Downtown improvement suggestions discussed

By Clara Osten
Of the Herald

A small crowd of business owners and interested residents were on hand to listen to proposals and express ideas during a town hall meeting on Tuesday.

Representatives of JEO and Berggren Architects, along with city officials, discussed the downtown revitalization.

Troy Johnston, a representative of JEO, explained that the program is a two-phase one, with the city now involved in the planning phase. It will be followed by the Implementation phase (Phase II).

The city of Wayne has already been awarded grant money for Phase I and is working toward securing a \$250,000 Community Development Block Grant for Phase II.

To be eligible for the grant money, a community must be an Economic Development Certified Community, a distinction which Wayne has already achieved. Additional requirements for the grant money include a 25 percent match. Grant money could also be obtained from other sources to be used as the match, including the Certified Local Government (CLG) program administered by the Nebraska State Historical Society.

The CLG program provides communities the opportunity to invest in historic places for historic preservation specific to community development.

Johnston told those in attendance that the final document of the plan "must be workable and comprehensive."

He also presented a schedule of meet-

ings to date and in the future and noted that final documentation needs to be submitted to the Wayne City Council by Dec. 2 and to the Department of Economic Development by Dec. 5.

Among the potential 'wants' determined by the committee include signage, visitor/welcome center in the older depot on South Main Street, a movie theatre, community theatre, improved sidewalks, alleys and ADA accessibility, as well as developing college and youth involvement ideas.

Jerry Berggren with Berggren Architects, presented a power point discussing improvement guidelines.

He told his audience, "we want to build on the historic fabric of the community. We want to keep everyone moving in the same direction."

Berggren stressed that while the consulting firms offer suggestions, "the city (community) writes the guidelines."

Among the items receiving most interest during Tuesday's meeting were a community center in the old depot just south of Godfathers' Pizza, which was the newer depot and signage welcoming visitors to Wayne.

Following the formal presentation, those in attendance shared suggestions and ideas in regard to the preliminary plan.

Johnston told the group that the goal is "to develop a plan that can be used now and in the future, in an effort to get everyone working together for the community. We hope to generate interest and enthusiasm in the community and hope to generate other grants and sources of funding for these projects."

Women's Night Out

Nearly 300 women and 30 exhibitors took part in the second annual Women's Night Out -Ladies Expo at the Wayne City Auditorium on Monday. The event was hosted by Main Street Wayne and included a salad/dessert bar, door prizes and a fashion show.

Band announces fall marching schedule

Members of the Wayne High School Varsity and Cadet Bands will take part in a number of activities during the month of October.

On Saturday, Oct. 4, the combined Wayne High School Varsity Marching Band and ninth grade Cadet Band will be participating in the Wayne State College Band Day Parade.

Students are to meet in the front lawn on the West side of the WSC Hahn Administration Building at 9 a.m. The parade starts at 10 and goes south down Main Street. The adjudicators table will be located at the intersection of Third and Main. The parade ends between Carharts and Godfathers Pizza.

Immediately following the parade there will be a short concert performed by the WSC Wildcat Marching Band in front of the adjudicators table. Follow-

ing this performance will be the presentation of awards in the same area.

On Saturday, Oct. 11 the Wayne High School Varsity Marching Band will be participating in the Pierce Marching Contest held at Pierce High School. Buses will load at 1:15 p.m. and depart from the High School at 1:30 p.m. The competition begins at 3 p.m. with the Wayne High School Marching Band performing at 3:45 p.m.

"We are greatly in need of many 'Adult' bus sponsors. If you are interested in volunteering to be a bus sponsor on this trip please call me at Wayne High School (375-3150). Without enough adult bus sponsors, we will not be able to travel to Pierce and take part in the marching contest. Your time, effort and support would greatly be appreciated," said Brad Weber, Director of Bands at Wayne High School.

On Saturday, Oct. 18 the Blue Devil Marching Band will be participating in the WSC Cavalcade of Marching Bands held on Cunningham Field at Wayne State College. The schedule is not out yet but the Blue Devil Marching Band will perform in the late afternoon.

On Saturday, Oct. 25 the Wayne High School Marching Band will be traveling to Bellevue to take part in the NSBA State Marching Contest held at Bellevue East High School.

The buses will depart from Wayne High School at 12:30 p.m. with the band performing at 5 p.m.

The band is also greatly in need of many adult bus sponsors. Anyone interested in volunteering to be a sponsor on this trip is asked to call Brad Weber at Wayne High School (375-3150). Again, your time, effort and support are greatly appreciated.

Kelly Ballinger named Special Education Administrator of the Year

Kelly Bartling-Ballinger, Ed.S., of Pender was awarded the New SpEd Administrator of the Year 2007-2008 designation by the Nebraska Association of Special Education Supervisors (NASES), at their fall conference in Nebraska City on September 18th.

Presenting the award was Stuart Clark, ESU 1 Special Education Director.

This was the inaugural presentation of the award, which recognizes outstanding new (in their first 5 years) supervisors in the field.

During the presentation, Clark spoke of Bartling-Ballinger's dedication to her students and their families,

stating "she has been a tireless advocate for students with disabilities." He went on to note that she has been an inspiration to other teachers, someone that instills trust and respect.

"From her start at Wayne State College, where she served as the President of the Nebraska State Student Council for Exceptional Children, to her efforts today, Kelly has been a leader and a friend," said Clark. "To be eligible for the award, a candidate must be nominated by a co-worker, an administrator and a parent of a child with a disability. With Kelly's ability to build relationships and work hard to ensure stu-

Harvest time brings traffic safety reminders

With harvest season upon us, roads in Nebraska will be seeing an increase in agricultural equipment traveling the roadways. The Nebraska State Patrol encourages everyone to be aware and to use extra caution during this time. Motorists are reminded to be cautious when approaching, following or attempting to pass agricultural implements. These vehicles typically travel at slower speeds and due to their dimensions and loads, operator visibility is often reduced. Motorists are urged to follow these vehicles at a safe distance, and to pass with the utmost caution and care. Operators of agricultural implements are reminded that they may travel upon the shoulder of the roadway, when available. They are also reminded of the need for SMV warning triangles, and to utilize flashing yellow caution lights whenever they are on the road. When turning left from the roadway into field and farm entrances, operators are cautioned to be aware of vehicles attempting to pass them. If an occupant restraint system is available in the implement, operators are encouraged to buckle-up.

Safe haven Working group of senators meet

Senator Mike Flood, Speaker of the Legislature, called together a working group of Nebraska Senators recently in Omaha to address concerns regarding LB 157, Nebraska's safe haven law. Senators Brad Ashford, Mike Flood, Tim Gay, Rich Pahls, Arnie Stuthman, and Tom White issued the following joint statement:

"The safe haven law was passed to protect all at risk children in the State of Nebraska. It was not passed for the convenience of their parents or guardians. We remain committed to protecting all of our children who are facing a crisis. We are reviewing the immunity provision of the law to ensure that no one uses LB 157 simply to avoid his or her parental responsibilities." The working group intends to reconvene in the coming weeks.

When turning left from the roadway into field and farm entrances, operators are cautioned to be aware of vehicles attempting to pass them. If an occupant restraint system is available in the implement, operators are encouraged to buckle-up. "Harvest time is a busy time in Nebraska," said Troop B Commander, Captain Brad Rice. "With a little common sense and awareness, it can also be a safe time."

Local Red Cross seeking donations to National Disaster Relief Fund

Many residents in Wayne and throughout Northeast Nebraska may be receiving letters in the mail from the American Red Cross asking for donations to the National Disaster Relief Fund. This money goes directly to National to help with their \$100 million campaign and should be noted as the return address provided.

Anyone wanting to make a donation can do so online at www.redcross.org or by calling 1-800-Red-Cross. Or, if anyone wants to take their deposits to the Red Cross chapter at 106 West 3rd St. in Wayne, the full donation amount will be reported and sent to National Headquarters for the

donor. The local chapter has been given a goal of raising \$34,580 toward the overall \$100 million goal by Dec. 31, 2008.

LeRoy Hammer

LeRoy Hammer, 78, of Wakefield died on Saturday, Sept. 27, 2008 at Providence Medical Center in Wayne.

Services were held Wednesday, Oct. 1 at Our Savior Lutheran Church in Wayne with Pastor Kim Stover officiating.

LeRoy Hans Henry Hammer was born Jan. 28, 1930 to Ray and Mary (Baker) Hammer. He was baptized April 30, 1930 in Wayne. He served in the Korean War in Love Company 31st Battalion from Sept. 27, 1952 to August of 1953. He served on the front lines where he drove supply truck in the motor pool. Upon returning home, he married Evelyn Kubik in Pender on Sept. 13, 1953. The couple lived and farmed south of Wakefield for 54 years. He retired in 2004, but remained active in farming for the remainder of his life. He had two loves in his life - his family and farming. He greatly enjoyed playing cards with friends and neighbors and fishing. He was a member of the Harold P. Lewin VFW in Thurston, the American Veterans in Wayne and was a past member of

the Fraternal Order of Eagles #3757 in Wayne. Survivors include his son, Mike and Coleen Hammer of Wakefield; daughters Joyce and Tom Hattig of Wayne, and Susie and Jerry Rabe of Winside; seven grandchildren and seven great-grandchildren.

He was preceded in death by his parents; his wife Evelyn in 2000; a son David, in 1986; two brothers, Lyle and Ralph Hammer and an infant sister.

Burial was in the Greenwood Cemetery in Wayne. Bressler-Munderloh Funeral Home in Wakefield was in charge of arrangements. For those wishing to leave online condolences for the family, please visit www.munderlohfuneralhome.com

Scholarship workshop offered

Are you planning on financing part of your college education with scholarships?

High school juniors and seniors and their parents are invited to attend a Scholarship Workshop Wednesday, Oct. 8 at 7:30 p.m. in the Courthouse Meeting Room, 200 S Lincoln Street in West Point.

Now is the time to prepare for the scholarship application process. During the workshop participants will learn what information to gather together so that they can prepare an accurate representation of their accomplishments. Scholarship deadlines are coming soon and now is the time to prepare. With so many students depending on scholarships to help pay for college, it is vital that applications are filled out correctly.

Daryle Urwiler, retired guidance counselor from Wisner-Pilger and Lutheran Northeast High Schools will present a thorough step-by-step coverage of how to apply for scholarships. During the workshop Urwiler will cover: how to find scholarships, how to put together a quality application, answer questions wisely, quality letters of recommendation, tips for completing applications, as well as tips for following through with applications and setting up files for scholarship organization. He has over 40 years of experience in assisting students with applying for scholarships.

The Scholarship Workshop is sponsored by University of Nebraska Lincoln Extension in Cuming County and is offered free-of-charge. Please call the Extension office at (402) 372-6006 to pre-register for the workshop, so the proper number of handouts can be prepared.

Providence Therapy Outreach Clinic celebrating first year in Laurel

Nearly two years ago, Providence Medical Center administration and staff shared a dream of providing therapy outreach services, including aquatic therapy, to the residents of Cedar County and the surrounding region. Construction of the facility at 699 Cedar Avenue in Laurel began in April, 2007 and opened for business in October, 2007. Business hours are Monday through Friday, 8 a.m. to 5 p.m.

The Providence Therapy Outreach Clinic is the first therapy center in the City of Laurel, the first free-standing satellite facility for Providence Medical Center and to date the first clinic of its kind between Laurel and Yankton to offer aquatic therapy. With this facility, a consistent carryover between the medical and educational needs of residents throughout northeast Nebraska is able to be met more efficiently.

With Providence Therapy Outreach Clinic, a creative therapy outreach program has been established, which is reaching new populations, assisting in creating jobs and providing an optimal setting for specialized outreach health care to the immediate area and the surrounding communities.

Aquatic therapy improves a client's functioning level on land and is indicated for clients that cannot tolerate full weight bearing such as post-surgical, fractures, sprains and arthritis. Other common diagnoses for aquatic therapy include obesity, pregnancy and chronic pain.

Aquatic therapy may benefit people with repetitive stress disorders, fibromyalgia, chronic fatigue syndrome and stress related disorders. Balance dysfunction problems may be challenged in a new way with aquatics and include diagnoses of stroke, head injury, cerebral palsy and multiple sclerosis. Clients with severe weakness may benefit from initial aquatic therapy and then transition to land therapy for gravity resisted exercises.

Aquatic therapy is appropriate for all ages. Pediatrics and sports related injuries may benefit from

short term aquatic therapy.

Benefits of aquatic exercising include: increased joint range of motion and stability, improved circulation, stronger core and respiratory muscles and increased endurance. Aquatic exercising also provides additional benefits of reduced anxiety and stress, increased ability to concentrate and an enhanced feeling of well being and calmness.

Anyone wanting more information on the benefits of aquatic therapy or any of the therapy services available at Providence Physical Therapy may call 877-375-PTOT.

Kaylee Robinette enjoys aquatic therapy with her physical therapist, Dawn Addison-Corbit, at the Laurel Outreach Clinic. After a knee injury, Kaylee had to use a walker. Now, after hard work at physical therapy and determination, she is able to walk without the use of a walker.

College students participate in WSC Northeast Nebraska Teacher Academy

The Northeast Nebraska Teacher Academy (NENTA), a collaboration among Wayne State College, Educational Service Unit #1 and 14 northeast Nebraska school districts, has resulted in classroom experience for more than 850 WSC education majors while helping to alleviate the area's substitute teacher shortage.

Participating school districts are Wayne, Winside, Allen, Laurel-Concord, Wakefield, West Point, Wynot, Coleridge, Hartington, Leigh, Newcastle, Ponca, South Sioux City, St. Michael's Elementary (South Sioux City). Local participating students include: Wayne: Katie Echtenkamp, Jon Ehrhardt and Amy Hypse; Wakefield: Kandyce Bloomfield and Karissa Meyer.

