Two vehicle accident claims life of Laurel man

The Wayne County Sheriff's Office investigated a traffic fatality at the intersection of 577 Ave and 849 Road on Friday evening, Sept. 29.

A pickup and a semi truck collided, which caused both vehicles to enter the ditch on the southwest corner of the intersection. The semi truck came to rest on top of

the pickup.

The driver of the pick-up, 50 year old James 'Gary' Bottger of Laurel, was killed in the accident.

The Wayne County Sheriff's Office was assisted at the scene by the Wayne Fire Department, Providence Medical Center, and the Nebraska State Patrol. The collision remains under investigation.

Youth Mentor Hunt set for Oct. 15 at Ike's Lake

Logan Creek Chapter of Pheasants Forever's 18th annual Youth Mentor Hunt will be held Sunday, Oct. 15 at the Izaak Walton Lake northwest of Wayne.

The day's activities start at 11:30 a.m. with a hot dog lunch being served.

Pre-registration is required for youth ages 11-15 who have successfully completed a Nebraska Game and Parks Hunter Safety Course.

"We encourage all youth who meet the requirements to register to participate, even if they have participated in the past. We especially encourage those who have not had an opportunity to participate in previous hunts to sign up for this year's hunt. This year's hunt will be limited 16 youth," said Tim Reinhardt, one of the organizers of this year's hunt.

The day's activities will get started at 12:30 p.m. and should be wrapped up by 5 p.m. with numerous activities during the afternoon, including the opportunity to participate in a live hunt.

Darin Greunke with the Sharpshooters 4-H Club will also be on hand to give the youth a chance at some long range air rifle shooting.

Each youth taking part in the event will receive a hunting vest - which is provided by Nebraska Game and Parks and Pheasants Forever - a blaze orange hat, and will be entered in a drawing to win a shotgun which will be given away at the chapter's banquet next March.

The youth who attend the banquet will also have the opportunity to win a Nebraska lifetime hunting permit.

"Pheasants Forever mentored pheasant hunts are the ideal way to introduce kids and teens to hunting, as experienced volunteer hunters from Pheasants Forever coach youth on the importance of firearm safety, wildlife habitat and hunting technique," Reinhardt said.

Along with the need for youth to participate, there is also a need for adult volunteers to serve as mentors for the youth. It takes about four adults for each youth and the organization is always in need of volunteers for this event.

"This is a great opportunity for the kids and adults to learn some things and have some fun in the great outdoors. These kids are the next generation of sportsmen and we would like to teach them the importance of firearm safety and also the importance of wildlife habitat," Reinhardt added.

For more information or to sign up or to volunteer to help with the hunt, contact Reinhardt at (402) 518-0597 and check out the chapter's facebook page-Logan Creek Pheasants Forever Chapter #303.

31 units collected in recent blood drive

The LifeServe Blood Center held a blood drive in Wayne on Sept. 28.

A total of 27 donors registered and 31 life-saving units of blood were donated.

"Thank you to everyone that came out to help boost the blood supply! The units donated at the blood drive can help save up to 93 lives," said Rachel Fernandez, Life-Service Blood Center Territory Representative.

There were several milestone donors,

which are listed below:

Cameron Lauver of Pierce - two gallons;
Dale Hansen of Wakefield - two gallons;
Lucus Gubbels of Wayne - three gallons.
Special thanks were extended to Dennis Lipp and the Wayne Fire Department for sponsoring and hosting the blood drive.

The next blood drive in Wayne will be Thursday, Oct. 26 from 9 a.m. - 2:30 p.m. at the Wayne Fire Hall.

Jen Claussen expanded her business recently to include a second location for men's wear only. The business name is a nod to the Swan-McLean Clothing for Boys and Men that once graced Main Street a few store fronts to the north.

Room for options in new men's clothing store on Main Street

By Calyn Dunklau
calyn@wayneherald.com

When Jen Claussen put men's clothing out on the floor at Swans this spring, it was a welcomed relief to many in town - no more running to Norfolk for a pair of black pants prior to a high school choir concert and no more fast trips to Sioux City for last minute family picture outfits.

In the days of Swan's Clothing, the building was split down the middle - men's fashion on one side and women's on the other. And just like in those days, it was obvious that splitting the store wasn't enough.

"It (men's clothing) started April of this year," Claussen said. "And it became very clear quickly more was needed."

When Swan's Clothing expanded to a second building in 1953, women's fashions stayed at the original location but was renamed Swan's Apparel for Women while the men's clothing moved across the street and to the north a few store fronts at 218 Main Street.

That storefront wasn't available, but Claussen still managed to nab a historic building on Main Street, perhaps with an even better location than that of the original - directly across the street of the current business.

Al Swan and Robert McLean established the men's clothier in 1953 and thus the store was named Swan-McLean Clothing for Men and Boys. As a nod to the history with the store, Claussen aptly named her new venture Swans for Men.

The new business will be located at 204 Main Street. The building, once home to Mines Jewelry, still holds its historical charm with hardwood floors, original tin ceilings and the jewelry safe that can be seen the moment the front door opens.

"We're assuming the safe is original to the building because

there is a beam running through that you can see in the basement ceiling to support it."

The building required quite a bit of clearing out and cleaning as well as some construction. Walls were added for a fitting room and small office area and old display cases were removed and plaster was repaired.

In addition to that list, Claussen added the construction of several pieces of furniture to it. Not only did she get to design exactly what she was looking for, she also was ensuring the quality.

"All of the front counter, back counter and our shelving is hand-crafted by my husband Chad and his father," Claussen said. "They're all one of a kind pieces."

Claussen said she looked at cigar lounges and Irish pubs for inspiration in numerous ways, from the paint color to the decor to the logo.

"We found a bunch of cigar boxes while we were cleaning things out. Which is great because we will use them for displays."

Not only will those be used, but Claussen said there are pieces of the building's history as Mine's Jewelry and the former Swan-McLean clothing store that will be used in decorating the space.

"I have an old Mine's Jewelry bag that we framed and someone had an old gift-certificate from the Swan-McLean store someone found tucked in a trunk that we're displaying too."

The new location for men's clothing will continue to carry the necessities Claussen had on hand at Swans Apparel as well as more.

"I said from the beginning this space was perfect. It's not too much that it would be overwhelming, but we have room to give options."

Liquor license approved, sign purchase tabled at Council

By Clara Osten
clara@wayneherald.com

Those desiring an alcohol-infused ice cream drink will be able to do so following action at Tuesday's meeting of the Wayne City Council.

Following a public hearing and council debate, a Class C Liquor license was granted to Jerrae and David Braun, owners of Udder Delights.

Jerrae told the council the business would serve the drinks onsite only and "we don't want to be a liquor store or bar."

Council members questioned taking the drinks outdoors to the fire pit area and noted that the city does not have specific regulations on the height of a barrier around area.

Police Chief Marlen Chinn said that because the drinks will be considered a confection, they will need to be served in labeled containers.

Council members listened to a presentation and accepted a facsimile check from the Wayne Area Association of Retired School Personnel.

Alice Johnson, Lee Larsen and Pat Jenkins-Rohde were on hand to discuss the value of the volunteer efforts of the 19 members of the group, whose average age is 84 years.

In the past year the group has contributed 3,378 hours of volunteer work in the community with a value of \$81,544.92.

During Tuesday's meeting, council members also approved the appointment of Michelle Harder as Finance Director for the city of Wayne, effective Nov. 1.

Wayne Mayor Ken Chamberlain said that there was a "strong list of candidates for the position and Michelle stood out among

these candidates."

Harder will replace long-time Finance Director Nancy Braden, who is retiring at the end of the year.

Council members tabled action on accepting a bid for the purchase of an LED message center sign for the Community Activity Center.

Recreation Director Bryce Meyer presented information to the council on the bids he received from several companies. Each was offering the city something slightly different in regard to the sign and council members felt they needed more specific information before being able to award a bid.

The item will be brought back to the council at a future meeting.

Approval was given for two resolutions which will allow the city clerk to certify mowing costs on two pieces of property within the city and have these charges become a lien against the property.

Ordinance 2017-32 received first reading approval. It involves an amendment to the power purchase agreement between the city and Cottonwood Wind Project, LLC. Slight changes were made to the original agreement to reflect the percentage of power the city is purchasing in comparison to the amount being purchased by Northeast Power.

A request to build two park benches north of the main entrance to the Wayne Public Library was tabled.

Nolan Kruse, a member of the Wayne Boy Scout troop, was unable to be present at the meeting. He is planning to construct the benches with city bricks as part of his Eagle Scout project. Council members felt they needed to ask questions of Kruse before granting approval.

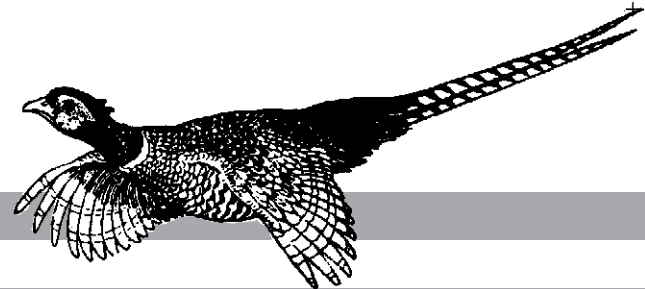

The Wayne City Council will next meet in regular session on Tuesday, Oct. 17 at 5:30 p.m. in council chambers.

Mayor Ken Chamberlain (third from left) accepts a facsimile check representing the value of volunteer work from (left) Lee Larsen, Pat Jenkins-Rohde and Alice Johnson. The women are members of Wayne Area Association of Retired School Personnel.

Obituaries

James 'Gary' Bottger

James "Gary" Bottger, 50 of rural Laurel, died Friday, Sept. 29, 2017 following an accident near Wayne.

Memorial services will be held Monday, Oct. 9 at 11 a.m. at First United Methodist Church in Wayne with full military rites. The Reverend Kyle Nelson will officiate. Memorial visitation will be held Sunday, Oct. 8 from 4 to 6 p.m. at First United Methodist Church in Wayne with family present.

Burial will be held at a later date. Memorials may be made to the Bowfishing Mentor Program Nebraska Game and Parks Foundation, PO Box 36, Waverly, Neb. 68462-0036.

Arrangements are with Hasemann Funeral Home of Wayne. James Garrett (Gary) Bottger was born Oct. 15, 1966 in Lincoln, and spent most of his younger years in Ainsworth. He was baptized in the Congregational Church of Christ. Gary attended school in Ainsworth and graduated from Emerson-Hubbard High School in

1985. Following graduation, he enlisted in the Air Force on June 26, 1985 and was a Medical Administrative Specialist, stationed in places all over the world. Gary became a private civilian on Jan. 3, 1990 and moved to Sioux City, Iowa. He gained his knowledge of computer programming when he worked at Gateway and had his own computer business, Power Unlimited Consulting in Wayne. Gary was the IT Manager for R Way for 22 years. He was working at Great Dane in Quality Control at the time of his death. Gary married Bridget Boyle on Sept. 29, 1991 in Sioux City, Iowa. To this union one daughter, Jade Alyshia Bottger was born on Aug. 24, 1997. Jade was the apple of his eye and he spent hours sharing his love of the outdoors with her, patiently teaching her to call ducks. He was there for all her dance recitals, pageants and taped every Wildcat dance routine he could. Gary was very proud of Jade's academic accomplishments and so wanted to be there to watch her graduate as a Doctor of Veterinary Medicine. The marriage ended and when he met Lynn Schultz in April of 2013, she filled the lonely place in his heart. He was a role model for her younger daughter, Kristin, and he taught her daughter, Jennifer, to love hunting and fishing and his dogs. Gary was a most loving and giving man; he never met a person he didn't like. Everyone was his friend and he loved to swap hunting and fishing stories with anyone who had a tale to tell. He was most trustworthy and honest, except he might have exaggerated a bit on some of the hunting and fishing yarns he spun. Gary loved his country and honored all the things the United States flag stands for. Besides hunting and fishing, he loved the environment, working with wood, taking photographs of the world around him, gardening, canning, cooking, and sharing the food he prepared. His specialty was cooking gar into a most delicious meal. Gary gave back to the community, especially the youth. In the summer of 2014, he and four other Hunter Safety Instructors started The Nebraska Bowfish Mentor program which focuses on sharing a love and passion of the outdoors with those who have not had the opportunity to experience it in this way.

Survivors include his daughter, Jade Alyshia Bottger of Wayne; mother, Jeannia (Rod) Bressler of Laurel; father, Don Jennings of Grand Island; adopted father, Bob Bottger; sister, Michelle Carlson of Winside; adopted brother and sister, Barron Bottger of Wickenburg, Ariz. and Laura Musgrove; uncle, Bob Jennings (Delora) of Coeur d'Alene, Idaho; nephew, Justin Tullberg (Lauren); niece, Donya (Mat) Topp, and nephew, Brock Carlson; two great nephews and a great niece; special friend, Lynn Schultz, Jennifer, and Kristin Schultz, all of Wisner; two special hunting dogs, Hope and Dozer; and a host of really good friends.

He was preceded in death by his grandparents, Wally and Mary Jo Curtis and Bob and Beulah Jennings; adopted grandparents Emil and Helen Bottger; Mark Nyberg; uncle Mike Jennings; and mentor, Cecil Hahn who taught him to love fishing and how to fillet a fish like a pro.

