City Street & Planning Director Joel Hansen spoke to the Wayne City Council on several agenda items during Tuesday meeting, including work on Pine Heights Road and the purchase of new equipment.

Council accepts resignation, looks to fill member vacancy

By Clara Osten,
clara@wayneherald.com

The Wayne City Council is one member short following action taken at Tuesday's meeting.

Council member Yasuko Taoka, who represents Ward 2, submitted her resignation, effective immediately. She noted she will not be able to attend council meetings and therefore needed to resign. The city will now publish a notice of the vacancy for the position.

The majority of time during the meeting was spent discussing a request from the Community Redevelopment Authority (CRA) to have the city council forgive a current loan in the amount of \$300,000.

Prior to open discussion, the council went into executive session for approximately one-half hour to discuss the potential purchase of property by the CRA.

After coming out of executive session Greg Ptacek, a member of the CRA committee, spoke to the council on work being done by the committee and listed several properties the group has already purchased and those they are planning to purchase.

In addition, he listed the potential uses for these properties and some of the needs for the city, especially in the downtown area. The purchase of these properties would require additional funds from the city.

Council members expressed concern with forgiving the \$300,000 loan, which involves

money taken from the Electric Fund.

Following discussion, council voted unanimously to grant the CRA a \$200,000 line of credit with a one-half percent interest rate on the money used. The request for loan forgiveness was not approved and the loan will come due in April of 2024.

A public hearing was held on an application of a Class C Liquor License for Baha Inc., doing business as Raintree Liquor.

Jason Claussen and Doug Manz were present at the meeting and noted that the two have purchased the business and are currently going through the transition of ownership.

Manz will be in charge of management and it is anticipated that operations will remain the same.

Following the hearing council members voted to approve the application.

In other action, the council approved a resolution which accepts the bid and awards a contract to S&V Excavation LLC. The bid of \$5,460.00 is for dirt work on the "Old City of Wayne Lagoon Berm."

Two other resolutions were approved for the purchase of equipment from Bobcat in Norfolk.

The first of these is for a Bobcat UW56 "tool cat" with a broom. The Parks and Recreation Department already owns one of these pieces of equipment and plans to use the second to assist with snow removal on the trail. The bid for this was \$61,500.87

and was part of this year's budget.

The second purchase was for a S66 T4 Bobcat Skid Loader with attachments for \$39,209.02. The new, slightly larger, skid loader will replace a 2012 unit that will be traded in.

A resolution was also approved to move forward with advertising for bids for a new fire truck for the Wayne Volunteer Fire Department.

Wayne Fire Chief Phil Monahan and department member Brent Doring, were present at the meeting and said that if the truck were ordered by December of this year, it could take 18-24 months to build.

A total of \$450,000 has already been budgeted for the purchase, including \$150,000 from reserves, \$250,000 from Capital Projects and \$50,000 from the fire department budget. Estimated cost for the truck is \$530,000.

An application for Payment No. 3 in the amount of \$102,061.01 to Meyers Construction, Inc. was approved. It is for work on the Pine Heights Road & Utility Improvements Project.

City Street & Planning Director Joel Hansen told the council that the project is moving forward and paving between 9th and 10th Street should take place this week.

The Wayne City Council will next meet in regular session on Tuesday, Oct. 19 at 5:30 p.m. in council chambers.

Youth-Mentor Hunt is set for Oct. 17

Logan Creek Chapter of Pheasants Forever's 21st Annual Youth Mentor Hunt will be held Sunday, Oct. 17 at the Izaak Walton Lake northwest of Wayne.

Registration begins at 11 a.m. Lunch will be served from 11:00 until around 12:15.

Pre-registration is required for youth ages 11-15 who have successfully completed a Nebraska Game and Parks Hunter Safety Course.

"We encourage all youth who meet the requirements to register to participate even if they have participated in the past. We especially encourage those who have not had an opportunity to participate in previous hunts to sign up for this year's hunt. This year's hunt will be limited to 16 youth," said Tim Reinhardt, one of the organizers of the event.

The day's activities will get started at 12:15 p.m. and should be wrapped up by 5 p.m. with numerous activities during the afternoon, including the opportunity to participate in a live hunt.

Darin Greunke with the Sharpshooters 4-H club will also be on hand to give the youth a chance at some long range air rifle shooting.

Each youth taking part in the event will receive a hunting vest which is provided by Nebraska Game and Parks and Pheasants Forever, a blaze orange hat, and will be entered in a drawing to win a shotgun which will be given away at the chapter's banquet next March. This year, thanks to Nebraska Game and Parks, the Logan Creek chapter of Pheasants Forever will also be giving away one lifetime hunting permit on the day of the hunt.

"Pheasants Forever mentored pheasant hunts are the ideal way to introduce kids and teens to hunting, as experienced volunteer hunters from Pheasants Forever coach youth on the importance of firearm safety, wildlife habitat and hunting technique," Reinhardt said.

"Along with the need for youth to participate, there is also a need for adult volunteers to serve as mentors for the youth. This is a great opportunity for the kids and adults to learn some things and have some fun in the great outdoors. These kids are the next generation of sportsmen and we would like to teach them the importance of firearm safety and also the importance of wildlife habitat," Reinhardt added.

For more information or to sign up or to volunteer to help with the hunt, contact Tim Reinhardt at (402) 518-0597. Information can also be found on the chapter's Facebook page—Logan Creek Pheasants Forever Chapter #303.

Steve Muir from Elkhorn Agency spoke to the Wayne County Commissioners at Tuesday's meeting on the topic of health insurance costs.

Commissioners take action on different topics

At Tuesday's meeting, the Wayne County Commissioners had different topics that needed to be acted on.

Steve Muir with United HealthCare Health Insurance informed the commissioners about the medical loss ratio premium for 2020. The amount was \$12,216.47.

Then Nic Kennitz of Emergency Management presented his changes to the Middle Northeast Community Wildfire Protection Plan and they were approved.

The commissioners took action on

Resolution No. 21-23 directing the County Treasurer to add delinquent taxes for the years 2015 and 2016 to county tax sale certificates from last meeting and approved it.

They also approved six of the Wayne County Convention and Visitors Bureau Committee recommendations on Lodging Tax Grant Applications.

Another topic brought up was setting the Fiscal Year 2022 Per Diem meal rates. The state changed the original plan from reimbursing by each receipt and would instead

give them a set amount of money for each meal. The motion was approved to stay with the state rules.

Highway Superintendent Mark Casey ended the meeting with a utility permit for an electrical line. There was no problem with the permit besides not receiving the \$100 fee yet. The permit was approved.

The Wayne County Board of Commissioners will next meet in regular session on Tuesday, Oct. 19 at 9 a.m. in the Wayne County Courthouse.

Household Hazardous Waste Collection to be held Oct. 16

Wayne will be hosting a household hazardous waste collection event on Saturday, Oct. 16 from 8 - 10 a.m., at the Wayne Recycling & Trash Center (RTC) located at 110 Windom Street.

For a \$10 fee, those taking part may bring household hazardous waste items such as latex and oil-based paint, pesticides, herbicides, oil, cleaning chemicals, yard and garden chemicals, anti-freeze, car batteries, mercury and mercury containing devices, and fluorescent lightbulbs, including CFLs. Household quantities only.

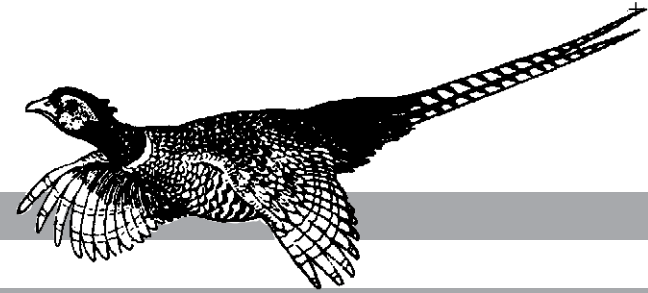

Items not accepted include: tires, electronics, appliances, PCBs, picric acid, science lab materials, radioactive materials, or biological hazards.

This event is sponsored by Northeast Nebraska Resource Conservation & Development, Wayne Green Team, and Waste Connections, with funding from the Nebraska Environmental Trust and volunteer support from the Wayne State College baseball team.

Obituaries

Bonnie F. Sandahl

Bonnie F. Sandahl, 86, of Wayne, died Sunday, Oct. 3, 2021 at the Wakefield Health Care Center Wakefield.

Services will be held Monday, Oct. 11 at 11 a.m. at Grace Lutheran Church in Wayne. Burial will follow in Greenwood Cemetery. Visitation will be Sunday, Oct. 10 from 4-6 p.m. and from 9:30 a.m. until service time at Grace Lutheran Church.

Memorials may be made to Grace Lutheran Church, American Cancer Society, or Alzheimer's Association.

Arrangements are with Hasemann Funeral Home of Wayne. Bonita (Bonnie) Faith (Sorensen) Sandahl was born Dec. 17, 1934 in Wayne to Olga Sophia (Frevert) Sorensen and Harris Simon Sorensen. She grew up on a farm three miles east and a mile north of Wayne. She attended country school, and then continued in Wayne, where she graduated from Wayne High School in 1952. Bonnie earned her teaching degree from Nebraska State Teachers College in Wayne and taught second grade in Norfolk and Omaha. She traveled often with good friends and roommates all over the U.S.

Bonnie married Cornelius (Neil) Winston Sandahl on Aug. 25, 1957. They lived and farmed four miles east of Wayne — almost exactly halfway between their two "home places". Throughout her life, Bonnie was always a teacher, leader and volunteer. She was a life-long member — baptized, confirmed and married — at Grace Lutheran Church in Wayne. She taught Sunday School, Vacation Bible School, and sang in the choir. She was a charter member of Grace Evening Circle, belonged to the Duo Club and attended Bible studies. She volunteered in the church office weekly, at Orphan Grain Train, for the American Cancer Society, and most significantly, as the leader of the Gingham Gals 4-H Club for 21 years — impacting countless girls' lives.

Travel and expanding horizons were always important to Bonnie. She planned family vacations every year, hosted an exchange student from Sweden, and made sure their daughters traveled abroad. Traveling to or with grandchildren was a highlight for her. Bonnie often gathered with her neighborhood coffee club, and she and Neil met monthly with dear friends — five families fondly known as "Supper Club" — for over 50 years. Spending time in the kitchen was Bonnie's favorite pastime. She loved cooking for her family and guests. She baked the most delicious cinnamon rolls, Swedish tea rings, cookies and breads — often giving away her delicacies. Hospitality and generosity were some of her greatest gifts. She always had a large garden, and preserved many kinds of fruits and vegetables. They raised chickens and Bonnie was known as "the egg lady" to many. She enjoyed pets, sewing, and arts and crafts. As a wonderful teacher, she passed many of these skills on to her daughters, who carry on her legacy to this day. Bonnie's great sense of humor was still evident while she battled dementia, giving others the most delightful looks and funny faces.

Survivors include her children, Anita (Kerry) Keys of Elsmere, Neb., Karen (Val) Collins of Omaha, Margo Sandahl of Stamford, Connecticut, and Marta (Scott) Allred of Wildwood, Missouri; grandchildren Stacey and Amanda Keys, Brandon (Kristen), Travis (Haley), Spencer (Cassie) and Austin (Emma) Collins, and Kate and Myles Allred; great-granddaughter, Madeline Collins; nieces, nephews, cousins and friends.

She was preceded in death by her son, Ryan Sandahl, of cancer in 1966; by her parents, Olga and Harris Sorensen; brother Delwyn Sorensen; brothers-in-law and sisters-in-law Dean and Della Sandahl, Wayne Sandahl, and Lanora Sorensen; and her husband of nearly 59 years, Neil, in August of 2016.

Charles 'Tuna' Slahn

Charles L. "Tuna" Slahn, 74, of Norfolk, died Wednesday, Sept. 29, 2021 at his residence in Norfolk.

Services were held Tuesday, Oct. 5 at Christ Lutheran Church in Norfolk. Rev. Mike Moreno officiated the service. Burial was in Prospect Hill Cemetery in Norfolk. Military rites were conducted by the American Legion Post 16, V.F.W. Post 1644, and the United States Army Honors Guard.

