Series of 'investigations' leads to return of military medals

By Clara Osten
clara@wayneherald.com

An emotional 'reunion' of sorts took place at the Wayne County Courthouse recently when Robert Hohenstein was on hand to receive the medals his brother, David, had earned while serving in the U.S. Army in Vietnam.

The story of the medals spans 40 years and a number of twists and turns.

David E. Hohenstein of rural Ponca joined the military shortly after graduating from high school in 1969.

His older brother, Robert, was already serving in the Air Force and tried to discourage his brother from enlisting.

"David didn't want to go to college after high school and thought the military would be a way to see the world," Robert said.

While serving his country, David "took a grenade" when he was in Cambodia and crawled a long distance back to his camp. He suffered serious injuries to his leg and was hospitalized for more than eight months - first in Japan and then in Kansas.

For his efforts, he was awarded several medals, including the Purple Heart.

After being discharged from the army in January of 1971, David returned to the Ponca area and farmed with his brother, Robert.

On Aug. 3, 1977 David was killed in a truck accident in Sioux City, Iowa. He was 26 years old at the time and engaged to be married.

On the day of his funeral, his house was broken into and ransacked. His military medals, along with a number of guns, were stolen.

"We never did find out if anybody was caught for the robbery," Robert said.

The other side of the story involves a vehicle purchased in 1978 or 1979 by the Kay family of rural Wayne - Don, Rick and "Butch."

"I don't remember the exact time or a lot of the details, but I do know we bought a car that had a lot of "junk" in it, Butch said.

Among the items were several military medals. The family did not recognize the name on the medals, but knew they should not be thrown away.

"Dad put them in a drawer and I think they were forgotten until we started cleaning out my parents' house," Butch said.

When they were found recently, Butch decided to try to find out who they belonged to. His search led him to Brad Wieland, Veterans Services Officer at the Wayne County Courthouse.

Wieland, himself a Vietnam veteran, recognized the medals as being Vietnam-era and began the task of tracking down their owner.

This led him to contacting Robert, who shared David's story.

Wieland arranged for Hohenstein and Kay to meet and share stories of the medals. Wieland and Hohenstein, who also served in the military in Vietnam, compared military experiences.

"I am just glad to have these back. My family never knew what had happened or why anyone would have wanted to steal them... they could have taken the guns, we didn't care about that, but what good were the medals?" Robert said.

Generosity overwhelming to Key West resident sheltering here

By Calyn Dunklau

Hurricane season isn't anything new for those living on the coast, but over the past month as storm after storm has battered parts of the United States and the Caribbean, it seems as though this year's hurricane season has tried its hardest to pull communities apart.

Luckily, that couldn't be further from the truth.

Wayne native Sevanah Ferrell, daughter of Charna Mrsny and Frank Mrsny, has lived in the Keys with her husband Justin for the past eight years.

This was the first hurricane the Ferrell's left for.

"When the tropical storm was forming we joked about staying, that we were going to 'ride this one out' just as we had done

in previous years, but as the projected paths had shown it was coming for Key West, we decided the best thing to do would be pack up and leave to keep our children Kirra (5) and Nolan (2) safe," Ferrell said.

The family drove north to Flagler Beach but soon realized that wasn't far enough, so they left the state all together and headed for a cabin in North Carolina. Unfortunately, the heavy rains were expected to cause mud slides and flooding where they were at so the family picked up again, this time for the Good Life.

While visiting family and seeing the Blue Ridge Mountains is fun, the couple couldn't shake their feelings for Florida.

"We made the smart decision to come and visit my family here in northeast Nebraska," she said. "But while we're here,

Facility accident takes life of one employee in Wakefield

Michael Foods released a statement regarding an accident that took place this Tuesday at the Wakefield facility.

"Yesterday, we had a tragic accident at our Wakefield facility in which we lost a valued team member. The entire team at Michael Foods is deeply saddened by this loss and we extend our condolences to the family," said a Michael Foods spokesperson.

"Safety is always our top priority, and we are currently investigating the accident but can confirm that there is no threat to other workers or public safety. Out of respect for the family and employees we will not be commenting further at this time."

The Dixon County Sheriff had no immediate comment on the situation.

Fugitive apprehended after lengthy search

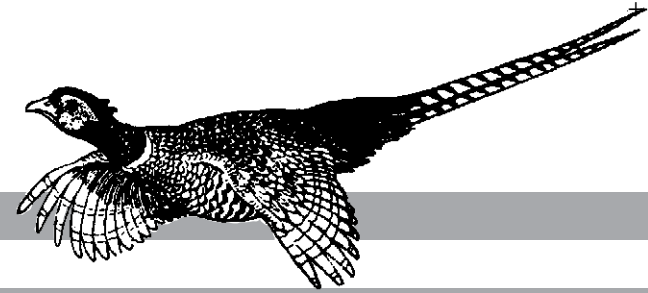

The Wayne County Sheriff's Office initiated a search for a fugitive from South Dakota on Tuesday afternoon, Sept. 26.

The subject had been identified as Nathan Murphree from a previous contact with him earlier that morning. Murphree attempted to elude law enforcement near the intersection of 570 Avenue and 858 Road, approximately six miles west and two north of Wayne.

Resources from the Nebraska State Patrol, including the helicopter shown in the photo immediately above, were requested to search for Murphree after he hid in a cornfield. A helicopter was used in the search. Murphree was located hidden near a creek approximately two miles southeast of Carroll just before 7 p.m. that evening.

The Nebraska State Patrol and the Dixon County Sheriff's Office assisted with the initial search and apprehension of Murphree.

Murphree was not considered to be a threat to the public at any point.

Concord/Dixon Senior Center celebrating 30 years

The Concord/Dixon Senior Center in Concord will be celebrating its 30th year of operation with an open house.

The event is set for Saturday, Sept. 30 from 1:30 to 3:30 p.m. Everyone is invited to attend and refreshments will be served.

The Center was organized under the guidance of Melvin Puhman of Concord, who was the first volunteer manager.

The center is one of the few in the state of Nebraska that operates with only volunteers taking full re-

sponsibility for the operation of the center.

Present officers include: Roy Stohler, chair; Shirley Anderson, vice-chair; Sally Lubberstedt, secretary and Rozanne Hintz, treasurer.

Funding and support for the center is provided by the Northeast Nebraska Area Agency on Aging, the village of Concord, donations and fundraisers.

Early funding of the Center was through the efforts of the ladies of the group who worked on over 60

quilts. Some were complete quilts and others were completed for individuals. Their quilts were sold, raffled off and some were donated for state and national meetings to be given away as door prizes.

The Center has a monthly potluck dinner, open to all seniors in the area. They provide various services to the community, including flu clinics, blood pressure checks, exercise classes, nutrition information, health and safety information, etc.

Fun activities include working on

puzzles, playing cards and Mexican train dominoes, visiting other senior centers and local attractions.

The Center also provides a link to the services that are available through the Northeast Nebraska Area Agency on Aging. The center has a supply of durable medical equipment that is available for loan to all community members. Several years ago they were the recipient of a gift of over 3,000 books that are available for loan to community members.

It should be a perfect night for football at 7 p.m. as we take on West/Point Beemer," said Julie Osnes, Student Council Advisor.

Informational meetings on Medicare upcoming

Medicare open enrollment is just around the corner

People with Medicare drug coverage who let their insurance roll over from year to year may find themselves paying more for their prescriptions than they have to.

Savvy people know that their best opportunity to save money on medications takes place every fall during open enrollment.

Medicare's open enrollment is Oct. 15 through Dec. 7. During this period, people with a Part D Drug or Part C Advantage Plan can compare their individual drug list to all the new insurance plans for the coming year. When they find a plan with lower costs or better coverage, they can switch to new coverage starting Jan. 1.

Nebraska Senior Health Insurance Information Program (SHIIP) is funded by the federal government to help people with Medicare. One of SHIIP's most popular services is comparing drug plan costs and coverage. With SHIIP's help, comparison is quick, easy, and money saving.

Because SHIIP does not represent any insurance company, pharmacy or drug manufacturer, their counselors can always put the needs of the individual first. Their services are free and available to everyone with Medicare.

Sandy Preston, retired extension educator for the University of Nebraska, will be in assisting individuals for prescription drug comparisons. Sandy will be in Ponca on Monday, Oct. 23; Wakefield on Wednesday, Oct. 25, and Allen on Friday, Nov. 10. Times will be scheduled from 9 a.m. until 1 p.m. each date.

Contact the appropriate senior center to make an appointment, Ponca (402) 755-4180; Wakefield (402) 287-2149; or Allen (402) 635-2284. Preston will also highlight the changes for 2017 during the Allen Senior Center's coffee at 8:30 a.m. on Nov. 10. Be sure to bring a complete list of drugs and your Medicare Card.

Additional times can be found on the Nebraska website or call 800-234-7119 for a personal appointment to compare 2018 drug plans. Reservations are required. Appointments are available in 125 locations across the state. Counseling is also available by telephone.

For answers to all your Medicare questions, contact Nebraska Senior Health Insurance Information Program (SHIIP), a division of the state Department of Insurance. Nebraska SHIIP does not sell insurance. The SHIIP Hotline is 1-800-234-7119.

Scholarship Recipient

The Matthew Meyer Leadership Award was presented to Emily Matthes at the Wayne High School Honors Night last spring by Duane Blomenkamp. The \$1,600 scholarship is awarded annually to the senior student who displays outstanding leadership qualities and is given in memory of Capt. Matthew Meyer, who was a United States Air Force instructor pilot. Emily is the daughter of Lonnie and Pam Matthes of Wayne and is attending Clarkson College in Omaha pursuing a degree in Nursing.

Peters named 'Reader of the Week' by public library

Trisha Peters

The Reader of the Week at the Wayne Public Library is Tricia Peters.

What is the last book you read?

Atonement by Ian McEwan

Who is your favorite author?

Laura Ingalls Wilder and Willa Cather have long been my favorite authors for their portrayals of the settlement of the Great Plains and the hardships that accompanied settlement. Historical fiction has always been a favorite genre. I enjoy the classics by Jane Austen and the Bronte sisters as well as John Steinbeck, Larry McMurtry, and Margaret Mitchell.

Why do you read?

Reading has always been a way to calm my mind before going to bed. Much of the reading in our house these days centers on children's books. It is a nightly ritual for our family to read two or three storybooks before bedtime. It is a good time for our family to talk about our day and spend a few moments together. My boys often refuse to go to sleep until we have our nightly reading done.

Have you ever had to give up on a book?

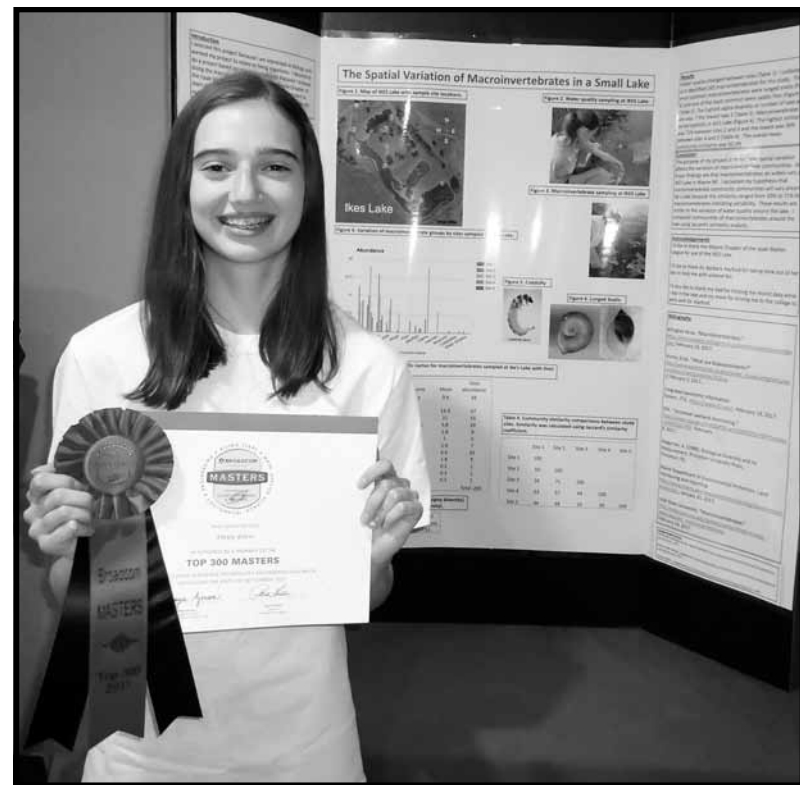

I have never completed a book by William Faulkner even though I've tried at least three times!

