Voters cast ballots in general election

More than 70 percent of Wayne County's 5,495 registered voters cast ballots in the historic 2008 election.

According to Wayne County Clerk Debra Finn, 3,871 people voted in Wayne County this election.

She reported that absentee voting in the 2008 general election was much higher than in the past.

Traditionally, approximately 380 absentee votes are cast. This year; however, a total of 800 votes were cast absentee, representing 14.5 percent of the total votes cast.

The following are unofficial vote counts.

In the race for president, Wayne County 2,503 voters voted for John McCain; 1,249 for Barack Obama; 16 for Chuck Baldwin; eight for Cynthia McKinney; 11 for Bob Barr and 21 for Ralph Nader.

Mike Johanns received 2,626 votes for U.S. Senator; Scott Kleeb received 1,062; Kelly Renee Rosberg, 71 and Steven R. Larrick, 26.

In the congressional ticket, Jeff Fortenberry received 3,077 votes in Wayne County and Max Yashirin received 648.

In one of the most watched issues, the city of Wayne Sales Tax and Economic Development passed by an overwhelming majority.

Proposition 1, involving the implementing of the tax received 1,219 "Yes" votes to 616 "No" votes.

Proposition 2, involving the use of tax revenue for an economic development pro-

gram, received 1,107 "Yes" votes and 652 "No" votes.

On the county level, Dean Burbach received 559 votes to Donald Liedman's 415.

Although he did not win the seat, Douglas R. Garwood received 2,075 votes in Wayne County to Robert J. Giese's 1,423 in the race for member of the state legislature in District 17.

Three new members will be serving on the District 17 Board of Education for the Wayne Public Schools.

In a five person race, Ken Jorgensen received 1,479 votes; Wendy Consoli, 1,282; Rodney V. Garwood, 1,268; Jodi S. Pulfer, 1,145 and Kaye L. Morris, 1,045.

In city council races for the city of Wayne, Douglas Sturm was un-opposed in Ward 1, receiving 275 votes. In Ward 2, Kathryn E. Berry received 287 votes. She, too, was un-opposed in the election.

In Ward 3, Brian Frevert received 352 votes as the lone candidate for the position.

In the contested Ward 4 race, incumbent Don Buryanek was defeated by Jon Haase by a margin of 288 to 316.

Mitchell Nissen received 1,534 votes for his position on the Wayne Municipal Airport Authority.

In the city Laurel, three write-in candidates were on the ballot.

In the race for mayor, write-in candidate

Two local Veterans part of fourth Heartland Honor Flight

By Lynn Sievers
Of the Herald

Taking part in the fourth Heartland Honor Flight recently, Veterans Richard (Dick) Carman and Tom McCright, both of Wayne, flew to Washington, D.C. to see the WWII Memorial and other sights. They were among 140 Veterans making the trip. The chartered flight was made possible at no cost to the Veterans thanks to generous donations of many Nebraskans, matched by The Peter Kievit Foundation and sponsored by the VFW of Nebraska.

"Everything was really first class," Carman said. "There was a banquet for all the Veterans and their guests at the Holiday Inn in Omaha the night before we left. The menu, which included Chicken Cordon Bleu, was compliments of Union Pacific Railroad, which has its headquarters in Omaha."

Carman continued the Veterans were supposed to bring photos of them during their time of service, which was made into a presentation on a big screen and into booklets. Hal Dobb was the MC for the program. Each Veteran was given a cap and a shirt with Honor Flight printed on it. The Veterans left on a Northwest Airlines 757 around 6 a.m. on Oct. 22.

"We left Omaha in a thunderstorm but it was nice when we got to Washington, D.C.," Carman said. "I was amazed that it was only a two hour and 10 minute flight, less time than it was for me to drive to Omaha."

On the flight, the men were given box lunches from Arbies and disposable cameras from HyVee. When they landed, they

were greeted by Senator Bob Dole and people were shaking their hands, thanking them for their service to their country.

Besides seeing the WWII Memorial, the Veterans saw other sights including the Korean Memorial, the Arlington Cemetery and the Changing of the Guard that includes a precise 21 steps in 21 seconds, which represents the 21 gun salute.

The men were disappointed they didn't get to see the Capitol up close but there is a lot of security since 9/11. Visiting the Viet Nam Memorial was also available to anyone who wanted to go.

Both men thought the WWII Memorial was impressive. The memorial, which was dedicated May, 2004, was placed between the Washington Monument and Lincoln Memorial, which reflects the importance of WWII. The 56 U.S. states, territories and District of Columbia are inscribed in the pillars. There are twin Atlantic and Pacific pavilions that symbolize a war fought across two oceans. Veterans names can be accessed in the WWII Registry, which is also located there.

"I thought the most touching part of the WWII Memorial was the Wall of Stars," Carman said. "There are 4,000 gold stars on it, each representing 1,000 deaths, so 400,000 deaths in WWII compared to 4,000 deaths in Iraq."

"We also saw the Iwo Jima Memorial," Carman said. It's sad - the guys you put up the flag over there are dead now."

During WWII, both Carman and McCright entered military service in 1943.

School district undergoing accreditation

Dr. Joseph Reinert, Superintendent of Wayne Community Schools, announced that the district has become a candidate for AdvancED/North Central Association (NCA) accreditation.

AdvancED/NCA accreditation provides nationally recognized accreditation for Wayne Community Schools. To earn Accreditation, the district must: 1) meet the AdvancED accreditation standards; 2) implement a continuous process of improvement, and 3) host an external review team once every five years.

"District accreditation is a rigorous process that demonstrates to our students, parents and community that we are focused on raising student achievement, providing safe and enriching learning environments, and maintaining efficient and effective operations staffed by highly qualified educators," stated Mark Hanson, Wayne High School principal.

Using the AdvancED Standards for Quality School Systems as a framework, the district has begun the process by conducting a thorough self-assessment of its strengths and opportunities for improvement. The district is engaging a broad cross section of representatives from across the district and broader community in its self-assessment.

Following its internal review, the district

will host an AdvancED Quality Assurance Review team comprised of trained professionals from across the state. The review team will visit the district on Nov. 20-21 of this year to evaluate the district's self-assessment, determine the degree to which the district meets the AdvancED accreditation standards, and make an accreditation recommendation.

"Wayne Community Schools is a good district," stated Hanson. "We believe strongly that the AdvancED Accreditation Process will make us even better. Students win when the entire district commits to examining all of its processes and systems to determine what more we can be doing to benefit the students we serve. This is the essence of the accreditation process."

Parents and interested community members can learn more about the Accreditation Process at www.advanc-ed.org. AdvancED is the parent organization for the North Central Association Commission on Accreditation and School Improvement (NCA CASI), the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI), and the National Study of School Evaluation (NSSE). NCA CASI and SACS CASI are accreditation divisions of AdvancED. Dedicated to advancing excellence in education worldwide, AdvancED

provides accreditation, research, and professional services to 23,000 public and private schools and 4,500 school districts worldwide.

Preliminary hearing set

A hearing was held Nov. 3 at Wayne County Court for Lance Fick, 20, who was arrested for multiple counts of First Degree Sexual Assault by the Wayne Police Department on Oct. 23. The arrest resulted following a possible sexual assault that was alleged to have happened on the Wayne State College campus. A preliminary hearing was set for Monday, Dec. 1 at 2 p.m. at the courthouse in Wayne.

Fick is charged with three counts of first degree sexual assault, which are Class II felonies that carry 1-50 years each.

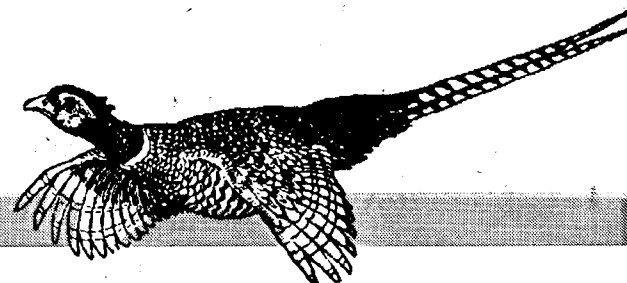

Fick, who was a WSC student at the time the assaults are alleged to have happened, is from the Inman area. He was released from custody on Oct. 24 after posting bond. Bond was \$15,000 (10 percent).

Two local Veterans were on the fourth Heartland Honor Flight recently. Above, front row, left to right, Tom McCright and Dick Carman were among the Veterans heading to Washington, D.C.

NET Television to broadcast legislature's special session on Safe Haven Law

As children continue to be dropped off at hospitals across the state, Nebraska Governor Dave Heineman has called a special session of the Nebraska Legislature to consider reforming the state's safe haven law. NET Television will provide a live coverage of the state-house activity.

As it currently stands, Nebraska's Safe Haven Law allows caretakers to abandon children of any age without fear of prosecution. During the special session, legislators will discuss changing the law. It has received a flood of national attention as children of all ages were brought to Nebraska from other states. The current law was passed in 2008 during the regular session of the Unicameral and became effective this past July.

Coverage begins on NET2 with

the Judiciary Committee's public hearing on the issue on Monday, Nov. 17, at 1:30 p.m. CT, and continues on Tuesday, Nov. 18; Wednesday, Nov. 19; and Friday, Nov. 21; beginning at 9 a.m. CT each day. NET Television coverage will include the majority of the debate, along with the proposed final day of the special session.

Live streaming of the special session will be available on NET's Web site (netNebraska.org). All that is needed is access to the Internet and a free Windows Media Player program. Webcasting of the session is a free service of NET.

NET2 is a part of NET Television, a service of NET. For complete program schedules, visit NET's Web site at netNebraska.org/television.

Northeast Community College student leaders to host Leadership Conference

Several Northeast Community College student leaders recently welcomed counterparts from other Nebraska colleges to campus for the annual Nebraska Student Leadership Conference.

The event, which attracted 81 participants, was hosted by Northeast's Student Government Association, Student Activities Council, Resident Assistant/Student Assistant Team, and Student Ambassadors. Guests attended from North Platte Community College, McCook Community College, Metro Community College in Omaha, Central Community College in Hastings and Wayne State College.

Conference theme was "Think Global, Act Local." Keynote presenter was Seth Heinert, co-founder of Cross Anchor Presentations. Heinert, with a master's degree in leadership education from the University of Nebraska-Lincoln, opened the second day of the conference with a program, "Songs to Live By." With his guitar and vocal selections, he encouraged students to find their own theme song and take action to fulfill their dreams.

Later in the day, he spoke on "Lead Where You Are." He advised students on how they can lead local change with a global perspective. He also reviewed how students can make an impact in their college community in the typical two-years needed for an associate's degree.

Donovan Roy, director of Multicultural Affairs at Wayne State College, led a break-out session, "Be More Than Colorblind." During the session, he encouraged students to forget about being color blind and truly embrace diversity. "Look past stereotypes and prejudices and accept people of all races and backgrounds," he said.

PRIDE of Wayne State College, with guest panelists Dr. Debi Bonds, club advisor, Brent Ramsey, Alicia Karlie and Theresa Sedivy, led break-out sessions that explored knowledge of gay, lesbian, and transgender history and the stages of sexual orientation identity formation. The group also showed the video, "It's Elementary: Talking about Gay Issues in School."

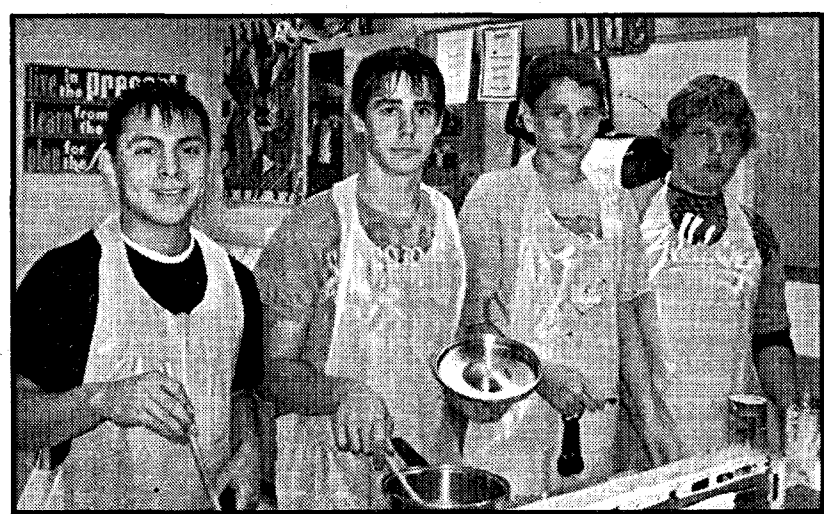

Presentations by Northeast staff included Stress Management by Stefanie Mundil, Northeast Health and Wellness Specialist, Psychogeometrics (a tool to improve communication based on different geometric shapes) by Dr.

Karen Severson, Northeast Vice President of Student Services, and Effective Communications by Northeast Advisor Shelley Lambers.

Northeast Advisor Lisa Reifnath presented the program, "Easier Said Than Done," that reviewed the high expectations for student leaders, and Advisor/Recruiter Samantha Wolfe spoke on gender stereotypes and how they affect relationships and interactions with the opposite sex. Wolfe also led a presentation on communication breakdown fueled by rumors.

"We were very pleased with the large turn-out and enthusiastic participation of our guests," Reifnath said. "They felt they learned valuable information to take back to their campuses to become even more effective leaders."

The 2009 Nebraska Student Leadership Conference will be hosted by Central Community College, Hastings.

School facility needs discussed at recent public meeting in Wakefield

Wakefield Community School Board of Education held a public meeting on Nov. 2 at ESU#1 in Wakefield. The purpose of the meeting was to share the progress towards addressing current district facility priorities and to update on the track and field project. The agenda included facility needs of the Wakefield Community School District; Board of Education Facility Priorities, Track and Field Project, Timeline, Costs and a question/answer session.

The Board of Education Facility Priorities are: •Track and Field facility •Main Gym (air movement, floor, lights, paint) •District Transportation (replacement of 15 passenger vans; bus barn facility) •School building safety and security •Maintenance plan for facilities. (Note: Work is being conducted for preparation of each of these projects simultaneously but due to funding sources, not all projects will be undertaken at the same time).

The Track and Field project is a priority due to student safety. The Board wants to provide a safe place not just for track athletes but for physical education classes as well. The current conditions of the facility forces students to run on the streets most of the time. This project will be a benefit to the school and to the community. The project will be paid for primarily through the Special Building Fund.

By state statute, school districts are permitted to levy a tax for the purpose of improving facilities. The amount of tax that can be levied is also limited by statute and this fund can only be used to purchase or improve district property/facilities. Over the past six years, the district has been adding dollars to this fund. They are at a point where they have the financial ability to begin the project.

The following costs are the preliminary estimates associated with this project: • Estimated costs are

\$782,870 - \$826,870. This includes: •Preliminary site grading (cut and fill of approximately 110,000 cubic yards of dirt on district property located west of the high school) •Track (fine grading, drainage system, 8-lane track base and polyurethane top coat and field event layout) •Fence that will surround the track and field •Site concrete and landscaping •Project costs including architectural and engineering •10 percent contingency.

A group of coaches have been working with the Board of Education's Building and Grounds committee as they continue planning with the architect to determine the specifics of the project. The approximate timeline of this project is as follows: •Details of facility planning complete by January, 2008 •Construction bids for project - February, 2009 •Contract awarded - March, 2009 •Construction begins March, 2009 •Completion of Track/field project - fall, 2009.

"The project is designed so future additions are possible that would allow for a competition complex (lights, bleachers, restrooms, concession area). These items are not currently included because funding is not available. According to long-time district residents, a track and field project has been proposed numerous times over the past 40 years - at least once each decade - a concerted effort has been made to make this project a reality," said Bill Heimann, superintendent. "The feedback that the school district has received has been very favorable to this project, including those in attendance at the February 2008 facility meeting and at the Nov. 2, 2008 facility meeting. Approximately 30 people were in attendance at the November meeting. No one in attendance voiced opposition to the project. Discussion will continue at future board meetings."

As for the main gym, over the past few years, updates included

new bleachers, scoreboards, scoring table, safety mats on the walls, stage curtains and paint on the east wall. The Board is investigating the costs of air movement in the main gym. Basically, the current system in the gym does not move air sufficiently. They are exploring all options to provide better air circulation, including the possibility of air conditioning. They are also looking into the current condition of the gym floor to determine its life expectancy. They are looking at upgrading the lights in the gym. Currently the lights are incandescent and these fixtures are no longer going to be manufactured. By upgrading to newer lights, the savings in electricity over a five to 10 year period will pay for the cost of replacement. If additional work is to be done in the gym, they need to know the costs so the needs can be prioritized to determine if sufficient funds are available.

On transportation needs, the two 15-passenger vans can be used for student transportation until June 7, 2011. They have plans to replace vehicles to meet this mandate. The current bus barn facility is not tall enough to house new school buses. Future buses will not fit in the cur-

rent space. The bus barn will need significant repairs (roof and foundation). The Board is in the process of determining the best option for the future and the spectrum ranges from constructing a new building to parking all vehicles outside.

On safety and security issues, all of the exterior doors of the K-12 facility have been replaced in the past few years. The next step includes examining the possibility of security cameras, at least to monitor main entrances.

As for a maintenance plan, a list of projects (large and small) is compiled and prioritized to keep the educational environment in good condition. Priorities are categorized as needs and wants. Each year specific projects are selected and completed (some examples are: flooring, furniture, technology, etc.).

"Although facilities are not our primary mission, they are a critical component to provide a quality educational environment for students," said Heimann. "Facilities take a large portion of district resources, consequently there is a lot of planning that occurs to ensure they are using district resources effectively."

Commissioners approve Lodging Tax committee's decision on grant applications

By Lynn Sievers
Of the Herald

The Wayne County Board of Commissioners met in regular session Tuesday. Two Wayne County Convention & Visitors Bureau grant applications were received. One application was from Wayne County Jaycees for their Fall Craft & Gift Festival and one from Christmas N Carroll Craft Show. Commissioner Jim Rabe made a motion to accept the Lodging Tax Committee's decision to grant \$250 to each. Commissioner Kelvin Wurdeman seconded the motion which passed unanimously.

Other board action included the appointment of NACO Convention voting designees. Commissioner Kelvin Wurdeman made a motion that Commissioner Bob Nissen should receive the appointment and Rabe will be the backup if he can't attend. Rabe seconded the motion which passed unanimously.

Rabe made a motion for securities addition of \$500,000 to the First National Bank of Wayne. Wurdeman seconded the motion which passed unanimously.

The commissioners went through and approved invoices. A question was raised on mileage allowance of \$290.16 for Deanna Beckman, emergency manager. Beckman noted she drives a county car as much as possible but it has been having mechanical problems so she has driven her personal vehicle and there have been meetings far away she has had to attend.

Three Wayne State College students capture Sports Medicine Quiz Bowl title

Three Wayne State College students from the Department of Health, Human Performance, and Sport (HHPS) won the Northland Chapter American College of Sports Medicine (NACSM) Quiz Bowl held Oct. 16-17 at the 33rd annual Fall NACSM meeting in Duluth, Minn.

The team competed in a Jeopardy style contest against six other teams from the NACSM region (Minnesota, Nebraska, North Dakota and South Dakota) and brought home two first-place trophies (one permanent and one traveling).

Kelly Brink of Lyons, Peter Ray of Spalding and Darren Richter of Fremont, the Wayne State winners, will represent the Northland Chapter ACSM in the national Quiz Bowl competition to be held May 27-30 at the 56th annual national ACSM meeting in Seattle.

The Northland Chapter, one of 12 regional ACSM Chapters in the United States, will provide financial support for WSC students to participate in this event.

HHPS faculty collaborated to encourage students from the program to attend the Northland Chapter ACSM meeting and to form a Quiz Bowl team to represent Wayne State College.

"We are very proud of our students," Dr. Donovan S. Conley, professor of exercise science and director of the WSC Human Performance Laboratory said. "Their perfor-

and action were taken on a program resolution for a federal aid program for bridge #C009003315, two miles west and 0.5 miles south of Wayne. Mainelli Wagner is the engineer and their estimated total for the project is \$568,200. Wurdeman made a motion authorizing the chair to sign the resolution which stated there is sufficient funds for the program. Rabe seconded the motion which passed unanimously.

Discussion and action was held on a contract with M.E. Collins Contracting Co., Inc. for construction of a concrete box culvert to replace Bridge #C009005105. Wurdeman made a motion to sign the contract and Rabe seconded the motion which passed unanimously.

Discussion and action was taken on a resolution to authorize signatures on a certification of compliance for soft match project C009003025, six miles south and 3.4 miles east of Wayne. Wurdeman made a motion for Nissen, chair, and the highway superintendent to sign the certification. Rabe seconded the motion which passed unanimously.

A request was received from Qwest to place utility line in the county road right of way in district 2 (five north and 3-4 miles west). Wurdeman made a motion to approve the request and Rabe seconded the motion which passed unanimously.

Wurdeman made a motion to adjourn the meeting and Rabe seconded the motion. The next meeting of the Wayne County Board of Commissioners will be on Tuesday, Nov. 18 at 9 a.m. at the courthouse in Wayne.

The Oaks to hold Alzheimer's event

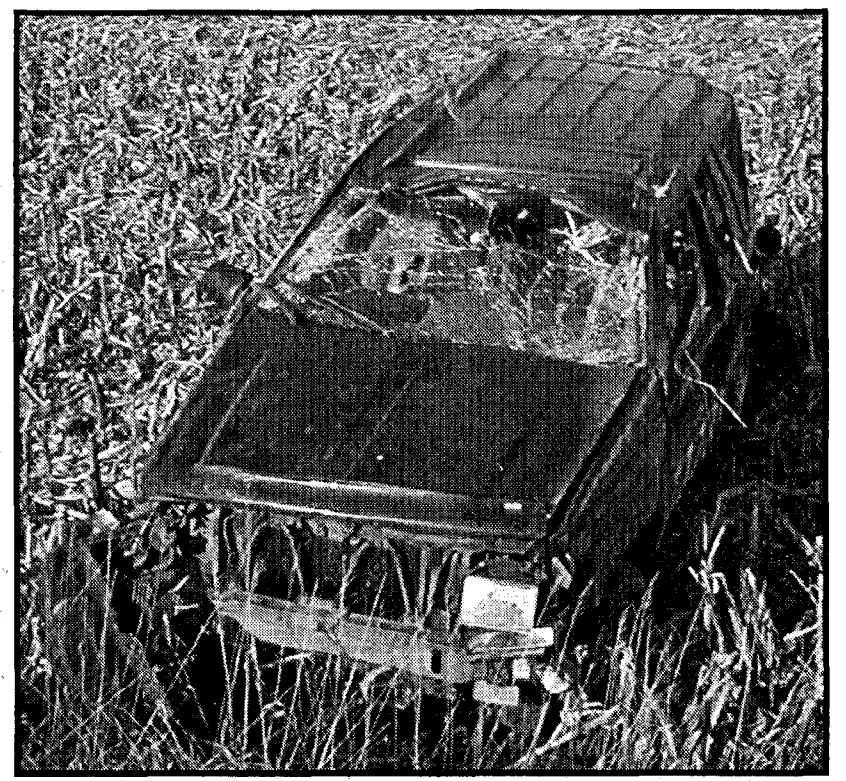

The Oaks Senior Living Community at 1500 Vintage Hill Drive in Wayne will hold a Candle Lighting Ceremony and reception in honor of National Alzheimer's month.

