Logan Creek Goes On Rampage As Wayne Gets 3-Inch Rain Saturday

(Continued From Page 1)

Northwestern Lines. A stock train, which arrived in Wayne at 8:30 last night was the first to get through from the west after repairs were hurriedly completed. Repairs had been made so that trains could resume operation on all lines in this vicinity Sunday evening with the exception of the line between Wayne and Carroll. Crews were working on that stretch of track and it was expected that work would be completed there late Monday afternoon.

Rainfall Recorded
Rainfall which ran over the 3-inch gauge at Carroll, swelled Deer Creek, which empties into Logan creek west of Wayne. Wayne received 2.93 inches of rain Saturday night and early Sunday morning as recorded on the gauge at the Carhart Lumber company here. Norfolk received only 1.98 inches of rain from Saturday night's downpour, so apparently the heaviest rainfall in this area was from Wayne west to Winside and Carroll. The gauge at Albert Watson's farm, north of Wayne, registered 3.53 inches.

Mail which usually arrives in Wayne from the south Sunday morning was not received until Sunday night when service was restored to normal.

The flood caused comparatively little damage in this vicinity and was of benefit to farmers in that it soaked the ground for the fall seeding of bromo and alfalfa.

While Logan creek often goes on a rampage in the spring here, a fall flood is unusual. Records at the Carhart Lumber company show that the total moisture received last September was only .38 of an inch and in September, 1940, measured .51 of an inch. However, the same month's total in 1939 was 4.78 inches. Total for September thus far this year including the 2.93 inches Saturday night and Monday's rainfall, is 4.74 inches.

County AAA Election To Be Thursday

(Continued from Page 1)

With the national defense effort placing added responsibilities upon the shoulders of farmers and their AAA committeemen, it is essential that producers in each neighborhood put their outstanding men into office at the approaching elections, county committee declared. They urged that every farmer attend and take part in his local meeting.

Wildcats Open Football Season Against Dakota Wesleyan Here Friday

Wayne Prep Team To Play Home Game Oct. 3

Six-man football will be played again this year at the Wayne Training School where Coach M. C. Bloss is striving to build a fast team with only three lettermen from last year's squad back. The team will be unusually light for a football team but some of the new candidates give promise of developing into fair players. Midget team prospects are particularly bright this year with ten grade school boys competing for places.

The Training School will be the last Wayne school team in action on a local gridiron this season. First home game will be with Dakota City on Oct. 3, following the opening game of the season when the Prep team will clash with Bancroft there on Sept. 27. The Bancroft game was added to the schedule just last week and some additional games may be slated later. A return game with Bancroft will be played here Oct. 16 and the only other home game on the schedule is with Coleridge here Oct. 22.

Wayne On Parade

(Continued From Page 1)

The war fever has reached the stage now where headline writers term the Nazi troops "hordes" and the President labels Nazi subs "ocean rattlesnakes". If you were reading newspapers in 1917, this sounds like a repeat performance.

President Roosevelt's luck, or no some term it, seems to be still hitting on all eight. Certainly, if anything was needed to unite the nation behind the administration's program of shooting it out with Nazi ships invading waters which we designate as necessary to our defense, it was supplied by the nation's former aviation hero, Charles Lindbergh, just a few hours after the President showed this nation within range of a shooting war. Mr. Lindbergh couldn't have wrecked the America First committee, center of opposition to the administration's program, more effectively than he did by his Nazi-like thrusts at the Jews. The time for debating what policy should be followed by this country has definitely ended; now it is time for all to unite to see that the policy, right or wrong, is carried out most efficiently and effectively.

Lack Of Reserves Is Chief Worry

Football season will be officially opened in Wayne Friday night when the Dakota Wesleyan eleven and the Wildcats of WSTC clash on the college athletic field. The game will give local gridiron fans their only opportunity to see the 1941 Wildcats in action on their home field for three weeks as the next two games on the schedule are to be played on opponents' fields.

Lack of reserves, which would make a series of injuries to Wildcats' gridiron hopes than was the case last year, is the major problem now worrying Coach Jim Morrison.