NENTA is in the ninth year of existence, is the first and only program of its kind in the nation.

Wayne State College faculty members Dr. Tim Sharer and Carolyn Driewer serve as the NENTA director and coordinator respectively. Carol James is secretary for the program. Driewer and Sharer serve on the NENTA Advisory Council along with the superintendents of schools from each of the participating dis-

tricts. NENTA has been financially self-supporting since 2003.

Goals of NENTA are to increase the number of substitute teachers, to improve availability and equitable use of substitute teachers, to enhance the quality of instruction delivered by a substitute teacher in participating school districts and to positively affect retention of teach-

ers during their first five years in the profession.

To date, NENTA has completed nearly 3,000 substitute teaching days, which has assisted in providing improved classroom instruction for thousands of northeast Nebraska students. These improvements are due to an increase of highly trained local and area substitutes

NENTA students Kandyce Bloomfield of Wakefield and Amy Green of Columbus (center) complete training on the art of effective teaching and teaching success workshops by the nationally recognized APL Associates of Camillus, NY with co-founder Jean Anastacio (left), Sept. 25.

Rotary learns of marketing plan; new members are installed

Wayne Rotarians had a busy meeting on Sept. 10. They listened to Dave Simonsen, executive director of WAEDI (Wayne Area Economic Development, Inc.), discuss the new "Wayne Works" marketing campaign and three new members were installed.

Working together on the marketing campaign is the City of Wayne, Wayne Area Economic Development, Wayne Community Housing Development, Inc., community investors, and some grant funding. The plan is to let people know of the many great things that Wayne has to offer.

Presentation of the campaign includes new brochures of the city that were funded by the CDA (Community Development Association), professional welcome packets for new families to Wayne, information on the new spec building east of Wayne, a brochure on the Western Ridge housing subdivision, and more. Photographer, Natalie Endicott of Jammer Photography in Wayne was hired to take professional photographs for brochures and magazines to enhance the marketing campaign.

The total cost for the 12 month marketing plan is \$49,500 and the breakdown of cost is: media, 71 percent; production, 11 percent; miscellaneous, 12 percent housing brochure, six percent.

Simonsen added that Wayne is a quality city and has alot to offer such as affordable housing, rentals, assisted living and many amenities to add to the reasons to live in Wayne.

He continued that there is oppor-

tunity for marketing investment. They are looking for 20 investors, each with a \$500 minimum investment.

Library preparing 125th anniversary calendar

The Wayne Public Library is working with the 125th Celebration committee to develop a calendar that will include historical tidbits about Wayne along with a schedule of 125th events that will occur throughout 2009.

Groups that are planning activities with a 125th focus are invited to place their events on the calendar by contacting the library with this information no later than Monday, Oct. 20.

The calendar will feature current photos from around Wayne, paired with an historical photo. A brief history of Wayne will be included, along with a detailed schedule of the big celebration weekend planned for Aug. 6-8, 2009.

The full-color calendars will be available for purchase about Dec. 1, with all proceeds going to fund quasiquinquennial activities.

Stop by the library to fill out a brief information slip to get your group's activity included. You can

also call the library to have a slip sent out to you, or email the library at wpublib@cityofwayne.org.

WSC Black and Gold Shootout Midnight Madness

Pay As You Throw garbage pickup plan causes rift in Laurel

By Lynn Sievers
Of the Herald

Rising costs are causing many to come up with innovative plans to cut financial burdens. The city of Laurel is no different, in fact, they have been ahead of others by starting recycling efforts at least seven years ago. Since that time, several towns in the area have followed Laurel's lead in recycling efforts.

In March, the city earned the "Recycler of the Year," award from the Keep Northeast Nebraska Beautiful Association. In May, recycling efforts geared up with implementation of the PAYT (Pay as You Throw) garbage pick up program after three town hall meetings

were held to explain the plan. EPA guidelines were used in setting up the program.

With PAYT, residents and businesses were charged a basic rate for garbage collection and were required to buy special bags to measure volume that were 15 gallon size: \$1 or 30 gallon size: \$2 so their garbage could be picked up with city trucks.

The plan was designed to cut collection costs and encourage recycling. After being implemented, some residents voiced their opposition to the PAYT plan because they felt they were being forced to recycle. City officials said that wasn't the intention because people can throw away as much or as little as they want. The numbers from the city office during the short time PAYT was used show improvement. Lathan Asbra, Laurel Regional Recycling Center operator, said in comparing June 2007 and June 2008, there was a turnaround of al-

most \$5,600. Some people were noticing that it was working but some did not understand the process.

"The plan didn't have enough time to prove itself," Asbra said.

At the August Laurel city council meeting, the majority of the council waived the three regular readings, repealed two garbage ordinances that had set the PAYT plan into motion, adopted a new ordinance, the garbage bag requirement ended and the fees went back to the original rates.

Several Laurel residents in favor of PAYT had the following to say.

"I use one bag a week," Betty Olson said. "I think the issue pertains more to the young than the elderly who don't have as much garbage. Whatever the city says is fine with me; that's how it should run, that's why we hire them."

"I think it's good," stated Mildred Jensen. "I don't have much garbage. I can usually go a couple of

weeks before putting out a bag."

Betty Kavanaugh said she is on a committee that is trying to come up with a solution that both sides can agree with. Also on the committee are Dr. Dave Felber, chair, Dr. Lee Dahl and Brad Chapman. Kavanaugh notes that the issue has become a big controversy and she hopes the committee can come up with a solution. She added that she thinks the issue has made everyone more aware of the need to recycle. "We have a wonderful city crew who tried to do a super thing."

Dr. Felber noted the committee is taking input and is working on a proposal they can present to the city council in four to six weeks. They have listened to a lot of people and have been asked to have a town hall meeting before the presentation, which they are considering.

A couple of Laurel residents opposing PAYT had the following to say, "I don't like the yellow bags,"

Sheri Chapman said. "They don't fit right and they rip but I guess that's because they are biodegradable. I am for recycling but I don't like being told I have to and also have to pay extra."

"We wanted a dumpster, not bags," Diane Peterson said. "We wanted options."

"PAYT is a hot topic but I want

curbside garbage pickup," Becky Sohler said. "We have six children and I recycle everything. Curbside service is good, we use it and want to keep it but the bags were not the right way to go about it. No options were given. If rates need to be raised, we understand and realize over time that's necessary but that was the wrong way to go about it."

Performance on Oct. 5 designated to help raise funds for Red Cross

The Norfolk Community Theatre will soon be starting performances of "The Mystery of Irma Vep" which is a murder mystery spoof/comedy set in the early 20th century. It offers a fair amount of spook and special effects, some laughs and some screams. The play will be held in the theatre on the Northeast Community College campus and tickets for the play cost \$13 for adults and \$7 for students.

The play on Sunday, October 5th at 2 p.m. has been designated to help raise funds for the American Red Cross National Disaster Relief Fund. The Community Theatre is giving 50 percent of the box office proceeds that day to the American Red Cross.

Tickets can be purchased at the door, or in advance by calling 402-844-7360

Objections brought PAYT to a halt; recall petition circulated

By Lynn Sievers
Of the Herald

Looking back at recycling, the EPA (Environmental Protection Agency) has noted the good of recycling for almost 50 years. In Nebraska, LB1257 was signed into policy in 1993 and mandated in 1994 stating that communities need to reduce volume to landfills.

In Laurel, the city council set the recycling wheels in motion approximately seven years ago. Lathan Asbra started Security Shredding in 2003. The City of Laurel applied for recycling grants, which they received from DEQ (Department of Environmental Quality) totaling around \$203,000 that was used for a baler: \$75,000, the building: \$111,529 and a trailer: \$16,785. The city also put in around \$130,000 towards the building, dirt work, etc. to get the idea up and running.

"Nothing had changed since 2003," Asbra said. "Fuel is up 170 percent as of last year; more now. If we stayed with the flat rate for garbage pickup, the rates would have to rise so we tried to avoid that with the PAYT plan. With PAYT, there is no limit of pickup at the curb."

Asbra noted the council vote for the PAYT plan was unanimous (he abstained) but later it was repealed as council members Scott Rath and Jerry Cunningham changed their minds. A petition for the recall of council member Karen Harrington was circulated. Petition circulators (who also signed the petition) were Jerry Wiemers, Jason Swanson, Carol Swanson and Rath.

According to the minutes of the Sept. 8 city of Laurel city council meeting, Rath made a motion, seconded by Cunningham to adopt resolution #223 to order Dave Dowling (county clerk) to place the recall of Harrington on the general election ballot in November. Mayor Logan Garber broke the tie with a nay vote. The question was raised about possible conflict of interest concerning council members voting on the recall resolution. Attorney Craig Monson indicated there was no conflict of interest concerning any of the council members voting, which he verified by contacting the offices of the Attorney General and the Secretary of State.

As for council members being petition circulators or signing pe-

titions, Attorney Monson noted he checked again with the Attorney General and Secretary of State and there is no conflict of interest.

Rath did not comment for this article.

Cunningham said they all voted to put PAYT in place but he revoked it when he received calls from his constituents opposing the plan because they didn't like buying the bags and felt it was forced recycling. As for the recall, he didn't want to comment on that.

There is a new law that passed which states that in order to get a council member recalled, all the signers have to be from the ward of the office holder. The recall process requires that the petitioners get signatures of 35 percent of the votes cast in the previous election for that particular office. It doesn't have to be people who actually voted, just 35 percent of the total votes cast. The number of signatures required is determined by the County Clerk

who refers to the previous election totals of votes cast, then does the math so that the petitioners know the number of signatures that are required.

The petition with the required 90 signatures went to the Cedar County courthouse. The district court date for the recall petition is set for Oct. 6.

Harrington said, "I feel a recall should be for someone who is guilty of crime or misconduct and I've done nothing wrong. Two other council members voted for the PAYT plan also, which is a volume-based approach to garbage removal."

"We've been moving down this path all along," Harrington said. "State statute LB1257 states municipalities are supposed to be reducing garbage. If we don't continue recycling, we're in jeopardy of losing the baler, recycle trailer, and grant dollars for the building; either we're committed or we're not." Laurel residents Diane Peter-

son and Becky Sohler were among those signing the petition. Peterson noted that reasons given them were not grounded. One reason was that older people who don't have as much garbage shouldn't have to pay the same rate as others. She noted there are other individuals too who don't have much garbage so singling out certain people or age groups should not happen.

Peterson said Harrington represents their ward and after speaking to her, felt she wouldn't listen; that the door was shut. She later found out there were certain rules that had to be followed with the grant, which Peterson said should have been addressed to the public before getting the grant.

Sohler also felt they weren't represented well.

Some petition signers stated they didn't realize what they were signing. They thought they were signing a petition to end PAYT, not to recall Harrington.

Local artist to have drawings to be part of MONA exhibition

Marlene Mueller Drawings will be featured MONA (Museum of Nebraska Art) exhibitions, Oct. 18, 2008 - Jan. 4, 2009 at MONA, 2401 Central Avenue in Kearney.

Fire is the impetus for this new body of work by Wayne State College Professor of Art Marlene Mueller.

United Way to kick off campaign

The Wayne United Way is planning a kick-off for the 2008-09 fundraising campaign.

Hot dogs, brats, chips and a drink will be served for a free-will donation. Serving will be from 6 to 7 p.m.

The Wayne United Way has set a goal of \$36,000 for the upcoming campaign.

The agency, under its mission "Helping Meet the Human Service Needs of the Community through the Solicitation and Distribution of Donated Resources," serves 17 agencies in the area.

They include Goldenrod Hills Community Services Head Start, Wayne FRIENDS, Wayne Community Theatre, Wayne Boy Scout Troop #174, Wayne Historical Society, People Are Loved (PAL), Wayne Girl Scouts, Wayne Senior Center, Wayne Haven House, Northeast Nebraska Child Advocacy Center, Wayne Public Library Summer Reading Program, Northeast NE Red Cross, Salvation Army, Wayne Department of Recreation/Leisure Services, TeamMates of Nebraska, Wayne, Wayne City Ministerial Association and Greenwood Cemetery.

For 55 years the Wayne United Way has provided a cost-effective way to raise funds for a number of agencies serving the Wayne area. Because funded agencies incur no fund-raising expenses, the maximum amount of funds are available to provide agency services.

Those agencies receiving United Way funding are also in need of volunteers.

Current members of the board include Shelley Jorgensen, Mitch DeBoer, Jeff Carstens, Alan Baier, MaryAnn Lutt, Kelly Petersen, Tracy Pierson, Diane Roeber, Corby Schweers, Clara Osten, Bill Koeber and Gene Hansen.

For more information about the United Way, contact any of the board members.

ler. As a volunteer for the Wayne Fire Department, Mueller has been investigating minute detail within fire and the sense of order that it holds even in the midst of its destructive nature.

The black and white drawings are realist in approach yet, through their careful dissection of form, they can, in part, carry a sense of abstraction through the artist's use of line, composition, and value. This is the first solo exhibition for Mueller at the Museum of Nebraska Art and the first full-scale showing of her complete fire drawings series. <http://monet.unk.edu/mona/exhibitionNEW.html>

Artist Statement for MONA: Into the Ashes is the visual record of an event in my life that occurred several years ago. As an active member of a volunteer fire department in northeast Nebraska, I have had many opportunities to observe the characteristics of fire from a very close vantage point.

This series depicts the controlled burning of a farm building and the various stages leading to its ultimate conclusion. I photographed

the initial torching, the total engulfment, the building collapse, the smoldering of timber and charred remains. My intent was to observe the transformation of solid matter into ash. The ephemeral elements of flame, water, steam and smoke provided the foundation of my study.

