Board accepts resignation, foundation accepts check Sue Buryanek to finish out 2016-17 school year

By Clara Osten
clarao@wayneherald.com

The resignation of long-time Wayne Public Schools Librarian Sue Buryanek was accepted at Monday's meeting of the Wayne Community Schools Board of Education.

The board accepted, with regrets, the resignation and early leave incentive agreement for Buryanek, effective at the end of the 2016-2017 school year.

Lindsay McLaughlin, Wayne Community Schools Foundation Director, accepted a check from the Leadership Wayne group for \$1,033.86.

The money was raised during the recent Taste of Victory Tailgate Party in which "celebrity" chefs prepared food and those attending voted on their favorite dish by contributing money.

Winning chefs were Corby Schweers and Dr. Jeryl Nelson, who were present at the board meeting to take part in the check presentation.

In other action, the board approved a two year quote from Constellation for natural gas at a cost of \$0.48 per therm.

The board also received the 2015-2016 Wayne Community School District audit.

Superintendent Mark Lenihan highlighted several items on the audit and noted that there were 'no deficiencies of consequence and the district is in compliance with government accounting standards.'

Superintendent Lenihan also told the board that he had received information from Marco, the firm that takes care of the district's copy/printing equipment. He told the board that the district has re-assessed the usage with staff from Marco and the district will save approximately \$130 per month, based on current usage.

Discussion items during the board meeting included the possibility of replacing the lunch/band truck, which is beyond repair. Options will be investigated before a decision is made.

A quote was received for a new curtain for the Lecture Hall, as well as a quote for an inspection of the rigging system. While there are no plans to replace the curtain, it was decided to proceed with the inspection.

A community meeting will be held Jan. 11, 2017 in regard to the reVISION process. The goal is to work with the community to develop career opportunities for students, including those in the ag field.

The district is currently working with Providence Medical Center in regard to having the services of an athletic trainer available to the students at the school.

Currently, the district and the hospital work together, with costs being shared.

However, the school district will be assuming the full cost, effective for the 2017-2018 school year. Additional discussion will take place at the board's next meeting.

Superintendent Lenihan also updated the board on the latest drawings for the locker room/CTE room project. It is anticipated that the board will move forward with the bid process at the December meeting and construction would start after the winter sports season in order to allow for enough time for completion before the start of the 2017-2018 school year.

Administrator reports included activities taking place in the upcoming weeks, along with the recent Veterans Day Program, an update on Unified Bowling and Math/Science Night held recently at Wayne Elementary School.

The Wayne Community Schools Board of Education will next meet in regular session on Monday, Dec. 12 at 5 p.m. in the junior-senior high school library.

WSC RUGBY

(Photos by Courtney Uphah)

Rod Tompkins (left with plaque) poses with Rich Cortez, Director of College Rugby from the rugby Olympic office (center, no plaque) and WSC Rugby coach Darrin Barner (right with plaque) with several others. The award was presented to Tompkins for his help in developing the program and the facility.

Area businessman takes home rugby development award

By: Courtney Uphah
Wayne Herald intern

This past Saturday, after a good match of rugby, Rod Tompkins, along with a group of esteemed individuals associated with Rugby, took the field as Tompkins was awarded the North American Program Development Award.

Tompkins explained that when everything first started, he had never heard of rugby before.

"I think some rugby players came and talked to me about helping them, and I said 'I don't know how to spell rugby.' They said, 'well you come to a game and we'll show you what rugby is.'"

About 16 years ago students from Wayne State College showed Tompkins what rugby was, and since then he has encouraged the sport and aided in the creation of Wayne Rugby Park.

"The whole story is that this land here was not being used by the city, so I went to them 15 years ago and asked them if we could reshape it into Rugby Park, and the city said 'yeah sure, no one is using it.'" Tompkins said.

Since then, grass has been planted and the land has been looked at to make sure that the fields were less likely to flood. Next bleachers and club houses were built, and the park became the field it is today. That is, until the tornado hit a few years ago, but since then it has been restored and is still being used for rugby.

"He had a great open ear of a plan to develop a rugby facility that not only would be a good field for WSC rugby, but also additional fields so besides hosting just games, but tournaments," WSC rugby coach Darrin Barner said. "Our layout of the complex is the talk of any visiting team, we have a news story person from Los Angeles (FOX/ESPN), that thought this would actually be a great story on a 'field of dreams' thought for rugby."

Barner explained that talk of this award began in January when a Canadian ref heard the story behind the Rugby Park, and how the park was rebuilt after the recent tornado with no insurance.

"A Canadian ref who was here for the 80 team tournament was very impressed with the rugby complex, and heard the story that it used to be a 20 acre corn field, and developed into a game setting with an excellent spectator area, clubhouse, press box and broadcast tower," Barner said.

The area is set up to hold larger rugby competitions and have room for the spectators. Nebraska Governor Pete Ricketts is one of these spectators, and he often visits the

Rod Tompkins

field twice a year. Ricketts is a confirmed fan of Wayne State Rugby.

However, Barner mentioned a different VIP visited last Saturday.

"It was great to have USA Rugby fly out Rich Cortez the Director of College Rugby from the rugby Olympic office. We're very honored he would stay here for the playoffs and also present the award last Sat."

Barner also wanted to mention Sand Creek Post and Beam put on the finishing touches for Rugby Park with a two-story club house and VIP deck. This gives a view up to the 50 yard line, and allows for displaying rugby memorabilia.

Tompkins has aided in the building and creation of rugby park, but when asked he said he had not been expecting the award and gave praise to the rugby coach at WSC, Barner.

"I'm really proud of Darrin Barner, and all of the trophies that he's won. He's Midwest division champion for 17 years in a row, in addition to the national championships that he's won in the last five years with the girls' rugby. That's what counts, not a bunch of grass."

Benefit planned for Vick family after car wreck

By Clara Osten
clarao@wayneherald.com

A breakfast and silent auction are being planned for Sunday, Nov. 20 to assist the family of Johnathon Vick.

The event will be held at the Wayne City Auditorium from 9 a.m. to 1 p.m. and will include a breakfast of pancakes, French toast, sausage, eggs and a drink. A free will donation will be accepted.

A silent auction will be held at the same time. Anyone wishing to donate items to the auction may drop them off at Homestead Homes at 106 Main Street in Wayne.

Monetary donations may be made at State Nebraska Bank in Wayne in care of the Johnathon Vick Benefit.

Johnathon was severely injured in a car accident on Aug. 31 northwest of Wayne. He was life flighted to Mercy Medical Center in Sioux City, Iowa. Johnathon was in a coma, due to a severe traumatic brain injury.

According to Johnathon's mother, Amanda, "The doctors immediately inserted a chest tube and got his breathing stabilized. His left lung was collapsed and had broken ribs on the left side. He also had a surgery on Aug. 31 to put a drain in his head to reduce pressure in his brain."

Johnathon Vick

"The following day, after another CT scan, the doctor told us he couldn't stress enough how bad the injuries were and did not expect him to survive. They said they would do everything possible though. The doctors put him on medications so he would stay in a medically induced coma, as well as medicine to physically paralyze him to help keep the pressure down. He was on a lot of medication to help as well."

Some of Johnathon's other initial injuries included a bleeding spleen, a broken left shoulder and some cuts that needed stitches. He was hooked up to a ventilator to breathe for him. He spent a little over six weeks in the Intensive Care Unit and a few days in the Neuro Unit at Mercy.

On Sept. 3 Johnathon developed pneumonia in both lungs. The pressure in his head was still very high, as well as all of his other stats.

He was put in a cooling machine, and later used cooling blankets to help keep his temperature down. He was on a lot of medications to also help control his heart rate and blood pressure, which were also very high.

His inner cranial pressure was still high, despite all the medications and venting the drain. The doctors told his family that the only way he could survive would be to have part of his skull removed. On Sept. 7 Johnathon had a bilateral frontal decompressive craniectomy done.

"The next few days-weeks were still rough for Johnathon. His pneumonia became resistant to medication, and his bottom right lung partially collapsed. A bronchoscopy was done to help clear out the pneumonia. His central line that was inserted in his neck became infected. He got a blood clot in his arm. He had an EEG to rule out seizures as the cause of his body spasms. He also had pressure sores. He had a feeding tube inserted into his stomach as well as a trach inserted in his neck to help him breathe. He lost a significant amount of weight, mostly muscle," Amanda said.

On Oct. 18 Johnathon was transferred to ChildServe in Johnston, Iowa.

He is currently in the Transitional Unit. On Oct. 28 he was no longer considered in a coma. He is currently unable to communicate and nonverbal.

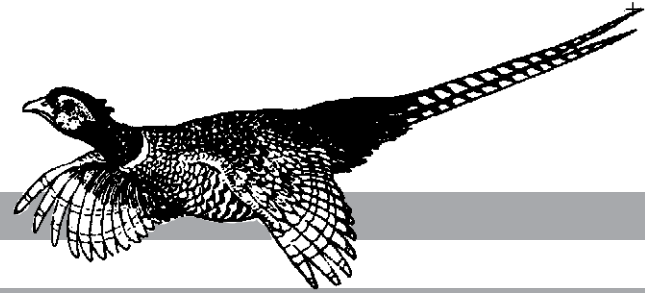

He needs total assistance in all daily living activities. He is working on a way to communicate, building muscle, following simple commands and trying to gain weight.

"Johnathon's doctors say it is a slow and long recovery. They are still at this point, unable to say what long-term issues he will have as all brain injuries are so different," Amanda said.

Obituaries

Ted Habrock

Ted Habrock, 96, of Wayne, formerly of Emerson, died Thursday, Nov. 10, 2016 at his home at Brookdale Wayne.

Services were held Monday, Nov. 14 at St. Paul's Lutheran Church in Emerson. The Rev Gretchen Ritola officiated. Burial was in Rose Hill Cemetery in Emerson.

Memorials may be directed to the Habrock Family for later designation.

Arrangements were with Hasemann Funeral Home of Wayne.

Theodore B. Habrock (named after Theodore Roosevelt) was born March 21, 1920 on a farm near Emerson to Bernard and Lena (Harring) Habrock. He attended rural school near Emerson where he developed a lifetime interest in reading, particularly about history. Ted married Mylet Mueller on Sept. 20, 1945 at St. Paul's Lutheran Church in Emerson. Nearby, the newlyweds purchased a home and land where they farmed and fed cattle. Upon retirement, the couple moved to a home one mile south of Emerson. In 2015, they relocated to Brookdale-Wayne where they recently celebrated their 71st wedding anniversary. Ted was a member of St. Paul's Lutheran Church and was active in the Emerson Community, serving on the St. Paul's Lutheran Church Council, Farmer's Co-op Board, Emerson School Board, and others. He will be fondly remembered for his wry sense of humor, his love of the land and the people of Northeast Nebraska, as well as card games, baseball, and most of all love of family.