Name a book you would recommend and tell everyone why they should read it.

I don't typically recommend books because people have such different preferences, but I do recommend going back and reading books that were assigned in high school or college. Now that I am able to go back and read them for pleasure rather than "homework," I tend to get more out of them. They make more sense to me, and are more meaningful.

Personal

I am an Associate Real Estate Broker at 1st Realty Sales & Management in Wayne. My husband, Tim, is employed at Titan Machinery of Wayne and we have two sons, Logan (4) and Luke (1). I enjoy gardening, canning, home decorating and remodeling, helping on the family farm and spending time with my children.

Emily Eilers stands beside her award-winning science project earlier this year.

Wayne student finishes in top 300 in National STEM competition

Broadcom Masters and Society for Science recently announced the selection of the top 300 competitors for their seventh annual STEM competition. The Broadcom Masters is the nation's most prestigious (STEM) Science, Technology, Engineering, and Math competition for middle school students.

Emily Eilers of Wayne was honored by being selected as having one of the top 300 projects from 2,499 applicants nationwide. The 2,499 applicants came from more than 6,000 nominees, representing the top 10 percent of participants in Broadcom Masters affiliated science fairs nationwide. Each applicant's project in the national competition received three independent evaluations by distinguished scientist, engineers, and educators. Emily qualified to apply to the national

competition by placing first at the Greater Nebraska Science Fair held in March of this year.

Her project, titled "Spatial Variation of Macroinvertebrates in a Small Lake," explored the biodiversity of small aquatic organisms and insects between five different site samples taken from Izaak Walton Lake. Emily, who is now a Wayne High freshman, completed this part of her research project while she was in eighth grade and is now looking forward to expanding on her research this fall.

Emily's research mentors were Dr. Barbara Hayford from Wayne State College and Lee Brogie from Wayne Community Schools.

Emily is the daughter of Erin and Mindi Eilers.

Wayne Community Schools celebrates Nebraska Thursdays in school cafeteria

Wayne Community Schools has joined Nebraska Department of Education Nutrition Services and Center for Rural Affairs as a 2017 pilot school to roll out Nebraska Thursdays. This statewide campaign celebrates farm to school by serving a Nebraska-sourced meal in the cafeteria on the first Thursday of each month.

The school kicked off Nebraska Thursdays this school year serving watermelon and cantaloupe from Norfolk Melons in lunches during August.

"Participating in Nebraska Thursdays provides students and school staff with an opportunity to celebrate our local farmers and seasonal Nebraska foods," said Judy Poehlman, food service director at Wayne Community Schools. "We'll continue to connect with local sources for milk and proteins throughout the school year."

Nebraska Thursdays expands farm to school activities in Nebraska's schools to better connect school cafeterias and students with local foods, gardens, farmers, ranchers, agriculture, and nutrition. The school district is one of five Nebraska school districts selected to participate in the pilot program.

"We are working to educate students about food grown in Nebraska by promoting Nebraska products," said Poehlman. "This program helps us highlight Nebraska foods on our lunch menu and support our community by purchasing local food from Nebraska farms and food businesses."

Other pilot schools are Litchfield Public Schools, Omaha Public Schools, Overton Public Schools, and Thayer Central Community Schools.

Nebraska Thursdays is sponsored by Nebraska Department of Education with partner organization Center for Rural Affairs, and supported by Omaha Public Schools Nutrition Services. Additional support is provided by Nebraska Dry Bean Commission, Midwest Dairy Council, and Nebraska Beef Council.

For more information about Nebraska Thursdays at Wayne Community Schools, contact the school at (402) 375-3150, or visit cfra.org/f2s.

Electronics recycling event

A steady stream of vehicles could be seen traveling east on Third Street in Wayne on Saturday morning. The Wayne Green Team hosted the annual fall electronics recycling event on Sept. 23 between the City Auditorium and City Hall. Volunteers from the community, members of the Green Team and Wayne State College men's basketball assisted those taking part get rid of old, unwanted electronics ranging from computers to large, console TVs. Funding for the event came from the Nebraska Department of Environmental Quality Waste Reduction & Recycling Incentive Grant, with electronic recycling services provided by Nebraska Recycles of Lincoln.

Guests at Halftime

The "Little Devils" performed with the Wayne High School She Devils Dance Team at Friday's game during halftime. The elementary-aged girls attended a camp after school on Friday to learn the dance moves before performing to some of Disney's classic songs.

Pictured are two of the four third grade Wayne classes that received dictionaries. Mrs. Sims is the teacher at the Wayne Elementary School. Rotarians who assisted with distribution in this school included: Darrell Miller (chair for this project), Bob Ensz, Christian Legler, Bill Engebretsen, Paula Peterson, and Anne Nolte. The teacher for St. Mary's school is Mrs. Westerhold. Rotarians Darrell Miller and Anne Nolte visited that school.

Area students receive dictionaries

Thanks to the Wayne Rotary Club, third graders in area schools have, or will receive, new dictionaries that belong to them.

Local students receiving the dictionaries include the following schools: Wayne, Wayne St. Mary's, Winside, Wisner-Pilger, Pender, Emerson-Hubbard, Wakefield, Allen, Walthill, Winebago, Omaha Nation, and Laurel-Concord-Coleridge.

The goal of this project is to assist students to complete the school year as good writers, active readers,

and creative thinkers by having their own personal dictionary. The Wayne Rotary Club has given away over 3,000 dictionaries since the project started in 2007.

The Rotary Dictionary Project is striving to give every third grade student in the U.S. their own dictionary. Over two million children received a dictionary in 2016. This is thanks to the generosity of sponsors, such as Rotary, who have participated in the project.

From Page 1A
The entire state of Florida is in devastation. It has been a pretty emotional time for us to be here and not there helping."

But Ferrell said, if she were being honest, there wasn't a lot they could have done until recently, which is why her husband headed south over a week ago, making his way back to the island they love to start the rebuilding efforts.

Before he left, she posted a status on Facebook telling her friends what the plan was and asked if anyone had non-perishable items to donate.

The response was more than the couple anticipated.

"The out-pouring was overwhelming," she said. "I had an old friend from Lincoln who let her office be a drop off spot for people between Lincoln and Omaha. The two lovely ladies at Dairy Queen (Anita and Amanda) helped spread the word and before I knew it I had an entire trailer full of supplies that people have donated all over northeast Nebraska."

Ferrell went on to say, "What a humbling experience and I hope that someday I am able to give back to my community as much as my hometown community has given to me. I cannot thank everyone of you enough for helping us help our island!"

Ferrell's husband took off for Florida, making stops to pick up even more donations from Tennessee, North Carolina to southwest Florida.

According to Ferrell, everyone they know was willing to help their efforts.

Ferrell, who stayed here with their children, has been bouncing from Wayne to Lincoln where the majority of her family resides.

"We are between Wayne and Lincoln spending as much time as we can with our family. The kids have a lot of cousins here that we're trying to get some quality time with."

Ferrell said that according to her husband, it will still be quite some time before it is safe and ready for them to return to their home. In the meantime, he's working hard to get

that done for them.

A recent announcement by the Key West Chamber of Commerce has everyone optimistic: The City of Key West is open for tourism. The official opening date is Sunday, Oct. 1.

Ferrell said that people visiting the island she fell in love with will make all the difference, specifically to those who rely on the tourism for their income, like their family does.

As a charter boat captain for Good Times Key West, Ferrell's husband's job is entirely reliant on folks visiting.

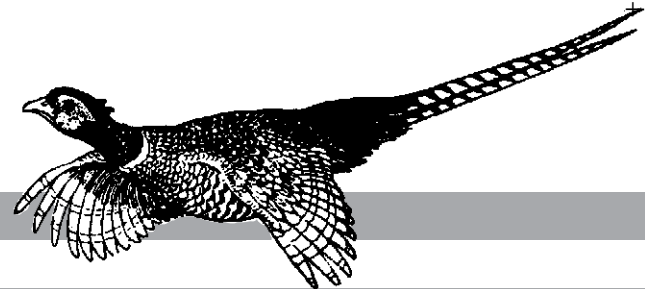

"What we really need now, is for everybody to come back down to the Florida Keys! We are a strong community and we will rebuild and we hope to see your smiling faces as you all are our livelihood," she said. "I am excited to go back home and continue my island living and loving and I hope to see you all there."

Ferrell encouraged those who donated to plan a trip to Key West.

"Come boat like a local and let us give back to you what you all have given back to our community."

Blake Bartos dives over the goal line for a late first-half touchdown in Wayne's 48-6 romp over Madison on Friday. The Blue Devils face a key district test Friday at Pierce.

Blue Devils hit 5-0 mark for first time since 2002 with 48-6 blowout

Madison scored on their opening drive of the game — and it was all Wayne after that.

The Blue Devils were too much for the out-manned Dragons at Memorial Stadium, silencing the visitors after their opening score and walking away with a 48-6 win Friday to give Wayne High its first 5-0 start since the 1990 season.

It took a little while for the Blue Devils to get clicking, coach Russ Plager admitted, but once they got going they did what they needed to do to get the win.

"We did not play our best game but I was proud of how the kids performed and how they reacted, and it shows we still have things we need to get better at and need to get back to work for next week," he said.

Beau Bowers and Mason Lee hooked up on a pair of touchdown passes. The first put Wayne ahead to stay as the two seniors connected on a 78-yard scoring play. They would add another score in the second period from 38 yards out.

Wayne's ground game dominated the line of scrimmage. Juan Vergara scored on runs of five and 19 yards, while Blake Bartos was able to get in on a four-yard run.

Wayne's special teams also got in on the fun. After Vergara's first score, the kickoff was

mishandled by Madison and Kaleb Anderson scooped up the turnover and ran 17 yards for a touchdown to make it a 22-0 game.

With a 42-6 halftime advantage, running clock was in play for the entire second half. Wayne's reserves were able to put another score on the board midway through the fourth quarter, as Tyler Gilliland found a wide-open Marcus Fertig for a 24-yard touchdown that closed out the scoring.

"We moved the ball pretty consistently on offense, and once we woke up we got more aggressive on defense," Plager said. "I liked what some of our younger kids did when they got in. It was nice to get them in the last two weeks and they're going to need to help us down the road so it was nice to get them that experience."

Bowers was 3-for-4 for 125 yards and two touchdowns, while Gilliland went 2-for-3 under center for 48 yards and a score. Lee caught three balls for 125 yards and Fertig and Isaac Cliff each caught a pass for 24 yards.

On the ground, Blake Bartos led a balanced attack with 55 yards on 13 carries, while Juan Vergara had 540 yards on six tries. Casey Koenig and Victor Kniesche each ran for 12 yards and Brennan O'Reilly had one carry for four yards.

After the first drive of the game, Madison was shut down for much of the rest of the night as Wayne limited the Dragons to 105 total yards and seven first downs.

O'Reilly led the team with eight total tackles while Lee and Noah Lutt each had five. Koenig, Kniesche, Mike Leatherdale and Zane Jackson each had three tackles.

Wayne will face Pierce in a key district test Friday at 5 p.m. at Pierce High School. Pierce, at 2-3, is coming off a tough loss to top-ranked Norfolk Catholic, and Plager said the Blue Devils will have a stiff challenge in front of them this week.

"We're playing a great program with a great coach and going to have to play an excellent ball game to come out on top," he said.

Area golfers host tourneys as season winds down

The Wayne High golfers finished eighth and the Laurel-Concord-Coleridge golfers placed ninth out of 14 teams at Thursday's Metteer Invitational at the Wayne Country Club.

The Blue Devils shot a 447 and had one medalist as Megan Keiser finished 17th with a personal-best round of 100. Hana Nelsen followed with a 108, followed by Liz Junck (115, also a personal best), Natalie Bentjen (124) and Kecia Schenk (124). Taylor French also shot a 120 as a JV golfer.

For LCC, Nicole Hanson led the way with a 94 and finished fifth on the day. Brooke Young added a 108, followed by Jadyn Kinkaid (128) and Glenda Vance (137).

