## Oh, no... it's November

A flock of approximately a dozen wild turkeys have taken up residency in the northeast portion of Wayne. The group is apparently trying to find a safe home before becoming Thanksgiving dinner. The flock can be seen roaming up and down Claycomb Road and have ventured on to the decks of several houses in the area. They may be aware of the fact that Thanksgiving is under 30 days away.

## Marci's Hair Affair moves to Brookdale Wayne

By Sarah Lentz  
editor@wayneherald.com

Marci Kudrna isn't a new face at senior living facility Brookdale Wayne. The hair stylist has been there a few days a week for about six years. Recently, however, Kudrna made Brookdale her base of operation, moving Marci's Hair Affair's location from downtown.

Kudrna's relationship with Brookdale started after the 2013 tornado hit Wayne. Kudrna's husband worked at Pacific Coast, so the couple were looking for an opportunity for extra income. Another hairdresser in town told Kudrna about a space at Brookdale opening up.

"It was perfect timing," Kudrna said. "I call it a God thing, it was an answer to prayer."

As the years have gone on, she's found it challenging to juggle two salon locations, but all along, the residents at Brookdale have known where Kudrna's favorite location was.

"I always told the ladies that lived here at Brookdale that if I were to give up anything it'd be the downtown shop," she said.

After tracking time and expenses, Kudrna made the decision to move full-time to Brookdale, bringing some of her regular clients with her to the new location. So far, she's happy with the move.

"It's only been three weeks and I'm just, I'm on top of the world," Kudrna said. "It's the best thing I've ever done."

She's able to provide full service to both residents and non-residents from the new one-chair salon, not far from the entrance of Brookdale. The residents enjoy the convenience of having her there full time, as

(Photo by Sarah Lentz)

Marci Kudrna, who hosted Chamber Coffee on Oct. 25, stands in front of the new permanent entrance of Marci's Hair Affair, now exclusively located in Brookdale Wayne.

well as another bonus, according to Brookdale sales manager Kyla Miller.

"It's been really fun to see all of Marci's clients come and visit and a lot of them will stick around after their appointment and visit a resident," Miller said. "I think our residents love seeing people from the public come up, people that they have known for years that maybe they don't see as much."

Kudrna is at the salon Monday, Tuesday, Thursday and Friday from 8 a.m.-5

p.m. and opens at 7:30 a.m. on Saturdays. She is also helped by Deb Harmeier, who is on when Kudrna is off. Kudrna also said if someone can't find a time that works during her regular hours she's willing to be flexible. For appointments with either stylist, call (402) 369-0138.

"It's been a good partnership and we're definitely lucky to have Marci on our team," Miller said.

## Chicken Show theme announced

On Oct. 29 the public was invited to the Majestic Theatre to watch Wayne's episode of "Small Town Big Deal" featuring the Wayne Chicken Show. After the episode, titled "Something's Run Aowl," Wayne Area Economic Development's marketing, events and tourism coordinator Abby Schademann announced the theme for next year's Chicken Show.

The episode of the television show helmed by "Entertainment Tonight" alum-

na Jann Carl and Rodney Miller, features many area residents and covered the three-day 2019 Chicken Show.

After viewing the episode, Schademann announced that "40 Years of Egg-Cellence" would be next year's theme.

Schademann and WAED are always looking for volunteers to help serve on the Chicken Show committee. For more information contact the WAED office at (402) 375-2240.

## Ace Hardware investors to hold meeting

On Wednesday, Nov. 6, local investors and representatives from Ace Hardware will hold a community meeting at the Fire Hall located at 510 Tomar Drive in Wayne. The group is taking the time to hear from the citizens of Wayne about what products and services they'll be looking for.

"We feel there's a misconception that Ace only does hardware. We want to hear what the community actually needs so the investors can bring that to the community," Wayne Area Economic Development director Luke

Virgil said. Virgil and WAED are helping the local investors to facilitate small group discussion about community needs. He decided to get involved because he liked what he was seeing from the investors.

"Our local Ace investors asked WAED to help with the event because they want to listen to the community."

The meeting will begin at 7 p.m. For questions contact Virgil at (402) 375-2240.

Representatives from Wayne Community Schools, Wayne State College, Little Priest Tribal College, Nebraska College of Technical Agriculture, Nebraska Indian College, Northeast Community College and University of Nebraska-Lincoln College of Agricultural Sciences and Natural Resources posed next to Wayne High's agricultural mural after signing the Northeast Nebraska Agriculture and Natural Resources Education Compact.

## Seven institutions join together in the name of Ag education

Seven education partners gathered for the official signing of the Northeast Nebraska Agriculture and Natural Resources Education Compact on Oct. 29 at Wayne Junior-Senior High School. The event brings together Wayne State College, University of Nebraska-Lincoln College of Agricultural Sciences and Natural Resources, Little Priest Tribal College, Nebraska Indian College, Northeast Community College, Nebraska College of Technical Agriculture, and Wayne Community Schools working towards one goal-developing strong agricultural education in northeast Nebraska.

Representatives from the seven schools signed a compact that has been several months in the making.

"The focus of what is what we're doing with the compact, is to collectively serve the education needs of our youth and lifelong learners in northeast Nebraska and contribute to the workforce and talent development to support economic growth strategies and Agriculture and Natural Resources," Wayne Community Schools superintendent Mark Lenihan said in opening remarks at the signing

ceremony. "That's really the purpose and that's what's brought us all together, and we're very excited about what the future brings."

Moving forward all parties involved will actively work to improve college readiness, educational attainment, community and economic vitality and growth. The partners will work together to provide:

- Educational platforms for the continuum of learners in resilient food, energy, water, and societal systems that align with career opportunities for an evolving workforce for partnered communities;
- Teacher preparation and professional development programs for pre- and in-service educators and that are responsive to the increased need for highly qualified K-12 agricultural science and STEM educators;

- Seamless career education pathways to prepare the next generation of professionals, problem-solvers innovators, entrepreneurs and leaders in resilient food, energy, water, and societal systems; and
- Workforce development solutions for the agriculture and natural resources industries in the region.

The compact will draw on the strength of the partners to achieve a set of goals backed by strategies designed to capitalize on the region's rich expertise in education and workforce solutions. The strategies reflect a blending of efforts from a variety of educational and business partners that will serve students, industry, and the state of Nebraska.

In addition to an address by Lenihan, Dr. Mike Boehm, vice president of Agriculture and Natural Resources at the University of Nebraska spoke as well as Ag educator and FFA advisor at Wayne Community Schools Toni Rasmussen and one of her students, someone who will stand to benefit from the compact, FFA chapter president Faith Junck.

"We are committed to moving the needle forward and so it's in that spirit that we're here today, and I couldn't be more proud, representing the University of Nebraska in partnership with our two tribal community colleges with our State College partner, Wayne State, and our community college partner Northeast Community College," Boehm told the audience.

## Running with heart

Laura Hasemann received the best reward after her run at State Cross Country, a hug from mom, Mary Kay. Hasemann had every right to be overcome with emotion after crossing the finish line. In her first State appearance, the freshman runner placed fourth.

## Obituaries

### Margaret Nelson

Margaret E. Nelson, 88, of Wayne, died Wednesday, Oct. 23, 2019 at Faith Regional Health Services in Norfolk.

Services were held Monday, Oct. 28 at Grace Lutheran Church in Wayne. The Rev. Michael Buchhorn officiated.

Burial was in Veterans Memorial Cemetery in Wayne.

Memorials may be directed to Margaret's family for later designation.

Arrangements were with Hase-mann Funeral Home Wayne.

Margaret Ellen Nelson was born Dec. 20, 1930 near Carroll to Henry and Mary (Weinmeister) Wacker. She was raised on a farm near Carroll and attended country school. Margaret married Willis "Bill" Nelson March 19, 1949, at St. Paul's Lutheran Church in Carroll. The couple farmed near Wakefield for many years. She was a member of Grace Lutheran Church in Wayne. She enjoyed gardening and cooking. Mar-

garet's main focus was her faith, family, and the family farm, where she cared for her horses and barn calves.

Survivors include her children and their families, Barrie Nelson (Tim Hart) of Greeley, Colo., Scott (Mary) Nelson of Omaha, and Brian (Sara) Nelson of Wakefield; three grandchildren, Rachel (Tim) Manderfeld, Brent (Windy) Nelson and Lauren Hart; one great-grandson, Brecken Manderfeld; sisters, Dorothy (Ken) Beyeler of Cody, Wyo., and Betty Bruns of Sioux Falls, S.D.; sister-in-law, Rodella Wacker of Wayne; brother-in-law, Harold Nelson of Arvada, Colo.; nieces and nephews.

She was preceded in death by her parents; husband, Bill in 2009; four brothers, Henry Jr., Clyde, Dick (Delores), and Herman "Bud" Wacker; and two sisters, Margie Wacker and Irene (Leonard) Blecke; sister-in-law, Shirley Nelson; and brother-in-law, Robert Nelson.

Pallbearers were Ron Boecker, Bill Blecke, Russell Longe, Kirk Wacker, David Wacker and Tim Wacker.

### Joanne Joy McNatt

Joanne Joy McNatt, 89, of Yankton, S. D., formerly of Wayne, died on Wednesday, Oct. 23, 2019 at Avera Sister James Care Center in Yankton.

Services were held Tuesday, Oct. 29 at Wayne First United Methodist Church in Wayne, with Pastor Nick Baker officiating. Burial was in Greenwood Cemetery in Wayne.

To send an online message to the family, please visit [www.wintzrayfuneralhome.com](http://www.wintzrayfuneralhome.com).

Arrangements were with Wintz & Ray Funeral Home and Cremation Service in Yankton, S.D.

Joanne Joy McNatt was born Feb. 8, 1930 in Wayne to Curtis and Elna (Nielen) Foster. She grew up in Wayne and graduated from Wayne High School in 1947. She worked at McNatt Hardware in Wayne where she met Lloyd McNatt Jr. They were married on June 20, 1949 in Blair. After their marriage, they continued to work in the family business until they retired in 1982.

Joanne was very involved in the Order of the Eastern Star, serving as District Grand Supervisor for several years. Lloyd passed away on Aug. 28, 2003 and Joanne moved to Yankton in 2014. She enjoyed bowling, shopping, crafting and traveling. Joanne also loved playing bingo and cards as well as board games, especially Farkle. She was a wonderful mother, grandmother and great grandmother who will be deeply missed.

Survivors include five children: Pamela (John) Philbrick of Pueblo, Colo., Kathy Reiss of Wayne, William McNatt of Pueblo, Colo., Lisa (Todd) Holland of Yankton, S.D. and Rodney (Shelley) McNatt of Yankton, S.D.; 14 grandchildren; 25 great grandchildren; and many nieces and nephews.

She was preceded in death by her parents; husband, Lloyd, Jr.; one sister, Alice May Sartain; and two brothers, Curtis and Junior Foster.

Pallbearers will be Dustin Lamb, Tyler Lamb, Ryan Finn, Macklin McNatt, Corbin McNatt, Leven McNatt and Marc Merrill.

Honorary pallbearers will be members of the Order of the Eastern Star in Wayne.

### Barb Holdorf

Barb Holdorf, 83, of Wayne, died Tuesday, Oct. 29, 2019 at Countryview Estates in Wayne.

Services will be held Saturday, Nov. 2 at 10:30 a.m. at Immanuel Lutheran Church, rural Wakefield. The Rev. William Bertrand will officiate. Visitation will be held Friday, Nov. 1 from 5 to 7 p.m. at Hase-mann Funeral Home in Wayne with family present. Burial will be in the Concord Cemetery at Concord.

Memorials may be directed to the Holdorf family for later designation.

Arrangements are with Hase-mann Funeral Home in Wayne.

Barbara "Barb" Ann Holdorf was born Sept. 10, 1936 on a farm near Coleridge to Stanley Vern and Vergie Ione (Hutching) Starks. She graduated from Pierce High School. Barbara married Delmar Dean Holdorf on May 11, 1954 at the United Methodist Church in Pierce.

Through her life she lived and worked in the Wayne and Concord area. She was employed at Wayne State College.

Survivors include her husband, Delmar; their children, Delmar Dean Ricky (Connie) Holdorf of Wayne and Cynthia "Cindy" (Doug) Echtenkamp of Wayne; eight grandchildren; 24 great-grandchildren; brothers, Darrell Starks of Elkhorn, Jim (Carol) Starks of South Sioux City and Virgil (Bing) Starks of Omaha; sister-in-law, Sandy Starks of Elkhorn; nieces and nephews.

She was preceded in death by her parents; a son, Charles "Chuck" Jon Holdorf; daughter, Pamela "Pam" Jean (Larry) Jepsen; grandson, Chad R. Hunt; siblings Gordon (Irene) Starks, Norma (Albert) Linafelter, Don Starks; and infant sister, Baby Judy; and sister-in-law, June Starks.

Honorary pallbearers will be Barb's grandchildren and great-grandchildren.

Active pallbearers will be Harrison Holdorf, Mike Holdorf, Steve Pochop, Jr., Scott Bunik, Brandon Mastalir, Ryan Hulsebus and Caleb Mastalir.

## Courthouse news

The church is located at 207 Jones Street in Winside. Carry-outs are available by calling (402) 286-9010 or 286-4914

### Library events

AREA — The following is a list of activities planned at the Wayne Public Library in the coming week: Thursday, Oct. 31 - Trick or Treat at the Library (all day); Friday, Nov. 1 - Toddler Time, 11 a.m.; Monday, Nov. 4 - Smart Phone 101 with Chele Meisenbach 6-7:30 p.m.; Wednesday, Nov. 6 - Toddler Time 10 a.m. and Diann Ballard Publisher Workshop, 5-8 p.m.; Thursday, Nov. 7 - Needle Night 6-8 p.m.

### Rural mental health lecture

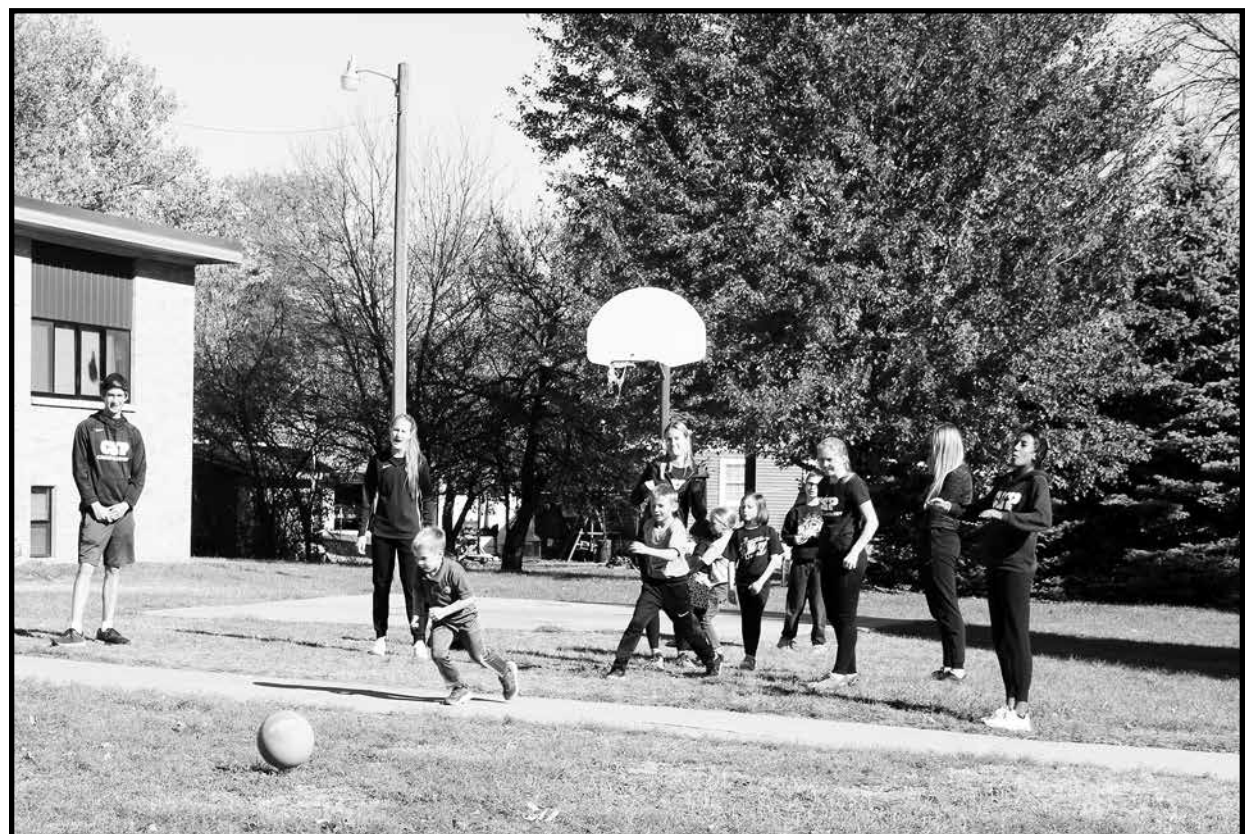

AREA — Northeast Nebraska Behavioral Health Network, Wayne State College and Northern Nebraska AHEC will present "Rural Mental Health Workforce: Challenges and Opportunities Caring for the Country," a guest lecture by expert Dennis Mohatt, Vice President of the Western Interstate Commission for Higher Education Behavioral Health Program and Co-director of the Mountain Plains Mental Health Technology Transfer Center Network. Dennis Mohatt will speak at 2 p.m. on Monday, Nov. 4 in Frey Conference Suite on the Wayne State College campus. The event is open to the public.

