Dunk Schrunk Day

Second grade students at Wayne Elementary took little heed of the warning that dunking their principal, Mr. Schrunk, would result in a detention. They, and each of the other students at Wayne Elementary, took turns trying to dunk the principal to raise funds for the American Cancer Society's Relay For Life. A total of \$510.07 was collected by the students and Mi. Schrunk agreed to add an additional \$100 toward the event.

Black Hills Energy making improvements to natural gas distribution system

Black Hills Energy is increasing the pressure it uses to distribute natural gas in Wayne from an ounce system to a 10pound system, upgrading some district regulator stations in the downtown area, and replacing approximately 3,600 feet of steel main and 110 steel service lines with new plastic main and service lines.

The benefits of the improvements are increased natural gas service reliability during times of high demand and additional capacity to better support Wayne's future growth. The improvements also enhance the safe delivery of natural gas in the community.

As part of the project, natural gas meters for approximately 60 customers were moved outside their home or business, making meter reading more efficient. Additionally, Black Hills Energy installed or replaced natural gas equipment on the meter sets of approximately 50 other customers with minimal disruption of service to support the conversion to higher pres-

"Natural gas is America's primary home

most industrial heating and application processes," said Scott Zaruba, north region operations manager for Black Hills Energy. "Adequate community infrastructure, including for natural gas, is necessary for economic development and growth. Our investment in Wayne will support future growth in the community and increase the reliability of the natural gas service we provide.

Black Hills Energy began work in the community in June and expects to finish this fall. "We worked hard to minimize lane and alleyway closures during the project and we appreciate the patience of the community as we complete the work," said Zaruba.

Black Hills Energy, a division of Black Hills Corp. (NYSE: BKH), serves 197,000 natural gas customers in 110 eastern Nebraska communities. Black Hills Corp. a diversified energy company - is based in Rapid City, S.D., with corporate offices in Golden, Colo., and Omaha. The company serves 750,000 utility customers in Colorado, Iowa, Kansas, Montana, heating fuel and the preferred fuel for Nebraska, South Dakota and Wyoming.

Martha Krueger will be having her 107th birthday soon. She was born Sept. 15, 1901, the oldest of three children, born to German parents August and Anna Krueger at Winside.

As was the custom in those days, Martha's education ended before the sixth grade. She was baptized May 4, 1902 and confirmed April 6, 1916 in German at a Lutheran church in Winside. She worked hard keeping house for many people in the Winside area. She said "sometimes she had to milk cows, even picked corn with horses and wagon."

Martha later moved to Wayne and eventually lived at Villa Wayne for many years,

Red Cross in need of funds to continue responding

The American Red Cross has been responding to the needs of many people affected by the recent hurricanes. In late August, Hurricane Gustav headed into the Gulf of Mexico towards the Gulf Coast. Soon after, Hurricane Gustav formed, as well as Tropical Storms Hanna, Ike and Josephine. Close to a million people are without power.

The American Red Cross has a major feeding effort of over 600,000 meals a day ongoing, which will cost them \$20,000 -

\$30,000 each week. On Sept. 3, they had 34,000 in shelters in 12 states. Red Cross emergency assistance is being made available and that includes sheltering, mobile feeding, clean-up kits, emergency financial assistance, emotional counseling and sup-

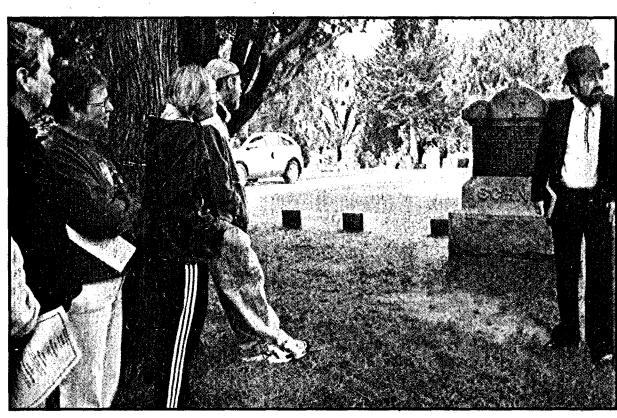

Red Cross chapters in Nebraska and southwest Iowa have been respondingto the effort. Thirty-two trained volunteers have been deployed and four ERVs (Emergency Response Vehicles) have been

deployed. The Response Center Enterprise located in the Heartland Chapter (in Omaha) has been answering calls for assistance from displaced residents as a result of Hurricane Gustav through the National Disaster Inquiry Line, 1-866-GET-INFO.

The American Red Cross is in desperate need. They are told the power outages could take two to eight weeks to restore. So far, Red Cross has spent over \$85 million. Powerful storms have been hitting the U.S. one after another with little repriève.

The Red Cross isn't able to keep up with the cost of helping so many people so is borrowing money so they can continue to respond.

Please consider helping the Red Cross by making a financial gift to the American Red Cross Disaster Relief Fund by going to: www.redcross.org, by calling 1-800-REDCROSS or by dropping off donations at the local chapter at 106 West 3rd in

Nebraska's kids encouraged to walk, bike to school Oct. 8

Everyone is being encouraged to join children and adults around the world this Wednesday, Oct. 8 in celebrating International Walk to School Day.

Nebraska schoolchildren and parents can join along with kids at more than 5,000 U.S. schools and 40 nations by walking to school to promote a healthier lifestyle. Walking to school is a great way to be part of a global event to promote health, to identify safer routes for walking or biking and to improve air quality.

Parents, educators and community leaders are encouraged to help celebrate International Walk to School Day by organizing an event in their community where walkers can meet to walk together along safe routes Oct. 8.

The Safe Routes Nebraska website, www.SafeRoutesNE.com has great resources for schools and communities, including ideas about how to create meaningful events and links to the National Walk to School program. The site also allows those participating in International Walk to School Day to register their event and find out what other schools are participating in Walk to School Day programs in the United States.

Walk to School events are designed to create safer routes for walking and bicycling and to emphasize the importance of issues including the continuing need to increase children's physical activity, pedestrian safety, traffic congestion, concern for the environment and building connections between families, schools and the broader community.

Parents can also take individual steps to encourage a healthier lifestyle by walking with their child to school on International Walk to School Day. Walking to school with children is not only an ideal way to kick-start a healthier lifestyle; it's also a great way to start the day.

The 2008 event marks the 12th International Walk to School Day. What started with one school in Chicago has grown to almost 4 million participants across the globe.

Statewide Walk to School events are conducted as part of Safe Routes Nebraska, which is a part of the National Safe Routes to School

Neighborhood fundraiser

Several school children in the Westwood Addition recently held a neighborhood fundraiser for the Wayne Education Boosters (WEB) program. The children wrote, directed and presented a play called, 'The Perfect Pet.' After the play, a barbeque was held. Plans are already underway for next year's fundraiser. Presenting the money raised to Mandi Fernau, President of WEB, are from left to right, Shanda Lambert, Mandi Fernau, Ben Krupicka, Emily Matthes and Megan Lambert. Not present were Tanner and Trevor DeBoer and Kody Frahm.

Public Health Partnership addresses parenting education

Nebraska Partnership for Healthy Communities (NNPHC) meeting was held recently in Wayne. Partners at the table include healthcare agencies, human service organizations, churches, schools, community organizations and interested individuals. The goal of NNPHC is to work

together to meet health and human service needs in Cedar, Dixon, Thurston and Wayne Counties.

The Partnership was updated on the newly launched "Parenting Wisely" curriculum. NNPHD wrote and has received a mini-grant from Region 4 Behavioral Health Services to provide a computerbased parenting program for fami-

lies free of charge.

"Parenting Wisely" is a highly respected program that is available on a CD-Rom in English or Spanish. The CD plays short video clips via computer showing typical family conflicts and helps parents choose the appropriate response. The entire program can be completed in three to four hours and can be taken in separate sessions if that is more convenient.

Several copies of "Parenting This article is the first in a series to Wisely" were purchased through inform people of the activities of the grant and are available NNPHC (a.k.a. "The Partnership"). through school counselors or school nurses via ESU#1. Goldenrod Hills Community Action, the Wakefield Family Resource Center, and NNPHD also have copies in English and Spanish. The programs are divided into young children (ages 3 - 9 years) and teens (ages 9 - 18 years). \$20 incentive gift cards to local businesses are available for parents reviewing the series while supplies last. Please call NNPHD for more information, (402) 375-2200.

NNPHC is made up of six Task Force groups, each focuses on different public health issues. The Task Force "Children and Families First" addresses issues such as this one and was important in securing the funding for the "Parenting Wisely" project.

Other agenda items at the NNPHC meeting included discus-

Wayne Q125 committee holds meeting at The Coffee Shoppe in Wayne

By Lynn Sievers Of the Herald

Wayne Q125 committee met Tuesday night at the Coffee Shoppe in Wayne. Among topics discussed was Mayor Lois Shelton informing the group of the availability of a U.S. Postal Service cancelation postmark in commemoration of the city's Q125. She noted drawings (2x2.5 inches) need to be submitted by Dec. 1. Jane O'Leary has been working on a Q125 logo and showed ideas to the group. Discussion included the possibility of the logo being on the postmark. The mayor noted there could be a special postcard too.

Lauren Lofgren showed an example of the calendar the library would sell which features photographs of Wayne, history of the city, special dates and happenings through the years.

Fauneil Bennett discussed fundraising ideas that she and Ken Liska had as well as spending money on a chautauqua, which people have expressed as not such a good idea. O'Leary thought there's enough local talent it's not necessary to pay for that but instead plan our own, which she would look into. Kent Blaser noted Nebraska Humanities has a Speakers Bureau and could utilize that. Irene Fletcher asked about Labor Day and if that's when this would be planned.

Deb Dickey added that with the Spirit Walk, that's already developed, maybe something could be worked out there. Fletcher wondered if a pageant was envisioned for Labor Day. Tony Kochenash, chair, said he had someone suggest having events a week after Labor Day (9/11). O'Leary stated that is too late and you can't please everyone. Football games were discussed and Curt Frye noted WSC

(Labor Day). It was also noted the Nebraska game is in Lincoln then too. O'Leary felt competing with games isn't good.