Pierce edged Norfolk Catholic 398-402 for the team title, while O'Neill was third with a 410. Cas-

sidy Ulrich of Hartington Cedar Catholic shot an 88 to edge Sidney Erickson of Pierce by one stroke.

On Saturday, the two teams headed up to Cedar View Country Club for the LCC Invitational. The Lady Bears took third while the Blue Devils were five shots behind in fourth place in the five-team race.

Young and Hanson were the top two individuals on the day, shooting 89 and 90, respectively. Keiser and Nelsen also finished in the top 15, with Keiser placing seventh at 101 and Nelsen finishing 11th at 107. French was 17th with a 113 and Bentjen placed 20th at 117.

Wayne will play in the Mid State Conference meet Thursday at Pierce.

Another no-hitter for Kniesche; team goes 2-1 in tourney

The Wayne High softball team cracked the 20-win plateau in outstanding fashion Thursday, as Tori Kniesche threw her seventh no-hitter and Jenna Trenhaile launched a three-run homer to help Wayne to a 9-0 road win at Wisner-Pilger on Thursday.

Kniesche was one batter short of a perfect game as she fanned 13 and walked one to record her seventh no-hitter of the season. Opposing teams' batting average against the sophomore hurler dropped to .094 after Thursday's win.

By comparison, Wayne's bats had no problems getting going. They put up five runs in the first thanks to an RI triple by Kennedy Maly and an RBI double by Annie Kniesche. Sidney Biggerstaff added an RBI on a groundout. Jamie Gamble had an RBI single and Gamble later scored on an error to make it 5-0.

Trenhaile hit a one-out bomb the opposite way over the right field fence in the fourth inning, scoring Kayla Fleming and Masyn Dorey, who both singled. Wayne scored another run in the fifth when Gamble came home on a Gator fielding error.

Dorey had three hits and scored two runs and Maly and Gamble each had two hits to highlight Wayne's 13-hit attack. Gamble scored twice and Trenhaile had three RBIs.

It was a wild Saturday for the Wayne High softball team as they played in three high-scoring games and went 2-1 during the Adams Central Invitational.

Playing without Kniesche, the Blue Devils were involved in a trio of high-scoring affairs, beating Blue Hill 20-19, losing to Wilber-Clatonia 8-7 and blasting Milford 20-10.

In the first game, Wayne gave up 10 runs in the second inning to Blue Hill, but came back with 11 unanswered runs to take a 16-10 advantage. Blue Hill scored eight in the top of the fifth to regain the lead, but Wayne scored four in the bottom of the fifth, winning the game when Trenhaile's single scored Allison Claussen and Dorey followed her home when the left fielder misplayed the ball.

All 10 Wayne players who saw action got at least one hit, led by Dorey's 4-for-5 effort with four runs scored and two RBIs. Biggerstaff hit a pair of home runs and had three hits and four RBIs. Trenhaile also homered and drove in three, Abby Ankeny had two hits and she and Maly each drove in two. Gamble got the win in relief of Kayla Fleming.

Wilber broke a 7-7 tie with a run in the fifth and Wayne left the bases loaded in the bottom of the inning to end their 14-game winning streak.

Dorey had three hits and three

runs scored while Trenhaile, Maly and Annie Kniesche each had two hits. Maly homered and drove in three. Fleming took the loss in relief of Gamble.

In the final game, Milford jumped out to a 10-2 lead in the third inning before Wayne's offense unloaded an 18-run explosion on the Eagles, sending 22 batters to the plate in the inning. Thirteen of Wayne's 14 hits came in the big inning, four of them home runs that included a back-to-back-to-back effort by Maly, Kniesche and Biggerstaff. Trenhaile also hit a two-run homer to cap the monster inning.

Everybody who got on base scored at least once for the 22-3 Blue Devils. Trenhaile scored four times, Dorey came home three times and Maly, Kniesche, Biggerstaff, Gamble, Ankeny and Josie Thompson all scored twice. Fleming also added a run. Maly had three hits and four RBIs, Trenhaile had two hits and four RBIs, while Dorey, Biggerstaff and Ankeny had two hits apiece. Fleming went the distance to earn her first career win.

Allen, Wakefield battle in triangular

Allen and Wakefield made the trip to Randolph last Tuesday to take part in a volleyball triangular, with the Trojans going 1-1 and the Lady Eagles dropping two matches.

Wakefield opened the evening with a matchup against the host Cardinals and came up short in a tight three-set match, with the hosts winning 25-16, 14-25, 25-21.

Jessica Borg led the Trojans' net attack with nine kills while Devaney Brown added six. Emma Pommer had three kills and Rachel Brudigam put down two. Borg and Breanna Chase each had six assists. Borg had five blocks and Brown and Pommer each had four. Brown led the team in digs with 10, Rachel Brudigam and Jamie Dolph each had nine, Chase had seven, Borg had six and Andrea Lopez had five.

In the second match of the night, Wakefield and Allen played a tight match with the Trojans coming away with the win, 25-18, 24-26, 25-22.

For Wakefield, Borg had 13 kills, Pommer added 10 and Brown and Chase each had seven. Chase had 17 assists and Borg had 12. Borg had three ace serves and Pommer had three blocks. Borg, Dolph, Brown and

Brudigam each had 11 digs, Lopez added 10, Chase had five and Hayden Ekberg had four.

For Allen, Bri Hingst had 15 kills, Summer Jackson added eight, Haley Stapleton had five and Cassidy Thomas put down three. Thomas had 31 assists. Hingst had two ace serves and a team-high 28 digs. Stapleton added 20 digs, Thomas had 14, Desi Martell had 13 and Jackson picked up 10.

In the final match of the triangular, Allen lost in two sets to Randolph, 25-18, 25-5.

Hingst led the Lady Eagles with eight kills and Jackson added three. Thomas had 14 assists. Stapleton led the defense with 14 digs, Thomas and Hingst each had seven, Carly Dickens had six, Martell had four and Jackson had three.

Wakefield is 4-10 on the season. They played a triangular at Hartington-Newcastle and will be at Osmond on Thursday and Ponca on Tuesday.

Allen, 5-8, played in the Ponca Invitational on Tuesday and will be at Walthill on Thursday before returning home Tuesday to host Winnebago and Whiting (Iowa) in a triangular.

League Champions

Wayne Country Club's annual league tournament concluded recently with team #5 winning the 2017 championship. Team members from left: Bill Kinney, Jerry Denton, Dave Ley and Randy Simonsen. The formidable squad defeated team #48 comprised of Duane Blumenkamp, Rocky Ruhl and Jeryl Nelson in the finals. The team of Craig Sharpe, Bill Sharpe and Jim Curtiss along with the trio of Rob Sweetland, Pat Riesberg and Craig Walling tied for third and fourth place. The league lasts 19 weeks with 16 of the 48 teams making the playoffs.

Eagles on wrong end of 62-12 decision at Wynot

WYNOT — Allen won the total yardage battle but lost the war on the scoreboard, as Wynot handed the Eagles their first loss of the season in a 62-12 decision here Friday.

A punt return, kickoff return, interception return, fumble return and safety were responsible for 26 of the 62 points the Blue Devils put on the board. The Eagles, on the other hand, were offensively inconsistent blocking and committed two turnovers in the first period along deep in Wynot territory allowing the Blue Devils plenty of chances to get on track.

The Eagles trailed 26-0 in the second period, but did show a sign of fight as Kyle Smith hit Devin Twohig on a 32-yard scoring pass. Moments later, following a Wynot punt, the Eagles came up just short on a fourth down in Blue Devil territory before the half's end.

The wheels fell off after that, as Wynot used a punt return for one score and the defense scored twice on a returned fumble and a returned interception, sending Allen to its first loss after a 3-0 start.

"We played confidently early and held our own, but when a few things did not go our way, we did not stay focused and intense as we need to be, and that opened the door and good teams exploit that,"

coach Dave Uldrich said. "They were a good team, and if we want to become a team of that caliber, we need to keep intensity high, and errors low. We have plenty to focus on in the week of practice. I am sure this game will not define our season, but it will make us aware that there are always things to get corrected and work on."

Offensively, Kyle Smith rushed 20 times for 97 yards, and Devin Twohig hauled six passes for 66 yards and a score.

Defensively, Jacob Williams led the Eagles with 10 tackles, while freshmen, Devin Hoelsing, and Isaac Verzani each had 8. Hoelsing added a fumble recovery.

Allen returns home to host Randolph in a 7 p.m. game Friday.

Wildcats suffer rare 0-2 road weekend

After a tough five-set win over 12th-ranked Augustana, the 18th-ranked Wayne State volleyball team suffered a rare 0-for-2 weekend on the road in conference volleyball action.

Last Tuesday, the Wildcats built a two-set advantage, then held on for dear life to post a five-set win over rival Augustana, winning 25-19, 25-22, 12-25, 19-25, 15-11.

The great crowd of 1,056 on Pack The House/Black Out Night saw an exciting matchup as the visiting Vikings came back from a two-set deficit to force a winner-take-all fifth set.

The first set was highlighted by the efforts of senior Erin Gross, who paved the way with five kills. The Wildcats recorded a team-best 15 kills and a .239 attack percentage to take the early lead.

The second set was a closer battle with nine ties and three lead changes, but Wayne State scored the final three points of the set to break a 22-22 tie and take the 2-0 match advantage. The Wildcats used a Tarrin Beller kill to take a 23-22 lead, then forced back-to-back Augustana attack errors to complete the set. Ballenger produced a team-high five kills in the set to lead the Wildcats.

Augustana held WSC to just six

kills in the third set to get back in the match, then evened things up by hitting a sizzling .390 in the fourth set, recording 19 kills and just three attack errors, to send it to a winner-take-all fifth set.

The final set saw seven ties and five lead changes. Wayne State trailed early 6-4, but used kills from Ballenger, Megan Gebhardt and Stephens to take a 7-6 lead. Augustana came back and took their final lead of the set at 9-8, but the Wildcats ran off three straight points to take the lead for good at 11-9, thanks to kills by Beller and Ballenger along with an Augustana attack error.

Following an Augustana point that made the score 11-10, Wayne State used a kill from Beller followed by two Augustana errors to take a 14-10 lead. The Wildcats forced another Viking attack error on match point to win the match. Ballenger had four kills in the fifth and deciding set with Beller adding three.

Stephens led a balanced Wildcat effort with 15 kills and 18 digs for her second double-double of the season. Ballenger accounted for 14 kills and 17 digs for her first double-double of the year. Gross finished with 12 kills and Beller added 11.

Beller paced Wayne State at the net with six blocks followed by four from Gross. Haley Kauth and Bree Ackermann each had two service aces. Kauth accounted for a team-high 24 digs while Maddie Duffy added 11. Megan Gebhardt was credited with 51 set assists.

On Friday, No. 6-ranked Minnesota Duluth hit a sizzling .446 in the final two sets to take care of business at home, defeating the Wildcats 25-9, 18-25, 25-22, 25-10.

The first set was all Duluth, as the host Bulldogs limited WSC to just two kills while serving up six aces. But Wayne State came back in the second set, using 11 kills and a .290 attack percentage with two errors to knot up the match. Stephens led a balanced Wildcat effort at the net with three kills and four digs while Ackermann and Stephens each recorded service aces.

The third set was key, as it was tight throughout with 12 ties and four lead chances. Wayne State led 20-19, but could not overcome three straight Bulldog kills as the Bulldogs took the third set, then used that momentum to hit .615 with 17 kills and one error in 26 attempts to finish off the Wildcats in four.

Gross led the Wildcats at the

net with nine kills followed by Stephens with six. Kauth and Alyssa Ballenger each accounted for 10 digs with setter Megan Gebhardt had 22 assists.

On Saturday, Wayne State suffered a rare loss at St. Cloud State, as the host Huskies held the Wildcats to a .075 hitting percentage in a three-game sweep, winning 25-12, 25-16, 25-23.

The Huskies hit .371 in the opening set and cruised to the easy win, and never trailed in the second set as they held Wayne State to a minus-.031 hitting percentage to take the 2-0 lead.

The third set was much closer, but the Huskies got a kill and a Wayne State attack error to close out the 3-0 sweep.

