WOMANHOOD

GYMNASTICS IN THE HOME

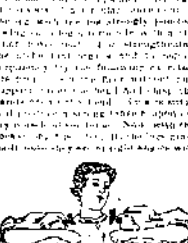

Women of fashion in New York City are beginning to take a great interest in the subject of womanhood. They are beginning to take a great interest in the subject of womanhood.

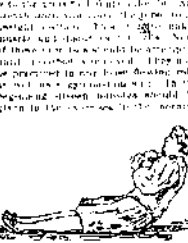

The first thing that a woman should do when she begins to exercise is to warm up. She should do some light exercises for a few minutes before she begins her main workout.

After she has warmed up, she should do some more strenuous exercises. She should do some exercises that will strengthen her muscles and improve her posture.

It is important for a woman to do her exercises regularly. She should do her exercises every day, even if it is only for a few minutes.

By doing her exercises regularly, a woman can improve her health and her appearance. She can become stronger and more graceful.

Womanhood is a beautiful thing. It is a time when a woman can be strong and graceful. She can be a woman of fashion and a woman of letters.

All women who wish to be strong and graceful should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women in general should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of fashion should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of letters should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all ages should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all classes should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all colors should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all religions should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all nations should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all languages should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all professions should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all talents should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all virtues should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

Women of all graces should do some gymnastics. They should do some exercises that will strengthen their muscles and improve their posture.

PEARLINE
Keep your eye on
Pearline "ads."
Even if you use it already, you'll find
joints here and there that will greatly
help you. And there isn't a man,
woman, or child out can be helped
by Pearline.
All these advertisements are
meant for the good of Pearline,
of course, to show you the best
and easiest and cheapest way of
washing and cleaning, and to lead you to use it. But if they do,
they will have helped you far more than they will have
helped Pearline. You have more at stake. All the money
you could bring to Pearline, by using it, wouldn't be a drop
in the bucket to the money you'd save by it.
Send Pearline and some suggestions to the
"ad" man, and you'll see how it's done.
