**AN AFFAIR OF THE NATION**

It has been said of Americans that they are a nation of dyspeptics, and it is true that few are entirely free from disorders of the digestive tract. Indigestion, Dyspepsia, Stomach and Bowel trouble, or Constipation. The treatment of these diseases with cathartic medicines too often aggravates the trouble.

**THE LOGICAL TREATMENT**

is the use of a remedy that will build up the system, thereby enabling the various organs to act as Nature intended they should. Such a remedy is found in Dr. Williams' Pink Pills for Pale People. Here is the proof.

**Health and the Heredity**  
 Many people are of the opinion that heredity is the only cause of disease. This is a mistake. Heredity is only one of the causes of disease. The other causes are environment, diet, and habits. A person may be born with a weak constitution, but by proper care, he can become strong and healthy.
