## Welcome to the Fair - 2021

(Photos by Clara Osten)

From encounters with uncooperative bulls to petting a very small goat, fair-goers at the 2021 Wayne County Fair had the ability to connect with all sorts of animals. In addition, star-struck concert attendees enjoyed a concert by Josh Turner on Saturday. Many of the traditional 4-H activities, such as the Poultry Show, saw youth such as Ryker Heithold, earn ribbons for their efforts. More photos can be found on pages 6 and 7B today's Herald.

## Lions Club celebrates 60 years of service to Wayne

The Wayne Lions Club was established July 25, 1961, and celebrates 60 years of service to the community this year. The public is invited to join the Wayne Lions in celebration of their 60th anniversary at the Friday, Aug. 6 Chamber Coffee to be held at the Cobblestone Hotel at 10 a.m.

The official Wayne Lions charter is dated Aug. 7, 1961 and was signed by 37 members. The first president was Clifford M. Dahl.

The current officers are Ken Kwapioski, President; Teresa Bartlett, Vice President; Mary Ettl, Treasurer, and Verna Mae Baier, Secretary.

Current members who have served as local club President multiple times are Charles Maier (4 terms) and Hibert Johs (3 terms). Charles Maier joined Wayne Lions in 1970, which makes him the senior member of the club.

The Wayne Lions are affiliated with Lions Club International whose mission is: To empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding through Lions clubs.

Through the years the Wayne Lions Club focus has been community service, youth events, with a special focus on sight-saving projects in our community, region, and the world.

The Lions have often participated in community projects with other Wayne service clubs such as fundraising to build the hospital. Another project was a fundraising project to purchase a Jaws of Life for the Wayne Fire Department. This was a project spearheaded by Lion Fred Webber during his time as President of the club (July 1979). Between July 1 and Sept. 16 of that year, donations toward the Jaws of

Life totaled \$4,600 from individuals, local businesses, and organizations. The cost of the unit was \$6,000, by October the project had exceeded the purchase price and raised \$7,148.

In the early years of the club the Lions were approached by the city of Wayne about a parcel of land adjacent to the Wayne Airport. The city offered the land to the Lions to be developed into a park. The city would provide the electricity and water to the park and the Lions would maintain the park. The revenue generated by the park would go to the Wayne Lions.

The Lions built a shelter and after discovering campers spending nights at the park, decided to make it into a RV Park. Since 1996 the park has been receiving campers for a nominal nightly fee. The park has eight parking pads with an electric 30 AMP and water hook up for each pad. There is also a dump station located at the park. The park is a primary source of funding for the Wayne Lions Club.

During the past 60 years the Lions have

provided eyeglasses to many needy people in Wayne and surrounding communities. The Wayne Lions Club can assist in paying for eye exams and glasses for needy persons. A formal request for assistance must be made to a Lion's member or an area optometrist.

Since 2005 the Wayne Lions have participated with the Nebraska Lions Mobile Screening unit to screen youth, kindergarten through fifth grade and sophomores at the Wayne Community Schools. The mobile screening unit has cameras which do a non-invasive screening and generates a report which is shared with parents indicating if a child needs a more detailed eye examination.

This type of screening helps identify children who need glasses or other vision adjustments get the needed attention for their sight. On average the Wayne Lions and the Mobile Unit screen 300 or more children and youth in the school system and the wider community.

This year's screening event for Wayne Community Schools is set for Tuesday, Sept. 14.

In 2015 the Wayne Lions applied for a grant which was approved for the purchase of an eye screening camera. Since that time, the Wayne Lions have used the camera to screen youth at area day care facilities and preschools.

The Wayne Lions also participate in recycling used eyeglasses and hearing aids. The Lions will accept glasses with unbroken plastic frames, sunglasses, safety glasses, prescription sunglasses, broken or unbroken metal frames. The eyeglasses are recycled and distributed in many third world countries. Eyeglass collection boxes are located at the library and at area eye

doctors. The hearing aids are recycled by Lions of Nebraska.

The Wayne Lions have had numerous fundraisers in their 60-year history. Some fundraisers were long-term while others were short-term.

For about 10 years the Lions sold ads on the baseball fence until a new type of fencing was installed. The group has sold raffle tickets for Thanksgiving turkeys, light bulbs, brooms, and brushes made by the blind, White Cane sales, and Halloween Candy. The club has hosted pancake feeds and various other dinners, New Year's Eve and St. Patrick's dances, flea markets, as well as Big Red Football contests. All funds are used to help support Lions projects and the community.

The club has been active in community events including participation in Chicken Days, the Angel Tree and Gifts for Kids projects for the last three years. The club also for many years hosted a Talent Contest which often drew large crowds. The Wayne Lions are also active participants with Wayne Chamber events.

Through the years there have been many service projects including a glaucoma screening event for over 200 people and gutter cleaning. Since the early 1980's the Lions have participated with Wayne Community Schools in a track meet in the spring. The club has supported youth activities such as Punt, Pass and Kick and other youth athletic events.

The club supports local agencies such as the Salvation Army Red Kettle Campaign, Wayne Food Pantry and Haven House, as well as mowing and maintaining Lions Park east of town.

In addition to supporting local projects and agencies the Wayne Lions make reg-

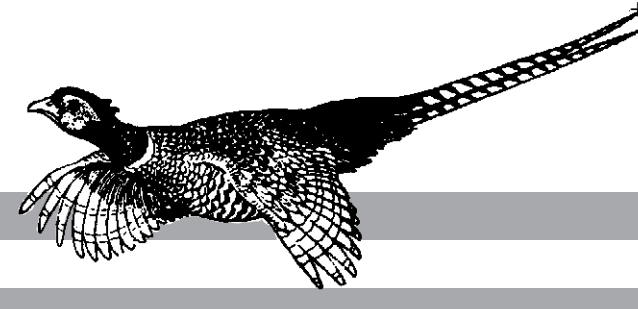

ular contributions to the Nebraska Lions Foundation, Lions Club International and Leader Dogs for the Blind.

One aspect of Lions Club is the Melvin Jones Fellowship Program established in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. The MJF program recognizes donations of \$1,000 to the Lions Clubs International Foundation. Through the years the Wayne Lions Club has recognized 10 Melvin Jones Fellows; Clete Sharer, Verna Mae Baier, Fred Webber, Fred Mann, Hilbert Johs, Frank Fink, Charles Maier, Pat Cook, Russ Rasmussen and Pam Shanks. The Wayne Lions have contributed more than \$10,000 to LCIF since the Melvin Jones Fellows program began in 1990. The most recent donation was in January 2020.

Through the years the Wayne Lions Club has proudly supported two district governors: Clete Sharer (1974-75) and Pam Shanks (2003-04). In addition, Wayne Lions have served as chairpersons of district committees, hosted cabinets meetings, offered training events. During the last year, many Zone and Cabinet meetings have been via Zoom.

Special awards for Lion's members in 2020 include Lion President Ken Kwapioski being named Wayne's Citizen of the Year; Monarch Milestone Chevron Awards presented to Lion Victor Kniesche; a 35-year member, Lion Matt Ley and Lion Teresa Bartlett both 10-year awards.

The Lions meet monthly the first Tuesday at Taco's & More. The group shares a meal at 6:30 p.m., and the business meeting begins at 7 p.m. All are welcome to join the Wayne Lions for a monthly meeting or contact any of the current officers for more information about Lions club.

## Letter to the Editor

**Dear Editor,**  
 In the July 22 edition of the Wayne Herald, you published Governor Ricketts's logic behind his '30 x 30 Land Grab' campaign. The governor expresses outrage about what the Biden administration is proposing, but I find it hard to see some-

thing to be outraged about. Our state, nation, and the world face ecological, political, economic, and humanitarian challenges more significant than any civilized society has ever faced because of our changing climate.  
 In the governor's statement, he

does not recognize the need for action to conserve our natural and soil resources. Agriculture is the dominant economic engine in Nebraska, and when it gets too hot, too dry, too windy, and too wet for our farmers to produce the crops they have grown for the past century, we will

all feel the effect.  
 Nebraska has some of the best soils in the world, and we need to do everything to prevent them from being lost and degraded. One might recall that in the past, Republicans were at the forefront of safeguarding our heritage. President

Theodore Roosevelt initiated the National Park System to preserve many of our unique resources. Later, the Soil Conservation Service was formed to partner with farmers to utilize the best technologies to improve farming and safeguard our resources. This partnership has served the state and nation through Republican and Democratic administrations. It is fitting that the general public helps pay for the practices that conserve our lands for the future.

is already close to a 'natural' state. There are other lands in protected status, so for Nebraska to reach 30% does not seem like a stretch. In November 2020, it was reported that Nebraska landowners had over 1 million acres in the Conservation Reserve Program (CRP). Those 1 million acres would add another 2% to the 'protected' acres. Rangeland is still in production, and CRP is a paid practice that can be reversed. As much as the governor would like to claim that the land will be 'taken' by coercion, the facts are otherwise, and for Nebraska, we are close to achieving that goal. He should be touting that!

## Obituaries

### John E. Bernthal

John E. Bernthal died from non-Hodgkin's lymphoma on Friday, July 23, 2021.  
 A viewing will be held from 6 – 8 p.m. Wednesday, July 28 at Butherus-Maser & Love Funeral Home, 4040 A Street in Lincoln. Services will be held Thursday, July 29 at 10:30 a.m. at Sheridan Lutheran Church, 6955 Old Cheney Road in Lincoln.