Survivors include his wife, Mylet; four children, Dean (Karen) Habrock of St. Joseph, Mo., Gene Habrock of Windsor, Co., Lorane (Randy) Slaybaugh of Denver, Co. and Janice (John) Manganaro of Omaha; 14 grandchildren; 25 great-grandchildren; eight great-great-grandchildren; a sister, Helen Kai of Dalton; and many nieces and nephews.

He was preceded in death by his parents; five brothers, Francis, George, Cary, Wilbur, and Roy; sister, Darlene Dolph; daughter-in-law, Pam Habrock; and great-grandson, Brett Habrock.

Pallbearers were Ted and Mylet's grandsons, Brian Habrock, Travis Habrock, Jason Habrock, John Slaybaugh, Ross Gardner and Kyle Gardner.

Faith Regional Health Services earns 'A' for patient safety

New Leapfrog Hospital Safety Grades, which assign A, B, C, D and F letter grades to hospitals nationwide and provide the most complete picture of patient safety in the U.S., were announced by The Leapfrog Group, a national patient safety watchdog.

Faith Regional Health Services was one of 844 hospitals to receive an "A," ranking among the safest hospitals in the United States.

"Patient Safety is in the forefront of what Faith Regional focuses on every day," said Lisa Parks, Vice President of Nursing and Quality.

"We have implemented teams that promote safety through administrative and staff huddles, as well as through interdisciplinary safety rounds. In addition, our Just Culture encourages staff to report a potential safety concern so it can be addressed promptly."

"Protecting patients from harm is the most important charge for any hospital," said Leah Binder, president and CEO of The Leapfrog Group. "We recognize and appreciate 'A' hospitals' vigilance and continued dedication to keeping their patients safe."

Wayne Rotarian Barbara Engebretsen with Gretchen Bren, District 5650 Polio Chair.

Wayne Rotarian to 'Ride to End Polio'

Some of us remember polio, or knew someone who had suffered from polio before the vaccine was developed. Wayne Rotary member Carol Dunning, a polio survivor will share her story at this week's club meeting.

On Saturday, Nov. 19, Rotarian Barbara Engebretsen will be participating in the 'Ride to End Polio', and will be riding her bicycle 'stand' for two hours from 10 a.m. - noon at 500 Oak Drive in Wayne for pledges by the minute. So far she has received pledges for nearly \$1000 to go toward Rotary's PolioPlus Campaign to EndPolioNow.

Until polio is eradicated, all coun-

tries remain at risk of outbreaks.

Since 1985, Rotary International has contributed more than \$1.6 billion and countless volunteer hours to immunize more than 2.5 billion children in 122 countries. In addition, Rotary's advocacy efforts have played a role in decisions by donor governments to contribute more than \$7.2 billion to the effort.

Every dollar Rotary commits PolioPlus will be matched two-to-one by the Bill & Melinda Gates Foundation up to \$35 million a year through 2018.

More than one million Rotary members have donated their time and personal resources to end polio and has a growing roster of public figures and celebrities participating in its "This Close" public awareness campaign.

Anyone interested in pledging Engebretsen's ride to EndPolioNow, you can contact her at: 402-640-3288 or baengeb1@wsc.edu. We are "This Close"!

Zavada is honored educator

Kevin Armstrong, Chief Executive Officer of the Wayne State College Foundation, awards the Balsley Whitmore Excellence in Teaching Award to Dr. Maria (Becky) Zavada. The award honors faculty members who exemplify the teaching mission of the college by engaging in innovative and challenging classroom teaching, enhancing critical thinking, promoting independent learning, and contributing to the intellectual life of the campus community.

The award is given annually to a faculty member in English who embodies the teaching mission of

Wayne State College. The award is presented annually to a tenured member or tenured-track of the WSC English faculty.

The award is funded by the Balsley Whitmore Endowment honoring the late Howard and Irol (Whitmore) Balsley. It is used to support the recipient's teaching by funding travel, materials and books, released time, or other endeavors/activities. The award is a \$2,500 cash award and \$2,850 to be used in the English Department at Wayne State College.

Kevin Armstrong presents a teaching award to Becky Zavada.

Looking Ahead in Wayne

by **LOWELL JOHNSON,**

City Administrator

City Council meetings

Regular Wayne City Council meetings are at 5:30 p.m. on the first and third Tuesdays of each month in city hall at Third and Pearl Streets.

Snow Removal

Sidewalks:

They are for the benefit of all the public and need to be cleared within 24 hours of when the city streets are cleared. Sidewalks not cleared will get cleared at the expense of the abutting property owner.

Snow Plow Alert:

When a larger amount of snow is predicted, we will send a Snow Plow Alert notice out over the TV cable system, Wayne radio station and city web site to have cars parked off the street until the street is cleared of snow to the curb. Cars not moved get towed at the owner's expense.

Pushing Snow onto Streets and into Alleys from Private Property:

Property owners can't push snow from private property onto public property. The city snow plows have the street terraces to throw snow onto when clearing. It's a bummer that snow gets bladed into driveways but no town has figured out a way yet to stop a moving plow for every driveway and still get all the work done.

Grants available

\$25,000 for shingles, furnace and A/C, electrical panels, insulation, siding, etc.

Northeast Development District has three \$25,000 grants for owner occupied homes in the southeast quadrant of Wayne. They'll be awarded this winter on a first-come first-served basis. Rental properties are not eligible. We'll be out contacting residents who live in their own homes to get the information out. If you're interested call Jan Merrill in Norfolk at 402-379-1150 Ext 109 or contact the Wayne City office and we'll forward you to her.

Quote

"The reasonable man adapts himself to the world, the unreasonable man persists in trying to adapt the world to himself. Therefore all progress depends on the unreasonable man" George Bernard Shaw 1856-1950

Chamber Coffee

WAYNE — This week's Chamber Coffee will be held Friday, Nov. 18 at Swans Apparel. It will include the presentation of the Congeniality Award. There will be no coffee on Friday, Nov. 25 as the Wayne Area Economic Development office will be closed. The coffee begins at 10 a.m. and announcements at 10:15 a.m.

Scout Paper Drive

AREA — Wayne Boy Scouts will conduct their monthly paper drive on Saturday, Nov. 19. Paper and aluminum beverage cans should be placed in paper grocery bags or boxes and set at the curb by 8 a.m. No plastic, no cardboard, no items with a spiral binding (plastic or metal) can be mixed in with the paper. Recyclables may also be dropped off at the Scout trailer at the Transfer Station on Monday, Friday or Saturday mornings.

Library presentation

AREA — Wayne Public Library is hosting "Simple Steps to a Well-Run Business," with Mike Bitter, founder and CEO of Affordable Social Media, Inc. This event is sponsored by The SCORE FOUNDATION and Canon USA. The program runs from 5:30-7 p.m. on Monday, Nov. 21, at 410 N. Pearl Street in Wayne. Register by Friday, Nov. 18 at 402-375-3135.

Soup Supper

AREA — In conjunction with the Christmas on Main activities, the Wayne Optimist Club will hold a soup supper from 5 to 7 p.m. at Our Savior Lutheran Church. Proceeds from the event help support a variety of Optimist-sponsored events in the community.

Coat Closet

AREA — The Wayne Coat Closet, located in the First Presbyterian Church in Wayne, is in need of new or gently loved coats of all sizes. Coats may be dropped off at the church Tuesday through Friday from 9 a.m. to noon or at the Wayne Public Library during regular library hours.

Wayne State to present a Night of Jazz

Traditional and modern jazz result in high energy when the Wayne State College Wildcat Big Band and Black and Gold Lab Band take the stage Monday, Dec. 5 at 7:30 p.m. in Ramsey Theatre. The program blends jazz standards by Duke Ellington, Horace Silver, and Miles Davis with works by contemporary masters Gordon Goodwin and Pat Metheny and others.

Featured soloists include: Kalongo Ngeleka of South Sioux City on saxophone and Tom Toel of Le Mars, Iowa on trombone. The Wildcat Big Band trumpet section will also be featured. The performance is directed by WSC Low Brass Instructor Dr. Josh Calkin.

The Night of Jazz concert is free and open to the public.

Yancey Keiser was the guest speaker at Winside's Veterans Day Program and spoke of his 25 years of military service.

Veterans honored during program in Winside

Yancey Keiser of Lincoln was the guest speaker at the Winside Veterans Day program. He talked about his 25 years of service in the National Guard and Army. During his service, he was stationed in Germany, served stateside and was in Iraq for 16 months.

Also during the program, Lester (Pete) and Shelli Keiser also spoke on what it's like to have sons in the military. Their son Austin, is a marine and recently was stationed in Latvia where they trained with British and Polish military perso-

nel. Their other son, Colby, is a student at the University of Nebraska-Lincoln and is in the National Guard. Shelli shared many heartwarming memories of graduation and seeing her sons in uniform. She also read a poem about the day your child goes to boot camp and becomes a soldier and a grown man.

Also during the program those who had attended Boys State, Girls State and the Junior Law Cadet presented a program. Music was provided by both the Winside High School Band and Choir.

Ribbon cutting

A ribbon cutting ceremony was held at JB Mart in Wayne recently. Matt and Tarah Jansen and their family took part in the ribbon cutting ceremony. Matt told those at the ceremony that even though the family lives in West Point, Wayne seems like home. Also taking part in the ribbon cutting were members of the Wayne Ambassadors and store manager Tim Schaefer.

City council accepts bids, discusses annexation

By: Calyn Dunklau
calyn@wayneherald.com

A fast-paced meeting of the Wayne City Council on Tuesday night was likely a relief for the dozen or so high school students in the audience.

Members of Josh Johnson's government class are required to attend a city council meeting for class, and the students who attended on Tuesday picked a good night to go.

While the agenda was light, discussion was intense once again surrounding the annexation possibilities for the land north of Wayne on Highway 15 where the proposed event center will be erected.

Several council members voiced concerns over the costs associated with the possible annexation and reiterated that many homeowners chose to purchase homes outside of city limits for a reason.

Wayne's growth is pushing the boundaries of town further and further outward, but council member Matt Eischeid reminded the council that they collectively needed to be

respectful of home owners in that area.

Council member Cale Giese focused on the amount of LB840 money loaned out for the project itself and felt that annexation may be the way to best recoup at least a portion of those funds.

An annexation study will likely be on the horizon for the area, though it's not an easy one to complete as the parameters of the study aren't solid.

Annexation on both sides of the highway, just one side, running sewer and electricity through Breck Giese's property or around it, are all possibilities currently on the table.

Council members voted unanimously to approve a bid by Arnies Ford for a 2017 Ford Fusion that runs on electric power, but has a gasoline back up. The car would serve as a replacement for city inspector Joel Hansen's pickup.

Hansen no longer needs a pickup full time and has access to one through various departments in the city if the need arises.

Hansen's pickup will likely be

given to another department needing a vehicle, but that hasn't been decided yet.

The bid came in at \$29,164, but a \$15,000 grant from the Nebraska Environmental Trust, a state agency funded by lottery monies, will be applied to the purchase, bringing the net cost for the city down to \$14,164.

