The Wayne

Thursday, Oct. 9, 2008 133rd Year - No. 2

Band Day festivities

The Wayne State Wildcat Marching Band led the way for the 12 bands involved in this year's Band Day festivities. Bands from as far away as Wahoo took part in the event. Each band was judged for their performance and awards were presented by Dr. David Bohnert following the parade.

Compact fluorescent bulbs changing energy use

Three letters - CFL - have the potential properly used, handled and disposed of. to change significantly the way America uses energy.

The CFL - compact fluorescent lightbulb in an energy efficient product that canreplace many, but not all, situations where a standard incandescent light bulb has been used in the past.

A CFL can last up to 10 times longer and use about 75 percent less energy while producing a comparable amount of illumination as a standard light bulb.

"CFLs have been in the news a lot lately. Some of the news may be misleading," said Gene Hansen, Superintendent of Electric Production for the city of Wayne.

Hansen provided the following facts about CFLs.

CFLs are safe to use and are energy efficient. It's true, each bulb contains about five milligrams of mercury, but this does not pose a health risk when the bulbs are

· If a CFL breaks, it is safe for use to clean the broken bulb yourself. Follow these recommended Environmental Protection Agency guidelines:

1. Open a window and leave the room for 15 minutes.

2. Scoop up the fragments and powder with stiff paper or cardboard.
3. Wipe the area clean with a damp

paper towel. 4. Place the broken bulb and cleaning

materials into a plastic bag and seal. 5. Wash your hands.

6. Dispose of broken bulb and cleaning materials properly (landfill).

·When buying a CFL, select one with an ENERGY STAR® on the label. This indicates the bulb has met strict federal specifications for energy savings, long life,

Pumpkins of various sizes, shapes and colors were on display at the 4-H Achievement Program. All were promoting National 4-H Week.

4-H Pumpkin Project displayed

tunity to sign up to be a part of a pumpkin project. This project was hosted by the

Northeast Nebraska Master Gardeners. The youth planted the seeds and nourished the pumpkins. 4-Hers who were interested were then able to participate in a pumpkin painting workshop on Sept. 30. Darci Frahm of Winside gave the youth pointers on painting their pumpkins. Jim

Earlier this spring, 4-Hers had the oppor- Laycock, Master Gardener from Plainview also visited with the 4-Hers about gardening.

The pumpkins were each painted with a 4-H theme and on Oct. 5, individuals who attended the 4-H Achievement night voted on the best painted pumpkins. Emma Loberg received first place, Selena Finn received second place and Laura Greunke received third place. They each received a

prize donated by the Northeast Nebraska Master Gardeners.

The 4-Hers will display their pumpkins at businesses throughout the county during National 4-H Week Oct. 5-11. The 4-Hers participating in the pumpkin painting workshop included: Callie and Selina Finn, Brian and Laura Greunke, Levi Lange and Anna, Colin and Emma Loberg.

Wayne Writing students work with Pulitzer Prize winner Ted Kooser

High School recently attended a writing workshop whose keynote speaker was a Pulitzer Prize winner and former U.S. Poet Laureate, Nebraskan Ted Kooser.

The Prairie Inspirations Writing Festival was held Oct. 3, at the Homestead National Monument near Beatrice, and was hosted by the Beatrice Public Library. Five Wayne students attended, along with teacher Dwaine Spieker.

"I was delighted to get the students into

Crash sends man to hospital

At about 5 p.m. on Oct. 6, a two-vehicle crash sends a Pender man to the hospital. At an intersection 10 miles south and one mile west of Wakefield, a car driven by Melvin Wilson of Pender, collided with a pickup towing a trailer. Keith Buchholz of Bancroft, was driving the pickup towing the trailer. The pickup and trailer are owned by Renz Electric and Plumbing, also of Bancroft. The Wilson vehicle struck the trailer. The Wilson car received extensive damage and the other vehicle received minor damages according to the report. The Wakefield Fire Department Rescue Unit transported Wilson to the Pender Community Hospital. It is unknown at this time if either driver was wearing a seat belt at the time of the crash. The Wayne County Sheriff's Office is investigating and the investigation continues at this time. No other information is available at this time. vear.

Creative Writing students at Wayne this festival," Spieker said. "This was a great chance for my students to meet a working writer of national prominence."

> Kooser served as Poet Laureate Consultant in Poetry to the Library of Congress from 2004 to 2006, and won the Pulitzer Prize for Poetry in 2005. In preparation for the event, Spieker's students read many Kooser poems and his prose memoir, Local Wonders, published in 2002 by the University of Nebraska Press.

> Over 120 students from a dozen Nebraska high schools attended the workshop.

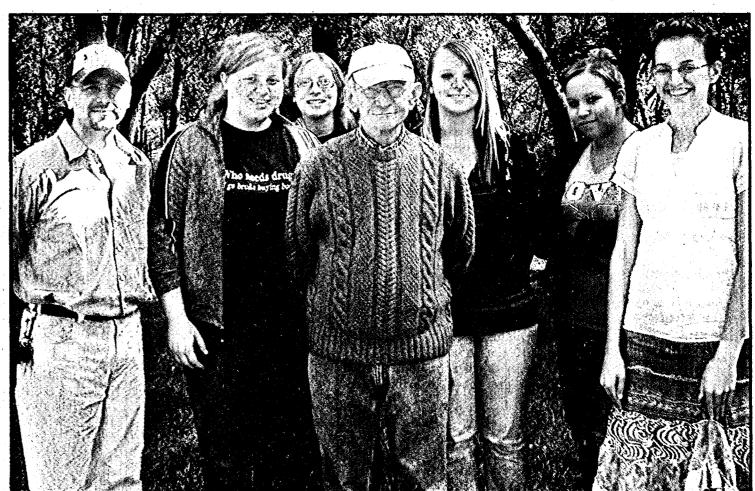

During the morning session, Kooser read from his work and spoke to students about writing in general, especially how he himself came to writing as a young person. He then spoke with students about the need to make their writing unique, and gave them ways to do so.

After an extended lunch period, when students had time to spread out at the monument grounds and write, Kooser opened the microphone for students to come forth to read from their work. Kooser then commented upon their writing.

Two Wayne students, junior Avie Veldkamp and senior Genelle Gardner, read from their work.

"You really have to give those kids credit for having the courage to get up to read their poetry in front of other students, let alone in front of a Pulitzer Prize winner," Spieker added, "but Kooser is so personable that they felt welcome."

The works written by the students will be gathered by the Beatrice Public Library staff and published in a booklet later this

Wayne High School Creative Writing students and teacher pose with Pulitzer Prize Winner and former U.S. Poet Laureate Ted Kooser. From left, Dwaine Spieker, Lindsey Costa, Genelle Gardner, Kooser, Nicole White, Brittany Jackson and Avie Veldkamp.

Active Pallbearers were Wilbur and Phyllis' grandsons, Shawn Nolte, Johnny Jeffrey, Dan Nolte and John Ely and family friends, Scott Johnson and Doug Echtenkamp.

Burial was in Greenwood Cemetery in Wayne. Hasemann-Schumacher Funeral Home in Wayne was in charge of arrangements

Local child and infant death rates higher than the State average

The Northeast Nebraska Partnership forCommunities (NNPHC) came Health Department (NNPHD) Health District.

The Health District is comprised of Cedar, Dixon, Thurston and Wayne Counties. Over 69 different organizations and individuals came together over a 9-month period to formulate that picture of health. They asked themselves, each other and the residents of the four-county area, "How healthy are the residents of northeast Nebraska?"

One of the health issues identified for the district was child and infant mortality rates. Death rates for these groups are at or above the State of Nebraska rate in several age categories. The infant mortality for non-white populations of the health district is 14/1,000 live births while the State is 11.9. The infant mortality rate (white) for Wayne County alone is 6.4 per 1,000 live births while the State is 5.9. The child death rate, ages 1-19 years (all races), for Cedar (2.8), Dixon (2.2) and Thurston (2.1) Counties are all higher than the state rate of 1.8. The child death rate for ages 15-19 years (all races) is 6.2 for Cedar, 7.9 for Dixon and 5.9 for Thurston while the state rate is 3.4.

The Children and Families First Task Force of the NNPHC intends higher child and infant mortality rates than the state. The group believes that if we can find out why then we will be better able to address the problem and prevent 800-375-2260. future untimely deaths.

The Health Department Healthy (NNPHD) secured funding from the Nebraska Department of together in 2007 in an effort to Health and Human Services determine the picture of health for (DHHS) to lay the foundation for the Northeast Nebraska Public pursuing answers to the question of "why?" One way other communities have addressed this same issue is through development of a Fetal Infant Mortality Review (FIMR) Team. This process is endorsed by the American College of Obstetrics and Gynecology and the National Maternal and Child Health Office of the federal government.

A FIMR team reviews fetal and infant deaths NOT looking to find fault but rather looking for things that could have possibly prevented the death from happening. A nurse researcher gathers detailed information from many sources in an attempt to identify underlying challenges the family faced during the child's life. Once these challenges are identified, a team of professionals then recommends different activities that should be put in place to help prevent similar deaths in the future.

Some things that other FIMR teams have accomplished include a crib give-away program, child safety education, and safe sleep campaigns. Both NNPHC Children and Families First Task Force group and the Nebraska DHHS are endorsing the effort to organize a local FIMR group. The next step in the process is to secure funding to support the proposed activity.

If you have questions about to identify why the district has FIMR or are interested in becoming a partner of NNPHC, please feel free to call the Northeast Nebraska Public Health Department at 402-375-2200 or

Michael Mrsny

Michael Lee Mrsny, 55, formerly of Wayne was taken into the arms of his heavenly Father on Thursday, Oct. 2, 2008 to end his battle with ALS. He was at home in Fort Collins, Colo.

An open memorial service is planned for Sunday, Oct. 26 at 1 p.m. at the Veterans' Club. 316 West Braasch

Ave. in Norfolk.

Michael Lee Mrsny was born Oct. 15, 1952 in Norfolk to Frank and Alice (Luckert) Mrsny in Norfolk. The family moved to Wayne in 1957. He graduated from Wayne High School in 1972 and served in the U.S. Army from 1973 to 1975. In 1987 he moved to Fort Collins, Colo., where he worked for the city of Fort Collins for 20 years. He loved to camp in the Colorado Rockies and come back to Wayne to hunt with his brothers, father, nephews and friends. He was a huge Husker fan. His contagious spirit, thunderous laugh and love for his family will be sorely missed.

Survivors include his wife, Diana Powers-Mrsny; five children, Abbey Mrsny, Austin Mrsny, Jeremy Mrsny,

Maren Powers and Devon and Lauren Powers; his parents, Frank and Alice Mrsny of Wayne; four brothers, Steve and Jill Mrsny, Franklin Mrsny, Jeffrey Mrsny and Kelly Mrsny, all of Wayne; two sisters, Debra and Kim Kline and Kimberly and Bruce Tresslar, all of Papillion; aunts, uncles, several cousins, nephews and nieces. Memorials can be made to Hospice of Larimer County or the Rocky

Mountain ALS Association, www.alsco.org

Jack W. Dale

Jack Wrigley Dale, 82, died Thursday, Oct. 4, 2008 under hospice care at home, where his family had gathered.

The memorial was held at the Allnutt Chapel on 650 West Drake Road, Fort Collins, Colo. on Wednesday

Jack W. Dale was born April 24, 1926 in Wayne to Professor and Coach Fred G. and Edythe W. Dale. He grew up in Wayne until leaving at 18 to join the Marines where he served in the 1st Division, US Marine Corp at Okinawa and Tientsen, China during WWII. He returned to Wayne to finish his degree in math and education from Wayne State College. He loved sports and lettered in basketball, track and football. He married Elizabeth (Libby) Goetz in Hartington in February of 1949. In January of 1950 his daughter Connie was born. His wife and daughter attended his graduation from WSC in 1950. After visiting Colorado on his Harley

and Richard and Pam Nolte, all of Wayne; Karen and Jim Blenis of The family moved to Colorado in 1951. They settled in Fort Collins where Rosemont, Minn; seven grandchildren; two great-grandchildren; sisters, Rob was born in 1958. Jack worked in the outdoor advertising business for 20 years and Kodak for 14 years before retiring. Throughout his life he enjoyed fly-fishing, bow-hunting, golf and tennis. His love of the outdoors and sports began in his youth and continued until his death. Survivors include his wife, Libby; children, Connie Osborn of Fort

Collins, Robert J. and Sharon Dale of Vail, Colo; two grandchildren; one brother, Robert F. and Amy Dale of West Lafayette, Ind.; 11 nieces and nephews.

He was preceded in death by his two sons, Michael, in 1954 and Rex Dale, in 1981.

Memorial donations can be made to The Rex Dale Memorial Scholarship fund at CSU or Hospice of Larimer County in care of Allnutt. Please visit www.allnutt.com to view Jack's online obituary, sign the family guestbook and send condolences.

Opal (Sutton) Berg

Opal Kay (Sutton) Berg, 70, of Omaha, died Tuesday, Sept. 30, 2008 at the University of Nebraska Medical Center in Omaha.

Services were held Friday, Oct. 3 at King of Kings Lutheran Church in

Opal Kay (Sutton) Berg was born May 3, 1938 in Randolph to Frank and Opal (Lackas) Sutton. She grew up in Hartington where she attended grade school and graduated from Hartington High School in 1955. She went to Wayne State Teachers' College where she graduated in 1958 with a Bachelor's degree in Education. As a young girl she was active in drama and cheerleading and enjoyed spending time with her friends. She was a life-long teacher, spending most of her years in the Omaha Public Schools and in western Iowa. After her retirement in 1989 she continued to substitute teach. She enjoyed quilting, golf, time with her grandchildren and traveling. She was an active member of King of Kings Lutheran Church

Survivors include two sons, Scott and Sarah Berg and Brett and Evi Berg, all of Omaha; four grandchildren; brothers- and sisters-in-law, Dave and Jeanette Sutton of Concord, Calif. and Dan and Janet Sutton of Shelton; sister, Mary Belle Pfeil of Elkhorn.

She was preceded in death by her parents and brother-in-law, Reno

Memorials may be made to the church.

in Omaha.

Graveside services were held Saturday, Oct. 4 at the Magnet Cemetery at Magnet. Condolences may be made to Reichmuthfuneralhomes.com

Among and the Nebraska Trails them will be team members with ties to Laurel: Milissa Lackas, Melanie Hartung, Lynette Haisch, Katie Ehlers, Jenny Young, Kristen Koch, Tara Klausen and Jaime

There are six to eight people in each team for the Market to Market Relay. Each runner will cover three to four legs of the race (the legs are 2.45 to 5.58 miles long). The teams start running at 6:30 on Saturday and will hopefully be finished around 8:30 that

Ten percent of registration fees Foundation. Used running shoes will be collected for Soles 4 Souls. One percent of revenues will go to 1 Percent for the Planet, an environmental cause. Race info will be printed on recycled materials.

Sponsors for the relay are: Nebraska Orthopaedic Hospital, Bozell, Mizuno, Ameritas, Miller Lite, Omaha Running Club, Lincoln Track Club, Whole Foods Market, Complete Nutrition, Midland Recycling, Lincoln Running Company and James Arthur Vineyards.

Pavement discussed for road near Logan Valley Golf Course and Bonnie Plant Farm

By Lynn Sievers Of the Herald

Wayne County Board of Commissioners met in regular session on Wednesday. Jim Litchfield, Wakefield city administrator, was present to discuss road 858 near the country club by Wakefield and also where Bonnie Plant Farm is putting up a greenhouse. He noted they received a letter saying the State and JEO are allowing re-classification of the two-mile stretch of that road. He wanted to discuss paving that area.

Wurdeman noted Dixon County would have lead on the project. He added he talked to a contractor who said it would cost \$1 million per mile to pave. He added the government is short of funds and with STP funds, you're looking at over two years to finish.