Honorary pallbearers will be Justin Tullberg, Troy Hartman, Brian Hansen, Brock Carlson, Eric Frasch and Tom Ford.

Winside Museum to hold fundraiser

The Winside Theophilus Church Museum, a branch of the Wayne County Historical Society, will be hosting a craft fair and a spaghetti dinner on Sunday Oct. 15 in the Winside Auditorium.

The spaghetti dinner will be served from 8 a.m. to 1:30 p.m. and the craft fair will go from 8 a.m. - 2 p.m.

Spaghetti with red meat sauce, lettuce salad, garlic bread and a dessert bar will be served for a suggested donation of \$8 per person or \$4 for children ages six and under.

A hand tied quilt has been donated by Virginia Holtgrew and will be available for a chance donation. Funds raised will be used for church and museum maintenance. Carry out dinners are available.

The Winside Theophilus Church Museum is also celebrating the 30th anniversary of its move into Winside from the country.

The church was located four miles east and one north of Winside. In 1987 the congregation of the country church had dwindled to a number that wasn't feasible to support the church. An offer was made to donate the church and its contents to the community of Winside.

A committee was formed that began fund raisers and received pledges to cover the cost of the moving expenses. The 90 year old building was lifted on a mover, and two tractors preceded the church to assist it up the hills, and two trucks in the back to help keep it from

going too fast down the hills. They successfully reached their destination on the west end of Main Street in the Winside Park on June 23, 1987.

The upstairs of the church remains as it was and has been

Marilyn Schwartz

Marilyn M. Schwartz, 77, of Pierce, died Thursday, Sept. 28, 2017 at her daughter's home in Norfolk.

Services were held Monday, Oct. 2, at the Zion Lutheran Church in Pierce. The Rev. Gordon Bruce and Vicar Jesse Baker officiated with burial in Green Garden Cemetery in rural Madison.

Arrangements were with Stonacek Memorial Chapel in Pierce.

Marilyn M. Schwartz, the daughter of Arnold and Hilda (Brummels) Warneke, was born Sept. 3, 1940 in rural Pierce. She was baptized on Sept. 15, 1940 and confirmed March 29, 1953, both at St. John's Lutheran Church in rural Pierce. She attended rural School District 80 for two years and St. John's Parochial School to the eighth grade before graduating from Pierce High School in 1957. After graduation, Marilyn worked at the Madison County Welfare office, Cones State Bank in Pierce, Delay First National Bank in Norfolk and Midwest Bank in Pierce. Marilyn retired in 2005 as head teller from Midwest Bank in Pierce. On June 20, 1970 she married Ervin Schwartz at Zion Lutheran Church in Pierce. She was a member of Zion Lutheran Church in Pierce, where she tallied offerings for the church and volunteered with the ladies aid. Marilyn enjoyed spending time with her family, traveling, reading and sports.

Survivors include her children, Marcia (Troy) Pospisil of Norfolk and Arnold Schwartz of North Las Vegas, Nev.; two grandchildren; a great-granddaughter; a sister, Mardell Schwartz of Madison; and a brother, Richard "Dick" Warneke of North Platte.

She was preceded in death by her parents, Arnold and Hilda Warneke; her spouse, Ervin Schwartz; two brothers-in-law; three sisters-in-law; and one niece.

Delta Vosteen

Delta (Meyer) Vosteen, 95, of Pender died Wednesday, Sept. 27, 2017 at Legacy Garden Rehabilitation and Living Center in Pender.

Services were held Saturday, Sept. 30 at St. Peter's Lutheran Church near Pender; Rev. Kathy Montira officiated. Burial was in the St. Peter's Lutheran Church Cemetery.

Memorials are suggested to St. Peter's Lutheran Church, the House Memorial Library and the Pender V.F.W.

Arrangements were with Munderloh — Smith Funeral Home in Pender.

Delta Doris Dortha Anna (Meyer) Vosteen was born March 26, 1922 to William and Edna (Lubberstedt) Meyer at Wakefield. She was baptized

April 16, 1922 and confirmed May 19, 1935 at Immanuel Lutheran Church northwest of Wakefield. Delta attended Immanuel Lutheran School and graduated from Wakefield High School in 1939. On Jan. 9, 1946 she married Alvin Vosteen at Immanuel Lutheran Church. To this union were born two daughters, Gail (Doug) Malchow and Mary (Gerald) Smith, all of Pender.

Alvin and Delta farmed west of Pender until February 1955, when they moved to their farm west of Thurston. On the farm, Delta raised chickens, sold eggs and had a large garden. Alvin and Delta loved dancing at Kings Ballroom and the Howells Ballroom. They also enjoyed Alvin's Army reunions. They went on many tours that allowed them to

travel to all 50 of the United States. In 1971 Delta and Alvin moved to their home on Slaughter Avenue in Pender. Delta worked at the House Memorial Library for 14 years. They cared for Delta's parents in their home, and Delta cared for Alvin during his battle with Alzheimer's. She enjoyed visiting with her cousins, attending her grandchildren's activities, and she always had cookies in the freezer. Delta was a member of St. Peter's Lutheran Church, where she taught Sunday School, Bible School and was a member of the WELCA.

Survivors include her daughters, Gail and Doug Malchow of Pender and Mary and Gerald Smith, also of Pender; nine grandchildren; 22 great-grandchildren; cousins, nieces and nephews.

She was preceded in death by her husband, Alvin in August of 2001; her parents, William and Edna Meyer; parents-in-law, Dick and Mary Vosteen; a brother, Myron Meyer and wife Pearl, sister-in-law, Helen Heineman and husband Harvey, and a brother-in-law, Walt Vosteen and wife Betty.

Eye screening

The Wayne Lions Club sponsored a Multiple Screening Unit at Wayne Elementary School recently. Among those assisting with the screening of kindergartens through fourth graders at the school were (left) Teresa Bartlett, Georgina Castaneda, Community Health Worker from Northeast NE Public Health Department (which also assisted the Lions Club with the vision screenings), Judy Stepp, Hilbert Johs and Allen Darrsell, Past Council Chair and multi-screening driver/operator/manager.

Members of WEB unveiled the new playground equipment complete with dozens of sports balls, hula hoops and jump ropes for students to utilize at recess.

Last week's Elementary School assembly held fun surprise

An assembly at Wayne Elementary School last week held a big surprise for the students - not only were the top Blue Devil Discount Card sellers and top fundraisers for the WEB Fun Run acknowledged, WEB presented the school with its most recent donation -- a load of playground toys and equipment to have fun with.

Combined, there are now 40 new footballs, soccer balls, volleyballs and four-square balls, 24 new hula hoops, 32 new jump ropes and numerous other toys available to students at recess. The new recess items and storage cart totaled \$1,300.

WEB was proud to announce that it had donated over \$15,000 in the forms of non-fiction books, back-to-school supplies to the teachers, sound system in the gym, the field trip during the solar eclipse and now the new recess equipment. That number will continue to climb thanks to the nearly \$5,700 raised by students during the Fun Run.

Several students were recognized for the hard work raising funds for the WEB Fun Run as well as for selling the largest number of discount cards for the Athletic Boosters. In addition to those acknowledgements, birthdays and Bucket-filler students (students who go above and beyond) were also recognized.

Elementary students also heard from their librarian, Mrs. Hansen, who informed students of this year's One School, One Book selection with a little help from a furry friend. All K-6 students at the elementary receive the book and will read it in their classrooms and at home.

The guidance counselor Mrs. Cliff also discussed a new competition between classes -- the perfect attendance race. For every day a class has perfect at-

Students had very strong reactions to WEB's donation. WEB was happy to announce it had donated over \$15,000 already this school year.

tendance, it moves forward on the racetrack. Once the class hits 15 days, it gets an extra recess. After hitting 30 days, a popcorn party is held. At the end of the year, the class with the most days of perfect attendance earns a pizza party. The competition kicks off in October.

Back In Touch celebrates 20

By Clara Osten
clara@wayneherald.com

When she first opened the doors of her new business, Back In Touch, Connie Hassler said it was "very scary... I had no clients."

Now, 20 years later Hassler said she has 'found her niche' and enjoys serving her clients, some who have been with her since she opened for business.

Back In Touch opened on Oct. 8, 1997 in the Mine-shaft Mall after Hassler completed 1,000 hours of training to earn a license in massage therapy.

Later the business moved to 114 West Third Street and in 2015 moved to its current location at 115 West Third Street.

Hassler worked on her own until 1999 when Shanna Rastede joined her. In 2010 Melodie Storm joined the group. Lisa Leseberg worked with Hassler for approximately five years. The newest member of the team is Heidi Ankeny, who has been part of the team since 2015.

"Since I first got into the business, massage therapy has gotten much less stigmatized. It is now very much mainstream and its benefits understood. Massage is so beneficial health-wise for relaxation and relief of discomfort," Hassler said.

"Massage therapy increases blood flow and helps the immune system," she said.

She said the majority of her clients are 50 years of age or older and in her personal experience, approximately 75 percent of her clients are women and 25 percent men.

After starting out with no clients, Hassler said her schedule is completely filled with standing appointments, most for clients coming in every two weeks.

According to Hassler, the majority of massage gets its foundation from Swedish massage. She said deep tissue massage is popular and massage therapists are 'very eclectic' and focus on "what does this client need today?"

Also available at Back In Touch are Chinese cupping and Vibrational Sound Massage using copper bowls.

Hassler notes that in Nebraska, massage therapy is strictly licensed. Massage therapists are required to pass state boards before becoming licensed and have 24 hours of continuing education every two years. In addition, the business establishment is inspected and re-licensed on a regular basis.

"I am very grateful to the people of Wayne and the surrounding communities for their support the last 20 years. After going through several jobs in my life, I have found a job I enjoy," Hassler said.

Headley named 'Reader of the Week' by Wayne Public Library

This week's Reader of the Week at the Wayne Public Library is Heather Headley. Headley began her duties this week as the new director of the library.

What is the last book you read? Sookie Stackhouse series by Charlaine Harris.

Outlander series by Diana Gabaldon.

I enjoy the convenience of Overdrive eBooks offered through the library, and usually have multiple books I'm reading at a time downloaded to my phone to enjoy while working out or at any moment of free time throughout my day.

Who is your favorite author?

Truthfully I have too many to name. My favorite author growing up was Tamora Pierce. Reading her series led me to explore the science fiction/fantasy genre where before I had mainly read contemporary or historical fiction.

Why do you read?

Reading has always been a part

of my life. I love to explore new worlds, ideas and feel that there is always something to learn or take away from a book.

Have you ever had to give up on a book?

I know I have, but couldn't tell you what the last one was. Sometimes you aren't in the mood for a storyline or characters.

Name a book that you would recommend and tell everyone why they should read it.

Too many options to list but would say --

Chris Crutcher's Deadline - this is a story about a high school senior who changes his life in reaction to news received at the beginning of the school year. Amazing to see the results of risks taken and impact they have on his community.

Dumas - Count of Monte Cristo - this has been a favorite book of mine since high school. A great classic that has a bit of everything: romance, drama, and mystery.

Cafeteria plan adopted in brief meeting by Commissioners

By Calyn Dunklau
calyn@wayneherald.com

The Wayne County Board of Commissioners met as the board of Equalization prior to its normal meeting to approve the tax rates for 2017-2018.

A significant portion of the entities lowered the tax request compared to 2016's rates.

The board voted unanimously to accept the tax rates.

During the short meeting of the commissioners, action was taken on adopting the Cash-In-Lieu option to group medical insurance.

The board voted unanimously to work with First Concord Benefits Group, LLC. A representative from First Concord will meet with county employees to explain how the plan works and to answer any questions they might have regarding the 'cafeteria plan.'

Highway Superintendent Mark Casey was on hand to give bridge and road updates.

The Carroll bridge is all but complete. The final walk-through will be scheduled as soon as possible to get the road back open for harvest traffic.

Casey informed the board he finished the bridge inspections for September, which means there won't be but one or two that are inspected in the following months.

He updated the board on the state's new requirements for bridge loads, including new signage. Casey said he expects a full packet of information from the state to arrive this month with details on the re-load-rating requirements for special haul vehicles so that the county could begin updating their signs.

The next meeting of the board of commissioners is Oct. 17 at 9 a.m.

Sports Nutrition class works with preschoolers

The Wayne High Sports Nutrition class recently visited the school's Early Learning Center to give nutrition lessons to the preschoolers.

Savannah Leseberg, Allyson Avery and Kelsey Hegge-meyer showed the children how to make oatmeal granola topped with dried cranberries. Trevor DeBoer, Jack Evtovich and Matt Navrkal gave a lesson on how much sugar is in various beverages. Bailee Leise, Sam Cary and Harlee Allen had a vegetable tasting activity. Halie Chinn and Destiny Bernal had a teaching station on Green Light foods. Sean Hochstein and Gage Chinn's station was Yellow Light Foods and Makenna Young and Kendra Holt showed examples of Red Light Foods.

"The high schoolers had one period in class to organize and prepare the lessons. The students had such a positive attitude and took responsibility in getting all the lesson materials ready for their mini lessons. It was great to see the ownership they took with the planning of the lessons," said instructor Karen Schardt. "We appreciate Gwen Friederes, head teacher, for asking us to come and work with her students."