More bids were accepted, this time for renovation and upkeep projects mainly taking place in the city hall building.

B & B Painting was awarded the bid for painting the building. The bid came in at \$2,460 for labor only as the city plans to provide paint.

Hattig Construction was awarded the sheet rock project for the building, police holding cell and a few other minor areas.

The bid included materials and labor and totaled \$7,489.

In other news, Jessi Hansen was appointed to the Recreation-Leisure Services Commission unanimously. Numerous other boards and committees are still looking for new members.

Show time once again for Wayne High School One Acts team Several performances yet on their schedule

It's show time! Wayne High School One Acts presents Coconut Soup at the Palace, or If the Marx Brothers Had Performed Oedipus the King by Thomas Hischak.

In this hilarious short play, the ancient Greek tragedy gets a rough going over by the zany Marx Brothers! King Oedipus is trying to rid Thebes of the dreaded curse by solving the mystery of who murdered King Laius. It doesn't help that his assistants are dimwits and the soothsayer is a blind mime.

The ending is a surprise even for those familiar with the original play written by Sophocles. Performances are as follows:

- Saturday, Nov. 19, 12:30 PM, Kearney One Act Festival at the Kearney High School Auditorium
- Tuesday, Nov. 22, 7:00 PM, Community performance at the Wayne High School Auditorium (Free Admission)
- Wednesday, Nov. 30, 10:45 AM, District Competition at the Ord High School

(Photo by Clara Osten)

Jonathan Webb, Nichole Owens and their children, along with Don Buryanek, Greg Worner and City Administrator Lowell Johnson took part in the ground breaking ceremony for the fifth Habitat for Humanity home.

Ground breaking held for Habitat for Humanity home on Sunday

Jonathan Webb and Nichole Owens and their four children will be the recipients of Wayne's fifth Habitat for Humanity home.

A ground-breaking ceremony was held at the site of the future home, on South Nebraska Street, on Sunday afternoon.

Taking part in the ceremony were Habitat for Humanity Board

members Don Buryanek, Dan Rose and Ann Witkowski, along with Wayne City Administrator Lowell Johnson and Greg Worner, a Wayne State College instructor in the Construction Management area.

Worner's students are spending a portion of their 'classroom time' this fall at the building site.

The current house being built is the fifth home built by the Wayne Habitat group since 2003.

Members of the group expressed their appreciation to the city of Wayne for the city's cooperation in helping with not only this build, but with several others since the program began in Wayne.

Tips on how to keep your pet safe in the cold

By: Courtney Upham
Wayne Herald Intern

As the temperature drops, it is important to remember that our four-legged friends are also affected by the weather.

"To keep your pets warm, get knots and undercoat out. If knots and undercoat are there then their skin can't breathe, and it will make them colder," said Dawn Jacobson, owner of K-9 Design.

Other tips Jacobson suggested included making sure: your pet has water that is not frozen, they have shelter if not an indoor dog and that owners keep an eye on the length of their pets' fur because it is there for a reason.

Here is a list of how to protect your pets, provided by Dr. Melissa Heithold, a veterinarian from the Wayne Veterinary Clinic.

- Keep your pets nicely groomed, they shouldn't be matted all year.
- If your pet has lighter fur they may require something for clothing or warmth in the cold weather.
- Watch your pets' feet, de-icing salt could burn their feet pads.
- In winter pets tend to burn more energy, so they may need more food.
- Make sure that pets have warm bedding so they can warm up.
- Look out for anti-freeze.
- Make sure your pet's water isn't frozen.
- Make some noise so you know a cat isn't in your vehicle.

Remembering those who served
 Members of the 189th Transportation Company presented the colors during the Veterans Day program on Friday at Wayne High School. The event featured student speakers as well as keynote speaker Duane Schoeder, who discussed the importance of supporting our service members. Attendance for the event was one of the highest to date.

Green team seeing success

By: Courtney Upah
 Wayne Herald Intern

On Wayne State College's campus, director of Faculty Services Chad Altwine noticed that recycling bins are often used.

"We do about one and a half garbage trucks each week, so it's fairly successful," Altwine said. "Continue to use it, we have it here for a reason."

Altwine encourages students and faculty members to use the recycling service at the college. It's estimated that about 50 to 60 tons of recyclables come through each year, and recycling is picked up each day on campus.

The Wayne Green Team also has members on Wayne State College campus as well as within the community.

The two most recent Wayne Green Team events held were Household Hazardous Waste Collection, and Electronics Recycling Event.

In just two hours, the Wayne Green Team served more than 100 households and collected the following household hazardous wastes, which were processed by Red Willow Hazardous Waste from McCook:

- * Pesticide - 400 pounds
- * Paint - 3,420 pounds
- * Acids - 2 pounds
- * Oil - 25 gallons
- * Antifreeze - 11 gallons
- * Batteries - 240 pounds
- * Mercury - 4 pounds
- * Fluorescent light bulbs - 236

- * 2-4 D - 12 gallons
- * Roundup - 2 gallons
- * Other recyclable material - 320 pounds

The Thrift Warehouse donated \$300 towards the event, and Gill Hauling donated the roll-off and disposal fees.

This year marked the Wayne Green Team's fifth annual Electronics Recycling Event in September where they collected around 16,000 pounds of electronics.

"We've applied labels on public trash and recycling bins on Main Street and at the Community Activity Center from Recycle Across America that show pictures of what can be recycled and how items should look, e.g., clean and empty plastic bottles and aluminum cans," Sandy Brown, chair of the Wayne Green Team, said.

Brown explained that confusion on how to recycle is one of the biggest hang ups to people for recycling more, as well as having access to recycling.

One tip Brown had to make recycling easier is to keep a bin to put paper into. An easy way to get rid of that paper is by placing it on your curb on the third Saturday of each month. Boy Scout Troop #174 collects mixed papers, newspapers and magazines from around Wayne, making it even easier to recycle.

Brown also offered tips for recycling glass bottles and strings of lights.

For glass, she mentioned that the Wayne Transfer Station may be a

good option and this has been open since June. Glass is picked up and recycled for free thanks to a partnership between the Wayne Green Team and Ripple Glass.

"Bring clean and rinsed glass bottles (including glass food and beverage containers and glassware such as wine and pint glasses, but no windshields, ceramic, porcelain, laminated glass) to the metal bins inside the Wayne Transfer Station located at 110 South Window Street," Brown said.

The Wayne Transfer Station is open Monday and Friday 9 a.m. - 1:30 p.m., Tuesday 11 a.m. to 6 p.m., and Saturday 8 a.m. to noon.

A program the Green Team is currently working on is a new pricing model for trash collection called Pay-As-You-Throw (or PAYT).

"This model is much like the one used for your utilities and water. The more trash you make, the more it costs. The less trash you make, then the less you pay. This system not only creates incentives to recycle, thereby reducing trash, but it is more fair and can save households money," Brown said.

Brown said she has seen incredible community support for the green teams recycling efforts and that this plan may be a good fit for Wayne's community.

For more recycling tips, you can go to Twitter@waynegreenteam, email greenteam@cityofwayne.org, or visit www.cityofwayne.org/greenteam.

CAMPUS EVENTS...

Contact information is listed with the events when possible. If you have questions, check our calendar at wsc.edu/calendar or call College Relations at 402-375-7324.

Facing up to Beetles: An Entomologist's Perspective
 Get up close and personal with a series of insect exhibits. All events are free and open to the public.
Oct. 3-Dec. 18 - WSC Carhart Science Building main floor
Oct. 20-Nov. 22 - WSC's Kanter Student Center lower level
Oct. 19-Nov. 22 - US Conn Library at WSC

November Planetarium Shows, Carhart Science Building
 Planetarium shows will cycle through 11 different shows. A full schedule can be found at wsc.edu/planetarium. Suggested donation for all shows is \$5 for adults and \$3 for kids. For information: Dr. Todd Young at 402-375-7471 or toyoun1@wsc.edu.

Nov. 9-22 - Senior Art Exhibit by senior artists Molly Kingsley and Katelyn Brandow in the Nordstrand Visual Arts Gallery, Peterson Fine Arts Building. For information: Andy Haslit at 402-375-7031.

Nov. 17 - Plains Writers Series and Poetry Slam
 1 p.m. - David Wyatt and Greg Kosmicki
 2 p.m. - Erik Campbell and William Trowbridge
 Authors will share selected pieces of their recent works in the second floor Humanities Lounge.
 7 p.m. - Poetry Slam XXXVI, The Max Bar and Grill, downtown Wayne. Registration starts at 6 p.m. \$5 registration to participate in the slam. Admission is free. For information: Chad Christensen at 402-375-7118 or wscpress@wsc.edu.

Wayne State College

Nov. 17-20 - How Shakespeare Won the West.
 Bawdy, comical, theatrical, a festival of free spirits and resiliency...delightful descriptions of *How Shakespeare Won the West* by Richard Nelson. **Nov. 17-19 at 7 p.m.**, and **Nov. 20 at 3 p.m.**, Black Box Theatre, Peterson Fine Arts Building. \$5 per person, free admission for WSC students, faculty and staff. For information: Mollie Spieker at mospiekl@wsc.edu.

Nov. 21 - Choirs Concert, at 7:30 p.m., Our Savior Lutheran Church. The Wayne State Concert Choir will perform Italian works from the classical era, traditional Lutheran selections and African-American and African spirituals during their performance. Admission is free. For information: Matthew Armstrong at 402-375-7358 or maarmst1@wsc.edu.

Madrigal Dinner Tickets on Sale!
 Purchase tickets through the ticket office - Monday through Friday from 1 to 6 p.m. at 402-375-7407 or the website at wsc.edu/madrigals. Ticket prices are \$30 per ticket through Nov. 21. After Nov. 21, the per ticket price increases to \$35.

The dinners will be Dec. 3 at 7 p.m., and Dec. 4 at 5:30 p.m. in the Frey Conference Suite, Kanter Student Center.

WSC volleyball has sixth seed going into NSIC tournament

WSC Wildcat volleyball will head into the NSIC Tournament as the sixth seed after a 2-0 home weekend against MSU Moorhead and Northern State this weekend.

The Lady 'Cats finished the regular season at 23-6 and 14-6 in the Northern Sun Conference.

In Friday evening's game against MSU Moorhead, junior Erin Gross posted a career-high 21 kills to push WSC ahead 3-2 in the contest, going 23-25, 25-19, 21-25, 25-20, 15-9.

The Wildcats held a 20-16 lead in the first set, but MSU Moorhead came storming back and broke a 21-21 tie and won the set 25-23.

WSC jumped out to a 9-3 advantage in the second set and never looked back, topping the Dragons 25-19 to even the match at 1-1.

A double digit number of kills for MSU Moorhead in the third set helped the Dragons take a 2-1 lead in the match with a 25-21 set win.

The fourth set saw the Wildcats reach a match-high 18 kills to hold off the Dragons 25-20 and force a fifth set.