(Photo by Clara Osten)

## Quick response

The efforts of the Carroll Volunteer Fire Department and the combine operator prevented a possible disaster on Oct. 25. Firefighters were called to the combine fire northeast of Carroll at approximately 6:15 p.m. and were able to put water on a bearing that had apparently overheated. No damage was reported to the soybean field that was being harvested. As harvest continues, producers are encouraged to use caution in all aspects of harvest.

(Photo by Clara Osten)

## Having fun... and serving the community

As part of the NSIC Championship Cross Country meet held at Wayne State College this past weekend, athletes from Wayne State College, Upper Iowa University and Concordia St. Paul took part in a Community Engagement event. WSC cross country athletes spent time with fifth grade P.E. students and Upper Iowa student athletes spent time with sixth grade students at Wayne Elementary School. Above, 26 athletes and three coaches from Concordia-St. Paul (Minnesota) took part in a kick-ball game with students at St. Mary's Elementary School.

# Haven House commemorates Domestic Violence Awareness Month with Laura Kucera's story

Contributed by Haven House

In honor of Domestic Violence Awareness Month, Haven House is sharing the story of Laura Kucera, a domestic violence survivor. Below is Kucera's story as provided by Haven House in Wayne. For more information about Haven House and its services, visit [havenhousefsc.com](http://havenhousefsc.com)

On Oct. 1, 1994, a tragedy occurred in Dixon County. Nineteen-year-old Laura Kucera was abducted at gunpoint in Wakefield by an ex-boyfriend, Brian Anderson, 22, of Concord. The two had dated for several months, but when the relationship turned controlling, Laura decided to break it off.

Anderson began stalking and harassing her. She had obtained a protection order against him on Aug. 15, and after a police officer witnessed the two together, a violation of the order, Anderson was given 30 days in jail. Two days after his release, he ran her car off the road, and two days after that the abduction occurred.

After leaving Wakefield heading north, Anderson changed course and began driving through winding country roads for some time, Laura realized she had no idea

where she was and most likely no one could hear her scream. After Anderson stopped the truck to convince her to talk with him, she attempted to get back in and drive away. Unfortunately, the keys had not been left in the truck and she was once again trapped. When Anderson stopped a second time near a meadow, about six miles from Macy, Laura made it clear that she did not want to be friends saying that she would, "rather die."

At that point, Anderson replied, "Then I guess you'd better start running." She did run and as she ran Anderson shot her twice and she fell. As Anderson drove back toward Wakefield, he learned from the police scanner in his pickup that the Dixon County Sheriff's department had begun a manhunt for him. He decided to turn himself in claiming he had dropped Laura off at a restaurant in South Sioux City and did not know her current whereabouts.

Three days later, when Laura was still missing, an all-out search began. After an unsuccessful first day, Anderson decided to confess and get a plea bargain for lesser charges by telling authorities where to find the body. An agreement was made and Anderson led police to the body that

very night. After two gunshot wounds and nights out in the October cold, Laura was miraculously found alive! Doug Johnson was the lead investigator of the case for the Nebraska State Patrol. He was among the officers who found Laura alive. Johnson has many memories of this case calling it a "miracle case; so unique in so many ways."

Leland Miner was and continues to be the County Attorney of Dixon County, where Laura was abducted. He remembers that Brian Anderson was charged in both Dixon County where the abduction occurred and in Thurston County where Laura was shot.

"The odd thing about it was everyone was convinced she was dead and the case was approached from that perspective," Miner said. He can still remember seeing her legs move in the lights that night she was found and was astounded at her recovery.

She was airlifted to the hospital in Sioux City, Iowa and was released from the hospital on Nov. 19, 1994. On March 3, 1995, she was able to testify about the events that occurred that day back in October. In May of 1995, Brian Anderson was sen-

tenced to no less than 85 years in prison.

"She didn't bat an eye, and told it like it was," Johnson, who became friends with Laura throughout this process and remembers her stopping by with friends just to check in with him, said.

Sadly, Laura is no longer with us. About a year after this incident she was killed in a tragic car accident.

This story was picked up by Reader's Digest and they ran an article titled, "If I Can't Have You, Nobody Will," in September of 1995. A full copy of the article can be found on our Facebook page: [facebook.com/havenhouseinc](https://www.facebook.com/havenhouseinc)

Statistics about Domestic Violence  
• Domestic violence and dating violence can happen anywhere, even in small "safe" communities.

• The presence of a gun in a domestic violence situation increases the risk of homicide by over 500 percent.

• One in three high school dating relationships involve some form of abuse.

• It is difficult to gather statistics on the frequency of domestic violence, sexual assault, dating violence, and any type of abuse, but unfortunately, it is much more common than most people realize.

Haven House has been helping survivors of domestic and sexual violence since its inception in 1978. Our mission is to empower, shelter and advocate for survivors of domestic violence and sexual assault. We provide confidential crisis intervention, safety planning, information and referrals, emotional support, protective order assistance, legal advocacy, and emergency shelter. Our 24 Hour Crisis Line can be reached at 1-800-440-4633.

We also have offices in Wayne at 215 West 2nd Street, our phone number is (402) 375-5433; South Sioux City at 117 East 28th Street, that location's phone number is (402) 494-7592 and part time offices in Ponca at the courthouse on the first and third Monday; Hartington at the courthouse on the first and third Wednesday. You can reach both of those offices by calling the same number as the crisis line 1-800-440-4633.

You can make a difference: volunteer, make a donation, intern, schedule a presentation or organize a donation drive. We always accept donations of paper products, diapers and wipes, fabric sheets, laundry detergent, personal hygiene items and housewares.

## Northeast Community College names Barrett as its ninth president

For the first time in its 91-year history, Northeast Community College will have a female president.

On Wednesday, the College Board of Governors unanimously selected Dr. Leah Barrett, currently a vice president for a community college district in Wyoming, as the institution's next president.

Barrett, who will succeed Dr. Michael Chippis, becomes the ninth president of Northeast in January.

She is honored to be selected for the position.

"I am looking forward to taking on this leadership role as we begin to talk about the future for Northeast," Barrett said. "So what I share with you today is what I think is the foundation and the priorities for our institution. ... And that surrounds the empowerment of our faculty and staff and our students to listen and to learn from each other and create a vision together of where we see Northeast Community College going (toward) 2025 and beyond."

Barrett said as Northeast's Vision 2020 strategic plan comes to a close next year, this is an ideal time

for a presidential transition.

"The role of our college is to support the success of our students and be an effective partner in our region's vitality. I look forward to engaging the college community and the citizens of northeast and north central Nebraska in conversations to lead us into the future."

Chipps retired May 30. It was then a 12-member search advisory committee, made up of members of the board, college administration, faculty, staff and students, began a nationwide search for his successor. Barrett was selected from 63 applicants.

Board Chairperson Steve Anderson of Concord said Barrett's breadth of experience and knowledge, with 27-years in higher education, complement the work taking place at Northeast.

"Northeast Community College has been searching for a leader who will continue to move the institution forward to meet the workforce and economic development priorities of the region and provide the essential services to ensure our students obtain a quality education. We have found

Dr. Leah Barrett

those attributes in Dr. Barrett," he said. "Her background in student affairs is a strong asset in terms of student success and will serve Northeast well. The board also received excellent feedback from the College community and the public following her two open forums on campus. She will be an excellent president."

See Northeast president, Page 4A

## Department responds to calls, offers reminders

The Wayne Volunteer Fire Department responded to three fire calls in recent days.

On Oct. 22, firefighters responded to a dump truck on fire just north of Wayne. When they arrived on scene, the truck was fully engulfed in flames.

The cause of the fire was determined to be electrical in nature. The truck was determined a total loss. No other damage was reported and no one was injured in the incident.

On Oct. 23, the department was called to a false alarm at Memorial Stadium on the Wayne State College campus.

On Oct. 24, a fire call was re-

ceived for a clothes dryer fire on Douglas Street. The occupant of the home was able to extinguish the fire before firefighters arrived on scene. Fire department personnel did remove the dryer from the home.

On Oct. 29, the department responded to a call of a fire in the 600 block of Logan Street for a possible house fire. Firefighters found an unattended fire in a fire pit next to a house. Household trash was burning. The fire was quickly extinguished.

As the winter months approach, Fire Chief Phil Monahan has issued several reminders to area residents.

"With the change of clocks (Nov.

2), it is good time to check the batteries in both smoke alarms and carbon monoxide detectors. Also, if these are more than 10 years old, they need to be replaced," Monahan said.

"Also, remember to clean the lint filters on the clothes dryer on a regular basis. Never run extension cords under rugs or pieces of furniture such as a bed or couch," he added.

Monahan urges those who need to use extension cords to purchase heavy duty ones and use surge protectors with electrical appliances.

## Junior Fire Patrol

Junior Fire Patrol classes have been held at the Wayne Fire Hall since early in September. Graduation ceremonies were held on Oct. 27. Above, the graduates pose beside a fire truck. They include (front) Gracelynn Daniels, Karla Wynia and Kayla Wieseler; (back), Wyatt Whitaker, Whitney Hadcock, Brennan Brunken, Carter Mostek, Brody Soden, Spencer Moormeier, Jaxson Wiseman, Callen Gamble (right) Carter Mostek was the top boy and Kayla Weiseler was the top girl in this year's class. They had to have perfect attendance and have a perfect score on their test. Carter also accepted the award for Mrs. Metzler's class as they had the best attendance and test scores.

## Fundraiser helps with canine surgery expenses

The Dixon County Sheriff's Office held a K-9 Zombie 5K/1 mile fundraiser on Oct. 26 for K-9 Josie.

The event was an effort to cover the expense of her surgery to repair an ACL tear and a meniscus tear. The event started and ended at Sidelines Bar & Grille in Wakefield. There were 55 runners registered for the event.

Winners in each of the divisions include: Overall top female 5K - Stephanie Echtenkamp; Overall top male 5K - Ross Hansen, Overall top 10 & under winner- Taven Kent; 5K female under age 20- Halie Chinn, 5K female age 20-40- Kristin Beaty, 5K female age 40+- Stephanie Echtenkamp, 5K male under age 20- Rylan Weaver, 5K male age 20-40- Ross Hansen.

Prizes were also awarded for the best dressed and the winners were First place - Christy and Dave Braunger and second place went to Madison McAfee.

K-9 Josie, Deputy Rich Lamprecht and his family, along with the entire Dixon County Sheriff's Office would like to give out a huge "Thank You" to all the sponsors, the organizers, the volunteers, and the runners/walkers for all of your support.

K-9 Josie is doing well following the surgery and is back to training as of Oct. 28.

## Erwin receives Midland honor

Midland University honored alumni Tyler Erwin during Homecoming weekend activities.

Erwin was being recognized as Midland's Distinguished Young Alumni.

A native of Laurel, Erwin attended Laurel-Concord High School, where he was an all-state and all-conference player in basketball and football.

Erwin has been an assistant men's basketball coach at the University of Nebraska at Omaha since 2010, where he helped oversee the program transition from Division II to Division I and join the Summit League in 2012. Over the past four seasons, Erwin has helped guide the Mavericks to 66 victories and two appearances in the conference championship game.

Off the court, Erwin is involved the UNO chapter of the Fellowship of Christian Athletes and is active in helping with Special Olympics.

In his playing career, Erwin was a four-year letter winner at Midland. As a senior, he earned all-conference honors and led his team to the Nebraska Intercollegiate Athletic Conference Championship and a berth in the 2000 NAIJA national tournament. Erwin graduated with a bachelor of science in business administration and a minor in coaching endorsement.

Following his playing career, he remained on the bench as an assistant coach, leading the junior

varsity program in the process. Erwin also worked as an admissions counselor with the university.

In pursuit of his masters degree, Erwin was a graduate assistant coach at the University of Nebraska at Kearney from 2003 to 2005. He then became assistant coach and athletic academic liaison

at Simpson College in Indianola, Iowa, for four seasons before landing an assistant coaching job at Omaha.

Erwin and his wife, Lindsey, have two children.

This information was provided by Jerry Guenther, Norfolk Daily News.

## Tour of Homes to benefit Wayne County Museum

As the calendar switches from October to November, the Friends of the Wayne County Museum are making plans for this year's Holiday Tour of Home.

The dates for the tour will be Friday, Nov. 22 from 5 to 8 p.m. and Saturday, Nov. 23 from 11 a.m. to 2 p.m. Tickets are \$18 each and will be available starting Friday, Nov. 1 and may be purchased at all Wayne banks, Rustic Treasures, 1912 Emporium and at the museum during the hours of the tour.

Proceeds from the event will go toward maintenance and major projects at the museum.

This year's tour will feature the Wayne County Museum and the

homes of Tracy Keating, Dave and Diane Zach, Matt and Melissa Eischeid, Jeff and Peggy Triggs and Scott and Chele Meisenbach.

In the coming weeks, information on each of the stops will be included in the Wayne Herald.

The Wayne County Museum, located at Seventh and Lincoln Streets, is being decorated by Dan Proett, Tanner Schopke and Greta Smith.

This house was built in 1900 by Dr. W.C. Wightman at a cost of \$13,000. It took two years to build.

The Wightman family lived in the house until they moved to California in 1912. The house was then sold to a local banker, Rollie W.

Ley, for about \$6,000.

The Ley family continued to own the house until 1976 when Mr. Ley's heirs donated it to the Historical Society for use as a museum.

Features of this gracious home include a reception hall of oak paneling, a built-in bookcase with curved glass doors, courting corner, stained glass and beveled glass windows and beautiful parquet floors.

The house is listed on the National Register of Historic Places.

Refreshments will be served to those visiting the museum.

Tracy Keating's home is located at 510 Lincoln Street.

This charming bungalow was

built in 1935. This home features its original wood floors, window frames, doors, French doors and fireplace used in that era.

The kitchen, upstairs bathroom, basement and deck have been updated. The basement family room has been a place for family and friends to curl up and feel at home.

The storage room that features brick walls and exposed wooden beams has just been turned into a bar area to entertain for Husker games with a rustic feel.

The decorating flare is one of Tracy's favorite hobbies and she cannot wait to help visitors get in the Christmas spirit.

## Northeast president

From Page 3A

Barrett was drawn by the success Northeast Community College has achieved, which she said is evident across the college and in the community.

"There is so much pride in this institution. The photos of the faculty

listing their credentials and their accomplishments (across campus) show a commitment to student success and faculty development. The partnerships with business, education and industry have helped to create academic programs and build buildings. And the hundreds of people wearing Northeast gear on cam-

pus and in the community shows a sense of pride shared throughout the region. That's the kind of institution I want to lead."

Barrett comes to Northeast from the Northern Wyoming Community College District (NWCCD), where she is vice president for student affairs. She has managed the depart-

ments of institutional research, financial aid, registration and records, student conduct, counseling services, support for students with disabilities, academic advising, TRIO student support services, and the America's Promise Grant since 2016. NWCCD has two primary campuses, Gillette College and Sheridan College.

Prior to her time in Wyoming, Barrett served as the associate vice president for enrollment management and student affairs at The College at Brockport (State University of New York) from 2008-2016. She has also been employed by Arizona State University, Boise State University, University of Wyoming, and Valparaiso University since first entering higher education in 1992.

She earned bachelor's and master's degrees in business administration from the University of Wyoming and her doctorate (Ed.D.) in executive leadership from St. John Fisher College, in Rochester, N.Y. Her dissertation and continued research interest focuses on a sense of community on the college campus.

Barrett grew up in Wyoming. She and her husband, Doug, have two sons, Sean, 14, and Finnian, 11. "I am so honored to have been selected as Northeast's ninth president and to lead this very special place," she said. "My family and I are eager to begin calling northeast Nebraska our home."

Since its founding in 1928, Northeast Community College and its predecessor institutions - Norfolk Junior College, Northeast Nebraska Vocational Technical School, Northeast Nebraska College, Northeast Nebraska Technical College, Northeast Nebraska Technical Community College, and Northeast Technical Community College - have been led by men. Barrett will join H.B. Simon (1928-31), Dr. Allen Burkhardt (1931-32, 1942-60), F. Don Maclay (1960-71), Dr. Michael Paradise (1968-72), Dr. Robert Cox (1972-95), Dr. James Underwood (1995-00), Dr. Bill Path (2001-11), and Chipps (2012-19) in serving as the institution's CEO.

## Kids can attend annual Wayne Area Ducks Unlimited banquet for free

The Wayne area chapter of Ducks Unlimited (DU) is looking to the next generation of wildlife conservationist and hunters. Greenwings: (DU young members 15 years old and younger) can attend the 2019 banquet for free when accompanied by an adult DU member. Chairman Kent Burnes of Laurel said that the Wayne Area Chapter has been given a sponsor gift from area committee members to support the Greenwings in the local area. The chapter will pay for the "Greenwing" youth membership in DU and a meal for the first 50 to register.

The banquet will be held Friday, Nov. 8 at the Beaumont Event & Concert Hall, located at 2611 N Hwy 15 in Wayne. A social will begin at 5:30 p.m. followed by a dinner and auction at 7 p.m.

