## Do You Wear Pants?

If you are wearing business trousers you are wearing the only pants that can be depended on to give good satisfaction. This store is the only place in Wayne where you can buy them. Ask any other merchant if he will put you down for a pair of pants for your money that comes if you buy pants from him and he will tell you why. We will give you a written guarantee with every pair. It doesn't cost anything if you try them, as the factory guarantees them. But these Trousers don't cost any more than other pants and the satisfaction of wearing pants that don't require any mending is worth something.

# Others may talk

But we sell the goods and the reason for it is that we always keep

## WHAT THE PEOPLE WANT

Then, again, we never add a fancy price for the fanciest of goods. Our principle of doing business is many sales and a small profit from each. We don't expect to make expenses and a big profit from any single sale, but a little on each one and the aggregate will keep us out of the hole.

## THE GROCERY BUSINESS IS OUR BUSINESS

And if you are a customer of ours you know it, and if you are not, it will pay you to become one. Remember the place.

**Brookings' Grocery,**  
2nd Street., Opposite Postoffice.

# DISHES!

We have added to our already complete line of other goods a complete line of decorated and white china ware. These dishes are manufactured by Alfred Meakin, one of the best manufacturers of china ware in England and we brought them so low that we can sell you a set of decorated ware as low as you get any good white ware. We also have a nice line of glassware. Come in and buy your dishes and then do not forget that we keep the best line of glassware to make a meal complete, and tastefully decorate a dinner table. Our dry goods and goods' furnishing goods, boots and shoes are first class. Bring in your produce and we will pay highest market price.