Litchfield stated they probably don't have a problem with that as long as it's planned. They also need to put it into their one and six year road plan. Litchfield noted they are planning to annex that area into town. An interlocal agreement was mentioned. It was decided a meeting between Wayne County, Dixon County and Wakefield was needed.

LeRoy Janssen, Wayne County sheriff, was present to explain a claim approved at the last meeting for two cell phone purchases. The commissioners main concern was why the monthly service fees

Janssen noted he wasn't sure as it was supposed to be the same amount and was checking into it.

Elizabeth Carlson, highway superintendent, discussed road and bridge business. She noted she had four proposals on concrete box culverts for Federal Aid Soft Match project C009005105. She said low bid of \$94,516.24 was by M.E. Collins.

Carlson added they were still waiting on easements for project C009005105. Commissioner Kelvin Wurdeman made a motion to go with the low bid contingent on securing the easements. Commissioner Jim Rabe seconded the motion, which passed unanimously.

Discussion was held on the possible purchase of a payloader for road district #3. Also discussed was solicitation of bids for the sale of a Meyer eight foot snowplow from District #1. Wurdeman made a motion to put an ad in the paper, Rabe seconded the motion and it passed unanimously.

Carlson noted she had a request to move a building over county roads from Northeast Community College to Crofton. Wurdeman made a motion to approve the request and Rabe seconded the motion.

Discussion was also held on an application for permission by Trans Canada (which was tabled at the last meeting) to place a utility line were different for the two phones. in county road right of way. Carlson

noted the company assured they would bore the line in, not trench, unless there was a dirt mile. Rabe made a motion to grant the request, Wurdeman seconded the motion, which passed unanimously.

Renewal of cost allocation consulting contract with MAXIMUS was discussed. It was noted the contract had the same terms. DMG Maximus contract is for one half of the collected funds, not to exceed \$5075 per year for 2008 - 2012. Rabe made a motion to renew the contract, Wurdeman seconded the motion, which passed unanimous-

A request for reimbursement of direct and indirect costs from the State for the Social Services building was discussed. The total amount for the past year, based on audit figures, is \$7,875 for supplies and maintenance. The county will get 51 percent reimbursement. Wurdeman made a motion to accept the audit and request reimbursement from the State. Rabe seconded the motion, which passed unanimously.

Also requested by the local Social Services staff was additional parking area at their building this fall. County employee Bud Neel showed a bid of \$9,250 from Otte Construction for the paving proj-

Wurdeman noted the county could do the paving project themselves for less but two problems

could be time and if it rains. They decided to see if it could work out for them to do the project.

Amy Topp of the extension office asked the commissioners if it was alright that their office be closed Dec. 26, 29, 30, 31 at which time they would take vacation days. She noted the extension board approved their request. The commissioners stated it was alright with them

Board of Equalization was held with a motor vehicle exemption for the Missionary Benedictine Sisters approved.

Tax rates for 2008-09 were set. Valuation for Wayne County is \$839,927,666, which is up from \$764,321,984 from 2007-08. Rabe made a motion to approve the tax rates, Bob Nissen seconded the motion, which passed unanimous-

The commissioners looked over a listing of personal taxes to be stricken from the tax list report. Treasurer Karen McDonald noted doing so does not get rid of the taxes but is a formality taken after two years. Wurdeman made a motion the personal taxes be stricken from list, Rabe seconded the motion, which passed unanimously.

The next Wayne County Board of Commissioners will be Tuesday, Oct. 21 at 9 a.m. at the courthouse

Band Day partipants

Four PMC therapists certified in aquatic therapy

Providence Medical Center is excited to announce that Jean Harrold-Loberg, PT, Mandy Heithold, PTA, Andrea Johnson, PT, DPT, and Molly Redden, PT, DPT, were recently certified in aquatic therapeutic exercise. After attending 25 hours of hands-on continuing education through the Aquatic Therapy and Rehab Institute, these four professionals were eligible to take the written exam for certification. "The course gave us an opportunity to work hands-on while learning a variety of techniques including treatment for arthritis and chronic pain, spinal cord and back injuries, postural, rehab, gait and balance training, and a variety of exercises for general strengthening and conditioning," said Jean Harrold-Loberg. Jean went on to say, "I personally enjoy water, and I wanted to be able to offer this option to my patients."

Mandy Heithold was excited to become aquatics certified through ATRI. "I enjoy working in the water and knew other people would enjoy it as well. The course taught me how to incorporate the relaxing properties of the water into the

Molly Redden, PT, DPT

Jean Harrold-Loberg, PT

workouts. It gives us one on one time with the patient in a peaceful atmosphere. I feel very fortunate to be able to offer aquatic therapy to my patients." Andrea Johnson added "I value the hands-on time I get to spend with my patients. Working in our warm water pool has given me the opportunity to provide pain relief and relaxation for people while providing a very challenging workout for others. I have found aquatic therapy to be an invaluable addition to my therapy practice and I think I enjoy it almost more than my patients do." "I am thrilled to be working on the cutting edge of physical therapy. This course honed our skills in aquatics and taught us how to incorporate them into rehab for almost any person or diagnosis," said Molly Redden.

Providence Medical Center has two aquatic therapy locations: Providence Therapy Outreach Clinic in Laurel and at the Wayne State College pool. A doctor's prescription is needed to participate in an aquatic therapy program. Each person receives an individualized evaluation to develop a therapeutic program tailored to his or her

The Providence Therapy Outreach Clinic pool is also available to the general public for enhancing health and wellness. If you are interested in using the warm-water pool at our Laurel clinic, ask us about our pool punch card.

ed her Doctor of Physical Therapy degree in 2005. Her interests include manual therapy, orthopaedics and pediatric therapy. ·Molly Redden, PT, DPT. Molly reived her Bachelor of Science

degree from WSC in 2002 and completed her Doctor of Physical Therapy through the University of South Dakota in 2007. Molly is a lifelong resident of Wayne and her interests include orthopaedics, pediatrics and aquatic therapy.

University Theatre at Kearney opens fall season The University Theatre season who plays the role of a servant/

on the University of Nebraska at Kearney campus opened Oct. 8, with a performance of the Russian drama "Three Sisters" by Anton Chekhov.

The show will run through Sunday, Oct. 12. Show times are 7:30 p.m. for the Wednesday -Saturday, Oct. 8-11, performances. In addition, there is a 2 p.m. matinee on Sunday, Oct. 12.

Among those involved in the production is Rachel Jensen of Wayne musician.

Directed by Jack Garrison, UNK associate professor of theatre history, "Three Sisters" is a drama about the decay of the privileged class and the search for meaning in a modern world. Written in 1900, the play was first produced in 1901. It is considered by many to be one of Chekhov's major plays.

The story follows the lives of three sisters — Olga, Masha and Irina Prozorov — and their brother Andrei who were raised in Moscow but have been living for the last 11 years in a small, provincial town. After the death of their father, they make plans to return to Moscow with hopes of living the good life.

Reservations may be made by contacting the Theatre Box Office at 308.865.8417 or boxoffice@ unk.

Tickets are \$7 for adults; \$5 for non-UNK students, seniors, and UNK faculty and staff; \$3 for groups of 10 or more; and free for UNK students with a valid ID.

The cast will also feature UNK faculty members Janice Fronczak and Dr. Sam Umland. Fronczak, associate professor of performance and playwriting, will play the role of Anfisa, the Prozorov family's nurse. Dr. Umland, professor of English, will play the role of Ivan Chebutykin, a 60-year-old army doctor who loved the sisters' mother and is possibly the father of Irina.

Transportation, wastewater issues highlight City Council agenda

By Clara Osten Of the Herald

Transportation, including how to get from place to place and where to park and how to deal with the city's wastewater in the future were among the agenda items debated during Tuesday's meeting of the Wayne City Council.

Early in the meeting council members approved ordinances in regard to prohibited parking on grass and unimproved areas and prohibiting parking on the west side of Claycomb Road for a distance north of 14th Street. The exact distance is being determined based on property lines and the ordinance will be read again at the council's next meeting.

The other transportation issue creating a great deal of council debate was the possible purchase of a Segway for the Wayne Police Department.

Police Chief Lance Webster and Officer Jessica Boyles were on hand to discuss the advantage of having the two-wheel vehicle as part of the department's resources.

Webster said the Segway is more stable than a bike and would allow officers on duty at Wayne State College a "safe, efficient way to get around campus." It was noted that the vehicle could create conversation and lead to more interaction with Wayne State students.

Webster also noted that a number of colleges and cities have already implemented the vehicle into their fleets and it is "another tool we can

Following discussion on the agenda item, no motion was made to purchase the vehicle so no action was taken.

The topic of wastewater took up considerable time during the meet-

On the agenda were two items from different manufacturers in regard to pilot plants for micro-biological wastewater treatment.

At the present time there are no full-size systems from either Aquarius or Bio-Shaft in the United States and as the council is considering the action to be taken in regard to the city's wastewater treatment process, council members felt it was a good idea to test the system in northeast Nebraska's winter climate.

The council voted 5-1, with Brian Frevert voting no, to spend \$7,500 to bring the Aquarius system to Wayne for a period of three months, beginning in late December.

Council members did not approve a resolution to bring the Bio-Shaft to Wayne as several members felt the two systems were similar and the city did not need to spend additional money on the second pilot

Resolutions receiving unanimous approval included Resolution 2008-91, which accepts a bid and awards a contract on the Booster Pump Station project, Resolution 2008-Council member Doug Sturm 92, which will set a Board of regular session on Tuesday, Oct. 21

2005-1 in regard to sidewalk assessments.

The council voted to reduce the park fee collected on Burmood Acres Subdivision and base the fee on the value of the land only.

In a related item, the council passed Ordinance 2008-22 on first reading. This will amend the Wayne Municipal Code in regard to dedication of land for a park, recreational facilities or open space and fees.

Acting as a Community Development Agency, the council approved the payment of \$8,500 to Cox Development for work done to prepare a plan for developing Western Ridge.

The CDA also accepted several change orders for the water/ sewer and paving contract for Western Ridge. Several of these were required by the State of Nebraska Department of Roads. City Administrator Lowell Johnson told the CDA that there will be more changes in the plan as the project moves forward.

The CDA took legal action to declare all parties in default on the GITT TIF Agreement approved for the College Park Plaza. The agreement was approved but the funds were never drawn by the builder,

The council also witnessed a demonstration on a John Deere Gator Utility vehicle. The city is considering purchasing such a vehicle in the future to help decrease energy costs for the city.

The council will next meet in at 5:30 p.m. in council chambers.

Homecoming 2008

Allen Homecoming

Homecoming festivities were held at Allen High School. Involved included, front row, left to right, first grade attendants Rachel Angle and Lukas Oswald and kindergarten attendants Steven Sullivan and Haley Garcia. Middle row, Mistress of ceremonies, Erika McCarthy, queen candidates Holly Stark and Suwattee Wangmontree, king candidates: Nick Schneiders and Sidoine Moua and Master of ceremonies, Brandyn Stewart. Back row, Queen Jamin Cyr and King Scott Wilmes.

Wakefield Homecoming

Wakefield Homecoming royalty includes, left to right, Ian Miner (King), Jessica Berns (Queen), Mason Nixon, C.J. Kay, Korey Calhoon, Carly Gardner, Zach Blessing and Savannah Benstead. Coronation ceremonies were Oct. 7 in the Wakefield school auditorium. The homecoming football game will be played Friday night at 7 p.m.

Planning Commission discusses parking and driveway surfaces

By Lynn Sievers Of the Herald

The Wayne Planning Commission met in regular session Monday night. Election of officers was held with Sharon Braun, chair, Kelby Herman, vice chair and Pat Melena, secretary.

A public hearing was held on amending Sec. 90-710 (c) parking or driveway surfaces, interior of lot. The Planning Commission discussed changes in the language about the interior of the lot (not terrace). George Ellyson, city inspector/ planner demonstrated use of a grid (16 one foot interlocking squares) for placing over a driveway or parking surface in question. Eighty percent of the grid should be clear of weeds, grass, dirt, etc.

Bill Kranz said he didn't see how this arrangement will solve issues. Lee Brogie wondered why the number changed from 50 to 80 percent. Jill Sweetland asked if they're to go to each house to use the grid to make it fair? Ellyson said as he understood it, the grid would only be used where there had been complaints. He added paving is cost restrictive.

Sweetland noted if people paved, they should be exempt. Discussion was held on driveway versus parking lot; parking surfaces need to be bordered and driveway surfaces don't. Sweetland stated she feels there's no end to this - that if they give a recommendation, it will open a can of worms. Ellyson said the Planning Commission should write down their concerns to the city council.

Melena wondered why the issue is being rushed into as there's been a tremendous effort on homeowners around town to come into compliance. He felt they should hold off and look at this issue in six months. With the grid, it looks as though they are making something they can enforce.

Kranz said the grid shouldn't be used in one spot. As an example, Ellyson asked how many times it should be used in a driveway compared to a section. He noted

he sensed a disposition of the commission that the language is not the answer so asked them to give reasons as the council expected a motion from the Planning Commission. Herman wondered if the city administrator could come to their next meeting and explain the language to them. He made a motion that the issue be tabled until their Nov. 3 meeting. Melena seconded that motion.

additional work needs to be done. The Planning Commission noted there were problems that included inconsistent language, grid drop frequency, driveway width (12 foot) inconsistent with regular driveway width of eight feet and the fact that homeowners are putting in considerable effort to come into compliance. The next Planning Commission meeting will be on Ellyson noted they should submit Monday, Nov. 3 at 7 p.m. in the city something in writing to the council council chambers.

prior to that time. Herman stated

October is Domestic Violence Awareness Month

Awareness Month was held in October of 1987.

Since then, the month of October has been a time for creating greater awareness of domestic violence. Across the nation, domestic violence agencies hold events and organize activities to create awareness of domestic violence.

Domestic violence occurs in every community and affects people of all different backgrounds. According to statistics, a woman is abused every nine seconds in the United States (National Coalition Against Domestic Violence). Every year witness domestic violence in the United States and those effects can last a lifetime (Nebraska Domestic Violence Sexual Assault Coalition).

Domestic violence is not just a private family matter; it is a crime the economy in our area. that affects our entire community.

During the month of October, all are encouraged to attend awareness month activities in their areas, learn more about domestic violence, speak out against domestic violence and provide awareness in the community, help a friend, family or community member who is involved and support the local domestic violence agency.

The purple ribbon is used as Awareness Month. Staff members required.

The first Domestic Violence of Haven House in Wayne encourage everyone to wear a purple ribbon to show their support for ending domestic violence.

Anyone who would like more information about Domestic Violence Awareness Month and ways to participate is asked to call Haven House at 1-800-440-4633.

Peterson qualifies for State

Blue Devil golfers finish sixth at Districts

peted at the C-3 District Golf Tournament, Tuesday in Oakland with the top three teams in the field qualifying for next week's State Golf Tournament along with the top 10 individual placers.

The Blue Devils placed sixth in the team race with a 489. Crofton won the team title with a 408 followed by Norfolk Catholic at 423 and Pierce, 453. Elkhorn Vallev was fourth at 460 followed by Oakland-Craig at 463 and Wayne. Catholic, Plainview, Wakefield (534), Hartington, Battle Creek and Pender rounded out the field of teams in order.

Individually, Wayne had one

state qualifier as freshman lowed in eighth with Jordan Brittney Peterson carded a 104 with rounds of 51-53. She finished in a three-way tie for eighth place but won the eighth place medal via tie-breaker.

Crofton's Molly Zavadil was district medalist with an 85 while Isabella Baldacci of Norfolk Catholic was runner-up at 94. Kaylee Faltys of Tekamah-Herman was third with a 95 and Alison Dinslage of Norfolk Catholic was fourth at 97. Pierce's Brittney Dinkel finished fifth at 99.