As witness to this dramatic interlude with nature I was challenged to translate such illusive imagery into highly complex textural components. Through close observation using the photograph, I faithfully interpreted the parts of these elements so as to freeze frame the fleeting, amorphous qualities of the event.

Charcoal seemed to be the most direct and logical medium from which to make these drawings without the embellishment of color. The use of charred wood in my hand recalled the emotional and sensuous aspects of sight, smell and temperature. Memories of the hissing and crackling of wood, the roar of flame, and the scent of smoke all evoked the unrelenting power of nature.

Marlene Mueller's "Roar" is one of her drawings featured.

Wayne's Alesha Finkey (right) finds herself in a pickle on Saturday morning's win over Battle Creek.

Wayne improves to 17-2 overall Tournament foes a push over for No. 1 Blue Devils

By Casey Schroeder

The No. 1 Wayne Blue Devils softball team continued their winning ways over the weekend as they swept the Wayne Softball Tournament 3-0.

With the Blue Devils' recent win, Wayne improved to 17-2 overall.

"It's always nice winning your own tournament and the way we did it doesn't happen that often in our sport," said Wayne head softball coach Rob Sweetland.

In Wayne's Saturday morning opener, the Blue Devils used only three innings to defeat Battle Creek 12-0.

Nicole Rauner led the Blue Devils in hitting with a double and two runs scored while Kristin Carroll and Riley Hoffart both recorded two hits apiece.

Cassy Miller earned the pitching win for Wayne giving up just one hit while striking out five in three innings of work.

After shutting out Battle Creek 12-0 in the first round, Wayne cruised to a four inning 13-2 win over Wisner.

Alesha Finkey guided the Blue Devils' offense with four hits, two RBIs and three runs scored.

Aiding Finkey in the win for Wayne was Miller with three hits,

a RBI and two runs scored followed by Shannon Jarvi who was credited with two hits, a lone RBI and a pair of runs scored.

Defensively, Jarvi was tagged with the win as she worked four innings where she allowed three hits while striking out four.

With an overall record of 2-0, Wayne closed out tournament play with a 11-0 shutout of Tekamah-Herman in the Championship round.

Caitlin Fehringer highlighted the Blue Devils' scoring attack with a grand slam, four RBIs and two runs scored.

Other offensive leaders for Wayne included Miller with a home run and two runs scored while Hoffart contributed a double, RBI and pair of runs scored.

"We played extremely well offensively on Saturday," said Wayne head softball coach Rob Sweetland. "From top to bottom we hit the ball hard and were aggressive on the bases."

The No. 1 Wayne Blue Devils can next be seen on Thursday, Oct. 2 when they travel to West Point C.C. for a 4:30 p.m. game.

"We are looking forward to the challenges that lie ahead of us this week," Sweetland said.

Wayne's Cassy Miller earned the pitching on Saturday against Battle Creek, after she recorded five strikeouts.

Blue Devils upset Battle Creek 19-18

By Casey Schroeder

The Wayne Blue Devils' football squad ended their search for a win last Friday as they traveled to Battle Creek and chalked up their first win of the season as they upset the Braves 19-18.

"The kids played hard Friday and left it all on the field," said Wayne head football coach Kevin Finkey. "I think it was a great win and learning experience."

Prior to the Blue Devils third quarter comeback, Battle Creek got on the scoreboard with a pair of touchdowns in each of the first two quarters of play to take a 12-0 lead into halftime.

"We stumbled a few times in the beginning, but got it together late in the first half," Finkey said.

With a 12-0 lead going into the third quarter, Battle Creek opened up the second half with their third and final touchdown of the night to jump ahead of the Blue Devils 18-0.

However, Wayne responded in the ensuing minutes of the of the third quarter with three touchdowns and a lone extra point kick to close out the third period with a 19-18 lead.

"At 18-0, the only talk from our side was positive and focused, Finkey said. "They players felt all along that they were in the game and should win."

While talks of win echoed on Wayne's sideline, the Blue Devils'

had few problems in the fourth quarter as they held off the Braves on several occurrences to secure the 19-18 win.

"Friday night we had several players step up, which in turn got the entire team going," Finkey said.

Darnell Collins led the Blue Devils on the ground with 144 yards on 11 carries with one touchdown while Derek Poutre used 11 attempts to rush for 59 yards.

Quarterback Dexter Brown finished the night completing 1 of 2 passes for five yards.

The Wayne receiving corps was led by Drew Workman's one reception for 11 yards followed by Poutre who added five yards on one reception.

Defensively, Nate Sieler led all Blue Devils in tackles with 19 while Mike Kay added another 11 stops.

Wayne will look to extend their current win streak to two as they host No. 1 Pierce on Friday, Oct. 3 at 7 p.m.

Winside steam rolls Winnebago 55-8

By Lee Koch and Casey Schroeder

Winside scored early and often last Friday night as the Wildcats raced to a 27-0 first quarter lead over the visiting Winnebago Indians.

After Winside hung 27 first quarter points on the Indians, the Wildcats continued to find the end zone with ease as they tacked on an additional 20 second quarter points to take a 47-0 lead into halftime.

Garet Hurlbert contributed touchdown runs of 20, 9 and 1 yard in the first quarter enroute to the 55-8 win for the Wildcats on parent's night.

After Hurlbert's hat trick which occurred in the span of 2:46 the Wildcats opted to spread the ball around as six other Winside players found the end zone during the contest.

A Michael Lage to Casey Lange pass for six yards with 3:51 left on the clock closed out the first quarter of scoring for the Wildcats.

Blake Hokamp then opened the second quarter with a six-yard run followed by Anthony Nelson who rumbled 22 yards from the line of scrimmage for his first touchdown of the season.

Backup fullback Alec Sindlear completed the Wildcat first half scoring barrage on an 11-yard run with 2:11 left in the period to give put Winside ahead 47-0 at halftime.

Following the intermission break, Winside head coach Mark Koch turned the game over to the junior varsity who played Winnebago evenly for the final two quarters.

Indian quarterback Aaron Lapointe scored from 13 yards out with 1:32 left on the game clock and then added the ensuing two point conversion on a pass to Theo Wolfe.

The Wildcats responded on the following possession on a nine play 50 yard scoring drive that was capped off by an Ethan Thies one yard touchdown run with 4:48 left in the half.

Nelson led Winside on offense with 111 yards on 12 carries with one score while Garet Hurlbert finished the night with nine carries for 91 yards and three touchdowns.

Wildcats overcome third set woes to down Raiders 25-12, 25-13 and 25-22

By Casey Schroeder

The Winside Wildcats' used a combined total of 26 kills and 59 digs last Thursday evening to record their 11th win of the season as they defeated Newcastle by the scores of 25-12, 25-13 and 25-22.

Hilliary Lienemann led the Wildcats at the net with eight kills and was followed by sister Shelby Lienemann who finished the evening with seven.

Other offensive leaders for the Wildcats included Katie Gray with six kills while Jordyn Roberts dished out 21 set assists in the win.

Defensively, Winside was led by Katie Gray with 12 digs followed by the two Shelby's (Lienemann and Meyer) who finished the night with 10 each.

Leading up to Winside's win over Newcastle the Wildcats opened the week with a five set win over Wausa by the scores of 25-13, 25-16, 18-25, 19-25 and 15-10.

Hilliary Lienemann guided the Wildcats on offense with 18 kills and five blocks while Katie Gray contributed 14 kills.

Shelby Meyer and Shelby Lienemann both posted four kills apiece in the win and were followed by Jordyn Roberts who had two.

Aside from her two kills, Roberts also led the Wildcats in set assists with 22 and was further assisted by Shelby Lienemann and Shelby

Lage guided the Wildcats from the quarterback position going 2 for 2 for 26 yards and one touchdown.

Defensively, Jared Brockman, Kelby Prince, Zach Brokaw, Seth Mangels and Hurlbert all recovered Winnebago fumbles for the Wildcats.

Jordan Nelson forced a fumble and Cody Wylie added a pass break up to Winside's defensive effort.

Sage Schwedhelm and Brokaw recorded nine tackles each with Anthony Nelson, Jordan Nelson and Sindlear all recording six stop each.

Winside will travel to Emerson-Hubbard on Friday, Oct. 3 for a 7 p.m. game.

Hefner and Hoffman collect Player of the Week honors

Wayne State College athletes Jennifer Hefner and Luke Hoffman received Nebraska NCAA Division II Player of the Week honors on Sept. 30, following their performances for the Wildcats over the past weekend.

Hefner was tabbed the Volleyball Players of the Week for the state's NCAA Division II schools for the second time this season while Hoffman received the Defensive Player of the Week honor in football.

Hefner, a 6-1 sophomore middle hitter from Archer, averaged 4.62 kills per game last week as the Wildcats swept Mount Marty and

defeated No. 18 Augustana College 3-2.

She registered 25 kills in the 'Cats come-from-behind 3-2 win over Augustana on Saturday and had 12 kills in the 3-0 win over Mount Marty on Friday night.

Hoffman, a senior outside linebacker from Wakefield, had a 72 yard interception return for touchdown while making six tackles in Saturday's 34-28 win at Southwest Minnesota State.

His interception return came midway through the third quarter and gave the Wildcats a 31-14 lead at the time.

Eagles make prey of Bluejays 66-18 on Friday

By Casey Schroeder

The Allen Eagles soared to new heights last Friday as they opened district play with a 66-18 win over the Walthill Bluejays.

"We executed pretty well on offense," said Allen head football coach Dave Uldrich. "It was a good effort all in all."

The Eagles' proved to be too much for Walthill early on as the Eagles cruised to an easy 33-0 lead over the Bluejays in the first quarter.

Following a first quarter performance in which Allen scored five times, the Eagles continued to bully the Bluejays as they added two additional touchdowns while allowing Walthill just one score to close out the first half leading 46-6.

After a dominate performance in the first half by the Eagles, Walthill struck back late in the third period when the Bluejays posted their second score of the night on a 25-yard pass reception to cut Allen's lead to 46-12 heading into the fourth quarter.

Despite Allen's commanding lead over the Bluejays, Walthill refused to throw in the towel as they found the end zone on a 9-yard pass to make it a 46-18 game with 9:43 left to play in the third quarter.

However, Allen responded back with three touchdowns in the final 10 minutes of the half to pull away with the 66-18 win.

Offensively, Scott Wilmes led the Eagles in rushing with 153 yards on six carries and three touchdowns.

Quarterback Heath Roeber completed 2 of 2 passes for 38 yards and two touchdowns while also rushing for 47 yards on five carries with two scores.

Leading Allen's defense in the win over Walthill was Cory Klug with 12 tackles and Cody Stewart who was credited with 11 stops.

Alex Langseth and Nick Schneiders were both credited with an interception while Kurtis Eisenhauer and Chase Isom each

recovered a fumble.

Allen will look for their second win of the season on Saturday, Oct. 4 when they host Newcastle at 7 p.m.

Ian Miner (34) breaks away from a host of Hartington C.C. defenders early Friday night. Miner finished the night with 130 yards rushing on 28 carries.

Miner leads No. 8 Trojans to 7-0 win over No. 3 Hartington C.C.

By Casey Schroeder

Prior to last Friday night's marquee match-up between No. 3 Hartington C.C. and No. 8 Wakefield, only two questions remained unanswered.

Which Trojan squad would win and by how much.

It was only after four quarters that the answer was unveiled as Wakefield held off a valiant effort by Hartington C.C. in the final seconds of the fourth quarter to hand the Trojans their first loss of the season.

"We are getting better, but we still have a long way to go," said Wakefield head football coach Justin Smith.

After a scoreless first quarter by both Trojan squads, Wakefield recorded the first and only touchdown of the night in the second period when Ian Miner found the end zone on an 18-yard touchdown run.

Mason Nixon (10) and Drew Henderson in the process of bringing down a Hartington C.C. ball carrier.

With a successful field goal attempt by Uvaldo Reyes, Wakefield jumped on top of a 7-0 lead that they failed to relinquish for the remainder of the night.

After the second and third quarters saw neither team record touchdowns, Hartington made one final attempt in the fourth quarter to overthrow the Trojans.

Following a Wakefield turnover, Hartington regained possession of the ball and looked to move the ball downfield from their own 22 yard line.

With senior running back Justin Hart in the backfield and junior Travis Nelson under center, the Laurel-Concord Bears relied heavily upon their trademark ground game last Friday as they raced to a 34-27 win over the Randolph Cardinals.

"This was a very tough game," said Laurel-Concord head football coach Terry Bear.

"Randolph did things very well and it came down to the team that held the ball last."

Leading the potent Bears offense in the win over Randolph was Hart who used 34 carries to rush for 275 yards and three touchdowns.

Hart scored on a pair of five yard runs in the first and third quarter while also adding a score from 27 yards out in the second period.

In addition to Hart, Johnny Saunders accounted for another rushing touchdown for the Bears as he found the end zone on a one yard run in the third quarter.

Nelson directed Laurel-Concord from the line of scrimmage completing 6 of 9 passes for 71 yards while throwing for one score.

Esra Schantz led all Laurel-Concord receivers with an 11-yard touchdown reception.

On defense, Erik Diediker recorded nine tackles while

Following a Wakefield turnover, Hartington regained possession of the ball and looked to move the ball downfield from their own 22 yard line.

Hartington had moderate success on the ensuing drive as they used a 21-yard pass reception to move the ball down to their own 46 yard line.

With only eight seconds remaining on the clock, Hartington attempted to find the end zone on a pass, only to have the ball batted down by Wakefield's Zach Blessing at the line of scrimmage.

On Cedar Catholic's final play of the night, with only two seconds left in the game Hartington sent four wideouts deep, but failed to convert on the opportunity as the attempt went incomplete.