Memorials may be made to the family for a later designation. Stonacek Funeral Chapel in Norfolk was in charge of the arrangements.

The son of August Slahn Jr. and Evelyn (Jarvis) Slahn was born Feb. 22, 1947 in Laurel in his Grandma Jarvis' house. He lived in Carroll and Wakefield before moving to Golden, Colorado. He moved back to Nebraska in 1963 and attended Winside High School where he graduated in 1965. After graduation, Charlie joined the Nebraska National Guard, completing boot camp in Fort Jackson, South Carolina. When he returned he married Karolyn Deck on Dec. 26, 1966 at Trinity Lutheran Church in Hoskins. Charlie and Karolyn had two children from this marriage, Chris and Anne.

In his early years he worked at Vulcraft and Roman's before starting with American Family Insurance in 1973. After retiring in 2004 from American Family Insurance, he worked at Stonacek Funeral Chapel from 2011-2021. Charlie was a member of Christ Lutheran Church in Norfolk. Some of his hobbies included car racing, bowling, golfing, traveling to his granddaughters sporting events, Nebraska football and Kansas City Chiefs football. He was the president of the Norfolk Bowling Association for 42 years and also the treasurer for the Hall of Fame Committee. Those who knew him best knew he liked to talk. Nobody was ever a stranger to him. He was the most proud grandpa you would ever meet. He loved his granddaughters more than words can say.

Survivors include his wife, Karolyn of Norfolk; son, Chris and his wife, Judy Slahn of Norfolk; daughter, Anne and her husband, Bill Rader of Norfolk, grandchildren Makayla Slahn, Sydney Rader, Sierra Rader, Justin and his wife, Arica, Sutter; great grandchildren, Anden and Justice Sutter, and brother-in-law, Robert Mittelstaedt of Norfolk.

He was preceded in death by his parents; sister, Donna Schluns (Mittelstaedt); brother-in-law, Merle Schluns; father and mother-in-law, Norman and Fern Deck; daughter-in-law Teresa Slahn; nephews, Troy Deck and Steve Schluns.

Casket bearers were Tom Klug, Jim Fairbanks, Ray Volk, Randy Schluns, Scott Schluns and Rick Schluns.

Honorary casket bearers were Harlan Krebs, LeRoy Kruger, Neil Olson, Jerry Blackman, Jim Marr and Don Keiser.

Condolences may be expressed to the family on-line at www.stonacek-funeralchapel.com.

James A. Kahler

James A. Kahler, 89, of Wayne, died Thursday, Sept. 30, 2021. Graveside services with military rites were held at Greenwood Cemetery Wednesday, Oct. 6.

Arrangements are with Hasemann Funeral Home of Wayne.

James Arthur Kahler was born Feb. 18, 1932 in Pierce to Clarence and Louise (Brummond) Kahler. He graduated from Wayne High School. James served in the United States Army from Sept. 30, 1952 to Sept. 29, 1954, part of which service was at Fort Leonard Wood, Missouri. He married Margie Danka on Sept. 10, 1982 in Sioux City, Iowa. The couple lived in Omaha before returning to Wayne. Throughout his life, James farmed and drove truck for a living. Survivors include his step-daughter, Michelle; many nieces; nephews; cousins and dear friends.

He was preceded in death by his parents; wife, Margie, in 2006; sisters and brothers-in-law, Alice, Frances (Melvin) Samuelson and Florice (Leon) Rauss; and three infant brothers.

Colleen F. Heggemeyer

Colleen F. Heggemeyer, 59, of Wayne, died Wednesday Sept. 29, 2021 at the Elms Health Care Center in Ponca.

Graveside services will be held Friday, Oct. 8 at 11 a.m. at Greenwood Cemetery in Wayne. There is no visitation.

Memorials may be directed to the Heggemeyer family for later designation.

Arrangements with Hasemann Funeral Home in Wayne Colleen Fay Heggemeyer was born on Feb. 18, 1962 in Wayne to Richard and Lois (Dranselka) Heggemeyer. She grew up in Wayne and graduated from Wayne High School. She moved to Apple Valley, Minnesota to work for UNIVAC. Most recently, Colleen resided at Elms Health Care Center in Ponca.

Survivors include her father, Richard (Diane) Heggemeyer of Eagan, Minnesota; daughter, Audrey (Bob) Bennett of Riverfalls, Wisconsin; siblings, Loren (Darla) Heggemeyer of New Prague, Minnesota, Lydell Heggemeyer of Wayne, Lowell (Terri) Heggemeyer of Wayne, Justin (Becky) Heggemeyer of Prior Lake, Minnesota, Cheryl (Dana) DeVries of Lakeville, Minnesota; nieces; nephews; and cousins.

She was preceded in death by her grandparents; and mother, Lois Heggemeyer.

Legislative Update

Senator explains the finalization of redistricting

Fall is my favorite time of the year. Not only is the foliage changing into beautiful colors, but the fields are getting ready to be harvested. I love seeing children anxious to get home from school so they can help with the chores and be the first one to jump on the combine or tractor to help grandpa and daddy harvest the crops.

In September we celebrated Farm Safety and Health Week. Living in an agricultural community, we know that farm safety needs to be shifted into high gear throughout the entire Harvest season. Please be very careful to slow down for machinery on the roads, especially when traveling over hilly areas where you can come upon someone rather unexpectedly.

Also, with long hours in the field, take care to get plenty of rest and eat a good diet so you can stay healthy and alert throughout the day I wish everyone a safe and bountiful harvest.

Redistricting Finalized

Redistricting in Nebraska is complete and Governor Pete Ricketts has signed off on the final versions. What does that mean to Legislative District 17?

Legislative District 17 (LD17) grew with the addition of Wakefield and Emerson moving into the District from Dixon County to make those communities whole.

For those who are familiar with Highway 35 coming from Emerson towards Wakefield if you continue to drive straight west along the country gravel road at the junction of Highway 35/9 this area would fill the cavity seen on the 2011 redistricting map.

The population of the redesigned LD17 is 40,122.

Congressional District 3 (CD3) grew also with the addition of the following counties: Washington, Burt, Thurston, Otoe and western Polk. Making CD3 made up of 79.5 counties out of 93. Congressman Adrian Smith will continue as representative of CD3, which now includes Thurston County in Legislative District 17.

Public Service Commission D4 keeps Legislative District 17 in the same district noting that Washington and Adams counties were added and Webster, Wheeler, Greeley, and Howard counties are now in District 5. Rod Johnson is the District 4 voting member of the Commission.

Supreme Court Judicial District 3 keeps Legislative District 17; however Platte and Colfax counties moved into District 5. Justice William B. Cassel is the District 3 Justice. Board of Regents District 3 keeps Legislative District 17 in place but loses Knox and Pierce counties and adds Polk, Butler and Saunders counties. Jim Pillen is the District 3 voting member of the Board.

State Board of Education has considerable change. Legislative District 17 was in District 3 at the 2011 redistricting; however, it is in District 6. District 6 through the 2021 redistricting map now consists of Thurston, Dakota, Dixon, Cedar, Wayne, Knox, Pierce, Antelope, Wheeler, Boone, Greeley, Nance, Howard, Merrick, Buffalo, Hall and Adams counties. Revenue Committee Interim Hearing

I continue to serve on the Revenue Committee. We had the opportunity to hold a special Interim Hearing on LR 261 directly following the Redistricting Session this week.

The purpose of the interim study was to examine the structure and administration of and compliance with Nebraska's Individual and Corporate Income Taxes, Financial Institutions and Insurance Premiums Taxes, State and Local Sales and Use Taxes, Real and Personal Property Taxes, as well as other taxes.

We invited 17 Nebraska based organizations to share their unique

perspectives on tax reform in our state. For the purposes of the study, we were provided the following information on Nebraska's tax situation as it ranks nationally. The information came from The Tax Foundation.

- Nebraska ranks #14 for overall total tax burden for a resident at 9.01%.
- Nebraska ranks #10 for property tax burden at 3.77%.
- Nebraska ranks #26 for individual tax burden at 2.30%.
- Nebraska ranks #36 for total sales and excise tax burden at 2.94%.
- Individual income tax rates in Nebraska are 6.84%.
- Nebraska ranks #29 for combined state & average local sales tax rates at 6.94%.
- Nebraska ranked #7 in 2019 for property taxes at 1.54%.

Bells Across America

Last week I had the opportunity to attend the Dakota City Fire Department's "Bells Across America" service to remember fallen firefighters, Captain Andy Zalme, Captain Eric Speck, and Firefighter Lowell Satterwhite. No words can convey our deep appreciation of these local heroes. Their sacrifice will never be forgotten.

Nebraska Economic Tax Credit in District 17

I greatly appreciate the hospitality of the Darling family hosting myself and the History Nebraska staff for a tour of The Palace Hotel. What a delight to see the extensive renovation work being done. While we were in town, the Nebraska History staff and I also drove to

Walthill to admire the progress taking place at the historic Susan La Flesche Picotte Hospital.

I look forward to seeing the positive impact the Nebraska Historic Tax Credit has on the communities of Pender and Walthill for decades to come.

Wayne State College

I was excited to hear that the Class of 2025 at Wayne State College is one of the largest Freshman classes in the College's history totalling 801 students. Wayne State's headcount increased by 384 students

over 2020, with significant gains in degree-seeking students.

Wayne State has also made substantial headway in its 4-year graduation rate for undergraduates, which has grown by 3.5%. The College also experienced a considerable increase in graduate students (8.6%), the largest increase in over 30 years. Congratulations Wayne State College, we are proud to have you in District 17.

Horror film, Nosferatu to be shown in Wayne

Make it a priority to attend the second annual showing of Nosferatu on Tuesday, Oct. 26 at 7 p.m. This event is hosted by the Majestic Theatre in Wayne, in partnership with the Wayne State College Media Club. Attendees are encouraged to dress goth style for this gothic movie and Halloween. This event is free and open to the public.

Nosferatu is considered by many a cinematic masterpiece directed by F.W. Murnau and written by Henrik Galeen. The 1922 German horror film is an unauthorized adaptation of Bram Stoker's, Dracula. It recounts the story of Count Orlok, a vampire spreading pestilence and death in search of a young woman.

The silent film was remastered for modern cinema by Dr. Michael White, WSC assistant professor of communication arts. White also enhanced the orchestral score. A short discussion, led by White and Dr. Robert Zahniser, retired WSC professor of communication arts, follows the showing.

For more information contact Dr. Michael White at WSC, at 402-375-7595.

Wayne Community Chest works to serve community

The month of October has traditionally been the kick-off for the Wayne United Way campaign. This drive raises funds to support a number of local agencies.

During this past year, the Board of the Wayne United Way made the decision to move away from an affiliation with the national United Way organization. Instead, the organization is going back to its original charter as the Wayne Community Chest. This is the non-profit that the Wayne United Way has operated under for many years.

"Our work, and the funds raised,

will continue to impact the same organizations in the community. The major change is that ALL funds raised will remain in the community to have the most impact. Wayne Community Chest will no longer be required to pay an affiliation fee and therefore, all money raised will remain in the community," said Board Chair Mike Varley.

The Wayne Community Chest has actually been a part of the community for five decades and will continue to operate in the same fashion going forward.

Local organizations that ben-

efit from Wayne Community Chest funds include: Wayne Boy Scouts and Girl Scouts, Greenwood Cemetery, Wayne County Historical Society, Haven House, Salvation Army, Wayne Association of Congregations and Ministers, TeamMates, Wayne Junior High School WEB (Where Everyone Belongs) group, Northeast Nebraska Child Advocacy Center, Wayne Senior Center, Wayne Public Library, Northeast Nebraska Community Action Partnership, Wayne Kids Club, Wayne Activity Center and Wayne County Family Coalition.

"A goal of \$35,800 has been set for the 2021-2022 campaign and each of the dollars raised will go directly toward assisting the agencies that help make Wayne a vibrant community," Varley said.

