What \$12 will Buy.

The above named price is marked on several hundred very well, very pretty, very excellent suits, all bearing the label of the Hart, Schaffner & Marx Company. The fabrics are pure wool fabrics in fancy patterned colorings as well as plain black and blue, stripes of coats are double as well as single breasted, and the entire appearance and serviceability of these suits are equal to any which you may have made to measure at \$35.

There is a reason why we sell these Suits at so low a price, but it concerns you not, as it has no bearing at all on quality of price.

There is rich picking for early comers. Significant loss makes a rich gain in this world of opportunity. An H. B. & M. suit for \$12 is an opportunity which should not be lost.