The Lady 'Cats trailed early in the fifth set, but used three kills from senior Michaela Mestl and two by Alex Opperman to take 9-6 lead and force an MSU Moorhead timeout.

The 'Cats never gave the Dragons a chance to get back into the lead as Mestl and Haley Kauth posted service aces, followed by a kill from Alyssa Frauendorfer to end the match as the Wildcats finished with a 15-9 set win to rally for the 3-2 match victory.

Gross finished with a career-high 21 kills to pace the Wildcats at the net followed by Mestl with 19 kills and 23 digs for her 12th double-double of the year. Frauendorfer finished with 12 kills while freshman Tarrin Beller added 10.

Freshman Katie Stephens notched a career-high 22 digs followed by Kauth (19) and Bree Ackermann (18). Sophomore setter Megan Gebhardt handed out a career-high 60 set assists and had 12 digs in the win. Kauth recorded five service aces for WSC, followed by Frauendorfer with three and Mestl and Ackermann with two apiece.

The following day was Senior Day for the Wildcats and Mestl came out blazing, recording 20 kills and 16 digs for her 13th double-double of the season to help lead WSC to its second win of the weekend.

The four set game against Northern State ended 25-23, 25-17, 23-25, 25-23 to improve the Wildcats to 23-6 and 14-6 in league play.

Wayne State started slow, trailing 9-3 in the first set before the 'Cats caught fire. Northern pulled ahead 19-13, until WSC rallied and

WSC senior Michaela Mestl played her last regular season home game of her Wildcat career on Saturday's Senior Day against Northern State. Mestl helped her team to the victory, recording 20 kills, 16 digs and her 13th double-double.

took its first lead of the set at 24-23 on a block by Frauendorfer and Gross.

The 'Cats then used a Mestl kill to finish the set with a 25-23 win as WSC hit .400 with 17 kills and just one attack error.

The Wildcats led from start to finish in the second set, posting 16 kills with just one error for a 25-17 set win.

WSC led most of the third set, until a late Northern State rally gave the Wolves a 25-23 set win to force a fourth set.

A majority of the fourth set was controlled by the Wildcats, who held off a late Wolves surge for the 25-23 win, as WSC forced seven attack errors on the Wolves. With the score tied at 23, WSC used a Beller kill and a block from Beller and Frauen-

dorfer to close out the match for the win.

Mestl led WSC with her 20 kills and 16 digs, followed by Gross with 15 kills and Frauendorfer's 13. Freshman libero Kauth had 22 digs with sophomore setter Gebhardt adding 13, along with 47 set assists for her sixth double-double.

The sweep on the weekend helped the Wildcats earn the sixth seed for the 2016 NSIC Volleyball Tournament. The team will travel to third seed Minnesota Duluth for the first round of games yesterday, but at the time of writing, the game hasn't commenced.

WSC and UMD met once this season in Wayne, on Oct. 21, with the Bulldogs prevailing in four sets - 25-21, 25-17, 17-25, 26-24.

(Photo by Tess Riecke)

The WSC Wildcats finished out their regular season with a sweep against MSU Moorhead and Northern State this weekend. Saturday was Senior Day for the Wildcats, celebrating the three seniors on the team: Michaela Mestl, Alyssa Frauendorfer and Alex Opperman. WSC ended the regular season with a record of 23-6 overall and 14-6 in the NSIC.

Wildcat junior Maggie Schulte dribbles the ball past University of Nebraska-Kearney on the women's basketball opener on Friday evening. The Lady 'Cats fought back and fourth with the Lopers, but pulled ahead for a final score of 69-56.

Wildcat women's basketball gets the sweep on opening weekend

WSC women's basketball team's opening weekend started off strong, taking a sweep against Nebraska-Kearney (69-56) and Peru State (81-51) in Wayne's Rice Auditorium.

Sophomore forward Andrea Larson ignited Wayne State off the bench on Saturday evening against Kearney with a career-high 15 points as the Wildcats defeated the Lopers 69-56 in the season opener. WSC, now 100-9 in Rice Auditorium over the last eight seasons, is 1-0 while UNK slips to 0-1.

The Wildcats got off to a sluggish start, never holding a lead in the first quarter. WSC only made two baskets in the first quarter and trailed 12-4 until the Wildcats got four straight free throws from junior Paige Ballinger to cut UNK's lead to 12-8 after one quarter.

WSC and UNK went back and forth in the second quarter, featuring six ties and 11 lead changes, but it was Larson, coming off the bench late in the second quarter, that sparked the Wildcats to a 34-29 halftime lead.

Larson's eight points at the end of the half, including six in the final 1:59, gave Wayne State a 34-29 lead at intermission. Another key for WSC in the second quarter surge was the 'Cats hitting 11 of 12 free throws.

WSC pulled ahead early in the third quarter to 41-32 with 5:13 to play in the quarter. After UNK got within four at 41-37, WSC closed the quarter strong and used a Maggie Lowe 3-pointer to end the quarter for a 49-40 Wildcat advantage.

The Wildcats kept pushing the lead with an Anna Martensen layup, giving WSC a 12-point lead at 53-41. UNK got as close as seven at 53-46, but WSC answered with a Martensen layup and a Moore 3 to push the lead back to 12 (58-46) with just under five minutes to play.

WSC held off the Lopers with 9 of 12 free throw shots in the fourth quarter to post the 69-56 win.

Wayne State made 20 of 43 shots from the field for 47 percent, including 4 of 7 from 3-point range. The 'Cats hit 83 percent from the free throw line, going 25 for 30.

Maggie Schulte led three double digit scorers for Wayne State with 19 points and eight rebounds. Larson followed with a 15-point night in just 14 minutes of playing time, going 6 for 10 from the field and 3 of 3 at the line. Junior center Paige Ballinger also hit double figures with 14 points.

UNK shot just 28.8 percent from the field on 21 of 73 shots, going 5 for 28 behind the 3-point line. The Lopers were 9 of 16 at the foul line.

Nieka Wheeler scored 17 points for UNK followed by Michaela Barry with 15.

WSC held a 44-40 edge in rebounding over the Lopers thanks to eight rebounds from Martensen and

Schulte, while Ballinger and Reiner grabbed six boards apiece. Wheeler had 11 for UNK.

WSC had 20 turnovers in the game to just 11 for UNK. Moore handed out six of Wayne State's 12 assists in the game, while Ballinger had three blocks with Schulte recording two.

The next day, the Lady 'Cat had three players in double figures and 12 of 13 players scoring to help WSC overcome Peru State College 81-51.

WSC is now 2-0 on the season, while Peru State falls to 2-2.

The Wildcats never trailed the Bobcats, with the Lady 'Cats scoring the first eight points of the game and using a 64-shooting percentage in the first quarter (11 of 17), to take a 28-18 lead on the Bobcats.

WSC outscored the Bobcats 22-12 in the first quarter.

Wayne State continued its stellar shooting in the second quarter, going 8 of 15 from the field, to take the lead 50-30 at intermission.

WSC hold Peru State to just one basket in the third quarter, putting the game out of reach for the Bob-

cats at 67-34.

The 'Cats outscored PSC 17-4 in the fourth quarter and finished the game with an 81-51 victory.

Wayne State finished the game going 30 of 64 from the field for 47 percent, but made just 2 of 15 from the 3-point line. The 'Cats also finished the game 19 for 28 for free throws.

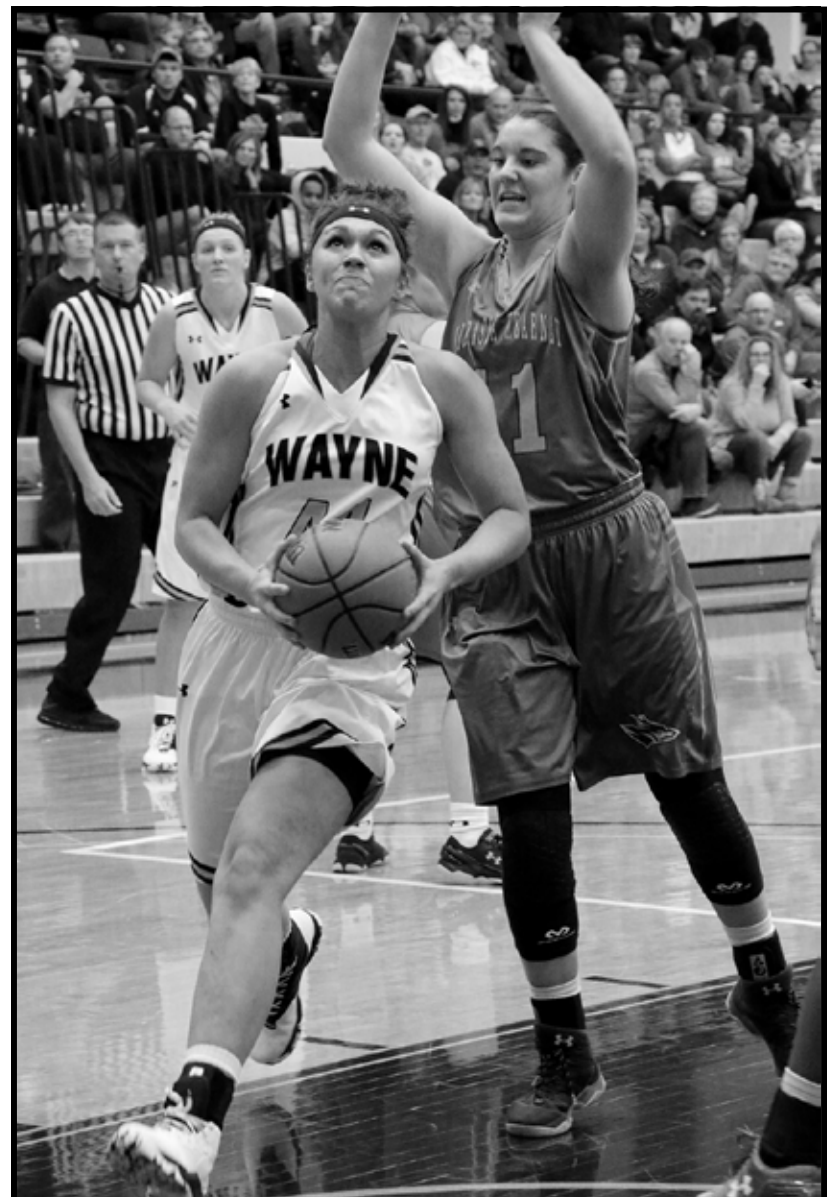

Ballinger led the Wildcat effort with 13 points, followed by junior guard Kacie O'Connor and freshman center Taylor Wangerin with 12 points each.

Peru State was 18 of 59 from the field for 30.5 percent and 7 of 19 from behind the arc. The Bobcats were 8 of 13 at the free throw line.

Wayne State held a commanding 51-30 edge in rebounding over Peru State, including 11 rebounds from senior Katie Hoskins and seven from Schulte.