Gross led Wayne State with seven kills followed by Jaci Brahmer with six and Katie Stephens with five. Kauth notched 15 digs while Gebhardt was credited with 22 assists in the match.

Wayne State hosted South Dakota School of Mines on Tuesday. They host Minnesota Crookston on Friday at 6 p.m. and Bemidji State on Saturday at 1 p.m.

Wayne girls claim consolation honors at Wisner-Pilger Invitational

The Wayne High volleyball team came away with consolation honors Saturday at the Wisner-Pilger Invitational.

The Blue Devils opened the tournament with a straight-set win over Pierce, 25-23, 25-16. Kylie Hammer and Emily Armstrong each had seven kills, Ashton Boyer and Lauren Pick both had four kills and Shania Anderson added three. Allyson Avery had 23 assists. Defensively, Hammer had 11 digs, Boyer added eight, Armstrong and Pick each had six and Hailey Backer and Korrina Niemann had five apiece.

In the semifinals, Wayne gave eventual champion Humphrey St. Francis a battle before losing in three sets, 25-20, 20-25, 25-19. Pick had 10 kills, Hammer added nine, Armstrong had eight and Boyer recorded four. Avery had 30 assists. Boyer had four ace serves. Defensively, Anderson had three blocks and Hammer had two. Armstrong had 14 digs, Hammer, Boyer and Niemann each had 12 and Backer picked up seven.

In the consolation match, Wayne went three sets with Chambers/Wheeler Central and came away with a 25-20, 23-25, 25-16 win. Armstrong and Pick both had 10 kills, Katelyn Grone had four and Boyer had three. Avery had 18 assists and Erin O'Reilly had six. Niemann had a pair of ace serves. Defensively, Grone had three blocks and Avery and Boyer both had two. Hammer and Armstrong each had eight digs, Boyer had seven and Backer had four.

In other action, the Blue Devils went the distance with Norfolk Catholic and came away with a five-set win in their home opener Tuesday, outlasting the Lady Knights 25-13, 15-25, 25-14, 20-25, 15-10.

The Blue Devils came out strong in the opening set and finished off the Knights in short order, but came out sluggish in the second set as the visitors tied things up at one set apiece.

Wayne again dominated their guests in the third set, but couldn't finish them off in the fourth set and had to take control late in the fifth, scoring six of the last eight points to come away with the win.

Pick had a big night for the 7-6 Blue Devils. She had a career-high 16 kills and hit .317 for the contest. She also added three ace serves and three blocks, sharing team honors with Boyer and Anderson, respectively.

Armstrong added nine kills, Anderson had eight and Hammer put down seven in the win. Avery had 16 assists and O'Reilly added 15. On defense, Armstrong had two blocks. Niemann had a team-high 21 digs, while Armstrong added 17, Hammer had 10 and Boyer had seven.

Wayne was at Arlington for a triangular Tuesday and hosts Stanton on Thursday. They play in a triangular at Pierce on Tuesday, Oct. 3.

Koby Ellis makes a leaping grab of a pass from Brandon Watters during Winside's 44-14 loss to Randolph on Friday.

Cardinals too much for Winside in 44-14 loss

WINSIDE — Winside couldn't slow down Randolph early in the game as the visiting Cardinals came away with a 44-14 win in the district opener for both teams Friday at Winch Memorial Field.

The Cardinals' special teams broke the ice early in the game when Carter Schnoor returned a punt 40 yards for the game's first score. Randolph would score again before Winside got on the board with a 14-yard pass from Brandon Watters to William Bullard to make it 14-6.

Randolph scored later in the first period, then scored two more touchdowns to take a 36-6 halftime advantage. Both teams scored in the second

half, with Winside getting its final score on a four-yard run by Colton Jensen.

Watters was 6-for-11 passing for 101 yards and a touchdown, while Jensen was 1-of-3 for three yards. Koby Ellis caught four balls for 81 yards and Bullard added two catches for 23 yards.

In the rushing department, Jensen was the leading rusher with four carries for 15 yards, while Matthew Frederick had six yards on four carries and Ellis had three yards on two tries.

Defensively, Watters led the team with 10 tackles while Jensen and Michael Jensen each had 8.5 stops. Jon Escalante had 6.5 tackles in

his first action of the season after recovering from a knee injury. Ellis had five tackles.

Winside, 2-2, hosts Emerson-Hubbard on Friday.

Wildcats net first conference win of season

The Wayne State women's soccer team bounced back from a tough road loss to get their first NSIC win of the season Sunday.

Winona State peppered the Wayne State goal with 16 shots on goal and found the net twice in each half to post a 4-0 win over the Wildcats Friday in Winona, Minn.

The Warriors scored goals in the 21st and 33rd minutes to take the 2-0 halftime advantage. They added another goal 13 minutes into the second half and capped the scoring nine minutes later to seal the shutout.

The Warriors held a 24-16 edge

in shots over Wayne State including 16-10 in shots on goal. Winona State had a 7-2 advantage in corner kicks and were called for eight fouls compared to five for Wayne State.

Shelby Bullard had three shots with two on goal to lead the Wildcats while Rylie Wehner added three shots with one on goal. Carleigh Wilson followed with two shots and one on goal. Rachel Grisham was credited with a season-high 12 saves while allowing four goals in the loss.

On Sunday, three different Wildcats found the back of the net as Wayne State defeated Upper Iowa

3-2 at the WSC Soccer Pitch for their first conference win of the season.

Upper Iowa was first to score, getting their opening goal midway through the first half, but Wayne State would tie it up six minutes later when Christina Stasi scored on a cross from Lauren Fleming to make it 1-1 at intermission.

Early in the second half, Bullard made it a 2-1 game when she scored on a pass from Lauren Fleming. Upper Iowa would bounce back in the 63rd minute to tie the match at 2-2 on a header by Jordyn Ostrowski.

Wayne State got the game winner

in the closing minutes thanks to Sophie Ketchmark, whose first goal off an assist by Wehner proved to be the game-winner for Wayne State, who outshot the Peacocks 19-15 in the contest.

Grisham had five saves in goal for the Wildcats, who improve to 2-3-3 overall and 1-2-2 in NSIC play with the win.

The Wildcats will be on the road Friday visiting MSU Moorhead in a 3 p.m. contest., followed by a trip to Northern State on Sunday at 1 p.m.

Wildcats lose double-overtime thriller at home

A 27-yard field goal by Dan Branger in the second overtime gave Minnesota Duluth a come-from-behind 34-31 double-overtime win over Wayne State in action Saturday at Bob Cunningham Field.

The Wildcats got out to a quick 14-0 lead in the first quarter, marching 80 yards on the opening drive and finishing with a six-yard touchdown pass from Zach Osborn to Nate Rogers. After a Duluth turnover, Rashad Trimble scored on a four-yard run to make it 14-0 less than seven minutes into the game.

Duluth bounced back, getting a late first-quarter field goal and scoring two touchdowns to lead 17-14 with :32 to go in the first half. But Wayne State would answer quickly, going 47 yards in three plays and taking a 21-17 halftime lead when Osborn and Rogers connected on a 30-yard pass in the final seconds of the first half.

The game went back and forth after that. Duluth took a 24-21 lead early in the fourth quarter, but Wayne State answered with Trimble's second touchdown, a seven-yard run that was set up by a Glenn Harris interception, to make it 28-24.

Duluth again scored with 3:04 to go to lead 31-28, but the Wildcats drove down the field and were inside the Duluth 10-yard line in the closing seconds, settling on a 20-yard field goal by Ethan Knudson to tie it at 31-31 and send the game to overtime.

Wayne State had a chance to win the game in the first overtime. DeWayne Scott picked off a pass on Duluth's first possession and Osborn found Shymere Williams with an 18-yard pass to put the ball at the Duluth 2-yard line. Wayne State went for the game-winning field goal on second down, but Knudson's kick was blocked by Duluth to send the game to a second overtime.

In the second extra period, Osborn was intercepted to give Duluth the ball with a chance to win. They got inside the Wayne State 10-yard line

and Branger's 27-yard field goal gave the visitors the win. Osborn was 28-of-46 for 380 yards with two touchdowns and two interceptions for the Wildcats. Layne Sullivan had a career-best 14 catches for 151 yards, while Rogers added 95 yards on six catches and two scores, giving him 21 for his career and putting him in fourth place on the school's all-time list of touchdown receptions. Trimble ran 20 times for 58 yards to lead the Wayne State ground game. Defensively, Ian Ailts had eight tackles and Scott added seven along

with two fumble recoveries and an interception.

The Wildcats (2-2) open South Division play at Augustana next Saturday with kickoff set for 1 p.m. in Sioux Falls, S.D.

Bears pass their way to 74-0 blowout win

Quarterback Izac Reifenrath threw for five touchdown passes and the Laurel-Concord-Coleridge silenced visiting Niobrara/Verdigre's offense as the Bears got their first win of the season in a 74-0 blowout Friday at Haskell Field.

Four of Reifenrath's five aerial strikes came as part of a 52-point first half that saw the Bears post their highest point total in recent memory.

The Bears got on the board when Reifenrath found Cael Hartung on a 13-yard connection to open the game, then followed with a 20-yard pass to Kobe Heitman and a six-yard score to Noah Schutte to make it 22-0 after one period.

LCC kept it going in the second period with four more scores. Heitman had touchdown runs of 68 and 32 yards around a 43-yard Reifenrath-to-Schutte score, and Schutte did it on defense as well with a 55-yard pick-six that made it 52-0 at the half.

LCC continued its offensive assault in the second half. Reifenrath threw his fifth touchdown pass on a 27-yard connection with Noah Stone. Austin Brandt followed with a one-yard run and Justin Kinkaid added a 47-yard gallop in the final period to help LCC improve to 1-3 on the season.

LCC had two rushers go over 100 yards for the night. Heitman had 116 yards on just four carries with a pair of scores, while Brandt

had 110 yards on 17 tries with a score. Kinkaid rushed once for a 47-yard touchdown and Reifenrath had 34 yards on seven carries.

Reifenrath was 7-of-11 for 120 yards and five scores as the Bears racked up 451 yards in total offense. Schutte caught two balls for 49 yards and two scores, Stone had a 27-yard touchdown reception, Heitman's lone catch was for 20 yards and a score and Hartung caught a 13-yard touchdown pass. Dylan Reimers had two receptions for 11 yards.

Defensively, the Bears held Niobrara/Verdigre to 119 yards in total offense. Stone led the team with 10 tackles. Zach Dietrich had eight and Reifenrath, Brandt, Wyatt Taylor and Cutter Haberman each had six.

LCC plays at Plainview on Friday.

Trojans pound Plainview, improve to 4-0

Wakefield's ground game proved to be too much for Plainview, as the Trojans improved to 4-0 with a 58-12 win over the Pirates Friday at Eaton Field.

"(It was) Easily our most balanced performance of the year," coach Mike Hassler said. "We've been looking for a complete four-quarter game out of the boys and that's the closest we've been yet this year. Outside of a couple special teams hiccups in the first half, I thought we took care of business on both sides of the ball."

The Trojans made their presence felt early on as Esgar Godinez scored on a 21-yard run and Noah Lamprecht followed on an eight yard plunge to make it 14-0.

Plainview returned the ensuing kickoff for a touchdown, but it was all Trojans after that. Godinez scored one more time on the ground and caught a 29-yard pass from Solomon Peitz. Peitz called his own number on a 65-yard sprint and later returned a fumble for a score, and Lamprecht added two more touchdowns in the second half to finish the night with three scores.

"This was our toughest test yet," Hassler said of the Trojans' effort on offense. "Plainview had some good size up front and some very athletic linebackers and defensive backs. We did a good job of sticking to our game plan and we were able to wear them down over four quarters. Plainview was gambling a lot early with blitzes and we knew if we stayed patient we'd eventually hit them for some big plays. This was definitely our most balanced attack of the season."

Aside from the kickoff return and a long pass play in the third quarter, Wakefield's defense played a solid game as well.

"Hands down our best defensive performance of the year," Hassler said. "I thought the guys did a good job of being assignment sound and sticking to the game plan. Plainview struggled to get anything going. Anytime you can hold an eight-man team under 200 yards of total offense you give yourself a good chance of winning. We still have some things we need to get cleaned up, but we are steadily improving week to week."

