

SELECTIVE SERVICE work is no longer part of the duties of David Theophilus, left, and Irving Moses, both of whom have retired because of passing the age limit allowed.

## Leave Selective Service

Two members of the Wayne County Selective Service Board have retired because of a new military selective service act which rules that no one can serve on such a board after they have reached the age of 75. Irving Moses, Wayne, chairman, and David Theophilus, Wayne, left the board the first of the year. Information was not issued until it was possible to get them together for a picture. Illness and other circumstances making this impossible until the past week. Moses served almost seven years on the board, five years as chairman. He also served on the Farmers Home Administration board, with the ASCS and in other civic work. His parents are pioneer residents, Brenna Preclinet being named after his mother's side of the family. Theophilus has served two years. He has been active in many ways, including his daily

## Area Towns Set Caucuses

Towns in this area have set caucuses for Tuesday, Feb. 27. In some cases, school districts have also scheduled caucuses where required. Voters will go to the polls April 2 to select the ones to serve. In most of the elections there will be two candidates running for each of the positions "up for grabs." Information on the Wayne county caucuses was given last week. Following is an alphabetical list of the other towns in the area and their caucus plans:

**Allen** . . . . . There will be three caucuses at Allen Feb. 27. The first two will be at the Fire Hall with the Citizens Party meeting at 7 and the Peoples Party at 7:30 p.m.

Three terms are expiring on the town board and those named will be vying for two-year terms. Those serving terms that expire are Mrs. Helen Ellis, Rollie Hank and Leroy Roberts. A one-year term also is to be filled, Bill Snyder filling out the term of Craig Williams, who moved away and the law requiring that someone be elected to finish the term at the next election.

District 70, Allen will have a school district caucus at 8 p.m. Two terms for three years each are to be filled. Four will be nominated for the positions. Terms of Merle Ruback and Larry Koester expire.

**Carroll** . . . . . Two members of the village board at Carroll are serving terms that expire. They are Maurice Hansen and Perry Johnson. Terms coming up are for two years, Police Magistrate Eberly Pearson is also serving a term that expires and nominations will be made for that post.

The caucus will be held Feb. 27 at 7 p.m. in the Carroll Public Library. Two candidates will be nominated for each of the three positions up for election.

**Concord** . . . . . The Feb. 27 caucus in Concord will be at the Fire Hall at 7 p.m. Terms of Clarence Pearson and Bob Sherry are expiring and the new terms will be for two years.

Concord and Laurel are in the same school district and the school caucus is scheduled Feb. 27 at 3 p.m. in Laurel. Two members of the school board are serving terms that expire. The terms of board members in the Concord-Laurel system run for three years.

**Dixon** . . . . . Dixon's village caucus will be held at 8 p.m. in the Dixon Auditorium. To be nominated are candidates for two town board

## Norfolk, Carroll Men Win SWAY Prizes

Two Norfolk men, former county residents, and a Carroll man were winners in the SWAY drawing Monday night. They will get \$10 checks from Servicemen We Appreciate You along with letters from the home folks and lists of those making this project possible.

Names drawn Monday were: Bill Gries, son of Mr. and Mrs. Harry Gries, Norfolk; Douglas Hansen, son of Mr. and Mrs. Maurice Hansen, Carroll; and John Manzer, son of Mr. and Mrs. William Manzer, Norfolk.

Gries was a nine-year member of Blue Ribbon Winners A-H in Wayne County and graduated from Handolph High School in 1962. He graduated from Norfolk Junior College in 1964 and received his bachelor's degree at Wayne State College in 1966.

In 1967 he went into the army, taking his basic training at Ft. Bliss, Tex., and then going to the army signal school at Ft. Monmouth, N. J., for 28 weeks. He works on micro-wave radio equipment and took special training on radio terminal REL-2600 Repair, graduating Nov. 24, 1967. After a furlough, he went to Oakland, Calif., Jan. 1, 1968 and then to Vietnam, where he is located now.

He is engaged to marry Nancy Wagner, Norfolk, daughter of the Alvin Wagners, Hoskins. A brother, Dick, is also in the service and is also in Vietnam.

The address for the SWAY winner is: Pfc. Bill R. Gries, RA 56542886, USA STRAL, Com. LLD, Phu Lam, APO San Francisco, Calif. 96243.

Hansen has spent 2 1/2 years in the air force, going first to Lackland AFB, Tex., for basic and then to Sewart AFB, Tenn., where he is now stationed. He is a crew member on a jet cargo plane.

He is a 1965 graduate of Wayne High School. His brothers, Larry and Dennis, both served in the army.

His address now is: Sgt. Douglas Hansen, 93 Vance Lane, Apt. A-23, Nashville, Tenn. 37210. Sgt. John Manzer lived in Wayne when his father was working SWAY. page 6

## Winside Free Feed Draws Large Crowd

The Winside Community Club's annual free pancake feed Wednesday night attracted the largest crowd in the history of the event. (Chairman Frank Weible reported 730 plates of food handed out in the town of 420 population.

Serving started at 4 and stopped at 8 with the line being especially long the last two hours. There were rarely periods when no one was waiting.

Orange drink ran out so some took milk instead. Pancakes, coffee and sausage were served to men, women and children.

Working on the project were 47 men and 9 women. Some of the women are members of WCI and others are wives of members. Chairman Weible said: "We could have never done it without the help of the women."

A total of 127 pounds of pancake flour was used to make the hotcakes for the people and 12 1/2 gallons of syrup were poured over the cakes. There was no record on the pounds of butter, sausage and coffee used and the gallons of milk, coffee and orange drink poured.

## Good Crowd Attends Husker Veg Clinic

A crowd of over 200 attended the concert by the Husker Conference clinic group Thursday night at Rice Auditorium. The entire clinic moved smoothly under the leadership of Robert Yanke, director of choral music at Fremont High.

Schools participating were Bloomfield, Lyons, Madison, Neligh, Oakland, Pender, Pierce, Plainview, Scribner, Tekamah, Wakefield, Wayne, West Point and Wisner. Not taking part were Neligh and Stanton.

In the evening, the Wayne State brass choir and the Wayne State madrigal presented opening selections. Special numbers during the program were by a sophomore triple trio from Plainview, sextet from Wakefield, madrigal from Pender, boys' ensemble from Pierce, swing choir from Madison and sextet from Bloomfield.

Husker Conference chorus numbers included: Cry Out and Shout; She Dwelt Among Untrodden Ways; Create in Me, O God; I Lost My Love in Scarlet Town; Plorate Filii Israel; and Oh! Lemuel.

## Expect Feeder's Day Crowd

A big crowd is expected in Wayne Tuesday, Feb. 20, for the cattle feeders' day at the Wayne City Auditorium. Coffee will be served starting at 9:30 a.m. with the program starting at 10.

Wayne Chamber of Commerce, University of Nebraska, North-east Livestock Feeders and the Extension Service are co-sponsoring the affair. The U. of N. will provide coffee and cookies. In the morning and will assist in other ways. A noon meal will be served by Hill's Cafe.

Paul Engler, Hereford, Tex., feeder, will be featured speaker. (Other top speakers include Paul Johnston, Schuyler, on water pollution; Walter Tolman, Northeast Station, Concord, cattle starting systems; Dr. Walter Woods, N., on urea supplements; Dr. Paul Gayer, N., on backgrounding; and Dr. Terry Klapfenstein, N., on feeding wet feed.)

Tolman will review successful cattle starting systems and relate them to research as a guide in handling "new" cattle. He will also cover other phases of feeding.

Johnston will give feeders an opportunity to learn about water pollution as it exists in Nebraska today and to formulate opinions and suggestions prior to a hearing in Lincoln Feb. 26 on proposed registration of feedlots. At the FEEDER'S DAY, page 6

## Two County Offices Facing Late Rush

The offices of the county treasurer and the county assessor are apt to be busy the rest of the month. With Feb. 29 deadlines on car licensing and property assessing and with a holiday Thursday of this week, only eight working days remain for office staffs to take care of the work.