In addition to Varley, Board members include: Angie Fredrickson, Brandon Mainquist Jim Frank, Lori Carollo, Peggy Triggs, Scot Saul, Justin Gapp, Michele Meisenbach, Julie Osnes, Bobby Young and Clara Osten.

Letters and pledge cards will be mailed to businesses and individuals in the near future.

Legislature provides historic property tax relief

Nebraskans continue to tell me their top priority is relief from local government property taxes. Since taking office, addressing this issue has been my number one priority. This budget cycle—thanks to the support of farmers, ranchers, homeowners, and small businesses—we will deliver historic amounts of property tax relief.

From 2015 to 2019, I worked with the Legislature to nearly double the Property Tax Credit Relief Fund from \$140 million annually to \$275 million per year. In 2020, we passed a landmark property tax relief bill—LB 1107. It created a refundable property tax credit that Nebraskans were able to claim for the first time when filing their 2020 state income taxes. Additionally, the 2021 session mainline budget bill further increased the Property Tax Credit Relief Fund to \$313 million annually.

During the Legislature's regular session in 2021, we had our biggest success to date. Senators and I worked together to control spending growth and deliver a historic amount of tax relief. The current two-year budget which we agreed upon limits spending growth to 2.4%. The four biennial budgets I have worked on with the Legislature have an average annual growth rate of less than 2.5%.

While we've kept spending in check, we've also seen rapid growth in Nebraska. This growth is evident in the State's increased revenues, which grew 19.2% beyond projections this past fiscal year (July 1, 2020 to June 30, 2021). They're exceeding expectations again this fiscal year, having surpassed the forecast by \$55 million through the first two months.

This is important because the Refundable Income Tax Credit created in LB 1107 is set to grow as tax revenues exceed expectations. Last year, the credit was worth \$125 million statewide, offsetting 6% of local school property taxes. This year, the credit will jump to \$548 million. This will offset 25.3% of your local school property taxes. Taxpayers will receive this credit when they file their state income taxes in 2022.

By controlling spending and growing Nebraska, we've been able to deliver a historic amount of tax relief. Over the next two years, Nebraskans will see over \$1.9 billion of direct property tax relief and over \$2 billion of estimated total tax

Gov. Pete Ricketts

relief. This means in the current two-year budget (FY 2021-2022 and FY 2022-2023), tax relief will represent about 20% of the State's overall general fund budget—a historic accomplishment.

In addition to property tax relief, Senators and I agreed upon a number of other important tax measures this year.

•Veterans Tax Relief: We exempted 100% of military retirement benefits from state income taxation. This will boost our workforce by helping to retain and recruit veterans who've recently completed their service.

•Social Security Tax Relief: We provided a tax exemption for 50% of Social Security income that will be phased in over time.

•Ag Land Valuations Reduction: We enacted legislation to reduce ag land valuations from 75% of market value to 50% of market value for the purposes of property taxes for bond issues. This will reduce the tax burden on farmers and ranchers.

•Water Tax Exemption: We exempted residential water service from sales taxes.

•Truth in Taxation: We passed "truth-in-taxation" legislation to require local governments to notify taxpayers whenever their property tax askings are scheduled to increase more than 2%.

•Job Creator Tax Relief: We started the process to align taxes on job creator income with that of taxes on individual income.

While we've made progress on tax relief, there is more work to do. We need to make sure that the benefits of our state's growth go to Nebraska families instead of local governments. We can't afford to see our hard work get squandered

by unrestrained spending from political subdivisions. Local government property taxes have increased 4.3% per year over the past decade in Nebraska. That may not sound like much, but when compounded over 10 years, it's a 51.8% increase. By comparison, income grew 48% and inflation just 18.7% during the past decade.

Additionally, property values are rising quickly in much of the state. In my experience, local governments rarely lower their levy rates to adjust for property valuation increases. A year-over-year jump in property valuation means taxpayers see their property tax bills go up substantially, even if levy rates remain unchanged.

Earlier this year, Senator Tom Briese proposed LB 408 to cap the annual growth of local government property taxes at 3%. A limit like this would protect Nebraskans from seeing their tax bills go up faster than their family budgets can afford. Over the last six years, we've limited State spending growth to 2.5% annually, so it's reasonable to cap local growth at 3%. Under LB 408, local governments would retain authority to override the 3% limit with voter approval. The override process provides flexibility to political subdivisions, but also empowers voters to block significant tax hikes. Local governments shouldn't fear financial accountability. If there's a need for more resources, elected officials should make that case to voters.

Last spring, we were able to get support from 29 Senators on LB 408, only 4 votes short of advancing it. As the 2022 session approaches, I'm working with Senators on new tax plans. We'll need Nebraskans to engage in the legislative process to win support for additional tax relief.

We have historically low unemployment and strong growth in Nebraska, and the State is delivering record amounts of tax relief. But there's still more to do. We must control spending at the local level to keep taxes low. We need to develop our workforce to fill the great-paying jobs we're creating. And we have to promote Nebraska globally to open new markets and attract international investment. If you have questions about any of these priorities, email me at pete.ricketts@nebraska.gov or call 402-471-2244. I look forward to working with you to keep Nebraska growing.

Silas Mark to hold Eagle Scout ceremony

Silas J Mark, a member of Scout Troop 174 in Wayne will become the newest Eagle Scout. Silas will be celebrating his Court of Honor on Sunday, Oct. 10 at Bressler Park in Wayne.

(Contributed photo)

Silas Mark (right) has been involved with newspaper pick-up throughout his scouting career.

He said this was the hardest thing he's ever had to do. "I had to make sure everyone came to help and not get hurt transporting all the bricks from one site to another," Silas said.

He also said he is very thankful for all the help from the Wayne City Parks and Rec Crew and especially Lowell Heggemeyer, who he worked closely with to see the project to the end and the parents and scouts of Troop 174.

Without this collaboration this project would not have been a success. He also wants to give a special shout out to the City Council members who listened to his proposal a couple years ago about putting a fire pit at Bressler Park, and "last but not least, the students in the Wayne High School Art Club who came out to help him with putting his special touch on the fire pit seating."

Silas is currently attending college at Northeast Community College, working on his Associates in Art degree. Afterward, he will be transferring to Maine College of Art to pursue a degree in Animation.

"Good luck to Silas Mark of Wayne troop 174 as he becomes the 147th Eagle Scout and first African American Eagle for the Diamond Dick District."

New vehicle offers additional opportunities for City Transit riders

The City of Wayne's Transit system recently added a 2021 Ford 14 passenger bus to its fleet.

The bus has 12 seats with a lift ramp for two wheelchair accessible places in back of the vehicle.

Currently, the City Transit's fleet includes the following: a 2008 Chevy, seven-passenger van; a 2012 Dodge Wheel chair Handicapped Van; a 2018 Dodge seven-passenger Van and the 2021 Ford bus. At the present time, the new bus is mainly used to provide transport for after-school youth.

Parents are encouraged to contact the City Transit to provide after-school transport. The school does not set up these rides, as they are arranged at the request of private citizens of Wayne.

"The bus does allow us to provide transport for larger wheelchairs that will not fit in our current 2012 wheel chair accessible van. We do have a limit of transport according to seating availability of the vehicle being used," said Diane Bertrand, Wayne City Transit Manager.

Currently the City Transit runs between the hours of 7:45 a.m. and 4 p.m. Normally there is only one van driver on staff throughout the day, Bertrand (or other trained staff who is on the schedule for that day) is able to assist when able and needed throughout the day.

All drivers are required to take 16 hours of training upon hiring, plus four hours of continuing education and training each

year. Drivers are also subject to be available for Random Drug testing as their name is drawn from the Federal Transportation pool.

"We are an on-demand service with pickup times available by calling (402) 375-1460. Transport is dependent on whether or not that time slot is already taken," Bertrand said.

Van drivers at the present time include Dan Carroll, Frank Sheda, and part-time drivers Roger Hochstein, Phil Does and Denny Spangler. Halie Chinn serves as part-time dispatcher and also assists with Senior Center Assistant duties.

There remains a Federal mandate that both drivers and riders are required to wear a face mask during transport that is currently in place until Jan. 18, 2022.

SNB dedicates tree at St. Mary's Catholic Church in honor of Pat Gross's 56 years of service

To celebrate his many years of service and contributions to the bank and the Wayne community, State Nebraska Bank & Trust dedicated a new evergreen tree at St. Mary's Catholic Church in honor of Pat Gross and his late wife, Mary Jo.

Last year, Gross formally stepped down from State Nebraska Bank & Trust's board as Director Emeritus, officially ending 56 years with the bank. He started in 1964, retired as a Senior Vice President and Loan Officer in 2004, and served on the board of directors for nearly 20 years. During his time with State Nebraska Bank & Trust, he also served as Compliance Officer and Head of Human Resources.

Gross has long been engaged throughout the Wayne community, previously serving as Secretary of the Providence Hospital Foundation, Treasurer of the Wayne Association of Congregations and Ministers, Chairman of the Northeast Nebraska Community Action Partnership, Treasurer of the Wayne Library Foundation, and Co-Chair of the Wayne Housing Authority Board.

Gross graduated from Wayne State College and served four years in the United States Marine Corps. He and Mary Jo have five children and five grandchildren.

Wildcats claim homecoming win, 38-21

Wayne State rode the arm and legs of freshman quarterback Nick Bohn, who accounted for 347 yards of total offense and three scores to help the Wildcats beat Winona State on homecoming, 38-21, and post the Wildcats' first 4-1 start since 2012.

Winona State got on the board first late in the first quarter on a short pass from Owen Burke to

Ethan Wittenburg, but Wayne State responded by scoring 28 points in the second quarter for the second straight week.

Anthony Watkins scored just 15 seconds into the period to tie the game at 7-7. Winona State used a long kickoff return to retake the lead 23 seconds later, but the Wildcats responded with Bohn's first

touchdown, a 28-yard run to tie the game at 14-14.

A Winona State turnover allowed Wayne State to take the lead for good, as Bohn scored on a five-yard keeper with 8:47 to go in the first half. After a Warrior punt, Wayne State scored again on a two-yard run by Watkins to make it 28-14.

Winona State scored just be-

fore halftime to make it 28-21, but that's as close as they would get as the Wildcat defense shut down the Warriors in the second half.

fore halftime to make it 28-21, but that's as close as they would get as the Wildcat defense shut down the Warriors in the second half.

Wayne State added to the lead midway through the third on a 37-yard field goal by Alex Powders, and the Wildcats sealed the win by turning an Alex Kowalczyk interception into points, with Taureen Grady receiving a four-yard touchdown pass from Bohn with 13:10 to go.

Wayne State had 439 yards in total offense. Bohn led the team with 82 yards on 12 carries and was 25-of-36 passing for 265 yards. Watkins added 45 yards on 20 carries and Grady was the top receiver with 70 yards on six catches. Trystn Ducker had six grabs for 51 yards and Wayne native Mason Lee caught five balls for 48 yards.

Defensively, Tyler Leclair and CJ Burrell led the team with six tackles each while Jaylan Scott added five tackles and an interception. Jacob Byrd also picked off a pass as Wayne State's defense picked off three Warrior passes.

Wayne High's Riley Haschke earned a seventh-place finish in district action Monday to qualify for next week's state tournament in Columbus.

Haschke, LCC girls punch tickets to state golf

NORFOLK -- Wayne High golfer Riley Haschke earned a trip to the state golf tournament and the Laurel-Concord-Coleridge girls claimed runner-up honors in the C-3 district golf tournament Monday at Fair Play Golf Club.

Haschke came back from a tough front nine and carded a 44 on the back nine to finish seventh overall with a 98 to earn one of the 10 individual state qualifying spots in the state tournament. The round was a season-low for the Wayne High sophomore.

The Lady Bears shot a 410 to edge out O'Neill by two shots for the district runner-up plaque. West Point-Beemer won the district with a 397.

Sarah Karnes led the Lady Bears with a 90 to finish as runner-up in the race for individual honors. Delaney Hall placed sixth with a 98, with Hope Swanson adding a 107 and Maddy Graham carding a 115.

The Class C state tournament will be held Oct. 12-13 at Elks Country Club in Columbus.

