Backache

Wearing, restless backache.
Dull, exhausting and constant pain.
No comfort by day. No rest at night.
Aches in the small of the back, pain to
down in the side. No aspirin for any task no
hope for relief. Great numbers of women are
not free from backache from one year and
to another.

Among Mrs. Pinkham's witnesses
there is none more complete than
that over backache and the evi-
dence of thousands of
women prove that she
is its conqueror.

Mrs. C. Klink of Wells,
Main, writes:
"Dear Mrs. PINKHAM—
I suffered for years with a
long list of troubles, and I
want to thank you for my
complete recovery. Lydia
E. Pinkham's Vegetable
Compound is a wonderful
medicine for women."

I had severe frontal
backache, causing terrible
headache, and was unable
to stand very long periods
at the time. Had leucorrhoea
and such a distressing
feeling. I now
have taken seven bottles
of your Compound, and have
feared the doctor. I
feel like a new woman.
I must say I never had
any sleep me at which
I have better health than
I ever had in my life.
I feel as light and can work
and enjoy myself as ever.
I have taken 8 Pinkham's
Vegetable Compound, and
the result for 1 month
has freed me of all my
troubles. I would not
witness your remedies
for anything."

When a woman
has severe back-
ache she has some
serious trouble
that will sooner or
later declare itself.

Mrs. H. Fulton of Toledo,
Ohio, found that her back-
ache was caused by a
stomach, which she
found, with three
bottles of Lydia E.
Pinkham's Vegetable
Compound, expelled.
This is Mrs. Fulton's
letter.

"The doctor says
I have a constant
backache and rheumatism,
and was very nervous.
I consulted a doctor who
gave me medicine and
told me to take the
best of the Compound and
take the best of the
Compound and take the
best of the Compound."

The safe way to guard against trouble is
to get Mrs. Pinkham's advice when the back-
ache first appears. A letter to her at Lynn,
Mass., describing your case, will receive a
prompt reply without charge.

"Your Backache is a Friend to Women."
"I have had backache which I tell you the great good
your medicine has done for me. I do not feel like the same
woman. I have suffered terribly. Headache and a killing
trouble. Sometimes, very severe pain at hips and side
of abdomen. I had been very nervous. My
I have now taken four bottles of your Vegetable Compound,
and the backache has been removed. My stomach is
well, and I am able to do my work as usual. I feel
wonderful. I am indeed a friend to women. I wish that I could
tell every woman who would a wonderful medicine to me. I cannot
praise it enough. — Mrs. Anna J. Peasemaker Pine
Summit, Pa.
