Foundation presentation

A check presentation was held during last Friday's Wayne High football game. The money (\$1,385) represented the proceeds from this year's Taste of Victory Tailgate event. Pictured are (left) Scott Hammer, Melissa Nelsen, Brandon Foote, Molly Redden, Brandon Hall, Jim Frank, Justin Davis and Irene Fletcher. The event was organized by the Wayne Area Economic Development Office and involved a number of local chefs.

Quilting Angels donates quilt to raise funds for Careage Campus of Care

Quilting Angels, a local quilting group is aiding Careage Campus of Care in raising funds.

Mary Rastede, Vickie Greve, Joanne Puckett, Diane Peterson and Cindy Echtenkamp, otherwise known as Quilting Angels, got together to create a large quilt, which was then donated to Care-

age to be raffled off. Funds from the quilt raffle will go towards replacing the care facility's ice cream machine.

For quilting fans, the work will be on display at various locations around Wayne. Careage, BankFirst, Elkhorn Valley Bank, Wayne Greenhouse and State Nebraska Bank will all host the quilt.

Raffle tickets are \$2 for one ticket or \$5 for three tickets. The drawing will be held at State Nebraska Bank on Dec. 21.

Tickets can be purchased from any of the quilters or from BankFirst, Elkhorn Valley Bank, F&M Bank, Wayne Greenhouse in Wayne or The Quilt Shop in Wakefield.

International Student Spotlight

International Friendship Families help WSC students connect to Wayne

Most college freshmen will tell you starting college is stressful. Starting college in a new country can add another layer of stress, confusion and worry. Luckily for the nearly 40 international students at Wayne State College, there's a whole host of resources available to help make the transition smooth.

One of those resources is International Friendship. International Friendship pairs students with families in the Wayne community. Those families often spend some free time with international students and help them adjust to life in Wayne. The group started in the fall 2017 semester and was initially organized by WSC staff member, Mary Carstens, learning skills specialist at the Holland Academic Success Center.

"My job is to work with all students as far as being an advisor, teaching a freshmen experience class and doing academic coaching, but I got to know some of the international students and felt like they needed a

little more connection with the community and also just give some understanding of how things work in Wayne and to not feel like they're isolated in this little pocket of campus," Carstens said.

Carstens said the first year many of the families were people she knew from her church or from Rotary Club. Host families were usually empty-nesters, but Carstens began working to find younger families as well. International students are paired based on interests. Some even request families with kids or pets to help keep homesickness at bay.

The families help the students with transitioning to life in America, but also life in Wayne. Carstens and Leah Keino, director of WSC's Multicultural Center and International program, said common questions run from mundane things like how to acquire a driver's license, to the complex, like dealing with international insurance. Host families can help answer some of those questions and provide support to the

students. In turn, Friendship families get to learn about new cultures.

"Some of them are empty-nesters, so it's just nice to be around young people, but also, you learn more about cultures and ways to interact with people," Carstens said.

WSC's active international student community is also paying dividends for the school. Programs like International Friendship are helping to attract new students. Keino said one parent whose child won't even start studying at WSC until 2019, is already following the various social media accounts for international student groups on campus.

"International parents do a lot of research about the community their children are going to, so it's a really good thing for them to see," Keino said.

International Friendship Families is open to new volunteers. Those interested in helping international students feel at home in Wayne can contact Mary Carstens at macarst1@wsc.edu.

School board listens to information on school upgrades

By Clara Osten,
clara@wayneherald.com

Information on the possibility of upgrading the heating, ventilation, and air conditioning systems at Wayne Elementary, as well as several other projects in both buildings was presented to the board during Monday's meeting of the Wayne Community Schools' Board of Education.

Randy Herrick with CTS Group, spoke to the board on the work his company does and noted that since 2000, they have competed 300 projects in regard to helping their clients with energy savings. These projects involved both new construction and renovation and approximately 70-80 percent of their business is with school districts.

"We (CTS) want to earn the trust of our customers and build relationships," he said.

Herrick told the board he had visited the school several months ago and determined several areas that needed attention.

He said the heating system in the elementary school is at the end of its life and a cooling tower is not performing well. In addition, there are humidity issues at the elementary school.

Herrick said the district could see a \$20 - 30,000 savings in energy costs per year with an upgraded system.

In addition, he spoke of the need to upgrade several of the bathrooms at the junior-senior high school to meet ADA requirements.

"The total cost for all the projects is approximately \$2.3 million. There are funds available at one percent interest for energy projects and we all know, prices will continue to go up," Herrick said.

He then listed a time line for the district to move forward with the project to have

work completed during the summer of 2019.

The board's facility committee planned to meet before the November board meeting and present a recommendation on the next step in the process.

In other action, the board accepted a snow removal bid from Sebade Snow Removal in a two-year agreement. The rate of \$110 per hour is the same as in the previous contract.

A refuse removal bid was accepted from Gill Hauling for \$550 per month. This is the same rate the district is currently paying.

Discussion was held on the school board's involvement with motivational messages that have been put up by Board President Wendy Consoli.

Board member Lynn Junck said he had concerns about these messages being attributed to the board, as the board is not an administrative body.

Following discussion, it was determined Mrs. Consoli could put the messages up if they were attributed to her as board president, rather than from the board.

Superintendent Mark Lenihan presented information on the school's adjusted value report, the district's option enrollment numbers and a policy in regard to early retirement incentives.

Superintendent Lenihan told the board the AdvanceED External Review will take place Dec. 3-6 and board members will be interviewed during the visit.

A candidate forum for all local candidates on the November General Election ballot will take place at the Wayne High Lecture Hall on Monday, Oct. 22 at 5:30 p.m.

The Wayne Community Schools Board of Education will next meet in regular session on Monday, Nov. 12 at 5 p.m. in the junior-senior high school library.

Day of remembrance

Thursday, Oct. 4 marked five years since Wayne's tornado. In lieu of the regular Friday Chamber Coffee, the public was invited to the Wayne Airport to mark the anniversary by gathering together and celebrating the progress the town and its residents have made since the storm. Among those who spoke were then-mayor Ken Chamberlain (above), and John Dunning (below), who was injured in the tornado.

Obituaries

Arland Ulrich

Arland Aurich, 92, of Wayne, died Wednesday, Oct. 3, 2018 at Good Samaritan Society in Beatrice.

Memorial services will be held at 2 p.m. Saturday, Oct. 13 at Our Savior Lutheran Church in Wayne. The Rev. Jeannie Madsen and Rev. Kristin Van Stee will officiate. Burial with military rites will be in Veterans Memorial Cemetery in Wayne. Memorial visitation will be Saturday at the church from 12:30 p.m. until service time with family present.

Memorials may be made to Our Savior Lutheran Church or VFW Post 5291 in Wayne.

Arrangements are with Hase-mann Funeral Home of Wayne.

Arland Elmer Aurich was born at his parents' home in Stanton County on Jan. 29, 1926, the second child of Elmer and Martha (Dahlkoetter) Aurich, joining an older brother, Obert. He would later be joined by a younger sister, Lorna. He was baptized March 21, 1926 and confirmed at St. John's Lutheran Church near Beemer in 1941. He began helping his father on the farm while attending Beemer Public School. In October of 1950 Arland began his service in the U.S. Army and was a member of the 179th Infantry Regiment- 45th Division serving overseas during the Korean Conflict. Upon receiving his honorable discharge in September 1952, he returned to Nebraska to resume farming with his father and brother until purchasing his own farm southeast of Winside. There he raised corn and beans and fed fat cattle and hogs.

On Sept. 16, 1967 Arland married his soul-mate and partner in life, Dorothy (Beyeler) Jorgensen. He was a brave man... choosing to fall in love with a woman who had five children between the ages of 17 and 21. With an instant family of five step-children, it wasn't long before Arland became a grandfather and his 13 grandchildren will tell you they were blessed to have the best 'Grandpa' any child could ask for.

The Aurichs became members of St. Paul Lutheran Church in 1972, which would later become Our Savior Lutheran Church. The couple made their home on a farm southeast of Winside, until moving into Wayne in 1990. After retirement, Arland began doing woodworking and although he sold some of his work at craft sales, most of his masterpieces are functional possessions displayed proudly in the homes of his children and grandchildren. The couple moved to The Oaks in 2011 where they enjoyed playing Bingo and cards and spending time with the many friends there. Dorothy died in September of 2013 and Arland eventually moved to the Good Samaritan Society in Beatrice to be closer to his daughter, Patricia (Jorgensen) Crosier, who would spoil him with vanilla milk shakes, orange candy slices and bake goods.

Arland was a member of the VFW Post 5291 and the 179th Infantry Division in Wayne.

Survivors include two sons, Bruce and Connie Jorgensen of Gold Canyon, Ariz. and Leon and Carolyn Jorgensen of Hot Springs Village, Ark.; two daughters, Patricia and Rick Crosier of Beatrice and Deanna and Emery Field of Bozeman, Mont.; a sister, Lorna Wegner of Omaha; a brother-in-law, Ken and Dotti Beyeler of Cody, Wyo.; a sister-in-law, Beverly (Beyeler) Esmeier of Yuma, Ariz; 13 grandchildren, Shelly (Kelly) Elliott, Randy (Tammy) Klein, Ruane LaMarine, Inger (Michael) Povlich, Alicia (Chris) Beelendorf, Carmen (Mike) Emory, Theresa Klug, Shannon (Brian) Lininger, Nicole (Jeremy) Joy, Josh (Greta Crosier), Jason (Sarah) Crosier, Clint (Traci) Field and Chad (Chelsey) Field; 27 great-grandchildren; five great-great-grandchildren; nieces and nephews.

He was preceded in death by his wife of 46 years, Dorothy, in 2013; his parents and his brother, Obert Aurich; a daughter and son-in-law, Sandra (Jorgensen) Klein and Donald M. Klein; five brothers-in-law and five sisters-in-law.