County Treasurer Leona Bahde and crew undoubtedly face the biggest problem. There are still around 2,000 unlicensed vehicles in the county and that will average out at around 250 renewals per working day if everyone gets tags before the deadline.

As of Thursday, Miss Bahde reported the sales of license plate tags was running around 100 ahead of last year at the same time. Feb. 29 is the last day vehicles can be operated legally with 1967 tags.

County Assessor Henry Arr reports assessing work has been going good between the hours of 10 a.m. and 2:30 p.m. Before that time and after that time assessing has been much slower with no waiting at all for those coming in then.

Feb. 29 is the final date for getting assessed without penalty.

The office (like all those in the courthouse) will be closed Thursday of this week for Washington's birthday.

All farmers, all businesses and all those with property leased or rented for profit must be listed. It is up to the individuals to come in to the assessor's office.

## No Winner of \$400 Prize Thursday

It appears the only way someone is going to claim the \$400 Silver Dollar Night prize is to keep drawing until someone called responds. Another Thursday has gone by without a winner.

The reserve fund is now up past the \$400 mark so another reserve fund starts. It will keep building as long as there are no prize winners.

John Beckman, Wayne, was drawn for the \$400 last Thursday.

## Third Candidate for Judge

Wayne County is going to have a race for the office of county judge. A third candidate filed for the office Friday.

Mrs. Luverna Hilton is the third person to enter the race for the judge's position being vacated by Judge David Hamer. She is presently assistant to the judge.

She will oppose Gordon Nuernberger and George Claycomb, who have previously filed for the office. All are running on the non-political ticket.

Mrs. Hilton has been assistant to Judge Hamer for 12 years. Prior to that she was office and court assistant to Judge W. A. Crossland and Judge J. M. Cherry for a total of 4 1/2 years.

She has been active in the Legion Auxiliary, B&PW, church activities, church offices and other affairs. Her husband is an

## Paper Out Early

The Thursday issue of The Wayne Herald will be printed a day early this week due to George Washington's birthday Feb. 22. There will be no mail delivery that day. Consequently, final press run of the newspaper will be Tuesday afternoon and papers will be on sale and in the post office that afternoon instead of Wednesday afternoon.

Cooperation of advertisers and those touting in news in getting contributions in early will be appreciated.

## Seven Get Regents Honors

Seven Wayne High School seniors, six boys and a girl, have been selected for Regents Principal or Alternate scholarships to the University of Nebraska. If all goes as in the past, even the alternates will wind up with scholarships.

The group is one of the largest to get scholarships at WIS in several years, according to Adviser Ken Delsler. It represents more than one-fourth of the seniors who took the Regents exams last fall.

Winner of the principal scholarship is Tom Havener, son of Mr. and Mrs. Dallas Havener, Carroll. Winners of alternate scholarships are (alphabetically): David Brown, son of Dr. and Mrs. J. M. Brown, Lincoln; Steven Carman, son of Mr. and Mrs. Richard Carman, Wayne; Cynthia Meyer, daughter of Mr. and Mrs. Robert Meyer, Wayne; Eric Nedergaard, son of Mr. and Mrs. Gordon Nedergaard, Wayne; Douglas Ritze, son of Mr. and Mrs. John Ritze, Wayne; and David Roberts, son of Mr. and Mrs. Eldin Roberts, Wayne.

Only the upper one-third of each class is allowed to take

## NFO Meeting Monday Night for Farmers

Another NFO meeting is to be held Monday, Feb. 19, at 8 p.m. in the Wayne County ASCS office. All area farmers are invited and businessmen are welcome.

According to NFO officials, many new members are signing up each day. The acceptance of the NFO philosophy is more evident than it has ever been before, the officers say.

They call attention to the effects of the NFO-sponsored livestock holding action in major markets. Prices have been going up almost daily in major markets and NFO members believe their holding action is the major factor involved.

### Expect 17 Chapters at Allen Meet

Roger Sandman, Future Farmers of America adviser at Allen, reports 17 district chapters have indicated they will send delegates to the convention in Allen Saturday, Feb. 24. In all, over 200 boys are expected.

Chapters indicating they will attend are Schuyler, Scribner, Howells, Tekamah, Lyons, Blair, West Point, Emerson, Pender, Allen, Hooper, Oakland, Clarkson, Wisner, Stanton, Leigh and North Bend.

Registration will be at 9 a.m. with a mass meeting. Following a noon meal served by the AFS seniors, contests will be held in the afternoon with awards concluding the sessions.

Contests will be in parliamentary procedure, FFA creed speaking, public speaking, extemporaneous speaking, wildlife speaking, written manual contest and state farmer contest to select the state farmer candidate from the district. Judges have been named by district officers.

Both state and district officers will be present for the session. Meetings will be held at the high school.

### Three MIP Fines Listed in Court

Three fines for "minors in possession" were among the cases heard in county court Feb. 13-14. Judge David Blamer had seven hearings in all, the others involving driving violations.

Thomas Steele, Sutherland, Ia., paid \$10 fine and \$5 costs Feb. 13 for speeding. Officer Ron Penierick brought charges.

Also that day, Elmer Monk, Winside, paid \$10 fine and \$5 costs for no registration certificate. Trooper C. Hoeman, NSF, was complaining officer.

Lyle Ekberg, Wakefield, was fined \$100 and paid costs of \$5 as a minor in possession of alcoholic beverages. Officer Melvin Lamb signed the complaint.

Also fined \$100 plus \$5 court costs for a minor in possession charge Feb. 13 was Jerry Turner, Wakefield. Officer Lamb brought charges.

Feb. 14, Bobbie Tommons, Verdigris, paid \$15 total fine and costs on a speeding charge. Officer Penierick signed the complaint.

Henry Westerman, Stanton, was fined \$10 and paid costs of \$5 for failure to yield the right-of-way. Trooper C. Hoeman was complaining officer.

James Emis, Valley, paid \$100 fine and \$5 costs as a minor in possession Feb. 14. Officer Lamb signed the complaint.

### Dairy Breeding to Be Topic for Seminars

Two dairy breeding seminars are to be held in this area, Feb. 28 at Plainview Legion Hall and Feb. 29 at Wagon Wheel Steak House in Laurel. Both will begin at 10 a.m.

Some of the questions to be answered are: What nutritional factors affect reproduction? How do we prevent diseases affecting reproduction? How do we eliminate diseases in infected herds? How can we manage our breeding program to obtain the highest possible conception rate?

Dairymen and cow-calf operators are invited but advanced registration is sought. The \$2.50 registration (which includes the noon meal) must be received at Northeast Station, Concord, by Feb. 20. Those making registration should indicate which seminar they will attend.

On the program will be Dr. Foster Owen, Dr. Charles Nebus and Don Kubik of the University of Nebraska, Dr. J. H. Webb of Midwest Breeders and Whit Dawkins, federal veterinarian for the area.

### Finish Workshop on Refinishing Items

A course in refinishing furniture has been taken by 24 homemakers from Cedar, Dixon and Wayne counties. Myrtle Anderson, area extension agent, supervised the one-day workshop at Northeast Station, Concord.

The women learned that beautiful wood can often be found under one or more coats of paint or dark varnish on favorite items of furniture. Women brought in articles of their own to find out how true this is.

Attending from Wayne County were: Mrs. Jim Thomas, Mrs. Cyril Hansen and Mrs. Fillmore Sals, Wayne; Mrs. Walter Otte, Mrs. Bernard Kinney and Mrs. Cornelius Leonard, Wakefield; Mrs. John Greve, Jr., Wisner; and Mrs. Orville Lage and Mrs. Robert Olandicks, Pilger.

### Business Notes

### Concord Pupils Have 'Trip' for Valentine

Pupils in kindergarten through fourth grade at Concord Grade School had a "trip" as a feature of a Valentine's Day party Wednesday afternoon. Parents were invited to share the trip with them.