Deandra Williams led Peru State on the glass with six.

WSC will be on the court again on Friday when the Wildcats face Rockhurst in another home game in Rice Auditorium at 7 p.m.

(Photo by Tess Riecke)

Sophomore forward Andrea Larson lead the Wildcats to a 69-56 victory against UNK on Saturday evening, shooting a career-high 15 points. With the win, WSC now holds a 100-9 winning record in the Rice Auditorium in Wayne.

Tenth-ranked WSC wrestling club takes first championship of the season

Wayne State College's wrestling club showed off its talented roster in the first two tournaments of the year, but more challenges are soon to come for the 16-man team when they head to Nebraska-Kearney this weekend.

The opening weekend for the Wildcats on Nov. 4, was a tournament held in Wayne at the elementary school. The Wildcats hosted Colorado State University, University of Iowa, Iowa State University, Winona State University, Northwest Missouri State University and Missouri University of Science and Technology.

Iowa State took first with 57 points and Wayne State was second with 54 points. Winona State (29), Colorado State (22), Missouri S&T (7) and Iowa University (5) were

other rankings for the tournament.

For WSC, Ethan Fitzler and Caleb Thomas were the leaders for their weight classes (Fitzler 141 and Thomas 165), taking home their first championships of the year.

Two Wildcats took second in the tournament, Tommy Nelson for the 133 weight class and Blake Uhing in 235.

Third finishers for the Wildcats were senior Devon Rupp in the 149, Nick Gonzalez (133) and Gerald Kenkel (174 class).

Spencer Trout and Evan French, both Wildcats, took a tie for third in the 197 weight class.

Last weekend the Wildcats did even better as they traveled to Fort Collins, Colo., for the Colorado State Invite, where WSC won the whole tournament.

WSC faced tough competition in the tournament, but overcame the challenge of going against Division I schools.

The Wildcats scored a total of 101.5 points to put them on top, followed closely behind by Brigham Young (BYU) with 97.5. Arizona University (54.5), Utah State (50.0) and Colorado State (47.0) rounded out the top five.

Freshman standout Fitzler took his second championship of the season, now with an undefeated record of 9-0.

WSC's wrestling club's impressive talent finds ten individuals on the team ranked top-20 in the nation, while the team itself is ranked tenth in the Division I rankings.

The club will be challenged this upcoming weekend, when the Wildcats go to Kearney for the UNK Loper Opener.

"All the guys will get a test this weekend. We will leave the club arena and go to Kearney where we will see DI and DII and even the community colleges are tougher than nails there," Head Coach Greg

VanderWiel said. "Then we will get a better idea of how tough all our guys are."

Although the competition will be higher, the team is still expected to do well.

"Don't get us wrong, the club arena is tough," Assistant Coach Arron Schuett said. "I don't want to take anything away from [our] kids, because they are doing a good job."

Rankings		
125 Weight:	#7 Tommy Nelson	26.65
	#16 Nicholas Gonzalez	15.70
141 Weight:	#2 Ethan Fitzler	34.30
	#11 Devon Rupp	17.45
	#15 Matthew Reeves	14.80
157 Weight:	#15 Patrick Donnelly	14.80
165 Weight:	#8 Cale Thomas	26.45
174 Weight:	#20 Gerald Kenkel	13.95

WSC MBB snaps losing streak

The Wayne State College men's basketball team had a promising opening weekend when the Wildcats took a split against Missouri Western and Northwest Missouri State at the 25th annual Hillyard Tip-Off Classic in St. Joseph, Mo.

The Wildcats are now 1-1 in season play.

On Friday against Missouri Western, WSC used a game-high 16 points from junior guard Brian Goodwin to lead the team in a season opening 70-57 win.

The win snapped a 17-game road losing streak for the Wildcats, dating back to Jan. 30, 2015 when WSC completed a 77-75 win at the University of Mary.

Missouri Western held a commanding 22-4 advantage on points over the Wildcats in the first half, with a 30-29 lead at intermission.

The host Griffons took an early 8-2 lead, but Goodwin produced back-to-back points to even the score at 8-8. After Missouri Western took an 18-12 lead, WSC battled back and took a 21-20 lead on a Tony Bonner layup with 4:43 remaining in the half.

WSC held a pair of three point leads, but Missouri Western closed the half with the final four points for a 30-29 lead at halftime. The Wildcats kept fighting in the second half, scoring nine straight points to take the lead for good. Points from

Goodwin, Vance Janssen and Austin Esters pushed WSC ahead 38-30.

The Griffons tried to even the score, coming within two at 42-40, but WSC reeled off the next nine points and took a 51-40 lead on a JJ Zumbrennen 3-pointer with 10:11 to play.

Missouri Western, closed within seven at 51-44, but that is as close as the hosts would get as the Wildcats pushed the lead back to double figures for the final eight minutes to finish with the 70-57 win.

Goodwin was the lone Wildcat scoring in double figures with 16 points, followed by Kendall Jacks, Thomas and Austin Esters with nine apiece.

WSC shot 26 of 63 from the field for 41.3 percent, including 8 for 23 behind the 3-point line. The Wildcats were just 10 for 19 at the free throw line.

The Wildcats won the rebounding battle over Missouri Western 42-35, thanks to six rebounds each from Jordan Cornelius and Esters. The Wildcats had just eight turnovers in the game with 16 assists as Thomas handed out five and Jacks four to lead the 'Cats.

On Sunday, Northwest Missouri State used a 64-shooting percentage in the first half to pull out of reach for the Wildcats, keeping the lead for the whole game, giving WSC a

76-58 loss.

Northwest Missouri State jumped out to an 18-3 lead in the opening eight minutes of the contest and maintained a double digit lead the rest of the contest. By halftime, the Bearcats held a 45-27 lead.

Sophomore Jacks had 13 of Wayne State's 27 points in the first half, going 4 of 9 from the field and 4 for 6 for free throws.

Both teams scored 31 points in the second half, but the Wildcats were never closer than 15 points to the Bearcats, finishing the game in 76-58 loss for WSC.

The Wildcats only shot for 35 percent, making 18 of 51 shots, while making 5 of 16 behind the 3-point line and 17 for 22 at the free throw line.

Jacks was Wayne State's lone double figure scorer with 21 points, finishing 8 of 15 from the field and 4 of 6 at the foul stripe. Matt Thomas and Bonner each added eight points for WSC.

NMSU controlled the rebounding battle on Wayne State 44-27 as Kurth grabbed 11 boards for the Bearcats, while Wayne State's top rebounders were Jacks, Cornelius, Luke TerHark and Bonner with three apiece.

WSC played against South Dakota State in an exhibition game yesterday. At the time of writing, the game has not commenced.

Wayne State Coaches Show

Exclusively on mywaynenews.com

Interviews with Wildcat coaches

Available online every Wednesday

mywaynenews.com sits down each week to talk to Wayne State coaches about their teams' efforts throughout the 2016-17 season. We'll recap the previous week's games and talk about upcoming opponents.

(Photo by Aahron Young)

Saturday before WSC's rugby tournament kick-off, Rod Tompkins (top middle) was awarded with the North American Program Development Award, presented by Rich Cortez of USA Olympic Rugby. Tompkins has been a big supporter of the WSC rugby club and has helped develop a plan and fund the rugby facility when it was first being built. He was also helped the program when the tornado of October 2013 destroyed the WSC Rugby Park.

WSC women's rugby head to nationals

The Wayne State women's rugby team advanced to nationals while the men's team was eliminated during the regional rugby tournament Saturday and Sunday in Wayne.

The women's team started off the weekend on a high note by defeating Western Colorado State 100-0. On Sunday, the women's team defeated MSU Moorhead 38-10 to advance to the national tournament in Atlanta next week.

The tournament consisted of four teams for the women's division and three teams for the men's division. Colorado College, the other semi-finalist on the women's side, was eliminated by MSU Moorhead.

The men's team defeated Arkansas-John Brown in the first round on Saturday 28-17. Iowa Central received a bye on Saturday, then defeated Wayne State on Sunday 60-12 to advance to the national tournament.

The women's rugby team has won five national titles in the past.

WSC track and field adds two throwers

Wayne State College head track and field coach Marlon Brink has announced the signings of Kenzie Sullivan from Laurens, Iowa and Sarah Stang of Herman, Nebraska during the NCAA early signing period. Both athletes will attend Wayne State College in 2017-18 and compete in throws for the Wildcat women's track and field program.

Kenzie Sullivan attends Laurens-Marathon High School in Iowa and competes in athletics at Pocahontas Area Community High School. Last year as a junior, she

placed second in the Iowa Class 2A discus (131'7") and was also a state qualifier in the shot put for Pocahontas Area Community High School. During her sophomore season, she was a state qualifier in both events and just missed placing in the shot put with a ninth place finish (36' 7 3/4"). While a freshman at Laurens-Marathon in 2014, she was a state qualifier in both events and placed sixth in the Class 1A shot put at 36' 8 1/4".

"Kenzie is a great all-around athlete and has had some

very good success in throwing the shot and discus in Iowa," commented Coach Brink. "We believe she has the potential to do some great things during her career at Wayne State. She is also an outstanding student, which fits perfectly with our women's team at WSC."

Sarah Stang is from Tekamah-Herman High School where she is a multi-sport standout in basketball and track and field. She was a Class C state qualifier last spring as a junior in the shot put and discus, taking 10th in the shot (37' 10")

and 14th in the discus. Stang also earned Academic All-State honors in track as a junior and was Most Valuable Field participant as a sophomore and junior.

"Sarah is a good athlete who we think has a lot of potential to make some large improvements in the collegiate training environment," remarked Brink. "We feel that she is motivated to reach new levels as a college thrower and are excited to see how much she can improve. And she is a top notch student ranking first in her class."

WSC football finishes season 3-8

The last game of the season for the WSC football team came to a disappointing end as fourth-ranked Sioux Falls held the Wildcats 30-7 on Saturday afternoon.

With the win, USF ends the regular season at 11-0 and 7-0 in the NSIC South, while WSC finishes 3-8 and 2-5 in league play.

The Cougars took the opening drive of the game and scored a touchdown after six plays as Brady Rose ran the ball in off of a four-yard pass from quarterback Luke Papilion, putting USF ahead 7-0.

USF had the ball again on its second drive, until Wildcat sophomore Jamaal Conway-Smith intercepted Papilion at the 23-yard line to stop the Cougars from going any further. The score remained 7-0 until Sioux Falls added a pair of field goals in the second quarter, closing out the first half 13-0.

In Wayne State's first drive of the game, the 'Cats drove the ball from their own 31 to the USF 31 before the drive stalled on downs. The 'Cats had another drive midway through the second quarter to enter USF territory, until WSC had to punt from the Cougar 43-yard line.

Sioux Falls increased the lead to 20-0 in the open of the second half, using a Max Mickey one-yard run to cap an eight-play, 72-yard drive.