Honorary pallbearers will be Bruce Jorgensen, Leon Jorgensen, Rick Crosier, Emery Field and Kent Ulrich.

Pallbearers will be Byron Kalin, Blair Kalin, Gary Flanders, Greg Lackas, Monte Lowe and Doran Burmood.

Honorary pallbearers will be Veronica's grandchildren and great grandchildren.

William 'Grumpy Bill' Scott

William "Grumpy Bill" Scott, 76, of Manchester, Iowa, died Friday, Oct. 5, 2018, at the Regional Medical Center in Manchester.

A Celebration of Life will be held at "Grumpy Bill's", 121 South Franklin Street in Manchester, starting at 4 p.m. on Thursday, Oct. 11. The family asks that you wear your favorite team gear.

Leonard-Muller Funeral Home is assisting the family with the arrangements.

William "Grumpy Bill" Scott was born May 29, 1942, in Denison, Iowa, the son of George and Frances (Helbling) Scott. Bill was raised and educated in Dow City and graduated from Dow City High School in 1960. He then attended Creighton University. In 1964 Bill joined the United States Navy and served honorably from 1964 to 1970 during the Vietnam War. In 1970 Bill purchased his first bar in Wayne. In 1978 he moved to Denison, Iowa, and opened his second bar, "The Rib Cage." Over the years, Bill owned bars in Marion, Delhi, and most recently owned "Grumpy Bill's" in Manchester. He was an avid New York Yankees and Iowa Hawkeyes fan. Twice during his life Bill enjoyed canoeing the Mississippi River from Lake Pippin, Minn. to Memphis, Tenn. Bill enjoyed being with other people and was a proud supporter of fellow veterans.

Survivors include his son, J.W. (Jess Darrow) Scott of Altoona, Iowa; two granddaughters, Anna and Ella; his brother George; and his sister, Barb.

He was preceded in death by his parents; and his brother, Michael. Online condolences may be sent to www.leonard-mullerfh.com.

Sharing camp stories

Trinity Surber (center) and Andrea Casillas (right) spoke at a recent Wayne Kiwanis meeting. The two shared their experience while attending the Kiwanis-sponsored Camp OK this summer. The two Wayne seventh graders attended the camp in Boone, Iowa and shared with the Kiwanis Club members their favorite parts of the experience. Among the goals of the camp is to develop future leaders and allow students who may not otherwise attend a camp to do so. The Wayne Kiwanis Club works each year with the local school to select two participants for the camp. With the girls is Kim Lubberstedt, K-8 Counselor (left). The Wayne Kiwanis Club meets each Monday at noon at Tacos' & More.

Jim Kenny

Jim Kenny, 65, of Carroll, died Monday, Oct. 8, 2018 at Faith Regional Health Services in Norfolk.

Services will be held Friday, Oct. 12 at 10:30 a.m. at the United Methodist Church in Carroll. Visitation will be Thursday, Oct. 11 from 5 to 7 p.m. at Hasemann Funeral Home in Wayne with family present. Burial will be in Elmwood Cemetery at Carroll.

Memorials may be directed to Carroll United Methodist Church Building Fund. Arrangements are with Hasemann Funeral Home of Wayne.

James (Jim) J. Kenny was born March 28, 1953, to Merlin and Margaret (Woods) Kenny. He was the second oldest of their seven children. Jim grew up on the Woods' family place west of Carroll. He attended Country School, District 56. While in Wayne High School, Jim participated and lettered in football and baseball. He was a member of the state champion baseball team in 1968 and 1970. Jim graduated Wayne High School in 1971. He attended Wayne State College for a year, and then he took off to explore the U.S. He lived in lots of places and worked different jobs for several years. Jim went into the dairy business with his brother, Joe, for 14 years. After Jim left the business, he purchased the 'Thelma Woods' property and a semi-truck. He did long distance trucking for several years before retiring.

Jim was an avid sports enthusiast. He loved to participate in, watch, and discuss all aspects of football, basketball, baseball, and golf. In his retirement, Jim played thousands of rounds of golf, making many close friends that way. Jim enjoyed shopping for gifts for the Kenny gals for Christmas. He found some items at truck stops, and even brought back jewelry from Hawaiian vacations. He was very dedicated to his family and friends. Jim received a cancer diagnosis in February of this year, and fought fiercely to live. Taking his cancer treatment religiously, in March he experienced a miracle and for a few months lived life as he wanted. He was brave and determined to survive, but unfortunately the cancer returned, and it was out of his hands. Jim lost his brave battle.

Survivors include his mother, Margaret Kenny of Wayne; siblings, Ruth and Mike Gearhart of Omaha, Sally and Arnie Siefken of Jamestown, N.D., Jill and David Jones, Caldwell, Idaho, Joe and Kelly Kenny and Bob and DiAnn Kenny, all of Carroll; 15 nieces and nephews and 20 great nieces and nephews. Ron Janke was a very close friend of Jim's, especially helping him in countless ways this past year.

He was preceded in death by his father, Merlin Kenny; a brother, Rick Kenny; niece, Jade Siefken, and nephew, Wayne Gearhart, as well as two special cousins, Doug Kenny and Tim Reimers.

Wayne Elementary students follow Dean Jacob's lead during his presentation about the Mississippi River. Jacobs frequently visits Wayne Elementary and is a student-favorite.

Dean Jacobs returns to Wayne Elementary School

World explorer and Fremont-native Dean Jacobs returned to Wayne Elementary School on Tuesday, Oct. 9.

Students heard about Jacobs' two-month journey following the Mississippi River for 2,300 miles from its source to its mouth in a program called, "Wondrous Mississippi."

Through photos and videos made along the way, students got to experience the trip with Jacobs who combined a high-energy speech

with history and biology lessons.

Jacobs also spoke about the generous people he met during the trip down the Mississippi and assured the students good people are everywhere, even if they don't make the news. He also reminded students to "dream big, live tall and make the world a better place."

Jacobs gave his presentation to students during two assemblies, had lunch with a small group and conducted writing workshops for specific grades.

Wayne Elementary Boosters (WEB) sponsored of this event, making it Jacobs' sixth visit to Wayne Elementary. To learn more about Jacobs, visit his website at www.deanjacobs.org.

WEB is a parent-teacher organization working to promote the educational growth and well-being of our elementary school children. For more info on WEB, visit www.wayneweb.org or like us on Facebook.

Nebraska Corn is seeking seven college students for annual internship program

It's only October, but it's not too early for college students to begin thinking about summer internship experiences. The Nebraska Corn Board (NCB) and the Nebraska Corn Growers Association (NeCGA) are seeking applicants to take part in seven internship experiences beginning in May 2019. The seven internships vary in location and scope, but are designed to provide students with an overview of Nebraska's corn industry through real-world professional examples and experiences.

Five of the seven internships are summer-long experiences that are based outside of Nebraska. These five experiences are with cooperating partners of the Nebraska Corn Board. The remaining two positions are yearlong internships where students work in the NCB or NeCGA offices in Lincoln.

Nebraska Corn internship opportunities for 2019-2020:

• Communications and Market

Development Internship hosted by Nebraska Corn Board, in Lincoln, Neb. from May 2019-2020.

• Marketing and Communications Internship hosted by the National Corn Growers Association in St. Louis, Mo. during the summer of 2019.

• Public Policy Internship hosted by the National Corn Growers Association in Washington, D.C. during the summer of 2019.

• Promotion and International Relations Internship hosted by U.S. Meat Export Federation in Denver, Colo. during the summer of 2019.

• International Relations Internship hosted by the U.S. Grains Council in Washington, D.C. during the summer of 2019.

• International Agricultural Relations Internship hosted by the U.S. Grains Council in Panama City, Panama during the summer of 2019.

• Communications and Policy Internship hosted by the Nebraska Corn Growers Association in Lin-

coln, Neb. from May 2019-May 2020.

"Nebraska Corn has been supportive of student development through internship experiences for decades," said Kelly Brunkhorst, executive director of the Nebraska Corn Board and Nebraska Corn Growers Association. "Not only do these internships help students gain real world experiences, but they also help develop the next generation of leadership for the ag industry. It's been exciting to see where our former interns have landed, and we look forward to working with future interns to help them solidify their passion for agriculture."

Nebraska Corn internships are open to all college students, with a preference given to students enrolled in colleges or universities located in Nebraska. The application process can be found online at <http://nebraskacorn.gov/who-are-you/student/leadership-development/internships/>. The submission deadline is Friday, November 2, 2018.

Time to Flamingle

A large crowd was on hand for the annual Pink Flamino Nite at Our Savior Lutheran Church on Oct. 4. This year's theme was "Time to Flamingle" and included a light meal and entertainment by Comedian T. Marni Vos. The event is designed as a time for fellowship and the opportunity to learn about self care in regard to cancer prevention.

Wayne State College announces pair of concerts

Wayne State College has announced two fall concerts, a clarinet recital and tuba ensemble.

Wayne State College Department of Music presents Tuba and Friends featuring Dr. Josh Calkin, Instructor of Low Brass, Wednesday, Oct. 24 at 7:30 p.m. in Ley Theatre. The concert is free and open to the public.

Tuba and Friends features an array of chamber music highlighting the tuba in various ensemble combinations. Joining Calkin on

stage is Dr. David Bohnert, trumpet; Dr. Melissa Derechailo, horn; Dr. Karl Kolbeck, alto saxophone; Lauren Calkin, marimba; and Shelly Armstrong, piano. Calkin is an Adams Brass performing artist.

Compositions weaved with texture, grace, and fervor punctuate the Dr. Karl Kolbeck Faculty Clarinet Recital, Friday, Nov. 2 at Wayne State College. The 7:30 p.m. performance in Ley Theatre includes piano accompaniment by

Shelly Armstrong. The concert is free and open to the public.