Miner led Wakefield in rushing with 130 yards on 28 carries with one touchdown followed by Seb Kramer who finished the night with 50 yards on five carries.

Wakefield quarterback Chad Clay went 5 of 6 for 68 yards while also rushing for 37 yards on 11 attempts.

Mason Nixon led Wakefield in receiving with four receptions for 58 yards with Kramer adding another 10 yards on one catch.

No. 5 Wakefield will travel to Ponca on Friday, Oct. 3 with kickoff scheduled for 7 p.m.

ASK THE TRAINER

I have received a couple of questions regarding the differences between what I do as a Certified Strength and Conditioning Specialist (CSCS) and what a Certified Athletic Trainer (ATC) does.

There are some similarities and a lot of differences between the two disciplines. An athletic trainer's job responsibilities include providing physical medicine and rehab services, preventing, assessing, and treating injuries, and coordinating care with physicians and other allied health providers. Athletic trainers typically work in schools, colleges, professional sports, clinics, hospitals, and the military. An athletic trainer is required to have at least a bachelor's degree in athletic training, pass a certification exam, and maintain continuing education to remain certified.

A CSCS certified personal trainer's job is different in that we do not assess injury and work with individuals

in the first phases of rehabilitation. A CSCS certified personal trainer develops and implements safe and effective strength and conditioning programs to athletes and the general population. My job is to be sure an individual's exercise goals, such as body fat reduction, speed, power, and agility improvement, cardiovascular and muscular strength gain, and weight loss or gain, are met in a safe environment. A CSCS certified trainer is also required to have at least a bachelor's degree in a related field, pass a certification exam, and maintain continuing education to remain certified.

In simple athletic terms, a CSCS is responsible for producing bigger, faster, and stronger athletes and the ATC is responsible for injury evaluation and to get that athlete rehabbed and back in the game post injury.

Make 2008 the year you take the time to improve your overall health!

WSC women's golf shoots 347 to finish second behind Mavericks

By Casey Schroeder

A total score of 347 was all that was needed for the WSC women's golf team to place second at the WSC Fall Invitational Women's Golf Tournament last Friday in Wayne.

"The team played very well. They are continuing to improve" said WSC golf coach Troy Harder. "Obviously, we wanted to get first place, but that did not happen."

Nebraska-Omaha carded a 312

to win the team title with WSC in second at 347. Rounding out the team scoring were Nebraska-Kearney at 364 and Northwestern College with a 380.

Individually, UNO's Erin Ommen took home first place honors after she shot four-over par with a 76.

Ommen was then followed by fellow Mavericks Dani Suponchick (77), Abbey Weddle (78) and Amy Powell (81).

WSC sophomore Heather

McCabe of Plainview led the Wildcats with an 85 to place fifth overall while Kelsee Katsampas and Ali Fuchtman finished seventh and eighth with rounds of 86.

"Heather and Kelsee are proving to be two very consistent players," Harder said. "Their practice time is starting to payoff."

Other Wildcat golfers who participated, but failed to place included Liz Garden with a 90 and Paige Barry at 98.

The Wildcats will return to action this weekend when they compete in the first round of the Northern Sun Conference Championships at the Hillcrest Country Club in St. Paul, Minn.

Listed below are the team scores and individual results.

Team Scores: 1. Nebraska-Omaha 312; 2. WSC 347; 3. Nebraska-Kearney 364; 4. Northwestern College 380.

Individual Scores: 1. Erin Ommen, UNO, 39-37-76; Dani Suponchick, UNO, 35-42-77; 3.

WSC snaps losing streak with win over Southwest Minnesota State

By Casey Schroeder

The Wayne State College football team returned to true form last Saturday when they defeated Southwest Minnesota State 34-28 in Marshall, Minn. before a crowd of 3,890 fans.

With the win, WSC improved to 3-2 overall and 2-2 in the Northern Sun Intercollegiate Conference (NSIC) while the Mustangs dropped to 2-3 overall and 2-2 in league play.

"We still have some areas to improve in, but all in all I think it was a step forward and I think we're getting better," said WSC head football coach Dan McLaughlin.

"I thought we were more consistent, instead of flashing here and there."

WSC scored the first of 34 points in the first quarter when Mario Melvin scored on a three-yard run to cap a 12 play, 64 yard drive to give the Wildcats a 7-0 lead with 19 seconds left in the quarter.

The Mustangs, however, responded on the ensuing drive, marching 77 yards on 10 plays as quarterback Josh Shudlick connected with Wade McDonough on a 18-yard touchdown reception to tie the game at 7-7 with 11:16 left in the first half.

WSC then scored on their next two possessions to take control of a 17-7 lead.

The Wildcats drove 75 yards on seven plays with Frederick Bruno finding the end zone on a six yard run to increase the Wildcats lead to 14-7 with 6:06 remaining in the second quarter.

Following a Mustang fumble, WSC used a Nick Hope 43-yard field goal to take a 17-7 lead into halftime.

After the intermission break, SMSU opened the third quarter with a score as Wayne native Nate

Finkey intercepted a Silas Fluellen pass and raced 37 yards down field for a touchdown, which cut the WSC lead to seven with 14:46 left in the quarter.

The Wildcats then responded back on the following drive as Travis Rhone scored on a two-yard run to cap off a 10 play, 72 yard drive to give WSC a 24-14 lead with 10:02 left to play in the third quarter.

Following Rhone's touchdown, WSC revisited paydirt when senior outside linebacker Luke Hoffman intercepted a Shudlick pass and sprinted 72 yards for a touchdown, which increased the Wildcats lead to 31-14 with 4:33 remaining in the third quarter.

The Mustangs later added a score in the third quarter as Shudlick connected with McDonough on a 15 yard reception to pull within 10 points of the Wildcats with 1:59 left in the quarter.

In the final quarter, WSC's final score of the evening came on a Hope 23-yard field goal that increased the Wildcats lead to 34-21 with 8:45 to play.

However, SMSU scored with 1:01 left in the game as Shudlick found Bret Ballantine on a 14-yard pass to make the score 34-28.

Down by only five points, SMSU attempted an onside kick, but failed to convert on the opportunity as WSC recovered the ball and hung on for the 34-28 win.

Fluellen, led the Wildcats' offense completing 21 of 33 passes for 222 yards with two interceptions.

Junior wide receiver Logan Masters hauled in a team-high seven catches for 105 yards followed by Robert Perry with six catches for 55 yards.

Rhone carried the ball 10 times for 77 yards and one touchdown while Melvin accounted for 56

yards on 14 attempts with one score.

"SMSU used more of a two high so they could sit their corners to play, the run, Fluellen said. "We exploited their line by running right up the middle."

Linebackers Ryan Reeves and Reno Blomquist each recorded 10 stops to lead the Wildcats' defense while Hoffman added six tackles and a 72-yard interception return for a score.

Senior defensive Tyler Krueger added five tackles with 2.5 sacks and a forced fumble.

The WSC defense accounted for five sacks which totaled 38 yards and had eight tackles for loss worth 42 yards.

"We did a better job pressuring the quarterback," McLaughlin said. "I thought we tackled really well and I guess that is probably the difference."

The Wildcats will be on the road again this weekend as they travel to Fayette, Iowa for a NSIC matchup against Upper Iowa with kickoff set for 1 p.m.

"We have to continue to get better," McLaughlin said. "The one bug-a-boo we did better in last week was scoring in the red zone and now I'd like to get through a game with zero turnovers. If we could do that, I think we have a chance to be really good."

Wayne golfers place third at conference meet; fifth at Wayne Invite

The Wayne girls golf team hosted the annual Richard Metteer Invitational last Thursday at Wayne Country Club with nearly 90 girls taking part.

The Blue Devils placed fifth overall with a 438 team score. "It was warm and windy but we fought hard," coach Josh Johnson said. Norfolk Catholic captured championship honors with a 375 while Columbus Scotus finished runner-up at 495 followed by Crofton at 407. Elkhorn Valley also finished ahead of Wayne.

The top 20 golfers each earned a medal with Humphrey St. Francis' Danielle Kuchar placing first with an 82. Wayne's top placer was junior Lauryn Braun with a 17th place effort of 103 while fellow classmate Justeen Powell was 19th with a 106. Brittney Peterson carded a 110 followed by Jessica Farmer with a 119 and Lisa Temme, 129.

Wayne had all 12 golfers taking

part in the meet with Ambre Ruzicka leading the charge with a 115 followed by Taylor Burke and Kara Potter with 124's. Alexis Reinert netted a 130 with Hannah McCorkindale and Burgandy Roberts notching 141's each. Mashayla Ruzicka rounded out the Blue Devils fleet of players with a 146.

Wayne also competed at the Mid-States Conference Tournament on Tuesday afternoon in Norfolk at Eldorado Hills with the Blue Devils placing third in the team scoring at 452. Norfolk Catholic won the team title with a 384 followed by Pierce at 446.

Isabelle Baldacci of Norfolk Catholic was the individual medalist with an 82. Wayne had one player in the top 10 for a medal with sophomore Jessica Farmer placing 10th at 108. Brittney Peterson carded a 111 while Lauryn Braun finished with a 116. Lisa Temme rounded out the team

scoring at 117 while Justeen Powell's 122 was not included in the team scoring.

Wayne also had four reserve players competing with Ambre Ruzicka leading the way with a 116. Taylor Burke netted a 134 and Kara Potter finished at 142 while Burgandy Roberts tallied a 148.

Following an invitational at Columbus Scotus on Wednesday, Wayne will compete at the regular season finale at the Oakland-Craig Invitational on Saturday before competing at the District Tournament on Tuesday, also at Oakland.

Wayne goes 1-2 in tournament play Blue Devils thump Dragons at Gator Invitational

By Casey Schroeder

The Wayne Blue Devil girls' volleyball team picked up their third win of the season last Saturday at the Wisner-Pilger Gator Invitational when they defeated Madison by the scores of 25-19 and 25-18.

"The girls are continuing to improve," said Wayne head volleyball coach Joyce Hoskins. "I feel the team is starting to gel."

Leading the Blue Devils' offense in the win was Elisa Robinson with 10 kills and four ace serves while teammate Katie Hoskins added seven kills and an ace in the win.

In addition to Robinson and Hoskins' efforts Erica Sebade contributed four kills followed by Cassie Harm and Elle Schramm with two each.

Additional offensive leaders for the Blue Devils included 10 set assists by Cori Volk with Becca Jaixen adding six and Schramm with three.

Defensively, Wayne saw Harm guide the Blue Devils to the win over Madison with six digs while Megan Nissen recorded three.

Following the win over Madison, Wayne returned to tournament action where Wisner-Pilger dealt the Blue Devils a two set loss by the scores of 25-22 and 25-11.

Hoskins led Wayne at the net with seven kills and a lone ace followed by Robinson and Sebade who accounted for two kills apiece in the loss.

Guiding the Blue Devils on defense against Wisner-Pilger was Volk with five digs and Nissen who followed with four.

Other defensive dig leaders for Wayne included Hoskins and Sebade with three while Harm, Jaixen and Ashley Soden added two each.

After going 1-1 in the first two rounds of tournament play, Wayne closed out the Gator Invitational with a 25-12 and 25-17 loss to Chambers.

Robinson led Wayne offensively with seven kills, two ace serves and a block while Hoskins posted five kills in the loss.

Volk kept the Blue Devils' offense in sync with nine set assists and was aided by Jaixen who finished the match with three.

Defensively, Nissen led the Wayne with six digs and was followed by Soden who added four digs in the loss.

The Blue Devils will resume action on Saturday, Oct. 4 when they host the Wayne Invite with the first round of games beginning at 9:30 a.m.

No. 1 Golden Bears sweep Wildcats Tuesday night

By Casey Schroeder

The No. 1 NCAA Division II ranked Concordia-St. Paul swept Wayne State College Tuesday evening 25-12, 25-16 and 25-15 in Northern Sun Conference (NSIC) volleyball action that was played in St. Paul, Minn.

The Golden Bears improved to 18-1 overall and 7-0 in the NSIC following the win while WSC dropped to 12-3 overall and 2-3 in league play.

WSC was plagued offensively, with 22 errors and a hitting average of .053 while Concordia-St. Paul recorded just 10 hitting errors and hit .326 for the match.

Senior Danielle Wessel led WSC

with nine kills and seven digs while freshman Tali Fredrickson contributed eight kills and eight digs in the loss.

Other offensive leaders for the Wildcats included sophomore Jenna Jansen who was credited with 18 set assists and five digs.

For Concordia-St. Paul, Whitney Melerotto had 13 kills with Emily Palkert accounting for 10. All-American setter Maggie McNamara handed out 36 set assists while Mary Slinger finished with 17 digs.

Prior to WSC's loss to No. 1 Concordia-St. Paul on Tuesday, WSC defeated No. 18 Augustana College by the scores of 25-20, 25-27, 23-25, 25-23 and 15-11 on Sept. 27 in Wayne.

"We used a really balanced attack which was exciting for us," said WSC volleyball head coach Scott Kneifl.

"Right now we are using a core of different girls each night to spread out those kills and I guess the biggest thing is that we played hard and with intensity."

After WSC won the first set of the evening, the Wildcats looked to close out the second set in control of a 20-16 lead.

However, Augustana rallied back to earn the 27-25 win over the Wildcats.

In the third set WSC again jumped out to an early 11-4 advantage before the Vikings rallied for the 25-23 win to take a 2-1 lead in the match.

After the Wildcats near upset in the second and third sets of the match, WSC outlasted Augustana in the fourth set and then used a .357 team hitting percentage in the fifth set to hold on for the 15-11 win.

"They were really scrappy and

they played great defense," Kneifl said.

"They dug a ton of balls, but the great thing about that is we took quiet a few more swings than them, so we stayed offensive and that is what I really liked."