C-3 District at Fair Play GC Team Standings (Top 3 to state): West Point-Beemer 397, LCC 410, O'Neill 412, Pierce 427, Battle Creek 428, Wayne 451, Hartington CC 489, Elkhorn Valley 495, West Holt 509, Crofton 523, Stanton 544, Ainsworth 585. Norfolk Catholic and Winnebago did not field a full team.

State Qualifiers (Top 10 and ties): 1. Brook Diekemper, WP-B, 84; 2. Sarah Karnes, LCC, 90; 3. Alena Peters, Pierce, 92; 4. Kaylin Gaughenbaugh, O'Neill, 94; 5. Kelsi DeCorra, Winnebago, 96; 6. Penalties costly as Wayne falls to NC

By MICHAEL CARNES
For The Herald

When you're playing a tight game against one of the top teams in the state, penalties and turnovers can be a huge obstacle to overcome.

Wayne had too many of the former on Friday night, particularly in the first quarter when penal-

coming into the game.

A disappointed coach Russ Plager said after the game that his team was doing what they wanted to do against the Knights' defense, but penalties hurt the cause.

"We made too many penalties to win a ball game against a good program," he said after the game. "We

downfield, but the two reconnected two plays later for a 55-yard strike that gave the Blue Devils a 7-0 advantage.

Wayne was driving for another score late in the first period. With a fourth-and-goal at the Norfolk Catholic 2-yard line, Walling found Yair Alcantara in the end zone for a touchdown, but the play was negated because, according to the back judge, Alcantara had gone out of bounds and came back in, making him ineligible to catch the pass.

"I'll have to go back and look (at the tape)," Plager said of the penalty, which was followed by an un-sportsmanlike conduct call on the Wayne sideline that ultimately kept the Blue Devils off the scoreboard.

Norfolk Catholic would come back with two scores in the second period, but missed both point-after attempts to make the score 12-7 at intermission.

Wayne appeared to get the momentum back early in the second half, however. James Dorcey picked off a Carter Janssen pass and returned it to the Knights' 41-yard line. Three plays later, Walling found Phelps on a 22-yard pass to the Norfolk Catholic 14-yard line, and the senior quarterback called his own number on the next play to give Wayne a 14-12 lead with 8:48 left in the third.

"That was a big start to the second half for us," Plager said of the interception and score. "We had the momentum going in our direction at that point, but then we had more penalties."

Wayne had a chance to put the game out of reach in the fourth quarter, but an interception gave Norfolk Catholic the ball with 4:50 to go, and they responded when Karter Kerkman broke through on the right side, sidestepped several tackles and ran 54 yards for the go-ahead score with 3:25 to go.

Wayne tried one last comeback, but could not get a first down and the Knights were able to run out the clock and seal the victory, dropping Wayne to 4-2 on the season.

Walling was 9-of-15 for 169 yards and also led the ground attack with 69 yards on 12 carries. Brandon Bartos had 68 yards on 17 carries. Phelps had a big night receiving with 155 yards on six catches.

Defensively, Mason Frevert had 11 tackles and Daniel Judd added 10 to lead the Blue Devils. Walling and Eli Barner both had seven stops and Martin Carillo made five tackles.

It doesn't get any easier for the Blue Devils, as they must travel to third-ranked Boone Central/Newman Grove for a 7 p.m. matchup Friday in Albion.

"We play the top five every single week," Plager said. "We'll play six teams this season who are in the top five right now and we have Boone (this week) so we've got to bounce back. We've got no time to rest."

Alex Phelps is off to the races after catching a pass during Wayne's 18-14 loss to Norfolk Catholic. Phelps caught a 55-yard pass to open the scoring for the Blue Devils.

ties negated two touchdowns that wound up being the difference in an 18-14 Norfolk Catholic win at Memorial Stadium.

Wayne was whistled for 12 penalties, seven of them coming in the first quarter. Two of those first-period miscues negated touchdowns that could have given Wayne some much-needed momentum against a Norfolk Catholic team that was ranked in the top five in Class C-2

could control everything that we wanted to do and we felt we made some good play calls. We just had too many penalties and shot ourselves in the foot.

A couple of the penalties in the first period were controversial, one of which Wayne was able to overcome.

A slant pass from Tanner Walling to Alex Phelps was called back due to an ineligible man being

(Brahmer 13, Bellar 11) and hit for a .647 clip to help the seventh-ranked Wildcats to the easy win, improving to 11-2 overall and 5-1 in NSIC action.

As a team, Wayne State hit .273 with 40 kills and 13 errors on 99 attacks, while Mary was minus-.010 with 23 kills and 24 errors in 100 attempts.

Rachel Walker served 12 straight points in the second set and led the team with 34 assists. Defensively, Kelsie Cada had 14 digs, Jessie Brandl added 10 and Brahmer had

five blocks.

In Saturday action, Brahmer was a perfect 10-for-10 in kills for a 1.000 hitting percentage to help seventh-ranked Wayne State to an easy win over Minot State Saturday, winning 25-15, 25-13, 25-9 in Northern Sun Conference volleyball action in Minot, N.D.

The redshirt freshman had four kills in the first set to get the Wildcats rolling, added four more in the second and two in the third without a mistake as the Wildcats improve to 12-2 overall and 6-1 in confer-

ence play.

Kelsie Cada also had 10 kills while Taya Beller added eight and Jazlin DeHaan put away seven. Rachel Walker had 26 assists. Alaina Wolff led the defense with nine digs, Walker had eight and Jesie Brandl picked up seven.

The Wildcats are back home next weekend for Northern Sun Conference matchups Friday against Northern State and Saturday with MSU Moorhead.

Wildcat roll to weekend volleyball sweep

The long trip to North Dakota proved to be an easy one for the Wayne State volleyball team, as they rolled to weekend sweeps of University of Mary and Minot State.

On Friday, The redshirt freshman duo of Maggie Brahmer and Taya Bellar helped Wayne State make fast work of University of Mary Friday, sweeping the Marauders 25-14, 25-11, 25-17 in Northern Sun Conference volleyball action at Bismarck, N.D.

Laurel-Concord-Coleridge's Sarah Karnes was the runner-up in the C-3 district golf tournament Monday at Norfolk's Fair Play Golf Club, helping the Lady Bears to a runner-up finish and a state-qualifying bid.

Wayne State's two-game winning streak was derailed Sunday as Bemidji State built a four-goal lead on their way to a 4-1 win over the Wildcats Sunday in Bemidji, Minn. Bemidji State scored in the 19th minute on a goal by Sara Wendt and added another late in the first half by Annika Fingal for a 2-0 advantage. Wendt scored again early in the second half and Mason Schilling scored in the 66th minute to make it a 4-0 game. Wayne State averted the shutout in the 70th minute with a goal by Jace Polestra, coming off an assist from Payton Haliburton.

Bemidji State outshot Wayne State 23-6, including 10-1 in shots on goal. Polestra had the lone shot on goal for the Wildcats. Katherine Hageman had two saves in the first half and Sidney Truman made four saves in the second half for the Wildcats. Haliburton and Alicia Green both found the back of the net in the second half to lift Wayne State to a 2-0 win at Minnesota Crookston Friday afternoon. The Wildcats had a 14-5 shot advantage in the first half, but couldn't get one on the board until midway through the second half when Green scored on a pass from

Kaelyn Reeves. With less than nine minutes to go, the Wildcats added an insurance goal when Haliburton sent her second goal of the season home on an assist from Reeves. Wayne State outshot the Golden Eagles 30-9, including 16-3 in shots on goal. Hageman posted her second clean sheet of the season, making three saves. Wayne State will be on the road again next weekend, visiting Southwest Minnesota State Friday at 3 p.m. and Sioux Falls Sunday for a 1 p.m. contest.

Junior High cross country runs at Pierce

WHS softball claims Mid State title

PIERCE — The Wayne High softball team avenged an earlier-season loss in the semifinals and barely hung on to a big early lead to claim the Mid State Conference softball title Saturday in Pierce. In the semifinals, Wayne exploded early and paid back O'Neill from a loss earlier in the season by rolling to a 13-3 win. Wayne scored five runs in the first inning, thanks to two RBI doubles by Brooklyn Kruse and Delaney Kruse, and Hope O'Reilly later added a two-run single to help the Blue Devils reach the finals. Brooklyn Kruse, Mikaela Mc-

Manigal and Taytum Sweetland each had two hits to lead a nine-hit attack. O'Reilly drove in three runs and McManigal and the Kruse sisters each drove in two. Wayne got off to a fast start in the finals against top-seeded Guardian Angels Central Catholic, but had to hang on for dear life to stop a comeback effort and claim the conference title with a 7-6 win. Wayne put up five runs in the first frame, highlighted by a two-run single from Kierah Haase, then got RBI singles from Haase and Kendall Dorey in the third to build a 7-2 lead after 2 1/2 innings.

GACC came back with two in the third and added single runs in the fourth and fifth to close the gap to a single run. Then had the tying run in scoring position with one out in the sixth before Dorey was able to pitch out of the jam. She worked a perfect seventh inning to seal the win for Wayne, 16-7. Taytem Ellis had three hits to lead Wayne's 11-hit effort, while Dorey, O'Reilly and Haase each had two hits. Haase had three RBIs in the game and O'Reilly scored twice. Dorey fanned five and scattered seven hits and seven walks to get the win.

Blue Devils fall in subdistrict, advance to district final

By MICHAEL CARNES
 For The Herald
 The Wayne High softball team was in a pretty good place in the Class B power point standings heading into Monday's B-6 subdistrict tournament at the Wayne Summer Sports Complex. That all changed early Monday evening when the third-seeded Cardinals came from behind and scored three times in the bottom of the seventh to post a 6-5 win over the Blue Devils and earn an automatic trip to this weekend's district finals. Now the Blue Devils, 18-7, will

have to make their way to state by way of a trip to Grand Island, where they will face Northwest in a best-of-three district final Friday at 11 a.m. at Veterans Complex. "I don't know at this point," a disappointed coach Rob Sweetland said after the loss. "This doesn't help because Crete was below us (in the power points). If the top six or seven teams win then we probably have a chance. It's just a matter of how the math works out." The math was pretty easy for the Blue Devils in Monday's tournament opener. They put up 12 runs

in the first inning and everybody on the roster saw playing time as the Blue Devils smoked Schuyler, 17-0. Twelve players got at least one hit for the Blue Devils, who sent 17 batters to the plate in the first inning and came away with the easy win. Virginia Kniesche had the only extra-base hit of the game, hitting a double, and scored three times. Brooklyn Kruse, Taytum Sweetland and Hope O'Reilly each had two hits in the win. Mikaela McManigal scored twice and had three RBIs. Sweetland added two RBIs and Kruse had two runs scored. Also recording hits in the first-round win were Aliah Schulz, Taytem Ellis, Caitlyn Mostek, Kendall Dorey, Liberty Titiml, Jersey Jensen and Rylin Hall. Logan Miller scored a run, Delaney Kruse drove in two and scored a run, and Miller, Mostek, Kierah Haase and Brianna Nissen scored runs. Wayne jumped on Crete for three runs in the top of the first, thanks to RBI singles by Dorey, Sweetland and O'Reilly. They made it 5-1 in the third when Brooklyn Kruse doubled off the top of the fence, scoring Nissen, and O'Reilly brought Kruse home with an infield single. The Blue Devils maintained a two-run advantage and could have added to the lead in the seventh, loading the bases before Sweetland popped out to end the threat. Crete came through in their final at bat, recording five hits in the final frame, the last a bases-loaded single by Mackenzie Steuer to left center that gave Crete the comeback-behind win. "The pressure is always on the visiting team there at the end, and we needed to put some more distance between us," Sweetland said. "That fourth time through the lineup they kind of got on us a little bit and we didn't. We had too many pop-ups and left too many runners out there when we had a chance to add to the lead, but you have to tip your cap to Crete because they got the hits when they needed to."

Trojans keep rolling, ground Falcons 54-20

TILDEN — Wakefield's offense was hot in the early going as the Trojans came away with a 54-20 win over Elkhorn Valley in action here Friday afternoon.