The second five which qualified for State included Mandy Warneke of Elkhorn Valley, 101 and Crystal Evans of Crofton, 103. Peterson folBrummond of Tekamah-Herman, ninth and Courtney Foxhoven, Crofton, 10th.

The Blue Devils runner-up finish on the squad was Lisa Temme at 122 while Jessica Farmer carded a 130. Lauryn Braun finished at 133 and Justeen Powell, 135.

"I'm a little disappointed we didn't finish higher as a team," coach Josh Johnson said. "On the other hand, I thought Brittney and Lisa really stepped up and played awe-

Peterson will compete at Indian Head Golf Course in Grand Island on Monday and Tuesday at the State Golf Meet. She tees off at 9:30 a.m. Monday.

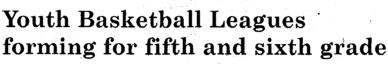

Last Saturday the Blue Devils competed at the Oakland Invitational where they finished seventh in team race at 456. Columbus Scotus won the team event with a 386 while Crofton

Jacy Gasper of Scotus was medalist with an 82. Jessica Farmer led Wayne with a 109 with

Brittney Peterson carding a 110 and Lauryn Braun, 114. Justeen Powell finished at 123 and Ambre-Ruzicka, 126. Lisa Temme played JV and carded a 111.

Last Wednesday, Wayne competed at the Columbus Scotus Invitational. Wayne finished in the middle of the pack in the team race with a 444. Brittney Peterson led Wayne with a 103 with Lauryn Braun netting a 106. Lisa Temme finished at 117 and Jessica Farmer, 118 while Justeen Powell netted a

Wayne's JV team also competed with Ambre Ruzicka placing in the top 15 with a 115. Taylor Burke, Burgandy Roberts, Alexis Reinert and Kara Potter also competed for the Blue Devils.

Department has announced that boys and girls (grades fifth through sixth) youth basketball will begin on Monday, Dec. 1, and will continue through Jan. 22.

Registration is scheduled for Oct. 15-17 and 19 from 3:30 to 6 p.m. at the Wayne Community Activity

Registration fees for fifth and sixth grade WCAC members are \$20 while non-members will be charged a \$25 fee. Checks should be made payable to: City of Wayne.

A late fee of \$20 will be added to all late registrations.

Participants are reminded that absolutely no street shoes or hardsoled shoes will be permitted on the gym floor as well as gym shoes that are worn outside.

Volunteer coaches are needed for the fifth and sixth grade program.

please contact Jeff Zeiss at (402)-375-4803.

Vikings post 6-0 win over WSC women's soccer

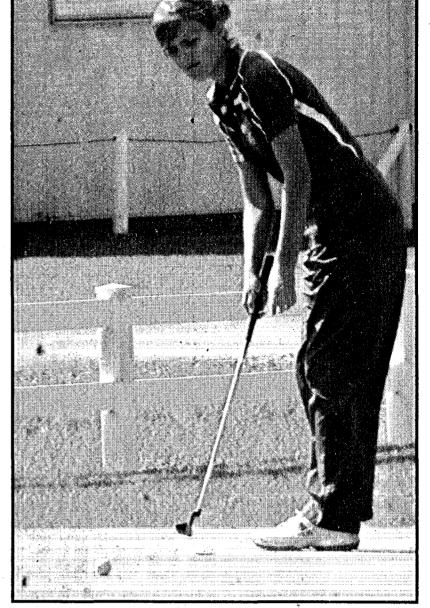

Augustana College scored three goals in each half to record a 6-0 Northern Sun Conference women's soccer win over WSC on Sunday afternoon in Sioux Falls, S.D.

The Vikings improved to 7-2-1 overall and 4-1 in the NSIC while WSC dropped to 0-11-1 overall and 0-5 in league play.

Augustana had a 25-6 advantage in shots over the Wildcats with Stepanie Bright and Tiffani Kellerman each registering shots

Sophomore goalkeeper Emily Walker played the entire contest for the Wildcats and was credited with nine saves.

WSC will be on the road again this weekend as they visit Winona State on Saturday, Oct. 11 and Upper Iowa on Sunday, Oct. 12.

Jessica Farmer putts on hole number nine during the regular season finale for the Wayne girls golf team.

Huskers come to Wayne for homecoming scrum-down

Touchdown runs look to continue on Homecoming Saturday even after the football game, as the No. 5 WSC women's rugby team will host the Nebraska Cornhuskers to see who will be at the top of the

Great Plains Rugby Conference. The game will be played at the Wayne Rugby Complex on East 4th Street with kick-off scheduled for

Wayne falls to No. 1 Pierce 28-7 on Friday

By Casey Schroeder

After Wayne held off Battle Creek 19-18 two weeks ago, the Blue Devils returned home last Friday night where they hosted the undefeated and No. 1 team in Class C-1, Pierce Bluejays (5-0).

Brittney Peterson tees off on a par four during the

Oakland-Craig Invitational. Peterson qualified for State

with an eighth place finish at Districts on Tuesday.

While Pierce looked for the easy win over the Blue Devils, Wayne had a different agenda for the night as they held a potent Bluejays' offense to just 14 points in the first half before Pierce went on to add 14 points in the second half to record the 28-7 win.

"I believe our level of effort was the best it has been all season," said Wayne head coach Kevin Finkey.

"I really feel that we gained a lot of confidence last week and even though we lost, we learned a lot and it will make us better football players. We are learning to put outside distractions away from us and only focus on the things that we can control."

In the first quarter, Pierce recorded the first score of the game when they used their first offensive drive of the night to march 49 yards downfield where they found the end zone on a 15-yard run to make it 7-0 with 6:31 left in the first quarter.

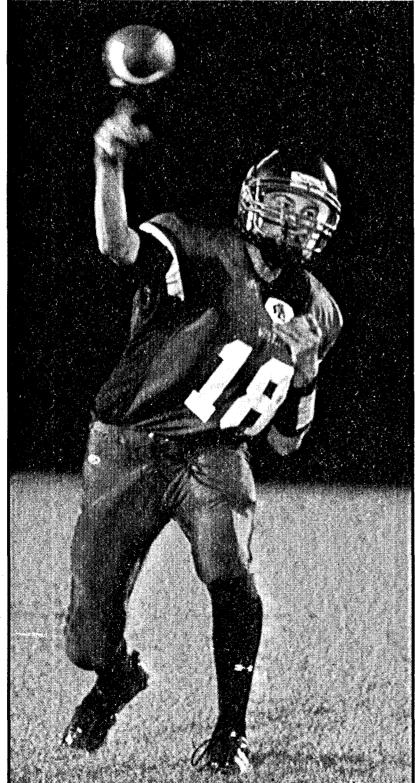

With one score on the night, Pierce added their second touchdown of the night nearly a minute after their first as they picked-off a Justin Anderson pass and returned it for a 40-yard touchdown to increase their lead to 14-0 with 5:33 left to play.

While the Bluejays dominated the Blue Devils in the first quarter, it was Wayne who returned the favor in the second period.

With 10:59 left to go in the half, Wayne's Nate Sieler scored on a three-yard touchdown run that saw the Blue Devils cut the Bluejays lead to 14-7 following a successful extra point attempt by Jacob Triggs.

"I was disappointed at the end of the first half because I felt we should have been tied or possibly had the lead," Finkey said.

"I feel we played well, but our

Wayne quarterback Justin Anderson unloads a pass during the third quarter of the Friday night's game against Pierce.

own mistakes were our worst enemy."

After Wayne cut the Bluejays' lead to just seven points in the first half, it was all Pierce in the second half as the Blueiavs fired back with touchdowns in both the third and fourth quarters to pull away with the 28-7 win.

Anderson led Wayne on the ground with 37 yards on 8 carries while Darnell Collins had 36 yards on 13 attempts.

"I was pleased with our running game on Friday night," Finkey said. "Pierce I feel is the best defensive team we have faced and yet we got things moving." In addition to his 37 yards rush-

ing, Anderson went 4 of 7 in passing for 34 yards and an interception. Drew Workman led the Blue Devils' receiving corp with two

catches for 22 yards while Derek Poutre and Collins finished the night with one reception each. On defense, Poutre led the Blue Devils with eight tackles which included two tackles for loss with

Mike Kay and Ryan Pieper both

registering seven stops. "Defensively, I feel we did a good job," Finkey said. "Some missed tackles, but they did a good job I feel of controlling a high powered offense."

Wayne will return to action on Friday, Oct. 10 when they travel to By Casey Schroeder Crofton for a 7 p.m. game.

Wildcats hand Bulldogs 3-0 loss on Thursday

Hillary Lienemann accounted for 21 kills while Jordyn Roberts dished out 32 set assists in the Wildcats 3-0 win over Coleridge last Thursday night in Winside.

The Wildcats defeated the Bulldogs by the scores of 25-13, 25-20 and 25-20 to improve to 12-4 overall.

Offensively, Winside was led at the net by Hillary Lienemann who totaled 21 kills on the night in addition to her two set assists and ace serves that were recorded.

Jordyn Roberts fed Lienemann throughout the evening with set assists finishing with 32 on the night while Katie Gray added nine kills and two ace serves in the win.

Other offensive contributors for

the Wildcats included Shelby Lienemann with five kills followed by Shelby Meyer and Erin Grav who both finished with three kills apiece.

On defense Winside saw four different players reach double digits in digs as Katie Gray, Jordyn Roberts and Shelby Lienemann all recorded 17 while Meyer contributed 16.

Winside will look to pick up their 13th win of the season when they travel to Wynot on Thursday, Oct.

Eagles cap off Homecoming week with 53-0 win over Raiders

By Casey Schroeder

The Allen Eagles football squad capped off Homecoming festivities 3 overall and 2-0 in district play.

last Saturday night with a resounding 53-0 win over the Newcastle Raiders to improve to 2-

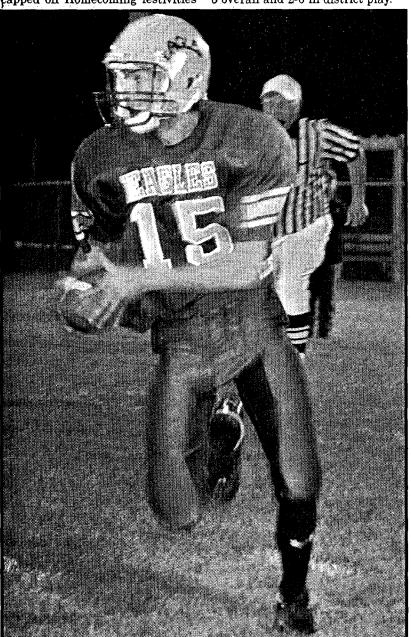

Photo Courtesy of Michelle Saxen

"The team played as a team and communicated well and we had been missing this earlier in the year," said Allen head football coach Dave Uldrich. "When we do our jobs and trust our teammates, good things happen."

The Raiders opened the evening by driving the length of the field only to have a pass intercepted and returned 76 yards for a touchdown by Heath Roeber.

Cody Stewart then added ensuing PAT kick to give the Eagles a 7-0 lead with 9:40 left in the first

The Eagles then tacked on two additional touchdowns in the first quarter when Bobby Adair and Scott Wilmes scored on runs of five and three yards out to expand Allen's lead to 21-0 with 8:28 left in the period.

Following a dominate first quarter performance Allen continued to run through the Raiders' defense as Wilmes added a pair of touchdowns on runs of 21 and one yard out to push the Eagles lead to 33-0 at halftime.

"I have to give a lot of credit to both the offensive and defensive lines for doing a tremendously good job," Uldrich said. "The team did a good job of keeping Newcastle's offense bottled up."

In the third quarter Allen continued to build upon their first half momentum as Heath Roeber scampered 35-yards on a quarterback sneak and then found Jacob Woodward on a 10-yard touchdown reception to make it a 45-0 ball game with 4:01 remaining in the

With a 45 point lead in hand the Eagles' reserves took the field and added the final score of the night when Austin Roeber connected with Chase Isom on a 28-yard touchdown reception to increase Allen's lead to 53-0 following a

Isom two-point conversion run with 8:04 left on the clock.

Wilmes led the Eagles in rushing with 132 yards and three touchdowns on 17 carries while Adair carried the ball three times for 17 yards and a score.

Heath Roeber finished the night completing 2 of 3 passes for 17 yards while also rushing for 84 yards on 11 carries with one touchdown.

Defensively, Corey Klug led the Eagles in tackles with 12 while Cody Stewart added nine and was followed by brother Brandyn who finished the night with seven stops.

Allen will look for their third consecutive win of the season when they travel to Wausa on Friday, Oct. 10 for a 7 p.m. game. "We will continue to build on the

Second through fourth grade youth basketball leagues forming

Wayne Recreation Department has announced that basketball for boys and girls (grades second through fourth) will begin on Tuesday, Oct. 23, and will continue through Nov. 25.

Registration for youth basketball will be held on Oct. 15-17 from 3:30 to 6 p.m. at the Wayne Community Activity Center.

Registration fees for second grade are \$10 for WCAC members and \$15 for non-members while third and fourth grade registration fees will be \$20 for members and \$25 for non-members. Checks should be made payable to: The City of Wayne

A late fee of \$20 will be added to all late registrations.

Participants are reminded that absolutely no street shoes or hardsoled shoes will be permitted on the gym floor as well as gym shoes that are worn outside.

Also, volunteer coaches are needed for third and fourth grades.

For more information regarding the youth basketball program or possible coaching opportunities please contact Jeff Zeiss at (402)-375-4803.

with a two set win over Randolph by the scores of 25-12 and 25-16.

Randolph was the only participant of the day who failed to secure a win as the Cardinals went 0-3 in tournament play.

Listed below are the statistics of the area teams who participated in the Wayne Quadrangular.

Wayne Quadrangular First Round

Wayne def. Randolph 25-12 and 15-16. Wayne (4-13): Robinson 12k, 4b, 4d; Hoskins 7k, 4b; Sebade 3d; Harm 2k, 2a, 6d; Soden 1a, 7d; Schramm 1k, 1a, 1b, 1d; Liska 1a, 1b, 2d; Volk 1k, 5a; Jaixen 9a, 4d; Gilliland 3d.

Wildcats defeather Peacocks 34-14

By Casey Schroeder

Wayne State College's Logan Masters had a season-high total of 10 catches for 162 yards and two touchdowns to lead the Wildcats to a 34-14 win over Upper Iowa in Fayette, Iowa last Saturday.

"Upper Iowa did what we thought they were going to do, we just executed and did our jobs,"

The Wildcats improved to 4-2 overall and 3-2 in the Northern Sun Intercollegiate Conference (NSIC) while the Peacocks fell to 1-5 overall and 1-4 in league play.

"I'm satisfied with where we are, we're back in control of our own destiny and if we can win out I think we have a shot to make the playoffs," said WSC head football coach Dan McLaughlin. "We are Masters said, "This was a big win right back into the thick of things and that's good."

WSC women's golf team places eighth at NSIC Golf Championships

By Casey Schroeder

The Wayne State College women's golf team finished eighth overall in the first segment of the Northern Sun Conference Championships that were played on Oct. 4-5 at Hillcrest Golf Club in St. Paul, Minn.

The Wildcats shot a first round total of 359 on Saturday and then closed out tournament play with a 361 on Sunday to finish with a 36hole total of 720.

"The team played great," WSC golf coach Troy Harder said. "If we continue to improve during

the off season we will have a great chance to qualify for regionals, which is one of our main goals."

Individually, junior Kelsee Katsampas posted the top score for the Wildcats with rounds of 87 and 85 for a 36-hole total of 172 to finish tied for 20th overall.

"Kelsee had two consistent rounds," Harder said. "She is very close to shooting in the 70's and low 80's."

Battle Creek freshman Paige Barry followed Katsampas with a total score of 179 after shooting rounds of 87 and 92 to tie for 34th overall.