Burnes said that the new generation of hunters will be the leaders of conservation in the future. Focus on the Greenwings in the area is important to future programming and events. Committee members Chad Johnson and Steve Smith of Laurel, said in addition to membership and a meal, all Greenwings will be entered into a drawing for youth items.

Tickets are available at the door or from any committee member. A single is \$40 with couples at \$60, Greenwings at \$15 and National

Bronze level sponsorship at \$265. Price of the ticket includes dinner and membership in Ducks Unlimited. This year's banquet will include an auction of both collectible DU art and memorabilia and other useful items for the hunter and collector.

Other committee members for tickets and information call: Mitch Lanser, Steve Smith, Greg Urwiler, Chad Johnson, Tim Burnes, Seth Parsley, Rob Bose, and Kent Burnes. For additional information call Burnes at (402) 360-5005 or visit NE.ducks.org to buy tickets online. Ducks Unlimited invites the public to help them celebrate 82 years of wildlife conservation.

Barrett served as the associate vice president for enrollment management and student affairs at The College at Brockport (State University of New York) from 2008-2016. She has also been employed by Arizona State University, Boise State University, University of Wyoming, and Valparaiso University since first entering higher education in 1992.

Barrett grew up in Wyoming. She and her husband, Doug, have two sons, Sean, 14, and Finnian, 11. "I am so honored to have been selected as Northeast's ninth president and to lead this very special place," she said. "My family and I are eager to begin calling northeast Nebraska our home."

Since its founding in 1928, Northeast Community College and its predecessor institutions - Norfolk Junior College, Northeast Nebraska Vocational Technical School, Northeast Nebraska College, Northeast Nebraska Technical College, Northeast Nebraska Technical Community College, and Northeast Technical Community College - have been led by men. Barrett will join H.B. Simon (1928-31), Dr. Allen Burkhardt (1931-32, 1942-60), F. Don Maclay (1960-71), Dr. Michael Paradise (1968-72), Dr. Robert Cox (1972-95), Dr. James Underwood (1995-00), Dr. Bill Path (2001-11), and Chipps (2012-19) in serving as the institution's CEO.

Wayne High freshman Laura Hasemann earned a fourth-place medal in the Class C girls competition at the State Cross Country Championships in Kearney. She took two minutes off her best time on the Kearney Country Club course to finish in 20:06.

## Hasemann runs best race of year, finishes fourth at state

KEARNEY — On Thursday night, Wayne High freshman Laura Hasemann had a question for her coach, Courtney Maas: Can I medal? “The night before, she asked (the question) and I said yes you can,” Maas said. “When she started to believe that, it came true.” Did it ever — the Wayne High freshman runner came through with her best race of the year, keeping pace with the leaders from start to finish and coming home with a fourth-place medal in the Class C girls race at the State Cross Country Championships. Just a few weeks earlier, Hasemann covered the same course in 22:37, but took more than two minutes off that mark with a time of

20:06, finishing just 26 seconds behind the winner, Danie Parriott of Conestoga, and hot on the heels of the second and third-place runners, Logan Thomas of Malcolm (19:50.0) and Jordan Soto-Stopak of Boone Central/Newman Grove (19:56.4). “I was really surprised because it’s a hilly course and not an easy course to run,” Hasemann said when she saw her time. “It was really exciting. I tried sprinting at the end and I knew somebody was behind me, and I was determined not to let them get me.” Maas said her freshman qualifier saved her best effort for the last race of the season. “Laura ran the best race she could have ran that day,” she said. “She knew what she needed to do

going and put together almost a perfect race and it was a great result.” Getting her to believe she could do it was arguably the biggest hurdle to overcome. “I knew she was capable of it all season, but it was a matter of getting her to believe what she is capable of,” Maas said. “She showed that dedication and knows now what it takes, and it was good to see her run as well as she did.” Hasemann said she’s excited at what lies ahead. “I PR’d at that race and pushed harder than I’d pushed before,” she said. “I need to keep working hard and put a lot of miles on next summer and push myself, because I know what I can do now.”

## Blue Devils reach top of Mid State mountain

By MICHAEL CARNES  
For The Herald

BATTLE CREEK — Success at Mid State Conference tournament time has been hard to come by for the Wayne High volleyball team over the years. Thursday night, that all changed. The Blue Devils cranked out their 12th straight win and brought home the Mid State Conference tournament trophy for the first season, which we did last year, was time in school history with a domi-

nating three-set win over the host Bravettes, thumping Battle Creek 25-19, 25-16, 25-20 in front of a loud crowd Thursday in the Battle Creek High School gymnasium. The win came one week after a four-set win over the Bravettes sealed back-to-back regular-season conference titles for the Blue Devils, but coach Traci Krusemark thought her team should aim a little higher. “Winning the conference regular season, which we did last year, was a big deal,” she said, “and I told the

team ‘We’re playing great, so what about getting another sticker on the board for the conference tournament?’” The Blue Devils did just that. The opening set was the closest of the evening, as the two teams battled back and forth until Wayne took control at 16-all, getting ace serves from Hailey Backer and Emily Armstrong to help them take control, ending the opening set on a

See Mid State champs, Page 2B

## Blue Devils upset Neumann, secure playoff spot

WAHOO — Wayne High came through with a fantastic performance to close out the regular season, upsetting top 10-ranked Bishop Neumann 14-10 Friday night. The Blue Devils and Cavaliers played through a scoreless first half and Neumann used a field goal and a short touchdown run to build a 10-0 lead before Wayne answered. Late in the third quarter, Reid Korth pulled the Blue Devils to within three with a five-yard touchdown run, and the Blue Devils turned to their junior fullback one more time in the fourth quarter as

he scored the go-ahead touchdown from a yard away. From there, it was up to the Blue Devil defense as they were able to shut down the Neumann offense, sealing the win with a late defensive stand to claim the win and finish the regular season with a 7-2 record. Korth went over the 100-yard mark once again, leading the Blue Devils offense with 110 yards on 26 carries. Blake Bartos added 25 yards on three tries and Vince Kniesche had 21 yards rushing and 20 yards receiving on Tyrus Eischeid’s

only completion of the evening. Wayne’s defense limited the Cavaliers to 110 yards in total offense, led by Mike Leatherdale’s 11 tackles. Cade Janke added eight stops, Kniesche had six and Brendan Swanson added five. The Blue Devils locked up the No. 11 seed for the first round of the Class C-1 playoffs. They will play at Kearney Catholic on Friday at 5 p.m., with the winner advancing to the next round against either No. 3 Ashland-Greenwood or No. 14 Cozad. Wayne will host either team with a win over the Stars on Friday.

Blake Heimann brings down a Wisner-Pilger ball carrier during Friday’s action in Wisner. The Trojans, ineligible for the D-1 playoffs, ended their season on a high note with a 62-26 win over the Gators.

## Wakefield ends 8-1 season with blowout over Gators

WISNER — With no playoffs to look forward to, Wakefield ended their season on about as upbeat a note as one could expect. The Trojans broke open a close game against two rated teams with three touchdowns toward the end of the first half, turning a close game into a blowout as Wakefield ended its 8-1 campaign with a 62-26 mastery of then-undefeated Wisner-Pilger. “It’s definitely bittersweet,” coach Mike Hassler said. “I thought we came out and did exactly every thing we wanted to do to win the district title. I’m happy for these guys, they pulled together and had

one heck of a run this season, it’s just really difficult to see it end. I had six awesome senior boys that I don’t get to see up on my practice field anymore. That’s definitely the toughest part of being a coach.” It was a back-and-forth game through the first quarter as the two teams traded touchdowns. Wakefield broke it open in the second quarter with four scores, two coming in the final minute that gave the Trojans a 48-18 halftime lead. “It maybe took us a little bit to settle down,” Hassler said. “We knew Wisner-Pilger would come out and give us their best shot, they had seven wins for a reason. We just

had a couple break downs early defensively and on special teams that kept the game interesting for the first quarter. Once we settled down I thought we took away the run game pretty well and forced them to do things they weren’t used to.” Justin Erb and Blake Brown did most of the damage in the first half. Erb scored three of his four touchdowns in the first two periods and Brown lit up the Gators in about every way imaginable, throwing a 25-yard touchdown pass to Gabe Peitz, galloping 48 yards for another touchdown and returning an

## Wildcats hang on for 26-23 win at Mary

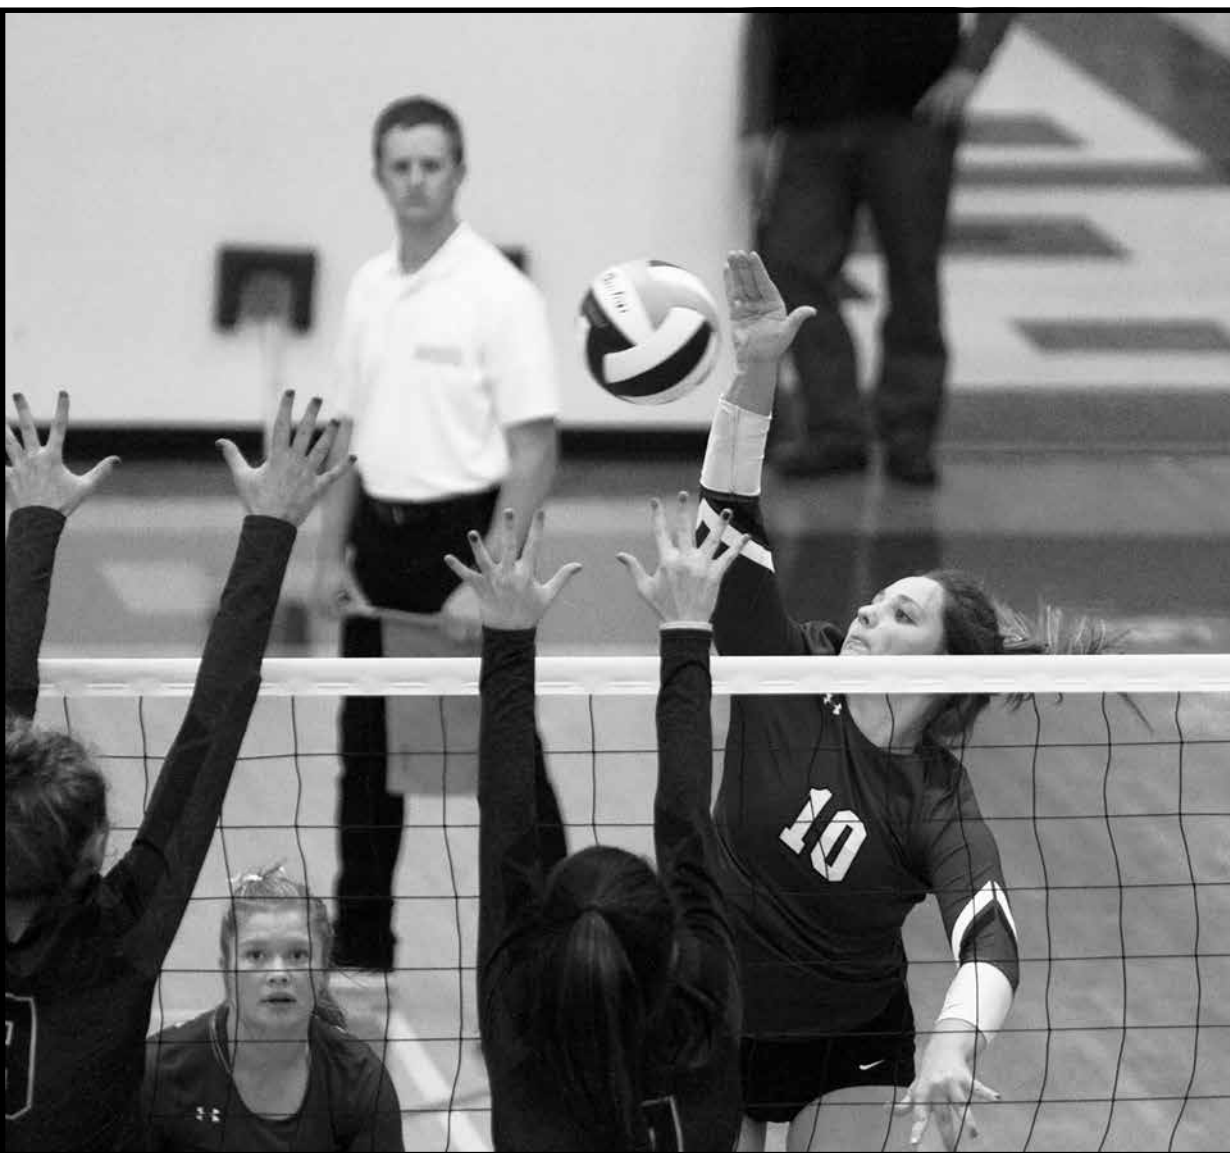

BISMARCK, N.D. — Wayne State rushed for 311 yards and the Wildcats held off the University of Mary for a 26-23 win Saturday afternoon at the Community Bowl in Bismarck, N.D. The Wildcats had the lone score in the first quarter, a 29-yard field goal from senior Ethan Knudson, to give Wayne State a 3-0 lead, but Mary scored on the opening play of the second quarter, a 27-yard Logan Nelson run, to put the Marauders in front 7-3. Wayne State answered on the ensuing drive as the Wildcats traveled 65 yards on just five plays, capped by a Lorenzo Logwood 18-yard run, putting the Wildcats back in front 9-7 following a blocked PAT kick. It was the first miss of any kind this year for Wildcat placekicker Ethan Knudson. Mary scored on the ensuing drive to regain the lead on a 30-yard field goal from Brody Riggs for a 10-9 lead, and the Wildcats looked to be on the verge of retaking the lead right before halftime, driving 73 yards on 14 plays to set up a first-and-goal at the Marauders’ 8-yard line. Wayne State had to settle for a field goal attempt, and the 24-yarder sailed wide to the left, giving Mary a 10-9 lead at the break.

Brandon McFarlane with 11:28 to play third quarter to make it 16-9, but Ryan Parker forced a fumble on a sack of the Mary quarterback that was recovered by Austin Hoffman. Wayne State cashed it in on a one-yard run by Logwood, with the PAT tying the game at 16-16. A blocked punt gave Wayne State a golden opportunity at the Mary 27-yard line, but they had settle for a 27-yard field goal by Knudson, which tied him for the school’s all-time lead in career field goals with 36, tying him with Nick Hope (2006-09). Mary regained the lead midway through the fourth quarter at 23-19 when Nelson fired a six-yard scoring pass to Luke Little to cap a 65-yard drive with 8:32 to play, but the Wildcats came right back as red-shirt freshman Devin Merkuris broke loose on a 41-yard run with 7:12 to go, making it 26-23 in favor of the Wildcats. The Marauders had one last chance to score, driving to the Wildcats’ 30-yard line before senior linebacker Tyler Thomsen intercepted a pass to stop the scoring threat with 2:28 to play and seal the win for the Wildcats. Wayne State outgained Mary in the game 350-332 with 311 yards coming on the ground for the Wildcats. Merkuris produced 123 yards on 20 carries and one score followed by Deshawn Massey with 94 yards on

15 attempts while Lorenzo Logwood finished with 43 yards on 11 rushes with two scores. Tavian Willis completed 5-of-11 passes for 39 yards and one interception. Jason Hawkins had two catches for 14 yards with Mason Lee making one catch for 14 yards. Defensively, linebacker Thomsen recorded 13 tackles with one interception and one pass breakup. Nicholas Joynt added nine stops while defensive end MJ Blankenfeld had eight tackles with two sacks for 20 yards. Wayne State returns to NSIC South Division play next weekend, visiting No. 3 Minnesota State in a 12 p.m. contest at Mankato, Minn. Wayne State 26, U. of Mary 23  
Wayne State 3 6 10 7 —26  
U. of Mary 0 10 6 7 —23  
Scoring Summary  
WSC — Ethan Knudson 29 field goal  
MARY — Logan Nelson 27 run (Brody Riggs kick)  
WSC — Lorenzo Logwood 18 run (kick blocked)  
MARY — Riggs 30 field goal  
MARY — Brandon McFarlane 17 pass from Nelson (kick failed)  
WSC — Logwood 1 run (Knudson kick)  
WSC — Knudson 27 field goal  
MARY — Luke Little 6 pass from Nelson (Riggs kick)  
WSC — Devin Merkuris 41 run (Knudson kick)

# Mid State champs

Emily Armstrong spikes the ball past a Battle Creek block during the Mid State Conference championship match Thursday in Battle Creek. The Blue Devils swept the Bravettes to claim their first Mid State Conference tournament title in school history.

From Page 1B

Battle Creek attack error.

In the second set, Wayne broke a 7-7 tie and cruised to the easy win, and then rode that momentum to a fast 4-0 start in the third set. Battle Creek tried to make a game of it, but the Blue Devils scored the final two points to finish off the sweep as the team came together in the middle of the court to celebrate the win.

"The girls have been playing well these last three weeks, and I was so proud of them," Krusemark said. "Beating Battle Creek twice in 10 days is a pretty impressive feat. They hadn't lost at home all year and neither had we, so we knew it would be a battle. They have great athletes and are coached well, but we just played really really well that night."

Lauren Pick led the Wayne net at-

tack with 17 kills while Armstrong added 11 and Sydney Redden had three. Kiara Krusemark became the school's single-season leader in assists after putting up 29 in the win. Redden had four ace serves.

