City Barber,

HALL'SHAT HAIR-CUTTING RENEWER.

It's a medicinal preparation, and, at the same time, in elegant and elevally folds scripts. Its action upon the scalp is bettle full. It sourchies the glands which support he hair, and causes thin, dry hair to be-come thick, soft, and vigorous. It restores to cyclor of pour to becks which have become faded with age or disease; and relieves and cause fording, caused by lummers of the scalp. For George Gray, Nabata, S. H., or force: "It gives me
