SCHLEY Court of Inquiry

Called today to hold its court on the subject of the sinking of the battleship Maine. It was on that day that the officers and crew of the Maine were ordered to abandon ship. The court of inquiry was held at the residence of the late Admiral Schley, who was the commanding officer of the Maine at the time of the disaster.

The court of inquiry was held at the residence of the late Admiral Schley, who was the commanding officer of the Maine at the time of the disaster. The court was composed of several officers and civilians, and its purpose was to determine the causes of the sinking of the Maine and the actions of the crew and officers during the disaster.

Columbia

The battleship USS Columbia was the first of her class, and she was the largest and most powerful battleship of her time. She was built in 1892 and served in the United States Navy for over 30 years. She was the only battleship to have been named after a woman.

BOODIES OF AMERICANS BURNED

Boodies of Americans burned in a public square. The scene was one of chaos and destruction, with many people fleeing in panic. The authorities were unable to control the situation, and the burning continued for several hours.

The American people are suffering from the effects of the war. Many of our soldiers are missing, and many of our civilians are being killed. The government should do more to protect our citizens and our soldiers.