Tom Roberts brought up an allschool reunion and that Wayne High and Hahn had one in the past (in June). He wondered if one was planned in 2009, where would they put everyone? Frye was asked about WSC but he noted dorms are busy in June if it would be then. Pat Cook noted the Garden Tour is set for June 20-21.

Getting back to Labor Day weekend, Deb Dickey noted they had a float in the Concord Q125 parade and had trouble finding people to be on it that weekend. Kochenash announced that Stacy Craft and Cathy Varley agreed to be in charge of the Q125 parade. He said if activities were on 9/11 instead, maybe churches could have a special community-wide faith service. Others added the idea of having a box-social after.

O'Leary thought the date of 9/11 was too late. The date of Aug. 7,8,9 was brought up instead. Blazer noted he's on the WSC 100 year (2010) centennial committee and said they are planning on activities starting fall, 2009 so there could be some overlap with the Q125 celebration.

Frye discussed having a BBQ contest. He noted from the Kansas City BBQ website, there were 12 plays Kearney in Wayne that day contests this year on Labor Day

weekend, which that too could be a problem. Moving the date to August could be a good idea. Having the contest here would cost \$300. Was the committee wanting to feed people or entertain? Fletcher stated maybe a steak fry would be good. The idea of having vendors barbecuing was discussed, as well as getting someone from the food channel to come to Nebraska the beef state. O'Leary asked if we wanted to entertain or bring people back to reminisce? A vote was taken on having a celebration on Labor Day or in August and Aug. 7,8,9 won. The mayor checked and found nothing is planned at this time for the auditorium for that date in August. The parade would be on Saturday (evening possibly),

Also discussed was the possibility of working with WSC on events during Black History month in March, Spirit Walk (April), Plainswriters Series at the college (April).

Lofgren noted they have been looking for script from the Wayne Centennial pageant and if anyone has a copy to please let her know at Wayne Public Library.

Dickey said she talked to Wayne teachers and they want to work with the committee to include students into Q125 plans. She noted Tracy Anderson wants to know what the group would like her choir to sing. Fundraising was discussed further with mention of applying observes Hispanic for grants, how much the calendars would sell for. It was noted a good time to sell them would be at: Rotary Soup Supper, Dec. 4, Library Wreath Sale, Dec. 8 and Optimist Soup Supper (following the Parade of Lights, Dec. 11).

Garwood added the budget looked good and recommended the board to adopt it. Board member Carolyn Linster made a motion to close, Jeryl Nelson seconded the motion and it carried unanimously.

There will be a special meeting on Sept. 17 at 7 a.m. to approve the budget and tax request. Linster made a motion to adopt the agenda for the tax request, Nelson seconded the motion and it passed unanimously.

Dr. Reinert discussed the budget noting that 2008-09 proposed taxes were up. The public hearing on setting the final tax request opened with no public comment. Kenny made a motion to close the hearing, school board member Mark Evetovich seconded the motion and it passed unanimously.

The regular school board meeting was at 5:30 p.m. Kaye Morris, president, stated there would be executive session on personnel performance and on personnel evaluations. Linster made a motion to approve the agenda, Pulfer seconded the motion and it carried unanimously. Pulfer noted a change needed to be made in the minutes. Evetovich made motion to approve the minutes with the correction, Kenny seconded the motion and it carried unanimously.

On personnel, Dr. Reinert recommended they look for para substitutes in Special Education, maybe from WSC. He would like to start a pool but hasn't looked into the cost. Nelson wondered if they were down on paras and Misty Beair, Special Education coordinator, noted they were. Nelson made motion to approve the request for paras, Evetovich seconded the motion and it carried unanimously.

There was more discussion on paras and it was noted a half time para is needed in the elementary school to help with language as there are new students who can't speak any English. Pulfer made a motion to hire a half time para contingent on the numbers. Linster seconded the motion and it car-

salaries and operating expenses; ried unanimously. Linster made special building fund has to be used a motion to approve the financial claims, Kenny seconded the motion

and it passed unanimously. Daryl Schrunk, elementary principal, stated they received a gift of \$650 from Herman Chiropractic for

needed supplies. GNSA (Greater Nebraska Schools Association) dues of \$200 were discussed. Nelson made a motion to pay the dues, Linster seconded and the motion passed unanimously.

Public comment was opened on agenda items. On the topic of getting an elevator or a lift at the high school, Shannon Gibson discussed options for fundraising and noted their committee would like to help. Schulz wondered if the school foundation could help. They also wondered about a timeline, when a decision would be made and when construction would start. Dr. Reinert offered pros and cons on the project including time constraints with the lift and that two people are needed to operate it. Good comments were offered on the elevator at the Middle School; that it holds more than one wheelchair and that one person can operate it. The down side is an elevator costs more than a lift (\$200,000 • \$250,000 compared to \$100,000 • \$150,000). He said they're not sure they can fund getting an elevator; that they may be short \$30,000 -\$50,000.

Evetovich offered it would possibly be two years before a student needing it entered high school so why not have fundraising during that time. Morris noted they needed bids so they know what they are looking at for sure. Discussion was held on Special Ed/IDA funds helping. Chris Connolly, legal counsel, said once bid process starts, they are pretty much committed to doing something. Dr. Reinert noted a decision would be made at the next meeting.

Future agenda items include elevator and lift and policy 5319 (anti-bullying). The next meeting of the Wayne Community Schools Board of Education will be on Monday, Oct. 13 at 5:30 p.m. at the high school in Wayne.

Drive is scheduled for Thursday, Sept. 17 from 2 - 7:30 p.m. at the Armory in Wayne.

With just 38 percent of the population eligible to give blood, and just a fraction of those eligible actually donating, the American Red Cross is asking eligible blood donors to give blood more often.

"The average blood donor gives less than two times a year, yet you can donate every 56 days," said Johnny Keifer Donor Recruitment Supervisor for the American Red Cross. "It's important for those who can donate to give regularly to help ensure that blood is available for patients in need."

The upcoming blood drive is a great way to support hospitals in Northeast Nebraska. Please help out in a way that can be life changing for all of those involved. The local Jaycees need your support in making their blood drive goal. "The Fall blood drive in Wayne has

the Wayne Jaycees and we cannot thank them enough for their efforts in providing the gift of life." stated Johnny Keifer.

To donate blood you need to be 17 years old, 16 with a signed Red Cross parental/guardian consent form where state permits, must weigh at least 110 pounds and be in general good health. A blood donor card or driver's license, or two other forms of identification are required at check-in.

All blood types are needed to ensure a reliable supply for patients. The Red Cross believes that all blood donations are important and that people should donate whenever and wherever possible. CALL TRISHA AT 375-1477 FOR AN APPOINTMENT or you can call 1-800-GIVE-LIFE or visit givebloodgivelife.org to make a blood donation appointment or for more information.

WSC improves to 2-0 overall and 1-0 in NSIC

Dragons slayed 28-21 by Wildcats

By Casey Schroeder

The Wayne State College football team improved to 2-0 overall and 1-0 in the Northern Sun Intercollegiate Conference (NSIC) following their narrow 28-21 victory of MSU Moorhead on Sept. 6 at Cunningham Field in Wayne.

advantage on offense, the visiting Dragons kept the ball game close due to three WSC turnovers.

"There were a lot of good things and the bad things weren't that many, it is just that they were so glaring, so obvious that those are the things we have to get cleaned up" said WSC football head coach Dan McLaughlin.

""We don't have a one-man team by any stretch of the imagination, we've got several good players who are playing well. And if we can just clean up the mistakes I think we'll be pretty good.

WSC opened the scoring midway through the first quarter when Silas Fluellen found Logan Masters on a 15-yard scoring strike to cap a five play, 60 yard drive following a Dragon fumble by Enol Gilles that put the Wildcats ahead 7-0 with 4:36 left in the first quar-

The Wildcats then struck again later in the first quarter when Fluellen hit Eric Meyer with a 38 yard touchdown pass that put the 'Cats up 14-0 with 1:39 to go in the first quarter.

MSU Moorhead, however, took advantage of a botched punt snap by the Wildcats late in the second quarter, that put the ball into play for the Dragons at the WSC 35 yard line with 2:45 remaining in

The Dragons then marched 35 yards down field on four plays where MSU Moorhead quarterback Craig Kutz connected with Bruce Green on a nine-yard scoring play, cutting the 'Cats lead to 14-7 with 54 seconds left in the quarter.

However, the Wildcats fought with a five play, 62 yard drive that was capped off with a 16 yard touchdown pass from Fluellen to Masters to give WSC a 21-7 lead going into halftime.

Following a dominant second quarter performance by WSC, the Wildcats got off to a skiddish start in the third quarter as they turned the ball over on their first possession of the game.

MSU Moorhead with the ball in hand capitalized on the Wildcat blunder by marching 22 yards on just three plays to score as Kutz found Tyrone Small for the 14-yard touchdown which trimmed WSC's lead to 21-13 with 11:47 left in the third quarter.

Later on in the quarter, it was WSC who put together a four-play, 97 yard drive as Fluellen found a wide open Brian Chapman on a 75yard pass from the line of scrimmage that gave WSC a 28-13 lead with 6:58 to go in the quarter.

"Offensively we were a little surprised at being able to throw the ball as well as we did," McLaughlin

"They probably have the best safety in the league...but he was more committed to the run and so we were able to throw it over their heads a couple of times.

The final score of the game came late in the fourth quarter when Despite the Wildcats' sizeable MSU Moorhead moved 70 yards on 11 plays, before they capped off the drive with a five-yard pass from Kutz to Nick Scharpf to make the score 28-21 with 2:05 left to play.

The Dragons then tried an onside kick, but the ball was recovered by the Wildcats' Logan Masters where WSC went on to preserve the 28-13 win.

WSC had 469 yards of total offense while holding MSU Moorhead to just 215 yards.

The Wildcats had 154 yards rushing and 315 passing while the Dragons were limited to just 28 yards on the ground and 187 yards through the air.

"Anytime you have 400 plus yards in total offense you should have more then 28 points," Chapman said. "So we were definetly disappointed as an

Fluellen finished the game completing 19 of 32 passes with four touchdowns and one interception for 315 yards.