Senior Halie Chinn had this to say about her experience, "It was so much fun to see the little kids. The three-year olds were so sweet and shy. The four-year olds were more talkative and contributed to the conversation."

Lady Bears send two to state, Wayne empty-handed

(Photo copyright Mikey C Productions)

Brooke Young chips on the green during C-3 district play Monday in Hartington. The LCC senior had the low round for the area girls, qualifying for her second trip to state with a 97, good for sixth place.

HARTINGTON — Two of LCC's girls golfers extended their season for one more match, while the Wayne High girls saw their season come to an end.

Golfers battled wet conditions and the occasional shower Monday afternoon in the C-3 district tournament at Hartington Country Club, and at the end of the day it was Lady Bear seniors Brooke Young and Nicole Hanson who found their way to a qualifying trip to next week's state golf tournament in North Platte.

The LCC senior duo led the Lady Bears to an eighth-place finish in the 13-team tournament and both finished in the top 10 to earn a trip to the Class C State Girls Golf Championships next week in North Platte.

"I'm so excited to have my two seniors go," LCC coach Christina Patefield said after the girls received their medals. "They played awesome and came on strong at the end of the season and I'm really proud of them."

Both Young and Hanson carded rounds of 50 on their first trip around the nine-hole course. Hanson matched her 50 on the second time through, but Young improved to a 47 to finish sixth, two spots ahead of her teammate.

While the Lady Bears got two individuals in, the Wayne High team was unable to get a qualifier in for state and finished ninth, six shots

behind LCC with a 478.

"To ask the girls to play their best golf in the circumstances today was a challenge, and I think maybe the girls pressed a little early and tried to do more than they wanted," coach Josh Johnson said. "They settled down and played well for a while, but eventually I think we struggled down the stretch. It was just a tough day in general."

Senior Megan Keiser battled through a round of 111 to lead the Blue Devil girls, while junior Hana Nelsen shot 119 and freshman Natalie Bentjen added a 121. Seniors Taylor French and Elizabeth Junck added rounds of 127 and 134, respectively.

For the Lady Bears' Young, this will be her second trip to state after qualifying as a sophomore in 2015. Hanson, meanwhile, will make her first trip to state, but has some experience to lean on with both her teammate and her coach.

"These seniors have been through it this season and know how to battle through, and it will be good to have Brooke's experience for Nicole to learn from," Patefield said. "I've been there as well, so we'll both be able to help Nicole at state."

For Johnson, he said it is a tough when a senior's season comes to an end, but he had nothing but good things to say about his team leaders, including Keiser, Junck, French and Kecia Schenk.

Girls take sixth, boys nab ninth at Aquinas invite

DAVID CITY — Wayne High brought home two medals from the Aquinas Invitational in their final race before the conference and post-season schedule begins.

Andrea Torres finished sixth and Gabi Meyer placed 14th in the girls race, leading the Blue Devils to a sixth-place finish in the 10-team race.

Also running for Wayne were Molly Hoskins (28th), Emily Chamberlain (39th) and Sarah Greenwald (42nd). In JV action, Andi Belt finished seventh and Madison Jenkins was 25th.

In boys varsity action, Christopher Woerdemann ran in 28th position and Brandon Wacker was 30th to help the Wayne boys place ninth out of 12 teams.

Also running for Wayne were Liam Spieker (59th), Treyton Blecke (60th), Cole Hobza (63rd) and Lance Muhs (67th). Stuart Hasemann was 96th in JV action.

Wayne runs in the Mid State Conference meet on Thursday in Norfolk, the final race before district action next week at O'Neill.

Mistakes cost Eagles

It was a night the Eagles wish they could have back.

Two turnovers inside their own 10-yard line and two drives that stalled inside the 15 were critical in allowing Randolph to win 46-22 in Allen on Friday.

The Cardinals were led on the evening by Alex Schmit, who carried over 30 times for approximately 220 yards. The bigger and stronger offensive line was the key to the success for the Cardinals.

The size factor also played part in the rushing game for the Eagles, as they could only pick up 111 yards via the ground on the evening, but did hit the air for 257, which kept the game close.

Schmit opened the scoring for Randolph in the first period with a pair of runs from 5 and 3 yards. The Cardinals led 14-0 after a period.

The Eagles responded on a 71-yard touchdown pass by Kyle Smith to Jacob Williams to close the lead to 14-6, but the Cardinals responded after an Eagle fumble at their own 9-yard line. It appeared on the play that the Eagles would break the play for a score, but instead dropped the hand-off. Randolph punched the turnover in to lead 22-6.

The Eagles responded with a long drive when Smith ran over from the one. Noah Carr added the PAT to cut the lead to 22-14 with only :24 left in the half, but Randolph immediately hit a big pass to the Eagle 1-yard line and called time out with :03 left in the half. Carter Schnoor got the final yard at the gun, to put the lead at 28-14 at intermission.

From that point on, the game was always just out of reach due to un-

timely turnovers or penalty. Randolph moved to 4-1 with the win and the Eagles drop to 3-2.

"We are so close to putting things together if the dropped passes, fumbles, and untimely missed assignments stop," coach Dave Uldrich said. "A handful of plays put us in a position we could not recover from. That is our agenda for the next week is to be error free or as close as possible."

Leading rusher for the Eagles was Smith with 64 yards on 20 carries. He also threw nine completions for 157 yards and a touchdown. Kobe Kumm, threw for 100 yards on three completions. Williams caught four passes for 153 yards and a touchdown, and Devin Twohig hauled in eight for 104 yards.

Defensively, Isaac Verzani led the Eagles with 14 stops. Carr and Blake McCorkindale added 13 and 11, respectfully.

Next up for the Eagles is Winside at Isom-Hill Field on Friday. Kickoff is at 4 p.m.

Mason Lee makes an acrobatic catch as Pierce's Dalton Freeman tries to defend the play during Friday's matchup at Pierce. The host Bluejays came back to beat Wayne, 50-34.

Wayne suffers first loss with 50-34 setback against Pierce

By MICHAEL CARNES
For The Herald

PIERCE — Wayne High's best start in 27 years took a stumble, thanks to a relentless Pierce rushing game.

The Bluejays countered Wayne's high-octane passing attack with a dominating ground game that racked up 482 rushing yards, propelling the upstart Bluejays to a 50-34 upset over previously-undefeated and top 10-ranked Wayne in a key district showdown Friday at Pierce High School.

The Bluejays wore down Wayne's front line in the second half with a powerful ground attack, led by Collin Tinker and Brett Tinker, who accounted for six of Pierce's seven scores in the game.

"Tonight we showed that we have a ways to go on defense and we have to get a lot better," coach Russ Plager said after the game. "They're a really physical football team and they showed that tonight and we struggled with it."

Pierce's ground game helped them answer an early Wayne offensive surge, and there was nothing Wayne could do to stop the Bluejay blitzkrieg down the stretch.

"Boy, we threw the kitchen sink at them," Plager said. "We had four, five and six-man lines and even a seven-man at the end and we just struggled to stop them."

The Blue Devils came ready to play in a rare late-afternoon kickoff and took the opening drive down the field for a score, with quarterback Beau Bowers leaping through two defenders for a four-yard run at the 7:38 mark of the first period to take an 8-0 lead.

After Pierce tied the game on a 15-yard run by Collin Tinker, Wayne regained the advantage when Bowers found Mason Lee on a 13-yard pass to make it 16-8.

That set up a wild finish to the first half that saw the two teams trade big plays for scores and sent Wayne into the locker room with the lead.

After Tinker scored his second touchdown on a four-yard run with 2:10 left in the half, Bowers connected with Lee on a beautiful 56-yard pass that saw Lee slip through several defenders before diving into the end zone for the score with 1:31 left in the half to make it 22-14.

Pierce came right back to get within two on a 34-yard run by Brett Tinker with :46 left in the half, but Wayne quickly drove down the field and Bowers connected with Ryan Jaixen, who made a diving catch in the end zone as time expired to give Wayne a 28-20 halftime advantage.

As Wayne did in the first half, Pierce opened the second half with a score to tie the game, with Brett Tinker doing the honors from 25 yards out.

Wayne countered with its first drive, ending on a one-yard sneak by Bowers to make it 34-28 with 5:06 left in the third period.

Wayne, however, just didn't have an answer for the Bluejays' ground attack in the fourth quarter, as the Bluejays scored three times in the final period to come away with the come-from-behind win.

High-scoring rugby team notches two more wins

The Wayne State women's rugby team continued to show their dominance as one of the top programs in the country with two big road wins over NCAA Div. I-level schools.

The Wildcat ruggers improved to 11-0 on the season with a 66-0 win over Kansas and a 74-0 win at Missouri. Coupled with last week's 74-0 win at University of Iowa, the six-time national champion rugby team is using an aggressive defense to create short-yardage situations.

Coach Darrin Barner was very happy with the recent efforts on the road.

"It feels a bit strange, but our last three away games have been against schools from the Big 12, Big 10, and SEC conferences," he said. "I don't think you will ever see that happen again. The girls were for sure a bit nervous playing schools this big, but we simply stuck to our game plan and strategy."

The Wayne State rugby program has been on a roll the last several years, cranking out six national titles combined in the spring 7-on-7 competition and three more in 15's, including last year's national championship win in Atlanta, Ga., over Colgate. In the past 100 games, Wayne State is an unbelievable 95-5.

That this amazing achievement has come with a program that relies almost exclusively on players who had never played the game before their arrival on campus makes it even more impressive, Barner said.

"It's really hard to grasp that our six national titles we have are with young women who have never played rugby in high school," he said. "We simply use raw athletes from softball, basketball, track and soccer to learn the game of rugby and take their talents to the sport."

And that success is getting noticed as the Wildcats travel to play big-name schools like Iowa, Kansas and Missouri.

"With wins over teams like Iowa, Kansas, Missouri and Nebraska, we are getting some very interested high school rugby players from Kansas City, Des Moines, and Minneapolis along with the straight raw talent of girls from Nebraska," he said. "It's a great melting pot of talent that could be attending Wayne State College to build this program even higher."

Next action for the Wayne State women is Saturday against South Dakota State at 3 p.m., followed by the men's game against Creighton at the Wayne Rugby Park.

Wildcats up one spot in AVCA coaches poll

The Wayne State volleyball team moved up one spot to 21st in this week's American Volleyball Coaches Association Div. II Top 25 coaches poll.

The Wildcats improved to 10-6 on the season and 4-3 in the NSIC with three home sweeps last week over South Dakota School of Mines, Minnesota Crookston and Bemidji State.

It's the 108th consecutive national ranking for the WSC volleyball program dating back to Sept. 28, 2009.

Wayne State is one of seven NSIC teams in the top 25 this week, along with top-ranked Southwest Minnesota State, No. 2 Concordia-St. Paul, No. 6 Minnesota Duluth, No. 13 Northern State, No. 14 Wisconsin State and No. 17 Augustana. Other Central Region schools in the top 25 include No. 8 Central Oklahoma, No. 9 Nebraska-Kearney, No. 18 Arkansas Tech and No. 20 Central Missouri.

Wayne State will be on the road this weekend for NSIC contests at the University of Mary Friday night at 6 p.m. and Minot State Saturday afternoon at 1 p.m.

Junior high runners compete at Pierce

The Wayne Junior High cross country team competed in a meet at Pierce on Tuesday, Sept. 26.

The boys team placed sixth, led by Ashton Munsell's 27th place effort of 13:49. Kaden Hopkins followed in 35th at 14:14.

also running were Ethan Wibben (47th, 14:55), Drew Sharpe (55th, 15:25), Noah Reinke (69th, 17:17), Easton Blecke (70th, 17:18), Jace Pieper (73rd, 18:24), Evan Allemann (79th, 21:05) and Liam Wachter (80th, 26:07).

In girls action, Fatima Lucas-Garcia posted a seventh-place finish with a time of 13:41, while Ella Leseberg was 55th in 20:15.

Junior high football teams see action

The Wayne Junior High football teams saw action recently with games against Hartington Cedar Catholic and Schuyler.

In seventh grade action, Wayne beat Hartington CC 14-0 and outscored Schuyler 24-6.

In the Hartington game, Trace Jackson scored on a 70-yard pass from Calvin Starzl, and Starzl added a 12-yard touchdown run. Alex Phelps converted the two-point conversion.

On defense Martin Carolo, Andrew Jones and Bo Armstrong were the defensive leaders, with two sacks while Ashton Munsell led in tackles with eight.

Against Schuyler, Alex Phelps, Andrew Jones and Braydn McCorkindale all scored touchdowns to help the team improve to 5-0.

In eighth-grade action, Wayne lost to Hartington CC 36-8.

The Blue Devil touchdown was scored by Tanner Walling while Brandon Bartos converted the two-point conversion. James Dorcey was the leading receiver with two catches for 50 yards. Defensively, the tackler leaders were Mason Frevert, Brenden Swanson

and Copper Zara. Wayne came from behind in the fourth quarter to beat Schuyler 14-6 and improve to 3-2 on the year. Wayne scored on a Walling pass to Swanson and a Bartos touchdown run.

