Nebraska Governor Pete Ricketts told those at the recent townhall meeting where the General Fund money is spent within the state of Nebraska.

Governor conducts Town Hall meeting

Speaking to a crowd of approximately 50 interested citizens, Gov. Pete Ricketts conducted a Town Hall meeting in Wayne on Sept. 15.

Ricketts talked about the state's budget and explained where tax dollars are spent. "Our goal is to grow Nebraska and provide more, better paying jobs," Ricketts said. "We need to make state government more effective and cut the growth of government spending."

He discussed the issue of property taxes, controlling state spending, funding to schools, transportation infrastructure and holding state agency heads responsible for their agencies.

Ricketts discussed providing a proper transportation infrastructure and the need to change the process of prioritizing roads to be replaced.

The governor said the expressway system not only creates better roads, but also leads to economic development.

On another topic, the governor said state revenues have fallen below projections and "we all need to tighten our belts and be more frugal."

Following Ricketts' presentation, he fielded questions from the audience, including one about the Chicago Cubs baseball team. Ricketts family owns the team and he used the question to compare managing a baseball team to managing state government.

Problems within the state's correctional system were also discussed.

"We have conducted a national search

to find the right people to manage our correctional system and we need to work to change the culture of those in the facilities to that of rehabilitation. We also need to look at the physical plant and make changes there also," Ricketts said.

Another audience question involved ways to educate high school students on trades, something that is difficult at the present time due to federal regulations.

Ricketts encouraged the private sector to get involved in this portion of education and spoke of a program in the state known as Career Academies.

During the meeting, Senator Dave Bloomfield spoke to the group and told his audience it has been an honor to serve the residents of District 17 the past six years. Due to term limits, Bloomfield will not be returning to the state legislature.

He said the make-up of the upcoming Legislature will "be a huge change, with term limits and other senators possibly not being re-elected."

Bloomfield urged those in attendance to vote this November for Joni Albright, who was also in attendance.

Ricketts concluded the town hall meeting by stressing that "Nebraska is the best place in the world to be and we need to take advantage of our best resource - the people of this state."

Following the town hall meeting, Ricketts took part in the Constitution Day events at Wayne State College.

Council listens to energy, housing and club house proposals

By CLARA OSTEN,
Of the Herald

Presentations were heard from a firm hoping to make Wayne its location for an energy source, from a local contractor hoping to build townhomes in Wayne and from the Wayne Country Club on club house renovations during Tuesday's meeting of the Wayne City Council.

Tony Demir, CEO of Green Star Gasifiers, spoke to the council on the possibility of bringing the business to Wayne.

"We would create 19-30 direct jobs and a number of indirect jobs through the construction process," Demir told the council.

He explained the fact that the business has identified a number of "feed stop properties" which would provide fuel, mostly in the form of wood waste for use in the creation of energy. He said that in the future, with the Emerald Ash Borer invading the state, his firm could save municipalities

money by using that wood to provide energy.

Discussion was held on the possible location of the facility and the noise created by it.

Demir said the facility would be completely enclosed and noise and dirt would not be an issue.

"This project creates not only energy, but economic development and a renewable energy source," he said.

Chad Sebade was present at Tuesday's meeting to get a sense of direction from the council on his plan to build several townhomes in an area to the south of O'Reilly's Auto Parts.

Currently a number of trailer homes are located in the area and plans call for them to be moved out.

Sebade would like to build the townhomes which would be rented out and geared toward older residents and professionals.

"These would not be apartments, and

rent would be more than that of a typical apartment," Sebade said.

Council member Cale Giese said he liked the project and it fits well with council goals. He did say that the council had recently discussed the use of TIF funds and the need to use caution with their allocation.

Following the discussion, the council indicated it would support Sebade's housing development plan.

Rusty Parker, representing the Wayne Country Club's Board of Directors, spoke to the council on a plan to solicit funds to remodel the current club house at the golf course.

The club house was built in 1968 and is in need of improvements.

Parker told the council that if the board moves forward with the plan, the city would take ownership of the club house, allowing for donors to make tax-deductible contributions and the country club to use all of the donations, without having to pay taxes on them.

"This plan would move forward only if the fundraising is successful and if it is in the best interest of all parties, Parker said.

If the city took ownership of the clubhouse, it would lease the facility to the Country Club to make up for the loss in property taxes currently paid by the Country Club.

Council members voted unanimously to approve the Memorandum of Understanding between the city and Country Club.

In other action, the council listened to information from Brad Wieland on his desire to install a privacy fence.

Wieland came to the council asking for permission to move the fence back four feet from the original location the city required.

"If I put the fence where the city says I need to, it will only be five feet from my house and not do any good. I have apartments on all sides of my property and no permanent neighbors. The fence will not create any obstructions and will improve my property," Wieland said.

Council member Matt Eischied said that while this was setting a precedent, "we need to look at these requests on a case-by-case basis. I don't have an issue with this request. We are only looking at moving the fence four feet closer to the curb."

Council members granted Wieland an easement to install the fence, with the understanding that if the city needed to do any work that would require the removal of the fence, it would be at Wieland's expense.

The council will next meet in regular session on Tuesday, Oct. 4 at 5:30 p.m. in council chambers

Tony Demir, CEO of Green Star Gasifiers, spoke to the Wayne City Council on Tuesday on the benefits of bringing his company to Wayne. He noted that in addition to providing energy to the community, a renewable energy source would be created.

Bids opened at commissioners meeting

By CLARA OSTEN
Of the Herald

The majority of the Tuesday meeting of

the Wayne County Board of Commissioners revolved around bridges and bridge projects in Wayne County.

Bids were opened and approved on two

projects and the board listened to a presentation on potential projects for new county bridge improvement projects.

Bids for Hoskins North, C-90 (589) which is located on 562 Avenue between 849 and 850 Road were opened. The bid was awarded to A&R Construction of Plainview for \$99,240.23.

Work on the project is set to begin April 15, 2017 with a completion date of June 1.

A bid from B's Enterprises for \$28,641.60 for materials only was accepted for triple culverts for a project northwest of Carroll on 563 Avenue, between 861 and 862 Road. The county road personnel will install the culverts, possibly yet this fall.

Mark Casey, Wayne County Roads Department Project Manager and Mark Marinelli told the commissioners that there may be money available from the state for repair and replacement of county bridges. Potential projects were discussed but decisions cannot be made until more information is made available.

Amy Topp, Nebraska Extension Educator, spoke to the commissioners about the funding for an EV3 Robot for the the 1st Lego League, which is a part of the Wayne County 4-H Program. The current robot used by the group is no longer able to be used and the cost of the new robot (approximately \$475) will be taken from the Extension budget. The software included with the cost will allow for upgrades in the future.

Commissioners approved the request.

Also approved was a request from Larry Rohlff for Bethune Electric & Construction to run water and power lines between 86037 569th Avenue northeast of Carroll.

The Wayne County Board of Commissioners will next meet in regular session on Tuesday, Oct. 4 at 9 a.m. in the Wayne County Courthouse.

New Northeast center of excellence will work to improve soil health and water conservation

With Nebraska as a leading state in agricultural output, Northeast Community College has continually placed a strong emphasis on its ag curriculum over the past 40-years. Now, college officials are working on a new endeavor, as part of its Vision 2020 five-year strategic plan, that will not only allow its students to reap its benefits, but the state, nation and world as well.

Northeast's Agriculture and Water Center of Excellence is designed to enhance ag programming at the two-year institution in Norfolk, Nebraska, with an emphasis on soil health and water conservation, as well as provide faculty support and new facilities.

Dr. Michael Chipps, president, said the College has closely studied the most essential future programming needs in agriculture.

"As we examined the landscape of agriculture in Nebraska, we found a growing need to develop more agricultural producers and related industry personnel who understand how to use data and technology to make better decisions, produce higher yields and conserve our natural resources. In essence, it would be doing more with less to feed a hungry world."

In addition to redesigning its programming, Chipps said Northeast will reframe the learning environment to build critical thinking and problem-solving skills for the "21st century farmer and rancher scientist."

"Northeast is integrating innovation, demonstration, applied research and training that not only educates the next generation of producers and agriculture specialists, but correspondingly showcases this work to producers and business and industry partners. It is being designed to provide an interdisciplinary approach to teaching precision agriculture, which assimilates knowledge in different fields such as agriculture, information technology, science and technology, logistics, engineering, economics, marketing, business and management to address increased concerns about the economic, environmental and social costs of agriculture.

Northeast administration and faculty envision modernizing the College farm through collaboration and resource development to become recognized as an Agriculture and Water Center for Excellence. Along with updating and expanding ag facilities, plans also include developing new curriculum to include the most relevant and innovative programming with a focus on precision agriculture, water management and conservation-related practices with hands-on, applied research and learning opportunities.

The Ag and Water Center of Excellence concept includes endowed faculty support; enhanced programming; new buildings for veterinary technology, large animal science and precision and mechanized ag; a relocated farm site with a large storage building and newly designed feedlot; a greenhouse; an ag classroom building; expansion of the current Chuck Pohlman Ag Complex; and an innovation and demonstration center. All of the proposed buildings and the new farm site would be located near the Pohlman Ag Complex at the intersection of Highway 35 and Benjamin Avenue in Norfolk.

Northeast's present ag facilities do not align well with the first-rate education provided to agricultural students. The College farm operates from a 100-plus year-old former Norfolk Regional Center dairy

building, which also serves as the classroom and lab for the veterinary technician program. The farm has no outbuildings large enough to house a modern agricultural machinery or other equipment, and no feed shed to serve the onsite feedlot that feeds out the calves from the college's 50-cow herd.

Approximately 350 students are enrolled in agriculture and ag-related classes at Northeast this year, double the number of students 20 years ago. According to the National Center for Education Statistics, Northeast Community College awards more associate degrees in agricultural programs than any other two-year college in Nebraska. A new two-year program in precision agriculture accepted its first students this fall, bringing to eleven the total number of agricultural programs at Northeast.

The college has a 500-acre contiguous farm with four center pivot irrigation systems, including a Valley VRI-IS system that is one of only nine in North America. The amount of water delivered by each nozzle on the VRI-IS system can be programmed every tenth of a degree around the pivot circle, allowing more precise variable rate application than speed or zone systems.

Northeast Community College's CROP-IT (Conserving Resources: Optimizing Production using Innovative Technologies) solution was among the top ten finalists in the nation competing in the second annual Community College Innovation Challenge (CCIC).

CROP-IT is a multi-year effort that will collect and compare data on water management from Northeast's farm to optimize crop yield while minimizing water and energy usage. The project will be presented September 22 and 23 at the 2016 World Federation of Colleges and Polytechnics (WFCP) World Congress in Vitoria, Espirito Santo, Brazil.