Plainview sophomore Heather McCabe placed 42nd with a 184 (91-93) while Ali Fuchtman (97-91) and Katie Isom (94-94) each shot rounds of 188 to tie for 45th over-

Listed below are the team scores and individual results for WSC.

Team Scores: 1. Concordia-St. Paul 322-329--651; 2. Winona State 321-337--658; 3. Minnesota State 329-339--668; 4. Upper Iowa 321-349--670; 5. Augustana College 329-344--673; 6. Southwest Minnesota State 339-342--681; 7.

Masters, a junior from Storm Lake, Iowa, opened up the Wildcats' offense late in the first quarter when he hauled in a 22vard reception from Silas Fluellen to give the Wildcats a 7-0 lead with 1:05 left to play in the period.

"He (Masters) had a great game, but it doesn't surprise me at all he's a great player. He made a couple of great catches," McLaughlin said.

The Wildcats increased their lead to 10-0 midway through the second quarter when Nick Hope added a 33-yard field goal at the 7:05 mark.

Despite the Wildcats best efforts on defense, Upper Iowa recorded their first score late in the second quarter when Ben Curran capped off a 12 play 65 yard drive with a one-yard touchdown run to make the score 10-7 with 44 seconds left in the half.

But WSC struck back on the ensuing drive when the Wildcats moved 69 yards downfield in five plays with Fluellen hitting Masters on a 25-yard touchdown reception that put WSC ahead 17-7 going into halftime.

"We did some good things, the biggest thing was the touchdown right at the end of the half," McLaughlin said.

"They scored to make it 10-7 which made it a ball game and then we went right down the field and scored, that to me was a huge thing and a turning point in the game."

The Wildcats pushed their lead to 20-7 on the first drive in the second half as Hope kicked a 36-yard field goal with 10:07 to play in the third quarter.

Early in the fourth quarter, WSC used a Mario Melvin 44 yard punt return to give the Wildcats the ball at the Peacocks' 15 yard line.

Three plays later, junior Eric Meyer scored on a one-yard run to give WSC a 27-7 lead with 14:20 left in the game.

The Peacocks then used a 57 yard pass from Curran to Lawrence Hellams to cut WSC's lead to 27-14 with 13:44 left in the fourth quarter.

WSC then put the final nail in the Peacocks' coffin when Travis Rhone scored on a 10-yard run with 8:08 left to play to propel the Wildcats to the 34-14 win.

Fluellen completed 18 of 29 passes for 291 yards and two touch-

Masters finished the afternoon with 10 receptions for 162 yards and two touchdowns, which extended his streak of games with at least two catches to 29 while Robert Perry added four catches for

Rhone led the WSC backfield with 54 yards on 10 carries with one touchdown while Meyer used 12 carries to rush for 35 yards and

a touchdown.

Defensively, senior outside linebacker Reno Blomquist led WSC with nine tackles, including one sack and two tackles for loss while junior Ryan Reeves added seven stops and an interception.

WSC will host Bemidji State in the Homecoming/Hall of Fame game on Saturday, Oct. 11 with kick-off scheduled for 1 p.m.

Wayne eighth grade football rolls Schuyler 20-0

The Wayne eighth grade football team defeated Schuyler 20-0 on Oct. 2 with a strong defensive effort.

Brady Soden and Steven Sherman each recovered a fumble while Grant Anderson intercepted Cory Frahm, Zach Shear and

Ramsey Jorgensen each had several tackles in the win.

On offense Bradley Longe recorded two touchdowns for Wayne with one score coming from a Danny Melena pass.

With a 14-0 lead, Wayne recorded their final score of the evening when Tyler Robinson found the end zone on a touchdown run.

WSC volleyball claim wins over Bemidji State and No. 13 Minnesota Duluth

By Casey Schroeder

The Wayne State College women's volleyball team secured their 14th win of the season last Saturday in Wayne when they defeated Bemidji State in three sets by the scores of 25-16, 25-14 and 25-12.

The win over Bemidji State improved the Wildcats' overall record to 14-3 and 4-3 in the Northern Sun Intercollegiate Conference (NSIC) while the Beavers dropped to 6-13 overall and 2-5 in league play.

WSC had a .312 team hitting percentage in the win while holding Bemidji State to a .021 hitting percentage. It is a second to be at

"We played pretty scrappy defense this weekend," said WSC head volleyball coach Scott Kneifl.

Brittany Van Beek led a balanced Wildcat hitting attack at the net with 11 kills followed by Mindy Moody who added nine kills on the

Other offensive leaders for WSC included Lea Hartigan with seven kills while Sophomore setter Jenna Jansen dished out 31 set assists.

Senior Meredy Dubbs led the Wildcat defense with 13 digs followed by Danielle Wessel with eight and Tessa Wietfeld who finished with seven digs on the after-

"Meredy and Tessa have been doing a nice job of keeping the ball from hitting the floor," Kneifl said.

Preceding WSC's 3-0 sweep of Bemidii State the Wildcats opened the weekend with a three set win over No. 13 Minnesota Duluth by the scores of 25-19, 25-22 and 25-

"When we are clicking we are pretty good," Kneifl said. "We still have a lot of things we need to get better at, but that was a big regional win for our team."

WSC finished the night with a .281 team hitting percentage compared to just .194 for the Bulldogs.

Van Beek led all Wildcats in kills with 14. Jennifer Hefner and

eight kills and were followed by Wessel and Hartigan who contributed seven kills apiece for Jansen again kept the Wildcats' offense in sync as she totaled 38 set

Moody both finished the night with

assists on the night while also registering four kills. Dubbs guided WSC to the defen-

sive win over the Bulldogs with 18 digs while Van Beek and Tessa Wietfeld both ended the night with -10 digs each. With WSC's recent two game

sweep of conference opponents the American Volleyball Coaches Association (AVCA) announced late Monday afternoon that the Wildcats had received 82 points in voting conducted by coaches from across the country and are currenttied with Indianapolis University for the No. 24 in NCAA Division II volleyball.

"Rankings are nice, for recruiting and promoting your program, however if we do what we need to do over the course of the rest of the season, that will take care of itself." Kneifl said.

The 24th ranked WSC volleyball team will return to the road this weekend with NSIC contests at Minnesota, Crookston on Friday, Oct. 10 and MSU Moorhead on Saturday, Oct. 11.

Five individuals to be inducted into WSC Athletic Hall of Fame

Five individuals will be inducted into the Wayne State College Athletic Hall of Fame during Homecoming/Hall of Fame weekend at WSC on Oct. 10-11.

The Hall of Fame inductees will be honored during halftime of the Saturday, Oct. 11, football game between Bemidji State and WSC at Bob Cunningham Field.

The inductees will also be honored with a banquet that evening in the Frey Conference Suite of the WSC Student Center with a social hour beginning at 5:30 p.m. and

the banquet and induction ceremony running from 6:15-8:30 p.m. Advance tickets, which are \$20 per person, are required for the' Homecoming/Hall of Fame banquet. Please contact the WSC Alumni office at (402)-375-7209 or 800-228-9972 ext. 7209 for ticket

information. The 2008 Hall of Game inductees include:

Al Svenningson (Coach): Svenningson has the most wins of any men's basketball coach in school history, compiling a 121-73

Burkett and former Wildcat coach Charles Obye as the second-longest tenured coaches in school history. Svenningson coached 18 years at Alaska-Fairbanks after leaving WSC and has more than 30 years

of coaching experience. He is a native of Winona, Minn., where he starred in football and basketball at Winona High School and then Winona State.

coach of the Wildcats from 1959-

He never had a losing season as

head coach, posting a top record of

19-7 during the 1959-60 season

His eight years as head coach

matches current WSC coach Rico

and finishing 18-8 in 1961-62.

Eric Henderson (Athlete): Hard work made Henderson one of the school's all-time rebounding leaders under Greg McDermott at WSC during his playing career from 1996-2000.

Henderson ranks fourth in NAIA All-American in 1996. career rebounds (876) and ranks second in a single season with 352 rebounds during his senior season when WSC went 26-6 and made the Sweet 16 of the NCAA Division II National Tournament.

In his senior season, Henderson scored 373 points (11.7 ppg) and grabbed 352 rebounds (11.0 rpg) to nearly double his career numbers in one season. He also ranks second in career steals with 160.

Henderson currently serves as a learning specialist in academic services at Iowa State University after coaching two seasons with McDermott and the Cyclones men's basketball team.

Sarah Herrick Wagenfuhr (Athlete): Herrick was an outstanding two-sport star at WSC from 1998-2002, excelling in soccer and softball.

The native of Elkhorn was a four-time All-Northern Sun Conference performer in softball and a three-time All-NSIC selection in soccer.

record in his eight seasons as head in the 2001 season. She is also the career leader in assists in soccer with 51.

Herrick also holds numerous school records in softball and is the career hits leader with 201 while ranking second in career at bats with 606. She had 62 hits in the 2002 season, a school record until this past season.

James McGown (Athlete): McGown was WSC's first NCAA All-American in cross country and second in track and field during a stellar running career from 1994-

He was a two-time NCAA national qualifier in cross country in 1995 and 1997 and finished third at the 1995 NCAA Regional meet with a new school record time of 31:41 on the 10,000-meter course.

In 1997, McGown placed 28th at the NCAA National Meet to become WSC's first All-American in cross country since AD Benson was an

In track and field, McGown was an NCAA All-American in the 1998 indoor season with a fourth-place finish in the 5,000-meter run (14:31.19).

Since his graduation, McGown has competed in marathons at the Olympic Trials in 2004 and 2008.

He recently won the USATF Marathon Trials Championships in Deadwood, S.D. and currently serves as head cross country and assistant track and field coach at Sidney High School in Sidney, Neb.

Donald Dr. Mash (Contributor): Mash served as president of WSC from 1988-1998 and promoted the school's transition from NAIA to NCAA Division II athletics.

Under Mash's tenure, WSC experienced record growth enrollment, going from 2,875 students in 1988 to 4,000 students in 1991.

The school underwent numerous improvements during Mash's tenure, including the modernization of the school's on-campus Herrick is the school's all-time power plant, transformation of leader in soccer goals with 72, campus technology and construcincluding a school-record 23 goals tion of the Gardner Business

South Sioux City squanders in 0-8 loss to Wayne on Monday

around the corner, the No. 1 Wayne sthree runs scored. Blue Devils looked to close out of Other offensive hit leaders for their final game of the regular season with a win over South Sioux Fehringer who doubled while City on Oct. 6.

The Blue Devils had little problem in accomplishing the feat as they shut out the Cardinals 8-0 while improving to 19-2 overall.

"The offense took a while to get going, but we got the job done," said Wayne head softball coach Rob Sweetland. "I think the girls have been looking forward to the second season, districts."

Riley Hoffart led Wayne on going 4 of 4 with a double, triple, RBI and run scored.

Cassy Miller earned the defensive win for Wayne as she allowed just one hit while striking out nine. "Cassy became stronger as the

game went along," said Sweetland. Leading up to Wayne's win over South Sioux City, the Blue Devils picked up a 9-4 road win over Logan View on Sept. 30.

"We need to clean up our defense if we want to reach our goals," Sweetland said.

"One thing that is positive is that they are aggressive errors. People are trying to make plays, but we need to be able to trust our teammates to make better deci-

recorded a two-run home run, her With District C-1 softball just a Rauner who had a lone triple and

the Blue Devils included Caitlin Jessica Calhoon and Lindsi Frahm each recorded a single in the win.

"I was happy with our offense, we were patient at the plate and hit the ball hard," Sweetland said. "Our short game was very sharp which helped in moving runners. Base running was very solid again as well."

Shannon Jarvi picked up the defensive win after she worked six innings where she allowed only four hits while striking out seven.

Wayne will return to action on Thursday, Oct. 9 when they open Class C-1 Districts with a 1 p.m. game against the winner of the Wisner-Pilger and West Point Central Catholic game.

Cat Club luncheon to be this Friday

The next Cat Club luncheon will be held on Friday, Oct. 10 at 12 p.m. in the lower level of the Wayne State College Student Center.

All fall sport coaches will give updates on their respective seasons and the public is encouraged to attend.

Indians' lead to only two points in the third quarter when Ian Miner hit paydirt on a one-yard run.

Despite Wakefield's best attempt to dethrone the Indians in the fourth quarter, it wasn't enough as Ponca hung on for the 21-19 win.

between the Indians and Trojans began in the first quarter when Ponca took an early first quarter lead over Wakefield after they punched in an 82-yard touchdown run and added an extra point to jump ahead 7-0.

Following Ponca's touchdown Wakefield responded back with a score of their own as Mason Nixon returned an Indian kick-off for 96yards to make it a 7-7 game after a Uvaldo Reyes successful extra point conversion.

With the score deadlocked at 7-7, Ponca regained sole control of the lead in the second quarter when they found the end zone on a oneyard touchdown run and converted on the extra point attempt to make it 14-7 going into halftime.

After the intermission break, Wakefield's Seb Kramer opened the third quarter with a 14-yard touchdown scamper that saw the Trojans cut the Indians lead to 14-13.

However, Ponca struck back soon after with their final touchdown of the night as they broke into the end zone on a three-yard run to make it a 21-13 ball game.

Fourth quarter mistakes cost Bears win over Hartington C.C.

By Casey Schroeder

With only 1:13 left to play in the fourth quarter and trailing 22-19, Laurel-Concord's Travis Nelson hit running back Justin Hart on a 41 yard pass reception to move the Bears' within five yards of game winning touchdown.

Unbeknownst to Hart who was still picking himself up off the rain soaked turf, a yellow bean bag rested 40 yards behind him. A bag that ultimately cost the Bears a possible 26-22 win over the No. 5 Hartington C.C. Trojans.

"This was a game that wasn't decided until the very end," said Bears' head coach Terry Beair.

"I thought my team had played a very good game throughout the night. It was unfortunate that we let some big plays slip away from

Prior to Hartington's comeback in the second half, Laurel-Concord built a 6-0 lead over the Trojans in the first half as Nelson found Johnny Saunders on a four-yard touchdown reception with 3:55 left in the first quarter.

After a second quarter stalemate by both teams, Hartington C.C. used a three-yard touchdown run and an extra point conversion to jump on top of a 7-6 lead with 8:17 to play in the third quarter.

However, the Trojans' lead was short lived as Hart slashed his way downfield for a 53 yard touchdown run that put the Bears' back on top at 12-7 with 7:46 left to play in the third quarter.

Laurel-Concord football coach Terry Beair looks to rally his squad after they fell behind Hartington C.C. 22-19 on Saturday night.

play in the third period, to be very solid this week and keep Hartington regained control of the lead when they found the end zone on a four-yard run and converted on the ensuing two point conversion to close out the third quarter with a 15-12 lead.

After a dominate performance by both squads in the third quarter, the Trojans clamped down on the Bears' offense in the fourth quarter until the 3:39 mark when Hart scored on a two-yard run that gave the Bears a 19-15 lead following a Kevin Gildersleeve extra point con-

With the lead in hand, Laurel-Concord's defense failed to hold the Trojans on the ensuing drive as Hartington capitalized on a 60yard touchdown reception on fourth and eight to reclaim a 22-19 with 1:52 left in the half.

Offensively, Laurel-Concord was led by Hart who rushed for 204 yards and two touchdowns on 37 carries while Nelson went 6 of 14 for 50 yards.

In addition to his performance on offense, Hart led the Bears with 12 tackles followed by Ezra Schantz who finished the night with 7 stops.

Laurel-Concord will resume play on Thursday, Oct. 9 when they host Ponca at 7 p.m.

