Up, up and away!

Despite rainy conditions over the weekend, pilots were able to launch their balloons on Friday afternoon at the 2007 Hot Air Balloon Festival, held Oct. 12-14 in Wakefield. Pilots included, left to right, Gary Palmer of Yankton, S.D., Matthew Grote of Omaha, Bill Smith of Storm Lake, Iowa, Ron Dohesh of Omaha, Alan Paul of Glenwood, Iowa, Wayne Mohring of Norfolk, John Gunderson of Irene, S.D., and Kint Rosenboom of LeMars, Iowa. Not pictured, Rob Skiba and Tom Peterson, both of Omaha. More photos of the hot air balloon festival are on page 10C.

Every Woman Matters soup luncheon fundraiser planned

Wayne State College students, staff and faculty are working to help build awareness of breast and cervical cancer. "Every Woman Matters" is a program that provides funds for those that cannot afford mammograms and other health screen-

ings. The program helps women age 40 through 64 years old, who have limited or no insurance. Chartwell's and the Wayne State College Service Learning program are hosting a soup luncheon fundraiser on

Oct. 24 in Room 131 of Connell Hall on the Wayne State College campus from noon to 1:30 p.m. The luncheon will consist of many people joining together to help other women and encourage them to seek annual exams. For the sum of \$3, supporters will be served soup, dessert, and beverages; in addition, there will be door prize drawings.

Professor Tammy Evetovich from Health and Human Performance has prepared an informative presentation to be viewed during the luncheon.

According to the National Cervical Cancer Coalition, in the United States, about 14,000 women are diagnosed with cervical cancer disease each year and more than 3,900 women die in the USA each year from this disease. Awareness of the disease will help women see how important it is to get annual screenings. Since 1991, Every Woman Matters (EWM) has provided screenings for more than 60,000 females.

Every Woman Matters is supported by the Nebraska Health and Human Services System. Every single person that is told about detecting cervical or breast cancer is one more that can be saved.

If any information is needed concerning the luncheon, contact Lisa Nelson at linel-sol@wsc.edu. If you just want to learn more about Every Woman Matters go to <http://www.hhs.state.ne.us/womenshealth/evm/>

Providence Medical Center Wellness Team earns gold

Providence Medical Center's 'Got Wellness' team was presented the Well Workplace GOLD award at the fifth Annual Safety and Worksite Wellness Conference held Oct. 10 at the Holiday Inn in Kearney.

The conference was sponsored by Great Plains Safety and Health Organization and Well Workplace Nebraska. Receiving the award on behalf of Providence Medical Center, its employees and the Providence Wellness Team were Linda Carr, Cinda Brudigam and Mary Paustian.

Gold Well Workplaces are companies that have successfully built comprehensive worksite wellness initiatives and are demonstrating and documenting concrete

outcomes related to behavior change, cost effectiveness, and return on investment. It is the second highest award given, the highest award level being the Platinum Award. Providence Medical Center is now a member of an elite group of America's Healthiest Companies.

According to Got Wellness Team President, Linda Carr, the awards process was "an extensive one and involved rigorous application criteria."

"This award communicates our vision for the future and demonstrates PMC's commitment to the health and well-being of our employees," said Marcile Thomas,

Wayne State College Black And Gold Performing Arts Series to open season

The 2007-08 Wayne State College Black and Gold Performing Arts Series will open its season with a special performance by The Omaha Chamber Singers in Ramsey Theatre, located in the Peterson Fine Arts Building on the WSC campus on Saturday, Oct. 27, at 7:30 p.m. The Omaha Chamber Singers, a choral ensemble of the highest caliber, is comprised of 24 of the finest singers in the Omaha area.

Members of the Omaha Chamber Singers include outstanding alumni from St. Olaf College, Nebraska Wesleyan University, Wayne State College, Dordt College, Midland Lutheran College, Hastings College, Doane College, Bemidji State University and the University of Nebraska.

The group's performance has been hailed as one of the "Top 10 Events of the Year" by the Omaha World Herald. The Omaha Chamber Singers has performed for conventions of the Nebraska Choral Directors Association, North Central American Choral Directors Association, and the National Association of Pastoral

Musicians and with the Omaha Symphony Orchestra.

Conceived as an accessible program and intended for a diverse audience, the ensemble's "I Hear America Singing" program has included works by American composers Samuel Barber, Eric Whitacre, Stephen Paulus, William Dawson, William Billings, Randall Thompson, and others including a special arrangement of the hymn tune "Shenandoah" by James Erb.

Director David Batter is the founding conductor of the Omaha Chamber Singers, director of music and liturgy at Saint Columbkille Catholic Church in Papillion, adjunct instructor of music at the University of Nebraska-Omaha and chorus master for the Omaha Symphony.

Batter has received a bachelor of music degree in music education and voice from the University of Nebraska-Omaha, master of music degree in choral conducting from Kent State University, and is a candidate for the doctor of musical arts degree

Family grateful for blessing of new son

By Clara Osten
Of the Herald

For Stephanie (Pickenpaugh) and Patrick Jensen of Hubbard, Oct. 29, 2006 should have been a happy day.

Stephanie, who was 18 weeks pregnant was scheduled to have a routine sonogram to determine whether she was have a boy or girl. They already had a son, Titus, who is 2 1/2, and were anxious to find out if he would have a new brother or sister.

The test revealed a baby boy, but the couple's happiness was shattered when they learned that the baby had spina bifida.

Prior to this pregnancy, after having many miscarriages and not knowing why, Stephanie learned she has methylentetrahydrofolate reductase (MTHFR), a rare genetic defect that can lead to complications in pregnancy. Women with MTHFR are unable to efficiently metabolize folic acid and vitamin B9. The complications that can occur during the pregnancy due to MTHFR are miscarriage, chromosomal abnormalities such as Down's syndrome, stillbirths, and neural tube defects, such as spina bifida.

The following day the family traveled to

Model railroad enthusiasts to gather in Norfolk

All current and past railroad modelers, railroad buffs and interested persons have been invited to a meeting on Thursday, Oct. 28 at 6 p.m. at the Norfolk Public Library.

The National Model Railroad Association of Chattanooga, Tenn. is divided into a number of regions, including the Mid Continent Region that includes all of Nebraska. Within this region is a division called the Salt Valley Central that has been dormant. A number of modelers are working to make the division a vibrant division once again.

"Dig out those train sets from your attics, basements or closets. Or, if you don't have one, turn those baby blues to your parents or Santa and put it on your wish lists. Nope, I am not a toy salesman and despite my age, I am still a rookie at what's been billed as 'the World's Greatest Hobby,'" said Jim Van Delden, one of those working to re-establish the Salt Valley Central division.

The top 10 communities were: Nebraska: Wayne, Pender; Iowa: Boyden, Carroll, Cherokee, Ida Grove, Le Mars, Orange City, Sioux Center; South Dakota: Yankton.

Wayne Public Library to host local author

Wayne Public Library invites everyone to an informative and interactive evening with local author and Wayne State College Professor, Don Hickey.

The program, which is free and open to the public, will be held Monday, Nov. 5, at 7 p.m. Dr. Hickey's presentation will spotlight his latest book, "Don't Give up the Ship! Myths of the War of 1812," which was published last year. His talk for the evening will focus on how this book came to be written and quick coverage of the content.

Don Hickey holds a Ph.D. from the University of Illinois and is a professor of history at Wayne State College. A specialist in early American history and American

military history, Hickey has been at Wayne State since 1978 but has held concurrent visiting appointments at the U.S. Army Command and General Staff College (1991-92) and at the U.S. Naval War College (1995-96).

An award-winning author, Hickey has written five books and more than 50 articles. He is best known for "Nebraska Moments," originally published in 1992 but soon to be reissued in a revised edition; "The War of 1812: A Forgotten Conflict, a Book-of-the-Month Club selection published in 1989.

Call the library for more information, 375-3135. Light refreshments will be served after the presentation.

Many area students attend third Northeast Nebraska Career Day

The rain did not dampen the spirits of the 926 Northeast Nebraska high school sophomores attending the third Northeast Nebraska Career Day on Monday. Students from 30 area schools traveled to Wayne to learn more about their favorite careers.

The day began with a motivational keynote presented by Randy Vlasin, director of Future Force Nebraska. Next, students attended the three career sessions they had selected from a list of 100 possible careers; they were able to learn about those careers from a professional in each career.

Many Wayne area adults left their workplaces to come to the Wayne State campus to work with the youth interested in their career areas. Others came from Sioux

City, Omaha and Lincoln to share their thoughts with the students. One hundred eighteen presenters were involved in the event, with another fifteen adults assisting.

After lunch, breakout sessions were offered on topics including everything from identity theft to study skills, scholarships, getting and keeping a job, wise use of credit, time management, diversity, networking and many more.

The event is annually coordinated by University of Nebraska Lincoln Extension with strong support from Wayne State College, Northeast Community College, Northern Nebraska Health Education Center, the Wayne Rotary Club and Security National Bank in Laurel.

Building permits again topic of debate

By Clara Osten
Of the Herald

Building permits and the consequences of not obtaining them

were among the agenda items at Tuesday's meeting of the Wayne City Council.

The council had previously

attempted to amend the city code by adding cash deposits with building permits and a penalty for not obtaining a permit.

Language in Ordinance 2007-13 indicates that the deposit fee can be waived if the contractor has not had any violations within the previous 12 months. The deposit would be forfeited if the contractor fails to obtain the necessary inspections throughout the construction process.

B.J. Woehler, a contractor in Wayne, told the council he had spoken with City Inspector/Planner George Ellyson and was more comfortable with the ordinance than he was several weeks ago. He did however, again suggest waiving the deposit fee to those contractors who are bonded.

Council member Verdel Lutt questioned the need to waive the deposit and Council member Doug Sturm questioned what recourse the city had for those who fail to obtain a permit.

He was told by City Attorney Mike Pieper that the city could put an injunction on the property.

City Administrator Lowell Johnson told the council that implementing a deposit would help the city recover the additional costs necessary when the proper process is not followed and additional inspections are necessary.

The ordinance did receive first reading approval and will be brought before the council for additional readings at the next meeting.

The council voted to accept Plan B at a cost of \$6,500 from RDG for zoning regulation update.

The plan allows for public input

into the plan and the opportunity to 'come learn.'

George Ellyson told the council that he recommended Plan B, rather than Plan A (\$3,500), which was recommended by the Planning Commission.

He said that he felt the additional expenses for additional trips to Wayne by members of the firm, would ensure that the public had the opportunity to become informed as the zoning changes taking place.

Several resolutions received approval during Tuesday's meeting.

They included Resolution 2007-93 which allows for a two percent cost of living increase in the city's wage and salary schedule. Resolution 2007-94 approves the bid and specifications for a wheel loader and authorizing the staff to bid for the loader. Resolution 2007-95 approves the guidelines for new construction and down payment assistance program. The guidelines were re-written by the Department of Economic Development and does not affect eligibility or the amount of money that can be borrowed.

The final resolution receiving approval during the meeting was Resolution 2007-97 which approves the agreement with Eisenbraun & Associates for the 10th Street Improvement Project. This is part of a process regulated by the State of Nebraska and is necessary for the project to move forward.

The council approved an agreement with Providence Medical Center for ambulance service to the city of Wayne. The city will pay \$10,000 per year for this service.

Also approved was a 30 day extension for applying for a waiver to the city's RV/Boat code.

During Tuesday's meeting Mayor Lois Shelton presented the city with two awards she had received on the city's behalf.

The first was a Main Street Award for the Street Improvement Project, over \$50,000. The award was presented during a gathering in Minden on Sunday.

The second was a third place award and check for \$250 as part of the Siouxland Blood Bank's 'Heroes Unite' campaign. The award was earned through blood donations in the community during the past several months.

The council will next meet in regular session on Tuesday, Nov. 6 at 5:30 p.m.

Providence Medial Center pharmacy highlights vital role in improving patient safety

Kim Bentjen, Director of Pharmacy at Providence Medical Center, will use the occasion of National Hospital and Health System Pharmacy Week, Oct. 21-27, to underscore the new and vital roles the PMC Pharmacy Department now plays in patient care.

The evolution has been especially dramatic in recent years as pharmacists have moved beyond compounding and dispensing medications to becoming vital members of multi-disciplinary patient-care teams.

"Many consumers are not aware

Vietnam Memorial Moving Wall replica to be in South Sioux City, Oct. 18-21

The Vietnam Memorial "Moving Wall" replica will be in South Sioux City, Thursday, Oct. 18-Sunday, Oct. 21 at the Jeffrey Dibble Soccer Complex. It will be open 24 hours.

There are 58,256 names inscribed on the memorial, including 1,442 from Nebraska, Iowa and South Dakota.

More information can be found at www.vvmf.org.

that pharmacists play a critical role in preventing medication errors, advising prescribers on the best drug choices and working directly with patients to ensure they understand how to use their medications safely and effectively," Bentjen said. "Pharmacy Week is a great way to educate the public about how pharmacists can help them get the most benefit from their medicine," she said.

Hospital and health-system pharmacists have been able to take on enhanced patient-care roles because of a number of factors, including the deployment of highly trained, certified technicians and new technologies like robotics that dispense medications. As new technology evolves, such as the addition of machine-readable codes to medication labels, patients will have greater opportunities to have a pharmacist involved in their care.

"Providence Medical Center is very pleased to welcome Kim Bentjen as our new Director of Pharmacy," said Administrator Marcile Thomas. "Along with providing PMC with the essential pharmacy functions, she will work hand-in-hand with the nursing staff and physicians to assure that our pharmacy will be successful in our rural hospital setting."

At the Center on Sunday night, Rob Sweetland, Wayne High Softball Coach, introduced the members of the class C-1 State runners up softball team and gave a little information on each one and their roles through the season.

Fundraisers held at Wayne Community Activity Center

Fundraisers, food and fellowship were held at the Wayne Community Activity Center on Sunday for the Wayne Summer Sports Complex. Committee members had planned a fundraiser at the Sports Complex for people to pay for swinging a sledgehammer at the old facility but due to the rain, that didn't happen. The old building will be demolished soon to make way for the new one.

Since the planned fundraiser couldn't take place, a hot dog supper was held along with a home run contest and throwing contest fundraisers (Pepsi Co. of Siouxland

donated the pop that was given as prizes) at the Center on Sunday.

Committee member Laura Gamble told those in attendance that they are close to the amount needed to start building the new Summer Sports Complex. Over \$110,000 has been raised with \$125,000 needed. She noted a recent donation of \$3,000 from the United Way. She thanked everyone for their support with this project. Gamble noted that work has been started at the Summer Sports Complex with water lines and electrical lines being installed. Doug Carroll spoke and said work

already done at the field included putting roofs on the dug outs, as well as work on the warm up pens behind the dugouts. This was made possible by fundraising done by Wayne High girls softball team, Wayne High School Booster Club and the Softball Association. Nick Hochstein did much of the work on this project, he was assisted by Rob Sweetland, and Doug Carroll.

Dave Zach talked about the old softball field and building. He noted he and Robert Woehler were instrumental in seeding the grass in the 1980's. He noted slow pitch was what was played then. Carroll noted through the years, the fields and facility have been used for more and more. He also noted it is not just a "softball complex" any longer. The fields are used for both softball and baseball.

Rob Sweetland, Wayne High Softball Coach, introduced the members of the class C-1 State runners up softball team and gave a little information on each one and their roles through the season.

The evening ended with a drawing that had started in May. Names drawn at previous times include Heidi Long, Dave Long, Dennis Carroll, Julie Melena and Nicole Daum. The \$500 winner drawn Sunday night was Kent Nelson of Leseberg, Va.

Anyone who would like to donate towards the new Summer Sports Complex can call Laura Gamble at 402-375-5622.

VA offers clinic for Wayne and Nebraska area veterans

In a unique outreach initiative, the VA Nebraska-Western Iowa Health Care System is offering medical and psychiatric care to returning combat veterans right in their own backyard. VA staff will travel to Wayne to provide a rural outreach "mobile" clinic for veterans. The VA Rural Outreach Clinic will be held at the National Guard Armory in Wayne on Nov. 8 from 9 a.m. to 4 p.m.

This pilot VA Rural Outreach Clinic has been established in Wayne to reach out to the returning combat veterans from Operation Iraqi Freedom and Operation Enduring Freedom (OIF/OEF). Although the focus is the newly

returning veterans, the clinic is open to all veterans. Veterans living in Wayne and surrounding areas can receive care for medical and psychiatric symptoms at the Rural Outreach Clinic.

Veterans are encouraged to schedule their appointment in advance by calling (402) 480-1801. The VA Rural Outreach Clinic in Wayne will provide help with enrollment for health care, full history and physicals, mental health assessments, lab work, and clinical care. If needed, appointments will be set up for specialty care referrals to VA facilities at Omaha, Lincoln or Grand Island.

Tickets will be available at the door but purchasing tickets in advance is recommended. For ticket information please call the Wayne State College business office at 375-7517.

For more than 50 years the Wayne State College Black and Gold performing arts series has presented cultural programming to serve the northeast Nebraska region. The 2007-08 series will continue on Dec. 9 with the popular President's Holiday Gala Concert.

Emergency Management insurance coverage is topic of discussion

By Lynn Stevers
Of the Herald

Wayne County Board of Commissioners met in regular session on Tuesday. Among agenda items was Emergency Management insurance coverage.

Deana Beckman, Wayne County Emergency Manager, Mike Pieper, Wayne County attorney and Scott Watters of Warnemunde Insurance discussed liability exposure when responding to federal, state and local declared disasters.

It was decided, that memorandums of understanding with responding entities are needed. Rosters of available manpower and equipment are being assembled.

The commissioners reviewed the list of uncollected Wayne County personal taxes totaling around \$20,000 with Karen McDonald, Wayne County Treasurer. McDonald noted each person's unpaid balance plus interest is carried forth each year. Some of those balances have been on the books for years and the county has been unable to collect because there's no property to levy. She said distress warrants will be issued. Commissioners discussed recovering the uncollected taxes and McDonald will contact Pieper for collection options.

The commissioners approved a five year security system inspection contract with John F. Barone Co. at the rate of \$395 per year. The company will conduct semi annual fire alarm inspections.

A countywide cost allocation plan based on actual costs for the fiscal year that ended June 30, 2006 was completed by MAXIMUS. The company also provided the following indirect cost rate computation for the county's July 1, 2007 through June 30, 2008 fiscal year: Clerk of the District Court, the rate for FY '08 is 64.89 percent compared to the rate of 43.45 percent for FY '07. A request for reimbursement from Nebraska Health and Human Services Office of direct costs relating to space provided for

the HHS office and indirect costs relating to the Clerk of the District Court and HHS offices was signed.

