**Practical Dental**, over thirty years in the profession, and a graduate of the University of Chicago, will be in charge of the dental department of the new building of the **Wayne National Bank**, which is now under construction. The building is located on the corner of 10th and Broadway streets, and will be completed in about six weeks. The dental department will be equipped with the latest and most improved appliances, and will be under the supervision of a highly qualified and experienced dentist. The building is a fine example of modern architecture, and will be a credit to the city of Wayne.

**"He That is Warm Thinks All So."**

Thousands are "cold" in that they do not understand the glow of health. This implies disordered kidneys, liver, bowels, blood or brain. Hood's Sarsaparilla makes "warm" because it glows all who take it perfect health.

**WOMEN WHO EARN THEIR LIVING**

I had been in prospect for some time my troubles having been brought on by standing, as my physician told, reading serious work, and I had to get up very early in the morning. I had been reading with me. I had been reading with me. I had been reading with me.

Let's carry on to the end and see what I can do for you.

**The Pioneer Medicine is Ayer's Sarsaparilla**

Before sarsaparilla was known, fifty years ago, it began its work. Since then you can count the sarsaparilla by the thousands with every variation of imitation of the original, except one. They have never been able to imitate the quality of the pioneer. When you see Ayer's on a bottle of sarsaparilla that is enough; you can have confidence at once. If you want an experiment, buy anybody's Sarsaparilla; if you want a cure, you must buy