Included in the repertoire is the skillful interaction of the clarinet and piano in a piece by Camille Saint-Saëns as well as more serious, ethereal, and playful compositions. The distinct contrast offers an entertaining performance by accomplished professionals.

For more information about either performance, contact the WSC Music Department at (402) 375-7359.

Turman next Nebraska State College System Chancellor

The Nebraska State College System Board of Trustees Chair, Gary Bieganski completed the negotiation process and entered a contract with Paul D. Turman, Ph.D. to be the next Chancellor of the Nebraska State College System.

"I am very pleased that the Board of Trustees have placed their faith in my ability to guide the Nebraska State College System in the years to come. This January I look forward to working with the Board, college presidents, and the staff to continue the great work that is underway to provide postsecondary opportunities that can drive the workforce needs for Nebraska," said Chancellor-Designate Paul D. Turman, Ph.D. "Additionally, I'm excited about working with leadership across the many education sectors to maintain and further expand the partnerships needed to meet the evolving educational attainment needs for the state."

"Our goal was to find the next leader of the State College System who could build upon the strong foundation Chancellor Carpenter put in place," said Gary Bieganski, Chair of the NSCS Board

of Trustees. "Dr. Turman is that leader, and I have great confidence in his leadership qualities and commitment to the State Colleges' continued success."

On October 1, 2018, the Board of Trustees unanimously selected Dr. Turman to be the next Chancellor of the Nebraska State College System (NSCS). Turman will succeed Chancellor Stan Carpenter, who announced his plans to retire last May. Carpenter's last day will be January 2, 2019. Dr. Turman will begin his role as NSCS Chancellor on January 2, 2019, and his annual salary will be \$270,000.

Turman is the System Vice President for Academic Affairs for the South Dakota Board of Regents. He provides leadership for the academic and research functions of the South Dakota Regental system by managing system initiatives targeted at improving student preparation, progression, and completion through efforts to improve time to degree, increase affordability, and foster collaborative programs. Dr. Turman leads six areas in the Regental system including Research and Economic Development, Institutional Re-

search, State Scholarship Programs, New Program Approval, the Regental Library Consortium, and Instructional Technology.

As System Vice President for Research & Economic Development, Dr. Turman provided his leadership to advance the grant, research, and scholarly goals in the Regental system by working with state government leadership, including the Governor, Executive Branch Agencies, and legislators, in making university research efforts effective for South Dakota.

Turman has been part of the South Dakota Board of Regents since 2006. He began as the Director of Academic Assessment; then became the Associate Vice President for Academic Affairs in 2008; became the System Vice President for Research & Economic Development in 2012; and started his current role as System Vice President for Academic Affairs in 2014.

Turman received his Ph.D. from the University of Nebraska - Lincoln in Interpersonal Communication; his M.A. from South Dakota State University in Communication; and his B.S. from South Dakota State University in General Studies/Art Minor.

Toni Rasmussen's Plant Science students got out of the classroom for some practical education. The class planted trees they were able to obtain through the Free Trees for Fall ReTree Planting program

Wayne High Plant Science students gain hands on experience planting trees

Thanks to the Free Trees for Fall ReTree Planting program, an effort of the Nebraska Forest Service and the Nebraska Statewide Arboretum, Wayne Community Schools and Wayne Ag Education received 10 trees to enhance the landscape of the school.

Plant Science students learned how best to plant the trees and about the potential diseases of trees from Jordan Widner, Director of Maintenance at Wayne Community Schools.

Despite providing a wide range of social, economic and environmental benefits, most Nebraska community forests have been in steady and sometimes dramatic decline. Many challenges contribute, including extreme weather, insects, disease and lack of diversity. The Emerald Ash borer is the latest major challenge added to the list.

In an effort to stop this decline and increase community forest resilience, the Free Trees program grants up to 10 high quality trees for tree-related educational events and community celebrations promoting trees and fall planting.

In addition to simply planting more trees, the program goals include increasing appreciation and awareness of the value of community forests in Nebraska. Special emphasis is placed on species diversity and higher impact proj-

ects, especially street tree planting and projects in neighborhoods of highest need.

Free Trees for Fall ReTree Planting is supported by the Nebraska Statewide Arboretum's

Trees for Nebraska Towns Initiative funded by the Nebraska Environmental Trust, and by the Nebraska Forest Service's Landscape Scale Restoration grant funded by the US Forest Service.

Aventure Staffing to hold wine social

Aventure Staffing will be teaming up with Wayne Area Economic Development (WAED) to host a wine social on Friday, Oct. 19 from 5-7 p.m.

Aventure Staffing offers staffing and professional placement services in several locations. Wayne's Aventure office is located at 1022 Main Street.

WAED marketing, events and tourism coordinator, Abby Schademann said the staff had approached her about potentially hosting some sort of event from their new loca-

tion in what used to be the college bookstore.

"They haven't really hosted anything since they moved to their new location so we thought it would be a good opportunity for them to showcase that and highlight what they do," Schademann said.

WAED rotates between hosting Business After Hours and wine socials to provide time for professionals to let their hair down but still be able to network.

At the wine social, Johnnie Byrd Brewing Company will be providing

the bar. Those in attendance will be offered Johnnie Byrd beer or a selection of Nebraska wines offered at the brewery. Drink tickets for wine or beer are \$4.

Schademann said she and the WAED office are looking forward to working with Aventure.

"We are very happy to have Aventure in the community," Schademann said. "They help a lot of different businesses find employees and help take that on."

For more information, contact the WAED office at (402) 375-2240.

Undefeated Blue Devils cruise to C-5 district title

By MICHAEL CARNES
For The Herald

With an undefeated record and a spot in the state tournament already secured as the No. 1 team in the state, one couldn't blame the Wayne Blue Devils if they were to take it easy as they entered post-season play.

Going in as the dominant team in the Class C wild card point standings and playing on their home field in the C-5 district tournament, it would have been easy to cruise into the state tournament and not put forth that much effort in winning a district title, knowing that a spot in the state tournament was pretty much a lock.

Yeah, right.

The Blue Devils bats came out to play Thursday and Friday at the Summer Sports complex as the Blue Devils cranked out 41 runs in just 11 innings of work, while the opposing bats were better served to have been left on the bus as Tori Kniesche allowed just two hits in three games, capping Wayne's run to the district title with a 19-0 blowout of Boone Central/Newman Grove to improve to 31-0 and cement their position as the team to beat in this week's state tournament.

While a lot of talk about the team has centered around its junior pitcher — who passed the 300-strikeout mark with eight strikeouts in the championship game — it was the Blue Devil bats that spoke the loudest as they rang loud and clear in an opening-round 10-0 win over Highway 91 on Thursday and blowouts of 12-0 and 19-0 against the Cardinals on Friday.

"They dominated in every part of the game from pitching to hitting to making the defensive plays we needed to make, everything was spot on," coach Rob Sweetland said after the game. "I have just been letting them loose and they're doing everything well."

The Blue Devils wasted no time on Thursday in their win over Highway 91, putting two on the board in the first inning when Maysn Dorey hit a leadoff double and Kayla Fleming followed with a two-run homer down the left field line.

The Blue Devils broke the game open in the second with eight runs

on six hits, highlighted by a two-run bomb by Sidney Biggerstaff and RBI doubles by Kniesche and Allison Claussen.

using a Cardinal error, RBI singles by Kniesche and Biggerstaff, and a two-run double by Kendall Dorey.

Allison Claussen is all smiles as she's welcomed to the dugout following a solo homer in Wayne's 19-0 win over Boone Central/Newman Grove in the C-5 district title game.

That's all Kniesche would need as she threw her seventh no-hitter of the season, striking out 11 and allowing only a two-out walk in a four-inning, 62-pitch effort.

On Friday afternoon, the Blue Devils and Cardinals faced off in a matchup to see who would play for the district title, and Wayne put up five runs in the first inning,

ters hit consecutive home runs. Annie Kniesche hit a two-run shot and Tori Kniesche followed two pitches later with a solo blast to make it 8-0.

In the third, two Cardinal errors led to runs and Biggerstaff had an RBI single before the game ended on an RBI double by Abby Ankeny.

Tori Kniesche threw a two-hit

had no answer for either Kniesche or the Wayne bats.

Wayne got it going early with an RBI double by Fleming, a two-run homer by Annie Kniesche and an RBI single by Ankeny that scored Aliah Schulz, who ran for Tori Kniesche.

Wakefield holds off rally for 38-22 win over GACC

Wakefield coach Mike Hassler was thrilled for his team's fourth win in a row.

The Trojans built a 16-point halftime lead, held off a third-quarter rally and came away with a 38-22 win over Guardian Angels Central Catholic in an eight-man showdown Friday in Beemer.

"I couldn't be happier for the guys," Hassler said. "They wanted this one pretty bad and went out and played that way. I really felt from the opening kickoff on we were in complete control of the game. Even when GACC made a run in the third quarter, we never got rattled. This is the best team effort I've seen from a Wakefield Football Team since I've been head coach. It's fun when you get to be a part of something special, and without a doubt this group is special."

The Trojans put up 325 yards in total offense and got out to a two-touchdown lead in the second. Esgar Godinez opened the scoring with a 24-yard touchdown in the first period, and Dylan Harder followed with a five-yard run to make it 16-0.

Godinez added another run of 43 yards to make it 22-8, but the Bluejays made it interesting with two third-quarter scores to get within two at 24-22 early in the second half.

No problem, Hassler said. "We could basically do what-

ever we wanted the entire night," he said. "The only times we got slowed down is when we made a couple mental mistakes and kind of shot ourselves in the foot. Even then, we didn't hang our heads. We just kept plugging away. Our offensive line just did an awesome job all night."

Hassler said the Bluejays tried to fill the line of scrimmage with eight players, but the Trojan line was up to the challenge.