Northeast Community College is one of five community colleges in the U.S. that signed a memorandum of understanding with the United States Department of Agriculture's Natural Resources Conservation Service. Through this collaboration, Northeast is participating in the National Corn Growers Association's Soil Health Partnership, giving students hands on experience with reduced tillage, cover crops and advanced nutrient management.

"Agriculture accounts for one

out of every two jobs in Northeast Nebraska, and is 63-percent of the gross regional product," Chipps said. "By investing in technology and innovation in agriculture through this consortium, we are helping sustain and grow our rural economy, addressing food and water security concerns and protecting our resources for future generations."

Corinne Morris, dean of agriculture, math and science at Northeast, said the Ag and Water Center for Excellence would allow Northeast ag students to have additional focus on soil health and water conservation.

"Without water, there is no food, and Nebraska is the largest irrigating state in the nation. We're measuring the amount of water the crops receive, how the plants use it, what happens to the soil, are any nutrients being leached away. You just can't teach agriculture without talking about water."

The concept of an Ag and Water Center of Excellence at Northeast has been discussed for over three years. Chipps said the project is about much more than buildings.

"The final goal of what we are trying to accomplish with the Center of Excellence is to pull together all major facets of education and instruction to train our students so when they leave here, they are the best of the best. We could be the first community college in the nation to establish a Center of Excel-

Letters

In support of death penalty repeal

Dear Editor,

We Nebraskans will soon decide whether to allow our state to execute its citizens. Those who believe the state should have this power say certain criminals deserve this "worst" punishment, and insist that the death penalty puts the fear of God into potential murderers.

But according to eighty-eight percent of criminal-justice experts, the death penalty does not act as a deterrent to murder. What is more, non-death-penalty states have consistently lower murder rates than states with executions. Yes, it will be difficult to improve sentencing guidelines.

Execution is surely an easier solution, but in this hour we are chal-

lenged to do not what is easy, but what is right.

It is unfortunate that cost is a factor in so profound a decision, but experts agree there will never be a way to make death penalty cases less expensive than life in prison cases. According to Loyola Marymount Law Professor Paula Mitchell, who did a recent long term study in California, the legal costs for death penalty cases skyrocket to an extra \$134 million per year, well above the costs of simple incarcerations. And Amnesty International, in a recent study determined that even if post-trial litigation were abolished, death penalty cases would still be more expensive.

But the most compelling reason for restraining the powers of the

state lie in the unwavering evidence for what is right and what is wrong. In study after study it has been determined that we have mistakenly executed innocent people, and disproportionate numbers of poor and uneducated people, especially racial and religious minorities.

So shall we give the state the power to burn the final bridge over which the accused might travel toward remorse or redemption? Or shall we agree that the state has no business on that holy ground?

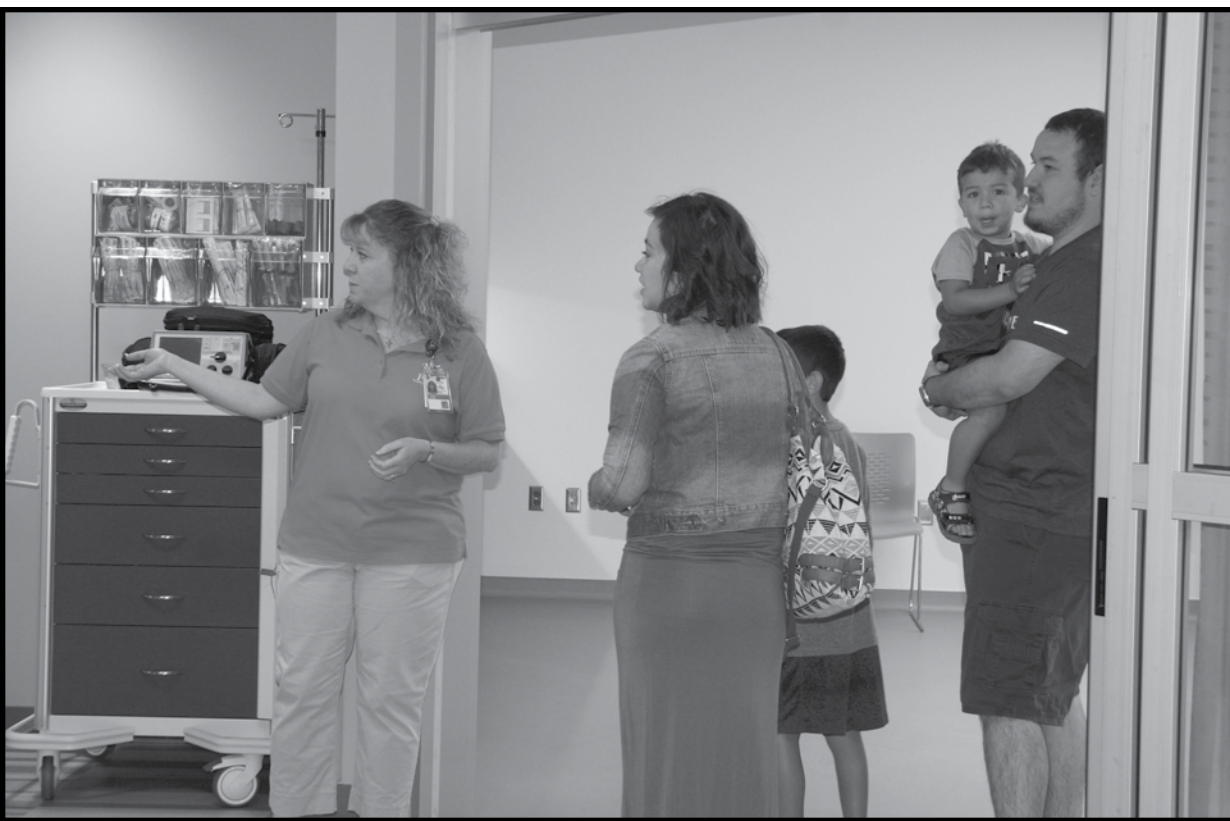

Suzanne Kehm,
Omaha

Groups work together to provide free movie for community

The Latinos Uniting Student Organization at Wayne State College with Majestic Theater and Fiesta Bravo welcome everyone to attend a free movie night in recognition of the Hispanic Heritage Month on Sunday, Sept. 25, from 7 p.m. to 9 p.m.

Hispanic Heritage Month is Sept. 15 through Oct. 15. Chips and salsa will be served. The movie is "Instructions Not Included."

The comedy is about an irresponsible playboy, Valentin, (played by actor Eugenio Derbez). The main character must grow up quickly when a former lover gives him their daughter to raise and then leaves without a trace.

Valentin grows up to be Acapulco's local playboy. One day a former fling named Julie shows up at his doorstep with a baby girl, claiming that she is his daughter. Julie leaves the baby with Valentin. He races to the airport to try to return the baby to Julie but fails to catch up to her before she boards her flight to Los Angeles. The main character struggles to be a perfect dad for his new daughter with antics that promote laughter. The movie is rated PG-13 and lasts approximately 2 hours.

Pink Flamingo Nite designed for fun, education

Our Savior Lutheran Church in Wayne will be the host for the second annual WELCA Pink Flamingo Nite.

This year's event, which will be held Thursday, Oct. 6 from 5:30 to 9:30 p.m. at the church, will be limited to 400 attendees.

The evening will feature Susan Sparks as the guest speaker. Sparks is from New York City. She is a trial lawyer turned comedian, author and Baptist minister. She is also a breast cancer survivor.

Events scheduled for the evening include a light meal, style show with fashions from Swans Apparel, a wide variety of vendors, a wine bar and door prizes. Information on cancer prevention will be provided by Providence Medical Center.

The Front Porch Pickers will provide music during the evening.

Proceeds from last year's event were donated to Providence Medical Center and used to purchase a lift chair for the hospital's Oncology Department.

Tickets are currently on sale and are available at Swans Apparel, all Wayne banks and at the church. Tickets will be \$5 each.

In addition to the variety of events taking place during Pink Flamingo Nite, the focus will be on education and awareness of cancer. The month of October has been designated Breast Cancer Awareness

Month.

Statistics from the Providence Medical Center Outpatient Oncology/Infusion area indicate that approximately 115 patients per month visit the Providence Medical Center Oncology Department.

Familiar faces in the PMC Oncology Department are Ruth Peters, RN, OCN Outpatient Oncology/Infusions Coordinator and Pam Matthes, RN, OCN.

A monthly Cancer Education Support Group is available at PMC that is lead by Jessica Feldmann, PMC Chaplain; Jill Belt, Independent Mental Health Practitioner (LIMHP); and Ruth Peters, Oncology RN. These leaders get a feel for what kind of topics are foremost in the minds of the group and then bring in experts from Providence Medical Center to present information and answer questions.

"If a patient can't come to a meeting, we still encourage the caregivers to attend because there are a lot of things they can help with that they may not even be aware of," Feldmann said.

For information on the PMC Cancer Education Support Group con-

tact Feldmann at (402) 375-7923 or email her at jfeldmann@providence-medical.com.

The following is information shared by the two nurses who have a long-time connection with the PMC Oncology Department.

The Oncology Outreach Clinic and services began in July 1991.

Both Peters and Matthes are RN's with the (ONC)-Oncology Nursing Certification.

Ruth has worked at PMC for a total of 29 years, with 25 of those years in Oncology/Infusions. Pam has been an employee at PMC for 28 years with 24 of those years in Oncology/Infusions.

"In 1991, I was asked by our Director of Nursing if I would be interested in implementing an Oncology/Hematology Outreach Clinic. At the time I didn't know a lot about the area of oncology but accepted the proposal and have never looked back. The patients and their families are the reason I go to work every day. Many of our patients have ongoing care with their cancer diagnosis, blood disorder or some other long term illness (ie: MS, Rheumatoid Osteoporosis, Severe Asthma

to name a few). At a difficult time in their lives, it is so rewarding to know that we have helped our patients and families in some way (be it ever so small) to deal with their illness. Our services have grown over the years and along with it my knowledge and passion for our patients. I wouldn't want to do anything else," Peters said.

"The individual patients I care for is what motivates me each day to do the work that I do. They each have a story and have needs to be met. Challenges come with this, but I am given the strength to be there with them in their times of trial or celebrations of joy. It is the way I was brought up. I witnessed this love and commitment to nursing in both my mother and grandmother," Matthes said.

Statistics from the American Cancer Society show that since 1991, there has been a 23 percent decline in cancer death rates. This amounts to 1.7 million lives saved because of advances in treatment, education and early detection.