Mrs. Iner Peterson showed slides of a trip to California, two of the children, Kristi and Ricky, being in the group of pupils. Slides of Disneyland, Universal City, Grand Canyon and Tournament of Roses parade were shown.

Each child had a Valentine box for a traditional exchange. Following the program, the teachers, Mrs. Phyllis Dirks and Mrs. Helen Pearson, served refreshments.

### Receives Laurel PTA 'Life' Honor

Mrs. Ernest Sutton, Laurel, was revealed as the recipient of the Laurel-Concord PTA life membership award at the meeting Tuesday, Feb. 13. Presentation was made at the annual founders day program as a salute to residents of the community who are serving or have served in the armed forces.

A son of Mrs. Sutton, Donald Grella, lost his life in Vietnam in 1966 and the award was given to his mother in his memory. Also present for the ceremony was her daughter, Shirley Grella.

The program was prepared by former recipients of the life membership award with Mrs. Ann Nelson chairman. Bill Norvell was master of ceremonies.

Laurel Cub Scouts and Boy Scouts presented the colors before a crowd of around 150. Following the flag salute, "The Star Spangled Banner" was played by the Laurel band.

Charles Paulsen, chaplain of the Laurel VFW, gave the invocation, and PTA President Clarence Johnson gave the welcome. Mrs. Nelson outlined the goals of PTA and gave a brief history. Veterans of World War I were

saluted. Gaylund Olson represented this group wearing the navy uniform belonging to Harold Macklem. Jane Carlson read "In Flanders Fields" and Jeanene Elm sang "Keep the Home Fires Burning." Servicemen and servicewomen of World War II were also recognized.

Mrs. Winton Wallin sang "God Bless America," following a salute to servicemen who had participated in the Korean conflict, a song by the girls' chorus directed and accompanied by Mrs. Marlan Mallatt. Another group of Mrs. Mallatt's vocal pupils sang as four young men now served in the armed forces were presented.

Rev. Larry Spomer, United Lutheran Church, conducted a memorial service for Donald Grella. Following the presentation to Grella's mother, "God Be With You Till We Meet Again" was sung by Clarence Johnson.

The program concluded with "America the Beautiful" by the band, benediction by Paulsen and retirement of the colors by the Scouts.

### Investigate Traffic Accidents Past Week

Two traffic accidents were investigated by Wayne police the past week. Damage was not extremely great in either and no one was injured.

Feb. 14 on East Third near the Third and Main intersection, Roy Sundell, Wakefield, stopped for a red traffic signal. August Thun, Wayne, backed out of a parking stall, striking the right fender of the Sundell car. Officer Melvin Lamb investigated.

The following day on a private parking lot, Charles Fisher, Wayne, was parked. Beth McLean, Wayne, came alongside and scraped the right front door and panel of the Fisher vehicle. Assistant Chief E. L. Hailley was investigating officer.

## Ten Days Left for Heart Fund Drive

Only ten days remain to finish the Heart Fund Drive in Wayne County. Workers hope those who have not given will send checks to the post office in care of Heart Fund.

Heart research funds will make it possible to find out what causes arteries to clog and lead to heart attacks and if veins can be cut out and new segments grafted in to reduce common vascular ailments.

The Nebraska Heart Association is sponsoring almost \$70,000 in heart research at Nebraska University and Creighton University medical schools. All over the nation other research is going on.

Money given remains in Wayne County, goes to Nebraska projects and aids the national program. Just as polio and other diseases have been wiped out with research, it is hoped that someday heart diseases will no longer be the nation's leading killer.

Donations such as those being taken now in Wayne County can help.

## Obey Concord Laws!

Concord residents are talking about the driver who did not obey the law concerning stopped school buses. He "caught it" about everywhere he went, even though not by law officers. Two buses headed in opposite directions were stopped, cars were stopped behind both and this driver went on by - slowly, but even slowly is against the law. He pulled into a service station, where a mother of a school child chewed him out. He went on to a feed store and a teacher had called there so the message was given him again. This type of thing was "punishment" enough and Concord residents are letting it be known that they make sure law is enforced.

## Named 'Homemaker' At Allen for This Term

Connie Sachau, daughter of Mr. and Mrs. William Sachau, Allen, has been named winner of the Betty Crocker Homemaker of Tomorrow award for Allen High School, Supt. E. C. Heckens reports.

The honor was won in competition with other girls in senior class homemaking at AHS. The contest is sponsored annually on a local, state and national basis by General Mills.

A state winner will get a \$1,500 scholarship plus an encyclopedia set for her school. State runner-up will get a \$500 educational grant.

Nebraska's winner will compete with those from other states in Washington, D. C., next spring. National winner will get a four, \$5,000 scholarship and other hon-

## Explains Delays in Mail from Far East

Chris Hargholz, county veterans service officer, has received word from the Red Cross headquarters in Omaha giving the reason for delay in mail coming from servicemen and civilians in Southeast Asia in recent weeks.

## Field Representative Coming from SSA Unit

Robert Swan, field representative of the Social Security unit at Norfolk, will be in the courthouse in Wayne, Tuesday, Feb. 20, 1 to 3 p.m. It is not necessary to have an appointment in order to see him.

Swan reports beneficiaries will receive an increase of 13 percent or more in checks delivered around Mar. 2. The increase will be automatic so those getting SSA checks need not contact him or the office.

For those who cannot be at the courthouse Tuesday when Swan is here, the Norfolk office is open weekdays. It is sometimes wise to get appointments before going there, writing in care of Box 884, Norfolk, being the proper procedure.

## Explains Delays in Mail from Far East

Chris Hargholz, county veterans service officer, has received word from the Red Cross headquarters in Omaha giving the reason for delay in mail coming from servicemen and civilians in Southeast Asia in recent weeks.

## Trucks ordinarily used for hauling mail are being used for other purposes.

As a result, mail is being delayed in leaving those countries. Little mail was forwarded from Southeast Asia in the period Jan. 29-Feb. 3. Families expecting mail from servicemen or others in the area should anticipate a week to ten days delay in mail for a while.

Airmail is being suggested for mail going both directions. Delays should not cause anxiety as equipment should be back on mail-hauling purposes soon and service should return to normal.

## Emerson Outruns Winside in Finale

With a fast break and a press, Emerson's Pirates outran Winside 71-51 in the season finale for both teams in basketball on the Emerson court Friday night. A fourth quarter spurt helped the host team's margin in the contest.

Both teams play in Class C meets this coming week. Winside is in the tournament at Howells and Emerson is in the meet at Wakefield.

Winside never led in the game, a tie at 2-2 being the best the Wildcats could manage. It was a fairly decent score at 19-13 in the second quarter and then the Purple and Gold spurred 10-2 to take a 29-15 lead.

Emerson went on to a 50-30 lead and then Winside had a surge of its own, outscoring the host team 15-5 to pull up to 55-45, only to be outscored 16-6 the remainder of the game. EHS led 15-10, 36-26 and 55-40 at the quarter breaks.

Bob Wacker led WIS rebounding with 15. Randy Jacobson was 9, Dave Witt 8, Keith Wacker 7, Fred Weible 4, Scott Duerling 3, Doug Deck 2 and Bob Farran 1. Witt had 3 steals, Deck 2 and Jacobsen and B. Wacker 1. Witt also led in assists with 5, Deck adding 3, Jacobsen 2 and Kirk Troutman and H. Wacker 1.

In the reserve game, most of the boys who had played in the frosh-soph tournament were kept out of play and Emerson went on to win 40-24 after lead 7-4, 14-8 and 29-14 at the quarter breaks.