"Silas was hot and cold and there was no medium. On the surface he threw for 315 yards and four touchdowns, but then he also turned it over," McLaughlin said.

"We just have to get him to understand that he doesn't need to be spectacular, but he just needs to be solid and he's certainly capable of that."

Chapman led the WSC receiver corps with seven receptions for 155 yards and one score while Masters finished with six catches for 82 yards and two touchdowns.

Travis Rhone was the top rusher for WSC with 69 yards on 20 car-

MSU Moorhead's Kutz was 23 of 50 while passing for 187 yards and three touchdowns with one inter-

Jabari Taylor led the Dragons in receiving with seven catches for just 16 yards while Green had four receptions for 45 yards and one

Senior defensive end Troy Pribnow had a big game for the Wildcat defense, as he recorded a team-high nine tackles with a fumble recovery, a forced fumble, three tackles for loss (14 yards), 1.5 sacks for minus 11 yards and four quarterback hurries.

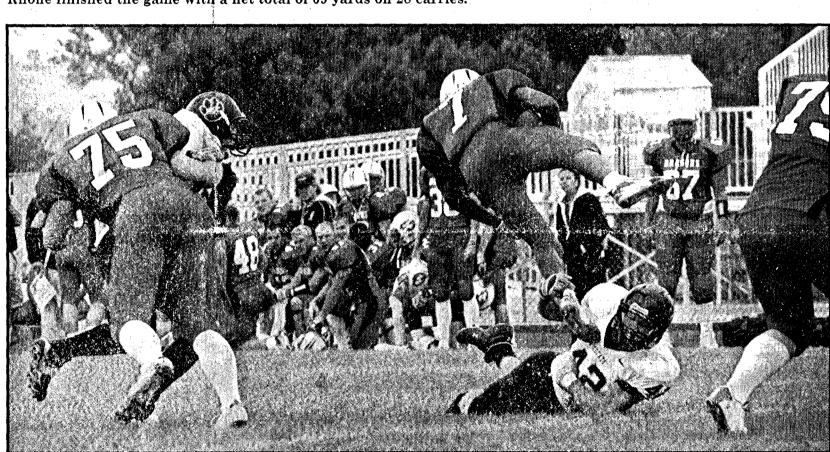

"Troy had as good of a football game that I've ever seen anybody play," McLaughlin said. "He was phenomenal, he just dominated the

Additional defensive leaders for the Wildcats included linebackers Luke Hoffman and Ryan Reeves who each recorded seven tackles in the win.

WSC will be on the road this week when they visit St. Cloud

WSC running back Travis Rhone attempts to elude a Dragons defender in the Wildcats 28-21 win over MSU Moorhead. Rhone finished the game with a net total of 69 yards on 28 carries.

Wayne mauled 26-20 by Tigers in Friday night overtime loss

By Casey Schroeder

With 16.2 seconds left on the clock and the score tied at 20-20 the Wayne offensive line stepped up to the 30 yard line, set their feet and hunkered down while quarterback Justin Anderson stepped under center and scanned over the North Bend defense.

And within a split second, Anderson called for the ball, dropped to a knee and sent the Blue Devils into their first overtime period of the 2008 season.

While a win was within arms reach for the Blue Devils, Wayne failed to get the job done as they used four downs to gain only one yard, before turning the ball over to

on the excellent field position with a touchdown of their own to end the game at 26-20. "I felt the overall play of our

team in some cases exceeded our expectations," said WHS head football coach Kevin Finkey.

"As far as effort goes, I was happy. We worked hard in all phases of the game. We have some unexperienced players who just need a little time. I feel our players did a great job of handling pressure, and will only get better as the year goes on."

While the Blue Devils, eventually succumbed to the Tigers in overtime, it was Wayne who clearly owned the first half.

In the first quarter, the Blue Devils recorded the first touchdown of the evening on an electrifying 79-yard punt return by Drew Workman. Wayne then proceeded to convert on the two-point conversion to take a lead with 5:15 left in the 1st quarter.

Following Wayne's initial touchdown North Bend was quick to fire back with a score of their own as they used two offensive series to move 52 yards down field before finding the endzone on a 28-yard pass reception to make it a 6-8 contest going into the second quarter.

"Offensively, we did not put together a lot of big drives, but we did execute well on several plays to make them big plays," Finkey said.

With Wayne leading 8-6, the second quarter saw the Blue Devils chalk up another score on the night as Anderson connected with Mike Kay on an eight-yard touchdown reception to put the Blue Devils ahead 14-6 at intermission.

While Wayne managed to post touchdowns in both quarters during the first half, the Blue Devil offense had no such luck in the second half as they were held score-

North Bend, who later capitalized less while North Bend found the endzone on a 15-yard pass reception to cut the Blue Devils' lead to one at 14-13.

"North Bend did a really nice job of protecting the passer, but when we pressured him we got our chances," Finkey said.

"From the scouting reports we knew they would throw about 35 times. We knew they had a big mobile line that would cause us problems in getting to the quarter-

Despite Wayne's lackluster performance on offense in the third quarter the Blue Devils bounced back in the fourth quarter with a 35-yard touchdown run by Darnell Collins to regain the lead at 20-13 with 3:15 left in the game.

However, Wayne's lead over the Tigers was short lived as North Bend fired back nearly two minutes later with a three-yard touchdown run that was further capped off by a successful two-point conversion to tie the game at 20-20 with 1:23 left on the clock.

Statistically, Derek Poutre led the Blue Devils' offense with 83 yards rushing on 10 carries while Darnell Collins added 67 yards on five attempts with one touchdown.

Defensively, Ryan Pieper led the Blue Devil tackling corps with 16 and was followed by Workman with

Wayne will return to action on Friday, Sept. 12 when they travel to Wakefield. Game time is set for 7 "We have a tough challenge this

week in Wakefield. It's not hard to motivate our players when they know they have the state champs to prepare for," Finkey said. "My concerns for this week are to

establish the ground game, stay disciplined on defense, strengthen our special teams and our number one goal is to develop an extra point kicker."

Bears use 254 yards to pummel LHNE Eagles

By Casey Schroeder

After a scoreless first quarter against Lutheran High Northeast the Laurel-Concord Bears opened up their offense, clamped down on defense and watched as the Eagles helplessly succumbed to a 37-14 defeat on their home turf in Norfolk on Sept. 4.

lapse by both teams, Laurel-Concord struck first with 9:01 left on the clock when Travis Nelson found the endzone on an 11 yard run, to take a 6-0 lead after a failed extra point attempt by Ross Kastrup.

"We were able to get through the mistakes better then Lutheran, said Bears' head coach Terry Beair.

"I am very proud of my players and staff. The players never stopped playing hard and really showed what they are capable of."

With one touchdown already accounted for on the ground, Laurel-Concord continued to follow the road already traveled as Justin Hart raced 46 yards downfield for the Bears' second score of the game to make it 12-0 with 5:13 left in the quarter.

Laurel-Concord while dominant on offense, proved to be just equally aggressive on defense as the Bears forced the Eagles to go three and out on the ensuing drive.

While Laurel-Concord held a 12-0 advantage over Lutheran High, they continued to find the endzone with ease in the remaining minutes of the second quarter as Hart revis-

ited the endzone on a 36 yard run while teammate Johnny Saunders carried the ball in for a two yard touchdown to end the half at 24-0.

After a dominant first half in which the Bears controlled Lutheran High from the line of scrimmage, Laurel-Concord opted to air it out in the third quarter as Nelson connected with Saunders After the initial first quarter on a 15 yard touchdown reception with 8:10 left in the ball game.

After the Bears' third quarter

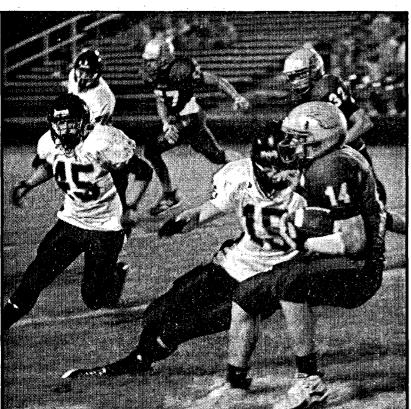

offensive surge that put them ahead 30-0, Laurel-Concord called upon the defense to close out the remainder of the game.

With the game clock slowly ticking towards zero, Laurel-Concord added their final score of the night via Kastrup who picked off the Eagles' quarterback and rumbled 28 yards for a touchdown that was further highlighted by an extra point conversion by Josh Anderson.

However, despite Laurel-Concords best efforts, they failed to preserve the shutout as Lutheran High used the final minutes of the game to tack on two touchdowns to close the game out at 37-14.

Offensive leaders for Laurel-Concord included Hart with 125 yards on six carries and two touchdowns while Nelson accounted for 98 yards and a pair of touchdowns through the air.

Defensively, the Bears' saw Arik Diediker record 12 tackles and a lone fumble recovery with Tony Brandow adding an additional eight stops.

Bears overcome 21-18 third game deficit to down Randolph

The Laurel-Concord girls' volleyball team opened their 2008 season with a commanding win over the Randolph Cardinals by scores of 25-19, 25-19 and 29-27 on Sept. 6 in Laurel.

"The win was a good start for our inexperienced squad. The match highlighted our areas of strengths and weaknesses," said Laurel-Concord head volleyball coach

Patti Cunningham. "We were able to be the aggressor, but also had to overcome errors of our own, especially in the third set after giving up a lead and then coming from behind 18-21 to win

the set 29-27. Leading the Bears to the win from net was Taryn Dahlquist who recorded nine kills, three solo blocks and one dig while teammate Kari Schroeder added seven kills, a

The Wayne High School girls' softball team recently improved to 6-2 overall following their three game sweep of the Boone Central Softball Tournament that was held in Albion on Sept. 6.

"Overall I was pleased with our offense," said Wayne head softball coach Rob Sweetland. "We are going to need to figure out how to start games a little better and stop the big innings."

In Wayne's Saturday morning opener, the Blue Devils used just three innings to down the Cougars of Cross County 12-0.