The Wildcats had a .241 team hitting percentage for the match compared to .205 for Augustana.

Jennifer Hefner led the Wildcats' offense with 25 kills followed by Fredrickson with 15.

Other Wildcats who reached the double digit mark in kills included Mindy Moody with 14 and Wessel who added 11.

Tessa Wietfeld had 21 digs to lead the Wildcats defensively while Meredy Dubs was credited with 19.

Diedra Artz kept the Wildcats offense in sync with 45 set assists on the evening followed by Jansen who handed out 15 assists for the 'Cats.

Augustana was led by Cayla Schroeder who had a team-high 18 kills while Lisa Hoegh had 58 set assists for the Vikings.

WSC returns home this weekend when they host No. 13 Minnesota Duluth on Friday, Oct. 3 at 7 p.m.

Listed below are the statistics for WSC.

Wayne State Volleyball (Wayne)

Wayne State def. Augustana College 25-20, 25-27, 23-25, 25-23 and 15-11. WSC (12-2 2-2): Wessel 11k, 6a, 11d; Fredrickson 15k, 13d; Moody 14k, 3d; Artz 1k, 45a, 6d; Hefner 25k, 1a, 4d; Van Bek 2k, 2d; Dubs 2a, 19d; Hartigan 3k, 2d; Jansen 1k, 15a, 5d; Wietfeld 21d.

Wayne State Volleyball (St. Paul, Minn.)

Concordia-St. Paul def Wayne State 25-12, 25-16 and 25-15. WSC (12-3 2-3): Wessel 9k, 1a, 7d; Fredrickson 8k, 8d; Moody 3k, 1d; Artz 9a, 2d; Hefner 5k, 1d; Hartigan 3k, 2d; Dubs 6d; Jansen 18a, 5d; Wietfeld 3d.

Tali Fredrickson makes a kill in Saturday evening's win over No. 18 Augustana. Fredrickson finished with 15.

WSC forward Tiffani Kellerman moves the ball downfield with little opposition in Saturday's game against Northern State.

WSC women's soccer remains winless, now 0-10-1

By Casey Schroeder

The Wayne State College women's soccer team suffered their tenth loss of the season last Sunday as they were defeated 6-1 by the University of Mary in Wayne.

With the loss WSC dropped to 0-10-1 overall and 0-4 in the NSIC while Mary improved to 3-6 on the year with a 3-0 record in league

play.

The Marauders used four early goals in the first half to build a 4-0 lead that they failed to relinquish for the remainder of the game.

Amy Tanaka got the Marauders on the scoreboard in the early minutes of the first half with her third goal of the season.

With a 1-0 edge over WSC, the Marauders continued to score at will as Alyssa Deutscher added two goals before Sami Axtman recorded her first goal of the season to give Mary a 4-0 lead heading into half-time.

Following a brief delay due to lightning, Mary continued to add to their lead with goals by Jessica Janusz and Erin Lemay.

With the score at 6-0, Valerie Robinson got WSC on the board with a penalty kick goal in the 87th minute.

Mary held a commanding 18-6 advantage in shot over WSC. Mary also had five corner kicks to just one for the Wildcats.

The Marauders' Brannigan Coyle earned the win in the net with two saves while allowing just one goal.

WSC's Emily Walker suffered the loss in the net for the Wildcats as she recorded only six saves while also giving up six goals.

Preceding the Wildcats loss to Mary, WSC looked to open their weekend with a win over Northern State.

However, WSC had no luck in accomplishing the feat as they were dealt a 2-1 loss by the Wolves on Saturday afternoon.

"We played very well against Northern, especially compared to last year," said women's head soccer coach Brooke Bredenberg.

NSU took an early lead over WSC with a unassisted goal by Maggie Fedor in the fourth minute of play to give the Wolves a 1-0 lead.

However, WSC cut into NSU's lead 11 minutes later as Robinson found the goal on a penalty kick to tie the game at 1-1 going into half-time.

After the intermission break the game remained deadlocked at 1-1 until late in the second half when NSU's Summer Swan scored on a game-winning goal for the Wolves in the 82nd minute.

NSU held a 20-2 advantage in shot over WSC. The Wolves had nine corner kicks to just one for the Wildcats.

"Northern had a lot of their girls hand back which was tough for our girls to get through," Bredenberg said.

Dee Wood made one save and allowed just one goal to earn the win in the net for NSU.

WSC's Rachel Fuhs took the loss at goal for WSC as she allowed one goal while making four saves.

WSC will be in action again on Sunday, Oct. 5 when they travel to Sioux Falls, S.D. for a 3 p.m. contest against Augustana College.

Preston guides WSC harriers to first place at Dakota State Invite

By Casey Schroeder

The Wayne State College men's cross country team took first place while the women's squad finished second at the Dakota State Invitational that was held in Madison, S.D. on Sept. 27.

In the men's division, WSC placed five runners in the top 11 and cruised to the team title with 24 points while the University of Sioux Falls earned runners-up honors with 75 points.

Dordt College (102), South Dakota School of Mines (133) and Northwestern College (142) rounded out the top five teams in the 11 team men's field.

"Our men's team ran very well," said WSC cross country coach Marlon Brink.

"Our split from number one to number five was 1 minute, the best of the season so far which is a good sign."

Senior Nate Preston led a balanced team effort for the Wildcats, placing third overall out of 111 runners with a time of 25:44.46 on the 8,000-meter course.

Matt Schneider finished seventh in a time of 26:28.88 followed by Cheto Cerda in eighth at 26:35.68 and York Thomas in ninth with a time of 26:37.68. WSC's fifth runner, John Kern, came in 11th overall with a time of 26:44.42.

"Nate ran very well again, but the guys immediately behind him, Matt, York, Cheto and John really did a great job competing and staying close," Brink said.

"It was fun to see those five guys all make the top 11 spots. It was very solid performance. This group could potentially be the best team that I've had here in nine years at WSC."

Other Wildcat runners included Joe Chebul, Matt Seiler, Jason SchAAF, Michael, SchinStock, Nathaniel Bergen and Jimmie Doherty.

In the women's division Dordt

College edged WSC 67-78 for the women's team title followed by the University of Sioux Falls (81), Northwestern College (86) and South Dakota State (129) in the top five out of a 10 team field.

For the WSC women, the Wildcats placed three runners in the top 10 individually as junior Melissa Schmit came in fifth overall out of 113 runners with a time of 19:11.53 on the 5,000-meter course.

"Melissa made an impressive

debut for her first race of the season," Brink said. "She looks to be in very good form and should only get better with a few more races."

Teammate Sarah Thomsen was right behind Schmit in sixth place at 19:21.92 while Megan Zavorka crossed the finish line in ninth place at 19:38.83.

"Sarah had another solid performance to finish right behind Melissa," Brink said. "She is proving to be a very consistent performer this year."

Brink also added "Megan is continuing to work her way back to the shape she was in last year."

Other WSC finishers included Molly Gibson in 28th place at 20:13.20, Melissa McIntosh at 37th in 20:46.74 and Tatiana DeLosSantos who finished 53rd overall with a time of 21:35.01.

The next meet for WSC will be on Saturday, Oct. 11 when the Wildcats compete at the UNK Pre-Regional Meet in Kearney.

Letters

Check Biden's statements

Dear Editor,
Several letters have recently attacked vice presidential candidate Sarah Palin.
On the flip side of this, people should know that her opponent, Joe Biden, was on national T.V. and was asked about our current financial situation.
He said that in 1929 when we had a problem like this that then-President Roosevelt went on T.V. to

speak and calm down the nation.
There are only two things wrong with this story.
1. Hoover was president in 1929, not Roosevelt.
2. There was no T.V. in 1929.
Apparently, Biden is affiliated with a delusion as was Al Gore when he was running for national office. Gore claimed he invented the internet then.

Looking Ahead in Wayne

By Lowell Johnson,
City Administrator
City Council meeting
The next regular City Council meeting will be Tuesday, Oct. 7 at 5:30 p.m. in the council room.
Sludge
We are still in the process to determine whether to rebuild or replace our existing waste water treatment plant.
What's going on?
We get about 500,000 gallons per day into the plant. We are sampling the inflows for how heavy the loading is to determine the size of a new or reconditioned plant. Too small of a plant will not be accepted by Nebraska Department of Environmental Quality and too large a plant costs too much.
Who is working on this?
We are working with a committee of city staff and citizens and JEO Consulting to develop a plan to submit to the state for approval.
Why do we have to do this?

We are occasionally exceeding our permit limits for ammonia that can be released each day into Logan Creek and will be subject to state fines beginning in 2011 if we don't have the problem resolved.
What will be the cost?
The costs of the first set of proposals ranged from \$6 to \$16 million. The mayor and council rejected those options and we retained a new engineer to see if a lower cost option can be found. The two costs we are evaluating are construction cost and cost to operate.
Our current plant runs efficiently but costs over \$60,000 per year for electricity. Electricity costs will only be higher in the future so we are looking at some totally enclosed European systems that use more bacterial waste breakdown and less energy for aeration.

Safe Haven law needs adjustments

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

Put the state's "safe haven" law on the list of business the Legislature is certain to deal with in 2009.
The new law has given rise to at least one situation that could be adapted for the stage or screen - as comedy or tragedy.
Think of a "safe haven" law and, if you're most people, you think of a troubled, single mother with a just-born, unwanted child. The law allows her to drop off the baby at a hospital, entrusted to the state.
Nebraska was the last state to adopt a safe haven law. The Legislature obviously failed to learn much, if anything, from statutes enacted by the other states.
One gruesome truth about safe haven measures is that they are intended to diminish incidents of newborns being dumped - left to die, if not discovered, in garbage cans, public restrooms or wherever; or being murdered by those who don't want them.
The Legislature, however, didn't bother to include an age limit on the children covered by the statute.
Lawmakers need to ask themselves: How did that happen?
It might be the goofiest thing that has happened since about 30 years ago, when the Legislature passed a complete overhaul of the state's criminal code - but forgot to include an enacting date. The situation: If the Unicameral hadn't been called into emergency session, the state would have found itself with no criminal statutes on the books.
Back to the safe haven law.
Some guy in Omaha, who obviously keeps up with the news, heard about the statute. It says you can drop off your unwanted offspring, no questions asked.
So, he went to an Omaha hospital and left a deposit: Nine children! They were all his, and ranged in age from 1 to 17.
Authorities were looking into the situation when this column went to

press.
Some of us remember when parents, or babysitters, might tell a child: "You better be good, or the boogeyman will get you!" Or, "Behave yourself, kid. Or I'll give you to the gypsies." Such was done jokingly (one hopes) and the children knew it (one hopes.)
But with the safe haven law?
"Hey! Put down the remote and eat yer veggies. Remember, kiddo, we don't live far from a hospital. And when I drop you off, you won't get to keep your iPod."
Has there ever been a parent of a 15-year-old boy who, at some point, wouldn't have thanked heaven and the government for a chance to unload the kid?
The fact is, the safe haven law obviously is not a joking matter. At least, it shouldn't be after this mess is cleared up.
Most states had the foresight to make certain their statutes include appropriate guidelines and restrictions.
Nebraska lawmakers no doubt will do the same.

Cub Scouts conducting popcorn sales

It is that time of year for the annual Cub Scout popcorn sales.
Members of the Wayne Cub Scout Pack will be conducting a popcorn blitz will be on Saturday, Oct. 4. Area residents are being asked to watch for Scouts as they come knocking on your door that day. Sales run through Monday, Oct. 27.
"This year the Scouts are selling 'real time', which means that they will have the popcorn with them at the time of the sale. If we happen to run out, we will take orders and get it to you in early November," said Cub Master Karla Jensen.
Customers can still count on seeing the old familiar favorites: Chocolate Caramel Crunch, Gourmet Cheddar Cheese and Unbelievable Butter Microwave, to name a few. New this year is a Mountain Mix of peanuts, cranberries, raisins, M&M's, almonds and cashews.
"If you aren't up to eating the popcorn or the Mountain Mix but would still be willing to help these Scouts get to camp and participate in various other activities, you could purchase popcorn for the Troops. All purchases made for the "Support the Military" campaign in our District will go to Troops from Omaha Offutt Air Force Base," Jensen said.
She noted that many of the boys have their eye set on selling enough popcorn to participate in the "Nebraska Experience," where the Scout and a parent will head to Lincoln; tour the Stadium, participate in a tunnel walk and be entertained at the men's basketball game that evening. They will also be able to attend the "Popcorn Ball" and on the local Pack level, be able to participate in all camps next summer for free.
Seventy percent of the proceeds from the popcorn sales stays here in Wayne to support the Pack.
Anyone willing to support the cause, and who has not been contacted by a Scout, please call Bob

Liska (Popcorn Kernel) at 375-2894 or 375-0441 or Karla Jensen (Cubmaster) at 375-1974 or 369-3762.

Public invited to free Mini-Medical School

The University of Nebraska Medical Center, in partnership with Blue Cross and Blue Shield of Nebraska, will present a Mini-Medical School on women and cancer.

The series, which will be held Oct. 14, 21, and 28, from 6:30 to 8:30 p.m. (CDT), will be broadcast live via satellite from the UNMC campus in Omaha, to 30 communities.

During the series, participants will learn about improvements in cancer diagnosis, treatment, and symptom management, as well as the latest research and advances in women's cancers. Ken Cowan, M.D., Ph.D., director of the UNMC Eppley Cancer Center and a breast cancer physician, will kick off the series on the first evening.

Local broadcast sites include: Norfolk, Northeast Community College - Norfolk, Lifelong Learning Center, Suite B - Night 1; Suite C - Nights 2 & 3 801 E. Benjamin Ave.;

Pender, Pender Community Hospital Basement Meeting Room, 603 Earl Street;

Wayne, Wayne State College, Gardner Hall, Business Building; and

West Point, St. Francis Memorial Hospital, Telehealth Room, 430 N. Monitor Street.