"Ponca is 2-0 for district play and Team Standings is in the driver's seat. We will need 1. Lindsay Holy Family

Winside overcomes 22 point deficit, slides past Pirates 28-22 in overtime

By Lee Koch

Anthony Nelson forced an recovered by Garet Hurlbert in the end zone to seal Winside's 28-22 overtime win over the Pirates.

overcome a Pirate 22 point lead to send the game into overtime. The win was the second Winside

overtime victory on the road this season as the Wildcats defeated Pender 36-30 two weeks ago.

Host Emerson-Hubbard put the first 22 points on the scoreboard, all through the air as three different Pirate passers hooked up with downfield receivers to hit paydirt.

Justin Hansen connected with A.J. Bormann on a 28-yard touchdown pass while Scott Servine connected with Bormann on a 15-yard reception with Dillion Martin adding the two point conversion attempt to give the Pirates a 14-0

Max Renning then found Nathan Gutzmann open on a 17-yard strike with Martin adding a second extra point conversion to end the Pirate's scoring for the evening with 4:34 left in the first half.

Winside's Kalin Koch opened the Wildcats' offensive effort with a 45vard touchdown run then found Kelby Prince in the end zone to make it a 22-8 contest at halftime.

The second half belonged to the Wildcats as Koch added a third quarter touchdown on a one-yard plunge with 1:35 left in the quarter to cut Emerson-Hubbard's lead to

Koch then went on to add a 63-It was deja vu all over again as vard fourth quarter touchdown run and converted on the extra point Emerson-Hubbard fumble that was attempt to tie the game at 22-22

with 8:17 left on the game clock. The Wildcats stopped an at 7 p.m. Emerson-Hubbard drive with 1:25 Winside's defensive efforts in the to go in the the fourth quarter as second half allowed the Wildcats to Nathan Janke recovered a Pirate fumble forced by a Jared Brockmann tackle.

> Winside gave the ball back to the Pirates two plays later then forced a Emerson-Hubbard punt to send the game into overtime.

The Pirates won the coin toss and opted to challenge Winside's offense in the first overtime period.

However, the Pirates failed to slow down the Wildcats' offense as Koch scored on a quarterback bootleg from 10 yards out to give the

Wildcats a 28-22 lead. On the ensuing drive, Winside's defense allowed a Pirate one yard run before Nelson caused an Emerson-Hubbard fumble that was recovered by Hurlbert to secure the

Wildcats' second overtime win of

the season.

Koch led the Wildcat offensive attack scoring four touchdowns while gaining 234 yards on 21 carries while Hurlbert added 98 yards on 14 attempts.

The Wildcats' offensive line controlled the line of scrimmage throughout the second half allowing the Winside backfield to accumulate over 200 yards rushing.

Janke led Winside on defense with 19 tackles and a fumble recovery along with Sage Schwedhelm who recorded 17 stops on the night.

Nelson and Kelby Prince each finished the night with 13 tackles while Jared Brockmann added nine tackles.

The Wildcats (3-2) will face Omaha Nation on Friday, Oct. 10

Community service project

Two trees were planted recently at Villa Wayne with the help of several members of Wayne State College Chapter of Delta Sigma Pi. Involved were Whitney Cave. Jenny Bohlke, Megan Lundahl, Nick McCormick, and Courtney Fedde. Jean Lutt coordinated the event with the Delta Sig sponsor, Professor Jerry Conway. John Melena, Bob Sherry, and Artie Stanley also assisted with the community project. After planting the trees, the group enjoyed brownies and sodas.

Home furnishings trends/color forecast class set at NECC

Grab a sneak peak at fashionsavvy, home-front forecasts in another one-session class by Jodie S. Classen, LTD., at Northeast Community College in Norfolk. The class, Home Furnishing Trends and Color Forecast 2009, meets Saturday, Oct. 25, from 9 a.m.-noon in the Lifelong Learning Center. This class qualifies for three continuing education units for certified redesign stylists.

Classen, an Allied Member of the American Society of Interior Designers (ASID) and founder of the Certified Redesign Stylist Professional Training Program, will lead the class on an exploration of the latest product introductions and color and textiles trends from the world's leading design shows through photos and actual sampling. This presentation will bring the latest design themes to those in attendance and outline how certain products and style references develop from one trend era to the next.

Classen will also give students a glimpse of international inspiration with reviews of Cologne, Paris, Milan, Frankfurt, and London, as well as High Point and other top U.S. markets.

Cost of this class, with course number HOEC 0626-01/08F, is \$35. To register, call Northeast Community College at (402)844-

With Heartfelt Thanks Thank you to family and friends for your visits, prayer, food and flowers during the loss of our husband and father, Elmer Schrieber.

Kearney, Hastings, Grand Island, Faith Regional Medical Center, Columbus, Norfolk and Wayne.

"Approximately 60 percent of the healthcare workforce is made up of allied health professionals and the demand for these professionals is only projected to increase," Dr. Meyer said.

Locally, Dr. Meyer's schedule for Thursday, Oct. 16 includes a stop in Norfolk from 7 - 9 a.m. Stops along the way include Community Breakfast Meeting

2700 Norfolk and Wayne, noon - 1:30 p.m. Lunch meeting hosted by President Richard Collings in the Elkhorn Room of the Wayne State College Student Center. •

The U.S. Bureau of Labor Statistics projected an increased demand for physician assistants, physical therapists, radiation therapists, clinical laboratory scientists, radiographers, sonographers and nuclear medicine technologists of 15-27 percent between 2006 and 2016.

The School of Allied Health Professions offers educational programs in all of the above, as well as medical nutrition, clinical perfusion, magnetic resonance imaging/computed tomography and cytotechnology.

On the trip, Dr. Meyer and his team also will discuss the recent renovation of UNMC's Bennett Hall, the new home of the School of Allied Health Professions.

"The \$8.9 million renovation of Bennett Hall allowed for the consolidation of all 11 allied health educational programs to be housed in one building for the first time in the School's history," Dr. Meyer said. "It will create a stronger identity for the School of Allied Health Professions, promote collaboration, improve our efficiency and help us to continue to recruit outstanding students to the allied health educational programs."

Dr. Meyer said another purpose of his trip is to thank all the hospital personnel, clinical educators and alumni who continue to support the School of Allied Health Professions.

Joining Dr. Meyer on the trip will be: Jim Temme, associate director, radiation science technology education; Linda Fell, program director, clinical laboratory science education; Pat Hageman, program director, physical therapy education; Darwin Brown, clinical education coordinator, physician assistant education program; Diane Landon, PA coordinator, physician assistant education program.

Dr. Meyer and his colleagues will meet with members of the community, alumni and health professionals at various events and receptions hosted by local hospitals, colleges and universities and the central Nebraska and northern Nebraska Area Health Education

Hagel-Kerrey Health Care Forum will air on NET Television Oct. 11 and 12

A conversation about the future of the nation's health care with U.S. Sen. Chuck Hagel and former U.S. Sen. Bob Kerrey will be broadcast statewide on NET Television, Nebraska's PBS station.

The 90-minute program will air on channel NET2 on Oct. 11 at 7 p.m. CT and repeat on Oct. 12 at 1 p.m. CT. The dialogue is moderated by Rod Bates, NET General Manager.

AARP is providing financial support for the NET broadcast. AARP, the University of Nebraska Public Policy Center and Prairie Fire Newspaper are sponsoring the free, public event on Oct. 9 from 10 a.m. to 11:30 a.m. at Kimball Recital Hall at 11th and R Sts. People can also watch the forum via live, streaming video netnebraska.org.

Students analyze food intake

utilizing the school's lab to complete a dietary analysis for their Sports and Nutrition class.

Each student kept a three-day log of all their food and liquid intake. Using the web site nutritiondata.com, they totaled their nutrient intake. Using various formulas from Nancy Clark's Sports Nutrition Guidebook, the students figured their total calories, carbohydrate, protein, fat and fiber intakes and then compared those amounts with the recommended gram amounts for their age, gender and activity level.

"This is a new assignment for this class and it worked out well. Mv nutrition students have always done a food journal. Having the computer lab available enabled us to utilize the nutrition site during class time and record accurate nutritional information pertaining to the student's food intake," said Karen Schardt, Sports and Nutrition instructor.

"Using the math formulas to calculate grams was a practical math application and good practice for plugging numbers into formulas.

Wayne High School students are The final part of the project was analyzing the positive parts of their daily diet and making suggestions for personal improvements," Mrs. Schardt added.

Nebraska Safety Council plans class at NECC for young adults

The Nebraska Safety Council will soon present another class at Northeast Community College to help young adults make good life choices. The class, Alive at 25, meets Wednesday, Oct. 15, from 5-9 p.m. in the Lifelong Learning Center on the Northeast campus in Norfolk. Cost is \$40.

This student-centered course is designed to provide 16-24-year-old students a chance to practice and develop decision-making skills. An hour of the class will be dedicated to the latest defensive driving techniques.

For more information or to register, call the Nebraska Safety Council at (402)483-2511.

Letters_

McCain provides nothing new Dear Editor,

John McCain sounds like he is running for George Bush's third term. His policies are rooted in Bush's paranoid propaganda. We are smarter than the spin he offers designed to make us stop thinking for ourselves.

Obama clearly stands for change and wants to restore America's reputation throughout the globe. McCain and Palin have tried to compete with the "change" platform, but nothing about what they offer will restore America's stature and security, or resolve our domestic weaknesses.

in idealisms as a basis for his plans. McCain is an honorable war hero, that is a fact. However, patriotism is not enough to prepare him to lead the country. We have too much at stake to go on faith and need a solid plan with definite positive outcomes.

We will not be safer in America with McCain as President. Obama points out in numerous ways how the narrow lens used to focus on Iraq has cost us much long term as average Americans, and right over our own borders as Al Quaeda cells establish their presence south of

McCain again refused to set a timetable to bring our troops home - standing by the Bush policy of indefinite occupation. Not only is this bad for our troops and their families, but the war is costing us \$10 BILLION each month. At a time of great economic crisis where Americans are losing their homes and jobs, that is money that we should be investing at home, not in

Iraq. McCain also offers short-term solutions to our problems, such as squandering our energy reserves. Have we not had enough of squan- By Ed Howard dered resources in America?

Obama inspires the confidence we need in our country's next president. He thoughtfully chose Joe Biden as his running mate based on Biden's ability to lead the country in all areas of policy and need. He did not, like McCain choose a running mate based on empty sex appeal and arrogant mouthing.

Thanks for considering this perspective,

Maggie Simonsen,

McCain provides only his belief Thanks for the support Dear Editor,

We would like to thank all those who attended and supported the Wayne United Way Tailgate Party before the Wayne-Pierce football game on Friday.

The event was our kick-off for the 2008-09 fundraising campaign and helped toward our goal of \$36,000.

A special thanks to Chartwells, Pac 'N' Save, Pepsi Distributing and Vel's Bakery for donating supplies for the tailgate event.

Also, thank you to all who have sent contributions toward this year's campaign. Your support of the United Way and our community is appreciated.

Shelley Jorgensen, Mitch DeBoer, Bill Koeber, Gene Hansen, Jeff Carstens, Alan Baier, MaryAnn Lutt, Kelly Petersen, Tracy Pierson, Diane Roeber, Corby Schweers and Clara Osten Wayne United Way Board members

Looking Ahead in Wayne

By Lowell Johnson, City Administrator

City Council meeting The next regular City Council meeting will be Tuesday, Oct. 21 at 5:30 p.m. in the council room.

Energy - Don't Buy It and the Price Won't Matter:

Is Wayne enough of a "Green Community" to actually cut energy costs? I'm not sure what "Green" means but all governments owe it to their citizens to reduce energy usage. The mayor and council objective has been to make one time changes now to save annual energy costs for years to come.

Some recent projects: · Wind Generation: Wayne participates with NPPD in joint development of wind generation. Even though the wind doesn't blow all the time and isn't the total answer, it eliminates fuel costs any time it

is generating power. This requires capital investment now but will generate power for years without coal, natural gas and uranium fuel costs. This fits with our local plan to invest now to cut cost later. Mayor Shelton and council member Frevert have been constant advocates for this long range cost reduction.

• Programmable Thermostats: Garry Poutre and crew are installing these in city buildings to cut energy use when the rooms are unoccupied.

Wayne Fire Fighters: They settings to mid 50s in the winter. Only the office and meeting room are air conditioned when used in the summer.

· New low-energy bulbs and electronic ballasts: Gene Hansen and crew are replacing old fluorescent bulbs and ballasts with new lighting that uses 40 percent less elec-

· Moisture and heat barriers and roof ventilation: The mayor and council recently hired a local contractor to install these in the library/senior center attic space.

· Load control switches: Gene Hansen and staff now have over 800 switches on central air conditioner units in Wayne to limit our electric system peak demand on hot summer days

· Un-mowed Habitat and Storm Water Filtration Areas: We asked Todd Hoeman's mowing crew to leave some large grass areas and low areas un-mown to save labor and energy costs because they all don't need to look like a lawn and some of the buffer areas provide valuable cover and filtration of run-off water going to Logan

Old Refrigerator Disposal: Wayne is participating with NPPD in paying \$35 for old, operating refrigerators and freezers and carrying them out and hauling them away at no cost from homeowners. These old dogs waste so much energy it is cheaper for NPPD to buy and dispose of them than to build new power plant capacity. Hard to believe.

· Re-Tree Wayne: Joel Hansen led this urban forestry effort this year to replace dying shade trees to keep shade in the summer and wind barriers in the winter. Without them we are the open prairie.

 Kill-A Watt: Stop at the Wayne have lowered fire hall thermostat Public Library and pick up one of our new Kill-A-Watt meters to plug your appliances into to see how much power they use. Watch this meter when the appliance is turned

· Call us with suggestions Questions or comments?

Call Lowell Johnson, City Administrator at 375-1733 or email me at cityadmin@cityofwayne.org.

Nebraska State Patrol celebrates 70 years on the radio

On Sept.18, the Nebraska State Patrol celebrated 70 years of providing traffic safety information to listeners in Northeast Nebraska.

In 1938, Norfolk radio station WJAG-AM, began broadcasting the "Patrol Roundtable" a 15-minute radio segment airing once a month, in which troopers talked about traffic safety laws and took calls from listeners about traffic safety issues. Over the years the name of the show changed to "Ask a Trooper", but the intent has remained the

"This program is an example of an exceptional public private partnership," said Colonel Bryan

Tuma, Superintendent of the Nebraska State Patrol. "I remember participating in the program, when I was a trooper stationed in Norfolk. It provided listeners valuable information then and continues to provide that same valuable information today."

On Sept. 18, Colonel Tuma joined with other Nebraska State Patrol troopers to commemorate the radio program with a special edition of "Ask a Trooper."

"Ask a Trooper" can be heard at 4:45 p.m., every third Wednesday of the month, on WJAG-AM, 780 on your radio dial.

Capitol View

Nebraska's electoral vote system unique

Statehouse Correspondent The Nebraska Press Association

Nebraska's nearly unique way for deciding how the state's electoral votes will be distributed gets the occasional nod from national media, but there is no chance of

such a populist system becoming widespread. None.

Think of how electioneering would be turned on its head.

In Nebraska and Maine the electoral vote from a congressional district is given to the presidential candidate who wins in that particular district. Each states' two electoral votes representing its Senate seats go to the winner of the statewide vote.

No Democrat has won an electoral vote in Nebraska since the system was initiated in 1991, but Barack Obama has troops on the ground in Omaha, in hopes of carrying the 2nd District vote this

The "win the congressional district, win the electoral vote" plan isn't hard to analyze in Nebraska. But imagine what it would mean in California and Ohio and other populace states.

Pollsters and analysts would lose what's left of their minds trying to track what's going on in hundreds of congressional districts, even allowing for the hundreds of others, like Nebraska's Big 3rd, which are approximately as dependable as death and taxes.

Imagine some of those tens of millions of campaign dollars being concentrated in individual districts, where a single factory or a single federal project might be worth an electoral vote.

Neither major party wants that renewed opposition to ethanol subto happen.