Also signed was a fund transfer of \$66,061.35 from general fund to special police fund.

Elizabeth Carlson, Wayne County Highway Superintendent, presented the board with copies of Nebraska Board of Public Roads Classifications and Standards forms and explained them. The commissioners authorized the chairman to sign the forms.

The commissioners approved to adopt a resolution stating that it is necessary to remove a short bridge on 863rd Road, Mile 558, on the line between sections 6 and 7, T. 27 N., R. 1 E., of the 6th P.M., Sherman Precinct, Wayne County, NE. 3.4 miles W. of Sholes and replace it with a culvert. The project will be added to the current One Year Road Plan as Project C-90 (533).

Discussion was held on Lower Elkhorn Natural Resources District (LENRD) which has secured grant funding from FEMA to establish a multi-jurisdictional Hazard Mitigation plan with assistance from JEO Consulting Group, Inc. The plan identifies vulnerability of a jurisdiction to a number of natural hazards. After FEMA gives approval to the plan, participants will be eligible for grant funding to cover project costs. The commissioners approved Beckman to be Wayne County's representative for development of this plan.

Also discussed was expenses associated with hosting training programs and meetings. Currently the host/hostess (Wayne County employee) is responsible for the expense but with the number of meetings rising, policies in other counties will be looked at for a solution on funding.

The board discussed carpet cleaning quotes that were submitted on Oct. 2 but no action was taken.

The next meeting of the Wayne County Board of Commissioners is set for Tuesday, Nov. 6 at 9 a.m. at the courthouse in Wayne.

The state Main Street program unveiled a new award, the Leading by Example, Friend of Main Street Award in recognition of significant financial or other support of a local Main Street program, its projects or events. The initial award was presented to Cabela's of Sidney to honor a generous financial gift to Historic Downtown Sidney for facade improvements to downtown businesses. When the company bought and remodeled the old Alco Store downtown with plans to move 200 employees to the site, they gave the city money for park improvements and to enhance the existing facade renovation program for downtown buildings.

Merchants of the Year selected by the local Main Street organizations were: Beatrice - Joe Billesbach and family from Leo's Jewelry; Burwell - Jodee Burnham and Karen Spanel from Dry Creek Western Wear; Elkhorn Station - John Housley Sr.; Fremont - Bev Rosenbaum from Kollmeyer's Gifts; Geneva - Patty Roper-Epperson from Cumberlands Fashions; Grand Island - Mark Stelk of General Collection Company; Plattsmouth, Terri O'Brien from Seams to Be Quilt Shoppe; Sidney - Larry Fraas of Larry's Clothing; Wayne - Curt and Coleen Jeffries of Copy Write Publishing and Keepsake Video Production and Custom Framing.

Volunteers of the Year selected by the local Main Street organizations were: Beatrice - Judi Knowles; Burwell - Janet Hanna; Elkhorn Station - Linda Middleton; Fremont - Margaret Stahl; Geneva - Main Street Gardeners; Grand Island - K.C. Hehnke; Plattsmouth - Jan Sandoz; Sidney - Greg Huck; Wayne - Reggie Yates.

Four new Designated Main Street communities were also formally announced. They are Alliance, Kearney, Nebraska City and York. Special welcoming events will be held in those communities in the next month.

The awards were presented by Nebraska Lt. Governor Rick Sheehy and Lied Main Street Governing Board Chairman Wayne Drummond, Dean of the University of Nebraska-Lincoln College of Architecture.

The Nebraska Lied Main Street Program is dedicated to educating and supporting communities in revitalizing historic business districts through the Main Street Four-Point Approach™.

The program operates in cooperation with the University of Nebraska College of Architecture, the Nebraska Department of Economic Development, Nebraska Department of Roads, Nebraska State Historical Society, the National Trust Main Street Center, the National Trust for Historic Preservation and the Lied Foundation Trust.

Micah Jensen has been hospitalized several times since he was born Feb. 14.

Blessing

Omaha to see a specialist who informed them that the baby also had bilateral severe club feet, and that he had a chiari malformation in the brain.

"Micah Elias was delivered by c-section on Feb. 14, a little over a month early," said Jill Pickenpaugh, Stephanie's mother.

He then had a three hour surgery on the opening in his back. The family was informed through an amino that his lungs were NOT developed but there was meconium in the fluid, so they decided to deliver the baby early.

"He came out crying so I guess his lungs developed quickly," Jill said. She noted that this was one of many blessings the family has received during the past year.

"Thankfully, Micah has not needed a shunt to drain excess fluid off his brain. This is a blessing, considering about 90 percent of infants with spina bifida have shunts," Stephanie said.

Because the nerves to Micah's feet were damaged, he was also born with bilateral clubbed feet. He was in full leg casts from three weeks old to 10 weeks, traveling to Iowa City every 5-7 days.

"Micah will never 'grow out of spina bifida' or 'get better with time.' We may see improved movement or feeling as he reaches his toddler years. Presently the experts are telling us he will never walk unassisted," Stephanie said.

The Jensen and Pickenpaugh families have been appreciative of the support of family, friends and their church since finding out about Micah's health issues.

"One special moment was when asked by our pastor how we were doing prior to Micah being born. Tim (my husband) replied, 'We just hang on to God, our faith, and each other. So long as we do not let go, we will be okay,' Jill said.

"The most difficult time was the months before Micah was born, not knowing. Being able to love our Valentine baby makes life easier at this point," she added.

"Micah is a great blessing to our family and always ready to give a smile. Titus is excited to have a little brother, except when he wants mom or dad. We are sure Titus will not expect any excuses from Micah and will push him to try hard to do

fun 'boy things,'" Stephanie said. Stephanie is a 1999 graduate of Wayne High School and a 2003 graduate of Wayne State College. She has been married to Patrick Jensen since 2000. The family lives at Hubbard where Stephanie currently provides daycare in her home.

Spina bifida means 'split spine.' This name comes from the fact that the bones or vertebrae of the spinal column which surround the developing spinal cord do not close as they normally would but instead remain open. As a result of the bone and neural tube remaining open, the infant has an open portion of the spinal cord protruding through the open bones and skin. The lack of development occurs within the first 28 days of pregnancy and can occur anywhere along the spine. Micah's opening was from Lumbar Vertebrae 5 (L5) to Sacrum 1 (S1). The opening in Micah's back was closed during surgery the day after he was born. As a result of the opening, several body systems cannot function properly. There are three primary areas of abnormal function: the central nervous system (brain & spinal cord), the urologic system (kidneys & bladder), and the musculoskeletal system (bones & muscles). At the point of the defect (opening in the spine) the messages from the brain to the nerves serving the rest of the body are interrupted. A person with spina bifida will not be able to control muscles served by the damaged or abnormal nerves. Occasionally, some individuals have partial muscle function and patchy areas of feeling in their skin below the defect.

In an effort to help offset medical and other costs the family has incurred, an omelet and pancake brunch with a bake sale and silent auction will be held on Sunday, Nov. 4 from 9 a.m. - 1 p.m. at the Wayne Fire Hall.

Monetary donations may be made to the Micah Jensen Fund at State National Bank, POB 130, Wayne, Neb. 68787. To donate items for the silent auction, call Deb at (402) 369-1602. Baked goods may be brought to the Fire Hall during set up Saturday evening, or by 9 a.m. Sunday, or call Ellen at (402) 375-4599 to make other arrangements. Supplemental Funds for this event are being provided by Thrivent for Lutherans.

Heartland Physical Therapy at 611 Valley Drive open for business

Heartland Physical Therapy, Inc. at 611 Valley Drive (College Plaza) in Wayne is now open for business. Physical Therapist and Athletic Trainer Andrea Blecke is on hand at the Wayne location to attend to patients. Features of the new facility are front door parking, private treatment rooms, a large open gym space and a SwimEx rehabilitation pool for aquatic therapy.

Physical Therapy can be provided for pain, post-operatively or for injury involving the knee, shoulder, ankle, leg, neck and back. Each patient's physical therapy program is designed to meet his or her specific rehabilitation goals. The physical therapy program may involve traditional land-based exercises in the gym area or may incorporate an aquatic exercise program in the SwimEx pool.

SwimEx pools offer multiple depths allowing the physical therapist to control and progress the patient's weight-bearing status. SwimEx features a patented water current system that is measurable and fully adjustable for a wide variety of strengthening, stabilization, balance and conditioning exercises.

The SwimEx pool is also equipped with unique workstations for a wide variety of stretching exercises, seated exercises and/or variable depth closed chain exercises. The water is set around 90 degrees F. and there is a hydraulic chairlift that comfortably takes patients in and out of the pool.

Besides the Wayne facility, Heartland Physical Therapy, Inc. has locations in Humphrey, Norfolk, Pierce and Tilden. Owners of the business are physical therapists Shelly Koehler and Doug Junge. They are also Northeast Nebraska's only Sports Clinical Specialists in Physical Therapy (SCS). Heartland Physical Therapy, Inc. accepts physician referrals from throughout Northeast Nebraska, in addition to Sioux City, Iowa, Yankton, SD, Omaha, Lincoln and Fremont.

"We are excited to be in Wayne," Junge said. "We have a great staff and we offer unique services. We

do a lot of continuing education to stay up-to-date on the latest rehab techniques, which we bring back to our patients in northeast Nebraska. That way, people can be assured that what is done in Wayne is the same as what is done in larger cities and for collegiate or professional athletes."

Bleck is originally from Wakefield. She has received her Doctorate in Physical Therapy from the University of Nebraska Medical Center and is also a Certified Athletic Trainer. "I am excited to be back in Wayne," Blecke said. "We wanted to get back to Northeast Nebraska to live and raise our children around our family and friends."

Anyone with questions about Heartland Physical Therapy, Inc. can call Blecke at 402-833-5292 or stop in and see her at the new facility in Wayne. Business hours are Monday through Friday, 8 a.m. to 5:30 p.m.

There will be an Open House on Sunday, Oct. 28 from 1-3 p.m. at the new clinic in Wayne. Refreshments will be provided.

Andrea Blecke, PT/ATC helps Marci Douglas, a WSC student, during a session in her aquatic exercise program at Heartland Physical Therapy in Wayne.

Blue Devils receive state runner-up honors

After sweeping through Thursday's games against Gothenberg and Bennington, the Blue Devil softball team hit a brick wall in the form of the Tekamah-Herman Tigers on Friday, Oct. 12.

The Blue Devils, who entered the state tournament in the second seed, dropped their first game against the Tigers on Friday, sending them to the losers bracket.

The game started out balanced as both teams obtained two runs in the first two innings. However, dreadful third and fourth innings in which Wayne committed two errors and allowed five walks resulted in 11 Tiger runs.

"It was just one of those games where every bloop hit found a gap and walks and errors led to big innings," said head coach Rob Sweetland.

He said six third-inning runs and four fourth-inning runs were scored by Tekamah-Herman while the Tigers had two outs against them.

"Giving up ten runs with two outs just doesn't happen that often," said Sweetland.

The No. 5 seed Tigers batted in 13 runs to Wayne's two.

But the Blue Devils had a lifeline left. They had only dropped one game in this double-elimination tournament, and would go on to face No. 1 seeded Milford in the elimination game.

Caitlin Gustafson and Nicole Rauner collide, but make the catch.

was a group effort. Bayli Ellis hit a lead-off double to left field and

in which both sides scored a run.

After the end of the seventh left both teams with a score of two, the game entered tiebreaker mode.

In the eighth, both teams scored a single run, but in the ninth, the Blue Devil defense stepped up preventing Tekamah from obtaining a run and Wayne outscored the Tigers 4-3.

"Shannon came back and challenged the Tekamah hitters with success. For her to score three of the team's runs says a lot about her determination," said Sweetland.

Jarvi recorded the last two outs by striking out one and grounding out another Tiger.

"Andrea Pieper had three big RBIs—she really had a great state tournament," said Sweetland.

Rauner's lone RBI would score Finkey for the game-winning run.

After a short intermission, the two teams resumed play for their second championship game. Both had one loss against them now; the stakes were even.

This game proved to be a battle of epic proportions, lasting 12 innings.

Wayne led early, scoring two runs in the first after Caitlin Gustafson logged a run and an RBI into the books. But by the end of the fifth, both teams were tied five all.

Wayne's defense held the Tigers at bay for the next four innings, but the offense failed to convert hits into runs, stranding over ten run-

work to obtain the ultimate goal next year.

In Thursday's play, the Blue Devils bulldozed Gothenberg, 8-3.

Wayne scored five runs in the first inning on three walks and three hits. The inning included an RBI double by Rauner, an RBI single by Gustafson, and two RBIs on a Pieper double.

An impressive out-of-the-park homerun by Mirisa Carroll occurred in the third inning; the hit was the first ever out-of-the-park homer by a Blue Devil.

In the contest, Pieper went 2-3 with two RBIs and one run, and Rauner finished 2-3 with two doubles, four RBIs and one run.

Jarvi added another win to her tally, giving up three runs on seven hits and striking out four.

In game two, the Blue Devil's faced Bennington, the number three seed.

"What started out as a pitching dual, ended in a scoring barrage by Wayne," said Sweetland.

Wayne ousted Bennington 10-2.

Alesha Finkey tries to tag out a Bennington runner, but the ball was knocked from her glove.

Nicole Rauner slides safely under the tag at third.

Jarvi pitched for the win, giving up five hits and two runs and striking out two. Jessica Calhoon went

2-4 with two runs, Rauner went 2-4 with one RBI and one run; Riley Hoffart went 2-3 with one RBI and

one run and Ellis went 2-2 with one RBI and one run.

See more pictures pages 1-3C.

Shannon Jarvi delivers a pitch.

Milford's all-stater Traci Aschoff found herself in a pinch when she came up against Wayne's Shannon Jarvi, who out-pitched Aschoff. Jarvi's seven-strike-out one hitter kept Wayne in the tournament with a 1-0 win.

"Our girls showed a lot of courage, coming back after a humiliating loss and defeating a team that was ranked No. 1 in Class C and in the All Class top ten," said Sweetland.

Wayne's single run occurred in the bottom of the sixth inning and

Alesha Finkey bunted Ellis to third. Nicole Rauner showed speed, outrunning an infield single and gaining the winning RBI as Ellis crossed home plate.

And with that, the Blue Devils entered championship play, facing the Tigers once again.

In the second inning, Wayne hauled in the first run on an RBI by Andrea Pieper. Tekamah didn't let up, though, and came back in the third inning. The game remained a back-and-forth battle

ners at second and third base.

Extra innings ensued once again, and the teams stayed run-for-run as the Blue Devil batters continued to find the stamina for clutch hits.

In the top of the 12th a wild pitch skedaddled away from Finkey, the Blue Devil catcher, allowing the first of two Tekamah runs to cross the plate.

Wayne's batters couldn't come up with the hits needed in the bottom of the 12th and their quest for a state championship fell just shy of gold. The final score was 10-8.

"Our team can walk away from this experience and be proud of their effort," said Sweetland. "It was a two-day performance that I will never forget. I know the outcome was not what we wanted, but the girls who are leaving the program can feel like they kept the tradition of Wayne softball going."

Eagle, Scott Wilmes runs the ball through rain and mud in Allen's win against Newcastle.

Eagles capture first ever District football championship

The Allen Eagles claimed the school's first district championship by defeating Newcastle 42-6 in Allen on Saturday Oct. 13.

The weather was not conducive for very good football as both teams had extreme difficulties holding on to and throwing the ball.

"We played well but not like we can," said coach Dave Uldrich. "The weather affected both teams' play considerably."

"The defense played exceptionally well though, and we must continue to do that if we are to continue our season. The offense struggled, but put some good things together."

Scoring by the Eagles came in spurts on the evening as Scott Wilmes took the opening kickoff back 65 yards to open the scoring.

Two plays later, a Raider fumble was recovered by the Eagles at their own 1-yard line, leading to Drew Diediker plunging over on the next play.

Three minutes later, Michael Bock picked off a Raider pass and

returned it 30 yards to push the score to 18-0.

Just before halftime, Scott Wilmes took a straight ahead handoff from 3 yards out and then he added the PAT run to move the Eagles to a 26-0 lead.

Following halftime, the Eagles cranked up the defensive pressure by holding the Raiders to a three-and-out series. The Eagles then took the kick from the Raiders down the field to move to 34-0 when Diediker carried over from 1 yard out. Bock followed the score up with a safety, by tackling a Raider in the end zone.

Newcastle kicked off following the safety, and the Eagles quickly worked the field as Diediker took the ball over from 16 yards out. Diediker also added the PAT.

Statistically, the game was as lopsided as the final 42-6 score.

The Eagles out-gained the Raiders 187 to -32. Wilmes led the rushers with 72 yards on 27 carries and a touchdown, while Diediker ran 11 times for only 17 yards but

three touchdowns. Diediker also hit 5-of-9 passes for 92 yards. Bock snared two passes for 52 yards and Luke Woodward added one for 33 yards.

Defensively, Corey Klug led the Eagles with ten tackles, while William Gnat, Wilmes, and Scott Chase added six take downs. Diediker added three interceptions. Bock added two pick-offs, and teammate Chase scooped up two Raider fumbles.

The win raises the Eagle record to 7-0 and 4-0 in district play, guaranteeing the team the district championship.

"Congratulations to a group of kids that have a tremendous work ethic," said Uldrich. "These kids are great team athletes and deserve this championship."

Allen will close the regular season on Thursday, Oct. 18 at Vermillion, S.D., as they face off against Coleridge in the Dakota Dome Classic at 8 p.m.

WSC falls to Winona State in soccer, 5-2

No. #19 Winona State University defeated Wayne State College 5-2 in Northern Sun Conference women's soccer played at the WSC Soccer Complex in Wayne Saturday afternoon. The visiting Warriors improved to 11-3 overall and 3-1 in the NSIC while Wayne State remains winless at 0-11-2 overall and 0-5 in the NSIC.

Winona State controlled the contest scoring three goals in the first half and two more early in the second half to grab a 5-0 lead before Wayne State scored twice in the final 25 minutes to make the score 5-2. Winona State's Holly Sutton opened the scoring early with her sixth goal of the year at the 3:18 mark giving the Warriors a 1-0 lead. Kallie Tellefsen added the next goal for the Warriors in the 22nd minute to give the Warriors a 2-0 advantage. Leslie Schumacher scored the first of her two goals at the 38:52 mark to close out the first

half scoring giving Winona State a 3-0 lead at intermission.

