VOL. 7.

Our.... Anniversary

One year ago we came to Wayne and we have met with greater success than we had reasons to expect. We came with a new well selected stock. Our trade was good from the start and has been increasing every day since. To meet an increasing trade we have put in more than double the stock we had last year. We now have the largest and best selected stock of clothing ever brought to Wayne county. Our stock would be a credit to a town twice the size of Wayne. The class of goods we sell has induced people to come from neighboring towns to trade with us. When we located in Wayne we believed there was room for a first class men's pricng cash clothing store and we are glad to state we were not mistaken. Our success has proven that the people appreciate our efforts. Some of our competitors predicted that we would be here about six months others said that about one year would satisfy us that Wayne would not support an up-to-date clothing store such as we are conducting. Our method of buying and selling goods has proven that the old way of selling clothing is no longer time cannot compete with us. The class of goods we sell cannot be bought outside of a city. Our prices are good, our service is good, and our selection is good. Come to "The 2 Johns" for good selection in our clothes and we will assure you will please you. If you have ever looked at our clothing it will pay you to call in as before you buy. Our goods are all marked in plain figures and we sell strictly at cost price. If you should change your mind after you bought the goods we will return them and your money will be cheerfully refunded.