Kirt Schellenberg had 12 rebounds, Kevin Thompson 5, Bob Farran, Gary Soden, Tom Witt, Terry Cleveland and Dale Vanodall 3, Phil Witt and Greg Troutman 2 and Mike Jeffrey 1. Schellenberg had 7 steals, P. Witt 3, Soden 2 and Jeffrey and Trout-

man 1. In assists, Schellenberg had 2 and Soden, Jeffrey, Thompson and Gaylen Stevens 1. Scoring was led by Schellenberg with 12. P. Witt and Troutman each had 4 and Soden and Thompson 2. For Emerson, Randy Mueller and Bill Oetdin hit 9 each, Rich Anderson 6, Bill Brown 5, Gary Oetkin, Steve Schwartz and Curtis Frey 3 and Roger Wilke 2.

CHAMPION WINSIDE did not have trouble smiling after taking in the freshman-sophomore tournament Thursday night in the front row are Gaylen Stevens, Doug Deck, Dave Witt, Coach Pette Kropp, Fred Weible, Scott Duer-

## District C Tourneys Start

Two Class C district tournaments get underway Tuesday, one at Wakefield and the other at Howells. The winners will play at Norfolk next week to see who gets to go to the state tournament in Lincoln.

Winside is in the meet at Howells, meeting Dodge Monday night in the first game. Clarkston plays Stanton in the second game. Howells plays Winster and Leola meets Battle Creek in the Tuesday night games with semifinals Thursday and finals Friday.

Winnipeg is top-seeded in the tournament. Other seeded teams are Emerson, Homer and Wakefield.

## Walthill Lambasts Allen Team 61-42

The Allen Eagles were lambasted in the last game of the regular season by host Walthill Bluejays by 61-42 Friday night.

The Eagles will be in action again Tuesday night in district play in a final bid to travel to the state tournament in March. The Blue and Gold play Emerson at Wakefield.

Opening the game Friday, Allen took a 2-0 lead but was overtaken by the Bluejays 4-2 and the Eagles could never catch up as the Bluejays posted a lead of 20-12 at the end of the period.

In the second period the Eagles played even ball but couldn't catch the Bluejays who had a five-point lead at halftime 24-14.

Opening the third quarter Allen was without the services of Mike Roeber. The Walthill Bluejays took advantage of the shorter Eagles as they extended their lead to 42-31 at the end of the period.

In the fourth quarter the Bluejays were just too tall, dominating the offensive and defensive boards to build their lead to as much as 56-17.

## WSC Whips Doane for 20th Win; Wayne Will Play Title Clash with Peru Wednesday

Twenty basketball victories in a season were on Wayne State's record Friday night as the dependable Wildcats mastered Doane again, 86-81. Never has a Wayne cage team won 20.

Highest previous win record was in the 19-7 season by the 1958-60 team which was conference co-champion.

As fine as the Wayne winning mark is, the loss side perhaps is more notable—only two defeats: to Westmar, 66-70, and to Peru State, 77-79.

The Wildcats have two more opportunities in their regular schedule to pad the record. Monday night they host Southern State at 7:30 in Gyle Gym.

Wednesday night, same time and place, Wayne and Peru clash to settle the Nebraska College conference championship.

As usual, it is a crucial game, though on this occasion Peru is out of the title race and can hope only to dump Wayne into a championship tie with Chadron—depending on the outcome of the Chadron game at Kearney Saturday night. Chadron went to that game 5-2, Kearney 1-4, Peru as 20 points.

Leading the scoring for Eagles were Mike Roeber and Dave Abts both contributing 11 points apiece. High scorer for the Bluejays was Allen Fuller with 18. Dave Werner contributed 13.

Leading the Allen Eagles in rebounding was Dave Abts with 9, Alan Smith had 7, Rick Hank 5, Kevin Hill 3, Mike Roeber, Dave Geiger and Bob Mitchell 2 and Jim Ellis and Dennis Geiger 1.

In the reserve game, the Bluejays were also victorious, downing the Eagles 61-55. Leading the Eagles was Loren Reuter with 16 points. Bob Mitchell had 14, Dave Geiger 8, Bob Meyer 7, Mike Ellis 5, Dennis Geiger 4 and John Abts 2.

Wayne State College won the NCC wrestling championship Thursday night by defeating Kearney State 37-6. The Wildcats had beaten the Bearcats earlier in the season and had also beaten Chadron State twice, though three teams being the only schools in the conference with wrestling squads.

Several of the boys from Wayne are conference champions in addition to being on the championship team. Information on this will be given later.

Results: 115, Duane Krugman, K, declared 141 Johnson 8-7, 123, Hill Schwarz, W, declared Bob (Christian)son, 6-0; 130, Jeff Melneke, W, pinned Dean Westphalen, 6:03; 137, Dick Lerguson, W, pinned Les Kinney, 4:12; 145, Leonard P. Perez, K, declared Steve Johnson 13-9;

At 152, Larry Michelson, W, pinned Don Herrows, 6:15; 150, John Yoder, W, declared Byron Wicks 3-1; 167, Charles Peters, W, declared Deane Woldmordorf 4-0; 177, Bruce Kramer, W, de-

clared Herrow 6-3; 191, Frank Cucke, W, pinned Jim Newton, 3:05; heavyweight, Tom Firestack, W, pinned Bob Hasselt, 6:04.

## WSC Leads Colleges Scoring This Year

Wayne State College is leading all colleges in Nebraska in average of points per game in basketball with an 83.5-point average. Chadron State is second at 82.5.

Defensively, WSC is also the leader, allowing only 67.1 points per game. Hastings and Chadron are second with 73.2 points per game average.

Chadron State leads in field goal shooting and free throw percentage with 50 per cent and 70.3 per cent. Wayne is second in free throws with 63.5 per cent and field goals at 46.9 per cent.

Wayne is a "team" team because no individual is among the top three scorers, the Wildcats being capable of scoring from all positions with regularity. Dave Schneider, WSC, has hit 30 of 48 field goals for a 62.5 percentage, best in the league. John Smith, CSC, is second at 55.5. Rodney Karsten, WSC, leads in free throws with an 85.0 percentage.

## Wayne Freshmen Win Handily Over Laurel

Wayne High School freshmen defeated their Laurel counterparts 49-35 on the LIS court Thursday night. The locals led throughout the game and eight men scored for the winners, twice the number scoring for the Orange and Black.

Steve Kamish led Wayne scoring with 11 points. Don Mau, Dick Tietgen, Craig Johnson and Rod Cook each made 6, Steve Peterson and Breck Gliese 5 and Mike Craighton 4.

For Laurel, Paul McCoy was the leader with 12 points. Rick Smith was right behind with 11. Brent Johnson adding 7 and Steve Burns 5.

In the Walthill game, Doug Sturm led Wayne scoring with 12 points. Mark Johnson, Dave Scheel and Roger Saul each made 6 and Bill Brown, Shane Gliese and Steve Mordhorst 2. For Walthill, Meyer had 15, another Mey-

LB 360, passed by the 1967 legislature, says streams in the state can no longer be polluted. It calls for treatment of streams from runoff or seepage from nearby feedlots.

Woods will tell about area supplementation of growing and finishing rations. He points out that area can supply effectively part of the protein equivalent needed in rations for beef cattle, provided certain conditions are met. Research results with growing rations and finishing rations, as well as liquid and dry supplements will be discussed during the program.

Around 400 are expected for the program and dinner. All area beef interests are invited. Further information may be gained from extension agent offices or Northeast Station, Concord.

**Need Power, Weed District Candidates**

County Clerk Norris Weible reports both the Wayne County Noxious Weed Board and the Wayne County Public Power District will be electing this year. Filings for the power board have been made but there are none so far for the weed board.

Stanley Hansen, Carroll, filed for the four-year term for sub-division one of WCCPD. Willis Meyer, filed for the six-year term for sub-division two. Both

are incumbents in the non-political posts as directors.

Three rural residents are to be elected for four-year terms on the county's noxious weed board. The holdovers are John Owens, Wayne, and William Swanson, Carroll, both of whom are serving terms expiring in 1970.

The law provides for two from cities, villages or townships to be elected at one time and three from rural areas to be elected

at another time. This time is the turn for the rural directors to be named, their terms beginning the first of the coming year.

