Captain Molly

The Heroine of Monmouth

BY JOHN R. MUSICK

Copyright, 1916, by John R. Musick

CHAPTER X
The first thing that struck Molly when she stepped out of the house was the cold. It was a sharp, biting cold that had never before in her life. She had been used to the warm, sun-drenched days of the South, but this was different. This was the North, and it was a different world.

She had heard so much about the North, but now she was here, and she was not at all prepared. Her dress was too light, her shoes were too soft, and she felt like an alien in a strange land. She looked at her hands, which were so soft and delicate, and wondered how they would hold a rifle or a sword. She had never before held a weapon, and she was now expected to do so.

The first day in the North was a baptism by fire. The soldiers were rough, the food was poor, and the discipline was severe. Molly had never before seen such a sight, and she was not at all prepared. She had heard so much about the North, but now she was here, and she was not at all prepared.

ITCHING Burning Scaly HUMORS

Complete External and Internal Treatment

Cuticura

THE SET \$1.25

Consisting of CUTICURA SOAP to cleanse the skin of crusts and scales, and soften the thickened cuticle, CUTICURA OINTMENT to instantly allay itching, irritation, and inflammation, and soothe and heal, and CUTICURA RESOLVENT to cool and cleanse the blood, and expel humor germs. A SINGLE SET is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humors, rashes, itchings, and irritations, with loss of hair, when the best physicians, and all other remedies fail.

WONDERFUL CURE OF PSORIASIS.

As a witness for thirty years from the worst form of Psoriasis, finally cured by Cuticura Soap and Cuticura Ointment, I wish to tell you my experience, that others may benefit by it. I was in a very much afflicted that the matter that caused it, some years after the scales had peeled off, would cause my scratching to actually gain to my body. After examining in one position, sitting or lying down, for an hour or two, the flesh on my elbows and knees would split, to bleed, and have the crusts come off. The humiliation I experienced, to say nothing of physical agony, was something frightful. The detached scales would flake away from my chest, elbows, I have had none of your remedies that appear to cure as had as this. But as to the case, I recommend bathing in hot Cuticura Soap with slight and morning, applied the Cuticura Ointment, and then washed myself in a clean. In two weeks my skin was almost blood red in color, but without scales. Patches of natural color then began to appear, and in less than a month I was cured. I am now passed forty years of age and have skin as soft and smooth as a baby's. Hoping that others may benefit by my experience, and getting that sensitive forehead out from discarding my name.

I am yours gratefully,
J. H. M., Boston, Mass., Sept. 30, 1903.

Millions of People Use Cuticura Soap

It is the most effective remedy for itching, burning, scaly humors, eczema, psoriasis, and all other skin diseases. It cleanses the skin, soothes the inflammation, and restores the natural color and texture of the skin. It is used by millions of people in every part of the world.

CONSTIPATED

OLLAGE

MEANS misery on the eve of life. Nine out of ten old people are constipated because of the tenacity of their intestines have become weak, worn out and flabby. Constipation is the cause of old age, causes bile and acid poisons to remain in the blood, staining the skin yellow and wrinkled, the eyes heavy and causing the "bones to ache".

Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with **CASCARETS, CANDY CATHARTIC**, the greatest bowel tonic ever heard of. Try them to-day - a 50c box - a whole month's treatment - and find that the tortures of constipated old age are

At the rate of about 100 copies of the paper are sold each week, with call at 10c per copy, the highest price ever paid for a Nebraska paper.

The weekly circulation of the paper at Lincoln, and the fact that it is published without being able to procure the necessary appropriations for the election of members by direct vote of the people is a pity.

It is pleasing to hear that the friends of the paper have been able to procure the necessary appropriations for the election of members by direct vote of the people.

Expense incurred by the Union for the election of members by direct vote of the people is a pity.

With the passing of a hundred years, the people of this country are still in the same condition as when the first settlers came to this country.

Senator Thorne's return from his tour of the West is a great success. He has been able to procure the necessary appropriations for the election of members by direct vote of the people.

You may well say, what is the use of this? The answer is, it is the only way to secure the necessary appropriations for the election of members by direct vote of the people.

Mr. Nelson is a man of high character and high ability. He has been able to procure the necessary appropriations for the election of members by direct vote of the people.

As before the ambitious of both sides are the same, and the desire of the people of the state that two senators be elected is a great success.

The Republican Party is in a position to secure the necessary appropriations for the election of members by direct vote of the people.

It is the only way to secure the necessary appropriations for the election of members by direct vote of the people.