"A diagnosis of cancer is something no woman wants to face, but chances are, one out of every three women will have to face it during their lifetime," Dr. Cowan said. "The good thing is as a nation, we're starting to see the benefits of cancer research started in the 1970s that's translating into improved treatments and earlier detection. For the last decade, there's been an improvement of more than 12 percent in the survival of patients with cancer."

"Here at UNMC, scientists are leading the way in discovering new treatments, advances, and even preventive measures for the many different types of cancer that

women face. This work will lead to even more effective and less toxic therapies in the future."

This year, for the first time, UNMC has partnered with Blue Cross and Blue Shield of Nebraska on the series.

"At Blue Cross and Blue Shield of Nebraska, we are committed to delivering the health and wellness solutions people value most," says Dr. Bill Minier, vice president of medical policy & medical director. "We are excited to have this opportunity to work with UNMC in this education effort. We know firsthand, through the experiences of our families, our employees, and our members, the challenge of going through a cancer journey."

UNMC's Mini-Medical School is a health education program that provides Nebraskans with the latest information and research about current diseases and health issues. Taught by UNMC experts, the series is designed for anyone who wants to learn more about issues surrounding significant developments in health research and patient care.

While the program is free, continuing nursing education credit is available for nurses. The cost is \$40, regardless of the number of sessions attended.

Participants must register for Mini-Medical School at the site they will attend, and they will receive contact hours for each session attended.

UNMC College of Nursing Continuing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). Three sessions are provided for a total of 6.0 contact hours under ANCC criteria. Provided for a total of 7.2 contact hours under Iowa Provider #78. Provider approved by the California Board of Registered Nursing, Provider #13699 for a total of 7.2 contact hours.

To register for one of the sites, visit www.unmc.edu/minimed or call toll-free (877) 852-0013.

They returned home late on Sept. 15.

The Rechtermann's son, Joe, of Alexandria, Va. arrived on Sept. 19, also to assist and visit his parents.

Their grandson, Justin, of Hardin, Mo. came for a couple of days during the week of Sept. 22.

Esther returned home from transitional care on Sept. 25.

Joe returned home on Sept. 29.

HOSKINS SENIORS

Nine Hoskins senior citizens met at the Community Center on Sept. 23.

Prize winners at pitch playing were Arlene Gnirk, Betty Miller and Betty Andersen.

A no-host lunch followed. The next meeting will be on Tuesday, Oct. 7.

GRANDDAUGHTER VISITS

Laura Grace and her daughter, Westy, of Omaha visited her grandmother, Hildegard Fenske, on Sept. 26.

They also spent some time at the Rechtermann's home.

Laura and Westy returned home on Saturday afternoon.

Volunteers from Red Cross chapters across Nebraska have been among those assisting with disaster relief.

Red Cross volunteer shares recent deployment experiences

Jenni Moje, executive director of the American Red Cross-Prairie Valley Chapter of Columbus was deployed to Baton Rouge, La. recently. She was surprised that she was going to Baton Rouge because Hurricane Gustav had arrived there the beginning of the month.

Arriving in Louisiana, she soon realized why she was brought there. In the trip to the staff shelter, she had already witnessed the destruction that remained from the hurricane - shredded billboards, pile upon pile of debris and the uprooted trees laying torn from the ground that remained to be cleaned up.

Red Cross volunteers are staying at various shelters. The shelter Moje stayed at in Baton Rouge was an old office building. They were given cots to sleep on and a trailer of showers (eight stalls for men and eight for women) was parked in back for the 317 people housed there. That shelter was one of several staff shelters in the area. In Lake Charles, Moje stayed in a volunteer center that was an old school, staying with the National Guard.

While on assignment, she rode with a Red Cross assessment team to determine the extent of damage to the Louisiana area of Zachary. She was amazed at the homes they saw with trees laying atop, the roofs tarped over or partially missing and downed power lines that they carefully maneuvered. Most of the people they spoke to said they had lived through a similar situation after hurricane Rita/Katrina (the area by Lake Charles said that this time was worse due to more flooding in the area).

Following Hurricane Ike's descent, Moje was sent to the Lake Charles area. Of the five parishes (counties) the local chapter covers,

one remains inaccessible due to the flooding (Cameron Parish). Residents were allowed in for one hour on Tuesday to see their homes. The community was secured and no one was allowed in. She traveled with a local resident close by the area and the picture is bleak. He said that prior to the hurricane, the area was very green with life and now everything is brown and dead looking due to the salt water.

In Louisiana (as of Sept. 16), the Red Cross had provided over 900,000 meals, 579,000 snacks and opened 177 shelters that provided over 80,000 overnight stays to displaced victims of the recent hurricanes.

Moje ended by saying that it appears that the recovery of Louisiana and Texas will be ongoing for quite awhile.

The American Red Cross needs volunteers to serve in areas devastated by Hurricane Gustav and Hurricane Ike. They also need financial donations. If you can help, please contact Lori Carollo, executive director of the American Red Cross-Northeast Nebraska Chapter at (402) 375-5209, 106 West 3rd St., P.O. Box 94, Wayne, NE 68787.

Members of the Wayne Brownie Troop 304 and their leaders traveled to Jackson to Village Potter. There, each girl picked out a piece of pottery and chose colors to paint the piece. The pieces were then left there to be dipped and fired. Following the stop in Jackson, the group traveled to Sioux City, Iowa before returning to Wayne for ice cream.

Vote Yes on Both to Continue the 1% Sales Tax

The Sales Tax

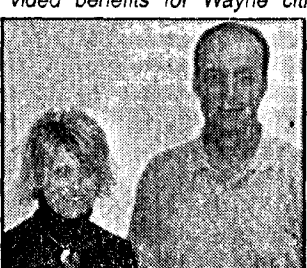

The Economic Development Program

If is my opinion that it would be a mistake not to continue the local 1% Sales Tax. First of all, consider all the improvements and additions made possible in the past because of the tax. Some of them are the new Recreation Activity Center, the Senior Center/Library, the refurbished City Auditorium, improvements to the streets and sewer system. All have certainly made Wayne a better place to work and live. Secondly, most cities in Nebraska also have a local sales and use tax, and in many cities those rates are higher than the 1% that is proposed for Wayne. Third, it seems to me to be one of the least burdensome taxes we pay. And fourth, all of the tax collected returns to us to use as we deem best.

Darrell Miller

Bob and Tracy Keating

Continuing the sales tax will certainly help with future improvements that will make Wayne an even better place to live.

Is it too late to...?

By Kelly Feehan
Extension Educator

Now that October is here, questions to the Extension office often begin with "Is it too late to...?" October should be a busy time for lawn and landscape care; and while

it may be too late for some things it's also too early for others.

For seeding or overseeding lawns, it's too late for tall fescue but Kentucky bluegrass can be seeded up until Oct. 15. Tall fescue needs to be seeded by Sept. 20. Whether an October seeding is suc-

cessful or not will depend on how early a hard freeze and cold temperatures arrive. Seeding in October is much riskier than seeding in September.

It's not too late to control dandelions and other broadleaf weeds in the lawn by spot treating with a liquid herbicide. As long as the plant is green and growing, the herbicide will be translocated into the roots. Weed and feed granular products are not recommended for fall weed control.

It is too late to apply insecticides and fungicides to control most insects and diseases. At this time of year, fall sanitation is more important to reduce carryover of diseases and insects. Rake fallen leaves and fruit and remove them from the garden or landscape bed. If you have a properly maintained compost pile, most can be composted.

It's too early to stop watering, unless our rainfall continues. Plant roots continue to grow well into November. It's important to keep the soil moist, especially for evergreen trees and shrubs that lose much more moisture through green needles during winter than plants without leaves.

It is equally important not to overwater. While overwatering is harmful to all plants, perennial flowers that go into winter with a saturated soil are more likely to winter kill. A soil that is continually moist, but not saturated is the ideal. A shallow layer of organic mulch is helpful in maintaining a consistently moist soil.

October is a good time to plant deciduous trees and shrubs, but it is a little late for planting evergreens. Because they remain green all winter, evergreens are best planted in September so they have a chance to establish new roots before the soil freezes.

It's too early to prune woody plants. Wait until they go dormant to prune. Pruning now could delay the hardening off process. There's also an increase in decay organisms during fall which increases the chance of decay in pruning wounds. If a tree must be pruned now, go ahead and do so but do not treat or paint the wounds with any type of product.

It's too early to cut the tops off most herbaceous perennials, including rhubarb and asparagus. As long as the foliage is green, photosynthesis (food production) is taking place and plants are storing food in roots and plant crowns.

Wait until a freeze kills the tops to remove them.

It's too early to apply winter mulch to roses, strawberries and other plants needing winter protection. This is usually done about mid November. It is best to wait until after the soil freezes or temperatures are consistently dropping into the 20s at night before applying winter mulch.

Tender bulbs and tubers like tuberous begonias and Caladium should be dug for indoor storage just after the first light frost. Others, like cannas and gladioli, will tolerate a few light frosts, but not a hard freeze. Now is a great time to plant spring flowering bulbs like daffodils and crocus.

Card shower requested for Ed Fork

The family of Edward Fork has requested a card shower in honor of his 90th birthday, which is Thursday, Oct. 9.

His family includes his wife, Irene; two children, Lonnie and Wilma Fork of Carroll and Linda and Steve Uthe of Council Bluffs, Iowa; four grandchildren and nine great-grandchildren.

Edward has lived in the Carroll area all of his life.

Cards may be sent to the honoree in care of Hillcrest Care Center, 702 Cedar Avenue, Laurel, Neb. 68745.

Carroll Legion auxiliary conducts meeting

The Carroll American Legion Auxiliary #0165 met Sept. 23 at the Carroll Fire Hall.

Members decorated more wreaths with poppies for Memorial Day. Jo Ann Owens donated the greenery and formed the wreaths.

President Jo Ann Owens called the meeting to order and opened with the regular order of business.

Five members answered roll call. Chaplain Jo Ann Stoltenberg read the opening and closing prayers.

Minutes of the last meeting and the treasurer's report were given.

After many years as Secretary/Treasurer of the unit, Pat Roberts retired and gave the books to Joyce Harmeier, who accepted them for two years.

Minerva Club begins 112th year

Twelve members began the 112th year of Minerva Club at the home of Fauneil Bennett. The theme of programs for this year will be the "World in 1884 - the Year Wayne Began." President Phyllis Rahn opened the meeting by presenting background information of early years of the Wayne County settlement. Members answered roll call by

recalling their favorite school dress. Minutes were read and approved. The treasurer's report was given. Dues of \$5 were collected from each member. The members voted to give a donation of \$25 to the local Red Cross. Historian Hollis Frese read the Minerva constitution as has been practiced at the first meeting of each new club year.

Thank yous from Hollis Frese and Margaret Anderson were shared. Following the business meeting, Fauneil Bennett presented a program about fashions in the 1884 era. The members participated by showing old photos and vintage garments they brought. The next meeting will be Monday, Oct. 13 at the home of Mary Ann DeNaeyer.

TOPS conducts weekly meeting

TOPS #NE200 met Sept. 24 in the Boardroom of Providence Medical Center with 15 TOPS and two KOPS in attendance. Leader Twilla Kessinger requested the pledges to be recited respectfully. Roll Call was "Have you canned or frozen any fruit or vegetables this season?" The secretary's report was read by Paula Haisch and was accepted. Tracy Henschke gave the treasury report.

Weekly Stats for TOPS showed that the Best Loser was Jeannine Wriedt. She received her coupon. Weekly Stats for KOPS indicated that the Best Loser was Dorothy Nelson. She received her coupon. Tracy Henschke earned her 26th charm. She has had no gain since January. Tracy Henschke obtained Blackout Bingo and so the group will start a new Bingo next week. They will also start a Check Challenge next week on Oct. 1. Everyone who gives a dollar will be listed on the envelope and the last person's name on the envelope will win the amount of money in the envelope. A lost or turtle keeps your name on the envelope a gain removes your name and chance for the money.

Articles read were by Phyllis Rahn on increasing fat burning on the Treadmill; one is to walk lightly for eight seconds, then increase the speed to intense pace for 12 seconds then repeat exercise for 20 minutes. Joyce Pippitt read an article on a lower weight loss for the adult population as only 16 percent of woman and 10 percent of men ever lose weight.

Lois Spencer reported that good posture while walking improves benefits. Kay Saul read on eating fresh fruits and vegetables over canned or frozen will improve your diet. JoAnn Stoltenberg read that having a pet, dog or cat, reduces the stress level in their owners. Dee Rebensdorf related a TV program on the reconstruction of a woman's body after losing over 200

pounds, especially on her breast and abdomen. Connie Kirkpatrick remarked that a medical doctor's research showing that 200 pounds is the normal weight for woman.

With course ALHE 012208-08F, the workshop meets Thursday, Oct. 16, from 9 a.m. - 2 p.m. in the Lifelong Learning Center on the Northeast campus in Norfolk. Physicians, nurses, attorneys, emergency medical technicians, parole, probation and law enforcement officers, and educators are encouraged to attend. This workshop is good for 4.5 continuing education units for nurses. Participants will learn about the role of forensics in child abuse investigations and questionable child abuse cases. Cost is \$15.00. To register, call Northeast Community College at (402)844-7000.

Wanted ... Church news

The Wayne Herald would like to print information and schedules from area churches. All information submitted to the Herald by Monday at 5 p.m. (delivered to the Herald office) or emailed by 8 a.m. on Tuesday will be included in that week's edition of the paper. Articles may be mailed to P.O. Box 70, Wayne, Neb. 68787 or emailed to clara@wayneherald.com. The Herald thanks its readers and area ministers for their cooperation in our effort to keep informed on the happenings at various churches.