Memorials may be sent to the John and Marilyn Bernthal Speech Language Pathology Fellowship Fund, Fund #01123330, University of NE Foundation, 1010 Lincoln Mall Suite 300, Lincoln Neb. 68508  
 Butherus, Maser & Love Funeral Home will be handling the arrangements. Online Condolences can be left at [www.bmlfh.com](http://www.bmlfh.com)

John E. Bernthal was born in 1940 in Sheridan, Wyoming. The son of a Lutheran minister, he spent most of his youth in Wayne. As a boy, Bernthal delivered the Omaha World-Herald and earned Boy Scout merit badges. At Wayne's Hahn High School, Bernthal played running back, joined the marching band during halftime, and then returned to running back during the second half. He went onto college at Wayne State, where he became student body president, lettered in football and tennis, and participated in the orchestra. John was later inducted into the Wayne State Hall of Fame.

He earned his Master's degree from the University of Kansas. In Lawrence, John snagged his biggest lifetime honor by meeting Marilyn Simpson, who became his wife of 55 years.

John earned a PhD (University of Wisconsin) and crafted a distinguished academic career. His textbook, co-authored with long-time friend Nick Bankson, became a best seller in the field of speech and audiology. For 30 years, Bernthal served as Chair of the Barkley Center at the University of Nebraska-Lincoln. He was elected President of the American Speech and Hearing Association (ASHA) in 2001.

John crafted a rich personal life. Along with his spouse, Marilyn, he visited every continent except Antarctica. He ate an exceptional amount of ice cream. He was a long time member, and one-time President, of a Lincoln chapter of the Sertoma Club, a faithful volunteer for Meals on Wheels, and mentored youth through Lincoln's TeamMates program. He also enjoyed cards, although he had sub .500 lifetime Euchre record. An avid life-long tennis player and sports fan, He loved watching his children and granddaughters play tennis, basketball and volleyball. He became an ardent Creighton volleyball supporter, where his daughter, Kirsten, serves as Head Coach. He was a prodigious newspaper reader. He would have enjoyed this obit.

He was preceded in death by Rev. Erwin John Bernthal and Erna Bernthal. He is survived by: wife Marilyn (Simpson) Bernthal; a son, Brad (Ande), granddaughters Alexis and Quinn; a daughter, Kirsten Bernthal Booth (Erik) granddaughters Reese, Hayden, and Berkeley; brothers Frederick Bernthal (Heather Lancaster) and Stuart Bernthal (Katherine); sisters Rebecca Bernthal and Christine Bernthal.

### Maureen 'Cis' (Nelson) LaPour

Maureen "Cis" (Nelson) LaPour died Feb. 20, 2021 in Las Vegas, Nevada surrounded by her family  
 A local service will be held Sunday, Sept.12 at 1 p.m. at Winside Cemetery followed by a reception at 1:30 p.m. at Winside Methodist Church.

Memorials may be directed to Candlelighters – Childhood Cancer Foundation, 8990 Spanish Ridge Ave, Las Vegas, Nevada 89148.  
 Maureen "Cis" (Nelson) LaPour was born Dec. 31, 1942 in Pilger, the daughter of Gustav Nelson and Edna (Bomar) Loewe. She was baptized and confirmed at the United Methodist Church in Winside, and attended country school, and then graduated from Winside High School in 1960. She married Jerry LaPour on Aug. 14, 1965 in Norfolk. They moved to Tekamah in 1970.

Maureen had a career in newspapers, eventually becoming managing editor and later worked for the State of Nevada before retiring in 2015. She was known for her servant heart, taking on several roles throughout her work life where she was able to put this gift to use and provide her own brand of personal customer service.

She loved to cook and her favorite place was with her family. She was a beloved mother, aunt, sister, grandmother and she cherished time spent with all of them. She welcomed not only family with open arms, but every friend they brought with them, showering each with love in her own language, food. She was famous for her Waldorf red cake, chocolate chip cookies and many other signature dishes. If it was someone's favorite, she made it and dessert was always on the menu.

Survivors include the pride of her life, her two sons: Brian (Susan) LaPour of Omaha and Jeff (Lori) LaPour of Las Vegas, Nevada; five grandchildren: Lauren, Troy, Tanner, Lucas and Coco; their father/grandfather, Jerry LaPour, of Las Vegas; two siblings: her sister, Carolyn (Susie) Kramer/Hoffman of Cedar Falls, Iowa, and brother, Robert (Brenda) Nelson of Norfolk; along with many nieces, nephews, other family members and friends.

She was preceded in death by her parents and her brother, Richard (Dick) Nelson in 2019.

Memorials may be directed to Candlelighters – Childhood Cancer Foundation, 8990 Spanish Ridge Ave, Las Vegas, NV 89148. A local service will be held Sunday, September 12, 2021. 1:00 pm at Winside Cemetery followed by a reception at 1:30 at Winside Methodist Church.

## Blood drive held in Wayne

For over 15 years, Wayne and surrounding communities have been supporting the local blood bank, LifeServe Blood Center, at the community blood drives organized by Dennis Lipp.

Mary Bartels – two gallons; Sandra Hansen and Leslie Johnson – four gallons; Benjamin Promes – nine gallons; Chad Sokol – 13 gallons, and Galen Wiser – 14 gallons.

A blood drive was held July 21 to help the blood center make our way towards a busy summer season with inventory levels high. LifeServe Blood Center was able to collect 36 units of blood that have the ability to save up to 108 local lives.

The next community drive will be Wednesday, Aug. 25 from 8 a.m.– 1:30 p.m. at the Wayne Fire Hall.

"Thanks to everyone who came out to show their support, be sure to text 'LIFESERVE' to 999-777 to make your next appointment and we look forward to seeing you next time," said Allison Brumels, LifeServe Blood Center Territory Representative.

The following donors who hit milestones with their most recent donation: Roger Hefti – one gallon;

## Chamber Coffee

WAYNE — This week's Chamber Coffee/#chamberpercs will be held Friday, July 29 at Bressler Park. It will be hosted by the Wayne Community Theatre in conjunction with the production of "Virtue Always Triumphs or Life in the Wicked City." The coffee begins at 10 a.m. and announcements at 10:15 a.m.

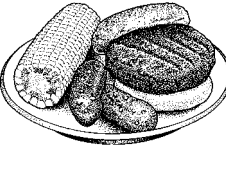

## Backpack distribution

WAYNE — The Salvation Army Unit will be distributing backpacks and school supplies for students at Wayne Community Schools in grades K-8. The distribution will take place on Monday, Aug. 9 from 4 to 7 p.m. at Calvary Bible Church, located at 502 Lincoln Street in Wayne. For more information or to register your child/children to receive supplies email the name(s) and grades of these students to [sarmy.wayne@gmail.com](mailto:sarmy.wayne@gmail.com) or phone (402) 375-4946 before Aug. 6.

## Sweet Corn & Hamburger Feed

AREA — Pilger's annual Sweet Corn & Hamburger Feed will be held Wednesday, Aug. 4 from 5 to 9 p.m. at the Cooper Family Community Center in Pilger. A free -will donation will be accepted and there will be a free pool party at the Pilger Pool. All proceeds from the event will go to the Pilger Pool Fund.

## Food Pantry

AREA — The Wayne Food Pantry, located at First Presbyterian Church in Wayne, continues to be available to those in need in Wayne County. Anyone desiring to check on availability is asked to call the church office (402) 375-2669 or email [fpcwayne@gmail.com](mailto:fpcwayne@gmail.com). All inquiries are confidential. At this time, the Food Pantry is open by appointment only. Those wishing to make a donation are asked to contact the church via phone or email.

The next community drive will be Wednesday, Aug. 25 from 8 a.m.– 1:30 p.m. at the Wayne Fire Hall.

# Hot temps, bats crush Wayne's state tourney hopes

## Post 43 Seniors fall to Columbus Lakeview in area championship

By Mark Vrbicky  
Heat, humidity and hot bats – for the other team, that is. These were just a few of the factors that hindered the Wayne Se-

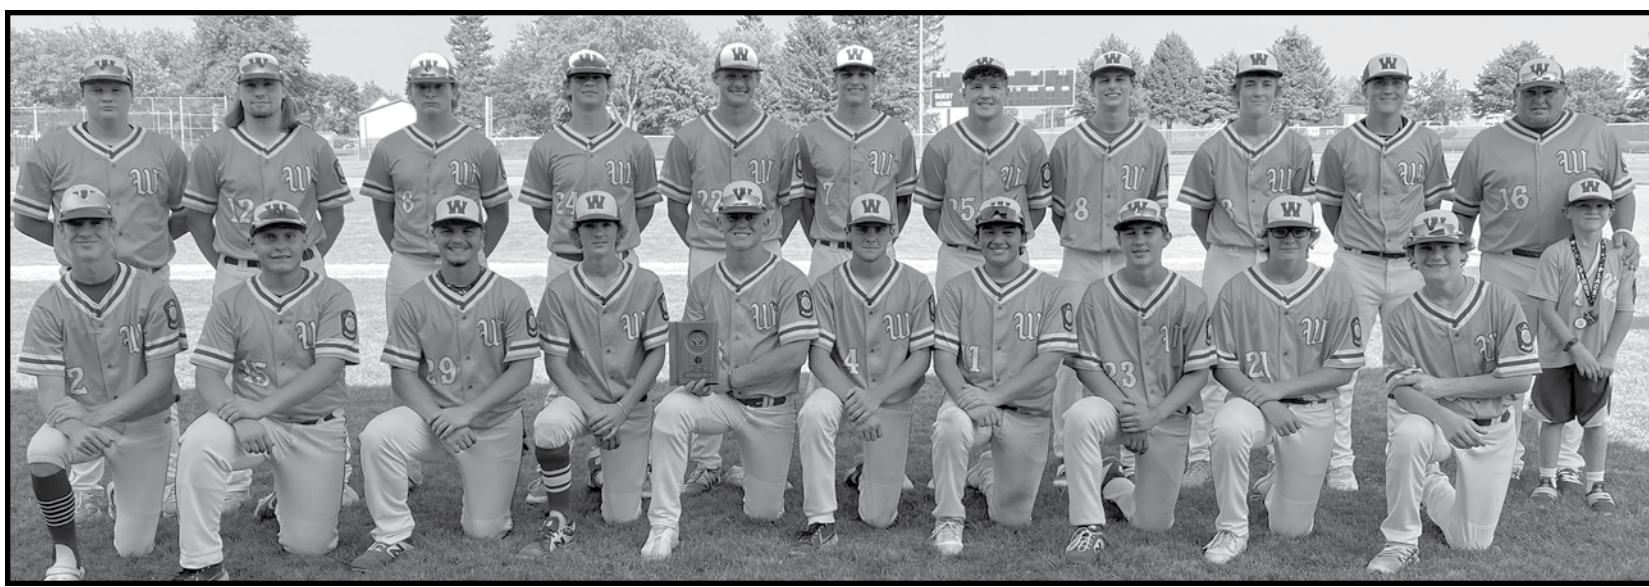

remain close, as neither team had any luck crossing home plate in the next two innings. That changed in the top of the fourth and fifth when Lakeview added four and three