Defensively, Backer had 17 digs, Armstrong added 14, Pick had 12, Redden added nine and Frankie Klausen had seven.

The 28-4 Blue Devils reached Thursday's final with a four-game win over Hartington Cedar Catholic, 25-21, 25-16, 17-25, 25-18.

Armstrong and Pick each had 23 kills in the win, with Krusemark dishing out 48 assists. Redden had 18 digs, Armstrong added 17 and Baker had 16.

Wayne opened up C1-7 subdistrict play Monday at Norfolk High with an easy three-set win over Pierce, 25-3, 25-16, 25-22.

Pick had 16 kills, Armstrong added 15 and Emily Longe had eight. Krusemark had 41 assists. Pick had 17 digs, Backer added 13 and Redden and Armstrong each had 10. Klausen added six and Erin O'Reilly had four.

Regardless of the outcome of Tuesday's subdistrict final with Battle Creek, Wayne will play for a shot at state in substate play on Saturday. As the fourth-highest team in the Class C-1 power points, Krusemark said their solid play all year has paid off.

"I've been telling the girls for the last month how important those power points are, and now we're down to crunch time and we're looking at that," she said. "You want to win (subdistrict) anyway and playing (Battle Creek) a third time will be tough, but hopefully we can come out and (win)."

## Junior High volleyball teams

Three Wayne junior high volleyball teams recently completed successful seasons. Pictured here with their coaches are (above) A Team members (front) Jala Krusemark, Katy Jones and Kyla Krusemark, (back) Gabi Judd, Delaney Kruse, Leah Perry, Kate Hill and Coach Lauren Gilliland. The team's season record was 11-3-1. Members of the B Team (below) included (front) Faith Powicki, Isabelle Francis, Taytem Ellis and Jocelin Reyes. (back) Coach Karen Longe, Kadence Rees, Rylin Hall and Frantzie Barner. The team's season record was 11-2 and they earned second place at the Norfolk Tournament. Members of the C Team were (front) Rylee Durant, CiCi Risor, Arianna Mulhair, Kortney Rees and Ava Elliot. (back) Genesis Bernal, Emma Forsythe, Isabelle Francis, Amelia Legler, Yama Kantai and Coach Kim Lubberstedt. Not pictured, Junior High Volleyball Team Manager Katie Reynolds. The team recorded a record of 6-3 this season.

## Softball prospect camp set for Nov. 10

Wayne State College will host a softball high school prospect camp on Sunday, Nov. 10 in the WSC Recreation Center from 8:30 a.m.-2 p.m., with registration starting at 8 a.m.

The camp, open to all players

ages 13-18, will cover all aspects of the game that include pitching, catching, defense, hitting and base running, and will help develop the skills needed for pitching, catching, defense, base-running and hitting. This is a fast-paced skills camp with feedback provided to help prepare for collegiate level softball.

Cost of the camp is \$100 and includes lunch and a camp T-shirt. All athletes should come dressed for participation. It is recommend-

ed that athletes bring tennis shoes, glove, bat, batting gloves and water bottle and catchers need to bring their own equipment.

Registration and payment for the camp will only be accepted online at [wscsoftballcamps.com](http://wscsoftballcamps.com). No walk-ups, checks or cash will be accepted at the camp.

For more information on the camp, contact Wayne State College head softball coach Shelli Manson at (402) 375-7522 or e-mail [shman1@wsc.edu](mailto:shman1@wsc.edu).

# Trojans football

From Page 1B

interception for a score on the last play of the first half to kill Wisner-Pilger's hopes for a second-half comeback.

The Trojans more than doubled Wisner-Pilger in total yards, gaining 460 to the Gators' 220. Erb out-gained Wisner-Pilger on his own, finishing with 277 yards on 37 carries with four touchdowns. Brown added 136 yards on 12 tries and was 2-for-2 passing for 25 yards. Peitz caught one pass for 25 yards and threw another for 18 yards to Blake Heimann.

Peitz led the defense with 12 tackles, Erb added 10 tackles, and Brown, Nick Arenas and Logan Bokemper each had eight tackles.

Hassler said that, while it was disappointing to not see his team compete in the playoffs, he felt his team did everything it could to show they were one of the best in the state this season.

Would we all have loved to see

how we stacked up in the playoffs? Absolutely, but I wouldn't trade any of this," he said. "A district title for the second year in a row and a No. 2 ranking at the end of the regular season are pretty awesome accomplishments."

He also complemented the work of the six seniors who played their final game in a Wakefield uniform.

"This senior group won 26 games in their career against only six losses. They were the definition of Wakefield Trojan football," he said. "Just a blue-collar, hard-nosed, hard-working group of guys that showed up to the weight room all the time and put the work in on the practice field. They grew into their roles over four years and matured as leaders as this season progressed, and I hope our underclassmen will continue to follow the example they have set and keep this program headed in the right direction next year."

Lukas Oswald finds a hole in the Wynot defense for a big gain during Friday's action. Oswald ran for 129 yards and a touchdown, but it wasn't enough as the visiting Blue Devils claimed the 12-6 win.

# WSC men 11th, women 12th in NSIC Championships

The Wayne State College men finished 11th and the women placed 12th at the 2019 Northern Sun Conference Cross Country Championships hosted by Wayne State College Saturday at the Wayne Country Club.

The University of Mary won a fourth consecutive women's conference championship with 21 points followed by Augustana in second at 37. Winona State (127), Minot State (129) and Minnesota Duluth (140) rounded out the top five teams.

Freshman Jade Rickard was the top Wayne State runner, finishing 46th out of a field of 155 runners with a time of 24:09 on the 6,000-meter course. Sophomore Al-

lie Rosener was close behind in 54th place at 24:30.

Other Wildcat runners included Kim Johnson (91st, 25:39), Brianna Crouch (98th, 25:53), Wayne native Andrea Torres (102nd, 26:05), Alex Bauer (115th, 26:43), Amanda Mote (121st, 26:57), Molly McCartney (132nd, 27:51) and Wakefield native Josephine Peitz (136th, 28:12).

In men's action Wayne State posted an 11th place finish, led by Bailey Peckham and Dylan Kessler.

For the 10th time in 11 years, Augustana brought home the men's team title with 37 points, well ahead of second place MSU Moorhead with 67 points. Sioux Falls (92), University of Mary (106) and

Concordia-St. Paul (141) filled out the top five teams.

Peckham was the first Wildcat runner to cross the finish line covering the 8,000-meter course in a time of 27:55 to place 54th out of 113 runners. Kessler was next in 61st place at 28:20 and Bryce Holcomb was 70th in 28:57.

Other Wildcat runners were: Nathan Pearson (82nd, 29:28), Jakob Kemper (88th, 29:54), Brock Hegarty (92nd, 30:09) and Nathan Hiemer (100th, 31:44).

Wayne State will close the season on Saturday, Nov. 9 at the NCAA Division II Central Region Championships held in Joplin, Mo.

(Photo copyright Mikey C Productions/Mary Vanderbeek)

Left, Allie Rosener posted a 54th place finish for the Wayne State women's cross country team during Saturday's Northern Sun Conference meet at the Wayne Country Club. Right, Bailey Peckham led the Wayne State men at the Northern Sun Conference Championships Saturday at the Wayne Country Club. He placed 54th in the men's race.

# Lady Trojans reach subdistrict final

The Wakefield/Allen volleyball team won their final triangular of the year Thursday and advanced to the C1-3 subdistrict final with a win on Monday.

On Thursday, the Lady Trojans swept Homer and Winnebago at Winnebago, beating the Lady Knights 25-12, 27-25 and sweeping the host Indians 25-17, 25-19.

In the win over Homer, Alex Arenas led the net attack with eight kills, Jordyn Carr added six kills and three ace serves and Hayden Ekberg had four. Carly Dickens had 20 assists and five ace serves.

Defensively, Carr had 13 digs, Aishah Valeznuela added 12, Arenas had 10, Abby Heiman had nine and Dickens added seven.

Against Winnebago, Carr had eight kills and Arenas added six, with Dickens putting up 19 assists. Chelly Dominguez had four ace serves.

On defense, Valenzuela had 19 digs, Carr added 14 and Arenas had 11.

On Monday, Wakefield/Allen swept Winnebago in the opening round of the C1-3 subdistrict at Wisner, winning 25-11, 25-15, 25-21.

Carr had 14 kills, Arenas added 10, Jackson had eight and Ekberg had seven, with Dickens recording 38 assists. Dominguez had four ace serves.

Defensively, Valenzuela had 13 assists, Carr added 11, Arenas had nine and Heiman had eight.

# Wildcats fall to No. 12 in Div. II poll

The Wayne State volleyball team slipped four spots to No. 12 in this week's American Volleyball Coaches Association (AVCA) Div. II Top 25 coaches poll.

Wayne State split NSIC road matches over the weekend, winning 3-0 at Minnesota Crookston followed by a 3-1 setback at Bemidji State. The loss dropped them out of a top 10 that includes fellow NSIC foes Minnesota Duluth (3rd), Concordia-St. Paul (6th) and Northern State (7th). Other

NSIC teams in the rankings include St. Cloud State (11th), Southwest Minnesota State (15th), Winona State (16th) and Upper Iowa (22nd).

Other Central Region teams in the rankings include the MIAA's Nebraska Kearney (2nd), Washburn (4th), and Central Missouri (9th).

The Wildcats play two matches this week, visiting Augustana Thursday evening at 6 p.m. followed by a Saturday afternoon 1 p.m. home contest against Sioux Falls.

# Allen upset by Wynot in regular-season finale

Allen was playing for a home playoff game — Wynot was just trying to get into the playoffs.

Something had to give.

Unfortunately for the Eagles, it was a perfect storm of miscues that allowed Wynot to pull off the season-ending upset, coming away from Isom-Hill Field with a 12-6 win Friday that put them into the Class D-2 playoffs while, at the same time, sending Allen on the road for the first round instead of playing on their home field to start the 32-team playoff this week.

The defenses for both squads played well, but the Eagles offense were their own worst enemy — fumbles, mishandling of the ball, missed blocks, and penalties literally stopped every offensive drive on the night. The usually-proficient offense never got on track due to the mistakes, allowing the Blue Devils opportunities to stay in the game.

"We were our worst enemy, with miscues. Wynot played as well as they possibly could and we gave them just enough chances to take advantage of our play," coach Dave Uldrich said. "That is why games are played every week . . . you just never know."

While the Allen offense stumbled through nine of its 11 possessions, the Eagle defense kept the Eagles in the game, pitching a shutout until the final minute of the first half when Peyton Wieseler found Anthony Haberman in the corner of the end zone for a 17-yard touchdown pass to make it 6-0 at intermission.

Allen's only touchdown came on their only mistake-free drive of the game, ending on a 20-yard run by Lukas Oswald to tie the game at 6-6 going to the fourth quarter.

The defense got the ball right back and the offense drove again, but a penalty backed up the Eagles and a fourth-down pass reception that looked like a touchdown was thwarted by a slip on the grass.

In the fourth quarter, an inadvertent whistle on a fumbled punt gave Wynot a second chance, and the Blue Devils took advantage, with Wieseler and Haberman connecting on a 5-yard pass to take the lead.

Allen had one last opportunity to tie or win the game, but Wynot was able to force a turnover and run out the clock to secure the win.

"The message before the game was to be ready to get a battle," Uldrich said. "We played with no energy, they

did, and it showed. We are going to apply this experience to the upcoming week of practice. While disappointing, it is over, and we are moving on and playing next week. That is our main objective right now."

The Allen defense did its part, limiting Wynot to 119 total yards on the night. Seven penalties and two turnovers offset the 238 yards in total offense the Eagles recorded on the night.

Oswald carried 27 times for 129 yards and a score to lead the Eagles offense, while Anthony Isom and Brogan Jones led the defense with 14 and 11 tackles, respectively. Jones added a fumble recovery.

Allen, 6-2, is the No. 9 seed in the East bracket for the Class D-2 playoffs. They open up tournament play on the road at No. 8 Lawrence-Nelson on Wednesday.

Wynot 12, Allen 6

Allen 0 0 6 0 - 6

Wynot 0 6 0 6 - 12

Scoring Summary

WYNOT — Haberman 17 pass from Wieseler (PAT failed)

ALLEN — Lukas Oswald 20 run (PAT failed)

WYNOT — Haberman 5 pass from Wieseler (PAT failed)

# Wildcats upset on the road at Bemidji

After an easy three-set win on Friday at Minnesota Crookston, the eighth-ranked Wayne State volleyball team suffered an upset at the hands of Bemidji State in NSIC women's volleyball action over the weekend.

Katie Stephens recorded 15 kills with a .520 attack percentage to lead the Wildcats in an easy 25-14, 25-16, 25-14 sweep at Minnesota Crookston Friday evening.

The first set was close early, but Wayne State scored six straight points to take control of the set after a 10-10 tie. Stephens led the way with five kills while the Wildcats forced six Crookston attack errors to highlight the first-set win.

The Golden Eagles started the second set with a 6-4 advantage, but Wayne State scored 11 of the next 13 points, highlighted by service aces from Rachel Walker and Hope Carter, to take a 15-8 set lead and force a Golden Eagle timeout. Wayne State produced 17 kills in the set as Stephens had the

hot hand again for the Wildcats, recording six kills on nine attacks with no errors.

Wayne State had few problems in the third set to complete the sweep. The Wildcats forced six Golden Eagle attack errors that included three blocks. Kelsie Cada had a team-best five kills in the set followed by Stephens with four as the Wildcats hit .429 in the set with 13 kills and just one attack error to complete the sweep.

Stephens paced Wayne State in hitting with 15 kills and a .520 attack percentage, followed by Cada with 10 kills. Jaci Brahmmer was credited with three blocks while libero Haley Kauth had a team-high 12 digs with Maddie Duffy adding 10. Rachel Walker was credited with 29 set assists and had two service aces along with Tarrin Beller and Hope Carter.

On Saturday, Bemidji State shocked the Wildcats in four sets, winning 25-18, 6-25, 26-24 and 25-16.

The host Beavers came out strong on the Wildcats in the first set, hitting .394 with 16 kills and just three errors to take the opening set, but Wayne State came storming back in the second set and dominated to tie the match at one set apiece. Wayne State had seven service aces in the set, led by Carter with four, while holding Bemidji State to just five kills and a minus-.125 attack percentage with eight errors.

Bemidji State battled back in a tightly-contested third set that featured 14 ties and five lead changes. Neither team led by more than three points in the set. A Cada kill gave Wayne State a 20-18 lead and forced a Bemidji State timeout. The Wildcats still held a 21-19 lead, but the Beavers rallied and pulled out the third set, then used that momentum to build a 6-0 lead in the final set. Wayne State got as close as 15-14, but the Beavers scored the next five points and put Wayne State away to finish off the four-set upset.

Stephens led Wayne State with 16 kills followed by Brahmmer with 10 kills and five blocks. Maddie Knobbe had four blocks. Cada had a team-high 11 digs while Carter had four service aces. Walker was credited with 40 set assists.

Wayne State (18-4, 9-4 NSIC) will be on the road again Thursday evening, facing Augustana in a 6 p.m. contest in Sioux Falls, S.D.

# Wayne Junior High football team awards most improved player

Recently the Wayne Junior High football team named the 2019-2020 most improved player.

Eighth grader Brayden Navarro-Bell took home the honor this year.

## Wildcat soccer team splits road matchups

The Wayne State soccer team bounced back from a shutout loss at Bemidji State to post a clean sheet against Minnesota Crookston and stay in the thick of the race for a spot in the postseason tournament.

On Sunday, Sophie Ketchmark scored a pair of goals to lead the Wildcats to a 2-0 win at Minnesota Crookston.

Ketchmark got off back-to-back shots with two minutes, with the second one finding the back of the net at the 17:52 mark for a 1-0 Wildcat lead.

The score stayed the same until late in the contest when Ketchmark scored her second goal of the contest with 7:47 to go, giving Wayne State the needed insurance goal to finish off the shutout.

Ketchmark paced the Wayne State offense with five shots and three on goal with two goals. Rylie Wehner and Megan Phillips each notched two shots on goal with Abby Sutton recording the other Wildcat shot on goal. Rachel Grisham had two saves in the contest while

recording her sixth shutout of the year.

On Friday, Bemidji State scored just 2:22 into the contest and went on to score three first-half goals to blank the Wildcats, 3-0.

The host Beavers struck early against the Wildcats, scoring the opening goal of the contest at the 2:22 mark from Erin Becker. Becker scored again at the 19:50 mark, and the Beavers finished the half with one more goal at the 43:04 mark to make the score 3-0.

Wayne State had just one shot on goal by Abby Sutton while Carleigh Wilson and Payton Haliburton also recorded shots for the Wildcats. Grisham played 59:25 and was charged with three goals. Freshman reserve Regan Ott came in for the final 30:35 of the contest and was credited with three saves.

Wayne State (6-5-4, 6-4-2 NSIC) will visit No. 16 Concordia-St. Paul Friday night at 7 p.m. followed by a Sunday home contest in Wayne against No. 21 Minnesota State at 1 p.m. at the WSC Soccer Pitch.

## Wildcat netters take fourth in conference

The Winside volleyball team earned a fourth-place finish in the Lewis & Clark Conference tournament after dropping a best-of-three matchup with Laurel-Concord-Coleridge on Tuesday.