The Trojans scored three times in a 4 1/2-minute span in the first quarter to take a 22-0 lead and never look back as they improved to 2-4 on the season.

Logan Bokemper, who went on a state-record tear the previous week with 10 touchdowns runs, scored three times in the opening frame on runs of 63, 50 and 55 yards to get the Trojans rolling. He added a fourth touchdown run in the fourth quarter and also returned an interception for a score to help the Wakefield cause.

Cade Johnson threw a touch-

down pass to Hunter Schultz in the second period, and Timothy Kaufman closed the scoring with a late fourth-quarter touchdown run for the winners.

Bokemper finished with 229 yards on 14 carries to lead the Wakefield offense. Johnson had 74 yards on 14 carries and was 3-of-8 passing for 34 yards, with Schultz catching two passes for 32 yards.

Defensively, Bokemper led the team with 14 total tackles and an interception, Johnson added 12 stops and Kaufman had nine tackles, while Anthony Valenzuela picked off a pass.

The Trojans host Laurel-Concord-Coleridge in action Friday at Eaton Field.

Trojans volleyball wins two of three

Wakefield's volleyball team had a successful week with two wins in three matches.

Wakefield picked up a pair of wins in a home triangular on Tuesday, defeating Wausa (25-16, 25-20) and Hartington-Newcastle (25-19, 25-12).

In the win over Wausa, Alex Arenas and Daveigh Munter-McAfee each had five kills while Alice

Brown added three. Jordan Metzler had nine assists and Olivia Donner added six. Katie Borg served up three aces while Arenas and Brown each had two. Aishah Valenzuela had eight digs and Borg added five.

Statistics were not available for the win against the Wildcats.

On Thursday, Wakefield dropped a three-set match on the road at Crofton, losing 25-18, 25-21, 25-23.

Munter-McAfee had 12 kills and Arenas added 10 for Wakefield. Metzler had 15 assists and Donner added seven. Arenas had 15 digs, Valenzuela picked up 13, Metzler had 11 and Donner and Munter-McAfee both had seven.

The 13-8 Trojans hosted Ponca on Tuesday and will host Creighton on Thursday.

Bears roll to 58-8 win over Plainview

Evan Haisch ran for 300 yards and five touchdowns as Laurel-Concord-Coleridge had no problems with Plainview, beating the Pirates 58-8 in Friday night action.

Haisch scored four of his five touchdowns in the first half on runs of 79, 38, 49 and 24 yards. He added his fifth, a 20-yard gallop, in the third quarter.

Sutton Ehlers added a 3-yard run, Bradyn Urwiler closed the game with a five-yard score and Dan Puppe returned a punt 40 yards for another score for the 5-1 Bears.

LCC had a 428-195 advantage in total offense over the Pirates, all of it coming on the ground. Ehlers rushed for 42 yards on six carries, Urwiler had 19 yards on seven tries and Lucas Rasmussen rushed twice for 11 yards to highlight the LCC ground attack.

Defensively, Ehlers had 14 total tackles and Puppe had nine to lead the way.

Eagles suffer second straight football shutout

The Allen Eagles suffered their second straight shutout Friday night at the hands of Wynot, who came away with a 41-0 victory.

The Blue Devils scored on the second play from scrimmage and built a 34-0 halftime lead against the 1-5 Eagles.

Despite the loss, coach Dave Ul-drich said the team still has its season goals in front of them.

"Things have not gone well the past two weeks," he said. "As cliché as it sounds, we still have our season goal in front of us, but we need to have some urgency, focus and intensity. It has been a frustrating two weeks for everyone, but we are the only people who can change that. The team and coaches will work to get this corrected for the final two games of the season."

Brayden McCorkindale led the Allen offense with 77 yards on nine attempts.

Defensively, Joe Grone and Gabe Reinert had 10 and nine tackles, respectively.

The Eagles travel to Walthill Friday for a 3 p.m. matchup.

Blue Devils pick up pair of sweeps this week

The brooms were out for the Wayne High volleyball team this week, as they swept Stanton and West Point-Beemer in recent action.

On Thursday, the Blue Devils took care of business at home on Parents Night, outlasting Stanton in a three-set match, 25-18, 25-21, 26-24.

Rubie Klausen led the attack with 12 kills, Kate Hill added nine, Mady Sievers had seven and Kiara Krusemark had five kills along with 23 assists. Defensively, Sydney Redden led the team with 18 digs, Krusemark, Klausen and Reagan Backer each had 14 and Hill added 10. Sievers had six digs and Courtney Brink added three.

On Tuesday, Wayne claimed its first three-game sweep of the season on the road, dismissing West Point-Beemer in a 25-21, 25-14, 25-16 result.

Hill finished the night with 10 kills and Sievers and Klausen both had seven to lead a balanced attack. Krusemark had four kills to go with 22 assists. Redden had 22 digs, Backer added 16, Krusemark had 14, Klausen picked up 11, Hill had four and Sievers and Faith Po-

wicki each had three.

Wayne, 12-8, will be back home

for a triangular on Thursday, Oct. 5.

Bob and Debbie Ensz

Bob and Debbie Ensz inducted into Athletic Hall of Fame

Bob and Debbie Ensz of Wayne were inducted as contributors into the Wayne State Athletic Hall of Fame during a banquet held at the Frey Conference Suite to wrap up Homecoming/Hall of Fame Week-end.

Bob and Deb Ensz have been very active and supportive of Wayne State College and the Wayne community and both have a long time affiliation with Wayne State College. The two have been trustees of the Wayne State Foundation since 2003, serve on the Wayne State Foundation's Scholarship Campaign Steering Committee and have established five scholarships at WSC.

Bob and Deb Ensz have raised four children — Susie, David, Jeff and Marissa — and two of them have received degrees from Wayne State College.

Tri County goes 1-3 in triangulars

The Tri County Northeast volleyball team were 1-3 in a pair of triangulars last week.

On Tuesday, the Wolfpack lost twice at Ponca falling to the host Indians (25-11, 25-13) and also to Wynot (25-12, 25-18).

Coach Cheryl Greve said the Wolfpack just couldn't get anything going against the Indians and Blue Devils.

We kind of felt out of sync through the night and just couldn't find a way out of it," Greve said. "Our girls are committed though, to pushing through the tough games and learning from them."

In the Ponca match, Jordyn Carr had five kills, Jazmin DeLaTorre added three and Brianna Bousquet had two. Rhyanne Mackling picked up 10 assists.

Against Wynot, Carr had nine kills, DeLaTorre added three and Brynn Schock had two. Mackling had 13 assists. Shock, Sydney Baker and Getsemame Ferusca each had an ace serve.

On Thursday, TCNE split a triangular at Pender, defeating Neligh-Oakdale (25-21, 25-22) and losing in three sets to the host Pendragons (24-26, 25-11, 25-13).

"We were able to execute at a higher level against Neligh-Oakdale as well as in the first set against Pender. We have to be confident in our abilities and play smart, fearless and finish," Greve said.

In the win over the Warriors, Carr recorded eight kills, Bousquet had six and Schock and DeLaTorre each had five. Mackling recorded 22 assists. Baker had three ace serves and DeLaTorre had two. Carr led the defense with 12 digs while Bousquet, Mackling and Baker each had five.

In the loss to Pender, Carr picked up 11 kills, DeLaTorre had five and Bousquet had four. Mackling had 21 assists. DeLaTorre had nine digs, Carr and Mackling both had seven and Baker had six.

TCNE had a home triangular on Tuesday and will host Homer

Pocket Change

By Mike Renning
mikesportshome@yahoo.com

If you never emptied your pockets at the end of a long day, you've never relaxed before you went to bed.

My Grandpa, my Dad and my father-in-law all emptied their collective pockets at some point during the evening to help them relax and prepare for a peaceful night of slumber.

It is the contents of those pockets that is somewhat intriguing, and very intriguing to me.

Now, since the Darling Wife and I have no kids left in the house, I may take it a step further and get down to my less-than-pantsed-self, but my pockets are always full when I get that way.

First and foremost, you must have a pocket knife.

I spent the first 50 years of my life not toting a pocket knife and every time my Father-in-Law asked me to hand him my knife, I felt a little less a man.

In this day and age when some people can't decide what gender they are, when a man like my Father-in-Law asked for your knife and you weren't carrying one -

you felt a little less about yourself because you didn't have one.

Just last weekend, I was holding my little Brooks and he was chewing on a ball with a plethora of tags on the ball.

Some of the tags had strings hanging from them and my daughter, Mikenzie, told me to make sure the strings from the

tags would not come loose.

I reached into my right-hand pocket and grabbed my knife - no more strings.

Incidentally, I may be the lone person running around the country in khaki shorts with a pocket knife, but I understand the value of having the instrument close at hand.

Cleaning fingernails, trimming fingernails, exterminating snakes - lot of reasons to be packing the knife.

Obviously invaluable when fishing - which I do less now more than ever - take seven Grandkids between months and eight years old and fishing has little to do with actual fishing - but I have my knife to show the youngsters how valuable and necessary a knife can be.

Other items in my pockets include change, money and a narrow wallet in my back pocket.

My Dad had a huge back-pocket wallet but a huge one made my backside fall asleep and a sleepy backside makes for numbness I want no part of nor could I actually walk after sitting on the thing after less than an hour.

He also carried a plastic change

purse you squeezed in the middle to reveal his change and the plastic treasure usually had an advertisement on it at one time, ironically probably from a bank.

I keep my coin-change in my right-hand pocket and put it in a flowery, Darling Wife keepsake every night which the Grandkids invade every time they are at our house - they even bring Piggy Banks along to remove them from my Flowery, Darling Wife keepsake by their respective Piggy Banks.

There are no "skinny" jeans at my house for the males.

Good heavens, I used to get two new pair of Levis from Sears every year and they were always size 31X34. Left me enough room for my pocket-stuff and used to cost me less than \$20 a pair.

Oh, how the times have changed.

Women have it somewhat easy, they can haul around a purse with a week's worth of supplies.

The Darling Wife may have anything from band aids to female stuff to M&M's - a guy never knows when he's going to need an M&M fix and I have taken advantage of the "perk" in the past.

My Mother-in-Law, she may have everything from sunscreen, to Kleenex, to bug spray, to bottled water in her purse.

She once produced a filet knife out of her purse along with dispersing Tylenol to my Father-in-Law as he prepared to clean fish with a headache.

She is scheduled for surgery soon to repair the damage from carrying 86 pounds of purse on her shoulder

for 8...quite a while.

They put pockets on jeans for a reason and be sure you take advantage of the pockets and the reasons.

You may not be stylish but you'll be popular when one of the little ones ask if we can get an ice cream cone.

Try to fit \$18 into a pocket on "skinny" jeans - you'll need a debit card.

Debra Finn, Wayne County Clerk

Wayne, Nebraska
September 21, 2021

The Wayne County Board of Commissioners meeting was called to order by Chairman Terry Sievers at 9:05 a.m. on Tuesday, September 21, 2021, in the meeting room of the Public Safety Annex. Chairman Sievers, Members Dean Burbach and James Rabe, Sheriff Jason Dwinell, Attorney Amy Miller, and Clerk Debra Finn were present. Notice of this meeting was published in the Wayne Herald, a legal newspaper, on September 16, 2021. A copy of the Open Meetings Act was posted and accessible to the public.

Chairman Sievers presented the following consent agenda items:

- Approve minutes of September 7, 2021, as printed in the Commissioners Record
- Approve fee reports: Debra Finn, County Clerk, August Fees, \$8,915.50; Jason Dwinell, County Sheriff, August Fees, \$995.08
- Approve payroll, with each commissioner abstaining from approving a personal claim
- Approve addition of Cusip # 80379GM0 for \$200,000 as a pledged security for Madison County Bank f/k/a/Winside State Bank
- Approve withdrawal of Cusip #407244AT9 for \$200,000 as a pledged security for Elkhorn Valley Bank
- Approve Wayne County Extension Office Holiday Closedown for December 27-30, 2021. Vacation days would be used for this time.