In the second half, Winona State's Rachel Mathews scored in the 47th minute putting WSU ahead 4-0. Schumacher's second goal at the 54:39 mark gave the Warriors a commanding 5-0 lead. Wayne State scored their first goal in the 65th minute on Katie Kelley's penalty kick making the score 5-1. Wildcat senior Marci Douglas completed the scoring at the 81:31 mark with a goal off a free kick from Valerie Robinson.

Winona State outshot Wayne State 20-7 and had a 5-3 advantage in corner kicks over the Wildcats. Wayne State freshman goalkeeper Emily Walker allowed five goals while making three saves in nearly 61 minutes of playing time. Sophomore Rachel Fuchs played the final 29 minutes and was credited with three saves.

Tyler Krueger

WSC's Krueger named NSIC defensive player of the week

Tyler Krueger of Wayne State College has been named the Northern Sun Intercollegiate Conference Defensive Player of the Week after a career-best effort in last Saturday's 24-21 come-from-behind win at Bemidji State. It marks the first time that Krueger has received Player of the Week honors from the NSIC.

Krueger, a 6-1, 260 pound junior defensive end from Pierce recorded a career-high 13 tackles with five solo stops and eight assists, including 1.5 sacks for minus 17 yards and 3.0 tackles for loss totaling 22 yards. It was the second straight week that Krueger recorded a career-high in tackles after notching 11 stops last week in a 26-24 win at Northern State.

Wayne State, 4-3 overall and 4-1 in the NSIC, will be at home on Saturday to host Southwest Minnesota State with kickoff set for 1 p.m. at Cunningham Field in Wayne.

Wayne State records 3-1 volleyball win on the road

Wayne State College held Northern State to a .039 hitting percentage, forcing the Wolves into 36 hitting errors, as the Wildcats recorded a 3-0 NSIC road volleyball win Wednesday evening in Aberdeen, South Dakota. After a tight first game that WSC won 36-34, the Wildcats rolled in the following two games 30-18 and 30-11 to earn the three-game sweep.

Senior All-American Emily Schroeder had a big night for the Wildcats, accounting for 16 kills, 18 digs, seven blocks and three service aces in the win. Junior Brittany

Van Beek pounded out 15 kills with just two hitting errors while hitting .361 in the match. Senior libero Laura Dolezal notched a match-high 25 digs to lead the 'Cats on defense while freshman setter Jenna Jansen distributed 41 set assists and notched 12 digs with six blocks.

Wayne State hit .214 for the match, including .405 in the second game with just one hitting error and 18 kills. The Wildcats also had a big night at the net, recording 17 team blocks to just three for Northern State.

Fourth-quarter rally helps WSC win football contest

Wayne State College rallied from a 21-10 fourth quarter deficit to post a 24-21 win at Bemidji State Saturday afternoon. The Wildcats improve to 4-1 in the NSIC, tied for second place with Univ. of Mary, and 4-3 overall while Bemidji State slips to 4-3 overall and 3-2 in league play.

The host Beavers wasted little time getting on the scoreboard, taking the opening drive of the game and marching 64 yards on 10 plays to take a 7-0 lead following an Erick Newman two-yard scoring run with 10:38 to go in the first quarter. On Wayne State's first drive of the game, the 'Cats drove the ball to the Bemidji State five-yard line, but the Wildcats could not find the endzone and turned the ball back over to the Beavers. Later in the first quarter, the Wildcats moved the ball again deep into BSU territory, but sophomore placekicker Nick Hope missed wide right on a 29-yard field goal to give the Beavers the ball back at their own 20-yard line.

Wayne State's third opportunity inside the red zone midway through the second quarter would result in points as Silas Fluellen scored on a one-yard run to even the score at 7-7 with 4:05 left in the second quarter. The big play of the scoring drive was a 62-yard pass completion from Fluellen to Logan Masters. Bemidji State took the ensuing drive and moved the ball to the WSC 32 yard line, but Wildcat redshirt freshman cornerback Cole Fischer intercepted a pass by Bemidji State quarterback Cory Wardrope to thwart the Beaver scoring threat to make the halftime score 7-7.

Bemidji State took advantage of a Silas Fluellen fumble on the first play of the second half and turned

the miscue into points as Beavers running back James Moore scored on a one-yard run with 12:03 to go in the third quarter, capping a seven-play, 58 yard drive to put Bemidji State back in front 14-7. Later in the third quarter, the Wildcats used a 10-play, 73 yard drive to set up Nick Hope on a 29-yard field goal, making the score 14-10 in favor of the Beavers with 5:16 remaining in the third quarter. Bemidji State would answer the Wildcats' score on the next drive, covering 63 yards on 10 plays to take a 21-10 lead early in the fourth quarter as Wardrope found tight end John Larson on a 10-yard scoring pass on the first play of the fourth quarter to put the Beavers ahead by 11 points.

Wayne State began their comeback midway through the fourth quarter as the Wildcats needed just four plays and 42 yards to score, capped by an eight-yard touchdown pass from Fluellen to Brian Chapman, making the score 21-17 with 8:59 remaining. The Wildcat defense stopped Bemidji State on back-to-back drives, giving Wayne State the ball at their own 33 yard line with 2:05 left in the game. Fluellen engineered a 10-play, 67 yard drive in the final two minutes of the game to account for the go-ahead score as the sophomore quarterback from Bellevue West found Frederick Bruno on a seven-yard scoring play with just 42 seconds left in the game, giving WSC a 24-21 lead.

Bemidji State had one last chance, starting at their own 39-yard line. But Wildcat junior Reno Blomquist intercepted a Cory Wardrope pass at the Wildcat 18-yard line to preserve the come-from-behind win.

Fluellen had a career-high 374 yards passing to lead the Wayne State offense in the win, completing 25 of 39 passes with two touchdowns and one interception. His previous career-high of 325 yards came against Bemidji State in Wayne last season. His favorite receiver was sophomore Logan Masters with eight receptions for 203 yards, a career-high in receiving yards for Masters while match-

ing his career-high in receptions. Brian Chapman added six catches for 58 yards and one touchdown.

"We're real excited with the win and happy with how the kids responded when we needed them to," commented WSC offensive coordinator Gene Suhr following the game. "We knew they (Bemidji State) were vulnerable to the pass. Silas was on throwing the ball today and the offensive line did a great job allowing Silas to set up and throw the ball."

WSC had 411 yards of total offense in the game to Bemidji State's 315. Junior defensive end Tyler Krueger had a huge game for the Wildcats, recording a game-high 13 tackles with three tackles for loss (-22 yards) and 1.5 sacks. Senior linebacker Nick Baldetti added 11 tackles and Troy Pribnow contributed 2.5 sacks in the win as the Wildcat defense forced four Bemidji State turnovers.

The Wildcats, on a three-game win streak, return home next weekend to host Southwest Minnesota State in a 1 p.m. Northern Sun Conference contest at Cunningham Field on Saturday.

Emily Schroeder of Wayne State College has been selected the Nebraska NCAA Division II Volleyball Player of the Week for a third consecutive week and the fourth time this season.

The 5-11 senior middle hitter from Belden, Nebraska (Laurel-Concord HS) averaged 4.88 kills, 5.50 digs and 1.62 blocks per game in Wildcat road wins last week at Northern State and South Dakota. Schroeder accounted for 16 kills, 18 digs and seven blocks in a 3-0 win vs. Northern State last Wednesday night and followed that with 23 kills, 26 digs and six blocks in a come-from-behind 3-2 win at South Dakota Saturday night.

Wayne State, 15-9 overall and 7-4 in the NSIC, will host MSU Moorhead Friday night at 7 p.m. and 4th-ranked Concordia-St. Paul on Saturday at 5 p.m.

WSC baseball program to conduct fall baseball leagues

The Wayne State College baseball program will be conducting a hitting/pitching league in the WSC Recreation Center. The league will run on five consecutive Sundays (Oct. 21 through Nov. 18).

Each participant will be part of a 4-8 person team which will meet during the same one-hour session each Sunday. The one hour hitting session will consist of instruction, drills and a hitting/pitching game under the direction of the WSC coaching staff. Participants are asked to bring their own glove, athletic shoes and a bat. The total cost of the five sessions is \$100. The hitting/pitching league will run each Sunday from 9 a.m. to 12 p.m. For more information on the camps or for registration informa-

tion, e-mail WSC head baseball coach John Manganaro at jomanga1@wsc.edu or phone the WSC baseball office at (402) 375-7012 or 1-800-228-9972 ext. 7012.

Wildcats rally for 3-2 volleyball win

Wayne State rallied to win the final two games and defeat South Dakota 3-2 in non conference volleyball played Saturday night at the Dakota Dome in Vermillion, South Dakota. It was the fourth straight win for the surging Wildcats, now 15-9 overall, while South Dakota falls to 17-5 on the season.

South Dakota won the first game 30-26 followed by a 30-21 win by Wayne State in game two. The host Coyotes edged WSC 30-23 in the third game to grab a 2-1 lead, but the Wildcats won the final two games by scores of 30-23 and 16-14 to rally for the victory.

Senior middle hitter Emily Schroeder had 23 kills, 26 digs and six blocks to lead WSC followed by Brittany Van Beek's 21 kills. Jennifer Hefner added 11 kills and Jordan Schaffer finished with 10 for the Wildcats, who hit .176 in the match. Senior libero Laura Dolezal recorded a team-high 38 digs to pace the 'Cats defensively with Meredy Dubbs accounting for 23 digs. Freshman setter Jenna

Jansen handed out 60 set assists for Wayne State.

South Dakota's top hitter was Ashley Gross with 19 kills. Amber Kobus had 40 digs with Jamie Vander Kooi notching 30 digs and Gina Baldwin was credited with 60 set assists.

Wayne State returns to the friendly confines of Rice Auditorium for a five-game homestand starting next Friday night when the Wildcats host MSU Moorhead in a Northern Sun Conference match beginning at 7 p.m.

35 unanswered first-half points spells doom for Blue Devils

Football team falls victim to hunger of bloodthirsty Knights

Costly Blue Devil errors allowed Norfolk Catholic to score 35 unanswered points in the first half of the game at Memorial Field in Norfolk last Thursday, Oct. 11.

After gaining two first downs in what appeared to be a promising opening drive, Blue Devil quarterback Jesse Hill fumbled. The Norfolk Catholic Knights, who were jaded from the previous week's disappointing loss to Pierce, capitalized on Hill's error with a 52-yard touchdown drive.

Wayne's momentum was slowed, and on their second possession they were forced to punt. However, this move designed to protect their end zone, would punch another devastating blow into the Blue Devils' chest as Kelby Seyl blocked Matt Poehlman's punt attempt.

The ball wobbled into the end zone where the Knights fell on it, making the score 14-0.

And the Knights kept delivering blood-drawing blows. With 10:39 left in the third quarter, Norfolk Catholic had scored three more touchdowns (42-0).

However, the Blue Devils would not lie down. Instead they picked up the fight and delivered their own strikes, making the second half their own.

Not only did Wayne keep NC from scoring again, they also posted three touchdowns in the last quarter-and-a-half of play.

With just over five minutes left in the third quarter, Derek Poutre ran five yards for a touchdown. And in the fourth quarter Hill would score one 3-yard rushing touchdown and deliver a 32-yard

pass to Cory Harm for another touchdown.

The final score was 42-21. Hill went 10-of-18 on the night for 137 yards. Taylor Racely led the Blue Devil rushers with 39 net yards on eight carries. Poutre (20 yards), Hill (25 yards) and Nathan Sieler (4 yards) all added to the rushing total.

Harm and Sam Kurpgewied led the receivers with 57 yards apiece.

Shaun Kardell pulled in one pass for eight yards.

Derick Dorsey put in an impressive defensive effort, posting six tackles and one sack. Sieler and Racely tackled five and four Knights, respectively. Micah Agler, Harm and Kardell all contributed with three tackles.

The Blue Devils, now 3-4, play O'Neill on the road on Oct. 18 at 7 p.m.

Winside finishes third in Hartington Tournament

by Lee Koch

The Winside volleyball squad finished third in the Hartington Invitational on Oct. 13.

Winside defeated Emerson-Hubbard 25-15 and 25-14 before losing a semifinal match to Wynot in three sets, 23-25, 25-20 and 23-25.

In consolation play, Winside downed Ponca 25-7 and 25-20 to earn a third-place finish.

Hillary Linemann led the Winside effort against Emerson-Hubbard with four kills, eight blocks and four ace serves. Sam Harmeier mirrored Linemann in kills and blocks with four each.

Audrey Roberts contributed 12 digs to the Winside effort.

The Wildcats fought from behind in all three sets against Wynot with Harmeier and Linemann contributing six kills each.

Katie Gray added seven kills, two blocks, two ace serves and 12 digs to the Winside effort. Audrey

Roberts had 20 digs, Jordyn Roberts added 11 set-assists and seven digs and Shelby Meyer's three assists, three ace serves and eight digs also were a factor in the Winside-effort against the Blue Devils.

Harmeier with four kills, Ashley Doffin, Amanda Pfeiffer, and Gray with three kills each led the Winside offensive effort over Ponca. Meyer with nine set assists, a solo ace serve and three digs along with Sally Schwedhelm who had a pair of ace serves and eight digs also added to the Winside offense.

The Wildcats (11-10) will open Lewis and Clark Conference play at Wynot Monday Oct. 22 against Walthill.

Wakefield junior Ian Miner carries the ball early in the first quarter in Wakefield's 34-8 win over Pender Friday night.

Wakefield rushes through Pender 34-8, heads into last game of season 7-0

With Ryan Klein and Joel Nixon leading the way, Wakefield ran the fire out of the Pendragons in Pender last Friday, Oct. 12.

Klein, the 175 lb senior, scored two touchdowns and put up an impressive 105 rushing yards on five carries. Nixon, the Trojan quarterback, posted two of his own

six-point marks off of 88 rushing yards on nine carries.

Nixon also contributed with his passing, connecting with his brother Mason Nixon in the second quarter. Mason caught a pass for 57 yards from Joel, accounting for the only other Trojan touchdown.

Uvaldo Reyes contributed to the

Wakefield score by booting in four of his attempted five extra point kicks.

The No. 2 Trojans will face-off against the No. 4 Laurel-Concord Bears at home in a highly anticipated match this Friday, Oct. 19 at 7 p.m.

Bears 'shut-out' Homer, remain undefeated

Six players scored touchdowns for the Laurel-Concord offense in their 52-0 win against Homer on Oct. 12.

"We were very balanced on offense and put many points on the board," said head coach Terry Bear. "And the defense pitched a shut-out."

Heath Erwin went 15-of-17 for 194 yards and three touchdown passes on the night.

Tyler Petersen grabbed four passes for 47 yards and two touchdowns. Eli Schantz put three catches in the books for 47 yards and one touchdown.

Justin Hart rushed for 78 yards on 7 carries, scoring two touchdowns. Andrew Gothier racked up 89 yards on his eight carries for one touchdown. Zach Spahr hauled the

pigskin twice, claiming one touchdown and 34 net yards, and Nathan Burns scored on an 18-yard touchdown run.

Schantz also played tough defense pulling down an interception for the Bears. Other Laurel-Concord defensive leaders included Erwin, who dragged down 10 Knights while Andrew Gothier and Arik Diediker also chipped in with six tackles apiece.

"The kids have played very well

this year and we are on a roll," said Bear. "This week will be a very big game for the kids and the program."

The Bears will travel to Wakefield to face the No. 2 Wakefield Trojans on Oct. 19 at 7 p.m.

"This will be the best team we will face this year so far. We will need to be very aggressive and have very few mistakes," Bear stated.

Winside football moves to 5-2 with win against Winnebago

by Lee Koch

The Winside offense shared the Football Friday night as the Wildcats scored 47 first-half points before turning the game over to second and third unit players for the remainder of the contest.

The JV unit held Winnebago scoreless for two and a half quarters as Wildcat coach Mark Koch started substituting with 6 minutes left in the second quarter.

Kalin Koch and Garet Hurlbert scored a pair of touchdowns with Jordan Brummels scoring on 10-yard run and connecting with Tucker Bowers on an eleven yard scoring pass.

Koch carried the ball seven times for 90 yards, scoring on runs of 1 and 41 yards. Hurlbert had six carries good for 55 yards and touchdown runs of 1 and 23 yards. Blake Hokamp, who hit pay dirt on a 5-yard run, gained 28 yards on seven carries.

Nine Wildcats gained a cumulative 245 yards on the ground, but the Brummels pass to Bowers was the only completion during the evening.

Other Wildcats gaining yards included: Michael Lage four carries for 1 yard, Jordan Jaeger a single

carry good for 8 yards, Kelby Prince three carries for 4 yards, and Anthony Nelson with two carries good for 16 yards.

Sage Schwedhelm added 3 points on extra point attempts with a Koch to Bowers completion adding a two-point conversion to the Wildcat total.

Bowers, Lage and Hokamp all intercepted passes for the Wildcats. Bowers interception went for a 15 yard return with Lage returning the ball for 14 yards. Schwedhelm and Nathan Janke led the Winside tackle charts with seven stops apiece. Chase Langenberg (6), Blake Hokamp (5) and Anthony Nelson (5) also contributed to the Wildcat defense.

Schwedhelm, who acquired an 11-yard sack, led a host of Wildcats who tackled for losses. Jared Brockman, Matt Peter, Hurlbert, Aaron Mangels, David Decock, Nathan Janke and Justin Buresh also had tackles for losses for Winside.

The Wildcats (5-2) will host Hartington (6-1) Friday, Oct. 19 at 7 p.m. in a game that will have state playoff implications.

Lady Eagles triumph over Winside on Parents' Night

By Missy Sullivan

The Lady Eagles hosted Winside on Oct. 11 along with honoring their parents with Parents' Night.

"It was a good night for us all the way around," said head coach Denise Hingst. "We played well on all levels and enjoyed a win at home especially with it being Parents' Night."

The A team won in four sets - 25-18, 25-16, 18-25 and 25-21.

It was a good night of serving for the Eagles who went 88 percent from the service line.

Laura Dolezal
Amanda Nelson selected Setter of the Week

Amanda Nelson was selected National Junior College Athletic Association Division II Setter of the Week for the past week.

Nelson is a 5-foot-6 setter on the Raiders volleyball team at Central Community College-Columbus. During the week, she averaged 11.7 assists, 0.3 kills, 3.5 digs and 0.3 service aces over 19 games. CCC-Columbus went 3-2, defeating Southeast Community College, #16 Marshalltown and D1 Western Texas and losing to #4 Johnson County and D1 #6 Iowa Western.

"This is an outstanding honor for Amanda and her teammates," said Raiders coach Mary Young.

Nelson is a graduate of Wakefield High School and is the daughter of Blaine and Donna Nelson. She is enrolled in the business academic transfer program at CCC-Columbus.

