The Racket

Local and Miscellaneous.

There is a general feeling of optimism in the city. The business is picking up and the people are more cheerful. The weather is also improving, which is a great help to the outdoor industry.

The city council has passed a resolution to support the school board in their efforts to improve the public schools. This is a very commendable action.

The fire department has been very busy lately. There have been several fires, but they have been quickly extinguished. The firemen are doing a great job.

The city is looking forward to the coming year with confidence. There are many good prospects for the future, and the people are working hard to make the most of them.

The school board has announced that the new school building will be completed by the end of the year. This is a great improvement for the city.

THE WAYNE DEPARTMENT STORE.

Is now located in the even. WAYNE, WAYNE, at the corner of Main and Third streets. Every department is full of new and novel things purchased at the best markets and at accessible cash prices, this is the basis on which we ask you to trade with us, because it pays you too. We would not expect you to buy at this store for any other reason, but we can ask you to trade here for that reason, safe and sure in the knowledge that we will give you value for every dollar you spend with us, and better value than you would obtain in nine out of ten other stores. Strong talk this, but we are ready to back it up "to the hilt" at the store in a way most satisfactory to you.