Local food vendors sought

The Center for Rural Affairs is requesting proposals for local food items to serve at the MarketPlace conference luncheon, along with morning and afternoon snacks, and an evening banquet. The event will take place at the Sandhills Convention Center in North Platte on Feb. 25, 2009. Food proposals are due Nov. 1. The Request for Proposals (RFP) is posted online at <http://www.cfra.org/files/2009-RFP-food.pdf>. The Center for Rural Affairs strives to serve locally produced food at their gatherings to directly support the family farmers and ranchers and rural communities they fight for everyday. In recent years, they have worked to expand their sourcing to include as much locally produced ingredients as possible. The MarketPlace conference is a

one-day event focused on strengthening small businesses and rural communities. Attendees of MarketPlace will learn essential business skills; network with service providers and other entrepreneurs, including agricultural entrepreneurs; and discover new ideas that work for small businesses and communities. There will be over 600 in attendance. "This is a great opportunity for producers to get market exposure for their products," commented Traci Bruckner with the Center for Rural Affairs. "And it makes sense that a conference for rural Nebraska entrepreneurs would utilize products from rural Nebraska entrepreneurs." For more information, contact Traci Bruckner, tracib@cfra.org or 402.687.2103 x 1016. Visit <http://www.cfra.org/marketplace/home>

Nebraska Buffer Strip Program sign up underway

Now is an excellent time to sign up for the installation of conservation buffers, a University of Nebraska-Lincoln Extension agricultural engineer said.

Filter strips or riparian forest buffers placed along the edges of streams or other water bodies serve as a last line of defense for sediment and other pollutants that might enter the water, said David Shelton, extension agricultural engineer at UNL's Haskell Agricultural Laboratory near Concord.

"They are very effective at trapping sediment and enhance the infiltration of runoff water," he said.

Buffers improve safety by keeping equipment away from the edge of the stream. They also provide excellent habitat for pheasants, songbirds and other wildlife. When planted to trees, a buffer also may provide income for future generations.

In addition, landowners who install filter strips or riparian buffers may be eligible for up to \$250 per acre rental for as long as 10 years through the Nebraska Buffer Strip Program, said Craig Romary, environmental programs specialist, Nebraska Department of Agriculture. The program, which started in 1999, is funded by pesticide registration fees.

"Nearly 11,000 acres are currently enrolled in the program, with annual rental payments of over half a million dollars," Romary said. "But we would like to increase the number of acres enrolled. This is a great opportunity for landowners to help the environment by creating wildlife habitat and cleaner runoff water, and get compensated for it."

The rental rates for the current program were changed to better reflect cash rents, Romary said. The sign-up period began Sept. 15 and continues through Nov. 15.

"We expect to have enough funding to cover all applications if program eligibility is met, but approval will be dependent on the number of applications received and available funding," he said. "Applications received after Nov. 15 will still be considered, depending on funding available."

NECC sets another pumpkin painting class for October

Northeast Community College in West Point will soon offer another pumpkin painting class at its new education center.

The class, Personalize Your Pumpkins, with course number HOEC 0618-32, will meet Thursday, Oct. 23, from 7-10 p.m. in Room 222 of the new Northeast Community College Education Center, the Shirley and Jake Weber Education Center, at 202 Anna

The Continuous Conservation Reserve Program, and in some counties, the Conservation Reserve Enhancement Program, both administered by the Farm Service Agency, are other programs that provide annual rental payments and other incentives for the installation of conservation practices, Shelton said.

"These practices include filter strips, riparian buffers, grass waterways, contour grass strips, shelterbelts, living snow fences, upland bird habitat, and others," he said.

"We encourage landowners to combine the benefits of the Nebraska Buffer Strip Program with those of the Conservation Reserve Program and/or Conservation Reserve Enhancement Program," Romary said. "That way, the landowner will generally receive a higher payment and more buffers can be funded, which increases the environmental benefits for everyone."

It is possible to enroll a buffer only in the Nebraska Buffer Strip Program which, in some cases, is less restrictive than Conservation Reserve Program requirements. For example, the Nebraska Buffer Strip Program allows some haying or grazing to take place, and certain intermittent streams will qualify, Romary said. This is not the case with the Conservation Reserve Program. Also, existing grass strips may qualify for the Nebraska program if they meet the required specifications.

Information about the Nebraska Buffer Strip Program can be found on the Nebraska Department of Agriculture's Web site at <http://www.agr.ne.gov/division/bpi/pes/buff.htm>.

"Regardless of which program a landowner chooses, he or she should first visit the local Natural Resources Conservation Service office to discuss the various possibilities," Shelton said. "Conservation buffers are an excellent way to protect water quality and improve wildlife habitat. Now is the time to take advantage of the various programs that are available to help with their installation."

Stalp Avenue in West Point.

Instructor Christi Peterson encourages participants to pick the prized pumpkin from the patch and bring it to class. She will show participants how to make that pumpkin come alive with acrylic paint.

Cost of this class is \$7.05. A supply list will be provided upon paid registration. To register, call Northeast Community College at (402)372-2269.

Hereford tour

More than 120 guests were on hand for the Nebraska Hereford Tour. Stops included the JB Ranch, Jack and Bev Beeson, northeast of Wayne. Persons from Iowa, South Dakota and Nebraska were part of the tour. Among the highlights was Snowshoe Sparton 30R, a three-year old bull. The bull was purchased from the Snowshoe Ranch in Montana. The Beeson's son, Jock, came from Crawford to help with the event. The stop was one of several in northeast Nebraska during the two-day event.

Funds available for damaged field terraces

The Natural Resources Conservation Service (NRCS) offices have reported significant damage to terrace systems in Colfax and Dodge counties due to heavy rains in the spring of 2008.

Maintenance and repair of terrace systems is normally the responsibility of the owners. However, the Lower Elkhorn Natural Resources District (LENRD) has cost-shared on the repair of terrace systems when the damage was due to particularly heavy storms rather than a lack of maintenance.

LENRD Assistant General Manager, Ken Berney, said "We usually don't become aware of the full extent of the damages until crops are harvested, but presently we know of six damaged systems in Colfax county and 12 in Dodge county."

The LENRD Board of Directors voted to offer 50 percent cost-share on actual costs of repairing terraces damaged by spring 2008 storms, with work to be completed by May 1, 2009.

The cost-share is open to all land-owners within the LENRD. Applications must be approved prior to any work being completed. Contact your local NRCS office for more information.

NECC to offer EMT workshops in area communities

The Allied Health Department at Northeast Community College in Norfolk has scheduled several free, one-session workshops for emergency medical service technicians in the area. All workshops are offered for three continuing education units. All will be held from 7-10 p.m. There is no need to pre-register.

The workshops, dates, and location include: Concealed Weapons & EMS, Monday, Oct. 6, Wisner; Pediatrics, Monday, Oct. 6, Hartington; Winter Emergencies Tuesday, Oct. 21, Plainview; Start Triage, Tuesday, Oct. 21, Neligh; Patient Assessment Tuesday, Oct. 21, Allen; Pediatrics Thursday, Oct. 23, Wayne; Burns Monday, Oct. 27, Wausa.

All of these classes, except the one in Wayne and Neligh, will be held in the local fire hall. The session in Wayne is set for Providence Medical Center while the class in Neligh is at the Antelope Memorial Hospital.

These programs are funded in whole or in part with public funds provided through the Preventive Health and Health Services Block Grant administered by the Nebraska Department of Health and Human Services System Emergency Medical Services Program.

For additional information, call the Allied Health Department, Northeast Community College, at 1-800-348-9033, Ext. 7335, or (402)844-7335.

CONCORDIA GUEST NIGHT

On Sept. 18, the Concordia Women of the ELCA held its annual guestnight with approximately 45 in attendance from the Laurel United Methodist, Immanuel Lutheran, St. Mary's and St. Anne's Catholic, and Presbyterian. President Ardyce Johnson welcomed the guests and gave devotions from the Book of Psalms, a reading about singing and prayer.

Guests for the evening were the "Keep the Faith" quartet from Our Savior's Lutheran in Wayne. Madge and Alan Buflat, Alan on the guitar, Sheree Lundahl, Jim Lindau playing his horn and Brenda Nissen accompanying on the piano and harmonica.

Following the program, a dessert lunch was served.

BAPTISM

On Sept. 21, Baby Tanner Jay, son of Alissa and Dustin Thompson of Laurel, became a member of Concordia Lutheran Church via the Rite of Holy Baptism. Pastor Karen Kjarks officiated. Tanner's sponsors are his aunts, Melanie Carson and Trisha Reifensrath. Special guests were his sister, Toni, grandparents, Lynette and Doug Krie, Deanna and Scott Thompson, and great-grandparents Ardyce Johnson and Joyce and Zeb Thompson. A family dinner was enjoyed following the service.

MERRY HOMEMAKERS CLUB

Met at the Senior Center on Tuesday evening, Sept. 23 with 11 members present. President Vandelyn Hanson led the business meeting. Reports and roll call was taken. Members are invited as guests of the Friendly Neighbor's Club to St. Anne's Parish in Dixon on Monday, Oct. 20 at 7 p.m. A special chef will be the guest.

Avis Pearson presented the program. A pencil game was played with Danita Hanson winning the prize. A DVD of Memories of the Johnny Carson show was shown. Hanson served as hostess for the evening. The next meeting will be held Tuesday, Oct. 28 in the home of Suzie Johnson at 7:30 p.m.

LENRD increases cost-share for tree planting projects

The Lower Elkhorn Natural Resources District (LENRD) announced an increase in the cost-share rate for their Agroforestry Incentives Program from 50 percent to 75 percent.

The program provides cost-share assistance to agricultural producers and non-industrial private landowners for management activities including windbreak establishment, wildlife habitat improvement, reforestation and other environmental tree plantings.

Approved projects are eligible to receive 75 percent cost-share assistance not to exceed \$5,000 for trees and establishment costs (i.e., planting, weed control, etc.). All projects must be designed by Natural

Resources Conservation Service (NRCS) and/or Nebraska Forest Service (NFS) staff.

The Agroforestry Incentives Program also provides assistance to landowners for windbreak renovation. Windbreak renovation involves clearing and grubbing of the trees by machine the fall prior to planting new trees. Cost-share is based on acres of new trees planted in place of the previous windbreak.

For more information regarding the Agroforestry Incentives Program as well as other Conservation Tree Programs, contact Cory Schmidt - LENRD District Forester at (402) 371-7313 or cory.schmidt@ne.usda.gov

RC&D goes for the gold

In celebration of National RC&D Week, the Northeast Nebraska Resource Conservation & Development (RC&D) Council held their 2008 RC&D Autumn Olympics Monday night. Approximately 40 people took part in fun and interesting events dreamed up by Dennis Wacker, creative RC&D Board Member from Osmond.

Olympic gold medal winners were: Jasmine Zuhlke, Antelope County; Carol Pinkelman, Cedar County; Rhonda Kneiff, Dixon County; Bruce Jorgensen, Knox County; Donna Christiansen, Pierce County; and Stan Baier, Wayne County. They and 19 others rode the computer cycle, tossed magnetic logos, threw paint bucket bombs, ran computer mice in a relay, spit watermelon seeds, got over the grant writing hurdles, and answered a 28 question quiz about RC&D. They participated in the true spirit of fun and friendly competition!

Following a light meal and fellowship the RC&D Council held their regular order of business. The Cedar County Church Tour is Oct. 11 and all are encouraged to attend.

The computer recycling event in Hartington netted 6,130 pounds of obsolete equipment and funds

remain so other collections will be planned. A TV Recycling grant application was submitted and if awarded a collection for those will be done in 2009.

Wal-Col Regional Water System is moving along and a public hearing is Oct. 7 in Wausa at 7:30 p.m.

The next meeting is Oct. 27 at 7:30 p.m. at the RC&D office in Plainview. All are welcome to attend.

UNMC plan mini-med series

Northeast Community College and the University of Nebraska Medical Center will join forces in October to present a workshop on the latest discoveries, breakthroughs, and preventive measures in relation to women and cancer.

The three-session Mini-Med Series, with course number ALHE 012205-08F, meets Tuesdays, Oct. 14, 21, and 28, from 6:30-8:30 p.m. in the Lifelong Learning Center on the Northeast campus in Norfolk.

This workshop is good for two continuing education units per session for a total of six for nurses.

Cost of the three-session workshop is \$40. To register, call Northeast Community College at (402)844-7000.

Agriculture

Month full of sporting, family activities

I cannot believe it's the last of September. I also can't believe how nice the weather has been; I hope this keeps up until New Year's! Especially as we see pictures of the devastation in Texas and on up the Mississippi from the hurricane, we feel very fortunate.

I'm mourning the death of Paul Newman these days; Sue even called to make sure I was okay! I always planned to volunteer at one of the Hole in the Wall Gang camps for children, and never got that done. I understand his charities will continue, so maybe I will still get that opportunity.

I typically don't use his salad dressings or tomato sauce, and I got a kick out of reading about a letter he had once received from a young man who does. It said "my girl friend says you were a famous movie star. If you act as good as you cook, your movies should be worth seeing"! I guess that kept him humble.

I got to the NU-New Mexico State football game, thanks to friend Vonnie, who had an extra ticket. In fact, we even tailgated with some long-time Randolph teachers, which was great fun. The weather was perfect, the seats were good, and I had a great time. But that will hold me for awhile. It's very hard to find parking, and 80,000 people getting out of that stadium is a challenge!

We also made it to the volleyball

game at Devaney the night before that. It, too, was sold out, but it only holds something like 11,000, so that wasn't quite so bad. We actually were parked in the state fair hog building, and we could tell!