The event will be held Thursday, Nov. 13 at 7 p.m.

Alzheimer's disease affects as many as 5.2 million people in the United States, and is the sixth leading cause of death. It costs directly or indirectly Medicare, Medicaid, and other businesses \$148 billion each year.

Renee Kurpgewit, former Alzheimer's Ass. Director will give a talk. Those attending may purchase a remembrance candle for \$1 with the name of a friend or loved one who may have suffered from Alzheimer's disease or other dementia's. Proceeds will go to the Alzheimer's Association. Light refreshments will be served.

For more information on the event, contact Susie Siefken, Life Engagement Director at the Oaks SLC at 402-375-1500.

Patrick Treacle received bumps and bruises in a one vehicle roll-over accident southwest of Carroll on Nov. 4.

Accident occurs southwest of Carroll

At about 1:30 p.m. on Nov. 4, the Wayne County Sheriff's Office was called to investigate a one vehicle roll-over accident southwest of Carroll. Patrick Treacle of Wayne was eastbound on Wayne County Road 858, one mile south and about four and a half miles west of Carroll when his SUV lost control on the county road and went into the north ditch. The vehicle was steered back out of the ditch but control was lost again and it completely rolled over

and rolled back into the north ditch at that location.

Treacle was alone at the time of this accident and was wearing his lap and shoulder belt. He reported bumps and bruises and was taken for medical treatment by a personal vehicle. The vehicle is considered a total loss. The Sheriff's Office has completed their investigation and no citations were issued as a result.

Gov. Heineman awards \$200,000 Community Development Block Grant for Wayne business

Gov. Dave Heineman has awarded Wayne \$205,000 in Community Development Block Grant (CDBG) funding to assist Sand Creek Post and Beam, Inc. with its expansion. The project will result in nine new full-time jobs.

"This company is a great example to aspiring entrepreneurs and small business owners," Gov. Heineman said. "We're happy to be able to help this home-grown business expand here in our state."

The company manufactures authentic post and beam traditional barn and outbuilding kits. The loan will help the company purchase its current facility, acquire and renovate an office building, add separate millwork and storage areas, and build an additional facility on the property.

Len Dickinson and Jule Goeller founded the company in 2004 to provide historically correct outbuild-

ings designed to reflect a country lifestyle. Once assembled, buildings are used as garages, workshops, horse barns, and storage sheds.

By 2006, Sand Creek had outgrown its manufacturing space and moved to a new facility with larger office space in downtown Wayne. Last year, the company enlisted a small facility in Cleveland, Ga. to manufacture and market barn kits in the eastern U.S. In four years, Sand Creek has sold more than \$5.9 million in barn kits to customers in 35 states.

Federal funds are made available to Nebraska from the U.S. Department of Housing and Urban Development's CDBG program, which helps communities make improvements to local infrastructure and encourage business development. The program is administered by the Nebraska Department of Economic Development.

It's almost Christmas Holiday time in Wayne

Wayne Public Library will be hosting a Wreath Display & Silent Auction beginning Saturday, Nov. 29 and running through Monday, Dec. 8.

This holiday event will be one way to welcome the Christmas Season to our community.

Area businesses, churches, youth groups, social, civic and community organizations are invited and encouraged to participate and create a unique wreath for display at the Library and Senior Center. Proceeds from the silent auction will be used to purchase items from the Angel Trees at the State National Bank and Pamida. These trees benefit area senior citizens and children. Minimum bids of \$10 will be asked for each wreath.

During the week of wreath display, Santa will visit the Library. Seasonal books, DVDs and CDs will be on display for check out. Plans are also being made to display the

wreaths at the Rotary Soup Supper on Thursday, Dec. 4, at the City Auditorium.

On Dec. 8, the Library and Senior Center will be ablaze with Christmas Spirit.

The Presbyterian Church Bell Choir will perform at 6:30 p.m. Winning bidders will be announced at 7. Refreshments will be available throughout the evening.

Rita McLean, Adult Services Librarian and Event Coordinator, comments that this will be "a wonderful opportunity to promote your business, organization/club/civic or social group to the community. We look forward to working with you during this special event."

The closing date to enter a wreath is Saturday, Nov. 15. Display wreaths should be dropped off at the Library by Saturday, Nov. 22. Call 375-3135 if you have questions.

Carman was in the Army and was part of a support group. Leaving San Francisco, he was on a Kaiser Liberty ship for 31 days, not seeing land until they saw the island of Guadalcanal (part of the Solomon Islands). While onboard, a typhoon hit when they were near the Philippines. He said they made it but wasn't sure how. Carman served first in Guadalcanal, then in the Philippines and ended with duty in Japan. Carman was discharged in 1945.

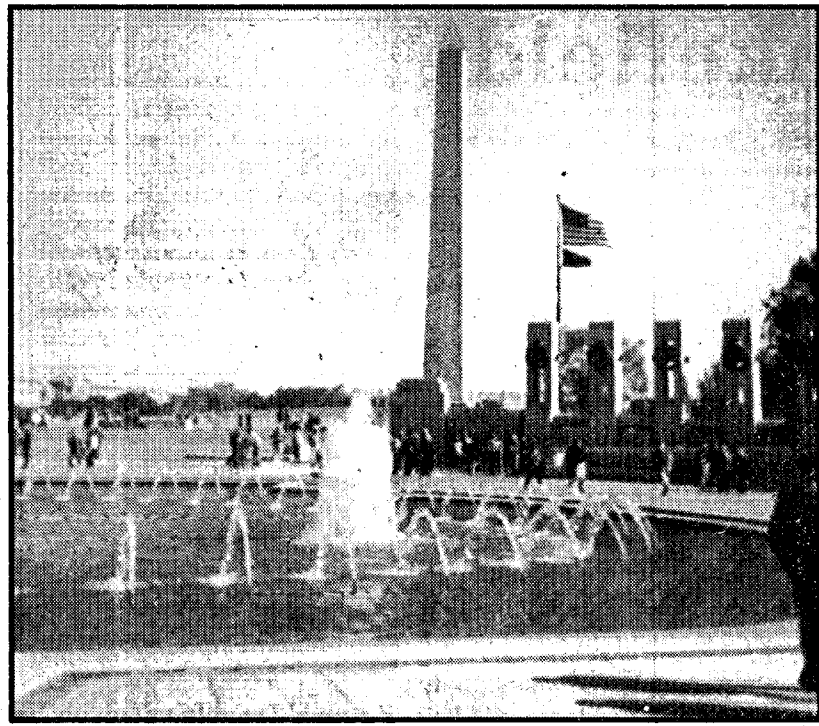

McCright was in the Marines until 1945. During his 27 months overseas, he was in Saipan and Tinian (both are part of the Mariana Islands), Okinawa and in Occupied Japan.

"Saipan was a bloody mess. I was part of the third wave; there were bodies and flies everywhere," McCright said. "Later, I was sent to Nagasaki, Japan after the bomb was dropped. Buildings were burned black, kids were running around with scabs on them; it was awful."

After the bombs were dropped on Hiroshima and Nagasaki, Japan, the war ended on Sept. 2, 1945.

"I figured Harry Truman saved my life," McCright said. "They were ready to hit Japan. I had enough points to get home and I was so glad."

Carman remembers there were no guarantees while they were in the service. "We didn't know how long we would be in because there were thousands of islands and if we

A view of the WWII Memorial and other monuments that the Veterans saw in Washington, D.C.

had to take them all, we would be in for years. Dropping the bombs sped things up."

As for the Heartland Honor Flight, 465 Veterans went to Washington, D.C. in the first three flights from Nebraska. The Peter Kiewit Foundation of Omaha provided Heartland Honor Flights \$207,500 in a challenge grant in June and announced an additional \$150,000 challenge grant. If the latest grant is matched by Nov. 11, Veteran's Day, 500 more Veterans will make the trip.

The urgency in sending the Honor Flights is because of the death rate of the WWII Veterans. There were around 14,000 Veterans in Nebraska at the first of this year but an estimated 2,000 deaths have the number down to around 12,000-12,500. The youngest WWII Veteran is 78 years old.

Carman ended by saying, "It was really great. We were treated with a lot of respect. Everyone who is eligible should go. It doesn't cost a penny."

Wayne Mollhoff, Dr. Richard Collings, Jewell Schock and Dr. Barbara Hayford were among those celebrating the grand opening of the Wayne State College A. Jewell Schock Museum of Natural History on Oct. 28 in the Carhart Science Building on campus.

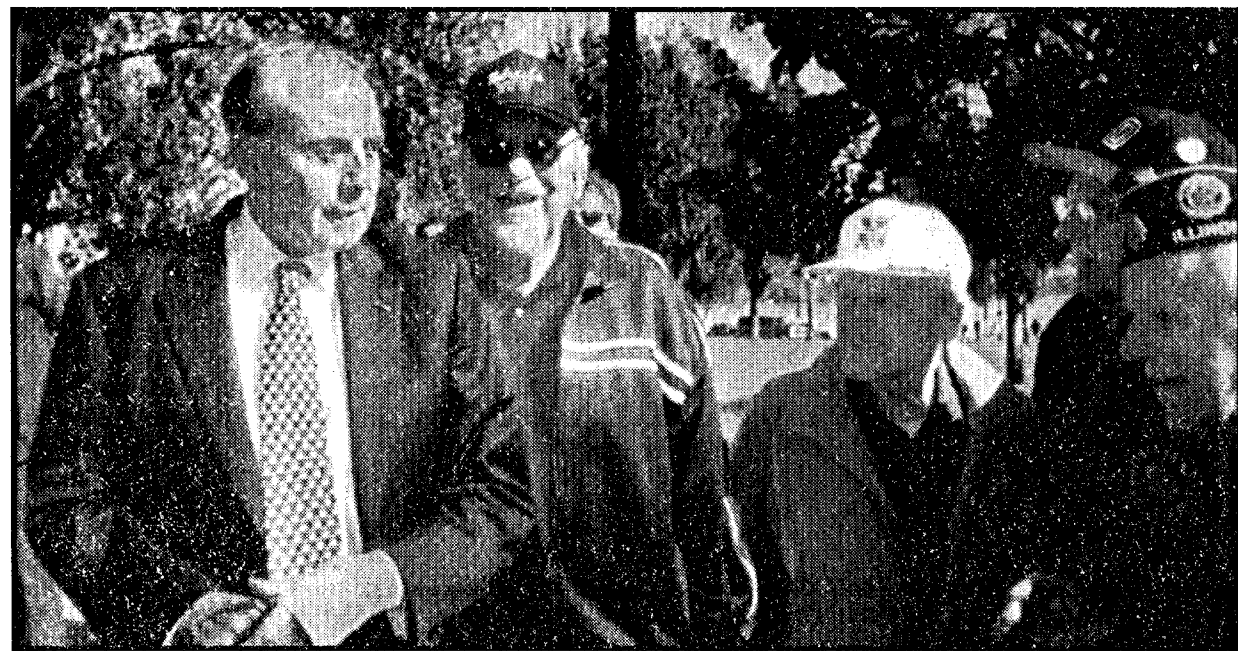

The museum houses more than 15,000 specimens of birds, mammals, invertebrates, plants, and fossils. The museum was created by Jewell Schock, former zoologist at Wayne State College. He collected and prepared specimens

from Northeast Nebraska over the course of 30 years. Schock was assisted by numerous students and used the collections to aid in teaching and science education and outreach.

The museum's regular hours will be 3 to 5 p.m. Tuesdays and Thursdays. Groups are welcome. The mission of the museum, according to the director, Dr. Barbara Hayford, is to preserve natural diversity of life in Northeast Nebraska through maintaining and adding to college collections,

through science education and outreach, and through actions to conserve and restore natural habitat in the region.

The museum's science education and outreach activities include interactive tours of the museum, classroom visits by museum staff to area K-12 schools and volunteer biological monitoring and assessment of regional streams, wetlands, lakes, and prairies. Meal reimbursement, parking surfaces debated

By Clara Osten

The amount city employees should be reimbursed for meals when out of town and amending the city code in regard to the amount of grass and weeds allowed on parking surfaces were among items debated at Tuesday's meeting of the Wayne City Council.

In an effort to update the city's personnel manual, the council voted 4-2 to increase the clothing allowances for city employees required to wear uniforms and adjusted meal reimbursements for city employees during out-of-town travel.

Council members spent considerable time debating what the rate of reimbursement should be, whether receipts should be required for reimbursement and whether there should be a different policy when traveling more than 200 miles from Wayne.

Following the discussion, the council voted to allow up to \$42 per day for meal costs, with receipts required for reimbursement.

Council members Doug Sturm and Dale Alexander voted against the resolution.

With a number of guests present, including members of the Wayne High School senior class and the local Boy Scout troop, the council held a public hearing to consider the Planning Commission's recommendation on the changes to parking regulations in regard to parking and driveway surfaces.

The Planning Commission had earlier held a public hearing on the issue and had no recommendation for the council.

City Administrator Lowell Johnson told the council that several of the issues voiced by the Planning Commission had been dealt with in the final draft of the ordinance and said the proposed ordinance is a "definable process."

Johnson and several council members noted that a "huge amount of work has been done on parking surfaces this fall" and that efforts to correct violations would be in the form of warnings to begin with.

Also during Tuesday's meeting, Ian Webster spoke to the council on his proposed Eagle Scout project and a request to place bat houses on public property near the city's lagoon, the back 9 of the golf course and along the walking trail.

He explained the design of the bat houses and said according to his research, bats would return to the houses after first finding them. He intends to begin the building portion of the project in the spring.

The council gave unanimous approval to the request.

The council also unanimously approved a resolution accepting a bid and awarding a contract for the razing of a structure at 418 West First Street. The bid was awarded to Benscoter Plumbing and Construction.

The council has been working with the property owner for some time and issues have not been resolved.

Council members did request that specific bid requirements be spelled out in the future, making it easier to compare bids.

Resolution 2008-97 also received unanimous approval. It approves the hiring of a special engineer and approves plans, specifications and estimate of cost for the construction of certain water improvements in the Muhs Acres area.

Although this area is outside the corporate limits of the city of Wayne, it is within the jurisdictional limits of the city of Wayne.

City Administrator Johnson told the council that this action is the start of the process of creating a district for the improvements.

Acting as the Community Development Agency, council members approved a change order on the Western Ridge Project and took action to pay Progress Estimate No. 2 of just over \$420,000 to Steve Harris Construction.

Council members talked about the number of change orders on recent projects and asked what can be done in the future to reduce the number of these changes, many of which increase the cost of projects.

Resolution 2008-96, accepting a bid and awarding a contract to Severn Trent Water Purification, Inc. for a UV Disinfection System for the wastewater treatment plant received unanimous approval.

Garry Poutre, Public Works Superintendent, explained the system to the council and noted that the base bid of \$89,901 plus three options is for the equipment only. Additional funding will be necessary for the installation of the equipment.

The council will next meet in regular session on Tuesday, Nov. 18 at 5:30 p.m. in the council chambers.

Laurel-Concord to face David City Aquinas on Wednesday Bears advance to Class C-2 Sweet Sixteen with 35-17 win over East Butler

By Casey Schroeder

Laurel-Concord running back Justin Hart rushed for a season-high 303 yards and four touchdowns on 36 carries in the tenth-seeded Bears 35-17 win over the seventh seed East Butler Tigers, last Thursday in Dwight.

"We were able to stay very basic on the offensive side," said Bears' head coach Terry Bear.

"I'm really seeing my team share in each other's successes. That is the thing that really sets our players apart from other teams."

Laurel-Concord started their success story at the 5:53 mark of the first quarter when Hart scored the first of four touchdowns on a 40-yard run to put the Bears on top at 7-0 after a successful Kevin Gildersleeve extra-point conversion.

Following opening score, East Butler clamped down on the Bears' offense and held Laurel-Concord scoreless until Hart broke lose on three-yard touchdown run to increase the Bears' lead to 14-0 with 9:12 to play in the second quarter.

East Butler then resolved their scoring crisis midway through the second quarter with a field goal to cut Laurel-Concord's lead to 14-3.

However, the Bears quickly answered the Tigers' call with a score of their own as Travis Nelson connected with Ezra Schantz on a 78-yard touchdown reception to send Laurel-Concord into halftime with a 21-3 lead.

in the third quarter while adding a score from three yards out to make it a 21-10 game at the end of the third quarter.

With East Butler slowly creeping back into the picture, the Bears called upon Hart to seal win in the fourth quarter and he did just that, as he scored on runs of 69 and eight yards to give Laurel-Concord a 35-10 advantage with 8:18 remaining in the half.

With a win already in sight for the Bears, East Butler tacked on a score with just under five minutes left to play, but by that time it was

a little too late as the Bears had already begun to celebrate their eventual 35-17 victory.

Hart led the Bears' offense with 303 yards and four touchdowns on 36 carries while Nelson completed 5 of 11 passes for 107 yards and one touchdown.

"Justin once again had a outstanding game," Bear said.

"I see that our line is stepping it up and giving the back some time to break free. Johnny Saunders is our fullback and he made some very good block to spring Hart free."

The Bears were led by Johnny Saunders on defense who finished with 12 tackles while Beau Lubberstedt added 10 stops.

Laurel-Concord will look to build off last week's success as they host the second seed David City Aquinas on Wednesday, Nov. 5 at 6 p.m.

"David City Aquinas is a very good team and runs the ball well," Bear said.

"We will have to be very tough on defense to shut down their backs. This week you will see a more dynamic offense that will be in attack mode all game."

Koch becomes third Wildcat to eclipse the 1,000 yard mark Winside buried by Cedar Bluffs 34-12 in opening round of Class D-1 Playoffs

By Lee Koch and Casey Schroeder

Following a 32 yard kick-off return by Michael Lage, the 10th-seeded Winside Wildcats capped off a four play, 34 yard scoring drive when Garet Hurlbert scored from 25 yards out to give Winside a 6-0 lead over seventh-seed Cedar Bluffs with 10:31 remaining in the first quarter.

While Winside spoke first, it was Cedar Bluffs who ultimately had the final say as they scored three unanswered second half touchdowns on their way to a 34-12 victory over the visiting Wildcats.

Cedar Bluffs answered Winside's initial drive with a 14 play scoring drive that saw Brandon Bogus connect with Andy Egger on a 4-yard touchdown reception to knot the score at 6-6 with 5:10 left in the first quarter.

Winside later reclaimed the lead midway through the second quarter as Kalin Koch hit paydirt on a 7-yard run to culminate a 12 play drive to put the 'Cats ahead 12-6 with 8:23 left in the half.

However, Winside's lead was

short lived as Cedar Bluffs scored again with 4:46 left in the first half as Egger scored from four yards out to give the red, white and blue Wildcats a 14-12 lead going into halftime.

Cedar Bluffs continued to distance themselves from Winside in the second half as Bogus connected with Preston Ranslem on a 47-yard touchdown reception at the 10:03 mark to increase the Wildcats lead to 21-12.

The Wildcats then tacked on their second score of the third quarter when Egger scampered 10-yards for the touchdown to give Cedar Bluffs a 28-12 lead going into the fourth quarter.

With the casket lid on the verge of being closed, Cedar Bluffs put the final nail in the coffin and put the Wildcats to rest at the 8:44 mark as Brenden Jorgensen scored from five yards out to bring the game to a close at 34-12.

Winside was held to a season-low 117 yards rushing and 25 yards passing as the Wildcats' offense failed to get on track in the second half.

Kalin Koch led the Winside offensive attack as he rushed for 74 yards on 21 carries while Michael Lage put together 91 yards of total offense from the Wildcats.

Koch became the third Wildcat running back to surpass the 1,000 yard mark as he finished the season with 1,047 yards.

He now joins Landon Grothe who rushed for 1,099 yards in 1997 and Max Kant who ran for 1,170 yards in 1989.

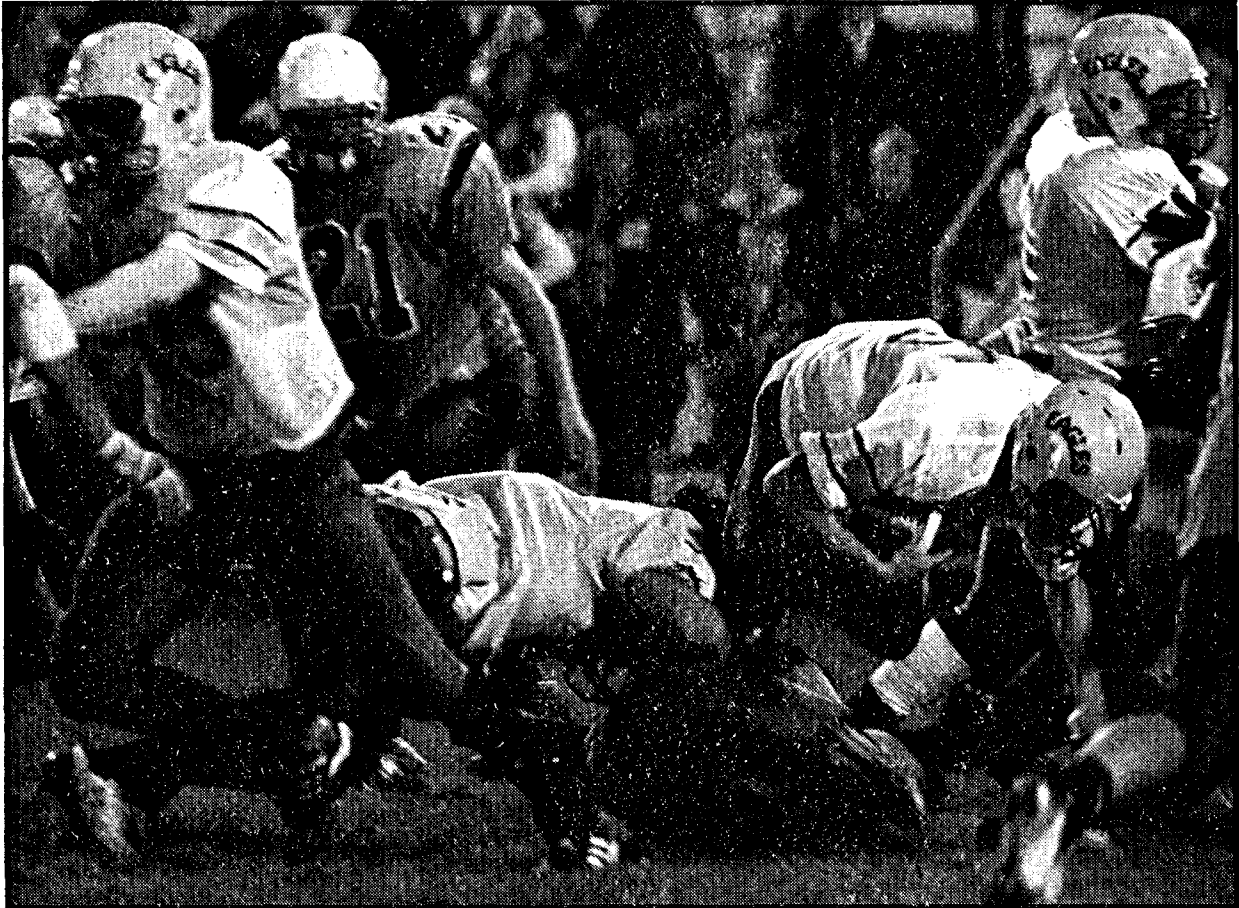

Defensively, Nathan Janke had a team-high 22 tackles while Zach Brokaw recorded 13 stops in the loss.