The Cougars pushed the lead to 23-0 late in the third quarter on a 43-yard field goal from Brett Garner at the 4:51 mark, followed by another Mickey touchdown to give the Cougars a 30-0 advantage.

The Wildcats avoided the shut-out late in the fourth quarter when sophomore Shymere Williams

caught a 45-yard scoring pass from junior quarterback Zach Osborn with 2:46 left in the game, making the final score 30-7.

The Cougars produced 281 yards rushing and 185 passing in the game, while the Wildcats accounted for only 167 on the ground and 122 passing.

Junior Rashad Trimble gained a career-high 151 yards on 25 carries to lead the Wildcat rushing attack.

Throwing the ball, Osborn completed 10 of 26 passes for 122 yards with one touchdown and two interceptions. Sophomore tight end Keaton Slaughter was the top receiver with three catches for 50 yards followed by Willie Walton with three grabs for 14 yards. Williams finished with two catches for 43 yards and one touchdown.

Linebacker Kolbie Foster led the Wayne State defense with 10 tackles followed by senior defensive back Cam Montgomery added nine stops in his final game in a Wayne State uniform. Jamaal Conway-Smith added seven tackles and one interception while Tyler Thomsen also produced seven tackles.

Residents at Brookdale Wayne enjoyed visitors and crafts at the Laughing Hat's and Rusty Zipper's Club. Music was provided by Wayne Community School's Tracy Anderson, while volunteers helped run the show.

Residents enjoy blast from the past

Residents at Brookdale Wayne came ready to have a great time at the "Laughing Hat's and Rusty Zipper's Club" special event held Friday, October 21st. It was completely planned and led by the wonderful youth volunteers and included memories from the residents' past Fall and Halloweens.

Many stories centered on experiences with out houses, (or two holers as the youth learned they were called), and were so fun to listen too.

Most ended up resulting in some type of disciplinary action, but everyone enjoyed the many stories and laughs.

Following our "Blast From the Past" stories, the residents started making a small ghost out of a lollipop, Kleenex and ribbon. They turned out so cute.

During this time, we were entertained by one of the area schools' Music Teacher's, Mrs. Anderson. Her music got us working, singing and clapping.

Next, the residents worked on a ghostly door hanging made out of paper, cotton balls and a pip cleaner. All were excited to take home a new decoration for their apartment door.

Following the activities, the youth read a sweet poem called "Twinkies and Rootbeer". It was enjoyed by all and what a great meaning it had.

Our next event is scheduled for Friday, November 18th. If you would like more information about Brookdale Wayne or how to become a volunteer, please contact Kyla Sawyers at 402.375.1500.

DO YOU SUFFER FROM SLEEP PROBLEMS ASSOCIATED WITH LEWY BODY DEMENTIA?

Trouble Sleeping? Moving or Talking in Your Sleep?
 Vivid or Intense Dreams?
 Experience Sleep Disturbances?

You may qualify for a research study that is evaluating the safety and effectiveness of a new investigational medication that may help to reduce the symptoms of Lewy Body Dementia or Parkinson's Disease Dementia if:

- You are aged 50 - 85 years with a diagnosis of Dementia with Lewy Bodies
- You regularly experience issues sleeping or reaching REM sleep
- You are willing to take part in Overnight Sleep Lab studies
- Medications you take have been on a consistent dose for at least 4 weeks

For More Information, Please Contact

Wayne Community Schools and Elkhorn Valley Bank

Partners in Education

We at Elkhorn Valley Bank care about the future of Wayne Community Schools. To do our part, we are going to donate \$1.00 each quarter for every student in Grades 7-12 who make the Honor Roll during the 2016-2017 school year. At the end of the year, the money earned will be used toward the purchase of materials to enrich the academic program at their schools.

Below are the names of the students making the first quarter Honor Roll!!

NOTICE OF MEETING

The Wayne Public Library Board of Trustees will meet in regular session on Tuesday, December 6, 2016 at 5:00 p.m. in the Library/Senior Center Conference Room.

No person of the City of Wayne shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity.

Individuals requiring sensory accommodations, including interpreter services, Braille, large print, or recorded materials should contact Betty McGuire, City Clerk, at 402-375-1733, no later than 4:30 p.m. on the Friday preceding the meeting.

NOTICE OF MEETING OF THE WAYNE COMMUNITY REDEVELOPMENT AUTHORITY

The Community Redevelopment Authority will meet at 4:00 P.M. on Tuesday, November 29, 2016, in the Council Chambers, 306 Pearl Street.

No person of the City of Wayne shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity.

Individuals requiring sensory accommodations, including interpreter services, Braille, large print, or recorded materials should contact Betty McGuire, City Clerk, at 402-375-1733, no later than 4:30 p.m. on the Friday preceding the meeting.

NOTICE OF PUBLIC HEARING

Notice is hereby given that the City Council of the City of Wayne will hold a public hearing on a redevelopment plan for the real estate described in this notice, pursuant to the Nebraska Community Development Law.

The hearing will be held in the Council Chambers at City Hall in Wayne, Nebraska, on the 6th day of December, 2016, at the hour of 5:30 p.m.

The property affected by this notice is described as follows: Lots 1, 2, and 5, Block 3, Cecil Wriedit's Second Addition to the City of Wayne, Wayne County, Nebraska.

All interested parties shall be afforded at such public hearing a reasonable opportunity to express their views respecting the proposed redevelopment plan.

Learn to stretch your paycheck even further

Many families are struggling with finances during this difficult time. Managing money is a skill that almost everyone can learn and benefit from, especially to teach youth about saving money.

For example, one of the most common money mistakes is making a major purchase impulsively. Wait a day or two to evaluate if the purchase is necessary.

Another financial mistake is buying an item on sale just because it's on sale. This also can be

hard on the checkbook.

Learning to rethink these and other expenditures can help you manage your money wisely.

To stretch your paycheck, here are some helpful suggestions:

1. Make a list of "fixed" expenses, such as a house payment or rent; automobile payments, school or other loans; or periodic payments, such as insurance payments or a child's orthodontics. Be sure to include deposits into a savings account.
2. Pay "fixed" expenses first.
3. Balance "flexible" spending. Flexible spending usually includes expenses that vary from month to month, such as groceries, maintenance on an automobile, clothing, etc.
4. Learn to identify the difference between needs (essentials)

Dakota County

Angela Abts

Extension Educator

UNL Extension

and wants (extras) in your spending plan.

5. Keep track of miscellaneous expenses. Spending a dollar a day in a vending machine at work may not seem like much, but if you multiply a dollar times five (for each day of the week) times 52 weeks, it adds up to \$260 a year.

6. Comparison shop. Check prices, product guarantees, and service at two or more places when purchasing costly items, like a major appliance or a car.

7. Use credit with care. Be sure to limit credit card purchases to an amount that can be comfortably paid within a given time frame. Using a credit card for small purchases is, however, fine if you always pay the total balance and don't accrue interest charges.

Keep track of credit card expenditures to minimize surprises when the bill arrives. Try carrying an index card or small notebook to keep a running total of credit card expenditures if you have difficulty managing credit.

Can parents help children learn the value of a dollar? Here's an easy exercise that can help par-

ents teach children about purchasing power. Choose a time when a supermarket is not likely to be crowded.

Ask a child to choose two grocery items from the same shelf and help the child compare the size of the boxes; the number of servings; price and/or price per serving, which usually is posted.

Or, help them check how many of two or three different items, such as grapes, potatoes, and/or bananas they might purchase for the same amount of money.

Children also benefit from learning that price is influenced by the place of purchase.

For example, a candy bar is likely to be least expensive at a supermarket or discount department store; more costly at a convenience store; and still more costly at a

movie theater or sporting event concession stand.

A great resource for families to learn strategies on saving money is called America Saves. The website is www.americasaves.org.

Another on-line resource available from eXtension is "Managing Money in Tough Times" at <http://articles.extension.org/pages/15275/financial-security-managing-money-in-tough-times>. There are several topics about money with articles and webinars.

For more information about financial management and resources, please contact the Nebraska Extension Office in your local county or visit the website at www.extension.unl.edu.

Retired school personnel discussed state convention

The Wayne Area Association of Retired School Personnel met Nov. 7 at Brookdale in Wayne. Twelve members and two guests attended.

A few moments of silence were held for the loss of Don Leighton who was very active in this organization.

The state convention was held in October in Grand Island. Three members attended, and reports were given. The Wayne area organization was recognized with three community service awards.

Yearbooks, made by Pat Jenkins-Rohde, were distributed to all members.

Michael Nesbitt demonstrated deep muscle relaxation techniques. The group was able to practice these.

Alice Johnson and Caroline Peterson gave a talk on the eighth grade

exam that country school students had to take to continue their education.

This exam took five hours to complete and focused on four parts. These parts were: math, history, geography, and vocabulary/grammar/comprehension.

An eighth grade education was nothing to be ashamed of according to the sample questions members encountered.

The next meeting will be March 6, 2017 at Brookdale in Wayne at 9:30 a.m. Mary Lou George will be in charge of the program.

New members are always welcome. Retired school personnel includes school lunch helpers, janitors, secretaries, teacher's aids, or any other position in a school setting.

VFW auxiliary holds November meeting

The VFW Auxiliary to Post #5291 met Nov. 8 at the Wayne Senior Center Meeting Room.

President Glennadine Barker called this regular meeting to order. The opening ceremonies were conducted according to ritual and opening prayer was read by Chaplain Janet Fuoss.

The October minutes were approved as read. The treasurer's report was filed for audit.

Excerpts from the November edition of FORE were presented: Everyone was wished a Happy Thanksgiving from Department Officers. Members are encouraged to fly their flags on the upcoming holidays.

Community Service Committee reminded members to attend the Veterans' Day program on Nov. 11.

The December meeting will include a food donation by all members to the Wayne Food Pantry.

Closing ceremonies were conducted according to ritual. The Closing Prayer was read by Chaplain Fuoss.

The next meeting will be Tuesday, Dec. 13.

Joy Circle conducts it's monthly meeting

Joy Circle of Our Savior Lutheran Church met Nov. 9. Vice President Lynette Lentz welcomed everyone and gave announcements.

She reminded the group that thank offerings needed to be brought in by December. She recognized Virginia Backstrom, Phyllis Rahn, Elaine Menke, and Vera Longe who had birthdays in October and Rodella Wacker and Gena Puls who have birthdays in November.

Phyllis Rahn presented a Memorial Service program in which the lives of 14 women who have gone to be with their Lord in the past year were remembered. Those 14 women were Dorothy Grone, Darlene Helgren, Sharon Sell, Maria Hewitt, Norma Thies, Lois Youngerman, Sandra Schulz, Betty Bowder, Gloria Leseberg, Leone Jager, Mildred Gramlich Wanda Hofeldt, Leatrice Bennett, and Sheryl Anderson. As each name was read, the group shared special remembrances they had of that individual.

The next meeting is the Christmas luncheon on Wednesday, Dec. 14.