Ed Casauer, Wayne, W. A. Thomas, Carroll, and Harry Heinenmann, Winside, are currently serving on the board. They have not filed for re-election.

There is no fee for filing for these non-political posts. Deadline for filing is Mar. 15 with the election to be held in May.

**Dyslexia Group Plans Future Action**

A group meeting under the guidance of Mrs. Henry Lay Thursday night made plans to go ahead with studies on what can be done locally to help children with specific language disability (dyslexia). Committees have scheduled meetings during February and early March to make a study of particular phases and then report back to the entire group later in March.

After the general situation was discussed Thursday, the group broke up into smaller discussion committees. They decided that the work that lies ahead is not just for Wayne and its community's children but for all the area on the best techniques of helping the children and adding to knowledge through research.

Committee chairmen are: Identification and evaluation, Larry Clay; public information and education, Harry Mills; materials and equipment, Mrs. Kenneth de

Freese. Philosophy of the group is: What can be done in the average school where clinical experts are not available? In other words, what can be done in Wayne that similar towns and schools can do to "rescue" these children where no clinical set-ups are available?

Objectives are to find out if classroom teachers with no formal training in the identification of dyslexia can screen them successfully on the basis of observation, tests and parental questionnaires.

What progress will a child with dyslexia make in reading, writing and spelling if offered a transition room (limited to 12) in the first two years of school, groups of 6 trained half days in dyslexia techniques for first and second grades, combination room for third and fourth grade taught by a specially-trained teacher, small group (limit 6) in hour or half-hour blocks fifth through eighth grades on the basis of IQ or deficits and tutoring for those needing it in the four upper grades.

A time table has been set up to identify the pupils and train teachers in 1969, put the program into effect for the 1969-70 term and check on area teachers the following year to compare progress.

Interest is shown in the needs of these young people (5 to 20 per cent of all youngsters) who cannot help it have trouble with words, letters, concepts of time and space and other dyslexia problems.

**Sheep, Wool Event Set**

Registration will be from 9:30 to 10 a.m. at Northeast Station, Concord, Wednesday, Feb. 21, for the Sheep and Wool Day being put on for area shepherms by the University of Nebraska.

Two coffee periods are scheduled, one prior to 10 a.m. and the other following the program.

A noon dinner will feature lamb. The morning session will include a sheep specialist from NU, Ted Doane, talking on the sheep industry's chances for survival and again on the breeding cycle of ewes. Ernest Giese from the wildlife service at North Platte, will talk on controlling estrus by synchronization of ewes.

Following the dinner, Hermon Popp, field director for the Midwest Wool Marketing Cooperative, will talk on the wool market and Doane and Donald Ferguson,

NU parasitologist, will discuss parasite problems on sheep. All those raising sheep or interested in sheep raising and the related problems are invited to attend.

**Calls Show Variety**

Police called the fore part of last week showed variety. The police found one business place unlocked at night; ticketed cars parked on the left side of the street facing the wrong direction; notified a farmer five of his cattle were loose on the highway; found equipment left outside a business place at night; tried to locate a man here for residents of another city; checked on a lost billfold; and checked a car that had been written on with paint.

**Add 26 Books at Public Library**

Mrs. Rodella Wacker, librarian at the Wayne Public Library, reports the addition of 26 new books the past month. Included are adult fiction, adult non-fiction, children's fiction and children's non-fiction.

According to Mrs. Wacker, a record number of children attended the story hour Saturday afternoon. Another session will be held at 2:30 p.m. this Saturday.

New adult fiction added last month includes: To Brooklyn With Love, by Gerald Green; Christy, by Catherine Marshall; The President's Plane Is Missing, by Robert Serling; Land of the Golden Mountain, by C. Y. Lee; The End of Something Nice, by Angus Murray;

You'll Flip Charlie Brown, by Charles Schulz; Sanctuary, by Frank Swinnerton; Drumbeat, by Dudley Pope; Danger Valley, by Richard Poole; Saire Andaluçian, by Aron Marc; and The Saint on TV, by Leslie Charteris.

New adult non-fiction includes: Memoirs, 1925-1950, by George Kennan; Municipal Code, Wayne, Nebr.; Financial Aids for Students Entering College, by Orceon Kessler; and They Gave Their Names to Science, by D. S. Halacy, Jr.

Fiction added for children includes: Too Much Noise, by Ann McGovern; Be Nice to Spiders, by Margaret Graham; Will I Have a Friend? by Miriam Cohen; The Little Fishes, by Erik Haugaard; Ghost's High Noon, by Elfrida Vipont; and A Boy, A Dog and a Frog, by Mercer Mayer.

Non-fiction added for children includes: Making Teen Parties Click, by Mary Robb; The True Book of Bacteria, by Anne Frahm; The True Book of Houses, by Katherine Carter; Rumpelstiltskin, by Grimm Brothers; and If You Grew Up With Abraham Lincoln, by Ann McGovern.

**Highway Meeting at Norfolk Next Month**

A hearing on highway needs in the area will be held Tuesday, Mar. 5, at 7 p.m. in the Madison Hotel ballroom, Norfolk. It is one of a series of meetings being held by the Legislative Council Highway Study Committee.

Invitations have been sent to county and city officials in Antelope, Pierce, Wayne, Stanton, Madison, Boone, Platte and Nance counties. Anyone interested may attend.

The state has under consideration a functional classification system for all public roads with administrative responsibility assigned among state, county and cities based on the function each road serves. Some roads have been recommended for dropping from the state system and some new stretches have been designated as being needed.

Fiscally, the state has recommendations for highway user fees, bond financing to speed up road improvement and redistribution of highway user revenues among the state, counties and cities based on relative needs as determined by an engineering survey.

Also under consideration are streamlined management of the road department, abolishment of the advisory commission, development of uniform accounting system, local officers to help develop road programs and other changes.

**Good Crowd Attends NFO Meet at Laurel**

An estimated crowd of 200 attended an NFO meeting in Laurel last week. William Sellhorst, Dodge, national director and state president of the Nebraska NFO, was speaker.

He told of corruption that has crept into the present marketing system, stressing that it did not happen overnight, but has been undermining agriculture over a long period of time, thus going almost unnoticed by those affected most, the American farmers, the smaller businessmen who live directly off the farmer and the small towns.

Sellhorst pointed out that God blessed the area with eleven of the best consecutive crops in history yet "accounts receivable are at an all-time high." Interest rates have risen to the point where it takes more than "dollar corn" to repay the debt when land sells at \$300 an acre, he added.

According to Sellhorst, farmers organizing under the NFO collective bargaining program based on cost of production plus a reasonable profit is a solution. He urged farmers to quit hesitating and to take action now as time is running out.

Stanton County also had a meeting of interest to farmers, 500 attending a meeting of several farm groups for a panel discussion. M. J. Hank's, head of an cattle feeding group, is reported to have endorsed the NFO plan as being the method by which farmers and feeders can bargain for fair prices.

**Two Attend Kearney**

Two area residents are among the 4,600 second semester students at Kearney State College and among the 191 students on the KSC campus for the first time. They are Michael Schutte, Dixon, and Eldon Powley, Pender. Almost half of these 191 first-time-KSC-students are attending colleges for the first time while the rest are transfers.

The newcomers to Winside enjoyed the card party so much given for them recently, Federated Woman's Club has decided to give another such party. This one, however, will be a benefit affair with newcomers and old-timers invited to take part.

Pitch will be played at the Winside Auditorium starting at 7:30 p.m. Friday, Feb. 23. Games will be played as long as there is anyone interested in playing. Lunch will be served and prizes will be given. All is included in the admission price.

**WSC Student Goes to Washington Meeting President Names C. of C. Committees**

Terri Edwards, Ord, daughter of Mr. and Mrs. Don Edwards, will be the sole college student from Nebraska in a delegation of seven attending a Young Republican national leadership training school in Washington, D. C., Feb. 25-Mar. 2.

