WATER BILE. Causes bilious head-ache, back-ache and all kinds of body aches. Spring is here and you want to get this bile poison out of your system, easily, naturally and gently. CASCARETS are just what you want; they never grip or gripe, but will work gently while you sleep. Some people think the more violent the gripping the better the cure. Be careful—take care of your bowels—salts and pill poisons leave them weak, and even less able to keep up regular movements than before. The only safe, gentle inside Spring cleaner for the bowels are sweet, fragrant CASCARETS. They don't force out the fecal matter with violence, but act as a tonic on the whole 30 feet of bowel wall, strengthen the muscles and restore healthy, natural action—buy them and try them. You will find in an entirely natural way your bowels will be promptly and permanently put in good order for the Spring and Summer work.
