PREVENTED BY
Cuticura SOAP

MILLIONS of Women Use CUTICURA SOAP, named by Cuticura Ointment, the great skin cure, for preserving, purifying, and beautifying the skin, for clearing the scalp of dandruff, scales, and dirt, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby washes, face-powders, and shampoos, in the form of bath, for annoying irritations and inflammations, or too free or offensive perspiration, in the form of washes for olivaceous wash-faces, and many sanative antiseptic purposes which readily suggest themselves to woman and mother, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used their great skin purifier and beautifier to use any other. CUTICURA SOAP contains delicate excellent perfume derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicinal soap is so compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other hygiene or domestic toilet soap, however expensive, is so compared with it for all the purposes of the toilet, bath, and nursery. It is of confidence in ONE PRICE, via TWENTY-FIVE CENTS, the BEST skin and complexion soap, and the BEST toilet and baby soap in the world.