Leading the Blue Devil charge in the win was Nicole Rauner who had two hits (both doubles) and a pair of runs scored and RBI's. In addition to Rauner, Wayne

saw additional hits come from Alesha Finkey, Shannon Jarvi, Cassy Miller, Riley Hoffart, Caitlin and Carly Fehringer.

Defensively, Jarvi earned the pitching win as she gave up just one hit while striking out five in three innings of work.

With one win on the day, Wayne

kept the momentum rolling into game two as they defeated High reach for the Blue Devils, the same Plains 8-1 in six innings.

While Wayne managed to pull away with the eventual win, the Blue Devils, however, faced a great deal of adversity throughout the game as they left six runners on base without netting a single run scored in the first three innings of play.

However, Wayne's dry spell was short lived as hits by Kristin Carroll, Carly Fehringer, Finkey and Rauner saw the Bluedevils calm the Storm 3-0 going into the fifth inning.

With a newly established surge of offense, Wayne added an additional five runs in the fifth inning on hits by Caitlin Fehringer, Lindsi Frahm, Rauner and Jarvi.

On the other side of the ball, it was Miller who earned the win as she gave up only one run in six innings of work while striking out

Following the Blue Devils win over the Storm, Wayne closed out the day with a come from behind 9-4 win over the Boone Central Cardinals.

While a win was within arms could be said for Boone Central who used the first inning to score four unanswered runs.

Not to be outdone, Wayne responded back in the second inning with a run of their own that was a result of a Caitlin Fehringer double and an RBI single by Miller.

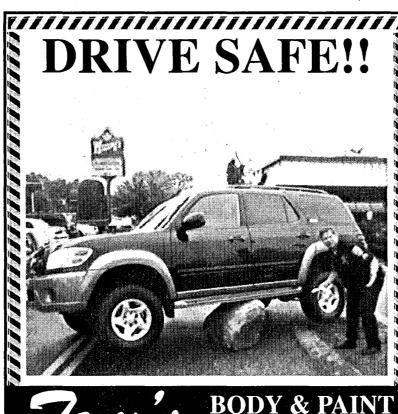

With the Cardinals' lead cut to three, Wayne tied the game in the fourth inning with singles from Carroll, Finkey, Hoffart and an RBI double by Frahm.

With the game deadlocked at 4-4, both teams saw very little change occur until the top of the seventh inning when Wayne scored five runs using the short game of Rauner, Hoffart and a Frahm single that was further complimented by a Carly Fehringer double that

On defense, Jarvi (4-2) pitched a complete game where she gave up three hits and two walks while striking out 10.

closed the game at 9-4.

Wayne can next be seen in action on Thursday, Sept. 11 when they host Tekamah-Herman at 5 p.m.

WSC X-Country runs their way to victory at Northern State Open

By Casey Schroeder

The Wayne State College men's and women's cross country teams opened their 2008 season with a pair of wins at the Northern State Open in Aberdeen, S.D., on Sept. 5.

The WSC women topped Northern State 20-36 while the Wildcat men's team downed the Wolves 23-43 with Presentation College finishing third with 85 points.

"This meet was a good chance for our teams to preview the NSIC Championship course, which was our main goal of this meet," said WSC head cross country coach Marlon Brink.

"Our teams will continue to increase our mileage during the first half of the season to prepare to be at our best for the NSIC and NCAA Regional meets later in the year"

Guiding the women to their victory in Aberdeen was WSC's Sarah Thomsen who finished the 4,000meter race with a time of 16:21.00.

"Sarah had a very good race." Brink said. "She ran with the confidence I would expect a junior runner to compete with."

Aiding Thomsen in the win for the Wildcats was junior Megan Zavorka who took second place with a time of 16:36.00 while sophomore Melissa McIntosh used a time of 16:40.00 to finish third overall.

it was her first race since the indoor season," Brink said. "She had to red-shirt the spring outdoor season due to injury, so she is progressing nicely." Other top 10 finishers for WSC

included Molly Gibson in sixth at 17:05.00, Tatiana DeLosSantos in eighth at 17:50.00 and Meghan Jacobs in 10th at 18:02.00.

The top finisher for the Wildcat (23:25.00).

men's team was senior Matt Schneider who took second place on the 6,000-meter course with a time of 20:13.00.

"Matt ran well after taking all of last year off due to an injury in the spring of 2007," Brink said. "It was good to see him back racing and running well again."

Sophomore York Thomas placed third at 20:20.00 with Cheto Cerda adding a fourth place finish at 20:21.00.

Other top performances for the Wildcat men included John Kern in fifth at 20:25.00, Joe Chebul in ninth at 21:01.00 and freshman Matt Seiler who finished 10th at

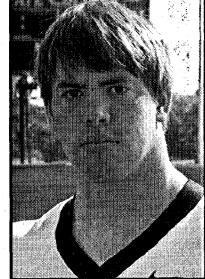

WSC will return to action on Saturday, Sept. 20 when they compete in the Woody Greeno Invitational at the University of Nebraska in Lincoln with starting time scheduled for 10 a.m.

Listed below are the results of all WSC competitors who participated in the Northern State Open.

Men's Division

"Megan ran well, especially since 6,000-meter course: Matt Schneider, 2nd (20:13.00); York Thomas, 3rd, (20:20.00); Cheto Cerda, 4th (20:21.00); John Kern, 5th (20:25.00); Joe Chebul, 9th, (21:01.00); Matt Seiler, 10th, (21:17.00); Adam Meyer, 11th (21:18.00); Ryan Callahan, 13th (22:00.00); Jason Schaaf, 14th (22:02.00); Jimmie Doherty, 16th (22:58.00); Nathaniel Bergen, 18th

Troy Pribnow

Pribnow named **NSIC Offensive** Player of the Week

Troy Pribnow of Wayne State College has been named the Northern Sun Intercollegiate Conference (NSIC) Defensive Player of the Week following his performance in WSC's 28-21 win over MSU Moorhead on Sept. 6.

It's the first time this season and the first time in Pribnow's career that he has received player of the week honors from the NSIC.

The 6-3, 240 pound senior defensive end from Scribner (Scribner-Snyder High School) had a teamhigh nine tackles with 1.5 sacks. three tackles for loss, one fumble recovery, one forced fumble and four quarterback hurries to lead a balanced Wildcat defense that held

He also had a pass breakup and blocked an extra point kick in the Wildcat win.

Pribnow earned First Team All-

Dodge downs Allen 58-22 in season opener

By Casey Schroeder

The Allen Eagles opened their 2008 campaign on Sept. 5 in Allen that held the ball in Pirate territowith a 58-22 loss to eighth-ranked Dodge Pirates.

"We really learned some lessons from a very good team," said Allen head football coach Dave Uldrich. "Too many people did not do their fumbles and one interception put jobs correctly, period."

The Pirates, who proved that offered short distances to score. they were worthy of their preseason ranking of eighth dominated in favor for Dodge, the Pirates the game from the start.

Dodge who controlled a 16-6 advantage upon the end of the first quarter, found nothing but success against the Eagles as they later added 30 points to take a 46-6 lead into halftime.

"Getting a fairly new group in rhythm against an offense and defense like theirs was very difficult," Uldrich said. "I thought we did not attack them enough defensively and we were slow executionwise offensively."

The Pirates who touted two preseason All-State players used pure brawn throughout the course of the game to repeatedly harass and drive the Eagles backwards.

Senior Quarterback Adam Ortmeier, led the Pirate offense by scoring five first half touchdowns on runs of 8, 4, 37, 2 and 64 yards.

While Allen may have been down early on, they never gave up as the Eagles played a solid first period after falling behind 16-0.

In the first quarter they drove the length of the field where they scored on a Heath Roeber to A.J.

Williams 29 yard pass.

Allen then followed up their score with a good defensive series ry, but failed to capitalize on the excellent field position leaving the game at 6-16.

In the second quarter turnovers limited the Allen offense, as two Dodge in Eagle territory and

With Eagles' mistakes working added 30 points in the quarter to take a 46-6 lead into halftime.

After the intermission break, the Eagles returned to the field where they played an inspired second half of football that resulted in two scoring drives via the run.

Scott Wilmes scored the Eagles second score of the night on a 39 yard carry while Alex Langseth ran in the two point conversion.

With the game at 14-52, Allen then proceeded to close out the game with a five yard run by Bobby Adair in the fourth quarter that was further highlighted by a successful two point conversion run by Sid Moua

While the Eagles managed to add two scores in the second half, it. was not enough as Dodge hung on for the 58-22 win.

Statistically, Scott Wilmes led the Eagles with 113 yards on 23 carries with two touchdowns.

On the other side of the ball, Wilmes also proved to be an anchor for the Eagles defense as he was credited with 13 tackles while Corey Klug and A.J. Williams

added 10 each.

The Eagles will look to rebound from the loss to Dodge when they travel to No. 3 Ewing on Friday, Sept. 12 for a 7:30 p.m. contest.

"There will be improvement as we prepare for Ewing," Uldrich said. "They offer three preaseason All-State players and if we are not ready to play, what happened against Dodge will happen again."

Blue Devil volleyball off to skiddish 2-3 start in '08

By Casey Schroeder

The Wayne High School girls' volleyball team opened their 2008 season with a dominate pair of wins on

However, it wasn't enough for Wayne who soon watched as the untimely favor was returned to them, when they closed out tournament play with a 2-3 record at the Northeast Nebraska Volleyball Classic in Pender.

"I was really proud of the team. With ever game, we are gaining experience and confidence," said Wayne head volleyball coach Joyce Hoskins. "All of these teams ran a quick offense, and I felt we did a great job of keeping up with that."

In Wayne's season opener, the Blue Devils' swept Pender in two sets by the scores of 25-14 and 25-

Erica Sebade directed the Blue Devils to their first win of the season with seven kills while Elisa Robinson added four kills and a pair of blocks.

Other Blue Devils who contributed in the defensive win for Wayne included Cassie Harm and Katie Hoskins with three kills each and Kristin Liska with one.

Offensively, Wayne was led by the ace serving tandem of Becca Jaixen and Rachel Gilland who had four each while Cori Volk was credited with eight set assists and a pair of ace serves.