"GACC knew we were going to run the ball and had eight guys committed to stopping it and still couldn't slow us down," he said. "That's a testament to these guys. They're a tough group."

Wakefield made it a two-score game late in the third when Godinez scored his third touchdown of the night on a 17-yard gallop, and the senior put it out of reach in the fourth with a 33-yard run to help seal the Trojans win.

Hassler was also proud of the Trojan defense, which did a good job of slowing down the Bluejays down the stretch.

"It was the best defensive game, hands down, of the year. The boys were really dialed in this week during practice and had their jobs down pretty well by the end of the week. We basically dare you to throw the ball. We are to that point where everyone knows their job and we are executing, when you do that football

is pretty darn fun."

All of Wakefield's 325 yards in total offense came on the ground, led by Godinez, who averaged 10 yards a carry as he amassed 212 yards in 21 tries. Harder had 81 yards in 19 carries and Solomon Peitz rushed 13 times for 32 yards.

Defensively, Nolan Litchfield led the way with 16 tackles, Justin Erb had 12, Harder had 11 and Peitz had 10.

The Trojans close the regular season with two home games, starting with this Friday's 7 p.m. matchup with Winnebago.

Hana Nelsen, shown in a meet earlier this season, finished 51st in the individual competition at the Nebraska Class C State Girls Golf Championships in North Platte with a 111. The second round was called off due to weather.

Second day of state golf called off, Hansen finishes 51st

Rain cut short the second day of the Class C Nebraska State Girls Golf Championships in North

Platte, where Wayne High senior Hana Nelsen was playing after qualifying at last week's district tournament.

Nelsen shot a 111 on the first day

and was on the 15th hole when the meet was called. First-day scores were used to determine placing, and Nelsen finished 51st out of 91 players.

runs, highlighted by a two-run double from Josie Thompson, an RBI single by Tori Kniesche and an RBI double by Kendall Dorey. Wayne had 18 hits in the cham-

was 3-for-3 and Biggerstaff, Ankeny, Claussen and Tori Kniesche each had two hits. Kniesche threw a three-inning perfect game, striking out eight

ing more than 10 runs a game, a number that would be much higher if there weren't so many three-inning games on Wayne's schedule this season.

"We really haven't had as many opportunities as other girls in the state because we're scoring all those runs and ending early," Sweetland said. "If we play 6-7 innings those numbers would be higher. They're all capable, and just about everyone in the lineup has come close to hitting one out and it doesn't surprise me because of the work they've done in the weight room."

Getting to 31-0 and being the team to beat has been exciting for the players.

"It's an awesome feeling," Tori Kniesche said. "I thought our offense was amazing. We hit every pitch and the defense stopped every ball so it's an amazing feeling."

"It's been a lot of fun," added Ankeny, one of six seniors on the team. "It's the only thing we've wanted this season to get through this way and get to state, and it feels good and we're ready for more."

With their sheer dominance this season, outscoring their opponents 320-20 this season, one might be concerned that the Blue Devils haven't had any close outings that have tested them this season.

Sweetland argues, however, that they have faced some close competition, including a come-from-behind win at Adams Central just two weeks earlier.

"Earlier in the season we had full games where we won 3-0 or 2-0 early on, so I think the girls can deal with it," he said. "We had a close game in Hastings, and

Wildcats make quick work in home matches

Wayne State's volleyball team wasted little time in sweeping both Northern Sun Conference matchups at Rice Auditorium, winning three-set matches against Bemidji State and Minnesota Crookston.

On Friday, Wayne State used a season-high nine service aces and a .337 attack percentage to sweep Bemidji State, 25-11, 25-16, 25-13.

Bemidji State opened the match with a service ace, but Wayne State responded with seven of the next eight points to take a 7-2 lead and never trailed the rest of the night.

Wayne State built a 17-7 lead in the second set and used five service aces, including two by Tarrin Beller, to take the second set. Jaci Brahmaer and Katie Stephens each had three kills and Wayne State forced seven Beaver attack errors in the set.

The third set saw the Wildcats score six straight points to break

open a tight set on their way to completing the three-game sweep. Stephens had four kills to lead Wayne State while Maddie Duffy accounted for two service aces in the set.

Wayne State finished the match with a .337 attack percentage on 40 kills, eight errors and 95 attacks while Bemidji State posted a .099 percentage with 25 kills, 16 errors and 91 attacks. The Wildcats had one more dig than Bemidji State, 44-43, and held a 6-4 edge in blocks. Wayne State had nine service aces and four errors while BSU had two aces and three service errors.

Stephens led the Wildcats with 11 kills and a .400 attack percentage followed by Brahmaer with eight kills. Beller produced four blocks and libero Haley Kauth had nine digs. Duffy had three of Wayne State's nine service aces while Beller and Alyssa Ballenger each accounted for two aces. Megan Gebhardt handed out 33 set assists.

On Saturday, Ballenger and Beller combined for 25 kills while Wayne State recorded a season-high 11 service aces as the Wildcats

swept Minnesota Crookston, 25-7, 25-10, 25-14.

The Wildcats forced eight Golden Eagle attack errors that included four blocks in the first set, then used six service aces, three from Maddie Duffy and two by Megan Gebhardt, along with five kills from Ballenger to take the quick two-set advantage.

Wayne State, which hit .355 for the match with 40 kills, got 15 of them and hit at a .302 attack percentage in the third set to complete the sweep.

Ballenger had 13 kills to lead the Wildcats while Beller accounted for 12 and hit .750 for the match. Kauth had a team-high 13 digs while Megan Gebhardt had 33 assists with three service aces. Duffy recorded six service aces while Maria Wortmann paced a balanced blocking effort at the net with three blocks.

Wayne State (15-5, 7-4 NSIC) hosted Augustana in the annual Pack the House/Black Out Night match Tuesday. They play at Northern State on Friday and MSU Moorhead on Saturday.

we've had games where didn't score first three innings and then put 5-6 on the board, so I don't think anything is going to rattle these girls. They'll understand the eight best teams are down there and we probably are not

going to be in a three-inning game like this one here. We worked on some things today, like bunting and slaps and things might need in close games, so they're prepared for everything."

Eagles overcome seven fumbles in 32-26 comeback win

Allen racked up 500 yards in total offense and had almost a 2-to-1 ratio in total offense, but needed a last-minute touchdown run to come away with an exciting 32-26 win over Wausa on Friday night at Isom-Hill Field.

Friday's district matchup was a game of momentum, as the visiting Vikings jumped out to a quick 14-0 lead and was able to maintain that advantage for much of the night.

Wausa struck quickly, as Ghatlin Hegge scampered 35 yards on the first Viking possession to give the visitors the early 8-0 advantage. They scored again early in the second period, with Hegge finding Tyson Kaiser on a 49-yard pass to make it 14-0.

Allen seemed to wake up from the slow start, taking their next possession for a score as Kobe Kumm scored on an 11-yard gallop. But

and worked the ball down the field, setting up Smith for the game-winning two-yard run with :56 left. Allen appeared to have the game locked up after a Wausa turnover on the ensuing drive, but a fumbled snap on the victory formation gave the Vikings one last chance. Isaac Verzani picked off a Wausa pass two plays later, and the Eagles could finally settle on the win to improve to 5-1.

Allen took the second-half kickoff down for a score as Kumm found Devin Twohig on a 26-yard pass, but Wausa answered again as Kaiser picked up a fumble on Allen's next possession and ran it back 62 yards to make it 26-12.

Allen responded quickly, with Twohig hauling in a 60-yard scoring strike from Kumm to make it 26-18 going to the fourth quarter, and the Eagles tied the game early in the fourth when Kyle Smith scored on a 10-yard run and Kumm found Twohig for the two-point conversion to make it 26-26 with 11:13 to go.

Seven Eagle fumbles, including one in the fourth, kept Wausa in the game, but the Eagles got one last chance with four minutes to go

WSC softball team earns Easton/NFCA award

The 2018 Wayne State College softball team received the Easton/NFCA Academic Team award announced by the National Fastpitch Coaches Association.

Thirteen Wildcat players were also honored with Easton/NFCA All-America Scholar Athlete honor for posting an individual grade-point average of 3.50 or better.

As a team, Wayne State ranked 12th in NCAA Div. II with a stellar 3.624 grade-point average and was one of five teams from the Northern Sun Conference to receive the award.

Individually, 13 Wildcat players received the Easton/NFCA All-America Scholar Athlete honor, including four players that posted perfect 4.00 grade-point averages. The list includes seniors Jordyn Breitbarth (3.74) and Katelyn Wobken (4.0), juniors Abbie Hix (3.7), Alyx Hagen (3.74), Taylor Menard (3.94), Baylee Rial (3.54), Riley Vanderveen (3.783) and Morgan Vasa (3.54), sophomores Allison Niemeier (3.54) and Jenna Stewart (4.0) and freshmen Ashley Hernandez (4.0), Maddie Moser (4.0), and Jenna Stewart (4.0).

The Eagles finished the night with 500 yards in total offense, 414 of it coming on the ground. Noah Carr led the ground game with 146 yards on 18 carries and Smith added 127 yards on 23 tries. Kumm also went over the century mark with 112 yards in 11 attempts, and was 2-of-3 passing for 86 yards, both touchdown passes to Twohig.

On defense, Brogan Jones had 14 tackles, Anthony Isom added 13, Twohig had 12 and Devin Hoising added 11. Carr picked off two passes and Verzani had the game-ending interception.

Uldrich said the Eagles have a lot to clean up in advance of a key district showdown Friday when they go to Randolph for a 7 p.m. matchup.

"Our focus this week will be on the fundamentals, and aggressive play, and if we clean those areas up, we will have a chance to win a game," he said.

Hailey Backer picks up a Pierce attack during the Blue Devils win over the Bluejays at home.

