## HARRINGTON'S

## The Power of Price.

Coupled with meritorious quality has brought to us the largest trade in Clothing of any store in this vicinity. These two factors together with the superior assortments we always show, and well understood fact that in this store will always be found the latest fashions, as well as staple goods, is constantly bringing to our door the largest and best trade business.

Customers from a distance, who longed to come but whom we could not receive, are constantly receiving orders from neighboring towns in other counties, which is a compliment to us, and evidence that it is difficult to find as good a store as ours, or as well as we. We are constantly receiving compliments, and placing them on sale at "bargain prices," but we will never resort to the method of offering plunder at cheap prices to attract business. You can rest assured that all our offerings quality is the foundation used.

# No More Gray Hair

I have used Ayer's Hair Vigor for over thirty years and can testify to its wonderful merits. It has kept my scalp free from dandruff and my hair soft and glossy. And it has prevented my hair from turning gray. Mrs. A. S. Scott, Lowell, Mass.

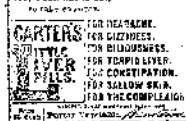

## Not a Dye

There is this peculiar thing about Ayer's Hair Vigor: it is a hair food, not a dye. It doesn't turn your hair suddenly black and make it look dead and lifeless. It gradually restores the old color back to your hair, or the rich, dark color it used to have. And it stops falling of the hair, too.

# Liver Don't Act?

You know very well how you feel when your liver don't act. Bile collects in the blood vessels, becomes constipated and your whole system is poisoned.

A lazy liver is an invitation for a thousand pains and aches to come and dwell with you. Your life becomes one long measure of irritability and despondency and bad feeling.

CASCARETS act directly, and in a peculiarly happy manner on the liver and bowels, cleansing, purifying, revitalizing every portion of the liver, driving all the bile from the blood, as is soon shown by increased appetite for food, power to digest it, and strength to throw off the waste.

Beware of Imitations!
