It looks as though McKinley would be re-elected at the first ball in the St. Louis convention.

It is the intention of the Illinois Legislature to hold a session in July, and the Gov. seems to be ready to convene.

It is said that an action has been taken in the city of Chicago to get the members out of a session in the city of Chicago.

The State is now suffering in the same way as it did in 1892, and it is not a correct measure to the general effect.

A large number of men are being employed in the State, and it is not a correct measure to the general effect.

RIPAN TABULES

It is Martin of 107 Street N. W. Washington, D. C. in a recent letter just read me by Mr. H. H. Howell of the Washington Post that he had been cured of a long and painful illness by the use of Ripan Tablets. He writes: "I had been suffering for many years with a long and painful illness. I tried every known remedy, but nothing seemed to relieve me. After several weeks of fruitless treatment, I was advised to try Ripan Tablets. I bought a box and took them as directed. I was cured in a few days. I am now well and happy." Ripan Tablets are sold by all druggists.