Tyler Pecena finds a hole for a big game while Ryan Jaixen (4) and Lathan Ellis block during Wayne's 48-0 homecoming win over David City.

Blue Devils shutout Scouts on homecoming

After three tough matchups to open the season, the Wayne High football team used its homecoming matchup to take out some early-season frustrations.

The Blue Devils scored early and often on both sides of the ball, using an interception return and two touchdown passes by quarterback Beau Bowers to hand visiting David City a 48-0 pummeling Friday in Wayne High's homecoming game at Wayne State College's Memorial Stadium.

The Blue Devils scored on their first possession, using a long run by Tyler Pecena to set up his first of two scoring plays. He bowled over on a one-yard dive to make it 7-0, then scored early in the second quarter on a six-yard run to make

it 14-0. Wayne's defense came up big later in the half, as Ryan Jaixen recorded his first career pick-six, taking a Scout pass the other way for an 88-yard touchdown that made it 20-0. Late in the first half, he would hook up with Bowers on a 15-yard connection to give Wayne a 27-0 halftime advantage.

The Blue Devils' offense, which racked up 385 yards on the night, continued to roll in the second half. Brennen O'Reilly scored on a one-yard run, and the Bowers-to-Jaixen connection came through again on a 31-yard strike to make it 41-0 after three periods. Casey Koenig closed out the scoring with a five-yard run to give Wayne its first win of the season.

Bowers was very efficient in the passing game Friday, going 6-for-7 for 111 yards and two touchdowns. Both of Jaixen's receptions went for scores, as he had 46 yards on two catches. Grayson McBride hauled in three balls for 43 yards.

Pecena had his third 100-yard game of the season, finishing with 137 yards on 15 carries with two scores. Juan Vergara added 50 yards on seven carries. Mason Lee touched the ball only twice, but came up with big gains on a 32-yard run and a 22-yard reception.

Defensively, Michael Kniesche led the Blue Devil defense with nine total tackles, while Lathan Ellis and Mikey Reyes each had eight. Justin Dean, Lee, Koenig and Isaiah Muhs each had five total tackles.

The Blue Devils will look to continue their winning ways on Friday with their first district matchup of the season, playing a 7 p.m. tilt at Madison.

Trojans too much for Winside in 44-34 defeat

What started out as a high-scoring shootout turned into a tough homecoming loss for Winside, as visiting Scribner-Snyder outlasted the Wildcats 44-34 on Friday at Jim Winch Memorial Field.

The two teams traded scores throughout the first quarter. Brandon Watters threw touchdowns passes of 13 and 52 yards to Koby Ellis and Trey Meis, respectively, before calling his own number on a two-yard gallop that made it a 24-22 game after one period.

The visiting Trojans turned to Brandon Noel early and often, and he responded with four first-half touchdowns to help the Trojans take a 38-28 lead into the halftime. He finished with 185 yards on 25 carries.

Winside tried mounting a fourth-quarter comeback, getting the game back within 10 points on a two-yard run by William Bullard, but could get no closer as the Wildcats fell to 1-2 on the season.

Watters finished 9-of-14 passing for 144 yards and two touchdowns. He also rushed for 21 yards on 12 carries to lead the ground attack,

which was limited to 54 yards on 31 carries. Ellis was the leading receiver with 92 yards on seven catches, while Meis caught three balls for 74 yards.

Defensively, Watters finished with 17.5 tackles, 15 of them solo hits. Meis had eight tackles, Michael Jensen had 6.5, Ellis had 5.5 and Bullard had 4.5.

The Wildcats go on the road for their first district game on Friday, playing at Randolph.

First win and loss of the season for WSC soccer

WSC soccer's traveled back south after its North Dakota weekend with a 1-1 record under its belt.

The first game of the weekend, on Saturday, against University of Mary was a battle until the 68th minute of the contest when freshman Madison Burgard scored the lone goal of the game. The goal gave the Wildcats a 1-0 Northern Sun Conference victory, the team's first NSIC win so far in the season.

The goal was a header by Burgard, her first goal of her collegiate career, with an assist from Suenly Galvez.

Mary held a 14-9 edge in shots over the Wildcats, including 7-3 in shots on goal. The Marauders also had a 5-3 advantage in corner kicks, while WSC was called for 11 fouls to, compared to Mary's seven.

"There is a tendency for the home team to play more aggressive and attacking soccer," head coach Bruce Erickson said. "University of Mary started out strong and ultimately we played better, more attacking soccer."

"Stats can be misleading though as it pertains to shots. Chances created and those being more dangerous are not reflected in stats necessarily. For Minot State, they were more the dominant team and we played with them pretty well."

Lady 'Cats Christina Stasi and Lauren Fleming each had two shots for the Wildcats, while senior goalkeeper Kylie Comba was credited with five saves in the win and earning her third shutout of the season.

The Wildcats continued its weekend at Minot State, but fell to the Beavers 2-1 to capture the first loss of the season.

WSC is now 4-1-1 overall and 1-1-1 in league play.

The game was scoreless through the first half with each team having three shots apiece.

Early in the second half at the 49:35 mark, the Beavers struck first with a top shelf by Ninfa Ramirez, assisted by Ashley Franco.

Ramirez found the back of the net again for the Beaver's second goal of the game after slipping past the defense midway through the second half. The assist for the goal is credited to Minot's Ashley Hunter.

Wayne State got on the board in the 82nd minute after Minot gave up an own goal.

"I thought our defenders and goalkeeper stood out the most," Erickson said. "They had their hands full in both games. The pairing of Alexis Strothers and Engstrom in the middle is also going very well."

WSC's will take on nineteenth ranked Winona State next in league play.

"Winona was picked 3rd this year (in the NSIC) for a reason," Erickson said. "We will have to play disciplined defensively to get a good result. There's not a lot of margin for error against a quality team like that."

The contest against the Warriors will be a home game for the Wildcats on Friday afternoon at 4 p.m. at the WSC soccer pitch.

LCC volleyball's grove ends

The team comes back from Stanton tournament with a 3-9 record

The Laurel-Concord-Coleridge volleyball team got into a little groove last week with a pair of wins before playing in a tough tournament at Stanton on Saturday.

In action last Tuesday, the Lady Bears picked up their second win of the season with a straight-set win at Emerson-Hubbard, 25-22, 25-16, 25-20. Kaci Groene led a balanced net attack with seven kills, Katie Leapley had six kills and two blocks, and Bryn Schutte put down five kills. Katelyn Cook had 16 assists and Abbie Bloom added three.

Cook and Schutte each had three ace serves and Ashley Wolfram

added a pair. Schutte led the defense with nine digs and Mady Holloway added seven.

On Thursday, the Lady Bears improved to 3-6 with a 25-19, 18-25, 25-12, 25-17 win at Plainview. Groene had 15 kills and five blocks to lead the net attack while Schutte added 11 kills and three blocks and Leapley had six kills and three blocks. Cook had nine assists, Schutte had four ace serves and Holloway led the defense with seven digs.

The Lady Bears went 0-3 at the Stanton Invitational, losing to the host team in straight sets before taking two other teams to three

sets. LCC fell to Stanton 25-7, 25-11. Schutte had the only kill in the match for the Lady Bears, while Leapley had two blocks. Schutte and Abbie Bloom led the defense with five and three digs, respectively. LCC played better in their second match, losing a three-set affair to Clarkson-Leigh 25-19, 20-25, 25-12. Leapley had seven kills, Groene added three and Schutte and Lorna Maxon each had two. Cook had 12 assists, Groene had three blocks and Schutte and Wolfram each had two ace serves.

"We struggled defensively off serve receive and against their at-

tack," coach Patti Cunningham said. "Our serving generated a solid percentage, but lacked aggressiveness at times making it easier for them to run their offense."

In their final game, LCC fell to West Point-Beemer in three sets, 11-25, 25-17, 25-15. Groene had seven kills and three blocks, while Leapley and Schutte each had three kills. Maxon led the defense with four digs. The 3-9 Lady Bears hosted Crofton Tuesday and will be at the Wisner-Pilger Invitational on Saturday before coming home next Tuesday, Sept. 27, to battle Pierce.

Softball team caps good week with road win

The Wayne High softball team picked up three wins this past week to improve to 16-3 on the season.

On Thursday, a two-run homer by Annie Kniesche highlighted a seven-hit attack as they posted an 8-6 win over Columbus on the road.

The Blue Devils broke out to a 6-0 lead early in the game. In the second, Kortney Keller drew a bases-loaded walk and a Columbus error cleared the bases to make it 4-0. Kniesche slammed a shot over the wall in center field in the third inning to give Wayne a 6-0 advantage.

Columbus would come back with three in the third and three more in the fourth, but the Blue Devils prevailed with two in the sixth as Ashten Gibson scored on an error and Josie Thompson, pinch-running for Tori Kniesche, came home on a wild pitch.

Kennedy Maly had three of Wayne's seven hits in the game, while Annie Kniesche was 2-for-4. Gibson got the win in relief of Hannah Belt, throwing 3 1/3 innings with four strikeouts.

The Blue Devils were dominating in a home triangular Tuesday, using big innings to make quick work of Boone Central/Newman Grove and Pierce.

The Blue Devils cranked out 11 runs in the third inning to shut out Boone Central/Newman Grove 11-0

in the opener, then used a 12-run first inning to take care of Pierce 12-0.

In the first game, the Blue Devils left four runners on base in the first two innings, but more than made up for that in the third as the first 12 batters reached base. Highlighting the big inning was a three-run homer by Keller, who also had a double to lead Wayne's offensive attack.

Maly had two hits and scored twice, Jenna Trenhaile had a double and scored twice, and Sydney Biggerstaff and Annie Kniesche each had two RBI's. Gibson tossed a perfect game, striking out four of the 12 batters she faced in the four-inning contest.

Wayne wasted no time in the nightcap against the Bluejays, sending 16 batters to the plate in the opening stanza and taking advantage of four hits, four walks and three hit batters to post the big inning.

Trenhaile and Kiara Hochstein each had two hits and two RBI's and Biggerstaff drove in a pair of runs in the win. Belt tossed a three-inning no-hitter, striking out four and walking one.

Wayne is back in action Thursday with a home battle against Wisner-Pilger.

WSC volleyball sweeps and gets swept

First half kills Wildcats

The Lady 'Cats recorded 15 kills and posted a .343 attack percentage to sweep the University of Sioux Falls last Thursday night. The NSIC opener for both teams ended in 25-13, 25-20 and 25-17 at the Stewart Center in Sioux Falls. WSC set the tone for the night in the opening set, recording nine blocks in an easy 25-13 win. WSC played efficient at the net with 13 kills and no attack errors on 28 attempts, led by senior Natalie Vondrak who had five kills in the opening set, followed by Alyssa Frauendorfer who had four.