Blue Devils add three to win column

The Wayne High volleyball team coasted to straight-set wins in a home triangular Tuesday and took care of Crofton in four sets to highlight a three-win week for the Blue Devils. Wayne opened with an easy win over Boone Central/Newman Grove, winning 25-13, 25-11. Lauren Pick led the net attack with six kills while Katelyn Grone added five and Ashton Boyer and Emily Armstrong each had three. Kiara Krusemark had eight assists and Allyson Avery added five. Grone and Frankie Klausen each had a block in the win. Pick had seven digs, Boyer, and Emily Armstrong each had five, Hailey Backer had four and Krusemark, Erin O'Reilly and Klausen each

had three. Wayne closed the evening with a dominating sweep of Pierce, winning 25-17, 25-14. Wayne's net attack was led by Boyer with six while Armstrong, Grone and Pick each had four. Avery had nine assists and Krusemark added seven. Krusemark had four ace serves, Pick added three and Armstrong and Grone each had two. Pick was in on four blocks and Klausen assisted on two. Klausen had five digs, Backer, Krusemark and Boyer each ad four and Armstrong and Pick had three apiece. On Thursday, the Blue Devils took care of business at home with a four-set win over Crofton, 25-11, 10-25, 26-24, 15-12.

Pick had 15 kills and Grone added 12 in the win. Armstrong finished with six, Boyer had five, Avery had three and Klausen had two. Krusemark had 18 assists, Avery had 12 and Klausen had three. Boyer had three aces and O'Reilly added two. Klausen and Pick each had two blocks. Pick led the team with 12 digs, Krusemark added 11, Boyer had 10, Armstrong had eight and Backer and Grone had six apiece. The Blue Devils play at Battle Creek Thursday and host a triangular with O'Neill and Hartington Cedar Catholic on Tuesday before finishing up the regular season next Thursday at home against Lutheran High Northeast.

Fast start helps Eagles soar over Bears

Laurel-Concord-Coleridge couldn't keep pace with Lutheran High Northeast early as the visiting Eagles came away with a 62-42 win Friday at Haskell Field. The Eagles jumped out to a 22-0 lead before the Bears could get on the board, as Noah Schutte caught the first four four touch-down passes from Izac Reifenrath. The four-yard score was followed by a 29-yard-connection late in the first half, and Reifenrath also

scored from two yards out to make it 42-20 at intermission. Reifenrath and Schutte connected two more times on passes of 44 and 20 yards, and Austin Brandt added a 15-yard run in the fourth quarter, but the Eagles were able to keep pace and came away with the win, dropping LCC to 3-3 on the season. Reifenrath was 17-of-33 for 236 yards and four touchdowns, and also ran 19 times for 43 yards and a score. Brandt led the Bears'

ground attack with 58 yards on 12 carries with a score. Schutte had a big night receiving with 159 yards on 10 catches and four scores. Cael Hartung had two catches for 49 yards and Ty Erwin caught five for 28 yards. Defensively, Schutte led the Bears with 12 tackles, Hartung and Reifenrath each had eight, and Brandt Noah Stone, Wyatt Taylor and Cutter Haberman had five apiece. Dylan Reimers recovered two fumbles, Erwin also recovered a fumble and Hartung had an interception. The Bears will play at Howells-Dodge on Friday and close the regular season at home next week against Elkhorn Valley.

Turnovers hurt Wildcats in 23-17 loss at St. Cloud State

St. Cloud State converted four Wayne State turnovers into 10 points and Adam Stage booted a pair of fourth-quarter field goals to give the Huskies a 23-17 Northern Sun Conference football victory over the Wildcats Saturday at Husky Stadium in St. Cloud, Minn. Wayne State struck first as freshman quarterback Alex Thramer found the end zone on a two-yard run to cap a 48-yard drive on 11 plays, giving the Wildcats a 7-0 lead at the 5:56 mark of the first quarter. St. Cloud State answered the Wildcat score on the ensuing drive, as the Huskies used a 27-yard pass play from Justin Czech to John Solberg to even the score at 7-7 with 2:35 remaining in the first quarter. The Huskies took advantage of a Wildcat fumble late in the second quarter to record the lone points of the second quarter. Starting from the Wildcat 28, the Huskies took the lead on a seven-yard strike from Czech to John Pass to grab a 14-7 lead at the 2:35 mark of the second quarter. Wayne State scored on their first possession of the third quarter, taking advantage of a Mason Lee 22-yard punt return that gave the Wildcats the ball at the Huskies' 30. The Wildcats moved the ball to the St. Cloud 8 and got a 25-yard field goal from Ethan Knudson to cut the Husky lead to 14-10 with 11:44 to play third quarter. St. Cloud State responded with a field goal on the following drive, using a 26-yard field goal from Adam Stage to push the lead back to seven at 17-10 with 9:21 to go in the quarter. Later in the third quarter, Wayne State tied the game as Thramer threw a nine-yard touchdown pass to senior Nate Rogers that capped an 11-play, 80-yard drive to even the score at 17-17 with 18 seconds to play third quarter. The Huskies regained the lead for good with 12:53 to play in the game on a 40-yard field goal from Adam Stage, then added insurance points late in the quarter following a Wildcat interception as Stage booted a 39-yard field goal with :57 seconds remaining. Wayne State had one last chance with the ball at the end of the game as they drove to the Huskies' 35 before a Thramer pass was intercepted at the St. Cloud 10 to end the game. Wayne State held a slight advantage in total offense over St. Cloud State 325-316. The Wildcats had 56 yards rushing and 269 yards passing while St. Cloud State gained 112 yards on the ground and 204 in the air. Maliki Wilson led the Wildcats on the ground with 66 yards on 24 carries, followed by Thramer with 15 yards on 13 attempts and one touchdown.

Thramer completed 18-of-33 passes for 254 yards with one touchdown and two interceptions while redshirt freshman Brady Brandsfield was 2-for-2 and 15 yards. Rogers hauled in a team-high nine catches for 141 yards and one score. He became the seventh Wildcat in school history to surpass the 2,000-yard mark (2,078 yards) and, with nine catches, moved into fourth place all-time with 155 career receptions. Conner Paxton added five catches for 34 yards. Ian Ailt led the Wildcat defense with nine tackles, one sack and one breakup while Tyler Thomsen added eight tackles. Donte Brooks had one interception for 38 return yards. The Wildcats (1-5) will be at home next Saturday, hosting MSU Moorhead in a 1 p.m. contest at Bob Cunningham Field in Wayne. Wildcats win streak ends at two games

The Wayne State women's soccer team recorded their first-ever win at Upper Iowa before seeing their two-game winning streak end at Winona State over the weekend. On Friday, the Wildcats won their second straight game, overcoming cold and wet conditions and scoring early in overtime behind the foot of Sophie Ketchmark for a 1-0 win at Upper Iowa. The two teams played a scoreless 90 minutes with few chances on either side. The Peacocks nearly broke the deadlock in the 20th minute, but were denied through a clean save from Alyssa Bagley at the back post. Wayne State nearly responded with a chance of their own only two minutes later. A cross into the box found the head of Rylie Wehner as she beat her defender to the ball, sending it inches wide of the post. In an increasingly contested and physical second half, it was the defense of both sides that made their mark on the game. Only three shots were recorded in the second half (2-1 in favor of the Wildcats), with each keeper earning a save. Wayne State caused seven fouls while being on the receiving end of eight whistles in the second. Playing their fifth overtime game of the season, the Wildcats ended the period almost as soon as it began. Alexis Strothers stepped over the free kick after a Peacock foul. Wehner provided the slightest of touches as the keeper did well to come out and make the first save. The rebound fell kindly to the Wildcats, falling at the feet of Ketchmark as she made no mistake tapping it in for her second goal of the season. Wehner's touch gave her an assist, her first of the year. The win marks the first overtime victory since 2016, when Wayne State knocked off Northern State in a 3-2 overtime contest, and was also the first-ever win for the Wildcats at Upper Iowa. "I thought the team fought hard together," said head coach Joe Cleary. "As long as we continue to do that, we can play with anyone." Five players for the Wildcats tallied a shot, while Wehner, Ketchmark and Megan Phillips all had a shot on goal. Bagley recorded four saves in the win, earning her second straight clean sheet and her fourth of the year. Sunday afternoon, Winona State scored goals in each half to post a 2-0 win over Wayne State.

The Wildcats came out aggressive early in the contest, recording four shots and a corner kick in the first 15 minutes of the contest, but could not score. Winona State opened the scoring at the 39:59 mark of the first half as Riley Harmon found the back of the net with a blast from the top of the box with an assist from Kara Schramel to give the Warriors a 1-0 lead at intermission. The Warriors added to their lead early in the second half as Courtney Wiencek scored on a corner kick to put Winona State in front 2-0. Wayne State had just three shots in the second half and one on goal as they ended a two-game winning streak with the loss.

Winona State ended with a 12-7 advantage in shots over the Wildcats including 9-2 in shots on goal. The Warriors had one more corner kick than Wayne State, 3-2, while both teams were called for eight fouls. Megan Phillips was credited with both shots on goal for the Wildcats while Wehner, Megan Schuster, Alexis Strothers, Christina Stasi and Rachel Fraser each recorded shots. Bagley recorded seven saves while allowing two goals in the contest. Wayne State (3-7-1, 3-5-1 NSIC) will be on the road again next weekend, visiting MSU Moorhead Friday at 3 p.m. and Northern State Sunday in a 1 p.m. contest.

McCarney named Athlete of the Week
Molly McCartney was named the Northern Sun Conference Women's Cross Country Athlete of the Week Tuesday. McCartney, a sophomore from Lawrence-Nelson HS, recorded a personal-best time of 18:48.8 on the 5,000-meter course at the Briar Cliff Invitational to finish ninth overall out of a field of 166 runners. She led Wayne State College to a sixth-place team finish in the event. It's the first time that McCartney has received NSIC Athlete of the Week honors.