Wakefield had a balanced ground attack against Plainview. Peitz led the team with 94 yards on eight carries, Godinez added 92 yards on nine carries and Lamprecht had 57 yards on 12 tries. Dylan Harder also had 23 yards on nine carries and Clay Christensen had 12 yards on three tries.

Peitz was 4-of-7 for 50 yards in the passing department, with Godinez catching two balls for 37 yards and Lamprecht and Gabe Peitz each getting a reception.

Defensively, Lamprecht, Israel Gardea and Julio Sanchez each had 12 total tackles while Harder added 11. Godinez and Peitz both picked off passes. Wakefield gets a much-needed week off this week as they prepare for a key district matchup against highly-ranked Creighton, who comes in with an undefeated mark.

"I think our bye week comes at a good time, as we definitely have some bumps and bruises we need to get healed up," Hassler said. "Creighton is the game we wanted to get to with an undefeated record. The district title will be on the line and we'll need to

play our best game of the year. Creighton is just as good as ever. Year in and year out they are the team you measure yourself against. We need to improve in our technique, conditioning, and clean up some mental things offensively, defensively, and on special teams. The boys are excited for this opportunity, they've worked real hard since last spring to put themselves in this position. They'll be ready to roll next week."

Sisters to compete in national pageant

Skylar and Sierra Mutchler, daughters of Alexis and David Messinger of Wayne and Doug and Deb Mutchler of Havelock, Iowa, have earned the opportunity to compete at the National American Miss Pageant to be held in Anaheim, Calif. during Thanksgiving weekend.

Sierra earned the opportunity to attend Nationals through her successfully scored events — first runner-up for the Queens title and Top Model Search Winner, along with many other Top 5 awards in the Pre-Teen Division.

Sierra is a seventh grader at Wayne Junior High School. Her activities include volleyball, dance and volunteer service through Furbaby Rescue and Haven House.

Skylar earned the opportunity to attend Nationals through her successfully scored events — Top Model Search Winner, along with Top 10 Finalist in Queens title, and

Sierra Mutchler

other Top 5 awards in the Junior Teen Division.

Skylar is a sophomore at Wayne

Skylar Mutchler

High School. Her activities include volleyball, track and volunteer service through Furbaby Rescue and

the Miss Amazing pageant. The National American Miss Pageants are for "Today's Girl" and "Tomorrow's Leader." The pageant program is based on inner beauty, as well as poise, presentation, and offers an "All American Spirit" fun for family and friends.

Emphasis is placed on the importance of gaining self-confidence, learning new skills, learning good attitudes about competition and setting and achieving personal goals.

The pageant seeks to recognize the accomplishments of each girl while encouraging her to set goals for the future. Each year, NAM Pageants award \$1.5 million in cash, scholarships and prizes to recognize and assist the development of young women nationwide.

A good time to remember those who gave us the right to protest

A friend sent a You Tube that came around last year at this time, about the basketball coach at Virginia Tech teaching his team about respecting the flag and the national anthem.

You can find it by searching with those words.

In light of the fuss about it, I think it's time to hear again John McCain's story about the pledge of allegiance in the Hanoi Hilton. This is word for word from his book.

We need to remember that many people have died for the rights of those who wish to protest.

John McCain's remarks about the pledge of allegiance:

"As you may know, I spent five and one half years as a prisoner of war during the Vietnam War. In the early years of our imprisonment, the NVA kept us in solitary confinement or two or three to a cell. In 1971 the North Vietnamese Army moved us from these conditions of isolation into large rooms with as many as 30 to 40 men to a room.

"This was, as you can imagine, a wonderful change and was a direct result of the efforts of

The Farmer's Wife By: Pat Meierhenry

millions of Americans on behalf of a few hundred POWs 10,000 miles from home. One of the men moved into my room was a young man named Mike Christian. Mike came from a small town near Selma, Alabama. He didn't wear a pair of shoes until he was 13 years old. At 17, he enlisted in the US Navy. He later earned a commission by going to Officer

Training School. Then he became a Naval Flight Officer and was shot down and captured in 1967. Mike had a keen and deep appreciation of the opportunities this country and our military provide for people who want to work and want to succeed.

"As part of the change in treatment, the Vietnamese allowed some prisoners to receive packages from home. In some of these packages were handkerchiefs, scarves and other items of clothing. Mike got himself a bamboo needle. Over a period of a couple of months, he created an American flag and sewed it on the inside of his shirt. Every afternoon, before we had a bowl of soup, we would hang Mike's shirt on the wall of the cell and say the Pledge of Allegiance.

"I know the Pledge of Allegiance may not seem the most important part of our day now, but I can assure you that in that stark cell it was indeed the most important and meaningful event. One day, the Vietnamese searched our cell, as they did periodically, and discovered Mike's shirt with the flag sewn inside, and removed it. "That evening they returned,

opened the door of the cell, and for the benefit of all of us, beat Mike Christian severely for the next couple of hours. Then, they opened the door of the cell and threw him in. We cleaned him up as well as we could.

"The cell in which we lived had a concrete slab in the middle on which we slept. Four naked light bulbs hung in each corner of the room. As I said, we tried to clean up Mike as well as we could. After the excitement died down, I looked in the corner of the room, and sitting there beneath that dim light bulb with a piece of red cloth, another shirt, and his bamboo needle, was my friend, Mike Christian. He was sitting there with his eyes almost shut from the beating he had just received, making another American flag. He was not making the flag because it made Mike Christian feel better. He was making that flag because he knew how important it was to us to be able to pledge our allegiance to our flag and country. Remember Mike Christian the next time you repeat the pledge of allegiance."

Agricultural education teachers receive awards

The Nebraska Farm Bureau Foundation is working to keep agricultural educators in Nebraska classrooms by awarding 16 Nebraska agricultural education teachers \$14,750 toward their student loans.

The 16 recipients of the scholarships include Evey Choat of Laurel-Concord-Coleridge School.

"All 16 teachers show a continued commitment to teaching agriculture in Nebraska," said Megahn Schafer, executive director of the Nebraska Farm Bureau Foundation. "We're very proud to be a part of supporting those who have a strong passion to teach agriculture, and we're seeing that payoff as the number of schools that offer agriculture education and FFA here in Nebraska continues to grow," she continued.

Recipients are all agricultural education teachers in their first through fifth year of teaching. Teachers are eligible for increasing awards each year. As the teachers' impact grows in the classroom, in their FFA chapters, and in their communities each year, the Nebraska Farm Bureau Foundation aims to recognize and support their contributions.

The mission of the Nebraska Farm Bureau Foundation is to engage youth, educators, and the general public to promote an understanding of the vital importance of agriculture in the lives of all Nebraskans. The Nebraska Farm Bureau Foundation is a 501(c)(3) nonprofit. For more information about the Nebraska Farm Bureau Foundation, visit www.nefbfoundation.org.

Fall lawn care advice offered

Many people ask how long do you continue mowing into the fall. The answer is fairly obvious, and that is to keep mowing as long as the grass continues to grow, which is normally into late October in our area.

Frequency of mowing may decrease, but continue to mow regularly into the fall. More importantly, avoid the urge to set the mower height down and scalp your lawn for the final mowing.

Agronomically, mowing your lawn low should be avoided because photosynthesis is occurring deep into the fall, well beyond your last mowing.

The higher the photosynthesis, the more energy a grass plant will store for winter and next spring, and the healthier the will be next year. Mowing off too much leaf area reduces photosynthetic capacity of a plant, reducing energy storage, and decreasing turf performance

next summer.

Continue mowing at your regular height until the grass stops growing

in the late fall, since unmowed tall grass can encourage snow mold in rare years.

Almost all cool-season lawns require and respond really well to fall fertilization as well as broadleaf weed control, and many slightly thinned lawns can be improved during this time.

September to early October is the most important time to encourage rooting for next year and increasing density this fall, and we still have time to do it. In our area fertilizing can take place at any time at a rate of 1.0 lb nitrogen per 1000 square ft of lawn.

I fertilized this last weekend and after this rain, it's going to look pretty nice for a while. Follow the directions on the label. You can even apply another application in mid-late October if your lawn was especially thin. However, this last application can increase the chance

of snow mold if we have a high snowfall year.

An application from late-September to mid-October of a broadleaf herbicide with two or more active ingredients (such as 2,4 D and dicamba) will control most common weeds like dandelions, plantain, and black medic, among others.

This is actually the best time to control broadleaves as they are trying to store energy to the root systems and you will kill most of them instead of just stunt them like you do in the spring.

Apply the herbicide preferably on a sunny day when no rain is forecast and temperatures are above 50 degrees.

For more recommendations on specific weeds, and more fall lawn care tips, refer to the herbicide ratings and other articles on the web page at turf.unl.edu.

RC&D hears from Nucor Steel Environmental Division

Roy Srymanske and Mary May Aschoff of Nucor Steel's Environmental Division, Norfolk, presented information to the Northeast Nebraska Resource Conservation & Development (RC&D) Council at their recent meeting. Nucor uses electricity to melt steel and they are the largest user of electricity in the state of Nebraska.

They are also the largest recycler of scrap metal in North America which comes to them from five or six states.

Nucor takes pride in their environmental leadership through their presence, regulatory compliance, involvement in the local community, and their dedication of always striving to find ways to improve how they care for the environment.

The regular order of business included a report on the recent Household Hazardous

Waste and Electronic Waste events. Citizens brought in 2.9 tons of a variety of hazardous waste and approximately 4.5 tons of obsolete electronics.

One hundred and fifteen households from around the region were served with these events. Partial funding was provided from the Nebraska Environmental Trust, host communities, Cedar County, the Ponca Tribe of Nebraska and the Northeast Nebraska RC&D.

The Passport to Heritage Program had a much better following this year than last. Eleven museums were included and there were three cash prize winners, one of whom visited all of the participating museums.

Plainview's Farmers Market will continue into October, perhaps even close to the end of the month.

It's being held each Wednesday from 9 a.m. to 12:30 p.m. at the RC&D office parking lot. Turnout has been good and shoppers are enjoying having access to fresh vegetables and homemade baked goods.

The History & Heritage Tour of Knox County was held last week and the evaluations from the day indicate that these types of educational events are really enjoyable and should continue. Many good suggestions were made for other sites to include in the next one.

The RC&D Council looks forward to continuing service to citizens through projects that will make life better for people in Antelope, Cedar, Dixon, Knox, Pierce, and Wayne counties.

Opinion

Welcome to my world

By Mike Renning
mikesportshome@yahoo.com

Welcome to Mike's Mic in this publication.

Kevin and I sat down with our attorneys and fashioned a lucrative deal for this column to run in this space until the day I expire... or he expires. The race is on.

Actually, I saw Kevin at the Wayne State volleyball game the other night and we struck the deal in the hallway at Rice Auditorium, right by the bathroom.

Don't expect the Wayne Herald to increase its sticker price or subscription rate over this deal, but enjoy the added value of the Wayne Herald with me aboard?

As it states above, my name is Mike Renning and I live in Emerson - yes Emerson, Nebraska.

Kevin has allowed me the luxury of talking about the Huskers, if they ever do anything significant again. If I do talk about those guys, you would find that in the "Sports" section of this wonderful gathering of education.

If you want to know the dirt on Trump, Hillary or any other blah, blah, blah... don't look here.

My number one fan, my Mother, says she likes to read my scribbles right before she goes to bed - so she goes to bed with nothing on her mind.

This space will be filled with life. Mostly my life, but my life isn't any different than anyone else's life except I may have a little different angle about what is going on.

You will hear tales about the Darling Wife. I call my wife Michelle the Darling Wife and I capitalize it for a reason - she's earned it.

She has raised five children - present company included.

You will hear about our four children, Michala, Mikenzie, Max and Mason - who are all productive members of society.

You will get to meet our wonderful granddaughters, Lily and Sophia, who are my new reason to hang around on this planet.

Every now and again, you may read about my neighbor, "Sonny" who is actually, Mark Casey. I call him "Sonny" to save him any embarrassment in this space.

"Sonny" and I get together and we morph into teenagers at times...well, a lot of times. BUT, I will tell you, Mark, I mean "Sonny" and I have a lot of fun.

Like the time we were burning this CRP ground and I literally fell into the fire. Like the time we locked ourselves out of the pickup at the farm and his wife, Nancy, who I call Nancy because that is her name; had to come and retrieve us with another set of keys.