The Wildcats fell 25-13, 23-25, 25-15 and were led by Andi Bargstadt's 10 kills. Hope Cummins added eight, Brooklyn Behmer had five kills and 14 assists, Kati Topp added three kills and three ace serves, Jaden Rastede had two and McKenna Russell had one kill and nine assists.

Defensively, Cummins had four blocks, Topp added three and Bargstadt had 1. Topp led in digs with 11, Bargstadt and Jackie Escalante each had nine, Behmer had seven, Cummins, Russell and Ashelynn Abler had four apiece and Rastede had two.

On Monday, Winside opened D2-2 subdistrict play with a 25-12, 25-

20, 25-14 win over Randolph.

Behmer led a balanced attack with eight kills and five ace serves, Bargstadt had seven kills and two aces, Cummins had six kills and three aces, Topp had five kills and four aces, Rastede put down three kills and Russell had two kills and three aces to go along with a team-high 17 assists. Behmer added 13 assists and Escalante had one ace serve.

Defensively, Topp had seven blocks, Cummins added three, Behmer had two and Bargstadt and Rastede each had one. Escalante had 14 digs, Bargstadt had eight, Behmer had seven, Russell added six, Cummins, Topp and Rastede each had three and Abler had one.

Winside, 22-6, played Wynot in Tuesday's subdistrict final. Regardless of the outcome, they should be in the D-2 substate finals on Saturday.

## Experienced sophomore class to guide Hawks in 2019-20

Emmette Page, Ben Moxness and Daniel Akuei have seen firsthand the hard work and talent it takes to be successful at the NJCAA DI level.

Each player will be counted on to propel the Hawks throughout the 2019-20 season when the Northeast men's basketball team opens its season against Otero Junior College at 7 p.m. on Nov. 4 at the Cox Activities Center in Norfolk.

"The returning sophomores bring an abundance of playing experience and an exuberance of leadership, knowledge and heart that will resonate with the incoming freshman," head coach Dan Anderson said. "The Northeast men's basketball team will take on a much different look adding to its experienced sophomore class of Emmette Page, Daniel Akuei, Asher Scavella, Ben Moxness, Zack James and Luke Rollman. The sophomores will add depth and knowledge to the bench and starting five as they transition into the start of the season."

Regarded as one of the top point guards at the junior college level, Page brings a dynamic play-making ability to the Hawks' front court. As a freshman last season, Page started in 26 games and shot 43 percent from the field and 39 percent from the three-point line, averaging 15.7 points per game. He also dished out four assists per game, while being named Second Team All-Region.

Akuei brings a strong-scoring ability after averaging 7.5 points per game and shooting 43 percent from the field. Moxness was one of the top three-point shooters in IC-CAC last season, nailing 43 percent of his shots from beyond the arc, while averaging 7.1 points per game.

Scavella, James and Rollman will be vital pieces coming off the bench for the Hawks.

The incoming freshmen class for Northeast will give the Hawks much needed depth, especially around the rim.

"The freshmen add a much needed inside presence, as well as shooting and overall quickness," Anderson said. "Jordan Okonji, Abdul Wurie and Noah Wuor will add significant size inside. Michael Anderson, Merrix Denn, Deonta Dinker and Oyiti Amum will bring speed, quickness and depth as the season gets underway. Ethan Marshall, Justin Hiser and Dennis Herrea will add their sharp-shooting skills to the squad.

Hailing from London, Okonji averaged a double-double his senior season with 12 points and 11 rebounds, while Wuor averaged 12 points and nine boards per game and was also named Defensive Player of the Year in 2017 at Roosevelt High School in Sioux Falls, S.D.

Tinker joins the Hawks as a transfer from Dodge City Community College and adds immediate depth at both. Also, at the guard position, guard Denn and Amum give the Hawks a true-scoring ability. Denn scored more than 1,000 points in his career and led his team to a runner-up finish in 2018. Amum averaged 15.8 points and eight rebounds per game for the Casey Cavs where he shot 43 percent from the three-point line. Anderson was a three-time letterwinner in basketball at Lincoln Southeast High School under head coach Jonah Bradley. He was a three-time Honorable Mention selection by the Lincoln Journal Star.

"With the addition of the incoming freshmen, the Hawks add depth to several key position - most notably in the front," Anderson added. "However, there is also added defensive and offensive weapons in the backcourt with the addition of several freshmen. Effort is always something that is preached in practice. If the desired effort is given every drill, every practice, every game, success will follow the 2019-20 Northeast men's basketball team."

The road to Hutchinson, Kan., won't be an easy one for the Hawks. Perennial powers like Iowa Western Community College and Indian Hills Community College boast some of the best talent in the country.

"The keys to victory for the Hawks this season will be how well the players learn their roles and buy into how good they can be individually and, more specifically, as a team," Anderson added. "With the added depth and size, the team will compete at a high level. Combined speed, defensive prowess, the ability to push the ball and make plays in the open court, the Northeast men's basketball team will be a force in the conference."

For all news related to Northeast Community College athletics, visit northeasthawks.com for complete coverage. Fans can also follow the Hawks on Twitter @Northeast-Hawks for game-day coverage.

**Congratulations Wayne Blue Devils for sending a runner to the State Cross Country meet!**

## MIKE'S MIMIC

### Professor Mike imparts his wisdom

By MIKE RENNING  
mikesportshome@yahoo.com

Recently, I was asked by some very smart people to address a group of high school students about exactly what it is I do.

I was flattered by the invitation and without thinking I accepted the offer.

Then I started wondering, what in the world would I have to offer to these young people.

I am the king of procrastination, so I waited until about 10 days before my big presentation before I started thinking about what in the world I was going to say?

My topic was supposed to be about being a free-lance writer – which is basically what I am.

My first inclination was to try to teach them proper English, punctuation and spelling.

I relented from that because I knew they had a lot more smarter people than me to teach them that stuff. (Yes more smarter is proving a point.)

So, then I thought, how can I connect with these young people and talk with them on a level they could understand?

I called my Darling Daughters, Michala and Mikenzie and I asked about how I make a Power Point presentation.

I called them in two separate phone calls and their response almost hurt my feelings.

I'm not sure how to do the group calling thing so I phoned them one at a time – and after the first call I thought Michala was way off base.

Michala is our daughter who tells it bluntly, and do you know how the conversation started?

She laughed and said she could make me a power point presentation but there is no way on the green earth I would figure out how to present it – that was hurtful.

So, I relented to calling Mikenzie, who is the soft one who always cares about my feelings.

She laughed as well!

She said, "Dad, stick with what you know, you'll look like an idiot in front of a bunch of kids trying to run a power point presentation."

They both told me to just say what you say and don't worry about the presentation and trying to impress someone.

You're not going to impress anyone with your technological skills.

Now, I know we have talked about those skills recently.

Good heavens, my Granddaughters have locked me out of my own phone, and they're four and seven.

I was downtrodden, beaten, upset, discombobulated, I think that's

a word.

How in the world was I going to relate to these teenagers?

They could walk circles around me in every aspect of technology which is the world they live.

So, I went into my classes like I do most everything – by the seat of my pants.

I handed them all a newspaper, believe it or not – and had them read one of the scribbles I recently wrote.

Several of them had never read an actual newspaper, I don't think, but I figured if we did that first they would – and they did.

It reminded me a bit of when our kids were teenagers but there was no eye-rolling or exclamations of "Dad, gees".

The bottom line is in my opinion, if you sit and talk to kids, you will realize they are no different than you were 10 years ago.

Oh, all right, 10 might be stretching it by a decade or two for me, but kids are, in general, great people to be around.

They listened, they asked questions, good heavens some had just had lunch and no one fell asleep – not sure I could do that – not fall asleep.

I told them about getting to attend sporting events, I told them about keeping my own schedule, I told them about how a lot of your life is day-to-day.

Looking back on the entire experience, I believe we all learned something and hopefully the youngsters for sure.

I think I proved you don't need some big presentation – just get in front of anyone and present – maybe they should have had some rebuttal.

### Capitol View

## Kudos on quick action on YRTC issues

By J.L. SCHMIDT  
Statehouse Correspondent  
The Nebraska Press Association

Congratulations to the state Department of Health and Human Services for coming up with a quick interim solution to problems plaguing the Youth Rehabilitation and Treatment Center in Geneva.

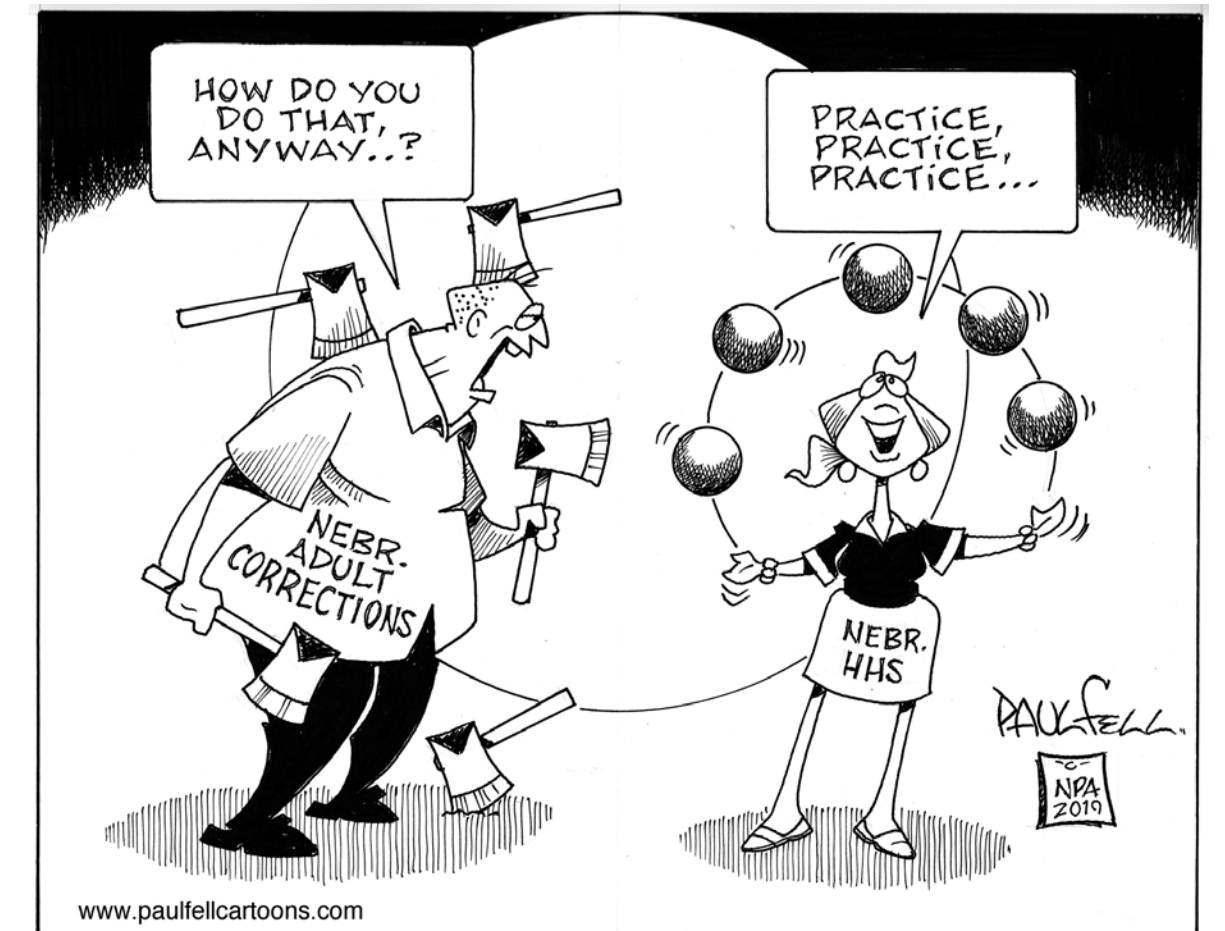

Kudos for proposing something, which, on its face, appears to be more than a Band-Aid. Here's hoping that all involved: the youth; their parents; the juvenile justice system and its watchdogs; and any naysayers will be pleasantly surprised as this plays out.

In August, a group of state senators responded to complaints and toured the Geneva facility. The girls there were immediately moved to the Kearney facility, which was established in 1881. It was the first time in years that boys and girls were together at the state-run, campus style correctional and rehabilitation facility.

Two legislative interim study hearings were held in Geneva and Kearney earlier this month and Health and Human Services CEO Dannette Smith recently announced her new plan to house girls and boys at Kearney, girls and boys with more trauma and behavioral health issues at the Lancaster County Juvenile Corrections Center in Lincoln and a small number of girls at Geneva who are transitioning from treatment to community and school.

At Kearney, state officials will phase in a program for boys and girls, including an assessment of needs when they arrive to determine placement. Current services include school, recreation, behavioral health treatment and telemedicine services. Those determined to have high needs for behavioral or mental health treatment or have assaultive or self-harming behavior, and are consistently aggressive with their peers or adults could be transferred to Lincoln.

Smith said the Lincoln program would be better for clients with

trauma and behavioral health issues. She said transfers would be made based on a pattern of behavior that couldn't be redirected, not just a single instance.

In Geneva, where residents told lawmakers and state officials that they really support YRTC in spite of recent troubles that resulted in the closing of all the buildings on campus, the new program would accept three to six girls who are 60 days from leaving the program by getting them ready to reengage in school and their communities. Furlough and overnight visits away from the center would allow staff to see how the girls are readjusting.

One building at Geneva has been remodeled following the August incidents, which saw massive destruction of the already aging physical plant. Water and mold and security problems had to be addressed.

Smith said programming will in-

clude family treatment and personal life skills. The final 60 days of a youth's treatment will be 30 days of preparation and 30 days of skills application. She wants to start small because of staffing problems. A smaller program can also be easily realigned if necessary.

Plans also call for a similar re-entry program for the boys at Kearney. She calls the overall plan a step in the right direction. I agree.

Juliet Summers, Voices for Children policy coordinator, said the child advocacy group is concerned the plan creates an additional youth prison (in Lincoln) at a time when states across the country are moving away from the failed model of youth incarceration. She added that it fails to use current best practices in assessment and treatment for behavioral health. Her concerns are duly noted and should serve as a benchmark for monitoring the be-

havioral health component when it moves to Lincoln.

Summers also called for a broader look at the system and investment in community-based services that keep kids connected to their families and communities while they work to address issues. Smith acknowledged there is a longer community conversation that must be held on how to serve these children.

Agreed. But this interim and immediate step is both necessary and refreshing in light of the fact that the community corrections approach for adults has been more talk than action. Perhaps the lessons learned from this new youth model will aid in that discussion as well.

### Legislative Update

## Albrecht looking ahead to next session

Veterans news from 2019 session

Reflecting once again on the sacrifices made every day by the women and men who served in the high performing branches of our military, I feel compelled to continue my review last session and look ahead to how we might serve them in the upcoming session. In addition to those bills I wrote about last week, in the 2019 session, I was proud to introduce LB223, which specifies duties of the state with regard to state-sponsored insurance programs for members of the Nebraska National Guard. The measure passed on March 21 and was signed into law by the Governor.

Also passed was my resolution, LR150, recognizing National Poppy Day and the work of veteran poppy makers that help us celebrate and remember the lives lost in World War I. My resolution noted that National Poppy Day is celebrated in memory of all veterans who have given their lives, the ultimate sacrifice; and red crepe paper poppies have been made, worn, displayed, and distributed for fundraising efforts by veterans' groups such as the American Legion Family and American Legion Auxiliary for decades to serve as a powerful reminder of the cost of our country's freedom. Among those named as veteran poppy

makers committed to our renewed remembrance throughout the country, is Wayne's own Dennis Otte. Our thanks to service members and those who help us remember should always remain unending.

State earnings look good

In my Aug. 2 Weekly Update, I let you know about the \$131.4 million in revenue exceeding April 2019 forecast for General Fund receipts for Fiscal Year (FY) 2018-19. As required by state law, those additional earnings went to the State's "Rainy Day" fund. At the time, we did not yet know how that increase in earnings would impact FY 2019-2020 and 2020-2021 projections. I promised to update you after the October meeting of the Nebraska Economic Forecast Advisory Board (NEFAB).

I am happy to report that the Board has raised the revenue forecast for FY 2019-2020 by \$161 million and for FY 2020-2021 by \$105 million. This significant increase over the next two fiscal years provides the Legislature with a greater opportunity to achieve meaningful property tax relief as we go into the 2020 session.

Looking ahead

As the 2020 Legislative session gets closer, I continue to work with other senators to focus on property tax re-

**Legislative Update**  
By Joni Albrecht  
State Senator, District 17

lief. The Revenue Committee has been meeting regularly as a committee, and with senators, to work towards meaningful relief. The increased forecast provides good news towards the efforts. On Nov. 21, the Revenue Committee hopes to unveil a Revenue bill for review by senators at the Legislative Council meeting in Nebraska City.

I also continue to work and monitor work on issues like vaping, caps on out-of-pocket expenses for one or more types of medication, on potential

changes to the ImagiNE Nebraska Act (LB 720) and more. I also continue to listen and learn so that I am able to legislate for you more effectively.