Briefly Speaking

PEO Chapter AZ holds October meeting
AREA - PEO Chapter AZ met Nov. 5 in Coleridge at the Broadway Gathering Place, hosted by Marcia Gray. Assisting hostesses were Margaret McClelland and Joan Lage. Following the business meeting, members traveled to the program at 106 Vintage in downtown Coleridge. Cammie Methany, owner of 106 Vintage, showcased the building's restorations, exposing painted frescos on the walls and a tin ceiling. Saturday, Nov. 5 was the kick-off to the store's holiday season. Members enjoyed browsing and shopping, and visiting the veterans memorial garden on the corner next to 106 Vintage. Chapter AZ's next meeting will be Tuesday, Dec. 6 with the social starting at 6 p.m. at the home of Nana Peterson.

Leather & Lace dancers plan dance
AREA - The Leather & Lace Square Dance Club held its second October dance on Oct. 28 with Dean Dederma serving as the caller. The group welcomed nine guests as they enjoyed a number of round dances as well as square dances throughout the evening. Dave Roetman won the free pass and a split the pot prize. The other split the pot prize was won by Sandy Preston. Dances planned for the winter seasons are dances on Dec. 9 and Jan. 13, Jan. 27, Feb. 10 and Feb. 24, 2017.

A biblical response to the election

After every presidential election there are always those who feel that the person who was elected was a terrible mistake and could damage our country.

There are others who believe the president elect will bring great good and prosperity to the nation. This has never been truer than with our most recent election. In fact, this may be the most divisive election in our nation's history.

In this response to this presidential election, I would like to share with you a biblical perspective regarding the influence and power of world leaders. Psalm 33 will form the basis of this perspective.

The psalmist begins by calling the people to sing and make music that will give praise to the Lord. Then he explains that the reason we should praise Him which is because His words are right and true. In addition, he proclaims that the Lord is faithful, righteous and full of His unfailing love. Next, he declares that the Lord should be praised because He is the almighty creator of all things.

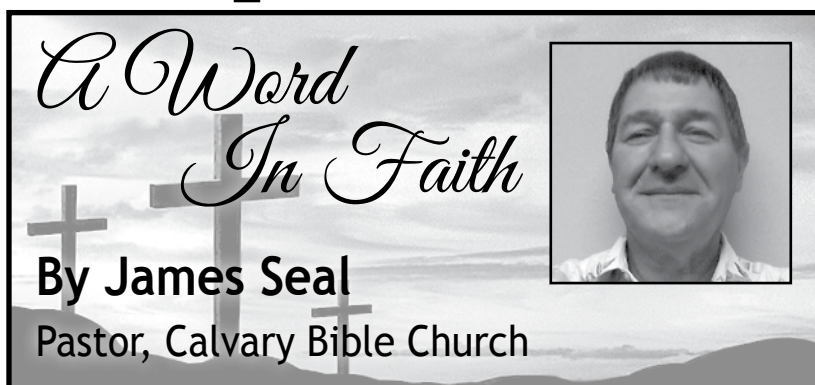

Then in verses 10-11 the psalmist gives the Lord's perspective on the nations as they relate to the Lord's purposes in the world.

The Lord foils the plans of the nations; he thwarts the purposes of the peoples. But the plans of the Lord stand firm forever, the purposes of His heart through all generations.

First, we see that the Lord is sovereign over all the nations of the world. This is confirmed in many other passages in the Bible. The Lord has the authority and ultimate control over all nations.

He may allow nations and people to carry out their own will and even rebel against Him for a time.

However, the Lord will eventually bring down every nation that

opposes Him.

Second, we see that God's plans for the world and mankind will ultimately be accomplished. God has a plan and purpose for everything. He is moving history toward the accomplishment of His will and purpose.

Yet, within that sovereign plan, mankind is allowed to have a latitude to oppose God's will. Also, we learn from Habakkuk that the Lord can even use evil people to accomplish His purpose as in the case of using the Babylonians to punish Israel.

Then in verses 16-17 the psalmist lets us know that there is no ruler that can stand against the will of God by the power of his army or his military might. God can and will overthrow rulers and nations whenever he desires.

No king is saved by the size of his army; no warrior escapes by his great strength. A horse is a vain hope for deliverance despite all its great strength it cannot save.

Let's apply this to our nation and our current situation. First, the Lord calls upon those who know Him and claim Him as their God, to worship Him through singing and music.

Regardless of our situation, we must look to the Almighty Creator of this world who rules in power and

majesty; who is right and true, who is completely righteous yet completely loving. We are called to worship Him regardless of our circumstances.

Next, as followers and worshippers of God we must look at this world and the powers that exist as only temporary and subject to the hand of God. There is no world power which cannot be brought down by the power of God. We continue to exist as a nation only because God almighty allows it. We are not a great nation because we are a great people. We have become a great nation because God has allowed it.

God is in control and we must never forget that, even when our situation seems out of control. Regardless of your view on the presidential election, God is still in control and Jesus Christ is still on His throne. Jesus is still the King of kings and the Lord of lords.

He can change anything He wants, whenever He wants. Therefore, we should not be in despair or gloat over the current situation. Our response is to worship and glorify our Savior and Creator God.

Thirdly, we must not trust in any political candidate or in a political party. They are nothing compared to God Almighty and they have no power to stand against the will and

purpose of God. Donald Trump, Hillary Clinton, the Republicans, the Democrats nor any other person or party can do anything that God does not permit.

We should take great hope in that truth. Whether we are for Trump or against him. Whether we are happy or sad.

Our God is greater, more powerful, more righteous, and more holy than any human being. He is more loving, more compassionate, and more gracious than any of us could hope to be.

He will do what is best for His ultimate plan and purpose. If we are seeking to engage with His plans and purposes, then we will be in the center of His will no matter what circumstances rage around us.

Don't trust in Trump and don't trust in Clinton. Don't let your political views become an idol in your life. If you do, you will one day be greatly distraught and disappointed over life.

But the eyes of the Lord are on those who fear him, on those whose hope is in his unfailing love, to deliver them from death and keep them alive in famine. Psalm 33:18-19

Do you have an appropriate fear of the Lord? Do you honor, reverence, and trust Him above all things and all people? Is your hope in His unfailing love for you knowing that He knows what is best for you and this world? Can you trust Him alone for your salvation and protection in this world? Do you believe that no matter what mankind does, God is working at all times to accomplish His perfect plans for this world and your life?

If you can say yes to these questions, then you have a hope that never fails.

Ladies Aid planning 90th anniversary

President Fauneil Bennett welcomed 12 members and Pastor Mike to the Ladies Aid meeting on Nov. 9 at Grace fellowship hall at 2 PM. We opened the meeting by reciting the LWML Pledge.

Vice Pres. Ellen Heinemann gave a devotional with a Thanksgiving theme. She also lit a memorial candle in memory of Bernita Sherbahn. She read 2 Peter 3:13-18 which was read at her funeral.

The secretary's report was read and approved. A thank you was read from the Sherbahn family. The treasurer's report was read and will be filed for financial review.

President Bennett led the Mission Grant Devotion which is "Training Teacher and Leaders—Concordia Seminary, St. Louis \$100,000". Global Lutheran churches with which the LCMS works are seeking advanced theological study in a confessional Lutheran context for those who will teach and lead them in the years to come.

The approximate annual cost for an individual for these advanced studies is more than \$40,000. The LWML is delighted to join in support of this vital work through mite offerings and prayers.

Committee Reports: Sewing—Esther Brader reported that 10 ladies tied six quilts. The ladies will not be tying quilts in November and December.

Eight quilts were given to Haven House and

22 more quilts will be divided between the Vet's Home, Orphan Grain Train and the Norfolk Rescue Mission.

Kitchen—reported they need another Bunn glass coffee pot.

Visiting—Bonnadell Koch reported she had sent cards and that she and Rhonda Sebade visited at Careage. Grace Ladies Aid is to go visit the first Wednesday of every month at Careage. Rhonda Sebade and Mary Janke will go in December.

Funeral—The ladies served one funeral of 72 people. Church furnished cakes and the meal was catered.

Old Business: Members discussed the Mission Project. A ballot was passed out to vote for two of the four different projects.

Members voted to give \$150 in January and July. After counting the ballots it was voted to give \$150 to the Food Pantry at St. Louis Seminary in January and \$150 to Missionary Deb and Stu Freese in July.

The 90th anniversary in 2017 for Ladies Aid was discussed. It was decided the group would try to do something every month that represents 90. We discussed hosting a Fish Boil with Orphan Grain Train. Louis Green and Kay Denker will be in charge of the mission Christmas tree in the basement this year.

New Business: The Aid will buy a poinsettia for the altar. It was decided to give Orphan

Grain Train and Camp Luther a monetary Christmas gift. It was decided that the Aid discontinue the birthday church that is used when a birthday is celebrated. Instead, the money will be put towards mites.

Members voted not to do the quarterly meetings at Brookdale but to visit members all together with coffee and cookies as a group every quarter.

Members voted to accept the ballot for offices as President-Fauneil Bennett, 1st. VP-Ellen Heinemann, and 2nd VP-Betty Wittig.

Pastor Mike led the Bible study taken from 1 Cor. Chapters 1-2. God's people are called to be holy in unholy places. This is the world we live. Without Christ we are lost. We are called to be Saints.

The birthday song was sung for Bonnadell Koch and a birthday card was signed for Leona Janke. The next meeting will be Wednesday, Dec. 14. It is the Christmas potluck luncheon at noon in the church basement.

Serving will be Louise Green, Barb Greve, and Mary Janke. Each person is to bring one dish and two dozen cookies for shut-ins. All ladies of the congregation, Evening Circle, L.I.F.T. will be invited, as well as each person's own guests.

The meeting was closed with the Lord's Prayer and the Table Prayer. Bonnadell Koch served lunch.

Grace Evening Circle conducts quarterly meeting

President Mary Lou Erxleben called the Nov. 8 meeting of Grace LWML Evening Circle with a reading entitled "Need Advention" from John 4:10.

Roll called showed that those present included Mary Lou Erxleben, Lee Larsen, Lanora Sorensen, Lorraine Johnson and Grace Kanitz. Five members were absent.

Secretary Lanora Sorensen read the minutes of the Aug. 10 meeting, which were approved. Treasurer Lee Larsen gave the treasurer's re-

port, which was approved and filed for audit.

President Erxleben gave information on Jaret Borchard, a Lutheran Bible translator in the Ipiili language for Papua, New Guinea.

Also, a report on the LWML Fall Rally held at Immanuel Lutheran Church in Laurel was given. The theme was "Here I am, Send Me."

The Spring LWML Workshop will be hosted by the three churches - Immanuel -rural Wakefield, St. Paul's Concord and St. John's in Wake-

field. A Pajama Party is planned for April and will involve the sewing of pajama bottoms.

LWML Sunday was held at both services on Oct. 2 with offerings given and some of the ladies wearing purple for LWML. Mites for Missions were collected.