Following Wayne's win over the Dragons, the Blue Devils continued to find success on Thursday night as they defeated Oakland-Craig by the scores of 17-25, 25-17 and 25-

Robinson again paved way for the Blue Devils on defense with seven kills and three blocks and was further assisted by Elle Schramm who put together a five kill performance that also included five blocks.

On the offensive side of the ball, Wayne saw Volk dish out six ace serves to go along with 12 set assists while Sebade, Harm and Robinson found their niche with three apiece.

With an overall record of 2-0, the Blue Devils returned to Pender on Sept. 6 where they were dealt a loss by Wisner-Pilger by the scores of 26-24 and 25-21.

On the defensive side of the ball, Robinson led the Blue Devils with four kills and was followed by Katie Hoskins with three kills and

While the defense attempted to due their part in preserving a win, the same could be said for the offense who was guided by Robinson and Harm who each recorded two ace serves in the loss while Volk and Laura Muran were both attributed with four set

assists. With one loss on the day, the Blue Devils failed to break the cycle as they dropped their second game of the day to Archbishop Bergan by the scores of 25-20 and

Katie Hoskins led the lackluster Blue Devil defense with four kills and two blocks and was aided by the threesome of Sebade, Harm and Jessica Henderson who all had two kills in the loss.

Providing relief on offense for a brief period of time was Sebade with three ace serves and Robinson with two

Despite Wayne's less then favorable start on Saturday evening, the Blue Devils closed out the night with a strong performance against the Gators of Wisner-Pilger.

While Wayne dropped their third

straight game of the night, the Blue Devils, however held their own as Wisner-Pilger struggled to pull away with the 25-15 and 25-22 win. 🗸

Robinson finished the night with a defensive performance against Wisner-Pilger that included five kills and three blocks with Sebade, Harm and Hoskins all contributing one kill in the loss.

Offensively, Sebade led all Blue Devils in ace serves with two while Robinson, Muran, Megan Nissen and Katie Hoskins dealt out one

before they travel to Kearney Catholic for a 10 a.m. game on Sept. 13.

Wayne will take a few days off

WSC volleyball knocks off undefeated Arkansas Tech; Wildcats now 9-0

By Casey Schroeder

The Wayne State College women's volleyball team improved to 9-0 overall following their 4-0 finish at the Southwest Baptist Tournament on Sept. 6-7 in Bolivar, Mo.

The Wildcats closed out the tournament with a pair of wins on Saturday that included Missouri S&T (25-21, 25-17 and 25-18) and previously undefeated Arkansas Tech (18-25, 25-18, 25-22

In the win over Missouri S&T, the 'Cats hit .168 in the match compared to just .028 for the Miners.

Jennifer Hefner guided the 'Cats to a win with 15 kills while Danielle Wessel added 11 kills and eight digs for WSC.

Tali Fredrickson added seven kills and a team-high 16 digs with Diedra Artz contributing 29 assists for WSC in the win.

With the win over Missouri S&T, WSC closed out the tournament with a win over the 8-0 Golden Suns of Arkansas Tech.

"Our middle hitters really hurt them in transistion," said WSC head volleyball coach Scott Kneifl.

"When they tried to adjust their defense to stop us, we had a lot of success in setting the ball to the

Arkansas Tech won the first game 18-25, but the Wildcats rallied to win the next three to hand the Golden Suns their first loss of the season.

"We had our backs against the wall a couple times this past weekend, and our team picked it up and stuck with each other," Kneifl said.

Hefner again paced the Wildcats with a 15 kill performance that was further highlighted by Wessel who added 14 kills while Fredrickson and Brittany Van Beek both recorded 10 kills apiece.

Other individual highlights that contributed to the Wildcats' win included 18 digs by Meredy Dubbs, 11 digs by Tessa Wietfeld and 10 digs from Shelby Shultz.

Prior to WSC's romping of Missouri S&T and Arkansas Tech, the Wildcats opened tournament play with two wins on Sept. 5.

In the 'Cat debut, WSC defeated Texas A&M-Commerce 25-20, 20-25, 25-17 and 25-18 and then downed Rockhurst College in five games by the scores of 22-25, 28-26, 25-18, 19-25 and 16-14.

In the win over A&M, Hefner was credited with 17 kills and seven blocks.

The Central City graduate had just one hitting error with her 17 kills in 39 attacks to finish the match with an impressive .410 hitting percentage.

Assisting Hefner in the win was Fredrickson who was credited with 16 kills and 13 digs while Wessel also reached double figures in kills with 13 as WSC hit a season-best .344 in the match.

On defense the 'Cats were led by Dubbs who had 19 digs and Wietfeld who added 11.

With the win over the Lions, WSC concluded Friday night's action with a five game win over Rockhurst College.

Leading the Wildcats on the road to their victory was Wessel with a match-high 22 kills along with Fredrickson who contributed 15 kills followed by Hefner with 14 and Van Beek with 10 kill digs.

"Both Jen (Hefner) and Dani (Wessel) have had two great tournaments and they are a huge part of our offensive output," Kneifl said. "However, without our ball

Trojans shipwrecked by Pirates

By Casey Schroeder

The defending Class C-2 State Champion Wakefield Trojans opened their season on Sept. 5 with a 26-6 loss to the Plainview Pirates in Wakefield.

"Give them credit...they played well," said Wakefield head football coach Justin Smith. "I think they played harder then we did. We'll fix

Plainview who was held scoreless in the first quarter, opened up the second quarter with a 10 yard run, before failing to convert on the extra point attempt to take a 6-0 lead into halftime.

Following the intermission break, the Pirates continued to find success on the ground as they paid homage to the endzone with their second score of the night to make it a 14-0 contest following the successful two-point conversion.

Down but not out of the game, the Trojans responded back to the Pirates when Chad Clay connected with Seb Kramer on a four yard touchdown pass to cut Plainview's lead to seven.

Trailing 14-6 in the fourth quarter the Trojans failed to muster up any sort of defensive effort in the wanning minutes of the game as Plainview added two more touchdowns, one from the one yard line and the other as a result of an 18 yard fumble return.

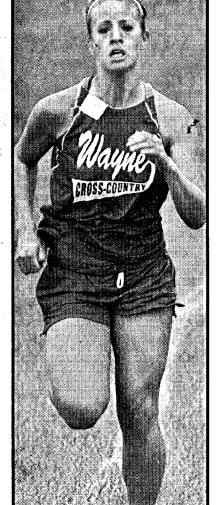

"The six turnovers killed us," said Smith. "They averaged just over three yards per play and we averaged almost six.'

They just had the ball for twice as many plays, because of our turnovers and missed assignments."

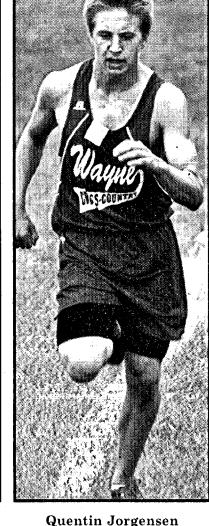

Leading the Trojans on offense was Ian Miner who had 71 yards on 12 carries and Kramer who used 5 carries to rush 58 yards.

Thank you to the Cemetery! Dear Editor.

I want to thank all the "spirits" who spoke at the Spirit Walk in Greenwood Cemetery on Sunday, September 7. It was a very entertaining afternoon, and you all did a VERY convincing job of becoming the person you portrayed! What a wonderful and creative way to learn about the history of our town and it's citizens! I also want to thank all the people involved who made this event happen. Thank you, and I look forward to meeting new "people" next year!

Brenda Nissen

Wonderful experience Dear Editor.

What a wonderful education we had of Wayne and their beginnings on Sunday, Sept. 7 at the Ghost Walk, the personal telling of those history's were so good. Each Ghost did a wonderful job portraying their part, wonder what each Ghost would think if they really could come back and see Wayne now. Think it would be a good thing.

I was thrilled to hear Walter and Mable Savidge's home was Wayne, my Grandpa and Grandma Lass from Emerson, ran a Merry Go Round the first two years of their marriage for the Savidge Amusement Company. Grandpa took care of the Merry Go Round and Grandma sold the tickets out of a little ticket office.

Thanks again for all the work that was put into it, looking forward to next year's list of Ghosts. Gloria Oberg

Check Palin's record Dear Editor,

Before you hop on the Sarah Palin bandwagon, please examine her performance as the mayor of a town slightly larger than Wayne.

She fired a police chief whose greatest mistake was wanting to close the bars at 2 a.m. instead of 5 a.m. to keep drunk drivers off the streets. She threatened to fire a librarian for hesitating to censor books that were probably not as racy as some parts of the Old Testament. She summarily dismissed several other department heads because she "felt in her heart" that they were completely loyal to her. She hired less competent cronies to replace some of

Then, as her crowning glory before term limits thankfully forced her to seek other opportunities, she ran up a deficit of more than \$20 million on frivolous construction projects. That's approxiwoman and child in her town. One of the projects was on land to which the town did not have clear title, and the lawyers are still wrangling

With that record, Sarah Palin could never have been re-elected mayor Wayne, so why should we elect her vice president of a whole country at a crisis point in its his-

For supporting fact, you may just put "Sarah Palin," "mayor" and 'scandal" into Google and you'll get all the ammunition you'd ever want. Look especially for a long letter from Anne Kilkenny, who monitored city council meetings during Palin's disastrous regime.

Free WiFi, water might attract visitors

By Ed Howard Statehouse Correspondent

Small town boosters and uplifters might do well to consider a few thoughts offered by John Harrington.

The Louisville businessman put a couple of "VISITOR WIFI" signs under a couple of Highway 50 signs near the town. The State Department of Roads put the kibosh on that deal after a couple of months, citing rules and regulations against piggybacking on ighway signage.

The town could use billboards or other promotional schemes, the

state said. Harrington wanted passersby to know that free Internet connections are available throughout downtown Louisville: thus persuading some of them, perhaps, not to pass by, but to stop in town. Visitors sitting in their cars along Main Street, doing a free WiFi check of their e-mail, might decide to shop. Buy a sandwich. Get coffee. Maybe a bottle of water.

It's that water thing that mately \$3,000 for every man, Harrington and others should seriously consider.