Freshman volleyball takes third at Pierce

Wayne's freshman volleyball team traveled to Pierce on Saturday to play in their eight-team Freshman Tournament, finishing third with a 2-1 record.

Wayne opened with a 25-7, 25-19 win over Randolph before falling to Hartington Cedar Catholic in the semifinals, 25-21, 16-25, 7-15.

Wayne came back to beat Pierce in the consolation game, 25-13, 23-25, 15-9.

Junior High teams see action in Wisner

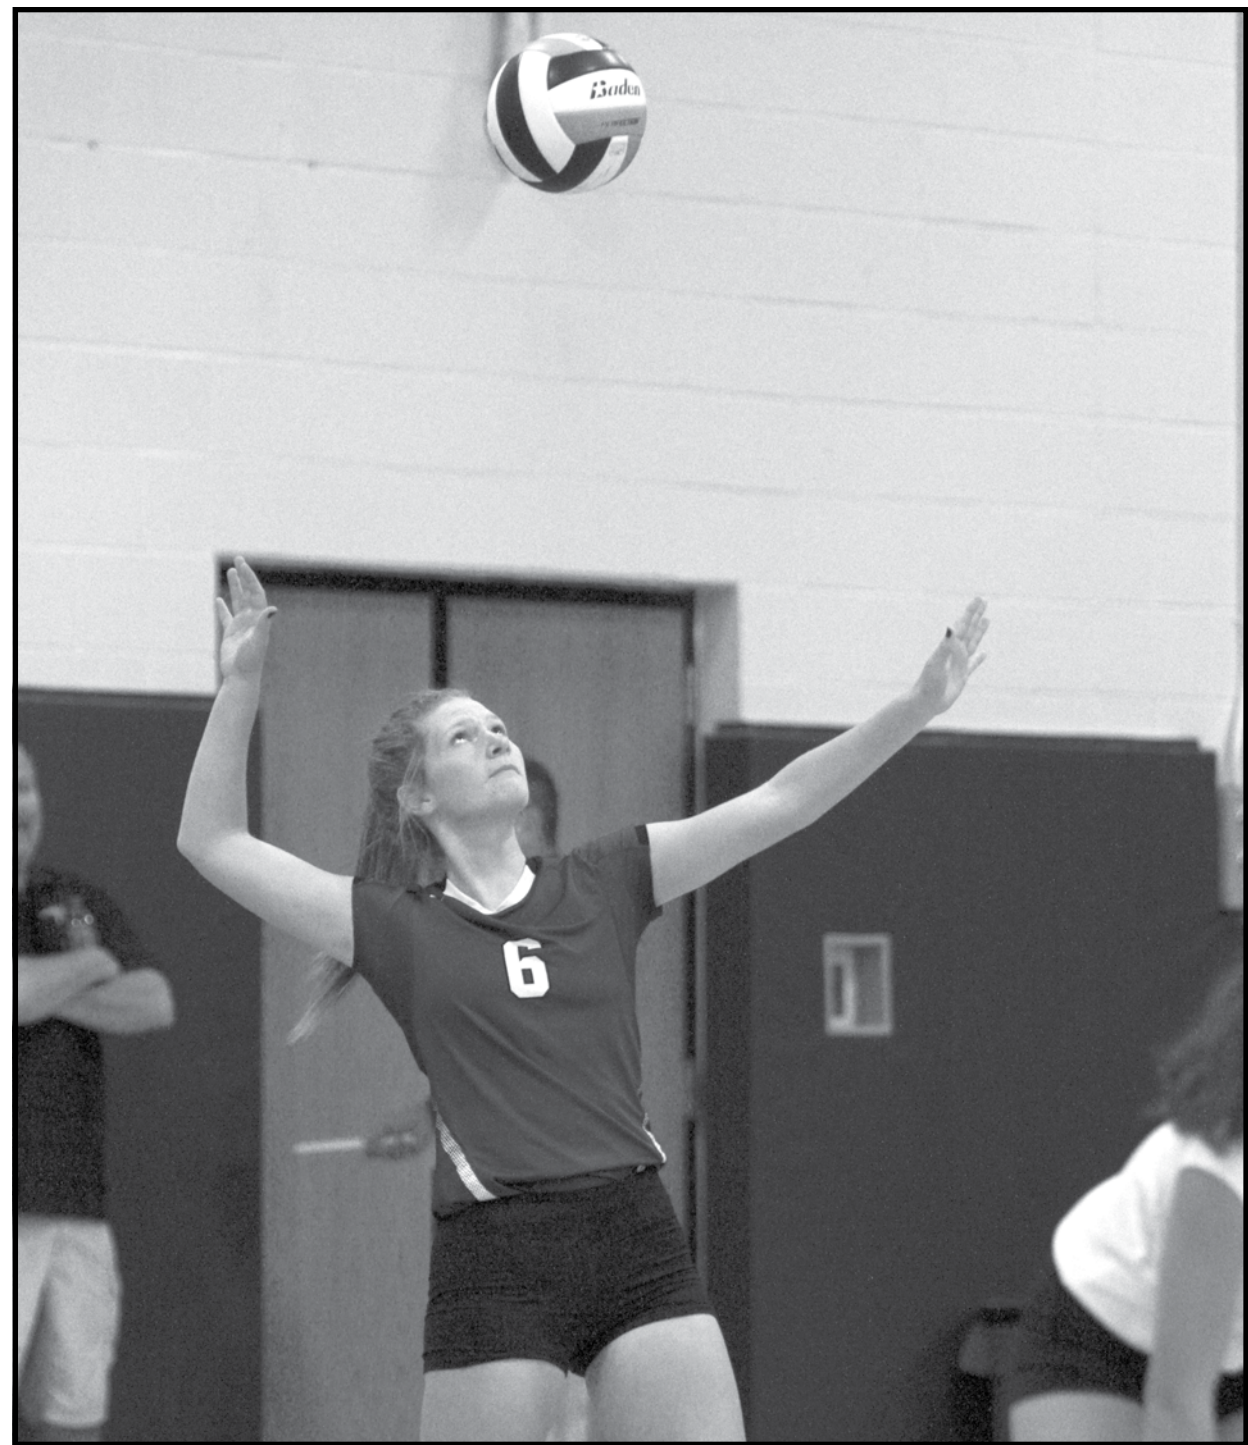

The Wayne Junior High volleyball teams compete in a tournament at Wisner, with the B team taking first place in their division and the A team finishing fifth.

The B team beat Battle Creek (25-10, 25-14, 25-11), Laurel-Concord-Coleridge (25-22, 25-17, 25-12) and Wisner-Pilger (25-22, 22-25, 25-19) to win their division. Alexia Martin, Maria Vergara and Brooklyn Kruse were the top servers for the B side.

The A team came back from an opening round loss to Battle Creek (25-23, 21-25, 22-25) to beat Howells-Dodge (25-21, 25-17, 15-9) and Laurel-Concord-Coleridge (25-14, 25-17) to take fifth place in the eight-team A division.

Blue Devil netters stumble through mid-season with 0-3 week

The Wayne High volleyball team had some mid-season struggles last week, losing two games in a triangular and falling at home to state-rated Stanton.

On Tuesday, Wayne dropped a pair of close three-set matches in a triangular at Arlington, losing to the host Eagles (25-20, 21-25, 25-22) and West Point-Beemer (25-17, 23-25, 25-21).

In the first match, Kylie Hammer had 12 kills, Lauren Pick added nine, Katelyn Grone had seven and Emily Armstrong and Ashton Boyer each had five. Allyson Avery dished out 30 assists. Hammer, Armstrong and Boyer each had two ace serves. Armstrong had 12 digs, Hailey Backer had 10 and Boyer and Korrina Niemann each had seven.

Against West Point-Beemer, Pick had nine kills, Armstrong had eight, Shania Anderson added seven and Grone had five. Avery had 11 assists and Erin

O'Reilly had five. Pick had three blocks. Armstrong and Boyer each had 12 digs, Niemann had 10, Hammer had eight and Pick had six.

On Thursday, the Blue Devils gave state-rated Stanton a tussle, but the visiting Mustangs came away with the win in four sets, 25-12, 23-25, 25-20, 25-17.

Pick had eight kills, Hammer and Armstrong each had five and Boyer and Anderson both had four. Avery had 12 assists and O'Reilly added seven.

Hammer had 18 digs, Niemann had 15, Hailey Backer and Boyer each had 11 and Armstrong had 10. Anderson had four blocks and Pick had three. Boyer had three ace serves.

Wayne played in a triangular Tuesday at Pierce. They are at Crofton Thursday before returning home next Thursday to host Battle Creek.

The Wayne High softball team claimed the Mid State Conference title Saturday with a 14-2 win over Guardian Angels Central Catholic in the finals at O'Neill. Team members are (front) Kayla Fleming, Annie Kniesche, Kennedy Maly, Jamie Gamble, Jenna Trenhaile, Abby Akeny, (back) coach Rob Sweetland, Virginia Kniesche Alia Schultz, Sidney Biggerstaff, Allison Claussen, Tori Kniesche, Masyn Dorey, Josie Thompson, Nicole Fertig, Taytum Sweetland, coach Caitlin Fehring and coach Rich Rethwisch.

Softball team cruises to Mid State title

The Wayne High softball team had no troubles bringing home the Mid State Conference title Saturday, defeating host O'Neill 10-0 and blasting Guardian Angels Central Catholic 14-2 in the championship game.

In the opener, Tori Kniesche threw her eighth no-hitter of the season and first perfect game, setting down all 12 O'Neill batters on strikeouts. Kniesche helped her cause with a three-run homer that set off a 10-run third inning for the Blue Devils. Wayne had just two hits in the big inning, the other a two-run single by Kniesche that scored Kennedy Maly and Annie Kniesche. Maly and Annie Kniesche also had hits and each scored twice as the Blue Devils needed just four hits in the game to move on to the finals. Maly drove in two runs while Jenna Trenhaile and Masyn Dorey each drove in a run.

In the finals, Wayne lit up the Bluejeans with 11 runs in the second inning and scored two more in the third to end the game on the 12-run mercy rule.

The big hit in the second inning was a grand slam homer by Jenna Trenhaile. Tori Kniesche and Jamie Gamble also had RBI singles in the inning. The game ended in the third when Kniesche hit a two-run homer to left, scoring sister Annie Kniesche to finish a two-hit, five RBI effort at the plate.

Dorey was 3-for-3 and scored three runs for Wayne, while Josie Thompson singled and scored twice. Trenhaile and Annie Kniesche also scored two runs apiece, and Sidney Biggerstaff and Kayla Fleming also scored runs.

Kniesche threw a three-hitter in the championship game, striking out six and walking one. In other regular-season action, the Blue Devils closed with three home wins to take a 27-3 record and the top seed into this week's district tournament at Wisner.

On Thursday, the Blue Devils put big numbers up on the scoreboard at the Summer Sports Complex, shutting out Logan View/Scribner-Snyder (12-0) and outscoring Guardian Angels Central Catholic (11-6).

In the first game, Annie Kniesche and Sidney Biggerstaff both hit two-run homers to highlight an eight-hit effort by the home team. Kniesche had two hits and four RBIs while scoring twice. Abby Ankeny added a double.

Tori Kniesche threw a one-hit shutout, striking out 10 and walking one in the win.

In the nightcap, Wayne was down 4-1 after the Bluejeans scored four in the top of the fourth, but Wayne answered with four more in the bottom of the inning, then scored three in the fifth and three in the sixth to put the game out of reach.

Jenna Trenhaile's double highlighted the four-run fourth inning. Josie Thompson had a two-run single in the fifth inning, and Biggerstaff hit an inside-the-park three-run homer in the sixth.

Trenhaile and Tori Kniesche each had two hits to highlight a nine-hit attack. Trenhaile, Annie Kniesche and Biggerstaff each scored two runs.

Kniesche threw another complete-game win, striking out 10 while allowing three hits and six walks.

Monday's matchup with South Sioux City was called off due to rain.

District play begins Thursday at Wisner, with Wayne claiming the No. 1 seed. They will face either Wisner-Pilger or Lakeview Thursday at 1:30 p.m. Action continues through Friday, with the winner moving to next week's state tournament in Hastings.

Lady Bears drop pair of matchups

LCC dropped a pair of three-set matches in action this past week.

On Tuesday, the Lady Bears dropped a three-set match at Pierce, 25-10, 25-12, 25-12.

Bryn Schutte led the team with four kills while Delaney Ehlers added three, Madisyn Hall had two and Erica Wolfgram and Makayla Forsberg each had one. Abby Bloom had six assists and Ashley Wolfgram had two.

Defensively, Delaney Ehlers had four blocks, Forsberg had three and Jasmine Galvin and Erica Wolfgram each had two. Schutte led the team with four digs and Madysyn Holloway had two.

On Thursday, the Lady Bears hosted Creighton and fell in an exciting three-set match, 25-13, 30-

28, 25-21.

Schutte's seven kills led the Lady Bears, while Forsberg had five and Ehlers, Ashley Wolfgram, Erica Wolfgram, Katelyn Steffen and Chloe Hauptmann each had two. Bloom had 10 assists and Ashley Wolfgram had seven.

Defensively, Erica Wolfgram was in on six kills, Ehlers and Hauptmann both had three and Ashley Wolfgram had two. Schutte had nine digs, Holloway had seven, Forsberg had four and Bloom had three.