Ohio is a mostly urban state, where rural counties contributed just 18 percent of the state's 5.6 million votes in the 2004 and 2002 presidential race. However, as the Dayton Daily News recently reported: "The 91,000 vote margin [John] Kerry held over George W. Bush in Ohio's urban, suburban and exurban areas got wiped out by Bush's 210,000-vote advantage in the state's rural counties."

Republican John McCain's ace in the issue.

sidies and federal mandate for ethanol usage, along with opposition to the current farm bill, has some Buckeye pundits wondering whether it will put any meaningful

dent in his rural Ohio support. The Ohio Corn Growers Association recently puffed up its political chest in a news release. It claimed "This could mean a switch in the traditional rural vote from the GOP to the Democratic Party."

McCain's operatives in Ohio, and the state GOP, don't see any men-

The Nebraska Commission on the Status of Women is history. The commission originally formed in 1964 by Gov. Frank Morrison was eventually made secure in state

Times change. The last few members of the commission recently resigned in light of the Legislature's refusal last year to provide funding. The commission still exists, but only on paper.

About those changing times: Women's commissions once existed in every state. They survive in 40.

Don't let identity thieves ravage your reputation'

Nebraskans experience the frustration and anxiety of reclaiming their lives from an identity thief. I understand, personally, how identity theft can affect a person and his

or her family. My wife had her car broken into while it was sitting in the parking lot of a public library. Her purse was stolen, and we were forced to go through the process of canceling credit cards and notifying the police. Even as the Attorney General, it was a difficult process because we didn't have the information we needed on what to

When an identity thief gains access to your personal information, whether by rummaging through your trash or exploiting you with through an Internet or phone scam, they can use it to steal your money or commit criminal acts in your name. According to the Federal Trade Commission, it takes an average of 12 months for victims to discover that a thief has

Every year, hundreds of destroyed their credit and ravaged nesses. The Attorney General's their reputation.

If you're a victim, recovering from ID theft can be lengthy and confusing, but my office has something that can help guide you through the process. Our Identity Theft Repair Kit gives you tips on owners to build sound data securihow to protect your personal infor- ty plans in order to protect themmation, as well as a step-by-step guide to repairing your credit and restoring your good name.

We also recently partnered with a company named Shred Monster and provided secure shredding services at the Columbus Senior Citizen Festival. Dozens of people took advantage of the opportunity to protect themselves. More than 200 lbs. of sensitive information was shredded.

But identity thieves not only target individuals, they target busi-

Consumer Protection Division has a variety of resources to help businesses prevent this type of fraud and avoid its devastating consequences. This fall, we're launching "Guard It," a guide for business clients from loss and lawsuits.

I encourage all Nebraskans to www.ago.ne.gov.

stay vigilant about protecting their personal information from thieves and scam artists. Always shred your sensitive documents, verify the credentials of those who ask for personal information, and contact our Consumer Protection Division toll-free at 1-800-727-6432 to receive our Identity Theft Repair selves, their employees, and their Kit and other publications, or download them

State Patrol conducts special enforcement in **Madison County**

Troopers with the Nebraska Troop Patrol Headquarters- Norfolk contacted 301 motorists during special enforcement efforts on Oct. 2 and 3. The high visibility enforcements held in Madison County were designed to help reduce fatalities

and encourage safe driving. With a special emphasis on county roads in the Norfolk area troopers held vehicle checks and conducted high visibility patrols.

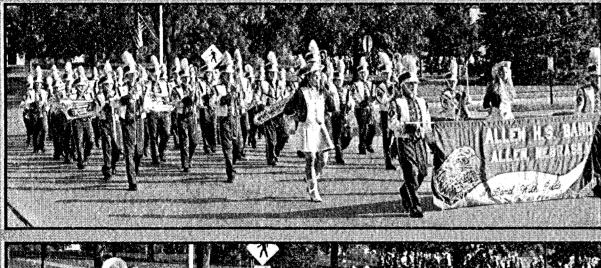

Among the 301 enforcement contacts made, 54 motorists received citations and warnings for speeding. Twenty-seven citations and warnings were issued for Seat Belt violations, one driver was arrested for Driving Under the Influence (DUI) and two drug related arrests were made.

"This is a very busy time of the year, especially on our county roads," said Troop B Commander, Captain Brad Rice. "We've been experiencing a beautiful Indian summer. The nice weather combined with harvest season, means an increase vehicles on our county roads and the potential for an increase in accidents as well."

In an effort to avoid crashes and keep motorists safe, the Nebraska State Patrol reminds all motorists to always wear their seat belts. obey the posted speed limits, allow plenty of time and distance between themselves and others on the road, and never drive impaired.

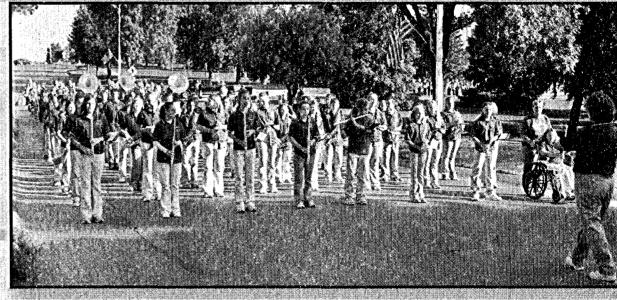

The special enforcement efforts were paid for thanks in part to a \$3,000 grant from the Nebraska Office of Highway Safety (NOHS).

Wayne State Band Day 2008

Area schools participating in the annual Band Day Parade hosted by Wayne State College, included, top left and clock-wise, Allen High School, Wayne Middle School, Wayne High School, Winside High School and Wakefield Junior High. The parade moved from Wayne State College to First and Main Streets. It was followed by a performance by the Wayne State College Band at the corner of Third and Main Street and the presentation of awards to bands in several classes.

Lifestyle

Practice tips to manage time effectively

effective time management, follow these 13 tips:

· Spend time planning and organizing. Using time to think and a way that makes sense. Colors or pictures in a calendar, planning book or electronic organizer can help. Some people need to have papers filed away; others get their creative energy from their piles.

Set goals. Goals give life and time spent direction. Set goals that are specific, measurable, realistic and achievable. Goals can give creative people a much-needed sense of direction.

• Prioritize. Use the 80-20 Rule

ng urgent emergencies. Practice the art of intelligent neglect. Eliminate trivial tasks or

term consequences. Delegate or eliminate these tasks from the "to do" list.

· Avoid being a perfectionist. Some things need to be closer to perfect than others, but perfectionism, paying unnecessary attention to detail, can waste time and be a form of procrastination.

Conquer procrastination. When avoiding something, break it into smaller tasks and just do one of the smaller tasks. Or, set a time and work on the big task for only 15 minutes. By doing a little at a time, eventually a finish point can be reached.

· Learn to say no. Focusing on goals and blocking time for important, but often not scheduled, priorities can help. Once convinced of their importance, saying no to the unimportant in life gets easier.

· Reward yourself. Even for small successes, celebrate achievement of goals. Plan a personal reward for completing a task or finishing the total job.

SOURCE: Kathy Prochaska-Cue, Ph.D., family economist.

those tasks that do not have long-Temme - Rocole married in August ceremony

Grace Lutheran Church in Wayne was the setting for the Aug. 23 wedding of Ann Temme and Conner Rocole.

Pastor John Pasche officiated the ceremony.

Parents of the newlyweds are Doug and Mary Temme of Wayne, and Larry and Jacque Rocole of Hebron. Grandparents of the bride are Arland and the late Dorothy Witte of Scribner and Fritz and Joann Temme of Wayne. Grandparents of the groom are Nora and the late Ron Karrle of El Dorado, Calif., and the late Warren and Doris Rocole, formerly of Geneva.

The bride wore an ivory satin gown accented with a champagne inset band and crystal embroidery details. Her bouquet included green pom-pom mums and white Peruvian lilies.

Her bridesmaids wore foliage green satin dresses accented with a pale green embroidered band. The groom wore a black tuxedo

with an ivory vest against a white His groomsmen wore black tuxe-

dos with green vests against white shirts.

The matron of honor was friend of the bride, Jenn Kozisek of Lincoln.

Bridesmaids included Faith Kroeker of Minneapolis, Minn., friend of the bride, Lisa Temme of .Wayne, sister of the bride and Lary Leigh Rocole of Hebron, sister of the groom.

The best man for the ceremony was Brock Minert of Lincoln, friend of the groom.

Groomsmen were friends Aaron Jensen and Andrew Parr, both of Lincoln and John Temme of Wayne, brother of the bride.

Ushers were Greg Dick, friend of Poehlman, cousins of the bride and Matt Rocole, cousin of the groom.

The flower girl was Anna Ready, cousin of the bride and the ring bearer was Dominic Girmus, cousin of the groom.

Mr. and Mrs. Rocole The bride's personal attendant was Jacque L'Heureux.

The candlelighter was Tyler Poehlman, cousin of the bride and the vocalists included Karalee Evenson, friend of the bride and Dustin Witte. cousin of the bride. The pianist was Alyssa Boche, friend of the bride.

The guest book attendant was the bride's aunt Karen Temme and host couples included the bride's uncle and aunt, Rich and Judy Poehlman and the groom's uncle and aunt, Bruce and Pat Rocole.

A reception was held at the Wayne Auditorium against the backdrop of a summer garden.

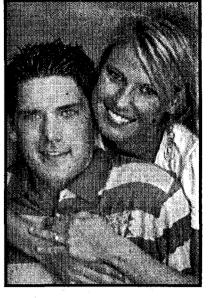

Following a honeymoon trip to Hawaii, the couple is at home in Brookings, S.D. where they recently built a new home.

The bride is a 2002 graduate of Wayne High School and earned a bachelor's degree in communications at the University of Nebraska at Lincoln.

The groom is a 2002 graduate of the couple, Matt and Todd Thayer Central High School in Hebron and earned bachelor's degrees in both electrical and computer engineering from the University of Nebraska at Lincoln.

Both are employed at Daktronics in Brookings, S.D.

Reeves — Pippitt

Kylie Reeves and Jeff Pippitt, both of Lincoln, are planning an Oct. 25, 2008 wedding at St. Wenceslaus Catholic Church in Wahoo

Parents of the couple are Doug and Kim Reeves of Wahoo and Alan and Brenda Pippitt of Wayne.

The bride-to-be graduated from Bishop Newman High School in Wahoo. She is currently attending the University of Nebraska-Lincoln, majoring in Elementary Education.

Her fiance graduated from Wayne High School. He is an administrative assistant for Pinnacle Bank in Lincoln.

Grandparents of the future bride are Dan and Jean Svoboda and Wayne and Carlene Reeves, all of

Grandparents of the groom are Cliff and Donna Stalling of Allen and Dean and Norma Pippitt of

Eagles auxiliary plans upcoming events

The Oct. 6 meeting of the Wayne Eagles Auxiliary was called to order by Madam President Jessica

Jan Gamble reported on the Potato Bake, from which the proceeds go toward Make-A-Wish. There was a good turnout and a lot of money was raised for this worthwhile cause. Jessica Olson reported that the Eagles are on their fourth child to grant a wish.

Upcoming events were discussed and members were urged to mark their calanders.

The Hunters' Breakfast will be Saturday, Oct. 25 and Sunday, Oct. 26. Help and donations are needed. Anyone who can help or wishing to donate is asked to contact the Eagles Club at 375-9956.

The Watkins Party will be on Thursday, Oct. 28 at the Eagles Club from 5:30 to 8 p.m. Products will be available to take home. Anyone who needs any products is asked to join the group or call Cheryl Henschke at 833-5168. The public is invited to attend. Proceeds go toward the Humanitarian Projects.

The Thanksgiving potluck will be Friday, Nov. 7 at 7 p.m. at the Eagles Club. The committee asks that each person bring an item for the Food Pantry.

Serving at the meeting was Cheryl Henschke. Serving at Oct. 20 meeting will be Anita Luschen.

Life chain

Approximately 100 people from throughout the area took part in the annual Life Chain on Sunday. Supporters gathered at the corner of Seventh and Main Streets to spend an hour in support for an end to abortion.

Students at Wayne Elementary School gather for the See You At the Pole event.

See You at the Pole event held in Wayne

vant is listening." (1 Samuel 3:10) was the theme for the 2008 See You at the Pole (SYATP), held Sept. 24.

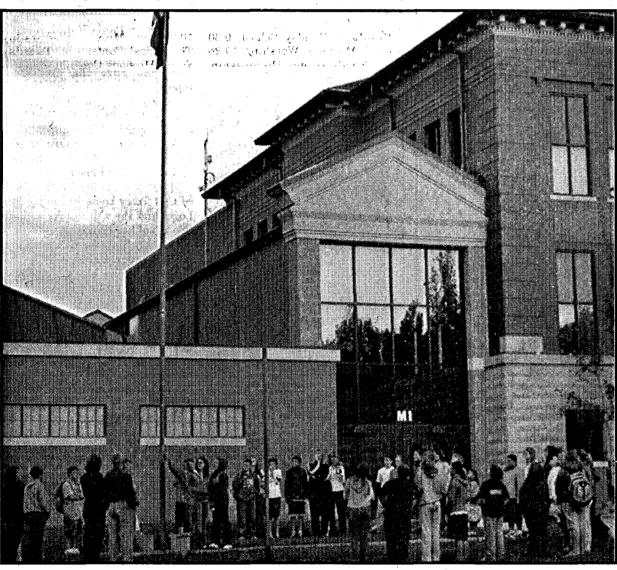

Over 100 people met at the Wayne Elementary, Middle and High schools as well as Wayne State College to come together in prayer. "See You at the Pole" is a student-initiated and student-led movement which brings students to their school flagpoles to intercede for their leaders, schools, and families, asking God to bring moral campuses and countries.

Beginning in 1990 in Burleson, Texas, "See You at the Pole," now sees more than 2 million teenagers meet each year in all 50 states and numerous countries around the world, including Australia, Korea, Rumania and Canada. The San Diego-based National Network of Youth Ministries coordinates the SYATP promotion.

Paul Fleischmann, president of the Network, observed: "Every

"CONNECT: Speak, for your ser- and spiritual awakening to their year, we have seen this day serve as a springboard for unity among teenagers on their campuses. See You at the Pole unites students in prayer at the beginning of the semester. Young people have taken unprecedented leadership through this to have a positive impact at their schools."

See You at the Pole is held annually on the fourth Wednesday of September and continues to grow in the Wayne community.

Wayne Middle School students form a circle around the flag pole in front of the school.

tour Wayne

During the month of October Fishers of Kids Preschool will be visiting many businesses in the community of Wayne as they study

the Wayne Herald on Sept. 30. Mrs. Osten showed the three- and fouryear old students how pictures are made to fit for the paper with the computer. They were also introduced to the staff who creates ads and bundle the paper. The children also enjoyed seeing the printing press. On Friday, Oct. 17 the fourand five-year old class will visit the newspaper.

On Oct. 1 and 2 Mrs. Steinmeyer, Fishers of Kids teacher and several parent volunteers brought the children to the Post Office.

Steinmeyer said.

Some of the students were also

"Where will we be next? Watch for us next week," Mrs. Steinmeyer

Our Lady of Fatima statue to make visit to Wayne

A replica of the International Pilgrim Virgin Statue of Our Lady of Fatima will be making stops in several locations in northeast Nebraska portion of the Archdiocese of Omaha during the month of October.

The statue will be at Holy Cross Catholic Church in Beemer Oct. 10-11 and arrive at St. Mary's Catholic Church in Wayne on Saturday, Oct. 11 at 5 p.m. It will remain in Wayne until approximately 1:30 p.m. on Sunday, Oct. 12 when it will travel to Holy Trinity Catholic Church in Hartington.

Other northeast Nebraska stops include St. Rose of Lima in Crofton, St. John the Baptist in Fordyce, St. Ludger in Creighton, St. Mary's of the Seven Dolores in Osmond.