Laura Dolezal
WSC's Dolezal named NSIC defensive player of the week

Laura Dolezal of Wayne State College has been named the Northern Sun Intercollegiate Conference Defensive Player of the Week for her efforts in two Wildcat road wins last week. It's the second time this season and the 12th time in her career that Dolezal has received Defensive Player of the Week honors from the NSIC.

The 5-8 senior libero from Columbus (Scotus HS) averaged 7.88 digs per game in wins at Northern State and South Dakota. Entering the week ranked 10th in NCAA Division II at 6.36 digs per game, Dolezal had 25 digs in a 3-0 win at Northern State last Wednesday and followed that with 38 digs in a 3-2 come-from-behind win at South Dakota Saturday night.

Wayne State, 15-9 overall and 7-4 in the NSIC, brings a four-match win streak into Friday night's home contest against MSU Moorhead starting at 7 p.m. in Rice Auditorium.

Upper Iowa posts 4-1 women's soccer win at Wayne State

Upper Iowa's Amy Campbell scored three second half goals to lead the Peacocks in a 4-1 NSIC women's soccer win over Wayne State Sunday in Wayne. UIU is now 9-6-1 overall and 3-1-1 in league play with the win while Wayne State slips to 0-12-2 overall and 0-6 in the NSIC.

Wayne State opened the scoring early as senior forward Gena Romano scored on a breakout goal just 1:44 into the contest, putting the Wildcats in front 1-0. However, Upper Iowa responded less than one minute later when Jennifer Lee scored on a header in front of the goal at the 2:40 mark to even the score at 1-1. The score stayed that way until the 59th minute when Amy Campbell scored the first of her three goals to put

the Peacocks ahead 2-1. Campbell added goals at the 63:02 mark and 68:25 mark to give Upper Iowa the 4-1 win.

Upper Iowa outshot Wayne State 16-7 in the contest, including 11-3 in shots on goal. UIU goalkeeper Sarah Hiatt recorded two saves while allowing one goal to earn the win. WSC goalkeepers Emily Walker and Rachel Fuchs each played one half for the Wildcats as Walker allowed one goal in the first half with five saves while Fuchs was charged with three goals while making two saves in the second half.

WSC will play at St. Cloud State next Saturday at 4 p.m., then visit Southwest Minnesota State on Sunday at 2 p.m.

Junior varsity volleyball

The Wayne JV volleyball team finished their season on a strong note splitting a triangular with Wakefield and Lutheran High Northeast (LHNE). Wayne won its opener against Wakefield by the scores of 22-25, 25-19 and 16-14 before dropping the second contest to LHNE by the scores of 26-28 and 24-26. Wayne missed seven serves in their first contest against Wakefield before missing only four in their final two games. "Both teams played solid defense and ran some excellent offense to make for great volleyball," said coach Dale Hochstein. Wayne had four and five point leads in both the sets against LHNE before letting them back in to tie game one at 18 and game two at 17. "Wayne got balanced performances from everyone," said Hochstein. "After a 2-14 start Wayne won two of its last four matches against some of the best competition they played all year."

Junior varsity football squares off against West Point-Beemer

In a close contest, the junior varsity football team emerged victorious against West Point-Beemer, 21-20 on Oct. 8. At halftime the Blue Devils had fallen behind 14-0, but pulled off an impressive come back win. Darnell Collins returned a punt for a touchdown and ran another ball over the goal line to score. After which, Jacob Zeiss had a two-point conversion. Jacob Triggs caught a touchdown pass from Cory Foote for Wayne's other score, and Daniel Muren kicked the game-winning extra point. Leading tacklers for Wayne were Nate Hanson, Shawn Davis and Tory Booth.

Junior Varsity football raises record to 4-3 in final game

The junior varsity Blue Devil football team defeated the Laurel-Concord Bears, 12-0 in their final game of the season on Oct. 15. Wayne's Derek Poutre would trudge through the rain and mud, scoring both Blue Devil goals. Leading tacklers for Wayne were Levi Kinney, Jorge Dunklau, Tory Booth and Joe Whitt.

Freshman football team caps season with victory, winning record

Wayne's freshman team finished at 3-2 after defeating O'Neill 38-6 on Oct. 9. Wayne led 7-6 at intermission and continued its attack in the second half. Quarterback Justin Anderson threw four touchdown passes of which Keegan Dorcy received three and Tory Booth hauled in one. Anderson also rushed for a touchdown, and Darnell Collins returned a punt for a touchdown. Leading Wayne defensively were Jamie Fernandez, Jacob Zeiss, Drew Loberg, and Ian Webster.

Eighth Grade football

The Wayne eighth grade football team took away Hartington Cedar Catholic's undefeated season hopes on Oct. 11. The final score of the match was 24-6. Frank Bernal scored all four touchdowns on passes from Gage Rethwisch. Quentin Jorgensen and Luke Trenhaile led Wayne's strong rushing attack behind the protection of the blockers Joey Dunklau, Keith Hobza, Andrew Pulfer, Roman Roberts and Chris Rogers. Defensive standouts for the game included Miles Anderson, Jordan Backer and Austin Schmale. The Blue Devils finished the year split at 2-2.

Fifth grade Junior Blue Devils win closer

The Junior Blue Devils logged three interceptions on their way to a victory over Laurel on Oct. 13. The victory captured the Junior Blue Devil's a third-place finish in the Logan Valley Youth Football League. In the second quarter, Logan Reinke would score the first points of the game, returning a punt 53 yards for pay dirt. Bryce Meis' interception in the fourth quarter gave the Blue Devils their second and last score when he handed it off to Colby Keiser. Keiser bounded 70 yards for the goal. Ben Hoskins gained Wayne two points when he made good on a two-point conversion. Leading defensive players included Brady Ping, Keiser, Jackson Belt and Brandon Bear. Laurel scored their only points in the third quarter with a safety. The final score was 14-2. The team ended the season 2-3.

Sixth grade Junior Blue Devils go 6-0 this season, 11-0 over the past two years

Trevor Pecena's 65-yard touchdown run in the first quarter started the Wayne sixth grade Blue Devils in their usual dominant ways in their game against Ponca on Oct. 13. The win, sealed a Logan Valley Youth Football League championship title for the Blue Devils. Jalen Barry scored off of a 10 yard run in the second quarter and a 1 yard run in the fourth. He would also complete a pass to Kaje Maly for another touchdown. Pecena, who started the scoring also ended the scoring, capitalizing off of an interception with a 33-yard run for a touchdown in the fourth quarter. Only one of the four two-point conversion attempts was successful for the Blue Devils. The final score was 42-0. Barry went 2-of-4 for 57 yards and one touchdown, giving up only one interception. Pecena carried the ball for 124 yards on seven carries, and Caleb Lienemann gained 13 yards on two carries. The leading defensive players for the Junior Blue Devils were Matt Schrunck and Pecena who both tallied five tackles. The combined defensive effort also recorded three sacks for a loss of 17 yards.

Boys team, Alexander qualify for state cross country meet

In the perfect running weather that cast over Skyview Lake in Norfolk for the Class C-3 district meet, Jordan Alexander ran to a state-qualifying seventh place finish. Also, Sheldon Onderstal, placing eighth, led the boys' Blue Devil Cross Country team to a second-place finish and a state meet ticket. "The boys ran a great race," said head coach Rocky Ruhl. "We knew it was a three-team battle for second place and our guys stepped it up and took care of business." Ruhl said their goal is to improve on last year's eighth-place team finish. "I see the program as getting back to state championship level with the group of young men we have out now," said Ruhl. "Several of our freshmen and sophomores have had varsity experience this season and with some work in the off season should blossom into great runners." The boys put in a score of 52 points, bested only by the Norfolk Catholic Knights. The Knights' six team runners took the first six places in a clean sweep, and are expected to duplicate their Class C cross country title from last year. Onderstal's 18-minute-and-15-second performance also won him individual State qualifying honors. Zach Long, Zach Thomsen, Shawn Jenkins, Reggie Ruhl, and Andrew Long will be joining Onderstal on the trip to Kearney this Friday, Oct. 19. Long finished just out of the 15 individual state-qualifying spots in 16th place with a time of 18:43. Thomsen placed 18th with a time of 18:50. Jenkins (19:04) finished in the 23rd spot with teammate Ruhl (19:07) closely following in the 25th spot. Long clocked in at 19:24, finishing in 31st place. "The girls had their work cut out for them, having to compete against four rated teams. I thought they did a great job of competing," said coach Ruhl. Alexander was the only female Blue Devil to qualify for the state meet with a time of 17:38. Maddie Jager tied with Pierce's Skyler Lipmann for the final state-qualifying position, but was mixed and placed in the hard-luck spot at 16th. She ran her race in 18:22. "She [Jager] ran well. The others had their best races to close out the season," said coach Ruhl. Anna West (19:22) finished in 22nd place. Halsey Lutt (20:03) raced to a 30th place finish. Becca Dowling (21:32) recorded a 40th place finish, and Tess Moser (22:54) rounded out the Lady-Blue-Devil field with a 44th place finish. The girls' team placed fifth out of the participating eight teams; they

No. 8 Lady Blue Devils suffer loss

The Wayne Blue Devils volleyball team bumped heads with the Battle Creek Braves on Thursday, Oct. 11. The Devils put up a valiant effort, losing in four sets against the No. 4 Braves; 25-23, 25-16, 21-25 and 25-16. In the match, Michelle Jarvi worked both the offensive and defensive sides of the ball, recording 12 kills, one block and 18 digs. Justine Carroll also aided Blue Devil play with her offensive and defensive contributions. Carroll had 16 kills on the night, three solo blocks and seven digs. Samantha Dunklau facilitated the offense with her 36 set assists and protected the hardwood, preventing nine volleys from touching ground. Megan Loberg put three ace serves in the books; she also tallied three kills and seven digs. Liz Kenny, who hit a six-kill mark and dug 14 balls, also boosted Blue Devil play. Jessica Kranz had 14 digs on the night, and Kaitlyn Centrone recorded four kills. In Junior varsity action the Blue Devils beat the Braves in two sets 26-24 and 25-13. The Freshman put in a tough first set losing the match in three sets 25-22, 17-25 and 8-15. For their next contest, the Blue Devils will travel to Hartington for the Hartington Cedar Catholic triangular on Oct. 19 at 6 p.m.

Staub looks to improve State Meet showing for fourth straight year

by Lee Koch
Michaela Staub will be the lone Winside cross country representative at the Class D State meet in Kearney on Friday Oct. 19. Staub, who ran to a fourth-place finish in a time of 15 minutes and 30 seconds to qualify for the state competition, has qualified all four years of her high school career. Staub's district time was her career best on the Bloomfield course. The Wildcat senior has improved her placing and times each year at the state meet finishing in nineteenth place in a time of 17:24.77 her freshman year, earning a tenth place medal with a time of 16:25.83 her Sophomore year and repeating her medal performance placing fifth a year ago covering the Kearney course in her best time of 16:06.06. Carly Anderson (38-19:34), Jaycie Woslager (61-22:39) and Kristin Messersmith (64-23:50) also competed in the district meet for the Wildcat girls team who finished eighth in the team standings. The Winside boy's cross country team led by Ryan Janke, who placed 24 in a time of 19:28, placed seventh in the team standings.

Other athletes competing for the Wildcats were: Kyle Mundil (33-20:01), Paul Hansen (37-20:05) Andrew Mohr (42-20:26), Kyle Skokan (62-22:38) and Brandon Wurdemann who finished 71st in a time of 34:17. Staub will compete in the Class D state cross country meet held at the Kearney Country Club at 2 p.m. on Friday, Oct. 19.

Wakefield volleyball slips by HCC, walks over Emerson in triangular

The Wakefield Trojan volleyball team won both games in their Wakefield triangular Tuesday, Oct. 16.

In game one, Wakefield faced Hartington Cedar Catholic (HCC), defeating HCC in two sets of 25-22.

The game was definitely a defensive success, as Lexi Nelson, Anna Brownell, Whitney Rouse, Jenna Henderson and Kelsey Bard walked away with digs recorded in double digits.

Kristina Lunz led the offense with eight kills and one ace block to her name. Carly Gardner and Nelson tallied five kills apiece. Gardner also logged two ace blocks.

Rouse put up 17 set assists to capture a Wakefield win.

In the second contest, the Trojans squared off against the Emerson Pirates, winning the battle in convincing order, 25-7 and 25-13.

Lunz led the offensive effort with nine kills, two ace serves and one ace block. Gardner put up six kills and one ace block, and Nelson recorded three kills.

Lunz also assisted the defense, by digging seven balls. Henderson was the only Trojan to reach double-digit digs with 11, and Nelson and Rouse both recorded five digs.

Rouse once again put up 17 set-assists.

The Trojans record is now 20-6; they will play in the Winnebago triangular on Thursday, Oct. 18.

Neel attends Legion Leadership training

A Wayne resident was among 80 American Legion leaders who attended the Nebraska American Legion's annual Leadership Training School, Oct. 6, hosted by Papillion Post 32 and State Headquarters staff.

Bud Neel joined other Nebraska Legionnaires for the one-day school, which provided instruction for new American Legion Post Officers, and interested Legionnaires.

Neel is a member of Post #252 at Winside and is the Area A Vice Commander for the Department of Nebraska.

Participants heard presentations on various American Legion programs including legislative concerns as they affect veterans, suggestions for community service programs, and ways to increase local post membership. State Legion officers and committee members served as instructors.

Topics discussed included Americanism, Legion Baseball, High School Oratorical Contest, County Government Day, Civil Defense, Boy's State, Publicity, Law and Order, Veterans Benefits, Sons of the American Legion (S.A.L.), Membership and Internal Management.

The American Legion is a federally chartered veteran's service organization, with a national membership of 2.8 million wartime veterans, including more than 48,000 members in Nebraska.

Kari Schroeder goes up for the kill in the Bears game against Ponca on Tuesday, Oct. 16.

Bears finish regular season 15-3, go 7-0 in conference

The Laurel-Concord Bears volleyball team won their final game of the regular season at home against Ponca on Oct. 16.

After dropping the first set to the Indians (25-21), the Bears won

five of them in for points.

And the defense remained steadily led by Jenny Schroeder's 24 digs. K. Schroeder kept 12 balls from hitting hardwood, and Pigg and Gould pitched in with 19 and ten digs, respectively.

The Bears volleyball team also clinched their conference championship last Thursday, Oct. 11 by defeating Neligh-Oakdale in four sets, 25-14, 25-23, 19-25 and 25-16.

"The varsity match featured numerous long rallies where players on both sides of the net remained aggressive by digging hard-driven hits, pursuing errant passes, covering around the attackers, and whatever else it took to keep the ball in play," said head coach Patti Cunningham. "Giving that extra effort is such a crucial element at this point of the season."

Troyer dished out 39 set-assists to keep the Bear offense in business. Jelinek and K. Schroeder led the offensive attack with 12 kills apiece. Taryn Dahlquist also contributed eight kills to the Bear tally, and Pigg and Gould both chipped in with six kills.

Jelinek posted five blocks on the night, converting two of them into aces. Dahlquist also protected the net, blocking three Warrior balls turning two of those blocks into aces.

K. Schroeder paced the defensive efforts of Laurel; she tallied 19 digs, followed closely by J. Schroeder who contributed 11 digs, Gould and Pigg put in nine and six digs, respectively.

The Bears will play in the NENAC tournament from Oct. 22 through the 26.

Workshop on personality styles planned for Oct. 24

Leadership development consultant, seminar leader, and speaker Elmer Miller returns to South Sioux City to present a one-day seminar on Understanding Personality Styles at the Northeast Community College Education Center.

The one-day event is scheduled for Wednesday, October 24, from 1:30-4:30 p.m. in Room 113 of the Education Center at 3309 Daniels Lane in the Westside Business Park. With course number BUS 0100-10S, cost is \$40.

Participants will learn to understand their own personality styles by completing and analyzing the

Myers-Briggs Personality Inventory. They will be taught how to understand and recognize others' personality styles. Miller will also tell participants that individuals perceive the world differently.

Following completion of the seminar, students will be able to identify their strengths, preferences, and develop self-awareness that can be applied in the professional world. They will also be able to build better relationships with people at home and work after taking this seminar.

To register, call Northeast Community College in South Sioux City at (402)241-6400.

Kari Schroeder, Jessica Pigg, Kacie Gould, Amanda Troyer and Keena Twohig all recorded ace serves in the match.

Troyer's 51 set assists allowed offensive play to be strong as six players recorded kills.

Jelinek led the way with 17, closely followed by Schroeder's 16, Gould contributed ten to the Bear's cause; Dahlquist logged eight kills into the books. Pigg shelled out six, and Troyer pitched in with one.

Jelinek protected her net, blocking seven Indian strikes cashing in

Northeast to host applied technology career day

High school juniors and seniors, their counselors and teachers, and prospective non-traditional students are invited to get an up close and personal look at several different career options during the Applied Technology Career Day at Northeast Community College in Norfolk on Friday, Oct. 26.

All participants will meet in the Cox Activities Center on the Northeast campus at 10 a.m. for a welcome and introduction. The large group will then be divided into several small groups to explore different technical programs

offered at Northeast.

Students will learn about Northeast's automotive technology, auto body technology, building construction, electrical construction and control, electromechanical, diesel technology, heating, ventilation and air conditioning, irrigation technology, renewable fuels technology, and utility line programs during the career day.

Instructors will provide information about careers in their respective programs, give tours of Northeast facilities, and offer demonstrations in the shops. The programs will include discussions

on salaries, working conditions, hours, and driving records and how they effect employment. Future opportunities and working conditions and what employers are looking for will also be discussed. The sessions will be on a rotating schedule.

A lunch will be provided. Activities will conclude at 2 p.m.

Reservations are requested by calling Sandy at (402) 844-7280. Reservations can also be emailed to sandy@northeastcollege.com or can be made by visiting www.northeastcollege.com

Willis, Karsky and Mohlfeld to present at national meeting

The Toward Responsible Use of Substances Today (TRUST) Coalition members Dr. Keith Willis, Dr. Jason Karsky and Kathy Mohlfeld, LCSW, of Wayne State College are presenting poster sessions at the U.S. Department of Education 21st Annual National Meeting on Alcohol and Other Drug and Violence Prevention in Higher Education (<http://www.highered-center.org/natl/2007/>) on Friday, Oct. 19 in Omaha regarding the TRUST Coalition social norms campaign, results from the WSC annual Core Alcohol and Drug Survey and the WSC Wildcat Wheels Safe Ride program.