**Wayne Seniors center fielder Jacob Kneiff smashes a double to get things started for Wayne in Friday's opening-round win against Pierce in the Class B, Area 5 tournament.**

**James Dorcey fires a pitch home for the Wayne Seniors during Sunday's loss to top-seeded Columbus Lakeview in the Class B, Area 5 tournament at Hank Overin Field.**

**The Wayne Post 43 American Legion Seniors came away with a runner-up finish in the Class B Area 5 tournament at Hank Overin Field, falling 9-0 to Columbus Lakeview in Tuesday's championship game. (front) Calvin Starzl, Justin Sherman, Jacob Anderson, Wyatt Heikes, Reid Korth Toby Braun, Max Miller, Toby Braun, Devin Anderson, Ryan Karsky, Kaleb Moormier, (back) coach Hagan Miller, coach Travis Bailey, James Dorcey, Aiden Lliston, Jacob Kneiff, Blake Bartos, Cooper Zara, Matt McManigal, Jase Dean, Brock Hopkins, coach Robbie Gamble, Callin Gamble.**

runs, respectively. Lakeview outhit Wayne, 7-3, in the game with Bartos accounting for two hits for Post 43. Max Miller had the other with a single in the third inning.

Jacob Kneiff took the pitching loss for Wayne. The lefty surrendered seven runs (one earned) on six hits over four and two-thirds innings. He threw 105 pitches from the mound, striking out six of the 27 Columbus Lakeview batters he faced in the game.

Wayne head coach Robbie Gamble talked about Kneiff's performance during a post-game radio interview.

"He struggled a little bit," Gamble said of the Wayne State baseball signee. "It wasn't his best outing, but he always gives 110 percent every time he's out there."

Despite how the season ended, Gamble was proud of his players and how they stuck together and performed consistently well throughout the year.

"The guys really rally around each other, and there really isn't much drop-off between the Junior and Senior Legion teams. They all get along and play together really well," he said. "Overall, I really enjoyed this season."

The Wayne Legion Seniors finished the year with a final record of 15-6.

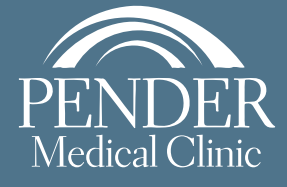

Become independently *healthy*

Manage your family's health with important primary care visits

Your family's health is priceless—so it's important to get back to annual visits. Since most insurance plans cover preventative care, your only investment is a bit of time to protect your most valuable asset: the wellness of those you love.

**EXPERT CARE INCLUDES:**

- Annual wellness visits, regular immunizations and well child visits.
- Preventative screenings like mammograms, colonoscopies and more.
- Treatment for chronic conditions.
- OB/Gyn care. From prenatal through delivery for you—and baby.
- Health coaches. Your partner to coordinate services with others for all of your healthcare needs.

Call one of our clinics to schedule your family's primary care appointments, or learn more at [www.pendercommunityhospital.com](http://www.pendercommunityhospital.com).

# Buy Fresh, Buy Local Nebraska and Nebraska Extension celebrate National Farmers' Market Week 2021

Buy Fresh Buy Local Nebraska and Nebraska Extension join others across the country in celebrating National Farmers' Market Week from Aug. 1-7, 2021 with the launch of a new tool to make it easy for Nebraskans to find nearby farmers' markets.

A new interactive map found online at [gotogrow.org](http://gotogrow.org), allows Nebraskans to find details on farmers markets in communities all across the state. This website was developed from a USDA Farmers Market Promotion Program grant awarded to Nebraska Extension, in collaboration with Buy Fresh Buy Local Nebraska and the Center for Rural Affairs. A Spanish-language version website is available at [vamosapoyar.org](http://vamosapoyar.org).

In the midst of a global pandemic, farmers markets — like all other small businesses — have innovated to stay open for the farmers and consumers that depend on them. Market managers have adapted rapidly to protect staff, customers and community. When conventional food supply chains had difficulties adapting at the start of the pandemic, farmers markets and local food systems clearly displayed the resiliency of short supply chains, and interest in local foods spiked

nationwide. Now, farmers markets are headed into another year of building resilience in our communities and bringing people together.

"The COVID-19 crisis has highlighted that we need to shorten the food supply chain," said Terri Mazza, owner of Food 4 Hope, a farmers' market vendor near Beatrice. "When people buy at a farmers' market, they have a reliable source of food. They know where their food is coming from, and they know they are getting it fresh."

National Farmers Market Week is an annual celebration of farmers markets coordinated by the Farmers Market Coalition. This year's campaign is centered around the essential role that farmers markets play in our local food systems.

In 2020, Nebraska markets pivoted rapidly to ensure that markets would stay open to the public by increasing online sales, adding safety precautions into their operations and eliminating non-essential activities like music and kids' events. Those efforts, coupled with decreased attendance in 2020, have had a significant impact on Nebraska markets. Nationally, the pandemic strained farmers market organizations to keep markets open; 93% of markets reported added

costs to operate while 74% reported decreased income.

In 2021 Nebraskans all over the state can support their farmers' markets by grabbing their shopping bags and heading to the nearest market. Nebraska's 99 registered Farmers' Markets provide access to healthy, locally-produced food no matter where you are.

Markets increase their reach by accepting SNAP payments, as well as Senior Farmers Market Nutrition Program checks. These and other initiatives ensure that more Nebraskans can benefit from local food. In 2021 the Kearney Area Farmers' Market became one of the few farmers' markets in the state to become authorized to accept SNAP payments from shoppers.

Created in 2019, the Nebraska Go to Grow/Vamos Apoyar project provides training, technical assistance and marketing to rural farmers' markets across the state, while also supporting local producers who rely on farmers' markets to sell their products. The Go to Grow/Vamos Apoyar team is also working with markets across Nebraska to increase access to Spanish speaking consumers, through translated signage and targeted outreach in local communities.

Farmers' markets are an essential part of our state. They are spaces where food access, economic opportunities, community pride and health come together every week of the market season.

Find your market, and go to grow Nebraska farmers markets by visiting [gotogrow.org](http://gotogrow.org) or [vamosapoyar.org](http://vamosapoyar.org)

In Wayne, the Farmers' Market is located on the west lawn of the Wayne County Courthouse and is open from 4 to 6 p.m. each Wednesday and from 9 a.m. to noon each Saturday. The market continues to be open into October, depending on weather and the availability of produce.

Buy Fresh Buy Local Nebraska has been connecting consumers to locally grown food for 16 years. Its mission is to increase the demand of local food in the state, resulting in stable, thriving, direct-market farms, ranches and local food businesses. BFBLN accomplishes their mission through educational and promotional projects and resources. We are proud to be a program of the Nebraska Cooperative Development Center, and the Agricultural Economics Department at the University of Nebraska-Lincoln.

## Elevated nitrate concentrations in groundwater could pose health risks; water quality resolution tabled by LENRD board

Nebraska's farmers are growing more with less water and fewer chemicals than ever before. And yet, we still struggle with the quality of our water in some areas.

Nitrate levels in Nebraska's groundwater are on the rise, especially in portions of northeast Nebraska. The Lower Elkhorn Natural Resources District (LENRD) has analyzed the nitrate data gathered from their Groundwater Quality Sampling Program and have found some troubling trends across their 15-county district.

LENRD General Manager Mike Sousek said, "An evaluation of water quality data collected over the past 40 years reveals that nitrate concentrations are continuing to increase in some areas. Most recently, the data indicates elevated concentrations of nitrate in portions of Cuming, Colfax, and Dodge Counties, reaching levels that could pose health risks to humans and threat-

en the environment." During their July meeting, the board discussed the proposed water quality resolution. This resolution would serve as a statement of commitment from the board to follow when encountering tough issues, such as high nitrate levels in the groundwater.

The agriculture industry depends on clean water, healthy soil, and pure air to supply a growing world with food, feed, and fuel. Farmers meet daily challenges as they work to protect our resources for future generations.

Sousek said, "We want to work together to make a positive impact on the health of our soils and the qual-

ity of our groundwater. This resolution compliments our 12 responsibilities and shows that this board is supporting local control and supporting the protection of our natural resources as the NRDs have for the past 49 years."

The board voted to table the resolution until next month. The discussion will continue at the August 12 committee meeting and the Thursday, Aug. 26 board meeting. Visit [www.nitrateinwater.org](http://www.nitrateinwater.org) to learn more about high nitrate levels

## Laurel-Concord-Coleridge voters approve bond issue

With a 596-595 vote, a \$25 million bond vote for the Laurel-Concord Coleridge School District was approved.