Miss Edwards and six other YR members from Nebraska will fly from Omaha to the nation's Capital. They will be expected to be in training sessions during their stay in Washington and return with knowledge to take charge of the state YR convention in Kearney Apr. 19-21.

The WSC sophomore is majoring in history and political science. Since her family is moving from Ord, she has established residency in Wayne. Last summer she was Nebraska Young Republican College Queen. At present she is secretary of the Wayne State YR Club.

Wayne County donated \$25 to help with expenses, Valley County gave \$100 and the Nebraska Central Committee has given \$125. Melvin Froehlich, county chairman for the Republican Party, presented Miss Edwards with the local check Friday.

**Army OCS Team Here**

An officer selection team from the Officer Candidate School of the army will be in Wayne Feb. 26, 27 and 28 to talk to men on the campus of Wayne State College. The team will be at the student center from 10 a.m. to 4 p.m. daily to test men to see if they qualify for officer training.

President Ted Armbruster of the Wayne Chamber of Commerce has announced committee appointments for the coming year. He has also mentioned in a bulletin some of the ideas that should be given to C. of C. consideration.

Marvin Dunklau is the chairman of the agricultural committee; Wayne Marsh, chairman of the Christmas committee; John Jermler, chairman of liaison with WSC; Alvin Schmode, chairman of transportation and highway committee;

Phil Griess, chairman of retail committee; Kent Hall, chairman of education committee; Arnold Hoeg, chairman of legislative committee; Larry DeForno, chairman of membership committee; and Bill Richardson, chairman of annual dinner committee.

President Armbruster asked for ideas for spring and summer events, enlarging parking facilities, clean-up campaign, expansion of industry, a general membership meeting at noon once a month and other activities throughout the year. The retail committee is currently working on Silver Dollar Night arrangements.

RECEIVING A CHECK from Wayne County Republicans is Terri Edwards, only college student from Nebraska going to the Young Republicans meeting in Washington this month. Melvin Froehlich, president of the local group hands her the check.

# EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial but if you read the editorial and give it your thought to the subject discussed you have gained. You as a reader have given your thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

## Welcome, Peru State

Wednesday night Peru State College will be in Wayne. There could be some fans from the Peru area accompanying the Wildcats. All will be our guests and we hope they are treated as such.

We have some records suggesting that Wayne State fans conduct themselves as hosts should. The only report we have received is that we were "mistreated" down there and we should "pay them back."

It is to be assumed that anyone with such an attitude might return from a trip to South America where he saw cannibals and head-shrinkers and would immediately consider it quite proper to eat any Latin American who dared come up here or else to start some head-shrinking on his own if any South Americans showed up.

The fallacy of the "pay them back" theory is that only a few were out of line at Peru. It is possible that a few Wayne fans might have been a little out of bounds too. This rivalry is pretty keen.

But we are getting away from the basic point we wish to make. That is: This rivalry does not merit any rough stuff, any booing, any poor sportsmanship or any trouble. If that's what a PSC-WSC game means, then we suggest the two schools cancel all further competition.

It is up to the fans at Wednesday night to let the team from Peru and the people following them know they are welcome and that regardless of what has happened in the past, they are welcome in Wayne and we are proud to have them draw such a huge aggregation.

We can start off by applauding the PSC

## A Prayer for Two Families

Dear God, this area has been hard hit several times the past few months. In cases where help could be given, it has been given. Now, some Greater Power is needed and it is to be hoped we mortals also will do our part.

We know you see Charmi Milligan as she lies motionless in her bed, only her eyes capable of moving. As the Almighty, you must know compassion when your only joy comes in watching a toy hung above her so her eyes can enjoy what her hands cannot move to touch.

Lord, this girl needs your help to get well. She is burned so severely she has had to be shot through the feet and has to be fed intravenously through the one spot on her body where she is not burned and such feeding is possible.

If you will grant her the strength to hold onto life, to suffer the pains of skin grafting, to know the torment of two years of getting back to normal, we know the people of this area will try to do their part. We know that anyone with a child who can move about will get a lump in the throat and give a dollar or more to help pay bills that have been confronting this family at a rate of almost \$250 a day.

The road ahead is long for Charmi Milligan, but with Thy help, time passes, scars will heal and Charmi will move more than her eyes again. Until then, move the hearts of people to give what they can to help out.

Here in our own town of Wayne lies a man, Keith Schwartz. You know, God, that he needs help, both earthly and Divine. He is critically ill, unable to work since mid-September, watching debts pile up, money drain away and conditions

## Letters to the Editor

We love letters to the editor. At Oshkosh, we used to have from 7 to 12 letters a week and everyone admitted that nothing we wrote as editor compared with the interest those letters by amateurs generated.

However, there is one function we do not care to see the letter department used for—dealing in personalities. We are afraid that is what it has come to lately. That is what it also will cease being after this issue of The Herald.

If anyone has any personal differences with any individual, that can be settled between them with clubs, fists or facial tissues, we care not what weapons are chosen. We cannot let our letter department be used for personal charges and counter-charges.

This is not to say that someone cannot air a gripe about a situation that involves people. There will be some at Wayne State or other places who are not happy, and they can tell why, but they cannot take personal vengeance or dislikes out on another individual through letters.

## Out of Old

## Nebraska

Addison E. Sheldon  
When Addison E. Sheldon became head of the Nebraska State Historical Society in 1917, his many-faceted career had already included homesteading, teaching and newspaper reporting. He had been a country editor, a Populist politician, a government official, scholar and historian. As superintendent and secretary of the Historical Society, he molded many of the organization's present characteristics.

For example, an easily accessible, publicly oriented museum was opened during Sheldon's tenure, and Nebraska History,

which Sheldon edited from its first issue until his death 25 years later, began publication in 1918.

Sheldon was born in 1861 and came to a family homestead in Seward County, Neb., when he was eight years old. During the next eight years, he received only 11 months of formal education before he became a part-time student at Doane College in 1878. Between 1882 and 1897 Sheldon worked on various Nebraska newspapers, and from 1886 to 1888 he homesteaded at Cherry County. Sheldon also taught school for a time in the

late 1890's and as a newspaper reporter he covered the Ghost Dance activity of 1890-91.

Interest in the Populist movement led Sheldon to the party's national conventions of 1892 and 1896 as a delegate. He was elected to the Nebraska House of Representatives on the Populist ticket in 1896.

There he proposed the establishment of a one house legislature for the state. He also originated or supported legislation to prevent the sale of school lands, to establish a corporate tax and licensing system and to establish the initiative and referendum.

After 1897 Sheldon lived in Lincoln and served as secretary of the State Printing Board for four years. He also attended the University of Nebraska and in 1902 he received his bachelor's degree. In 1904 he received his master's degree from the University.

Two years later, Sheldon was appointed director of the newly-created Legislative Reference Bureau. Under his direction, the Bureau, predecessors of today's

Legislative Council, became an important part of the state legislative machinery. Sheldon stayed with the Reference Bureau until 1919, the same year he received his Ph.D. from Columbia University. Although he had been superintendent of the Historical Society since 1917, Sheldon was in Europe during World War I, serving as an overseas press correspondent.

From 1917 until his death in 1943, Addison E. Sheldon as head of the State Historical Society, took a leading role in carrying the history of Nebraska to the people of the state. He spoke throughout Nebraska, produced some 500 essays and addresses, was the author of several books on Nebraska history and the editor of several more.

During his last year with the Historical Society, the Legislature enacted a bill to provide a permanent building to house the activities of the State Historical Society, thus bringing to a successful conclusion another of Sheldon's projects.

Although he lived in Lincoln for the last 46 years of his life, Sheldon never lost his interest in farming. In 1940 he owned land in three counties and listed "farming irrigated Nebraska lands" as one of his hobbies. Other hobbies included gardening and studying ancient and modern languages.

people who help make SWAY so great.