The consent agenda was approved on a motion made by Rabe and seconded by Burbach. Roll call vote: Rabe, Burbach, Sievers - aye; motion carried.

The regular agenda was approved on a motion made by Burbach and seconded by Rabe. Roll call vote: Burbach, Rabe, Sievers - aye; motion carried.

Resolution No. 21-20 was proposed as part of the 2021-22 budget. The bond for paving South Centennial Road has been paid, so Road/Bridge Improvement District Fund 0802 can be closed. Delinquent taxes collected in the future could be deposited in Road/Bridge Fund 0300. A motion was made by Burbach and seconded by Rabe to approve Resolution No. 21-20. Roll call vote: Burbach, Rabe, Sievers. Motion carried.

Resolution No. 21-20: "WHEREAS Wayne County has determined that Rural Road Improvement District 2016-1 has been paid and there is no longer a need to have Road/Bridge Improvement District Fund 0802;

THEREFORE, the Road/Bridge Improvement District Fund 0802 will be closed as of September 30, 2021.

The County Treasurer is directed to transfer all money remaining in Road/Bridge Improvement District Fund 0802 on September 30, 2021, to Road/Bridge Fund 0300.

The County Treasurer is further directed to automatically transfer any future collections for the Road/Bridge Improvement District Fund directly to Road/Bridge Fund 0300.

Resolution No. 21-22 establishing the process for handling unsold property taxes was approved on a motion made by Rabe and seconded by Burbach. Roll call vote: Rabe, Burbach, Sievers - aye; motion carried.

Resolution No. 21-22: "WHEREAS, pursuant to the State Statute 77-1918, On or before October 1 of each year, the county treasurer shall make a report in writing to the county board setting out a complete list of all real property in the county on which any taxes are delinquent and which was not sold for want of bidders at the last annual tax sale held in such county. It shall be the duty of the county board, at its first meeting held after the making of such report, to carefully examine the same, and while it may direct the issuance of tax sale certificates to the county upon any real property upon which there are any delinquent taxes, it shall, as to all real property upon which taxes are delinquent for three or more years, either enter an order directing the foreclosure of the lien of such taxes as provided in section 77-1901 or enter an order for the county treasurer to issue tax sale certificates to the county covering the delinquent taxes upon such real property, to be foreclosed upon in the manner and at the time provided in sections 77-1901 to 77-1918; and

WHEREAS, State statute 77-1901 After any parcel of real estate has been offered for sale and not sold or want of bidders, the county board shall make and enter an order directing the county attorney to foreclose the same and enter an order directing the county treasurer to issue tax sale certificates to the county covering the delinquent taxes upon such real property, to be foreclosed upon in the manner and at the time provided in sections 77-1901 to 77-1918; and

WHEREAS, State statute 77-1918 also states county board shall have authority to direct the county attorney to commence foreclosure of such liens or certificates, or it may designate another attorney to commence such actions, and the county board is authorized to pay any reasonable fee for such foreclosures to be assessed as costs. In the event, the county attorney is designated to bring action, the fee shall be fifty dollars for each cause of action in addition to his or her salary to be retained by him or her, but it shall not be paid to the county attorney until the decree is entered and the property sold pursuant to such decree. No fee shall be allowed the county attorney for such foreclosures in counties having a population of more than one hundred thousand inhabitants.

WHEREAS, in order to provide fair and consistent handling of delinquent properties not sold at public tax sale on the first Monday of March, the Wayne County Board of Commissioners wish to order the Wayne County Treasurer to issue all delinquent real property taxes a County Tax Sale Certificate.

NOW, THEREFORE, BE IT RESOLVED, THAT THE Wayne County Board of Commissioners does hereby request the Wayne County Treasurer to issue Tax Sale Certificates to all delinquent, unsold property tax after the first Monday of March in said year."

Treasurer Tammy Paustian presented a list of inactive delinquent tax parcels where the property is physically gone, the owner has moved or died, and the Treasurer cannot collect. The delinquencies range from years 2005 - 2017. Paustian asked they be stricken, so a distress warrant does not have to be issued each year. The taxes will still be on the books; they are not written off. A motion was made by Burbach and seconded by Rabe to strike the taxes on the

Distress Warrant Listing but maintain them on the books. Roll call vote: Burbach, Rabe, Sievers - aye; motion carried.

A second listing of delinquent personal taxes and parcels of real estate was presented. Attorney Miller will prepare a resolution for the October 5, 2021, meeting authorizing the Treasurer to add delinquent taxes for 2015 and 2016 to county tax sale certificates.

Haystack Wind Energy representatives reported they are done with hill cuts and crowns. They have about 3-4 weeks left for component deliveries due to delays on blades and lids for cells. The first circuits may get energized this week, and you will see some spinning next week. Their goal is to be out by Christmas.

The signing of an Annual Certification of Program Compliance form and Resolution replaces the annual filing of the One and Six Year Plan and the Standardized System of Annual Reporting with the Nebraska Board of Public Roads Classifications and Standards (NBCS). A motion was made by Rabe and seconded by Burbach to approve Resolution No. 21-21 authorizing the signing of the compliance form and resolution. Roll call vote: Rabe, Burbach, Sievers - aye; motion carried.

Resolution No. 21-21: "Whereas: State of Nebraska Statutes, sections 39-2115, 39-2119, 39-2120, 39-2121, and 39-2520(2), requires an annual certification of program compliance to the Nebraska Board of Public Roads Classifications and Standards; and

Whereas: State of Nebraska Statute, section 39-2120 also requires that the annual certification of program compliance by each county shall be signed by the County Board Chairperson and shall include a copy of a resolution of the governing body of the county authorizing the signing of the certification form.

Be it resolved that the County Board Chairperson of Wayne County is hereby authorized to sign the attached County Annual Certification of Program Compliance form."

Highway Superintendent Mark Casey reported:

- He and Kyle Hoff will be attending bridge inspection school. Hoff has already completed an online class.
- The Greenwald road is signed and open
- A reimbursement claim for scrap tires has been submitted; it is a little over \$51,000.

Bids were received from Dixon Construction and A&R Construction for CBMP #4 (623), triple 12 culverts. A motion was made by Rabe and seconded by Burbach to approve the bid of \$383,041.25 submitted by A&R Construction, pending Casey's review of the figures. Construction is scheduled for June-August 2022. The state will reimburse 55% of the project's eligible costs. Roll call vote: Rabe, Burbach, Sievers - aye; motion carried.

The following claims were approved on motion by Burbach, seconded by Rabe. Action on claim #210901 payable to Berggren Architects was tabled. Roll call vote: Burbach, Rabe, Sievers - aye; motion carried.

Reach out for that lifeline

Imagine yourself in a blizzard so thick and cold and blinding that you could not see your hands right in front of you.

Such blizzards were common 150 years ago on the upper great plains. Without much for houses and trees, the wind blew the snow with such force that the little ice crystals were more like little knives making it hard to keep one's eyes open even if there was something to see. Thus, to get safely from the house to the barn, farmers often hung a rope between the two, to not get lost. It was literally a lifeline. Otherwise, one wrong turn and perhaps nothing would stop you from wandering across the frozen prairie.

As a sixth generation South Dakotan, I cannot imagine some of the hardships my forefathers had to endure to survive. How did they feed themselves when the rains did not

come, or when the fires did? How did they heat the house when the wood or coal had run out? How did they fight the boredom of months in a single room, not to mention the isolation?

There are many who still face those questions. Farming still carries great risks with drought, floods, or financial stress. There is the chance of failure, of losing the family farm, of choosing the wrong crops or the wrong time to plant in unpredictable markets with trade wars, changing weather patterns, and other factors. One little mistake may ruin a million-dollar piece of equipment or result in a lifetime disabling accident.

Given these pressures, it may not come as any surprise that farming has one of the highest suicide rates in the nation, which has been rising over the last decade. Of course,

The Prairie Doc
By Andrew Ellsworth, M.D.

you do not have to be a farmer to face financial, physical, or mental pressures that may contribute to feelings of helplessness, failure, loss of hope, and depression. You may be easily irritated and feel like sleeping all day, lack energy, and no longer enjoy what you once did.

If you or someone you know needs help, please reach out. Call this hotline available for those in crisis or for those looking to help someone else, National Suicide Prevention Lifeline 1-800-273-TALK (8255).

Just as that rope was a lifeline from the barn back to the farmhouse years ago, a simple phone call can be a lifeline for those in need of help today. No matter your occupation or stage of life, please reach out if you need help. Even if it feels like you are in a blinding blizzard with nowhere to go, reach out and take hold of that rope, that

lifeline, and make that phone call.

First snow of the year
Saturday brought out sleds and called for rolling snowballs by Wayne small fry. Billy Brown, son of Dr. and Mrs. J. M. Brown, got an early start, which was necessary since the snow was gone by late morning. Temperatures in the low 70's Sunday followed the snow storm.

Sod Comes Up, Sidewalks Go Down
Workmen took advantage of the fine fall weather earlier this week to get work done on installing sidewalks along North Lincoln Street. The sidewalks are being put in at the request of the city council in order to have sidewalks all the way from the municipal pool to Seventh Street. The city is currently following a program which calls for putting down a minimum of 25 blocks of sidewalk each year.

New Convent Completed
Construction was recently completed on the Missionary Benedictine Sisters convent located east of the Providence Medical Center (PMC) in Wayne. The convent will be the new residence of Sisters associated with PMC, who say they are hopeful that they can move into the new single-story, wood-frame structure this weekend. The convent is funded entirely by Missionary Benedictine Sisters of Norfolk and will make available four more hospital rooms at PMC, where the Sisters have resided. The convent is located in the Marywood Subdivision and contains a single-car garage, four main bedrooms, two extra bedrooms, a kitchen area, living room and chapel area. Contractor was Town and Country Builders of Wayne.

Showing their support
Sept. 11 affected all our lives regardless of where we live. As support for the local Red Cross chapter and the victims and families from the terrorist attacks, the Wayne Recreation 3rd through 6th grade boys football and girls volleyball teams, along with Jeff Zeiss, Director and the entire Recreation Department staff, collected donations at the respective practices and games. A total of \$244.03 was raised and presented to Lori Carollo, Dan Rose and Sandy Hall, all representing the Wayne Red Cross chapter.

Airport field dedication is scheduled for Oct. 14
A dedication ceremony will be held Friday, Oct. 14 during the weekly Chamber Coffee to name a portion of the Wayne Municipal Airport the Stan Morris Field. Stan Morris has been involved with the airport for many years, serving as a member of the first Airport Authority in the 1970's. Morris makes daily trips to the airport, assisting the airport manager in numerous activities. Morris was the owner of Morris Machine, which became a part of the Wayne community in 1948. He was instrumental in helping get a baseball field built in Wayne and was one of the first chosen as Citizen of the Year. A plaque recognizing Morris will be placed near the pilot's lounge. The public is invited to attend.

Just a pinch of salt necessary for health

Sodium, one of the two ions that make up salt (sodium chloride), is an essential ingredient for life. It helps keep the body's fluids in balance and is necessary for proper functioning of nerves and muscles.

In ancient times and before refrigeration became available, salt was important in food preservation. Today we know that it enhances flavor and color and serves as a stabilizer of foods. However, as essential as this substance is for life, we only need a small amount. Most Americans find themselves frequently eating meals on-the-go and doing very little cooking from scratch, making it difficult to moderate the amount of sodium in their diets. As a result, our taste buds have grown accustomed to a higher level than is

needed for optimum health. In fact, some scientists believe that some of us are almost "addicted" to the pleasurable effect of salt.

Where is the salt in our diet? Approximately 10% of the total salt we eat occurs naturally in our food, 5-10% we add as we prepare and eat food, leaving about 75-80% of the sodium being added in one form or another by the commercial food industry and restaurants.

What are the experts telling us? The United States Department of Agriculture (USDA), U.S. Department of Human Services (HHS) and the American Heart Association (AHA) currently recommend most Americans limit their daily intake of sodium to 2300 mg (1 teaspoon of salt). For those who are 40+ years, African American, or who have hypertension, it is suggested that they cut their sodium intake to 1500mg each day. Unfortunately, the average intake is much higher (approximately 5000 mg of sodium or 7-10 g of salt).