There was an official recount done that confirmed the voting out-

come. The 25-year bond will go to the creation of a new high school building, along with upgrades and improvements being made to the current elementary school.

The bond will also raise property taxes by \$12.06 per \$100,000 valuation per year for the first seven years. Construction is set to begin in the spring of 2022 and should be completed by the fall of 2023.

## Carroll Park Renovation committee continues to upgrade park

The Carroll Park Renovation Committee has been receiving donations to renovate the park for three years.

The committee is now ready to install the first phase of the renovation. This fall equipment, appropriate for ages 2-5, will be installed. The park renovation committee is planning on leaving the original equipment in the park until enough money is raised to replace it. The merry-go-round and possibly the swing set will not be removed when new equipment is installed.

The committee has raised almost \$46,000 thanks to generous donations from several people. The park committee has several fundraisers planned for this year, including a 5K run on Sunday, Sept. 26 preceding the Cars N Carroll Car Show that day.

More information on the run will be available closer to the date of the event.

Donations can be sent directly to the Park Renovation Committee, Farmers State Bank, PO Box

## Second Wayne resident is featured in Sculpture Walk

The ninth installment in this series is called "Transponder" by Steve Elliott.

This sculpture is made of stainless steel and can be found in front of Our Savior Lutheran Church. Elliott was born in Quantico, Virginia.

After serving a four-year active duty tour in the Marine Corps and extensive travel experiences overseas, he earned a B.F.A. from the University of Kansas and M.F.A. from the University of Maryland.

His large-scale sculptures and mixed-media works have been included in more than 100 exhibitions and collaborations in 26 states nationwide, including ARC Gallery (Chicago, IL), 516 ARTS (Albuquerque, NM), Mid America Arts Alliance (Kansas City, MO), Joslyn Art Museum (Omaha, NE), the Sioux City Art Center (Sioux City, IA) and the Manoa Art Gallery in Honolulu, Hawaii.

Elliott is the Vice President for Academic Affairs at Wayne State College, where he has also served as the Dean of the School of Arts and Humanities, Chair of the Department of Art and Design, and Director of the Nordstrand Visual Arts Gallery.

Transponder was designed to represent abstractions of nature, inspired by patterns that are infinite and ever changing.

Elliott is interested in the ancillary relationship between nature and structural complexity, particularly relating to free form architecture, where lines and shapes are approximated in order to physically construct intricate geometric structures.

The linear, skeletal construction method gradually brings the visual elements together while drawing with the material, inciting the viewer into a potential state of meaning.

## REZUM 18 HOLES OF GOLF.

Rezūm™ Water Vapor Therapy is an alternative to surgery. It treats the cause of your BPH by reducing prostate tissue, so you can get back to your life.

## Nebraska Nature Nerd Night: Musky Mustelids

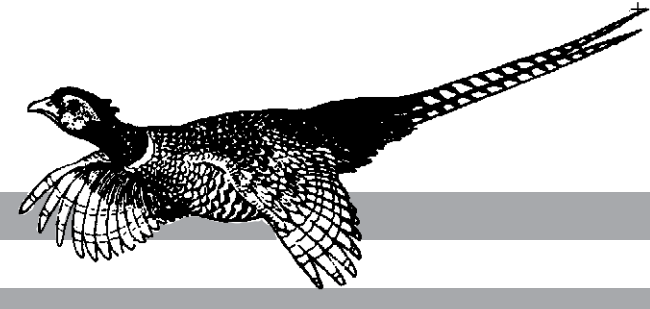

Badgers, otters, minks and weasels belong to a stellar but stinky group of mammals known as mustelids.

Shaun Dunn, a zoologist for the Nebraska Game and Parks Commission, will lead a virtual discussion about these creatures on Nebraska Nature Nerd Night at 7 p.m. Tuesday, Aug. 17.

Learn more about the adaptations and unique abilities of mustelids, and which ones could be seen in Nebraska.

The webinar is free, but registration is required. See the calendar event entry at [calendar.outdoornebraska.gov](http://calendar.outdoornebraska.gov) to register. Questions may be submitted during registration.

The event is part of the monthly Nebraska Nature Nerd Night virtual series for curious adults. These webinars, on the third Tuesday of each month, explore the secrets and science of nature in through storytelling and conversation. For more information, email [monica.macoubrie@nebraska.gov](mailto:monica.macoubrie@nebraska.gov).

## WSC women's track and field adds 10 signees to 2022 roster

Wayne State College head cross country and track and field coach Marlon Brink has announced the addition of 10 student-athletes in the 2021 spring signing period that will continue their academic and athletic careers and compete for the Wildcat women's track and field team in the 2021-22 academic year. The list includes Hailey Baker from Blair, Kevona Brown of Atkinson, Maya Couch from David City, Emily Erickson from Aurora, Veronica Guenther of Papillion, Lauryn Hoffman of Spencer, Brooke Languis from Ponca, Faith Lubischer of Pierce, Kennedy Miller from Plattsmouth and Kenzie Mueller of Pierce.

"As it is with any recruiting class, it will probably take a year or two to see just how good this recruiting class is," remarked Coach Brink. "With that said, I think this could turn out to be a very good recruiting class."

Brink added, "One of the areas that we had to address was the sprints and jumps group. I believe we have several girls who could run any distance from 100 to 400 meters and be able to help our team out. Some of them could also cross over into the horizontal jumps and can do well there also."

"We also brought in three more girls who we believe would be able

to fit into our throws program and have the potential to continue the tradition of excellence that our throwers have established over the years. Most importantly, this recruiting class is commendable in the classroom as well as in competition, which will help us continue our streak of USTFCCA All-Academic team and individual awards."

Hailey Baker is a thrower from Blair High School, lettering four years in track and field. She was a Class B state qualifier in the shot put and discus this spring as a senior, placing eighth in the shot put (38' 7"). Baker was also a Class B state qualifier in the shot put as a sophomore in 2019. Her personal bests are 40' 3 1/2" in the shot put and 134' 3" in the discus.

Kevona Brown is a sprinter from West Holt High School where she lettered four years in volleyball, basketball and track and field. She was a three-year conference champion in track and field and a two year district champion, placing 10th in the Class C 200 meter dash as a senior. In 2019, Brown won three medals at state in sprint events, taking fourth in the 200-meter dash (26.29), sixth in the 100-meter dash (12.88) and seventh in the 400-meter dash (1:01.10). Personal bests include 12.70 in the 100 meters, 26.29 in the 200 meters

and 1:00.51 in the 400 meters.

Maya Couch is a sprinter from David City High School where she was a three-sport standout in volleyball, basketball and track and field. She medaled in three events and was a four-event Class C state qualifier as a senior, placing fourth in the 200-meter dash (26.33), fifth in the 100-meter dash (12.61) while anchoring the third place 400-meter relay team (50.61). Couch holds the school record in the 100-meter dash (12.48) and 400-meter relay (50.61). She earned All-Southern Nebraska Conference Second Team honors in volleyball as a senior and was an NCPA Academic All-State honoree in volleyball, basketball and track and field. Personal bests for Couch are 12.48 in the 100-meter dash and 25.96 in the 200-meter dash.

Emily Erickson is a three-sport standout from Aurora High School where she was a Class B state qualifier in the triple jump this spring. She earned Class B All-State and All-Heartland honorable mention in volleyball and was a NCPA Academic All-State Award winner in 2020 as a senior. Erickson's personal bests are 27.36 in the 200 meters, 1:02.87 in the 400 meters and 34' 6 3/4" in the triple jump.

Veronica Guenther, a thrower from Plattsmouth High School, was a two-event Class B state qualifier

this spring in the shot put (11th - 36' 7 3/4") and discus (16th - 110' 1"). She was an All-Trail Blazer Conference selection in volleyball last fall averaging 2.5 kills per set with a .278 hitting percentage. Personal best marks for Guenther are 42' 7 1/2" in the shot put and 122' 2" in the discus.

Lauryn Hoffman is a sprinter/jumper from Boyd County High School where she placed fifth this spring in the Class D long jump (16' 0") while also being a state qualifier in the 200 and 400-meter dashes. She is an All-Niobrara Valley Conference selection in volleyball as a junior and senior and was honorable mention in basketball as a senior. Hoffman also excels in the classroom earning NCPA Academic All-State honors in volleyball, basketball and track and field. Personal best marks are 27.52 in the 200 meters, 1:02.20 in the 400 meters and 16' 6 1/2" in the long jump.

Brooke Languis is a thrower from Ponca High School where she is a two-time Class C state medalist in the shot put, taking third this spring as a senior (40' 9") and seventh as a sophomore in 2019 (40' 2 1/4"). She was also a Class C state qualifier this year in the discus (10th - 114' 3") and is a two-time district champion and Lewis and

Clark Conference champion as a sophomore. Personal best marks are 44' 5 1/2" in the shot put and 116' 10" in the discus.

Faith Lubischer, a hurdler/sprinter from Pierce High School, was a three sport standout for the Bluejays in volleyball, basketball and track and field. She was a Class B state qualifier in the 300 meter hurdles this year, taking 11th in 48.56 seconds. Lubischer earned All-Mid States Conference honorable mention honors in volleyball and basketball and is two-time Academic All-State selection in three sports - volleyball, basketball and track and field. Lubischer's personal best marks include 16.64 in the 100 hurdles and 48.56 in the 300 hurdles.

Kennedy Miller is a sprinter from Plattsmouth High School where she was named the schools' Female Athlete of the Year. In track and field, she ran on the 400-meter relay team that qualified for state. On the basketball court, Miller averaged 9.3 points and 8.6 rebounds per game this season to earn Class B

All-State honorable mention honors and was All-Conference honorable mention in volleyball. Her personal best marks 13.06 in the 100 meters and 28.37 in the 200 meters.