I don't think there is a newspaper that gives our servicemen so much time and space, so thanks to you, Chas. You have done a lot for them too. Let us all stick together and maybe some day we'll have our boys back in Wayne county with us.

Thanks again.  
Dareld Soden and family

Dear Editor:

I want to thank all of the SWAY benefactors for the \$10 and the letter that came with it. It's good to hear that some people appreciate servicemen and what they are doing. So far, I guess, I've been lucky.

My job over here is driving a front line ambulance. I give the line companies medical cover when they go out on maneuvers.

Once again I would like to say thanks to the SWAY, Inc.

Dear Editor:

I would like to take this opportunity to thank The Wayne Herald for the superb coverage that we have received in connection with wrestling at Winside High School. In particular, a special thanks should go to Chas who devotes much time and energy in the promotion and coverage of sports.

I have been associated with athletics for many years and have had through participation and in the coaching of young men, the opportunity to observe publications of sports media. The publicity that my wrestlers received was excellent and second to none.

Keep up the good work, Wayne and the surrounding area are very proud of you. Thank you!

Sincerely,  
Larry L. Munn,

## Letters to the Editor

Dear Editor:

I want to thank you very much for the nice write-up. But what little we can do for our fine boys in the service is very little to what they are doing for us.

We have had a lot of help from our newspaper and editor that made this thing so great and from our service organizations and all of the fellows who helped get SWAY started, all of the people that donated to SWAY.

I think all of us who have boys in the service should be pretty proud of our Wayne county merchants and friends for it is the only honor like this in the county.

We are very proud to have so much cooperation from everyone in the county to help this SWAY project keep going.

So thanks again to all of the

# 65 YEARS AGO THIS WEEK

Wayne Herald, February 19, 1903

Wayne ladies will be obliged to be on the look out when holding receptions for members of their sex in the future. Salad is not a success if any woman present can tell all that is in it.

St. Valentine's Day was the busiest day at the post office the present postmaster has ever known during the five years in the office. If anyone missed getting one or more it was strange. The lobby of the office was crowded with people all afternoon and the sale of penny and two-cent stamps kept one person busy for several hours. The dealers in valentines had an enormous business and sold out everything in that line. Many things for substitutes were used instead.

Robt. Mellor and Lank Hansen were up from Wayne Tuesday and took a drive north of town. In returning to Carroll they experienced a mix up in a wire fence because of a broken neckyoke and a fractious team. Mr. Mellor in his sudden leap to earth sustained a few bruises while Lank escaped with a terrible jolt to his nerves. (Carroll Index).

One of Will Gabler's horses became unmanageable last Tuesday while his brother Alex was driving. It and after breaking down several hitch posts and nearly running over "Hanna's" Miller it was caught and put up. (Winside News).

The medicine company that is giving entertainments at the opera house this week was greeted with a large audience last night and disposed of some of the medicine the company is peddling.

The attendance at the University of Nebraska this year it is believed will run over 2,500, including all departments, a good increase over last year.

The state board of health has indorsed a bill to the state legislature providing for a jail penalty for the use of tobacco by minors. Any boy convicted of the use of tobacco in any manner may be sent to jail for two days for each offense.

Miss Elvira Dobbin came up from Lindsay to attend the masquerade, but as the train was several hours late she did not arrive here until Saturday morning, returning home Sunday. (Hoskins News).

We don't want to die rich. We have made up our minds not to die rich and if this business shows a greater dividend than we think we need we will make arrangements to divide the amount with our customers. We will let you know how

much you are to receive next week. We want to give everyone their share but we are now free of rent so we hope to have a larger amount than last year to divide with our customers. The 2 Johns, One Price Clothiers. (Adv.).

Have you bowled? If not just take a walk down to Wm. Dammeyer's alley north of The Herald office and try your muscle. It's good for everything, including the appetite.

The Wayne Free Library will be open every Wednesday and Saturday afternoon from three to six o'clock. It is open free to everybody. The committee are Mesdames Treasurer, Northrop, King, Martlett, Ley and Pile.

All patrons of the post office are required to examine their mail before the post office and return to the postmaster any mail that does not belong to them. Persons renting lock boxes must keep them locked as Uncle Sam is not responsible or liable for any loss or missing mail where this is not adhered to.

The many chronic cases that Dr. Caldwell has successfully treated since she began her visits to this city have convinced the most skeptical. During her visit here last month fully one hundred people consulted her. She will return Mar. 11. Dr. Caldwell limits her practice to the special treatment of the eye, ear, nose, throat, lungs, female diseases, diseases of children and all chronic, nervous and surgical diseases of a curable nature, early consumption, bronchitis, bronchial catarrh, chronic catarrh, headache, constipation, stomach and bowel troubles, rheumatism, neuralgia, sciatica, bright's disease, kidney diseases, diseases of the liver and bladder, dizziness, nervousness, indigestion, obesity, interrupted nutrition, slow growth in children and all wasting diseases, in the spine, diseases of the brain, paralysis, stricture, open sores, pain in the bones, granular enlargements and all long standing diseases properly treated. Pimples, blotches, eruptions, liver spots, falling of the hair, bad complexion, eczema, throat ulcers, loose pelvic bladder troubles, weak back, burning urine, passing urine too often. The effects of constitutional sickness or the taking of two much injurious medicine receives searching treatment, prompt relief and a cure for life. Diseases of women, irregular menstruation, falling of the womb, bearing down pains, female displacements, lack of sexual tone, leucorrhea, sterility or barrenness, consult Dr. Caldwell and she will show them the cause of their trouble and the way to become cured. (Cancers, goiter, fistula, piles and enlarged glands treated with the subcutaneous injection method absolutely without pain and without the loss of a drop of blood, is one of her own discoveries and is really the most scientific method of this advanced age. No incurable cases accepted for treatment. Consultation examination and advice, one dollar to those interested. (Adv.).

**GEHL MIX-ALL**

**Grinds! Mixes! Delivers!**

The Gehl Mix-All, with economy plain feeder and exclusive crusher-feeder attachment, grinds, mixes and delivers the most uniform on-the-farm feed.

Here's proof: Samples of feed grains, ground by Gehl and competitive mills, were compared in a "sieve-shaker" analysis (a grinding uniformity test used also by commercial feed manufacturers). In test after test, Gehl samples were the most uniformly ground. And, the more uniform the grind, the better the mix!

In the Mix-All hammermill, 66 thin, alloy-steel hammers cut ... not pound ingredients on a big grinding surface for faster feed flow with reduced "fines." Come on in for a close-up look at all the Mix-All features, including the swinging auger-feeder.

SA Randy Buhr, son of Mr. and Mrs. Merle Schwarten, Wakefield, leaves Feb. 19 for San Francisco where he will board the USS St. Francis River, LSM, to go to Japan and then to Vietnam. He will be in clerical work having to do with the payroll

and other office duties. After a year in the Vietnam area, he will return to the States for reassignment. Randy is a 1967 graduate of Wakefield High School. He, Tim Kober and David Hing had graduated together, enlisted together and were home together. Tim left Feb. 15 for San Diego NTS and David left the same day for Great Lakes NTS.

Cpl. Warren Cook, son of Mr. and Mrs. Arthur Cook, Carroll, has extended his stay in Vietnam to May. Originally he expected to come home in February. He will get a 30-day tour of Europe before returning to the States and will have a 10-day visit

covering from hepatitis. When he returned to the States in 1967, he was based at Olathe and Gardner, Kans. His wife, Julie, remains with relatives in Crofton, her home town, and with his parents in Belden. His address is: Sp-6 Larry L. McDonald, RA 17570497, 56th Trans. Co. (Acr), APO San Francisco, Calif. 96370.

A/2c Kenneth Hintz, son of Mr. and Mrs. Charles Hintz, Belden, is now stationed at Peterson Field, Colo. He serves as a crew chief. Kenneth entered the service following his graduation in 1966 from Belden High

School. He took basic training at Amarillo AFB, Tex., before going to Peterson Field.