The benefit of reducing salt intake was reaffirmed by a study reported in the January issue of the New England Journal of Medicine. Scientists used the Coronary Heart-Disease Policy Model to calculate

Pierce County

UNL Extension

benefits for a population-wide reduction in dietary salt up to 3 grams (1200 mg of sodium) /day. Using this model which analyzed the results from previous studies to estimate the benefit of reducing dietary sodium's impact on blood pressure and its impact on heart disease, they projected there would be 54,000-99,000 fewer heart attacks and 44,000-92,000 fewer deaths from all causes each year if Americans would limit their consumption of salt by even 1/2 teaspoon/day.

What foods have the most sodium? Commercially prepared foods such as tomato sauce, soups, canned foods, prepared mixes, deli meats, and

salad dressings are often very high in sodium. Even breads and crackers can have considerable amount of hidden sodium. Although our taste buds have become accustomed to a high level of salt in the typical diet, this preference can be modified—but it takes time and patience. Some people can adjust to a lower sodium diet in just a few weeks. But for others it often takes months. Eventually foods that we used to enjoy can begin to taste too salty!

What can the consumer do? Check the Nutrition Facts Panel on processed foods. Look for the % Daily Value. Foods that are listed as 5% or less sodium are low in sodium, 6%-20% are moderate and those above 20% are high. When choosing processed foods, select low sodium choices if possible, and flavor with spices or other low sodium foods.

A challenge can come when eating in a restaurant. However, times are changing and by voicing your preference for lower sodium foods when you eat out, you may begin to see healthier foods on the menus in your favorite restaurants.

Small changes over time can reap real health benefits.

American Legion family finalizing plans for two events in Wayne County

The American Legion Family in District 3 (counties of Burt, Cedar, Cuming, Dakota, Dixon, Thurston and Wayne) have a Soup & Sandwich fundraiser set to be held at the Carroll Auditorium in Carroll on Sunday, Oct. 10 from 10:30 a.m. to 1:30 p.m.

Everyone is invited to come out for homemade chili, chicken noodle soup and hamburger vegetable soup, plus desserts and drinks.

District 3 Legion Commander Mike Ellis of Allen; District 3 Auxiliary President Vicky Gullicksen of Coleridge; and District 3 Activities Director Bud Neel, Winside/Wayne invite all to come join in this fundraiser.

Also included in the event will be a Bake Sale, sponsored by American Legion Auxiliary Unit members.

Additionally, a Silent Auction will be held throughout the event with items being donated from the Carroll, Wayne and Winside Posts/Units/Squadrons. There will also be a "live" auction for items donors feel should be so handled in such a manner.

Hosts of the event are The American Legion Family members in Wayne County. Free-will donations will be accepted. Thrivent Financial Action Team funds have assisted in getting this event up and going.

Carry-out containers (or bring your own) will be available for anyone wishing to take lunch to the

farmers in the midst of harvest.

Proceeds from the event will be divided as follows — one third to the Norfolk Veterans Home Activity Fund; one third to the District 3 Legion for further designation; and one third to the District 3 Auxiliary for further designation. It should be noted that "further designation" most generally are Veteran-connected so all funds are going to great causes.

A second event, a Spooktacular Baked Potato Lunch, will be held Sunday, Oct. 31.

The Sons of The American Legion (SONs), Roy Reed Squadron 252 of Winside, will be host to a potato bake lunch on Halloween, Sunday, Oct. 31 from 10:30 a.m. to 1 p.m. at the Winside Legion Home. Everyone is welcome to attend. Free-will donations will be accepted. Thrivent Financial Action Team funds were made available for this event also.

Those attending can make their own loaded potato from the toppings provided, plus a side salad and dessert and drinks. Carry-outs will be available to take to the farmers in the midst of harvest.

Following the lunch, there will be a kids' movie with treats and snacks. The movie will be over so there will be time for the youth to partake in their trick-or-treat adventures. Costumes are welcome and should be family appropriate for kids through adults.

Sebade-Burry married in Wayne ceremony

Jessica Sebade and Justin Burry were married on June 19, 2021 at Grace Lutheran Church in Wayne. The ceremony was officiated by Pastor Ronald Benson of Crete.

A reception and dance was held at The Beaumont in Wayne after the ceremony.

The bride is the daughter of Ronald and Rhonda Sebade of Wayne, and the granddaughter of Beverly and the late Cyril Hansen of Wayne and the late Eugene and Maribelle Sebade of Emerson. The groom is the son of Ramona Burry and the grandson of the late Laura and Robert Haumont.

Holly Hank and Robyn Ostermeyer, sisters of the bride, were the matrons of honor. The bridesmaids were Jenine Owens, friend of the bride, Karlena Roza, friend of the bride, Jessica Sebade, sister-in-law of the bride, Meliza Surdi, friend of the bride, and Brandy Miller, friend of the bride.

Christopher Burry, brother of the groom, was the best man. The groomsmen were Eric, Ryan Burry, brother of the groom, Hunter Christ, friend of the groom, Chris Sebade, brother of the bride, and Chad Sebade, brother of the bride.

GraceLynn Sebade, niece of the bride was the flowergirl and William Sebade, nephew of the bride, was the ring bearer.

The personal attendants were

Mr. and Mrs. Burry
Katrina Steiner, friend of the bride, Erica Schwarz, niece of the bride, and Michelle Giselle, friend of the bride.

The ushers were Bryce Sebade, nephew of the bride, Caden Hank, nephew of the bride, and Jonathan Burry, nephew of the groom. The candlelighters were Ryah Ostermeyer and Hannah Hank, nieces of the bride.

The couple took a honeymoon to Jamaica and reside in Crete where Jessica teaches third grade, and Justin works for Fire SPK in Lincoln.

Getting ready for a Homecoming in Heaven

This past Saturday I was able to attend the Wayne State Homecoming parade. It was a wonderful time listening to all the bands. I was able to see our oldest son march with the Wayne State band. I was able to see some of my family, some current students and former students.

It was a morning that was filled with laughter, music, hugs and love. As I walked back to my car, I thought about how wonderful my heart felt. It was such a gift to experience the love of family and friends during the Homecoming parade.

A few hours later I had a much different experience. I went to visit an amazing woman in the Wakefield Care Center. She was dying and her family had requested that I go visit her. I held her hand as I sang a few hymns to her. I stroked her head as I prayed a few familiar prayers. I know that she could hear the hymns and the prayers because her breathing calmed while I was singing and praying. As I walked out of her room I started to cry. I felt such a pain in my heart to know that this woman would be gone soon. As I was leaving I encountered one of my youth group students. She hugged me and told me that she loved me. God knew that I needed some comfort at that exact moment.

As I left the care center, although

my heart was heavy, I reflected on all the love I felt and saw while I was there. All of the nurses and aides truly cared about this woman and wanted to bring her comfort during her last hours. I also thought about the reaction this dear woman had while I prayed and sang. She had always lived a life with Jesus at the center. It was beautiful to witness during her last hours that she felt peace and was calmed by "How Great Thou Art" and "The Lord's Prayer". I did wonder what our world would be like if everyone reacted like that to those hymns and prayers.

I received word the next morning that she had gone to Heaven. I cried as I thought about her four daughters who would never see their mother again. It is times like

this that I wish I could do something to ease their pain. I did also start to think about what it must have been like when she reached heaven. Was her son, her husband and other family members standing at the gates of heaven to welcome her? Was there music and laughter like I had experienced just 24 hours before during the Homecoming parade?

I want to believe that all she felt as she entered Heaven was peace and love. I'm pretty sure she probably also baked a cake or some other delicious treat just as she did for many years with church events! Knowing that there was a celebration in Heaven helps bring me comfort at times like this.

Have you ever been away on a vacation? I'm sure if you have, some-

one has asked you if you enjoyed your vacation. I would be surprised if many of you haven't responded... "Oh yes, but I'm so glad to be home". I think that this is exactly how this woman felt as she entered Heaven. She loved her life and her family on Earth but she is so thankful to finally be HOME.

Today, as you pray, thank God for your life and the lives of your family and friends. Ask God to help you leave your own legacy for those you come in contact with - not a personal legacy, but a legacy of a life spent loving Jesus and living for Him. I know that the family of this woman who died are hurting but I do pray that they realize what a beautiful life she lived because she spent it loving Jesus.

One of my favorite saints - St. Therese - once said, "When I die, I will send down a shower of roses from the heavens, I will spend my heaven by doing good on Earth." I can only pray that someday I will enter the gates of Heaven and will be allowed to send down a shower of roses to all those on Earth.

Word in Faith is a collaboration of Wayne Association of Congregations and Ministers (WACAM), an organization partially funded by the Wayne Community Chest.

Support for life

Approximately 50 people took part in the annual Life Chain in Wayne on Oct. 3. Participants lined the streets in all directions from Seventh and Main Streets and spent an hour in quiet prayer for an end to abortion. The event was sponsored by the Wayne Area Right to Life group, Wild for Life (WSC), FOCUS (Fellowship of Catholic University Students), CRU (Campus Crusade for Christ) and several Wayne area churches.

Fall grazing options are discussed

Deadline to apply for Natural Resource Conservation Service funds approaching

Grain sorghum stover / stalks grazing
By Todd Whitney

Grain sorghum stover compares favorably to corn regarding fall and winter stalks grazing, and livestock producers are encouraged to utilize corn and sorghum crop residues remaining after harvest. Both, corn residue and sorghum stover can be good nutrition for mid- to late-gestation cattle following fall grain harvest. Sorghum leaves have similar quality to corn husk and leaves; however, just like corn residue, the quality decreases over time.

Although both residue crops provide the highest nutrient content when grazed soon after grain harvest; it is highly recommended to prioritize grazing corn stalk fields first. Corn leaves tend to detach from stalks within one to two months after harvest and then blow out of stalk fields. This then dramatically lowers the nutrition remaining for grazing. In contrast, grain sorghum stover leaves remain attached to their stalks much

longer into the winter and early Spring; thus, retaining their grazing nutritional value longer.

Previous grain sorghum yields can be used to set optimum grazing stalling rates. For example, grazing rates might be one acre per cow per month for every 100 bushels of grain sorghum harvested this fall.

Unlike corn residue, grain sorghum stover has a threat of prussic acid toxicity immediately following a frost, since sorghum plants are often still green at harvest.

So, delaying grazing turnout until seven days after plant killing freezing temperatures will reduce prussic acid toxicity. Sorghum stover's higher nutrient stem content may make it more prone to nitrate toxicity risk especially on previously drought stressed fields if the cattle are forced to graze the lower parts of the stems.

Sorghum stover usually has less lodging than corn residue, so mud and trampling field losses are generally less with sorghum during wet falls. Finally, spilled sorghum grain is likely safer than corn and not as likely to cause acidosis or founder as corn grain.

More crop residues research in-

formation is available on our crop-watch.unl.edu and beef.unl.edu websites

Ammoniating forages

By Brad Schick

With dry conditions across the state this summer, we may be low on forage reserves. Ammoniating low quality hay or crop residues may be a cheap way to stretch feed.

Ammoniation has been used for decades to improve the energy value or digestibility of low-digestibility forages. It also increases the crude protein (CP) content of the forage.

Overall, ammoniating corn residue increases the digestibility by about 10 percent units and the CP by about 5 percent units. Traditional corn residue bales that have been ammoniated are about 55 to 58 percent total digestible nutrients (TDN) and will have a CP content of 9 to 11 percent. Studies at Kansas State also show that dry matter intake can increase 22%.

How should we ammoniate bales? There are a few steps.

1) Scrape an area of ground leaving loose dirt to cover the edges of

the plastic.

2) Weigh the bales in order to know how much anhydrous ammonia should be added. It takes about 60 lbs. of anhydrous per ton of dry matter.

3) Stack the bales in a 3 bale or 6 bale pyramid.

4) Cover and seal the row of pyramids with silage plastic.

5) Insert the pipe into the sealed bag. Make sure to have a shutoff valve on the pipe.