The statue is scheduled to return to Omaha and will be at St. Cecilia Cathedral in Omaha Oct. 20-21.

In 1917 Our Lady of Fatima appeared to three Portugal shepherd children, asking them to pray in reparation for all the sins committed against the Immaculate Heart of Mary. For five consecutive

Square dances plan upcoming event Oct. 10

Leather and Lace danced to Steve Bailey from Holdredge on Sept. 26.

There were 17 members and 17 visitors present. Theoramae Bauermeister won the free pass for the evening. Split the pot went to Darrel Rahn and Roger Willers. The 49s Club from Norfolk took the club banner. Several members from the club attended the Nebraska Square and Round Dance Convention in Hastings Sept 19-20.

Members are encouraged to attend the Northeast Federation Fall Festival at Christ Lutheran School in Norfolk on Sunday, Oct. 12.

The next scheduled dance in Wayne will be Friday, Oct. 10 with Dale Muehlmeier calling. All members are reminded to bring a salad for the evening lunch. Dave and Kathy Fiscus will be in charge of refreshments.

Anyone interested in dance lessons is asked to contact Darrel and Phyllis Rahn 402-375-1667 or Dale Muehlmeier 402-371-0179. Spectators are welcome.

Wanted ... Church news

The Wayne Herald would like to print information and schedules from area churches.

All information submitted to the Herald by Monday at 5 p.m. (delivered to the Herald office) or emailed by 8 a.m. on Tuesday will be included in that week's edition of the

Articles may be mailed to P.O. Box 70, Wayne, Neb. 68787 or emailed to clara@

wayneherald.com

The Herald thanks its readers and area ministers for their cooperation in our effort to keep informed on the happenings at various churches.

months, the Lady appeared to the little children.

The first virgin statue was sculpted in 1947 and during a Congress at Fatima, a group of young students carried it on a pilgrimage. The first miracle of the doves occurred during that pilgrimage. After that, the statue was sought after for visits in other communities and received such a positive response, a second statue was carved.

In the Archdiocese it will be accompanied by two custodians of the Blue Army of Our Lady of Fatima in America.

New Arrivals_

SIEFKEN — Richard and Jennifer Siefken of Beatrice, a son, Colton Richard, 5 lbs., 2 oz., 18 3/4 inches, born Sept. 17, 2008. Grandparents are Richard and Susan Siefken of Wayne. Greatgrandfather is Arnold Siefken of Wayne.

TOPS holds weekly meeting

TOPS #NE200 met Oct. 1 in the Boardroom of Providence Medical Center with 13 TOPS and two KOPS. Leader Twilla Kessinger requested the reciting of our respective pledges. Roll call was "What is our favorite thing about Fall?"

Secretary Paula Haisch read the minutes of the last meeting they were accepted. Treasurer Tracy Henschke gave the Treasurer's report.

Weekly Stats for TOPS showed Darlene Bowers was the Best Loser and she received her coupon.

Weekly Stats for KOPS showed the Best Loser was Lois Spencer and she received her coupon.

Monthly Stats for TOPS indicated that Tracy Henschke is the Best Loser and she will receive a charm (No.27) of her choice.

Monthly Stats for KOPS showed no Best Loser.

Beverly Ruwe has a birthday on Oct. 10. The group will sing Happy Birthday to Beverly Ruwe next week.

New Bingo papers were passed out to all members to start fresh. The Check Challenge was start-

The Check Challenge was started again with those who gave a dollar to join it. Good Luck to all of you.

Sandy Sands had rejoined and members are glad to have her with us again. Welcome Sandy!

Sherie Lundahl will type new phone sheets and pass them out next week.

NECC sets effective grant writing class in South Sioux City

Write a better grant after taking a one-session class at Northeast Community College in South Sioux City. The class, Effective Grant Writing, with course number FINP 0102-08S, meets Friday, Oct.17, from 9 a.m.-noon in Room 112 at the South Sioux City Education Center, 3309 Daniels Lane in the Westside Business Park. Cost of the class is \$25. Kathy Bruyere is the instructor.

She will present a PowerPoint program that explains pre-application preparation, the different types of grants, where to find grants, and basic grant components and attachments. She will also present solid techniques and approaches to make a grant stand out above the rest, score points, and bring home the money!

The class will also include group work to "map out" and develop strategies to write an actual grant application. This class is ideal for directors, program managers and coordinators, development staff, new and experienced grant writers, volunteers, and board members.

To register for this class, call Northeast's South Sioux City Education Center at (402) 241-

NECC plans class in South Sioux City on baby boomers

Learn more about the soon-to-be retiring baby boomers in a one-session class at Northeast Community College in South Sioux City. The class, Baby Boomer Trends, Challenges and Opportunities, with course number FINP 0102-07S, meets Wednesday, Oct. 15, from 1-4 p.m. in Room 111 at the South Sioux City Education Center, 3309 Daniels Lane in the Westside Business Park. Cost of the class is \$25. Kathy Bruyere is the instructor.

According to Bruyere, the first of 78 million Baby Boomers born between 1946 and 1964 have already turned 50. This trend will continue beyond 2025 and will impact society like no other generation in the past.

This class will explore the new demands, as well as opportunities, placed on communities, government, business and industry, families, and the workforce. Bruyere will examine the unique characteristics of Baby Boomers and what they want and need as they age.

This session is ideal for entrepreneurs and retailers, board members, community leaders and policy makers, housing and health care providers, volunteers, educators, workforce staff, and Baby Boomers

themselves. To register for this class, call Northeast's South Sioux City Education Center at (402) 241-

Concord News_

Suzie Johnson 402-584-2693

Baby Cade Winton, two month old son of Mike and Andrea Johnson, became a member of the Concordia congregation via and Rite of Holy Baptism on Sept. 28 during the worship service. Cade's sponsors are Andy & Susie E'Agosto of Omaha.

Besides his sister, Delaney, special guests included his grandmothers at LaVonne Carson of Wakefield and Mary Johnson of Allen. 778 ? Great-grandmother, Minerva Fick of Willow Lake, SD. Aunt Jennifer Carson and Mary K Ninfito of Omaha, Uncle Ryan Carson and friend, Kearney, Den and Pam Fick of Willow Lake, Kristi LaFramboise, Sioux Falls, for the community's use. SD and Johnson relatives from the community.

A family dinner followed the service. Pastor Karen Kjarks was the officiating minister. RUTH CIRCLE

Ruth Circle met on Thursday afternoon at Concordia. Suzie Johnson led the business meeting. Avis Pearson read the minutes from the last meeting. Guestday at Logan Center was discussed. Eight members planned to attend.

Naomi Peterson led the Bible study, "Ruth: The Plan for Security" taken from the series, The Hidden Hand of God. The continuing story of Ruth and her mother-in-law, Naomi, as they care for one another and make plans for the future which is ahead. Naomi turns her attention to gaining per-

manent security for Ruth and herself "Hesed" meaning loyalty abounds as we ask the Spirit's guidance to live in loving loyalty in our daily lives.

Offering was lifted, table grace said and Fern Erickson served as our hostess.

CONCORD-DIXON SENIORS

Concord-Dixon Seniors met at the Senior Center on Oct. 3 with 15 members present for the pot-luck noon lunch. President Roy Stohler led the business meeting. Reports were accepted.

Mary Garvin's brother, Ken Salmon, offered his book collection to the center. Motion was made seconded and carried to accept the books and discussion was held about where and how to display Delores Henderson, Clark, SD, them to offer them to be available

> Stohler read an Area Agency on aging Assistance and Outreach program on Health Outreach. Betty Bothwell and Rozanne Hintz will co-chair a clinic on blood pressure and Hospice care to be available to the community.

> Garvin will check with the Dixon Town Board about using the Dixon Auditorium for an exercise pro-

> gram. A thank-you note ws read from Betty Dahlquist. Hildegard Thomas received a gift certificate from Pamida for participation in the exercise program. Lois Ankeny read two articles.

> The next meeting will be held on Nov. 7 at noon with bingo following the meal. Dolores Erwin will furnish the cake.

Wayne County 4-H'ers and leaders honored

Wayne County 4-H members, leaders and parents attended the annual Wayne County 4-H Achievement Program held Oct. 5 at the Wayne City Auditorium.

A picnic supper was sponsored by Wayne County banks: State National Bank, First National Bank, Bank First and Farmers and Merchants State Bank of Wayne; Winside State Bank, Farmer's State Bank of Carroll, and Elkhorn Valley Bank of Hoskins. The supper was served by the Wayne County 4-H Council, which also sponsored many of the awards.

Wayne County 4-H adult volunteers were honored for their service tenure during the achievement program.

Recognized for five years of leadership were: James Felt, Lois Fleer, Todd Greunke, Vickie Greve, Melissa Henrich, Lester Keiser, Shelli Keiser, Jolene Klein, Donna Kraft, Roger Kraft, Kevin Marotz and Mark Sorensen. Ten year ser-

vice pins were presented to Alicia Dorcey and Pam Greunke. Fifteen year leaders recognized were Garry and Diane Roeber.

Several individual honors were announced and medals were awarded. Shelby Meyer of Winside earned the Outstanding Girl Award. Casey Lange also of Hoskins was named Outstanding Boy. Receiving county medals for project work in the junior division were: Hannah Belt (home environment); Jack Belt (citizenship); Brook Bowers (beef and leadership); Anna Loberg (public speaking, food & nutrition); and Emma Loberg (achievement, child development and clothing).

Receiving county medals in the senior division were: Levi Lange (cat, companion animal, dog); Colin Loberg (food & nutrition), Blaine Meyer (citizenship and home environment); Shelby Meyer (leadership); Andrew Pulfer (achievement and dairy); Jacob Pulfer (photogra-

Science award is given to the top junior Family and Consumer Science member who submits an application. In the Junior Division Anna Loberg earned the Foods Award and Marta Pulfer received Clothing and Home Environment Awards. Colin Loberg

Award in the Senior Division.

The Chris Clover Award Program is designed as a participation incentive program for first, second and third year 4-Hers. Receiving green awards were: Ty Grone, Sylvia Jager, Shanda Lambert and Brennen O'Reilly. Receiving bronze awards were Hannah Belt, Beau Bowers, Callie Finn, Luke Pulfer and Jakob Thompson. Receiving silver awards were Anna

Loberg and Marta Pulfer. Other special awards that were distributed at the program:

Top Herdsmanship Awards -City Slickers and Country Mixers (Beef); American Country 4-Hers (Bucket Calf); Ferguson Independent Study (Dairy); Country Classics (Goats); Blue Ribbon Winners, Wayne County \mathbf{and} Wranglers Wamstad Independent Study (Horse); Blue Ribbon Winners (Poultry); Leslie Livewires (Rabbits); Hi Raters Combination (Sheep); (Swine).

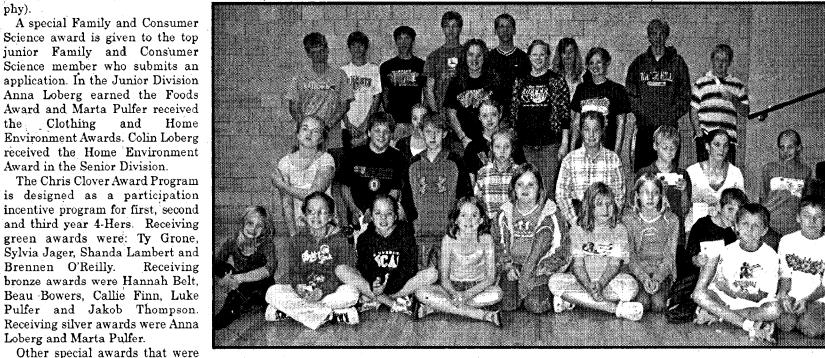

Seventy-two members received membership pins.

Recognized for one year of participation in 4-H were: Myles Bailey, Ethan Behmer, Chris Bird, Beau Bowers, Colton Broer, Emily Claussen, Camryn Evans, Callie Finn, Matthew Frevert, Zachary Gemelke, Ty Grone, Lauryn Jaeger, Caitlin Janke, Kayla Janke, Felicity Jech, Elizabeth Junck, Kynlee Kastrup, Ben Klein, Michael Kniesche, Cole Koenig, Lucas Longe, Cara Lubberstedt, JoAnne Lundahl, Kate Lundahl, Tyler Lutt, Dalton Montgomery, Tucker Nichols, Brennen O'Reilly, Emma Osnes, Bailee Porter, Marta Pulfer, Dylan Roland, Sierra Scardino, Faith Schultz, Taylor Stoltz, Elisabeth Torres, Chloe Tyson, Brenna Vovos and Garrett

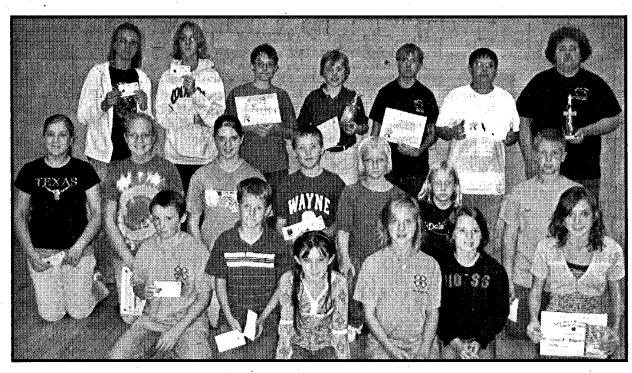

Five year pin recipients were: Jaci Alexander, Jordan Alexander, Breana Beckmann, Carmen Essmann, Amy Fleer, Myles Flores, Makayla Frye, Samantha Glassmeyer, Bridget Gray, Shannon Gray, Marshall Henrich, Tia Jech, Austin Keiser, Levi Lange, Kendra Liska, Martha Mitiku, Courtney Petzoldt, Jayd Roberts, Erica Sebade, Rylee Stoltz and Jaden Wamstad.

Members receiving 10 year pins were Becca Dowling, Samantha Dunklau, Jordan Eberhardt, Dacia Gansebom, Matthew Poehlman and Lucas Ruwe.

Eleven Year 4-Hers who were recognized were: Kristy Doffin, Brittany Greunke, Benjamin

Agriculture

High school sporting events highlight week

Memorial Stadium on Saturday eve, and that is exactly what it was! Coach Bo has his work cut out for him. But the volleyball team continues its winning ways. The Big Farmer stayed up until the bitter end and we got home on Sunday in time to see Nebraska gals vs. Creighton.

I've decided I'm going to stick to high school sports; they are usually more fun. The Winside volleyball girls are also winning a lot of games this year, and it's sure a lot more fun than losing (of course). We were in the area last Thursday, so headed for the old school gym. It seemed very familiar!

Hillary and Shelby Lienemann are the daughters of a teammate of Sue's who was also a natural athlete. Then there is Jordyn Roberts, who has a serve that is inches above the net and powerful, very consistent. In fact, there was only one net serve and four errors the whole evening. There are two Gray sisters, whose parents are unknown to us, and Shelby Meyer, whose mother was a classmate of Ann's and whose father was in Jon's. Jordyn's cousin, Audrey, subbed in and out.

They were playing Coleridge, a perennial rival, and those girls went to state last year. The one I

I predicted a slaughter at Papenhausen, whose aunt and high school is playing their games Wayne. I remember her father, too: she's tall and long legged, as he

> Of course, when you are winning, there are more fans, and we saw

folks we had not seen for years. But we also saw those whom we know to be faithful, win or lose. It was just a fun evening; I wish we could get to more of these. Hopefully, we will see them at the state tourna-

On Friday, we had chili at Sue's in Seward and then headed for the Concordia football field, where the

uncle run Keepsake Video in this year. It was Homecoming, and the Bluejays had not won a game yet this year. But this was the end of the losing streak; it was hard fought and could have easily gone either way; Seward's quarterback/safety intercepted a pass in the last minute and saved the game. Our Thomas had some tackles, including one of the opposing quarterback, which made it lots of fun for grandma and grandpa!

