of Directors to achieve the reservoir life goal. No changes are proposed for the NRD Groundwater Management Plan.

Copies of the proposed amendments to the NRD Rules and Regulations are available for viewing at the NRD office at 601 E. Benjamin Avenue, Suite 101, in Norfolk, Nebraska, and on the NRD's website at www.lendrd.org.

The NRD Groundwater Management Area was formed in 1997, and includes the entire NRD as well as the following aquifers: 1. Ogallala Group and overlying deposits, 2. Niobrara Formation and overlying deposits, 3. Dakota Group and overlying deposits, 4. All other aquifers supplying groundwater for beneficial uses.

No changes are proposed for the geographic and stratigraphic boundaries of the Groundwater Management Area. Current Groundwater Management Area Rules and Regulations require water well permits for new and replacement wells that are designed to pump more than fifty (50) gallons per minute within the entire Groundwater Management Area, and no changes are proposed for water well permit regulations.

The following is a general description of the proposed amendments to the NRD Groundwater Management Area Rules and Regulations, which apply to the entire NRD:

- 1) The NRD proposes to amend portions of the Groundwater Management Area Rules and Regulations in an effort to better define the rules and programs of the NRD.
- 2) The transfer of any water well permit issued under RULE 3 (which deals with water well permit requirements) of the NRD Groundwater Management Area Rules and Regulations shall not be allowed from one person to another person.
- 3) The NRD Board of Directors recognizes the need for improved groundwater use data throughout the NRD. Therefore, a) the NRD shall require the proper installation and maintenance of flow meters on wells permitted on or after August 1, 2007, except for the situations described in the next paragraph of this Hearing Notice; b) the NRD shall require the reporting of data from these flow meters; and c) the NRD authorizes NRD staff and/or their representatives to have access to these flow meters to perform inspections of the flow meters. The proposed amendments also explain the requirements for flow meter specifications, installation, care, maintenance, use, seals, and repair. Any water well permit issued by the District on or after August 1, 2007 (that is, the approval date of the water well permit was on or after August 1, 2007) shall include a condition that requires the owner to equip the well (or wells) with a District approved flow meter prior to groundwater withdrawal, except that: a. Replacement Well - a flow meter shall not be required for a replacement well if the

construction of the original water well being replaced commenced before the Lower Elkhorn Natural Resources District Groundwater Management Area began on January 1, 1997, or, if a water well permit was issued prior to August 1, 2007 for the original water well being replaced; b. Well Modification - a flow meter shall not be required for any water well modification, as described in RULE 3(d) of the NRD rules and regulations, if construction of the well being modified was originally commenced prior to August 1, 2007; c. Late Permit - a flow meter shall not be required for any water well requiring a late permit under RULE 3 of the NRD rules and regulations if construction of that well commenced before August 1, 2007; and d. Inactive Status Well - a flow meter shall not be required for any water well that is registered with the Nebraska Department of Natural Resources as an inactive status well if construction of the well commenced prior to January 1, 1997, or if a water well permit was issued prior to August 1, 2007 for the well. A flow meter shall be required when the registration of a water well with the Department is modified from 'inactive' to 'active' status, provided a water well permit was issued after August 1, 2007 for the well.

- 4) Require the following reports from owners of flow meters installed to comply with NRD Rules and Regulations: Reporting Flow Meter Installation - groundwater users shall report the installation of a flow meter to the NRD within 30 days of its installation. Annual Reporting - groundwater users shall submit a report of groundwater withdrawal to the NRD annually, in a format provided by the NRD. The report must be received by the NRD or postmarked by the first Friday of December each year. Reporting Malfunctioning Flow Meter - any malfunctioning flow meter must be reported to the NRD within five (5) days following its discovery. The groundwater user shall report to the NRD the totalizer reading before repairing the meter on-site or removing the flow meter for repair.
- 5) The NRD may inspect flow meters upon installation for proper installation and operation, may periodically inspect flow meters to ensure proper maintenance and readings, and shall seal flow meters to prevent tampering.