Karsky and Mohlfeld will present "Safe Ride Program: Will Rural Community Drivers Hand Over the Keys?" A question asked prior to starting a safe ride program was, "Will students leave their cars in the parking lot and use a cab when they go out?" The safe ride program at WSC began in February 2005. In a little over two years, the program has served more than 10,000 passengers on Thursday nights during the academic year.

The safe ride program started with one cab a night and has increased to three cabs a night. Starting with a program that students viewed as important has been a key part of the success of this effort. (http://www.wsc.edu/counseling_center/related_services/trust_coalition/safe_ride/)

Wildcat Wheels began through a grant from the Wayne State Foundation and the WSC Professional Staff Senate. The program is fully funded through student fees and donations.

Karsky is an associate professor of criminal justice at WSC. He has been a recipient of the Teaching Excellence Award. He was first selected as Wayne State's Teaching Excellence Award winner, which qualified him as a candidate for the system award. He has worked with

his students in an Emergency Management course and the community, designed and conducted multi-agency emergency drills including coordinating student work, land owners, media agencies, safety issues, and other aspects. These exercises were a first for the college and for the public service agencies in northeast Nebraska.

Kathy Mohlfeld is a licensed counselor and academic advisor at WSC. She coordinates the alcohol and other drug programs, which include the Wildcat Wheels safe ride program. She is a regional director for The Network Addressing Collegiate Alcohol and Other Drug Issues, representing Iowa, Kansas, Missouri, and Nebraska.

WSC faculty member Dr. Keith Willis is doing a poster presentation regarding the TRUST Coalition social norms campaign, and results from the WSC annual Core Alcohol and Drug Survey. The social norms approach uses a variety of methods to correct negative misperceptions (usually overestimations of use), and to identify, model, and promote the healthy, protective behaviors that are the actual norm in a given population. Title: Reducing Substance Abuse on Campus With a Social Norms Campaign.

A social norms campaign was implemented at WSC from 2004 to 2006. Students' positive attitudes about substance use were identified with a survey and an essay competition. The results were promoted across campus with brochures, presentations during new student orientations, informal quizzes completed during meal-times, and on giveaways. A reduction of 30-day alcohol use, marijuana use, and binge drinking was shown on the annual core alcohol and drug survey while the same categories for Nebraska youths showed increases during these two years. Therefore, the results supported the effectiveness of a social norms campaign to reduce substance abuse among college students.

Willis is the chair of the Department of Counseling and Special Education at WSC. He is licensed as a psychologist and alcohol and other drug counselor and has worked in alcohol treatment centers for more than 22 years.

ZION LUTHERAN LADIES

Zion Lutheran East Ladies Aid/LWML met Oct. 4 with six members and Pastor Riege present. Christian Growth Chairman Joyce Saegbarth read the devotion "God's Seal of Approval" and led in a mite box dedication.

Pastor Riege's topic for discussion was "Celebrate Life" from the LWML Quarterly.

President Diane Koepke opened the meeting. Members answered roll call by paying dues and contributing 25¢ to the penny pot.

Minutes of the previous meeting were read and approved. The treasurer's report was given and filed. The card committee reported on Visitor's cards and sent two get-well cards.

LWML Sunday was to be observed Oct. 7. The LWML event will be Oct. 13 at Immanuel Lutheran in Tilden. Delegates will be Diane Koepke, Inez Freeman, Joyce Saegbarth and Delma Vyhldal.

Canned goods were collected for the ingathering to be given to the Norfolk Rescue Mission. Members are to meet on Oct. 23 to tie quilts.

Those serving on the Altar Guild in October are Delma Vyhldal, Kellie Koepke, Elaine Ehlers and Courtney Koepke. Sophie Eldhart is in charge of flowers.

November hostess Diane Koepke asked members to bring their favorite cross to the next meeting.

The meeting closed with The Lord's Prayer and table prayer. Elaine Ehlers and Sophie Eldhart served as hostesses in LaVerda Kruger's absence.

Three quilts were tied after the meeting. The next meeting will be Thursday, Nov. 1 at 1:30 p.m.

DORCAS SOCIETY

Peace United Church of Christ Dorcas Society met at the church on Oct. 4 with Pastor Belt and eight members present.

President Lorraine Wesely presided and read "A Sure Way to be Happy."

Pastor Belt led the opening prayer.

During the month, one get-well card and one wedding card were sent. A birthday card was signed for Christine Lueker.

Ramona Puls was hostess and the group sang her favorite hymn, "Dear Lord and Father of Mankind."

The secretary and treasurer's reports were given and approved. Communications were read from Dylan Puls and Nebraska Children's Home. There was also a letter from the American Association for Women, inviting them to participate in the seventh annual Festival of Trees. The group voted not to prepare a display.

The Mission Festival will be held during regular worship services on Sunday, Oct. 21. A cooperative dinner will be served. Those attending should volunteer to help.

Members were reminded to bring their "Thank Offering" in November.

The meeting closed with The Lord's Prayer.

Donna Asmus had the lesson on Rachel.

The November hostess will be

Lorraine Wesely and Shirley Mann will be the lesson leader.

Photoshop II class to begin in early November

Just in time for sending photos in Holiday greeting cards, Northeast Community College has scheduled another Photoshop II class to begin in early November. The class, with course number ARTS 1005-01/07F or HawkNet Call #10138, will meet Thursdays, Nov. 1-Dec. 6, from 6:30-9:30 p.m. in the Maclay Building, Room 153, on the Northeast campus in Norfolk. This is a continuation of the Introduction to Photoshop (ARTS 1000) class, which is a pre-

requisite, and covers additional selection and editing procedures. The student will be taught more methods to add impact to their images, create objects and modify text. Cost of the one-credit class is \$73, plus a \$9 materials fee. Harry Lindner is the instructor. Permission from Lindner is required if students have not taken the Intro to Photoshop class. To register, call (402)844-7265. Students may also register online at www.northeastcollege.com

Traffic stop results in heroin seizure

Three pounds of heroin with an estimated street value of \$450,000 was seized by the Nebraska State Patrol during a routine traffic stop on Interstate-80. On Oct. 9, a Trooper with the Nebraska State Patrol Headquarters Troop-Lincoln stopped an east-bound car, two miles east of the Waverly Interchange. The driver

gave consent to search the vehicle. The search led to the discovery of three pounds of heroin. The heroin was located in between the car's back seat and a speaker box. Fabian Lopez, 24, of Salt Lake City, Utah was lodged in the Lancaster County Jail on a charge of Possession of Heroin with Intent to Deliver.

Nurturing young children's healthy sexual development is training topic for adults

Many parents and caregivers of young children have questions about how to raise happy and healthy kids. For many adults, responses to young children's sexual behaviors and questions is very hard. These and other questions will be the topic of discussion when presenters, Rebecca Onderstall from Haven House in Wayne, and Susan Strahm, Early Childhood Professional Partnerships Coordinator at ESU #1, present current information that will raise awareness on this topic.

As part of Nebraska's "Strengthening Families" initiative, both have received specialized training to facilitate discussions with community groups to raise awareness of healthy sexual development of young children. Topics include feelings, bodies, bedtime, babies, touching, and secrets and surprises. All are "usual" topics to discuss with young children, but being intentional is key to laying the foundation for healthy behaviors later.

This training also recognizes best practice, and the crucial component of nurturing healthy sexual development and how it is protecting children from sexual abuse. Participants will gain an understanding of the scope of child sexual abuse and the relationship between healthy sexuality and child sexual abuse prevention. The topics covered will be of interest to parents, grandparents, caregivers, and those who work with families and children. In-service hours will be provided upon request. To register for the training, call Laura or Leslie at the hospital @ 375-3800 to register by noon that day.

Internal issues discussed included: Logo Contest Winner - Donna Christiansen informed us of the modifications to the chosen logo and requested an approval from the council. Dennis Wacker was awarded a plaque and check for \$50 for the winning entry.

um. They're also interested in other organizations that might benefit the museum. Art Kuhl reported on the Wau-Col Project. Laurel decided to back out of the project. Any town that wants to join later may have to pay considerably more for additional pipe, etc., which could be millions of dollars. Osmond is not currently signed up. Five communities are still involved along with approximately 30 rural hookups. The next meeting will be on Tuesday, Oct. 30 at Coleridge fire hall. Computer Recycling 2008 - Donna Christiansen reported on the progress of the grant written by Jill Hoemstra and submitted by the RC&D. The grant proposal was for approximately \$13,500 and will be announced January 2008.

Projects update included Local Ideas into Reality: RC&D Endowment - (there was a resolution for naming after Bob Porter, which passed.) There was a request that RC&D members contribute to the amount to be sent to the Nebraska Community Foundation. Action was taken to send the money in RC&D savings to the foundation.

Attendance at Association Annual Conference included Rhonda Kneifl, Donna Christiansen, Bud Knuth, Virginia Buerman, Barb Hoffart and Jan Jorgensen will be attending the conference in Ogallala. The new artist for the month has items in the RC&D office.

As for promoting Northeast Nebraska: Corps of Discovery Welcome Center, Virginia Buerman was appointed to represent the RC&D on the Welcome Center Board. She requested that they keep ideas in mind for fund raising. On Oct. 20, there will be a quilt show to benefit the Welcome Center to be held at St. James Marketplace.

Shannon Trail Tour will be on Saturday, Oct. 27. Tour stops include St. James Marketplace, Sally's Antiques & Sweets, Winnetoon Mall & Wausa which will feature a Swedish Smorgasbord. Cost is \$55 per person including lunch and dinner. Serendipity will be the restaurant for the meal and meeting and council members would like to tour the Husker Ag Ethanol Plant near Plainview.

Mary Rose Pinkelman, reported on the success of the Tour to Historical Churches in the area - Menominee, St. Helena, Wynot, lunch at St. James, then to Bow Valley and Constance.

A reception followed the meeting featuring local food products: Cy Pinkelman provided Burbach Dairy flavored milk, Dennis Wacker provided popcorn and watermelon, Kreycik Elk Farm provided jerky, Barb Hoffart provided vegetables and dip. Coffee was provided by Corps of Discovery Welcome Center. The RC&D booth display is up all week and those involved with various projects are being featured each day.

Donna Christiansen reported on the Missouri River Outdoor Expo which was held recently in Ponca State Park. Attendance was about 18,000 to 20,000 people per day. The RC&D provided the tents for eating area.

Jerry Schroeder reported on the Dixon County Museum and wanted to make the council aware of the possibilities to promote the muse-

Gov. Heineman proclaims October Nebraska State College System Month

Governor Dave Heineman recently proclaimed the month of October as Nebraska State College System (NSCS) Month. The Governor encouraged prospective students and their families to visit Chadron, Peru and Wayne State Colleges, especially in October. "These three colleges are unique and actively involved in educating the State of Nebraska's greatest resource - our citizens - and providing them with limitless opportunities for their future, as well as the future of their communities," Heineman said.

work place and to produce highly marketable graduates who have experience in their fields," he said. He also encouraged students to schedule a campus visit soon. "The best way to find out about our colleges is to visit. Walk on the campuses; visit with faculty, students and staff. This is an excellent way to discover the thousands of opportunities our colleges offer."

The Governor added that it is appropriate for all prospective students and their families to visit and learn about each of the NSCS institutions in order to assist them in the process of selecting a college.

Campus tours can be scheduled through the Admissions Offices via phone or web at:
• Chadron State: 1-800-242-3766 or <http://www.csc.edu/admissions>
• Peru State: 1-800-742-4412 or www.peru.edu/admissions
• Wayne State: 1-866-WSC-CATS or www.wsc.edu/admission

NSCS Chancellor Stan Carpenter said, "Simply put, we care about our students and want them to succeed. The small class sizes, flexible scheduling and high level of student-faculty engagement provided at Chadron, Peru and Wayne State Colleges provide an exceptionally personal college experience that brings out the best in our students."

The Nebraska State College System serves 8,000 students from Nebraska and surrounding states through three geographically diverse institutions: Chadron, Peru and Wayne State Colleges. Combined, the three colleges offer more than 200 degree, certificate, and pre-professional programs that are accessible on the three campuses, via the Internet, and in several satellite locations throughout the state.

"Our colleges provide a wide variety of learning experiences and a rigorous curriculum taught by highly qualified faculty. The size of our institutions is also beneficial, as we are able to quickly respond to the needs of the ever-changing

With more than 250 credentialed faculty members and 50,000 successful graduates, the NSCS provides significant human and intellectual capital that contributes to the current and future economic strength of the State of Nebraska.

Campaign is launched against fake checks

Attorney General Jon Bruning, U.S. Postal Inspector Dave Margritz, and Lincoln U.S. Postmaster Kerry Kowalski recently kicked off the launch of a new website, FakeChecks.org, and advertising campaign to educate consumers about fake check scams.

require the anonymity of the Internet. The Alliance has set up an interactive website, FakeChecks.org where consumers can educate themselves and report fraudulent activity.

The nationwide campaign was officially launched today by the Alliance for Consumer Fraud Awareness (Alliance). The Alliance is a new partnership, spearheaded by the United States Postal Service and the Postal Inspection Service. The members include 20 financial institutions, associations, consumer advocacy groups and businesses.

"Strangers don't exist to make you rich," Margritz said. "If you deposit that fake check and wire them your real money, there will be a winner, but it won't be you. Don't play their game, help us shut them down."

"Every year, hundreds of Nebraskans lose their hard-earned money in fake check scams," Bruning said. "It's time to put a stop to it and give consumers better tools to identify fraud before they are victimized."

"By continuing to educate consumers about these scams, we can prevent these painful financial losses," Kowalski added. "We are counting on everyone to spread the word about the tools available to consumers, like FakeChecks.Org. They help our friends and family members recognize the warning signs of a scam and report this fraudulent activity."

The campaign consists of national television, print and online advertisements supporting the message that financial scams do not work in person, but rather

PLACE IN STATE

Times have changed in agriculture. Horses and wagons that once dominated the harvesting of corn have been replaced with huge combines, tractors and trucks.

Many Nebraskans and out-of-staters kept the tradition alive by husking corn to the jingle of harness and the dull thud of ears of corn hitting the bang board at the Nebraska State Hand Corn Husking Contest held Oct. 6 at York.

Local participants and results were: Carla Rastede, third place in Out of State Class; Kelli Rastede placed second in Ladies 21 to 49 Class; Alvin Christensen placed second in Men's Open Class and Marcia Rastede placed first in Ladies Open Class.

Kelli, Marcia and Alvin will compete in the national contest at Dell Rapids, SD on Oct. 21.

The top two or three huskers in each class qualify to participate in the national contest. The states of Nebraska, Iowa, South Dakota, Minnesota, Kansas, Missouri, Illinois, Indiana and Ohio sponsor the national contest.

RETIREMENT COFFEE

There will be an Open House and Retirement Coffee for Bonnie Kellogg. She is retiring from working at the Allen Day Care. Stop in on Saturday, Oct. 20 at the Allen Library from 8 - 9:30 a.m. to wish her well.

ALLEN BOOK CLUB

Fourteen members of Allen Book Club met at the Senior Center to discuss The Grapes of Wrath on Oct. 26. This poignant story of a family's desperate attempts to find work and survive the 30's Dust Bowl and Depression brought forth

Carla Rastede, Kelli Rastede, Alvin Christensen, and Marcia Rastede placed in the Nebraska State Hand Corn Husking Contest.

several personal stories of surviving tough times here in the 30's.

This month Allen is reading Julie and Romeo by Jeanne Ray. Loosely based on Shakespeare's Romeo and Juliet, the tale starts when two "older" members of feuding families fall in love. The book discussion is planned for Tuesday, Oct. 30.

VOLLEYBALL TOURNAMENT

The Lewis & Clark Conference Tournament begins on Monday, Oct. 22. The Lady Eagles are going in ranked sixth in the Conference. The Eagles are set to play Newcastle at Wakefield at 6 p.m. With a win they'd play the next game versus the winner of the game between Wakefield and Osmond. The winner will then go on to play Tuesday night in Wakefield, with the finals of the Lewis & Clark Tournament set for Friday, Oct. 26 at Wakefield.

EAGLE FOOTBALL

The Eagles play the final game of the season versus Coleridge at the Dakota Dome in Vermillion on Oct. 18. They have qualified for the state playoffs but a bracket wasn't available at print time. First round of the State Playoffs are set for Thursday, Oct. 25. Due to the playoffs Parent Teacher conferences will be moved from Thursday to Friday, Oct. 26.

CARDS AVAILABLE

Hand-crafted all-occasion greeting cards are now available at the Senior Center during the Center's hours of operation. Cards for specific occasions can also be ordered upon request from ViAnn Stange.

FALL FESTIVAL PLANNED

First Lutheran Church is hosting a Fall Festival which will be held Sunday, Oct. 28 from 11 a.m. - 1:30 p.m. at First Lutheran Church in Allen. They will be serving a pork meal with cheesy potatoes, salads, desserts and beverage for a free will donation. There will also be a Craft and Bake sale.

UNITED METHODIST CHURCH

There will be a Hallelujah Party at Allen United Methodist Church from 5 - 7 p.m. on Sunday, Oct. 28. On Wednesday, Oct. 31, there will be Trunk or Treat at Ponca United Methodist Church.

ALUMNI FALL NEWSLETTER

Kathy Boswell is beginning to gather information for a fall newsletter which will be sent to Allen alumni members. If you have something to be included in the letter, please let her know. Address corrections are also appreciated.

Viaero, Intrado contract to save state money in E911 fund

A new contract between two private firms may save the state's E911 fund over \$260,000 annually, the Nebraska Public Service Commission learned recently.

Viaero Wireless of Ft. Morgan, Colo., and Intrado of Longmont, Colo., recently signed an exclusive contract that representatives of the two firms said would reduce costs for E911 calls over Viaero's network by more than half, reducing the amount of any potential funding sought by Viaero from the Nebraska Enhanced Wireless 911 Fund. Viaero was represented at a recent meeting of the Commission by Frank DiRico, owner and president.

Viaero provides wireless telecommunications services in Colorado and Nebraska and Intrado is a data management company that diverts signals from cellular towers to the nearest 911 center. Viaero currently has service in the western two-thirds of Nebraska with intentions to extend its service to the eastern border.

DiRico estimated that the immediate savings to Nebraska would be

\$165,000 annually with towers already in service and those under construction. Planned additions would bring the total to over \$260,000 a year.

Commission Chairman Rod Johnson of Sutton said the savings to the wireless E911 fund is significant. "In a state where resources are limited, this means more money will be available for other areas to be served by the wireless E911 system."

The Nebraska Legislature authorized an E911 system to route wireless calls to the nearest 911 center, while at the same time identifying the location of the caller so that emergency services may be provided as quickly and efficiently as possible.