Trojan netters fall in four to Ponca
The Wakefield/Allen volleyball team gave Ponca a tough battle, but lost on Tuesday in a four-set decision, 25-21, 24-26, 25-18, 25-20. Three Trojans finished in double figures in kills, led by Devaney Brown's 17. Courtney Bokemper added 13 and Haley Stapleton finished with 10. Cassidy Thomas had 23 assists and Breanna Chase added 21. Chase and Thomas each had two ace serves. Jamie Dolph led the defense with 22 digs, Stapleton added 15, Chase had 14, Thomas and Bokemper each had 13 and Brown had 10. Wakefield/Allen played at Emerson-Hubbard on Tuesday. They will see action next Thursday, Oct. 18 in a triangular at Homer.

Wildcats fall at Osmond
The Winside Wildcats fell to 0-6 on the season with a 54-14 loss at Osmond. Statistics and highlights were not turned in a press time. The Wildcats will be home Friday to host Plainview, and close the regular season Oct. 18 at Elgin Public/Pope John.

Wayne senior lineman Kaden Kneifl makes one of his 10 tackles on the night during the Blue Devils' 23-22 homecoming loss to West Point-Beemer on Friday.

Late touchdown lets Cadets get away with 23-22 win

A quarterback sneak with :37 left helped West Point-Beemer escape with a 23-22 win over Wayne in a key Homecoming district showdown Friday night at Wayne State College's Memorial Stadium.

The Blue Devils played the eighth-ranked Cadets tough all night long, rebounding from a 10-0 second-quarter deficit to get within two at the half on a two-yard run by Casey Koenig, who also added the two-point conversion.

The Cadets' defense came up with a big play in the third quarter, returning a Tyler Gilliland pass 35 yards the other way for a touchdown to make it 16-8, but the Blue Devils responded with two fourth-quarter scores to take the lead.

Early in the fourth Gilliland found Marcus Fertig for a 10-yard pass to make it a 16-14 game. Wayne's defense came up with a fumble on the Cadets' next possession, and the Blue Devils made that turnover count as Koenig scored on his second touchdown run of the

night. His three-yard run and subsequent two-point conversion made it 22-16 with seven minutes left.

Wayne's defense came up big again, intercepting a Cadet pass and giving the ball back to the offense with six minutes to go, but the Blue Devils were unable to capitalize, giving the Cadets one last chance to score.

The Cadets moved the ball down the field in the final minute, and Jesus Barragan snuck in from a yard out with :37 left to tie the game. Arturo Barrios kicked the point-after attempt through to help the Cadets regain the lead.

Wayne High had one last chance and reached midfield, but an attempted hook-and-ladder play was stopped, giving West Point-Beemer the victory.

Koenig had a big night running the ball, finishing with a season-high 119 yards on 24 carries with two scores. Juan Vergara added 91 yards on 24 carries.

Gilliland was 4-of-13 passing for

28 yards. Fertig caught two passes for 15 yards and Aaron Reynolds had a 13-yard catch.

Defensively, Reid Korth led the Blue Devils with 11 total tackles, Kaden Kneifl had 10, Blake Bartos recorded eight, Koenig had six and Noah Lutt and Tristan Landanger each had five.

The 3-4 Blue Devils are still mathematically alive in the Class C-1 playoff chase and face a must-win situation Friday with a 7 p.m. matchup at Boone Central/Newman Grove in Albion.

Team send-off

A pep rally was held at Wayne High School on Oct. 9 for the Wayne High softball team. During the pep rally, the Wayne High School band played the school fight song, the cheer leaders led the crowd in several cheers and members of the team were introduced. Head coach Rob Sweetland (center) spoke of the team's season and the competition they will face at the state tournament. Due to rain this week, the times for the games have been moved back several hours. The tournament will be held in Hastings through Friday, Oct. 12.

Congratulations to the Wayne Girls Golf Team For A Great Season!

Hana Nelsen qualified for the state golf tournament after shooting a 105 in district action at the Norfolk Country Club. The Blue Devil senior finished eighth in the district.

Hana Nelsen finished 51st in the individual competition at the Nebraska Class C State Girls Golf Championships in North Platte with a 111. The second round was called off due to weather.

Wildcat volleyball wins two out of three

The Winside volleyball team picked up a win on the road and split a home triangular this past week.

On Thursday, the Wildcats had no problems going on the road and coming home with a three-set win at Niobrara, winning 25-11, 25-15, 25-16.

Andi Bargstadt led the net attack with 10 kills, Hope Cummins added six kills, Jaden Rastede had five kills and four blocks, Kati Topp had three kills and four blocks and Brooklyn Behmer had three kills to go with 11 assists. McKenna Russell added nine assists and Ashely Abler put up five.

Jackie Escalante had five ace serves and Topp and Russell both had two. Behmer led the defense with 12 digs, Bargstadt added 10, Haylee Cummins had nine, Topp had five and Abler and Russell had four apiece.

On Saturday, Winside split a triangular at home, beating Bloomfield 25-11, 25-16 and losing to Randolph 25-20, 25-19.

In the Bloomfield game, Bargstadt had nine kills and three blocks while Rastede added seven kills. Behmer had nine assists and Russell had three.

Winside plays in the Hartington-Newcastle Invitational on Saturday and plays in a triangular at Hartington on Tuesday.

Wildcat rugby women crack century mark in Oklahoma

The Wayne State women's rugby team traveled to Tulsa, Okla., on Saturday and improved their record to 5-0 on the season with a dominating 104-0 blowout of University of Arkansas.

The Wildcat women went out to a very early lead and went in at halftime 66-0, and finished strong with the benches cleared with substitutes.

"It was 88 degrees and very muggy, and it was very hot on the field and it sure slowed us down a bit, but our overall fitness to play 80 minutes sure helped in the second half," coach Darin Barner said. "The team works hard on

fitness, and it is showing with our overall speed in the backline and also our forwards in the scrum area making several 20-yard gains per run"

Holly Schupbach and Selma Taylor are playing a key roll in the backfield, with their 1-2 combination on backline play to the wide side of the field. Kennedy Jones and Isabelle Robinson are playing key roles in the short-yardage game to keep the defense guessing on WSC's powerful offense.

Next action for the women rugers is Saturday, Oct. 20 at South Dakota State in a key conference matchup against the Jackrabbits.

Nebraska youth benefit from 4-H School Lunches

Nebraska 4-H currently reaches one in three youth through 4-H programming.

Considering the amazing benefits youth experience through participation in 4-H programming, Nebraska 4-H anticipates reaching one in two youth by the year 2020. While reaching one in two youth may initially seem overly ambitious, 54 counties currently reach one in two youth through their 4-H programs.

Stanton County 4-H currently reaches well over 50 percent of its youth. This is due, in large part, to the great work of our 4-H alumni and volunteers.

Recently, the National 4-H Council

Stanton County

Kim Bearnes
Extension Educator

UNL Extension

announced their own growth goal of reaching 10 million youth through 4-H programming by 2025. They asked all states to begin setting growth goals to help them achieve this. It is great to see Nebraska 4-H setting the standard for growth and leading the way as we work to give as many youth as possible the opportunity to make their

best, better.

How can you be a part of Nebraska 4-H reaching one in two youth by 2020? We encourage you to become part of the Stanton County 4-H program. If you are already part of the program, invite new members to join 4-H clubs, perform community outreach projects in the county, or invite your 4-H member's teacher to utilize school enrichment programs in their classroom. Are you on social media?

As you share great accomplishments of your 4-H program and use the hashtag #4Hgrowshere and #NE4H. Even if you are not directly involved in 4-H programming, share great 4-H memories or experiences that helped you make the best better. Growing the reach of Nebraska 4-H begins with volunteers and alumni sharing their stories and shining the spotlight on the life changing moments experienced in 4-H. Help Nebraska 4-H continue to lead the way to reaching one in two youth in counties of our great state and ten million youth nationally.

Being new to a group is something we have all experienced in the past or will likely experience in the future. Many times those new to a group have feelings of nervousness, worry or confusion. When first joining 4-H, members and their families may experience some of these feelings as they dive into learning new skills, experiencing new things and learning all the 4-H lingo. One of the benefits of being a 4-H member is having a sense of belonging to a 4-H club. As leaders, there is a role you can play. Bridging that gap of the feeling of newness families feel when they first join 4-H and/or your

club is important. Help them to feel a sense of belonging to the club.

Doing get-acquainted or ice breaker activities is one of the ways to welcome new families into your club and to encourage current members to get to know the other members better. Consider adding an activity of this nature to your club meeting agenda for each club meeting. Focus on activities that really encourage each member to talk and highlight what they like/don't like, experiences they have had and generally get the youth up and moving.

It is equally as important for new families to talk with Extension staff as it is with leaders as they begin their 4-H experience. Leaders should consider the following when meeting or talking with new families:

- Club meeting dates/times;
 - Expectations for families involved in 4-H and in their club;
 - How information is shared through the Extension office and the club. i.e. newsletters, email, text, others;
 - Plan a get-acquainted or ice breaker activity for each meeting;
 - Encourage family involvement in the club.
 - Consider assigning a new family to an experienced family in your club to further encourage a welcoming environment.
 - Encourage the new family to read their 4-H newsletter each month and ask questions if they have them.
- It is National 4-H Week!! Please stop by your local county 4-H Extension office with questions on how you can become part of a great 4-H youth development program.

Promoting health
Students from several Wayne State College classes welcomed those attending the World Heart Day activities on Oct. 6. Local businesses participated by allowing students to conduct tests in the stores. Here, students stand outside the Majestic Theatre, which was the starting point for a punch card activity for the event.