Or the time I put on a shock-collar to see what it felt like.

You may hear about the Darling Wife's dogs. Jake, her beagle and Yippee, her long-haired miniature dachshund.

Yippee has spent a lot of time in Wayne at the Wayne Veterinary Clinic - mostly because he's short and fat.

Thank goodness, Dr. Z and the crew fixed the little...er, poop or I would have never heard the end of it.

Yippee pooped in my shoe on more than one occasion because he was unhappy about something I did or didn't do earlier in the day. Jake is scared of his own shadow, my shadow and your shadow - and he doesn't even know you.

Yippee and Jake's only salvation is the granddaughters love them and they love the granddaughters back.

Jake has been "dressed up" like a princess, a jack-o-lantern, the Grinch, a Husker fan, a patient (for "Doc McStuffins"), a horse and many things to make a normal beagle blush.

Every time the little darlings leave, he's whining around the house looking for them.

The girls don't do that to Yippee because as Lily says;

"He's (Yippee) a wuss." (Wonder where she heard that?)

Okay, as you will understand, at times, I get off the task at hand.

I scribble this from the cuff and that is exactly what you'll get when you find this mess in your paper.

You'll also find me in the Norfolk Daily News writing sports, but Kevin has subjected you to taking up this space in your paper.

I hope we'll become friends and you will see me around Wayne America.

Just remember to read this column before you go to bed - you'll sleep like a baby.

But you know, all the babies I have known don't sleep very long... certainly not all night.

Capitol View

There's that public safety banner again

By J.L. SCHMIDT
Statehouse Correspondent
The Nebraska Press Association

There's a tradition that a state flag waves high above the second-floor balcony outside the state Capitol's west side when the Legislature is in session.

This coming session you can also look for the banner of public safety being hung out by elected officials, especially when the Legislature's Judiciary Committee is in session or lawmakers are discussing bills from that committee.

While not literal, it's a figurative favorite of those who claim that changes to the prison system or the laws used to send people there compromise public safety. Take recent testimony before a Judiciary Committee interim study of mandatory minimum sentencing. Prosecutors say they don't want the law changed. Supporters of change say it could help the state address prison overcrowding.

The change supporters say they want judges to be able to sentence an offender based on individual circumstances of both the criminal and the crime rather than following a prescribed sentence.

The chief criminal prosecutor of the Nebraska Attorney General's Office told the committee that modification of mandatory minimum sentences compromises public safety and potentially promotes disrespect for the law. Governor Pete Ricketts and Attorney General Doug Peterson are also quick to wave the public safety flag in discussing various criminal justice measures.

Ricketts said that a recent lawsuit filed by the American Civil Liberties Union to deal with prison overcrowding was a threat to public safety.

So, just what is public safety? Black's Law and a variety of sources say it refers "to the welfare and protection of the general public. It is usually expressed as a governmental responsibility. The primary goal ... is prevention and protection of the public from dangers affecting safety such as crimes or disasters."

Help me understand something here. How does sentencing a

convicted drunken driver to prison instead of treatment impact public safety? In some cases it takes an otherwise productive citizen out of the workforce, causes them to lose a job and face a life of substandard employment following release because of a felony conviction.

Here's the one that really gets me. Let's lock up somebody who is behind on child support payments. That will allow them to have meager prison wages garnished and work the aforementioned substandard job on release. That will get the payments made, eh?

How ridiculous is it to keep filling a prison system that is now the second-most-crowded prison system in the United States. Alabama is Number One.

In his annual report, Inspector General for Corrections Doug Koebernick says Nebraska's prison population has reached 162 percent of design capacity overall. Seven of 10 Nebraska prisons individually

stretch beyond that mark with one at 294 percent of capacity.

As for disrespecting the law, Omaha Senator Ernie Chambers has said mandatory minimums do not protect the public or deter crimes. Those who commit crimes don't know what the penalty is, and they don't plan or expect to get caught.

Mandatory minimum sentencing laws require a minimum prison term of a particular length. With such laws, judges have no discretion to go lower than the minimum sentence and probation is not an option. In Nebraska, an inmate serving a mandatory minimum sentence will not earn or receive good time credit for his or her behavior while serving the mandatory sentence. Read that, continued prison overcrowding.

Change supporters suggest judges be given the option of not imposing the mandatory minimum if there are certain mitigating fac-

tors. Officials say that 19 percent of the 5,295 people currently in prison are serving mandatory minimum sentences and 84 percent of them were previously convicted of a felony while 69 percent were previously in prison. Does that speak to the value of mandatory minimums or is the recidivism rate indicative of other problems?

Lincoln Senator. Patty Pansing Brooks said we're all fighting for the safety of our communities. But now we're quibbling about whether we trust the judges and want to go forward and give them the authority to set the standards, or whether we want to just mandatorily say every case is the same.

Painting with a broad brush never works, unless you're painting a barn.

Digging deep

Just a thought...

by Calyn Dunklau

He spent two years digging deep, finding out what he wanted to do in life before leaving a six-figure sales job to build furniture that he had no idea how to make, no shop to make it in, nor tools to make it with.

But he did it anyway. He didn't met each day, he tackled it. He focused on just what was in front of him, found a way to make it happen and moved on to the next thing.

I spend a good portion of my day worrying. Worrying about very real things and also about very far-fetched scenarios that in all likelihood will never occur.

But I worry over them anyway. And I know I'm not the only one who worries. Worries about paying bills, unexpected car troubles, sick kiddos, spouse on the road for work, making it that meeting on time, shaking the right hands, being involved in the most I can... the list goes on.

But since those words fell into my lap, I've been thinking on them a lot.

And it seems like I may have some digging of my own to do.

This week I attended a conference for young professionals in Nebraska. Our keynote speaker was none other than Clint Harp with Harp Design Co.

Some of you may be wondering who in the world Clint Harp is, some already know and some of you don't care.

Clint Harp is the official miracle wood-worker employed often by Chip and Joanna Gaines of the HGTV hit series "Fixer Upper."

Clint takes hunks of discarded lumber and turns them into stunning furniture pieces using a few tools and lot of elbow grease.

He told us of his rocky start as a furniture maker, from the beginning where he met his wife Kelly to now, as they've launched their own brand, offer their own line of home goods, including the farmhouse tables we all know and love, and are starring in their own television series "Wood Work" on the DIY Network.

You didn't really need to know all that to appreciate Clint. (Seriously, just look up Harp Design Co farmhouse tables on Google.) But something he shared on the stage of the Rocco Theater in Lincoln resonated with me on many

levels. He said "do what it takes to handle what's in front of you. Don't worry about tomorrow, or even an hour from now. Do what's in front of you to the best of your abilities and move on."

Now those words kind of sat with me as he continued to speak and I couldn't help but think that maybe I was the one that needed to hear that.

I'm exceptionally good at making plans. Planning to make plans. I don't do spontaneous. I do research. Schedules. Itineraries. I don't do what's in front of me. I plan how to do what's months away. I plan how to do what's years away.

AKSARBEN Stock Show provides opportunities for growth

For over 100 years, 4-H clubs have been developing youth leaders in agriculture. One in three Heartland youth participate in 4-H, and the AKSARBEN Foundation has served as a key supporter for 4-H for 90 consecutive years since hosting the first annual 4-H livestock show in 1928.

Today, AKSARBEN Foundation hosts one of the largest 4-H Stock

Shows in the nation, drawing over 1,000 4-H exhibitors. The National Livestock Judging and Quiz Bowl competitions draw an additional 700 participants from across the nation. The event culminates with the Purple Ribbon Auction where more than \$250,000 is raised annually to fund 4-H Scholarships and awards, which further open the doors of opportunity to the next generation of leaders.

The AKSARBEN Stock Show is a regional show open to 4-H members from Colorado, Illinois, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota and Wyoming.

Because each state operates with different requirements and

- **Concord-Dixon Senior Center Celebrating 30 Years!**
- **OPEN HOUSE Saturday, Sept. 30 1:30 - 3:30 PM**
- **Coffee & Refreshments**
- **205 Lincoln, Concord**

deadlines for 4-H projects, the AKSARBEN Stock Show abides by the same rules for an exhibitor's project as those set up by each individual State 4-H Office. The AKSARBEN Foundation staff has an excellent working relationship with the County Extension offices in the eligible participating states.

The AKSARBEN Stock Show's mission is "producing an annual community celebration of the region's heritage which educates and benefits families."

In 2017-2018, the AKSARBEN

Stock Show's vision is to:

- Conduct a World-class 4-H livestock exposition.
- Educate youth on Production Agriculture and Agriculture STEM - Science, Technology, Engineering and Mathematics.
- Expose High School and College students to Careers in Agriculture.
- Raise \$250,000+ annually to fund AKSARBEN Purple Ribbon Scholarships and Ag Leader Scholarships, awarding up to one hundred Ag Scholarships each year.

From Great To Grand: AKSARBEN has a new partnership with the Grand Island Livestock Complex Authority and relocation of the AKSARBEN Stock Show to Grand Island (Fonner Park/Nebraska State Fairgrounds). Grand Impact For Students And Sponsors

State Fairgrounds lead to more Agricultural education, events and engagement.

• Greater efficiencies result in more of your sponsorship dollars benefiting youth through scholarships, education and job exploration.

• Brand Presence & Market Outreach: Increased brand awareness and impact in communities across our state.

• Demonstrated interest by the Knights of AKSARBEN to favorably impact Greater Nebraska. Growing the bonds between Grand Island/Tri-Cities/Central Nebraska leadership and AKSARBEN leadership is priceless.

This year's AKSARBEN Stock Show was held at the Nebraska State Fair Grounds, Fonner Park in Grand Island. The 2017 AKSARBEN Horse Show was held

September 23 - 24. The market goats, market broilers, swine, sheep, dairy, and beef portion of AKSARBEN will be Sept. 28 - Oct. 1.

We all strive to be a 'fully devoted follower of Jesus'

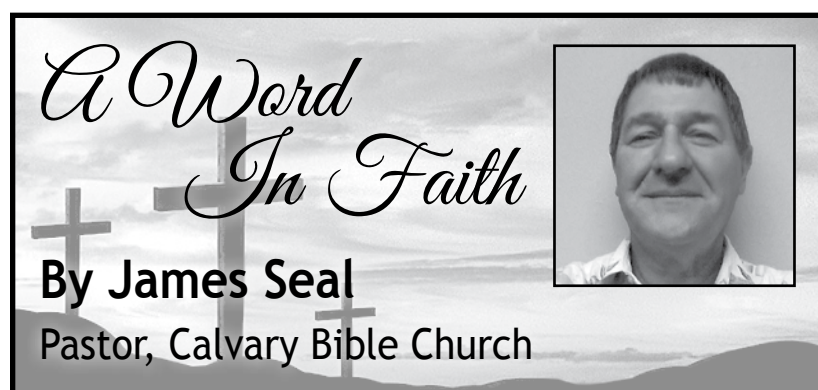

Christianity is undergoing much criticism in our country today. There are plenty of people who seem to hate what Christians believe and stand for. In addition, there are many different views and teachings about what we should believe and how we should live.

Therefore, it is very important that those who claim to know Jesus Christ live a life that reflects who Jesus is and what he taught. It may seem obvious but true biblical Christianity is focused on Jesus Christ. Those who truly want to follow him must follow his call for discipleship.

In Luke 9:23-24 Jesus said to his disciples, "If anyone would come after me, he must deny himself and take up his cross daily and follow me. For whoever wants to save his life will lose it, but whoever loses this life for me will save it."

Jesus is calling for his disciples to devote their lives completely to him. So what does it mean to be a fully devoted follower of Jesus?

First, a fully devoted follower loves Jesus completely and is not ashamed of his name or his message. He is not worried about offending someone by mentioning his Lord's name. He is more concerned with what Jesus thinks than what others think. He is not worried about being cool or accepted by so-

ciety. He only wants to love and serve His Lord with all his heart.

Second, the fully devoted follower daily commits his life to Jesus because he knows He understands his need and his shortcomings. It is a complete and total surrender to be used by Jesus. He knows that his life can only have true meaning when it is lived in devotion to his Lord. He does not change the way he acts based upon who he is with. There is a consistency to his life because of his commitment.

