What We Don't Know.

We don't know why anyone that understands how we buy and sell clothing would think of buying elsewhere. We know that everyone desires the best clothing, and at the lowest price.

Table with 2 columns: 'If You Trade Here:' and 'If You Trade Elsewhere:'. Lists items like Suit, Vest, Shirt, Collar, Cuff, and their prices.

The above outfit as such is usually bought by the average Negro, and why anyone should pay \$20.00 for this outfit when you can buy it here for \$10.00 is what we don't know. Someone may say, 'I don't pay, when I get ready, and for that reason have to pay more.' Don't you think \$20.00 is pretty high interest on \$10.00?

That means, you said. We don't make a customer that prefer to pay the best of each month. This favor was not granted to those that do not see before the tenth of each month.

HARRINGTONS' THE LEADING CLOTHIER

To fully appreciate ourselves this morning the best looking clothing in America, we made it a point to visit such cities as Buffalo, Albany, Syracuse and New York to visit some of the very modern clothing stores and in every instance we found they were handling the HARRINGTONS' & HARRINGTONS' manufacturers. We were not surprised to find it so, but it simply confirms the statement that we are on the right side of the clothing business. We are opening up our new fall stock. Come in and look them over.