Kenzie Moeller is a three sport athlete from Pierce High School where she excelled in volleyball, basketball and track and field. She was the top point scorer for the Bluejays in track and field as a junior and senior and was a Class B state qualifier in the long jump as a senior. In basketball, Moeller averaged 11.4 points and 3.2 rebounds per game as a senior, earning All-Mid States Conference honors. She was a two-time Norfolk Daily News Elite 8 selection in basketball and three-time Class C All-State honorable mention. On the volleyball court, Moeller set a Class C1 state record for most digs in a season (687) in the 2019 season as a junior and was an All-Mid States Conference honorable mention selection. Moeller's personal bests include 17' 4" in the long jump, 12.48 in the 100 meters and 25.96 in the 200 meters.

## Color Run to benefit Wayne Run Club

Registrations are now being accepted for the 2021 Color Run.

The event, which is being organized by Hannah Belt and Braydn McCorkindale, will take place Saturday, Aug. 14. Registration begins at 8:30 a.m. The race starts at 9:30 a.m. at the Wayne Community Activity Center, located at 901 West Seventh Street in Wayne.

Sponsors for the race include the Wayne Physicians and providers: Dr. Ben Martin, Gary West, PA-C, Dr. Mark McCorkindale, Ross Hansen, PA-C, Dr. Sam Recob Bonnie Vrbicky, PA-C, Dr. Melissa Dobbins, Diane Meyer, NP, Dr. Angela McClaughlin, Michaela Garcia, NP, Dr. Ian Engebretson and Jill Belt, LIMHP, CSW.

Proceeds this year will go to the Wayne Run Club, a club associated with the Wayne Community Activity Center.

This was the third year of Wayne Run Club that began in 2018, but missed a year with COVID. The program is a city program that is led by first grade teacher and Cross Country Coach Courtney Maas. Maas has built the program from 32 participants the first year to 84 participants this year. She has six other volunteer coaches help teach the lessons and coach the runners to help build healthy lifestyles.

"We have some challenges with the program as it has grown and are now in need of microphone headsets for the coaches to wear for the lessons so they can be heard. Materials for lessons and activities are always needing to be purchased to make the lessons and activities hands-on and interactive for the participants," Maas said.

"Each year we have a focus area

or a motto and try to incorporate something as a reminder. One year each student received a knot made from nylon strap that said, "why k(not)?" on it with a safety pin. It went with a growth mindset lesson and was a reminder for them to take risks. -Why k(not) try something new? Why k(not) give it my best effort, even though it might be hard?" Maas added.

This past year the club focused a lot on friendships. Each participant was given a friendship bracelet as a reminder that they always have a friend to turn to in Run Club.

"Along with these previously mentioned items, we have used toothpaste, hula hoops, balloons, pop, etc. in our lessons that always need to be purchased. A lot of our lessons require markers, crayons, and scissors that we always need to replenish," Maas said.

"Proceeds from this years color run will be donated to the Wayne Run Club because of Courtney's mission to motivate kids to be active and promote good physical and mental health. This program continues to grow with very little funding; so if we can give back to enhance this program it will only benefit the kids and families in our communities. We are constantly reminding patients and families to be physically active and finds ways to cope with stress for a healthier lifestyle. Running and walking are two great ways to improve your health and relieve stress," said Dr. Mark McCorkindale.

To registrar for the run, contact Hannah Belt at (402) 369-4814 or email: hannah.braydn.collorrun@gmail.com

## Four individuals, Wildcat men's track and field team earn USTFCCA all-academic honors

Four individuals and the Wayne State College men's track and field team received All-Academic honors from the U.S. Track and Field and Cross Country Coaches Association released Thursday afternoon by the coaches' association office in New Orleans, Louisiana. Seniors Ben Allen, Cade Kalkowski and Dylan Kaup and freshman Dylan Kneifl were individuals honored while the Wildcat men's team collected All-Academic Team honors for a 12th straight season with a 3.321 cumulative grade point average that ranked 22nd in NCAA Division II.

To qualify for the team academic award, an institution must record a cumulative grade point average of 3.00 or higher while individuals must maintain a 3.25 grade point average and have achieved a provisional or automatic qualifying mark for the NCAA Championships in either indoor or outdoor seasons. Allen, a senior from Ainsworth (Ainsworth HS), maintained a 3.35 grade point average majoring in business administration and marketing. He was an All-NSIC selection during the indoor season, placing third in the shot put (52' 3 3/4"), followed by another All-NSIC performance in the outdoor season taking third at 55' 7" while also setting a new school record during the

outdoor season at 56' 1 1/4" at the UNK Central Nebraska Challenge. Kalkowski, a senior from Niobrara (Niobrara HS), earned USTFCCA All-Academic honors for a third straight season while posting a 3.48 grade point average majoring in agri-business. He won the NSIC hammer throw title for a third straight year during the outdoor season, qualifying for the NCAA Outdoor Nationals for a third straight season. During the indoor season, Kalkowski was All-NSIC placing second in the weight throw and qualified for the NCAA Indoor Nationals for a third straight year.

Kaup collected USTFCCA All-Academic honors for a fourth straight season. The senior thrower from Neligh (Neligh-Oakdale HS) carried a 3.90 grade point average majoring in school administration 7-12 and was an All-NSIC selection in the hammer throw placing third at 187' 1".

Kneifl, a freshman from Wisner (Wisner-Pilger HS), had a 3.53 grade point average majoring in industrial technology. He had an NCAA provisional mark during the indoor season in high jump and placed fourth at the NSIC Indoor Championships (6' 6 3/4") while taking eighth in the outdoor season at 6' 2 3/4".

## WSC women's track team earns USTFCCA All-Academic award for 16th straight year – five individuals also honored

Five individuals and the Wayne State College women's track and field team received academic accolades Thursday afternoon from the U.S. Track and Field and Cross Country Coaches Association with USTFCCA All-Academic honors. It was the 16th straight year for the Wildcats earning the team award with a cumulative grade point average of 3.568 (22nd in NCAA Division II) while Nicole Heeren, Kendra Paasch, Sarah Stang, Kenzie Sullivan and Jadin Wagner each received individual All-Academic honors.

To qualify for the team academic award, an institution must record a cumulative grade point average

while also qualifying for the NCAA

Outdoor National Championships.

## Wayne Seniors two wins from state after defeating Pierce twice in B5 tournament

By Mark Vrbicky

Wayne's Senior American Legion baseball team advanced to the championship finale of the Nebraska Class B Area 5 Tournament it's been hosting since last Friday. After a little hiccup against Columbus Lakeview on Sunday, Post 43 needed to defeat the top-seeded club twice on Tuesday in order to advance to the state tournament that begins this Saturday in Crete. See this week's front page for more on that, as this story was submitted prior to the Wayne/Lakeview matchup on Tuesday afternoon.

The No. 2-seeded Blue Devils (15-5) reached the tourney finals after edging No. 3 Pierce for the second time in the area tournament, 4-3, Monday night at Hank Overin Field.

Pierce put up two runs in the first inning, and the host team was held to a goose egg on the scoreboard until the top of the third when Blake Bartos took advantage of an error and came across home plate to score. Post 43 then added three more runs in the fourth inning with Justin Sherman, Devin Anderson and Jacob Kneifl all scoring off a double by Max Miller. Pierce added another run in the bottom of the seventh, but it wasn't enough, as Wayne held on for the one-run win.

James Dorsey, Miller and Anderson accounted for the Devils' three hits in the contest.

Aiden Liston earned the pitching win after taking over for Bartos following Pierce's first two runs in the opening inning. Liston gave up three hits, but no runs over six innings, striking out five batters along the way. Wyatt Heikes relieved Liston in the final inning and got the last three outs to earn the save for Wayne.

Wayne's Seniors dropped into the losers' bracket after falling to No. 1 seed Columbus Lakeview, 9-3, on

Sunday afternoon.

The game was close early, with the two teams tied, 2-2, after two and a half innings. But the scoring onslaught by the opposition in the third put Wayne down for the count as Lakeview posted seven runs in the bottom of the frame. The locals added one more run in the top of the fourth, but that was all they could muster in a failed attempt at a comeback.

Reid Korth, Brock Hopkins, Kneifl, Sherman and Dorsey all singled for Wayne. Dorsey also took the loss on the hill, allowing nine runs (three earned) on seven hits over four and a third innings, striking out one and walking three batters.

The ending to Wayne's opening round contest against Pierce on Friday was a dramatic one, as Kneifl connected on a 1-1 count to bring in the winning run on a walk-off single in extra innings. After Jacob Anderson stepped on the home plate pentagon in the bottom of the eighth, the Senior Devils were able to advance in the winners' bracket with a 5-4 victory – their third win over Pierce in four meetings this season.

Wayne had built a four-run lead after three innings, but the team was held scoreless through the next four. The home squad's scoring drought allowed Pierce to claw its way back into the game with four runs over the course of the next three innings.

Wayne outthit Pierce in the game, 8-5, led by Dorsey (doubles) and Bartos (singles) with two hits each.

Korth got the win on the mound for the Blue Devils. He surrendered one run on one hit over three innings of relief, with a five "K" count. Kneifl started the game for Wayne, allowing four hits and three runs, while striking out four and walking one Pierce batter in five innings of work.

of 3.00 or higher while individuals must maintain a 3.25 grade point average and have achieved a provisional or automatic qualifying mark for the NCAA Championships in either indoor or outdoor seasons.

Heeren, a sophomore from Allison, Iowa (North Butler HS), recorded a 3.81 grade point average majoring in life science and biology. She was an All-NSIC finisher in the hammer throw during the outdoor season, placing third with an NCAA provisional qualifying mark of 181' 5 1/4".