Opportunities to learn

As many of you know, I enjoy meeting and visiting with constituents and groups during the interim. As part of my efforts in this area, this week I had opportunity to share the inside workings of getting a bill from an idea to the Governor's desk for a signature. It was good to use a recent bill as we discussed presentation of the idea, associated research, bill drafting, communication with colleagues, committee hearings, and debate and then, if successful, to the Governor for a signature. The engagement by attendees was reassuring.

Looking ahead, my office has been working diligently to research and keep abreast of several suggested issues that may or may not become bills in the upcoming session. We have been taking calls, researching history, locally and across state lines, in order to determine the viability, policy impact, and potential results of proposed legislation.

On another front, it is important that, as a citizen and as a member of the Legislative Branch, I and others be aware of how the three branches work together for the good of our state. While legislators at times have frequent interaction with the Executive Branch, especially when bills are being passed on to the Governor for signatures, the Judicial Branch also plays a vital role in review and oversight of laws we pass.

I am looking forward to witnessing the Nebraska Supreme Court in action during oral arguments on two cases at South Sioux City Middle School at 10 a.m. on Nov. 1. The event is opened to the public, but is designed for high school students as part of the Nebraska Supreme Court High School Outreach Argument Program.

As always, it is of great importance that I hear from my constituents to effectively do my job as your voice in the Legislature. I encourage you to contact me and I look forward to hearing from you. You can reach me by phone at (402) 471-2716 or by email at jalbrecht@leg.ne.gov

## Letters Welcome

Letters from readers are welcome. They should be timely, brief (no longer than one type-written page, double spaced) and must contain no libelous statements. We reserve the right to edit or reject any letter.

Letters published must have the author's name, address and telephone number. The author's name will be printed with the letter; the address and the telephone number will be necessary to confirm the author's signature.

The Wayne Herald editorial staff writes all headlines.

### NOTICE TO BIDDERS

Sealed bids will be received by the Wayne County Clerk until November 5, 2019 at 9:45 a.m., for the construction of two concrete box culverts and other related incidental work. Bids will be opened at 9:45 a.m. and presented to the Board for consideration. The projects are located on: (476) - on 847 Road between 579 Avenue and 580 Avenue, and (566) - 562 Avenue between 859 Road and 860 Road, both in Wayne County, Nebraska.

The projects are referred to as "Wayne County 2019 Box Culverts, C-90(476) & C-90(566)" and shall include all labor, materials, transportation and equipment required for the construction of: (476) - a Triple 12'x12'x43' Concrete Box Culvert on a 10 degree skew (lhb) and (566) - a Triple 12'x9'x53' Concrete Box Culvert on a 40 degree skew (rht), and other related incidental work.

Copies of the Bid Documents and Specifications are open to public inspection at the office of the Wayne County Clerk, County Courthouse, 510 Pearl St. Ste. 5, Wayne, Nebraska 68787. A set of documents may be obtained from Mainelli Wagner & Associates, Inc. for a non-refundable fee of \$50.00. (6920 Van Dorn, Lincoln, Nebraska 68506, PH: 402-421-1717). All Bid Proposals must be submitted on the forms furnished with the Bid Documents.

The sealed bids may be mailed or delivered to the County Clerk of Wayne County, 510 Pearl St Ste 5, Wayne, Nebraska 68787, and should be plainly marked as, "Construction Bid Proposal - Wayne County 2019 Box Culverts, C-90(476) & C-90(566)".

Along with its Bid Proposal, each bidder shall submit an unconditional Bid Bond or Certified Check made payable to the County Treasurer of Wayne County, Nebraska, in an amount equal to five (5) percent of the total Bid Proposal. Also, each bidder is to include an estimated time of beginning and completion for each site with its Bid Proposal. The desired completion date for both sites is June 15, 2020. The successful bidder (i.e. Contractor) will be allowed sixty five (65) calendar days for completion of each site after beginning work at the site. Additional days due to weather may be granted at the discretion of the Engineer.

Within ten (10) days following the award of the Contract, the successful bidder shall furnish a surety bond or bonds in an amount equal to or greater than the full amount of the contract. The surety and form of the bonds are subject to the acceptance by the Wayne County Board of Commissioners.

The Wayne County Board of Commissioners reserves the right to reject

any and all bids or to waive any irregularities in bids received. Award of the Contract will be in accordance with the County Purchasing Act's competitive bidding considerations as set forth in Neb.Rev.Stat. §§ 23-3110 to 23-3114. Wayne County is an Equal Opportunity Employer.

### NOTICE OF PERMIT ISSUANCE

The Nebraska Department of Environmental Quality (NDEQ) proposes to reissue with change the National Pollutant Discharge Elimination System (NPDES) permit for the Village of Winside Wastewater Treatment Facility, PO Box 206, Winside, NE (NPDES# NE0043320; SIC 4952). The publicly owned treatment works receives and treats domestic wastewater, which discharges from a 4 cell facultative controlled discharge lagoon system through Outfall 001 to South Logan Creek, Segment EL2-21000 in Elkhorn River Basin. The permit would be issued for a period of up to five years and would restrict pollutant discharges to comply with the requirements of Department regulations. The draft permit, fact sheet, and other public information are available for review at NDEQ's Lincoln Office (address below) between 8:00 a.m. and 5:00 p.m. weekdays, excluding holidays. To request copies of the draft permit and other information, call 402-471-3557. Individuals requiring special accommodations or alternate formats of materials should notify the Department by calling 402-471-2186. TDD users should call 800-833-7352 and ask the relay operator to call the Department at 402-471-2186. Written comments, objection and/or hearing requests concerning permit issuance may be submitted to Kim Bubb, NPDES Permits and Compliance Section, Nebraska Department of Environmental Quality, 1200 N St., Suite 400, the Atrium, PO Box 98922, Lincoln, NE 68509-8922, before the comment period ending date of November 30, 2019. A determination to hold a hearing will be based upon factual environmental or regulatory consideration.

### MINUTES OF REGULAR MEETING OF THE WINSIDE PUBLIC SCHOOL BOARD OF EDUCATION

Meeting Date: Monday, October 14, 2019 at 7:00 PM Location: Elementary Library Present Members: John Jaeger, Carmie Marotz, John Thies, Tarrin Quinn, and Kate Falk;

Superintendent: Mr. Ofner; Principal: Mr. Friedrich Absent: Ryan Brogren President Jon Jaeger called the meeting to order and excused Ryan Brogren. He welcomed the public and pointed out the Open Meetings Act posted in the meeting room. He referred the visitors to the sign in sheet for anyone who would like to address the Board and lead the room with the Pledge of Allegiance.

Motion by Thies, seconded by Falk to approve the Consent Agenda that consisted of the following: the approval of the Agenda; Approval of the September 9th's Budget Hearing minutes, Tax Hearing Minutes, and the Regular Board meeting minutes; the September 16th Board Workshop minutes with NASB's Marcia Herring; there were no option enrollments. Ayes-Jaeger, Marotz, Thies, Quinn, and Falk. Nays-None. Absent-Brogren.

Gary Clause and Vanessa Schutte of the DLR Group (DLR), an architecture, engineering, and planning company out of Omaha gave a presentation. The DLR Group

visited our facility this past month and had interviews with the staff and toured our facility. During the interviews staff gave their ideas of needs for the facility. During DLR's tour of the facility they came up with assessments of the architectural itself, the grounds, electrical, mechanical and structural. The next step for DLR are provide options. Group workshops will be established, and more interviews will continue to gather information. DLR concluded at 7:48pm.

Mr. Ofner presented to the Board the Activity's Report. Activity claims included a \$500.00 to create an One-Act account in the Activity rather than the General account. Mr. Ofner went through the Cafeteria claims, the General claims, the Financial statement and Budget Report.

Administrative Reports began with Mr. Friedrich presenting the Principal report. Mr. Friedrich updated the Board on the MAP testing. Mr. Friedrich stated that the Teacher In-Service that will take place on Friday, October 18 will consist of preparing for the Continuous Improvement visit that will take place in March and reviewing instructional improvements. Mr. Friedrich and staff would like to look for a new reading series. A new reading series will also help with the MTSS process. We have three new students enrolling on October 21. Mr. Friedrich has been working on the safety plan. Mr. Friedrich announced that we have staff working on their Bus #19 license. Mr. Friedrich wanted to thank everyone that supported the Fall sports activities. Mr. Friedrich has seen great team and individual growth in our athletes.

Mr. Ofner presented the Superintendent's report. Mr. Ofner presented the NASB Board Notes and NASB Board Quicks. Mr. Ofner offered his letter that he sent to Senator Groene and Members of the State Education Committee regarding LR 63 that indicates Mr. Ofner's strong support to Nebraska Educational Service Units #1 (ESU1). Mr. Ofner states without our ESU1, Winside Public School, along with other small rural schools, could not provide the services needed to our students in order to provide a great education that Nebraska prides itself for. During Homecoming week Mr. Ofner had a school picture taken with the entire student body and staff. He would like to order one for each building. Mr. Ofner would like to note the correction of as his report states 4 students moving in to the district as it should only be 3. The Negotiation Committee met at 6:45pm on October 14 with the Winside Education Association. Mr. Ofner updated the Board on the FEMa project and the Teammates program. Mr. Ofner would like to welcome Crystal Magwire to our staff as the new Elementary Receptionist. Mr. Ofner discussed his current goals he is working on: MTSS process, Instructional model, Updated teacher evaluation forms, Expansion of programs, Instructional minutes and Facility study. Mr. Ofner gave an update on our technology service provider, Power Computing Inc. Mr. Ofner thanked Mrs. Hansen and Mrs. Quinn for a great Fall Festival Concert. Mr. Ofner announced the football lighting has improved with repairs from Skokan electric. Mr. Ofner reminded the Board again of the State Conference on November 20- 22. Mr. Ofner has met with the Student Advisory Committee, received the classification update on AQuESTT, and is currently moving towards schoolwide Title. Mr. Ofner presented the Wayne County & Northeast Nebraska Informational Guide where he placed a full page add for Winside Public School. Mr. Ofner presented the AQuESTT report to the Board to review its comments. Mr. Ofner is currently working on State Reporting.

Mr. Tonniges presented the Athletic Director's report. Mr. Tonniges attended the Lewis & Clark Conference meeting held on September 18. The Conference voted "no" to allow Omaha Nation into the Conference. The Conference Instrumental music clinic committee found a conflict with the performing date of January 11 and is currently looking for an alternate date and place. The Wakefield, Allen and Emerson-Hubbard districts will COOP all events starting 2020. The Randolph and Laurel-Concord-Coleridge District are cooping wrestling. The One-Act performance order, for the Conference meet, has been provided. Track concerns were discussed.

Discussion items began with Mr. Ofner updating the Board on the survey, that was given to parents, during the Parent Teacher Conference. The Future Farmers of America (FFA) question on the survey had the following results: out of 77, 65 were for, 9 against and 3 were left blank. With these results the Board gave permission to Mr. Ofner to look for an instructor. Mr. Ofner did indicate to the Board that it will be difficult to find an instructor without the commitment to provide classroom space for FFA.

Mr. Ofner asked if there were any questions, concerns or comments regarding DLR presentation.

Mr. Ofner gave his suggestion to the Board on the matter of how to move forward with our football program as Randolph is no longer interested in combining their football program with ours. The options at hand are staying on our own with 8-man, changing to 6-man or looking at joining with another district. Mr. Ofner gave the Board the enrollment numbers and the predicted number of boys that will go out if we stay 8-man. Mr. Ofner presented the pros and the cons of moving to 6-man. He has also talked to two other area schools regarding their interest to combine programs. Mr. Ofner suggests that we continue to stay 8-man for the next two-year contract and review the results of these next two years to determine what will happen when the contract is due.

Mr. Ofner reminded the Board that our contract of leasing a bobcat, with Nebraska Harvestore, will be up at the end of February. It has come to our attention that the company is no longer leasing bobcats. Mr. Ofner would like the Board to review the options of either purchasing a bobcat or looking at other companies to lease.

Mr. Ofner asked for comments on the Strategic Plan.

Mr. Ofner presented a three-page document created by Mrs. Heikes with reasons to start a Family Career and Community Leaders of America (FCCLA) chapter at Winside Public School. This document consisted of Mission, Purpose, Program emphasis, Advantages, Types of projects both National and Competitive, How to Establish and other Important Points.

Mr. Ofner gave to the Board in advance the Nebraska World Language Standards from the Nebraska Department of Education. Mr. Ofner asked if there were any questions of concerns.

Actions began with a motion by Thies, second by Quinn to approve the Budget Report and General Fund Claims of \$301,981.46 and Special Building Claims of \$5,410.63. ### Academic Advisor / Council Bluffs

Buena Vista University has an opening for an Academic Advisor at the Council Bluffs site, located on the Iowa Western Community College Campus. Duties include recruitment of new students, promoting BVU in the community, attending events, retention of current and stop-out students, and advising students from the point of interest through graduation on their program of study and career opportunities. Typical hours are Monday 8:30am-5:00pm; Tuesday and Wednesday 8:30am-5:00pm; Thursday 9:30am-6:00pm or 12:00pm-8:30pm; and Friday 8:30am-5:00pm. Occasional travel and valid driver's license are required. A bachelor's degree is required, and one to three years of higher education experience is preferred.

A background check will be conducted on the final candidate.

# Lifestyle

## Be active this fall: five family-friendly ways School Lunches

1. Make a Maze in the Leaves. Buy a child size plastic rake so your children can help you create a maze. Then when they are done playing in the maze they can help rake the leaves into piles. Let your children enjoy jumping in the piles of leaves. Surprise

them and jump in with them. Children of all ages enjoy when their parents join in the fun, even if it's met with groaning or eye rolling. Show your children that it's okay to be playful at any age.

2. Go for a Family Bike Riding Adventure. This may be on a community trail or if your community doesn't have bike trails search for safe biking routes in your neighborhood or surrounding neighborhoods. While on your bike ride be sure to take time for rest breaks and enjoy the changes of fall going on around you.

3. Ready, Set, Go Scavenger Hunt. A scavenger hunt could be done in your yard, neighborhood or park. Create a list or look for one on-line. Here are some items that could be included on your fall scavenger hunt:

- Spider Web

**Amy Topp**  
Extension Educator  
4-H & Youth

- Dandelion
- Red Leaf
- Twig
- Rock
- Flower
- Something Rough
- Something Round
- Something Smooth
- Acorn

A scavenger hunt that is ready to be printed off: [bit.ly/youthscavhunt](http://bit.ly/youthscavhunt)

4. Pumpkin Patch or Orchard Outing. Picking a pumpkin patch or orchard near you can be a fun place to visit in the fall. You may be surprised how many different places you will find near and far to visit.

5. Great Recipes for Fall. It may not technically be a physical activity but food preparation together with family requires

a certain amount of energy. Children of all ages can play a role in preparing a recipe. Check out some nutritious fall recipes and bake together as a family.

- Spicy Pumpkin Shake [go.unl.edu/gmm5](http://go.unl.edu/gmm5)
- Drying & Roasting Pumpkin Seeds [go.unl.edu/rw90](http://go.unl.edu/rw90)
- Pumpkin Spice Muffins [go.unl.edu/o304](http://go.unl.edu/o304)

- Chef salad, fruit and vegetable bar daily. Milk served with all meals. Menu subject to change. Late starts - no breakfast or K-3 salad plates.

## Acme Club meets in Wayne

The October meeting of the ACME Club was called to order on Oct. 21 in the meeting room of the Wayne Public Library following the noon meal at the Senior Center.

There were six members and one guest present. Mary Lou Erxleben was welcomed as guest of Bonnadell Koch and invited to consider becoming a member of the club.

Before the meeting began, the club was invited to look over the book titled, "Profiles in Presidential Courage" by Chris Wallace that was purchased to add to the collection in the city library.

Koch called the meeting to order and Betty Wittig presented the Thought for the Day as follows, "Do you know the difference between school and life? In school, you're taught a lesson and then given a test. In life, you're given a test that teaches you a lesson."

Business was conducted and the meeting adjourned until Monday, Nov. 4

Pat Straight, hostess for the day, was also the presenter following the business meeting. LaPorte and its cemetery and history were the subject of the afternoon's trip into history.

## Winside students named to All State Chorus

Winside High School student Jayden Fuchs has been selected to NMEA's All State Chorus Soprano I and Kati Topp for being selected as first alternate Soprano II.

Each year, approximately 3,500 of the best musicians in the state audition for Nebraska All-State Band, Chorus, Jazz Band, and Orchestra which are sponsored by the Nebraska Music Education Association.

Selection as a member of one of these groups is one of the highest music honors attainable in Nebraska.

Chris Storm Director of Choral Affairs for the Nebraska Music Education Association, has announced

that Jayden, Soprano I will be among the 440 students selected to be a part of the 2019 All-State Chorus. The All-State Chorus will rehearse Nov. 21 -23 on the University of Nebraska campus. A final public concert will be held on Saturday, Nov. 23 at the Lied Center for the Performing Arts on the UNL campus.

Jayden is the daughter of Jim and Brandi Fuchs of Hoskins. She is a junior at Winside Public School. Kati is the daughter of Jenni Topp of Winside. She attended All-State Chorus last year.

Jayden and Kati are under the direction of LeNell Quinn.

## Senior Center Calendar

## LWML Fall Rally held in Wayne

The Wayne Zone LWML held its Fall Rally Oct. 15 at Grace Lutheran Church in Wayne.

