# Wayne High Wins From Stanton 19-0

## Kessler And Stull Lead Strong Attack

Coach Frank Sullivan's Wayne High eleven won their second football victory in as many starts this season by defeating Stanton High at Stanton Friday, 19 to 0. Kessler and Stull shared top honors and chief credit for winning the game but the line also showed considerable improvement over the opening tilt. Johnson and Harvey were outstanding for Wayne in the line.

**Howe They Scored**  
The first touchdown came in the first quarter and followed a 70-yard drive with Stull carrying the ball into pay dirt on a short buck. Stull booted the extra point, making the score 7 to 0. Two more touchdowns were made by the Wayne team in the first half but both were called back one because of a penalty and the other because the Wayne team fumbled in the end zone. The half ended with Wayne still holding only its 7 point margin.

In the third quarter, the Stanton team made its only really serious threat of the game and drove to the 15-yard line before Kessler intercepted a pass on his own 7-yard line and raced 73 yards to a touchdown. It was a beautiful run and Don Harvey deserves a large share of the credit for the excellent blocking he did on this play. Harvey was several yards behind Kessler when the pass was intercepted but raced ahead of his team-mate to take out a Stanton player and clear the way for a touchdown.

Kessler scored the third touchdown of the game in the fourth quarter on a short buck into the line. Wayne more than doubled the first downs on the Stanton eleven and the only real threat of the game ended when Kessler intercepted the Stanton pass in the third quarter. Wayne High clashes with Hartington High's team in the local eleven's only night home game of the season Friday night. The game is scheduled for 8 o'clock and will be played on the college field. It is a conference game and should be one of the best of the season. Hartington has won one game and lost one this season while the local eleven, which chalked up a perfect record last year, has two victories and no defeats thus far this season. Kessler and Stull are playing outstanding football this season and should make strong bids for all-state teams if they continue as they have opened the season.

# Wildcats Blanked By Dakotans

## Coach Morrison's Men Outplayed At Vermillion

South Dakota University's football team outplayed the Wayne State Teachers college Wildcats throughout most of the game Saturday at Vermillion and chalked up a 13 to 0 victory.

The Wildcats played a good defensive game but were weak on the offense due, partially to the absence of Best and Kozicek, who are recovering from injuries and were unable to play. The line, made up almost entirely of newcomers to the squad, showed considerable improvement over the initial game of the season played here a week ago.

**Threaten Early**  
Wayne made its principal threat of the game early in the contest. When South Dakota kicked off, the ball went out of bounds near the middle of the field and on an exchange of punts and passes, Wayne drove deep into state's territory before being held for downs.

South Dakota made its first touchdown in the first half advancing the ball to about the Wayne 30-yard line on a series of passes and then plowing through the remaining distance. The kick after the counter was good and the half ended with the score, 7 to 0.

Passes were responsible for the only other touchdown of the game. Wayne depended largely on passes for its attack and although Peterson and Smith nabbed some long ones, the passing attack failed to function when it would have resulted in touchdowns.

**Wesleyan Next**  
Mandel did some excellent punting for Wayne and deserves a large share of the credit for holding the Dakotans to two touchdowns.

The Wildcats will clash Friday with the Nebraska Wesleyan eleven on the latter's field and return to Wayne the following Friday to meet the Doane college team here in the first of a series of three home games on successive weekends.

Robert O. Jones, who has been working for the Nash-Finch company at Crawford, resigned his position and returned to Wayne Saturday.

## CCC Workers Gathering Seed

The enrollees at the CCC camp have been gathering some grass and tree seed for the Soil Conservation Service. Approximately 200 pounds of Canada wild Rye

seed and 100 pounds of Bur oak acorns were collected recently. The enrollees are assisting in combining and curing the native Big bluestem seed being harvested in this camp area for the Soil Conservation Service. Seeds collected for the Soil

Conservation Service are used for research studies or for demonstration plantings on farms in which the owners are co-operating with the Service.

Kenneth Johnson, Bob Merchant and Miss Lois Young spent the weekend in Lincoln.

# Prep Team Beaten, 19-2

## Heavy Bancroft Team Takes Grid Opener From Wayne

Outweighed by several pounds to the man and handicapped by the loss of two stars during the last half of the game, the Wayne Prep six-man football team dropped its first game of the season Friday to Bancroft High. The game, which was played at Bancroft, ended with the home team holding a 19 to 2 victory.

Kenneth Echtenkamp went out early in the game due to injuries, and B. Hughes followed him to the bench later. Prior to the loss of these two players, Wayne held a 2 to 0 lead as the result of a safety.

During the latter part of the game, however, the Bancroft players drove their way through the Prep team. Bancroft held the advantage of having a team composed almost entirely of veterans while Coach Bloss has only two veterans back this year.

The Training school team will clash with Dakota City here next Friday in the opening game of the season. The contest is scheduled for 3 o'clock in the afternoon and will be played on the college field. It should be a closely contested game as the strong Bancroft team, which crushed the local team Friday, defeated Dakota City, 21 to 6, in its opening tilt of the season.

# Native Big Bluestem Grass Seed Combined

Native Big bluestem grass seed is being combined by the Soil Conservation Service in the vicinity of Winslow, again this year. Elverne C. Conrad, regional nursery manager of Lincoln, has arranged for the combining.

Big bluestem is being combined on the farms of Floyd Asplin, Lloyd Johnson, and Ernest Fuhrman. Walter A. Carpenter, a CCC camp co-operator, has been secured to combine the seed. As far as known, Carpenter is the first farmer to combine Big bluestem in northeast Nebraska. The Soil Conservation Service combined Big bluestem in this vicinity with its own equipment last year.

The Big bluestem seed is being combined from the second cutting or aftermath. The farmer who has native Big bluestem meadows in his waterways may secure two hay crops and a seed crop when there are ample seasonal rains. Meadows to be left for a seed crop should have the first hay crop removed the latter part of June or early in July. The second hay crop is cut immediately following the combining of the seed crop.