Other defensive leaders for Winside included Blake Hokamp and Jared Brockmann who finished with 11 stops each.

With the loss to Cedar Bluffs, Winside closed out the season with an overall record of 5-4.

Eagles prey on Bulldogs in first round of D-2 Playoffs

By Casey Schroeder

A catchy screen printed t-shirt slogan of "No Excuses...Just Football," proved to hold true for the 12th-seeded Allen Eagles who didn't have, want or need any excuses as they just played football, soundly defeating the fifth-seeded Coleridge Bulldogs, 37-8 in Coleridge last Thursday night.

"We played some very physical football tonight," said Allen head coach Dave Uldrich. "Coleridge was very intense and played hard early, but we finally broke them near halftime."

There was plenty of nail-biting action in the first half, as a much improved Bulldog squad held the Eagles scoreless until Scott Wilmes scored the first of four touchdowns on a 10-yard jaunt to give Allen a 6-0 lead with 2:46 left in the second quarter.

After a Coleridge fumble on the ensuing series, Allen tacked on another quick score as Wilmes found Heath Roeber on a 14-yard touchdown reception to put the Eagles ahead 13-0 following a Cody Stewart extra-point conversion.

With only a 13 point advantage over Coleridge, Allen looked to put any hopes of a Bulldog comeback to rest in the third quarter and had relative success as Wilmes scored from five yards out to push the Eagles' lead to 19-0.

While Allen shined in the first three quarters of play, it was Coleridge who glistened in the opening minutes of the fourth quarter as Bryan Dunn connected with Jimmy Bush on a three-yard

touchdown reception to cut the Eagles lead to 19-8 with 11:02 to play in the game.

However, the Bulldogs' fourth quarter surge waned in the final minutes of play as Wilmes broke loose on touchdown runs of 15 and 26 yards while reserve quarterback Austin Roeber added a 12 yard score to bring the game to a close out 37-8.

Wilmes led the Eagles on ground, rushing for 219 yards on 29 carries with four touchdowns while also going 1 for 1 in passing for 14 yards and one touchdown.

"Our offensive line of Cody Stewart, Brandyn Stewart, Jarret Warner, Michael Gregerson, Corey Klug and Nick Scheiders really did a great job," Uldrich said.

"They allowed Scott Wilmes to use his ability to churn out a tremendous performance."

Defensively, Cody Stewart led the Eagles' defense with 21 stops while Corey Klug added 18 tackles.

"We hit them pretty well, and they were looking up instead of going to places they needed to be."

With the win Allen (5-4) will look to keep their season alive as they host the fourth-seeded Sterling Jets (8-1) on Wednesday, Nov. 5 at 2 p.m.

"We will try to prepare for a physically huge Sterling Jets team," Uldrich said.

"Our community, parents and school should be proud of what this group of kids have accomplished since the 0-3 we had to open the season. Their commitment to win

through team unity and discipline, instead of worrying about themselves has been the difference in the past six weeks."

Wayne defeats Logan View 3-1 in opening round of C1-4 Subdistricts

Blue Devils season ends in 3-0 loss to Cadets

By Casey Schroeder

The Wayne volleyball team closed out their season on Monday night at C1-4 Subdistricts in Oakland, as the Blue Devils defeated Logan View 3-1 and then fell to West Point-Beemer 3-0.

In the Blue Devils' C1-4 Subdistrict debut, Wayne defeated Logan View by the scores of 25-20, 27-25, 19-25, 20-25 and 17-15.

"I was really proud of the team for not giving up and coming back in the fifth set when they were down," Wayne head coach Joyce Hoskins said.

Katie Hoskins led the Blue Devil offensive charge in the win with 18 kills while Elisa Robinson added 15.

Erica Sebade and Elle Schramm also contributed three kills apiece in the win followed by Kristin Liska with one.

Cori Volk handed out 20 set assists while Laura Muran was credited with 10.

Defensively, the Blue Devils saw Cassie Harm total 17 digs in the win with Megan Nissen adding 15.

Other defensive leaders for Wayne included Sebade with six digs followed by Robinson and Muran who finished with five each.

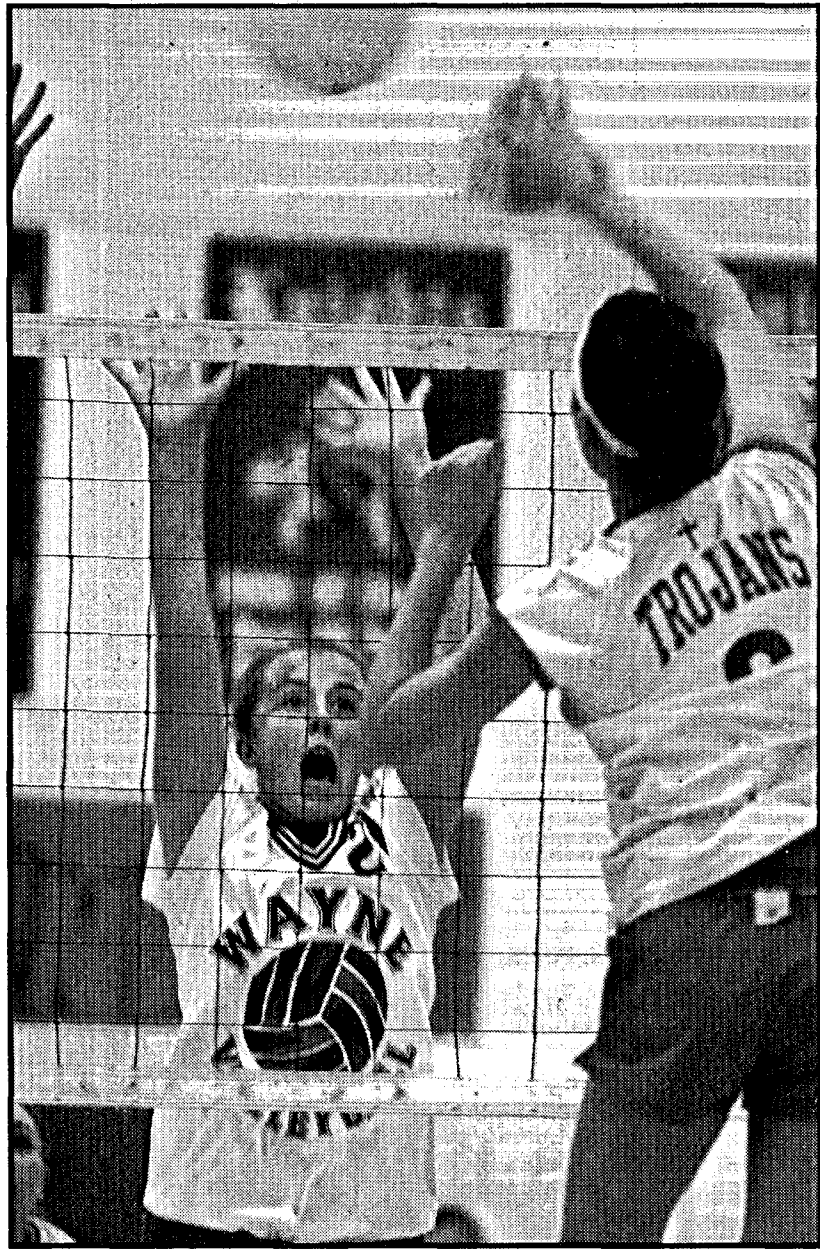

With the win over Logan View, Wayne advanced to the second round of subdistricts where their season was ended in three sets by West Point-Beemer by the scores of 25-15, 25-10 and 25-5.

"It was a tough way to end the season, but when a couple of players were injured, I felt they stepped up and did what was asked of them," Hoskins said.

"Our seniors, Cori and Megan will be missed."

Robinson again led the Blue Devils offensively, as she totaled

four kills while Ashley Soden, Wayne included Volk with four set assists followed by Muran with three.

Wayne's Cassie Harm combined for 23 digs in the Blue Devils' 1-1 finish at C1-4 Subdistricts.

Defensively, Nissen finished with eight digs to lead the Blue Devils while Harm added six digs in the losing effort.

Additional defensive leaders for Wayne included Soden with five digs and Robinson who finished with two.

With Wayne's 1-1 finish at subdistricts, the Blue Devils concluded their season with an overall record of 7-23.

Trojans playoff hopes halted by Wolverines, 43-8

By Casey Schroeder

In the past four years the Wakefield Trojans have amassed a playoff record of 11-2, which has included State Championships in both 2006 and 2007.

Truly, a feat that any school would be proud of.

However, Wakefield, who is never content with being mediocre, looked to elevate their program's standards with a first round playoff win over the fourth-seed Wilber-Clatonia Wolverines, last Thursday in Wilber.

While Wakefield may have earned a moral victory in the end, it was Wilber-Clatonia who earned the actual victory as they downed the Trojans 43-8.

"I would give them (Wakefield) an A+ for physical effort, determination and heart," Wakefield head coach Justin Smith said.

"We were forced to overcome a lot this year being undersized and losing key starters along the way to injuries, and this group fought to the end."

Initially, Wakefield held their own against Wilber-Clatonia as the Trojans recorded the first score of the game when they stuffed the ball in their own end zone for a safety.

Following the safety, Wakefield later tacked on their only true score of the game when Jacob Blessing scooped up a fumble and returned it for one-yard to increase the Trojans lead to 8-0.

Wakefield's marginal lead only held for a brief moment, as Wilber-Clatonia struck back with a 46 yard touchdown reception that saw the Wolverines tie the game at 8-8 following a successful two-point conversion attempt.

The Wolverines went on to add another score in the first quarter on a 23 yard touchdown run to put the Wilber-Clatonia ahead 15-8 going into the second quarter.

"Their size was a big issue for us," Smith said. "They averaged about 240 pounds per kid up front. Overall we played even with them

up front, we just hurt ourselves in key situations.

In the second quarter, both teams struggled on both sides of the ball with Wilber-Clatonia recording the only score of the quarter on a one-yard run to take a 22-8 lead into halftime.

Following the intermission break, Wilber-Clatonia picked up from where they left off in the first half as they used a three yard touchdown pass to close out the quarter with a 29-8 lead over the Trojans.

In the final quarter of play, Wilber-Clatonia set aside the struggles of the previous three quarters to hang 14 points on the Trojans and secure the 43-8 win.

Ian Miner led the Wakefield ground game with 127 yards on 23 carries while quarterback Brock Soderberg used 11 attempts to rush for 20 yards.

Soderberg completed 14 of 19 passes for 19 yards with no touchdowns and one interception.

The Wakefield receiving corps was led by Mason Nixon who had 23 yards on five receptions and Tyler Bodlak who caught one pass for one yard.

With the loss to Wilber-Clatonia, Wakefield closed out the season with an overall record of 4-5.

Listed below is a box summary of the Wakefield - Wilber-Clatonia game.

Dubbs named NSIC Volleyball Defensive Player of the Week

Meredy Dubbs of Wayne State College was named the Northern Sun Intercollegiate Conference Volleyball Defensive Player of the Week on Monday by the league office in St. Paul, Minn., following her play in two Wildcat home matches over the weekend.

Dubbs, a 5-8 senior libero from Wood River, averaged an NSIC-best 6.14 digs per set in a 3-0 win over St. Cloud State on Friday and a 3-1 loss to No. 1 Concordia University, St. Paul on Saturday.

She had 16 digs in the win over St. Cloud State and 27 digs against Concordia-St. Paul.

For the season, Dubbs is averaging 4.40 digs per set to rank sixth in the Northern Sun Intercollegiate Conference.

WSC will return to action on Friday, Nov. 7 when they travel to No. 17 Minnesota Duluth for a 7 p.m. game.

WSC volleyball remains 23rd in latest Bison/AVCA Division II Top 25 Coaches Poll

The Wayne State College volleyball team remained 23rd in the latest Bison/American Volleyball Coaches Association (AVCA) Division II Top 25 Coaches Poll that was released late Monday afternoon.

The Wildcats are currently 21-6 overall and 10-5 in the NSIC.

WSC received 117 points in voting conducted by coaches from across the country.

The Wildcats split a pair of games last weekend, winning 3-0 against St. Cloud State while losing 3-1 to No. 1 Concordia-St. Paul.

Wakefield's Tyler Bodlak tries to bully his way through a Wilber-Clatonia defender on Thursday afternoon.

Fall means lots of yard work to get ready for the cold weather. Using a ladder for some of these jobs can make your job much easier and knowing a few tips on ladder safety will keep you healthy and happy through the fall cleanup.

- Always face the ladder when ascending or descending. Also make sure to hang on with both hands.
- Do not try to work outside of your arm's reach. Always make sure your navel stays within the sides of the ladder. To prevent injury move

the ladder instead.

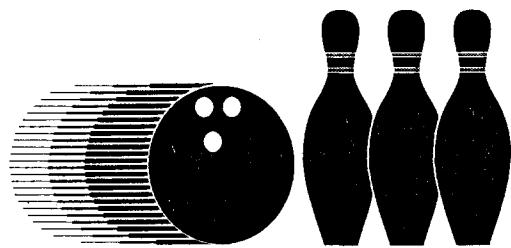

- Don't carry heavy loads up the ladder. Attach a bucket with a rope to your ladder, and then you can pull the tools up and down.
- Keep both feet on the same rung to prevent loss of balance.
- Only work on the ladder for 15-30 minutes at a time to prevent muscle strain.

Please contact Providence Therapy at 375-7937 if you have any questions about these remaining safe and healthy with your fall cleanup.

Meyer's MVP performance of 141 yards guides WSC to sixth straight win Wildcats tame Golden Bears, 41-17

By Casey Schroeder

Who is Eric Meyer?
That maybe just one of the many questions that was echoed among the Golden Bears' coaching staff as Meyer rushed for a career-high 141 yards and two touchdowns in Wayne State's 41-17 win over Concordia-St. Paul in last Saturday's 20th annual Egg Bowl played in Wayne.

With his performance, Meyer was named Egg Bowl Most Valuable Player for the Wildcats, who won their sixth straight game to improve to 8-2 overall and 7-2 in the Northern Sun Intercollegiate Conference (NSIC) while the Golden Bears dropped to 4-6 overall and 3-6 in league play.

"I thought our defense was outstanding, but we can play better offensively," said WSC head football coach Dan McLaughlin.

"I thought our special teams were better, we're still not great, but we were a lot better Saturday than we've been. We took care of the ball for the most part. We're getting better."

Concordia-St. Paul scored the first touchdown of the contest, taking the opening drive to the Wildcats' eight-yard line before settling on a 25 yard field goal by Stephen Bjerke to grab a 3-0 lead with 8:46 left in the first quarter.

WSC then responded back with a score of their own on their opening possession with a 71 yard, 12 play drive that ended when junior quarterback Silas Fluellen found the end zone on a five-yard run to give the 'Cats a 7-3 lead with 3:25 to play in the first quarter.

Early in the second quarter, WSC forced a Golden Bear turnover when senior defensive lineman Chris Barry intercepted Concordia's Spencer Ohm at the CU 30 yard line and returned it 15 yards to the Golden Bear 15.

Meyer then rushed the ball on three straight plays, with the final attempt resulting in a one-yard touchdown run to give WSC a 14-3 lead with 12:40 to play in the first half.

However, Concordia-St. Paul struck 10 seconds later when Hayden Vavra found Tyron Ruffin

on a 65 yard halfback pass to bring the Golden Bears within four points at 14-10 with 12:30 remaining in the half.

"You have to give them credit, it worked," McLaughlin said "And what's so stupid about it, is that we knew it was coming. We worked on it all week and it still worked against us."

WSC then drove 75 yards on the following possession and capped off the drive when Robert Perry scored on a nine yard run, to give the Wildcats a 21-10 lead with 6:48 left in the second quarter.

The Wildcat defense then forced another turnover as Troy Pribnow sacked Ohm to force a fumble that was recovered by Barry, giving WSC the ball at the Golden Bears' six yard line.

On the next play, Meyer hit the end zone on a six yard run to increase the Wildcats' lead to 28-10 with 5:11 to play in the first half.

WSC scored one more time in the first half as junior placekicker Nick Hope drilled a 30-yard field goal with 51 seconds left in the second quarter, to give the Wildcats a 31-10 lead heading into halftime.

After a dominant performance by WSC in the first half, it was the Wildcats' offense who struggled throughout much of the third period as the only points scored were by Hope on a 33 yard field goal with 32 seconds remaining in the quarter.

With the field goal, WSC held a 34-10 lead going into the fourth quarter.

Despite the score, Concordia failed to throw in the towel just yet, as second string quarterback Mitch Brecke engineered a scoring drive that saw tight end Josh Harrison snag a 22-yard touchdown pass from Brecke with 2:18 left in the game, to cut the Wildcats' lead to 34-17.

On the Wildcats next possession, the Golden Bears held the WSC offense in check, forcing a Jacob Bell 42-yard punt which gave Concordia-St. Paul the ball on their own 20 yard line with 1:05 remaining in the game.

However, the Golden Bears' opportunity for a score was cut short just three plays later as WSC

Wildcat running back Eric Meyer (middle) celebrates his one-yard touchdown in the second quarter.

reserve linebacker Daniel Leacraft picked up a tipped pass off the hands of Ruffin and raced 55 yards for the touchdown with 24 seconds to play, bringing the final score to 41-17.

WSC finished the game with 384 yards of total offense, gaining 171 yards on the ground and 225 yards through the air.

"I thought we were spotty, for us it goes back to consistency. We moved the ball at times, but we just had some breakdowns, particularly in protection," McLaughlin said.

"They (Concordia-St. Paul) did a nice job, their defense was well coached and they had a couple of things ready for us that worked."

Meyer finished as the Wildcats top rusher with 141 yards on 23 carries with two touchdowns.

"He's a great back, he hits holes hard and he's got great speed. The execution of the plays he was running was done really well," McLaughlin said.

"He's shown some really good things all year, matter of fact for two years now...but no, he didn't surprise me at all, he had an excellent game and I'm proud of him."

Fluellen, completed 16 of 30 passes for 213 yards with no touchdowns and one interception.

Junior wide receiver Logan Masters had a team-high five catches for 55 yards, which extended his streak of at least two catches in a game to 33 while Perry added four receptions for 50 yards.

The Golden Bears finished with 346 yards of total offense with 318 being through the air.

Brecke finished the game completing 13 of 26 passes for 203 yards with one touchdown and three interceptions.

Ruffin had four catches for 147 yards and one touchdown to lead the Concordia-St. Paul receiving corps.

Defensively, the Wildcats were led by Ryan Reeves who had eight tackles while Pribnow finished with five stops, which included three sacks for minus 22 yards.

B.J. Campbell also added two interceptions as the Wildcats' defense forced a total of seven turnovers in the game.

Winside defeats Allen 3-0 to sweep D1-6 Subdistricts

By Casey Schroeder
 Winside moved one step closer to a possible 2008 State Volleyball Tournament berth on Monday and Tuesday night as the Wildcats defeated Emerson-Hubbard and Allen in D1-6 Subdistricts action at Wakefield.

In the Wildcats' first round of subdistrict action, Winside defeated Emerson-Hubbard on Monday night by the scores of 25-12, 26-24 and 25-18.

Katie Gray propelled Winside to the offensive win with 10 kills while Shelby Lienemann added eight.

Jordyn Roberts handed out 24 set assists and was followed by Shelby Meyer who finished with four assists on the night.

Other offensive kill leaders for the Wildcats included Erin Gray, Jordyn Roberts and Meyer who each finished with two.

Defensively, Jordyn Roberts led the Wildcats in digs with 17 while Katie Gray and Meyer pitched in 13 apiece.

Erin Gray added 12 digs in the win and was followed by Audrey Roberts and Shelby Lienemann who were both credited with eight.

Following the Wildcats' first round win, Winside returned to action on Tuesday night where they outlasted Allen by the scores of 25-23, 25-16 and 25-13.

Hillary Lienemann guided the Wildcats to the win over the Eagles with 16 kills while Katie Gray

added six and was followed by Shelby Lienemann with five.

Jordyn Roberts added another solid performance to her resume as she dealt out 22 set assists to go along with her four kills.

On the other side of the spectrum, Shelby Lienemann rallied the Wildcats to the defensive victory as she was credited with 17 digs in the win.

Other defensive leaders for Winside included Katie Gray with 13 digs followed by Jordyn Roberts at 12.

Winside (21-6) will return to action on Nov. 6 when they will compete in the D1-6 District Final.

Listed below are the statistics for Winside.

Winside Volleyball D1-6 Subdistricts (Wakefield) First Round

Wildcats zagged by No. 10/11 Gonzaga, 96-45

By Casey Schroeder

Wayne State senior guard David Walters scored 12 points, hitting 4 of 7 shots from the field in the Wildcats 45-96 loss to the No. 10 (Associated Press) and 11th (USA Today/ESPN Coaches Poll) ranked Gonzaga Bulldogs in a exhibition game that was played last Saturday in Spokane, Wash.