In December a gift will be given to a Grace member at Careage in Wayne and a monetary gift to St. Louis seminary for the seminary students' fund.

In 2017 the treasurer's books

need to be audited.

The next meeting is scheduled for Feb. 14, 2017 at 4:30 p.m.

President Erxleben led all in praying The Lord's Prayer to close the meeting.

Pastor Mike Feldman gave the lesson.

"And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matthew 25:40

For whatever gift of yourself you gave to Mom during these last years, and your support to us, her family, as we celebrate her new life in Heaven, we thank you with heartfelt thanksgiving. The outreach to us by you shows us the love of Christ that dwells within you. There are not words to express our thanks to our very special caregivers, Dr. Recob, Gary West and medical staff that were so kind and understanding, to the PMC Hospice that allowed us to fulfill mom's last wishes to stay in her own home. We thank Pastor Farias for his visits, words of comfort and for the uplifting message. To the ladies of the church that served mom's favorite - thank you so very much for making the adjustment to the lunch. Naoma Quist your music was mom's favorites and we thank you for playing for her service. To Scott and his team at Hasemann Funeral Home we thank you for your kind help.

Our family was blessed to have Mom in our lives.
In appreciation from the family of Doris Lipp — Dennis & Gerald Lipp and family. Jim & Marci Lipp and family. Larry & Pat Thompson and family.

The family of Don Leighton would like to thank everyone for the love and support shown to us during the loss of our loved one. We appreciated the cards, messages, hugs, flowers, memorials, funny stories, and the many ways that you showed how much you cared for our family.

A special thank you to staff at CHI Health St Francis in Grand Island, Hasemann Funeral Home, Winside United Methodist Church, Pastor Dale Topp, Winside Public Schools, Arnie's Ford, the Village of Winside, Vel's Bakery & Catering, and Dr. Melissa Heithold and the Wayne Veterinary Clinic.

The family of Lucille Nelson would like to thank everyone for all your acts of kindness shown to our family during our loss. Your thoughtfulness was greatly appreciated. Special thanks to Father Jeff and Father Mark for the lovely service.

Pat & Randy Brudigan & Darin. LeRoy & Trudy Nelson & Family. Shirley & Richard Woslager & Family.

THANKS TO all those who voted for me in the Northeast at Large election. I much appreciated your support.
Ted Hillman

Musical is a 'trip down memory lane'

I took a trip down memory lane this afternoon. I had read about a musical they are doing called The Taffetas. The ad said that if I liked Forever Plaid, I would like the Taffetas. I did like Forever Plaid! So, after lunch, I drove over to the Wesleyan campus.

There was another activity going on in the big theater, so parking was tight. I ended up walking a couple of blocks, which is good for me, but almost made me late. As I came up to the theater building, a van from one of the Assisted Living facilities pulled up, so I knew they would not start if that group had not yet gone in.

The Farmer's Wife
By: Pat Meierhenry

I was surprised to see that it was sold out! So, I put my name on a wait list and sat down to wait. The house manager came out to tell me there was a chair left, and I went to the ticket window, where I was handed the ticket for the person who apparently did not show. My lucky day!

There seems to be an interesting nostalgia for the Fifties, and it does not go away. In Forever Plaid,

a very loose story line has a college quartet singing familiar songs like Three Coins in the Fountain and Moments to Remember. (Our triple trio in nurses training sang that one, and it still is one of my favorites.) They bring back memories of the Four Aces, the Four Freshmen, and the Diamonds.

A couple summers ago, Randa was in The Marvelous Wonderettes in South Dakota, and she had to sing Secret Love, among others. I can still sing that song, word for word, and good friend, Lorraine, even sang it on the radio when we were in high school.

So, continuing in the tradition, the Taffetas are four gals dressed in what we would have used for prom dresses, singing more Golden Oldies. One of the first was Mr. Sandman. My goodness, Lorraine, cousin Virlyn, and I sang that many times, with Marlyce on the keyboard.

Do you remember the free mov-

ies During the summer, the local merchants would show old movies on the side of a big building, and we could sit on wood planks supported by cement blocks to watch. I know some were of Ma and Pa Kettle. Well, our trio sang ahead of the movies once in awhile; why, we were almost famous! In Waco, that is.

Anyway, it was an hour and a half of good harmony, reminding me of the Maguire Sisters, including Sincerely, Cry, and Music, Music, Music!

Of course, there were a lot of grey heads in the audience, but I sat next to a younger woman who was there with her mother. She confided that she wished she could have grown up in that decade, that life seemed much simpler then. It was!! I think that's why there continues to be the attempt to bring it back, at least in music. You know what? I could understand all the words!!!

Unmanned aircraft training session upcoming

Those interested in incorporating unmanned aircraft systems into their business operations and agricultural enterprises are encouraged to attend one of five introductory training sessions offered across the state by Nebraska Extension.

The sessions will be from 8:30 a.m. to 4 p.m. and the two sessions nearest us will be in Norfolk and Tuesday Nov. 29 at Lifelong Learning Center at Northeast Community College and at Mead on Wednesday, Dec. 14 at the Agricultural Research and Development Center.

Emerging technology such as unmanned aircraft systems have the potential to benefit all types of businesses, and especially applications of the agricultural industry.

Wayne Woltdt, associate professor in the University of Nebraska-Lincoln's Department of Biological Systems Engineering is one of the

Ag Happenings
Keith Jarvi
Extension Educator

training organizers. Woltdt is a rated pilot who developed the Nebraska Unmanned Aircraft Innovation, Research and Education (NU-AIRE) laboratory and flight program, with a focus on research and education in unmanned aircraft systems.

The training will highlight the information an unmanned aircraft operator and pilot would need including: hobby flight, educational interpretation and best practices for privacy concerns; Federal Part 107 rules for commercial flight and piloting; and an overview of applications. At the conclusion of the program, training attendees will have flight time with a small unmanned aircraft system.

In addition to Woltdt, others conducting the training are Bill Kreuser and Jacob Smith. Kreuser is an assistant professor in the university's Department of Agronomy and Horticulture.

He is a rated pilot who works with unmanned aircraft systems as part of his research and extension program to advance the use of this new technology for managing complex agronomic systems. Smith works with Woltdt in the NU-AIRE laboratory. He is a commercial pilot, certified flight instructor and unmanned aircraft systems expert.

Space is limited to 45 attendees at each session. The registration fee of \$50 may be submitted online at <http://nuaire.unl.edu>, or by mailing a check to Bonita Delhay, Biological Systems Engineering, 234 Chase Hall, University of Nebraska, Lincoln, Neb. 68583-0726. Checks should be payable to the University of Nebraska. Please register as soon as possible.

For more information, visit <http://nuaire.unl.edu> or contact Delhay at 402-472-9390 or bdelhay2@unl.edu.

Control Diabetes program to discuss medications

The Control Diabetes for Life program on Wednesday, Nov. 30 will be offered from 1:30 - 4 p.m. at Northeast Nebraska Public Health Department, 215 N Pearl Street in Wayne.

Participants are asked to pre-register for Control Diabetes for Life by calling Nebraska Extension in Wayne County at (402) 375-3310. Those planning to attend are asked to register by Monday, Nov. 28, so the proper number of handouts may be prepared.

There are many different treatment approaches for type 2 diabetes. As you and your doctor work together to design your treatment plan, questions may arise about the various diabetes medications available. Keep in mind that exercise and a healthy diet are essential components of managing type 2 diabetes successfully — and may be tried before medication. However, if lifestyle habits are not enough to meet your blood sugar (glucose) target, your doctor may prescribe one or more of the below medications.

There are many different forms of oral and injectable medications that are used to help patients bring their blood glucose levels into tighter control and hopefully to the target range. Stacie Petersen, B.S.N. and Certified Diabetes Educator with Franciscan Care Services of West Point will help you learn how medications for diabetes work in your body.

while others stimulate the pancreas to release more insulin; or they help your body use insulin more efficiently.

Good control with diabetes requires both diligence and willingness to try new strategies. The November 30 session will focus on Taming the Everyday Nuances of Diabetes Self-Management.

Set a goal to take control of your diabetes. Aim for lower blood glucose levels to feel better now and stay healthy for years to come. Topics to be addressed include: How Medicine Works to Control Blood Sugar Levels, The Diabetes Arthritis Connection, 10 Steps for More Energy, Managing Alcohol with Diabetes, and Insight from Food Diaries. These sessions are designed to supplement the education that you receive from your local diabetes education team and not a substitute for diabetes classes through your local health care providers.

Participants will receive recipes for diabetic appropriate foods. Team-teaching the program will be Stacie Petersen, B.S.N. & Certified Diabetes Educator; Deborah Willcox R.D., LMNT, of Franciscan Care Services in West Point and Debra Schroeder, Nebraska Extension Educator in Cuming County.

New companies keep farming show fresh

Looking for the latest, greatest ag-related products and services? If so, the 10th Annual Nebraska Power Farming Show, presented by AgDirect and Farm Credit Services of America, is for you. Stuffed with 9.2 acres of displays, the second largest indoor farm show in the United States is located right in your backyard in Lincoln, Nebraska.

More than 850 companies will be exhibiting at the Nebraska Power Farming Show this year — 116 new to the show. For many, this is the only farm show they attend in Nebraska. In fact, more than 70% do not participate in the nearest indoor farm show and 57% do not exhibit at the closest outdoor farm show.

Tuff-bilt Tractors Manufacturing Inc. (booth #512) is one of these companies. The Walthill, Nebraska-based manufacturer produces a versatile garden tractor designed to meet the growing needs of landscape companies, small land owners, large farms with specific cultivation needs, farmer's markets producers and organic farms.

Each Tuff-bilt tractor comes equipped with two 3-point hitches (front and rear), hydraulically operated with a lift capacity over 700 pounds each. The tractor also fea-

tures a 19 HP Kohler gas engine, longer frame, 5-gallon gas tank, reinforced lift arms, heavy duty turnbuckles at all lift points, muffler guard, rear takeoff shaft guard and a full 1-year warranty. Add in 24 easy converting implements and accessories, and the Tuff-bilt tractor can tackle almost any job.

Visit nebraskapowershow.com for a complete exhibitor list. Show hours are 9 am to 5 pm Tuesday and Wednesday, and 9 am to 3 pm Thursday. Admission and parking are FREE. Nebraska Farm Bureau members are encouraged to stop by the Nebraska Farm Bureau booth (#2210) on Wednesday for a FREE Farm Bureau cup (with FREE refills) and leather work gloves (while supplies last).

The Nebraska Power Farming Show is produced by the Iowa-Nebraska Equipment Dealers Association in conjunction with local Nebraska and Iowa farm equipment dealers. Diamond Sponsor presented by AgDirect and Farm Credit Services of America; Platinum Sponsors — Bayer CropScience and Nebraska Farm Bureau; Gold Sponsors — Machinery Pete and Stine Seed; and Media Sponsors: Midwest Messenger and Rural Radio Network.