The Enhanced Wireless 911 Fund is supported by a .50 cent per month surcharge on all users of wireless services. The Fund is used by the Commission to help pay for the costs of deploying and maintaining a comprehensive enhanced wireless 911 system throughout the state.

Genealogy research using Excel class set

Northeast Community College in South Sioux City will again offer a class that will teach participants to use Microsoft Excel 2007 to do genealogy research.

The class, Introduction to Genealogy Research Using Microsoft Excel 2007, will meet Tuesdays, Oct. 30 and Nov. 6 and 13 from 5-9 p.m. in Room 109 of the South Sioux City Education Center, 3309 Daniels Lane, in the Westside Business Park.

Using Microsoft Excel 2007 and the Internet as tools to learn about ancestors, participants will be taught to create forms and research information in their search for their family tree.

Participants should have basic computer and keyboarding skills. Cost of the class is \$30.

To register, call Northeast Community College in South Sioux City at (402)241-6400.

Bearnes named chair of area Ducks Unlimited

Kent Bearnes of Laurel has been appointed Area Chairman of Ducks Unlimited (DU), the international leader in wetlands, waterfowl and wildlife conservation.

In his volunteer position, Bearnes will help develop and administer fund-raising events within the Wayne area. Bearnes will also serve as a liaison between DU and other local conservation groups and government agencies.

For nearly 60 years, Ducks Unlimited has been helping to conserve North American wetlands. The majority of the organization's funds come from membership din-

ners and events throughout the country.

DU is the world's largest private sector waterfowl, wetlands and wildlife conservation organization, with one million supporters and members in the U.S. Since its inception in 1937, DU has raised nearly \$2 billion and conserved nearly 11 million acres of habitat throughout the United States, Canada and Mexico.

For more information, contact DU's local committee chairman or Ducks Unlimited's National Headquarters in Memphis, Tenn. at (901) 758-3825.

Wayne State College students work with elementary students to develop leaders

Wayne State College students spent a day teaching more than 230 elementary students through group activities, songs and projects during the Elementary Leadership Conference on Oct. 10 in the Student Center on the Wayne State College campus. Fourth, fifth and sixth graders from Area III schools attended the conference.

This year's theme was Service to Self, Others, Community and Country. Students tied blankets to donate to Omaha Project Linus to be given to seriously ill and traumatized children. Participants also put together care packages with hundreds of items to send to guard members and made friendship bracelets to take home.

WSC education students in Development of Social Studies in Elementary and Middle School under the direction of Sherry Dorman served as leaders for the day of activities that included messages about how to treat other students and a number of writing

assignments that helped students to remember they can make a difference in the lives of others.

The Wayne State College School of Education and Counseling hosted the event with assistance from a service-learning grant. Service-learning grants at WSC are part of a grant from the Midwest Consortium for Service-Learning in Higher Education (MCSLHE) made possible through the Corporation for National Service under the Learn and Serve America: Higher Education grant program. Other partners in the event were Region III Administrators and Omaha Project Linus.

Elementary students participating included: Laurel-Concord: Lathan Ohlrich, Cassidy Wiese, Clavin Casey, Ethan Hirshman, Katie Pallas, Brian Boese, SP: Stephanie Petersen; Wakefield: Samantha Bierbower; Nadia DeLaO, Joshua Dolph, Alex Conley, Levi Nelson and Ryan Bodlak.

John G. Neihardt State Historical site featured member at Welcome Center

John G. Neihardt State Historical site is the featured member at the Corps of Discovery Welcome Center, Oct. 15-26.

The Neihardt Center is a museum, research library and education center dedicated to the life and work of John G. Neihardt, Poet Laureate of Nebraska.

The Center, a branch museum of the Nebraska State Historical Society, houses numerous artifacts pertaining to Neihardt and to Native American tribes of the Great Plains, particularly the Omaha and the Lakota, such as the sacred items belonging to the Oglala Lakota Holy Man, Black Elk, which were gifted to Neihardt during the interviews that resulted in the book, *Black Elk Speaks*.

The building is constructed in such a way as to image the Sacred Hoop of the World, which is reflected in the garden. On the grounds visitors can explore the Sacred Hoop Garden with its granite interpretive markers, and see the one room study where Neihardt wrote the first volumes of *A Cycle of the West* and many of his earlier poems, short stories, literary criticisms and essays.

The Neihardt Center located in Bancroft, Nebraska on the corner of West Elm and Washington Streets. Bancroft is located on Highway 51 between Highways 77 and 9. State attraction signs are located on Highways 275, 77, and 51 at turnoff points.

The center is open year round. March through November hours are Monday - Saturday, 9 a.m.

5 p.m. and Sundays, 1:30 p.m. - 5 p.m. December through February hours are Monday through Friday 9 a.m. - 5 p.m. Closed on Easter Sunday, July 4, Thanksgiving and the day following, Dec. 23-26, Dec. 31 and Jan. 1.

Featured at the center will be displays of Neihardt's works as well as a variety of works by other authors dealing with the Great Plains, Native Americans, and Western history. Information for the John G. Neihardt Poets Contest open to High School (grades 10-12); Junior High (grades 7-9) students in all Nebraska Schools will also be available at the center. Items on display along with Native American beadwork, jewelry and other items made by local tribal members are available for purchase at the Neihardt Center gift shop.

Upcoming events at the CDWC: Gallery Exhibits through Oct. 30 artists are Mary Schaefer Roper from St. Helena, Michael Gibbs, from Ponca and Vicky Koch from St. James. LIBRARY

The Lied Winside Public Library held its monthly meeting Oct. 8 at 7 p.m. The meeting was called to order by Vice President Carolyn Backstrom. Also present were Tim Steckling, JoAnn Field and Karol Stubbs. Open meeting law was recognized.

The librarian's report showed 480 items loaned in the month of September with 217 being adult and 263 being children. There were two renewed readers and ten new

readers. Donations were received from JoAnn Field and Memphis Prince.

In old business, the library policies and Board of Trustees By Laws were approved with a correction to fax fees. The Lied Winside Public Library has received certification through September 2010.

In new business, the library will be donating books and magazines to troops overseas.

The next meeting will be Nov. 5 at 7 p.m.

HALLOWEEN PARTY

A Halloween party will be taking place at the Winside Auditorium on Sunday, Oct. 21 from 2:30 - 5:30 p.m. Preschool through 8th grade children are invited (accompanied by an adult). Admission is free, and tickets will be for sale for activities. There will be games, crafts, produce, lunch, etc. A costume parade is scheduled for 5 p.m. Proceeds will be donated to the Winside Public School Fine Arts Department.

Workshop on developing happy babies set for November

Northeast Community College in South Sioux City and the Northeast Early Childhood Training Partnership will co sponsor a two session workshop for those who care for infants.

The workshop, Happiest Baby and Toddler on the Block, is set for Thursdays, Nov. 1 and 8 from 7:30 p.m. in Room 111 of the South Sioux City Education Center at 3309 Daniels Lane in the Westside Business Park.

The two day seminar, with course number EC 0102 02S/07F, can be of benefit to expectant parents, parents with young infants, and those who work in child care with infants. Judy VanVoorst is instructor of this free class.

This multi media presentation will show the work of Dr. Harvey Karp, a noted pediatrician and child development expert, who reveals the amazing calming reflex that is helpful in caring for and soothing

babies.

The second session will deal with issues concerning toddlers. The toddler years are a unique time in a young child's life and Dr. Karp will reveal an effective way to communicate with uncivilized toddlers. How to calm outbursts, stop 60-90 percent of tantrums before they start, and build a loving and respectful relationship with children will also be reviewed.

In service hours are provided in this workshop.

To register, call Northeast Community College in South Sioux City at (402)241 6400.

Meal preparation class planned by NECC

Learn how to make great meals simply and fast in a two session class offered by Northeast Community College in Norfolk.

The class, Making Meals Simple and Fast, meets Mondays, Oct. 29 and Nov. 5, from 6:30-8:30 p.m., in the Lifelong Learning Center on the campus in Norfolk. Participants

registering for this class should sign up for class number HOEC 0604 01/07F.

This class is for those who find weekly meal planning and preparation frustrating, time consuming, and costly. Instructor Hilda Pearson will teach participants how to cook healthy, appealing

meals using simple ingredients and simple instructions, without recipes. With Pearson's hints and tips, participants can save \$25-\$50 a week on their grocery bills.

Cost of this noncredit class is \$15.

Fire Prevention Week

Wayne Elementary kindergarten students were given a lesson on fire prevention and a tour of the Wayne Fire Department on Oct. 12. Volunteer members of the Wayne Fire Department discussed fire hazards and passed out safety booklets, pencils, rulers, stickers and pamphlets for the family members. The students also enjoyed learning about the uniforms and equipment used by the firefighters. A ride back to the school on the old fire truck was a highlight for many of the students. Above students in Jodi Lutt's class learn the best way to get out of a room.

'Success breeds success'

In high school athletics the old adage, "Success breeds Success" often rings true. However, the Wayne High softball team is very close to pushing that envelope to a

For Pete's Sake
By: Kevin Peterson

higher level and that amounts to the "D" word...DYNASTY.

When you consider the program came into existence in the Fall of 2002 which meant that everyone from the players to the coach were rookies, it is nothing short of astonishing to note the accomplishments of Rob Sweetland, his coaching staff and of course the players that show up day-after-day and perform.

Wayne finished last weekend's state tournament with a runner-up finish. Now as you'll read in our sports section today the final two games were definitely fitting of state championship status.

The Blue Devils took one loss into the finals were they went head-to-head with Tekamah-Herman, a team that had pounded them in the winners bracket final. Whereas most softball games are seven-inning affairs, Wayne was forced into a situation where to be crowned state champs they would have to defeat the Tigers twice.

So much for seven inning contests, Wayne defeated Tekamah-Herman in nine innings in game one, forcing a second contest to determine the state championship.

The second game was even more spectacular as it went 12 innings before Wayne succumbed to the Tigers.

Now, back to that dynasty thing. Rob Sweetland just completed his sixth year as Wayne's head coach because that's how many years Wayne has had softball. In those six years, the Blue Devils have been to the state tournament five times, been crowned state champs twice and finished runner-up two

other times if my memory serves me correctly.

How does one not consider that dynasty material. By the way, don't look now but the next at least half-dozen years looks to be similar to what we've seen over the first six years of Wayne softball.

We look forward to being witness to one of the most storied programs in not only school history but on the state level as well.

Congrats again to the following coaches, Rob Sweetland and his coaching staff of Shannon Corkle and Nathan Wall and of course the players of the 2007 State Runners-Up, Dacia Gansbom, Carissa Fehringer, Courtney Steenken, Nicole Rauner, Mirisa Carroll, Andrea Pieper, Shannon Jarvi, Kelsey Denkla, Bayli Ellis, Jessica Calhoon, Alesha Finkey, Riley Hoffart, Carly Fehringer, Caitlin Gustafson, Lindsay Frahm and Faye Roeber. Last but not least the student manager Trey Hochstein.

I saw on the news recently about a church in Kansas City that had come up with a plan of reducing the amount of complaining by individuals. The thought being that if the entire planet would reduce the amount of complaining what a happier world this would be.

At any rate the plan behind this is a purple rubber band you put on your wrist. Each time you complain you switch wrists the rubber band is on. Once you complete 21 days with out complaining you simply notify the church and they send you a certificate of happiness.

Now this doesn't mean you have to go 21 straight days without complaining, it's just simply 21 total days...oops did I say simply. I meant "ARE YOU KIDDING ME! Do you have any idea how hard this could be? Do you understand you're asking me, to do, this during, the Nebraska Cornhuskers' struggles on and off the field?"

As amusing as this sounds, the church has already received orders of these purple bands of over six million. Maybe I should stop complaining and give it a try.

Apparently the quickest to make it to 21 days took three months. I think this is a really unique attempt to reduce complaining which would in turn reduce stress, which in turn was result in a happier person.

Twenty-one days however, seems like an extremely long time. I think I'll start with 21 minutes and work my way up.

Have a great week everyone.

Football and political seasons overlap

By Ed Howard

Statehouse Correspondent
The Nebraska Press Association

The big-time football and big-time political seasons overlap this year.

The race for the U.S. Senate will eventually heat up.

The issue of Nebraska football is already so hot that Memorial Stadium could fall victim to spontaneous combustion.

Polls are a big deal in politics and football. A poor showing in the polls will often prod candidates for public office to do some fast explaining. Husker Coach Bill Callahan knows all about polls and how they can put a fellow on the spot, and leave him with some explaining to do.

President Ronald Reagan was famous for his role as "the Gipper" in a movie about Notre Dame football.

Decades later he used a line that became famous in politics, and that critics of Callahan are now asking his supporters.

"Are you better off now than you were four years ago?"

Myriad stories reflect the depth of feeling among some NU fans.

After this season's ignominious loss at Missouri, a down-at-heart Husker fan wrote to a newspaper:

"I am in a state of depression And I am glad my mom had passed and she wasn't forced to watch this sliding of our team to nothing."

That meets the "Wow!" standard by any measure.

Another critic made what we presumed was an erroneous choice of words when he wrote that NU needs players "that are born and bred in Nebraska."

Even the nation's chief executives have acknowledged the power of Nebraska football in politics.

On Jan. 14, 1971: President Richard Nixon was in Lincoln to present Coach Bob Devaney with the AP national championship trophy. When Nixon introduced Devaney, the ovation shook down more thunder than the crowd in

South Bend could imagine.

Nixon prompted another enormous round of roaring approval when he immediately turned to Devaney and said: "You ought to run for something in this state!"

Devaney's top-ranked protégés had gone undefeated, and Jan. 1 had defeated No. 2 Alabama, 38-6, in the Orange Bowl to win a second consecutive national title.

Oct. 16, 1974: President Gerald Ford was on a platform at the Lincoln airport with Devaney, who had just begun his tenure as athletic director. First-year NU Coach Tom Osborne had seen his No. 5 team lose to Missouri four days earlier, 21-10. Nebraska led 10-0 in the fourth quarter. The unranked Tigers scored four touchdowns in

the final seven minutes of the game.

Born in Omaha, Ford had been an All America lineman at Michigan. Coincidentally, Devaney had coached high school football in Ford's adopted state.

Ford said there was a clear similarity between public reaction to football and coaching.

"And if I might just say a word to Bob in that regard, I found that both as far as coaches and athletic directors are concerned, and politicians, that one day they will name a street after you, and the next day they will chase you down it!"

The Legislature eventually named a stretch of road the "Tom Osborne Expressway." Devaney's moniker was hung on the UNL ath-

letic center.

For the record: Nebraska finished the 1974 season ranked No. 8 and No. 9 in the polls. The Huskers also won a 13-10 bowl victory over the Florida Gators. NU trailed 10-0 going in the fourth quarter.

Osborne went on to win three terms as a GOP congressman. His campaign for the Republican nomination for governor fell short in 2006.

Update on the 2007 - 2008 political season: At this writing, Republican Mike Johanns had entered the U.S. Senate race. He said the polls showed him in good shape. Democrat Bob Kerrey hadn't announced whether he would run, and was keeping his polls to himself.

Make Halloween safe for kids

Halloween is a cherished tradition but the excitement of the night can cause children to forget to be careful. There is no real "trick" to making Halloween a real treat for the entire family. The major dangers are not from witches or spirits but rather from falls and pedestrian/car crashes. Many communities officially designate a "Beggars' Night" and assign specific hours for trick-or-treat activities.

Both children and adults need to think about safety on this annual day of make-believe.

Motorists

The Nebraska Safety Council urges motorists to be especially alert on Halloween.

- Watch for children darting out from between parked cars.
- Watch for children walking on roadways, medians and curbs.
- Enter and exit driveways and alleys carefully.
- At twilight and later in the evening, watch for children in dark clothing.

Parents

Before children start out on their "trick or treat" rounds, parents should:

- Make sure that an adult or an older responsible youth will be supervising the outing for children under age 12.
- Plan and discuss the route trick-or-treaters intend to follow.

Know the names of older children's companions.

- Instruct your children to travel only in familiar areas and along an established route.
- Teach your children to stop only at houses or apartment buildings that are well-lit and never to enter a stranger's home.

- Establish a return time.
- Tell your youngsters not to eat any treat until they return home.

- Review all appropriate trick-or-treat safety precautions, including pedestrian/traffic safety rules.
- Pin a slip of paper with the child's name, address and phone number inside a pocket in case the youngster gets separated from the group.

Costume Design

- Only fire-retardant materials should be used for costumes.
- Costumes should be loose so

warm clothes can be worn underneath.

- Costumes should not be so long that they are a tripping hazard. (Falls are the leading cause of unintentional injuries on Halloween.)
- If children are allowed out after dark, outfits should be made with light colored materials. Strips of retroreflective tape should be used to make children visible.

Looking Ahead in Wayne

By Lowell Johnson,
City Administrator

Next City Council Meeting

The next regular City Council meeting will be Tuesday, Nov. 6 at 5:30 p.m. in the council room.

Who will pay for our roads in the future?

Here is the problem:

- Drivers are buying more fuel efficient cars and trucks.
- People are driving less and sharing rides.
- Purchase of gasoline is trending downward reducing the gas tax available to build and maintain roads.
- This is the only funding we have ever used.
- The cost of concrete, fuel and equipment has risen as the result of new world wide wealth competing for these materials.
- The Nebraska Department of

Roads needs \$170 million per year to maintain existing bridges and roads.

• The revenues from gas tax are projected to drop below \$170 million in Nebraska before 2017.

- That will end new construction and reduce maintenance.
- For the long term, this is great for national security.
- What is a new and acceptable way to finance a highway system that the public will tolerate?
- Should it be user based as the current gas tax system is?
- No one has an answer yet that the public will accept.

All drivers must practice safety during harvest

With tractors, combines and other large equipment on the roads this harvest season, it is important both farmers and passenger vehicle operators use extra caution. The greatest threat when it comes to farm equipment and passenger vehicles is the difference in

Amy Topp
Extension Educator

may choose to install additional lights to increase visibility. It also is a good idea for farmers to keep off heavily traveled roads as much as possible and avoid moving equipment during the busiest part of the day.

However, other drivers also need to take responsibility. Passenger vehicle drivers need to think about what they are doing at all times and should not talk on cell phones while driving. A large number of roads traveled by farmers have loose gravel and soft shoulders or no shoulders at all. Therefore, passenger vehicle drivers should slow down and avoid quick turns or fast braking that could cause them to lose control of the vehicle.

Some farm equipment, such as combines, can take up more than half of the road, making it even more important that both drivers are aware of their own limitations and adjust accordingly.

Farmers should not take up more space than is needed, but other drivers should try to provide as much room as possible. It also may be a good idea for passenger vehicles to turn off onto side or field roads until larger machinery has passed.