Paasch, a sophomore from West Point (West Point-Beemer HS), maintained a 3.67 grade point average majoring in life science and biology. She placed seventh in the shot put at the NSIC Outdoor Championships (44' 7 1/2") and recorded an NCAA provisional mark in the discus during the outdoor season.

Stang, a junior from Herman (Tekamah-Herman HS), posted a 3.91 grade point average in business administration/management and human resources. Stang recorded an NCAA provisional mark in the hammer throw, 173' 11" at the UNK Challenge on April 3, during the outdoor season.

Sullivan, a junior from Laurens, Iowa (Laurens-Marathon HS), produced a 3.90 grade point average majoring in business administration and marketing. She medaled at four events in the NSIC Championships this season while achieving several NCAA provisional marks, placing sixth in the shot put (44' 6") and eighth in the weight throw (54' 9 1/4") during the indoor season and seventh in the discus (139' 11 1/2") and eighth in the shot put (44' 4 3/4") at the NSIC Outdoor Championships.

Wagner, a junior from Lawton, Iowa (Lawton-Bronson HS), recorded a 4.00 grade point average majoring in organizational management/sports and recreation at WSC this season. She recorded NCAA provisional marks in three events this season and placed sixth in the weight throw (57' 9 1/2") during the NSIC Indoor Championships and was eighth in the hammer throw during the outdoor season

## Sports are topic of discussion this week

You know, I haven't talked football for a long time. I bet you missed it!! In the early days of this weekly spiel, I mentioned it a lot, and received a wonderful letter of appreciation from a Wayne county boy on a big ship in the Atlantic. I seriously doubt that any military folks from our part of Nebraska even get the paper any more. But I see they can read it on line now, which is the way my kids read newspapers.

Well, I was excited when Scott Frost was announced as head coach, too. And I admit I've been disappointed, even discounting a lot of bad luck, like rain. And, every fall, our hopes are up; they are this fall, too.

I watched some of the Big Ten media days and I realized again that Coach Frost says "uh" frequently,

**The Farmer's Wife**  
By: Pat Meierhenry

which I find distracting. Also, he overused the adjective excited; I hope his excitement is rewarded.

I was impressed by Trev Alberts. My, he's BIG! And, he's smooth. He had the right answers to the questions. It all remains to be seen. I'm just glad I don't have to worry about the transfer portal and NIL. College sports have changed. It's about money.

I have to say I'm following one recruit from Kearney Catholic because of his name. How can someone named Heinrich Haarberg fail? I'm not even going to comment on Oklahoma and Texas.. except to say they are greedy..

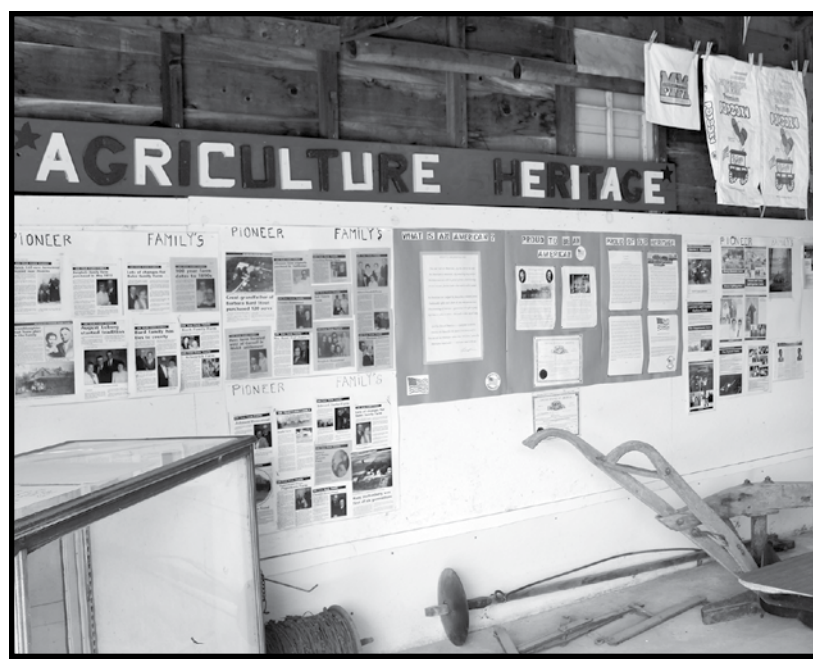

I'm sort of optimistic about Nebraska basketball; again, a long time coming. I kind of miss Tim Miles. But those two McGowens

boys seem talented, and, again, the coach sounds optimistic. They are supposed to sound like that!

Wayne State basketball has been assisted for three season now by Jordan Janssen. I watched his Dad do a lot of good things at Wesleyan, and his Grandma is a good friend. I send the Herald articles to her, and she gives them to Dana.

I watched the All State basketball games last night. Allison Wiedner was fun to watch. I was sorry to see Alexis Markowski on the bench with a torn hamstring. I have great hopes for Amy Williams' team this year.

The American Legion finals are being played right now. Those athletes will go from the diamond to football practice in many cases. I know it's good to be diversified, but when do they get a vacation?

(Photo by Clara Osten)

## 2021 Forage Field Day events planned

Livestock owners, forage producers, and all those interested in forage production are encouraged to attend the 2021 Forage Field Days, presented jointly by South Dakota State University Extension and Nebraska Extension.

This year's events will be held Wednesday, Aug. 4 at the SDSU Southeast Research Farm near Beresford, South Dakota, and Thursday, Aug. 5 at the UNL Haskell Ag Research Lab near Concord.

Registration for both events be-

gins at 9:30 a.m., with demonstrations and talks starting at 10 a.m. This year's program will focus on both annual and perennial forage systems, looking at traditional corn silage, more novel options like small grain silage, and managing alfalfa survivability.

Experts from Kansas State University, South Dakota State University, the University of Minnesota, and the University of Nebraska-Lincoln will discuss corn silage harvest and storage consid-

erations, silage use in finishing diets, small grain silage options, managing alfalfa under stress, and insurance options for forage crops. Participants will also be able to participate in demonstrations of silage chop length and packing density as well as use of a shaker box in diet formulation.

Certified Crop Advisor (CCA) continuing education units are available. The cost to attend is \$30, which includes lunch. Walk-ins will be accepted, but to ensure

a meal please pre-register. Participants can RSVP and pre-pay online by visiting [events.unl.edu/extension/upcoming](https://events.unl.edu/extension/upcoming) or RSVP and pay day of by calling the Cedar County Extension office at 402-254-6821.

The Southeast Research Farm is located southwest of Beresford, South Dakota, at 29974 University Road. The Haskell Ag Lab is located east of Concord, Nebraska, at 57905 866 Road. The same speakers and demonstrations will take place at both events.

## Trip down memory lane

Those attending this year's Wayne County Fair were able to view a number of pieces of farm equipment that were used in the early days of agriculture in Wayne County.

## Colorado Potato Beetle found in Nebraska

From its name, it would be nice if Colorado potato beetles were only found in Colorado but unfortunately, that is not the case.

The CPB, *Leptinotarsa decemlineata*, is a serious pest of potato and related crops in North America. Recently, the CPB was found at the Growing Together Nebraska garden in Fremont, feeding on the foliage of both potatoes and eggplant. This insect has a voracious appetite, eating leaves down to almost nothing, which in turn decreases yields.

Both larvae and adults feed primarily on potato leaves, but can infest other plants in the nightshade family, like eggplant, pepper, to-

mato, and tomatillo. The larvae are soft-bodied, brick red to orange-red in color, and have two rows of dark spots running down each side of their bodies. Adult beetles are 3/8-inch-long ovals, striped with alternating strips of black and yellow.

Adults overwinter in the soil, emerging in the spring to mate and lay eggs. The female can lay up to 350 yellow-orange eggs throughout her life, laying clusters of about 20 eggs at a time on favored food sources, extending egg laying over several weeks. Once eggs hatch, larvae initially cluster together, eventually dispersing to feed throughout the plant. At the larvae's fourth

instar of maturity, they drop to the ground, burrowing into the soil where they eventually become pupae. When CPB numbers are high, egg, larvae, and adult life stages will all be present.

The easiest management technique (and least likely for beetles to develop insecticide resistance) is through hand-picking. Larvae naturally drop to the ground when potato leaves are disturbed, so place a bucket or plastic bag underneath foliage, give the plant a gentle tap, and the larvae will drop right in. Check undersides of leaves for egg masses, and then place insects and eggs in soapy water to kill them. Ro-

tate where potato crops are planted from year to year and clean-up fall-en plant debris.

The CPB has developed resistance to many insecticides, including carbaryl (Sevin), permethrin, pyrethrin, and the class of insecticides known as neonicotinoids. If an insecticide is used, opt to spray when larvae are small, using products with known efficacy such as spinosad (a soil bacterium) or azadirachtin (derived from the Neem tree).

For more information on the Colorado potato beetle, follow this link: [Colorado potato beetles in home gardens | UMN Extension](https://www.extension.umn.edu/diagnostics/vegetable/cpb/).

## Special exhibit

Farm equipment of all colors and from different eras was on display at this year's Wayne County Fair. In addition, on July 24, a number of the antique tractors drove through the fairgrounds and throughout the community. The exhibit allows the public the opportunity to see how agriculture has changed throughout the years.