That should do until the basket-

The Farmer's Wife
By: Pat Meierhenry

ball season starts. It's much easier to watch on TV. We've also been to one Norris High School softball game, and to one Seward High football game.

The latter was at Beatrice, a very good football team. They are the Orangemen, and there was a knight on a horse covered in a black and orange blanket that went up and down in front of the

Beatrice fans whenever they made a touchdown. You could tell the horse was old, but he faithfully plodded back and forth. It got kind of old for Seward fans by half time, believe me!

On Sunday, we were back at Norris High for their presentation of Beauty and the Beast. Randa was a coffee pot! It was an amazing production with spectacular scenery and authentic costumes, and some very good singing. The Big Farmer doesn't have much background in fairy tales, and had not seen the Disney movie, so had a little difficulty following the action. Isn't it amazing what grandparents will sit through in order to support the grandkids.

So, with helping out in Hospice because one nurse was called away by a family illness, and entertaining guests from Florida, and doing an all day toenail clinic in David City, and having lunch at the Chances R in York with the LGH classmates, and ushering at the Lofte, and getting to the eye doctor and the heart doc, and the dermatologist, and Thursday morning Bible study, and a couple of tour groups to the Aldrich house, and the dental college, and a Sound of Music reunion at a local retirement community, the month seemed to slip by! No wonder it has disappeared in a blur. Hopefully, October will be slower.

Farmers should check license status of grain dealers

Nebraska farmers are gearing up for the annual autumn harvest and the Public Service Commission recommends that producers take precautionary steps before signing contracts with grain dealers.

Grain dealers are individuals who ship grain to a third party without going through a local warehouse. State law requires grain dealers to hold a valid Nebraska grain dealer license. Otherwise, the grain dealer is guilty of a felony and the contract to ship the grain may not be protected by any grain dealer security.

The Commission said, "Before you do business, you need to make

sure you're doing business with a licensed and bonded individual." The Commission's website at www.psc.state.ne.us lists grain dealers who have valid licenses and the amount of security they provide. Persons with questions regarding grain dealers may also contact officials in the grain department 800-526-0017 or through the Commission's Lincoln telephone number of 402-471-3101.

To have protection under state law, farmers must demand payment within 30 days of the last shipment under the contract. The farmer then has 30 days to cash a

check once it has been issued. A third window of 30 days then opens for farmers to notify the Commission if a check is returned unpaid.

The Commission said farmers need to do their homework prior to the harvest, prior to selling grain, and prior to delivery. The maximum security is \$300,000 per license and the Commission's website will identify the secured amount.

"It is up to the individual farmer to determine whether anyone they are dealing with is properly licensed," the Commission said.

Celebrate National 4-H Week by 'Keeping It Green'

Thousands of 4-H youth from across the nation will be "Keeping It Green" as they celebrate 2008 National 4-H Week Oct. 5-11 by raising awareness about environmental issues and initiating environmental projects that make a positive difference in their communities.

Throughout National 4-H week and the year, 4-Hers solve problems in their communities, raise awareness about environmental issues, and make a difference for their futures in the spirit of 4-H's vision to create a world in which youth and adults learn, grow, and work together as catalysts for positive change.

You can join the 4-H community today. To learn how to become a 4-

H member or volunteer leader contact the University of Nebraska-Lincoln Extension Office in Wayne County at (402) 375-3310 or visit wayne.unl.edu.

The 4-H program is a community of 6 million young people across America learning leadership, citizenship and life skills. National 4-H Headquarters, which operates out of the United States Department of Agriculture (USDA), is the federal partner of 4-H programs implemented by the Cooperative Extension System of the nation's 106 land-grant colleges and universities and in local communities through 3,150 county Cooperative Extension offices. LIBRARY

Join JoAnn and Phyllis at the Lied Winside Public Library for a Reading Road Trip. The Fall Storytime will be geared toward pre-school through third grade children, but older children and parents are always welcome.

The Road Trip will held each Saturday in October from 10:30 to 11:30 a.m. Stories, crafts, games, and activities are planned. If you plan to attend please stop by the library or call 286-1122 or 286-4878 to reserve your spot.

CENTER CIRCLE

Clarie Brogren hosted the Sept. 18 Center Circle Club with eight members present. Club president Claire Brogren called the meeting to order. Roll call was "Tell what you like about the fall season". New club books were handed out and dues collected. Past secretary Shirley Bowers read the minutes of the last meetings. Treasurer Dianne Jaeger gave her report.

Plans were finalized for the 75th Anniversary Open House. Afterwards cards were played with prizes going to Rose Janke, Betty Miller and Janice Jaeger. Rose Janke's birthday was celebrated.

The next meeting will be Oct. 16 at Cleora Fisher's in Norfolk. Roll call will be "Bring a favorite pumpkin recipe." Secret sisters will be revealed.

Approximately 30 guests attended the 75th Anniversary Open House which was held Sept. 21 in the Winside Legion Post. A program was presented by officers Claire Brogren, Janice Jaeger, Rose Janke and Dianne Jaeger.

The Center Circle Club was organized in 1933 at the home of Jo Thompson. Many women met over the years for fellowship and other community activities. Irene Fork, who was unable to attend the anniversary, was honored with a plant for her 43 years of continuous membership. She was represented by her daughter, June Bowers, granddaughter, Sheila Jaeger and great granddaughter, Katelyn Jaeger. A roster of other current members was read with their years of membership. Special recognition was given to the only former member present, Mildred Thompson of Norfolk. Door prizes were given out of potted sweet peas, which is the club flower. Scrap books and pictures were displayed from the past 75 years. A memorial candle was lit and a roster of deceased members was read followed by a moment of silence. A salad bar luncheon and cake was served afterward.

LEGION AUXILIARY MEETS

Roy Reed Unit No. 262, American Legion Auxiliary of Winside met on Sept. 8 with President Rose Ann Janke presid-

ing, and Chaplain Adeline Anderson providing prayer and devotions. Eleven members recited the Pledge of Allegiance, Preamble to the Auxiliary Constitution, and sang the first verse of the "Star-Spangled Banner". Secretary Beverly Neel read the minutes of the Aug. 11 meeting and were approved as read. Treasurer Greta Grubbs provided the financial report and it was accepted. Hostesses were Marilyn Brockman and Eva Thies.

The Unit made monetary contributions to a few of the programs in support of Veterans, namely, Veterans Home Assessment \$18; VA Medical Center Gift Shop Assessment \$28; Gifts for Yanks Who Gave program \$30; Veterans Day Dollar Distributions \$25; purchase of Poppies for 2009 Memorial Day distribution \$105; donated to the Student Aid Grant/Vocational Tech Scholarship \$25; Winside Public School Fine Arts calendar \$20; plus awarding \$100 scholarships to the 2007 Girls State Citizens Heather Wylie and Michaela Staub. These financial expenditures are their usual and customary donations annually.

Upcoming projects for which the Unit will make financial contributions include District 3 President's Project, Department President's Project, and the Poppy Program which will receive one-half of the proceeds from their 2008 Poppy Distribution Day collections to help defray the costs of materials for Veterans to make the handmade poppies as well as what our Poppy makers earn for making the Memorial Poppy.

More information will be forthcoming from the Department of Nebraska. The Unit will be contacting the local school, Junior class girls, and their parents to generate interest in the program. The fee of \$230 is borne by the Unit and the selected girl attends an educational week in City, County, State and National Government with many guest speakers coming on board to speak to the Girls State Citizens.

Additionally, one recent highlight visit was to the National Guard Air Base in Lincoln. Many fine remarks were received from the young ladies who have been chosen to attend Cornhusker Girls State. The Unit is looking forward to working closely with the local school, parents, and female Junior class members. Be watching for

Learning about stars

Wayne State College Observatory visitors Cody and Connor Vaselaar of Wayne check out information on a laptop at the Star Party on Saturday evening on the Wayne State College campus, Sept. 20. Dr. Todd Young of the Department of Physical Sciences and Mathematics at Wayne State College organized the event.

information in our Unit news as well as personal letters in January 2009.

Several members of the Unit and their family members attended the annual Legion Picnic on Sept. 7 where a total of 68 were in attendance. Reports from the 2008 Cornhusker Boys State Citizen, Andrew Mohr and 2008 Cornhusker Girls State Citizen, Chelsey Milenkovich, were received. Each of these young people seemed to have enjoyed their week in Lincoln and came home knowing more about the operation of government bodies at all levels. Each will be a spokesperson for The Legion Post and Auxiliary Unit in search of the 2009 selectees. The Unit also received into membership Michelle Carlson, Brooke Mann and Mercedes Huxtable-Mann. The Unit Goal for 2009 is set at 74 members and currently they have 49 for 66.22 percent. Any female descendants of eligible Veterans may visit our meetings to learn more about their programs.

Linda Barg will conduct a Flag Education Program for the fifth and sixth graders at Winside Public School with assistance provided by Legionnaires. This is an annual program the Unit and Legion have been involved in. The students in grade six are responsible for raising and lowering the flag on school grounds each school day and the students in grade five also get involved by having a companion sixth grader provide hands-on instruction.

The Junior members will be preparing Veterans Day centerpieces for the Norfolk Veterans Home. They will meet again on Monday, Oct. 13 at 6:30 p.m. Election of Junior officers will be held. All Junior members are asked to bring in their pink Junior Handbook as well as invite more young ladies to join their group.

The Juniors participated at the Winside Museum annual craft fair on Sept. 28. They had treat bags of their favorite snacks for sale and

the leaders provided patriotic grab bags.

The Juniors also sold a few raffle tickets for a queen-sized quilt as part of the Department President's Project to raise enough funds to purchase a fully operational windmill for the Norfolk Veterans Home Heroes Park which will be designed on the eight-acre tract of land to the south of the current Veterans Home. Raffle tickets are available for purchase from any Auxiliary member up until the

drawing at the 2009 Department Convention in Columbus in June 2009. Tickets are \$1 each or six for \$5. All proceeds raised will go toward the windmill purchase.

The next meeting will be held Monday, Oct. 13, at 7:30 p.m. with hostesses being Marilyn Morse and Carol Rempfer. November hostesses will be Linda Barg and Janice Mundil. Their December meeting will be their annual Auxiliary Christmas supper and program.

American Red Cross in need of funds

The toll of this year's hurricane season has emptied the American Red Cross Disaster Relief Fund. The cost of providing relief for victims of Hurricanes Ike and Gustav and other severe storms is outpacing incoming contributions.

Before Hurricane Ike's strike, the Red Cross was still on the ground aiding victims of Hurricane Gustav. To date, they have opened over 900 evacuation centers/shelters, served 4.5 million meals and snacks, and deployed over 16,000 Red Cross volunteers. In one night alone, they sheltered nearly 60,000 people. The response to Gustav and Ike has been one of the largest operations in Red Cross history — and they are still taking care of

families in the Gulf region. That's why they need your help as they launch a national campaign to raise \$100 million for the NATIONAL Disaster Relief Fund. Together, they can ensure the Red Cross is there to help, whenever and wherever disasters strike.

Any size donation will help. Donations can be mailed to the local chapter office at P.O. Box 94, Wayne, NE 68787, as they have been given a goal of raising \$34,580 toward this \$100 million goal

nation-wide.

You can also donate through: Text2Help Donation. You can donate \$5 to American Red Cross disaster relief efforts simply by text messaging the keyword "GIVE" to "2HELP" (24357). Depending on your carrier, you can donate multiple times. Donations will appear on your monthly bills or be debited from a prepaid account balance. Standard text messaging rates apply. You can learn more by visiting RedCross.org.

INVITATION FOR BIDS

The City of Wayne, Nebraska, invites you to submit a sealed bid for:
Packaged Booster Pump Station Procurement

Wayne, Nebraska - 2008

The project is briefly described as follows: The City of Wayne, Nebraska intends to purchase one (1) 110 gpm packaged booster pump station which will include 2 domestic pumps, 1 jockey pump, and one fire pump. All pumps will be controlled by variable frequency controllers. The station will include four (4) pumps housed in a pre-engineered, factory-built, skid-mounted, UL Listed building (10'-6" by 22'-0") and all necessary components for complete operation. The packaged booster pumping station will be delivered to a site located within the City limits. To this end, a Request for Bids to procure one (1) such booster pump station is being issued by the City of Wayne.

The Bid consists of furnishing and delivery of the specified equipment (referred to as Goods) to the point of destination, including performance of special services at the site in conjunction with installation of the Goods by others as part of the Buyer's construction program, all in accordance with the Bidding Documents. The fabrication of the equipment shall begin upon receipt of the Notice to Proceed and delivered to the sites on or before February 1, 2009.

Sealed Bids for the furnishing of Goods and Special Services related to the Packaged Booster Pump Station Procurement will be received by the City Clerk at the City Offices, 306 Pearl Street, P.O. Box 8, Wayne, Nebraska 68787, until 1:30 p.m., local time, October 7, 2008, for the procurement of the packaged booster pump station, as described in the Bidding Documents.

Envelopes shall be plainly marked: "Packaged Booster Pump Station Procurement,

Wayne, Nebraska."

Bids received will be publicly opened and all bid prices read aloud in the City Offices at 1:30 p.m., Local Time, on October 7, 2008.

Plans and specifications are on file in the office of the City of Wayne, 306 Pearl Street, Wayne, Nebraska 68787, and may be obtained from the office of the special Engineer, Olsson Associates, 1111 Lincoln Mall, Lincoln, Nebraska 68508, for a nonrefundable charge of \$25.00. Unsuccessful bidders are requested to return the plans and specifications.

Bidders should take caution if U.S. mail or mail delivery services are used for the submission of bids. Mailing should be made in sufficient time for bids to arrive at the City Office, prior to the time and date specified above.

The City of Wayne reserves the right to reject any and all bids and to waive informalities in bids submitted.