Many Veterans Lost
While some new members of the squad are showing promise, many veterans of the line were lost through graduation and withdrawals. The picture in the backfield is much brighter as many of the backfield stars of last year returned to the squad this year and unless injuries again plague the backfield and take a heavy toll as they did during last season, the backfield should handle its end of the game well.

Three hour practice sessions are being held now as Coach Morrison is striving to get his team in shape for the opening game. The Wesleyan eleven is expected to give the Wildcats plenty of competition in the latter's initial contest of the year.

Others Scheduled
The opening game will afford local fans the only opportunity this month to see the Wildcats in action as the team journeys to South Dakota University on Sept. 27 and clashes with the Nebraska Wesleyan team on the following Friday.

The three remaining home games of the season will be played in rapid succession with Doane college here on Oct. 10, Hastings college here a week later and Chadron here for the Homecoming tilt on Saturday, Oct. 25.

Ten lettermen returned to Wayne this year. They are V. Smith, Allen; Dick Peterson, Norfolk; H. Fitch, Wayne; Bob Westphal, Tilden; Coryell, Wayne; "Pi" Page, Pilger; Horace Purtzer, Madison; Jim Warren, Lyons; Bud Best, Stanton; Pete Kozisek, Stuart.

Roof Blaze Damage Is Estimated At \$25

Fire caused damage estimated at about \$25, to the roof of the Adam McPherran residence at 420 East Fourth street early Friday afternoon. The blaze was extinguished within a few minutes after the alarm was sounded.

High Team Meets Pierce Here Friday

Afternoon Contest To Open Season

Coach Frank Sullivan's Wayne High team will open its football season Friday afternoon when the local eleven clashes with the Pierce High team here. The game will be played at the WSTC Athletic field and will provide football fans with their first chance to see any Wayne team in action this year. The college plays its opening game of the year a few hours later at the college athletic field.

The game is scheduled for 2:30 in the afternoon and will be a conference game and the first game of the season for the visiting Pierce team as well as Wayne. The local team will be considerably lighter this year than last year's eleven and has only one regular lineman from last year's squad, Rex Johnson, back this year. However, the veteran backfield including Stull, Kessler, Murray and Harrison should provide a strong offensive.

The Wayne High band will play at the game and a season ticket sale contest is being conducted now between the Pep Club girls and members of the football team. Boys who are showing promise for positions in the line are Don Harvey; Homer Biermann; Don Greenwald; Don McPherran; Lewayne Tilton, Jack Beale, Willis Noakes, Duke Derry, Jim Strahan, Bob Meyer, Delbert Jensen.

Coach Sullivan has been drilling his squad at the athletic field each afternoon and although graduation cut heavily into last year's perfect-record team, some new material is showing promise and a fair team should be developed. With practice starting a week earlier this year than formerly due to a change in conference rules, both the Wayne and Pierce teams should be in better condition than was the case in the initial game last year.

The Wayne High team won every game on its schedule last year and revived considerable in-

terest in high school football here near the end of the season. A fair crowd is expected at the opening game against Pierce here Friday.

The Wayne team journeys to Stanton next week and will clash with Hartington high here in the third game of the season on Oct. 3.

Oil Outlook Meet Slated

Prospects For This Section To Be Discussed

Prospects for oil development in northeastern Nebraska will be discussed at a meeting to be held Tuesday evening at Norfolk, which is being sponsored by the Norfolk Chamber of Commerce. All Wayne residents interested are cordially invited to attend this meeting.

Considerable interest has been shown in this section of the state in recent months over plans to drill wells in the vicinity of Neligh and Wisner. Oil men have been active in these areas recently signing leases and making tentative plans for sinking wildcat tests.