The second set saw WSC take an early 10-3 lead and the 'Cats never looked back, posting a 25-20 set win. WSC trailed early in the third set, but Frauendorfer served four straight points to give the 'Cats the lead, which they held for the rest of the set, to win the final set at 25-17 and complete the sweep. Wayne State finished the match with a .343 attack percentage, recording 40 kills on 99 attempts with just six attack errors. The Wildcats held a commanding 15-3 advantage in blocks over the Cougars, while USF held a slight 48-45 edge in digs over WSC. The second game of the week for the volleyball girls was not as exciting as the Wildcats faced Southwest Minnesota State.

SMSU handed WSC its first loss of the season last Saturday in just three sets at the Rice Auditorium in Wayne. The Mustangs topped the Wild-

cats 25-21, 25-17, 25-23 to record a sweep over the Wildcats. WSC is now 9-1 and 1-1 in league play. The first set featured seven ties and four lead changes between the two clubs. SMSU held an early 13-9 lead forcing a Wildcat timeout, but the 'Cats rallied and with the aid of two service aces from freshman Haley Kauth, WSC knotted the score at 17 apiece following an Erin Gross kill. With WSC trailing 19-17, the 'Cats used a pair of Michaela Mestl kills, an SMSU service error and attack error to take a 21-19 lead. However, the Mustangs scored the final six points of the set to post a 25-21 win. SMSU held the lead for the entire second set, building a 15-9 lead on the Wildcats while recording 18 kills in the set, to post a 25-17 win for a 2-0 lead. The Mustangs built a big lead early in the third and then held off a late WSC rally complete the sweep at 25-23. Southwest Minnesota State hit .306 in the match, compared to .157 for the Wildcats. WSC had 33 kills on 115 attempts with 15 errors. Both teams had 60 digs and six service aces in the contest, while SMSU held an 8-3 edge in blocks over the Wildcats. Mestl had 10 kills and nine digs in the contest for WSC. Her nine digs moved her past the 1,500 career mark at WSC (1,504) and makes her the ninth player in school history to record 1,500 career digs. Frauendorfer also had nine kills and junior

The Southwest Minnesota State Mustangs take WSC volleyball's undefeated record in last Saturday's game where SMSU swept the Wildcats in three sets. Earlier in the week on Thursday, WSC swept the University of Sioux Falls.

Erin Gross had seven. With the loss to the Mustangs, WSC moves down two spots in this week's AVCA (American Volleyball Coaches Association) top 25 coaches poll. This marks the 92 consecutive week that WSC volleyball has been ranked. The Wildcats played yesterday (Tuesday) against Augustana University. WSC won the first set of the match, but with a rally from the Vi-

kings, the Wildcats take the loss. Although most of the sets were a battle until the last point, Augustana rallied from a first set deficit to down Wayne State College 22-25, 25-11, 25-20, 25-20. WSC now drops to 9-2 on the season and 1-2 in NSIC play. WSC will return to action this Friday and Saturday against MSU Moorhead (Fri.) and Northern State (Sat.) to continue NSIC play.

Eagles roll at Elkhorn Valley, 66-6

The Allen Eagle football team raised their season record to 2-1 with a 66-6 workman-like effort against the Falcons of Elkhorn Valley in Tilden on Friday. The Eagles led 22-0 after one period and hung another 30 on the board in the second period as the lead ballooned to 52-6 at intermission. "There was a pretty focused effort tonight," coach Dave Uldrich said. "Just before halftime though, we just quit focusing and looked average. Our level of play must stay

consistent, or we will be easy prey for our opponents. Our line did a good job tonight, as they set all eight in the box and tempted us to run inside, and we did. Defensively, our schemes and effort continue to be pretty good. We will need to get it perfect this next week in order to be on the winning side of the ledger." Opening the first-period scoring for the Eagles was Kyle Smith, running in from four yards out. Garrett Brentlinger added the PAT. On the second Eagle possession, Taylor Kumm bolted 50 yards. Smith ran in the PAT to put the lead at 16-0 with 7:36 left in the period. Brentlinger scored the Eagle's third touchdown of the period on a four-yard run. The second period saw Brentlinger getting loose on a 39-yard run. Cody Thomas got into the action also as he carried over from three yards. Brentlinger then hit Jacob Williams

on a 36-yard strike, and then on the final play of the half, Brentlinger hit Kumm on a 35-yard strike. The clock ran immediately at the start of the second half, and the Eagles scored twice, as Smith scored on the only varsity possession of the half from 12 yards. Thomas returned a Falcon fumble 41 yards on his only possession played to bump the final count to 66-6. Youth filled the field for most of the second half to end the evening. Offensively, Kumm carried 18 times for 174 yards and one touchdown. He also caught one pass for 35 yards and a touchdown. Brentlinger carried six times for 51 yards and one touchdown, and also threw for 86 yards and two scores. Smith carried six times for 37 yards and two scores. Defensively, Thomas led the tackle charts again, as he registered 12 stops. Thomas also picked up two

Falcon fumbles and returned one 41 yards for a score, to go along with one rushing touchdown. Brentlinger intercepted two Falcon pass attempts. The Eagles will open district play on Friday, as they host top ten-ranked Wynot. Kickoff is set for 7 p.m.

The WSC rugby club hosted the Rookie Rumble Vets Fumble this past weekend. Both the men and women teams are preparing for another national title for the year.

Rugby teams prepare for the fall

This was a familiar scene Saturday as Wayne State's senior winger Maryssa Schleis heads for the try zone for another score. Wayne State's rugby teams held a Rookie Rumble series of games Saturday at the Wayne Rugby Park. Two vet-

eran teams and two rookie teams competed for the Wildcats, each winning two games on the day. The rookie men's team beat Chadron (15-5) and South Dakota (20-5), the rookie women beat Chadron (44-0) and South Dakota (24-12), the

men's veteran team won over South Dakota State (19-5) and Missouri-Kansas City (12-10), and the No. 1-ranked women's veteran squad dominated in wins over Sioux Falls (50-5) and Nebraska (60-0).

Netters upset GACC, take fourth at Ord

The Wayne High volleyball team posted their second win over a ranked opponent in a week to highlight a solid week of play.

On Tuesday, Sept. 13, the Blue Devils celebrated Parents' Night in exciting fashion, pulling off their second upset of a ranked team in the last week with a 25-23, 17-25, 25-21, 25-15 win over Guardian Angels Central Catholic.

Wayne won a tightly-contested first set before the visitors controlled the second to tie the match. The Bluejays nearly came back to take the third, but Wayne held on for the win and used that momentum to finish off the Class D-1 top 10-ranked GACC squad for their first win over the team in seven years.

The seniors helped carry the day for Wayne, led by Allison Echtenkamp with 19 kills and three blocks. Lindy Sandoz added 12 kills and 23 assists, Brenna Vovos had 24 assists, Kylie Hammer had 18 digs and Emily Mathes picked up 16 digs.

On Saturday, the Blue Devils went 1-2 and finished fourth in the Ord Invitational.

The Blue Devils opened with a 25-19, 25-13 win over Ansley-Litchfield. Echtenkamp and Emily Armstrong each had nine kills in the win while Hammer added five. Sandoz had 11 assists and Vovos put up 10. Matthes had nine digs and Hammer, Armstrong and Gabi Lutt each had seven.

The Blue Devils fell to the host Chanticleers in the second match, losing 26-24, 25-17. Echtenkamp led the offense with eight kills and Hammer added five. Sandoz had eight assists, Vovos had four and Melinda Longe had three. Armstrong led the defense with 11 digs, Hammer had seven and Matthes and Kelsey Boyer each had six.

In the third-place match, the Blue Devils fell to Lutheran High Northeast, 25-22, 25-23. Sandoz and Echtenkamp each had seven kills and Hammer and Shania Anderson both had five. Vovos had 11 assists and Sandoz had 10. Lutt and Hammer each had 10 digs and Vovos picked up eight.

The Blue Devils played at Norfolk Catholic on Tuesday, and will play in the Wisner-Pilger Invitational on Saturday.

Pender pulls away for 46-22 win over Wakefield

PENDER - Pender came from behind and pulled away in the second half to hand Wakefield its first loss in a 46-22 defeat in action Friday at Pender.

The Trojans got out to an early lead with the help of their defense, which picked up a safety to make it 2-0. The offense followed with its first score as Solomon Peitz found Isaac Camarena for a nine-yard scoring play.

After a Pender score, Wakefield extended their lead to 16-6 when Peitz called his own number on a one-yard score. Daniel Nuno's two-point conversion run gave the Trojans their biggest lead a minute into the second period.

Pender changed the momentum of the game after that, scoring a pair of touchdowns to take a 22-16 halftime advantage. The Pendragon defense sacked Peitz in the end zone for a safety midway through the third, then followed with a touchdown to finish off 24 unanswered points that gave them control of the game.

Wakefield cut the deficit to one score when Peitz hit Noah Lamprecht for a 25-yard touchdown pass early in the fourth quarter,

but Pender followed with two more scores to put the game out of reach.

Peitz was 8-of-17 for 112 yards with two touchdowns and Nuno rushed for 68 yards on 16 carries to lead the Trojan offense. Peitz spread the passes around as even as you could ask for, as Lamprecht, Camarena, Ben Klein and Julio Sanchez all caught two passes on the night.

Wakefield, 2-1, plays at Plainview on Friday at 7 p.m.

Lady Eagles win exciting five-set match

The Allen Lady Eagles volleyball team split a triangular and won an exciting five-set match to highlight last week's play.

On Tuesday, Sept. 13, the Lady Eagles went to Ponca and got their second win of the season with a 25-17, 25-22 win over Winnebago. Bri Hingst led the net attack with five kills, while Desi Martell added three and Cassidy Thomas and Summer Jackson each had two. Thomas had

five assists in the game, while Martell and Haley Stapleton each had two ace serves. Hingst had six digs and Stapleton had five.

In their second match, Allen lost to the host Lady Indians in two sets, 25-16, 25-8. Hingst had two kills in the match. Martell served up two aces. Stapleton led the defense with five digs and Hingst had three along with a block.

On Thursday, the Lady Eagles

claimed an exciting five-set match at Emerson-Hubbard, winning 25-27, 25-21, 25-21, 21-25, 15-11. Hingst had a career-high 19 kills in the win while Stapleton added eight and Kaitlyn Madsen hit for four. Stapleton and Hingst each had nine digs while Thomas had eight.

