THURSDAY, FEB. 20, 1890.

A state prohibition convention is

The Illinois Gentral joined the pro-cession by cutting rates between the engo and Sioux City twenty per cent. The biggest thing that Sloux City has ever done for herself was th building of the Sioux City & North-

Norfolk is hoping to get a two hun-dred thousand dollar government building. We would be pleased to see her successful, but she will not be

The company that as been organized to establish a line of freight stamers between Omaha and Pitts burgh may know went they are doing, but the scheme looks rather vis-

house of representatives will really and filibustering, and enable the me sact busines in spite o a factious minority, the country will have good reason to feel gratified with the change. Whichever party is in the majority should have power to enact laws, and be responsible to the

The report comes from Washing that the Nebraska delegation in congress is working against Stour City's proble building. The statement is probly not true. There is no reason for any part of Nebraska to fight. OPTICIAN Stour City's present is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate is interested in Stour City's present in the cate perity; and will be pleased to see it get a public building commensurate with its growing importance. This part of the state has a friendly feeling for Sioux City, and a warm admiration for its restless energy.

If the Missouri were open to navi-gation and Oroaha had grain eleva-tures, and treight charges-an-Nebraska rullroads were regulated by a legisla-tion largely composed of farmers, a general era of prosperity would soon be inaugurated; celtivated farms wold talks the rises of prosperity the novel. be inaugurated; cultivated turns would take the place of prairies; the population would be ten fold what it now is; towas axuild apring up at every-railmad cossing, and Nepraska would take her proper place among the states of the union. World Heastlet.

And if the sky should happing to fail we could catch larks. If every-body was rich no one would be poor.

The World-Herald minist safty er.

World-Herald might easily extend its list of ifs. The trouble is, that the Missouri is not fit for navigation and never can be made so by any expenditure of money that is not en terily out of proportion to the bene fit to be derived.

sinhers steps should be taken to have the court house square planted with trees and sown to grass. A good many years have already been wasted and no more should be. The only thing there is to show for the nine years the county has owned the square is one or two tairly good trees.
We understand that Sheriff Rickabaugh is ready to enter into a con-tract with the commissioners to plant rees on the equare and see that they ced as often as may be nec.

If a contract can not be made with him it can with some one else, and there should be no de lay in doing it. It will cost no more ears hence, and too much time has

u lest already.

The roller mills at O'Neili burned o last Tuesday, causing a loss of forthousand dellars.

Omaha is howling because a Linolu man has been appointed supervi-or of the census for that district.

In casting around for some me o keep Thurston county from loing under a Pender genius has hit loon the scheme of making the govroment pay taxes on the Indian land. Brilliont idea! Of course the governent will do it.

They have some queer fellows in bject to a deadlock lasting six weeks atan expense to the state of many thou and dollars, over a tew minor and unimportant offices, but they refuse the casting of lots because it would he too much like gambling.

The Iowa legislature is organized yesterday by the democrats accept-ing the proposition of the republicans. The democrats get the speaker, see ond assistant clerk, half the pages cetting the remaining offices and the first choice at five committees. The governor and lieutenant governor will be inaugurated today. Ex-Gov. Pennington, of Yankto

was in Omaha last week, and talked to a Republican reporter very freely on the proposed Omaha and South Dakota railroad scheme. Among Among other things he said: "We unde stand the Omaha people are still talking about the feasibility of the line, but with South Dakota that question has become a chestaut, as it was passed upon weeks ago." He also said that the survey between For est City and Yankton was about com-_"We have had men in the east and nough stock has been taken, so that

Blue Stem seed wheat for sale, E. I

Mac Miller has built a residence in the west of town A hig prairie fire made the eastern sky

Sheriff Rickabaugh expects to move into the brick on the hill soon.

A. J. Ferguson will probably er ne residence on his lots adjoining foolston's, this spring.

Buther more people than usual remered us on Valentine day by sendin heir pictures. Thanks.

Considerable wheat has already been sown, but it is probable that it did no grow very much this week.

A. J. Ferguson thinks the petition he circulated last week to have the U. P. fly erstop here will be successful.

There was a great crowd of people town Saturday, and the side streets a vacant lots were covered with teams.

Dr. Regan, has materially improve the appearance of his residence by put-ting on a veranda and making other im-provements.

The German Club gave a masquerads all at the town hall Monda; night ermans only were admitted and a leasant time is reported.

Advantage was taken of the cold weather this week to get up more ice. There will be no scarcity of the article in Wayne the coming summer.

Homer Clark, the decorator.

This is something of a cold wave
