French Carriers' Alleged.

Paris, Feb. 21. — The French carriers' union has been accused of a conspiracy to fix rates for the transport of goods from France to other parts of Europe. The union claims that it has been successful in its efforts to raise the rates, and that it has received the support of many of the carriers in the industry. The government has expressed its concern over the alleged conspiracy, and has threatened to take action against the union if it continues its activities.

The Hope of the Community.

It is a story of a young boy who is orphaned and taken in by a kind-hearted family. The boy is very intelligent and hardworking, and he quickly becomes a member of the family. He helps his adoptive father with his business, and he becomes a source of pride for the family. The story is a heartwarming tale of family love and the power of a good upbringing.

CHRISTMAS

SONNETS.

The Christmas spirit is a thing
 That comes to us from the North Pole,
 A gift from the land of the snow,
 A gift from the land of the cold.

It is a gift that we all receive,
 A gift that we all should receive,
 A gift that we all should receive,
 A gift that we all should receive.

ORIGIN OF 'M' PLOW

The earliest mention of the 'M' plow is found in the records of the Massachusetts Bay Colony. It was first used in 1630, and was a simple wooden plow with a single blade. The 'M' plow was used for plowing the fields of the colony, and was a very important piece of machinery. It was used for many years, and was a very important part of the colony's agriculture.

AUG. PIEPENSTOCK

Has purchased the stock of General Merchandise of L. J. Hansen and has added it to his own former line and now offers the most

Complete Stock of Dry Goods, Notions, Hats, Shoes, Gent Furnishing Goods, and Groceries in the City.

These goods are all new and were bought advantageously. The stock is larger than I desire to carry and I have decided to make low prices in order to move it. The highest price for butter and eggs in exchange for goods at such prices.