6) Slowly release the anhydrous until the plastic has swelled.

7) Shut off the valve and check the plastic for leaks.

8) Add the remaining anhydrous at a rate of 8-10 minutes per ton of forage.

9) Once completed, remove the pipe and seal up the hole.

It will take anywhere from one to eight weeks to complete the cycle depending on the air temperature. The warmer the temperatures are, the faster ammoniation will be.

Open one end of the stack three to five days prior to feeding to let the excess ammonia dissipate.

Ammoniating may be a cost-effective option for making low feed a higher quality feed.

2022-2023 FAFSA is Now Open

The 2022-23 Free Application for Federal Student Aid (FAFSA®) is now open. New and returning students who plan to attend college between July 1, 2022, and June 30, 2023 should complete the FAFSA as soon as possible.

To assist students and parents in the process, the Department's Federal Student Aid (FSA) office has been sharing tips @FAFSA, including "7 Things You Need Before Filling Out the FAFSA Form" and "8 Steps to Completing the FAFSA

The Allen High School Band was among bands from the tri-state area participating in the Wayne State College Band Day Parade.

Form."

FSA continues to take steps to make it easier to complete and submit the FAFSA form. For example:

• Students' prior drug convictions, as well as registration status with Selective Service, no longer affect their federal student aid eligibility;

• gov is even easier to navigate to get help and information, with an entirely new look and feel; and

• In most states, applicants only see the questions on the FAFSA form that pertain to them.

Students and parents may complete the FAFSA form online at FAFSA.gov and through the myStudentAid mobile application.

In related news, the Department released the latest federal student loan cohort default rate, which decreased (from 9.7% to 7.3%) for students who entered repayment between fiscal years 2017 and 2018 and subsequently defaulted before Sept. 30, 2020. This new cohort default rate represents the lowest national rate since the three-year rate was first released in 2012. Schools with high default rates may lose their eligibility to participate in federal student aid programs.

Band competes at WSC Band Days

For the first time in two years,

the high school band was able to compete again.

The first competition this season was held at the Wayne State College Homecoming Parade and Band Days in Wayne. The Allen High Band was one of about a dozen bands participating in the competition. Although they didn't come home with first place, they played a funky rendition of Salt-n-Pepa's "Push-It" as they marched in their brand-new marching uniforms.

Online Wolfpack Apparel Order

The online store to purchase Wolfpack wrestling apparel is now open. It will close Oct. 31 at midnight. See the school's website for ordering details.

conservation programs in Nebraska are the Environmental Quality Incentives Program (EQIP) and the Conservation Stewardship Program (CSP). The goal of these conservation programs is to provide a financial incentive to encourage landowners to install conservation practices that protect natural resources, resulting in cleaner air and water, healthy soil, and more wildlife habitat.

"Participation in our conservation programs is totally voluntary. We offer assistance that can help make farming and ranching operations more sustainable while conserving the natural resources like soil and water on which all Nebraskans depend," Wilson said.

Individuals interested in applying for these conservation programs may do so at any time, but applications need to be submitted by Nov. 19 to be considered for this year's funding.

For more information about conservation programs and other assistance available, call your local NRCS field office or visit www.ne.nrcs.usda.gov.

Impressed with the way players dressed

I'm getting pictures of the twins at the pumpkin patch and of the decorating friend Marsha has already done. I can't get into Halloween, but I love this time of year. We have had absolutely great weather this week.

More old farmers are crawling back up into those combines! Cousin Gary in Iowa plans a day on his farm south of Waco this week. Yesterday, my faithful haircutter spoke of her 91 year old Dad. He has been in assisted living, and last winter, he wasn't eating, his sleep schedule was out of whack, and he was obviously depressed. He gradually came out of that in time to watch his Humphrey St. Francis gals win the state basketball tournament, with Alison Weidner leading them on.

Well, last week, he begged for a ride in the combine, so his daughter picked him up and took him out to where his son was working. He went right up those stairs and stayed there for over four hours!!

I know I've been talking about the team a lot this year, but they keep surprising us; often, by finding

The Farmer's Wife

a way to lose. A writer to the Public Pulse commented last week that since Coach Frost was calling out the offensive line for lack of focus and discipline, he should do some replacing. Apparently, the coach had already done that and there was a marked difference! Hope it

continues this week.

The gal who snips my hair also works at the games. She laughed and said there was a marked difference in the demeanor of the fans last Saturday. Plus, they apparently did not have to find kids to donate tickets to for this Saturday.

I kind of wish we had been able to watch that light show after the third quarter. I have no idea who ACDC is, but their music, and all that atmosphere, must have been something.

I don't get the Sunday Lincoln paper until Monday. Neighbor Val and I exchange; I leave the Omaha paper on a chair by our door and he brings the Lincoln. So, I was reading it last night. Here was a photo of this line of huge men carrying duffel bags or wearing back packs, ALL in charcoal gray suits! I wish I had been able to see that in person!! They looked really sharp.

Back in the dark ages, I remember the guys at good old Waco High dressed up for school on game days.. No suits, but shirts and ties. Unfortunately, it didn't always translate

to wins, but I think it made them focus more on what they were going to try to do that evening.

But these suits are amazing! Good old Gary Michaels, who has dressed athletes for years, got them all made. It took 2 and 1/2 hours just to measure! And it was a struggle to get them done by Saturday, but they came through. And the effect is worth it, for sure.

I still feel we act as if we are dressed. All the casual stuff today is kind of sad. I know scrubs, for instance, are much more appropriate attire in the health care setting, but I kind of miss the whites. For that matter, all matching scrubs can be impressive, also. I don't watch America's Got Talent, usually, but I stumbled onto a nurse choir from New York who made it to the finals, and they made quite a sight. Plus, their singing was pretty awesome, too. One of the judges asked if they were really nurses and not professionals. And all the judges commented on their tough jobs today. Keep them in your prayers, please.

Nebraska Extension Board - Wayne County meeting planned

The Nebraska Extension Board in Wayne County will meet on Tuesday, Oct. 12, 2021 at the Wayne County Courthouse. The 6:15 p.m. meeting is open to the public. An agenda is available at the Extension Office, 510 N. Pearl Street, Suite C, Wayne, Nebraska for public inspection during normal business hours.

Sign-up for irrigated acres is underway

One of the primary responsibilities of Nebraska's Natural Resources Districts (NRDs) is to manage groundwater to protect both its quality and quantity for all Nebraskans. To achieve its management goals, the Lower Elkhorn Natural Resources District (LENRD) continues to invest resources to study the geology, storage capacity, quality, and connection of groundwater to surface water.

At their September meeting, the LENRD Board of Directors approved a sign-up period for Standard Variances, for new irrigated acres, between Oct. 1 and Oct. 31, 2021.

Some discussion was held about postponing the sign-up until the completion of the LENRD's Hydrogeologic Groundwater Model in 2022. In the end, the board decided to move ahead with this year's sign-up. When the model is completed, it will allow the board and staff to complete simulations that will help illustrate the changes in groundwater and surface water systems.

The LENRD board approved up to 295,000-acre feet of new stream water depletions for new groundwater irrigation development in the Hydrologically Connected Area in the LENRD, and up to 2,500 acres of new groundwater irrigation development in the Non-Hydrologically Connected Area.

LENRD Assistant Manager Brian Bruckner said, "A minimum soil score of 85 must be met in the soil conservation category for any standard variance application to be

considered for approval, regardless of the total score. Geographic portions of the district that are eligible to be considered for standard variances will remain the same as the 2020 classification map."

Applications and a map of the eligible locations are available at the LENRD office in Norfolk and on the district's website. Excluded from consideration for this sign-up period will be any parcel of land located in any Quantity Management Subarea or Phase 3 Area.

Also at the meeting, the board engaged in further discussion on the proposed Phase 2 groundwater management area in parts of Cuming, Colfax, and Dodge counties. The board is seeking more information from vadose zone and isotope sampling in that area and have postponed their decision until a later date.

The board also accepted the scope of work and Flow Meter Maintenance Agreement from Derek and Austin Becker which outlines the requirements for the completion of flow meter preventative maintenance services within the LENRD.

The LENRD board and staff meet each month to develop and implement management plans to protect our natural resources for the future. The next LENRD board meeting will be Thursday, Oct. 28 at the LENRD office in Norfolk at 7:30 p.m. and on Facebook Live. Stay connected with the LENRD by subscribing to their monthly emails at lenrd.org.

Wayne hosts FFA dairy judging event

Wayne hosted the District 3 FFA Dairy Judging competition on Sept. 28 at the Wayne County Fairgrounds.

Approximately 320 students from 15 schools throughout northeast Nebraska took part in the events. Animals were judged in six different classes and took a dairy industry knowledge test.

Individually for Wayne High School in the junior division (freshmen and sophomores), Drue Davis finished 10th; Kate Hill finished 11th; Parker Kesting finished 15th; Olivia Mrsny finished 24th; Kierah Haase finished 27; Sam Junck finished 28th; Joseph Woerdemann finished 30th; Madi Janke finished 35th; Nina Hammer finished 36th; Charli Sievers finished 37th; Colson Nelesen finished 41st; Rylin Hall finished 49th; Raegan Maas finished 57th; Lindsay Niemann finished 60th; Faith Powicki finished 70; Laythn Hanish finished 85th; Eli Alexander finished 90th; CiCi Risor finished 91st; Will Leseberg finished 96th; Jeri Jensen finished 108th; Kadence Rees finished 111th; Abi Hawthorne finished 112nd; Caiden Backer finished 113th; Skylor Belt finished 142nd; Alexis Frye finished 163rd; Landen Roeber finished 194th. Six different classes of dairy animals were evaluated by more than 300 students during the District 3 FFA Dairy judging event on Sept. 28.

Kate Hill, Parker Kesting and Olivia Mrsny finished third.

Results in the senior division (juniors and seniors) included:

Kaylee Bruns finished 11th; Candace Heggemeyer finished 13th; James Dorcey finished 14th; Riley

Haschke finished 19th; Mia Nelsen finished 23rd; Coby Dickes finished 45th; Emily Addison finished 47th; Andrew Brunken finished 49th; Elle Barnes finished 51st; Madi Urbanec finished 53rd; Bo Armstrong finished 55th; Jaycee

Bruns finished 58th; Toby Braun finished 62nd; Ethan Sebade finished 64th; Mikaela McManigal finished 73rd; Brogan Foote finished 75th; Jamie Janke finished 82nd; Mady Sievers finished 88th; Ashton Munsell finished 96th; Talia Meyer finished 101st; Kiara Krusemark finished 115th; Rubie Klausen finished 118th and Tyler Reinhardt finished 119th.

The senior team placed fourth, with the top four placers being James Dorcey, Kaylee Bruns, Riley Haschke and Candace Heggemeyer.

Dairy animals were provided by MPM Farms, Sievers Farms, Dwaine Junck, Temme Dairy and Terry Gilliland.

Lunch for the students was prepared by Judy Poehlman and the Wayne Community Schools food service team and served by members of the Wayne County Farm Bureau.

Dwight Anderson served as the official judge for the event.

THANK YOU

He made it to 90! That was "his goal" and to be reunited with the "love of his life, Bev" of 64 years! Now, "our goal" is to give "the thanks"! "Thank you" to Scott Hasemann and staff, Our Savior Lutheran Church, Winside Trinity Lutheran, PMA Glen Keitzman, the women of Trinity who served the luncheon and Vel's Bakery Catering. "Special Thanks" to Clayton Erwin for the eulogy and the memories. "Thank you" to all who came for a hospital visit, the wonderful nursing staff of PMC Hospital, PMC Hospice, friends and neighbors who brought food, flowers, memorials, cards and everything else needed and especially "the hugs"! Sincere "thanks" to Avianna Doring for the beautiful song, organist Connie Webber and the heart-touching video by Shannon Gibson. "Thanks" to Holly and Brent Doring and all who donated towards the Euni's Palace pizza! "Thanks" for sharing so many stories and memories! They made us laugh and cry happy tears! It gives us pride and comfort to know Willie touched so many lives and was loved by so many!
Love and Friendship ~