# Welcome to the Fair - 2021

(Photos by Clara Osen)  
There was something to attract nearly everyone at this year's Wayne County Fair. (clockwise from top left) volunteers served the free barbecue; bull riders from across the country competed for prize money on Thursday evening; Larry Fleet was one of the entertainers on Saturday night; Josh Turner sang to a packed house on Saturday; many of the attendees at the concert had marked their spots with lawn chairs early in the day; Nebraskan Dylan Bloom kicked off Saturday's concert; members of the American Legion conducted a flag retirement ceremony on Sunday evening; a Kids' Power Wheels Derby preceded the Demolition Derby on Sunday evening.

# Welcome to the Fair - 2021

(Photos by Clara Osten)

Fairgoers at the 2021 Wayne County Fair were not at a loss for things to see and do. (clockwise from top left) Randy Bargholz auctions off a number of the wood carvings created for the fair; exhibitors work with their 4-H beef cattle before the show; assistance was needed to haul off some of the vehicles involved in the Demolition Derby; 4-Hers listen as the judge comments on their rabbits; the cornhole tournament was very popular on Saturday; swine (and their owners) were judged on Friday; a number of youth tried their skill on the rock wall throughout the fair; tractor pullers from several states were on hand for Friday's event; waterfowl were one of the many species of animals judged during the four-day fair. All events at this year's fair were well-attended.

**Instructs 4-H Group In Animal Husbandry**

Specialists in animal husbandry held a training day to the Wayne county 4-H club members and leaders.

The training was done at the Herbert Perry farm. Other leaders and youths were instructed in dairy husbandry at the Wayne Gilliland farm.

On the same day, training classes in home economics were held at the campus high school.

**July 27, 1961**

**Fourteen Children Receive Help for Remedial Speech**

Fourteen Wayne area children attended a four-week clinic to help improve their speech problems at the Wayne State remedial speech clinic.

Dr. Helen Russell led the therapy lessons. Russell used pictures and stories incorporated with games and exercises that were meant to improve their general coordination.

The clinic was free to all and children were selected by Russell. She determined who would be let in by who she believed would best benefit from the training.

Each child received 15 hours of therapy. They would come in for an hour a day and in groups of three or that were classified by each child's speech problems.

**July 29, 1971**

**Making 7th & Main 'Automatic'**

Motorists using the Seventh and Main intersection in Wayne were inconvenienced a bit two days last week by a crew of men installing new detectors to trigger the traffic lights at the corner.

The new detectors, which operate by a magnetic field, were installed at all four approaches to the intersection.

They will keep traffic moving smoothly by varying the length of time between light changes according to the amount of traffic coming from all four directions.

The detectors include wires laid in the cement and a triggering box on one of the corners.

Working on the project Tuesday were John Thiel of Wayne, employee at the Wayne Department of Roads yard, and electronic technicians Stahley Davis and Jerry Waldman, both of Lincoln.

Pouring epoxy to seal the wires are Waldman and Thiel.

## Thank you 4-Hers, parents, volunteers

In Nebraska one in three age-eligible youth take part in 4-H, America's largest youth development organization.

Through 4-H, youth gain experiences that help them become skilled employees, creative thinkers, and good citizens. Nebraska Extension not only brings 4-H to Nebraska; but also a vast array of University resources and research—partnering with schools, after-school programs, and youth organizations to provide curriculum and educational content. The result is that young Nebraskans are inspired to pursue careers in science, technology, engineering, and math. More youth are also discovering their true passions, talents, and career opportunities. The next generation of Nebraskans are ready to enhance our workforce and become responsible community leaders.

I have the opportunity each year to observe these learning opportunities at the Wayne County Fair. I am also well aware that much

**Amy Topp**  
Extension Educator  
4-H & Youth

learning takes place outside of this environment too, in preparation for this event and other 4-H events. It is a true privilege to have the opportunity to work with youth and volunteers in the Nebraska 4-H program, as well as live in a supportive county and surrounding area who care so much about the youth.

Thank you so much to our 4-H families who help provide opportunities for our youth. Thank you to our volunteer club leaders and project leaders who also help youth learn various life skills. Thank you to our event volunteers who give of their time generously to help make a 4-H event like the fair happen, in addition to events throughout the year.

We appreciate our local Wayne County Agriculture Society who donate many hours to helping provide a learning space for events such as the fair. Thank you to all of our 4-H donors and those who support the 4-H program in any way from the communities in which we live to our surrounding areas.

We are fortunate to live in such a caring space for youth and I want to thank everyone for contributing to the Nebraska 4-H Program.

- August Calendar  
**Aug. 1-31:** On-line AKSARBEN entries.  
**Aug. 10:** On-line State Fair Animal Entries due by 8 p.m.  
**Aug. 16:** 4-H Council.  
**Aug. 24:** State Fair exhibits due to Extension Office by NOON.  
**Aug. 26:** Norfolk Show Entries due to Extension Office.  
**Aug. 27 - Sept. 6:** NEBRASKA STATE FAIR.  
**Aug. 31:** On-line AKSARBEN entries close at noon.

(Photo by Clara Osten)

## Taking their turn

All youth involved in the 4-H programs in Wayne County took turns working at the 4-H Food Stand during the Wayne County Fair last week. Parents also had the opportunity to work with their children. Funds generated from the food stand help support a number of programs throughout the year.

## Senior Center Congregate Meal Menu

(Week of Aug. 2 — 6)  
 The Wayne Senior Center will be open from 7 a.m. to 4 p.m. for morning walking, FROGS exercises, coffee time and socialization, as well as regular activities are now taking place. Meals are being served at the Senior Center. Senior Center staff will still be providing Meals on Wheels and curb-side pickup meal service for noon meals. Please call the Senior Center staff at (402) 375-1460 for details or email them at dbertrand@cityofwayne.org for information. Staff will be available between 7 a.m. and 4 p.m.

**Monday:** Pollack fish, baked potato, creamed peas & carrots, whole wheat dinner roll, mixed fruit.

**Tuesday:** Pork chop & dressing, mashed potatoes & gravy, corn, Hawaiian dinner roll, raspberry gelatin, applesauce.

**Wednesday:** Monthly birthday party. Lasagna, Caesar salad, croissants, garlic bread stick, mandarin oranges. Cake served in the Center at noon.

**Thursday:** Baked chicken hind-quarters, mashed potatoes & gravy, creamed corn, dinner roll, peaches.

**Friday:** Fine Dining Friday. Grilled hamburger on homemade bun, homemade potato salad, baked beans, watermelon.

## New Arrivals

**WOITASZEWSKI** — Audrey (Roberts) and Andrew Woitaszewski of Cairo, a son, Paxton James Woitaszewski, 7 lb., 2 oz., 20 inches, born July 13, 2021. Maternal grandparents are Paul and Brenda Roberts of Carroll and paternal grandparents are Jerry and Linda Woitaszewski. Maternal great-grandparents are Larry and Jeanne Lindsay of Wayne and paternal great-grandparents are James and Marilyn Nelson and Violet Woitaszewski.

## Self-diagnosis can be unwise when dealing with rashes

"Doc, what's this scaly rash on my arm? Do I have ringworm again?"

A lot of the rashes I see in my dermatology clinic are red and scaly. In fact, what first drew me to dermatology as a profession was watching a dermatologist distinguish between seemingly similar red, scaly rashes all day. It intrigued me at the time, and I wanted to be just like her.

I can always tell when my patient is a farmer, because they usually treat any rash as ringworm before coming to see me. How does ringworm happen and why are farmers so familiar with it? Ringworm, first of all, is not a worm. It is actually caused by a fungus that infects our skin and causes a circular rash wherever the fungus came in contact with our skin. Without treatment, the circle will continue to expand and enlarge, forming concentric rings. The rash usually itches and is bothersome.

There are several families of fungus that can cause ringworm (tinea corporis in medical speak). They can be spread directly from other people, animals, or soil. The most severe infections typically happen when we get ringworm from animals. Growing up on a farm, I am very familiar with how much farmers interact with their livestock and pets. Farmers are accustomed to diagnosing ringworm on their animals and often will treat themselves if they see a similar rash. I'm pretty sure every farm family has had at least one member who has come down with this common infection at one time.

But all that is scaly, and circular is not ringworm. I remind my patients, especially farmers, that there are lots of different rashes that can look similar. It is not always in your best interest to try to self-diagnose and treat.

Nummular eczema is a type of eczema that forms red, scaly, circular patches on our skin. Granu-

**The Prairie Doc**  
By Mandi Greenway, M.D.

loma annulare is another rash that forms raised rings on the skin. These are both treated differently than fungal infections and make up the most common rashes that are misdiagnosed as ringworm.

There are other, less common, rashes that can signify underlying medical conditions inside your body. Even though ringworm is a common, non-dangerous skin infection, if your rash doesn't improve with over-the-counter antifungals you should always check with your doctor.

Mandi Greenway, M.D. is a contributing Prairie Doc® columnist. She practices dermatology in Mitchell, South Dakota and is the featured guest on the show this week. For free and easy access to the entire Prairie Doc® library, visit [www.prairiedoc.org](http://www.prairiedoc.org) and follow Prairie Doc® on Facebook featuring On Call with the Prairie Doc® a medical Q&A show streaming on Facebook most Thursdays at 7 p.m. central.

**In honor of their 65th wedding anniversary, the family of Russell and Lorraine (Heier) Prince is requesting a card shower**

They were the first couple married in the new St. Paul's Lutheran Church in Winside on Monday, July 30, 1956. Their family includes Lori (Paul) Dean of Wayne, Roger (Bev) Prince of Norfolk, Ron (Kathy) Prince of Winside, Ryan Prince of Winside, Lana (Brad) Polt of Pierce and Randy (Cheri) Prince of Elkhorn. They have also been blessed with 17 grandchildren and 18 great-grandchildren with one on the way.