Harrington told a reporter that Bellevue's pitch as a WiFi freebie could be likened to a Depressionera promotion that made Wall, S.D. A drugstore advertised along the Interstate: "Free Ice Water!"

It worked in a big, big way. Think about this:

Eventually, free WiFi might be common across the globe. But, what about water? Huh?

"Free WiFi and ice water! Next You know what a bottle of water

and everyone can have some ice and every other small town: The aroma of food - Mexican

food, barbecue, fried chicken and good old, heart-stopping, greasy burgers - might be the ultimate

some compulsive nibbling during a WiFi stop. So, make sure those downtown kitchens are ventilated in such a way as to send temptation wafting down Main Street, along with those free signals.

Any small town that puts such a deal together, and wants an objective observer to try their free ice water, WiFi and food, can get in touch with me. I'll sample all three, and forego any fee in the spirit of community up-lifting ... and in light of the cost of water.

Don't Buy It

When my grandparents first got electricity on their farm in the 1930's they paid a minimum monthly rate for the service fee plus a few kwh of electricity. The cost at that time was relatively expensive to most farms that had not had that cash outlay before.

My grandparents watched the meter and shut off lights and all other uses to avoid paying any more than the minimum. Since that time, we have grown accustomed to the convenience and adapted to the cost. The cost of electricity grew far more slowly than the rate of inflation and in general we have not paid much attention to the things that are inefficient or poor users of power.

Omaha Public Power District just announced a large electric rate increase for its residential and commercial customers. Wayne will receive a 6.8 percent increase in wholesale power rates from NPPD beginning next January. That will likely mean about a 3.5 percent average rate increase for Wayne electric customers in '09. What's going on?

· All the rest of the world has started using a lot more energy and driving up the world prices for coal, natural gas and nuclear fuel.

 Summer electricity generation costs are so much higher because all the older diesel fuel and natural gas plants that seldom run are started up to generate the extra power needed.

· On the hottest days, these inefficient plants are generating wholesale power at about 10 cents per kwh and NPPD is sometimes buying the rest on the open market for 60-89 cents per kwh and re-selling it to us for 3.5 cents. That's right - you read this correctly. NPPD makes up that loss by averaging in the low cost cooler days when they can generate with coal and nuclear for 3 cents.

· As energy costs for gasoline, electricity and natural gas keep rising we will need to eliminate those inefficient and poor uses of electricity and gas because the cost has risen too much.

Seat belt usage stressed after three fatalities in three days

A series of single vehicle rollover fatalities has the Nebraska State Patrol issuing a reminder for motorists to always wear their seat belt. The fatalities all involved young people between the ages of 17-20, who were not buckled up.

"Wearing your seat belt is the single best thing you can do to help prevent serious injury or death in a crash," said Colonel Bryan Tuma, Superintendent of the Nebraska State Patrol. "The odds are on your side when you buckle up.'

Statistics from the Nebraska Office of Highway Safety (NOHS) show wearing your seat belt increases odds of surviving a motor vehicle crash by up to 50 percent."

The most recent fatality involved a 19-year-old Wisner teen. Wade Loberg was killed on Sept. 4, when he lost control of the pickup he was driving on a county road near Wisner. The pickup rolled, ejecting Logerg. He was not wearing a seat

On Sept. 3, 17-year-old Kimberly Fisher of Hastings was killed, when the vehicle she was a passenger in left the roadway and rolled west of Odessa. Fisher who was not wearing a seat belt was partially ejected from the vehicle. On Sept. 2, a crash claimed the life of a 20-year-old Grand Island man. Nayar Gutierrez was killed when he lost control of the vehicle he was driving on Webb Road in Grand Island. The vehicle left the road and rolled in the ditch, ejecting Gutierrez. He was not wearing a seat belt.

NOHS statics show Nebraska teens are involved in 25 percent of all single vehicle rollover crashes. Tuma said, "As our young people get behind the wheel, it is imperative we stress to them the importance of wearing their seat belt. As adults we can show the way, by making sure everyone is buckled up every time they get into a motor vehicle.

"What really makes this confercare professional can personalize the conference by selecting educational sessions that fit their needs and the needs of the children they work with," said University of Nebraska-Lincoln Extension Educator Carol Larvick.

Participants will be able to choose from 20 interesting sessions including storytelling, saving money on your grocery bill, appropriate ways to manage inappropriate behaviors, toys that teach, getting children ready to learn, and many other topics. In-service hours for Iowa, Nebraska, and South Dakota are available for all sessions.

Hartley, Sally early childhood/early childhood special education teacher/consultant from Northwest Area Education Agency, will give the keynote address "Thinking outside the box-choosing colors that fit kids." Her session will explore how we can each, as teachers, look at individual needs of children as well as group needs. The discussion will include ideas and information about planning and the role teachers play in having children "ready to learn."

Hartley will explain how children learn and what people who work with children need to do to support growth and learning for children.

Hartley earned both her bache-

Talking energy

Gene Hansen, Superintendent of Electric Production for the City of Wayne, spoke during Friday's Chamber Coffee. Hansen explained a number of ways consumers can reduce energy consumption, what various city offices have done to lessen energy use and talked about a program to take inefficient refrigerators and freezers out of service. Each person in attendance at the coffee was given an energy efficient CFL light bulb as part of a promotion from Nebraska Public Power District.

The Congressional Coalition on Adoption Institute (CCAI), which orchestrates the Angels in AdoptionTM program, will honor Adoption Links Worldwide along with more than 180 Angels nationwide, at an awards ceremony and gala event in Washington, DC, on Sept. 16.

Adoption Links Worldwide is being honored for its 15 years of commitment to serving children and families through adoption.

The organization was co-founded by Cheryl Murray. Murray is a 1987 graduate of Wayne High School and a 1991 graduate of Wayne State College. Following her college graduation, Murray moved to Omaha and began her work with Adoption Links Worldwide.

Some highlights of the organization include:

· Being the only Nebraska-based agency to earn Hague accreditation, allowing them to lead the state in international adoptions.

· Earning the only Nebraska grant with Wendy's Wonderful Kids, a signature program of the Dave Thomas Foundation for

"Receiving this award and recognition is an honor for Adoption Links Worldwide," said executive director, Cheryl Murray. "Raising awareness about the critical need for more adoptive families for waiting children in the U.S. and abroad is our goal and receiving this type of national recognition will certainly help the children we serve.'

The Angels in AdoptionTM program is CCAI's signature public awareness campaign and provides an opportunity for all members of the U.S. Congress to honor the good work of their constituents who have enriched the lives of foster children and orphans in the United States and abroad.

This year, CCAI is celebrating its 10th anniversary of honoring ordinary people doing extraordinary things! Over the last 10 years, CCAI has highlighted the work of over 1,300 people making a lasting difference in the life of a child.

"The Angels in Adoption program is unlike any other program in the Nation's Capitol. Because of it, over 1300 "Angels" have come to share with Washington their adoption experience and left with a renewed excitement of all that adoption makes possible," said Kathleen Strottman. "I learned one simple lesson from my time on the hill, knowledge is power. Angels in Adoption is meant to give Members of Congress the knowledge they need to use the power they have toward making the dream of a family a reality for every child."

In addition to the more than 180 local angels from around the country, several National Angels will also be recognized at the ceremony and gala for their dedication and commitment nationally and internationally to child welfare on a grand scale. Former "National Angels" include First Lady Laura Bush, Patti LaBelle, Jane Seymour, Muhammad Ali, the late Dave Thomas, Steven Curtis Chapman, Bruce Willis, Alonzo Mourning and Marcus

There never seems to be enough money. Whether one makes a little bit of money or a lot, we can always find ways to spend more. Karen Craig, a family economist, is fond of saying, "Wants are insatiable. The more you make the more creative you are in spending."

This creative genius never disappears, even in those times when family income is shrinking rather than expanding. But in tough times, it is especially important that family members remember to communicate with each other in positive rather than negative ways.

This is not easy to do, of course. Parents flush with money still find it difficult to keep their cool when faced with what may seem like a teenager's never-ending demand for the latest clothing or shoes so that the youngster can "fit in" with everyone else at school. In the best of times, \$100 or \$200 basketball shoes may seem excessive to a parent. In a year when net family income is hovering at or near nothing, a request for such luxury items can easily drive a parent to the edge of distraction.

It takes a lot of practice for parents to figure out how to talk positively in situations such as these, but for the long-term well-being of the family, these challenging conversations need to be treated as opportunities for the parent to educate the young adult on money management, rather than simply blowing up and pointing out the child's ignorance.

Kids really have no idea what it costs to live or how hard it is to make a living. And, it's unlikely that they really will learn this, deep down and in great detail,

until they go out on their own. But, parents can help their children begin the process by talking calmly with them about money. We could handle this type of situation by simply and firmly saying, "No!" But the youngster isn't learning much from this, except that Mom or Pop is pretty crabby today. A better way would be to recognize that "fitting in" at school is important; that even though you are an "old person," by definition a parent, you still remember how important it is to be accepted by one's peers. The challenge for parents and children, together, is to figure out how the youngsters can fit in with their friends without doing further damage to a budget stretched way past its limit.

So, who said parenting was easy,

anyway? For that matter, who said marriage was easy? One random sample of 2,555 American adults found that money was the most common issue people argued about in their families. Thirty-seven percent of the respondents said money was the major problem, followed by children and childrearing issues (29 percent), household chores (26 percent), and diets and health (21 percent). Family therapists point out, however, that arguments over money are often not really about money at all. They are often actually battles over power and control in the family, over competing hopes and dreams, over different visions

of the good life and how to live it. Some spouses argue about how money is to be spent or saved. The disputes can become pretty heated because they strike at core questions we pose to ourselves in life:

Am I earning enough to support my loved ones?

If he makes the money (or most of the money) do I have any right to

say how it should be spent? Who should help make financial

decisions? The whole family? The

need to be discussed openly among family members. There are no easy answers to any of these questions, and though it's easy to get upset with each other, the wisest approach is to steer a positive course through the minefields money can create in our materialistic society.