Dennis Mitchell, son of Mrs. Joe Lagre, Belden, is stationed with the navy on Adak Island in the Aleutian Islands off Alaska. He will go from there Mar. 9 to a new assignment as a member of the data processing school at Treasure Island, Calif. Den-

nis is a 1964 Belden High School graduate and attended colleges

in Norfolk, Lincoln and Estherville, Ia., before enlisting in November, 1966. He received basic training at Great Lakes NTS, Ill. His address at present is: SNE Dennis Mitchell, 127633, Box 4, US Naval Station, FPO, Seattle, Wash. 98791.

A/1c Gerald Otto, son of Mr. and Mrs. Alvin Otto, Wisner, is a member of the 3902nd Air Base Wing, Offutt AFB, Omaha. The wing received the air force "outstanding unit" award. He will wear a distinctive service ribbon to mark his affiliation with the unit which was honored for exceptionally meritorious performance during a one-year period. Gerald serves as supply inventory specialist, helping provide a vast scope of services ranging from maintaining the base as headquarters and nerve center of SAC to flying a variety of aircraft in support of the nation's nuclear deterrent force. The wing logged 41,449 hours of flying time—more than any other major component of the command—as a singular accomplishment during the period. Airman Otto is a Wisner High School graduate and received an AA degree from Norfolk Junior College. His wife is the former Ann Hoffman, Norfolk.

Dick Gries, son of Mr. and Mrs. Harry Gries, former Wayne County residents now at Norfolk, is stationed in the Mekong Delta area in Vietnam attached to the Ninth Infantry. His brother is pictured as one of the SWAY winners this week. His address is: Pfc. Dick L. Gries, US

56543540, Btry A, 3/34 Arty, APO San Francisco, Calif. 96373.

Sp-6 Harvey McDonald, son of Mr. and Mrs. Elmer McDonald, Belden, is stationed at El Paso, Tex., and will soon be re-assigned to Germany. His wife and family will join him there after six months. McDonald is a 15-year veteran of the army and is a missile specialist after attending various schools. He served three years in Hawaii and two in Korea. He has two children, a son, 3, and a daughter, 1.

We were wrong about no inductions from this county since last August. Clifford Alderson, grandson of Mrs. Albert Frost, Wayne, left through the local selective service board but was in Lincoln at the time so went to Omaha from there for in-

duction in January. He lived with his grandmother while he attended Wayne State College. After entering the army Jan. 25, he went to Ft. Lewis, Wash., where he is in eight weeks of basic training. He reports it snows or rains almost every day there. The picture is one taken several years ago but is the only one available right now. A picture in uniform is being sought.

Vincent Sausser, son of Mr. and Mrs. Leonard Sausser, Belden, is stationed with the navy at Norfolk, Va., having returned recently from a tour of duty in Vietnam. He is a 1963 graduate of Randolph St. Frances High School. He is expecting to get out of the navy this coming August.

Pvt. Verdell Bose, son of Mr. and Mrs. Herman Bose, Emerson, and a brother of Jerry Bose, Wayne, is serving in Korea as a communications lineman. He went into the service in August and took basic training at Ft. Gordon, Ga., after which

he went to Ft. Huachuca, Ariz., for training as an advanced lineman. He was home for the holidays and then went to Korea. He is now located two miles south of the demilitarized zone. Verdell is a graduate of Emerson High School. His address is: Pvt. Verdell B. Bose, RA 16982481, HHC, 1/3 Inf., 2nd Div., APO San Francisco, Calif. 96224.

Pvt. Alan Cook, son of Mr. and Mrs. Arthur Cook, Carroll, has been assigned as clerk typist with his unit near Phu Hiep, Vietnam. He trained as a helicopter mechanic and then was given an office job. He has been there since Jan. 18 and although the army reports him at Phu Hiep, he reports he is near Tuy Hoa. His address is: Pvt. Alan Cook, RA 56543504, 339th Trans. Co., DS, APO San Francisco, Calif. 96316.

Arriving recently for a 20-day furlough in the home of his parents, Mr. and Mrs. Marvin Green, Allen, was Sp-4 Victor Green. He had been at Ft. Ord, Calif., training as a radio repairman. He leaves for Oakland, Calif., Feb. 27 to go to Vietnam. Victor has been in the service since November, 1966.

Lyle Carlson, son of Mr. and Mrs. Vern Carlson, Concord, (Wakefield route) has four more weeks of advanced entry training at Ft. Polk, La. His address is: Pvt. E-1 Lyle W. Carlson, US 56544238, Co. B, Hn. 3, Hde 5, AIT, Ft. Polk, La. 71459.

Airman Merle Goree, son of Mr. and Mrs. N. W. Goree, Wisner, has been graduated from the air force technical school at Sheppard AFB, Tex. He was trained as an aircraft mechanic and has been assigned to a unit of the Strategic Air Command,

Offutt AFB, Omaha. He is a 1967 graduate of Pilger High School.

John Casal, son of Mr. and Mrs. Gordon Casal, Belden, is stationed with the army at Ft. Polk, La. He entered the service in November 1967, and received basic training at Ft. Lewis, Wash. John is a 1964 Handolph High School graduate and attended College in Wayne and Yankton. His wife, Faye, is staying in Sioux City while he is in the service. His address is: Pvt. John Casal, US 56544349, Co. C, First Tr. Fifth AIT Hq., Ft. Polk, La. 71459.

Sp-4 Marvin Sausser, son of Mr. and Mrs. Leonard Sausser, Belden, is recovering from wounds received while on duty with the army in Vietnam. He was wounded the day before Thanksgiving while serving with the First Air Cavalry Unit. Following a holiday furlough, Sausser reported to Fitzsimons Army Hospital, Denver. He is a 1965 graduate of Handolph St. Frances High School.

Charles Arduser, son of Mr. and Mrs. Bernard Arduser, Belden, is home on leave from the Seabees. He returned to the States in late January from the Red Beach area near Da Nang, Viet-

nam, where he spent eight months. He had entered the reserves in 1965, training at Gulfport, Miss., and then went overseas. Following his present leave, he will report to Great Lakes NTS, Ill., where he will receive a discharge from active duty and will be classified a reservist again.

## Dixon County Food Stamp Plan Set

When will the food stamp program go into operation in Dixon county?

That is a question some residents of that county probably want to know. It will all depend on how the organizational processes go.

Recipients invest part of their own money in the program, buying coupons in amounts that approximate their normal food expenditures. However, they also receive bonus coupons which permit them to buy more and better foods.

Eligibility requirements for families wanting to participate are established by the State Welfare Department. Careful certification of applicant households and arrangements for selling and issuing stamps are made.

Retail grocers, bankers and others involved are informed of the way the plan works. A small office may be established where the food trades will have ready access for personnel who can prepare food trade participation and supervise food stamp operations.

Most important is the community's acceptance of the food stamp activity. Educational and informational support among all participating governmental bodies and the public is needed. Bankers redeem cancelled food

stamp coupons through the Federal Reserve System. Cooperation is required from individuals, organizations and firms in getting a food stamp plan underway properly.

Further information on Dixon County's plans will be printed as made available by those in charge.

## 'Woman of Year' Named at Dixon

The Jackson Deanery "Woman of the Year" will be revealed Tuesday, Feb. 20, at the meeting of Altar Society members from the deanery in the Dixon Auditorium.

The annual Day of Recollection for the Catholic women will begin with registration at 10, followed by luncheon, a talk by Father Schwab of Ponca, a mass at St. Anne's Catholic Church and a coffee hour.

St. Anne's of Dixon and Immaculate Conception of Waterbury are co-hosting the gathering. Both parishes are served by Father John Hizzo, Dixon.

Mrs. Dale Stanley heads the Dixon Altar Society and Mrs. William Sacahu is head of the Waterbury group. Other parishes participating are from South Sioux City, Jackson, Willa, Ponca, South Creek, Newcastle, Wayne, Emerson, Hubbard, Wall, Hill, Winnebago and Homer.