LCC played Tuesday Hartington-Newcastle and will be on the road Thursday at Bloomfield and Saturday at Wakefield before coming back home next Thursday, Oct. 12 to host Winnebago.

Wildcats fall to Emerson-Hubbard

The Winside football team dropped to 2-3 on the season with a 36-14 loss at home to Emerson-Hubbard.

Both teams struggled offensively in the first half. Emerson-Hubbard got on the board in the first quarter with a short run by Josh Sebade to account for the only points of the half, with the visiting Pirates leading 6-0.

Emerson-Hubbard took control of the game in the second half with a solid rushing attack that netted 344 yards on the night. Sebade scored two more times and Nolan Belt added a 17-yard touchdown run to help the visitors to a 28-0 advantage.

Winside broke the ice in the fourth quarter. After the Pirates' final score, Koby Ellis returned the ensuing kickoff 79 yards for a touchdown to get Winside on the board. They would add a late touchdown on a 15 yard pass from Colton Jensen to Matthew Frederick.

Brandon Watters was 10-of-31 passing for 87 yards, while Jensen was 2-for-2 for 33 yards for the Wildcats. Ellis was the top receiver with 67 yards on seven catches, while Frederick caught three balls for 45 yards and Jensen had two for eight yards.

In the rushing department, Ellis led the team with 30 yards on six carries and Watters had 26 yards on five carries. Jensen added nine yards on one carry.

Defensively, Watters had 16.5 total tackles for the Wildcats while Jensen added 12, Ellis had 10.5, Jensen had 7.5, William Bullard had four and Jon Escalante had two.

The Wildcats travel to Allen for a district battle Friday at 4 p.m. at Isom-Hill Field.

Selections made for Wayne State College Athletic Hall of Fame

Three athletes, one contributor and one team will be inducted into the Wayne State College Athletic Hall of Fame next weekend during Homecoming/Hall of Fame activities at Wayne State College Oct. 6-7.

The Hall of Fame inductees will be honored during half-time of Saturday's home football game vs. Southwest Minnesota State at Bob Cunningham Field. The honorees will be formally inducted into the Hall of Fame during a banquet on Saturday evening, Saturday, Oct. 7, in the Frey Conference Suite of the Kanter Student Center with a social hour beginning at 5:30 p.m. followed by a banquet/induction ceremony starting at 6:15 p.m.

Advance tickets, \$33 per person, are required for the Homecoming/Hall of Fame Banquet and can be purchased by calling the WSC Alumni Office at (402) 375-7526.

The 2017 Hall of Fame inductees include:
 Ashley Arlen (Athlete): Ashley Arlen played three seasons at Wayne State (2009-12) and turned the Wildcat women's basketball program into a Central Region and national contender.

In her three years at WSC, she had an 84-12 record, 59-7 mark in the NSIC and never lost a home game in Rice Auditorium (46-0) while leading WSC to three NCAA Tournament appearances, one Central Region title, two NSIC regular season and two NSIC tournament championships.

As a senior, Arlen was the Women's Division II Bulletin National Player of the Year after leading the NSIC in scoring at 18.1 points per game and 9.4 rebounds (2nd-NSIC) a contest. She led WSC to its first-ever No. 1 national ranking, a 32-3 record and first-ever trip to the NCAA Elite Eight.

In 2010-11 as a junior, she became Wayne State's first-ever All-American after leading WSC in scoring (16.4) and rebounding (8.6). Arlen was NSIC Player of the Year, WBCA First Team All-American and Daktronics Second Team All-American after leading WSC to a 26-4 record

and 21-1 NSIC mark, the best record ever by a women's basketball team in league play.

In her three-year career, Arlen scored 1,724 points (3rd all-time) and grabbed 821 rebounds (6th all-time). She was a three-time All-NSIC selection and two-time NSIC Player of the Year, All-Central Region three times and twice named Region Player of the Year and two-time All-American that included National Player of the Year as a senior.

Arlen just completed her fifth season playing professional basketball in Europe including the last two years with Nottingham Wildcats of the Women's British Basketball League. This season, she was WBBL Most Valuable Player after leading the league in scoring (25.3 ppg) to go with 11.3 rebounds per contest, shooting 63 percent from the field while helping her team win the regular season title (14-4) while advancing to the league tournament championship game. She has also played overseas in Romania, Spain and Germany.

Tim Hurley (Athlete): Tim Hurley never played football until he came to Wayne State. A 6-foot-2, 210-pound defensive end walk-on from Omaha Rummel High School, Hurley turned into one of Wayne State's all-time sacks leaders while earning All-District and All-Conference honors and finished his career as an NAIA Honorable Mention All-American.

Hurley was a three-year letterwinner at Wayne State (1977-78-79) and finished his WSC career tied for second in career sacks with 30. In 1977, Hurley ranked third on team in tackles (87) and had nine sacks and five fumble recoveries. He was NAIA All-District 11, Second Team All-CSIC and Second Team All-Nebraska by Omaha World Herald in 1978 after recording team high 11 sacks with 73 tackles (third on the team) with three recoveries.

As a senior in 1979, had 10 sacks in just nine games and ranked fifth on team with 78 tackles. Had two fumble recoveries and was named AIA All-District 11, Second Team

All-CSIC and NAIA Honorable Mention All-American.

Tim and his wife Laura currently reside in Grand Island where he works as an account executive with FDC Publishing of the Midwest.

Troy Pribnow (Athlete): Troy Pribnow played football for five seasons at Wayne State from 2004-08. The Scribner-Snyder graduate became Wayne State's first All-American since Brad Ottis (1993) as a senior in 2008, named to five different All-American teams after leading the NSIC in sacks (14), tackles for loss (22), forced fumbles (5) and fumble recoveries (4).

As a senior, Pribnow ranked third in NCAA Division II in sacks and eighth in tackles for loss, helping WSC to 9-3 record and only NCAA Division II playoff berth in school history and tie for NSIC South Division title.

Pribnow's 2008 All-American honors included First Team AFCA, Second Team Daktronics, Associated Press Little All-American Team, D2Football.com and Lineman of the Year from Don Hansen's Football Gazette.

As a junior, had 12 sacks, 20.5 tackles for loss, 69 tackles and three fumble recoveries to earn First Team All-NSIC honors, helping WSC to a 7-5 record and trip to Mineral Water Bowl.

Pribnow finished his career as a First Team All-NSIC selection as a junior and senior and All-American as a senior. His 29 career sacks rank fourth all-time at WSC while his 14 sacks as a senior tied for the second most in school history. Pribnow's 12 sacks during junior season are sixth on all-time list at Wayne State College.

Troy currently resides in Lincoln and serves as operations manager of Midwest Farmers Coop in Palmyra.

2006 Women's Cross Country (Team): The 2006 Wayne State College women's cross country team won the Northern Sun Conference Championship in St. Paul, Minn., beating the University of Mary 36-49 in the seven-team competition. It is the first and so far only cross country conference championship for Wayne State women's cross

country.

WSC had five of the top 12 runners in the race - all freshmen. Megan Zavorka (2nd), Melissa Schmit (3rd), Sarah Thomsen (8th), Molly Gibson (11th) and Megan Knudson (12th).

Two weeks later, the team finished 10th in the NCAA North Central Regional Championship hosted by WSC at the Wayne Country Club.

Curt Frye (contributor): Curt Frye began his career at Wayne State College in 1985, serving as associate dean of students, dean of students, and in 1993, vice president and dean of students. He served as interim president from 2003 to 2004 and in 2010. In 2011, Frye was appointed the 12th president of Wayne State College and served until retiring in 2015.

Frye and his wife, Dianne, are avid supporters of Wayne State College and Wayne State athletics and are trustees of the Wayne State Foundation. In 2004, they established the Curt and Dianne Frye Annual Athletic Scholarship. Curt and Dianne have also been long-time members of Cat Club and have supported several athletic improvement projects, including renovations to the track, stadium and football field. They have also given to the Wayne State Foundation's Greatest Needs Fund and supported the renovations to the Willow Bowl and Conn Library.

A native of Elk City, Neb., Curt holds a bachelor's degree in education from Midland Lutheran College in Fremont and a master's degree in education from Chadron State College. Prior to coming to WSC, he was a teacher and coach at Cody-Kilgore and a guidance counselor in Neligh and Wayne.

Frye has served the community of Wayne for many years as a member of Kiwanis and president of Wayne Area Economic Development Board, and is a member of Our Savior Lutheran Church.

Curt and Dianne live in Wayne and have two children and two grandchildren.

 Ryan Jaixen makes a diving catch in the end zone on the final play of the first half for a Wayne touchdown. The Blue Devils lost a high-scoring 50-34 decision to Pierce for their first loss of the season.

Setback

From Page 1B
 the fourth quarter to tie the game at 34-all. After Pierce's defense forced a three-and-out, they came back with a 29-yard run by Ashton Wragge to take the lead for good, then scored late on a short run by Collin Tinker to put the game out of reach.

The loss was a tough one for a team that had played very well for much of the season, and Plager said the team will have to learn how to respond after a tough loss as they prepare for Friday's matchup with West Point-Beemer.

"It's easy to be 5-0 and go to practice and go to work the next week, but it's not always easy after a loss and we'll see how we're made up character-wise as we get back to work," Plager said.

Bowers finished the night 19-of-30 for 359 yards and three touchdowns in the passing department. Both Jaixen and Lee had huge nights receiving, with Jaixen catching nine balls for 163 yards and a score and Lee picking up six receptions for 122 yards and two scores. Kaleb Anderson caught one pass for 40 yards, Brennan O'Reilly had one catch for 19 yards and Marcus Fertig caught two balls for 15 yards.

In the rushing department, Jose Vergara had 55 yards on 15 carries and Bowers had 22 yards on nine tries. O'Reilly rushed four times for one yard

and Casey Koenig had one yard on three attempts.

Defensively, Koenig had a big night with 16 total tackles while Lee added 12, O'Reilly had six and Hunter Jorgensen had five.

The 5-1 Blue Devils now have to bounce back for the first time this season, and it won't be easy with undefeated West Point-Beemer coming to town for Friday's 7 p.m. homecoming matchup.

"They're a good team and were a good team last year," Plager said. "They have a lot of seniors this year and are a tough matchup, so we're going to have to keep working to get better and get the job done next week."

"It's always fun to have seniors along for the ride and then when it's over it's sad," he said. "They've always done things the right way and always played with good ethics and etiquette and did it the right way, rain or shine. I just wished it would have ended better for the seniors but I'm proud of them and wouldn't trade them for anything."

In other action, the Wayne High girls golf team finished third in a triangular with a 225, finishing behind Pierce (202) and Hartington Cedar Catholic (212) at Hartington.

Keiser and Junck both shot 56 to lead Wayne, with Nelsen a stroke behind at 57. French added a 63 and Bentjen shot 70.

The Wayne High girls golf team posted a sixth-place finish in the Mid State Conference golf tournament, finishing with a team score of 453.

Keiser led the Blue Devils with a 103, while Nelsen and Bentjen both shot 115. Junck had a 120 and French shot 125.

Wildcats waste no time with two home sweep

The Wayne State volleyball team didn't mess around with two of the bottom-feeders in the Northern Sun Conference, making quick work of Minnesota Crookston and Bemidji State over the weekend at Rice Auditorium.

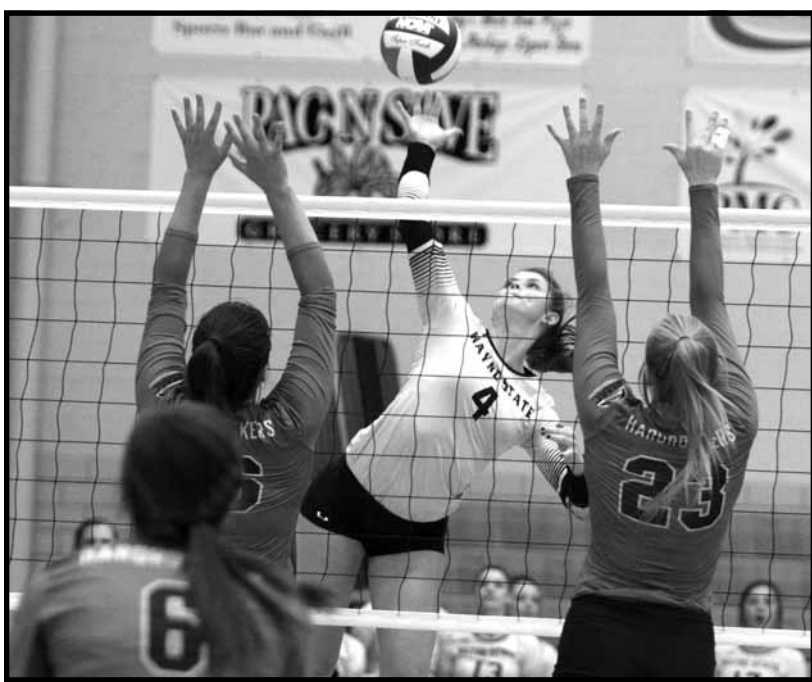

On Friday, redshirt freshman Jaci Brahmer matched a season-high with 16 kills while hitting .517 for the match to power 22nd ranked Wayne State College in a 25-16, 25-19, 25-16 win over Minnesota Crookston.