Third, this person finds his hope, significance and assurance in Jesus Christ and in Jesus Christ alone. He knows that Jesus has redeemed him and Jesus holds him fast. Many people are searching for hope. Everyone is on a search for meaning and significance in life. But

few have any assurance of their life after death. Jesus Christ offers hope, significance, and assurance for those who trust in his finished work on the cross and his glorious resurrection.

Fourth, the fully devoted follower lives and walks in the power of the Holy Spirit trusting that Jesus will live through him. He abides in Jesus and lets Jesus produce the fruit through the living water of the Holy Spirit. There is no need for a Christian veneer which hides a person's true nature. The devoted follower is confident in Jesus and the Holy Spirit living in and through him. Good works flow out of this relationship. This is not a lifeless religion or a system of legalisms but it is a loving relationship with the Lord of the universe.

Fifth, the fully devoted follower is always learning and growing and will never let himself think that he has arrived spiritually or theologically. He knows that this life is a continual process of spiritual maturity and he is committed to the process. He is always searching the Scriptures and allows his beliefs to be challenged. He wants to know the truth and to allow the truth to change him from the inside out.

Finally, the fully devoted follower is honest about his sins, confesses them regularly to Jesus, and completely accepts Jesus' forgiveness on the basis of His death, shed blood, and resurrection. He knows that there is a need for cleansing as part of his daily life. Because he is secure in Jesus, he does not need to engage in the criticism and condemnation of other Christians but continues to focus on his own personal relationship with his Savior. He is willing to help his fellow believer who may be struggling with sin in an attitude of grace and forgiveness.

Admittedly this is a very tall order. Many may think that such a life cannot be achieved. However, Jesus promised to never leave or forsake those who are his disciples. It is only by Jesus' strength and presence that we can live up to this kind of life. But it is possible.

First Trinity of Altona women gather in Wisner

First Trinity Lutheran Missionary League of Altona met Sept. 21 at the Wisner Care Center. The Rev. Tim Booth began with prayer and gave the lesson "The God We Worship."

Darlene Bowers presided at the business meeting. The LWML Pledge was recited by all as the mite box offering was taken. Minutes of the previous meeting were read and approved, as was the treasurer's report.

The group will sponsor a drive for the Orphan Grain Train from now through Christmas. Everyone is encouraged to bring items such as new or gently used clothing, school kits, health kits, etc. and place these on the table in

the east room of the school. More information on Orphan Grain Train will be posted on the church bulletin board.

A drive for the Wayne Food Pantry is also being conducted. Members are asked to bring non-perishable food items to the bench in front of the stage in the school.

Items are also being collected for the Campus Ministry at Wayne State College. All paper products, including paper towels, toilet tissue, plates and styrofoam cups may be placed on another table in the east room of the school.

All are encouraged to attend the LWML Fall Rally at Trinity Lutheran in Martinsburg

on Tuesday, Oct. 17, beginning at 9 a.m. The speaker will be the Rev. Carl Lilienkamp, telling of the Alaskan ministry he did this past summer. Ingathering will be monetary donations to the Alaskan ministry.

The Table Prayer "Feed Thy Children, God Most Holy," was sung by all and the meeting closed with all praying the Lord's Prayer.

Hostess was Darlene Bowers. All members were present, as well as Pastor Tim Booth, and guests Verona Koehlmoo and Lois Schmidt.

The next meeting will be held in November at the Wisner Care Center.

ACME Club begins 133rd year with recent meeting

On Sept. 18, the women of ACME Club reorganized for their 133rd year of existence with seven members present.

ACME Club will continue to study our national parks.

Betty Wittig offered a quote from Erma Bombeck, "My theory on housework is, if the item doesn't multiply, smell, catch fire, or block the refrigerator door, let it be. No one else cares. Why should you?"

Delores Utecht's daughter, Jennifer, prepared the club's booklets for the year.

Business was conducted by this year's new slate of officers: President Bonnadell Koch; Vice-president Betty Wittig; and Secretary-Treasurer Virginia Backstrom.

Birthdays were acknowledged from last month and this month and included Joanne Temme and Betty Wittig in August and Delores Utecht whose birthday was Sept. 20.

Treats were served by Pat Straight and Joanne Temme. A game of "doodles" followed the meeting and was supplied by Delores, who stated that she had received this from a lady where she boarded while teaching school in Idaho many years ago.

Next meeting will be Monday, Oct. 2 following lunch at the Senior Center.

(Contributed photo) Members of the ACME Club include (front) Joanne Temme, Delores Utecht and Bonnadell Koch. (back) Ruth Victor, Betty Wittig, Virginia Backstrom and Pat Straight.

Center Circle Club members gathered for monthly meeting recently

Carol Jorgensen hosted the Sept. 21 Center Circle Club with nine members and three guests, DeLana Marotz, Katie Bleich and Norma Brockmoller, present.

Carol Jorgensen called the meeting to order and secretary Claire Brogren took roll call, "What was your favorite school song or memory?" She also read the minutes of the last meeting.

Treasurer Georgia Janssen gave her report. Club books were handed out and dues collected.

The group voted to retain all officers and executive committee indefinitely. Helen Holtgrew became an inactive club member. Members also voted to have the annual Christmas party in January instead of December and no meeting in December.

The Birthday song was sung to Rose Janke and Betty Andersen. Thirteen Point Pitch was played with prizes going to Katie Bleich, Rose Janke, Betty Andersen and the guests. The next meeting will be Wednesday, Oct. 18 at Claire Brogren's home. Roll call will be "Tell about your biggest 'goof'".

WHAT TO DO IF YOU GET THE FLU

Mark Patefield, RPh

I'm guessing that the flu isn't on your top-10 wish list, right? But just in case you get sick this flu season, here's a list of 10 things you can do to help ease your symptoms—and to stop the flu in its tracks and protect others.

1. Stock up. A few supplies may make it a bit easier to manage the flu. It's best to have these on hand before you get sick. Otherwise, send a healthy member of your family out on an errand, if you can.

- Acetaminophen, ibuprofen, or naproxen for reducing fevers and easing aches
- A thermometer
- Cough syrup or cough drops
- Saline nose drops or sprays
- Drinks such as fruit juices or tea (avoid caffeine)
- Easy-to-eat foods such as clear soups, crackers, or applesauce^{1,2}

2. Stay home! The first day you have symptoms, you may be tempted to venture out to work or school. Please don't! Not only do you need the rest, but this is also when you're most contagious.¹ Try to nap—and read or binge-watch your favorite television episodes.

3. Prevent the spread. In addition to staying home, wash your hands often and cover your cough and sneeze into your sleeve.²

4. Drink fluids, breathe steam. This is a great way to thin your mucus, making it easier to cough up. This may help prevent a lung infection. Using a humidifier (a cool mist) or breathing in steam from a hot shower may also help ease congestion.¹

5. Calm your cough. It can be exhausting, I know. Try over-the-counter (OTC) cough medicines—an expectorant helps thin mucus. Do not give a child under age 4 any type of cough medicine. Sucking on lozenges may also help your cough or scratchy throat.¹

6. Ease nose woes. You—or your kids—can try saline nose drops or sprays to ease nasal congestion. First, put a few drops into one nostril. Then gently blow the mucus and saline out. Repeat on the other side.¹

7. Treat other symptoms. Sure, a fever—along with chills and aches—is a sign your body is fighting off the virus. But that doesn't mean you need to suffer in silence. Ask me if you have any questions about which fever reducer to take. But don't forget: Never give aspirin to someone younger than 19—it can lead to a serious illness.¹

8. Ask about antivirals. Your health care provider may advise you to take one. If you do this within 48 hours of when symptoms begin, you have a fighting chance of reducing their impact.^{1,2}

9. Know when to seek medical help. If you or a loved one has any of these symptoms, call the doctor: •Dark urine; •Dizziness; •Fever of 100 degrees F for 3 or more days; •Returning fever or sore throat after feeling better

More serious symptoms require immediate medical care: •Wheezing or shortness of breath; •Coughing up blood; •Chest pain or pressure; •Balance problems or confusion³

10. Talk to me! And of course it goes without saying: If you need guidance about any products—or any questions whatsoever—let me know, and I'll try to steer you in the right direction

Nothing herein constitutes medical advice, diagnosis or treatment, or is a substitute for professional advice. You should always seek the advice of your physician or other medical professional if you have questions or concerns about a medical condition.

We apologize if we missed your name or business. In addition to those listed, there are many volunteers who give of their time and talents to the 4-H program. Thank you for supporting the Nebraska Extension 4-H Youth Development Program in Wayne County.

THANK YOU

Thank you to Wakefield Rescue and Nebraska State Patrol for responding to the call. To Dixon County Sheriff's officers Tom Decker and Donavon Bjorklund, thank you specifically for all your help and support over the last few years. A special thanks to Larry and Theresa Soderberg for your compassion and care that went above and beyond. Great appreciation to Mark Meyer for getting my mom to me so promptly. Thank you to the Maintenance Crew at Michael Foods for the support, phone calls and expressions of sympathy. We are also grateful to the managers and employees of Michael Foods for all of their support. Thank you Scott Salmon, Jeff Sherer and Matt Conley for phone calls, text messages and for simply caring so much. Sara Birkley, your genuine words of empathy and support have meant so much. For letting me talk, thank you more than anything, Jason Slama.

To friends and neighbors, thank you for all the expressions of concern and kindness with your donations and memorials. Thank you Pastor Linnea Ek for your openness and letting our grief be freely expressed. Thank you for the meaningful service as well. The ladies of the Covenant Church were so gracious in providing lunch after the service and we are grateful. Thank you Steve Munderloh for taking care of the arrangements.

We simply cannot express to all how much everything means to us. We appreciate your continued prayers and support.
Brian Lamb, Mary Ann Hanson, Janice Lamb and families

Wayne Community Schools and the Wayne Community Schools Foundation would like to say THANK YOU for your support of this year's Gift-a-Thon and Gift-a-Thon Blitz Night!

Through your donations, we raised \$20,480.52 that will support our students through their clubs, activities, and programs!! We truly appreciate your generosity. Thank you!

Learning for Life

"If you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you."
~ Matthew 17:20