H. G. Hotchkiss, who has been making a survey of oil prospects in this northeastern section of Nebraska, will speak at the Norfolk meeting and display charts. It is reported that rock formations in this region and in some of the major producing areas of Kansas show marked similarity. A wildcat has been staked by Cave and Wamhoff, producers, near Neligh and a portion of the

funds for a drilling contract has been pledged. Efforts have also been made in Wayne and other nearby towns to obtain financial support for the drilling of a test well near Wisner. A general discussion of the possibilities of opening an oil pool in this section of the state will follow Mr. Hotchkiss' talk at Norfolk.

CHURCH NOTES

Presbyterian Ladies' Aid will meet at 3 p. m. Wednesday at the church parlors. The group is giving a chicken pie supper Oct. 8.

The Extra \$80,000,000 THAT HELPED NEBRASKA BACK TO PROSPERITY

Since the return of legal beer to Nebraska eight years ago, it has provided jobs for thousands of unemployed workers . . . new markets for distressed farmers and manufacturers . . . additional tax money to relieve strained budgets of state and local governments.

In fact, since 1933, the beer industry has added more than \$10,000,000 a year to Nebraska's total income, as follows:

- Approximately \$68,224,000 in wages during the past eight years to 9,500 workers;
- \$1,000,000 annually in property rentals;
- Property investment estimated at \$4,000,000;
- State Excise taxes totaling \$3,545,547 since 1933;
- Hundreds of thousands of dollars in materials, equipment and supplies.

Besides strengthening Nebraska's economic structure, our industry is contributing to the state's social progress, through this Committee's cooperation with law-enforcement officials to maintain conditions in retail beer outlets as wholesome as beer itself.

MOVIE STAR JOINS U.S. NAVY

Ensign Wayne Morris Seeks Wings

Wayne Morris, recent star of "I Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of the United States Navy, Morris said, "I think every man who is considering joining a military service should look into the 'chance of a lifetime' which the Navy and Naval Reserve offer to get into the big-pay field of the future—aviation. In the Navy you can attend the finest flight training schools in the world, and receive in-

struction from Navy pilots who introduced dive bombing, aircraft carriers and catapult take-offs to the rest of the world. Also, there are opportunities in Naval Aviation for men who don't want to fly. They can be trained as aviation machinists, metal smiths, photographers, observers, or they can receive instruction in many other trades. It's a great life in the Navy."

Ensign Wayne Morris is pictured here in his line of duty as a member of the Naval Aviation Cadet Selection Board at the Long Beach Naval Reserve Air Base.

Lutheran Women
The St. Paul's Lutheran Women's society met in the parish hall Tuesday afternoon, with Mrs. John Grimm, Mrs. Leroy Grimm, Mrs. Ralph Morse and Mrs. Harold Gildersleeve as hostesses.

The group will hold a Grandmother's tea Thursday, September 18 at the parish hall.

Mrs. Doring and Mrs. Anna Spahr gave the missions lesson on "Each One Teach One." Rev. G. Gieschen played piano solos, "Marcel" by Godard and "Narcissus" by Nevin. Other music included duets sung by Mrs. R. C. Hahlbeck and Mrs. Gieschen, "Love's Old Sweet Song" by Molloy and "Believe Me If All Those Endearing Young Charms" by Moore.

Hostesses for the next meeting, September 25, will be Mrs. Emil Backstrom, Mrs. John Bush, Mrs. Archie Collins and Mrs. Otto Lutt.

Phone Company Using Substitutes To Save Metals

Through a materials substitution program, the Bell Telephone System, of which the Northwestern Bell Telephone Company is a part, will effect a saving this year of more than five million pounds of metals vital to defense needs, including enough aluminum to build more than 275 fighter planes.

The substituting of materials in 1941 will divert for use in defense work nearly 1,700,000 pounds of aluminum, almost a third of a million pounds of nickel, well over three million pounds of zinc and 8,300 pounds of magnesium. Additional reductions are foreseen for 1942.

The Western Electric Company, manufacturing company of the system, now saves 65 tons of aluminum annually by replacing aluminum with steel in the "finger wheel" on dial telephones. This is only one of many items of telephone equipment in which aluminum is being replaced by other materials.