Whenever possible, farmers should use an escort vehicle such as a pickup to precede or follow large machinery and equipment on public roads. More than one escort may be necessary. Ideally, the escort vehicle would have extra warning lights and a sign indicating oversized or slow equipment ahead or following.

Chelewski - Sebade married in Lincoln

Jessica Rose Chelewski and Christopher William Sebade were married June 2, 2007 at St. Mary's Catholic Church in Lincoln.

Father Kenneth Borowiak officiated at the ceremony.

Parents of the bride are Richard and Roselyn Chelewski of Ashton. Her grandparents are Mary Chelewski of Loup City and Kay Moraczewski of Ashton.

Parents of the groom are Ronald and Rhonda Sebade of Wayne. His grandparents are Cyril and Bev Hansen of Wayne and Maribelle and the late Gene Sebade of Emerson.

The bride wore a candlelight floor-length satin gown. The pick-up ball gown was strapless and featured a sweet-heart neckline with lace up the back and a sweep train. She wore an elbow-length veil and carried a bouquet of fresh roses in pink and red.

Andrea Hurt of Lincoln was Maid of Honor.

Bridesmaids were Sara Chelewski and Jennifer Tinsley of Lincoln, sisters of the bride, Jessica Sebade of Wayne, sister of the groom and Anne Jones of Lincoln and Stephanie Friesen of Loup City, friends of the bride.

Flower girls were Ryah Ostermeyer of South Sioux City, niece of the groom and Madeline Tinsley of Lincoln, niece of the bride.

The women's dresses alternated between chocolate and cranberry. There were floor-length tissue taffeta dresses. They had tissue taffeta tops, sweet-heart necklines with ruffled bodices and tissue taffeta ballgown skirts.

The women wearing cranberry dresses carried purple flowers and the women wearing chocolate dresses carried red flowers.

Personal attendants were Becky Kusek, friend of the bride and Holly Hank of Tea, S.D. and Robyn Ostermeyer of South Sioux City, sisters of the groom.

Jessica Sebade of Columbus, cousin of the groom, and Brooke Bonsall of Norfolk, cousin of the groom, were in charge of the guest book.

A reception was held at the Cornhusker-Marriot Hotel in Lincoln.

The couple took a wedding trip to Ochos Rios, Jamaica. They reside in Lincoln where the bride is employed at the Arthritis Center of Nebraska and the groom is employed as a framer for Huber and Sons of Lincoln.

The bride is a 2000 graduate of Loup City High School and 2003 graduate of Southeast Community College in Lincoln.

The groom graduated from Wayne High School in 2000 and Southeast Community College in Milford in 2002.

Mr. and Mrs. Sebade
Eric Ekberg of Wayne, friend of groom, was Best Man.

Groomsmen were Chad Sebade of Wayne, brother of the groom, B.J. Ruwe of Wayne, friend of the groom, Todd Sebade of Columbus, cousin of the groom and Danny Nolte of Wayne, Andy Palu of Lincoln and Jeremy McKinnis of Blair, friends of the groom.

Ring bearers were Liam Tinsley of Lincoln, nephew of the bride and Caden Hank of Tea, S.D., nephew of the groom.

Ushers were Jeffrey Chelewski, Nick Chelewski, Anthony Chelewski, of Lincoln, brothers of the bride and Jason Rethwisch and Daniel Johnson of Lincoln, friends of the groom.

The men wore black tuxedos with cranberry vests and ties. The groom wore a black tuxedo with white vest and tie.

Readers were Jeremy Sebade of Wayne and Ryan Durant of Omaha, cousins of the groom.

Organist was Amy Chelewski, cousin of the bride. Vocalists were Holly Hank, Robyn Ostermeyer and Jessica Sebade, sisters of the groom.

Scoliosis

A lateral curvature of the spine. Scoliosis affects boys and girls between the ages of 8 and 18. It is more common with girls. There are several causes of scoliosis, the two most common are congenital and habitual. Congenital scoliosis occurs when someone is born with a lateral curvature of the spine. Habitual causes are environmental or situational depending on the habits of the individual. Carrying backpacks improperly can contribute to a spinal distortion. Poor sitting habits and practicing poor posture can also affect spinal development in children. Signs of scoliosis are a high hip (uneven hips,) a high shoulder, the head being off center, head tilt, back and leg pain. Symptoms include: The spine curving abnormally to the side (laterally, shoulders and/or hips appearing uneven, backache, low back pain, fatigue and stooped posture.

Grace Evening Circle gathers

President Marilyn Rethwisch called the meeting to order when Grace LWML Evening Circle met Oct. 9.

Roll call showed nine members present, along with Pastor Carl Lilienkamp and guests Gertrude Vahlkamp and the Rev. Terry and Janet Borchard, Lutheran Bible translators.

Secretary Lanora Sorensen read the minutes of the Sept. 11 meeting, which were approved.

Lee Larsen gave the treasurer's report. It was approved and filed for audit.

Committee reports included: Valores Mordhorst for Social Committee, sent four get-well cards and one sympathy card.

Lee Larsen, with the Project Committee, ordered more boxed greeting cards and boxes of

Christmas cards have arrived.

Thanks were given to members who sang with the Ladies Aid ladies on LWML Sunday and for assisting with the large Mite Boxes for Mission boxes. They included Bea Kinslow, Lorraine Johnson, Lanora Sorensen and Mary Lou Exrleben.

Marilyn Rethwisch and Bea Kinslow reported on attending Guest Night with Trinity Lutheran ladies at Martinsburg on Oct. 2 and Lanora reported on attending Guest Night with Immanuel Lutheran ladies at Laurel on Oct. 3.

The Rev. Terry Borchard and Janet Borchard told of their Lutheran Bible Translators work in Pagua, New Guinea with the Ipili people, making a New Testament of the Bible in their lan-

guage to be printed soon.

Rev. Borchard has spent 38 years in New Guinea as a missionary and a Lutheran Bible Translator. Janet Borchard joined him there after they married in August of 1998 with the Ipili translation project. Earlier she worked on Bible translation projects in Taos Pueblo, New Mexico and with the Dhimba Bible translation project in Namibia in southern Africa.

In new business, ladies were invited to attend the Wayne Zone

LWML Fall Rally at St. Paul's Lutheran Church of rural Concord on Oct. 16.

Grace Evening Circle ladies will have election of 2008 officers at the November meeting.

Mites for Missions were collected with all reading a Mites Prayer. The meeting closed with all reading The Lord's Prayer.

The next meeting will be held Tuesday, Nov. 13 with Bea Kinslow in charge of the program and Mary Lou Exrleben as hostess.

Dave and Joyce Sievers display the sign announcing the Food Resource Bank activities at Our Savior Lutheran Church.

Harvest Festival to be held

Our Savior Lutheran Church, Wayne is having a Harvest Festival on Sunday, Oct. 21, beginning at 3 p.m.

This is an intergenerational event with intergenerational activities for all. This includes rides in the combine as the corn is harvested, a GPS scavenger hunt for youth, hayrack rides for everyone, old-fashioned autumn games, music and food around the bonfire.

The Harvest Festival will take place west of Wayne along Highway 35 just west of the KTCH radio tower in a field operated by Dave & Joyce Sievers - watch for the Foods Resource Bank sign. All are welcome to attend.

In conjunction with Foods Resource Bank (FRB) and Lutheran World Relief, several Our Savior farmers are donating the proceeds from a portion of their harvest for programming to help people feed themselves. Once harvested, the crop is converted into cash which is donated to FRB to supply seeds, tools, drip irrigation, animals and instruction to local villagers who work to create community gardens, wells, herds, etc. that will sustain them long-term.

In conjunction with the events, the congregation has released the following information.

Some hunger facts: 850 million people went to bed hungry last night. About 20 percent of them were children under the age of five, and every five seconds one of those children will die as a result of hunger and malnutrition - 11 million children a year - in a world

that produces 3,400 calories a day for every person alive. There is just too much food in the wrong place at the wrong time.

Although an absolute essential in an emergency, the long-term answer is NOT to ship it to where there is a need. Out of every dollar available to purchase food in the U.S. for shipment abroad, 60 cents is eaten up in administration, shipping and logistics. Long-term, food shipments can also lead to dependency. FRB helps people enjoy the dignity and hope of producing their own food, in a sustainable way, based on the particular needs of their own climates, land and cultural conditions.

FRB's goal is to engage the grassroots agricultural community in the U.S., along with individuals, churches and urban communities, to grow solutions to hunger problems in our world. FRB is a volunteer driven, ecumenical Christian response to world hunger. FRB works on behalf of its member organizations - 15 of the mainline Christian denominations or their agencies - to mobilize and increase the resources needed to support small holder, agricultural food security programs in some of the world's poorest villages.

Administrative grants and member contributions allow 100 percent of the cash from the harvested crop to go to programming, the goal of which is self-sufficiency - offering people in the developing world the opportunity to know the dignity and hope of being able to feed themselves.

Grace Lutheran Ladies Aid holds October meeting

The Grace Lutheran Ladies Aid and LWML meeting was called to order by President Delores Utecht on Oct. 10. Beverly Hansen led the group in prayer and gave the devotion "The League Prayer."

Roll call was answered by 21 members and Pastor Lilienkamp. The minutes of the previous meeting were read and approved and there was not a treasurer's report.

Rhonda Sebade will write Jacob Bobby at his new address.

Delores Utecht thanked Melvy Meyer for getting the choir together for LWML. A total of \$313 was collected for mites. She also thanked Millie Thomsen and Ellen

Heinemann for the banner they made for LWML Sunday.

Bonnadell Koch and Melvy Meyer are on the nomination committee and will be asking people to put their names on the ballot for president and secretary.

Mites were collected. Pastor Lilienkamp gave the lesson Reformation Bible Study taken from Ephesians 2:8-10.

Esther Baker and Melvy Meyer served lunch in October and KimBerly Hansen and Phyllis Nolte will serve in November.

The meeting closed with The Lord's Prayer and table prayer. The birthday song was sung for Esther Baker and LaVon Biermann.

Kayleen Roberts is the servant of the Rev. Johann Tetzels, played by Paul Karch.

Martin Luther comes to Wayne

A free, live performance about the life of the historic Martin Luther will be presented at Our Savior Lutheran Church in Wayne on Sunday, Oct. 28, at 7 p.m.

The eighth grade confirmation class has been rehearsing for several weeks, and in the process, has been learning about their church's history during the Reformation.

The 13 students present the adult Luther struggling to address

his issues with the church, primarily the selling of indulgences to buy forgiveness. Luther's own spiritual revelation concerns God's grace. The audience also see townspeople and young people of Luther's day who wonder about this deep thinker; and church officials from Rome who put Luther to the test. The public is invited to this drama, written by Sheryl Connolly of Wayne.

Joy Circle learns about Associate in Ministry program

Nineteen members of Joy Circle of Our Savior Lutheran Church met Oct. 9.

Hostesses were Lois Youngerman and Gloria Leseberg.

Mrs. Leseberg gave devotions from Lutheran Women of Today, noting "we are saved by grace alone."

Phyllis Rahn reported on the convention at Kearney that she and Dorothy Wert attended.

The group will support the Fair Trade by having coffee and candy that can be bought at the church. This and the Thankofferings will go to World Hunger.

Sue Stover presented a program describing her role in the ministry at Our Savior Lutheran Church. She is an Associate in Ministry, not a pastor. She is rostered in the ELCA. She needs to have a bachelor's degree, but does not need to have a master's degree.

She may not officiate at Holy Communion, marry or bury.

At the present time there are 17 Associates in Ministry in Nebraska.

For Lutheran World Relief, the Harvest Festival at Dave Sievers and some other farmers from the church will contribute to this fund.

Also, the eighth graders are putting on a Martin Luther play on the evening of Reformation Day.

Sue Stover also put together the Confirmation program.

Deanery meeting set for Walthill

The Rural Northeast Deanery of the Council of Catholic Women will hold a meeting on Tuesday Oct. 23 at St. Joseph's parish in Walthill.

Registration begins at 12:30 p.m., followed by a meeting at 1.

All the ladies of the parishes are invited along with the priest of each church.

notes from dianne

- You know that we don't decorate for Christmas until the day after Thanksgiving... but... the annual Swarovski Christmas ornaments have arrived - and we couldn't keep them in the box! If you know that you want one, call and we will set it back for you.
- Order your silk Thanksgiving centerpiece by November 1 and we will put your name in the drawing to have whatever you order at no charge!
- I noticed that the very day it started to get cooler, the knitting needles, crochet hooks and embroidery hoops started coming out again. DMC floss is flying out of here like crazy! Our class schedule is under way - Kaki's baby sweater class is great fun! Stop in to see project samples for crochet, embroidery, knitting and punchneedle classes that are coming up.
- many anne radmacher (yes, all lower case!) has just written a book. I would recommend it for anyone! We are expecting a new order of her posters and cards any day. If you are not familiar with her work, please ask us to direct you to it.
- Just in: A new shipment of 1928 jewelry. Fabulous. GREAT fall cookie jars, bowls, etc. from Park Designs. Aprons - and new eye pillows. Yarn - Oh-my-goodness, the yarn is wonderful. Beautiful new music. Gourmet Coffee - "roasted with passion" in Norfolk, Nebraska - by the Romance Coffee Company.
- You're always welcome to join us for "needlework night" (Thursdays from 5-8:00). Bring whatever project you are working on. It's a time to relax, stitch and enjoy the pleasures of the needle!

Program to be presented on Unitarian Universalism

A program entitled "Demystifying Unitarian Universalism" will be presented Thursday, Oct. 25 at First Unitarian church of Sioux City. The event begins at 7 p.m. at the church located at 2508 Jackson Street in Sioux City, Iowa. The program will include a brief video, a history, including historical anecdotes of Unitarianism and Universalism in Europe and America, followed by a question and answer session.

Organizers have noted that this will be "an entertaining and informative program for anyone in the Siouxland area with a questioning mind who is curious about this 450-year old historic faith." Speaker and facilitators include Marlene Sturdevant, Ginny Duncan and Alma Hatfield. Refreshments will be served during the evening. For additional information call (712) 258-3116 or email siouxcityuu@cableone.net

Anderson-Fett win wedding with Big & Rich

Tom Anderson and Brandi Jo Fett were united in marriage Sept. 15, 2007 in Nashville Tenn. at the Fontenel Mansion.

The groom is the son of Adeline Anderson and the late Leland of Winside. He is a graduate of Winside High School.

The bride is the daughter of Joe Fett of Altoona, Iowa.

The couple was a contest winner of a Big & Rich Wedding Giveaway. They were flown to Nashville and spent the weekend at the Hermitage Hotel. A limousine picked the bride up early in the morning and escorted her to the Mansion, formerly owned by country music star, Barbra Mandrell. She was pampered with a hair and make up team while the limousine returned to drive the groom to the Mansion.

The Bride wore an ivory two-piece lace dress with ivory cowboy boots. The provided flowers were a combination of spring flowers. The groom wore a charcoal jacket with a black dress shirt, striped tie and topped it off with a black cowboy hat.

Country music superstars Big & Rich sang their #1 song "Lost In This Moment" to the couple. Photography was provided by Mint & Sage Photographic Artists. Big Kenny from Big & Rich toasted the couple with a congratulatory toast.

The couple celebrated with friends and family on Sept. 5 with a wedding reception held in Pleasant Hill, Iowa. The reception hall was decorated with candles and purple rose petals. The wedding cake was a two tiered vanilla cake decorated with white icing with purple piping. Two sheet cakes were decorated with purple and white laced horseshoes. A barbecue dinner was served to approximately 250 guests. Toasting the couple were friend, Deb Moss of

Tom and Brandi Jo Anderson pose with Big & Rich following their wedding in Nashville, Tenn.

Des Moines, Iowa, Sean Fett son of the bride and Doug Anderson, brother of the groom.

The bride works for the Iowa Thoroughbred Breeders & Owners Association as the association executive secretary. She is also employed by leading thoroughbred trainer Dick Clark as an Assistant Trainer.

The groom works for Prairie Meadows Racetrack as an assistant starter and also as an exercise rider.

The couple will reside in Altoona, Iowa with Brandi's two children Sean Fett, 15 and Joey Fett, 11. They will honeymoon at Disneyworld in November with the boys.

TOPS group meets in Wayne

The TOPS #NE 200 met on Oct. 10 with eight TOPS and two KOPS members in attendance at the Providence Hospital Boardroom.

Leader Twilla Kessinger requested the meeting come to order and for the groups to recite their pledges. Roll Call was "Tell us the story behind your name."

Paula Haisch read the secretary's report and it was approved. Treasurer Tracy Henschke reported \$79.87 in the bank account.

Weekly stats for TOPS revealed that the two Best Losers were Phyllis Rahn and Jeannine Wriedt and they both received a coupon.

KOPS Dorothy Nelson was the Best Loser for KOPS.

The birthday this week was for Beverly Ruwe and members all sang "Happy Birthday" to her.

In new business, Beverly Ruwe read "New Beginnings" from Coordinator Joann Schwabauer of Lincoln. The Gold Star Chapter

Legion auxiliary holds October meeting

Irvin L. Sears Auxiliary #43 held its regular monthly meeting on Oct. 1 at the Wayne Vets' Club.

Due to the absence of President Teri Samuelson and Vice President Beverly Etter, the meeting was opened by Mabel Sommerfeld, Sergeant at Arms, with colors in place. The POW/MIA flag was placed on the table and a silent prayer was offered.

The Pledge of Allegiance and American Legion Auxiliary Preamble were recited together.

The minutes were read by Secretary Jean Lutt and approved. Treasurer Eveline Thompson gave the financial report.

Seventy-five people were served a chicken supper at the Veterans' Home in Norfolk on Sept. 24. The event was sponsored by the four local ladies' auxiliaries - American Legion, AmVets, DAV and VFW. Auxiliary members assisting were Mabel Sommerfeld, Dorothy Wert, Eveline Thompson, Bonnie Otte, Jean Lutt, Glenadine Barker and Verna Mae Baier. Others helping were Eddie Baier and Harold Thompson.

Ray and Mabel Peterson provided entertainment.

Virginia Nelson, a Nebraska Auxiliary member, was elected National Historian at the national convention in Reno, Nev. Also, an amendment, initiated by the Nebraska Department, was passed, providing funds for Junior members who attend national conventions. However, the amendment that would permit wives of the Sons of American Legion to join the Legion Auxiliary, was voted down at the national convention.

As noted in "The Star," everyone is encouraged to save top can tabs.

It was decided to discontinue the Little Red Schoolhouse March for scholarship at this time.