The Lady Eagles were scheduled play in a triangular at Wakefield on Tuesday. They play in the Ponca Invitational on Tuesday, Sept. 27.

Bears come back, edge Homer for first win

The Laurel-Concord-Coleridge football team blew an 18-point fourth-quarter lead, but senior Jayden Reifenrath saved homecoming with some late dramatics to help the Bears outlast Homer 38-34 on Friday at Haskell Field.

Twenty-four unanswered points by the Bears helped them build a 32-14 lead early in the fourth quarter, but Homer came back with three consecutive touchdown drives to take a 34-32 lead with 2:08 left in the game.

Homer's hopes for a come-from-behind road win didn't last long, however. On the ensuing kickoff, Reifenrath took the ball at his own 13-yard line, came up the middle and cut to the near side, racing down the sidelines for a 67-yard kickoff return for a touchdown that gave the Bears the lead with 1:58 left. LCC's defense held on at the end and the home team was able to post their first win of the season.

LCC trailed early, but took an 8-6 lead early in the second when Reifenrath caught the first of two touchdown passes from Mason Forsberg. After Homer retook the lead, LCC answered with a late touchdown run by Forsberg from seven yards away to give the locals a 16-14 halftime lead.

LCC's offense came out and drove the ball down the field on their first two possessions of the second half. Forsberg found DJ Spahr on a nice pass over the middle for a 32-yard score, and when Reifenrath caught his second scoring pass of the night, a 15-yarder from Forsberg, LCC appeared to have things in control with a 32-14 advantage with 11:12 left.

Homer came right back on their next possession to score and cut the lead to 12, then got a break when a short kickoff was mishandled by the Bears, giving the Knights great field position. They cashed in to make it a four-point game with 7:29 left, then got the ball back and scored again on a short run, hitting the two-point conversion to briefly retake the lead at 34-32, setting up Reifenrath's late-game heroics.

Forsberg was 7-of-11 for 110 yards and three touchdowns in the winning effort for the 1-2 Bears. He also rushed for 87 yards on 10 carries to lead the ground attack.

Reifenrath caught four balls for 69 yards and two scores, while Spahr had two catches for 38 yards and a touchdown. Spahr also rushed for 56 yards on 10 carries, while Noah Schutte added 33 yards on six tries.

Defensively, Forsberg had 11 tackles and two interceptions, including the game-clinching pick in the final seconds. Zach Dietrich had nine tackles, Reifenrath had 7.5 stops.

The Bears are on the road this week, playing at Niobrara/Verdigre.

Scoring Summary
 HOMER - Jake Nelson 23 pass from Wyatt Tighe (pass failed)
 LCC - Jayden Reifenrath 32 pass from Mason Forsberg (Izac Reifenrath run)
 HOMER - Brent Schmitt 1 run (Felipe Curriel run)
 LCC - Forsberg 7 run (DJ Spahr run)
 LCC - Spahr 32 pass from Forsberg (Spahr run)
 LCC - Reifenrath 15 pass from Forsberg (Trey Erwin pass from Forsberg)
 HOMER - Tighe 10 run (run failed)
 HOMER - Austin Pies 5 run (run failed)
 HOMER - Curriel 6 run (run good)

Trojan netters find going tough on the road

Wakefield's volleyball team found the going tough last week with a pair of losses on the road.

On Tuesday, Sept. 13, the Trojans fell in straight sets at Howells-Dodge, 25-11, 25-12, 25-10.

Briana Andrade and Giulia Ballarini each had four kills for the Trojans in the losing effort. Ballarini served up three aces, Savannah Nelson had four assists and 13 digs, Megan Borg led the defense with 15 digs while Jamie Dolph added 11 and Ballarini had 10.

On Thursday, the Trojans dropped a four-set decision at Pender, 25-20, 21-25, 25-17, 25-13. Andrade had 11 kills, Megan Borg added seven and

Nelson put down six for the Trojans. Borg had three blocks, Jessica Borg had 12 assists, and the defense was led by Megan Borg with 19 digs, Andrade with 17, Jessica Borg with 12 and Ballarini with 11.

Wakefield was scheduled to host Allen and Randolph in a triangular on Tuesday. They play in a quadrangular at Emerson-Hubbard on Saturday, then travel to Wausa for a Tuesday, Sept. 27 triangular.

Girls golf records personal bests

The Wayne High girls golf team did not play with a full lineup this week, due to outside commitments, but got a couple of personal bests to highlight the week's efforts.

On Thursday, Wayne hosted a triangular with Pierce and Hartington Cedar Catholic, with only three Blue Devils competing. Megan Keiser led the team with a 54 for nine holes, Marrisona Luttt shot 59 and Liz Junck had a 66.

Cedar Catholic won the triangular with a 208, led by Cassidy Ul-

rich's round of 45. Pierce shot a 220.

On Saturday, the same Wayne threesome played in the Boone Central Invitational at Albion, with Keiser recording her personal best with a 105 to finish 13th overall.

"The girls played well, but got a little tired after a long homecoming week," coach Josh Johnson said. "I am extremely happy with how we are playing and progressing."

Lutt finished with a 118, while Junck shot a personal best round of 136.

Motorists urged to be alert during harvest season

The girls golfers host the Metteer Invitational on Thursday and play in the LCC Invite on Saturday in Laurel.

With harvest season getting underway, the Nebraska State Patrol encourages all motorists to exercise caution and increase awareness when traveling rural roads and highways.

Combines, grain carts, tractors, and other agricultural implements typically travel at slower speeds. Due to their dimensions and loads, operator visibility is often reduced. Motorists are reminded to be aware and utilize caution when approaching, following or passing farm vehicles.

"Harvest time means tall crops and often limited visibility at rural intersections," said Colonel Brad Rice, Superintendent Nebraska State Patrol. "Motorists should also be aware of the possibility of wildlife moving around due to the increased activity in the fields."

Operators of agricultural implements may travel on the shoulder of the roadway when available and should display Slow Moving Vehicle (SMV) warning triangles and utilize their flashing yellow caution lights whenever they are on the road.

When turning left from a roadway into a field or farm entrance, operators are cautioned to be aware of vehicles attempting to pass them. If an occupant restraint system is available in the implement they are driving, operators are encouraged to buckle up.

Motorists are also urged to utilize caution when driving at dawn and dusk as sun glare can cause reduced visibility.

Colonel Rice said, "If we work together we can help to make this a safe harvest season."

Wayne golfers claim state title

Wayne Country Club's Interclub squad, consisting of eight golfers captured the State Championship on Monday in Gothenburg, NE. Wayne defeated Kearney Country Club who was looking to defend their state title by a 15-9 margin in the semifinals before downing Shadow Ridge Country Club from Omaha in the championship, 17-7.

The eightosome won the Northeast Region during regular season play with wins over Norfolk Country Club and Oakland Country Club before a regular season ending tie with Beemer. Still, Wayne advanced to the playoffs where they defeated Fremont Golf Club, 20-4 to advance them to the state tournament where the locals grabbed the top seed.

Interclub consists of six regions of teams in the Nebraska section. Omaha fields two groups of teams with Fremont Golf Club and The Players Club each winning their respective divisions while the Lincoln Group was won by Wilderness Ridge Golf Club. York Country Club won the Central Group. The Southwest Group was won by Heritage Hills Golf Course in McCook. The six winners were joined in the playoffs by two wildcard teams which were Kearney Country Club and Shadow Ridge Country Club with the four winners advancing to the state tournament.

Interclub events are match-play with eight singles matches worth two points each and four, four-ball matches, also worth two points each. The local squad playing at State included golf professional Troy Harder, Joey Baldwin, Mike Varley, Doug Rose, Brad Hansen, Kelly Hansen, Rich Rethwisch and Kevin Peterson.

Wayne had several other golfers that helped throughout the season including Phil Griess, Darin Jensen, Bill Sharpe and Jim Curtiss. This was Wayne's fourth year in competing in Interclub which began in 2003. It was the third consecutive year the local squad qualified for State.

Wildcats drop to No. 4 in AVCA coaches poll

The Wayne State volleyball team dropped two spots to No. 4 in the latest American Volleyball Coaches Association Div. II poll.

Wayne State fell two spots after losing to then-No. 4 Southwest Minnesota State on Saturday. The Mustangs fell one spot to No. 5 after losing to now-No. 14 Augustana on Thursday.

Nine of the top 11 teams in the poll are out of the Central Region, including six Northern Sun Conference schools - No. 1 Concordia-St. Paul, No. 2 Minnesota Duluth, No. 9 Winona State and No. 11 Northern State. Other Central Region teams in the top 11 include No. 3

Nebraska-Kearney, No. 7 Central Oklahoma and No. 10 Central Missouri.

Also ranked this week from the Central Region is No. 18 Washburn and No. 22 Northwest Missouri State from the MIAA Conference.

C team is third at Wisner tourney

Wayne's C volleyball team finished third on Saturday at the Wisner-Pilger freshman-sophomore tournament.

In opening action, Wayne defeated Scribner-Snyder 25-7, 25-16, 25-10. Wayne had balanced scoring with Faith Junck scoring 14 points, including five aces; Madi-

son Jenkins 10 points and five aces; Meghan Battles and Cassidy Manz with nine points and four aces each; and Autumn Avery with eight points and four aces.

Wayne dropped their semifinal match to West Point-Beemer 17-25, 17-25, 25-20. Scoring was led by Avery's 10 points and four aces, Junck had nine points with four aces and Jenkins had seven points and two aces.

In the consolation game, Wayne was able to defeat BRLD 25-22, 25-16. Avery led all scorers with 10 points and two aces.

JV football team drops two games

The Wayne JV football team

dropped two games to start the season.

On Sept. 6, Wayne dropped a 28-8 decision to the Pierce JV. Wayne's touchdown was scored by Juan Vergara and the two-point conversion was scored on a pass from Tyler Gilliland to Zane Jackson. Casey Koenig was the leading rusher for Wayne. Kaleb Anderson was the leading tackler.

On Sept. 12, Wayne lost to the Norfolk Catholic JV, 12-10. Cody Rogers caught a touchdown pass from Gilliland. Gilliland also connected with Koenig for a two-point conversion. Wayne's defense scored on a safety. Cameron Muhs and Vergara led the team in rushing. Marcus Fertig was the leading re-

ceiver. Defensively, Wayne was led by Kaden Kneifl. Anderson had an interception.

Junior high grid team sweeps wins

The Wayne Junior High football teams swept a pair of games from Norfolk Catholic.