The band looked sharp and played music from West Side Story. Also, Alex performed in the drum line with a lot of rythm and enthusiasm. I was glad we could go home after some pumpkin bars and did not have to stay awake until after the dance! Plus, the band had to be on the bus at 6:30 the next morning for competition in Columbus. Oh, to be young again!

The acres and acres of corn and beans still to be harvested made me tired just to think of it. And, we drove by an apple orchard that was so heavily laden with fruit, it looked as if the branches could break. Who is going to pick them?

There have been a few cool nights, but, so far, no frost. Wouldn't it be nice if this could continue until Thanksgiving? I don't even mind sweeping up the leaves the locust tree in front of the house

Livestock Market Report

conducted a fat cattle sale on Friday.

Prices were \$4 lower on fat cattle and lower on cows, also. There were 600 head sold.

Strictly choice fed steers, \$90 to \$91.40. Good and choice steers, \$89 to \$90. Medium and good steers, \$88 to \$89. Standard steers, \$72 to \$80. Strictly choice fed heifers, \$89.50 to \$91.10. Good and choice heifers, \$88.50 to \$89.50. Medium and good heifers, \$87 to \$88.50. Standard heifers, \$55 to \$65.

Beef cows, \$48 to \$52. Utility cows, \$52 to \$55.50. Canner and cutters, \$40 to \$50. Bologna bulls, \$60 to \$69.50.

The sheep sale was held \$48.50 to \$49; 2's + 3's, 230 to 260 Saturday at the Nebraska Livestock Market.

The market was steady on all classes. There were 300 head sold. Fat lambs — 130 to 150 lbs., \$92 to \$96; 100 to 130 lbs., \$82 to \$90. Feeder lambs — 40 to 100 lbs.,

Ewes — good, \$25 to \$35 per hundredweight; medium, \$15 to \$25 per hundredweight; slaughter, \$5 to \$15 per hundredweight.

The dairy cattle sale was held at

The Nebraska Livestock Market the Nebraska Livestock Market on Saturday.

> The market was steady on the 23 head sold. Crossbred baby calves, \$100 to

Holstein calves, \$30 to \$60.

The feeder pig auction was held at the Norfolk Livestock Market on Saturday.

There was no test on the market.

Butcher hogs were sold at the Nebraska Livestock Market on Saturday. Prices were \$1 to \$1.50 lower on

butchers and steady on sows. There were 150 head sold. U.S. 1's + 2's, 230 to 260 lbs.,

280 lbs., \$47.50 to \$48.50; 2's + 3's, 280 to 300 lbs., \$47 to \$48; 3's + 4's, 300 lbs. +, \$44 to \$47.

lbs., \$48 to \$48.50; 2's + 3's, 260 to

Sows — 350 to 500 lbs., \$44 to \$48. 500 to 650 lbs., \$48 to \$55. Boars — \$7 to \$20.

Farmers should weigh all options before harvesting crop residue

Increasing demand for harvested crop residue has left many producers wondering whether they should bale and sell their crop residue or leave it in the field. Before making that decision producers should consider how the removal of crop residue may impact their soil's productivity and their bottom line, raccording to an agronomist with Natural Resources Conservation Service (NRCS).

Corey Brubaker, conservation agronomist with NRCS in Lincoln, Neb., reminds farmers that plant residue left in the field after harvest can serve as a valuable resource.

"The residue left on the field following harvest is frequently referred to as "trash". But crop residue contains some valuable nutrients," Brubaker said.

Based on data from the University of Nebraska, a ton of corn residue contains about 17 lbs. of nitrogen, 4 lbs. of phosphorous,

sulfur. Using fertilizer prices from Agriculture nutrients removed would be about \$26/ton. If 3-4 tons of residue per acre, or 5-6 round bales, are harvested then the value of nutrients removed would be \$75-\$100 per

Brubaker said, "The nutrients found in crop residue help increase soil organic matter. Soil organic matter contributes directly to the nutrient availability and the nutrient and water holding capacity of the soil. The greater the soil organic matter, the healthier the soil. Organic matter provides carbon and energy for soil microorgan- from the field. isms. The microorganisms are required for nutrient cycling in the soil."

Studies show that removing more crop residue than what the soil can tolerate will eventually result in a decline in soil health and yield. Research by the USDA-Agriculture Research Service at 50 lbs. of potassium, and 3 lbs. of the University of Nebraska

this spring, the estimated cost of Development Center found that continuous no-till corn yields decreased an average of 6% over five years when half of the crop residue was removed each year.

Crop residue also provides ground cover, which helps control soil erosion. Many producers choose to maintain certain levels of residue cover to control soil erosion. Producers with highly erodible fields should contact their local NRCS office to review their conservation plan and discuss the potential impact of harvesting crop residue before they remove any

According to Brubaker, leaving crop residue on the soil's surface can also provide many benefits in relation to soil moisture.

"Residue helps keep the soil cooler and minimizes evaporation, which leaves more water available for plant growth. Residue also traps snow in the winter and helps to evenly distribute the snow across the field resulting in more uniform soil moisture conditions and soil temperatures in the spring," Brubaker said.

A recent study in Kansas on the impact of crop residue cover on soil water evaporation found that leaving the residue in place resulted in a savings of 3.5 inches of soil moisture. On dryland fields each additional inch of available water can result in about 40 additional bushels of corn per acre. On irrigated fields that same 3.5 inches of soil moisture could reduce irrigation costs. With irrigation costs averaging from \$7 to \$10 per acreinch the resulting savings would be \$25 to \$35 per acre.

The actual cost of harvesting and bailing the residue should also be considered. Based on a custom baling price of \$11.50 per big round bale, the cost of harvesting the residue can range from \$60 to \$70 per acre, depending on how many bales there are per acre. If the average bale weighs 1,200 lbs. that equals about \$20/ton.

Brubaker wants producers thinking about harvesting crop residue to know they have many ways to reduce the impact of removing crop residue.

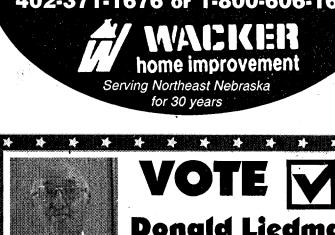

"Switching to a no-till system will help offset the impact of harvesting residue by reducing soil disturbance and increasing soil health. Producers who reduce the number of years low-residue producing crops are grown (e.g. soybeans) can somewhat offset the negative impact of removing crop residue.

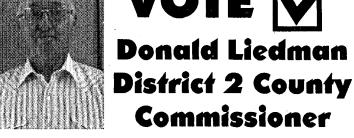

"Establishing a cover crop prior to harvest or right after harvest can minimize the impacts of crop residue removal. Cover crops protect the soil surface, enhance soil biology, capture remaining nutrients and if legumes are planted, add nitrogen back into the soil.

"Adding manure into the soil is another option for reducing the impact of harvesting crop residue. Manure will not only replace some of the nutrients that were removed with the crop residue, but will also add some organic matter back into the system," Brubaker said.

For more information about the impact of harvesting crop residue visit your local Natural Resources Conservation Service office located in the USDA Service Center.

NECC to host Applied **Technology Career Day**

High school juniors and seniors, their counselors and teachers, and prospective non-traditional students are invited to get an up close and personal look at several different courses of study and career options during the Applied Technology Career Day at Northeast Community College in Norfolk on Friday, Oct. 24.

All participants will meet in the Cox Activities Center on the Northeast campus at 9:20 a.m. for a welcome and introduction. The large group will then be divided into several small groups to explore different technical programs offered at Northeast.

Students, will learn about Northeast's automotive technology, auto body technology, building construction, diesel technology, electrical construction and control, electromechanical, heating, venti-

lation and air conditioning, irrigation technology, renewable fuels technology, and utility line programs during the career day.

Instructors will provide information about careers in their respective programs, give tours of Northeast facilities, and offer demonstrations in the shops. The programs will include discussions on salaries, working conditions, hours, and driving records and how they affect employment. Future opportunities and working conditions and what employers are looking for will also be discussed. The sessions will be on a rotating

A lunch will be provided. Activities will conclude at 2 p.m.

Reservations are requested by calling Jill at (402)844-7262. Reservations can also be emailed to jillp@northeast.edu

THANK YOU

Heartfelt thanks to everyone who remembered us with cards, letters, gifts, flowers, telephone calls and visits for our 60th wedding anniversary. We appreciate it all so very much. Warren and LaJeane Marotz

THANK YOU - My sincere thanks to my family and friends for remembering me on my 90th birthday with cards, gifts, flowers, phone calls and birthday dinner on Sunday. Your thoughtfulness made my birthday a very special day. Eveline Thompson

THANK YOU for the cards, phone calls and concerns since my surgery. It was appreciated. Merlin Frevert

WE WANT to thank everyone for the food, visits, calls and cards while I was in the hospital and since returning home. Especially to Pastor Buethe for the prayers. I want to thank Dr. Martin, the nurses and staff at Providence Medical Center for their excellent care. Also, for all the cards and gifts for our anniversary. Tootie & Eugene Bartels

Thanks to all my family and friends for all the cards, gifts, and for coming to help me celebrate the BIG 5-0. Thank you, honey, for the great party and all the preparation. I am truly blessed! **Tyler Frevert**

Law enforcement training focuses on underage drinking

A one-day "Enforcing Underage Drinking Laws" training was held Sept. 18 to provide youth alcohol enforcement training to officers and their agencies in northeast Nebraska. Project Extra Mile partnered with the Nebraska Office of Highway Safety to provide the training held at the Northeast Community College in Norfolk.

Eleven law enforcement officials attended the session to learn more about the process and effectiveness of conducting compliance checks and party patrols in their communities. Agencies represented include the Cedar County Sheriff's Office, the Coleridge Department, Police Hartington Police Department, the Laurel Police Department, the Madison Police Department, the Nebraska State Patrol and the

Norfolk Police Division. Trainers for the event were Chief Lance Webster, Wayne Police Department and Sgt. Rob Jones, Douglas County Sheriff's Office. Both Webster and Jones were trained by the Pacific Institute for Research and

enforcement efforts. "Enforcing the law clearly reduces the availability of alcohol to our kids," said Webster. "The selective enforcements help us tackle both the retail and social sources of alcohol for youth in our communities. By routinely conducting compliance checks and party patrols, we're sending a message to the entire community that providing alcohol to minors

Evaluation's (PIRE) Underage

Drinking Enforcement Training

Center in 2007 to provide

resources and specialized instruc-

tion to other agencies across the

state regarding youth alcohol

will not be tolerated." In addition to compliance checks, agencies will conduct party patrols to target underage drinking parties and adult sources of alcohol for teens. The focus of the party patrols is to address adults who provide alcohol to minors in social settings. With the recent passage of the dram shop and social host liability law in Nebraska, there is a heightened level of accountability through civil liability for those who provide alcohol to kids.

"In order to create safer communities, enforcement efforts are crucial and serve as the cornerstone of any collaborative effort to prevent underage drinking," said Fred Zwonechek, administrator for the Nebraska Office of Highway Safety. "We're pleased to provide the chance for law enforcement agencies and communities to better address underage drinking through heightened enforcement and additional training opportunities."

According to the Alcohol Epidemiology Program at the University of Minnesota, consistent compliance checks decrease alcohol sales to minors and reduce underage drinking, as well as traffic crashes, violence and other health problems associated with alcohol. Research indicates the deterrent effect of alcohol compliance checks dissipates within months, thus making it key for law enforcement to conduct them regularly to be effective.

ADVERTISEMENT FOR BIDS

The City of Wayne will be accepting bids for sandblasting/painting prep of the walls of the City of Wayne Swimming Pool located at 1220 Lincoln Street. Specifications and bid sheets will be available at the office of the City Clerk at 306 Pearl Street, Wayne, NE. Work can begin immediately fol-

lowing the successful bidders signing of a contract following bid opening. Proof of liability insurance will be required. Questions regarding this can be referred to Garry Poutre, Superintendent of Utilities and Public Works at 402-375-2896.

Sealed bids must be received at the Wayne City Clerk's

Office at 306 Pearl Street, Wayne, NE, by 2:00 p.m. on Monday, Betty A. McGuire

Take steps now to prepare for heating season

As colder temperatures settle in, now is the time for natural gas customers to prepare their homes to be as efficient as possible.

Natural gas prices can fluctuate quickly due to unforeseen events, such as cold spells. One thing customers can control is making sure they are as efficient as possible with the natural gas they do use.

The National Public Gas Agency encourages homeowners to be proactive by implementing some low cost measures now to reduce natural gas usage during the colder months. Below are some helpful tips to winterize your home and lower your natural gas bill:

·Inspect windows and doors for drafts and use caulk to insulate and repair cracks in walls and around doors and windows; in some cases old caulk may need to be replaced.

·Set your thermostat to the lowest comfortable temperature and dress in layers. Lower it a few

degrees before leaving the house or going to bed. If possible, use a programmable thermostat to automatically control your home's temperature.

· Seal leaks in furnace air ducts; ·Change or clean air filters monthly;

·Keep window blinds, shades and draperies open during the day to allow sunlight to warm your home. Close them at night for added insulation;

·Set ceiling fans to run clockwise, drawing air up and keeping warm air circulating;

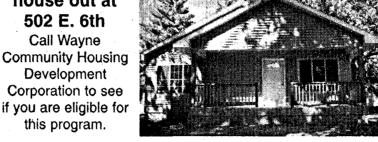

·Lower your natural gas water heater to 115 or 120 degrees;

For customers that may have a hard time paying their heating bill this winter, the Low Income Home Energy Assistance Program may be available to help. Contact your local utility or county Health and Human Services Department for more information on this federal program and other ways to cut heating costs.

NECC plans onecredit introductory Quickbooks class

Northeast Community College in Norfolk has scheduled a one-credithour class to familiarize students with a software program for business financial record keeping and decision making.

The class, Introduction to Quickbooks, with course number ACCT 2000-02/08F or HawkNET Call #10034, is set for Tuesdays, Oct. 14 - Nov. 11, from 6:15-9 p.m. in the Maclay Building, Room 127, on the Northeast campus in Norfolk.

Linda Price is the instructor of this class with a cost of \$78. To register, visit www.northeast.edu Or call (402)844-7265.

NECC Music Department kicks off concert schedule with fall concert

Both vocal and instrumental music groups at Northeast Community College in Norfolk are tuned up and ready to launch the 2008-2009 performance season with a Fall Concert.

The concert is Sunday, Oct. 12, at 2 p.m., in the Cox Activities Center Theater. The concert is free and open to the public. The concert will feature selec-

tions by the Northeast Concert Band, Concert Choir, Women's and Men's Ensembles, and Ebony and Crimson. Concert Choir selections, directed

by Dr. Linda Boullion, department chair and director of vocal music activities, will include "Danza," by Linda Spevacek, and "I Love a Piano," by Irving Berlin, arranged by Jerome Kern, while the Men's Ensemble will offer "Elijah and

THIS WEEK ONLY!

Joshua," arranged by Sally Albrecht, among other selections.

The Women's Ensemble performance will include "The Song in the Air," arranged by Linda Spevacek, while selections by Ebony and Crimson will include "Only the Moon Has Secrets," by David Hamilton, and "Joyful, Joyful Day!!" by Handel/arranged by Linda Spevacek.

With Dr. Randall Neuharth, director of instrumental music activities as director, the Northeast Community College Concert Band will perform "March Grandioso," by Roland Seitz, arranged by Andrew Glover, "On A Hymnsong of Philip Bliss," by David Holsinger; "John Williams: Symphonic Soundtracks," by John Williams, arranged by John Moss, and "Of Dark Lords and Ancient Kings," by Roland Barrett.