Wayne State never trailed in the first set, jumping to an early 8-1 lead to force a UMC timeout. Brahmer and Erin Gross each recorded six kills in the first set.

The second set was much tighter, featuring 13 ties and six lead changes. Wayne State closed the set strong scoring seven of the final eight points for the 2-0 advantage. Brahmer and Gross paved the way again for the Wildcats in the set with five kills apiece.

The Wildcats pulled away in the third set as Wayne State scored 13 of the last 18 points to complete the sweep. Wayne State forced Crookston into nine attack errors in the set and saw all six starters record kills in the third set win, led by Brahmer with five more kills on 10 attempts.

The following afternoon, Wayne State forced 25 Bemidji State attack errors while holding the Beavers to a minus-.032 attack percentage as

they cruised to a 25-15, 25-11, 25-12 win.

The Wildcats forced the Beavers into 10 attack errors on the strength of six blocks in the first set to take control of match early. Jaci Brahmer had a team-high four kills and three blocks to lead a balanced WSC attack in the first set.

The Wildcats continued their ef-

ficient play in the second set, accounting for 14 kills while creating another eight attack errors on the Beavers. Brahmer, Erin Gross and Katie Stephens each had four kills for the Wildcats.

Wayne State recorded a .500 attack percentage in the third set and had four service aces to finish the Beavers and complete the sweep. Gross

had six kills on just seven attempts to pace Wayne State as Bree Ackermann and Maddie Duffy each added two service aces.

In non-conference play last Tuesday, Gross and Brahmer combined for 26 kills and a .561 attack percentage to lead Wayne State in an easy 25-7, 25-10, 25-19 sweep over South Dakota School of Mines at Rice Auditorium.

Wayne State came out on fire early in the match, hitting .522 in the first set with 12 kills and no errors. The Wildcats were also stellar defensively, forcing eight attack errors on the Hardrockers while holding South Dakota Mines to a -.065 attack percentage in the first set.

The Wildcats continued their aggressive play in the second set while playing a number of reserves as WSC hit .480 with 14 kills. Duffy had three service aces while Gross and Brahmer each produced five kills on six attacks to lead the Wildcats in hitting.

South Dakota School of Mines gave the Wildcats a tough battle in the third set before the Wildcats completed the sweep. Gross had five more kills in the set with Brahmer adding four kills and three blocks.

Wayne State (10-6, 4-3 NSIC) will be on the road next weekend for NSIC contests at the University of Mary Friday at 6 p.m. and Minot State Saturday at 1 p.m.

Wayne State College women go 1-0-1 in conference soccer play

The Wayne State women's soccer team picked up a win and a tie on the road in Northern Sun Conference action this past week.

Wayne State hung on for a 1-1 draw at Northern State on Sunday, drawing first blood in the 11th minute on a header by Christina Stasi, who scored off an assist by Samantha Phillips to give the visiting Wildcats the early advantage.

The match stayed that way until the second half, when Northern State got the equalizer in the 59th minute on a goal by Emily Reiten. Neither team was able to find the net after that as the two sides settled for the tie.

Wayne State had a 16-15 advantage in shots and a 6-3 edge in shots on goal. Madison Burgard had three shots and two shots on goal, Rylie Wehner had four shots and Stasi had three shots including her goal. Rachel Grisham made two saves on the day in goal.

Junior midfielder Natalie Rech scored her first goal of the season in the 75th minute for the lone goal of the contest to give Wayne State College a 1-0 win Friday at MSU Moorhead.

The first half was scoreless as the host Dragons held a 10-6 advantage in shots over the Wildcats. The game remained scoreless until the 75:22 mark when Rech's throw in went through the hands of MSU Moorhead goalkeeper Corina Edgington for the only goal of the contest.

MSU Moorhead held a 15-14 advantage in shots over WSC, but the Wildcats were up 8-4 in shots on goal. The Dragons had a 5-3 edge in corner kicks over the Wildcats while MSU Moorhead was called for 11 fouls to just two on WSC.

Rech paced Wayne State with her first goal of the year. Wehner had a team-high four shots while Lauren Fleming and Alexis Strothers each added two shots apiece, both on goal. Grisham notched her third shutout of the year, credited with four saves in the win.

Wayne State (3-3-4, 2-2-3 NSIC) faces two of the top teams in the conference this week. They host Minnesota State in a 3 p.m. match-up Friday, then travel to league-leading Concordia-St. Paul for a 1 p.m. match on Sunday.

School-record seven picks helps Wildcats nip Augie, 16-13

Wayne State's defense forced seven Augustana turnovers and won a hard-fought battle over their NSIC South Division rivals, claiming a 16-13 win Saturday afternoon at Kirby-Over Stadium in Sioux Falls, S.D.

Defense dominated the game early as the two teams combined for eight punts and two turnovers before the Wildcats scored midway through the second quarter. The Wildcats marched 66 yards on 10 plays before settling for an Ethan Knudson 26-yard field goal to make it 3-0 with 7:14 left in the first half.

Late in the second quarter, Augustana moved the ball to the Wildcat 36 when senior Glenn Harris made his second interception of the ball game to stop the potential Viking scoring threat.

The Wildcat defense created the next scoring opportunity for WSC as junior defensive end Randy Bryan intercepted Augustana quarterback Kyle Saddler and rambled 44 yards for a touchdown, giving Wayne State a 13-0 lead with 9:30 to play in the

third quarter.

Wayne State's defense wasted little time creating another scoring chance for the Wildcats as Cole Tirrel picked off Saddler at the Viking 48 and raced 46 yards on the return to give Wayne State a first and goal at the Augustana 2. The Wildcats had to settle for another Knudson field goal, this one from 22 yards out, to make it 16-0 with 7:13 left in the third.

With less than six minutes remaining in the contest, Glenn Harris came up with his third interception of the game, tying a Wildcat school record.

Both offenses stalled until 1:29 remained in the game when Augustana used an eight-play 90-yard drive capped off by a Saddler touchdown pass to Jake Welsheimer to trim the Wildcat lead to 16-13 with 1:36 to play.

Wayne State wasn't quite able to run the clock out as Augustana got one last chance with a second left on the clock, but the game ended when Tyler Thomsen picked off Kyle Saddler as time expired to secure the

Wayne State victory.

Augustana outgained the Wildcats on offense 436 to 222 yards. The Vikings rushed the ball 41 times for 243 yards while the Wildcats gained 84 yards on 38 attempts. Augie gained 193 yards through the air while WSC had 138 passing yards.

Defensively, the Wildcats set a new school record with seven interceptions in a game to break the previous record of six set by the 1984 Wayne State team against Hastings.

Glenn Harris tied a school record with three interceptions in a game and had three tackles to lead the Wildcats. Tyler Thomsen, Kolbie Foster, Randy Bryan and Cole Tirrel also each had interceptions on the day. Ian Ailts added 12 tackles while senior Logan Weinandt had the lone sack for Wayne State.

Wayne State (3-2, 1-0 NSIC South) will be at home next Saturday, hosting Southwest Minnesota State in the annual Homecoming/Hall of Fame Game with kickoff set for 1 p.m. at Bob Cunningham Field in Wayne.

Capitol View

There is no place like Nebraska

By J.L. SCHMIDT
Statehouse Correspondent
The Nebraska Press Association

I bet when Harry Pecha, University of Nebraska Class of 1924, penned those words decades ago he never thought that Nebraska football fans would boo their beloved Cornhusker football team in 2017.

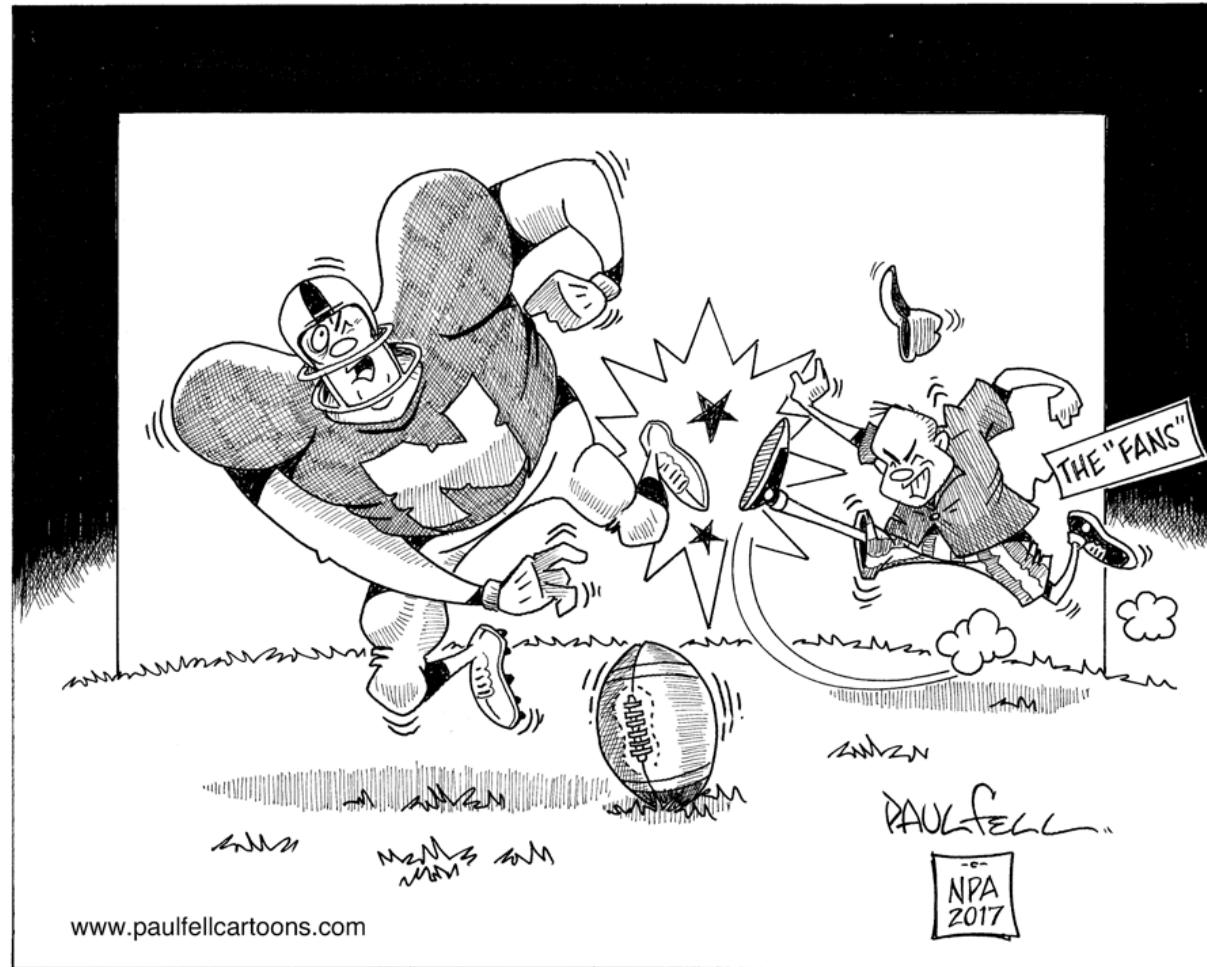

At this writing, the Huskers are 2-2 on the gridiron, NU Athletic Director Shawn Eichorst is out of work, and \$1.7 million richer, and Nebraskans are apparently falling victim to a sweeping national trend of incivility.

Pecha probably never would have envisioned national protests over the playing of the National Anthem at sporting events or the daily barrage of criticism of the President of the United States. After all, he wrote: "We'll all stick together in all kinds of weather." He wasn't envisioning a world where we gripe about everything and especially about those who don't look, act or think like us.

The mighty Huskers are the victims of a sense of entitlement, a society that is given to speak its mind - whether right or wrong - as long as everyone else agrees with the message. Heaven forbid those who don't agree with that message. Yes, this Husker football team may not be the most talented bunch to take the field and the coach may be one of the nicest guys and worst coaches we have seen in a while.

But it is Husker football, the activity that occupies the collective mind of Nebraskans between sessions of the Legislature. In a world where we rant daily about politics, it just somehow seems OK to belittle a bunch of overpaid coaches and young men trying to play football.

There is a generation of Nebraskans who know nothing but success on the college football scene. Many have forgotten the Bill Jennings era

of "three plays up the middle and punt" that ruled the day before Bob Devaney showed up in Lincoln in the 60s. Having a football team that goes to a post-season bowl game has been a given ever since 1962 when Nebraska went to New York's Gotham Bowl and beat the Miami Hurricanes 36-34.

That's what started it all. Yes, coaches have come and gone and Nebraska has had its share of conference and national championships and bowl game victories. The money has flowed freely into the coffers of the University of Nebraska Athletic Department.

But the success has brought its

fair share of bad decisions. Most die-hard Nebraska fans can rattle them off. Depending on the age of the complainant, it started with the firing of Frank Solich as coach, or the hiring of Steve Pederson as athletic director or the hiring of Bill Callahan as head coach or the firing of Bob Pelini as head coach or the hiring of Mike Riley as head coach.