"The big thing we learned about this game, was that when we don't follow our rules (game plan) those mistakes will get exposed," WSC head coach Rico Burkett said.

"We had a lot of breakdowns mentally, and anytime you play against a good basketball team they will make you pay."

The Zags never trailed in the game and used sizzling shooting in the first, to hit 23 of 31 shots (74.2%), to lead 54-25 at halftime.

"We had no illusions about this trip, we knew Gonzaga was a very talented team, and you never want to lose by 50 points, but there are positives that we can learn from and that's our challenge," Burkett said.

Josh Heytvelt led Gonzaga in scoring with 19 points followed by Austin Daye with 14 points.

Gonzaga finished the game shooting 36 of 65 from the field for 55.4 percent.

The Zags also hit 7 of 14 shots from the three point line and went 17 of 25 from the charity stripe.

WSC was led by Walters who finished with 12 points while senior forward Jonathon Thomas added nine points and five rebounds in the loss.

Junior center Brian Metz finished with seven points and seven rebounds followed by junior reserve forward Brett Spiker who added seven points and five rebounds.

WSC finished the game shooting 34 percent from the field, as they made just 16 of 47 shots from the field.

The Wildcats were 5 of 18 from the three point line and hit 8 of 12

shots at the free throw line.

"We did do some things well, they get masked in a loss of this nature," Burkett said.

"We did have some very good performances from a couple of guys, but basketball is not an individual sport, we need to put it all together as a team."

WSC will play another exhibition game on Monday, Nov. 10 at Northern Iowa with tip off set for 7:05 p.m. in Cedar Falls.

"We will be fine, we still need to work through a couple of things and continue to get better," Burkett said.

"We still have some of our new faces still trying to get accustomed to our system, but they will get there. Our goal is to continue to get better every time we step on the floor."

Laurel-Concord's Keri Schroeder prevents a Wakefield score in the Bears five set win over the Trojans.

Bears fate tested in four set shootout with Cedar Catholic

By Casey Schroeder

The Laurel-Concord girls' volleyball team saw their season come to an end on Tuesday night in Wayne as the Bears were defeated 3-1 by Hartington Cedar Catholic in the semi-finals of C2-7 Subdistricts.

Scores of the match were 25-13, 18-25, 25-23 and 25-19.

Preceding Laurel-Concord's loss to Hartington, the Bears kicked-off C2-7 Subdistricts with a 3-2 win over Wakefield on Monday night.

Scores of the match were 25-23, 23-25, 18-25, 26-24 and 20-18.

"As the score indicates, this was an intense game," Laurel-Concord head coach Pattie Cunningham said.

"Every player made plays in the process of scoring points and preventing the opponent from scoring. It took a lot of fortitude from the girls to fight off a one game point deficit in the fourth set and five in the fifth."

Kari Schroeder led the resilient Bears to the win with 16 kills and five ace serves with Taryn Dahlquist adding 12.

Amy Pritchard contributed an additional 11 kills in the win while Jade Cunningham handed out 41 set assists.

Defensively, Laurel-Concord saw two different Bears break the double digit mark in digs with Schroeder totaling 13 followed by Ashley Lunz with 12.

Other defensive leaders for the Bears included Mandy Nelson with nine digs while Pritchard finished the night with eight.

With the Bears 1-1 split at subdistricts, Laurel-Concord finished the season with an overall mark of 15-12.

Listed below are the statistics for Laurel-Concord.

No. 1 Golden Bears fight for 3-1 win over No. 23 Wildcats

By Casey Schroeder

The No. 1 Concordia-St. Paul Golden Bears rallied from a one set deficit to defeat No. 23 Wayne

State College last Saturday in Wayne by the scores of 17-25, 25-15, 25-18 and 26-24. Concordia-St. Paul improved to 27-1 overall and 16-0 in the

Northern Sun Intercollegiate Conference (NSIC) while the Wildcats fell to 21-6 overall and 10-5 in the NSIC.

"The fact that we dominated the first set and then come out flat is concerning," WSC head volleyball coach Scott Kneiff said.

"When you have the number one team in the country down, you have to put them away, or they will come back and hurt you, and that is what they did."

WSC won the first set of the match 25-17 over the Golden Bears, as the Wildcats capitalized on eight Concordia-St. Paul hitting errors.

Concordia-St. Paul then handed out 19 kills in the second set to tie the game at 1-1 with a 25-18 win.

The Wildcats' struggles continued throughout much of the third set as nine WSC hitting errors secured the 25-18 win for the Golden Bears.

In the fourth set both teams battled back and forth, but it was the Golden Bears who hung on for the 26-24 win, taking the match 3-1.

Mindy Moody and Jennifer Hefner each recorded 10 kills for the Wildcats followed by Brittany Van Beek with nine.

Meredy Dubbs had 27 digs while Diedra Artz finished with 11 digs and 37 set assists.

The Golden Bears' Maria Steinhagen had 15 kills in the win over WSC followed by Emily Palkert with 13.

Whitney Meierotto ended the night with a double-double as she accounted for 12 kills and 14 digs.

Libero Mary Slinger finished with 21 digs to lead the Golden Bears while All-American setter Maggie McNamara finished with 58 set assists.

Concordia-St. Paul outlit WSC in the match .282 to .156.

Prior to the Wildcats' loss to the Golden Bears on Saturday, WSC put together a spooktacular performance on Halloween night as they defeated St. Cloud State 3-0.

Scores of the Friday night match were 25-15, 25-21 and 25-15.

"No matter who we play in this league, if we don't play well on any night, we can lose," Kneiff said.

"We have to play with the same intensity on our side, no matter which team we are playing."

WSC relied upon a strong night of hitting as the Wildcats outlit St. Cloud State .322 to .162 with just nine errors compared to the Huskies 18.

Moody, recorded a game-high 14 kills with just one error in 27 attacks for a stellar .481 hitting percentage.

Dubbs finished with 16 digs to lead the Wildcats on defense while Van Beek added 12.

St. Cloud State saw Alecia Lunde record eight kills while Jennifer Waterman handed out 30 set assists in the loss.

Defensively, the Huskies were led by libero Andreana Pieper who finished the night with 15 digs.

WSC will return to action on Friday, Nov. 7 when they travel to No. 17 Minnesota Duluth for a 7 p.m. game.

Wildcat football remains sixth in latest Division II Super Regional Rankings

Wayne State College remained sixth in the latest NCAA Division II Super Regional Three Rankings that were released Monday afternoon by the NCAA Division II Football Committee in Indianapolis, Ind.

The Super Three region consists of teams from the Great Lakes Intercollegiate Conference (GLIAC), Northern Sun Intercollegiate Conference (NSIC) and the Rocky Mountain Athletic Conference (RMAC).

The Wildcats are currently 8-2 overall and 7-2 in the NSIC following their 41-17 win over Concordia-St. Paul on Saturday.

The top six teams in the region remained unchanged from last week with Grand Valley State of Michigan (9-0) in first followed by Minnesota Duluth (10-0), Chadron State (9-1), Ashland of Ohio (7-3)

and Minnesota State Mankato (8-2) at fifth.

WSC is sixth followed by Wayne State of Michigan (8-2) in seventh and Michigan Tech at eighth.

St. Cloud State (7-3) and Saginaw Valley State of Michigan (6-3) are new to the rankings this week at ninth and 10th respectively.

Augustana and Ferris State of Michigan each fell out of the regional rankings following losses on Saturday.

Six teams from each of the four NCAA Division II Super Regionals will qualify for the NCAA Division II playoffs that are scheduled to start on Nov. 15.

WSC will close out the regular season on Saturday, Nov. 8 when the Wildcats travel to Bismarck, N.D. for a 1 p.m. NSIC game.

WSC women's soccer outscored 9-1 in weekend season finale

By Casey Schroeder

The Wayne State College women's soccer team failed to reach Northern Sun Intercollegiate Conference (NSIC) post-season play for the second consecutive year following their 5-1 loss to Minnesota Duluth on Sunday afternoon in Wayne.

The Bulldogs improved to 7-10-2 overall and 7-4-2 in the NSIC while the Wildcats finished their season with an overall record of 1-18-1 and 1-12 in league play.

The Wildcats scored the first goal of the game in the 12th minute as Tiffani Kellerman scored her second goal of the season off a corner kick from Stephanie Bright and a pass from Rachel Fuchs to give WSC a 1-0 lead.

The score remained unchanged until the 65:52 mark when the Bulldogs' Lauren Graydon scored to tie the game at 1-1.

UMD's Clare Dahmen then added another score in the 72nd minute of play to increase the Bulldogs' lead to 2-1.

The Bulldogs went on to add two additional goals in a span of 63 seconds to take a 4-1 lead as Maria Leider and Leah Headrick both recorded goals for UMD.

Becky Anderson then scored the final goal of the contest at the 85:26 mark to secure the 5-1 win for the Bulldogs.

UMD held a 21-9 advantage in shots over WSC, which included a 6-2 edge in corner kicks.

WSC goalkeeper Emily Walker had nine saves while UMD goalkeeper Hannah Bengston accounted for two saves for the Bulldogs.

Prior to the Wildcats' loss on Sunday, WSC suffered their first loss of the weekend on Saturday when they were defeated 4-0 by Bemidji State (11-7-1 4-7-1).

The Beavers' Jamie Ford scored the only goal of the first period in the 15th minute of play to give Bemidji State a 1-0 lead at intermission.

Ford later scored her second goal of the game at the 55:58 mark, to put the Beavers ahead 2-0.

Ashlee Ellefsen scored less than three minutes later in the 58th minute of play to increase Bemidji State's lead to 3-0 while Ashley Skog closed out the scoring with a goal at 88:45 to give Bemidji State the 4-0 win.

Bemidji State outshot the Wildcats 14-8 in the contest despite WSC holding a 6-4 advantage in corner kicks with Megan Kenealy registering three of the eight shots on goal for the Wildcats.

Defensively, Walker took the loss in goal for WSC, as she allowed four goals while making seven saves.

Ducks Unlimited sets date for annual fund-raiser

The Wayne Area committee of Ducks Unlimited will host its fourth annual Auction and Banquet at The Laurel VFW Hall on Saturday, Nov. 22 at 5:30 p.m.

"We are looking forward to a great crowd at this year's Banquet," said committee chairman Kent Bearnese of Laurel.

Northeast to offer EMT workshops

The Allied Health Department at Northeast Community College in Norfolk has scheduled several free, one-session workshops for emergency medical service technicians in the area. All workshops are offered for three continuing education units. All will be held from 7-10 p.m. There is no need to pre-register.

The workshops, dates, and locations include Skills Night, Wednesday, Nov. 12, Homer; Concealed Weapons, Monday, Nov. 17, Osmond; Skills Night, Tuesday, Nov. 18, Neligh.

These programs are funded in whole or in part with public funds provided through the Preventive Health and Health Services Block Grant administered by the Nebraska Department of Health and Human Services System Emergency Medical Services Program.

Bearnese appointed area chairman of Wayne Area Chapter of Ducks Unlimited

Kent Bearnese of Laurel has been appointed Area Chairman of Ducks Unlimited, the international leader in wetlands, waterfowl, and wildlife conservation.

In his volunteer position, Bearnese will help develop and administer fund-raising events within the Laurel area. Bearnese will also serve as a liaison between DU and other local conservation groups and governmental agencies.

For nearly 60 years, Ducks Unlimited has been helping to conserve North American wetlands. The majority of the organization's funds come from membership din-

"Everyone is welcome at the banquet, which will feature auctions and raffles of wildlife and sporting art as well as goods and services donated by area businesses. Proceeds from the event will go to support DU's wetlands and waterfowl habitat conservation efforts in Nebraska, the U.S., Canada, and Mexico."

Ducks Unlimited was formed to provide for the life cycle needs of North America's migratory waterfowl by protecting, restoring, enhancing, and managing important wetlands and associated uplands. DU is the world's largest private sector waterfowl, wetlands, and wildlife conservation organization, with one million supporters and members in the U.S. Since its inception in 1937, DU has conserved over 46,500 acres of waterfowl habitat in Nebraska. DU has completed over 12.3 million acres of habitat conservation projects in all 50 States as well as Canada and Mexico. These projects provide critical habitat for waterfowl as well as 900 other species of wildlife.

Pedersen earns Turkey Federation promotion

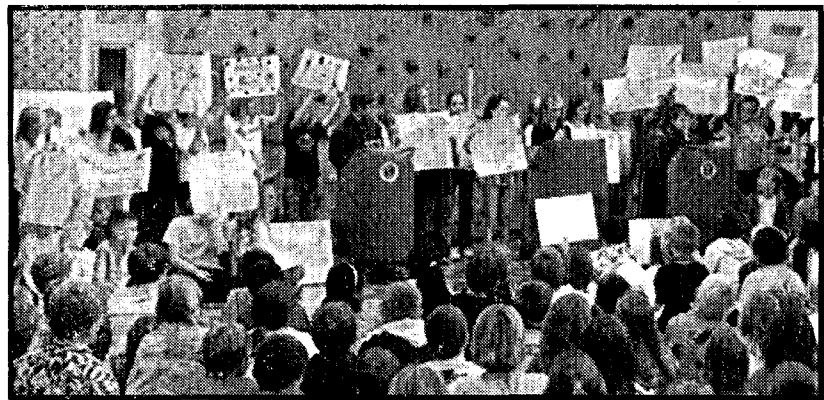

Joel Pedersen, who has worked for the National Wild Turkey Federation (NWF) since 1999, was promoted from his position as a senior wildlife biologist to director of land access programs.

Pedersen grew up in Wayne, and currently resides in Edgefield, S.C. He earned a Bachelor of Science degree in Wildlife Biology from the University of Nebraska at Kearney and a Master of Science degree in Wildlife and Fisheries Science from the University of Tennessee. Pedersen went on to work for the Florida Fish and Wildlife Conservation Commission as a District Wildlife Biologist and is a certified Wildlife Biologist through The Wildlife Society.

He is the son of Randy and Rozan Pedersen of Wayne.

Pedersen's duties in his position include coordinating the NWF's Hunting Heritage Super Fund Program and managing the NWF's land access initiatives, which include More Places to Hunt

and Wild Turkey Country. More Places to Hunt is designed to help increase land available to the public and Wild Turkey Country is NWF's conservation easement program, which provides incentives for wildlife habitat protection on private land.

Political campaigning was part of the recent Character Shines assembly at Wayne Elementary School.

Presidential 'debate' part of Character Shines assembly

A lively presidential debate was held at Wayne Elementary School on Oct. 30 as part of the "Character Shines" assembly program.

The Character Shines word for October and November is "Citizenship." Fourth grade students, under the direction of their teachers, Ms. Sandy Spethman, Mrs. Kris Janke and Mrs. Lori Ruskamp, presented a debate moderated by Gabrielle Lutt.

In the debate, Senator "Maverick McCain," played by Payten Gamble, and Senator "Barack Obamarama," played by Tyler Lutt, discussed what citizenship really means. The rest of the fourth grade students simulated a presidential campaign rally with posters for both sides.

Students of the Month were recognized by Mr. Daryl Schrunck, principal and Ms. Joan Sudmann, Counselor, with certificates and buttons, and October birthdays

were celebrated. Mr. Schrunck also recognized some of the many students who received lighthouses this month, for being caught with their good character shining through. Citizenship is shining brightly at Wayne Elementary School!

Character Shines Students for the month of October include:

Kindergarten: Lutt — Tanner Sievers; Meyer — Paige Milliken; Heikes — Treyton Blecke.

First grade: Colleen Janke — Brock Hopkins; Maas — Hailey Backer; Ostrand — Kelsey Heggemeyer.

Second grade: Suehl — Drew Buck; Wall — Allison Clausen; Jaixen — Marcus Fertig.

Third: Garvin — Nate Burrows; Thomas — JC Standley; Hansen — Dawson French.

Wayne Optimist met Oct. 28 at Tacos and More.

President Bob Keating introduced the speaker for the evening, Kent Franzen. Franzen shared information about the importance of the one percent Sales Tax and what it would generate for the community. He also encouraged the group to exercise their right to vote at the coming election.

Following the presentation, there was discussion about the Wreath Display and auction that will be held in December in conjunction with the community Christmas celebration. No decision was made.

It was agreed to sponsor the Schwans man for the Linda Belt benefit Sunday, Nov. 9 at the Wayne Armory. Some discussion also followed concerning arrangements for the Christmas on Main Soup Supper at Our Savior Lutheran.

The meeting closed with the Optimist Creed.

Homebuyer's workshop returns to NECC

Another session of the Homebuyer's Workshop is planned in November at Northeast Community College in Norfolk.

The Homebuyer's Workshop meets Thursday, Nov. 13, Tuesday, Nov. 18, and Thursday, Nov. 20, from 6-10 p.m. in the Lifelong Learning Center on the Northeast campus in Norfolk. The workshop is sponsored by Northeast Community College and NeighborWorks Northeast Nebraska.

This class is designed to help take the uncertainty out of the home-buying process. The workshop will take participants through the home-buying process step by step from deciding if home ownership is right for them, shopping for a house that meets their needs, obtaining a home mortgage, and maintaining the home after it is purchased.

To register for this \$25, three-session workshop, call NeighborWorks Northeast Nebraska (402)379-3311.

Drivers urged to prepare for winter

It's time! Forecasts are calling for the first snow. Drivers aren't usually prepared for winter driving, and forget to take it slow.

Remember, surfaces get slippery when they get wet. Drive well below the posted speed limit and leave plenty of room between vehicles. Whether it is ice or snow, take it slow!

Roads that seem dry may actually be slippery and dangerous. Take it slow when approaching intersections, off-ramps, bridges or shady areas — all are prime spots for this "black ice." Stay attentive and know what's going on around you. Your visibility may be limited.

Drive Carefully Around Snowplows

Distance — Give snowplows room to work. The plows are wide and can cross the centerline or shoulder. Don't tailgate and try not to pass. If you must pass, take extreme caution and beware of the blowing snow cloud.

Speed — Snowplows travel below the posted speed limit. Be patient.

Vision — A snowplow operator's field of vision is restricted. You may see them, but they don't always see you. Keep your distance and watch for sudden stops or turns.

Ice and Snow...Take it Slow

Speed — The faster you're going, the longer it will take to stop. When accelerating on ice or snow, take it slow to avoid slipping and sliding.

Distance — Give yourself extra space. It takes longer and farther to bring your car to a stop on slick

and snowy roads. Leave room between you and the vehicle in front of you.

Brake — Brake early, brake slowly, brake correctly, and never slam on the brakes. If you have anti-lock brakes, press the pedal down firmly and hold it. If you don't have anti-lock brakes, gently pump the pedal. Either way, give yourself plenty of room to stop.

Control — When driving on ice and snow, do not use the cruise control. Avoid abrupt steering maneuvers. When merging into traffic, take it slow. Sudden movements can cause your vehicle to slide and you will lose control.

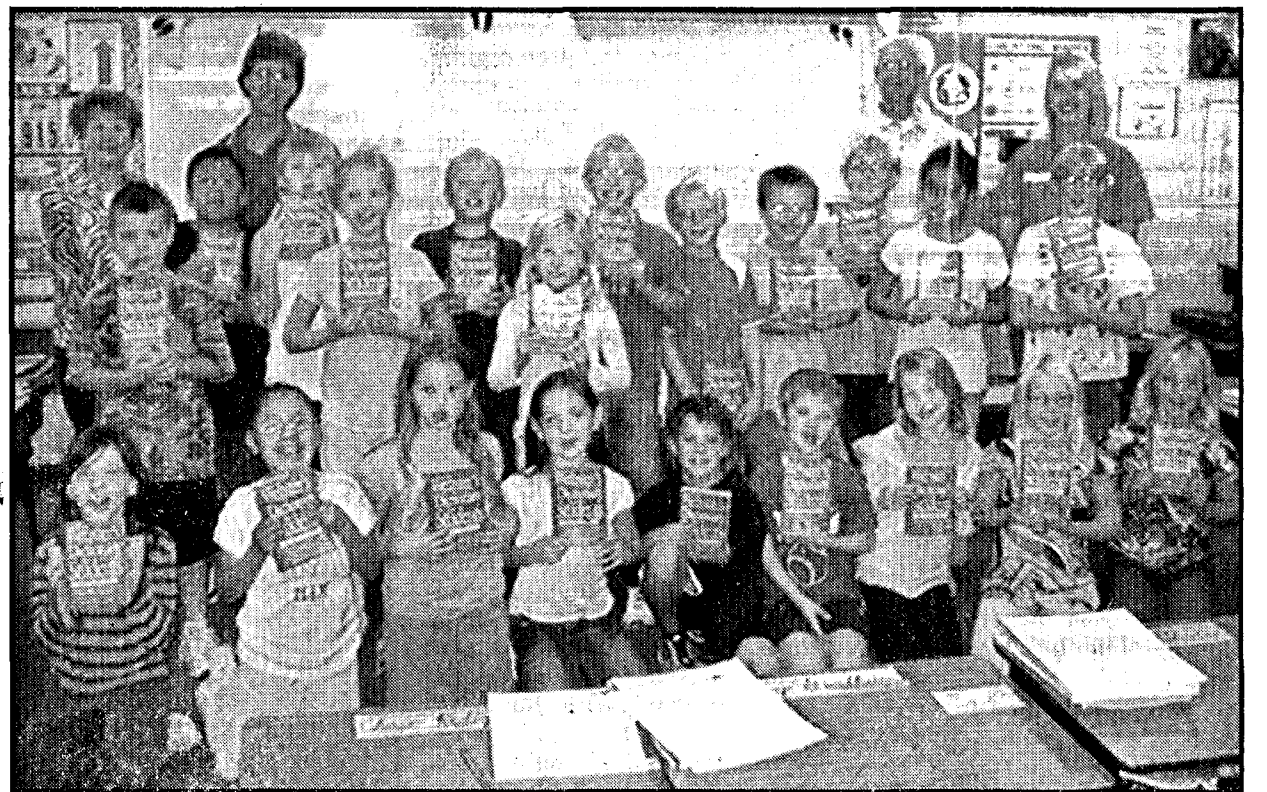

Vision — Be aware of what's going on well ahead of you. Actions by other vehicles will alert you to problems more quickly, and give you that split-second of extra time to react safely.

Knowledge — Before leaving home, find out about the driving conditions. Safe drivers know the weather, and their limits. If the weather is bad, remember, "If it's snowing, should you be going?"

Clear — Remove any snow on your vehicle's windows, lights, brake lights and signals. Make sure you can see and be seen.