Please send cards to P.O. Box 245, Winside, NE 68790

# The necessity of change

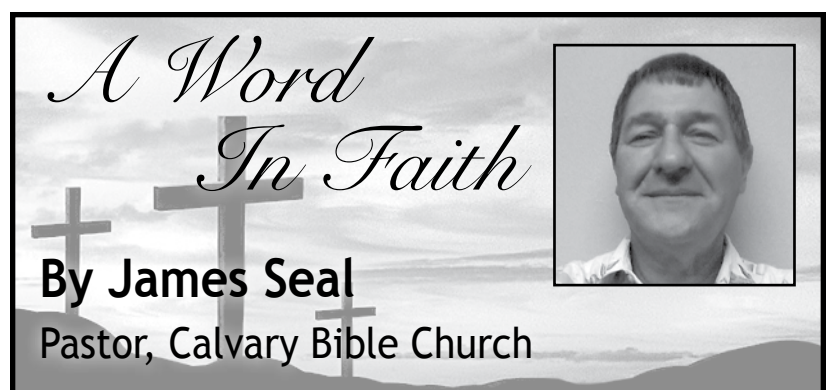

Change is an inevitable part of life. Sometimes we welcome change with open arms. Situations such as marriage, children, or a new job usually bring welcomed change with the expectation of good things to come.

However, situations that involve loss bring a change that may be painful. The loss of a loved one, job change, or loss of friendships all bring a change we would rather not experience. Like it or not, we face all kinds of change from birth to death. The real issue that we each face is how we handle the change.

One place where change is often difficult is the Church. As a pastor, I often try to initiate change for the good of the ministry of the Church. Small changes don't usually bother people too much. However, many people resist change no matter what it is.

Someone once said, "No one in church likes change except a wet baby." While that is not completely true it is somewhat true. I find that long standing traditions are difficult to change even when they don't make sense.

I have often wondered why change is so hard for many Chris-

tians. There are probably several reasons. One reason is that people want to be comfortable and usually that which is familiar brings comfort. Most people would rather be comfortable rather than uncomfortable. So anything that they perceive that may cause them to experience a lack of comfort is often resisted.

Another reason is that the world around us is changing so rapidly that people want some part of their lives to be a constant. They often look to the church for stability in the midst of cultural change. So, when someone wants to change something in the church, people often resist it just because they feel they have had too much change in

and new ways of doing ministry. God has placed in our hearts the desire to help people grow and move forward in their Christian lives. We know that there will never be growth without change. The Church will never move forward without change. Churches that never change eventually die. Without change the church of Jesus Christ would no longer be in existence. What we must understand is that certain changes are good and some are not.

The Church of Jesus Christ must not change its mission or its message. We have been called to take the message of salvation by grace through faith in Jesus Christ to the world. We must not change the gospel message or water it down. Whether we are the actual messengers or supporters of the messengers, the Gospel must go forth.

In addition, we must draw our doctrine and beliefs from the infallible and unchangeable Word of God. Many churches today have abandoned God's truth in order to be culturally relevant. While it is true that we must relate to our culture, we must not accept the sinful cultural trends as part of our belief system. We must hold true to the basic beliefs that the Bible clearly teaches.

On the other hand, we must be open to changes in our methods and programs. There are no church programs, methods, or traditions given to us in the Bible. God has given us grace to apply the methods and programs that best help us carry out His message and mission. In order to be relevant, our methods must change.

People who resist these kind of changes prohibit the church from presenting the Gospel in a relevant way. They prohibit the church from reaching the younger generations. They are often so paralyzed by fear that they can only think of themselves and not the need to reach other people.

Jesus never called His people to be stagnant. Spiritual growth requires us to be in a constant state of change. As we change, we grow. The Church was never intended to be a place to run and hide. The Church must embrace change as part of its existence.

As my wife and I prepare to move to Florida, we realize that we are entering a new phase of life that will bring a lot of change. This is our choice and we are preparing for those changes. We also are in prayer that the churches of Wayne will hold firm to God's truth but will also be open to the changes needed to reach the lost in this community. We pray that the churches in Wayne will be a witness to the community of Wayne and to the students on the Wayne State Campus.

Change can be hard but change is necessary for any real spiritual growth to occur. We need to be challenged regularly regarding our comfortableness and our apathy. We never want our love to grow cold because we are afraid of change.

*Word in Faith is a collaboration of Wayne Association of Congregations and Ministers (WACAM), an organization partially funded by the Wayne Community Chest.*

## The Cicada Killer Wasp described

The size of the cicada killer wasp is alarming to many people, prompting phone calls and emails to Nebraska Extension Offices with questions of how best to eradicate them.

The female, at two inches long and with three bright yellow stripes on her abdomen, is one of the largest insects in our landscape. The male is large too, though smaller than the female at 1 1/2 inches long, and is stinger-less. Both males and females are pollinators, moving pollen as they feed on flower nectar.

The cicada killer wasp gets its name from, as you would guess, killing cicadas. The female cicada killer wasp has a stinger that she uses to inject venom into cicadas, not killing the cicadas but instead paralyzing them. She then flies the cicada to her nesting area, dragging it underground. The nest she digs herself, locating it 12-15 inches below ground in loose dry soil. The female wasp, knowing the gender of her eggs, will see to it that male eggs each get one cicada as a food source, while the female eggs, because they develop into larger insects than their male counterparts, will get two cicadas each.

A hatching larva will bore into the paralyzed cicada, feeding on the cicada's internal organs. Larvae will feed over a ten-day period, leaving behind empty cicada exoskeletons when finished. In readiness for winter, larvae spin a cocoon around themselves for winter protection. Pupation and emergence as adults take place in the spring.

Female cicada killer wasps are mild mannered, often going about their business and paying little attention to human movement in the area. They will defend themselves if treated roughly so leaving them

to conduct their activities unhampered is a good idea. The male cicada killer wasp is territorial and because he is stinger-less, will scare away people and would-be predators by buzzing around them. This is all for show, however, because males cannot sting.

The dry open-soil areas beneath large shrubs or under roof eaves, around rock retaining walls, and sometimes in vegetable gardens are places where cicada killer wasps like to dig their tunnels. Tunnel openings are 1/2 inch across, slightly mounded, and made up of loose soil. Once the female has completed her egg-laying and cicada-provisioning, she will close the opening to the tunnel, leaving eggs to hatch and larvae to develop on their own.

Treatment to manage cicada killer wasps is often not necessary and broadcast insecticide applications in the area where they burrow are not effective. Changing the environment where wasps prefer to nest is an effective means of ensuring they re-locate—wetting down the area with water, filling empty spaces with plants, and mulching with a 2-4-inch layer of wood chips.

A common predator of cicada killer wasp larvae are the immatures of the velvet ant. This ant is not an ant at all, but a wasp, sporting velvety rust-colored hair on its body. While colorful to look at, the velvet ant has a venomous sting that is one of the most painful of all insect stings/bites. Velvet ants should never be picked up for closer examination.

More information about the cicada killer wasp may be found here: Cicada Killer Wasp | Nebraska Extension in Lancaster County (unl.edu).

## Summer reading fun

The Lied Winside Public Library had its last summer reading program on July 21. The youth attending were able to build their very own shark or flamingo stuffed animal. Pictured are attendees of Lil Cats Daycare lined up showing off their stuffed animals they made.

## Allen News

Callie Anderson anderson@allenschools.org

### Allen Book Club

The No 66,825 Bluthner piano, built by the famous Julius Bluthner in Liepzig, Germany, in 1905, was the piano referred to in Chris Cander's book entitled The Weight of a Piano which was the Allen Book Club's selection for discussion on July 21.

The book is available in the Springbank Township Library, which is open Tuesday, Thursday, and Saturday from 9 to 11 a.m.

The two main characters attached to the piano are Katya, an accomplished pianist and composer, who immigrated to America from Russia in the 1980's without her beloved piano. Eventually it gets shipped to America, and Katya is again enjoying playing it until her drunken, abusive husband threatens to destroy it. She frantically gets a friend to take it; he then gives it to his daughter, Clara, for a birthday present. Although Clara can't play, she dearly loves the piano because it was the only item left (it was at the repair shop) to remind her of her parents who lost their lives and all their worldly possessions in a house fire.

Katya's son, Greg, and Clara get pulled together as Greg uses the piano to photographically show his mother's life. Clara eventually realizes that memories of the piano are gloom and doom for both she and Greg and the piano must be destroyed before either can go on with their future lives.

The book for the August discussion is Dancing on Broken Glass, which is symbolic of a couple's marriage. Although the husband is under medication, he occasionally has a mental breakdown which the wife can handle. Then the "glass" becomes broken when she learns she is pregnant and has cancer.

Everyone is invited to read the book available at the Springbank Township Library and the Senior Center and join in on the next discussion on Aug. 18 at 9 a.m. in the Senior Center.

### THANK YOU

Thank you family and friends for the love and support during the loss of our mother, grandmother and great grandmother. Our gratitude to Hasemann Funeral Home, Our Savior Lutheran Church WELCA for the lunch and the care and compassion from the staff at Wayne Country View and Providence Medical Center.

The Family of Norma Backstrom

The Winside PRIDE committee would like to thank all who sponsored, took part working during the celebration and supported this year's Winside Old Settlers. We are thankful for a successful year, especially with not having one last year due to covid. We are very grateful for our community support.

The family of Dwaine Rethwisch expresses our sincere gratitude to friends and relatives for their prayers, condolences and caring thoughts, those who called to express sympathy, sent flowers, cards, gifts or memorials, and/or attendance at the visitation and funeral, or helped in any way. Thank you for your support and care.

Your many acts of kindness and sympathy continue to be a great comfort to us in our time of loss.

Michael & Dana Rethwisch  
Marcia and James Brown  
Steven and Mary Rethwisch  
Stuart and Jennifer Rethwisch