The next round will come with the hiring of a new athletic director - there are some Nebraska natives with football awards and savvy who look promising - and/or the staying or leaving of the head football coach. And then there's always the basketball coach and who knows

what could happen if the volleyball team doesn't finish in the Top 10. For that matter, can soccer be far behind?

Will the national turmoil ever settle down? Will Nebraskans ever return to civility "where the girls are the fairest and the boys are the squarest"? Will the booing stop?

Let's try. Let's do this for Harry Pecha.

Let's "all stick together, in all kinds of weather."

J.L. Schmidt has been covering Nebraska government and politics since 1979. He has been a registered independent for 18 years.

Start sooner than later

Last week a woman walked into the office with a piece of paper she wanted me to read and take a copy of to put in the newspaper this week. The paper is a print version of The Red Skelton Hour on Jan. 14, 1969 that had originally been printed in an earlier issue of The Nebraska Legionnaire.

Some of you might be familiar with this, some of you (like myself) won't have a clue who Red Skelton is and may want to do some research.

The excerpt is as follows:

"I had this one teacher, he was the principle of Harrison school in Vincennes, Indiana. To me, he was the greatest teacher, a real sage of my time. He had such wisdom. We were reciting the Pledge of Allegiance one day and he walked over. This little old teacher...Mr. Lasswell was his name. He said "I've been listening to you boys and girls recite the Pledge of Allegiance all semester and it seems as though it is becoming monotonous to you. If I may recite it and try to explain to you the meaning of each word?"

"I -- me, an individual, a committee of one.

Pledge -- dedicate all of my worldly goods to five without self-pity.

Allegiance -- my love and devotion

To the Flag -- our standard, Old Glory, a symbol of freedom. Wherever she waves, there's respect because your loyalty has given her a dignity that shouts freedom is everybody's job.

(of the) United -- that means we have all come together.

States (of America) -- individual communities that have united into 48 great states. Forty eight individual communities with pride and dignity and purpose, all divided with imaginary boundaries, yet united to a common purpose, and that's love for country.

and to the Republic -- Republic ... a state in which sovereign power is invested in representatives chosen by the people to govern. And government is the people and it's from the people to the leaders, not from the leaders to the people.

(for which it stands)

One Nation -- meaning, so blessed by God.

Indivisible -- incapable of being divided.

With Liberty -- which is freedom and the right of power to live one's own life, without threats, fear or some sort of retaliation.

And Justice -- the principle or qualities of dealing fairly with others

For All -- For all... which means, boys and girls, it's as much your country as it is mine.'

Since I was a small boy, two states have been added to our country, and two words added to the Pledge of Allegiance -- "Under God." Wouldn't it be a pity if someone said, 'That is a prayer,' and that would be eliminated from schools too?"

Now, I don't know exactly what Mr. Skelton meant by these comments. I only know what I think and what I assume he may have meant. I have questions about parts myself.

But there are parts that stand out to me as crystal clear, such as the "With Liberty" phrase and explanation and "For All."

Those two sections lead me to believe that Mr. Skelton was intended to show how our Pledge of Allegiance is a promise to us. A promise for each person in this country to be able to hold dearly to.

Where it doesn't matter what their skin color or gender is. A promise that covers them no matter their age or religious affiliation.

With the recent mass shooting in Las Vegas coupled with dozens of athletes choosing to take a knee during the National Anthem, I think it's clear we are in tumultuous times here.

I think we've spent a considerable amount of time working on issues beyond our borders, and while international affairs matter, things have been neglected in our home.

Whether you agree with people taking a knee during the National Anthem or not, you have to ask yourself what the issue is, why are they choosing to do it, what sparked this movement.

And regardless of your stance on gun control, you have to be wondering why. Why this crowd of people who were out enjoying a concert, why this night in Las Vegas, why at all?

Before jumping to defend your rifles (I am a proud gun owner by the way) could we look at the mental health care available? Could we look at the reasons a person NEEDS, not wants but NEEDS, a semi-automatic weapon or ten of them?

Before ripping professional athletes with privilege to shreds, can we consider their backgrounds, their family lives, their day to day before they became famous? There likely is a deep-seated reason for their protests.

This world needs a lot less blame thrown around and fingers pointing and a whole lot more understanding and compromise if anything is going to improve. Why not start sooner rather than later?

Legislative Update

Looking at ag industry in next session

I consider myself fortunate that I married into a farming family. It has truly been an eye-opening experience. I discovered early on that it is not easy. But I love the hard work, the early mornings and late hours. I have never doubted - nor regretted - my love for the farm for a second.

With nearly 50,000 farms and ranches across the state - combined with other agriculture related businesses - I'm proud to be part of the team that makes this state great. Our agriculture industry is the economic engine for our state.

One great example of Nebraskans working to grow our agriculture economy was on display Monday, October 2nd, when Thurston County received its designation as a Livestock Friendly County. This designation is given to counties that actively support the livestock industry. Since 2003, when it was first adopted, Nebraska has had 43 counties receive this designation.

Nebraska also leads the nation in a number of agriculture-related metrics:

Nebraska ranks first in commercial red meat production, first in Great Northern bean production, and first in popcorn production. Our state ranks near the top in ethanol production, alfalfa, sorghum, and soybeans - the list goes

on and on.

In 2015, Nebraska exported \$6.4 billion worth of agricultural goods. We rank number one in the nation for beef and veal exports, bringing in \$1.1 billion.

Governor Ricketts has just returned from a trade mission to Japan to expand our trade opportunities and I have worked with the Nebraska Department of Economic Development on ways that the legislative branch can encourage Nebraska's export opportunities.

While we want to encourage growth of our agriculture industry, I'm also committed to making sure family farm operations are able to compete. I want to find ways to encourage the next generation of farmers - to keep younger Nebraskans in their small downs and combat the "brain drain" that is happening in so many areas of our state.

As Chair of the Nebraska Legislature's Business & Labor Industry and a member of the Agriculture Committee, one of my main goals is to make sure our state's agriculture producers and businesses have the resources and freedom they need to survive and thrive.

The ag industry generates 25 percent of all jobs in Nebraska, and creates employment in other industries such as construction, finance, insurance, technology and law. If

Legislative Update
By Joni Albrecht
State Senator, District 17

this is going to continue, we need to find ways to bring younger farmers into the fold.

Yes, hard times come and go and right now we are facing a downturn in the agriculture economy. This has created a lot of sleepless nights for many throughout our state.

I'm concerned about weak prices and tight margins, both as a state senator and as an agriculture producer myself. Unfortunately, there is no way to legislate success. My

goal is to work to ensure that the opportunity for success is available to all.

The second half of the 105th Legislature will kick off in early January. It will be a short, 60-day session, but there will be time for us to discuss issues that impact our agriculture industry.

If there is one thing I've learned is that our ag producers are resilient. We are going to keep working to feed the world and keep Nebraska strong.

Nebraska will continue to be an agriculture leader thanks to the thousands of farmers and ranchers in our state. I'm proud of what you have accomplished and I look forward to working with them to strengthen our ag economy.

Harvest is just around the corner, so I want to make sure that everyone has a safe and bountiful year!

As always, if you are in Lincoln, stop by room 2010 in the State Capitol. For those with e-mail access, my address is jalbrecht@leg.ne.gov. Or if you prefer to call, I can be reached at 402-471-2716 or write to me at:

Steps to save a wet cell phone

I know many of you have cell phones and use them a lot for work, as I do. Here are a few hints to be prepared in case this happens.

If your smartphone gets wet, keep a cool head and follow the tips below.

•**Act fast.** Retrieve the smartphone as quickly as possible. The longer it's submerged in liquid, the more likely it is to be irrevocably damaged.

•**Take out the battery.** Before doing anything else, take out the battery. If the phone doesn't have a removable battery, such as the iPhone 6s, power off the device right away to prevent a possible short circuit. Resist the temptation to "test" the phone to see if it still works. Pressing the screen and buttons could push liquid farther into the device.

•**Remove all accessories.** Take off the phone case and protec-

tive cover, and remove all memory cards, headsets and other accessories. Take out the SIM card and carefully dry it with a soft towel or cloth. The SIM card may retain data even if the phone is damaged.

•**Wipe down the smartphone.** Carefully wipe the phone with a clean, soft towel or cloth. Avoid getting water into the phone's cracks, indentations, ports or other openings. If water is trapped in a crevice, use a can of compressed air to blow it out, taking care not to blow the water further inside the phone.

•**Use a fan, not heat.** Heat can quickly warp the phone's circuits and melt its delicate internal components. Try using a cool fan to blow air across the phone's open-

ings for at least a few hours.

•**Have a back-up plan.** Most people will accidentally drop their smartphone into water at some point, so be prepared by stocking up on products that have been proven to work. Solutions like the Bheestie Bag or Dry-All are specifically designed to dry out wet mobile devices. These products can often prevent lingering moisture that further damage the phone.

•**Collect desiccant packets.** Whenever free desiccant packages (such as silica gel) come with orders of shoes, electronics or other products, save them. Pour their contents into a container with an airtight seal. When a wet phone needs rescuing, place it in the container and the desiccant can help absorb the water.

•**Take the phone to your wireless carrier.** If these methods don't fix the phone, don't despair. Walk the store through what happened and the steps you have taken to try and fix it. Let the professionals take the phone apart, if necessary, since this process could potentially cause shock or exposure to harmful chemicals or components.

MAKING SENSE OF INVESTING

Congratulations Lydia Kahle

~ Associate of the Month ~

I would like to nominate Lydia Kahle for Employee of the Month. Lydia is extremely dedicated to her job at Brookdale. She makes the residents a priority and makes sure they receive the highest standard of care possible. I saw Lydia in action on her weekend and was extremely impressed with her initiative and her ability to work quickly but with extreme proficiency. Lydia handles the problems that come her way using appropriate judgment in determining the solutions.

Lydia is very supportive of coworkers and sets a great example of what a team player and role model of Brookdale should be like. She brings out the "best" in others. Lydia takes pride in her job, and displays a high degree of honesty, loyalty and integrity. She knows how to stay focused and how to balance work and school. Lydia is an asset to Brookdale Wayne.

A colorful discipline brings us closer to God

Through the centuries Christians have used a variety spiritual disciplines to help them draw close to God.

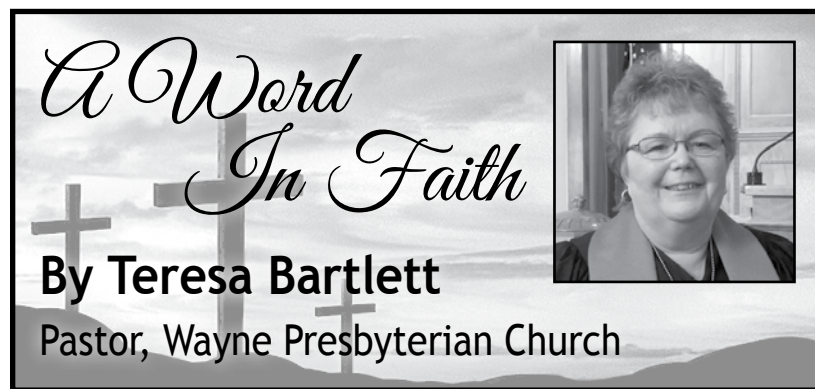

In a complicated, fast paced world it is difficult to find time for contemplation but spiritual practices can help us focus on our relationship with God and allow a break from daily pressures and concerns. Spiritual disciplines or practices are varied and include devotional and Bible reading, prayer, meditation, fasting and time in solitude. Today Christians are also using photography, writing and even coloring as a part of their devotional life.

For centuries art has been a part of religious experience. The Tibetan Buddhists practice the art of sand painting mandalas. The tradition uses colored sand laid on to a geometrical blueprint within a circle. The beauty and detail of the mandala as well as the hours of painstaking work are all a part of the act of creation. Each mandala is an object of meditation as it is being created. After the completion of the mandala and all accompanying ceremonies and viewings are finished, the mandala is ritualistically dismantled.

In the Christian tradition early art forms included illuminated manuscripts. According to the National Gallery of Art, illustrated manuscripts were hand-written and painted books which included ornate decorated initials, borders and miniature illustrations. The artwork generally included precious metals such as gold or silver. The term "illuminated manuscript" in common and modern scholarship is generally used for manuscripts from the Western tradition however Islamic and Jewish traditions also had illuminated manuscripts. Christian monasteries were the most frequent creators of the manuscripts which were for religious use as well created for the personal use and devotion of literate and wealthy patrons.

The creative process of making an illuminated manuscript was a time of religious devotion and prayer. The monks who created the manuscripts used bright colors to illustrate the religious texts telling the Biblical stories and of the glory of God. The hand-written, decorated manuscripts were generally on animal skin, commonly calf, sheep, or goat. The most prolific period of illuminated manuscripts was between 1100 and 1600 in Europe, however the creation of the printing press lead to a decline of the practice.

Interest in the art of illuminated manuscripts was revived in 1998

when Saint John's Abbey and University commissioned renowned British calligrapher, Donald Jackson, to produce a hand-written, hand-illuminated Bible. Jackson and his team created art for this Bible which combines calligraphy and the centuries old practice of illumination. You can learn more and see images from the exquisite St. John's Bible at these web sites; <http://www.saintjohnsbible.org/> or at <https://www.loc.gov/exhibits/stjohnsbible/stjohns-exhibit.html>.