The seventh grade Blue Devils won 12-0, Brandon Bartos scored both touchdowns. Defensively, the

leaders were Tanner Walling and Brenden Swanson with pass interceptions and Mason Frevert with several tackles for loss. The win improved the team's record to 3-0.

The eighth grade Blue Devils won over Norfolk Catholic 26-0. Touchdowns were scored by Mike Leath-erdale, Victor Kniesche, and Jacob Kneifl. The leading passer was Kellen Herman with a touchdown pass to Kneifl. Defensively, Reece Wilson-Juqua recovered two fumbles.

Pam Minds visited with the Board concerning the late utility notices. She had suggestions for making the process more productive. The Board agreed to research the water ordinance to make collections of overdue bills more simple. Disconnection letters were customarily sent to overdue account holders when the account was 90 days overdue. A motion to disconnect water, sewer, and sanitation utilities when the account is 60 days overdue, to align with the billing statements, was made by Diana Davis and seconded by Michael Staub. Roll call vote. Aye-5. Nay-0. Motion carried.

Adam Junck, the water operator, approached Chairperson Mark Tietz concerning a raise in the base salary for the water operator. The current base salary is \$550 per month; to be divided between Adam Junck and his assistant Jacob Davis. The Board will propose a \$50 per month raise to Adam's salary and request his presence at the October meeting to negotiate a suitable amount.

Adam Junck also suggested setting the Village up on a regular sewer maintenance schedule to have sewer mains inspected and cleaned each year. Johnson Service from Kearney, Nebraska sent a proposal for having the sewer mains maintained. The quote was \$3,315 for the basic clean and vac the sewer

mains in the Village. Special services would be an added cost, and the quote was the same for 2017, 2018, and 2019.

Home Health will be holding a flu shot clinic at the Community Hall on Monday, September 26, 2016. Flyers will be posted advertising the event.

A motion to return an Auditorium deposit to DiAnn Dunklau for an August 28 event was made by Scott Hurlbert and seconded by Michael Staub. Roll call vote. Aye-4. Nay-0. Abstain-1. Motion carried.

Outstanding utility bills were discussed. Late notices will be sent out with the next month's billing with a disconnection date of October 1, 2016.

The Board received a complaint concerning pests coming from nuisance residences in the Village. The Board agreed nuisance properties are becoming a problem, and steps must be taken to encourage the clean up of the Village. Letters will be sent out to several nuisance properties reminding the homeowner of ordinances pertaining to nuisance property and unlicensed vehicles. The Board will visit with the Village Attorney concerning the proper steps to take. The Board will also assess the Village and agree on a street to begin the cleaning process. The discussion is tabled until the regular October meeting.

A motion to adjourn the meeting was made by Diana Davis and seconded by Michael Staub. Roll call vote. Aye-5. Nay-0. Motion carried. Meeting adjourned at 9:47 pm.

Next regular meeting is scheduled for 7:00 pm at the Community Hall on October 12, 2016.

Discussion began with the 2015-2016 Budget and Tax Request. Mr. Scott Watters of EMC Insurance handed out a letter to each member regarding our premium. Mr. Watter's highlighted on Workman's comp and the additional assets that were purchased this past year. Todd Greunke approached the Board with a proposal for the use of the school driveway to his property. Mr. Shoff talked to our district attorney who will advise on a letter that will be sent to the two school insurance companies, inviting them to present their specs and premiums for the 2017-2018 school year, at the October Board meeting. Jon Jaeger, from the Building Committee commented on the facility tour that took place this past Saturday, September 10. On the subject of the facility, Rassmussen gave Mr. Shoff a proposal for the high school classroom boiler system of draining the valves and replace the thermostats. They would not work on the gym boiler. A request from the Board to have a Special Meeting to hear these options was suggested. Representatives from 360 Energy gave an overview of their proposal. John Thies would like the Board to have plans drawn up for a new 100'x100' building to establish a cost. It would be used as new weight room, cardio area and space for exercise classes to be used by students and the community. He knows of people that are interested in donating toward such a facility. The Board believed that the building committee should meet first, to agree on what the building would consist of. The handicap door in front of the high school is in need of a new motor. Mr. Shoff found that IDEA funds can be used to purchase this motor. Todd Greunke submitted a proposal with two options for replacing cement on the playground. Maintenance is requesting a new floor scrubber. Nate Behmer requested the use of the facility for the Junior Volleyball program that consists of 3rd, 4th, 5th and 6th grade girls to play volleyball. It has been presented that the football assistant coach be Lance Lawson and volunteer assistant wrestling coaches be Ben Reising and Mike L. Shoff. John Thies wanted to bring up the subject of the spirit squad. Having past members of the board and a past dancing coach on the board, it was suggested that it would continue not being part of a school sponsored group. Conference Wrestling Tournament is to be held at Winside this year on Thursday, January 19. This week it is scheduled to have a teacher in-service day on Monday, January 16. It has been asked of the board to switch the in-service day to the Thursday, January 19 due to the number of people that will be using the facility for the Conference tournament. Option Enrollment forms were reviewed by the Board. President Mangels passed out Superintendent Evaluation Instruments to the Board.

Actions began with a motion by Jaeger, seconded by Behmer to approve the 2016-2017 Budget. Ayes - Behmer, Mangels, Bargstadt, Jaeger, Marotz and Thies. Nays-none.

Motion by Marotz, seconded by Bargstadt to approve the 2016-2017 Final Tax Request. Ayes- Mangels, Bargstadt, Jaeger, Marotz, Thies and Behmer. Nays-None.

Motion by Thies, seconded by Behmer to approve Todd Greunke's request of using our driveway as an entrance to his property and an exit to Whitten Street to flow with traffic. Ayes-Bargstadt, Jaeger, Marotz, Thies, Behmer and Mangels. Nays-none.

Motion by Thies, seconded by Marotz to send invitations to EMC Insurance Company and ALICAP Insurance Company, the two school insurance companies, that are interested to present their specs and premiums for next year. Ayes-Jaeger, Marotz, Thies, Behmer, Mangels and Bargstadt. Nays-none.

Motion by Thies and seconded by Behmer to table the boiler action and have a Special meeting to hear other engineer's options. Ayes-Marotz, Thies, Behmer, Mangels, Bargstadt and Jaeger. Nays-none.

Motion by Thies, seconded by Behmer, to table obtaining plans for a new construction and request a Building Committee meeting to set what the new building would consist of. Ayes-Thies, Behmer, Mangels, Bargstadt, Jaeger and Marotz. Nays-none.

Motion by Thies, seconded by Bargstadt to purchase the \$2,182 handicap door motor for the high school entrance. Ayes - Behmer, Mangels, Bargstadt, Jaeger, Marotz and Thies. Nays-None.

Motion by Jaeger, seconded by Marotz to use option #1 for \$39,360 to fix the 93'X43'X6' playground asphalt problem with Todd Greunke. Ayes- Mangels, Bargstadt, Jaeger, Marotz, Thies and Behmer. Nays-None.

End of Summer Picnic

Over three dozen people enjoyed the end-of-summer potluck picnic sponsored by the Allen Community Club on Aug. 15.

Following the meal, Greta Kraemer reviewed the steps toward the completion of the new playground equipment project. She thanked all the monetary donors and workers who helped at the actual park equipment installation.

Mayor Jay Jones then reviewed the building of the new park restrooms and thanked major donors,

including the Dixon County Convention and Tourism Bureau and Gardner Foundation.

A plaque which will be put on the restroom wall was then shown to everyone in attendance.

The next Community Club meeting was scheduled for Sept. 19.

Teacher Spotlight at Allen Consolidated Schools

Bill Chase is the Shop teacher at Allen Consolidated Schools. He was born Feb. 21. He lives in Wakefield now but grew up in Allen and considers it his hometown.

He attended Northeast Community College and received an AA in Electrical. He also attended Wayne State College and received his Bachelors and Masters degrees in Education as well as Ozark Christian College where he received his Bachelors of Ministry.

His favorite teacher in school was Mr. Wilmes because he knew so much cool shop stuff.

If he was not a shop teacher he would like to try to be a Bible college Professor. He has five children of his own, Ben, Breanna, Jeremiah, Caleb and Sam. He also has one exchange student, Erik. He has no pets. His favorite color is Burgundy.

His favorite quote or saying is "The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, the education, the money, than circumstances, than failure, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home. The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day.

We cannot change our past... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10 percent what happens to me and 90 percent of how I react to it. And so it is with you... we are in charge of our Attitudes." Chuck Swindoll.

Giving back

The Wayne Student Education Association of Nebraska (WSEAN) at Wayne State College hosted their first annual Local Outreach to Teach on Sept. 17. Nineteen Wayne State College students volunteered at Winside Public Schools. The agenda included painting/stripping the parking lot, simple landscaping near the football field, painting window trim, and painting the weight room. This event allowed Wayne State College to give back to a local school, and the organization hopes to continue this event in the future.

NATIONAL FARM SAFETY & HEALTH WEEK

**In recognition of
National Farm Safety
& Health Week,
September 18-24,
our local businesses
remind you to
stay safe year-round
by following these
basic tips:**

Farm Equipment

The nursery rhyme does not state, "Old MacDonald had a farm and on this farm there was a bunch of dangerous things." But maybe it should?

Farmers perform an essential service, providing food and other products that consumers commonly take for granted. The inner workings of a farm are something to treat with respect. Most of the families who live and work on a farm understand the potential hazards of such an environment. However, individuals visiting a farm may be unaware of these dangers. Understanding farm safety helps keep everyone safe.

According to the organization Kids Health, the age groups at greatest risk for injury on farms are children ages 3 to 4 and teenagers ages 13 to 14. Most injuries can be prevented, though, with a little education and precautionary measures.

Machinery

There are many different forms of machinery on a farm to help keep it working efficiently. These items can pose serious safety risks. Although tractors are the type of farm equipment that causes the most injuries, some adults still think it is safe to allow children to ride along.

Injuries that may result from farm machinery include pinching of clothing or parts of the body, where a person may become trapped in the gears or components of equipment; cuts from equipment that shears crops; bruising or cuts from projectiles thrown by mowers or other field equipment; and crushing or trapping injuries from machinery that falls or tips over.

Animals

Part of the excitement of visiting a farm is seeing and petting the animals. Although many animals may be docile and domesticated, they can still be unpredictable. Animals that are startled by yelling or loud noises also may become restless and dangerous. Children should understand that animals may unintentionally cause injuries. It may be in a horse's defense mechanism to kick when it is scared. To avoid such injuries, never approach animals from behind. Also, when baby animals are present, a female may be protective of her brood and go on the defensive.