Supporting life

Sunday's rain and cold did not deter approximately 20 people from taking part in the 22nd annual Life Chain in Wayne. The group gathered at the corner of Seventh and Main and formed a cross. They spent an hour in silent prayer for an end to abortion. Life Chains similar to the one held in Wayne, are held across the nation as a testimony so that others will 'choose life.'

Winside St Paul's Ladies Aid meets

Winside St. Paul's Ladies Aid and LWML met on Oct. 3 with 14 members, one guest and Pastor Goodman present.

President Pat Janke opened the meeting and everyone recited the league pledge. She had a devotion on (Our Wants) with the reading of

the bible verse in Matthew chapter 7, verse 7. Everyone sang the hymn "My Hope is Built on Nothing Less." Pastor Goodman gave the Bible study on the book of Philippians.

The secretary & treasurer's reports were both read and approved. President Janke read a Thank you from the Kay Wagner family thanking the ladies aid and all the volunteers for helping with the lunch after Kay's funeral. She also read a letter from Faye Mann's family with her new address.

In old business, the Mission Festival will be Wednesday Nov. 7 from 6 to 8 p.m. The president and a student from the seminary at the Dominican Republic will be speaking live chat through the internet.

The new seminary student the Ladies Aid will be sponsoring is Jordan Schaler.

The Esther group reported on serving the Kay Wagner funeral.

New Business: Pat Janke reminded everyone of the Wayne Zone LWML fall rally which will be Tuesday, Oct. 16 at Hope Lutheran church in South Sioux City with registration beginning at 8:30 a.m.

Arlyn and Gertrude Vahlkamp reported on visiting the shut in's & next month will be Bev Voss.

Lorraine Prince reported on visiting our adoptive Kerri Dangberg with a birthday card and gift.

A birthday card was sent to LuAnne Westerhaus.

The next meeting will be Wednesday, Nov. 7 with Pat Janke and Arlyn Vahlkamp at hostesses.

Why do you believe?

Why do you believe what you believe?

I do not have the space to explain the constant changing beliefs in sci-

Every person has some kind of belief system about how life works or should work. We each have formed opinions about family, God, religion, culture, government, friendships, work and many other areas of life. How did you form those opinions? What is the basis for why you believe what you believe?

Most of us have formed our opinions from a variety of sources: parents, teachers, friends, life experiences, religious teachings, as well as the internet, Facebook, and social media. Some of us will have similar beliefs and some of us will have great differences in our opinions. Is there a primary source for your life beliefs?

Let's consider a few possible sources. Some people turn to academia for their primary source of information. Whatever the current teaching in our schools and universities becomes the primary foundation for their beliefs and opinions. Many of these people will turn to science which, for the most part, has claimed to be the absolute source of truth even over various religious systems. In fact, many scientist today claim that they have disproven the Bible and the need for God. Many have accepted atheism as their core belief. The main problem here is that when one considers all the facts, not the theories, it can be clearly seen that they have not disproven the Bible or the existence of God.

Others have placed their hope and belief in our current culture. For example, our culture is accepting the belief that there are not just two genders but in fact as many as 50 or maybe even 75 possible gender expressions. Some psychologists are telling us that our expression of gender is not based upon our DNA or physical makeup but based upon inward feelings and desires. We are being led to believe that we can no longer call little boys, boys and little girls, girls. We are told that grade school children should be allowed to choose their own gender. This has nothing to do with genetics or science. It is a move within our culture to turn away from facts and allow feelings to rule.

Still other people base their beliefs on life experience. Our experiences are actually a great teacher. We all learn from both positive and negative experiences of life. However, what we believe does vary depending on the individual and how one interprets the experience. For instance, a person who has a car accident may come away thankful it was not worse and learn to be a more cautious driver. Another person may come away angry and bitter, blaming everyone else. While we must learn from our experiences, experiences alone are an inadequate source of truth.

Then there are those who base their primary beliefs upon some kind of religious teachings. Though religious beliefs vary widely in our world, for the sake of this article I will use Christianity and the Bible as my example. Even within that category there is a wide range of beliefs. So rather that look at Christianity as a whole, let's consider the Bible as the basis of life beliefs.

When someone says he or she believes the Bible is true and communicates God's truth about life, they are often considered ignorant, intolerant, or legalistic. While this may be true of some it does not accurately represent most people who hold to the Bible as the word or message of God. It is true that if one reads the Bible within its biblical, cultural, and historical context, it presents a set of beliefs that are quite different from many of our current cultural leanings.

A Word In Faith

By James Seal
Pastor, Calvary Bible Church

all the reasons that I believe the Bible is true, accurate, and an adequate source for forming one's beliefs. I have spent much of my life studying the Bible and allowing myself to ask many of the hard questions about what the Bible teaches. While I cannot say that I understand everything, I do believe that I have a good grasp upon its major teachings and the positive difference it can make in a person's life.

While each person probably bases their life beliefs on several, if not all, of the above sources, there is usually one primary source that grounds the majority of their beliefs. What is yours? Do you have something other than your own opinions to guide you? Do you have something that is more stable than

ence, culture, and your interpretation of life experiences?

Though I am still learning, I have found the Bible to be the best source for truth, life direction, and formation of my opinions. I try to listen to others and hear their opinions. Yet, I continue to find that the Bible is God's message to mankind and teaches people the correct way to live and treat others. It teaches us who God is and what he is like. It teaches us how to respond to a holy, righteous, gracious, loving God.

Maybe you have a different opinion and would like to discuss this. I am open to a discussion and questions. But let me encourage you to at least consider the Bible as your primary source of truth for the formation of your beliefs.

Dairy judging

FFA students from 14 schools throughout the area took part in a District Judging event at the Wayne County Fairgrounds on Oct. 9. Nearly 300 students took part in the event which involved judging dairy animals at several stages in their lives, from calves to cows that were several years old. Dairy animals for the event provided by Temme Dairy, MPM Farms, the Sievers dairy and the Gilliland family. Students were able to score each set of animals individually and rotated through the animals throughout the morning. The event was hosted by the Wayne FFA chapter and lunch was provided by the Pender FFA alumni.

One month left to apply for SBA Disaster Loans

Director Tanya N. Garfield of the U.S. Small Business Administration's Disaster Field Operations Center-West reminded Nebraska private nonprofit organizations of the Oct. 26, 2018, deadline to apply for an SBA federal disaster loan for property damage caused by severe storms, tornadoes, straight-line winds and flooding that occurred June 17 - July 1, 2018. Private nonprofits that provide essential services of a governmental nature are eligible for assistance.

According to Garfield, eligible private nonprofits of any size may apply for SBA federal disaster loans of up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. SBA can also lend additional funds to help with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

In addition, SBA offers Economic Injury Disaster Loans to help eligible private nonprofits meet working capital needs caused by the disaster. Economic Injury Disaster Loans may be used to pay fixed debts, payroll, accounts payable and other bills that cannot be paid because of the disaster's impact. Economic injury assistance is available regardless of whether the private nonprofit suffered any property damage. Private nonprofits have until May 27, 2019, to apply for an SBA Economic Injury Disaster Loan.

These low-interest federal disaster loans are available in Cedar, Colfax, Cuming, Dakota, Dixon, Harlan, Logan, Thomas, Thurston and Wayne counties.

The interest rate is 2.5 percent with terms up to 30 years. Loan amounts and terms are set by SBA and based on each applicant's financial condition.

Applicants may apply online, receive additional disaster assistance information and download applications at <https://disasterloan.sba.gov/ela>. Applicants may also call SBA's Customer Service Center at (800) 659-2955 or email disastercustomerservice@sba.gov for more information on SBA disaster assistance. Individuals who are deaf or hard-of-hearing may call (800) 877-8339. Completed applications should be mailed to U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Local event raises money for wetlands and waterfowl conservation

The Wayne Area Chapter of Ducks Unlimited will host its 14th annual Auction and Member Banquet fundraiser for wetlands and waterfowl conservation on Friday November 2nd, 2018. The Banquet will take place at the Beaumont Event & Concert Hall, 2611 N Hwy 15, Wayne Ne. Doors will open at 5:30 with dinner at 7:00 with live auction to follow. Tickets are available by contacting Kent Bearnes at 402-360-5005.

Kent Bearnes Laurel Nebraska, chairman of the organized Wayne Area Chapter of Ducks Unlimited committee, said that this event will give local residents an opportunity to get involved in a practical conservation program and have a good time as well.

"Ducks unlimited is the world's largest wetlands, waterfowl, and wildlife conservation organization," said Bearnes. "Our organization has conserved more than 13 million acres of wetlands and related waterfowl habitat since 1937, thanks to contributions from more than a million supporters and members from across the continent."

"Come help us celebrate 81 years of Ducks Unlimited. Join us for a great dinner, exciting prizes, and good time for you and your family while helping support wetlands conservation."

For more information, contact Kent Bearnes.

Pioneer Woman is everywhere

Sometimes, I think the Pioneer Woman is trying to haunt me! Sometimes, it looks as if she is everywhere! Two weeks ago, I was in the Coop D'Ville in Louisville, (you have to see it to believe it) and they were pushing her cook books.

This morning, as I left the fitness center after my arthritis swim class, there she was on the television in the lobby. I recognize her because of her shoulder length, very red hair!

I just got through checking out her store; it's called the Mercantile, and you have to want to go there because it's in Pawhuska, Oklahoma! Apparently, a lot of people want to go there, because the pictures show folks standing in line outside the store. It's sort of a cafe, coffee shop, & merchandise place, and it's huge! It's filled

The Farmer's Wife
By: Pat Meierhenry

with cowboy hats, dishes, signs, kitchen gadgets, and Western style garb.

The pictures of the sweets make my mouth water; biscuits, muffins, cinnamon rolls, and croissants. Plus, there are several of real chicken fried steak, mashed potatoes, and gravy. Just like the Big Farmer likes.