The theme was "Who Is My Neighbor?" based on the parable of the Good Samaritan from Luke 10:25-28. Pastor Carl Lilienkamp led the group in the devotion. He stressed that helping our neighbor should be considered a blessing rather than a moral obligation. Instead of asking, "Who is my neighbor," we should ask, "How might I be a neighbor?"

Darlene Lilienkamp led those in attendance in a hymn sing and extended a welcome to all. Attendance included 32 members, three guests and seven pastors for a total of 42

people. Pastor Michael Buchhorn led the Bible study with an emphasis on recognizing what is universally true of 'our neighbors.' "We all have sinned and fallen short of the glory of God." Romans 3-23, and "all are in need of the cleansing blood of our Savior Jesus Christ."

President Rhonda Sebade opened the business meeting and led the group in reciting the LWML pledge. The treasurer's report was read by Joleen Kraemer. Donna Durant and Patty Von Minden agreed to serve as vice president and secretary for one more term. Pastor Warner from Laurel was elected as pastoral counselor.

Eunice Johnson gave a short report on the LWML national convention this past summer in Mobile, Ala. The 2021 national convention will be held in Lexington, Ky. LaDonna Stanosheck gave the district report. The next district retreat will be held in June in Columbus. The group was entertained by a Christian Growth skit entitled "Serve the Lord with Gladness."

Guest speaker was Pastor Paul Flo of Siouxland Hispanic Ministry. He has come to South Sioux City after ministering for two years in the Dominican Republic. He described some of the challenges he faced in the mission field and emphasized that we need to be faithful and patient. We are responsible for sharing our faith while the Holy Spirit is responsible for working belief in those hearing the Word.

# The Prairie Doc

## This science-based guy believes in spirits

I am a physician who believes in evidence-based science. I am also old, approaching my own "last chapter" from pancreatic cancer. I share this, not to engender pity . . . none. Rather, I share this in order to give you a sense of my potential bias as I write about the question; do we have a spirit or soul that is more than a brain-chemical reaction that will go away at death?

Of course, the ultimate answer to that question is, nobody knows. Some archeologists believe that religion first began when someone wondered what happened to the life force or spirit of a young boy after he died. Where did it go? Archeologists speculate that "job one" for the early church (and, for that matter, churches of today) was to reassure and comfort the family after the death of a dear one. However, just because it reassures us, doesn't prove the soul exists, but there are other experiences that do.

I remember my mother explaining to me one night before prayers

**The Prairie Doc**  
By Dr. Rick Holm, MD

that there is so much more going on than we know, so much that cannot be explained by physics and chem-

istry. She described waking up in the middle of the night in Minneapolis during WWII, filled with dread at the same moment that my dad was landing on some Pacific Island in full combat. That was something about which she could not have known due to radio and mail silence. How DID she know? Do we have spiritual connections we simply don't understand?

During my career, at least three patients described a near-death-experience with all it's typical raiment including an out-of-body experience, a warm and comforting light, a life-review (like a movie) and reassurance that there is nothing to fear about dying. A recent meta-survey indicated that this happens in 17 percent of people who are resuscitated and in equal percentages throughout all cultures and religions. It is also amazing to learn that the warm light is seen even by people blind from birth.

Even as a stubborn science-based

guy, together with years of experience as a geriatric internist and hospice director, I truly find a community faith with a loving and inclusionary church very reassuring. I have reason to believe that there is a spirit within us that connects us all and that doesn't die with our bodies.

I have been at the bedsides of many dying people, while their spirits lift from the body and pass through the porthole of eternity. Being there has brought me to believe that the soul is more than a brain-chemical reaction that goes away after death.

Richard P. Holm, MD is founder of The Prairie Doc and author of "Life's Final Season, A Guide for Aging and Dying with Grace" available on Amazon. For free and easy access to the entire Prairie Doc library, visit prairiedoc.org and follow Prairie Doc on Facebook, featuring On Call with the Prairie Doc a medical Q&A show streamed most Thursdays at 7 p.m. central.

### VILLAGE OF ALLEN NEWS

#### Dixon County Historical Society October meeting minutes

By Pat Nygren

The Dixon County Historical Society met Tuesday, Oct. 15 at 1:30 p.m. at the museum with seven people attending.

The treasurer's report was given and accepted. The secretary's minutes were read and approved.

The Sunday afternoon program on Sept. 29 was attended by 26. Everyone enjoyed Bryan Farr's stories about "People and Places Along Historic Route 20."

Scanning of the school census records in the County Clerks office in the Dixon County Courthouse was completed on Oct. 4. If anyone wants a copy of these records on a thumb drive, contact the Dixon County Clerk's Office. The months rent for the use of the scanner was paid, so they will continue using it to scan marriage records.

The next Heritage Museum meeting will be held in Tarnov, Neb. We will receive more information at a later date.

Gloria got a reply from the college in Vermillion, S.D. They do have records in their archives for the Dixon Methodist Church, Rosehill Methodist Church and Wakefield Methodist Church. Gloria asked for copies of membership lists for each of these churches. They did not have any records for the Martinsburg Methodist Church.

Gloria reminded us we should be thinking of program ideas for Saturday Night at the Museum for 2020. There was a discussion about whether to continue having programs on Saturday nights or Sunday afternoons. We will continue the evening programs. We will consider needs of speakers wishing for an afternoon time.

Sharon and Roger will watch for the blue light in the window at the museum that warns the temperature is too low and needs to be checked. If anyone sees the blue light on, please call one of the Historical Society members immediately. Phone numbers are on the sign on the front of the museum.

We will not be having meetings in November, December, or January, unless an emergency meeting is necessary. We will resume meetings in February.

After the meeting, while new furnace filters were installed, it was noticed that the furnace fan was not operating properly. Michael Rewinkle was called. He was able to come right over to the complete the repairs quickly.

**ALLEN COMMUNITY CENTER NEWS**  
November 2019 news  
By Nancy Kelly  
Director

Thanksgiving and we are so thankful and grateful in having our Allen Community Center, Inc. and all of our participating members and guests. This month on Thursday Nov. 14, at 11:30 a.m., we will be having a Thanksgiving dinner to honor our Veterans and as well as everyone who has a birthday or anniversary this month.

The Allen Community Center, Inc. would like to thank everyone who participated in our tailgate feed at the Isom-Hill football field on Sept. 27. It was a beautiful evening and a very successful fundraiser.

Be sure to mark your calendars for our next fundraiser, Fall Harvest Soup & Dessert Dinner on Sunday Nov. 3, from 10 a.m. to 2 p.m., here at the Allen Community Center, Inc. We will be serving chili, chicken noodle and potato soup with a variety of desserts.

Remember to purchase your Quilt Raffle tickets, one for \$1 or six for \$5. You do not need to be present to win. The drawing will be held on Dec. 5.

We also enjoyed participating in the Allen Eagle Homecoming Parade on Oct. 18.

Our center would like to give a special thank you to our deputy Sheriff, Rich Lamprecht, who took the time to come to our center this past month to give our members a drug-free presentation. We also sincerely appreciate and thank the following people for their generous donations and volunteering their time here at the center during the month of October: Mrs. Bock's Kindergarten class, Jenny Williams RN, Second Hand Treasures, Patch Quilt Club, Allen Book Club, American Legion & Auxiliary, Wakefield Health Care Clinic, Brookdale Senior Living, Providence Community Pharmacy, Sandy Preston, Board Members and Spouse, Forrest Smith, Harland Woodward, Stacy Combs, Libby Green, Carol Chase, Karen Claussen, Deenette Von Minden, Lynn Saunders, Larry Lindahl, Vicki Hingst, Kathy Boswell, Rick Chase, Holli Jackson, and Jacob Kneifl. Thank you to Euni's Palace and Countryside Gas & Groceries for their generous supplies.

**Weekly activities**  
Friday, Nov. 1- 8:30 a.m. Darrel Uthof Presentation

Monday, Nov. 4- 7 p.m. Quilt Club

Tuesday, Nov. 5- 8:30 a.m. FROGS, 9 a.m. Game Day

**Weekly menu**  
Friday, Nov. 1- Biscuits & Gravy, Scrambled Eggs, Bacon, Apple-sauce, Cranberry Juice, and Milk

Monday, Nov. 4- Baked Potato

Bar, Pineapple, Bread, Strawberry Kiwi Juice, and Milk

Tuesday, Nov. 5- Hamburger on a Bun, Potato Wedges, Baked Beans, Mandarin Oranges, and Milk

Wednesday, Nov. 6- Tuna & Noodles, Peas, Pears, Bread, Grape Juice, and Milk

**Birthdays**  
Nov. 4- Stacy Combs  
Nov. 5- Deb McGrath  
**ALLEN CONSOLIDATED SCHOOLS NEWS**

**Early dismissal Oct. 31 for State Playoffs**

Due to the Allen Eagle Football team playing in the state football playoff at Lawrence-Nelson High School at 4:30 p.m., students will be dismissed at noon on Thursday, Oct. 31. Lunch will be served to the elementary students but NOT to Junior High and High School. Go Big Blue!

**Halloween Parade and Concert has new time**

Due to the Allen Eagles state playoff qualification, the annual Halloween Parade and Concert will take place on Wednesday, Oct. 30 at 10 a.m. in the Allen School gymnasium. Students in grades PK-6th will be participating by parading around in costumes and then giving a short musical program. The community is invited to attend.

**Allen Tree Grove clean up**

The third year of removing dead and dying Scotch Pine trees in the Allen Tree Grove began this fall when sixth grade students went to the grove to do clean-up work. After watching town maintenance employee Rick Chase saw down the last diseased tree to be removed, students picked up branches which Rick had previously sawed off of several trees. The students also picked up trash which had blown into the area. Following the work, the students enjoyed a watermelon feed.

In the spring of 2020, the students will plant a replacement tree for the one sawed down. This on-going three-year project has removed all the dead Scotch Pine trees and planted Colorado Blue Spruce and Norway Spruce replacements.

**Weekly events**  
Thursday, Oct. 31

-Early Dismissal @ 12 p.m. Lunch served to elementary only.

-FFA @ National Convention in Indianapolis

-Halloween Parade, 10 a.m. in the school gym

## Nebraska specialty crop projects receive funding from USDA

From dry beans to honey, specialty crops are an important part of Nebraska agriculture. Several organizations in Nebraska recently received nearly \$675,000 in grants from the U.S. Department of Agriculture (USDA) and the Nebraska Department of Agriculture (NDA)

to fund projects designed to strengthen the specialty crop industry in the state.

The funding comes from the USDA's Specialty Crop Block Grant Program (SCBGP) which provides grant monies to the departments of agriculture in all 50 states, the District of Columbia, and the five U.S. territories. NDA administers the state's SCBGP program that funds research, agricultural extension activities and marketing to increase demand for specialty crops in Nebraska.

"Specialty crops add value and variety to Nebraska's agricultural industry which helps grow our economy," said NDA Director Steve Wellman. "The SCBGP projects receiving funding will benefit Nebraska specialty crop producers for years to come."

USDA defines specialty crops as fruits, vegetables, nuts, honey and some turf and ornamental crops. A full list of specialty crops is available on USDA's website at [ams.usda.gov/services/grants/scbgrp/specialty-crop](http://ams.usda.gov/services/grants/scbgrp/specialty-crop).

The University of Nebraska-Lincoln (UNL) received grants for 10 of the 13 projects that were approved for funding this year. Below is a brief description of each of the 10 projects that will allow UNL to:

- improve pea seed protein quantity and quality in western Nebraska by evaluating fertilizer management strategies;
- study the genetics of bacterial wilt resistance in dry beans;
- develop unique hop flavor profiles as hops are influenced by their growing environment;
- distribute hybrid hazelnuts in Nebraska and other states for testing;
- develop a dry bean gene editing system to improve the productivity and availability of dry beans;
- provide resources to help Nebraska farmers improve yields

and performance to grow broccoli, bell peppers and cucumbers;

- create a pest management program to more effectively control Western Bean Cutworm;
- teach youth about specialty crops and expand the availability of the crops;
- provide information to producers about crop and water management practices to enhance productivity and increase economic return; and
- study vineyard production in order to produce the best quality wine at the most profitable crop load.

In another funded specialty crop project, Southeast Community College will increase awareness, access and use of certain Nebraska specialty crops by creating and incorporating specialty crop curriculum for students in SCC's Culinary Program.

The Nebraska Center for Rural Affairs will receive grant funding to test the effectiveness and production of alternative hive structure for honey production and honey bee health, in another specialty

crop project.

In the last specialty crop project approved for funding this year, the Papio Valley Nursery will use their greenhouses to create year-round production of fresh strawberries.

All of the projects receiving SCBGP funding this year must be completed by Sept. 29, 2022. For more information about this year's grant awards, go to USDA's website at [ams.usda.gov/services/grants/scbgrp/awards](http://ams.usda.gov/services/grants/scbgrp/awards) and click on "FY2019 pdf." NDA uses a portion of the USDA-awarded funding to monitor and administer Nebraska's SCBGP program.

NDA administered a two-phase competitive grant application process for these SCBGP funds. Phase I involved the submission of concept proposals, which allowed applicants to explain the main points of their project. The concept proposals were independently and competitively scored by a field review panel. Projects with the highest combined scores were asked to complete Phase II of the application process and include a more in-depth description of the project.

## USDA announces 1890 National Scholars Program funding opportunity

The U.S. Department of Agriculture (USDA) announced the opening of the 2020 scholarship application cycle for the USDA/1890 National Scholars Program. The program aims to increase the number of students studying agriculture, food, natural resource sciences and other agriculture-related disciplines. The program is available through the USDA Office of Partnerships and Public Engagement (OPPE).

The USDA/1890 National Scholars Program was established in 1992 as part of the partnership between the U.S. Department of Agriculture and the nineteen 1890 Land-Grant Universities.

The program provides full tuition, fees, books, room and board to students pursuing degrees in agriculture, food, natural resource sciences, or related academic disciplines. When the student has completed the academic and summer work requirements of the scholarship, USDA may convert the student to a permanent employee without further competition. Currently, USDA and 1890 Land-Grant Universities are providing scholarships to 109 students.

"The Scholars Program is an important way to collaborate with historically black land-grant universities and train the workforce for 21st century agriculture," said

Mike Beatty, Director of USDA's Office of Partnerships and Public Engagement.

This program is among several USDA efforts to build the capacity of Historically Black Colleges and Universities. Since the passage of the Second Morrill Act of 1890, USDA has supported scholarships, research, education, extension activities, and grants for facilities and equipment at these institutions.

The USDA/1890 National Scholars Program is available to high school seniors entering their freshman year of college, and college sophomores. General requirements include U.S. citizenship,

a GPA of 3.0 or higher, a score of 1080 or more on the SAT or 21 or more on the ACT, and acceptance to, or currently attending an 1890 University to study agriculture, food, and natural resources. The scholarship is renewable each year and is contingent on satisfactory academic performance and normal progress toward the bachelor's degree. Additional requirements are listed in the application package.

All application materials must be postmarked by Friday, Jan. 31, 2020. See the 2020 high school application and the 2020 college application for details on [usda.gov](http://usda.gov). For other questions, email [1890init@usda.gov](mailto:1890init@usda.gov).

## Nebraska Corn Board hosts trade team from Taiwan

From Oct. 21-25, a delegation of seven Taiwanese customers was in the U.S. to better understand the American corn industry. As part of its visit, the team was in Nebraska from Oct. 23-24 and was able to see several different aspects of the state's corn value chain.

"We know that 95 percent of the world's population lives outside of the U.S.," said David Bruntz, chairman of the Nebraska Corn Board and farmer from Friend. "We also know that we grow a lot more corn than we can use. We need to ensure we have reliable trading partners to ensure markets for our corn and corn-related products."

The Taiwanese delegation represented a variety of customers and industry leaders, including livestock producers, feed millers, corn traders and government officials.

The group began their visit in Illinois and toured a grain loading facility, corn farms and a local elevator. Once in Nebraska, the trade team visited Farmers Cooperative in Firth, Nerud Farms in Dorchester, Flint Hills Resources in Fairmont, and met with Gavilon in Lincoln. The team completed their week in Washington by visiting grain export terminals to see how corn and corn-related products are shipped outside of the U.S.

"We know we produce quality ag products in Nebraska," said Dan Nerud, president of the Nebraska Corn Growers Association and farmer from Dorchester. "We can grow and produce all of the quality products in the world, but if we don't have anyone to buy our commodities, it doesn't matter. Therefore, trade matters. We always need to be working on enhancing

relationships with our friends around the globe."

The Taiwanese visit was the third trade mission the Nebraska Corn Board has hosted since September. The state's top two

corn customers, Mexico and Japan, were in Nebraska earlier this fall. Each trade team was hosted through collaborations with the U.S. Grains Council.

## LENRD Board moves forward with pedestrian trail repairs at Pierce

NORFOLK — The development and management of recreational and park facilities is one of the 12 responsibilities of the Lower Elkhorn Natural Resources District (LENRD).

At their October meeting, the LENRD Board voted to develop a contract with Rutjens Construction of Tilden to repair the pedestrian trail between the Willow Creek State Recreation Area (SRA) and the City of Pierce for \$17,675.00. The trail was significantly damaged as a result of the flooding that occurred last spring.

The board also approved the increase in camping fees at its recreational areas in northeast Nebraska. The camping fees will increase to \$25.00 per electric pad and \$10.00 per tent, effective January 1, 2020.