Inspect — Check your vehicle's tires, wiper blades, fluids, lights, belts, and hoses. A breakdown is bad on a good day and dangerous on a bad-weather day.

Time — Leave plenty of time to reach your destination safely. It's not worth putting yourself and others in a dangerous situation just to be on time.

Rotary gives dictionaries to third graders

Third graders in area schools have received new dictionaries thanks to the Wayne Rotary Club. Local students who received dictionaries were Wayne, Wayne St. Mary's, Winside, Wisner-Pilger, Pender, Emerson-Hubbard, Wakefield, Allen, Laurel-Concord and Coleridge.

Wayne Rotary Club partnered with The Dictionary Project in this activity. The goal of the program is to assist students to complete the school year as good writers, active readers and creative thinkers by having their own dictionary.

The third grade has been targeted and The Dictionary Project is

striving to give every third grade student in the U.S. their own dictionary. To date, there have been over seven million children who have received a dictionary thanks to the generosity of sponsors, such as individuals and organizations like Rotary, who have been participating in The Dictionary Project.

Another Northeast information night for adults to explore college possibilities

Adults recently displaced from jobs or considering a career change are encouraged to attend a special evening of college and career exploration at Northeast Community College in Norfolk.

An Information Night for Adults is scheduled for Wednesday, Nov. 19 from 6:30-9 p.m. in the Maclay Building, Room 100B, on the Northeast campus in Norfolk. Alternative class schedules, financial aid, and special services will be explored.

According to Lisa Reifnath, Northeast advisor, Northeast Community College can assist adults in these times of financial insecurity. "Things change rapidly these days," she said. "What some once considered job security is no longer there in many occupations. Northeast Community College is an ideal place to start over on a new career path."

"There are countless adults in the area thinking of changing careers," she said. "But they have lots of concerns about obtaining more education to do that," she said. "For some it is a full-time job that requires a non-traditional class schedule. Others are worried about a lack of technological skills. And even though gas prices are coming down, some still worry about paying for classes and gas to get to classes."

Participants will be told they can now take several courses on-line

through Northeast Community College. They will also learn that degrees in architectural drafting, administrative assistant, paralegal studies, entrepreneurship, business management and business administration can be earned on a part-time schedule. Paramedic, medication aide, nurse aide, and getting started in a health career classes will also be discussed.

Other programs of study to be reviewed include agribusiness technology, renewable fuels, electromechanical technology, culinary arts/dietary management, success in on-line learning, and professional truck driver training. Participants will hear that a degree in business can be earned by taking all classes at the Northeast Education Centers in West Point, South Sioux City, and O'Neill.

Financial aid, tutoring, library resources, career planning, child care, and disability services will also be reviewed. Participants will learn that students taking only six credit hours are eligible for federal loans. The New Beginnings Program, a support program for single parents and displaced homemakers, may provide financial assistance for tuition, textbooks, supplies, mileage, and childcare expenses.

Spring semester classes begin Friday, January 12, at Northeast. Those taking six credit hours or

more must complete an orientation session before the first day of class.

For information or to register for the Information Night, call Lisa Reifnath at (402)844-7269.

Holiday photo project class coming up at NECC

Create a holiday letter or newsletter that draws a 'wow' when opened after taking a Photoshop Elements Holiday Photo Project class at Northeast Community College in Norfolk.

The one-session class is for those who have taken a Photoshop Elements class and want to use their skills for a special holiday project. With course number DP 0300-06/08F, it will be offered Thursday, Nov. 13, from 6:30-9:30 p.m. in the Lifelong Learning Center.

Each student will be able to create their own special project in this class. They may choose a photo collage holiday letter, photo calendar, or photos with special effects for gift giving.

Students are asked to bring their own digital images to feature in their project. A scanner will be available. Chris Mannel is the instructor of this class with a cost of \$10.

To register, call Northeast Community College at (402) 844-7000.

NECC is again site of Income Tax Institute

Northeast Community College in Norfolk is the site of the 54th Annual Federal and State Income Tax Institute scheduled for Monday and Tuesday, Nov. 24 and 25.

This income tax institute will be held from 8 a.m. until 5 p.m. in Northeast's Lifelong Learning Center. It is being brought to Northeast Community College through the University of Nebraska (UNL) Department of Academic Conferences.

Expert presenters Frank Gaines, Gary Bredensteiner and Jan Mumm will guide participants through new legislation and income tax updates for the 2008 filing season. This UNL-sponsored institute is an accessible, practical resource for professionals across the area who prepare tax returns. The attendees of the UNL Federal and State Income Tax Institute will be presented with the 2008 tax

changes in effect and 2008 tax updates to expect.

Each year, more than 1,000 tax professionals and other business professionals turn to this well-established, two-day institute for comprehensive, up-to-date information. Participants report that attending the institute is an invaluable means of helping them provide high-quality service to their clients.

The \$255 registration fee includes all materials and refreshment breaks.

You may register online at <http://conferences.unl.edu/tax/> or by phone at (402)472-5722. For more information on the Federal and State Tax Institute, please call (402)472-5733. Or check the website at <http://conferences.unl.edu/tax/index.cfm> or Email: conferences@unl.edu

NECC is site of Money Smart Nebraska workshops

Northeast Community College in Norfolk joins members of the Nebraska Financial Coalition to offer several financial workshops Nov. 10-12 during Money Smart Nebraska Week.

The Nebraska Financial Coalition is a diverse group of more than 50 Nebraska banks, businesses, schools, libraries, and other organizations working together to promote personal financial literacy. The goal of the coalition is to help all Nebraskans no matter the age to become better educated on how to successfully manage their personal finances.

All Norfolk sessions will be held at the Lifelong Learning Center on the Northeast campus. All sessions are free and open to the public.

Activities kick off Monday, Nov. 10, at 2 p.m. At that time, participants may choose from concurrent sessions that include "Money Smart Consumers" by Northeast business instructor Linda Miller; "Financial Tips" by US92 Radio Personality and Registered Financial Advisor Dave Amick; "Financial Statements 101" by an accountant from the Christensen Brozek Faltys accounting firm, or "Banking Safe and Sound" by Leisa Piper of First National Bank. Sessions from 3-3:50 that day include "Life Insurance" by Jay Knobbe of Jay Knobbe Insurance, another "Financial Tips" session with Amick, and "Employee Benefits for Businesses to Offer" by Christensen Brozek Faltys.

Sessions scheduled for 4 p.m. Monday, Nov. 10, include "Pay Now or Pay Later" (estate planning) by Attorney Dave Ptak, Amick's "Financial Tips," and Sgt. Mike Bauer of the Norfolk Police Division, with his session, "Identity Theft." Participants may also hear Piper's "Banking: Safe and Sound" on Monday at 4 p.m.

Sessions Monday, Nov. 10, at 6 p.m. include "Pay Now or Pay Later" by Ptak; "College Financial Aid-What You Need to Know" by Northeast's Financial Aid Director Stacy Dieckman; "Tips for a Lifetime of Investing" by Dan Goeken of Olsen, Goeken and Associates, LLC. Realtor Karen Peterson of Re/Max Associates will speak Monday, Nov. 10, at 7 p.m. on "Real Estate," while Jody Carlson of NeighborWorks will present at 7 p.m. on "Homebuyers Education."

Monday's activities will close with 8 p.m. sessions by John Burns

of Home for Funerals on "Funeral Planning" and another "Homebuyers Education" session by Carlson.

On Tuesday, Nov. 11, participants may choose from sessions at 6 p.m. entitled "Make Your Money Talk" by Northeast Business Instructor Sara Barritt, a session by Lori Uribe with Consumer Credit Counseling Services of Nebraska entitled "Basic Budgeting and Credit Management," and another "Banking: Safe and Sound" by Piper. Sessions at 7 p.m. include Miller's "Money Smart Consumers," a session by Christensen Brozek Faltys entitled "College Planning," Goeken's "Tips for a Lifetime of Investing," and Piper's "Banking: Safe and Sound."

Final sessions Tuesday at 8 include Sgt. Bauer's "Identity Theft," Christensen Brozek Faltys' presentation on "Retirement," Uribe's, "Basic Budgeting and Credit Management," and Piper's banking session.

Activities conclude Wednesday, Nov. 12, at the Lifelong Learning Center. Participant may choose from sessions at 2 p.m. on estate planning by Ptak, financial planning by Amick, and banking by Piper. Sessions Wednesday at 3 include "Developing Your Personal Financial Plan" with Northeast Business Instructor Angie Shaffer, Amick's financial tips session, and Carlson's homebuyer's education.

The three-day event will conclude Wednesday, Nov. 12, at 4 p.m. with Shaffer's session on personal financial plans, Goeken's lifetime of investing, Carlson's homebuyers education, and Piper's banking session.

The Norfolk Public Library and Hastings Books, Music & Videos will feature a Money Smart Nebraska display with a large selection of personal finance and investment titles to choose from.

"In this day when everyone is concerned about family and business finances," said Linda Miller, Northeast business instructor, "many will find these sessions very informative and helpful. We encourage anyone interested in improving their financial savvy, regardless of age, to attend any or all of these sessions."

Pre-registration is not required. For more information, contact Miller at (402)844-7302.

Participate in National Immunization Day in Bangladesh

As members of the first Multi-National Team to take part in a National Immunization Day in Dhaka, Bangladesh on Dec. 8, 2007, Sharon and Dan Wherry were two of 700,000 volunteers who helped to immunize 24 million children in one day. They reached 98.2 percent of the children under five years old. These numbers are staggering when you consider that Bangladesh is the size of Iowa - but has 156 million people total!

Rotary International began their Polio Eradication Campaign in 1988 when there were 350,000 chil-

dren per year paralyzed by the ravages of that disease. Since then, Rotary's 1.2 million members have raised \$633 million and joined with the WHO, the CDC and UNICEF in a 19 year battle that is getting closer to the end.

Of the 857 total worldwide cases reported this year, most were in northern India (628) and the rest in Pakistan, Afghanistan and Nigeria. In Delhi, India they heard a report from the World Health Organization that this summer, for the very first time, there was no spike in cases in India which lead

Dan Wherry gives out bars to school kids.

them to conclude that they are closer to stopping the spread of the disease.

During the two weeks in India and Bangladesh, their team visited heart and cataract hospitals, Rotary low income housing projects and Mother Teresa's orphanage in Kolkata so that they could distribute medical and dental supplies, clothing, antibiotics, toys, vitamins, and bandages. The poverty, malnutrition, and chronic disease of this region are just overwhelming.

"To be able to visit polio victims in Dhaka and then to participate as Rotarians in the immunization campaign to help rid the world of that debilitating disease was an experience that my husband Dan

and I will not soon forget," Sharon said.

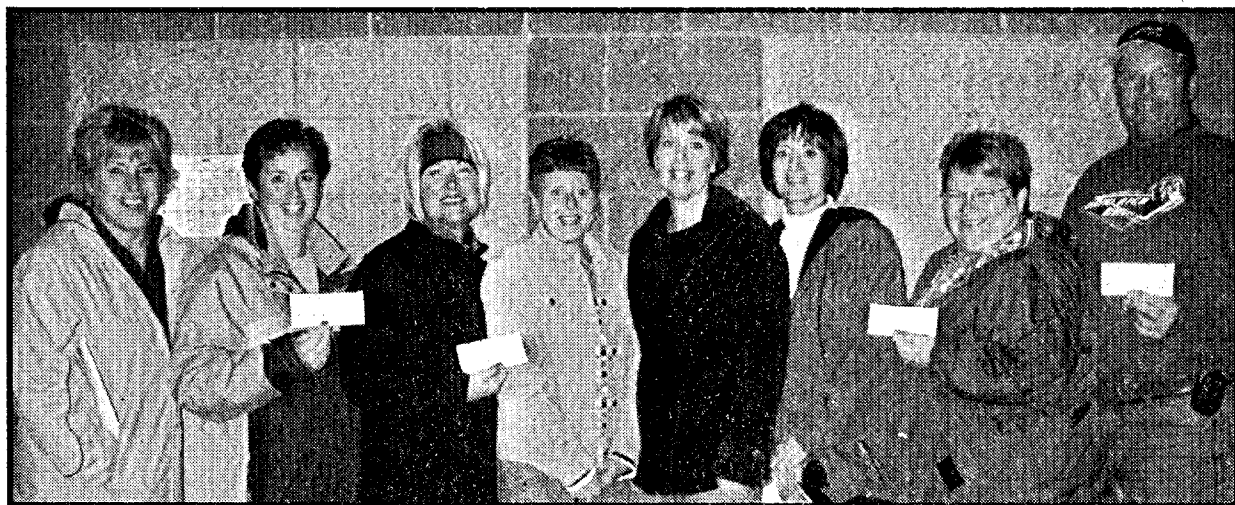

She continued that as gratifying as the mission trip was, it felt good to come home. Nebraska is a galaxy away from the congested roads and sidewalks, the garbage strewn streets, the subterranean toilets, and the blanket of dirt covering everything.

Sharon added, "We did find Nebraska had one thing in common with both countries we visited - like us they are a kind, gentle, and family-oriented people and superbly hospitable."

Sharon and Dan Wherry are members of Lincoln Rotary Club 14. Sharon is District 5650 Governor and Dan is Club 14 President Elect Nominee for 2009-10.

Letters

Correction

In a letter to the editor from last week's edition of the Herald, one word was incorrect.

The last paragraph of the letter should read as follows:

I say "Economies exist, survive, recover and/or thrive, not because of government, but in spite of it."

Douglas P. Nelson, Wayne

Not happy with brick sidewalks

Dear Editor,

This is primarily to the good people of our fair city who promote the brick trim of our sidewalks downtown.

First of all, the brick becomes terribly slick in the winter and there is no way to walk around the corner, or get into your car without walking on them.

We elderly have enough trouble staying on our feet. We don't need this one more burden.

Second, has anyone tried walking across the brick with a walker? It doesn't work. You have to carry the walker and what good does it do you then. It's nice to make our city inviting, but let's think about our own residents, which we have a lot of elderly. I feel we should have a cement path across the brick, or a chair lift to get us across the street.

Thank you.

Bonna Barner, Wayne

Responding to letter

Dear Editor,

It's two days before the election and I would like to thank everyone that took the time to vote. I am Don Buryanek, running for reelection as councilman, 4th Ward, Wayne Nebraska after 8 years of service.

There are lots of reasons to vote for or against a candidate but I would like to bring to your attention one that is NOT. I hesitate to write a letter to the editor on this topic as it appears to add an air of legitimacy to the act. At the same time I feel people need to be aware of smear tactics that have been used in more than one local election. Because of actions like this it's a wonder we can get anyone to run for public office.

I am referring to a letter that was mailed to many residents of the 4th Ward from "Citizens Against Don Buryanek." Several people approached me with copies of this letter wondering where it came from. The flyer did not identify any of the concerned citizens or have a return mail address. I did visit with John Haase, my opponent, and he assures me that he personally had nothing to do with the letter.

There are six items on the flyer.

1. The flyer states "Don Buryanek spends your tax dollars like a drunken sailor". For the "Citizens Against Don Buryanek" I would like to point out that an 8 member council, the mayor, the city administrator, the city treasurer and department chairs collectively decide on the budget and how your tax dollars are spent. One person does not have control. (Of course you knew this)

2. "Don Buryanek supports an incompetent building inspector, just talk with any of our local contractors." "Citizens Against Don Buryanek", the council did just that. We invited all contractors to visit with a small group of council members and voice concerns. We received good comments from the contractors and not one used the term "incompetent" to describe the building inspector. Most of the contractors had positive things to say.

3. "Don Buryanek supports a dishonorable police chief." I have known Lance for longer than I have been on the council. Ask members of his church, any scout and most members of the community.

Dishonorable is NOT the word that describes the chief of police. It WOULD be the word that describes the tactics use by "Citizens Against Don Buryanek."

4. "Don Buryanek supports a 5,000 dollar contribution to the Wayne marketing campaign. This is wasted money. If a new company is interested in coming to Wayne, Don Buryanek has them chased out by the building inspector." "Citizens Against Don Buryanek", let's get real. I have served on the Economic Development Board of this community for three years and the council for eight. We, the council and the Economic Development Board, are concerned about new jobs, new businesses and attracting people to this community. What do you think 5,000 dollars, along with funds from local business, is being spent for? It is for business attraction, community exposure and attracting people to "Wayne America". (That's why the helicopter was flying around town.)

5. "Don Buryanek supports making Wayne into a giant concrete pad." I don't support making Wayne into a giant concrete pad. I do think that you should find a place, other than the grass of a front yard, to park vehicles. I was in favor of using aggregate as the minimum surface, even in the terrace, but it was not included in the final draft of the ordinance. Yes, I did vote for the final draft.

6. "Don Buryanek supports having Wayne senior citizens arrested. If your grandma goes to jail for feeding a stray cat, remember that Don Buryanek helped put her there. Don Buryanek helped develop this ridiculous ordinance and was even on the radio bragging about it. He was supported by Willis Wiseman and Dennis Linster and look where it got them - booted off the city council." The "cat" ordinance was brought to council as a complaint from a number of concerned citizens. The short version is if your neighbor is feeding 20 to 30 cats and the cats are using your back yard as a litter box would you NOT want some reasonable limit or control. The ordinance limited the number of cats per household. If your grandma has 30 cats maybe she needs help. (I do like cats and I love grandmas)

#6 also mentions that I was supported by Will Wiseman and Dennis Linster, two former councilmen. I have known Will for a number of years, he is my doctor. I have hunted with him, spent time in his wood shop and shared a whiskey and a cigar. I count him as a friend.

I have know Dennis Linster for over 30 years, ever since I was a student at WSC. Dennis was one of my instructors in the 70's. Over the past 40 plus years we have taught each other many things, enjoyed fishing, hunting and worked side by side at WSC. He knows my family, I know his. I count him as one of my best friends. If I do get "booted" off the council I will still be in the company of friends.

Several weeks ago I was asked by a neighbor what I would do if I lost the election. My answer was, "Either way it turns out, I will celebrate. Life is too short to worry about things like a city council election."

Serving on the Wayne Council has been an education. I have learned much more than I could have imagined. But, win or lose, "Citizens Against Don Buryanek", take a hike. I don't believe for one second that the tactics you used changed the mind of any informed reasonable citizen.

Thanks to those who voted for me in the past and the current election. More important, thanks to my family and friends for their encouragement and support. After all, its family and friends that have your back.

First amendment freedoms vital to reporters

By Ed Howard
Statehouse Correspondent
The Nebraska Press Association

There are lots of reasons to give the First Amendment one's wholehearted support.

This is especially true for reporters, since their livelihood depends in large measure on the freedoms of speech, press and religion.

After all, many a young newspaper reporter has been assigned to cover a speech, seen his story go to press, and then prayed he got it right.

Beyond representing the quintessence of America, the First Amendment contributes doubly to the lives of reporters. By guaranteeing freedom of speech, it thereby guarantees that there will be speeches - most notably by politicians and public officials - so that reporters will have something to ... report on.

That's why I'm always ready to beat the drum, blow the horn and even wave the flag when it comes to making sure the market place of ideas remains open 24-7 so that people can speak their minds, and that other people can hear them if they wish.

And that's why, from a reporter's standpoint, it would have been more than okay with me if one-time wannabe revolutionary William Ayers had been allowed to speak at the University of Nebraska.

It would have been interesting to report on his talk. Whatever he talked about. Lots of people would have listened, lots of people would have reacted to his speech as well as to the simple fact that he was allowed to make a speech.

Free speech within the limits recognized by the U.S. Supreme Court (particularly that part about not yelling "Fire!" in crowded theaters) isn't just a bedrock of American freedom. It's the source of news stories!

With those observations on the

record, there are some other things - simple matters of fact - to consider in the wake of the brouhaha over the Ayers appearance that never was.

It was troubling to hear a few people argue that Ayers had been denied his "right" to free speech. He was not. No one has a "right" to give a speech at a public university. Ayers was invited to appear. The invitation was withdrawn. Period.

People can disagree, and they have, over whether withdrawing Ayers' invitation was a good thing or a bad thing. But the issue is one of propriety - not free speech.

You have a right to speak your mind. You rarely have a right to a particular forum. If William Ayers wants to make a speech in Lincoln, or anywhere else, he can do it. He

and/or others can arrange a public or private venue. He can sell tickets, do it for free, organize a forum or seek a permit for a parade. So can you.

Discomfiture can appropriately set in among First Amendment huggers when someone with a controversial message is denied the opportunity to be heard in high-profile forums - such as universities or national political conventions - because of real or perceived political pressure.

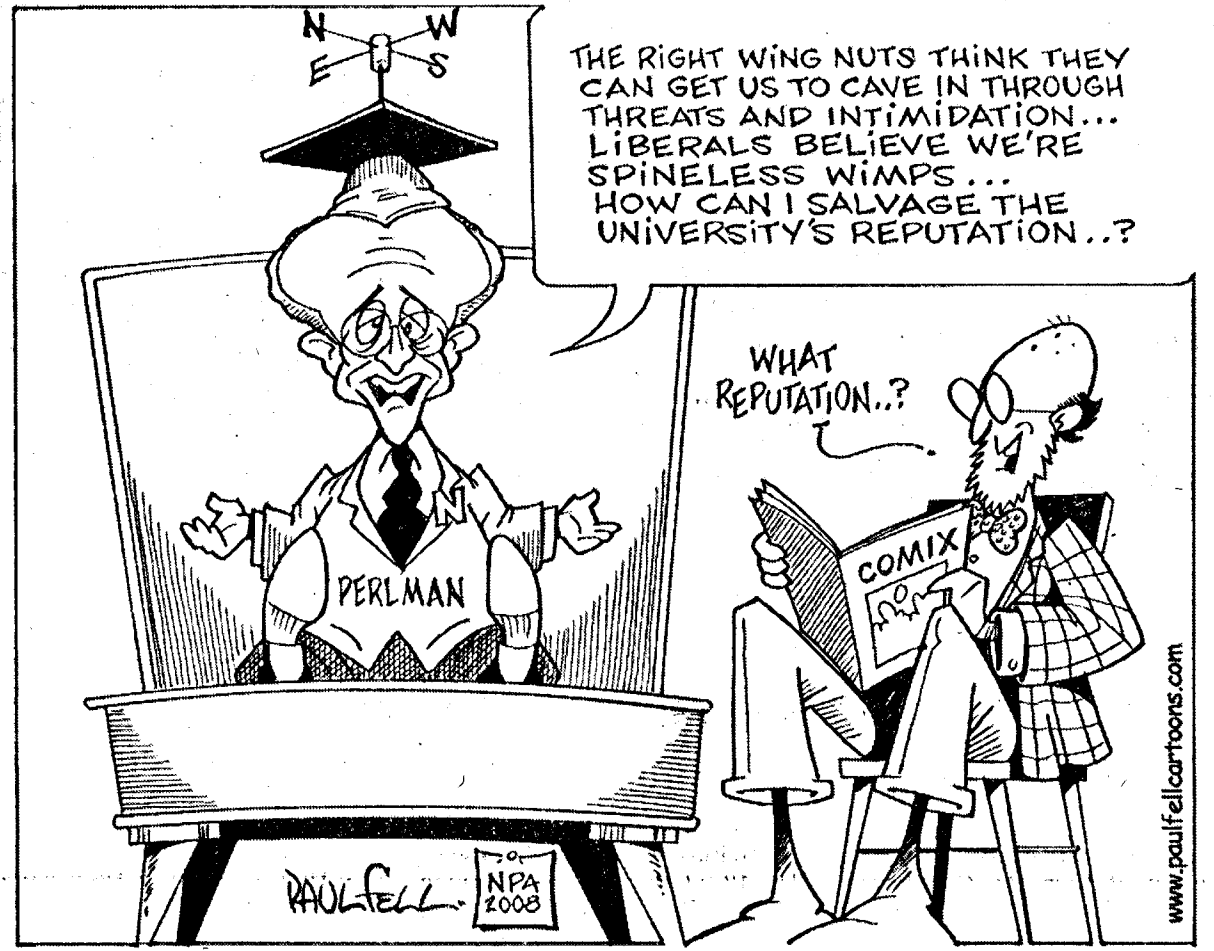

UNL Chancellor Harvey Perlman said Ayers' invitation was withdrawn because of security concerns; and he acknowledged it would be for others to decide whether he acted appropriately.

