

To Commence Transportation.—A joint order of the Burlington, A. M. & Omaha & Rio Grande railways was issued on Monday morning date of October 19, 1913, reading as follows:

That the complete and summary arrangements with the Central Pacific railroad from Ogden to San Francisco and other California points, we are to announce that commencing Tuesday, Oct. 18, 1913, all trains between Ogden and California will run over our line from the Missouri river to Ogden, and thence via Southern Pacific to Ogden, (Central Pacific railroad) to points in California will be carried to destination on regular fast-line service.

WATSON CRYAN, Being near Blair, this season raised a squash that weighed 160 pounds. The stem was two inches in diameter. They found the squash disposed to do all its own power. Sparks refused to do all its own power. Sparks refused to do all its own power.

One of the very appointed postal clerks preferred sharp against Postmaster Clark at Ogden. An inspector has been sent to Ogden to investigate the matter, but what he has discovered is not known.

A through freight passenger train has been put on to run between Norfolk and Omaha City.

At a meeting of prominent citizens of York City held a few evenings ago it was found in favor of organizing an improvement company, with capital stock of \$50,000.

Some time ago Judge Coups, of Falls City, says the Journal of that city, recently published an account of a man, and a few days after, while the court room was full of people and the judge in the midst of an important case, he happened to see a man who he had recognized as the man who had been charged with the murder of Judge Coups with the moral remark, "It all started up."

Nebraska has professed some manhood in the past year. The editor of the Blue Republican has some opinions that he will place against the world for sale.

Eighteen prisoners confined in the Lancaster prison for the purpose of making the inmates at work just in time to prevent a wholesale delivery.

Just before the other western railroad north of Omaha, they were on a tour of inspection over the Missouri Pacific, and the first train for Omaha for a railroad to run north from Omaha.

The first destructive fire in the northern section of the state was given a quiet by the rain—no, however, until the fire broke out in the city of Omaha.

The C. O. U. W. order is said to be growing rapidly in the state, having now about 10,000 members, and more than 1,000 members.

David Crowley, living near Syracuse, has a hog but seven months old that weighs 275 pounds.

The Alsworth position has been taken to a presidential appointment, with a salary of \$1,000.

The pig raising over the river at Nebraska City has been completed and there are now crossing regularly.

The Omaha Record says that Mr. Williams of that place, has received letters published as an advertisement in the type of a weekly paper, which are used directly on the page of a record or other book, thus greatly increasing the speed and the legibility of all names.

William Hill, who was the front in the Omaha City, has been arrested by W. E. Bailey, the gentleman who will inaugurate the enterprise.

The dog of Mr. Panabaker, of Wayne county, became wild and dangerous and would be caught by means of Panabaker's trick. He was killed. While in the act of his trick he bit a piece out of his neighbor's leg, and was not getting his mouth in a right manner.

Articles of incorporation have been filed with the secretary of state of Nebraska, with a capital of \$25,000. The bank is located at Waterloo, Nebraska, and will maintain its corporate offices for twenty years from the 15th of June next.

James O. Morley, living seven miles northwest of Eding, was a victim of a case of accidental wounds from a report of his own hand, probably 50 percent in weight. With a thirty-four caliber Smith & Wesson it went off, sending a ball through one of his hands and one of the fingers, making his fingers and left hand useless in a right manner.

There is nearly one thousand scholars enrolled in the schools of Hastings and there are more in every day.

Receipts of the Nebraska county fair were \$2,000; expenses, \$1,000; profit, \$700. This pays the amount on land for the fair, and the balance is for the fair.

Most of the Omaha saloon boys have appeared up their last quarterly fines. Those not attending to the matter in a few days will be promptly fined.

Healthful and healthy, the city of Omaha is being built by a gentleman from New York.

The Broken Bow Leader says the corn crop of Overton county this season is the best in its history, and is probably 50 percent in weight. Not only this, but the yield is better and the yield per acre is better than ever before.

There has been a meeting with a majority of 200 farmers at Fairmont are to be engaged with who an engine has been ordered for the purpose of this purpose.

Charles F. Berry, while spending his hours at the Aurora fair grounds, was thrown over the horse's head, and struck the ground with such force as to render him unconscious. He received a severe concussion of the brain, but with careful treatment may recover.

Charles Judd, of Adams county, lost about twenty tons of hay by fire. The next morning he started to look for the loss. When Warner and Dr. DeLoet, of Dakota, went into their shed and took out six tons from which they took over 500 pounds of honey.

LAND MATTERS.

Representatives of the Irish Colony Consult Commission Speak.

Highly Ireland, in company with Father Bishop, of the Catholic Indian Bureau, called at the interior department to consult Land Commissioner Sparks on the status of the settlers who are on the deeded land in the vicinity of Omaha.

Their local agent, Sparks, refused to do all its own power. Sparks refused to do all its own power. Sparks refused to do all its own power.

He was very sorry the general principle of the law of the state of Nebraska, in the case of the Irish colony, is to be settled on the land.

The Irish colony, in the case of the Irish colony, is to be settled on the land. The Irish colony, in the case of the Irish colony, is to be settled on the land.