In the long run, the rewards of the human spirit - a sense of belonging and connection with each other — tend to bring more happiness and satisfaction than a life full of things. Psychologist David Lykken has studied happiness and observes: "People who go to work in their overalls and on the bus are just as happy, on the average, as those in suits who drive to work in their own Mercedes."

Money is not important enough to fight about. But it is important enough to talk about.

Ways to discuss finances without ending up in a fight:

What you say is important but how you say it is much more important. Possibly the most important thing to remember is to pay attention to HOW you are speaking. What is your tone of voice? What does your body language convey? What words are you using?

Listen. Pay attention to the values and desires expressed by others in your family.

Make a list of family goals and individual goals. Then discuss how they compare. Many disagree-

ments happen due to not knowing or understanding what motivates financial choices.

Don't expect to resolve all financial differences at one time. When you are at an impasse, stop the discussion, but agree to return to it at

a later time. Reflect back what you hear family members saying rather than jumping to a conclusion or giving a solution right away.

Prioritize goals as a family.

Make a plan for how your family will save for your goals.

Do you have an emergency fund? How can you start saving for a rainy day?

Use www.paydowndebt.unl.edu for more information.

It's easier to spend less money than to earn more. Discuss how you can cut spending.

Siouxland Community Blood Bank names top contenders for Heroes Unite, It's About Life campaign

The Siouxland Community Blood Bank's Heroes Unite, It's About Life campaign has one month until the three communities with the most blood donors are announced.

The 10 communities that are vying for the three winning spots are: Iowa - Carroll, Cherokee, Le Mars, Mitchell, Orange City, Remsen, Sioux Center, Spencer, Nebraska - Wayne; and Yankton, S.D. The top three winning towns will receive a cash prize to be used for equipment for their fire and rescue squads.

Donors from 311 communities in South Dakota, Iowa and Nebraska have helped their local fire and rescue squads by donating blood.

"Any one of the towns in top 10 could win this money," said Jan Twait, CEO of the Siouxland Community Blood Bank.

The top three communities will be honored by the Siouxland Community Blood Bank with a monetary award provided through corporate sponsorship from Cargill, Inc., Prestige Collision Repair and McClintock Insurance.

NECC sets class on Refined Design-The Art of Placement

Jodie S. Classen and Michele Figgner will present a redesign primer at Northeast Community College in Norfolk in September.

The one-session class, Refined Design-The Art of Placement, with course number HOEC 0626-02/08F, meets Tuesday, Sept. 23, from 6-9 p.m. in the Lifelong Learning Center on the campus in Norfolk.

Classen, LTD, says this class is perfect for individuals with an interest in a career in redesign or those interested in redesign for their own home. Classen and Figgner will review

how to begin an interior redesign and the basics of a redesign. They will review how to analyze a room, determine form and function, how to "shop" a home, and proper furniture placement. Artwork hanging. accessorizing, and finishing touches will also be reviewed.

At the end of the day, the instructors say participants will be prepared to take everything they learned and transform their own home.

This class, with a cost of \$35, counts as continuing education credits for certified redesign styl-

Ibach reminds farmers, ranchers about upcoming farm bill signup deadlines

Agriculture Director Greg Ibach grazing lands. recently encouraged Nebraska's farmers and ranchers to seek information from their local federal Farm Service Agency (FSA) office regarding 2008 Farm Bill programs that might affect them. Ibach said several program signup deadlines are nearing, so it's important that individuals do not delay a review of their options under the new act.

"The Food, Conservation and Energy Act of 2008 is very complex, so it's critical that agricultural producers visit with their FSA representatives as soon as possible," he said. "That includes ranchers, who may not be accustomed to visiting with FSA staff on a regular basis."

Crop producers are facing a signup deadline of Tuesday, Sept. 30, associated with the 2008 direct and countercyclical programs of the Farm Bill. Those individuals, Ibach said, already should have received information from FSA and should be scheduled to stop in at their area FSA office.

Ibach said a major change in the 2008 Farm Bill was the inclusion of permanent disaster programs, which in past years have been authorized by the U.S. Congress on an as needed basis. Several programs are available, including separate ones for crop production and/or crop quality losses, as well as grazing losses for eligible livestock due to drought. As a requirement to participate in these programs, farmers and ranchers must obtain crop insurance coverage or coverage under FSA's Noninsured Crop Disaster Assistance Program (NAP) for all of their crops and

"Nebraska producers have faced decade where federal disaster assistance was critical," Ibach said. "I just want our farmers and ranchers to be aware that now is the time to ask questions for the 2009 season. For some of these programs, FSA is conducting signup even though the operational details are still being worked out."

Producers who did not have insurance coverage for the current season, but think they may need disaster program assistance for 2008 losses, must contact FSA before Sept. 16. For the 2009 season, crop insurance signup deadlines are nearing for fall-seeded

crops, such as winter wheat, and for alfalfa and forage in counties several years of drought in the past that have insurance options for those crops.

> Ibach said farmers and ranchers with grazing lands are encouraged to seek out information from county FSA offices regarding insurance signup requirements for pasture, range and other forage sources. The signup deadline for NAP, available through FSA, for grazing and perennial forages is Dec.1, 2008. Producers also should check with their local crop insurance agent regarding a new federal insurance pilot program called Pasture, Rangeland and Forage (PRF) Program.

September 2, 2008

The Wayne County Board of Commissioners met in regular session at 9:00 a.m. on Tuesday, September 2, 2008 in the upstairs conference room of the Courthouse Roll call was answered by Chairman Nissen, Members Wurdeman and Rabe, and Clerk

Advance notice of this meeting was published in the Wayne Herald, a legal newspaper, on August 21, 2008. A current copy of the Open Meetings Act was posted in the meeting room and accessible

to the public.

The agenda was approved. The minutes of the August 19, 2008, meeting were approved as printed in the

Commissioner's Record. Treasurer McDonald requested the board and clerk enter executive session for discussion of personnel. Motion by Rabe, second by Wurdeman to enter executive session at 9:07 a.m. Roll

call vote: Rabe-aye, Wurdeman-aye, Nissen-aye; motion carried. Motion by Rabe, second by Wurdeman to reconvene in open session at 9:23 a.m. Roll call vote: Rabe-aye, Wurdeman-aye, Nissen-ave; motion carried. Motion by Rabe, second by Wurdeman to increase the personal services section of the County Treasurer's budget by \$1,575.00 prior to the budget hearing. Roll call vote: Rabe-aye,

Wurdeman-aye, Nissen-aye; motion carried. Motion by Wurdeman, second by Rabe to adopt Resolution No. 08-12. Roll call vote: Wurdeman-aye, Rabe-aye, Nissen-aye; motion carried.

Resolution No. 08-12: WHEREAS, Legislative Bill 38, 1943 Session Laws provides among other things, that all real estate taxes and specials which are delinquent for two years or more shall be collected by the foreclosure of said tax liens, and

WHEREAS, as provided by law, the Wayne County Treasurer has submitted to the Wayne County Commissioners a certified list of all delinquent real estate taxes for the year 2004 and prior years and said Board has carefully examined said list.

NOW, THEREFORE, said Board resolves, and hereby directs the County Treasurer of Wayne County, Nebraska, to issue tax sale certificates which remain unsold to Wayne County, Nebraska, upon all parcels of real estate within said County upon which there are taxes delinquent for two or more years, and that thereafter said parcels be foreclosed as provided by law. Motion by Wurdeman, second by Rabe to adopt Resolution No. 08-13. Roll call vote:

Wurdeman-aye, Rabe-aye, Nissen-aye, motion carried.

Resolution No. 08-13: WHEREAS, the County of Wayne is the owner and holder of Certificates of Tax Sale No. 25 and 28 of parcels of real estate, issued to the County of Wayne for all delinquent and regular taxes thereon, and which having been regularly advertised and offered for sale at tax sale and remaining unsold for want of bidders, was sold to the County of Wayne, and Certificates of Tax Sales No. 25 and 28 issued thereon under the provisions of Section 77-1809 (Reissue 2003), and

WHEREAS, more than three (3) years have elapsed since the issuance of such respective certificates of tax sale and by reason thereof the right of redemption of the owners or claimants of such respective tracts has expired and less then six months has elapsed since the right of

NOW, THEREFORE, BE IT RESOLVED that the Michael E. Pieper, Wayne County Attorney be and he is hereby directed, as promptly under the circumstances as is reasonably possible so to do, to institute action to foreclose the lien of all taxes delinquent, whether regular or special on all real estate within Wayne County, Nebraska, which, having been heretofore advertised and offered for sale and remaining unsold for want of bidders, was sold to the County of Wayne and Certificates of Tax Sales No. 25 and 28 issued thereon.

An engineering service proposal submitted by Mainelli Wagner & Associates for a Federal Aid Project to replace Bridge C009003315, two miles west and 0.7 mile south of Wayne, 574th Avenue, Mile 855 was reviewed. Motion by Wurdeman, second by Rabe to accept the proposal for \$29,850.00 and up to \$3,350.00 for permits. Roll call vote: Wurdeman-aye, Rabe-aye, Nissen-aye; motion carried. These fees are eligible to be reimbursed at 80%.

Bid specifications for a used articulated motor grader for Road District #1 were reviewed; a wing will be added as an addendum to the specifications.

A letter drafted by Highway Superintendent Carlson to Senators Hagel and Nelson, and Congressman Fortenberry sharing Wayne County's concerns with the Nebraska Department of Roads hiring engineers to inspect county bridges was reviewed and approved on motion by Wurdeman, second by Rabe. Roll call vote: Wurdeman-aye, Rabe-aye, Nissen-aye; motion carried. Highlights of the letter included the money used to pay for these engineers is coming from bridge funds, less bridges are being built on county roads, and the county already has licensed inspectors.

An application submitted by Pierce Telephone Company, Inc. to place telephone line in county road right of way was approved on motion by Rabe, second by Wurdeman. Roll call vote:

Rabe-aye, Wurdeman-aye, Nissen-aye; motion carried. An application submitted by Brett Vahle and David Baier to have R&B Land Tiling Construction place tile in county road right of way was approved, subject to receiving 24 hour prior notice, on motion by Wurdeman, second by Rabe. Roll call vote: Wurdeman-aye, Rabeaye, Nissen-aye; motion carried.

