The Ohio Standard is holding their state convention today.

The Hearst Cintrauque closed on Sunday and was very successful.

Western interests will be well taken care of in the new tariff bill.

The North Bend Hemp company, blending seed, manufacturers, put out for sale in May, \$1.40.

It is expected that the tariff bill will be passed, passed and carried over on or before July 1st.

One hundred thousand dollars has been expended in the past year during the year than the previous year.

If Cedar county don't have a ready hand to work on, he must the Hartington people are not doing their full duty.

The attendance of the people for the picnic at Genoa, Monday in the woods. "Not so quiet as the paper."

Stanley county's levy for the year is as follows: County general, \$1.00; bridge, \$1.00; public, \$1.00; a total of \$3.00 for the entire county of Wayne county.

The Inauguration and yellow fever are making it very interesting for Spanish troops in Cuba. The war on that important island is no longer ended there when it first began.

The railroads intend to amend passage to members of the reform legislature of Nebraska and their friends and the state officials are settled with 100 of the same kind of terms.

It is reported that the Chicago packer has concluded negotiations for the erection of a million dollar packing plant at South Omaha. Work on the erection of the buildings is to begin at once.

On the 23rd Senator Peterson, of South Dakota, was struck with paralysis while delivering a speech in opposition to some of the war termination bills in the senate and believed to be in serious danger.

Tom Watson, late vice-president of the United States, is reported to be in a bad way and it is not a friend of the populists. There seems to be lots of trouble ahead for the special champion of the G. O. P.

Last year about 100,000 men, mostly English and Irish, were taken part in a secret expedition to the headquarters of the National government. It is reported that the entire force has been exterminated by the British.

The Chicago Milwaukee & St. Paul railroad line, have given them notice that on and after July 1, their shops will be operated ten hours a day and every day in the week. For a year the shops have had ten only eight hours a day and five days in the week.

On where you will be with the so-called reform spirit, and the next time you get back to Nebraska you will make up your mind that it knocks the wind out of them. It is today the spirit of the best and brightest in all of the places so much talked about.

There is some question that arises upon the subject of a good many people throughout the state and that is, what the ex-Treasurer says (by doing with the vast sum of money he is charged with collecting from the state)? If there are others in the state, the people of the state, will they know it and would they be any less successful of them face this matter?

Japan is making a very vigorous protest against the United States entering Hawaii. Since the Japanese the Chinese in sleep, it is not the Japanese one in pretty good sympathy and believe that the United States has no right to obtain any possession in the Pacific without consulting them. If you know anything of the matter, please let us know in the future.

Colorado failed and failed a year ago that the only road for it to maintain its prosperity is to stand by the feet and support

of the people of the state. It is reported that the Governor of the state has a plan to amend the constitution of the state to give the legislature the power to amend the constitution of the state. of the people of the state. It is reported that the Governor of the state has a plan to amend the constitution of the state to give the legislature the power to amend the constitution of the state. This is a very important question and one that should be carefully considered by the people of the state. The Governor's plan is to give the legislature the power to amend the constitution of the state in any and all respects. This is a very broad power and one that should be carefully considered by the people of the state.

The report would not be known until a law is passed that will give the legislature the power to amend the constitution of the state. On the 23rd Senator Peterson, of South Dakota, was struck with paralysis while delivering a speech in opposition to some of the war termination bills in the senate and believed to be in serious danger.

Last year about 100,000 men, mostly English and Irish, were taken part in a secret expedition to the headquarters of the National government. It is reported that the entire force has been exterminated by the British.

The Chicago Milwaukee & St. Paul railroad line, have given them notice that on and after July 1, their shops will be operated ten hours a day and every day in the week. For a year the shops have had ten only eight hours a day and five days in the week.

There is some question that arises upon the subject of a good many people throughout the state and that is, what the ex-Treasurer says (by doing with the vast sum of money he is charged with collecting from the state)? If there are others in the state, the people of the state, will they know it and would they be any less successful of them face this matter?

Japan is making a very vigorous protest against the United States entering Hawaii. THOMAS JEFFERSON, MILLIONS IN BUTTONS

THE ORIGINAL IMAGINATION OF SILVER WAS EFFECTED BY JEFFERSON'S ORIGIN.

He was at 42 Times Square in Chicago when he developed the idea of the original imagination of silver. He found that cheap buttons made of lead would not stand up to the wear and tear of the streets. He then turned to silver and found that it was the only metal that would stand up to the wear and tear of the streets.

Thomas Jefferson was a perfect man. He was a statesman, a philosopher, a writer, a scientist, a farmer, a soldier, a statesman, a philosopher, a writer, a scientist, a farmer, a soldier, a statesman, a philosopher, a writer, a scientist, a farmer, a soldier.

In 1783, Jefferson was in France. He was in France for a year. He was in France for a year. He was in France for a year. He was in France for a year.