Circumstances vary but the principle is constant.

Think of it this way:

If Charles Darwin were alive and on the lecture circuit, I would travel a long, long way to hear him and report on it. And to interview the protesters and write about them - including any who might have fits about Darwin being allowed to speak, and arguing that his ideas were insulting to God.

And if Nebraska's own William Jennings Bryan returned from the Great Beyond and went on tour opposing Darwin and the notion of Evolution and the teaching of it in public schools, I would want to hear him and write about it. Ditto with the protesters who would dog his tour - including any who might have fits about Jennings being allowed to speak, and arguing that his ideas were insulting to God.

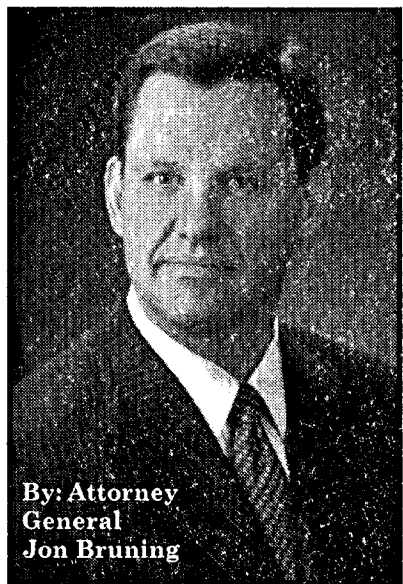

'Dogfighting in Nebraska - stop the cruelty, protect our communities'

Dogfighting is a violent crime that tortures and kills animals, and it's happening here in Nebraska. Many local humane societies have seen mauled dogs come through their doors, some with injuries so severe, they couldn't be saved. But dogfighting affects more than dogs, it endangers the safety of our communities.

We know those who hurt animals are more likely to be violent toward people. Drugs and guns are commonly found at the scene of dogfights, and in some cases parents actually take their children to the matches. A person from a local humane society recently shared a disturbing story with me.

He said he was watching a tape of a dogfight and in the background you can hear a child crying and screaming, "I want to go home." The child's mom says, "We're not going home until that dog is dead." Kids who witness these vicious acts are desensitized to violence and taught that cruelty is acceptable. Animal cruelty is never acceptable. That's why I've partnered with the Humane Society of the United States and animal welfare groups to raise awareness and offer a dogfighting information reward program to increase reporting of this illegal activity.

People who put on dogfights are hard to find and so are the unlicensed breeders. It's an underground community and fight locations and kennels are disguised very well. This is where we need

Increasing international student numbers please Northeast Board of Governors

Visitors walking through the halls or student cafeteria at Northeast Community College will notice an increasingly international flair.

International student numbers continue to rise at Northeast. When classes began in August, 40 international students representing 17 different countries were enrolled. They came from the Bahamas, Kosovo, Grenada, India, South Korea, Sweden, Sri Lanka, Brazil, Colombia, Kenya, Bulgaria, Malawi, Ireland, the Ivory Coast, Iraq, Zambia, and Australia. Many in this group are returning students.

Northeast has 15 students from Columbia this year. Eleven of them have been referred to Northeast through a company in Bogotá called Open Hearts Global Education.

The Northeast Board of Governors continues to appreciate the increasingly-diverse student population at the college. "As a fairly-new member on the Board, I was pleasantly surprised to hear that Northeast attracts such a large number of international students," said Member-at-Large Marlin Meisinger.

"Those students help our entire student population become better-educated, better-rounded individuals," he said. "International students can offer experiences and insights that most Nebraskans, or Plains States individuals, will never experience."

According to Shelley Lammers, international student advisor, Northeast has more international students this year than ever before. She said foreign students find their way to Northeast via the Internet or through a family or friend. "They can find our low tuition rates on the Internet or referral companies like Open Hearts. And often past or present international students will refer a family or friend here," she said.

Vanessa Gordillo, Bogotá, Colombia, found her way to Norfolk through Open Hearts Global Education. "I like it here and think the costs are inexpensive," Gordillo said. "I would recommend Northeast Community College to other students because you can save a lot of money on your first two years of college before transferring to a four-year university."

James Brian Lyght of Grenada is another example. Brian, as he is called, started at Northeast in the spring of 2007 and his cousin followed him here this year.

Basketball also brings students to Northeast. This year's men's roster includes players from Brazil, Australia, Kosovo, and the Bahamas, while the women's roster has players from Australia, Ireland, and Sweden. Some are on full-ride scholarships, others receive no scholarship assistance.

Even with Northeast's low tuition, international students often need extra income. Because of their F1 visa status, they can only work for wages on the Northeast campus. Some work on the grounds crew, others find employment in the Northeast weight room, Student Center game room, or College Bookstore. Many are also involved in activities like the Student Government Association, Student Ambassadors, and Resident Assistant/ Student Assistant team (residence hall leadership positions) that award tuition waivers.

Many international students are active in student clubs and organizations too. Most contribute foods, and a song, dance, poem/reading, or native costume to the annual Culture Show each spring sponsored by Northeast's Multicultural Club.

Fall 2008 initiates for UNK sororities are announced

Sororities at the University of Nebraska at Kearney have announced their fall 2008 initiates.

According to Tracy Lungrin, UNK Greek Life coordinator, sorority recruitment allows students interested in Greek Life to visit each of the four sorority chapter houses, meet current members, and learn about each chapter's history, traditions and philanthropy work.

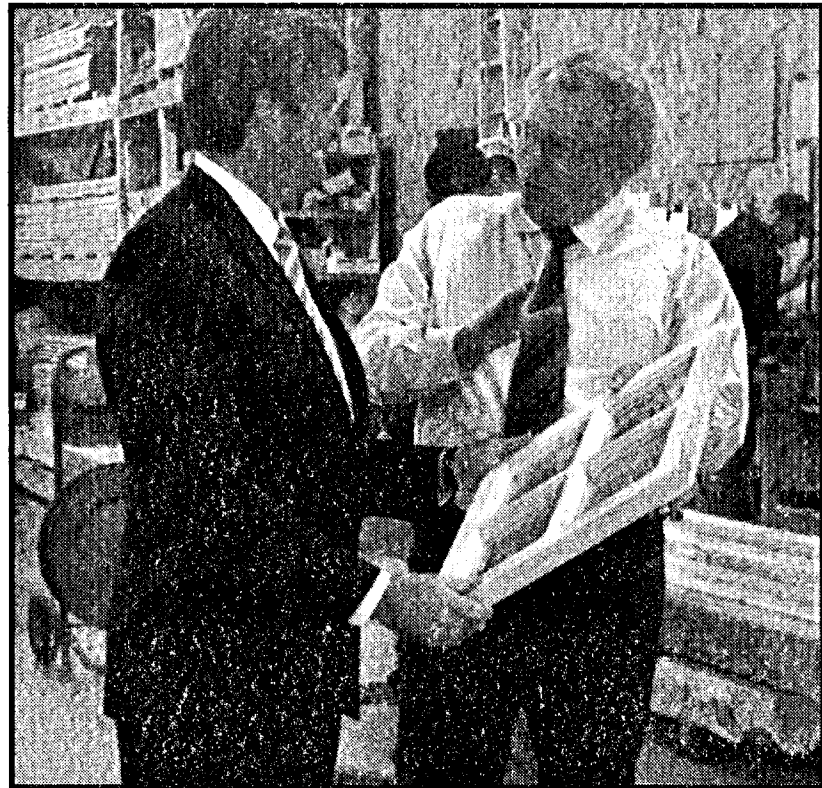

This year's sorority recruitment format was changed for the first time in the more than 40-year history of UNK Greek Life. Due to changes to the academic calendar,

instead of holding activities during the week before school, events were held in the evenings during the second week of the semester. This year, 110 women participated in the formal recruitment process.

"We had a much shorter timeline to execute all the things we needed to do to make recruitment successful," Lungrin said, "but I feel like we had a great deal of support from the faculty and staff."

Local initiates include:

Alpha Omicron Pi — Michaela Staub of Carroll.
Gamma Phi Beta — Whitney Smith of Allen.

tional students face challenges not faced by native students. Many get homesick because they rarely get home. Others find our winters a challenge. "I heard that one of our Kenyan students, new to Nebraska winters, told someone that her bones were cold when we had sub-zero weather last winter."

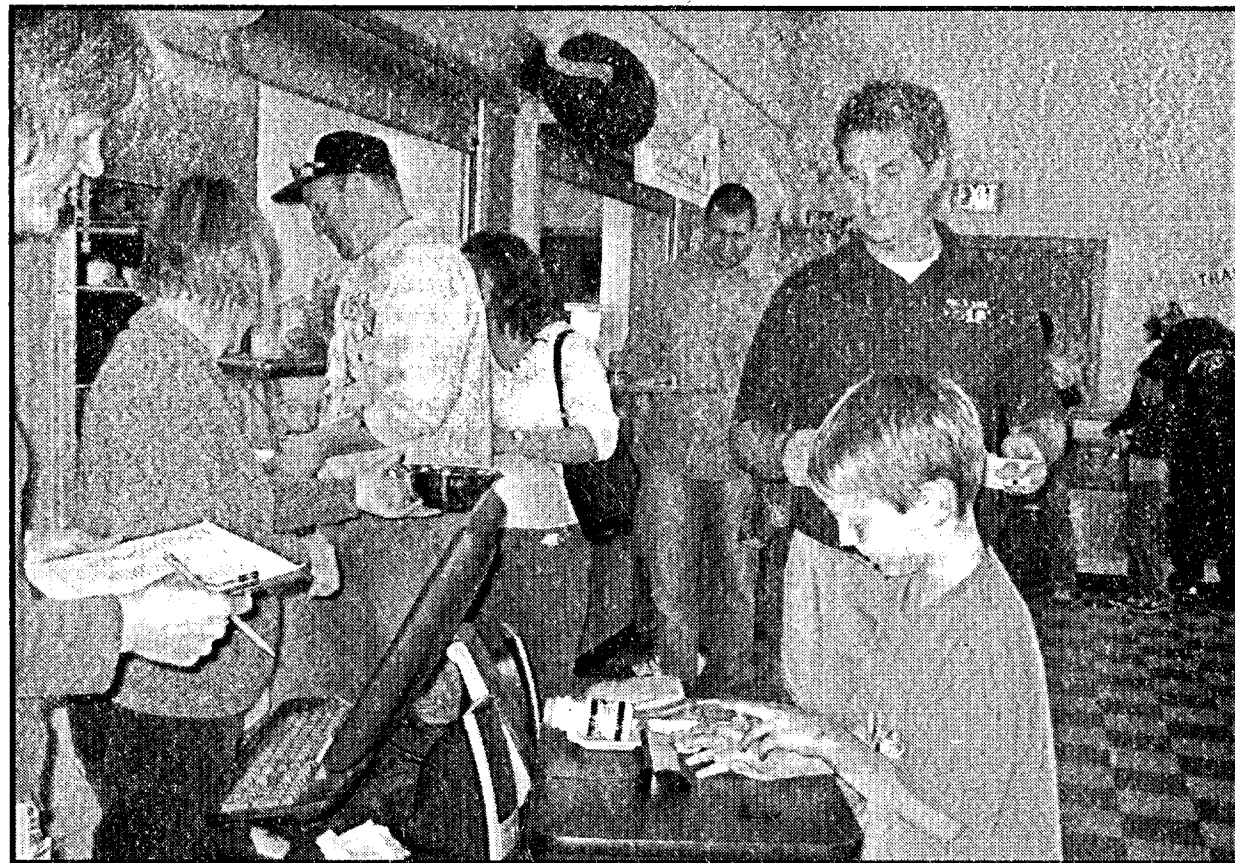

Another Board member, Dr. Don Oelsigle, himself a world traveler, made the suggestion to hire a minority recruiter last year. Ted Myers is fluent in Spanish and has been a great help to the Spanish-speaking population. "We, as a Board, felt it extremely important to add a minority recruiter to our staff," he said. "With our international/ minority numbers on the rise, we knew it was key to have someone to relate to these students in their own language. We cannot, of course, find recruiters who speak every different language on campus, but a Spanish-speaking recruiter has been of great help."

Meisinger echoes that sentiment and hopes for ever-increasing international student numbers at Northeast. "To use the cliché, it is a win-win situation for everyone," he said. "Both the international student and the American student have much to offer each other. Northeast Community College is a better place when we have a diverse student body of many different races, cultures and creeds."

The Dynamic Duo

Emily Bruflat, left, and Edle (Eeedie) Anderzhon will present a junior recital at O'Donnell Auditorium on the campus of Nebraska Wesleyan University on Sunday, Nov. 16 at 6:30 p.m. Emily is a 2006 graduate of Wayne High School. The concert will feature duets and solos on the piano and organ.

Vacationing at home

With higher costs on almost everything and concern about the nation's economy, families may find themselves tightening their belts. Where they may have at one time taken a family vacation every year,

they may find that funds are just too short to take a nice trip. The cost of gas, lodging, and food, may be beyond the budget, let alone the cost of fun stuff to do. It is quite possible to have a

delightful family vacation without leaving your immediate area. If short drives are within your budget, map out how far you can go, do something interesting, and be back home by bedtime. Chances are there are interesting sites within that range that you haven't seen very often, or maybe even have never seen. We sometimes travel great distances to see things but bypass the nearby ones.

Small town museums make interesting stops. Many tiny towns have museums that you may have never considered stopping to see. The scenery of Northeast Nebraska is absolutely breath taking. Take some time to look at it and enjoy the views. Consider asking a farm friend if you can visit the farm. Or consider asking an in town friend if you can visit their business. You'll be surprised how much you can learn by seeing behind the scenes.

It is also possible to have a lot of fun just hanging around your own place. Take time to watch the sun come up or go down, or watch the stars and look for constellations. Have a picnic in the back yard. Toast marshmallows in the fireplace. Play board games, including having board game tournaments. Dance. Make crafts or paint a gigantic picture by the whole family. Who has time for a big breakfast anymore?

During your at-home vacation you can make a huge breakfast and relax and enjoy making it and eating it together. Sing. Invite the neighbors over for soup and salad. Write letters, poems or stories. Talk about family history. Make up silly stories and tell them to each other. Do something for someone less fortunate than yourself.

We can't help think of the past when we list these things as many

of these things were done by generations of families long before the advent of modern conveniences and the overcrowding of the world. Consider making some of those modern things off limits during your at-home vacation. Things such as video games, texting, and even television can be abandoned during this time so you can focus on each other and the fun things you can do without modern entertainment.

During this fun family time, the regular home management things that are usually done all the time can also be put on hold to some extent, even though you're home. It needs to be a vacation time for all family members, including the usual task doers.

Enjoy your vacation at home. It may be the best you've ever had.

Briefly Speaking

Minvera Club learns of early literature

AREA — Minerva Club members gathered at the home of Connie Glassmeyer on Oct. 27. Twelve members answered roll call by telling about their favorite childhood book or story and why.

President Phyllis Rahn began the meeting by sharing cold remedy ideas and reminding members to get a flu shot.

Minutes were read and approved. Treasurer Donna Hansen gave the treasurer's report. A thank you was read from the Red Cross for the donation of \$25. Hollis Frese, historian, read from minutes of Sept. 22, 1969, Oct. 13 and 27, 1969. Many names of former members were recalled.

Each member should bring a food item to the next meeting to be donated to the Wayne Food Pantry. Tabled to next month was the discussion of the gift exchange at the December meeting.

Connie Glassmeyer presented a program about literature in the late 1880's. It was fascinating to learn how the lives of Mark Twain, Jules Verne, Tolstoy, and Helen Keller intertwined.

The next meeting will be at the Senior Center with Donna Hansen as hostess on Monday, Nov. 10.

Acme Club gather

AREA — The Acme Club met Nov. 3 at The Oaks, hosted by Zita Jenkins. All members and one guest, Pat Jenkins, were in attendance. President Betty Wittig called the meeting to order. Delores Utecht held the Thought For Day. Minutes were read and approved. The treasurer's report was given.

The next meeting will be the annual Guest Day to be held at Grace Lutheran Church on Monday, Nov. 17.

Delores Utecht had the program, which was a scavenger hunt.

Women's Club learns of Wheelchair Olympics

WAYNE — The Wayne Women's Club met Oct. 10 at the North Meeting Room of the Wayne City Auditorium.

Beverly Neel presented a program on she and her husband, Bud's experience with the Wheelchair Olympics in Omaha this past summer.

Earlyne Murray was hostess.

The next meeting will be Friday, Nov. 14 at 2 p.m. in the North Meeting Room of the City Auditorium.

The program will be presented by Judy Lindberg and Sandra Metz. It will be on how Family and Consumer Science today evolved from Home Economics.

TOPS members meet

TOPS #NE200 met in the Boardroom of Providence Medical Center on Oct. 29.

There were 13 TOPS and three KOPS in attendance as Leader Twilla Kessinger requested the reciting of the pledges said respectfully.

Roll Call was "What is your favorite thing about Halloween?"

The secretary's report was read by Paula Haisch and was accepted. Tracy Henschke gave the treasurer's report. She was asked to order more bracelets and charms.

Weekly Stats for TOPS showed that Shelley Frevort was the Best Loser and she received her coupon. Shelley earned her bracelet and

will receive it when the order is received.

Weekly Stats for KOPS indicated that Dorothy Nelson was the Best Loser. She received her coupon.

There were no birthdays or anniversaries.

Tracy Henschke reported on the benefit for the Lynda and Mike Belt family at the Wayne National Guard Armory on Sunday Nov. 9, from 11 a.m. to 2 p.m. with Praise Music provided at noon.

Phyllis Rahn and Lois Spencer will have the November contest with points earned with either of Lost, Turtle or Lee Way for KOPS, including exercising three times weekly and keeping a food diary.

Carroll American Legion auxiliary makes tray favors

The Carroll American Legion Auxiliary Unit #165 met Oct. 28 at the Carroll Fire Hall with six members present.

Members made ghost favors for the Veterans' Home. Also, Jo Ann Owens has wrapped orange napkins around some corn candies and tied with string for 80 treats.

President JoAnn Owens present-

ed Pat Roberts with a framed certificate in appreciation for her 15 continuous years as secretary-treasurer of the auxiliary. She also read an article from the Legion magazine entitled "It's Who We Are."

The meeting was called to order and the auxiliary began the meeting with the flag salute, National Anthem and a silent prayer for veterans. Chaplain JoAnn Stoltenberg read the opening scripture and prayer.

Carroll will be the host site for the District 3 Convention and the group will also be in charge of County Government Day in the spring.

President JoAnn Owens asked that everyone vote in the election.

Members filled out the serving schedule for the year.

The meeting was closed with prayer and one verse of "America."

Lunch was prepared by Debbie Hall. Sandra Hall will be hostess for the November meeting.

Fall Rally held in Laurel

Lutheran Women's Missionary League Fall Rally was held Oct. 21 at Immanuel Lutheran Church in Laurel.

The theme was "Gathering Grain as the Sand of the Sea," Genesis 41:49.

Registration showed 36 ladies, two guests and six pastors for a total of 43 people attending.

Pastor Engebretsen of Immanuel Lutheran in Laurel led the hymn singing and opening devotion using the theme's scripture verses.

The group was welcomed by host president Delores Buss. The response was given by Donna Stalling of St. Paul, Concord. Nila Schuttler led the group in the LWML Pledge.

Pastor Steckling of St. Paul in Winside led the Bible study "The Lord of the harvest brings in His harvest in mysterious ways."

President Nila Schuttler conducted the business meeting. The delegate to the National LWML Convention in Portland, Ore. June 25-29, 2009 will be Alice Johnson of St. John's in Wakefield. The alternate will be Wilma Bartels of St. John's in Wakefield. Members would like to have young women representatives attend. The next

District Retreat will be held at Zion Lutheran Church in Plainview in 2009.

Newly elected officers were installed. Nila Schuttler retained her position as president and Alice Johnson became treasurer.

The afternoon's speaker was Pastor Ricky Jacob from Jesus, Our Savior Church and pre-school in Winnebago. Their ministry started 15 years ago and the pre-school started 10 years ago. The pre-school teacher is Jana Englehart.

The collection was a monetary gift for the pre-school needs.

The rally closed with devotions and The Lord's Prayer by Pastor Steckling. Those present sang "Serve the Lord with Gladness."

Those attending the Fall Festival at The Barn enjoyed a hay rack ride as part of the evening's festivities.

Fall Festival held at The Barn

The fall festival at The Barn on Oct. 18, hosted by Journey Christian Church, was enjoyed by many of Wayne's citizens.

The festival included a hay rack ride, face painting, games, crafts, a soup supper, a pumpkin hunt, and apple launching.

"Everyone seemed to be having a great time," said Brook Jech, one of the organizers of the event.

The goal of the event was to get people from all different backgrounds and denominations together to celebrate the season and the fellowship God intended.

"I would say that goal was met. Many people came up and told me they had a wonderful time and asked if we were going to do this again next year. The last time such an event was held was about four years ago. I hope we can do this more regularly than that. It was a lot of fun!" Jech added.