Weston Lundgren of KTCH radio asked if the board was interested in having more sophisticated equipment recording their meetings. Lundgren stated it could improve meeting coverage, assure proper procedures were being followed, and provide an accurate record that could be archived. The only expense to the county would be for archival cds. The proposal was discussed, no action was taken.

A draft copy of a Wayne/Cuming County Interlocal Agreement for Emergency Management Services was reviewed. Motion by Rabe to approve the agreement; the motion died for lack of a second. Wurdeman was concerned that the agreement did not state that Wayne County had final say over the budget and claims. Wurdeman also said a budget approval date of August 15th was too early, and the effective date of the agreement needed to be changed to October 1, 2008. Revisions will be made and submitted to the Wayne and Curring county attorneys for review prior to the next meeting.

Motion by Wurdeman, second by Rabe to convene as a Board of Equalization. Roll call vote: Wurdeman-aye, Rabe-aye, Nissen-aye motion carried

The Commissioner meeting reconvened at 11:46 a.m. Upon discussion with the county attorney, motion by Wurdeman, second by Rabe to deny claim number 08090013 as the parameters of employment must be in place before expenses are incurred on the county's behalf. Roll call vote: Wurdeman-aye, Rabe-aye, Nissen-aye, motion

An emergency transportation services agreement between the County of Wayne and Mid States School Bus was approved on motion by Wurdeman, second by Rabe. Roll call vote: Wurdeman-aye, Rabe-aye, Nissen-aye; motion carried. The services would be used for evacuating or relocating people as part of an emergency response when such transportation needs exceed the capabilities of emergency response organizations in the county.

******* A public hearing to increase base restricted funds in the 2008-2009 budget by an addition-

al 1% convened at 1:57 in the courthouse conference room.

Those in attendance included Chairman Nissen, Members Wurdeman and Rabe, and Clerk Finn. Also in attendance were Deb Allemann-Dannelly, Karen McDonald, Joyce Reeg, Weston Lundgren of KTCH and Lynn Sievers of the Wayne Herald.

Advance notice of this hearing was published in the Wayne Herald, a legal newspaper, on August 28, 2008.

The 2008-09 budget was discussed with the following points noted. •The cash reserve in General Fund was increased by \$50,000 for cash flow purposes.

•General Fund revenues include receipt of a \$30,000 Emergency Management Performance Grant. •The Emergency Management budget reflects a consolidation of Emergency Management

\$25,000 is budgeted for the purchase and installation of a county main-frame computer and back-up system in General Fund.

•The County Road Fund was increased by \$50,000 per district to help offset costs of gas and gravel.

 Several major road/bridge projects are under construction or are scheduled, including federal-aid projects and soft-match projects. •A \$15,000 payment for GIS mapping is included in the budget

•\$72,000 in tax dollars will be applied to the courthouse tuck pointing/roof and the court services building bond payments. •To balance the budget a \$200,000 transfer will be made from inheritance Tax Fund to

The total tax dollar request reflects a decrease of \$71,981.93 from 2007-08.

•Unused budget authority created for next year is \$334,641.57

Services with Curning County effective September 1, 2008.

A public hearing on the county's 2008-09 tax dollar request convened at 2:53 p.m. in the courthouse conference room.

Those in attendance included Chairman Nissen, Members Wurdeman and Rabe, and Clerk Finn. Also in attendance were Deb Allemann-Dannelly, Karen McDonald, Joyce Reeg, Weston Lundgren of KTCH and Lynn Sievers of the Wayne Herald. Advance notice of this hearing was published in the Wayne Herald, a legal newspaper, on

The 2008-2009 budget and resulting tax request were reviewed. It was noted that the tax dollar request of \$2,755,673.72 for 2008-09 was \$71,981.93 less than the previous year.

Wurdeman questioned the Emergency Management budget. A \$4,000.00 reduction was made to the personal services section of the Emergency Management budget. Funds totaling \$10,000,00 budgeted for radios, radio repair, auto service and repair, and fuel were transferred from the Emergency Management function to the Miscellaneous function of General Fund. These funds remain accessible to the emergency manager upon approval of the board of com-

The hearing was adjourned at 2:57 p.m.

The additional 1% increase in restricted funds was reviewed. The increase was not necessary to operate this year, but the authority could be carried forward to next year. Motion by Rabe, second by Wurdeman to approve the additional 1% increase in authority. Roll call vote: Rabe-aye, Wurdeman-nay, Nissen-aye. The 1% increase was not approved as it requires a favorable vote by 75% of the board.

Wurdeman asked to discuss the Noxious Weed Control Superintendent going to part-time. Nissen felt it was not a good time, Rabe saw no need for the discussion.

The 2008-09 budget adoption resolution and tax dollar request resolutions were presented. Motion by Rabe, second by Nissen to adopt Resolution No. 08-14 and Resolution No. 08-15 approving the 2008-09 budget subject to the \$1,575.00 change in the County Treasurer function and the \$14,000 change in the Emergency Management function of General Fund. Roll call vote:

follows SECTION 1. That the budget for the fiscal year July 1, 2008 to June 30, 2009 as categor-

ically evidenced by the budget document is, and the same hereby, is adopted as the budget for

SECTION 2. That the offices, departments, activities, and institutions herein named are hereby authorized to expend the amounts herein appropriated to them during the fiscal year

beginning July 1, 2008 and ending June 30, 2009.

SECTION 3. That the income necessary to finance the appropriations made and expenditures authorized shall be provided out of the unencumbered cash balance in each fund, revenues other than taxation to be collected during the fiscal year in each fund, and tax levy requirements

SECTION 4. The tax requests for 2008-2009 are approved as follows: \$2,667,340.69 Reappraisal 12,101.11 Relief/Medical 872.98 Institutions 1,072.96 1,485.98 Veterans Aid County improvement 72,800.00 \$2,755,673.72

Resolution No. 08-15: WHEREAS, Nebraska Revised Statute 77-1601.02 provides that the property tax request for the prior year shall be the property tax request for the current year for purposes of the levy set by the County Board of Equalization unless the Governing Body of Wayne County passes by a majority vote a resolution or ordinance setting the tax request at a different amount: and

WHEREAS, a special public hearing was held as required by law to hear and consider comments concerning the property tax request; and

WHEREAS, it is in the best interests of Wayne County that the property tax request for the current year be a different amount than the property tax request for the prior year.

NOW, THEREFORE, the Governing Body of Wayne County, by a majority vote, resolves that the 2008-2009 property tax request be set at \$2,755,673.72.

ORDINANCE NO. 2008-11 AN ORDINANCE AMENDING WAYNE MUNICIPAL CODE CHAPTER 74, ARTICLE III PLAT REVIEW AND SUBMITTAL REQUIREMENTS, SEC. 74-104(17) FINAL PLAT SUBMISSION REQUIREMENTS; TO PROVIDE FOR THE REPEAL OF CON-FLICTING ORDINANCES OR SECTIONS; AND TO PROVIDE FOR AN EFFECTIVE

BE IT ORDAINED by the Mayor and Council of the City of Wayne, Nebraska: Section 1. That Chapter 74, Article III, Sec.

74-104(17) of the Wayne Municipal Code is amended to read as follows: Sec. 74 Final Plat Submission Requirements Generally.

(1) Final plats shall be submitted to the zoning iinistrator witnin one year of approva of the preliminary plat unless an extension is granted by the planning commission. The final plat shall conform to the approved preliminary plat and any conditions of such approval and to the requirements of all applicable ordinances and the requirements of this chapter.

If desired by the subdivider, the final plat may constitute only a portion of the area contained in the approved preliminary plat which the subdivider proposes to record and develop

The subdivider shall submit a complete application at least 15 days prior to the next meeting of the planning commission at which the request is to be heard.

Upon submission of the application, the zoning administrator shall check it for completeness. If complete, the application shall be docketed for hearing at the next planning commission meeting. If the application is incomplete, the zoning administrator shall not docket the application for hearing and shall notify the subdivider that the application is incomplete and specify what additional data is needed. The zoning administrator shall notify the subdivider of any incompleteness within seven working days of the date of filing of the application If the additional data is not provided to the zoning administrator at least 15 days prior to the planning commission meeting, such application shall not be docketed for such meeting but shall be docketed for the next following planning commission meeting.

Final plat fees. A final plat review fee shall accompany the application. Such fee shall be in accordance with the schedule of fees adopted by the council.

Final plat information. The subdivider shall prepare and submit a final plat at a scale of not less than one inch equals 100 feet. The plat shall be prepared under the supervision of and certified by a registered state land surveyor. The plat, including all signatures, shall be drawn with permanent black ink on reproducible mylar. The final plat of a subdivision shall show, or be accompanied by the following information:

Two reproducible mylar copies of the plat. Copies of the plat and one reduced copy of the plat which is 8 1/2 inches by 11 inches or 8 1/2 inches by 14 inches. Scale one

(15) Accurate outlines of any area to be dedicated or reserved for public use or acquisf tion with the purposes indicated. Any areas to be reserved by covenant or deed restriction for the common use by the owners in the subdivision shall also be noted.

(16) Certification and signature by the surveyor certifying to the effect that the final plat accurately represents a survey made by him and under his direct supervision, that any changes from the description appearing in the last record transfer of the land contained in the final plat are so indicated, that all monuments shown actually exist or will be installed and their position is correctly shown, and that all dimensional and geodetic data are correct.

(17) Certification signed and notarized by all parties holding title or having any title interest in the land contained in the final plat and consenting to the preparation and recording of the plat as submitted and consenting to all dedications noted. A registered abstractor or title insurance agent must perform the title search for any parties holding title or having any title interest.

(18) Certification of approval of the final plat by the planning commission.

(19) Certification of approval of the final plat by

Final plat construction plans and specifica-

tions. The subdivider shall submit construction plans and specifications in accordance

with the requirements for all improvements and installations required by this chapter. The construction plans and specifications shall consist of all cross sections, profiles and all other engineering data necessary for the proper design and construction of all improvements and installations required by this chapter, including but not limited to the following:

Storm sewers and other elements of the

drainage system. Sanitary sewer system.
