## Nerve Food

If you have neuritis, Scott's Emulsion of Cod Liver Oil will feed the nerve that is crying for food—it is hungry—and set your whole body going. Again, in a way to satisfy nerve, and brain from your usual food.

If you are nervous and irritable, you may only need more fat to cushion your nerves—you are probably thin—and Scott's Emulsion of Cod Liver Oil will give you the fat to begin with.

Cure so far as it goes. Full cure is getting the fat you need from usual food. Scott's Emulsion will help you to do that.

If you have not tried it, read the five simple directions. They will show you how to get the most from Scott's Emulsion.

**THEY SLEEP HARDLY**

Some of the most common complaints of the nervous system are those which are known as "nervous prostration" and "nervous exhaustion." These conditions are characterized by a general weakness of the body, a loss of energy, and a tendency to fall asleep very readily. They are often the result of overwork, worry, or a general debility of the system.

A Noted Boston Woman Describes  
its Symptoms and Terrors—Two  
Severe Cases Cured by Lydia E.  
Pinkham's Vegetable Compound.

"I am a nervous woman. I have suffered from nervous prostration for several years. My symptoms were a general weakness of the body, a loss of energy, and a tendency to fall asleep very readily. I was unable to do any work and my nerves were in a state of constant terror. I had heard of Lydia E. Pinkham's Vegetable Compound and I decided to try it. After a few days I began to feel better and after a few weeks I was completely cured. I am now a healthy and happy woman."

**Two Bad Cases of Nervous Prostration Cured.**

Two women from Boston describe their severe cases of nervous prostration and how they were cured by Lydia E. Pinkham's Vegetable Compound. One woman had been unable to do any work for several years and the other had been in a state of constant terror. Both women were cured after taking the compound for a few weeks.
