WILL KEEP YOU DRY.

# WOMEN

## WOMEN IN BUSINESS.

CHARLES D. WRIGHT, in an article in the "Financial Review" of the 15th of the month, discusses the position of women in business. He points out that the proportion of women in all occupations has increased in the past few years, and that this increase is due to the fact that women are now entering business in large numbers. He also points out that women are now entering business in large numbers, and that this is due to the fact that women are now entering business in large numbers.

It is also pointed out that women are now entering business in large numbers, and that this is due to the fact that women are now entering business in large numbers.

It is also pointed out that women are now entering business in large numbers, and that this is due to the fact that women are now entering business in large numbers.

### JAPAN'S GREAT ENTERPRISE IN AMERICA.

LARGE APPROPRIATION BY IMPERIAL DIET.

Several months ago the Japanese Government, through the efforts of Mr. H. Higashi, President of the Japanese Professional Association, and Mr. J. G. Brown, Secretary of the American Professional Association, arranged for the appointment of a Japanese mission to investigate the possibilities of Japanese trade in the United States and Canada and in cooperation with Mr. J. G. Brown and Mr. J. M. Brown, the American representatives of the Japanese Trade Guild, in the matter of Japanese trade and the possibility of securing them for duties which would favor the best interests of both countries.

It is also pointed out that women are now entering business in large numbers, and that this is due to the fact that women are now entering business in large numbers.

It is also pointed out that women are now entering business in large numbers, and that this is due to the fact that women are now entering business in large numbers.

It is also pointed out that women are now entering business in large numbers, and that this is due to the fact that women are now entering business in large numbers.
