PLUG

The best reason in the world why some things sell so well is because they are good. That is one reason for the great sales of "BATTLE AX." But good quality is only half the story. The other half is the size of a 5 cent piece. It is as big almost as a 10 cent piece of other and poorer kinds. Facts are facts. You can buy and see for yourself. Five cents isn't much to invest.

Mistress and Maid
 Both have their part in the great savings that come from Pearline. Suppose you're the mistress. There's the economy of it—the saving of time, etc., and the actual money that's saved by doing away with that steady wear and tear on everything washed. Suppose you're the maid. There's the saving of labor; the absence of rubbing; the hardest part of the housework made easier and pleasanter. But suppose you are mistress and maid, both in one, doing your own work. Then there is certainly twice as much reason why you should do every bit of your washing and cleaning with Pearline.