CARROLL VILLAGE BOARD PROCEEDINGS

Carroll, Nebraska
April 11, 2007

The Board of Directors for the Village of Carroll met in regular session on the above date with the following members present: Dean Burbach, Kirby Hall, Jim Fernau and Mark Tietz. Also present was: Dorothy Ann Jenkins, Village Clerk. Mark Tietz opened the regular meeting.

Motion to approve the minutes of March 14th meeting was made by Kirby Hall and seconded by Jim Fernau. All presented voted approval. Bills presented were as follows: Nebraska Dept. of Revenue, 88.48; Warren Cook, Salary, 300.00; Dorothy Ann Jenkins, Salary, 425.00; George Elyson, Salary, 150.00; Harold Reynolds, Salary, 550.00; Charlene Jones, Salary, 130.00; Harold Reynolds, mileage, 312.34; Waste Connections of Nebr., garbage service, 2,013.97; City of Wayne, dispatch, 85.00; Northeast Nebraska Public Power, service, 414.02; Eastern Nebraska Telephone, phone for library, 50.84; Eastern Nebraska Telephone, E911 phone, 144.70; Farmers State Bank, Auditorium loan payment, 706.70; Wayne Herald/Morning Shopper, publications, 83.22; Midwest Laboratories, water tests, 171.45; John Mohr, snow removal, 180.00; The Carroll Stations, Inc., auditorium supplies, 9.43; Pollard Pumping, Inc., sewer line, 200.00; Northeast NE Economic Development District, membership dues (1/4th year), 156.25; Internal Revenue Service, payroll taxes 1st quarter 2007, 748.97; Harder & Ankeny, P.C., compilation of audit waiver request form, 210.00; Complete Pest Elimination, mosquito-spraying, 1,900.00; Wayne Carroll Community School, Carroll Station liquor license fee, 100.00.

A motion was made by Dean Burbach and seconded by Jim Fernau to pay all bills as presented. Motion carried.

Harold Reynolds submitted his findings on pump prices for the lagoon. After discussion it was decided that more specifics are necessary before a pump will be purchased. The lagoon dump test passed OK.

The NDEQ wastewater system study to be done will be decided at the next meeting, with all members present and a representative from JEO.

Citizens have asked about gravel in some alleys, this is the responsibility of the property owners, and not the village.

Motion was made by Kirby Hall and seconded by Dean Burbach to return the deposit check for auditorium use on March 30th and March 31st. All voted approval.

Mark will be contacting someone to pick up the discarded appliances that are left at the pump house. If they will not be kept cleaned up, a recycling company from Colorado is supplying containers for this purpose at a cost of \$75.00 per month.

Board members have been receiving complaints about the unlicensed and inoperable vehicles being kept on private property in the Village. Towing companies will be asked about towing of these and the City of Wayne will be contacted about storage available if this becomes necessary.

Members will be attending a strategic planning meeting in Winside on Tuesday evening, April 17, 2007, held by the City of Wayne.

A second tornado siren will be put up, the pole will be donated by REA, it needs to be wired and the phone company needs to make connections.

A motion was made by Kirby Hall and seconded by Jim Fernau to approve Resolution 2007-01. All present voted approval.

Whereas, the Village of Carroll, Nebraska in Wayne County is an eligible unit of government authorized to participate in Community Development Block Grant (CDBG) Programs through the State of Nebraska Department of Economic Development (NDED); and

Whereas, our community and surrounding area has a strong need for business development services and we agree that our community is part of a REAP-CDBG service area in Nebraska; and

Whereas, our community would like the services of REAP to be available for start-up and existing entrepreneurs, as needed; and

Whereas, the work of the REAP program is consistent with local and area-wide strategic plans for community and economic development and will be coordinated with other economic development activities in the project area; and

Whereas, working together will create more opportunities for entrepreneurs and will further enhance the overall effectiveness of all program partners;

NOW THEREFORE, BE IT RESOLVED, that the Village of Carroll, Nebraska supports the provision of services by the Rural Enterprise Assistance Project in the Village and surrounding area.

Statements are being sent to citizens with outstanding utility bills.

There being no further business a motion was made by Dean Burbach and seconded by Kirby Hall to adjourn. All voted approval. Meeting adjourned at 9:00 p.m.

The next regular meeting will be at 7:30 p.m. on May 9th at the Village Fire Hall.