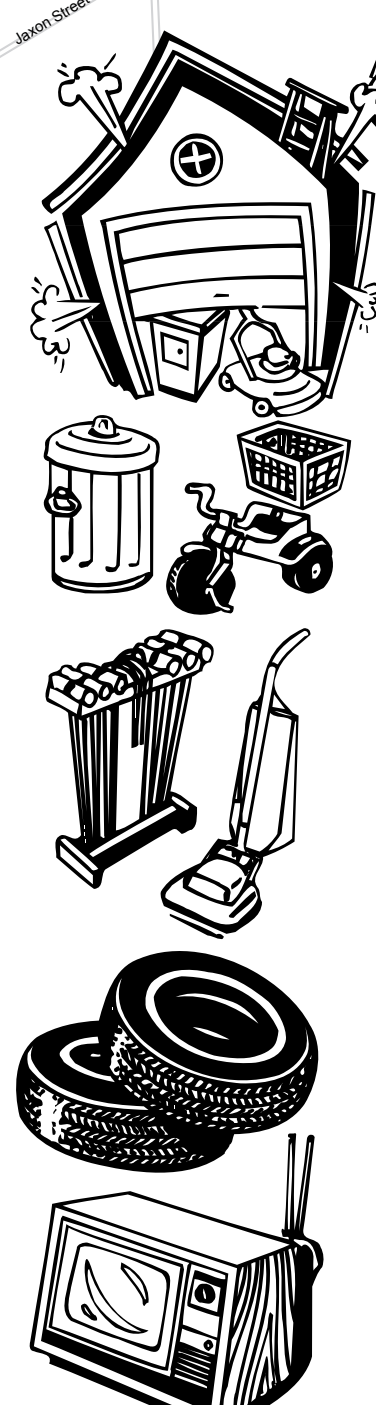

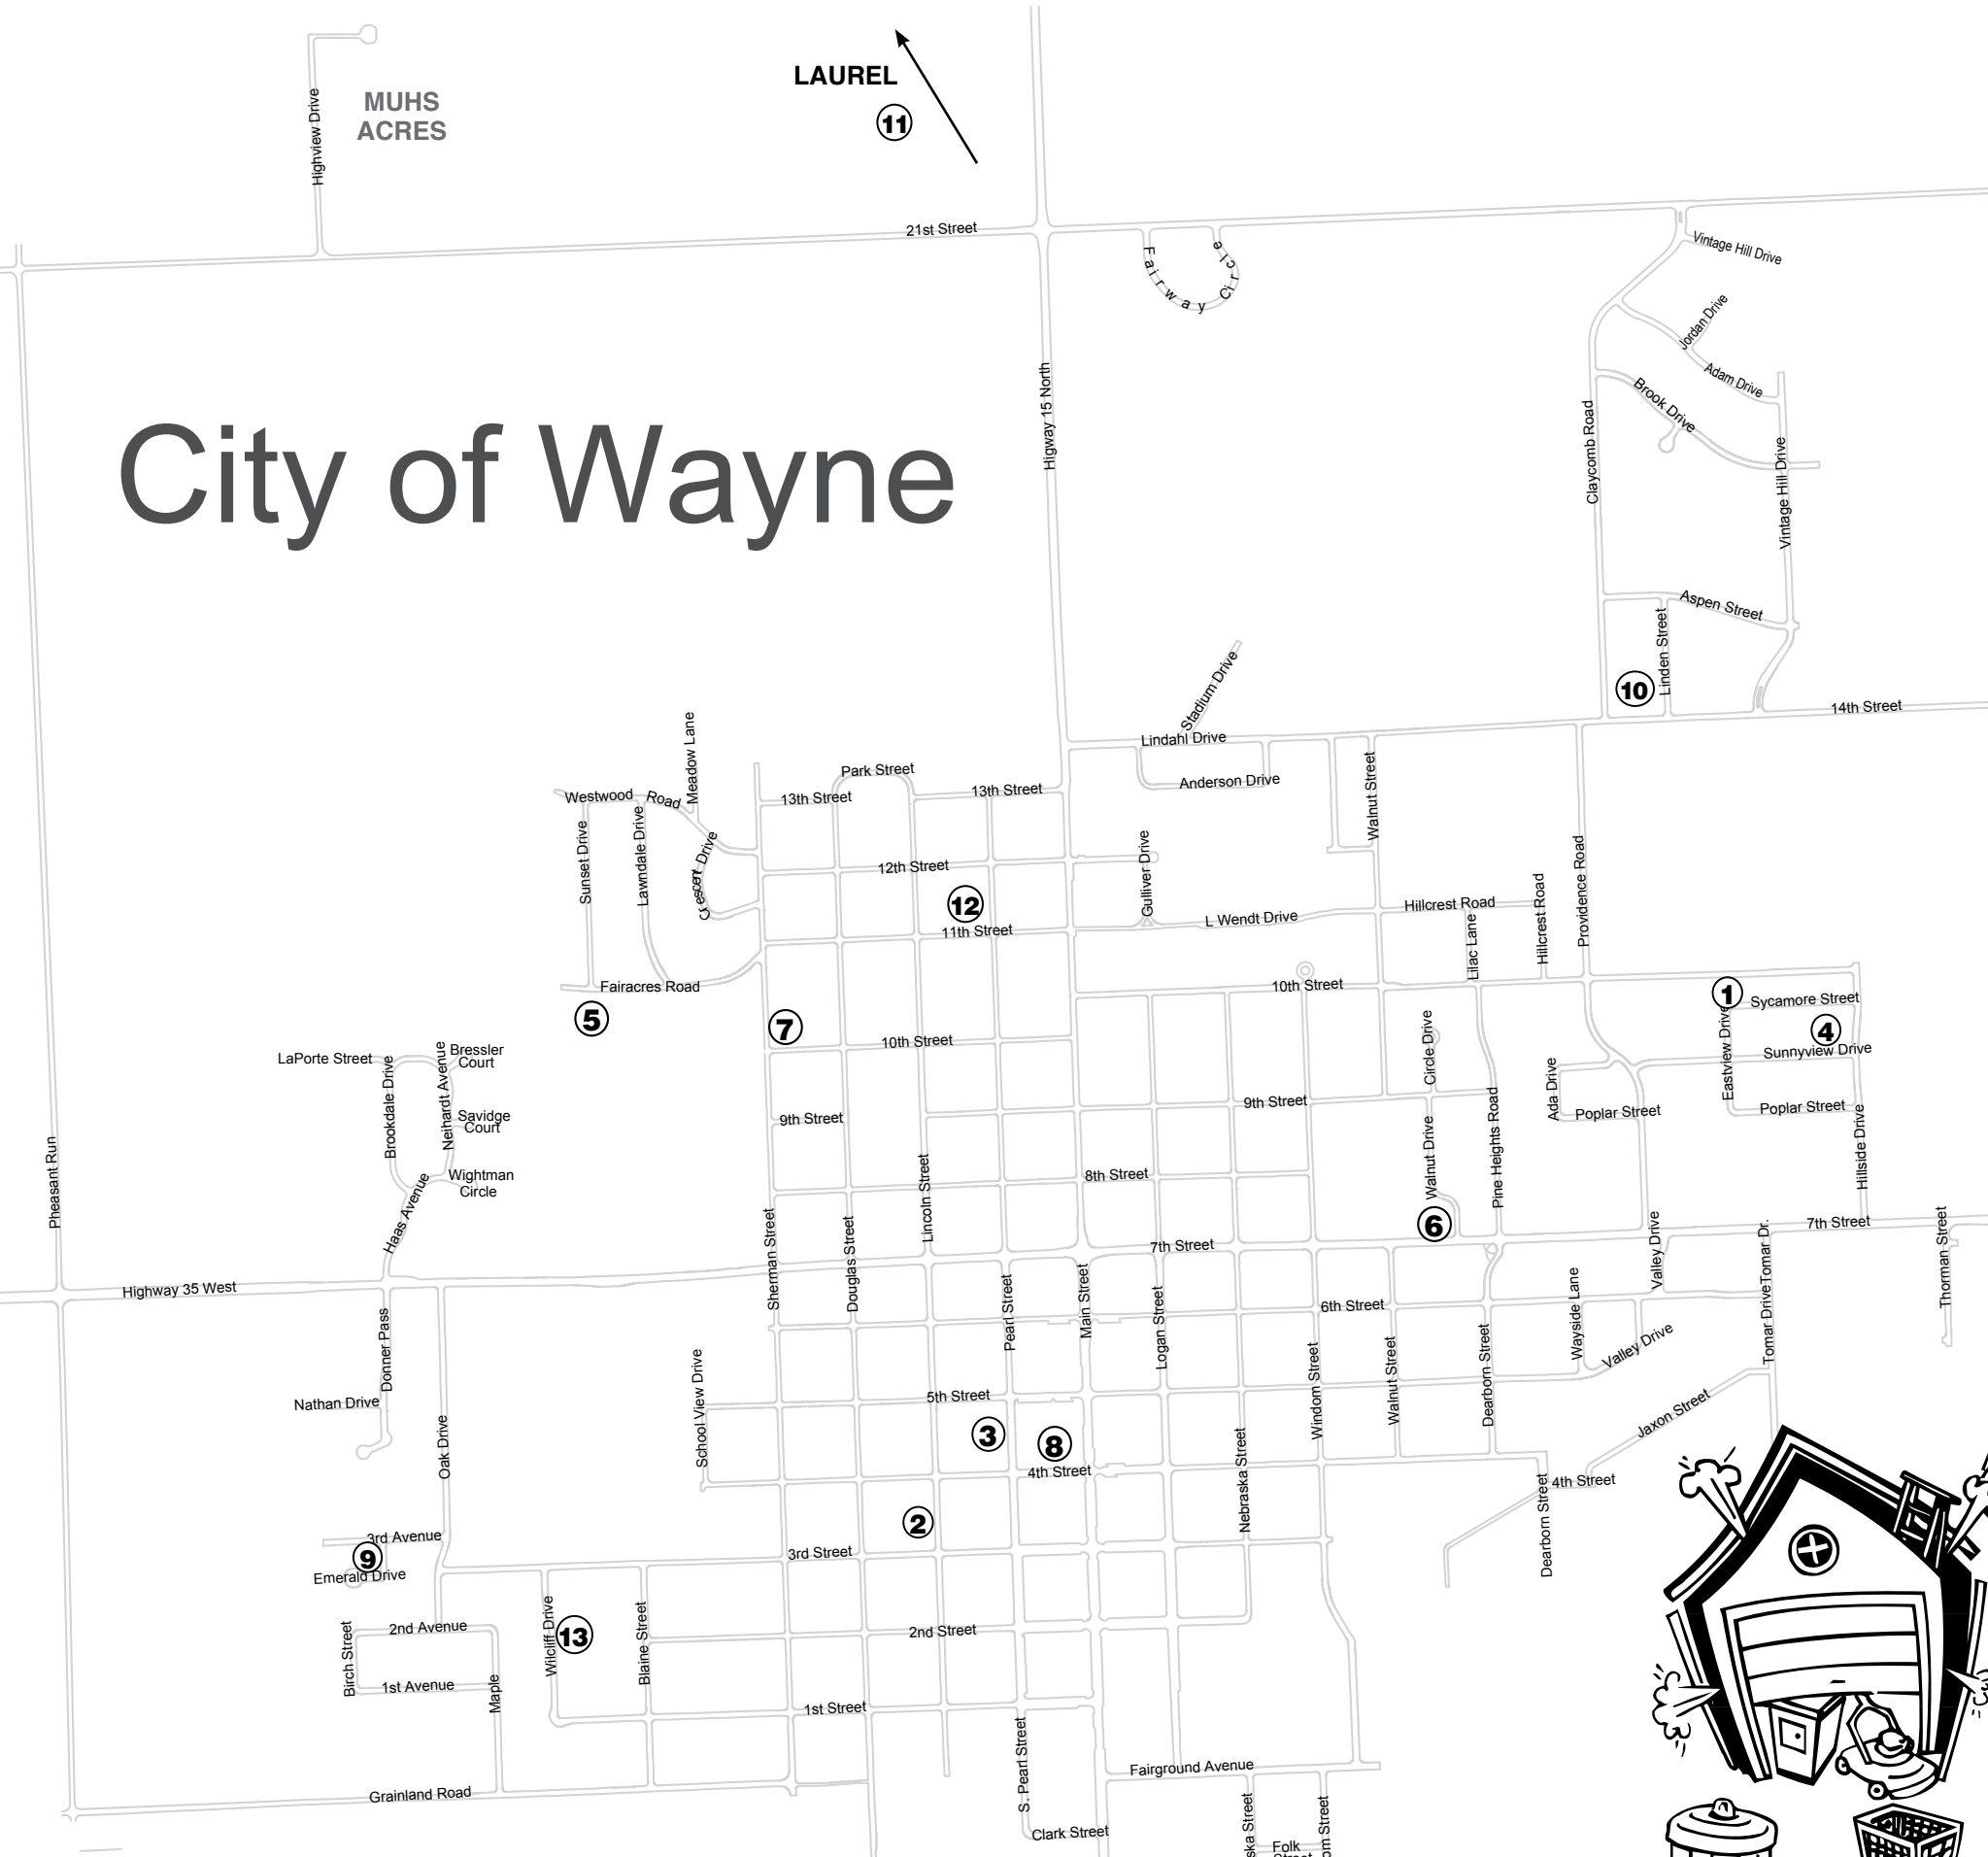

So far nothing has been impossible for our Liz! We want to extend our greatest appreciation to everyone who has supported us through this very difficult time. Those people include: Our wonderful United Methodist Church family that has kept a prayer chain going for Liz, along with a meal train, and our Pastor Kyle who has come to visit us as well; all of Liz's co-workers at PMC who have helped raise money and donated their time to her; BankFirst for the generosity and help in setting up a special account for donations; Michael Foods employees who have helped support me when I needed to be with my wife and family; the Wellness Center Chicken Run and the donation of money raised through it; our niece Rachel Backman for setting up a t-shirt fundraiser; my alumni class of 1992; Kelly's cHair for all of her help and support; to my sister Krissy for setting up a GoFundMe account to help with expenses; Neighbor Helping Neighbors Westwood Addition; to my friends and family (you know who you are) thank you for helping with our kids, my lawn, basically anything we have needed. The love and support of our family, friends, and community has been overwhelming. Liz is getting a little better every day. We are praying that some day she will be able to come home so our family can be whole again. Please keep the prayers going up!
John, Liz, Whitney and Marcus Hadcock