From this historical snapshot we can look to today's interest in adult coloring and see the link to personal devotion and reflection. In an age where change happens rapidly and the world seems to be moving ever faster any an opportunity to pause, step away from the frenzy of activity that surrounds us for a time of quiet and to create space to feel God's presence is important.

Through participation in creative activity we remember the Triune God's creativity. Genesis tells us the story of creation, creation of the heavens, waters, land, plants, animals and humans. We are created in God's image as we are reminded in Genesis 1: 27; So God created mankind in his own image, in the image of God he created them; male and female he created them.

God has given each of us a spark of creativity and coloring, journaling or even doodling are ways our creative gifts might manifest themselves and help us draw closer to God. Coloring frees your imagination, just ask a 5

year old to explain their artwork to you. Coloring allows a creative outlet and an opportunity to step away from computers and smart phones. Artist or not, you can find all types of coloring books from complex floral or geometric shapes to books which allow you to complete the design, Bible stories and verses. Some newly produced Bibles have extra wide margins or illustrations in the margins to allow readers to color, doodle or record insights.

Lisa Nicholas Hickman, author of "Writing in the Margins: Connecting with God on the Pages of Your Bible" writes "Something happens in spiritual formation when heart, mind, spirit and hand converge in the process of reading, praying, reflecting and then drawing, doodling or writing in the margins of the Bible." Like the monks who prayerfully created beautiful illuminated manuscripts, our creative offerings whatever our ability, should be approached with the same openness to God's presence.

While one aspect of the coloring is for personal devotion many churches are incorporating coloring into the life of the congregation. I have read that some churches are offering extra wide margins in their bulletins to allow space for recording thoughts, insights, doodling or drawing images. Recently at First Presbyterian we had an opportunity to try out this colorful practice; about 10 adults and youth sat together on a Sunday morning coloring Bible verses or an image of that day's Bible story. In that setting not only was the creativity of the individuals released but so was conversation around the table sharing stories and experiences. For many it had been years since they had picked up a colored pencil or crayon still there was a common bond as they created together, each one being creative as God had gifted them.

Coloring, Bible journaling with images and words as well as writing in the margins of your Bible can be practices of contemplation, allowing space to experience God through creative expression. These practices can also be part of practices of fellowship and reflection as a faith community. Just as other spiritual practices can calm and re-center our focus, the practice of drawing or coloring allows space to experience God in a colorful new way.

Minvera members begin new club year

Members of Minerva Club gathered Sept. 25 in the home of Fauneil Bennett to begin the 2017-18 year. Eleven members were present.

President Mary Ann DeNaeyer read "Squirrels vs Church", "Show and Tell" by a Kindergarten Class and other humorous poems.

Members enjoyed a look back at the club's 120th anniversary year when Historian Hollis Frese

displayed a folder with a page of pictures and minutes from each meeting. She also displayed a photo album anniversary gift from Acme Club.

In keeping with this year's theme of exploring the United States, Fauneil Bennett presented a program about the state of Florida. Florida became the 27th state in March of 1845. Explorer Ponce de Leon arrived in the Florida area

in 1513 and named the area "land of flowers". The program revolved around learning about different tourist areas in Florida. Members added comments about what they knew from visiting the state of Florida. Sharing current events about hurricane destruction highlighted the program.

The next meeting will be Monday, Oct. 9 at the Senior Center with Marian Clark as hostess.

Eagles Auxiliary plans October events

The Wayne Eagles Auxiliary met Oct. 2 with President Amber Schlines presiding.

The MDA Poker Run was successful. With almost double the riders, \$1,600 was raised. This total amount goes to, and stays in the state of Nebraska.

New members initiated into the auxiliary were Kendall Gamble, Hannah Gamble, Kim Hirshman, Abigail Pihhal and Lauren Gilliland.

The Watkins Party will be held at the club on Tuesday, Oct. 24 from 5 to 8 p.m. It will be a cash and carry event for most of the products. Orders can be given to Cheryl Henschke or more informa-

tion can be obtained from her.

The Eagles Club will be having an entry in the Wayne State College Homecoming Parade. Anyone wanting to walk and hand out candy is asked to contact Jan Gamble.

On Friday, Oct. 27 the annual Witches, Warlocks and costumed friends will meet at the club at 7 p.m. There will be games, food, costume prizes, raffle prizes and special drinks and surprises. The cost is \$10 with donations being divided between the State President's Projects and the local humanitarian charities.

Silent witness

The 21st Annual Life Chain in Wayne was held Oct. 1. Residents from throughout the area gathered at Seventh and Main Streets to form a cross and spent an hour in peaceful prayer for an end to abortion. Above, a group of those in attendance posed for a picture before the event. Below, Fr. Jeff Mollner of St. Mary's Catholic Church offered a prayer to conclude the day's event.

Don't Wait to Start on a College Savings Plan

Outside of retirement and purchasing a home, there may be no more important financial goal that requires preparation than your children's higher education tuition. While saving for college may seem daunting, planning early and saving thoughtfully can make the goal more attainable for many parents. Here are four steps that can help along the way.

1. Estimate college costs

Take a realistic look at what higher education costs are likely to be once your child is ready to attend. Even if your son or daughter is still learning to walk, you're able to estimate your college bill. Historically, the cost of college has risen faster than the standard rate of inflation. According to The College Board's Trends in College Pricing 2016 report, the average tuition and fees at public four-year colleges increased at an annual rate that was 3.5 percent beyond the broader inflation rate between 2006 and 2016. Check out free online college savings calculators to estimate tuition and fees at public or private institutions, such as the website SavingforCollege.com.

Use the estimate as a guideline for a conversation with your spouse about how much you'd like to contribute to your child's education. Do you wish for your child to contribute? Will you cover the cost of books, room and board, and extracurricular fees? If you have multiple children, what will your financial strategy be if your children choose different college paths (e.g. private school vs. public, 2-year vs. 4-year, graduate school, etc.)?

2. Start setting money aside as soon as possible

There is no substitute for saving. Your future self - and your child - will thank you for starting early. Craft a habit-forming strategy, such as saving a set amount each month, putting aside a regular bonus or raise, or saving your tax refund. Remind yourself that even a modest amount will make a big difference in tackling your child's tuition.

When you're ready to put your money to work, choose a savings vehicle that is right for your financial situation, risk tolerance and goal amount. One of the most popular options is a 529 plan, which is specifically designed to help families save for higher education. Money invested in a 529 is run by a state or educational institution, although you have a choice of investments. When money is withdrawn for qualified education expenses, no taxes are due on earnings accumulated in the account.

Other tax-advantaged savings options include Uniform Gifts to Minors Act (UGMA) accounts, Uniform Transfers to Minors Act (UTMA) accounts, tax-exempt savings bonds, and Coverdell education savings accounts. There are also taxable account options, allowing you to choose the vehicle that works best for your family.

3. Research financial aid options

It may be difficult to save enough to cover every education expense, particularly for families with multiple children or if you're balancing other financial goals. Scholarships, grants and loans may help you fill potential gaps. The U.S. Department of Education allows you to forecast your family's eligibility for federal student aid before you fill out the Free Application for Federal Student Aid (FAFSA) when your student applies for college. Even if you don't anticipate needing federal aid, completing a FAFSA may be required if your child wants a work-study job or to qualify for merit-based aid through the institution. Many scholarships are available to high schoolers of all grades, so encourage your child to research local opportunities.

4. Revise your savings plan as your child ages

Periodically revisit your strategy, to make sure it's on track to meet your financial goals. Remember, you can re-prioritize and save more as college move-in day approaches. As your child ages, bring him or her into the conversation. Discuss the level of support you will provide. Help your child consider various career paths and higher education options, evaluating them to see if they are realistic and within your budget. While other factors will play a role in determining the school that is the best fit for each student, it is important to factor in the cost as one of those considerations.

Overcoming the challenge of paying for higher education starts with a plan. Understanding the real costs of college tuition and fees helps you craft an effective strategy to reach your financial goal.

Town Twirlers hold celebration

The Laurel Town Twirlers Square Dance Club held a 50 year celebration for their club on Sept. 24. Over 70 people came for an afternoon of square dancing, sharing memories, fun and fellowship at the Laurel City Auditorium.

Jerry Junck was the caller for the dance. Fifty years ago he called the first dance for the Laurel club, and many dancers received their lessons and earned their square dance diplomas with his guidance through the years.

Court and Darlene Roberts of Allen have been dancing with the club all 50 years. They currently serve as the club's treasurers. The youngest dancers in the group, James and Sara Gubbels of Pierce, also attended the dance. They are the third generation in their family to square dance and they bring their two pre-school boys with them to the dances.

The Town Twirlers continue to dance on the second and fourth Sunday afternoons September through April at the Laurel City Auditorium. The public is always welcome to come to the dances free of charge.

Square dancing is for all ages, and a wonderful and economical form of exercise and entertainment. If you would be interested in learning to square dance, please contact Randy and Jenny Gubbels of Randolph for more information.

(above) This photo was taken at a dance in Laurel approximately one year ago. Pictured are club officers and shows that square dancing is enjoyed all over the world. (left) Court and Darlene Roberts, who serve as treasurers of the club; Randy and Jenny Gubbels, who serve as presidents; Oliver and Andrea Koester, guests from Germany and Sherry Bear, vice-president of the club. Below, dancers from throughout the region helped the Laurel Town Twirlers celebrate their 50th year of existence.

We need to focus on good news

The Farmer's Wife
By: Pat Meierhenry

I just read an article about an author who used to teach at Nebraska Wesleyan and wrote novels that take place in Holt, Colorado. When he was writing, he would go to his keyboard with a cap over his eyes and just start in. Imagine!

Now, I was a champion typist in high school, and our teacher's goal was a perfect paper without looking at the keys, but that didn't always happen. In fact, most of the time, it didn't. Today, I'm frequently on the wrong row, or I accidentally hit the CapsLock key, or for some odd reason, the first letter of the next word ends up at the end of the last one! Frustrating! And it slows me down.

Well, I wasn't planning to discuss my keyboard woes tonight. Actually, I wasn't planning to discuss mass

shootings, either, but I'm having a hard time getting the scenes out of my head. It's just become so common!! And that is frustrating!!!

As in the case of the hurricanes and earthquakes, we have to give thanks for the first Responders, and all the professionals, and then, all the common folks who just dug in and helped in any way they could. It's an antidote to the bad news, just to see that there are so many good folks in the world.

I find that I need to focus on the good news, because there seems to be so much of the other kind. For instance, the death notice of a Holocaust survivor who found Bach's music her antidote to all that went on in the camps. In later years, she learned to play the harpischord, which was

his instrument, and recorded ALL of his music!! Such a feat. Johannes S. Bach was a prolific composer.

But it's such an example of the power of music. As if we need more examples, I like to collect them, and whip them out at peak times. This is another peak time. This year, there have been so many. I think it's why the fund raisers we have seen have been by musicians, because they know it's the one thing they can offer. I admit I haven't appreciated a lot of the music, but I'm thankful for the efforts.

Meanwhile, all we can do is pray. As a friend told me when my Father was dying, "that's the most we can do, is pray." And send a donation, and hope that the grieving families can find a measure of comfort in the fact that the country grieves with them.

Scout outing

(Contributed photo)

Members of Winside Cub Scouts Pack #179 visited the Nebraska Game and Parks office in Norfolk on Sept. 27. They enjoyed looking at many different types of bugs, trees and flowers at the outdoor classroom. They used nets to catch butterflies. Finally, they touched, and a few boys even held, a real snake. These were all things they needed to complete some of the cub scouts requirements.

Meetings upcoming, time to get thistles under control

It's a bit early but in November we will be having a couple of meetings that may be of interest to area farmers and/or spouses.

On Tuesday, Nov. 14 we will have a grain marketing workshop at the Wayne Fire Hall. The next week, on Tuesday, Nov. 21, also at the Wayne Fire Hall, we will have a workshop on what to do you do once you have inherited a farm. More details will come in the next few weeks but I want you to put it on your calendar.

Harvest is going to keep people busy but at the same time it's prime time to get the best thistle control. Our Forage Specialist Bruce Anderson reminds us that even if they are hard to see,

this is the time to control them. Timing is everything. That's particularly true with thistle control. And October to early November is one of the best times to use herbicides.

Did you have thistles this year? If so, walk out in those infected areas this week. Look close. I'll bet you find many thistle seedlings. Most thistle seedlings this fall will be small, in a flat, rosette growth form, and very sensitive to certain herbicides.

Several newer herbicides like ForeFront, Milestone, and Chaparral work well for thistle control. Two other very effective herbicides are Tordon 22K and Grazon. Be careful with all these herbicides, but especially Tordon

and Grazon, since they also can kill woody plants, including trees you might want to keep. Another option is 2,4-D, which works well while it's warm; however, you will get better thistle control by using a little less 2,4-D and adding a small amount of banvel (dicamba) to the mix.

Other herbicides like Redeem, Cimarron, and Curtail also can control thistles in pastures. No matter which weed killer you use, be sure to read and follow label instructions and spray on time to assure cleaner pastures next spring. Next year, avoid overgrazing your pastures so your grass stands get thicker and compete with any new weeds or thistle seedlings.
