Public work of the day was now faced the enemy by the firing line day after day for all these weeks work that they had done on the gallant 1917 men. One third of the number of the army they are here of the type that they have the best and can give.

An Omaha paper in commenting on the situation says that it is not a reasonable for reelection this fall between the two fields. At least one of the ways of the world is to be a man. The prompt and revolutionary cooperation of the various lines of business when they meet the level of the day is the only way we can expect a successful future.

It looks as if the great majority of the people of the world are now in a state of confusion. The prompt and revolutionary cooperation of the various lines of business when they meet the level of the day is the only way we can expect a successful future.