Another inadvertent injury that may occur is from bacteria or viruses from the animals. Animal feces may contain bacteria, and there may be other microorganisms on the animals themselves. It is a smart idea to always wash your hands after handling a farm animal to prevent the spread of disease.

Here are some other precautions that can be taken when visiting a farm.

- Don't allow children to wander around unsupervised.
- Rides on farm equipment should be discouraged.
- Before starting machinery, operators should locate children and other guests and clear them from the work area.
- Don't allow children near machinery.
- Children under the age of 16 should not be allowed to operate any farm vehicles.
- Watch for hand tools or other equipment, and keep children away from them.
- Do not touch animals unless a farm worker allows it. Then follow his or her instructions.
- Don't provoke farm animals or attempt to startle them.
- Supervise children around ponds, feeding troughs or manure lagoons. It only takes a few inches of water to pose a drowning risk. Farms are interesting places to visit, especially for children. Safety should always be a priority when visiting a farm.

of each food group kids and adults need daily. For breakfast, try to eat foods from at least three or four different food groups, such as grains, fruits and the dairy groups.
Try these quick, easy and great tasting breakfast ideas: Oatmeal with applesauce and a glass of low-fat milk; Ready-to-eat cereal with milk and fruit; Peanut butter and banana sandwich; Bagel with cheese and 100 percent fruit juice; Pita bread with yogurt and strawberries
Here's a fun and simple recipe: Make-ahead French Toast
8 slices bread (½-inch-thick slices)

5 eggs
1 1/2 c. low-fat milk
1/4 c. sugar
1/2 tsp. vanilla
Suggested toppings:
Fruit, syrup or sugar-cinnamon mixture
1. Lightly grease a 13- by 9- by 2-inch baking pan. Cut each slice of bread into two even strips. Arrange bread strips in pan.
2. In large bowl, mix eggs, milk, sugar and vanilla with an electric mixer on low speed until well blended, five minutes.
3. Pour egg mixture over bread strips; cover. Chill four to 24 hours.
4. Preheat oven to 425 F. Bake until eggs are set and toast is lightly browned, about 30 to 40 minutes.
5. Serve with toppings of choice.
Nutrition Tip: Try using whole-wheat bread instead of white for more nutrients.
Makes four servings, about two slices each. Each serving has 330 calories, 9 grams (g) fat and 46 g carbohydrate.

Who packed your parachute?

Sometimes in the daily challenges that life gives us, we miss what is really important. In the midst of taking care of all the "have to's", we don't pause to see the gifts of life and all that makes them possible. One of the most powerful stories in the gospels is Jesus healing the ten lepers, all of whom were healed of their disfiguring, isolating disease and only one of whom returned to express his gratitude for the life-changing gift. The other nine did the "right thing" by going to the priests for a certificate of health. But the one recognized the real source of the change and said thank you.

I love that story of gratitude, and I've often reflected on it as a reminder to recognize the people who make a difference in my life. It's easy to see the folks who make big changes - I can't imagine NOT saying thank you for a healing that meant life and community to the leper. But there are a myriad of people every day who make a difference in our lives, and we rarely recognize them, or their efforts. If the 10 lepers story doesn't call you to appreciation and gratitude, perhaps this story will.

Charles Plumb, a U.S. Naval Academy graduate, was a jet pilot in Vietnam. After 75 combat missions, his plane was destroyed by a surface-to-air missile. Plumb ejected and parachuted into enemy hands. He was captured and spent six years in a communist Vietnamese prison. He survived the ordeal and now lectures on lessons learned from that experience.

A Word In Faith
By Sally Carlson
Interim Pastor, Wayne Presbyterian Church

One day, when Plumb and his wife were sitting in a restaurant, a man at another table came up and said, "You're Plumb! You flew jet fighters in Vietnam from the aircraft carrier Kitty Hawk. You were shot down!"

"How in the world did you know that?" asked Plumb. "I packed your parachute," the man replied. Plumb gasped in surprise and gratitude. The man pumped his hand and said, "I guess it worked!" Plumb assured him, "It sure did. If your chute hadn't worked, I wouldn't be here today."

Plumb couldn't sleep that night, thinking about that man. Plumb says, "I kept wondering what he might have looked like in a Navy uniform: A white hat, a bib in the back, and bell bottom trousers. I wonder how many times I might have seen him and not even said good morning, how are you or anything because, you see, I was a fighter pilot and he was just a sailor." Plumb thought of the many hours

the sailor had spent on a long wooden table in the bowels of the ship, carefully weaving the shrouds and folding the silks of each chute, holding in his hands each time the fate of someone he didn't know. Now, Plumb asks his audience, "Who's packing your parachute?"

Everyone has someone who provides what they need to make it through the day.

Plumb also points out that he needed many kinds of parachutes when his plane was shot down over enemy territory - he needed his physical parachute, his mental parachute, his emotional parachute, and his spiritual parachute. He called on all these supports before reaching safety. His experience reminds us all that there are many folks in our past, present and future, who help us weather whatever storms lie ahead.

As you read this column, I will have already moved from Wayne to return to my home and family in Omaha. I was blessed to be able to

labor in Wayne as interim pastor at First Presbyterian Church for nine months. What a wonderful, committed crew! I was also blessed by lots of folks around Wayne and I'd like to say thank you to them for packing my parachute every day:

- The CAC staff for being so cheerful at 7 a.m. in the morning,
- The Casey's morning crew, who encourage a joke as we all collect our caffeine for the day,
- The wonderful people at Brookdale and Careage, who care deeply for the residents,
- The library staff, who know their collection and their technology, and help us all grow,
- The folks who take such great care of the city: streets, parks, garbage removal, utilities, and all of the other services that make our lives better here,
- All the volunteers! There's Scouting and service clubs, church groups and gardeners, coaches and concession stand workers, and all the others that make this town great!
- All the folks that I've seen every day for nine months that I may have forgotten to name.

Thank you for all you do. You pack parachutes each day for others. You make an amazing difference in the lives of every person you touch, even when we don't recognize or name that difference. We are called to be grateful people, remembering our blessings daily and acknowledging the folks who bless us. Do remember to say thank someone today for packing your parachute.

Our Savior Lutheran bringing Isaacs to Wayne

A year-long dream is becoming a reality for Our Savior Lutheran Church. Last November, the church began exploring the opportunity of bringing a concert to Wayne as a Community Fundraiser. The Senior Ministry Committee of Our Savior agreed to bring the national and international gospel group, The Isaacs, to Wayne for a concert with the proceeds to go to the emergency fund of the Wayne Association of Congregations and Ministries (WACAM).

The concert is scheduled for Saturday, Nov. 19 at 6 p.m. at Our Savior Lutheran Church.

The committee needed to initially raise \$5,000 to cover the concert fee, with additional expenses suspected of \$1,000. The committee will con-

tinue to raise money for WACAM and all proceeds received the night of the concert will be directed to WACAM's emergency fund.

The committee did several fundraisers, including a community old fashioned pie and ice-cream social, hosting children's games at Henowen, community pancake feed, and working concessions at the Majestic Theater.

Thanks to these fundraisers and generous donations, the Senior Ministry Team at Our Savior has met their initial goal. The concert will be a free-will donation with proceeds going to WACAM's emergency fund.

The largest grant of \$3,000 was received from the Gardner Foundation.

"This was a wonderful show of community support from the Gardner Foundation. The Our Savior Lutheran Church Foundation provided \$750 for the down payment and the First Presbyterian Church showed their support with a \$500 donation," said Deb Hammer, Director of Senior Ministry at Our Savior.

"A huge thank you goes to the Gardner Foundation, Our Savior Lutheran Church Foundation, and First Presbyterian Church to help make this concert a reality and huge success. The Senior Ministry Team would also like to give a great thank you to all of the people in the community that has supported this venture," Hammer added.

Do YOU have a plan for your livestock should disaster strike?

Any disaster, whether it's a flood, hurricane, tornado or earthquake, can catch you off guard and leave you in danger.

It's important to have an emergency plan in place for your family. And if you raise livestock, an emergency plan is important as well. Using the American Veterinary Medical Association's (AVMA) procedures to prepare now, you can quickly and easily safeguard your livestock when disaster strikes.

• Prepare - Get a Livestock Evacuation Kit:
Include feed, water, supplements,

supplies (medications, rope/lariat, halters/leads, cleaning supplies, knives, etc.), and papers (veterinary records and proof of ownership).

Review your kit regularly to ensure contents, especially feed and medicines, are fresh.

• Plan - What You Will Do in an Emergency"

Determine if you are able to evacuate (This should be based on the type of disaster and the safety and stability of the shelter).

Determine where you will go if you have to leave (Identify friends or relatives who could house live-

stock during the disaster, including fairgrounds or other livestock evacuation locations).

Determine how you will evacuate (Decide how livestock will be transported/housed and prearrange an evacuation site).

In case you are not home:

Designate a neighbor to tend to your livestock (This person should be familiar with your livestock, know your evacuation procedures, know where your evacuation kit is kept, and have your emergency contact information).

Make sure livestock has some form of identification (microchip, ear/leg tag, leg band, tattoo etc.)

Stay Informed:
• Know About Types of Emergencies:

It's always a good idea to find out what types of emergencies could happen where you live and whether you need to make any specific preparations because of them. (A good basic emergency plan is to keep

your livestock with you; what's best for you is typically what's best for your livestock. Plan to stay if it's safe to do so, or leave if ordered to evacuate.)

When disaster strikes, follow instructions of local emergency management to safeguard you, your family, and your livestock.

For more information about safeguarding your livestock family before a disaster occurs, check out the following links:

AVMA "Saving the Whole Family" (available in English and Spanish) <http://www.ready.gov/caring-animals>;

<http://atwork.avma.org/2014/08/28/be-disaster-aware-take-action-to-prepare/>

Preparedness begins at home, and your livestock depend on you to keep you and them safe. Be disaster aware, take action to prepare now!

Ladies Aid plans October events

Grace Ladies Aid met Sept. 14 in the Fellowship Hall.

President Fauneil Bennett welcomed 11 members and Pastor Mike and led the group in the LWML pledge. Vice President Ellen Heinemann read a devotion from the Mustard Seeds about prayer. She also led a memorial service for Mary Doescher. She read the following scriptures; Isaiah 40:28-31 and John 6:35-40 that were read at Mary's service.

President Bennett led the Mission Grant devotion entitled "Opportunities in Uganda for \$100,000." The opportunities in Uganda have helped to plant over 110 Lutheran congregations with over 25,000 members. All this work has been done with less than 20 ordained pastors. Also, Women of the Pearl focuses on working with the women so they fully identify with the work of the church.