The Barn itself creates such a unique atmosphere.

"Merle and Donna Ring's tireless efforts were well worth it. The Barn has been home to many fami-

ly friendly events. Several families that attended the fall festival had never even been to The Barn.

"They were very impressed and commented on how neat it was. So a special thanks to Merle and Donna for your work and for allow-

Animal Medicine Career Day planned by NECC for Nov. 20

Individuals interested in animal medicine are invited to again take a walk on the wild side during Career Day on Thursday, Nov. 20, at Northeast Community College, Norfolk.

Activities for the Animal Medicine Career Day begin at 9 a.m. in the Cox Activities Center with registration. The career day is scheduled to end at 2 p.m. and a free lunch will be provided.

Individuals interested in veterinary technology or pre-veterinary medicine can participate in hands-on workshops that cover all aspects of a veterinary technology career. Workshops will include Knowing Your Pet's Pieces (anatomy); Radiology and Ultrasound; Surgery Principles; Bugs That Bug Us (parasites), and Put the Finishing Wrap On (bandages and casts).

Northeast faculty will tell their guests that a two-year veterinary technology program at Northeast Community College is one of the most affordable in the region.

Two lucky participants will win an IPOD Shuffle.

Pre-registration is required by calling (402)844-7262 or emailing jillp@northeast.edu

ing us to use the barn for this event. And a special thanks to all the people who made food and helped out at the festival. Thanks to Pac 'N Save for the cider donation as well," Jech said.

Beginning farmer tax exemption deadline extended

The Nebraska Department of Agriculture (NDA) extended the deadline for producers seeking to claim an agricultural personal property tax exemption under the Beginning Farmer Program. Producers now have until Monday, Nov. 10, 2008, to apply for eligibility for the 2009 tax year.
"We have received renewed interest in the program in the past few days, which led us to extend the deadline," said Marian Beethe, administrator of the Beginning Farmer Program for NDA. "We hope to assist as many beginning farmers as possible with this program."
The tax exemption was created as part of Legislative Bill 1027 signed by Governor Dave Heineman in April.
The new agricultural property tax exemption allows qualified beginning farmers to claim an exemption on up to \$100,000 of personal property used in production agriculture. The exemption can be claimed for three years.
Participation in the program begins at NDA with an application to qualify as a beginning farmer or rancher. To claim an exemption for the 2009 tax year, producers now have until Nov. 10, 2008, to apply.
To apply or to get more information, contact NDA by calling (800) 753-9396 or visit www.agr.ne.gov

Nursing is more than a job

When I received my nursing education, I attended a Nightingale school. So did most of the nurses in the state who are my generation. They were called that because they were modeled on the school that Florence herself started in London. They were actually called "training schools," and the old saying was that a three year diploma graduate could run a floor in the hospital by the time she was a senior, and run the hospital when she was a graduate!

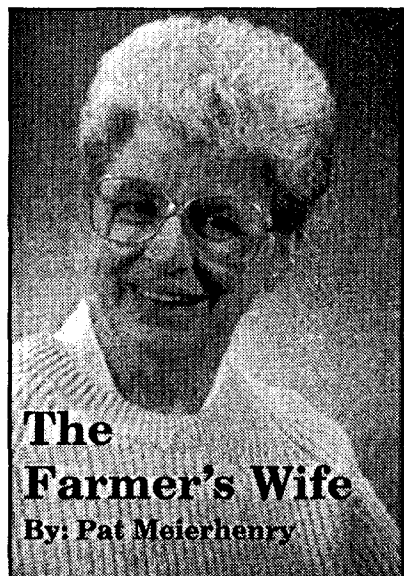

I lost another long-time nurse friend last month, and she did, in fact, run the hospital for a very long time; after working the night shift for a good many years. The Kansas Nurses Association started something called the Nightingale Tribute a few years ago, and the other state associations are picking it up. At the funeral of a nurse, a tribute is read by a nurse friend and a white rose is placed in honor of the deceased.

Jan Tillema was a graduate of the Nebraska Methodist School of Nursing, and spent 35 years at Lutheran Hospital in Norfolk. When she was diagnosed with a terminal illness and chose Hospice care, a huge banner was printed and signed by the nursing staff that read "Thank you for making us the nurses we are today." Now, that is a tribute!

At her service, another nurse

friend gave a beautiful eulogy and told us not to be sad because she was now enjoying her reward for all those years. At the gravesite, I laid two white roses.

I have a want ad on my refrigerator that reads: Wanted. People to

The Farmer's Wife
By: Pat Meierhenry

work long hours with frequent mandatory overtime. Few holidays and weekends off.

Must be able to keep massive amounts of paperwork up to date while making split-second, life or death decisions. Must be immune to verbal abuse and able to neutralize the occasional physical assault. Must display patience, kindness, understanding and car-

ing even when your personal life is coming apart at the seams....

Must show no aversion to blood, vomit, oozing infections or human body wastes. Salary in no way commensurates with knowledge and ability. Only those interested in dealing with depressing situations on a daily basis need to apply!

That about sums it up. But the rewards of nursing are far more than the salary. We die-hards thrive on the adrenalin rush, the need to alleviate discomfort, the great privilege to participate with our patients in birth and death, and all the events in between. We tell macabre jokes, and we drink too much coffee, and we are going and coming home from work at very odd hours. But we keep on doing it because in those training schools, we were indoctrinated as to the honor of the profession. We want to emulate the "lady with the lamp", and we still consider it a vocation and not just a job.

I hope the nursing schools today are perpetuating that philosophy. Because it's what keeps nurses coming back to work, no matter what happened on the shift the day before. And I hope that all of you will pause to appreciate the nurses in your life and give them a vote of confidence, not just during Nurses Week, but all those days, and nights, in between. Thanks, Jan Tillema, rest in peace.

Wayne dealership with sales and pride award by Reinke Mfg. Co.

Reinke Manufacturing Co., Inc., a leading manufacturer of mechanized irrigation systems, honored Northeast Equipment, Inc. of Wayne with a sales award and a Silver Reinke Pride award for marketing year 2007-08 during its annual convention.

The convention took place Oct. 5-7 in Savannah, Ga. At the ceremony, Northeast Equipment, Inc. was honored as one of the Top Five Selling Dealers in the North Central territory.

Northeast Equipment, Inc. was also presented with a Silver Reinke

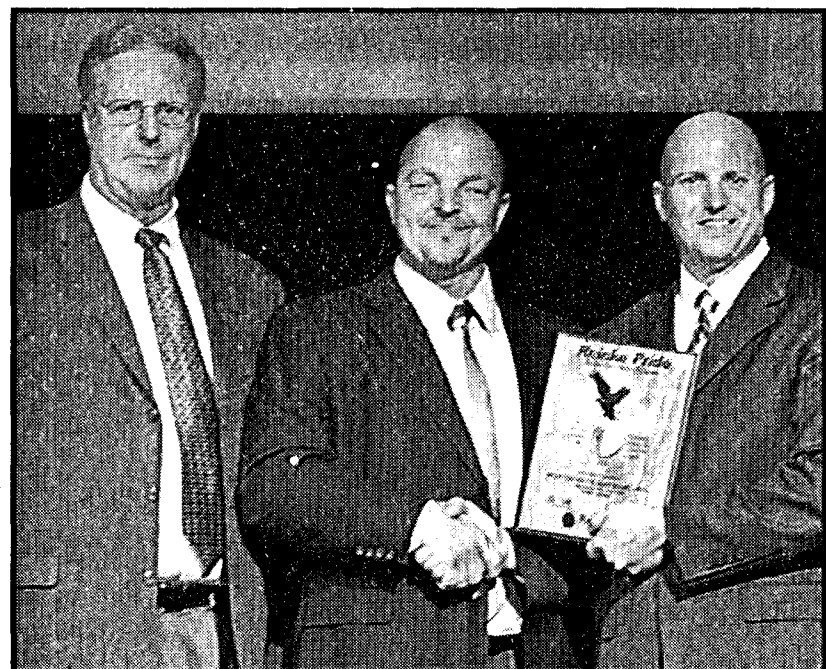

Pride award.

A record number of gold, silver and bronze Reinke Pride awards were given to a total of 88 dealerships as part of an incentive program that distinguishes superior achievement levels according to an evaluation based on a dealership's exterior and interior housekeeping and maintenance, indoor and outdoor displays, safety, retail environment, merchandising, professionalism, promotions and event participation, and market share.

Reinke awarded the qualifying dealerships volume rebates, enhanced advertising co-op balances and company apparel based on the level of achievement they reached.

"It's our privilege to recognize Northeast Equipment for their superior sales and service during this past marketing year," said Tim Goldhammer, vice president of marketing, Reinke. "We appreciate the commitment Northeast Equipment and its staff has made in our North Central territory to market Reinke irrigation equipment."

Founded in 1954, Reinke Manufacturing Company, Inc. is one of the world's oldest and largest manufacturers of center pivot and lateral move irrigation systems.

Involved in the presentation of the award to Northeast Equipment were, left to right, Territory Manager Rich Miller, Derek Hill of Northeast Equipment and Reinke President Chris Roth.

You don't have time for that

When you get a line on a great buy for machinery or livestock, you need to act now. You don't have time to wait for a loan approval from an out-of-town loan committee that gets together on the third Monday after the second Tuesday of each month that has thirty days. You need a line of credit, not a line of fertilizer. We make our decision right here at the bank. If you're in agriculture in this part of the country, we would like to be your bank.

ALLEN COMMUNITY CLUB

The Allen Community Club met on Oct. 20 at the Village Inn. Pres. Pro-Tem Joyce Christensen called the meeting to order. The secretary and treasurer's reports were read and approved. When weather permits, the sign at the junction of Highways 20 and 9 will be repaired and the poles painted. Donna Schroeder reviewed the need to replace tree signs on the Historical Grove trees. It was decided to purchase the engraved signs from the Maple Valley, Iowa FFA.

The Thanksgiving meal where EVERYONE is invited will be held at the Village Inn at 6:30 on Nov. 17. Anyone who wishes to attend is asked to sign the sheet posted in the Village Inn entryway so Ron and Pat can prepare the food accordingly. Plans are being made for a Music Boosters Winter Carnival on Nov. 30 and Community Club members are asked to help sell tickets at the door. Santa and Mrs. Claus will be at the school's Christmas concert in December.

Students enrolled in the 2 + 2 Bachelor of Social Work (BSW) degree program will complete an associate of arts degree from Northeast Community College. They can then finish their undergraduate studies at Briar Cliff

UNL Extension Board - Wayne County meeting planned

The UNL Extension Board - Wayne County will meet on Tuesday, Nov. 11 at the Extension Office in the courthouse meeting room in Wayne. The 7:30 p.m. meeting is open to the public. An agenda is available at the Extension Office at 510 Pearl Street, Suite C, in Wayne.

Living Resourcefully

Save money and be healthier

By Susan Hansen
UNL Extension - Colfax County

Editor's Note: The following is the first in a series of articles designed to help consumers save money on their food bills and live healthier lives.

Planning meals and snacks for the family can be challenging. The shrinking dollar and rising food prices add to the challenge of providing healthy food for families. Unfortunately, fresh fruits and vegetables sometime take a back seat in the grocery cart.

Fruits and vegetables are needed every day. One way to save money on fresh fruits and vegetables is to buy what is in season. Apples, squash and pumpkins are in abundance right now. Fresh apples provide fiber and needed vitamins. Squash and pumpkins are excellent sources of vitamin A and fiber. Throughout the year, think of what is growing in abundance. Those items are usually cheaper in the grocery store. Also check out a nearby apple orchard for really fresh apples.

While fresh fruits and vegetables are excellent foods, don't overlook those same items in another form - canned, frozen or even dried. Frozen fruits and vegetables can be very close to fresh in terms of nutritional value and tasting fresh. Foods that are high in water (like many fruits and vegetables) may have a change in shape after thawing. The freezing process changes the cell structure so the fruit or vegetable may look mushier but it is still tasty and nutritious. If you have freezer space, frozen fruits and vegetables may be an answer to including those items in the daily diet, particularly if you watch for sales.

Canned fruits and vegetables are another alternative. Watch for sales and stock up. Canned food will keep longer than fresh or frozen. Look on the can to see when the food should be used. One concern that people have about canned vegetables is the amount of sodium or salt that is used in the canning process. Canned vegetables without salt are available;

however, those items sometimes cost more. To save money, buy the cheapest brand that you want and rinse the vegetables from the can since most of the salt is in the liquid. This also works with canned beans. Be aware, though, that salt gives flavor and the canning liquid gives flavor, so you will need to add your own herbs and spices.

Dried fruit is another alternative to buying fresh. However, this form of fruit is not exactly inexpensive. A better way to include dried fruit in the diet is to dry your own fruit from the fruit in season. Remember all those apples that are in the grocery store or on your tree in the yard? Make them last longer by drying the apples yourself for a nutritious snack. Contact your local extension office for information on how to dry foods.

When purchasing frozen or canned fruits and vegetables, look at the labels. Name brand foods usually cost more because you are paying for the name and the advertising. House brands or store brands are usually cheaper. In many cases, there is not much difference between the name brand item and the store brand item. Sometimes there is a difference so if you buy something your family will not eat, that is a waste of money.

Also check out cans with irregular sizes of food. For instance, when buying canned peaches or pears, does your family notice or care that all the pieces are the same or would a can of irregular shaped fruit be okay. Cans with irregular shaped pieces usually are a few cents cheaper.

Look at the whole picture. Adding vegetables to a main dish casserole will help stretch your meat dollar, particularly if you have already added a starch such as rice or pasta. Stretching the meat dollar, stretches your food dollar.

When planning meals and shopping, remember to include foods from all of the food groups of MyPyramid - grains, vegetables, fruits, milk and meat/beans. Eat a variety of foods to get needed nutrients.

According to Heather Craig-Oldsen, chairperson of the social work department and assistant professor of social work at Briar Cliff University, graduates are well-prepared for the exam through this program.

An associate of arts degree from Northeast Community College, followed by a bachelor's degree from Briar Cliff, will prepare graduates for entry-level social work jobs.

Craig-Oldsen said the 2 + 2 Bachelor of Social Work (BSW) degree is a wonderful opportunity for students who are interested in social work. "The career outlook for people holding a BSW degree is very promising," she said. "Social work program graduates find employment with a variety of governmental and private agencies that include the areas of child welfare, health care, addictions, mental health, youth services, geriatric services, criminal justice and community advocacy."

Craig-Oldsen also noted that students with a Bachelor of Social Work (BSW) degree may choose to pursue a graduate degree in social work. "Completion of a BSW degree from an accredited program like Briar Cliff's usually allows graduate students to earn their advanced degree in 18 months, rather than requiring the typical two years," she said.

Saalfeld recommends assessment and academic advising before a student registers at Northeast Community College. That assessment and advisement will ensure success in program planning and completion.

For more information, contact Pam Saalfeld at Northeast Community College at (402)844-7347 or the admissions office at Briar Cliff University (712)279-5200.

Prices are: adults: \$7.50, children: 10 and under: \$4, carry outs available: call 28-4914. The UMYF bake sale will also run from 11 a.m. to 1:30 p.m.

RED RIBBON WEEK

Winside Elementary celebrated Red Ribbon Week with a flurry of activities. The theme correlated with the upcoming election: "We elect to be drug free!" Students created posters on what they elect to do instead of drugs. They also brought pictures of a role model, wore red, white, and blue, and signed drug-free pledges. Red Ribbon Week is the oldest and largest drug prevention campaign in the country.

Red Ribbon Week helps to preserve the memory of Special Agent Enrique Camarena who died in 1985 while fighting against drug trafficking and abuse.

PRIDE AT WINSIDE

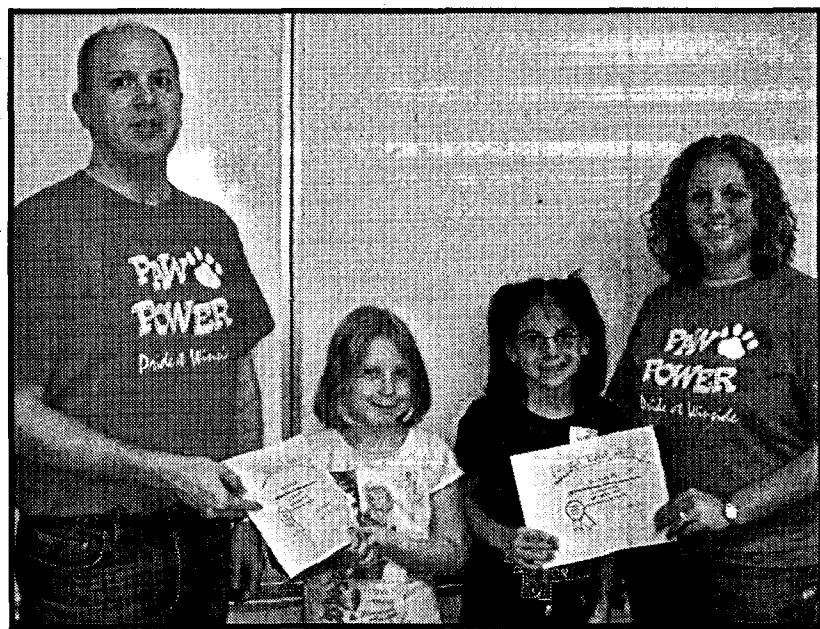

At the Winside Elementary October PAW assembly the Kindergarten class took the trophy for best listeners. The Wildcat paws on the trophy symbolize the need for great listeners to keep their "paws" to themselves. The gigantic ears represent the importance of listening to the speaker.

LEGION AUXILIARY

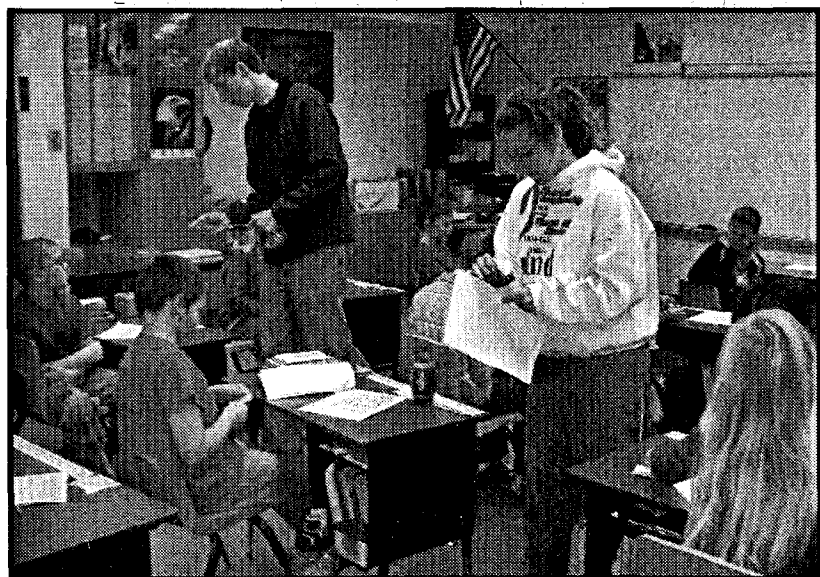

Roy Reed Unit No. 252, American Legion Auxiliary of Winside met on Oct. 13 with 10 Senior and four Junior members in attendance. President Rose Ann Janke called the meeting to order with Chaplain Adeline Anderson providing prayers. Treasurer's report was read and accepted, as was the Secretary's report. Hostesses for the evening were Carol Rempfer and Marilyn Morse.

Junior members met and completed the Veterans Day table decorations for the Norfolk Veterans Home. The decoration consists of a block of wood painted red, white, and blue with patriotic stickers and an American flag in the center. The decorations will be used by the Home for most of November. They will be returned to the Unit for local decorating at the Post Home.

The Unit's Membership Goal is set at 74 members, both Senior and Junior. Currently on board are 60 paid memberships. Renewals still remain to be collected and can be sent to Treasurer Greta Grubbs, P.O. Box 262, Winside, Neb. 68790. Senior dues are \$15 and Junior dues are \$3. Any female descendants of a Veteran of eligibility for The American Legion are invited to visit the meetings, which are held the second Monday of the month at

Third grade teacher Mr. Stubbs and third grade student teacher Ms. Wolken present Victoria Buresh and Catherine Thompson with drug free certificates.

Winside Youth Leadership Council members Kyle Skokan and Jacie Woslager hand out red ribbons in the third grade classroom in observance of Red Ribbon Week.

7:30 p.m.

The local school has been provided a set of scholarship applications and rules for scholarships available through the American Legion Auxiliary on both the Department (State) and National level. Each scholarship is Veteran-connected and you may contact either President Rose Ann Janke or Secretary Beverly Neel for more details. You may also contact the Winside High School Student Counselor. Deadlines are just around the corner.

Veterans Day cards were prepared for local veterans living at the Norfolk Veterans Home; namely, Art Rabe, Don Longnecker, Bob Jensen, Chester Marotz and Harvey Podoll. Additionally, cards will be sent to Jack Brockman and Norman "Andy" Anderson, both residing in Norfolk care centers. Veterans Day cards were also prepared for our local servicemen Marcus Janssen, Josh Harmer, John Neel and Nate Carstens. Thanks is given to the families for providing the mailing addresses for these young men.

The next meeting will be Monday, Nov. 10 at 7:30 p.m. with hostesses being Linda Barg and Janice Mundil.

LEGION SCHOLARSHIPS

Roy Reed Unit No. 252, American Legion Auxiliary, Winside, has received its set of scholarship applications. They have also been sent to the Winside High School Counselor. Scholarships are available on the National and Department (state) level. Time is of the essence that all students take time now to contact the local Unit or school counselor.

All scholarships are Veteran-connected, meaning applicants must be a Veteran or a descendant of a Veteran who served during the periods of eligibility for membership in The American Legion; namely, World Wars I and II, Korea, Vietnam, Lebanon, Grenada, Panama, and Persian Gulf. It is imperative that great care and attention to detail be given to the application process. Typewritten applications are recommended.

AVAILABILITY OF NATIONAL SCHOLARSHIPS: ALL APPLICATIONS FOR THE NATIONAL SCHOLARSHIPS MUST BE RETURNED TO THE LOCAL AMERICAN LEGION AUXILIARY UNIT NO LATER THAN MARCH 1, 2009.

National President's Scholarship: Awarded to 15 outstanding students who are sons, stepsons, daughters or stepdaughters of U.S. wartime Veterans who served in the Armed Forces during the time frame mentioned above.