The meeting was adjourned. The next meeting will be held on Monday, Nov. 5 at 7 p.m. at the Vets' Club.

She has your eyes...
But do you wish you had hers?
More and more you see yourself in her, but are you seeing her clearly? Cataracts can be a discouraging imposition, especially when it comes to the important things - like watching your grandchildren enjoy life.
Cataracts affect over 80% of seniors. But they're no fun. Blurred vision, faded colors, and glare take away from enjoying the things that matter most.
Cataract surgery is one of the most common, successful, and brief outpatient procedures today. Paula Hicks, M.D., together with Drs. Koeber, Magnuson, Hopkins and Providence Medical Center, brings you the best in state-of-the-art cataract surgery.
Call Dr. Magnuson, Dr. Hopkins, or Dr. Koeber today to schedule your eye exam and cataract screening.
Because there's no time like NOW to rediscover youthful vision!

Mulholland - Schaefer are married in South Dakota

Megan Linn Mulholland and Joshua James Schaefer, both of Wayne were married Sept. 29, 2007 on the Missouri River in Pierre, S.D.

Kevin Disburg performed the ceremony.

Parents of the bride are Steve and Vicki Mulholland of Tecumseh. Parents of the groom are Kevin and Shelly Schaefer of Pierre, S.D.

Marissa James, sister of the bride, was Matron of Honor.

Bridesmaids were Mallory

brother-in-law of the bride and Michael Mulholland, brother of bride.

The bride is a 2002 graduate of Loomis High School and attended the University of South Dakota in Vermillion, S.D., majoring in criminal justice. She is currently the manager of Twin Theatres and Hollywood Video in Wayne. She is a member of the Nebraska National Guard and will be stationed with the 189th Transportation Company in Wayne after basic training in May.

The groom is a 1998 graduate of Riggs High School in Pierre, S.D. He attended the University of South Dakota in Vermillion where he earned a Bachelor of Science degree in English and History. He is presently the assistant manager of Twin Theatres & Hollywood Video in Wayne.

The couple is at home in Wayne while Megan finishes school at Wayne State College.

Minerva Club meets at Senior Center

The Minerva Club met at the Senior Center on Oct. 8 with Donna Hansen as hostess.

Fourteen members answered roll call by naming their favorite tree and telling why it was their choice.

President Marilyn Wallin opened the meeting by sharing examples of three word phrases and what impact these words can have "I'll be there," "I miss you," "I was wrong," etc.

Historical minutes from the March 16 and 30, 1936 meetings were read by Hollis Frese. These recordings indicate that members were encouraged to improve their taste in the fine arts especially by the choice of radio programs they listened to. At these meetings poetry was read and one-act plays were performed by a visiting class.

Fauneil Bennett reviewed the book, "Sarah's Song," from the Red Glove series written by Karen Kingsbury. This will be a springboard to projects during the year that reach out to others in kindness.

The birthday song was sung for Hallie Sherry and Phyllis Rahn. Hollis Frese extended a thank you for the get-well gift she received from the group.

Donna Hansen presented the program based on the book, "Four Spirits" by Sena Teter Naslund. The focus of this book was to make the reader experience the emotions of the characters as these characters lived the incidents of segregation in Birmingham, Alabama during 1963-64 and their struggle for civil rights. Mrs. Hansen asked each member what was going on in their life during these two years.

The next meeting will be the Senior Center on Monday, Oct. 22 with Marilyn Wallin as hostess.

Information shared on post-polio syndrome

I mentioned a Polio Survivor's Reunion last week, and want to expand on that, as we have been challenged to get information about post-polio syndrome in the news this week. Of course, I have an advantage there, and you readers will just have to bear with me. I haven't addressed this for a long time.

Post-polio syndrome has three hallmarks, the "unholy triad" of increased pain, increased fatigue, and increased weakness. The theory is that with time and therapy after the initial illness, healthy neurons took over for some of those that were knocked out by the virus. With age, and overuse, these neurons are wearing out. Makes sense to me.

Anyway, as I said last week, the room at the Field Club in Omaha where we were royally feted was a room full of courage, both of the polio survivor, and of his or her caregiver. One man at our table has been on a vent for years. Of course, ventilators today are so portable, those who have them can go anywhere they want, especially if they have power chairs, which he does. In fact, his chair lifts him up and reclines, just like the lift chairs you can buy for the living room.

Nationally, the polio survivors have launched an initiative for this week called "We're Still Here", reminding the policy makers that

though we've come a long way, there are still things to be done. As we were reminded last Sunday, 50 years ago, when polio in the U. S. was being beaten with immunizations, there was no such thing as the Americans With Disabilities

The Farmer's Wife
By: Pat Meierhenry

act. There were no cuts in sidewalks, no ramps or elevators into public buildings, no accessible public rest rooms. Today, we take these things for granted. In fact, some of us become a bit testy when they aren't available.

My polio survivor, the Big Farmer, does not do that. As a taxpayer, he recognizes that we cannot

make everything equal. But, we do appreciate the handicapped parking and the seating at Devaney, for instance.

We are concerned that there are still many countries that do not immunize, and we support Rotary International's goal of getting that done. Here in our own country, there are many children under the age of three who have not had the vaccine. It is required for school, but what happens if they encounter the virus before then?

There is a lot of evidence that even FDR was bothered by post-polio syndrome in the last years of his presidency. Of course, in those days, it wasn't identified as a syndrome.

Anyway, there is a state-wide website maintained by one of our members, Dr. Chip Mackenzie, that is linked to all kinds of information. It is www.ne-poli.org. If you, or someone you know, had polio years ago and is experiencing unexplained problems, do check into this site. Post-Polio Health International in St. Louis has awarded a grant to the University of Arkansas to look for a biomarker that would make a more definitive diagnosis of PPS. Many of the symptoms overlap things like arthritis, fibromyalgia, and other neurological conditions. In the meantime, remember We're Still Here!!

Equipment, bin maintenance important steps toward successful grain storage

As many farmers start harvest, it's critical they check the condition of harvest equipment and grain bins before bringing in the crop, a University of Nebraska agricultural engineering specialist said.

David Shelton, extension agricultural engineer at the Haskell Agricultural Laboratory near Concord, said keeping equipment and bins clean and in good working order is a critical first step in the harvest process.

"Your grain crop is a major investment that needs to be protected," Shelton said. "Grain quality does not improve in storage. At best, the initial quality can only be maintained. If you take the extra time to make sure conditions are good for storing grain, then you are protecting that investment."

Proper storage begins with the condition of the harvested grain, including moisture level and how it leaves the combine and then is transported and handled.

Producers should thoroughly clean their equipment and make adjustments to minimize grain damage and maximize the removal of foreign materials.

"So many of our insect and other problems in storage are the result of damaged grain," Shelton said. "Producers need to minimize the amount of grain that is cracked during combining and handling. Proper adjustments and management, such as combine adjustments and making sure transfer augers run at full capacity, help reduce damage and make grain more storable."

He said grain carts, augers, trucks, combines and other harvest equipment should be free of all traces of old grain.

"That grain left over from last season can be a source for mold or insect infestation," Shelton said. "Over time even a small amount of insect eggs or mold spores can contaminate a full bin of grain, especially if the grain is a little on the wet and warm side."

Grain bins also should receive a thorough check-up and cleaning, including removal of all old grain, he said. Never mix new and old grain.

"You can keep and manage old grain, but it should be kept in a separate storage bin," Shelton said. "There is a high risk for insect development over time. It's unusual for a major insect infestation in the first year, but after that the risk goes up dramatically."

Ideally, grain should be stored in several small bins rather than a few large ones.

"Smaller bins provide for better management," Shelton said. "It gives producers more options for moving and storing grain, and if one bin goes bad, the loss is not as great."

After removing the old grain, it is particularly important to check under the perforated floors for accumulations of broken kernels and other materials that can be a breeding ground for insects and mold.

Shelton said a few simple tools such as brooms, shovels, and a good shop vacuum are effective in cleaning equipment and bins, and a high pressure air hose can be used for those hard-to-reach spots. He discouraged the use of power washers on bins and harvest equipment because they can create moisture and corrosion problems.

Ideally, perforated bin floors should be removed for cleaning. If that is not possible, and there is evidence of insect activity, the empty bin should be treated or fumigated before filling. This should be done as early as possible, because some chemicals require a waiting period of up to two weeks after application before adding grain.

"It is absolutely essential that applicators follow the label on these chemicals," Shelton said. "Only a very few are appropriate for soybeans. Most are labeled specifically for corn or sorghum."

With improper use you run the risk of contamination of food materials as well as the loss of time and money.

Checking around the bin site is also an important step before harvest. "Remove spilled grain and other debris such as old boards or tall grass that might provide hiding areas for rodents and insects," Shelton said. "It may also be necessary from time to time to re-grade around the foundation to make sure water drains away from the bin."

He said bin foundations should be inspected for cracks or other structural problems. Anchor bolts should be tightened, and any gaps that could provide entry for rodents or insects should be sealed. Electrical wiring should also be checked for wear, and all wiring at entry and exit points should be sealed against weather and pests.

"Check fans, heaters, transitions, and ducts for corrosion and damage," Shelton said. "Remove any accumulated dust and dirt. Be sure all joints in the duct-work are tight; otherwise the aeration or drying air will short-circuit, reducing the operating efficiency."

Preparing bins and equipment for harvest is not a major effort, he said. It just takes time and a bit of perseverance.

"It needs to be done right now," Shelton said, "because you don't want to be surprised by a bin that is corroded or dirty, or equipment that doesn't work correctly."

4-H News

COUNTRY CLASSICS 4-H CLUB

The Country Classics' first meeting of the new 4-H year was held on Oct. 14. There were two new members, Marta Pulfer and Michael Kinesche. Roll call was your favorite cartoon character.

The club elected new officers for the next year. President is Maddie Jager, Vice-President is Jacob Pulfer, Secretary is Megan Loberg, Treasurer is Jorge Dunklau, News Reporter is Luke Pulfer, Historian is Samantha Dunklau, correspondent is Andrew Pulfer and the flag leader is Marta Pulfer.

The club will meet Monday after school to assemble the 4-H display in the public library window. They will also be making Fantasy Forest ornaments at the next meeting.

The club voted on four new goals for the coming year. They are helping with the Food Pantry, cleaning up trash along the bike trail, collecting pop tops, and entering a float in the Chicken Days parade.

The next meeting is Sunday, Nov. 4 at the Northeast Public Power building with Ande Schultz as hostess.

GOD SENDS US HOPE FOR TOMORROW

On the wings of death and sorrow God sends us hope for tomorrow-- And in His mercy and His grace, He gives us strength to bravely face, The lonely days that stretch ahead And know our loved one is not dead, But only sleeping and out of sight In that land where there is no night. Day by day I realize more and more that nothing really matters in this life except love--The love we receive from God--the love we receive from others and the love we give in return. It is with deep gratitude that I wish to Thank everyone for the acts of kindness and caring given to our family at the time of Don's sudden passing; the prayers, hugs, visits, phone calls, food, flowers and memorials were unbelievable and will never be forgotten by our family. May God Bless each and everyone of you through Faith, Hope and Prayer. Sandy Lenz Todd and Nicole Tami and Damian

PROCEEDINGS WAYNE BOARD OF EDUCATION REGULAR MEETING

October 8, 2007
The regular meeting of the Wayne Community Schools Board of Education was held at the Wayne High School, Wayne, NE on Monday, October 8, 2007 at 7:03 P.M. Notice of the meeting and place of agenda was published in the Wayne Herald. The notice was also posted at Wayne High School, State National Bank, and Wayne Post Office due to the Wayne Herald misprint of the meeting time. The Nebraska Open Meetings Act is posted for the public to read.

The following board members answered roll call: Mr. Mark Evetovich, Mrs. Kelly Kenny, Dr. Carolyn Linster, Mrs. Kaye Morris, Dr. Jerry Nelson, and Dr. Jodi Puffer.

Adoption of the Agenda: Motion made by Linster, second by Puffer to adopt the agenda as presented. Motion carried.

Approval of Minutes from Previous Meetings:

Special Meeting - Budget Hearing and Budget - Sept. 10 — Motion by Nelson, second by Evetovich to approve the minutes from the Special Meeting Budget Hearing and Budget from September 10, 2007. Motion carried.

Special Hearing to Set Final Tax Request - Sept. 10 — Motion by Kenny, second by Puffer to approve the minutes from the Special Hearing to Set Final Tax Request on September 10, 2007. Motion carried.

Minutes from Regular Meeting - Sept. 10

— Motion by Linster, second by Puffer to approve the minutes from the regular meeting on September 10, 2007. Motion carried.

Pre-Scheduled Communications from the Public: None.

Communications from the Public on Agenda Items: None.

Routine Business Reports and Actions:

Personnel:

Amy Jackson — Presentation of Art Work — Mrs. Jackson's art students presented three different designs to be voted on by the student body. The chosen design will be hung above the lockers across from the high school library.

Financial Claims and Reports: Motion made by Kenny, second by Linster to approve the financial claims and reports as presented. Motion carried.

Milo Meyer Construction - Dirt Work (Value) — The Board of Education would like to thank Milo Meyer Construction for the dirt excavation work they did south of the high school parking lot. This donation of time and dirt is valued at \$3891.25.

Bids and Contracts:

Gill Hauling
Waste Connection, Inc.

Refuse Bids — Motion by Puffer, second by Nelson to accept the bid from Gill Hauling of \$4860.00 for 12 months service with monthly payment of \$405.00.

Pre-Scheduled Communications from the Public: A student spoke regarding getting out for state softball. They would like to see school let out so all students can attend the games.

Communications from the Public on Agenda Items:

Informational Items or Reports:

Faculty - None

Administration

Mrs. Lutt — Mrs. Lutt reported that October 30, 2007 will be the Nebraska Lead Peer Review of STARS Math assessments at 8:30 a.m. at the middle school conference room. Five staff members and administration will make up the assessment team.

Mr. Hanson — Mr. Hanson reported that the CDDC has been scheduled for October 10, 2007 from 1:30-3:30 p.m. Student Council, National Honor Society and FRIENDS will help decorate pumpkins on October 8.

Parent/Teacher Conferences went well with 50% attending. Power Team will be having an assembly on November 15 at both the middle school and high school.

Mr. Krupicka — Mr. Krupicka reported that Parent/Teachers conferences went well. The FRIENDS officers went to the Oaks to help decorate pumpkins. Fifth graders will be traveling to Lincoln, Nebraska to tour the Capital and State Museum on October 11. CDDC will present to the 7th and 8th graders on October 31.

Mr. Schruink — Mr. Schruink reported that October 8-12 is National Hot Lunch week with parents eating with their students on designated days. The end of the first quarter is on October 18. Red Ribbon week is October 22-28. Elementary report cards will be handed out on October 26th. On November 9 there will be a Respect 2 Assembly.

Mrs. Ballinger — Mrs. Ballinger reported that in SPED the 1st round of universal screening is complete for grades K-6. A new SPED student at the elementary will be starting in late October and one student moved out of the district. On the ESL side there are 3 new non-English speaking kindergartners. Monday's staff development is going well. Mrs. Ballinger presented a Power Point presentation to the board regarding the Data Retreat with students from 4th, 6th and 11th scores on the Terra Nova test, Reading and Math standards, Statewide Writing Assessments.

Mr. Ruhl — Mr. Ruhl reported that he has sent out letters to Contributors asking them if they would like to buy advertising in the high school gym. The size of the sign will be two feet by six feet. The cost of the advertising will be \$350.00 per year paid annually for four years for a total of \$1400.00. The initial cost of the sign will be covered with their initial contribution. Another option for payment would be paying one full payment of \$1000.00 at the initial sign-up for a savings of \$400.00 over the four year period. When the lease runs out after four years, you may renew your lease for another four years at the same rate if you plan to keep the original sign. If the sign is changed the rate is subject to change. Mr. Ruhl also reported about fall sports. Girls' Softball will be going to state in Hastings, Nebraska, October 11-12. The football boys have two games left to play and they are Thursday night games. Cross Country will be attending district in Norfolk at Skyview Lake, October 11. In volleyball, the Mid-States Conference schedule will be out soon. The conference will be October 22-23. There were no girls' golf state qualifiers.

Superintendent

Dr. Reinert
Dr. Reinert reported that on behalf of the Wayne School District, he wrote a letter to the Center of Medicare and Medicaid Services to allow Federal Medicaid payment for administrative activities performed by school employees or contractors, as well as for transporting disabled students from home to school and back. He suggests that you contact your congressmen: The school district sold a used 15 passenger van to the fire department. The district will have to replace this van with possibly two mini vans due to the state regulation changes. The modular has been advertised for sale. We are presently waiting for two bids to come in regarding the modular sale.

Motion was made by Scott Hurlbert and seconded by Dean Burbach to pay all bills as presented. Motion carried.

Robert Baier was present to express concerns about the condition of the alley at the back of his property. Neighboring property owners will work on improvements there.

Jeff Hrouda, Attorney will be contacted by Mark Tietz to clarify some of the steps that may be taken to correct some of the nuisance issues and to collect the overdue utility bills.

Motion was made by Jim Fernau and seconded by Kirby Hall to have a letter sent to Sandy Ketelsen, regarding problems with her property. All present voted approval.

There was no report from JEO on the lagoon study. A flow meter has been set up. The study may not cost the full amount of the grant, and it may be possible to have a camera study of sewer lines done.

Broken boards on the merry-go-round will be replaced.

Terry Meade has been appointed Street Superintendent for the year 2007-2008.

The auditorium will be opened for walkers when weather gets bad.

Wayne Hankins has been contacted to put new vent pipe on the heater at the library. Bids will be taken for sidewalk replacement at that building. These were some of the recommendations of the insurance company to reduce liability.

A motion was made by Dean Burbach and seconded by Jim Fernau to post a notice to dog owners that dog licenses are required. All present voted approval.

An ordinance relating to all terrain vehicles on village streets was discussed. Motion was made by Scott Hurlbert and seconded by Dean Burbach to adopt this ordinance. After further discussion this was tabled until this can be brought up with the attorney.

The vacant house at 311 Nebraska Street needs to be barricaded. The owner is planning to have this done. Water has been turned off and the power company has been asked to disconnect the electricity.

Motion was made by Dean Burbach and seconded by Scott Hurlbert to charge \$5.00 per month for water used for livestock, up to 12 head. All present voted approval.

Members reported favorable response to the survey letters that were distributed.

Motion to adjourn was made by Jim Fernau and seconded by Scott Hurlbert. All present voted approval. Meeting adjourned at 9:05 p.m. The next regular meeting will be at 7:30 p.m. on October 10th at the Fire Hall.