I did not realize that her real name is Anne Marie, and the Ree is just a nickname. And, I love that she calls her husband The Marlboro Man. That's exactly what he looks like; blue jeans, boots, leather gloves, and that hat!

When I look at the empire she has built, I remember her "back story" and laugh. She grew up in Barlesville, Okla., but in town, not on a ranch. And she went to college at USC. After graduation, she got the yuppie job in San Francisco and was engaged to another

yuppie. But rather than set a date for a wedding, she decided to quit her job and spend some time at home; sort of a last single fling.

One night, at a dance, she spied Ladd Drummond, and the rest really is history. She kept putting the guy in California off, until finally, she told him that she ate meat! That made him ask what had happened to her? And it still makes me laugh. As she puts it, when Ladd fried a steak in butter, she was done for.

Judging by the photos, the Drummond Ranch kind of leans to Black Angus, so I give those guys credit for good sense. But I don't think they have to worry about making money on the cattle market! I just wonder when she sleeps? And I wish she would quit showing up in my world. She just makes me tired. And hungry!

Don't spread weed seed at harvest

Now that fall is here and crops are mature, it's easy to see weed escapes that might not have been as visible last summer. Some precautions at harvest can reduce weed seed being moved from one field to another. This will help reduce the weed control challenges next growing season.

An ounce of prevention is greater than 150 Pounds of Unwanted Biomaterial

Combines are one of the largest and most impressive machines on a farm. These large machines effectively remove crops from fields and separate grain from other material to be spread back in the field. Following harvest of an individual field, combines retain significant plant material.

As much as 150 pounds of biomaterial is retained, including chaff, grain, and weed seed. This material may remain in tight spaces within the machine or in obvious places, such as the gathering head and

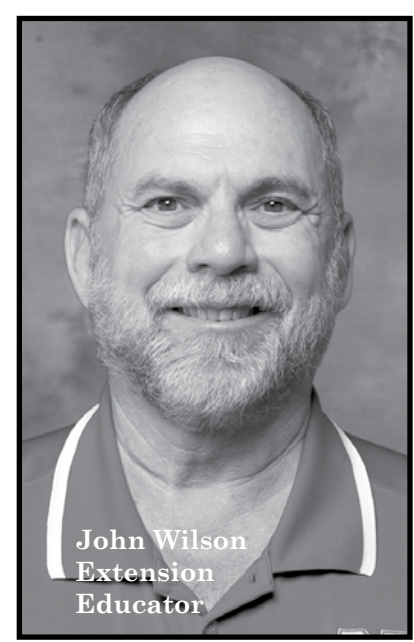

grain tank. While it is impossible to remove all material from a combine, efforts following the harvest of fields can be valuable in reducing movement of weed seed and other material from one field to another.

Most farmers can point to fields with specific problems that other fields do not have, such as marestail, Palmer amaranth, or other difficult-to-manage weeds including herbicide-resistant weeds. Sanitation and appropriate combine clean-out when harvesting these fields should be a top priority to prevent spreading the problem to other fields.

Priorities to Prevent Spreading Weed Seed

To reduce the movement of weed seed from one field to another, farmers should take care to do three steps, whenever possible:

1. Remove problem weeds prior to harvest to prevent contamination of the combine.
2. Consider harvest order to pre-

venting carrying seed of problem weeds to currently clean fields, and

3. Practice good clean-out procedures prior to moving to clean fields.

Combine Clean-out Essentials

1. Run the unloading auger empty for at least one minute.
2. Open the clean grain and tailings elevator doors, rock trap, and unloading auger sump. (Optional: Remove the header from the combine prior to self-cleaning.)
3. Start the combine and separator.

COB - Cost of Business

For the past two weeks, we have focused our time and energy talking about fertility decisions, and how to budget accordingly. I thought that this also provided us with a platform to look at other expenses and how they affect our bottom line as well. To me, this seems particularly important this time of year as we work through some of the big budget items for 2019, like machinery, inputs, and rent.

So as I said, our focus thus far has been on Fertility, and I hope that by now I have persuaded you that feeding your 2019 crops a minimum of crop removal is going to be an essential step in building a profitable plan. The response that I hear then was that if we can't cut cost in rate, we have to cut cost in product. So let's look at what saving \$25 a ton looks like as different products.

Anhydrous Ammonia - \$25/T = \$0.015 per lb of N at 200 lbs/acre = \$3.00 per acre
UAN (32%) - \$25/T = \$0.039 per lb of N at 200 lbs/acre = \$7.80 per acre
MAP (11-52-0) - \$25/T = \$0.024 per lb of P at 85 lbs/acre = \$2.04 per acre
Potash (0-0-60) - \$25/T = \$0.021 per lb of K at 60 lbs/acre = \$1.26 per acre

What about seed? If I save \$25 per bag and I am planting my corn at an average of 32,000 across all my acres, I am saving \$10.00 per acre on seed. That sounds good to me.

Now, I understand that all of those savings are real money and that they would add up, but we also need to make sure we account for other costs that go with those savings. If it is a different supplier, and the distance increases, we could easily spend more on freight getting the product there than we are saving. Availability, trusted advisor, and a host of other things also need to be factored in when considering where you buy and for how much.

So then what about bigger ticket items like machinery? The implement dealer might be willing to make a great deal on trading for a different planter this year. Let's say that trading planters for a new 24-row unit with downforce and a high-speed option is going to cost \$120,000. If I keep my accounting simple and pay for that in four years, my cost is \$15.75 per acre for 2000 acres of corn for the next four years. Now let's say instead you keep your planter and work with the ACS Equipment team and upgrade your planter with Precision Planting to do the same thing at 62% of the trade in price. That would equate to a \$9.75 per acre cost per year over 2000 acres for four years. That \$6.00 per acre savings is a lot more per acre than you save in fertilizer savings.

To me, the easiest place to go save money when it is time to tighten the belt is with your landlord. Like we have talked about, you can spend days or weeks shopping your fertilizer and seed business to save a total of \$20 per acre. But with those savings come the questions about product quality, availability, distance, and time. With the landlord, a reasonable, civil discussion can go a long way. We all know that land values have declined over the past few years. For Nebraska, the statewide average is down 13% from 2016. So by my thinking, for every \$100 you pay in cash rent, your rent should have gone down \$13 in the last two years. Now I know that again, I am being a bit simple-minded or perhaps even idealistic. I mean, it seems as if there has always been somebody there to rent the ground if you didn't want to pay. But, what would happen if you went to the landlord and said, "Ok, the cash value of the land is down, and we are all feeling the squeeze right now. What if we split the difference in rent for the next couple of years and went down \$20 per acre?" That is a number that probably isn't going to kill them and could make a big difference for you.

The point I want to make today is not to pressure you to pay more for the things you need. Instead, it is to focus your efforts in areas that give the biggest bang and work backward. Land, Equipment, Irrigation, Seed, Chemistry, Fertility and Services. That is the order that has the greatest impact on your bottom line. Working with a trusted advisor like our FSA's and ACS team here at CVA provides you more resources for working through budgets. And remember, when it comes to your inputs, there is a lot more money to be saved in applying the right rate at the right time than there is cutting the purchasing price by a couple of bucks per acre here and there.

THANK YOU

The family of Wayne Kramer's hearts are full of gratitude. We wish to say thanks to family members and friends for all acts of kindness and sympathy. Especially Sandra Wriedt for supplying the wonderful dinner on Sunday. Thank you for the food, flowers, donations, cards, visits and kind words spoken to our family regarding the recent passing of a wonderful husband, father, grandfather and great grandfather. We wish to express special appreciation to Pastor Troy Reynolds for many words of comfort, to the Hasemann Funeral Home, Wayne Police and Munderloh-Smith Funeral Home for their professional arrangements and caring service.

May God Bless You
The Family of Wayne Kramer

THANK YOU!

The Wayne Volunteer Fire Department would like to thank sponsors Tacos & More, Vel's Bakery, Zach's Heating & Cooling, Quality One Graphics, Pac N Save, Dean Foods, Wayne East Prime Stop, Copy Write Printing, Dwight & Pam Anderson, Wayne Boy Scouts, WSC Red Cross Club, Michael Foods, as well as the contributors and businesses who helped to make our fireman's breakfast a huge success.

Thanks to the public for backing the fire department to make the breakfast a success.

The department is still taking donations. They may be mailed to the fire department at 510 Tomar Drive, Wayne, NE 68787

Write In Jane O'Leary for Mayor of Wayne

Jane O'Leary has a deep interest in the City of Wayne and will contribute to success by:

- Implementing creativity and leadership in order to benefit Wayne and its citizens.
- Working with the Council to be more proactive than reactive, and to consider more than one solution to complaints and problems. Streamline meetings to allow more input from citizens and make the council more efficient;
- Continuing to support the role of the college in the community by continuing to provide a pleasant and safe experience and employment for students, who may be our friends, our friends' children or our relatives. A goal of such support is a continued growth resulting in more professionals living in Wayne and expanding our tax base.
- Supporting our City employees by respecting their hard work and providing salaries that are in line with other budget items.
- Recognizing that a city is not a business but a representative body whose primary goal is to serve the needs of all the citizenry. Incorporate scenario planning into goal setting
- Enhancing tourism by encouraging unique attraction(s).

QUALIFICATIONS:

- Fair, thorough, creative, intelligent, considerate leader, quick learner, puts Wayne first.
- Perceives problems through accumulated Life Experience, raised family in Wayne, lived in Wayne as a college student and adult. Parent of WSC students;
- Started and owned business in Wayne that continues with new ownership, previously part owner of a computer business, now owns and operates a part-time small business.
- Engaged in extensive research small town/college relationships. Elected by 3 terms on City Council. Administered the start of the Chicken Show for first 15 years
- Studied leadership styles, human relations, planning styles

Write-In Jane O'Leary, your most qualified mayoral candidate for Wayne!