The money will be used to build a seminary in Uganda and provide funding for 100 women to attend Women of the Pearl conferences for the next 2 years.

Minutes of last meeting were read and approved as read. A thank you was read from Fritz and Joann Temme. The treasurer's report was read and will be filed for financial

review.

Committee Reports included the following:

Kitchen: No report.

Visiting: Ruth Victor reported sending many cards and she and Bev Hansen visited at Brookdale with the residents.

Funeral: The ladies reported they served 100 people at the Mary Doescher funeral. They had plenty of food and help.

Sewing: Esther Brader reported eight ladies tied four quilts. They will sew on Thursday, Sept. 22 at 1:30 p.m.

Old Business: The Fall Rally will be held at Immanuel at Laurel on Tuesday, Oct. 11 with registration at 9:30 a.m. Members voted to give \$50 to the ingathering. Members were also reminded of LWML Sunday on Oct. 2. All are to wear purple.

New Business: President Bennett led a discussion about mission projects. The group voted to have a Christmas tree again and collect children's hats, gloves, mittens, under wear, and socks to decorate the tree. The tree will be set up in December. The group is looking into other mission projects.

Pastor Mike led a Bible study on "Reading the Psalms". It's God's Word and it's our words back to God. The birthday song was sung for Bev Hansen, Ellen Heinemann, and Delores Utecht. Ruth Victor served lunch.

The next meeting will be Wednesday, Oct. 12 at Brookdale at 2 p.m. with Ellen Heinemann serving. The meeting closed with the Lord's Prayer and the table prayer.

Joy Circle meets at Our Savior Lutheran Church

Joy Circle of Our Savior Lutheran Church met on Sept. 14. Elaine Draghu and Thelma Moeller hosted.

Vice President Lynette Lentz welcomed everyone and gave announcements. She recognized Bonnie Stanley who will celebrate her 92nd birthday in September.

Vera Longe gave devotions based on Philippians 4:12 in which St. Paul says he knew what it was like to be in need or to have plenty. He goes on to say he has learned to be content in each and every situation whether or not he liked the situation in which he found himself.

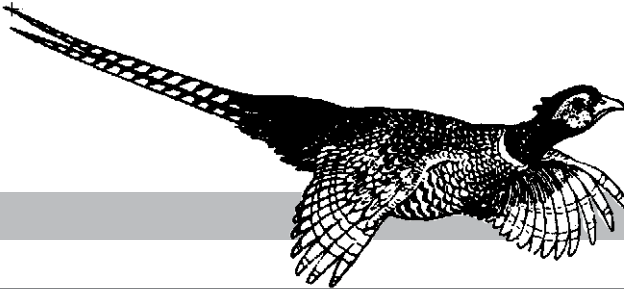

When our minds are fixed on the Lord, we are contented and peaceful. When we trust God in difficult times, we honor Him. We should not wait until all is perfect before we decide to enjoy everyday life. The Power Thought from the devotion: "I am content in all circumstances because my trust is in God."

Dorothy Wert led the program. The group made greeting cards, which will be sent to members of the congregation throughout the year to let them know they are in our thoughts and prayers.

There will be no Joy Circle meeting in October. On Thursday, Oct. 6 Pink Flamingo Nite will be held at Our Savior Lutheran Church.

Week overflowing with activities

As my friend, Sharon, said this afternoon, "why does everything happen on the same weekend?" There have been some when the phone does not ring and the doorbell does not sound; there are others when we can't catch a breath.

Last Friday evening, Lutheran High Northeast was scheduled to meet Lincoln Lutheran for a football game on the Concordia, Seward, field. It would be the only chance for us to see a live game, as opposed to the ones we have been able to watch with video stream, so we drove over there. It was a perfect evening for football, and we were a little nervous because Lincoln Lutheran had won its first three games and were featured in a big spread in the paper on Thursday.

The quarterback even goes to our church, as does one of the big line-men. (It does seem to be something in the water at our church; the high school age boys are all TALL!) So,

The Farmer's Wife
By: Pat Meierhenry

would the Eagles be able to bring him down?
They did, and then some! Norfolk

Lutheran won the game, 34 to zip. We even had our picture taken with Jaxson, who had a cut on his arm and was all dirty and sweaty, just as a lineman is supposed to be!

Then, on Saturday morning, we hosted three people from Oregon, one in a Duck shirt, and another old friend who lives in Virginia, for coffee, here for the GAME! Having watched the guys grow up, it's always good to see them again. And they were in bright RED shirts, along with 90,000 other folks.

In fact, Doug, from Virginia, flew to New Jersey last year for the Rutgers game, and says half the stadium was in red. Cornhusker fans travel! But, New Jersey??

We quickly took naps, because we had been up later the night before, and earlier the next morning, and we can't take these short nights anymore. Good that the Nebraska game was at 2:30. And such a game!

The friend from Waco who takes

call at Bryan stopped with rhubarb and tomatoes and peppers, and stayed to watch with us. She grew up in Oregon, so on Saturday, decided she could not lose, she was a "HUCK" (Husker-Duck).

I have commented that I miss my Mom or my brother calling on days like that to say Go Big Red! So, Sue called first; she had actually been there; said it was HOT! Marlyce in Orlando was next, we had a good visit. And even Mary Anna in northern California called; I had no idea she even watched football. She wanted to know what was the deal with the two point business??? It helped us win the game!

I'll have to tell you about Sunday next week. Don't hold your breath, but have a good week. The guy from Virginia commented that if the weather was always like this, he'd move back!! Weekends like this are what keep us here, right?!

Pirate bugs, other buggy fall nuisances discussed

I have been getting this question the last few days. What is that itchy-bitty black blanketty-blank bug that is biting me? And why are those big lady beetles taking a taste out of my poor hide?

Well the tiny black bug about the size of a period is called a minute (as in small) pirate bug, and the big lady beetle is of course the Asian lady beetle. These insects are actually beneficial predators of soybean aphids in soybean fields. Now however, as the soybean fields are drying up and losing their leaves these insects a moving about trying to find other meals before winter arrives.

For some reason they like to land on humans and take a test bite. Minute pirate bugs have very tiny needle like mouthparts, and when they drill into you it is amazing that such a tiny insect has such an irritating bite. The best thing to do is wear long pants and sleeves, since they don't seem to respond to repellants such as DEET very well. A good frost will lay them low but who knows when that will happen.

What do crickets, millipedes, Asian lady beetles, box elder bugs, wolf spiders, and other creepy crawlies all have in common this time of the year? You have probably figured it out; they are looking for a cozy place to hole up for the winter. Crickets are a critical part of our ecosystem. They feed on a lot of different plants, decaying organic matter and even other dead insects. They are also a valuable food source for other animals such as spiders, birds, and snakes.

Millipedes are thin, hard shelled worm-like arthropods with many legs. They feed on organic matter and are efficient recyclers of plant material. Millipedes are less annoying but still will enter your house

Ag Happenings
Keith Jarvi
Extension Educator

and dry up into a hard shell for you to clean up.

The next most common invader is the Asian lady beetle, which is beneficial for much of the year since they feed on soybean aphids and other harmful insects.

However, at this time of the year, these critters begin to enter buildings, and if you happen to have a cricket sneak into your house and start chirping in the middle of the night, it can drive you crazy. Asian lady beetles will congregate in large numbers and if you have a nice overwintering site, they will enter by the hundreds or even thousands. They have a disagreeable odor and can stain areas when you crush them.

Any cool snap will begin to drive these bugs into looking for better quarters, so now is the time to prepare for these annoyances. Look for any gaps in windows, doors, cracks in foundations, and any other openings which will give easy access.

Fill the gaps with foam sealant or any other method that will prevent entry. Outside, if you have heavy mulch, boards, and wood piles around the foundation, these make excellent hiding places and areas where these critters can stage up for a home invasion. Remove these hiding areas if you can.

An insecticide "barrier" may be created by spraying the exterior of structures along the foundation with a wide band of about 4-5 feet. Spray about 2 feet up into the foundation as well. Make sure you spray the product to the point where you can see the material running down the foundation to give you extra residual.

Keep pets and children away from the area until the surface dries. You can purchase these barrier insecticides at your local hardware store. Many of the so-called "Home Defense" type products are good choices for a barrier spray. Most of them have pyrethroid insecticides in them that will provide residual.

Two of the most common are cyfluthrin and bifenthrin (remember these are common names in small print of the label, not trade names). If you have ornamental beds and lawns adjacent to the foundation it may be advisable to treat those as well. One last comment; these prod-

ucts don't last for one year like the advertisements may say. Depending on weather conditions, you may have to spray every 2 to 4 weeks until we get a hard freeze. Good luck on the "home front".

Two funding sources available to assist producers with flow meter costs

All irrigation wells in the Lower Elkhorn Natural Resources District (LENRD) will need a district approved flow meter installed by Jan. 1, 2018. The LENRD has secured two grants to assist landowners with the expense of this requirement.

1) RCPP: The LENRD received one of 6 Regional Conservation Partnership Program (RCPP) grants in Nebraska to fund producers' irrigation water management projects. The RCPP is administered by the USDA's Natural Resources Conservation Service (NRCS).

The RCPP grant, under the Environmental Quality Incentive Program (EQIP), includes incentive payments for the installation of irrigation flow meters, irrigation water management, and nutrient management. The RCPP grant is for producers who want to utilize more technology in their Irrigation Water Management (IWM). In addition, the LENRD will offer incentive payments of \$250 per flow meter to producers who are approved for the EQIP/RCPP funding. Landowners must apply at their local NRCS office prior to October 21, 2016, and be approved for EQIP/RCPP funding prior to purchase and installation of the flow meter.

2) WSF: The LENRD has also received a grant from Nebraska's Water Sustainability Fund (WSF), administered by the Nebraska Natural Resources Commission, to assist landowners with the purchase of flow meters.

With the WSF grant, the LENRD will pay producers \$500 per flow meter. All producers who have installed flow meters on or after November 25th, 2015, or producers who have yet to install their flow meters, can now apply for the \$500 incentive payments until the funds run out. Application for the flow meter cost-share can be completed by visiting your local NRCS office or the LENRD office in Norfolk.

LENRD water resources manager, Brian Bruckner, said, "These incentives are available for producers on a first-come, first-served basis. There is enough grant money to cost-share on 3,000 of the estimated 4,500 meters left to install. Therefore, it's very important that producers apply at their local NRCS office or the LENRD office as soon as possible."

The LENRD serves all or parts of 15-counties in northeast Nebraska. Visit the LENRD website to sign up for emails from the district. Like us on Facebook, and follow us on Twitter. Protecting Lives, Protecting Property, Protecting the Future - www.lenrd.org