LENRD Recreation Area Superintendent, Leonard Boryca, said, "The camping fees at the State Recreation Areas across the State have increased. Therefore, the board decided to keep our rates at a similar pace." He added, "The LENRD owns the Willow Creek SRA, which is managed by the Nebraska Game & Parks Commission, and their rates increased last year, so this will make the fees the same amount district-wide for electric and tent camping." The LENRD owns and manages

the Maskenthine Lake Recreation Area near Stanton, and the Maple Creek Recreation Area near Leigh.

Another of the LENRD's responsibilities is the development, management, utilization, and conservation of groundwater and surface water. The district continues to be proactive in the management of the resource. In the Phase 2 and 3 Management Areas the district requires annual reports from producers for record keeping purposes. There are 4 producers who have yet to submit their annual reports for this year and those producers will receive a cease and desist order as directed by the LENRD Board at their October meeting.

The board also instructed staff to contract with Derek Becker of Norfolk for meter maintenance on mechanical flow meters in Pierce County.

The LENRD board & staff meet each month to develop and implement management plans for the future of our natural resources. The next LENRD board meeting will be Tuesday, November 26th at 7:30 p.m. at the LENRD office at 1508 Square Turn Boulevard in Norfolk. Stay connected with the LENRD by subscribing to their monthly emails at [www.lenrd.org](http://www.lenrd.org).

# Reminiscing about a past Halloween

There is snow on the ground this morning! And Halloween is predicted to be cold and windy.

We got into a discussion at swim class yesterday about the time, in 1991, that there had been an ice storm and Halloween in Lincoln was canceled. I met then Mayor Mike Johanns later, and reminded him of that unpopular decision.

I also remembered that the afternoon of the 31st, I was scheduled to drive to Valparaiso to see a hospice patient. As I headed out of town on 14th Street, there were pickups in the ditch. I'm guessing that was another time my Guardian Angel was working overtime.

We also discussed last Saturday's football game. Ugh! It turns out there were two traitors in our bunch who actually predicted that Indiana would win. I'm tired of try-

**The Farmer's Wife**  
By: Pat Meierhenry

ing to be loyal; I may pick Purdue this week!

We also reminisced about former Nebraska teams; one gal announced she had a picture of Bobby Reynolds. I even have his autograph. Some in the class had no idea who we were talking about. That was a long time ago.

In fact, ALL my teams lost last week; it was not good: Lutheran High Northeast, Concordia, Wesleyan, and even Nebraska volleyball. I'm supporting the Astros in the World Series simply because my best friend lives in Houston and their pitching was excellent while in Washington. Hopefully, they can continue the good work back home in Houston.

And then there are the fires! After the big one a couple of weeks ago, our friends in Napa emailed

that they had been living like Little House in the Prairie; using oil lamps that had been in the family. I have not heard from them this week; I hope they did not have to evacuate; they actually flew home from England a couple of years ago because they were ordered out of their home. Thankfully, they were spared.

I often think of what I would grab if ordered to get out! I have way too many photo albums to say that I would save pictures. But my friend in California took a trunk full; I think they were old ones that would have been hard to replace.

One person is quoted today as saying every area has its weather problems, but I shudder to think what fire can do. Even inhalation can be deadly. I'll stick with tornadoes!

# Hunters complete 2019 Upland Slam

Pheasant and northern bobwhite hunting seasons opened in Nebraska on Oct. 26, allowing 15 hunters to become the first to complete Upland Slams for 2019.

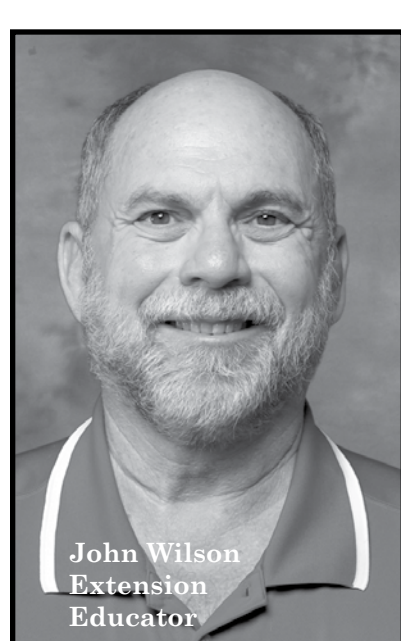

The Upland Slam challenges hunters to try to harvest all four upland bird species in Nebraska – ring-necked pheasant, sharp-tailed grouse, greater prairie-chicken and northern bobwhite. The seasons for sharp-tailed

# Grain harvest and storage safety discussed

Agriculture is one of the most dangerous occupations, but harvest time poses additional threats to farmers.

The first danger comes as the grain is harvested. The weather we had earlier this fall was ideal for the development of stalk rots and ear molds. I know from hand harvesting some corn a week ago, a lot of ears had some form of ear mold. These make harvest more of a challenge and shorten the length of time moldy grain can be safely stored.

**John Wilson**  
Extension Educator

However, a less obvious, but greater threat from both of these is to anyone harvesting or handling the grain. Both diseases are primarily caused by fungi which also produce spores. Inhaling these fungal spores is linked closely with a person developing "Farmer's Lung," a respiratory disease most commonly found in agricultural workers. Here are several things you can do to reduce the chance of inhaling those spores.

Stay upwind when unloading grain from the combine to a grain cart, trailer, or truck and also when unloading grain handling equipment at the bin or elevator. However, this alone will not protect farm workers. They should also wear a good, tight-fitting mask or respirator with a NIOSH rating of N95 or N99. The inexpensive dust masks do not provide adequate protection.

shrinks and can form a cavity under the crust. The same can occur as grain is removed from the bin. A person entering the bin can walk on the crust and suddenly break through, finding themselves partially or completely covered with grain, depending on the size of the void below the crust.

If grain has been removed from a bin, but a funnel on the grain surface has not formed, this indicates that a crust has formed. Check for grain bridges with a long pole from outside the bin. Securely fasten a rope to the end of the pole so you can retrieve it if you drop it. Do not enter a bin until you are sure a bridge does not exist, then use a safety harness and life line.

A similar problem can occur if grain has crusted against the side of the bin. As grain is removed, a vertical wall of grain may stick to one side of the bin. A person trying to dislodge this grain mass from inside the bin can be covered if the grain breaks free. The grain can "avalanche" over the person and cover them. Do not try to solve this problem from inside the bin. Use a pole from the top of the bin or from a door to dislodge the grain mass and be prepared for it breaking free at any time.

The third way a person might become trapped can occur in any grain bin at any time. Never enter a grain

bin when an auger is removing grain from the bin. Flowing grain will pull a person into the grain removal cone. This "suction" action is so strong a person cannot walk, crawl, or swim out of it. A person can be pulled into enough grain that they cannot get out on their own in 3-4 seconds and may be completely covered in 20 seconds or less.

A person should never enter a grain bin alone, there should always be someone outside the bin that can help in case of an emergency. If a person is trapped in a bin, the person on the outside should make sure all grain moving equipment such as augers as well as stirring devices are turned off and disconnected so they can't be activated accidentally. If possible, ventilate the bin by turning on an aeration or drying fan.

Call 911 to activate the emergency responders. Many fire departments and rescue squads have specialized equipment to aid them in grain bin rescues. If you must drain grain from a bin, use an air chisel or metal cutting saw to create equal size holes on opposite sides of the bin. If the grain isn't removed equally, it can cause the bin to collapse as it is unloaded.

For more information on grain harvest and storage safety, contact your local Nebraska Extension office.

# Extension, FSA to host Farm Bill education meetings across Nebraska in November, December

Nebraska Extension and USDA Farm Service Agency in Nebraska will host a series of Farm Bill education meetings over the next two months to assist producers as they begin to make farm-bill related program decisions. The 2018 Farm Bill, signed into law last December, reauthorized the existing Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC) safety net programs that were in the 2014 Farm Bill, however producers will need to make new program enrollment decisions over the coming months.

While the ARC and PLC programs under the new farm bill remain very similar to the previous farm bill, a few program changes coupled with changes in market conditions and outlook could significantly impact producer decisions.

"These meetings will help producers understand the programs and recent changes, as well as the decisions to be made at sign-up now and in the coming years," said Nancy Johner, State Executive Director for the USDA Farm Service Agency in Nebraska. "There are some changes, such as an optional PLC program yield update, and other tweaks to the ARC and PLC programs that producers should consider as they make their selections."

"Producers face a familiar choice between ARC and PLC, but under very different circumstances now as compared to 2014," said Brad Lubben, Policy Specialist with Nebraska Extension. "Understanding the program mechanics, analysis and available decision tools will help producers make sound

enrollment decisions with FSA."

The joint Nebraska Extension and Nebraska Farm Service Agency producer education meetings are scheduled at 28 locations across the state from late November to mid-December in advance of the coming ARC/PLC enrollment deadlines in early 2020.

The meetings are all free and open to the public. Advance registration is encouraged for planning purposes for materials and facilities. Attendees can register for any of the meetings conveniently on the web at farmbill.unl.edu or by calling or visiting their county FSA or Extension office. The educational programs are each set to run three hours in length, featuring information and insight from FSA specialists and Extension experts, as well as other relevant information from local agencies.

The meetings are available statewide with several locations in each region of the state.

In northeast Nebraska, sessions will be held as follows:

- Bloomfield - Community Center - Dec. 2, 1:30-4:30 p.m.
- Columbus - Ag Park - Dec. 4, 9 a.m.-12 Noon
- O'Neill - Community Center - Dec. 3, 9 a.m.-12 Noon
- Norfolk - Northeast Community College Lifelong Learning Center - Dec. 18, 1-4 p.m.
- Wayne - Wayne Fire Hall - Dec. 16, (2 meetings) 1-4 p.m. or 6-9 p.m.
- West Point - Nielsen Center - Dec. 9, 9 a.m.-12 Noon

ent information from local agencies.

The meetings are available statewide with several locations in each region of the state.

**P is for Phosphorus**  
One of our most yield limiting nutrients in Midwestern crops is phosphorus, which is why it is one of the most common nutrients we focus on when we test soils. When we use grid or zone-based soil sampling to assess our variability, phosphorus is one of the nutrients we focus on the most.

At Central Valley Ag (CVA), we really like to see the soil test P in the 20-30 ppm range. When we fall below that range, we tend to see more yield reductions we can associate to phosphorus deficiency. For our soils that are already in that range we focus mainly on replacing the nutrients removed in crop harvest. For corn, we normally plan on each bushel removing around 0.4 pounds of P2O5 per bushel. For soybeans, that number grows to around 0.8 pounds per bushel we harvest.

Because both yield and past fertilizer practices have varied tremendously over the years, we see a lot of opportunity to gain both yield and reduce fertilizer costs by matching our application rates of phosphorus fertilizer to match the needs of specific field areas.

Besides application rate, we also like to talk to growers about products, placement, and timing. Placing some phosphorus close to the roots of small plants early in the growing season is generally a good practice to increase early plant growth and health. Product depends a lot on a grower's system. If a grower is set up to work with liquid, 10-34-0 is a great way to band larger amounts of P fertilizer. If broadcast dry fertilizer fits their system, either Micro Essentials SZ or MAP is going to be the preferred product.

Talk to your CVA Field Sales Agronomist for more information on how we can become more efficient in our phosphorus application or visit cvacoop.com/agronomy.

## Employment Opportunity Wayne State College

### Maintenance Repair Worker III

**Nature of Work:** This is a skilled classification level to perform advanced maintenance, repair, and construction activities in buildings, facilities, and grounds. Work involves primary responsibility for activities in any one or more of the following craft areas: carpentry, electrical, energy operations, HVAC, plumbing, or related disciplines. Additionally, this classification is expected to provide technical guidance and direct the work of other maintenance personnel in an area of expertise. This position normally works rotating shifts, schedule subject to change as needed and work may be required during non-routine times, inclement weather, or to support special events.

**Required Qualifications:** Employee must possess a valid driver's license; be able to operate a computer and small equipment; graduation from High School or equivalent; and, a minimum of four years previous experience in maintenance, repair, or construction activities in an area of automotive, carpentry, electrical, energy operations, grounds, HVAC, painting, plumbing, or related discipline. Employee must be able to work in extreme hot and cold conditions, bend, crouch, climb ladders, and assist in safe lifting in excess of 75 pounds.

**Salary:** Minimum starting salary \$2,414.50/month, salary based on education and experience.

For a complete listing of job requirements and application procedures, visit our Website at [www.wsc.edu/hr](http://www.wsc.edu/hr), call 402-375-7403 or email [hr@wsc.edu](mailto:hr@wsc.edu). WSC is an EOE.

**HELP WANTED:** Full time farm help wanted on Northeast Nebraska Farm. Newer John Deere and irrigation equipment. Great working facility. Able to operate large machinery and trucks. ## THANK YOU

"Thank You" doesn't seem adequate enough for all the support shown during Jerry's hospitalization, physical therapy and most of all his passing. To family and friends who are like family have all been there with prayers and concerns "God Bless You."

Thank you to Faith Regional Hospital and caring staff, St. Joseph's rehab facility staff and residents, and Hasemann Funeral Home for their compassion and care.

Thank you Pastor Jeanne and Chaplain Deb for the beautiful service, Dr. Jim Lindau and Shelley Armstrong for the music, the ladies that served the lunch.

You all made this time much easier to bear.

Thank you for all the cards, memorials and visits.

*Sue Denton, Cindy (Terry) Seeman,  
Tammie (Randy) Lang, Joe (Angela) Denton and families*

It is hard to pick the best words to express the thanks to family and friends for the cards and gifts for my 90th birthday. Also, for the special words of prayers and bible verses, for the precious words of memories that were shared, for the surprise birthday party at the Care Center planned by my sons Alan and Randy and Amber and their families. Thanks for the coffee with all my friends at Sidelines and that evening at Geno's. Thanks to my great grandchildren, Jordyn and Easton Gamble, for the two beautiful flower bouquets they made for me at Lazy Acres Flower and Décor. For the former students and teachers who remembered me. I treasured to have been a part of their lives. For the well wishes — all this for my 90th birthday! Also, for so many well wishes since my surgery! How blessed I am!! With many thanks! Alice Johnson

# Students of the MONTH

**Erin O'Reilly** is a senior at Wayne Jr/Sr High School. She is very involved and an active member in many clubs and organizations. She is an outstanding student, is always prepared and willing to help others. Teachers describe her as: studious, motivated, responsible, focused and conscientious. Erin is a friendly person and someone who tries her best and wants to be successful. She is a good role model for younger students. She was nominated by the Wayne High faculty. Erin is the daughter of Patrick and Gretchen O'Reilly.

**Brennan Brunken** is a fourth grader at Wayne Elementary School. He is such a positive, encouraging student. He works very hard, and encourages others to do the same! He's kind and polite to everyone he meets! Brennan is the son of Shawna and Jaimie Brunken.

**Trent Hays** is a fourth grader at St. Mary's Catholic School. Trent is a shining example of the foundations of St. Mary's. His faith is evident for all to see. Trent works hard in all his classes. Joy is shown in his smile every day. He was nominated by Sara Westerhold. Trent is the son of Bryan and Karissa Hays.

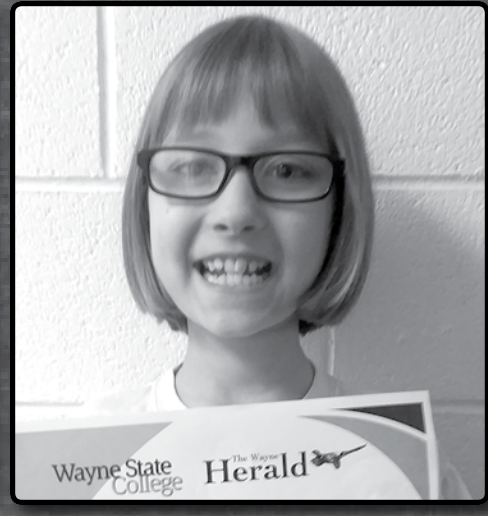

**Makayla Forsberg** is a senior at Laurel-Concord-Coleridge High School. She is genuinely kind and considerate of others. She has a strong work ethic as evidenced by her athletic prowess and enrollment in six dual credit hour coursework. Makayla is an outstanding role model for all students! She was nominated by Mr. Alan Gottula. Makayla is the daughter of Mike and Kim Forsberg.

**Maisie Hansen** is a first grader at Laurel-Concord-Coleridge Elementary School. She is a great friend to others and is a big helper for her teachers. She works hard in school to show responsibility and respectfulness. She always puts forth her best effort with all her work. She was nominated by Ms. Tayler Hall. Maisie is the daughter of Jeff and Robyn Hansen.

**Toby Heinemann** is a junior at Winside High School. He is a kind student who puts forth full effort in all he does. He is very serious about academics and demonstrates his full potential in extracurricular activities, including cross country. Toby is a positive leader at Winside High School. He was nominated by the Winside staff. Toby is the son of Doug and Bobbi Heinemann.

**Shyanna Ritchison** is a fourth grader at Winside Elementary School. She is a very positive and enthusiastic learner. She is polite, respectful and eager to participate in classroom activities. Winside Staff appreciate the positive impact Shyanna has on students and staff. She was nominated by the Winside staff. Shyanna is the daughter of Tabitha Ritchison.