One \$2,500 scholarship, one \$2,000 scholarship and one \$1,000 scholarship will be awarded in each Division. (Nebraska is in the Northwestern Division along with Montana, Wyoming, Colorado, North & South Dakota, and Minnesota.) The applicant must be in his/her senior year of high school and must have completed fifty hours of volunteer service within his/her community.

Spirit of Youth Scholarship for Junior Members: One four year gift scholarship is awarded to a Junior member in each Division (see above) in the amount of \$1,000 per year. Each applicant must be in his/her senior year of high school, shall be/shall have been a Junior member for the past three years, must be a current 2009 member and must maintain his/her membership throughout the four year scholarship period. Candidate must have at least a 3.0 GPA on a 4.0 scale.

Non-Traditional Student Scholarship: There will be five scholarships, each in the amount of \$1,000 with one scholarship being awarded in each Division (see above) to a member of The American Legion, American Legion Auxiliary or Sons of the American Legion. Applicant must have been a member for the two preceding years and be a current 2009 member.

This scholarship will be awarded to a non-traditional student returning to the classroom after a period

of time in which his/her formal education was interrupted or to a student who has had at least one year of college and is in need of financial assistance to pursue an undergraduate degree.

The Samsung Scholarship: Is offered through the Girls State program. The applicant must be a high school junior who is a direct descendant; i.e., child, grandchild, great-grandchild or a legally adopted child of a U.S. wartime Veteran. She must have participated in the American Legion Auxiliary Girls State program. The applications are given to each participant prior to attending her respective Girls State sessions.

This scholarship is a result of interest income from a \$5 million endowment presented to The American Legion by The Samsung Group, an international electronics corporation. The American Legion has an identical scholarship available to a Junior class male who participates in The American Legion Boys State program. The Nebraska Boys/Girls State program is rightly named the Cornhusker Boys/Girls State program.

American Legion September 11th Memorial Scholarship a/k/a American Legacy Scholarship: A scholarship program to assist children of active duty military or Guard and Reserve personnel who were federalized and died on active military duty on or after September 11, 2001. Must be a high school senior or high school graduate to apply for the scholarship. Applications are available through your local American Legion Post.

AVAILABILITY OF DEPARTMENT OF NEBRASKA SCHOLARSHIPS ALL APPLICATIONS FOR DEPARTMENT SCHOLARSHIPS MUST BE RETURNED TO THE LOCAL AMERICAN LEGION AUXILIARY UNIT NO LATER THAN MARCH 15, 2009.

Averyl Elaine Keriakedes Memorial Scholarship: \$500.00 awarded annually to preferably a female enrolled at the University of Nebraska-Lincoln who contemplates teaching junior high or middle school Social Studies. This scholarship is a gift, not a loan.

Graduate Scholarship: A \$200 scholarship will be awarded annually for a graduate scholarship in the field of education for further training in Special Education. Applicant must be Veteran-connected, hold a Bachelor's degree, submit a brief letter stating why he or she is interested in pursuing a career teaching Special Education students. For rule and application,

write to American Legion Auxiliary, PO Box 5227, Lincoln Neb. 68505-0227.

Licensed Practical Nursing Scholarship: \$1,000 shall be awarded annually for each scholarship not exceeding \$300.00. Applicant must plan to attend a school of practical nursing.

Nurse's Gift Tuition Scholarship: These scholarships are awarded on a competitive basis to Veteran-connected young men and women enrolled in any approved school of nursing, provided they meet the requirements set forth in the rules available through your local American Legion Auxiliary Unit. Applicants must be Veteran-connected and Nebraska residents. Previous recipients of this scholarship are eligible to apply. The number and value of these scholarships will be determined by donations received from the Little Red Schoolhouse Fund of the American Legion Auxiliary, Department of Nebraska.

Roberta Marie Stretch Memorial Scholarship: This \$400 scholarship will be awarded to a qualified applicant enrolled in or accepted into an undergraduate or graduate (masters only) program at a four-year college or university. Must be Veteran-connected and a resident of Nebraska. Preference will be given to former Nebraska Cornhusker Girls State Citizens.

Ruby Lorraine Paul Scholarship Fund: The Ruby Lorraine Paul Scholarship will be awarded to a female/male child, grandchild, great-grandchild of an American Legion or American Legion Auxiliary member who has held Nebraska membership for two years or to a member of The American Legion, the American Legion Auxiliary or Sons of the American Legion who has held a Nebraska membership of at least two years. Photocopy of a current 2009 membership card of eligibility must be provided with the completed application.

The applicant must be enrolled in an accredited college or university for the current year and be a Nebraska resident for the previous three years. Scholarship excludes applicants enrolled in a school of nursing. The amount of the annual scholarship is determined by the amount of interest accrued from May 1 to May 1 on invested \$13,000 principal. Applicant must be a high school senior or a graduate of an accredited school. Applicant must have maintained a "B" or better grade average the last two semesters of high school.

Ruby Paul Campaign Fund Scholarship: The rules are the

same as Mrs. Paul's previous scholarship except the amount of the annual scholarship is determined by the amount of interest accrued from May 1 to May 1 on invested \$10,000 principal.

Student Aid Grant or Vocational Technical Scholarship: Scholarships of \$200 to \$300 each for higher education. Applicant must be Veteran-connected and a Nebraska resident. Scholarships are funded from Unit donations.

ALL scholarship applications will contain all the rules and requirements of each scholarship. Please visit with your High School Counselor or contact Unit President Rose Ann Janke (402)286-9010 or Unit Secretary Beverly Neel (402)529-3593 or (402)379-0700 for details or with questions. It is imperative that all applicants follow the rules of each scholarship and ensure they have completed all steps prior to returning their application to the Unit.

Many scholarships require letters of recommendation and they should be provided in typewritten form on letterhead where appropriate. Additionally, in order to determine financial need of the applicant you may be asked to provide income information of your parents and yourself in a sealed envelope to be seen only by the scholarship judges on the Department level, not the Unit level. Roy Reed Unit No. 252, American Legion Auxiliary in Winside looks forward to assisting our youth in pursuing a higher education.

CENTER CIRCLE

Cleora Fisher hosted the Oct. 16 Center Circle Club with eight members and guests Gloria Evans, Rita Woodard, Katelyn Jaeger and Jami Jaeger present. Vice President Rose Janke called the meeting to order with roll call of a favorite pumpkin recipe. Irene Fork read the minutes of the last meeting and the 75th anniversary party. Treasurer Dianne Jaeger gave her report and collected fines and paid bills. Pictures from the 75th anniversary were shared.

Plans for the December Christmas party were discussed and will be reported on next month.

Secret Sisters were revealed and new ones revealed. The birthdays of Rose Janke and Cleora Fisher were observed. The next meeting will be Thursday, Nov. 20 at Rose Janke's. Roll call will be "What is your favorite Thanksgiving meal?"

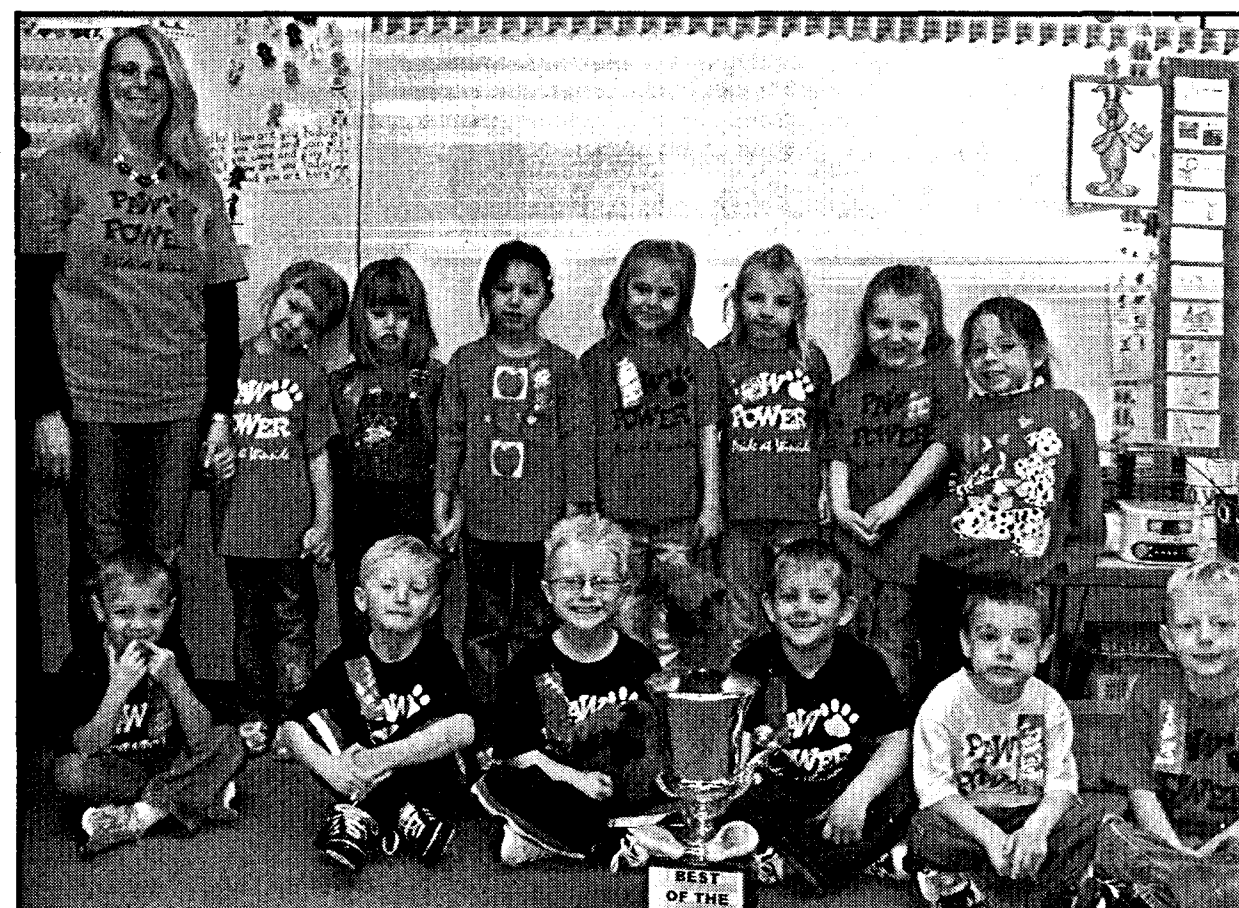

Blind pitch was played with prizes going to guests Rita Woodard, Gloria Evans, and Helen Holtgrew.

NECC, Norfolk Chamber to co-sponsor seminar

Northeast Community College and the Norfolk Area Chamber of Commerce will again team up to sponsor a workshop on building teamwork. The workshop, Working Together, meets Tuesday, Nov. 11, in the Lifelong Learning Center on the campus in Norfolk in two different sessions. Those interested in the 8 a.m.-noon session should register for course number BUS 0112-02/08F. Those interested in the 1-5 p.m. session should register for course number BUS 0112-03/08F.

With Bob Wall as facilitator, this is a down-to-earth guide to collaborative teamwork and challenging conversations. Participants will learn how to use a practical model

to make team development easy; defuse the destructive emotions related to conflict; use a simple worksheet to prepare for challenging conversations, and employ a structured method to keep conversations on track.

Other seminar discussion will explore why teamwork doesn't come naturally; balancing personal and professional work relationships; diagnosing the real sources of conflict at work; understanding emotional intelligence (EQ) and developing relationships based on EQ; putting an end to silence, and defusing destructive emotions.

Wall has worked with organizations ranging in size from small, family-owned businesses to multi-

national corporations for more than 28 years. He is the author of four books, including Coaching for Emotional Intelligence in 2007.

Cost of this highly-interactive seminar is \$75. Registration fee includes a copy of Wall's most recent work, the second edition of Working Relationships: Using Emotional Intelligence to Enhance Your Effectiveness with Others, released in 2008. For more information about Wall, visit www.bob-wallonline.com

To register, call Northeast Community College in Norfolk at (402)844-7000. For more information, contact Kathi at Northeast at (402)844-7235.

Happy Haunting

Little ghosts, spooks and goblins were plentiful at area parties on Halloween. Above, children from Rainbow World entertained at the Wayne Senior Center. Right photo, residents at Premier Estates handed out candy to area children who came to visit them.

Landkamer to present at NECC Veteran's Day observance

A United States Navy veteran will present the Veteran's Day program at Northeast Community College in Norfolk on Monday, Nov. 10. Jerry Landkamer, U.S. Navy (RET.) will speak at 10 a.m. in the

Cox Activities Center Theater. The program, which will also include patriotic selections by the Northeast Men's and Women's Ensembles under the direction of Dr. Linda Boullion, is free and open to the public.

Daniel G. Northam, MS, a readjustment counselor at the Vet Center in Omaha, will also have a display featuring brochures and pamphlets about counseling services for conflict-zone veterans and their friends and families. Northrup visits the Norfolk Veterans Home every other Thursday to counsel veterans, friends, and families.

While on active duty, Landkamer was attached to Fighter Squadron ONE at NAS Miramar, Cal., and served aboard the USS Enterprise during the Vietnam War.

Landkamer is a 35-year continuous member of the American Legion, an honorary life member of Norfolk Post 16, member of Squadron 16 Sons of the American Legion, life member of the Veterans of Foreign Wars, and AMVETS Post 17. He is also a member of the Norfolk Voiture 121 of the 40 and 8 and a Chef de Gare Passe of Voiture 841 Columbus. He was chosen as the 2003 Norfolk Post 16 Legionnaire of the Year.

He has held several offices at post level in the American Legion

including Norfolk Post 16 Commander. He has also served District 2 American Legion as Sergeant at Arms, Vice Commander and Commander. He has served the state of Nebraska American Legion as Sergeant at Arms, Area B Vice Commander, State Senior Vice Commander, and State Commander.

On the national level, Landkamer has served as Vice Chairman of the National Americanism Council. He was recently appointed by the National American Legion commander to serve on the National Security Commission. He has also served on Congressman Jeff Fortenberry's Academy Advisory Committee.

He currently serves the Nebraska American Legion as Alternate National Executive Committeeman.

Landkamer and his wife, Starla, have one son, Thomas. They are members of the American Legion Auxiliary and the Sons of the American Legion, respectively. The senior Landkamer is employed by Lou's Thrifty-Way of Norfolk.

The Veteran's Day activities at Northeast Community College are coordinated by the Veteran's Day work group of Les Richmond, Vern Seier, Joe O'Connell, Sarah Dempsey, Gary Mitchell, and Nancy Berney.

Goldenrod Hills Community Action Weatherization expansion project available

Goldenrod Hills Community Action's Weatherization Program received funding from a Housing Preservation Grant (HPG) provided by the United States Department of Agriculture. The Weatherization Expansion Project will give the program the ability to repair or replace roofs and foundations on area homes.

Guidelines would limit recipients to those who live in 125 percent of poverty in owner-occupied homes. Repair of the roofs and foundations would make the participants eligible for weatherization funds provided by the U.S. Department of Energy and the Low-Income Home Energy Assistance Program.

Please contact Goldenrod Hills Community Action if you are interested or need more information at (402) 529-3513 or 1-800-445-2505.

Kiwanis officers and directors

Gov. of Nebraska-Iowa District 17, installing officer, Mark Hanson and Jim O'Donnell. Members of the Board of Directors include, back row, Don Zeiss, Gary Wright, Deb Lundahl, Jill Sweetland, George Phelps and Frank Teach. Several were not present.

Another beginning calligraphy class scheduled

Students interested in learning calligraphy are encouraged to register for a Beginning Calligraphy class scheduled at Northeast Community College in Norfolk in November. The class, with course number ART 0600-01/08F, will meet Tuesdays, Nov. 11 and 18, from 6-9 p.m. in the Lifelong Learning Center on the Northeast campus in Norfolk.

Students will learn the art of beautiful calligraphy lettering as instructor Beverly Perske teaches the basic strokes and the upper/lower case Italic alphabet. This class will give participants great basics for creating their own cards, stationary, or stencil designs.

Students should bring a medium-tip calligraphy pen. Cost of the class is \$17.40. Price includes a workbook. To register for this class, call (402)844-7000.

Halloween fun

More than 50 youth took part in the annual Circle K Halloween party at Wayne Elementary. Costume contest winners, right, included, Alvaro Lopez, fourth grade, Drew Buck, second grade and Jace Piper, three years old.

Annual Festival of Trees planned at NECC

It's become a tradition that helps kick off the holiday season each year in Norfolk. The eighth annual Festival of Trees is Friday through Sunday, Nov. 14-16, at the Lifelong Learning Center on the campus of Northeast Community College in Norfolk. The event is sponsored by the Northeast chapter of the American Association for Women in Community Colleges (AAWCC).

Organizers again promise dozens of decorated trees, holiday displays, table place settings, and private collections. Most displays will be sponsored by area retailers, non-profit organizations, student organizations at NECC, or individuals. While no items will be for sale at the event, those attending will see the new holiday merchandise available from various retailers and vendors.

"Our Festival of Trees is a signature event of this institution and community," said Janelle Gerharter, publicity chair. "In addition to retailer displays, we especially enjoy featuring the beautiful, private collections not on public display any place else."

"We hope to attract even more visitors this year as we have scheduled it one week earlier than previous Festivals," she said.

Hours for the Festival of Trees are Friday, Nov. 14, 2-9 p.m.; Saturday, Nov. 15, 11 a.m.-5 p.m.; and Sunday, Nov. 16, 1-4 p.m. Admission is \$5 for adults and \$2 for elementary-aged children and Northeast students with a student identification card. The admission fee includes seasonal refreshments in the festival's tea room and live entertainment at select times throughout the weekend.

An all-Northeast cookbook featuring favorite recipes from Northeast faculty, staff, and students will be for sale at the Festival. Many of the desserts found in the tea room will be featured in the cookbook. International students, faculty and staff have been asked to submit recipes of favorite holiday foods and brief descriptions of traditions from home for the cookbook.

Northeast faculty, staff and students will kick off the live entertainment on Friday, November 14. Scheduled to appear that day are Instructor and Vocalist Mary O'Boyle at 2:20; Instructor and Saxophonist Anthony Beardslee at 3 p.m.; Vice President of Student Services and Pianist Dr. Karen Severson at 3:45 p.m., and Music Department Chair and

Vocalist/Pianist Dr. Linda Boullion at 4:30 p.m. Students in the Northeast Men's Ensemble, Women's Ensemble, Ebony and Crimson, and Northeast Singers Express, under the direction of Dr. Boullion, will entertain Friday evening from 6:30-8:30.

Entertainment on Saturday, Nov. 15, will include Pianist Lori Lakes at 11:30 a.m., Vocalist Linda Meikle at 12:15 p.m., and the Norfolk Women's Chorus at 1:45 p.m.

On Sunday, Nov. 16, the Norfolk Men's Chorus returns to the Festival of Trees to perform at 1:30 p.m. and the Tilden Peace Church Choir will perform at 2:30 p.m.

Mrs. Santa Claus, portrayed by Lola Brockman, will also appear at select times during the weekend.

Proceeds from the Festival of Trees go to scholarships and campus improvement projects. In the past, the AAWCC has purchased a new piano for use by all Lifelong Learning Center partners with proceeds from the Festival.

Tickets are available at the door from any AAWCC member, or at Pieceful Pastime in downtown Norfolk. Tickets purchased in advance may be used as a raffle prize ticket.

Spirit of Nebraska award

Bob Porter, deceased, shared in the Nebraska RC&D State Association's Spirit of Nebraska award presented recently in Ashland. He had the RC&D's best interests at heart in all he did during his tenure to assist not only the local Council but the state as a whole. Above, Bob's wife, Marj, and daughter, Beckie Dirkschneider received the award on his behalf.

Wical has 25 years of service

Allan "Chip" Wical, operations supervisor in Columbus for Black Hills Energy, formerly Aquila, this year has 25 years of service with the company.

"Chip focuses on customers and is committed to serving them," said Scott Zaruba, North Region operations manager for Black Hills Energy in Norfolk. "Customers benefit from his knowledge, experience and dedication. Chip and the team he leads strive to exceed customer expectations as they provide appliance repair and natural gas service."

Wical joined Aquila, which was recently purchased by Black Hills Corp., in 1983 in Grundy Center,

Iowa, as a service technician. He held various positions with the company in Iowa and Nebraska until being named to his current position in 2004. As operations supervisor, Wical leads a team of 26 employees who serve Black Hills Energy customers in the Columbus and Norfolk areas.

Wical and his wife live in Columbus and have two grown children. His interests away from work include hunting and fishing.

Black Hills Energy, a division of Black Hills Corp. (NYSE: BKH), serves 197,000 natural gas customers in 110 eastern Nebraska communities. Black Hills Corp. — a diversified energy company with

Allan "Chip" Wical

a tradition of exemplary service and a vision to be the energy partner of choice — is based in Rapid City, S.D., with corporate offices in Golden, Colo., and Omaha, Neb. The company serves 750,000 utility customers in Colorado, Iowa, Kansas, Montana, Nebraska, South Dakota and Wyoming.

The company's non-regulated businesses generate wholesale electricity, produce natural gas, oil and coal, and market energy. They partner to produce results that improve life with energy. More information is available at www.blackhillscorp.com

Another CPR class for healthcare providers set at NECC

The Allied Health Department at Northeast Community College in Norfolk has scheduled another non-credit CPR Class for Healthcare Providers on the Northeast campus in Norfolk.

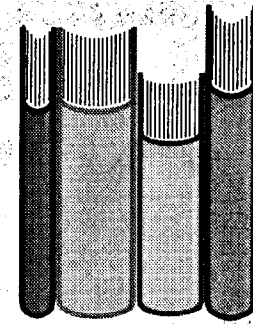

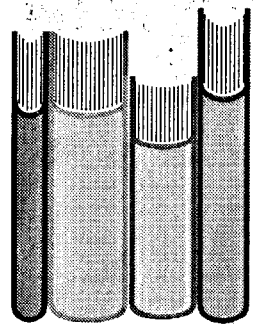

The class, with course number COHE 0308-05/08F, will meet Monday and Tuesday, Nov. 10-11, from 7-10 p.m. in the Ag/Allied Health Building, Room 233, on the Northeast campus in Norfolk.

Purpose of this class is to instruct participants in emergency measures that may save the life of

someone who has suffered a cardiac arrest or obstructed airway. Upon completion of this two-session class, students will receive a completion card in the American Heart Association standards for adults, child and infant CPR, also conscious and unconscious choking. The certificate is valid for two years.

Tim Wragge is the instructor of the class with a cost of \$25. To register, call Northeast Community College at (402)844-7000.