The use of zinc is being substantially reduced by coating much of the hardware used on telephone pole lines with lead, instead of putting these products through a galvanizing process. Also, less zinc is being used in the production of new telephones.

There is only one girl and seven boys enrolled in the first grade at District 41.

Thirteen pupils have been enrolled in District 61. There are all the grades except the eighth. The school room was cleaned during vacation and the hall repainted, including washstand, cabinet and benches. The floor was oiled and curtains laundered for the new term.

There are only three grades represented in District 21 this year. They are the sixth, seventh and eighth grades.

CITY SCHOOLS
Miss Janice Felthouser, English teacher and debate coach at the city high school, spent the weekend at her home in Lincoln.

City school health exams over Dr. L. J. Killian, school physician, announces that the high school has surprisingly few students with physical defects although the elementary grades have a few pupils with bad teeth and tonsils.

To complete the health program plans, a follow-up to family doctor plans must be carried out.

Axel Bundgaard, assistant athletic coach at Wayne city high school, visited in Fremont and Omaha this weekend.

The first general city high school assembly period was held Friday in the form of a pep meeting to arouse interest in the sale of football tickets which started Monday, and school activity cards.

The football squad members have teamed up against the pep club in the ticket sale race, the prize to be a dinner furnished by the losing side.

The assembly program, with Principal Milton Beckmann as master of ceremonies, included a pep talk to gridmen by Coach Frank Sullivan and one to the pep club by Miss Theodora Carlson. Music director K. D. Hansen led the group in singing to close the convocation.

Supt. J. W. Litherland, Coach Frank Sullivan and Assistant Coach Axel Bundgaard, all of city schools, attended the meeting of the football rules commit-

tee of the Nebraska High School Activities association Tuesday evening at Norfolk.

Wayne City High school has 134 tuition students registered this year — two more than a year ago.

'Buddy' Plan At Ak-Sar-Ben Show Retained

Encouraged by the success that marked inauguration of a "Buddy" plan at the 1940 Ak-Sar-Ben Live Stock and Horse Show, and responding to many requests from 4-H Club and Omaha boys and girls who participated, officials have decided to continue the plan at this year's Ak-Sar-Ben show in Omaha the week commencing Sunday, October 5.

Nebraska and Iowa state 4-H leaders and representatives of county agents in the two states met with show officials and heads of Omaha youth groups here early this week to draw up a tentative 1941 "Buddy" program. Object of the plan is the fostering of closer acquaintance among the rural and city youth of this section.

Highlights of the 1941 program will include a barbecue and games at Elmwood park, adjacent to Ak-Sar-Ben field, on Monday evening of show week; a parade from the park back to the Coliseum, and a gigantic and colorful youth rally with a patriotic theme for Monday night Horse Show visitors.

Tuesday afternoon guests in the J. K. Johnson home were Mr. and Mrs. A. E. Childs and Maurice of Belden.

Friday and Saturday the Northwestern Telephone Company are going to try a new stunt at serving the public. They are extending an invitation for Wayne people, old and young, great and small, to come Friday to their office any time between the hours of nine in the morning and five in the afternoon and have a drink or a smoke with them, if you don't drink punch — or perhaps both. They want to show you how they run a hello plant — and let you see what it is like.

Mrs. Clarence Conger went to Bloomfield Monday morning, where she will spend a few days.

Mrs. George Crossland went to Randolph Tuesday to look after some matters of interest in the missionary society, and take a part in a meeting at that place.

Mrs. Paul Harrington went to Lincoln Tuesday morning to spend a short time visiting at the home of her sister, Mr. and Mrs. George Smith.

Chicken thieves are marauding Cuming county to such an extent that a shotgun treatment is promised in the papers; there unless the practice stops. Well, in some neighborhoods not far from Wayne the law of the "shotgun" treatment is due to some people, and who they are seems to be pretty well known.

Miss Fern Oman, who has been spending the chautauqua season in the South and West as one of the artists of a strong company, is home for a time. She says that she enjoyed the work greatly — met many good people, saw much of the country, and is glad to get home and see this good country and good people.
