in telegraphic reports. (N. Y. Sun.) So all washing and cleaning is easy, quick and safe—if you believe what the peddlers and some grocers tell you about certain washing powders. Now, you can test the ease and the quickness, very soon. But the safety—that is another thing. You can't prove that to yourself without a long, and perhaps expensive and disastrous trial.

Butter stick to the first-made, never-changing, best known washing-compound—Pearline. Almost any woman can prove to you the safety of Pearline. And nothing that can be, and has been, thus proved will do all your washing and cleaning so easily, so quickly, and so economically.

THE 'VICTIMS' NAMED.

The Adjourned Popular County Convention Completed Its Labors on the 7th.

A Full Ticket With the Exception of County Judge and Coroner Named

According to adjournment of a formal date for the voters of the county, about twenty-five in number assembled at the court house in Wayne on Saturday the 7th and proceeded without any great flourish or pomp to the completion of a county ticket, making it complete except county judge and coroner.

The first vote on the floor at the session for treasurer. (C)le Henry Hildebrand was nominated by acclamation. Earl Dillie of Wayne was nominated for county clerk after the vote had been counted by Earl Hildebrand though it was a poor fit for the purpose to be a popular vote for office. W. E. Wagoner was nominated for clerk, with the vote. C. W. White knocked Frank Morse out of the box in the third round and went off with the majority. The election of the board. During the session of holding the nomination (C)le Henry Hildebrand in mind rather verbose expressions and made some rather startling assertions and in that connection the vote with in the county was conducted in a way which was deemed to be a disgrace to the county and expense of the party delegates were furnished them to attend state conventions. This may be a more laudable name but when it is compared to the title then it is a matter of fact that it is a disgrace to the county and expense of the party delegates were furnished them to attend state conventions.

NOTES OF THE CONVENTION.

"C)le Henry" was pretty scarce on the 7th; he was not here at all. His absence was a matter of fact. It is a disgrace to the county and expense of the party delegates were furnished them to attend state conventions.

"Talk about 'out and dried' conventions and manipulation of engineers, someone showed the hardware of the man in the chair. The man in the chair was not a man of the county and expense of the party delegates were furnished them to attend state conventions.
